ALL ABOARD...
WE'RE HEADING WEST IN '90

CALIFORNIA!

SEPT. 9 - OCT. 1/90

"California, Here We Come!" Join us on our tour of contrasts. We travel from the industrial northeast through the American wheat land to the dry plains of Wyoming that the cowboys call home.

The desert begins to take over the landscape and then the foothills begin to appear. Over one hill we find an oasis, the Mormon headquarters of Salt Lake City, where the main street is wide enough for a man to walk with his seven wives side by side! From this religious state capital we travel to the gambling state capital of Reno. Time permitted to shake hands with a one armed bandit or marvel at the first class entertainment along the strip.

Remember Bonanza, well we're visiting Virginia City! and it hasn't changed much since Ben and the boys called it home. Dirt streets, saloons, wooden sidewalks and gold mines - it's all still there. The foothills give way to the mountains as our coach climbs to Lake Tahoe. Picture a clear lake encircled by snow packed peaks, add a ski resort, gambling, entertainment centre and you find Lake Tahoe. From Tahoe we cross into California and head right into the vineyards of the Napa Valley. Then it's on to San Francisco for two fun filled nights at a hotel right on Fisherman's Wharf.

Our tour will find its way along the Pacific Coast Highway - a road literally carved into the side of the majestic mountains that fall into the sea. Spend a night at San Simeon to ensure a visit to the fabulous "Hearst Castle". Our three nights in L.A. will include visits to Rodeo Drive, Universal Studios, and Disneyland. Then it's off to Las Vegas and the stage production of "Jubilee". Wind your way south to Arizona through the mountains which gave birth to the streams which feed the Glen Canyon Power Dam.

More one-of-a-kind scenery will greet us as we travel through the Petrified Forests and Painted Desert, east across the plains and over the Mississippi. We observe yet more contrasts in this land of United States. City and country, ocean and desert, mountains and plains . . . this tour contrasts it all.

$1,599.00 per person/dbl. occ.

CANADA'S ROCKIES

JUNE 24 - JULY 14, 1/90

Travel west with us along history's path through the Northern United States. Our tour will take us from the industrial heartland of Michigan, through the rich dairy farmlands of Wisconsin, across the mighty Mississippi to the brink of the American west. Highlights here include: the "Corn Palace," Badlands National Park, Yellowstone Park and Ole Faithful.

Through the U.S. Rockies and then north to the 49th Parallel. Three nights in Vancouver give ample time for sightseeing and relaxing. Victoria's visit is highlighted with a stay at the Regal "Empress Hotel." Mountains at every corner as we turn east through Kamploops and into Jasper. Not to be missed are the Columbia Ice Fields, the Radium Hot Springs and majestic Mt. Robson. Pamper yourself at the Panorama Resort, home to Canada's World Cup ski race. Tour Banff and ride the gondola up the mountain for a view to remember. Then on to Calgary - Grab your cowboy hat and boots - it's stampede time! You will have a reserved seat at the world famous Calgary Stampede.

Now it's time to begin our journey east along the path of our Canadian pioneers. Through the graceful swaying plains of wheat in the Prairies to Ontario's rugged northland scenery. A breathtaking view around each corner!

Arrive home with memories of exciting cities, beautiful scenery, new friends and a fresh understanding of what Canada is all about.

$1,649.00 per person/dbl. occ.
