Village of Iroquois closes door on wide-open Sunday shopping

CATHERINE THOMPSON
Leader staff

IROQUOIS — Apparently the Village of Iroquois has closed the door on wide-open Sunday shopping.

In a telephone conversation Thursday, Reeve Rooney said he will contact the village solicitor to determine if a by-law can be passed to close business on Sunday except for convenience stores.

In the last few weeks clerk Elizabeth Marlin has received 16 answers supporting a petition and letter placed April 27 in the Chieftain by Presbyterian minister Tijs Theijsmeijer.

Ray Smollett, an elder of Knox Presbyterian Church, stated there were very few opposed to the petition. Those who were not in favor said it was not the business of the church to get involved politically.

"We should do all in our power to avoid shopping or working on Sundays," wrote Reverend Theijsmeijer. The petition asked the reeve to legislate store hours so that all stores, except for the convenience stores and restaurants, would be closed Sunday.

Some church women also approached the reeve stating they would boycott stores that opened Sunday.

Perley's Clothing Store, which closed Saturdays and opened for a few Sundays since April 10 under the Retail Business Holidays Act has reverted to closing Sunday and opening Saturday.

Owner Neil Morrison says he decided against opening Sundays because the cost of advertising flyers was too high.

"Sales were better than Saturday, but because of the cost factor, it turned out to be not as profitable," said Morrison.

He said he had no negative responses from customers while the store was open Sunday. "Personally, I am opposed to Sunday shopping," said Morrison. "My opening on Sunday was a way to force the issue in Iroquois, so that the whole village would be closed on Sundays."

"I don't want a seven day week, and the Business Act should remain as it is. If shopping is an option for municipalities, Brockville and other municipalities would remain open, taking business away from the village," he said.

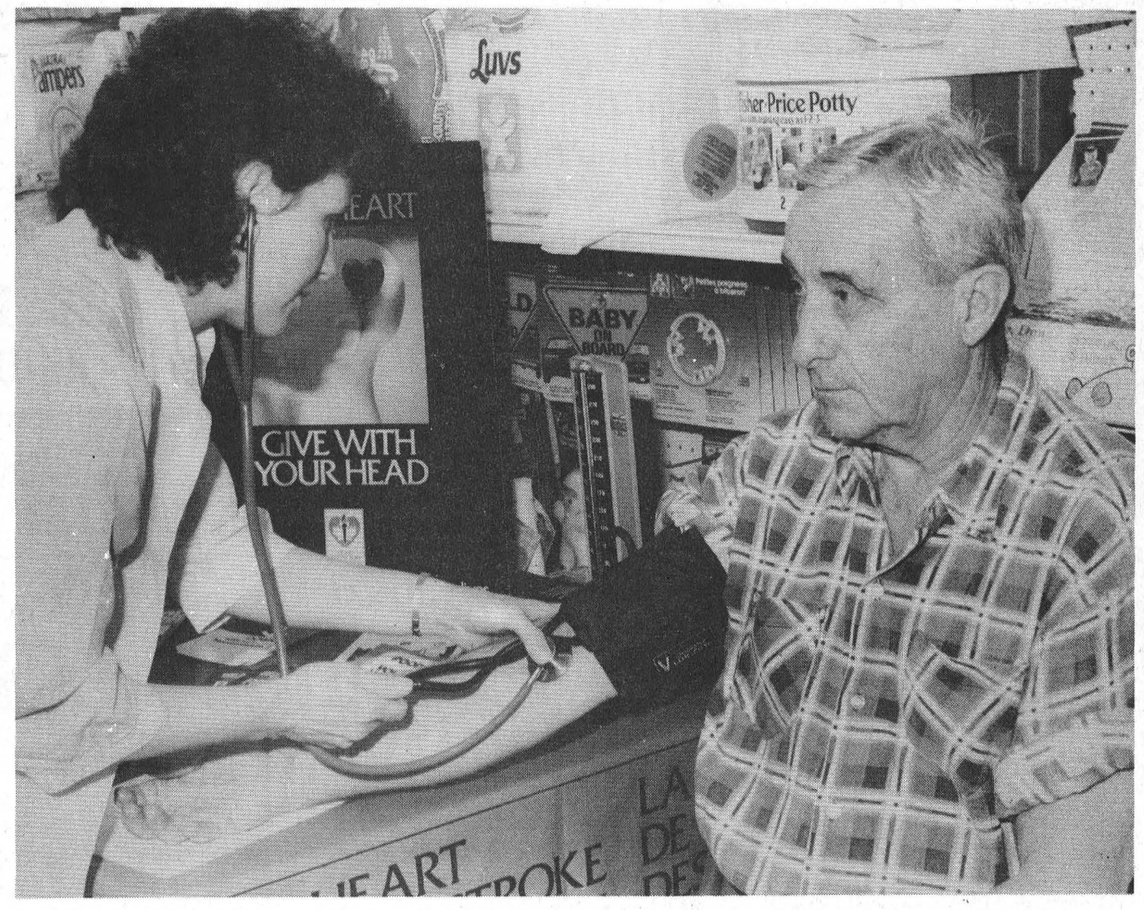
James Lewis who wrote to council early in April requesting a by-law deeming Iroquois a tourist area, wrote again a week later withdrawing his request.

In a telephone interview Thursday, Lewis stated his original reason for moving to Iroquois was to live in a village with high community standards. "When I considered that opening on Sundays would be a disservice to merchants in the mall, I changed my request."

The only reason he wished to open on Sundays in the beginning, he said, was pressure through competition.

Reeve Rooney summarized the feelings of his council: "We did not want to be declared a tourist area and we didn't want Sunday shopping."

When Perley's closed Saturday, business in the whole shopping centre was affected negatively. Customers would go to Brockville, Prescott or Cornwall to shop, while other merchants were upset that the Saturday closing was taking away from their business as well.



Pressure's on

Dwayne Hutt was one of 84 people who took time out of their busy schedules to have their blood pressure checked Friday. The clinic was held at Seaway Valley Pharmacy during Nurses' Week. Nurse Elizabeth Foley was one of two nurses in attendance at the local pharmacy.

Taxman wants more in Iroquois

MIKE GANTER
Leader staff

IROQUOIS — When the taxman comes calling this year in Iroquois he will be asking for a little more than he did last year.

Village Council passed its 1988 budget last Tuesday which saw taxes up 6.27 per cent for public school supporters and a 5.15 per cent hike for separate school supporters.

Based on a $4,000 assessment public school supporters will pay $991.52 while separate school supporters surrender $952.50.

All told the village of Iroquois must raise $977,977. Of that total, $562,162 will go to the public school board while $31,750 will go to the separate school board.

To cover the general purpose expenditures (administration and transportation costs, protection of property and people, recreation and culture, garbage, and planning and development) villagers must kick in $299,074 in taxes. This is up 8.65 per cent over last year due for the most part to a 30 per cent raise in garbage pick-up and delivery.

The sewer rate accounts for another $47,553 of the total while the remaining $73,474 goes to the county.

In terms of schol board costs, it is the public school supporters who are hit the hardest. They will have to endure an 8.65 per cent increase while separate school supporters will pay a 2.94 per cent increase.

Council also set aside $5,000 on a long-term layaway plan for an addition to the village fire hall.

Other expenditures include $10,000 for renovations to the outdoor rink. The total cost of renovations is $20,000 but council received a notice from the Ministry of Tourism and Recreation confirming a $10,000 grant they had applied for.

The village will also pay out $10,000 this year to hire a consultant for the water tower, another $13,350 will be spent on Carmen House and $11,500 will go to the BIA.

The $265,000 cost of the construction project for Bouck Street will be shared between the Ministry of Transportation and the Village of Iroquois.

Village clerk-treasurer Elizabeth Marlin told Council she conducted a survey after drawing up the budget and assured them Iroquois taxes are still "considerably lower" than those of other villages in the surrounding area.

Taxi Application

Also at last week's meeting, Iroquois Council agreed to meet with David W. Lee who applied for a taxi license for him and his wife. Both are currently living in Western Canada so the application was made in a letter. Council decided it is necessary to meet with the prospective taxi drivers and see some written verification of their driving records before agreeing to provide the Lee's with a licence.

Committee solutions accepted

CORNWALL — All the recommendations put forth by the school facilities committee regarding overcrowding at Morrisburg and Iroquois Public Schools have been accepted by the Stormont, Dundas and Glengarry County Board of Education.

At their regular meeting last Tuesday trustees agreed to accept the committee's suggestions including closing Riverside Heights Public School and rezoning students to Morrisburg.

Two portable classrooms will be transferred from IPS to MPS. Grade 7 and 8 regular and Late French Immersion pupils at IPS will attend Seaway Valley School in September, integrating with the special education students currently enrolled there.

MPS grade 7 students will also attend SVS in September 1989. Both the Morrisburg and Iroquois schools have been added to the board's five year expenditure forecast list.

Ken McLennan, Superintendent of Education said the trustees felt the solutions proposed were the best for all.

The board will not put Riverside Heights school up for sale immediately he said.

"A comment was made at the meeting that it might be desireable not to dispose of it right away," said McLennan. "It was suggested we hold the building temporarily in case there is a significant growth in the Morrisburg area."

McLennan said the board will retain the school building for approximately one year but if there is no significant population movement in the area it will be put up for sale.

Manager appointed

MORRISBURG — George Speal, Q.C., Chairman of The St. Lawrence Parks Commission, has announced the appointment of Patricia Forrest as the Commission's Manager of Marketing and Communications Services.

The former manager of Marketing and Sports Information Director for Dalhousie University in Halifax, Nova Scotia, Ms. Forrest has worked as a marketing and public relations consultant in Sydney, Australia, as well as in Halifax.

The Thunder Bay, Ontario native previously served as Manager of Marketing for Old Fort William, an historic attraction in that city.

Morrisburg receives home renewal grant of $62,603

MORRISBURG — The village of Morrisburg will receive a $62,603 grant to assist homeowners upgrading their homes.

The grant is awarded under the Ontario Home Renewal Program (OHRP) operated by the Ministry of Housing.

Loans of up to $7,500 are made available to eligible owner-occupants who wish to bring their homes up to standard. Emphasis is placed on correcting faulty structural and sanitary conditions, as well as improving plumbing, insulation, heating and electrical systems.

A portion of the loan may be forgiven and interest rates range from zero to 10 per cent, depending on the recipients' income.

For applicants, the maximum annual qualifying income after allowable deductions is $21,000.

The village has previously received $187,000 in grants which have helped upgrade 55 units.

Other municipalities

The Township of Williamsburg received a grant of $65,895 under OHRP. In the past the township has received $474,000 to improve 142 units.

Matilda Township will receive $66,203 bringing its OHRP total to $435,000 which has been used to renovate 129 units.

Osnabruck Township will receive $70,114 this year in addition to the $150,000 received from the Ministry of Housing in past years. The grants have been used to upgrade 40 units.

Liberals big spenders

MIKE GANTER
Leader staff

TORONTO — Gerry Rosenquist and the Stormont, Dundas, Glengarry and East Grenville Liberal riding association spent $38,468.41 in a losing cause in the provincial election last September 10th.

A spokesman for the Commission on Election Finances in Toronto confirmed that Rosenquist spent exactly $245.84 more than incumbent Noble Villeneuve in the last election. Villeneuve went on to narrowly defeat Rosenquist by 607 votes.

The other two candidates, Arthur Carkner for the New Democrats and Gord McGregor running as an independent, spent $9,673.39 and $15,274 respectively.

In terms of cost per vote, Carkner and the New Democrats spent $4.12 on each of the 2,345 votes they received. Rosenquist spent $3.78 on each vote while Villeneuve's win cost him only $3.55 per vote. Independent candidate Gord McGregor spent $3.19 on every vote he received.

Each candidate was allowed to spend up to a maximum of $44,468.41.

Fire destroys barn, kills calves

WILLIAMSBURG — A fire which broke out in the west end of Doug Whitteker's barn on Savings Street Monday destroyed the barn, killing about five calves, two pigs and 12 chickens.

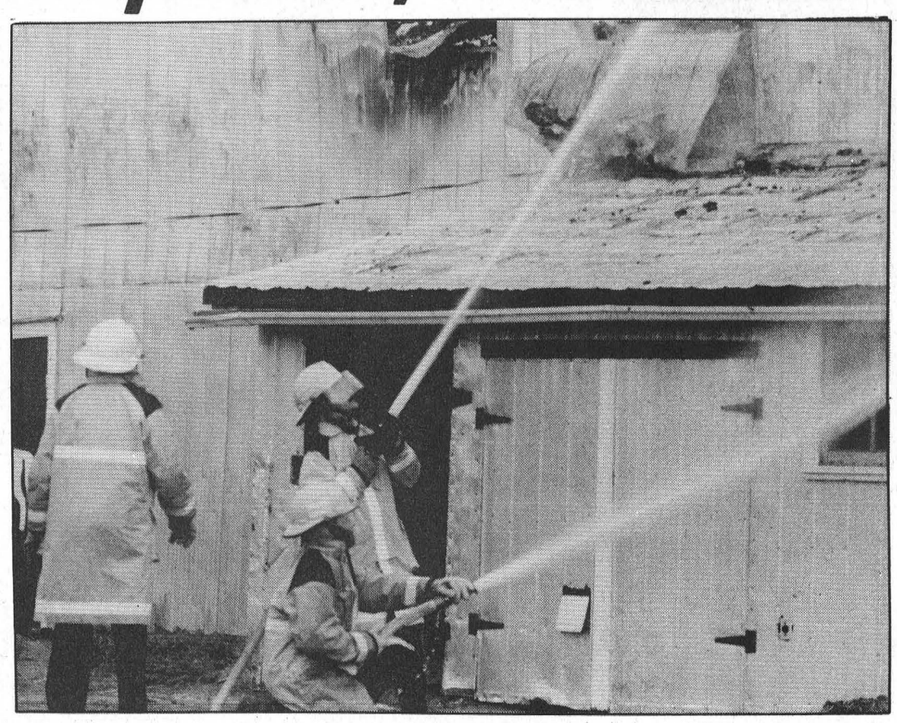
Betty Whitteker discovered the glow in the straw in the west end as she walked around to check on the calves and pigs during milking time, and immediately phoned the Williamsburg Fire Department which arrived about 10 minutes later.

Attempts to rescue the calves and pigs failed, however, all 28 dairy cows were removed safely from the barn and placed in neighbor Dale Whitteker's barn, where the milking was completed.

The Williamsburg Fire Department saved outbuildings, a feed bin and silo, and moved the milking equipment from the burning building. Seventeen firemen worked until about 1:00 a.m. and Lyal Gallinger of Elma assisted by bringing in water in his milk truck.

The cause of the fire which started in a heap of old straw and hay is unknown. Williamsburg Fire Chief Lyal Kehoe says that it is too early in the year to have been spontaneous combustion.

There are no estimates of the damage. The barn was partly insured.



A fiery death trap

A barn on Saving Street became a fiery death trap to five calves, two pigs and some chickens Monday evening about 6 p.m. Fortunately, the entire herd of milking cows was safely moved to a neighbor's barn where the evening milking was completed. No one was hurt in the blaze, which destroyed the barn.

—Thompson photo

Problems of drainage occupy Matilda councillors

CATHERINE THOMPSON
Leader staff

BRINSTON — Drainage and its attendant problems once again topped Matilda council's agenda here last Thursday.

A petitioner for the Irena Branch of the Mitchell Drain said there is a definite problem with drainage here, when she has to wear rubber boots just to walk in the field behind her lot, adding that it is also a breeding ground for mosquitoes.

County Engineer Don McDonald had suggested that a natural watercourse at Irena be changed to a municipal drain, with costs divided among the municipality, county, and private owners. Landowners have since made a corresponding petition.

After township engineer John Stidwell has surveyed the property that drains into the Irena Branch, he will hold an on-site meeting for the petitioners. At this time, recommendations on how much property should be drained, engineering work to be undertaken, and division of the costs will be made.

Repairs to the Cooke-Doyle Drain

After Stidwell inspected the culvert repairs Mr. Thurler had made on the branch of the Cooke-Doyle Drain, he concluded that large boulders had dropped onto the culvert, and that a contractor should repair the steel pipe, and remove the sediment.

In a letter describing this problem to council, he wrote that as long as no channelization work is performed on the South Branch, the culvert material will wash off in the future. "It is apparent that when the South Branch overflows its banks it causes extensive damage to adjacent drainage works."

Clerk Bill Horner has contacted a Land Stewardship representative about possible grants for erosion control which could be applied to the work.

Road Superintendent Bob Kuskie will examine the culvert to see how the damage occurred, and what repairs can be made.

On-site meeting for Ault-Scott Drain

An on-site meeting will be arranged for the Ault-Scott Drain. After recording the depths of sediment in the municpal drain at various stations, Stidwell concluded it should be maintained at an estimated cost of $2,500.

Matilda Township will pay maintenance costs on the Whitteker Drain south of Winchester Springs to the tune of $349. Because of the large drainage area, no assessments will be issued to the landowners. The upstream drainage area for this drain includes the Whitteker Drain, Hess Creek and Hanes Drain.

Beavers also a problem

Not only are drains a problem at times, but the beavers who live in them can be a nuisance say two concerned residents who contacted council. Friday, the clerk contacted the South Nation River Conservation Authority, and was assured there will be a beaver control program again this year.

In the meantime, licensed trappers will be permitted to trap nuisance beavers—property owners may also trap beavers that damage land by building dams and causing floods.

Township Will Assist with Rabies Program

Matilda Township will assist the vets in low cost rabies clinics either clerically or by paying $35 to the Eastern Ontario Health Unit. The decision was made upon a request by Dr. Bourdeau, Medical Officer of Health that townships provide assistance to help defray the costs of mandatory clinics.

Support for playhouse

A letter of support will be sent for Upper Canada Playhouse, stating that it is a viable and worthwhile community organization. The Board of Directors is planning to renovate the theatre after 1988 by replacing the tent portion with a metal clad building, at an estimated cost of $250,000. Grants are requested from the Ministry of Culture and Communications (Provincial), Communications Canada (Federal), and a loan from the Ministry of Tourism and Recreation (Provincial).

In other news

The clerk will check consultant fees to assist the municipality in establishing a policy on pay equity before the end of the year. Pay equity is to be established for each unionized and non-unionized group. One of the purposes of the study is to identify the wage gap where jobs are of equal value.

•

Council has no objection to John Merkley's severance on part of Lot 25, Concession 1, provided he obtains 100 feet of road allowance frontage.

•

A public meeting on waste management will be held June 22, at 7:30 p.m. The meeting will be to examine "Waste Management Systems" (recycling, incineration, composting etc.) and to firm up candidate areas for landfill.

Enrichment classes emphasize creativity

CATHERINE THOMPSON
Leader staff

IROQUOIS — Geared for children age nine to 13, Special Enrichment Classes emphasize creativity and brainstorming sessions rather then sticking to cut and dried ways of thinking.

"After all, we only use four per cent of what's in our heads," says teacher Marion Michalicka, "So we might as well learn to use more."

Once a week Marion's enrichment classes meet — classes for grades 6, 7 and 8 at Maple Ridge Public School, and a class for public school students held at Seaway High School.

The first part of the program purchased by the Board called CORT Thinking Skills includes basic training in these skills laid out on cards. The second part emphasizes creativity where the children bring together and evaluate many different solutions to a problem.

Some of the ideas the children bring together may not be feasible, however, some could lead to feasible solutions.

Michalicka says that the purpose of CORT is for students to develop their strengths, and learn to cope with their weaknesses.

The program uses community resources by starting with students' interests. For example, the children arranged for two guest speakers, one to speak on the Phillipines, and one on India. One student arranged a field trip to Caldwell's Linen Mills.

Sometimes the children have conflicts with other programs such as gymnastics, music, since they are also talented in these areas. If so, they may choose to attend the gymnastics or musical event which also utilizes their talents.

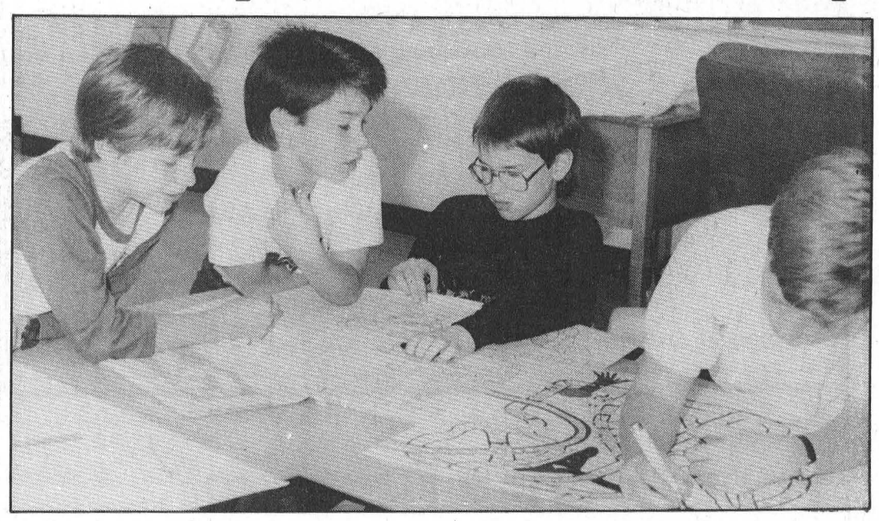
Two workshops they attended this school year at Ottawa's Museum of Science and Technology were on holograms and astronomy, both based on the children's interests. Back in enrichment class, they converted their knowledge into board games and booklets on astronomy.

The students have worked with two Co-op high school students who will be going into creative drama, and one who is planning to enter teaching. An enrichment class attended a Futures Conference in the fall in Ottawa where they discussed solutions to the world's future problems.

Grade 8 students at Maple Ridge attended mini-courses last week at Ottawa. Her class at Maple Ridge also prepared a video on nuclear disarmament and are deciding whom to send it to.

Students are chosen for S.P.E.C. classes through a point system based on mental ability, creativity, peer nomination, teacher nomination, and self nomination, as well as achievement in special tests which are given to all the children.

Marion says her students are inquisitive and aggressive in learning. A veteran of 17 years of teaching experience, she is learning much that is new and worthwhile in teaching this her first enrichment class.



How long is a trip from Jupiter to Saturn?

The enrichment class is asking themselves this and similar questions on astronomy board games they have made. Seated above from left to right are Arik Theijsmeijer, Keith Claxton, Jon Domanko and Mark Spencer. Below are Jaime Notman, Sara Martel and Jonathan Wilson.

Your home a fire trap?

This year, tens of thousands of fires will cause more than $900 million in damages to Canadian property. Indeed, a fire will break out somewhere in the country in the very next seven and one-half minutes. In one recent year, some 600 Canadians died as a result of fires. However, in spite of these troubling statictics, most people remain convinced that it will not happen to them, and often they fail to take the proper precautions.

At a recent one-day workshop on fire hazards and security, the Fire Commissioner for the Province of Alberta told delegates that the greatest danger from fire is in the home — and specifically, in the kitchen. If we concentrated on home fire safety, we could eliminate one-third of all fires, 77 percent of fire deaths and 59 percent of the injuries resulting from fires, he stated. The Commissioner also pointed out that about one-half of all kitchen fires are due to overheated cooking oil or fat, which in many cases, has been left on the stove unsupervised.

Smoking, which has been traditionally the chief cause of fires in Canada, no longer accounts for the majority of bedroom fires in the country. Children playing with matches, mechanical or electrical failure, and general ignorance and carelessness now account for the bulk of all fires in sleeping areas.

Although the situation has somewhat improved since these statistics went into the records, much remains to be done to make our homes as safe as possible from fire danger. While the development of such products as home sprinkler systems and fire-extinguishing range hood sensors offer encouraging possibilities for the future, it is also essential that every homeowner remain ever alert to the dangerous practices which take such a high toll annually in lives and property.

"If only . . . "

"If only" are two of the most used words in the English language, after something unpleasant has happened.

They are usually coupled with some action that should or should not have been taken, such as "if only I'd had that headlight fixed", or "if only I'd slowed down on that curve", or "if only I hadn't had that last drink".

The rather pathetic "if only" can teach us two things: most of us have 20-20 hindsight vision, and most of us know how to prevent an accident from happening. We know what we should have done, but we didn't do it.

In the matter of traffic safety, the Canada Safety Council stresses that "Prevention is the Cure", and that's a pretty good idea for all drivers everywhere.

Drivers can prevent accidents. In fact, they are the only ones who can. They can ensure that their vehicles are in good mechanical condition. Those who use self-service gas bars must also remember that a greater onus is on the driver to watch for things that might otherwise have been spotted by an alert, experienced service station attendant. Drivers can learn accident avoidance techniques by taking a Defensive Driving Course. Bicyclists, and parents of younger bicyclists can ensure that their vehicles are in safe and dependable operating condition, and that they know and practise the pertinent traffic rules. And everyone, regardless of their age, can make an extra effort to be courteous to the other users of the roads.

Drive friendly . . . and don't end up by putting yourself in the position to say "if only I hadn't . . . "

Child passenger safety

It is now mandatory in all provinces for infants to be properly secured in approved infant carriers. For protection in the event of a collision, young children in motor vehicles must be buckled into a properly installed child restraint system that is anchored to the vehicle bya top tether strap.

- Child restraint systems, when properly used provide the best production from the danger of being ejected from the car onto the roadway or from being hurt inside the car.
- When using a child safety seat, watch where the child's head comes in relationship to the back of the child safety seat. When the head is above the back of the seat, it's time to move to a booster seat. When the child's head rises above the back of the vehicle seat it is time to move to a regular seated lap belt.
- Only booster seats which are labelled to meet Canadian Motor Vehicle Safety Standard (C.M.V.S.C. 213.1) should be purchased.
- Never tuck a shoulder strap under a child's arm. The strap could crush a child's ribs and damage vital organs under the rib cage. (Children should ride in the rear seat in most cases.(
- When forming car pools to take small children to school or other destinations, drivers should take extra caution in planning the trip. Establish safe routes chosen to minimize the hazards.
- When car pooling, agree on rules in advance. Never carry more passengers than the available seat belts in the vehicle.
- Two children restrained with one belt could be seriously injured by the "human collision" caused by their heads banging together.
- Don't hold children on your lap. In the case of a collision or sudden stop they could fly forward, head first into the dashboard, or front seat. (Care for a brain-injured child is said to exceed $1.5 million over their lifetime.)
- Have children enter or leave the vehicle on the curb side only.

This Week In Morrisburg's History

Compiled from The Leader's fyles
by Bonnie McNairn

1978

The May 17th, 1978 issue of The Leader reported the Battle Memorial Building at Upper Canada Village was the scene of the unveiling of a statue of Lt. Col. Joseph W. Morrison, commander of the British and Canadian Forces at the Battle of Crysler Farm on November 11th, 1813. The statue was made of 200 pounds of bronze and was approximately three feet high and set on a stone base. It was placed in front of a large mural of the Battle of Crysler Farm facing east, the direction in which the famed Ltd. commanded his troops to stop the American attack.

Jim Notman went over his goal in raising funds for the Cystic Fibrosis Research Clinic in Toronto when he raised $4,000 through pledges to his run in the National Capital race in Ottawa.

Rex Weegar was the winner of the Morrisburg Fish and Game Club pike derby with his pike weighing 12 pounds, eight ounces.

Seaway District High School athletes established three new records at the S.D.&G. track and field meet. Steve Smith led the way with record setting runs in the 1500 and 3000m races and the senior boys also set a record in the 1600m relay.

Noreen MacGregor was elected head girl and Bob Duval head boy of Seaway District High School. Terry Cassell became the girls' athletic director and Dave Morrow took on the position for the boys.

1968

The May 24th, 1968 issue of The Leader reported that on May 18th, seven thousand followers and delegates of the World International Federation of Body Builders assembled in Montreal to hold the annual Mr. Canada contests. The chief feature of the convention was to honor their great founder, the world-famous George F. Jowett a retired resident of Morrisburg.

The Morrisburg Mets lacrosse team lost its season opener to the Cornwall Wildcats 12-10. The Mets were short several players including Mike Mabo, Henry Storgaard, Stan Mabo, Don Mabo, Jack Notman, Gary Banford and Glen MacDonnell all of whom were attending the Iroquois High School prom. Several new faces in the lineup this year included Brian McNairn, Gary Hess and Tom Dawley all up from the midgets. Three new defencemen included Gary Banford, Brian Cooper and Glen MacDonnell.

Mrs. Luke Mallan of Morrisburg was celebrating her 90th birthday. Born in a log cabin in the heart of virgin forest in the Ottawa area she married Prescott Captain Luke Mallan in 1901. For 20 years she sailed with him during the navigation months on the St. Lawrence, Great Lakes and Gulf of St. Lawrence returning to Morrisburg for the winter. In 1905 the couple purchased a ferry boat, "The Valeria" and conducted a ferry service between Morrisburg and Waddington. When the captain was on duty Mrs. Mallan operated the ferry business.

At the Dominion, Richmello ice cream was 19 cents a pint and tomatoes were 59 cents a two-pound tray.

Earl Baker's Texaco was selling Firestone safety champion nylon tires at two for $45.45.

1958

The May 23rd, 1958 issue of The Leader featured a letter on the history of the Morrisburg Music Hall which was to be torn down to make way for the Seaway development. According to the letter from Carrie Stata, the Music Hall had as one of its first visitors, Sir John A. MacDonald when he launched his national policy in his second bid for the premiership. One of the most exciting nights in the old Hall was the night Sir James Whitney became Premier of Ontario. There were a number of celebrities in the hall that night, among them a young lawyer from Kemptville, Howard Ferguson, who later became another Premier of Ontario. One night there was also a demonstration of the Victrola which was just coming into use and it seemed to those in the attendance that the age of miracles had returned. Then the First World War came and the hall became busier than ever with recruiting and Victory Bond meetings. Many a pair of socks were knitted in the Old Hall.

The badminton tournament at Morrisburg high school had been completed with Marion Marcellus and Evelyn O'Shaughnessy winners of the senior doubles and Judy Ing the senior singles champ.

Morrisburg High school was losing four staff members at the end of the year including Phyllis Jowett, Ann Leslie, C. Molyneaux and R. Dallaire. Three new appointments to the staff had been made with Alice Cameron returning full time and Lois Lafleur and Arthur Davis taking positions.

1948

The May 21st, 1948 issue of The Leader reported that work was proceeding rapidly on the new shoe store being constructed by Sam Agulnik and Son on the site of the former municipal offices at the corner of Main and Victoria Streets.

"I wonder Who's Kissing Her Now", starring June Haver and Mark Stevens was playing at the Cameo Theatre in Morrisburg.

The Morrisburg Branch of the Bank of Montreal was now in possession of three striking prints purchased from the National Gallery of Canada. The prints included "Wild Geese" by Thoreau MacDonald "Evening — Nipigon River" by Y. McK. Housser, R.C.A. and "Beech Woods" by F.S. Haines.

1938

It was reported in the May 20th, 1938 issue of The Leader that the general store of George K. Casselman in Dunbar had been robbed of cash exceeding $50.

Hon. Earl Rowe, provincial party leader, had suggested that the Federal Liberal government abolish its tax on radio sets.

Four young Iroquois boys Kenneth Barkley, Eli Kelly, Harry Scott and John Sipes had a narrow escape from drowning when the boat in which they were rowing in the old canal, at Iroquois capsized. They were pulled to safety by lock hands working nearby.

At Reddicks Grocery, 20 pounds of sugar was $1.14 and raisins were two pounds for 25 cents.

Margaret Fuller, B.A., who was engaged as specialist in English, History and Art on the staff of the Morrisburg Collegiate Institute, had tendered her resignation.

the Kitchen Garden

V.A. Hughes

Grow-It-Yourself Vines

Of all the plants we've grown we get the most satisfaction from the plants that climb. From our very first Sweet Potato vine that twined around the kitchen window to a Boston Ivy that was so vigorous that it threatened people who approached the house.

Since the only vines offered by garden centres are perennials you will have to grow the annuals yourself. This does take some forethought as you may have to order some of the more exotic varieties that won't find their way onto the seed packet stands of your local stores.

At the rate we're going this spring we'll have to work fast to get some of our favorite annual vines started. The trench for the Sweet Peas should have been dug in the fall. A "real" trench, according to Rockwell and Grayson, is 12 to 18 inches deep and then filled in two separate steps with enriched soil.

We remember reading Roderick Haig Brown of fishing fame, talking about this trenching procedure. Following his instructions we prepared the bed, sowed the seed and had the most beautiful Sweet Peas out of a perfectly ordinary packet purchased at the local hardware store.

Although Morning Glories and Moonflowers seem to go together, the problem comes in finding the seed. If you've left it too late, the big blue ones have all disappeared, and Moonflowers are not white Morning Glories — their Latin name is Calonyyction Aculeatum, where the blue are Ipomoea. The joy of growing these two together is having the brilliant blue trumpets by day and fragrant white flowers that open at dusk.

For almost-instant growth you really can't miss with Scarlet Runner Beans but watch that the soil isn't too cold. Very few of the Bean family like starting life in a garden that still promises a last frost. Once things warm up they're off and really running. They don't stop at the top of the bean pole and will run along the top of the support. Unless you've really anchored it well, the whole thing can come tumbling down.

For nostalgia sake we look forward to the appearance of the wild Cucumber vine that always manages to creep into the garden. They are not easy to transplant unless you catch them when they're still at the seed-leaf stage. You can have fun with these wild things and since they are volunteers, why not give them a try. Be warned that although you'll have them ever after, they are true annuals and easy to weed out.

We would like to try Cobaea the Cup and Saucer vine. A tender perennial it might be worth wintering over as it grows quickly. A point to remember here is the way vines do grow, some twine, like the Beans; some cling with tendrils (little coiling side shoots), like the Grape; while others like the Boston Ivy clings to stone or brick with very effective little sucker-like fingers. Most of the annual vines are of the twining or tendril variety.

We are going to try one of the Clematis this year. It is a wild thing we found growing in the swamp and we will look for one small enough to transplant. We'll plant it closer to the house where we can watch it grow.

We moved several of our wild grapes last fall and are waiting to see how they survived. You'll note "how" rather than "if". Gardening in this climate is an act of faith.

LETTERS TO THE EDITOR

The Morrisburg Leader
Morrisburg, Ontario
K0C 1X0
Dear Editor:

On March 27, 1988, the Hon. Jake Epp stated to the Board of Directors of the Canadian Cancer Society at its 50th Anniversary Dinner that he had spoken to his Cabinet colleagues that week and received the commitment that Bill C-51 (The Tobacco Products Control Act) would be passed by the House of Commons before the summer recess.

Also, on March 15, 1988, the Hon. Doug Lewis was quoted in The Toronto Star that Bill C-51 was one of the "Government's top initiatives" for passage before June 30th.

The time is running out. The Government is only a few days away from the point where, logistically, it will be extremely difficult, if not impossible, to obtain approval of the House Senate and Royal Assent before the House prorogues and the Bill dies.

The Federal Government by its own statements has acknowledged that tens, and probably hundreds of thousands, of preventable deaths hang in the balance unless a significant intervention in the tobacco epidemic takes place. Bill C-51 is the Government's promised response. We are simply insisting, for an entire generation of kids, that the Government act with integrity and keep its promise.

Yours truly,
Ron Potter
President
Ontario Division
Canadian Cancer Society

University experience educational

IROQUOIS — University can be the gateway to knowledge and very imposing to freshmen students.

But 15 students from Seaway District High School have discovered that university is not as imposing as they think and learning can be interesting and fun.

The students attended the University of Ottawa and Carleton University May 9 to 13 as part of a mini-course enrichment program.

The Stormont, Dundas and Glengarry County Board of Education sent 150 of its students to university to study a wide range of subjects.

Three of the students, Kevin Neild, David Hill and Laura Rosenquist, all of Morrisburg, found their university experience very enjoyable and all would be willing to participate next year.

Neild, 16, a grade 10 student at SDHS attended a mechanical engineering course at the University of Ottawa.

In addition to the regular lecture format, his professor took the class of 21 students from various school boards throughout eastern Ontario, on several field trips.

The engineering students toured various facilities, among them the aerodynamics and hydraulics laboratory at the National Research Centre.

While there were no exams at the end of the course Neild said he found the time too short to include everything of interest.

Neild was amongst strangers when he first arrived at University but says since all the students shared the same interest it wasn't very hard making friends.

Normally Hill, 15, is a grade 9 student at SDHS but last week he studied aspects of chemistry at Carleton.

The approximately 15 students in the class spent their mornings in class learning new material and the afternoons working on chemistry labs.

Hill said the subject material and lab equipment was much more advanced than what is currently taught at Seaway.

Fifteen-year-old Laura Rosenquist studied medieval history at the University of Ottawa.

The tenth grader said she doesn't intend to pursue medieval history as a university career but thought she would enjoy learning about the period.

Topics ranged from the Church in the Middle Ages to the typical way of life for people of that time.

The week was topped off with a medieval feast. Students prepared the dishes from recipes supplied by the professor.

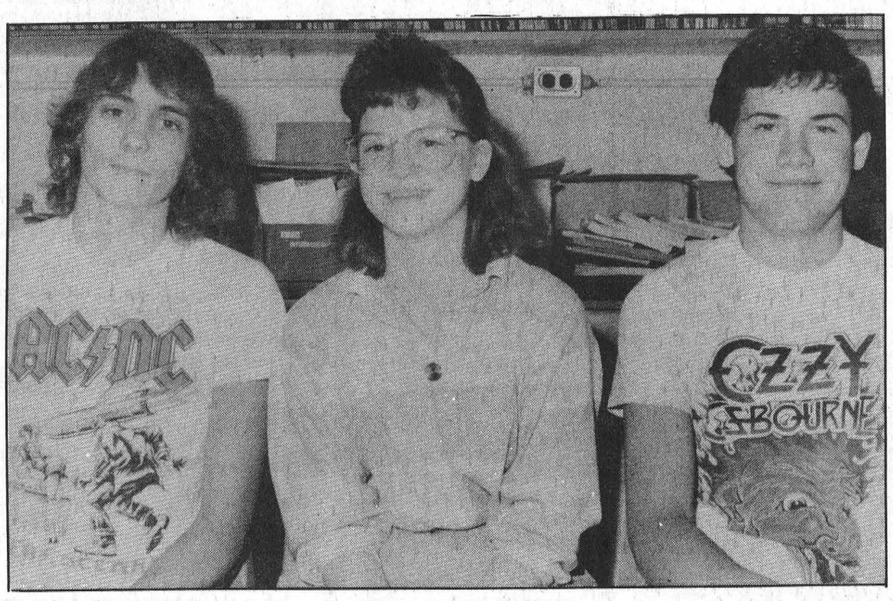
"It was pretty disgusting," said Rosenquist of the dishes, including mock entrails, biscuits and wine potage.

Rosenquist's assignment was to prepare wine potage, a drink consisting of wine, orange juice, flour, cinammon, spices, and topped with whip cream.

Of the experience Rosenquist says it gave her a feel of what university is like but "it didn't make it seem so big".

Dedication was a large part of the project. Each student had to pay $60 to cover the cost of their transportation and they left each morning at 7 a.m. returning home after 5 p.m.

Janeen Wagemans, co-ordinator of the enrichment program at SDHS said students are chosen for the program on the basis of recommendations from teachers, through testing and grades.



The right stuff

Kevin Neild, left, Laura Rosenquist, and David Hill were three of fifteen Seaway District High School students who took part in a university enrichment program at Carleton University and the University of Ottawa last week. Students from several school boards in Eastern Ontario participated in the program.

—O'Brien photo

The students are given the opportunity to select five courses of interest to them and are usually accommodated in one of their choices.

"It can indicate who may benefit from more challenging programs," said Wagemans. "We sent kids last year and we are hoping to send more next year."

MPPs protest education funding to local boards

TORONTO — Three Eastern Ontario MPPs have condemned the Liberal government's capital funding budget for school boards, saying the lack of funds for Eastern Ontario school boards will seriously undermine the quality of education.

The three Consecutive MPPs including Noble Villeneuve (Stormont, Dundas, Glengarry and East Grenville), Robert Runciman (Leeds-Grenville) and Doug Wiseman (Lanark-Renfrew) say the new budget proves once again the government's spending priorities do not reach beyond Toronto.

Eastern Ontario school boards received 11 per cent of the province's educational funding.

The Leeds and Grenville County Board of Education requested $3.2 million to build an elementary school in Kemptville and $1.5 million to renovate North Grenville District High School but didn't receive funding for either project.

"Despite requesting almost $5 million, the Board has been allocated a meager $131,250 for two boilers at an elementary school," said Villeneuve. "To say the Board is disappointed is putting it mildly. It's now faced with a crisis situation."

Last week Stormont, Dundas and Glengarry County Board of Education Chairman Joe Gunn said a $1.3 million shortfall in government funding forced the school board to raise the mill rate an average of 6.2 per cent.

"It appears, once again, that this government's spending priorities don't reach beyond the borders of Metro Toronto," said Villeneuve. "That was reflected in the budget with only a passing reference to Eastern Ontario, and now again with the capital funding."

"It seems the Peterson government considers Eastern Ontario as a forgotten wasteland which is recognized during election campaigns but not when the dollars are being spent," concluded the three MPPs.

Morrisburg W.I.

MORRISBURG — The regular monthly meeting of the Morrisburg Women's Institute was held in the civic building on Thursday, May 12 at 8:00 p.m.

The meeting opened in usual form and 13 members answered the roll call by giving the birthday and year of birth of their grandmother.

The President Mrs. Beatrice Shaver, conducted the business portion of the meeting. A donation was made to the Upper Canada Playhouse for the 1988 season. An invitation was extended to our members, by the Iroquois Women's Institute, to join them on a one day "Mystery Tour". Several members accepted.

Beatrice Shaver convened the program in the absence of Lydia Azimov. A sing-a-long was enjoyed by all. A reading by Mildred Gillmor, "What makes Grandma Grand", was quite fitting for "Mother's Day" month. A child's definition of "What is a Grandmother" was read by Beatrice Shaver.

Margaret-Bowman received a gift for being the oldest Grandmother present and Louella Nix a gift for having the most grandchildren, 34 and 23 great-grandchildren.

A delicious lunch, the kind Grandma would have served the guests, was served by the committee in charge, Mildred Gillmor, Bessie Beckstead, Louella Nix and Beatrice Shaver.

Summer camp

INGLESIDE — This summer, you are invited to be part of interdenominational Christian camping at Camp Kagama, located on Morrison Island, two miles west of Ingleside, Ontario. Week-long camps will be held as follows:

Intermediate girls — July 2-9
Junior girls — July 12-19
Junior boys — July 22-29
Intermediate boys — August 1-8
Junior co-ed — August 11-18

Junior camp is for campers eight to ten years of age, intermediate is for campers 11 to 13 years of age.

Volunteer and paid staff positions are available. To apply, or to register as a camper, please call Joan McEwen, 537-2541.

Camp Kagama workday will be held on Saturday, May 21 starting at 9:00 a.m. Bring a hammer or paint brush, and a lunch. The day is intended for cleaning and painting cabins and other buildings.

The day will end with a family barbecue at 4:30 p.m. at a cost of $5.00 per person or $10.00 per family. Everyone welcome.

Local & General

Winners at a recent euchre at the Fraternal Hall were Keziah Wells, Verna Beckstead, Doug Gow and Bill Perry.

Door prize winners were Doris Wood and Homer Rutherford.

Half and half draw winners were Millie Rutherford (2), Edith Waldorf, Marion Thompson and Ron Perrin.

The next euchre is May 25th.

CONSEIL D'ÉDUCATION DES COMTÉS DE
Stormont, Dundas & Glengarry
COUNTY BOARD OF EDUCATION

The Stormont, Dundas & Glengarry County Board of Education in co-operation with local teacher Federations will be hosting a workshop for qualified teachers who have aspirations to **enter or re-enter** the teaching profession. The workshop will focus on the following areas:

— Current issues and Board priorities in education
— The selection process for teaching personnel
— Resume preparation

The workshop will be held on Tuesday, May 31, 1988 commencing at 9:00 a.m. at the Board Offices, 902 Second Street West, Cornwall.

Interested participants wishing to register or to obtain further information should contact:

Marilyn Barry
Tel: 933-6990, Ext. 35

Registration is limited on a first in basis.

Crime Stoppers

The fence, as he is called, plays a significant role in the disposing of the millions of dollars of stolen property that is taken each year throughout the Ottawa region. With your help, we can put him out of business.

The fence, often has a want list, for the type of merchandise people are looking for. He instructs his thieves on what he needs, and they steal the items. The prospective buyers are told where to meet at a designated time and place, to view and buy the loot.

Televisions, stereo systems, V.C.R.'s and cameras are some of the articles that are readily exchanged for cash.

Another hot item which is less conspicuous when dealt with, is stolen jewelery, including gold and diamond rings, bracelets, chains and watches. Although they only receive a fraction of their real value, it can be a lucrative business.

Stolen identification has been a favorite target for thieves for years. A drivers licence, ownership to a vehicle and credit cards for banks and department stores can be rented or sold for several hundred dollars.

To prevent this from happening in the future, contact your local police force and ask them about a home security check and operation identification.

Remember, if you are caught with stolen property, you're as guilty as the person who took it.

Crime Stoppers will pay $1,000 for information that leads to the arrest of persons involved with stolen property. If you have any information about this or any other crime, call Crime Stoppers at 233-TIPS, that's 233-8477. If you live outside the capital area, call free at 1-800-267-8477. You don't have to reveal your identity, and if your tip leads to an arrest, you qualify for an award.

UCV celebrates Queen Victoria's birthday

MORRISBURG — A parade, musical presentations, a variety of athletic events and a special appearance by the Fort Henry Guard will mark the celebration of Queen Victoria's birthday Sunday, May 22 at Upper Canada Village.

Festivities will get underway at 11 a.m. in Providence Church with Sunday School class featuring both religious and temperance songs. Schooling will end as the militia marches past and the children follow them to the fairgrounds.

At the same time, there will be militia drilling outside the printing office. At 11:40 a.m., the parade, featuring the Guard fife and drum presentations, will move to the fairgrounds and the Guard will line up for drill and inspection.

At noon, there will be a feu de joie and three cheers for the Queen, followed by a musical performance by the Fort Henry band. Then, as the militia grows increasingly rowdy in Cook's Tavern, the temperance Sunday School group will stage a mock protest on the verandah.

At 1 p.m., competitions, which are open to the public, will begin with a 120-yard foot race for men. Other events will include sack and foot races for children, a blind wheelbarrow race and a double or 3-legged race. Judged by members of the Guard, the activities will conclude with the presentation of prizes at the Village Store.

The final special activity of the day will be a Massachusetts baseball game, featuring participation by the staff of the Village and the Fort in the fairgrounds.

The Village will be open for tours of its more than 30 buildings and areas of interest, which will include, later in the season, a depiction of the numerous day to day activities of Farmer Ross.

BIRTH

ADLINGTON — Jim and Connie are proud to announce the arrival of their son Andrew John May 11, 1988, 2:08 a.m. weighing 7 lbs, 3½ oz. A little brother for David James and a new grandson for Ruth and Jack Adlington of Morrisburg and Frances Puhach of Winnipeg. Special thanks to Dr. David Flowers and nursing staff at the Winchester Hospital.

SUMMER EMPLOYMENT

CONSEIL D'ÉDUCATION DES COMTÉS DE
Stormont, Dundas & Glengarry
COUNTY BOARD OF EDUCATION
requires for September 1, 1988

Regular and French Second Language Teachers

As the projection of vacant positions for the 1988-89 School Year has increased from earlier estimates, the date for receipt of applications which it was originally intended to be by mid-June has been advanced in order that the Board might have an opportunity to establish a bank of teachers who may be assigned to vacant positions as they become known following the placement of permanent staff in June.

Applications at this point-in-time will only be received from those teachers who are prepared to accept a position anywhere in the Board's jurisdiction. Such positions may include part-time teaching in two or more schools.

Telephone applications only will be accepted. Such telephone applications should include the following information - teacher's name, present address and telephone number, any special qualifications for example - French Second Language, Special Education or Music, and name of last Principal, where applicable.

All applicants who are interviewed will complete a standard Application Form prior to interview.

Telephone applications will be received to Wednesday to Wednesday, May 25th at 4:00 p.m.

CONSULTATION COMMITTEE ON COUNTY GOVERNMENT NOTICE OF PUBLIC MEETING

The Minister of Municipal Affairs, John Eakins, has appointed a Consultation Committee on County Government Reform. Members of the committee will visit counties across Ontario and make recommendations based on their findings concerning:

- county council representation issues,
- county powers and services,
- small municipalities,
- separated municipalities.

Interested persons or organizations are invited to participate by attending public meetings and/or submitting their comments in writing.

A public meeting will be held at:

Gallery 1, 3rd Floor
Cornwall Civic Complex
100 Water St., Cornwall
on Wednesday, May 25, 1988
at 11 a.m.

Written submissions must be sent by August 15, 1988 to:

Helen McLean
Committee Secretary
Consultation Committee
on County Government Reform

IN MEMORIAM

CANNING—In loving memory of dear husband, father and grandfather Russell Canning, who passed away May 23, 1983.
In a quiet graveyard
Where the gentle breezes blow
Lies the one we loved so well
Whom we lost five years ago
His resting place we visit
And put flowers there with care
and no one knows the heartache
as we turn and leave him there
Always loved and never forgotten
by wife Grace, son Ellwood, daughters Shirley, Judy and grandchildren
20pd

CARD OF THANKS

We would like to thank all my friends, relatives, and neighbors for cards, calls and flowers sent to my wife while she was a patient in the Winchester District Memorial Hospital. Special thanks to Dr. Domanko and all the nurses of the second floor. We also want to say thank you for cards, messages of sympathy, charitable donations sent to me, in the recent loss of my wife, also to the ones who brought food in. These acts of kindness will long be remembered.
Harold Algire and family
20pd

We wish to express our sincere thanks and appreciation for the acts of kindness, messages of sympathy and charitable donations from relatives, friends and neighbours during our recent loss of a beloved brother, brother-in-law, uncle and friend, Hugh K. Slater.
R.L., Jean and family
20pd

We would like to express our heart felt thanks to relatives and friends for their kindness and special thanks to Dr. G. Houze and nurse Lyne Hill.

From Chesterville, Fulton's, La Belle's Beauty Salon, The Brooklyn, Seaway Valley Pharmacy, David's, B & E Toys, Durant's Flowers.
20pd

St. Jude, O Holy St. Jude Apostle & Martyr, great in virtue and rich in miracles, near kinsmen of Jesus Christ, faithful intercessor, of all who involve your special patronage in time of need. To you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present urgent petition, in return I promise to make your name known and cause you to be invoked. Say 3 Our Fathers, 3 Hail Marys and 3 Glorias. Publication must be promised. St. Jude pray for us and all who invoke your aid. Amen. This Novena has never been known to fail. This Novena must be said 9 consecutive days.
T.J.S.B.
20pd

I would like to express my sincere thanks and gratitude to friends, neighbors and to all who came to the funeral home to pay their last respects. To the many who donated to the different charities and the ones who sent flowers and sympathy cards. I would like to thank the staff at the Morrisburg Clinic for their assistance, also Dr. Prins and the staff at the Winchester Hospital. A special thank you to Rev. Kemp for his kind words. To Fairbairn Funeral Home for their assistance in my time of need and the pall bearers for their assistance. Once again thank you all.
Herbert Casselman

Ingleside toning salon fully booked in opening sessions

CATHERINE THOMPSON
Leader staff

INGLESIDE — No tears, no sweat toning may represent a new wave of fitness for Ingleside residents.

"About 50 clients attended the opening of the toning salon Saturday, and for our third day open we've been very busy," said Kathy Grant, co-owner. Other co-owners and area residents are Brad and Sandy Shaver, and Archie Robinson.

"Clients range from students to senior citizens, from overweight people to those who are underweight, to people who just want to exercise," she continued.

Grant says the goal of the passive exercise created by the machines is to get the posture back into shape, while the client simultaneously loses weight and inches.

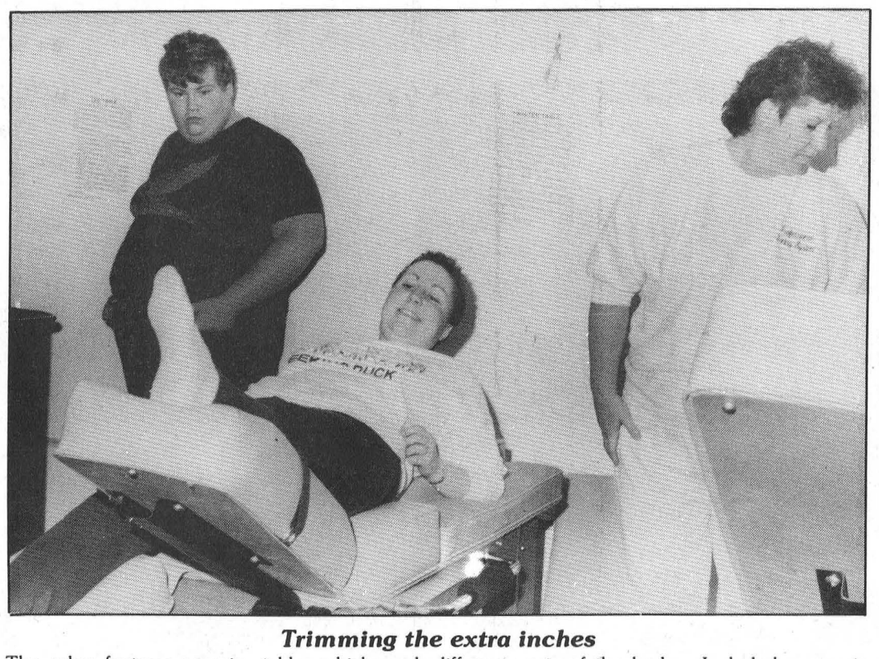
"There are lots who can't jump around," she continued. "It's the perfect form of exercise — and is geared to elderly and handicapped people."

Machines include a circulation table which converts to a rowing table: a twister table to exercise waist, abdomen, hips, and buttocks: a sit-up table to exercise stomach, abdomen, waist and hips: a leg table: and a side-side table to tone abdominal muscles and trim the waistline.

Promotional literature states that one hour on the machines is equivalent to eight hours of aerobics. There is a guarantee to lose inches if a moderate diet is followed.

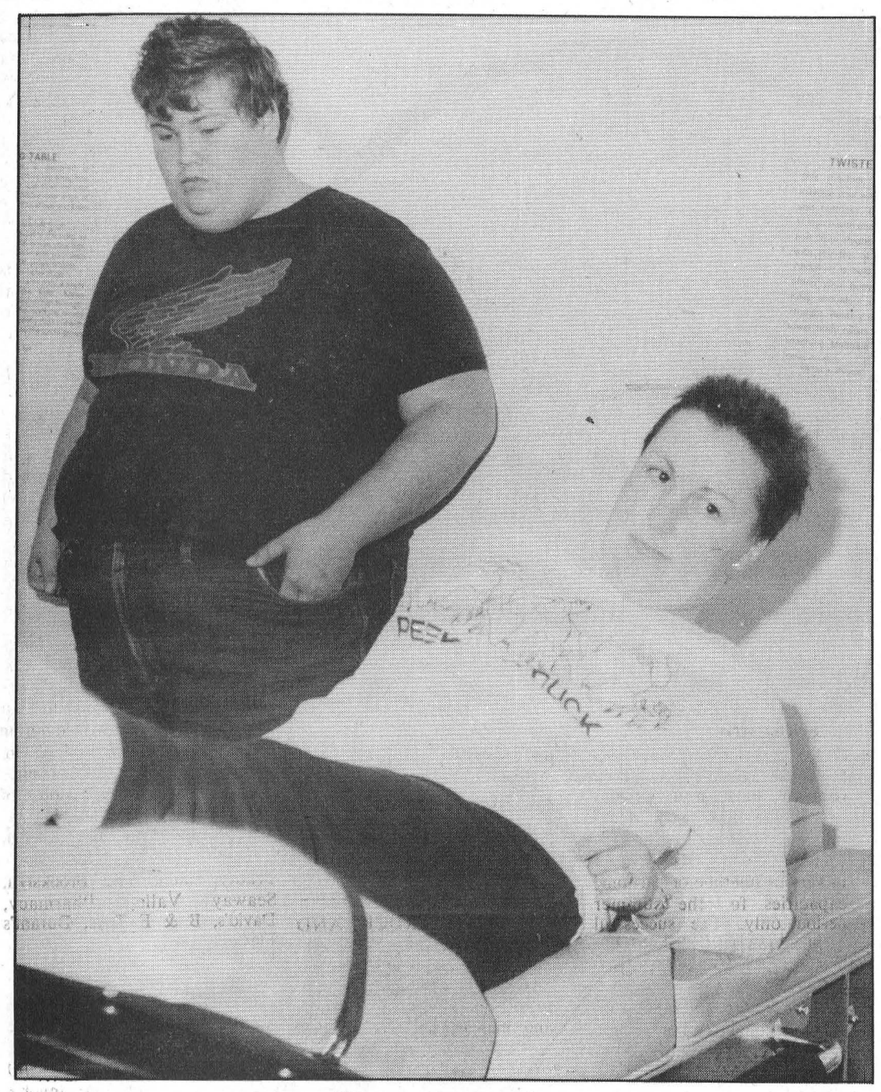
According to Grant the main aim of the machines is to relax the muscles.

"If you're doing passive exercise with the machines, you can't engage in calisthenics, aerobics, body building or jogging, because these tighten the muscles," she says. "But swimming, walking or housework are all right."



Trimming the extra inches

The salon features exercise tables which work different parts of the body. Included are a circulating table, sit-up table, side-side table and leg table. Pictured are customers Campbell MacDonnell, Lori Cleary and co-owner Sandy Shaver, right. —Thompson photo



No sweat, no pain

Lori Cleary of Ingleside is trying out the sit-up table designed to trim stomach, abdomen, waist and hips. Campbell MacDonnell of Cornwall is awaiting his turn. About 50 customers showed up for opening day of the salon. —Thompson photo

Riverside women's institute discuss education, culture

RIVERSIDE HEIGHTS — May meeting of Riverside Heights Women's Institute was held at the home of Cecile Langlotz.

Topic was Education and Cultural Activities with convenor Betty Cayer. Roll call "Why does Canada attract people from other countries?" Most answers reflected the freedom and opportunities as the chief reasons.

Evelyn Wells conducted an "Education Quiz" which was won by Chloe Hart. Members voted to give a donation to Upper Canada Playhouse once again. A poem "The Old Model T" was read by Evelyn Wells.

Doris Erratt read some educational items from "Home and Country". In 1987 women in the W.I. have been introduced to the new handbook, learned about the use of computers in the schools, teaching the handicapped, and coping with stress.

Farmers are having serious problems with the animal rights organizations that believe humans have no right to ever kill or use animals. This philosophy poses a threat to medical research, agriculture, food processing industry, the fur industry and conservation efforts.

"Ten Nays for Good Neighbors was read by Doris Erratt.

Plans were made to cater to a Junior B Hockey Banquet on May 21. Next meeting is planned for June 7, the 30th anniversary of Riverside Heights W.I.

Brinston man O.R.F.E.D.A. for 1988

At the 42nd annual meeting and convention of the Ontario Retail Farm Equipment Dealers' Association (O.R.F.E.D.A.) Mr. George Tibben of Tibben Equipment Ltd., Brinston was elected Area Representative of O.R.F.E.D.A. for 1988.

O.R.F.E.D.A. is a non profit voluntary Provincial Association founded in 1945. O.R.F.E.D.A. is the recognized voice of the Farm Equipment Dealers, making presentations to the Provincial Government, supplying trade publications, regular Dealer bulletins, conducting training seminars, insurance counselling and legal representations to it's members. O.R.F.E.D.A. through it's "Computer Division" is selling, installing and servicing Dealer in house computer systems. O.R.F.E.D.A. is affiliated with the Canadian and National Dealers Associations.

Ontario's Favourite PASTIME

There's always something happening at Upper Canada Village to delight kids and grown-ups alike.
Come join in the fun where time stands still but life goes on!
The mills, factories and artisan shops of the Village are always buzzing with activity, and while you're here don't forget to stop by Willard's Hotel for a delicious 1860s lunch and shop at the Village Store, Eastern Ontario's largest permanent craft market.
May 22 is a red letter day and you're invited to celebrate Queen Victoria's Birthday, with fun and games for one and all!
Then be on hand June 4 and 5, for a wild and woolly demonstration of 1860s sheep shearing techniques.
And June 18 and 19, we'll mark the 175th anniversary of the Battle of Crysler's Farm with the official opening of the new Visitor Centre at Crysler Park. There'll be a demonstration of 1812 military tactics by units from the United States and Canada and an encampment open to the public.
Upper Canada Village. It's Ontario's Favourite Past Time!
Open Daily 9:30 a.m. – 5 p.m.
The St. Lawrence Parks Commission
The St. Lawrence Parks System offers camping, picnicking, historic sites, championship golf and water sports from the Ontario/Quebec border to the Bay of Quinte on Lake Ontario. Call for more information. 1-800-268-3735 or (613) 543-3704

Girls lead Seaway team in SD&G track and field

MIKE GANTER
Leader staff

CORNWALL — Again this year it was the junior and senior girls leading the way for Seaway District High School at the S.D.&G. track and field meet held last Thursday at Cornwall.

A pair of firsts and a second for both Lisa VanHoof and Debbie Cooper earned the two Seaway athletes a share of top senior girl honors with Keri-Lynn Thompson of North Dundas and Marilyn Grant of St. Lawrence.

VanHoof earned her two firsts in the 100m and high jump competitions while Cooper was victorious in the 800m and 1500m races.

Both girls had their second place finishes behind Thompson, who edged out Cooper in the 400m by just over a second and VanHoof in the 200m by half a second.

The four, tied for top senior girls, finished the day with 28 points each.

Dawley leads in field

In the field events, the Seaway girls were led by Laura Dawley who was first in junior girls discus with a throw of 29.18m and second in shot put and javelin with throws of 9.69m and 28.62m respectively.

Also placing well in the field events was Tammy McEwen with a third in long jump on a personal best jump of 3.81m. Although not qualifying for EOSSA in the triple jump, she posted a second personal best here with an 8.69m jump for a fifth place finish.

Laurin Rushton produced a PB jump of 9.04m for a third place finish in midget girls triple jump and Brenda Crowder a PB jump of 8.3m for a fourth place finish in junior girls triple jump.

A pleasant surprise

Back on the track, right behind Cooper and VanHoof in qualifying runs, was midget long-distance runner Mary Dulmage. In finishing first in the 300m with a PB time of 11:42, Dulmage blew away the rest of the pack, finishing 31 seconds ahead of her nearest competition.

Dulmage also posted PB times in the 1500m and 800m races for second place finishes. She crossed the finish line in the 800m with a time of 2:39.

Also qualifying on the track was Nikki Easter who was third in the junior girls 400m and second in the 800. Both runs were PBs for Easter who missed a third in the 200m by four tenths of a second.

Completing the track qualifications for Seaway are Robin Bouck who placed fourth in the senior girls 100m and Lydia Paulino with a fourth in the senior girls 3000m.

Strong in relay

In the relay events, the Seaway girls had some very good results. In the 400m relay the midgets finished third and both the juniors and seniors placed second.

But it was in the 1600m relay open that the Seaway girls showed their true colors. A team of Nikki Easter, Kim Bucking and Lydia Paulino anchored by Debbie Cooper won the event crossing the finish line a full two and a half seconds before the runner-up team from CCVS.

Backes leads boys

Things looked pretty bleak for the Seaway boys team this year after provincially ranked thrower Mike Reichert transferred to an Ottawa-area school. Reichert, who is currently ranked number 1 in Ontario in the shot put, was one of only three Seaway boys to qualify for EOSSA last year.

Fortunately Seaway has developed another midget shot putter who is making coach Keith McIsaac quickly forget Reichert. Shawn Backes placed first in both the midget boys shot put and discus posting personal bests in both events. Backes easily captured the shotput event throwing over a metre and a half further than his nearest competitor Mark St. Pierre of North Dundas.

In discus, Backes threw another PB of 37.26m beating Leif Laframboise of CCVS by 0.24 of a metre.

The only other Seaway boy to qualify in more than one event for EOSSA was Thomas Shcraner who finished second and third in both the 1500 and 3000m races respectively with personal best times.

Also qualifying on the boys side for EOSSA, all with fourth place finishes, were Troy Suddard in the senior boys long jump, Jeff Burgess in the senior boys javelin, and Jeff Ferguson in the senior boys high jump.

Other Seaway students who placed in the top six but failed to qualify for the EOSSA Meet were: Midgets, Carrie Barkley, 100m-fifth; Marianne Grenkie, shotput-sixth; Jim Primrose, long jump-fifth and triple jump-fifth; Jason Dawley high jump-fifth; Kelly Prunner, discus-sixth; Greg Dejong, pole vault-fifth; Juniors, Tanya Dunning, hurdles-sixth; Rhonda Barkley, 200-fifth; Kelly Tryon, discus-sixth; Krista Casselman, javelin-fifth; Chris Mabo, hurdles-sixth; Randy Mullin, long jump-sixth; Reg Latulippe, high jump-fifth; Seniors, Shawn Markell, shotput and discus-fifth in both.

Seaway coach Keith McIsaac said his team had a spectacular day at S.D.&G. and hopes that, "after EOSSA I'll still be in the position of needing a bus for the regionals...or at least three or four cars."

Repeat champions

CORNWALL — For the second consecutive year, Seaway District High School ran away with the A school championship at the S.D.&G. Track and Field meet last Thursday in Cornwall.

Seaway amassed approximately 275 points in the one-day competition to edge out Tagwi, CharLan and Rothwell-Osnabruck for the A championship.

The AA school championship, which is for the most points by the bigger schools went to La Citadelle for the seventh consecutive year.

The 275 point total at this year's meet was a 15 point improvement over Seaway's previous best of 262 recorded last year.

"Our points were spread quite evenly through the girl's team which was definitely the strength of our team," said Seaway track and field coach Keith McIsaac.

Track coach expecting good results at EOSSA

MIKE GANTER
Leader staff

IROQUOIS — Seaway District High School track and field coach Keith McIsaac says he has high hopes for the EOSSA meet this Thursday after a fine showing by his team at the S.D.&G. meet last week.

"I don't think our results will be as poor as last year," said McIsaac of the upcoming meet. "We have a much more balanced team this year as it's not top heavy with young kids. For example, we had five senior girls at S.D.&G. and they picked up 86 points."

McIsaac said the big surprises of the S.D.&G. meet were the performances of long distance runner Mary Dulmage and sprinter Lisa VanHoof. On Dulmage's effort, McIsaac commented that she won the 3000m "going away and with a little more experience she could have won the 800 and 1500m races."

"She was second in both by a nose," said McIsaac. "In the future she will blow her competition off the track."

McIsaac called VanHoof's 1.55m jump in the high jump a substantial improvement over her previous personal best.

"What was really disappointing was her call for the 200m which came in the middle of the high jump forcing her to leave for the race," he said. "Fortunately, she already had the high jump won but she probably could have won the 200 as well."

Other individual performances that caught the coach's eye included Debbie Cooper's runs in the 1500 and 800m races as well as the results junior runner Thomas Schraner produced in the 1500 and 3000m races.

"I've never seen Debbie run better," he said. "She attacked all of her races."

As for Schraner's efforts McIsaac said he was very pleased to see him cut 25 seconds off his PB in the 1500m.

McIsaac will be taking 20 athletes with him to the Eastern Ontario championships Thursday in Kingston at Queen's University.

Gophers re-organized for intermediate ball season

WILLIAMSBURG — After an all-too long absence for local fastball fans, the game has returned to the area and can be seen most Tuesday nights at the Williamsburg Ball Park.

Although this is the second year for the Cedar Glen Gophers, the club has undergone a re-organization and is playing in the expanded Grenville-Dundas Industrial Fastball (Intermediate) League which includes teams from Richmond, Smiths Falls, Mountain, Winchester and Kemptville.

Coached by Bobby Schell and Jeff Casselman, they are sponsored by the Cedar Glen Golf Club which provided their sweaters and hats last year and LMS Motors which came through with new pants this season.

Home games are Tuesday nights beginning at 8:30 and their next match is Tuesday, May 24 when Mountain comes to town.

Open with loss

The Gophers opened on the road last Monday night where they were turned aside by the Winchester Dynes, 5-0. But they recovered for their first win Tuesday against Richmond 9-0.

Jim Morrell was on the Williamsburg mound Monday night striking out seven Dynes' batters and giving up 10 hits. His opponent, Doug Burnett, took the win with 10 strike outs and five hits.

The Dynes were in top form both offensively and defencively committing no errors and coming up with 10 hits.

Leading their offence was third baseman, Dan McMartin with a pair of homeruns for three RBIs and Chris Guy was good for an RBI triple. Bill Hogoboam and Barry Casselman had a pair of singles each. Phil Wells a double and Jim Hume and Doug Burnett singles.

For the Gophers, Allen McNairn had a triple and Don Nesbitt, Jeff Caselman, Tim Patterson and Bill Mullin all had singles.

The Dynes big inning came in the second which started with Burnett's single. He was brought home by McMartin's homer. Barry Casselman then singled and was brought home by Chris Guy's triple.

Bill Hogoboam scored in the third and McMartin hit his second homer in the sixth giving the Dynes the 5-0 win.

Win at home

The Gophers picked up their first win on home turf Tuesday over Richmond, 9-0. Lyle Schell handling the pitching duty.

Schell struck out eight Richmond batters, in the no-hitter, while Tren Wood of Richmond struck out three and gave up six hits.

The Gophers cashed in on a pair of homeruns, the first a 3RBI homer from designated hitter Allen McNairn in the first inning and the second a 3RBI homer from Bobby Jack Hart in the fifth.

Don Nesbitt produced a pair of singles and Tim Patterson and Bruce Casselman both had base hits.

Leading 3-0 after the first inning and 5-0 after the second, the Gophers put it away in the fifth with four runs.

Annual soccer festival

MORRISBURG — The Spartan Cup, Morrisburg's annual soccer festival will kick off this weekend with 28 teams competing in men's and women's divisions. The tournament hosted by the local Spartans soccer club is in its 5th year and each year the competition gets tougher.

The two day event which will start Saturday at 9:00 a.m. will see 16 men's and 12 women's teams battle for the two titles. The teams will play approximately 50 games before the two champions are decided on Sunday.

Leading the way in the men's division should be the Cornwall area St. Andrews Saints side who are two time defending champions. The main competition for the Saints should come from the Ottawa Royals who have strong ties with the Ottawa Intrepid of the professional Canadian Soccer League.

The ladies division also sees a two-time defending champion returning once more to defend their title. The Lynwood Centennials should receive a good challenge from the girls from North Bay who will be making the longest journey of any of the competitors in this year's tournament.

Both divisions will see the teams divided into four team pools with round robin play deciding which teams advance to the A or B semi-finals. Tournament co-ordinator Scott Campbell says that things promise to be busy this weekend along Morrisburg's waterfront.

Ref's summer school

OTTAWA — Plans are under way for the 1988 Annual Referee Summer School. The over all success of last year's school, clearly demonstrated the demand for this type of official's training prior to opening of hockey season. This year the school is being held at the Nepean Sportsplex on August 26, 27 and 28th.

The minimum age for candidates attending this Summer School is 16 years of age, as of December 31st, 1988. The fee for this school will be $125. to include National Referee's Certification Program for the 1988-89 season.

Included in the school will be a minimum of one hour of ice per day, skating instruction, classroom sessions, daily off-ice conditioning, explanation of career path, hot lunch daily and top-notch instruction staff i.e. Wayne Bonney, N.H.L. linesman.

For more information contact Rick Ladouceur, Development Co-ordinator, Ottawa District Hockey Association, 224-7686.

Ministry completes walleye tagging program for new study

CORNWALL — The Ontario Ministry of Natural Resources has just completed a walleye tagging program on the Raisin River at McIntyre's Rapids near Williamstown.

During the first two weeks in April, 1988, Cornwall District office staff live-trapped 196 walleye during their spawning run up the Raisin River. The fish were measured, tagged and then released. The tags are small aluminum bands and located on the left side of the lower jaw of each fish.

This project is the first of a five-year program outlined in the District Fisheries Management Plan to collect assessment information on the walleye population in Lake St. Francis. The program is funded by the Resident Sport Angling Licence.

The information gathered from these tagged fish will provide trend-through-time data which will help to determine whether the walleye population is increasing or decreasing.

If anglers catch a tagged walleye and either keep it or release it, they should record the tag number, length of the fish (if possible), where it was caught, the date it was caught and send the information to the District Manager, Ministry of Natural Resources, P.O. Box 1749, 113 Amelia Street, Cornwall, Ontario. K6H 5V7.

The 19th hole

MORRISBURG — Morrisburg golf club activities got off to a good start last week with the opening of both ladies' and men's nights.

Tuesday night the ladies had their largest turnout ever, for the evening which was sponsored by The Morrisburg Leader. Close to 70 women were on hand for golf and a potluck supper and it was great to see so many new faces.

Prize winners in A flight were Bonnie McNairn and Barb Sheridan, in B flight were Marie MacDonald and Jean Devaul, in C flight were Jane Lee and Helen Fraser and in D flight Joanne Baker and Karen Gorrell.

For the evening the class flights were adjusted according to numbers.

The hidden hole winner was Nora Markell with the low score on nine and the most honest golfer was Susan O'Neill. Yvonne Veley was the low hole winner and Sheila Lapierre and Jane Lee were the door prize winners.

Next week, Tuesday, May 24th, ladies night will be sponsored by the Spinning Wheel Restaurant and will feature the ever popular guest night.

All club members (ladies) are encouraged to bring along a friend for the evening. It's a great way to introduce someone to the game and is always a lot of fun.

The men also got off to a roaring start with 88 participants out for their evening Thursday which was sponsored by Edgerton Baker Fuels.

Fred Devaul was the A flight winner with a 37 and Scott Corden won B, also with a 37. Terry Laurin rounded it off with a win in C flight with a 41.

Net winners were Nick Lee, Dave Tait and Kevin Adams.

The hidden hole winner (high score) was Lloyd Wells and the low score hidden hole winner was Brian Moran.

This Thursday, men's night will be sponsored by Odonto.

All golfers playing in either of the men's or ladies' nights are reminded to sign the meal sheet at the snack bar to assist the staff in determining numbers.

Coming up this weekend is the first of several two-balls. Entries will be accepted until 12:45 p.m. with a 1 p.m. teeoff. A signup sheet is posted on the upstairs bulletin board to assist the organizers. Please sign ahead if you are playing.

Among the Cedars

WILLIAMSBURG — The second weekly ladies night of the 1988 season saw many of last years regulars regain their form.

Lee Anne Munro is back on top in ladies A class. She shot a 51 to take the category on back holes with Eunice Munro taking low net with a 32.5.

In B class Cindy Summers took low gross with a 51 and Edith Cameron had the low net with a 36.5.

Ruth Alguire won D Class with her 9-hole round of 60 and Thelma Cryderman picked up low net with a 34.5.

The Cedar Glen Ladies have decided to add a new class to the list of prizes. Women who compete at Ladies night now without a handicap will be placed in the X class. In the past they were put into D class. Linda De Serres won the first X class with a round of 53 and low net honors went to Theresa Van Moorsel with a 28.

The longest drive award went to Shirley Munro and Gail Robinson claimed the prize for closest to the pin on No. 8.

The men's night low round last week went to B class golfer Don McMillan who shot a one over par 36. Steve Willmet was one stroke back at 37 to take second low gross. Low net winners in B class were Bert McIntosh with 32.5 and Marty Little with 34.

The A class golfers were lead by Gary Munro's round of 37 with Gary McMillan picking up second with his round of 40. Allen McNairn had the low net with a 33 followed by Lyell Schell with a 35.

Glen Vasey stole the show in C class with his round of 40 with Bruce Freer next on backholes with a 45. C Class net winners were Gary Cryderman with 31.5 and Hugh Blair winning with a 32 on backholes.

George Hillis and Raymond Lamoureux topped the field in D with rounds of 46 and 50 respectively and Harry Thompson and Jim Cook took the low net awards.

Closest to the hole on the eighth was Ron Rutley while Curtis McMillan had the longest drive on number one.

The Opening Day Tournament was another big success this year with 115 golfers turning out to participate in the annual event.

Bill Mullin's low score of the day earned him top honors in A class. He edged out Don McMillan by a stroke for the win. McMillan's 37 gave him a tie for low gross in B class but he took that spot with a win in a playoff.

Wally Jenning's round of 46 was the low gross in C class with George Hillis taking D class one stroke back at 47.

On the Ladies side, Lee Anne Munro followed up her first win at Ladies night with an impressive round of 45 to take the tournament trophy.

Munro's closest competition was Shirley Carruthers who took B class with a round of 52. Norma McMillan, two strokes back at 54, took C class with Trevor McMillan the top junior in a playoff. McMillan shot a round of 46.

Winners of the pickerel section of the weekend derby were Robert Amell and Louis Riley, both of whom were fishing in the Cornwall area. —McNairn photo

Record entries

Derby pays big dividends

MORRISBURG — A couple of days of fishing paid big dividends for six area sportsmen who walked away from the annual pike and pickerel derby organized by Charlie's Sport Shop with close to $900 in cash and prizes.

Each year the derby keeps getting bigger and better with this year's attracting 131 participants up from 118 in 1987.

In total 21 fish were weighed in, including only three pickerel all of which won prizes.

The top winners in the senior division were Nelson McCooeye of Morrisburg for his pike and Louis Riley of Cornwal with the largest pickerel. For the wins the two happily pocketed $250 in cash.

Second place in pike was claimed by John Summers of Morrisburg and in pickerel by Robert Amell of Cornwall. Both were recipients of Garcia Rod and Reels valued at $80 each.

The junior category winners were Trevor Beckstead of Morrisburg for the largest pike and Shawn Roderick of South Mountain for his pickerel. They both won rod and reels donated by Direct Factory Sales and valued at $60 each.

McCooeye's winning pike tipped the scales at 14 pounds, one and one half ounces and had a 17 and a half inch girth with a 41 inch length.

Summers was off the mark by over two pounds, his second place pike weighing 11 pounds, 10 and one half ounces with a 15 and one half inch girth and 36 inch length.

McCooeye said he caught his pike at the Pines fishing area in Riverside and Summers was fishing in the St. Lawrence near Morrisburg. Both were using red and whites.

Riley's six pound, nine ounce pickerel was caught near Cornwall as was Amell's second place, six pound eight ounce second place finisher. Both were using a modified Big O.

The junior pike division was won by Beckstead's 10 pound, 12 ounce pike with a 15 inch girth and 35 inch length and Roderick's pickerel weighed in at four pounds, seven and one half ounces.

Beckstead was fishing in Nash Creek and Roderick was west of Ingleside.

In 1986 the winning pike weighed 14 pounds and in 1987 the first prize went for 12 pounds six ounces. A nine pound pickerel won in 1986 and in 1987 the winner was seven pounds.

Plans are now underway for the bass derby in June.

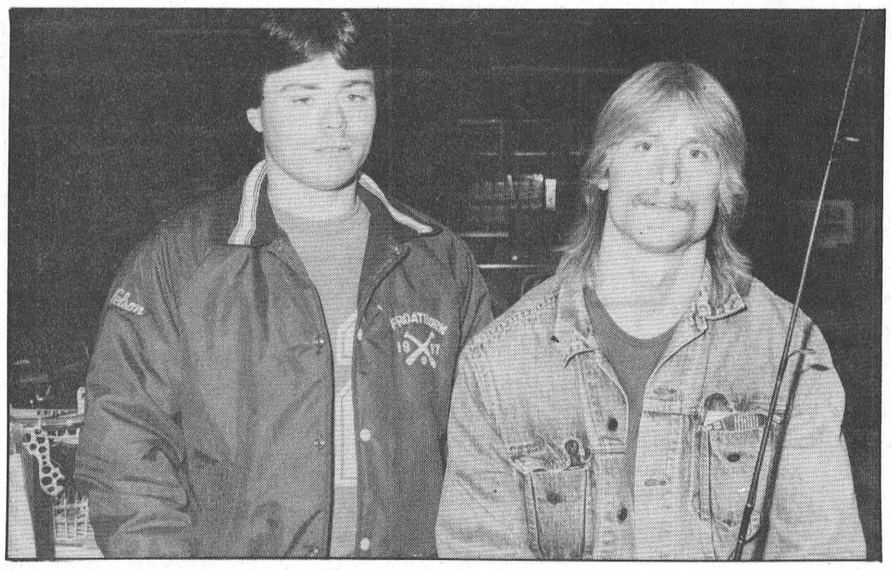
Final registration for minor soccer Saturday

MORRISBURG — This Saturday will be the last day for minor soccer registration for all area soccer buffs. The Spartans SC as part of their Spartan Cup weekend will hold registration all day at the food booth at Waterfront Park.

According to minor soccer director Bill Ault there is plenty of space available in all the age groups.

"We've got room for everyone, but in particular we need some players born in '74 through '77 for our two oldest teams," says Ault. "We are putting together a schedule of games and tournaments for these two teams and we need some players to make sure we have adequate numbers to field two teams and meet our commitments."

Registration is $20 per player and anyone born between 1974 and 1981 is welcome to register. Soccer night in Morrisburg will be Tuesday from 7:00 p.m. to 8:00 p.m. The season will run from June 7th to August 30th.



Derby Winners

This year's pike and pickerel derby sponsored by Charlie's Sport Shop Ltd. attracted 131 participants and pictured above are the senior winners in the pike category, Nelson McCooeye (left) and John Summers. Below are junior winners Shawn Roderick (left) and Trevor Beckstead. In total the six winners walked away with almost $900 in cash and prizes. —McNairn photos

Beautiful handiwork

Libby Peterson, Ingleside resident and potter, is selling the wares of artisans from Pioneer Craft Co-operative, including oil paintings, porcelain dolls, pot pourri, dried flower arrangements and ceramics.

—Thompson photo

Craft co-op a boon to artisans

LONG SAULT — Two century old log buildings located east of Long Sault on Highway 2 house the handiwork of local artisans from Ingleside to Cornwall, and north to Berwick.

The co-operative, started in 1981, has proven a boon to approximately 17 local artisans who are its members.

Pioneer Corner began in Centennial year 1967, when Stanley McNairn moved two log houses to the present location. For the following 14 years, Pioneer Corner sold crafts and food products.

Seven years ago, McNairn contacted Flora Doumouchel, an Ingleside artisan, and current president of the co-operative, and asked if she and her sister Helen would like to run the shop. Declining the offer because it would involve seven days a week of shop tending, Helen and Flora nevertheless contacted 20 compatible crafts people.

These artisans entered into an agreement to form a co-operative and after meeting, opened Mother's Day.

At present, local crafts people sell crafts as diverse as porcelain dolls, wood carvings, collectibles, quilts, pot pourri and local honey.

Libby Peterson, an Ingleside potter, says that for some the co-operative has changed the pursuit of their craft into an occupation rather than a hobby. Colleen MacLean, an Ingleside potter and doll-maker, says that the co-operative is supported more by local people than by tourists.

Each artisan contributes 11 days of the season to minding the shop which opens on weekends from May until mid-June, and is open daily in the summer.

Seaway High news

Hello Everybody. Believe it or not there actually is some news this week. Drum roll please.

No, the world did not blow up on Friday the 13th. Astrodomis was wrong this time. It wasn't an unlucky day for me—I finally got my licence. Watch out pedestrians.

Monday afternoon all the team photos for the yearbook were taken. The Jump Rope picture was most impressive. The only part of the back row visible was their fingertips.

On Tuesday and Wednesday Oliver will be performed for family and friends. It starts at 7:00 p.m. on both nights.

On Thursday Seaway students who qualified at T.I.S.S. track meet will travel to E.O.S.S.A. in Kingston. Good luck.

On Friday, most of the senior classes will travel to Ottawa to see 'Somethings Rockin' at the NAC.

Sutdent council elections for the 88-89 school year will take place on Tuesday, good luck to all candidates. Positions to be filled are: President, first and second vice, G.A.A., B.A.A. and social convenor.

There is a dance this Saturday at the arena. It is double licenced and Eddie and the Stingrays are playing.

I would also like to speak on behalf of Jennifer Disheau and Tammy MacEwen when I say that Friday the 13th part VII was their absolute favorite movie. Right girls?

Everyone enjoy the long weekend. See you next week.

OPP RIDE checks

TORONTO — According to a recent Supreme Court of Canada decision, the most effective deterrent to drinking and driving is the strong possibility of detection.

In an effort to detect and apprehend drivers who drink and drive this Victoria Day Holiday Weekend (May 21-23), the Ontario Provincial Police will operate 16 RIDE checkstops across the province as part of the enhanced year-round OPP RIDE program.

This will be the first holiday weekend for the 16 new OPP RIDE teams to stop and check motorists for drinking and driving offences across the entire province.

"Motorists travelling in the summer resort and cottage areas can expect to encounter an OPP RIDE checkstop," said Insp. Bill Wicklund, Traffic and Marine Section. "Violators who flaunt drinking and driving laws will face the full consequences of this illegal and deadly behaviour."

The year-round OPP RIDE program began in April with the commitment of $14 million by the Ministry of the Solicitor General.

In addition to the special RIDE teams, the OPP will increase regular patrols on provincial highways during the holiday weekend and this is the first long weekend that OPP radar-equipped motorcycles will be on patrol. Force motorcycles are now equipped with the sophisticated Moving Digital Radar (MDR-1) that is capable of being operated while the motorcycle is in motion.

OPP traffic officers will also be looking for traffic offences such as not wearing a seat belt.

"Approximately 67 per cent of Ontario motorists wear seat belts," said Wicklund.

Clean-A-Thon winners

Morrisburg Public School's clean-a-thon raised thousands of dollars for school programs. The top fund-raisers in each class are (above, front row l-r) Brandon Belanger, Julie Gurnhill, Robin Casselman, Kelly Lackey, Jack Nadeau; back row l-r Leeanne Leroux, Chantal Keeler, Holly Duvall, Terry Weegar. Missing from photo are Tim Casselman and Amy White. Students who showed the best attitude and desire to work are (bottom, front row l-r) Stephen Sypes, Charles Sypes, Anson Chan, Dennis Mayer; back l-r Jason Denio, John Pollock, Scott Barkley, Josh Laurin, Michael Francis, Beth Brister, Jessica Shaver. Missing from photo is Scott Martin. —O'Brien photo

Morrisburg clean-a-thon raises thousands

MORRISBURG — The success of Morrisburg Public School's first clean-a-thon can be termed as nothing less than spectacular.

The two hour clean-a-thon, held on May 6 raised approximately $3,740 with money still coming in.

The students raised money through pledges. Each grade was assigned to clean a different area of the village and the results were noticeable.

The clean-a-thon was held to raise money for school trips and special events.

"The clean-a-thon was very well done this year," said organizer Andre Charlebois at a students' assembly Friday. "Not only the cleaning part but the way you went about doing it. We were out in the town and everyone was very well behaved. You've given yourself and the school a very good name."

The top fund-raiser in each class was presented with a $15 gift certificate from Stedman's. Students, judged by their teachers to have the best attitude, were presented with medals at Friday's assembly.

Parks ready to open

MORRISBURG — Final preparations are underway to open the St. Lawrence Parks Commission's 6,000 acres of parks and recreational facilities. The Commission operates 17 parks, two scenic parkways, a marina, an 18-hole golf course, horticultural gardens, a migratory bird and wildlife sanctuary and a maple sugar bush, along with Upper Canada Village and Fort Henry.

The Crysler Park Marina and the Upper Canada Golf Course, both located east of Morrisburg, have already been opened to the public.

The Commission's parks, scattered through recreation areas along the St. Lawrence River from the Bay of Quinte to the Quebec border, offer nearly 2,500 camp and trailer sites.

Several of the parks offer a reservation service. Those interested can call (613) 543-3704 weekdays from 8:30 a.m. to 4:00 p.m. from June 15 to August 31 to book a site.

The Queen Elizabeth Gardens, situated next to Upper Canada Village in Crysler Farm Battlefield Park, features a sunken rose garden and an antique rose garden, whose varieties of roses date from 1590-1850.

The Upper Canada Migratory Bird Sanctuary is the summer home of some 1,800 Canada Geese and the rest stop for 12,000 migrant geese. The area, which is also a haven for deer, wolf, raccoon or beaver, is located 14 km east of Morrisburg near the Morrison and Nairne Islands campsites.

The parks, which are easily accessible from Highway No. 401, see close to two million visitors each season.

Doll-making hobby turns into full occupation

CATHERINE THOMPSON
Leader staff

OSNABRUCK CENTRE — Over the last four years, a part-time occupation of doll-making has become a full-time labour of love for Osnabruck craftswoman Colleen MacLean.

A potter and previous owner of Ingleside Ceramics, MacLean and partner Pat Zeron found out about four years ago that making hand-made porcelain dolls was their real love.

From that time on, they included dolls for sale as well as pottery and offered classes on how to make porcelain dolls in a day. The partners found that producing pottery and hand-made dolls in the Ingleside shop was too labour-intensive and costly, and closed the business the end of 1987, since then making them in their own homes.

"I make my dolls as contemporary and original as possible," said MacLean. One of her creations is fashioned after a well-known artistic bag lady in Toronto who was homeless, but talented, making her living by producing oil paintings on brown paper bags.

Time and patience

These are necessary ingredients in the time-consuming craft of doll-making. Colleen MacLean is pictured here with "Bag Lady" at the back, and "Bye-Low" in front. There is a story behind each doll, says MacLean.

—Thompson photo

The doll carries a hand-made brown paper shopping bag full of small 'oil' paintings, a hand-made purse and wears hand-made clothes as well as Taiwan accessories of shoes and hat.

"Each doll has a different story to tell," said MacLean.

Financial difficulties

"It would be great if Canadians could get in their own supplies," she said. Doll accessories (wigs, shoes, socks etc.) must be purchased from the United States which buys from Taiwan. Purchases can not be made directly, resulting in a double duty on supplies.

"Doll-making can be a very time-consuming process," she added. "It can take at least two weeks from start to finish. Some stages of the process from pouring into molds to firing may take a day or so."

"After it is fired at about 2000 degrees, sanded and painted, it must be fired at a low temperature to set paints into the clay body. Seven coats of paint and seven separate firings can take up to a week. So starting from Base 1—it's an eight hour a day job."

MacLean has shown her dolls in the Tri-County Arts and Crafts show held twice a year in the Cornwall Civic Complex, and in Brockville shows held by the United Church Women and the Ministry of Natural Resources.

This year she joined the Pioneer Corner Craft Co-operative, a group of local artisans who display their handicrafts in a shop located east of Long Sault on Highway 2.

She is a member of the Corporation for Artisans in Porcelain (Canadian), the Foundation of International Doll-makers, and the Doll Artisan Guild (American organizations).

Although her dolls are original and hand-made, she tries to keep prices reasonable, within a $100 range.

Police report

MORRISBURG — Traffic statistics for the week of May 8 to 14 are:

number of 12 hour licence suspensions	4
number of alcohol related criminal code traffic charges	8
number of persons charged with alcohol related criminal code offences	4
number of highway traffic act charges	99
number of highway traffic act warnings	78
number of persons charged under liquor licence act	2

•

RIDE statistics for the week of May 8 to 14 are:
number of vehicles checked 77
No charges were laid.

•

One accident was reported on May 10, the time unknown.

Steven J. Dillabough, 30, of R.R.3, Chesterville was proceeding northbound on Concession Road 3 in Matilda Township. He went through the stop sign at the intersection of Carman Road into the north ditch.

His 1981 Oldsmobile received moderate damage. He was not injured.

•

Another accident occurred on May 11 at 11 a.m. on County Road 18, west of Carman Road in Matilda Township.

Morris Shaver, 25, of R.R.1, South Mountain was driving his 1988 Toyota eastbound on County Road 18 when he ran off the roadway into the south ditch.

He was not injured but the car was severely damaged.

•

On May 12, one accident occurred in Iroquois at the junction of Hwy. 2 and Elm Street.

Muriel Hamilton, 38, of Iroquois stopped at the junction. She pulled out too soon colliding with another vehicle driven by William Lewis, 32, of R.R.2, Brinston.

Hamilton and a passenger in the Lewis vehicle, Christopher Thompson, received minor injuries and were taken to the Morrisburg Clinic.

The 1980 Plymouth driven by Hamilton and the 1982 Cougar driven by Lewis were severely damaged.

•

On May 14 at 1:30 p.m. an accident occurred between Martha Murphy, 47, of Willowdale, Ontario and Carole McDermott, 47, of Brinston.

The accident occurred at the intersection of Concession Road 3 and the Brinston Road.

Murphy stopped at the intersection while McDermott was proceeding southbound on the Brinston Road.

Murphy pulled out in front of the McDermott vehicle causing the collision.

McDermott's 1986 Ford and Murphy's 1979 Ford received moderate damage.

Neither of the drivers was injured.

•

Two accidents were reported on May 15 the first occurring on Carman Road south of County Road 18 at 1 a.m.

Roger Kirkwood, 19, of R.R.2, Brinston was driving his 1979 Plymouth south of Carman Road when he lost control of the vehicle sliding into the west ditch where the car rolled.

He received minor injuries but the car was demolished.

•

The second accident occurred at 4:20 p.m. in the parking lot of Upper Canada Village.

William Blanchette, 25, of Spencerville ran into a parked vehicle belonging to D. Bellefeuille of Gloucester.

Bellefeuille's 1985 Buick received moderate damage while Blanchette's 1986 Ford van was undamaged. No injuries were reported.

New owners take over campground

WILLIAMSBURG TWP—Ann and Ted Smith hope camping is a favorite summertime activity this year.

As the new owners of Upper Canada Campground, the Smiths want to make camping as attractive and comfortable as possible.

The Smiths took possession of the 170-site campground from previous owner Tom Magee on April 9. Formerly of Kanata, Ann, Ted and their two children Christine and Chuck, have visited the local area before, travelling for hockey tournaments and visiting Upper Canada Village.

Before deciding to locate in Williamsburg Township Ann said the family had looked for about one year throughout south-eastern Ontario for a suitable location.

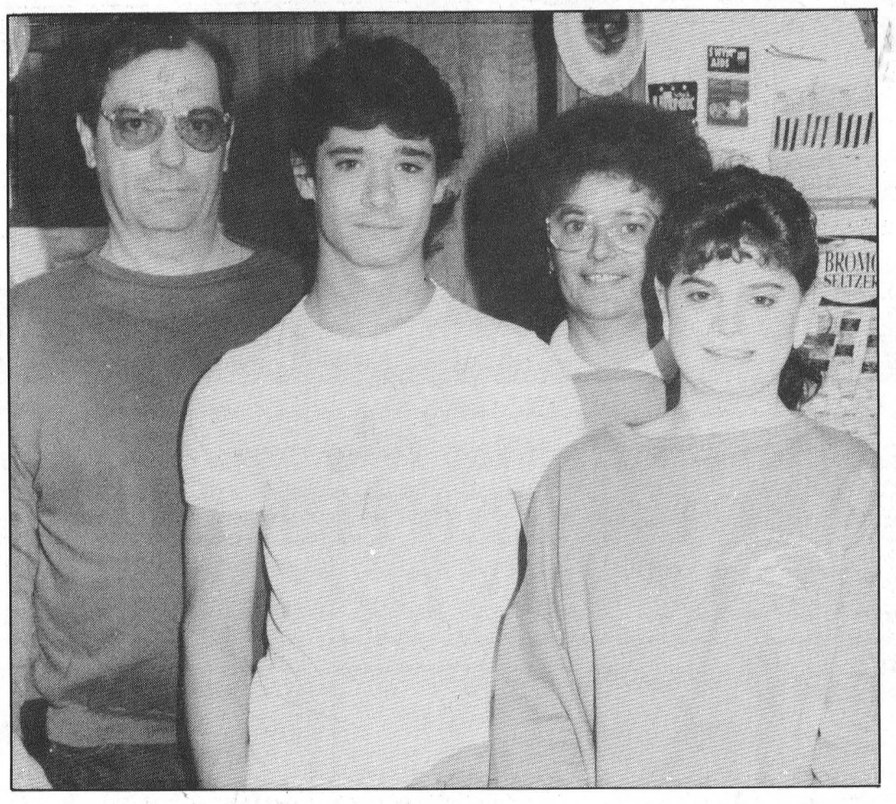
Ann, a retired traffic co-ordinator with Lumonics and Ted, a retired front-end mechanic said they have discussed the idea of owning and running this type of business for about 10 years.

"We are semi-retired but the opportunity came up and we decided to go ahead with it," said Ann. "We're semi-retired but I've never worked so hard."

Most of the campers are transient but Ann hopes to establish a seasonal crowd over the next few years.

While much of the campground will remain the same this year, Ann has already renovated and reorganized the store and hopes to rent video games to campers shortly.

In addition to the outdoor pool, play area and pond with paddleboats, two trailers, a tent trailer and travel trailer, are available to rent to people who don't have one. Ann suggests, however, that interested parties call ahead and reserve since the accommodations are popular.



New owners

Upper Canada Campground's new owners include, l-r, Ted, Chuck, Ann and Christine Smith. The family recently moved to Williamsburg Township from Kanata.

Man pleads not guilty to murder

CORNWALL—Robert Gauthier, 37-year-old Ingleside man, pleaded not guilty to two charges of first degree murder of his estranged wife Janice and son Robbie in Ontario Supreme Court here Monday. The same day eight men and four women were chosen as jurors before court was adjourned.

Tuesday, Assistant Crown Attorney Alan Ain and defence lawyer Pat McCann of Ottawa were to present opening remarks, followed by testimony from the first of about two dozen Crown witnesses.

Gauthier was charged December 14, 1986, after his estranged wife Janice was killed at her parents' home north of Ingleside. A few hours later, Gauthier was arrested in the parking lot of his apartment building in Cornwall carrying his wounded son Robbie who died shortly afterwards.

The couple had separated six weeks prior to the incident. After the shots were fired which killed Gauthier's wife, her parents saw a man dragging Gauthier's son to a car which then left the scene.

Police say that a wound to Gauthier's left eye by which he lost his sight was self-inflicted.

Gauthier, who has been held in custody since his arrest, was declared fit to stand trial last spring. Following a preliminary hearing, he was ordered to stand trial.

Ombudsman coming!

OTTAWA—The Ombudsman is coming.

Klaas Bylsma, District Officer for the Office of the Ombudsman for Ottawa and eastern Ontario will be visiting Cornwall and Alexandria areas on June 16 and 17.

He will meet with a number of community groups and be available to meet privately with individuals who have complaints on a first come, first serve basis.

Complainants can meet the Ombudsman in the offices of the Children's Aid Society, 27 York Street, Cornwall from 9 to 11 a.m. on June 27 or in the boardroom of the Alexandria Hospital from 1 to 2:30 p.m. on June 16.

The remainder of the agenda includes meetings with members of the Alexandria Chamber of Commerce, the Board of Directors of the Cornwall and District Multicultural Council and the staff of the Help Program in Cornwall.

OBITUARIES

Gordon Leslie McIntosh

A lifelong resident of R.R.1 Williamsburg, and well-known road superintendent for the United Counties of S.D.&G., Gordon Leslie McIntosh died suddenly at his home on Thursday, May 5th. He was 61 years of age.

Born at Winchester Springs, October 11th, 1926, he was a son of the late Elburn McIntosh and his wife the former Georgie Shannette. He received his education at the area schools, and was married at Morrisburg on October 3rd, 1953 to Joyce Gamble, who survives. He was a member of St. Peter's Lutheran Church at Williamsburg.

Besides his widow, he is survived by four daughters: Katherine (Mrs. Dwayne Cinnamon) of R.R.1 Winchester, Susan of Kanata, Sara Jayne of Toronto and Diane at home, and one son James of Winchester; two sisters: Ruth (Mrs. Bob Bramwell) of Manotick and Mrs. Betty Proudman of Ottawa; three grandchildren, Tina, Tommy and Joey Cinnamon.

Funeral service was held at St. Peter's Lutheran Church, Williamsburg, on Sunday, May 8th at 2:00 p.m., with Rev. Ross Thomson officiating. Interment followed at the New Union Cemetery in Williamsburg.

Pall bearers were: Dave McIntosh, Dale Barkley, Larry McIntosh, Bryne Bramwell, David Macdonald, Brian Hutt.

Annie Ethel Gibson

The death of Annie Ethel Gibson, of 556 Albert Street, Winchester, occurred at Winchester District Memorial Hospital on Saturday, May 14th. She was in her 77th year. She was a former resident of Winchester Township.

Born at Winchester in 1911, she was a daughter of the late Herbert and Lillie Robinson. She received her education in her native village, and in 1932, was married to Herbert Gibson, who predeceased her in 1981.

She is survived by a sister Myrna Cinnamon and a brother Delbert Robinson; also by 20 grandchildren and 6 great-grandchildren.

A Wesleyan Methodist in religion, she was also a member of the Women's Institute, the Women's Auxiliary, the W.M.S. and the W.C.T.U.

Funeral service was held at the J.R. Vice Funeral Home on Monday, May 16th at 3:00 p.m., with Rev. Leroy officiating, assisted by Rev. Jackson. Interment followed at Maple Ridge Cemetery.

Pall bearers were: John Gibson, Paul Gibson, Kevin Napier, Garry McMillan, Mark Creighton, Mike Creighton.

Arnold Shaver

Arnold Charles Shaver of 42 Alayne Street, London, Ontario died at Parkwood Hospital Veterans Care Centre, London, on Friday, May 6th.He was in his 80th year.

The beloved husband of Mrs. C. Irene (Mitchell) Shaver, he is also the dear father of Mrs. Ray (Arlene) Deziel of St. Thomas, and Mrs. William (Gail) Hayter of Forest, and brother of Bertram Shaver of Iroquois. Also surviving are five grandchildren and one great-grandchild. He was predeceased by three sisters: Kathleen, Marion and Ruth.

The funeral service was at the Needham Funeral Chapel on Monday, May 9th, with Rev. H. Jones officiating. Cremation and interment followed at Mount Pleasant Cemtery. On Sunday evening at 7 p.m., a Masonic service was held at the funeral home under the auspices of Doric Lodge No. 289, of Lobo.

Correction

MORRISBURG — A story in last week's edition of The Leader reported the total budget for the village of Morrisburg in 1988 was $1,148,079. This amount actually refers to monies that will be spent within the village and doesn't include payments to the United Counties or school boards.
