OBITUARY

THE LATE LESLIE HITSMAN

In ill health for a short time, Mr. Leslie Bert Hitsman, a former resident of Winchester, passed away at the Cornwall General Hospital on Tuesday morning. He had undergone an operation for appendicitis and gall stones two weeks ago, and was making steady progress until he suffered a relapse on Tuesday.

Born at Winchester 47 years ago, he was a son of Mrs. Curtis Hitsman (formerly Blanche Smith) and the late Mr. Hitsman. He was a butcher by trade and had worked in stores at Winchester and Morrisburg. About seven months ago he took up residence in Cornwall.

The late Mr. Hitsman was twice married. His first wife was the former Annie May Bowman. She passed away several years ago. Their only son, Gerald, was killed in a highway accident 11 years ago.

In 1942 he was married to Miss Grace McGillvary, of Cornwall, who survives, along with his mother, one sister, Mrs. Walter Barkley, and one brother, Arthur Hitsman, both of Ottawa.

The funeral is being held at two o'clock this afternoon from the home of Mrs. C. Hitsman, on Gladstone Street, to the local Wesleyan Methodist Church, where service will be conducted by the pastor, Rev. H. Kielty. Interment will be made at Maple Ridge Cemetery.

Thanksgiving Church Services Held On Sunday

Congrgeations of all churches were out in large numbers last Sunday morning to give thanks at special services held during the day.

In the United Church Rev. A. W. Harding, of Newington, had charge of the service as Rev. N. J. Thomas, local minister, was conducting anniversary services in the Newington Church.

At St. Matthias' Anglican Church the day not only marked special thanksgiving services but also the observance of the church's Diamond Jubilee. Rev. Robert Jefferson, Lord Bishop of Ottawa, was in attendance at the services, which included a Confirmation Sacrament, and dedication of a portion of stone from Winchester Cathedral in Winchester, England.

At St. Paul's Presbyterian Church, whose pulpit has been declared vacant by the Moderator of the Presbytery, Mr. J. D. Lister, of Montreal Presbyterian College, a student missionary to Western Canada, occupied the pulpit at both services.

The evening service at the Wesleyan Methodist Church was withdrawn to enable over 100 of the congregation to attend the Canadian Holiness Federation Convention in Ottawa.

Following the regular services at the Baptist Church, conducted by Pastor B. Richardson, a religious film, "Oh! For A Thousand Tongues," was shown.

Choirs of all churches prepared special renditions for all Thanksgiving Day services, and all churches were decorated in appropriate autumn blooms.

Chesterville Lady Heads Memorial Hospital Auxiliary

The second annual meeting of the District Memorial Hospital Auxiliary was held in the Town Hall on Thursday evening, October 5th, at eight o'clock.

The meeting was a great success with a record attendance. After the singing of O Canada with Mrs. Dudley Craig at the piano, the president, Mrs. Raymond Summers, called on the secretary, Mrs. C. R. Robinson, to read the minutes of the last Annual Meeting, held October 6th. These minutes proved very interesting to both members of last year and new members.

Miss Nora Elliott, the treasurer, gave the yearly report accounting for all moneys earned and spent during the year. This report was printed in the Winchester Press and Chesterville Record on September 28th. The balance on hand to start the new year is $673.60.

Particularly noted during the year were the untiring efforts and wholehearted support given to the Auxiliary by the secretary, Mrs. C. R. Robinson, and the treasurer, Miss Nora Elliott. All members agreed that the intricate duties of these two officers were carried out in a commendable and admirable manner.

After hearing the minutes and the treasurer's report, the president declared all offices. It was moved and seconded that Mrs. Raymond Summers and Mrs. C. R. Robinson preside during the remainder of the meeting. Mrs. Summers then asked the director who had been chosen by each unit to stand when the name of her district was called. The directors were as follows: Cloverdale and Harmony, Mrs. George Cinnamon; Chesterville, Mrs. Lyle Marcellus; Inkerman, Mrs. Harold Baldwin; Melvins and Annables, Mrs. George Angus; Morewood, Mrs. Lyle Hunter; Mountain, Mrs. Percy Cumming; Mountain Ridge, Mrs. Basil Dawley; Mulloys, Mrs. Homer Patterson; Ormond, Mrs. Irwin Cumming; Russell, Mrs. Milton Walker; Summers and Cass Bridge, Mrs. Byron Dawson; Vernon, Mrs. Wilfred Porteous; Vancamp, Mrs. Gordon Simzer; Winchester, Mrs. R. D. Ledgerwood.

Mrs. Summers explained that the officers for the coming year were to be chosen from the directors. The directors then rtired to the Public Library Room and chose the following officers for the coming year:

President — Mrs. Lyle Marcellus, Chesterville.

First Vice President—Mrs. R. D. Ledgerwood, Winchester.

Second Vice President—Mrs. Percy Cumming, Mountain.

Third Vice President—Mrs. Erwin Cumming, Ormond.

Secretary—Mrs. Eric Casselman, Chesterville.

Treasurer—Miss Nora Elliott, Winchester.

Sewing Committee — Miss Violet McConnell, convener; assistants, Mrs. Raymond Summers and Mrs. C. R. Robinson, Winchester.

Press Reporter—Mrs. Byron Dawson, Cass Bridge.

The audience, remaining in the hall, were delightfully entertained by Mrs. Dudley Craig who played the following piano solos: Nights of Gladness, Humoresque, and Melody of Love, and by a reading entitled "Mrs. Brown's Change and Rest," given Mr. W. A. Rowat. Both ente s received a very hearty applause.

Upon retiring from office, Mrs. Raymond Summers, in her gracious manner, thanked all the officers and auxiliary members who had so ably assisted her during the year. She then called all the new officers to come forward and presented them to the audience.

Mrs. Lyle Marcellus, the new president, praised the work of the ex-president and secretary, and also of the treasurer, and hoped the members would give her the same kindly assistance during her term of office.

A very delicious lunch provided and served by the different units was greatly enjoyed. Mrs. Raymond Summers moved a hearty vote of thanks to all those who had provided the lunch. The meeting closed with the singing of the National Anthem.

Lord Bishop of Ottawa Visits St. Matthias' Church

The newly decorated interior of the Church of St. Matthias, Apostle and Martyr, Winchester, was a blaze of joy and colour this past Sunday morning with many vases of bright autumn flowers decorating the Rood Screen, the chancel steps, the win-

The special occasion was the 60th dows and the altar.

Anniversary of the building of the church and the annual visit of The Right Rev. Robert Jefferson, D.D., D.C.L., Lord Bishop of Ottawa, who after a lengthy illness of 10 months officiated at the Sacrament of Confirmation. Those confirmed were Lavern H. Bolton and his wife, Constance.

Rev. Leon B. G. Adams celebrated the Sung Eucharist, assisted by the choir of the Church of the Holy Trinity, Chesterville, and Mrs. Gertis Montgomery, organist of St. Peter's Church, South Mountain. The Crucifer was Graeme Miltimore, the Server Jack Julyan, and the Bishop's Chaplain, Jack McGee, all of Chesterville.

During the Eucharist, His Lordship dedicated an oak Litany Desk, given by Mrs. K. H. Greer in memory of her sister, Zella, and a blue Wilton sanctuary and chancel carpet, also given by Mrs. Greer, in memory of Ann Monteith and Emily Sharpe.

During the summer the church interior was redecorated through the generosity of the congregation and friends, the Ottawa Diocesan Woman's Auxiliary, and Miss Mary Empey in memory of her father, Jacob Janasa Empey. In his sermon the Bishop congratulated the congregation on the improvement made to both the exterior and interior of the church in the last three years. He told how impressed with it the Earl of Caledon had been when he visited the Church last year.

The Bishop also blessed the 12th Century stone from the Cathedral, Winchester, England, which has been suitably mounted by Mr. F. W. Gibbons and placed at the west end of the church.

The Rector announced that the 60th Anniversary would continue this Sunday when at 9.00 a.m. a Requiem Eucharist wil be offered for past clergy and laity of St. Matthias' Church who are now in Paradise. The Diamond Jubilee will be brought to a close on October 22nd when the special preacher at Evensong will be Rev. G. O. Davies, of Morrisburg, former Rector of Winchester.

The Bishop and Mrs. Jefferson were guests for dinner at the Rectory after the service.

FRIENDS HONOUR MRS. FLOYD COCHRANE

Mrs. Floyd Cochrane, formery Miss Marion Guy, was honoured recently at a social gathering of her many friends at the home of her parents, Mr. and Mrs. Orville Guy. During the evening an appropriate address was read by Mrs. Robert Holmes, who also presented the newlywed with a lovely bride's book signed by all those who attended. Mrs. Cochrane also received as wedding gifts two end tables and a coffee table to match, while Miss Elaine Summers, young daughter of Mr. and Mrs. Howard Summers, presented her with a lovely nosegay of pink and white asters.

Later, a social time was enjoyed by all and lunch was served by the hostesses, Mrs. Robert Holmes, Mrs. Harry Strader and Miss Gwendolyn Summers.

WEDDINGS

WOODS—MacINTYRE

In a double ring ceremony in St. Matthew's Anglican Church, Grenville, Que., on Saturday, September 30th, Miss Beryl Jean MacIntyre, daughter of Mr. and Mrs. Earl MacIntyre, of Grenville, was married to William Bennet Woods, youngest son of Mrs. W. J. W. Woods and the late Mr. Woods, of Metcalfe. Rev. P. R. Stote, rector of the parish, performed the ceremony for which the church was decorated with gladioli, chrysanthemums and autumn leaves. Mrs. R. Owens, organist of the church, played the wedding music.

Given in marriage by her father, the bride was attended by her sister, Miss Dorothy MacIntyre, as bridesmaid, and Mr. Gordon McVicar, of Kilmaurs, was best man. The ushers were J. Wesley Robinson, of Ottawa, and Donald MacIntyre, of Grenville.

For her wedding, the bride wore a tailored suit and small hat in midnight blue shade with accessories in cola-brown tone. She carried a white satin prayer book ornamented with white satin ribbon and rosebuds.

Following the ceremony, a reception for the immediate families and friends was held at the home of the bride's parents, and later, Mr. and Mrs. Woods left on a motor trip to Algonquin Park and North Bay. They will reside in Ottawa.

Guests from a distance included Mr. Jack Allatt and Miss Gretta Lundy, of Toronto; Miss Perry Brabant, of Alexandria; Mr. Gerald Mullins, of South Gloucester; Mr. Fred MacIntyre, of Port Colborne; Miss Muriel MacDonald and Mr. Don. Woods, of Metcalfe; Mr. and Mrs. F. N. Woods and Mr. and Mrs. J. Wesley Robinson, of Ottawa.

On their return on Friday evening, October 6th, a reception was held in the Community Hall at Grenville with about eighty friends attending. Rev. P. R. Stote presided, and Mayor C. Cavanagh made a brief congratulatory address, after which the evening was spent in dancing.

Mr. and Mrs. Woods were also honoured by friends of the Field Husbandry Division, Central Experimental Farm, when Mr. W. Kalbfleisch, on behalf of the group, made the presentation of a generously filled purse.

Former High School Student Wins Bursary

Miss June Rosemary Rowat, daughter of Mr. and Mrs. W. A. Rowat, of Winchester, now attending the University of Toronto, has been notified that she has been awarded a bursary for $70.00 by the Royal Conservatory of Music. June had previously been awarded a scholarship in her first year English Course.

For the second consecutive year Miss Rowat has been chosen for the leading role in the University College musical production, "Naughty Marietta." These operettas, as do all other university functions, constitute a great amount of hard work by the participtating students, so that one must be equally clever in curricular and extra-curricular activities. To be chosen in her first two years is an honour that few students receive at U. C.

The operetta will be featured for three nights in Hart House Theatre during the first week in December.

June was formerly a student at Winchester High School.

WINCHESTER THEATRE NEWS

Theatre patrons who laugned over that exceedingly funny farce, "Francis," will be interested in learning that a sequel is on the way. Universal International Films have in project a new picture, "Francis Goes To The Races,"—the story of how the old army mule gets out to the race track and becomes the pal and confidant of the thoroughbreds. The supporting cast has not yet been announced but the picture will come to The Winchester in due course.

The feature pictures of the coming ten days are primarily action dramas, the first with a Canadian setting, the second filmed in Germany, and the third in the American Southwest.

"The Cariboo Trail," showing for the rest of this week, was filmed chiefly in the wilderness country of central British Columbia, and the wonderful forests and snow-capped mountains pictured in brilliant Cinecolor, are in strong contrast to the bare rocks and arid deserts which are the usual background for pictures of western life. The picture is a drama of roaring action. Randolph Scott takes his herd of cattle from Montana over the mountains, battling with the hostility of rival owners and with the wild Indians who then peopled the district. Gold is discovered and the struggle becomes more intense.

"The Big Lift" starting on Monday is heralded as one of the big pictures of the year. A story of the Berlin air-lift in the precarious days following the Russian blockade, it is splendid top-line entertainment without a dull moment in its two-hour running time. Montgomery Clift and Paul Douglas are portrayed as two members of an air crew, and the picture is largely a tale of personal experiences, with episodes of adventure, humour and romance.

The following feature is "The Gunfighter," a tensely handled drama with Gregory Peck in the leading role. It details the career of a man whose reputation for being extra quick on the draw follows him everywhere, leading many to challenge him out of bravado. He tries to abandon his career and return to his wife; but the end comes when he is shot in the back after a scene of terrific suspense.

In the first section of the South Mountain League, Stan. Berry took the men's honours with games of 179, 212 and the high single of 267 to cross 658. Doris Kirker was the best for the ladies with a high single of 179 and cross of 478. In the second section, Keith Beamish rolling games of 239, 176 and a high single of 285 to cross 700 took the men's honours. Art Atkins, playing in the Bell Telephone League, took the men's honours with a high single of 216 and cross of 566. Marge Crummy took the ladies' honours with a high single of 189 and high cross of 513.

The ladies' best single of the week was rolled by Miss Helen Holmes on Friday evening. Helen's single of 287 was a new record for the season.

The new men's group, named the Country Gentlemen, got off to a good start on Friday. Mike Thompson took both the honours with a high single of 286 and other games of 218 and 143 to cross 647. Mike was closely followed by Archie Rice with a cross of 646, Dave Melvin with a 631 and Reg. Workman with a 623. Lloyd LaPorte is the head of this group with Archie Rice as secretary-treasurer. Both are team captains along with Gerald Helmer and Mike Thompson. If you would care to join the Country Gentiemen, get in touch with any one of the four—you'll have fun.

FEED NEWS

LOCAL GRAIN

Local grain is being offered for sale at various prices and the quality varies as much as the price. Most people have a fair supply but anyone who has room to put in a few tons of local grain at a right price will no doubt find it work in to good advantage later on in the season.

If those who have grain to offer will let us know what they have and the price and those who want to buy local grain will also get in touch with us, we will be glad to advise about any lots available.

You can buy the grain directly from the man who has it to sell and have it at first cost. It will also help out the man who has a surplus.

TIMOTHY SEED

Latest quotations on Timothy Seed are down a bit. Large quantities of seed are reported from Northern Ontario. The high price in the spring encouraged many to save seed who have not been in the habit of it other years.

Prices of Alfalfa and Red Clover are on much the same basis as last year. No definite trend of prices in clover seed yet as it has not come into the market in any quantity.

If you have seed to offer give us a call—we will be pleased to pass on any news we get on prices of either Timothy or Clover Seed.

Just as the butcher was about to serve a customer, another woman rushed up and said: "Give me a pound of cat-meat, quick!" Then turning to the first woman, she said, "You don't mind my being served first, do you?"

"Why, no," answered the first customer. "Not if you're as hungry as all that."

Except in rare and minor instances capital has nothing left to yield to labor. With wages and taxes still going up and working hours going down, the businessman or industrialist seldom has the power to grant fresh wage increases out of his existing margins of profit. When his payroll rises he has no alternative but to raise the price of the goods or services he is selling.

This week, October 8th to 14th, is being observed throughout Canada as Fire Prevention Week, and it is an appropriate time to remind local citizens to overhaul their heating equipment and have their chimneys cleaned in preparation for the colder weather which lies ahead. Poorly kept furnaces and stoves are fire hazards, and dirty chimneys have been responsible for major fires. Another warning, issued by those interested in Fire Prevention, is to keep matches in a safe place, where they are not available to youngsters. They should be kept in a covered metal container, so that mice cannot gain access to them.

The old lady trotted across to the desk, and a few moments later returned triumphantly. Across the back of the cheque the teller read: "With love from Aunt Teenie."

NATIONAL NEWSPAPER WEEK

Just in case you didn't know, last week, October 1st to October 8th, was National Newspaper Week throughout Canada. The C. W. N. A. staff says this is the time when newspaper publishers let down their hair and blow their own horns at the same time. Sometimes the hair gets caught in the horn and the news notes are off-key. Older and more experienced editors have less trouble of this type. Generally speaking, they have less hair to let down.

Well, we aren't going to blow our own horn, and as far as our hair falling down is concerned that particular thing happens quite often—just about every week—but we would like to laud Canadian newspapers, both weeklies and dailies. They are doing a fine job. Too many people take the newspaper for granted, and too few people realize the amount of hard work that goes into each publication. The men and women working for the newspaper industry throughout Canada deserve much more credit than they are receiving for the excellent work they are producing. Newspaper circulations continue to rise and as long as this trend continues, we, in the newspaper business, should not have too much to worry about as far as criticism and understanding are concerned.

EDITORIAL NOTES

What a World Series—seems the Yankees haven't been stopped since the Civil War.

Civil servants should be paid as well, and perhaps better, than employees of industrial and commercial firms. And they should work just as hard and just as long.

In approximately two months municipal election time will be here. It might be a good idea to give some thought as to who you would like for candidates in the coming elections, so that when the nomination meeting is held you will be able to attend with some idea of who you would like to see on the Council and as Reeve. Everyone should take a keen interest in this matter as it is to your benefit to have men in these positions who are best qualified. While we're on the subject of municipal elections, we can advise everyone to get out and vote this Fall. It is your privilege—so don't forget to use it.

Every newspaper has a few "contributors" who submit personal or news items with the qualifying comment: "please do not change in any way." It is very difficult to explain to such people that what goes into the news columns of a paper is solely the responsibility of the editor. Even an advertiser who buys newspaper space, while given greater freedom to express his own views in his own way, is also subject to editorial limitations. The simple fact is, of course, that an editor is personally and legally responsible for everything that appears in his paper and for ensuring that it appears in a way which will make it acceptable to his readership at large. To suggest that news shall be printed in this way or that is simply nobody's business except the editor's.

ances of Jeremiahs and Cassandras of an older generation who bemoan the weakening of the fibre of Canadian Youth. Ignorant, irresponsible and paganistic are some of the adjectives that are applied to you. You no doubt have already learned that many persons have wailed that youth in every succeeding older generation is not as good as they were when they were young. To the harsh critics of modern youth I sometimes retort that throughout history youth was never in the eyes of many of their elders very promising. Baldness, bulges bifocals and bridges have a tendency to produce forgetfulness of the critics' own juvenile shortcomings.

"I recall clearly that in the dismal thirties many persons described the youth of those years as empty-headed and light-hearted. What a lie that was! In World War II Canadian youth demonstrated that they had robust intellects, stout characters, rare capacity for leadership and singular devotion and courage. Only last week, I read in a current issue of a Canadian periodical a series of indictments of the quality of Canadian "Frosh." With those denunciations of our current crop from Secondary Schools, I, substantially, disagree.

"It is my considered testimony that you are better prepared than we of an older generation were. You are, at least, as responsive to rich ideas and high ideals as my high school class in 1911 was. Those who criticize schools and colleges are frequently parents who might well re-examine the measure of their discharge in their homes of their educational responsibilities."

Many years ago in France, a woman came to her parish priest and confessed to telling untruths about her neighbours. She wanted to make amends.

Instead of preaching a sermon, the priest told her to take a pillow, go up into the church tower, and toss the feathers to the wind. She did so; and when she came back, he asked her to describe what had happened.

"The wind scattered the feathers far and wide," she said.

"Now you must gather up every feather and put it back into the pillow."

"But Father, that is impossible," she protested.

"No more impossible," the priest replied sternly, "than for you to track down and destroy every lie you have told about your neighbours."

This notice appeared briefly on the bulletin board of a government machine shop: "Girls: If your sweater is too large for you, look out for the machines. If you are too large for the sweater, look out for the machinists."

A mother was reading aloud to her young daughter and came across the phrase: "blood, sweat and tears."

"You know where that quotation comes from, don't you?" she asked.

"Oh, sure," the little girl said. "From the marriage rites."

NICE TO HEAR

(Smiths Falls Record-News)

It is pleasing to note that the Canadian Dollar is reaching its proper level—par—with United States currency. The action taken by Finance Minister Abbott last week-end to re-value our dollar was long overdue. The exchange situation is at present in a turmoil, but will soon be corrected, on all money exchange markets throughout the democratic world marts at least. It has been intimated that if the Canadian dollar reaches par it will decrease the cost-of-living index—may it be so.

CHEVROLET

the Leader

GIVES YOU MORE AND COSTS YOU LESS

LOW FIRST COST

Hard facts, not fancy phrases, determine any car's value. Study the market carefully, feature by feature and value by value. Then compare the Chevrolet price tag with that of any comparable car. You'll find beyond doubt that this impressive, powerful, six-passenger automobile is the value-leader far!

CHEVROLET

ECONOMICAL OPERATION

For all the power you want when you want it, *with consistently economical fuel consumption,* there's no better engine than the highly-improved Chevrolet valve-in-head, with its ultra-efficient new carburetor. And that's not all! Many thousands of enthusiastic owners will testify that Chevrolet needs *less* maintenance, *less* servicing than any comparable car.

COMPLETE DEPENDABILITY

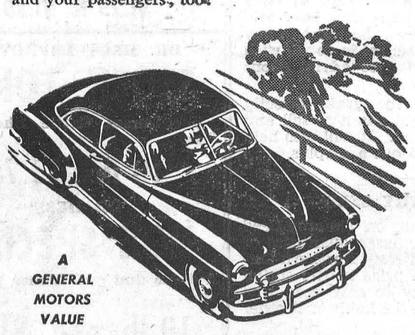
Built for Canadian driving requirements, reflecting its superior craftsmanship in every detail, Chevrolet is further backed by a nationwide organization of skilled service and maintenance specialists. No wonder it is renowned for delivering dependable, trouble-free performance under all conditions!

BRILLIANT PERFORMANCE

Just get behind the wheel of a Chevrolet, and you'll soon know the meaning of *brilliant* performance. In city traffic, on busy highways, on rough back roads, Chevrolet has the edge on all its rivals. And it stays at the peak of its performance,—mile after mile, month after month.

GREATER ROOMINESS

There's hip-room, head-room, leg-room *and room to spare* for six adult passengers in a Chevrolet. The big doors swing wide to let you in and out without undue stooping or crouching. And the bigger, more capacious trunk has ample room for all your luggage—and your passengers', too!



A GENERAL MOTORS VALUE

It's best in its class for styling, for performance, for comfort and for operating economies — yet it costs far less than any comparable car. That's why Chevrolet is first in value!

Let the record speak for itself! In a recent impartial survey conducted among thousands of motorists, Chevrolet proved to be in greater popular demand than any other car.

No wonder Canadians buy more Chevrolets than any other make of car. They know that Chevrolet, built and proved in Canada for Canadians, is unequalled at its price for comfort, safety, lasting beauty and all-round dependability.

HIGH REPUTATION

Here's convincing proof that throughout years, Chevrolet has earned a reputation for unwavering excellence! In a recently conducted coast-to-coast survey, an overwhelming majority of motorists named *Reputation* as the most compelling reason for Chevrolet's popularity.

MODERN STYLING

In every detail, the new Chevrolet is in the very forefront of the style parade. Those flowing, graceful lines radiate quality from every angle. And don't forget — its consistently advanced styling is one reason why Chevrolet is tops for trade-in value.

GREATER SAFETY

From the blueprint stage onward, built-in safety factors are an integral component of every Chevrolet. The immensely strong box girder steel frame . . . the exclusive Certi-Safe hydraulic brakes for quick, *controlled* stopping . . . the ample reserve of power in the valve-in-head engine—all these and many other Chevrolet features are designed for your protection.

HIGH TRADE-IN-VALUE

Records prove that *used car buyers* as well as new car buyers consistently favor Chevrolet over other cars. That's because Chevrolet is first in the low-price field with all the qualities of much higher priced cars, and also because it's renowned for dependable, year-in, year-out performance.

QUESTIONABLE ARRESTS

(Granby (Que.) Leader-Mail)

Police at Val d'Or arrested three more Baptist evangelists for soobstructing traffic. Police in too many towns are inclined to ignore lotteries and other forms of gambling and vice flourishing under their noses, while pushing a form of Communistic persecution on people trained to the ideas of a democratic country.

CALFHOOD VACCINATION NOTES

TO THE FARMERS OF DUNDAS COUNTY

Are Your Calves Vaccinated Yet?

If not, call the veterinarian in charge of your township at once. In order to save him time and travel, organize your community and have all the calves vaccinated on the same day.

We will receive a report from the Veterinary College in Guelph sometime in February as to the number of calves vaccinated in our county this year. If the number is down as compared with previous years, the Federation will canvass again next year in a continued effort to have our County 100% vaccinated.

Dont neglect to do your part in ridding Dundas of Bang's Disease and at the same time, increase the value of your herd.

Have Your Calves Vaccinated Now.

School Party

On Wednesday evening, October 4, the Literary Society sponsored a school party at which 125 students attended. Beginning the evening Jean McRoberts led the group in a programme of various games. Rounding out the evening was a selection of recorded dance music.

On The Gridiron

In the opening game of the rugby schedule, played at Finch on October 4th, the Finch team ran up a 15-5 count against our local gridiron club. Leading the Finch team was Merkley who accounted for two touchdowns. Nephew went over for the other. The single touchdown for Winchester was scored by W. Porteous.

Winchester suffered their second defeat at the hands of Cardinal by a score of 33-22. Kennedy wracked up two touchdowns with Murray and McVey going over for one each. Completing the scoring column were Allison and Dawley with singles credited to them.

Examinations

On November 30th and the 1st and 4th of December, examinations will be held throughout the school. These examinations, which are to show the student's standing in that particular subject, and not to declare the cruelty of the teaching staff, are the first term tests; dig in pupils, and prepare for the best.

Peter B. Biggins, who is to lecture in the Auditorium of First Church of Christ, Scientist, Ottawa, on Sunday afternoon, October 22nd, was born in Scotland where he was indentured as a law student. Well qualified, he has chosen as his subject: "Christian Science: The Word of God Applied to Our Human Needs."

OBITUARY

LATE MISS RACHEL AGNES RAE

The death occurred on Saturday morning, September 30th, 1950, of Miss Rachel Agnes Rae, in her 85th year, in Nation Valley. She had been confined to her room since April and was one of the oldest and most respected residents of the district.

She was a daughter of the late David Rae, who in his day was one of the most widely known men in social, religious and political circles in the United Counties. Her mother was the late Jennie Carlyle, of Dunbar, a member of another pioneer family of Dundas County.

The late Miss Rae was a devoted member all her long life of St. Paul's Church, Winchester, and St. Andrew's Presbyterian Church, Chesterville, and in her active years was a staunch supporter of all its departments; always a member of the Ladies' Aid and honorary president and life member of the Women's Missionary Society.

The deceased was a woman of good fight, she had finished her sterling worth; she had fought a course, she had kept the faith. Her death closes a long life spent at peace with God and she was respected by a large circle of relatives, neighbours and friends. She was of a humble active mind and a keen memory, and quiet nature and possessed an both of which she retained until her last days.

She leaves one brother, William T. Rae, in the home, and several nieces and nephews.

The funeral was held from her late residence on Tuesday, October 3rd, at 2 p.m., where the service was conducted by her minister, the Rev. W. H. Heustin, who spoke comforting words from the text, "I have a goodly heritage." The choir was under the direction of Mrs. H. Greer, and the hymns requested and sung were: "A Few More Years Shall Roll," and "Forever With The Lord"—a solo by Mr. George Crawford.

The pall-bearers were four nephews: Messrs. Donald Rae, Norman Rae, Murray Rae and Douglas Rae.

At the conclusion of the service interment was made in the family plot at Maple Ridge Cemetery.

The floral offerings were as follows: Pillows, Brother, Wm. T. Rae and family; Family of the late Walter Rae; Wreaths—Agnes, Helen and C. B. Jamieson; Nation Valley S. S. No. 5; W. M. S. and Ladies' Aid of St. Andrew's Church; Sprays—Mr. and Mrs. Jas. Jamieson; Mr. and Mrs. Norman Rae and family; Mr. and Mrs. Cecil Rae, Mrs. I. P. McIntosh and Mr. Percy Rae; Baskets—Bogart Family; Mr. and Mrs. Edwin Forward and Mr. and Mrs. Wm. Forward.

Relatives and friends from the surrounding districts attended the funeral.

"I know that safe with Him remains
Protected by His power,
What I've committed to His trust
Till the decisive hour.
Then will He own His servants' name
Before His father's face,
And in the New Jerusalem
Appoint my soul a place.

"THE CASE OF THE FROZEN FOOT"

Murder never fazed him . . . jails couldn't hold him . . . courts couldn't convict him! Read the suspense-packed story, "The Case of the Frozen Foot," in this Sunday's (October 15) issue of The American Weekly, great magazine of true-life stories exclusively with Detroit Sunday Times. You're missing something if you miss Sunday's Detroit Times.

WOLF CUB NEWS

Sixteen Cubs answered the roll call at the fourth meeting of the Pack on Tuesday evening. It was "Fun Night" for the Cubs and what a time! The most recent complete list of enrolled Cubs will be issued next week. The Cubs have made final arrangements for their "Scout Apple Day" on Saturday. It's a big day for the boys. Won't you try and make it the most successful Apple Day ever.

One of the policies of Scouting is that Scouts do not beg, but, in some way, endeavour to give value for money received. Therefore, Scouting holds Apple Days and says "Thank You" for each donation received by giving the donor a shiny Canadian apple. Donors place their donations in sealed money containers—the boys do not actually handle the money. A tag is also given so that the person may show he has donated to Scouting and enjoyed eating a "Thank You" apple.

Fire Prevention Week October 8th to 14th

This being Fire Prevention Week throughout Canada, all local citizens are requested to observe same by removing potential fire hazards from their premises, and have their heating equipment and chimneys cleaned and overhauled before cold weather sets in. Oiled or greased rags should not be allowed to accumulate—they should be kept in metal containers. Matches should be kept out of the reach of children. Remove all useless combustible material from attics, pantries, basements and especially that catch-all underneath stairs.

Careless smokers account for many fires. Be careful, get the habit of making sure your cigar or cigarette butt is properly extinguished. Do not throw it away careless of where it falls.

Have your electric wiring checked now and then for wear. Instruct every member of the family in the value of care against fire. Insist in carefulness.

Smoking in bed and on chesterfields is very dangerous. Make an inspection of the house before retiring to see that everything is in proper order, that furnace or stove drafts are closed.

Remember, a careful person seldom has a fire and a clean, orderly place seldom burns.

Your local Fire Brigade gives assurance of its co-operation at all times, and calls upon all citizens to practice fire prevention every day throughout the year.

GILBERT RAISTRICK,
Fire Chief.

Keen Competition At County Plowing Match

Over 1,000 district agriculturists saw the skill of veteran plowmen challenged by young farmers in their 'teens at the annual Dundas county plowing match, held last Tuesday on the outskirts of Chesterville Village on the farm of Thomas Allen.

This year only three teams of horses were on the field. Their absence brought memories to Charlie Graham, who remarked that he had plowed in 1918 on the same field when there wasn't a tractor present.

The oldest plowman competing was George Hill, of Williamsburg, and the youngest was Ronny Brinston, of Brinston. The event got under way following a rain storm at noon and it was past sunset before Judge William Clarke, of Gormley, was able to announce the winners.

Class 1, Walking Plow, single furrow, plain or jointer in sod, open—Algie Wallace, North Gower; Hector Cuerrier, Maxville; and Lloyd Clark, Richmond.

Classes 2 and 3—No entries.

Class 4, Tractor Plow, two furrows in sod, open to members of Dundas county junior farm clubs—Gerald Fawcett, Winchester; Donald Rose, Mountain.

Class 5, Tractor Plow, two furrows in sod, open—Ray Beehler, Crysler; Doug. Manley, Berwick; Bernard Moran, Berwick; Philip Beehler, Crysler; Bernard Lynch, Berwick.

Class 6, Tractor Plow, two furrows in sod, open to boys from Dundas county under 18 years—Donald Merkley, Chesterville; Ronnie Brinston, Brinston; Francis Beckstead, Chesterville; Mervin Beckstead, Chesterville.

Class 7, Tractor Plow, two furrows in sod, open to Dundas county farmers only—Francis Lynch, Chesterville; Don Stewart and Des Wheeler, Chesterville.

Class 8, Tractor Plow, three furrows in sod, no handling, open—Jack Hill, Williamsburg; George Hill, Williamsburg; Graham Pemberton, and Floyd Pemberton, Winchester; Donald Mattice, St. Onge.

Class 9, Tractor Plow, single furrow in sod, open—Allen McMahon, Crysler.

Class 10, Plow Teams, best team and equipment, teams scored 10 per cent. for equipment, 60 per cent. for performance and 30 per cent. for conformation—Albert Smith, Jas. Popham, Asel Merkley, Chesterville.

Special Prizes—Best Crown, Algie Wallace, North Gower; best ins and outs, Algie Wallace; best plowed land at match, Algie Wallace.

EVENING AUXILIARY

Mrs. K. Barrigar conducted the worship service of the October meeting of the Evening Auxiliary, held at the home of Miss Evelyn Fennell on October 3rd. The theme of the service was "Christ's Disciples Bring Light," and Mrs. Barrigar had as her assistants, Mrs. G. Bell, Mrs. C. Kerr and Mrs. Don. Edgerton.

A short resume of the second chapter of the Study Book, "The United Church Re-enters Japan," was given and Mrs A. B. Allison ably reported on the Christian Education Convention of the World Council of Churches, held in Toronto the first part of August.

Mrs. S. K. Ault had charge of the business meeting in the absence of Mrs. K. Carlyle. Various reports were heard. It was decided to hold a Food Sale in the Sunday School Rooms on Saturday afternoon, October 14th.

Mrs. C. Rice moved a vote of thanks to Mrs. Allison and Mrs. Barrigar and her committee. The meeting closed with the Mizpah Benediction after which a dainty lunch was served by the committee.

ST. PAUL'S LADIES' AID

The October meeting of the Ladies' Aid Society was held last Thursday afternoon in the Presbyterian Church with Mrs. S. Anderson, president, and Miss M. Knowland, secretary, conducting the meeting.

The meeting opened with a hymn. Mrs. H. Wilson acted as pianist. The devotional period was conducted by Mrs. Anderson and Mrs. Kennedy.

The business session followed with Mrs. H. Wilson giving the treasurer's report in the absence of Miss E. Gardner. Mrs. H. Wilson and Mrs. Anderson were appointed as a committee to report on alterations and improvements in the Manse. The report of the Cooking Sale was given and was very encouraging. The various committees were named for the Bazaar which will be held on November 9th. The metting closed by all repeating the Lord's Prayer.

PRIZES FOR ATTENDING OTTAWA WINTER FAIR

By attending this year's Ottawa Winter Fair and Horse Show to be held at the Coliseum, Lansdowne Park, October 23rd to 27th, there's a free chance to beat the high cost of living. Seventeen prizes are to be awarded to the winners in a guessing contest. These prizes are a pure bred Hereford, a Jersey and a Guernsey calf, a young pure bred pig, a pure bred lamb, a standard bred colt, three turkeys, six chickens, a supply of vegetables and a box of apples.

On entering the Coliseum during the five days and five nights of the Fair and Horse Show each person will be handed a card for recording his or her guesses on the contents of the jars in each department of the Fair. To the winners scoring the correct or nearest to the correct guesses will go the prizes. The contest closes at 6 p.m. on Friday evening, October 27th, and the winners will be announced at ten o'clock on that evening.

CHESTERVILLE AUXILIARY RAISES OVER $500

At the annual meeting of the Chesterville Branch of the Winchester District Memorial Hospital Auxiliary, reports given showed the branch had increased its membership to 130 members and had raised over $500 during the past year to assist the parent auxiliary in the purchase of equipment for the Winchester District Memorial Hospital.

Mrs. O. D. Casselman was named honorary president of the Chesterville branch and Mrs. Eric Casselman was elected president. Other officers include Mrs. James Fyke, vice president; Mrs. Hulbert Cross, secretary-treasurer. Mrs. Harold Hamilton was appointed director of the ways and means committee; Mrs. Gordon Cummings, work convener, and Mrs. Lyle Marcellus, district director.

SECTIONAL MEETING HELD AT CHESTERVILLE

Mrs. Jas. Davidson, President of Section No. 4 of the Brockville Presbyterial of the Presbyterian Church, presided at the well attended annual meeting in St. Andrew's Church, Chesterville, on October 4th. The Invocation by Mrs. Davidson opened the meeting. The devotional period was conducted by Mrs. Myles Marcellus and Mrs. Wesley Moke, of Dunbar. Mrs. Earl Munro, of Winchester Springs, conducted a short memorial service in honour of all faithful members who, in the past year, had passed on. Mrs. J. D. Bailey extended a welcome to all present on behalf of St. Andrews. Mrs. Brodie, of Morrisburg, replied. Mrs. W. C. Hunter, of Morewood, offered a special prayer for the missionary work of the church.

The six Auxiliaries, Y. W. Auxiliaries, Girls' Groups and Mission Bands of Section No. 4 all gave splendid reports of their year's work, telling of progress and success in all departments of the work. These reports were dedicated with prayer by Mrs. Geo. Wilson, of Chesterville.

Ledgerwood, Prseybterial girls' work secretary, and Mrs. A. G Suffel, Presbyterial Y. W. secretary, presented the work of their departments.

DUNDAS-GRENVILLE PRESBYTERY MEETS AT CHESTERVILLE

Rev. N. J. Thomas, of the local United Church, presided over the meeting of the Dundas-Grenville Presbytery of the United Church of Canada, held recently in the Chesterville United Church.

A letter of thanks was read from Mrs. E. D. B. Sexsmith, for sympathy shown in the death of her husband, Dr. Sexsmith, who had been a member of Presbytery and a minister at Cardinal for the past several years. A minute silence followed.

A commission was appointed to survey the Presbytery in regard to pastoral charges, and included Rev. C. H. Ferguson, Kemptville; Rev. J. Vowles, Winchester Springs; Messrs. E. A. Adams, Ventnor; O. Seeley and T. Acton.

Rev. John Hurst, of Shanly, was appointed settlement committee, alternate.

Informative reports of General Council were given by Rev. N. J. Thomas, Rev. J. A. Payton, Prescott; R. Andrews and C. Patton, who were commissioners.

J. R. MacGregor, of Ottawa, was the special speaker. Rev. N. J. Thomas conducted the afternoon devotional service.

Reports were given as follows: on Christian Education, by Rev. N. T. Holmes, of Hallville; Rev. J. A. Payton, Evangelism, and Social Service; Rev. L. H. Legrow, on Missionary and Maintenance, and by Rev. G. F. Dangerfield on Missionary Education.

Rev. J. A. Payton, Rev. C. H. Ferguson and R. Andrews gave reports on the Mid-Century World Convention on Christian Education.

Christian Education Councillors were appointed as follows: Boys' Work, Rev. J. B. Adams, South Mountain; Girls' Work, Miss Betty Stewart; Young People, Rev. C. H. Ferguson; Adult Work and Leadership Training, Rev. Maxwell Reader, Morrisburg; Junior Children and Vacation Schools, Rev. W. H. Legrow, Merrickville; superintendent, R. Andrews.

Rev. J. A. Payton was appointed interim chairman of Augusta township, and the name of Rev. John L. Hodgson was transferred to the Ottawa Presbytery.

Roy A. Speer was recommended to attend college as a candidate for the ministry.

The next meeting of Presbytery will be held in Maynard United Church.

WINCHESTER SPRINGS W. M. S.

Mrs. Joe Steele kindly opened her home for the October meeting of the United Church W. M. S. on Tuesday afternoon, October 3rd. The rooms were decorated with late autumn flowers and coloured leaves. Mrs. Arthur Adams presided.

The meeting opened with a hymn and prayer. Following the reading of minutes and roll call with 22 members and 4 visitors present, a short business period followed. All members were urged to attend the Sectional meeting to be held this year at Williamsburg on October 17th. The general, reserve and birthday offering was then received. Mrs. B. Steele gave a paper on Christian Stewardship, and Mrs. Myers one on Temperance. Mrs. Dalton Robinson took the Community Friendship report and Mrs. Arnold Casselman the Literature report. Mrs. Thos. Keyes gave a talk on the Life of Joseph, which was very interesting.

Mrs. Byron Steele, leader of Group two then took charge of the meeting. Mrs. Clifford Robinson conducted the devotional period and she was assisted by Mrs. Clifford Casselman, Mrs. Myers and Mrs. Adams. The Study Period, "The United Church Re-Enters Japan," was conducted by the leader, and papers were given by Mrs. Joe Steele and Mrs. Lloyd Allison.

Rev. F. J. Vowles closed the meeting with prayer. The hostess, assisted by group members, served delicious refreshments and a social time was enjoyed. Those active on this group were: Mrs. Joe Steele, hostess; Mrs. Byron Steele, Mrs. Harry Holmes, Mrs. Clifford Casselman, Mrs. Lloyd Allison, Mrs. C. Robinson and Mrs. Geo. Myers.

ST. MATTHIAS' LADIES' GUILD

The Ladies' Guild of the Church of St. Matthias, Apostle and Martyr, met on Wednesday evening last week at the home of Mrs. Willard Acres, with the president, Mrs. F. W. Gibbons, in the chair. In the absence of the secretary, the minutes were read by Mrs. D. F. Blair, and the treasurer's report was given by Mrs. K. H. Greer.

The members decided to hold an afternoon tea at the Rectory on Thursday, October 19th, to mark the 60th anniversary of the building of St. Matthias' Church. Plans were laid for this event. The Guild voted a sum of money towards fuel for the church and discussed other items of business. The next meeting is to be held at the home of Mrs. T. O. VanBridger on November 8th. Mrs. Gibbons closed the meeting with prayer and luncheon was served by the hostess.

SHUR-GAIN YORKSHIRES MAKE CLEAN SWEEP AT HOG SHOW

Last month the biggest Yorkshire Show in the United States was held at Springfield, Illinois. The breed has grown in popularity in that country to such an extent that there are now twice as many Yorkshires exhibited at Springfield as there are at the Toronto C. N. E. It is also worth noting that Yorkshire hogs are being registered in the United States, at the present time, at twice the rate of registrations in Canada.

Shur-Gain Yorkshires were entered in the show and won the following awards: Grand Champion Sow, Reserve Grand Champion Sow, First Prize Aged Boar, First Prize Yorkshire Herd.

Shur-Gain breeding and Shur-Gain feeding virtually swept the show. It is interesting to note that both the Grand Champion Sow and First Prize Aged Board were litter mates. They were sired by the Shur-Gain Farm Yorkshire herd sire, "Ranch Duke," of Hooker breeding, Ormstown, Que., and were out of an imported Large White Sow.

George Robson, the manager of the Shur-Gain Farm, knew that he was getting good results from cross-breeding Canadian Yorkshires with English Large Whites so he went to England this year and imported a sizeable herd of Large White sows and boars. A group of these sows have recently farrowed at the Shur-Gain Farm. The first six sows to farrow are raising 54 good pigs. These are all first litter sows. They were bred in England, then they crossed the ocean and went through a quarantine period while pregnant. The fact that they are able to nurse an average of nine pigs each in spite of the hardships that they have been through is a tribute to the outstanding vigour of this breed of hogs.

The Large White herd will be kept pure at Shur-Gain Farm so that young pigs of this blood can be distributed to breeders for crossing with Canadian Yorkshires. The progeny of crosses between English Large Whites and Canadian Yorkshires will be eligible for registration since the Canadian Yorkshire Hog Breeders' Association recognizes Large White hogs as Yorkshires.

WHAT HAPPENED?

(Brockville Recorder & Times)

What has happened to all the prognosticators this year. Although the winter season is fast approaching we have not as yet had one of our local or district weather prophets going out on the limb to wise up their less-intelligent fellow citizens as to whether it will be a long cold winter, a short mild event or one that will be wet. How can we face the weather not knowing what to expect?

Ed. Note—Why not try F. K. P. of the Recorder Staff—he seems to be quite a prognosticator or something—in his own way of course.

SOME GERANIUM !

Talking of Geraniums, Miss Mary Empey, who resides on Centre Street, reports that she has a sweet scented Geranium plant that measures 62 inches in height and has a branch-spread of 32 inches at its widest point. The plant is rooted in a pot 4 inches wide and 9 inches deep. This particular species of Geranium is not noted for its flowering capacity but is very fragrant. Miss Empey says that the plant has been kept in her north kitchen window and has been watered twice each day. Whether or not the above measurements are a record, it is some Geranium nevertheless.

After all is said and done, how does it taste in the cup? That is what counts!
