Interest from concerned citizens creates Neighborhood Watch in Finch Township

CRYSLER (Staff) - Crysler area residents are frightened.

That much was evident by the large turn-out and avid interest shown at a meeting of concerned citizens here Thursday night, who had gathered to learn how to prevent crime in the home.

Concern about the amount of crime in the area was also evident by the immediate implementation of the Neighborhood Watch Program in Crysler and parts of Finch Township by those at the meeting.

One couple from the south end of Finch Township related how their locked garage was broken into twice, with the thieves taking the contents of their locked freezer, lawn mowers, and other items normally kept in a garage.

Another women told of how their gas tank was being drained, even though it was locked and well lit.

Constable Ian MacLeod of the Long Sault detachment of the OPP was also at the meeting to try to reassure those present that something could be done to diminish the sharp increase in break and enters occurring in rural areas. But he emphasized that the OPP could not do it alone, the people must help.

That is where the Neighborhood Watch Program comes in.

Neighborhood Watch is a program started by the OPP and RCMP three or four years ago to develop a system of "neighbors watching out for neighbours" in attempts to detect and prevent crimes as they are occurring.

Moose Creek, Roxborough, Rockland, Kemptville, Gloucester and Ottawa have all recently implemented this community security program, and Crysler area residents are anxious to do the same.

Const. MacLeod agreed that the police force was shrinking after the Ontario government restricted the number of police force members four years ago. But he also pointed out that even if there was a constable on every concession, crime would still occur. And that is why this program of neighbors helping neighbors is so important.

Const. MacLeod reported that a village outside of Port Hope has had a Neighborhood Watch program in effect for over a year and there has been a significant decrease in crime in that area. He also stated that criminals were caught with greater ease due to the information provided by neighbors.

"Neighbors would recognize the person in your yard to be a stranger," said Const. MacLeod, "but a police officer might not".

"We're not asking you to be nosy - just a little more observant and suspicious. If you see a strange car drive slowly by two or three times, it may be someone casing out the place."

"All we ask is that you take down the license plate number, a description of the car and hopefully of the person inside, and keep it at hand. Then if something does happen, you can give this information to the police who will use it to catch up with the thief."

The Neighborhood Watch program is a fairly easy one to implement, but it must have continual support or it won't work, claimed Const. MacLeod.

The area is divided up into zones. In the case of Finch Township, they may decide on two zones - one for each the northern and southern part of the township. Each zone is then divided into blocks or concessions where there will be a block captain in charge. The block captains will make a list of names of every resident on his block or concession, who has the spare key, when they go for vacation and so forth.

The block captain could also arrange meetings for the people on his or her block to let them get to know one another so they will be able to recognize strangers.

The police co-ordinators would provide training sessions to zone leaders and block captains on how to improve observation, and detect suspicious movements, and also how to protect your own homes. The block captain will then pass this information on to people in his or her concession.

Thursday's meeting was not only successful in terms of numbers (60-70 people showed up) but it promoted such an interest, that a zone leader and several block captains were elected on the spot.

Don Campbell, who sparked the initial interest in the crime prevention program was voted zone leader, and Bob McLeod, Marcel Masse and Edmond Chabot were nominated block captains for concessions 7, 9 and 8 respectively. Crysler village was divided into two, with Raymond Landry taking charge of the area north of the Nation River and Andre Lavictoire south.

Two Chesterville area residents attended the meeting with the hopes of starting a program here. Art Koolwine, of Morewood said there hasn't been a lot of crime in his area lately, but he is interested in deterring any would-be criminals.

"I'm in favor of prevention", calimed Mr. Koolwine. "I got my own neighbors and they call me if they see anybody suspicious around my place. I know there are more people in the (Morewood) village who would be interested and would come if a meeting was held here."

Constable MacLeod affirmed that a meeting would be set up in the area soon if enough people showed an interest.

Newsbriefs...

Teen dance

(Staff) - There'll be a teen dance this Friday (March 25) starting at 8:30pm at the Chesterville Community Hall and running until midnight. Music will be provided by Power Pak Disco.

IOOFs aid Hauch fund

(Staff) - The community has rallied around the drive to help fund Rose Marie Hauch's training for the 1984 Olympics and both Chesterville and Williamsburg IOOF lodges invite further participation. They have planned a fund-raising dance for Chesterville Community Hall, Sat., March 26. The Gamblers will entertain and the cost is $5 per person. Miss Hauch is a Chesterville area shot-putter who is acknowledged as the best in Canada and who brought Canada a bronze medal from the Commonwealth Games last year.

'Solo' awarded

(Staff) - A Tuba Solo, the Rothwell-Osnabruck K-13 School entry in the Seaway Drama Festival was the recipient of the adjudicator's award, Sat., March 19 in Cornwall. The award is a discretionary prize given to the runner-up in the competition. Andrew Jeacle of Rothwell-Osnabruck received a plaque for his role. Tagwi Secondary School actress Sandra Grant was given a Merit Award for her part in Country Gothic, that school's entry.

Hall board meeting

(Staff) - The Berwick Hall Board will be holding a meeting in the Community Hall Mon., March 28 starting at 8pm.

Euchre winners

(Staff) - Winners of the March 20 euchre held at the Berwick Community Hall were announced. In the men's division first went to Reg Burd, second to Clair Robertson and third to Walter Beehler. In the ladies, first went to Vaughn Burd, second to Corrie McRae and third to Ada Johnston. The skunk prizes went to Shirley Lang and Harold Murphy, the door prize to Mr. Webber, and the special prizes went to Hattie Ouderkirk, Shirley Lang, Archie Lang, Gerry Deschamps, Mary Grady, Mrs. McRae, Jean Moran and Mrs. Lacey.

SNRCA — Nestle negotiating

BERWICK (Staff) - The South Nation River Conservation Authority (SNRCA) and officials from Chesterville's Nestle plant are currently involved in negotiations dealing with the impact of channelization work on-the-day to day operations of the plant.

At last Wednesday's executive committee meeting SNRCA general manager Jim Windsor said he had received a letter recently from Nestle plant services engineer Brian Beazer and the executive chairman, Lorne Strader, had received a similar letter after that from plant manager T.C. Woods.

Both letters were similar in scope and pointed out that since the authority had begun work on its five-year channelization project the company had had to deal with a greater amount of sediment being drawn in through its water treatment system.

"This work (Contract V) will be done very close to our water intake pipe and we know that our water treatment equipment will not remove the disturbed silt," Mr. Beazer's letter states.

"Our experience has shown that this silt will go through our water treatment system and that our manufacturing equipment will become adversely affected. Nestle therefore requests that the South Nation River Conservation Authority schedule the digging of the ditch and the removal of the sedimentation basin to coincide with our summer shutdown (July 15 to July 31)."

The company is also requesting, as indicated in Mr. Woods's letter, that the authroity not remove the company's sedimentation basin, which had been scheduled to be removed as part of Contract V, for another few years until the sedimentation stirred up in the river settles to the bottom again.

"It is apparent that although the sedimentation basin will be removed, (probably before the end of your authority's year,) the problem of sedimentation for Nestle will continue for an undetermined amount of time depending on the amount of dredging done upstream," the letter states.

"A considerable amount of difficulty and expense has been and undoubtedly will be caused to Nestle by the change in the quality of the water occasioned by your authority's interference with the free and natural flow of the (South) Nation River. Nestle is of the opinion, and has been advised, that appropriate action at the expense of the authority must be taken to bring the river water back to its former natural purity, or to dispose of the sedimentation occasioned by the dredging before the water enters the Nestle plant machinery and equipment."

After reading both letters to the 12-member executive Mr. Windsor said if what the two company officials were saying was true "then we do have a legal responsibility."

"Part of Contract V called for the removal of the sedimentation basin," he said. "We might want to make that an item that can be deleted from the contract."

The sedimentation basin will have to come out eventually since, after all channelization projects on that section of the river have been completed, the level of the river will be raised.

"We just don't know how long the basin will remain, how long the problem at the plant will last," Mr. Windsor said. "When we raise the level of the water after channelization the basin will be an obvious impediment to boating and channel capacity."

Under the Eastern Ontario Subsidiary Agreement, a joint federal-provincial body overseeing the channelization work, the authority must operate the basin, at a cost of $10,000 per year, until the end of this year at least.

"If we're not able to get a positive answer we'll have to include a provision in (Contract V) not to take the basin out," he said. "That also means we'll have to budget in future years to keep it open."

Negotiations between the company and SNRCA are continuing.

Ottawa Valley Farm Show continues

OTTAWA (Staff) - A brand new team, the Ag-Bag, its Ag-Bagger and the clan-like Mighty-Bite are only one of the entertaining attractions to be found at the 1983 version of the Ottawa Valley Farm Show, Tues., March 22 through Thurs., March 24.

The Ag-Bag team are part of Bob and Phyllis Mowat's Farmers Sealed Storage display which adds a new look to the Farm Show. A large and central exhibit entitled This Year's Show Feature will be the location of the display. (An Ag-Bag is a 135 feet by 9-feet diameter sealed oxygen-free storage unit for high moisture corn, haylage, oats and other products.)

Displays by commercial exhibitors promoting everything from insecticides and herbicides to seed, feed and machinery will be joined by educational displays offered by the Ontario Milk Marketing Board, the Ontario Ministry of Agriculture and Food, the Ontario Seed Growers' Association and the Farm Credit Corporation, among others.

Holding the 1982 anti-inflation line, admission remains at $2 for adults and $1 for children to the Landsdowne Park show. Displays have been set up in the Exhibit Hall, Coliseum and the

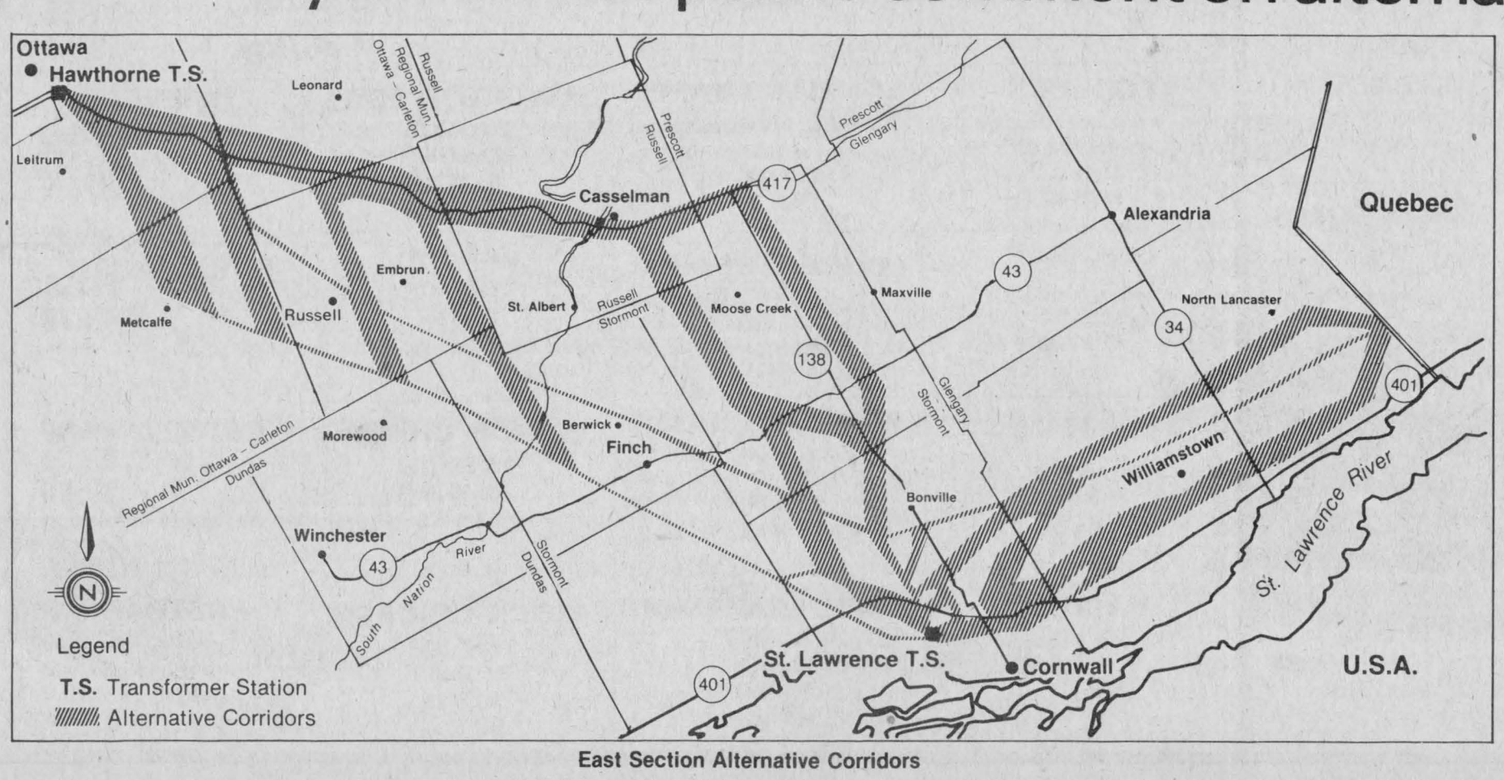
Ontario Hydro invites public comment on alternate routes for new line



East Section Alternative Corridors

(Staff) - An Eastern Ontario Hydro transmission study begun in mid-1970's has progressed to the point of route study and public comment is being invited at a series of several meetings through the proposed corridor.

The plan will extend Hydro's transmission network in a Kingston-Ottawa-Hydro Quebec triangle. Several types of transmission lines in different locations are required to complete the plan as well as the construction of an extension to Ontario Hydro's telecommunication system. Although the two (transmission and telecommunication) will be complementary installations, they are being examined individually.

Prior to the public meetings, Hydro staff have mapped economic and environmental resources within the study area. Factors considered include agricultural, forest, mineral, recreational, heritage, bilogical and aesthetic resources as well as the presence of human settlement.

Through the collection of information a series of high, medium and low priorities were assigned to land in the corridor. A series of alternative corridors were then located by Hydro staff utilizing that information.

It is the results of those corridor location suggestions which are presently being examined by the public, interested groups and Hydro. On the basis of their input, Hydro's schedule includes a fall of 1983 location of alternative routes within those corridors, a further refinement of the location process.

In early 1984 a preferred route will be determined and presented again to the public for comment. An environmental assessment describing the preferred route will be presented to the Ontario government at that time.

Meetings for Stormont, Dundas and Glengarry have been scheduled from March 29 through to April 21. Following is a partial list of municipal participation centres (those in SD and G):

March 29-for Winchester Township, Morewood Community Centre

March 30-for Cornwall Township, Lion's Club Hall, Bonville

March 31-for Finch and Osnabruck Townships, Berwick Community Hall

April 6-for Roxborough Township, Moose Creek Community Hall

April 11-for Charlottenburgh Township, St. Mary's Parish Centre, Williamstown

April 12-for Lancaster Township, Lancaster Municipal Building

April 21-for Cornwall, Best Western Parkway Hotel

The telecommunications study will provide a communication link for monitoring and controlling the flow of electricity through the proposed new lines. Each stage in the location of telecommunication installation will be considered in the same manner, including a second series of municipal participation meetings.

Following interest group, public and Hydro input, the selection of preferred sites is expected to be established in winter 1984.

Another court battle looms for South Nation River Conservation Authority

BERWICK (Staff) - It seems the South Nation River Conservation Authority (SNRCA) just clears one hurdle and another appears on the horizon to take its place.

The dust has barely settled after 14 of 15 mechanic's liens against it and an Ottawa firm, Auto Concrete Curb Ltd., were dispensed with in a Cornwall court room earlier this month. Now, SNRCA and Auto Concrete Curb appear to be heading to court again — this time as adversaries.

The issue revolves around the authority's river dredging work near Chesterville last year. Contract IV, as it is known, was awarded to Auto Concrete Curb in May, 1982, on the basis of its $1.3 million bid for the job.

What is at stake in this dispute is almost $1.9 million that Auto Concrete Curb claims it lost by doing the river dredging using the older drag line and bucket system rather than the faster and more efficient suction dredging. It is now attempting to force the authority to reimburse it for that amount.

SNRCA general manager Jim Windsor, in reviewing the situation at last Wednesday's executive committee meeting for three new members of the executive, said it is the authority's opinion the contract clearly indicated that if Auto Concrete Curb wished to use suction dredging for the job it would be the company's responsibility to obtain the necessary ministry of the environment permits.

The company, on the other hand, contends that since SNRCA was the contract holder it should have had the responsibility to apply for the permits.

Since late last year, officials of both the company and the authority, along with their law firms, Ottawa's Bosada and Associates for the former and Morrisburg's McInnis and MacEwen representing the latter, have been negotiating over the claim. Under discussion has been both the amount of the claim and how the two sides would eventually resolve the issue, either by going to an arbitration tribunal or by going to court.

"Auto Concrete Curb has changed its mind every now and then (about which way it wanted to settle the dispute)," Mr. Windsor said last Wednesday.

While all this was going on, the authority retained the service of Laird J. Rasmussen, a top Ottawa contract lawyer with the firm of Scott and Aylen to review all documents, letters and contracts concerning the case and to give an opinion on which legal course the authority should take.

At the meeting, copies of Mr. Rasmussen's opinion were distributed to the members and, while the contents of the letter weren't made public, it is known that Mr. Rasmussen advised the authority to proceed with court action.

"There are two main points in his letter that I'd like to draw to your attention," Mr. Windsor said after the members had had a chance to read the three page letter. "One, is that he feels our case is strong and theirs (Auto Concrete Curb) is weak, I believe he uses the word 'tenuous'. The second is that we should go to litigation rather than arbitration."

Then, Mr. Windsor produced a letter addressed to the chairman of the executive, Lorne Strader, from Auto Concrete Curb, which he said had been hand delivered "hours before the beginning of this meeting."

The letter, from Auto Concrete Curb project manager Tom Keogh, stated that at a Dec. 23 meeting between the company and officials of SNRCA it had been agreed that the dispute would go to arbitration. It continued that at another meeting, held on Feb. 9, an agreement had been entered into to begin arbitration proceedings no later than March 14, and that authority members present at that meeting had said Mr. Rasmussen would represent them in the hearings.

In Mr. Keogh's letter, he stated that the company had promised the banks and other creditors that the arbitration proceedings would begin by March 14, and now that it hadn't, the company was forced to go back to the banks and explain why.

"Failing the receipt of a new agreement for a hearing by 5pm today (March 16) we will have no option but to explore all legal avenues open to us."

While Mr. Windsor read the letter aloud, he paused occasionally to contradict the statements being made.

"We never signed an agreement (to go to arbitration)," he said. "We did say that arbitration would only proceed if we had seen an agreement and if we had approved it. As it turns out, the agreement was late getting back to us from the lawyers and we haven't seen it or approved it yet."

The difference between taking a dispute to court and taking it to a tribunal is that the latter is a more informal and much quicker process. If the two sides in a disagreement agree to use arbitration, a tribunal would be set up under the provincial Arbitration Act. One side would choose an arbitrator, the other would do the same and a third would be appointed.

The decision of a tribunal is appealable to the Supreme Court of Ontario, but only on specific points of law and not merely because one side is unhappy with the decision.

"I can only assume from their letter that they will go to litigation even if we do nothing," Mr. Windsor said.

"Do nothing then, let them go to litigation," said Williamsburg Township representative John Whitteker. "The lawyer suggests (going to litigation), and I think we should."

Mr. Windsor said he had been told that it would be at least two years before the case would even get to court. But, in spite of the time and expense involved, he said, "the likelihood of success for us is greater than that for Auto Concrete Curb."

"It's to our advantage to go to litigation and it's theirs to go to arbitration," said Mr. Whitteker. "It's as simple as that."

The motion finally passed, written and rewritten many times, mainly to avoid the term 'litigation' appearing in the motion, read: "That Scott and Aylen solicitors review the letter dated March 15, 1983, received from Auto Concrete Curb Ltd., and, bearing in mind that the recommendations as set forth in the letter dated March 14, 1983, from Scott and Aylen be accepted and further an appropriate reply to Auto Concrete Curb Limited be forwarded by the Authority's solicitor, Scott and Aylen."

General welfare payments main culprit in tax hike

CORNWALL (Staff) - The rising cost of general welfare payments have been the main culprit in an approximately 16 per cent increase in the United Counties 1983 tax levy to its 20 member municipalities.

Total expenditures for general welfare assistance is projected at $1,867,000 for the coming year. The United Counties hopes to recover $1,496,000 of that through provincial and other grants, explained Raymond Lapointe, county administrator. The $380,000 left to the counties to raise represents a $102,000 increase over the 1982 expenditure; that increase represents more than one-third of the total increase in levy.

The increase of approximately $300,000 has not been apportioned among the municipalities yet, said Mr. Lapointe, adding that a special meeting had been scheduled for March 29 since the budget must be ready for submission before April 1. The total expenditures for 1983 have been estimated at $13,174,600.

The average municipality will see an average mill increase of three, the administrator projected although the individual assessments will reflect slight changes up or down from the average.

Other budget items included changes in the per capita grant to the Seaway Valley Tourist Council (up five per cent from 30 cents to 31.5 cents per capita) and a reduction to the requested grant for Mount Carmel House, a treatment centre for alcoholics and drug addicts.

The tourist council will receive an additional $800 through the increase, providing $17,000 revenue. SVTC had requested 40 cents from both Cornwall and Counties council. From the city it received only the 1982 funding of 30 cents per capita.

Mount Carmel House representatives had asked for a toal of $10,000 spread over 1983, 1984 and 1985. United Counties council, however, awarded only a one-time grant of $3,000, as did Cornwall.

The SVTC grant was hotly discussed with a faction of dairy farmers insisting they were forced to promote their own industry while tourist operators, who gained the most from the industry, contributed least.

Ottawa Farm Show on today, tomorrow

● continued from 1

upper and lower annex.

The Ottawa Valley Seed, Feed and Forage Show, to which many of the United Counties' entries in local seed shows have been entered, will be held Mon., March 21 from 10am. Judging commences at 1pm. Results will be displayed in the lower annex.

A special judging competition for 4-H members is being held in conjunction with the championship show, getting underway at 10am March 23.

Beef shows and sales will be held throughout the show. The first event is the Simmental sale at 1pm Tuesday. Thursday the Hereford show and sale run in that order at 10am and 1pm. Every day of the show, promise organizers, the new beef breeds will be shown alongside their established counterparts.

A timetable of the major events follows.

Tuesdays, March 22
10am-show opens
1pm-Simmental sale
7pm-variety show in assembly hall
10pm-show closes

Wednesday March 23
10am-show opens
7pm-awards banquet in assembly hall; winners of seed, feed and forage championship show and their special guests invited
10pm-show closes

Thursday March 24
10am-show opens
10am-Hereford show

7pm-fashion show in assembly hall
10pm-show closes

Foreman hired

CHESTERVILLE (Staff) - Jack (John B.) Smith of Chesterville was tentatively approved as the new Foreman for the Village of Chesterville recently.

Mr. Smith is to begin working for the municipality on April 4, on the condition he passes a medical examination. The examination has been carried out but council hasn't received the written notification yet.

If the medical examination is favorable Mr. Smith will start with the municipality at a salary of $20,280 for the remainder of 1983. The position will be reviewed at the end of September to ensure the job is being carried out to the satisfaction of the village.

$1,000 donation

The Winchester branch of the Royal Canadian Legion recently provided the Dundas County Association for the Mentally Retarded with a major financial boost in its fund-raising drive for a new workshop. Legion President Dwight Hutt, right, presented a cheque for $1,000 to Jamie Shadbolt, who accepted the funds on behalf of the association. As left is Fund-Raising Committee Co-Chairperson Ethelwyn Carkner. The Legion has also agreed to act as a sales agent for the association's "Ounce of Gold" lottery.

SD and G student scientists can earn trips, trophies at United Counties Science Fair in April

CORNWALL (Staff) - Build a better mousetrap, students are admonished, and the world will beat a path to our door. The 1983 United Counties Science Fair has added a dimension - its mousetrapmobile contest will feature self-propelled traps!

One of the more light-hearted aspects of the Science Fair, the contest is open to students from grade five to 13. A standard mouse trap (no rat traps, specifies fair chairman Charles Eadie), equipped with axles, wheels and propulsion which utilizes the trap's spring, will consist of an entry. Awards will be made to the fastest, prettiest and farthest-travelling traps.

On a more serious side of the fair, Mr. Eadie expressed concern two of Science Fair's top prizes will go unclaimed for a second year. The IBM Computer Technology Award and the Suncor Energy Award offer expense-paid travel to senior students.

The IBM Award, made at regional science fairs, is a trip to the 1983 Canada Wide Science Fair in Saskatoon this May. Eligible students will be in grades 11 through 13 and have worked on their computer-related projects by themselves.

Projects may deal with hardware design, software writing, data processing techniques or any computer application relative to industry, business, science or recreation, explained Mr. Eadie.

A win at the Canada Wide Science Fair will earn some student an IBM personal computer.

The Suncor Energy Award, aimed at students interested in energy conservation, is an all expense apid trip to the Toronto SYNERGY '83: The Suncor Youth Symposium on Waste Disposal.

The energy conservation projects can cover a wide spectrum of topics including conventional or renewable resources, energy conservation, insulation, architecture, mass transit systems, traffic control systems, or of course, said Mr. Eadie with the topic of this year's symposium, waste disposal.

Mr. Eadie added there are many other prizes to be won, some not related to science projects. Cash prizes, calculators, books, trophies and entertainment are all on the Sat., April 9 roster at St. Lawrence College, Cornwall.

Two new classes, two new teachers

CORNWALL (Staff) - The Stormont, Dundas and Glengarry Separate School board agreed to undertake two new special education classes during the 1984 school year and to train the two teachers who will instruct the visually and hearing handicapped students.

The decision, taken at last Tuesday's (March 15) board meeting, is in keeping with the board's multi-year plan laid out under the requirements of Bill 82 which provides the right to education of special students).

At present the board has no francophone students with visual or auditory handicaps but a total of eight such students are expected to enter the system in 1984. In order to meet its commitment, two teachers must be hired or trained from the system to take on the two classes.

At present, the only francophone training available for teachers of the visually and hearing handicapped is in Montreal or Paris, France. The two teachers hired for the classes would be expected to attend training during the 1983-84 school year when they would be on 75 per cent salary level or a minimum $15,000 for the year. The teachers would also be asked to agree to remain in the boards employ for the next five years.

The board presently has three English panel students who are partially visually handicapped who are instructed through an agreement with the Stormont, Dundas and Glengarry County Board of Education.

Irish entertainment

Irish, and those who just wish they were Irish, were treated to a night full of Irish entertainers last Thursday at the St. Mary's Drama Club St. Patrick's Variety Night. Part of the entertainment was a play which showcased local musical, dance and acting talent. Four of the performers that night were, left to right, Christine Cormier, Pat Coyne, playing the part of the O'Brien's from Chicago, and Jim Bulger and Sheila Howat, playing the part of an Irish-loving husband and wife.

Holy cow!

Spruce Vine Miss Montreal didn't seem the least bit taken aback by her change in ownership at Saturday night's annual Canadian Jersey Club convention. The heifer calf was awarded as the top door prize to Russell Gammon, left, editor of the Canadian Jersey Breeder magazine. The presentation of the calf's pedigree was made by Dave Wellman, agricultural manager, Bank of Montreal, Finch.

record photo - brown

John A. White, right, of Thornhill, Ont., was awarded his Master Breeder shield at last Saturday night's annual Jersey Canada convention in Cornwall. The award is the highest a breeder can attain. The presentation of a commemorative pin was made by Muriel Dingwall, centre, and approved by John Rose who will replace Floyd Dingwall as national president of the organization this week.

Capital Farm program cancelled replaced by new assistance program

(Staff) - Provincial Minister of Agriculture, Dennis Timbrell, announced on the weekend the cancellation of the Farm Productivity Incentive Program (a capital grants program) and the initiation of the Soil Conservation and Environmental Protection Assistance Program.

Dundas AgRep Bob Humphries says the old capital grant program will finish by March 31, so farmers interested in applying under this grant must file an intent at the Winchester OMAF office by that date.

The new program Soil Conservation Environmental Protection Assistance Program is slightly different from the old program. It is intended to run for five years and is effective April 1. Grants of up to 50 per cent of capital construction costs to a maximum of $750,000 per farm for erosion control devices, and one-third of the costs of manure storages to a maximum of $5,000 per farm will be available.

Mr. Humphries says anyone wanting more information on either of these two projects can contact the OMAF office.

Chesterville native dies

Darcy Barkley died at the Brantford General Hospital Mon., March 14 in his 57th year. He was born in Chesterville, a son of Mabel Shay and the late Grant Barkley.

In addition to his widow, the former Helen Weir, he is survived by one son, six daughters, 13 grandchildren; his mother, Mrs. Mabel Bradley, one brother and two sisters. He was an employee of Ontario Hydro for more than 35 years.

The funeral was held in the chapel at Thorpe Brothers funeral home on Thurs., March 17, with the Rev. C. Diegel of Faith Lutheran church officiating. The pallbearers were fellow Hydro employers. Interment was at Mount Hope cemetery in Brantford.

New World Cookers draw to a close

(Special) - The Chesterville New World Cookers 4-H Homemaking Club invited their mothers to a heritage luncheon Sat., March 19 at the Drop-In-Centre.

They served Italian, Indian, Quebec and Dutch foods which were received well by the mothers. The girls were waitresses as in a restaurant, treating their mothers to an afternoon out, distributing souvenir ethnic menus.

Only one meeting remains until the end of the project. Achievement Night will be held Mon., April 25 at 7pm at Maple Ridge Public School.

The girls will set up an exhibit on spices and how to introduce them into your cooking. Six members (100 per cent) will complete the project.

They are all anticipating the next project which deals with grooming and personal fitness.

Grow great gardens without herbicides

KEMPTVILLE (Staff) - The third annual Organic Gardening Conference will present tips on growing herbs and vegetables without pesticides and herbicides Sat., April 9 at Kemptville College of Agricultural Technology.

Doug Green, a commercial greenhouse grower and backyard organic gardener will outline vegetable varieties suited to Eastern Ontario; Linda Gilkeson formerly of The Ark (in PEI) will expand on organic gardening lessons learned there. Other speakers include Dr. Dale Alguire who will instruct participants on starting seeds; Harry Pietersma of Upper Canada Village, who will speak on heritage gardens and Susan Hamilton, a commercial herb grower who will present her area of expertise.

Further information can be gained from Joy Curnoe, 258-3411, local 251. Registration for the one-day conference is $15 singly or $25 per couple.

Martin Schneckenburger elected director, Zone 1, Corn Producers Association

WINCHESTER (Staff) - Martin Schneckenburger, of Morrisburg was rewarded for his weeks of hard work spent initiating the fledgling Ontario Corn Producers Association, with a mandate to work harder.

Mr. Schneckenburger, president of the Dundas Federation of Agriculture, was elected director for Zone 1 of OCPA unanimously and by acclamation at a Thurs., March 17 of some 50 corn producers at the Winchester Arena.

It was the last of a series of organizational meetings held in Zone 1 over the last two months to acquaint area growers with the objectives of the non-profit association. Zone 1, which includes the counties of Prescott, Glengarry, Russell, Stormont, Dundas, Grenville, and Ottawa-Carleton, is one of 10 numbered regions across the province.

Since the establishment of the OCPA last December, organizers have been trying to drum up support among the growers through the sales of memberships and to set in place a structure which would see each zone represented by one director and three delegates.

Last Thursday's meeting completed the process in Zone 1.

Along with the election of Mr. Schneckenburger as director, the producers elected Henkde Kemp, Jean Marie Menard and Jim Sangster as delegates.

The four will represent the region's corn growers at a provincial meeting of the association in Toronto March 28 and 29.

A voluntary board was also established to help organize area meetings and the distribution of information. Elected to the board were Bill Doan, Stormont county; Wayne Mitchell, Glengarry county; Charles Bennett, Grenville county; Jack Millard, Dundas county, and Hugh Weld of Ottawa-Carleton.

"I wasn't very sure if I should continue with the organization, to tell you the truth," Mr. Schneckenburger said in his acceptance speech. "I've put in 30 or 40 days without pay trying to get this going. But since I've gone this far, I guess I can put in a few more."

He told the audience that the association, which was formed to provide Ontario's corn producers with an organized centre for information-pooling and lobbying, will take several years to develop into a strong force.

He said there are currently 700 signed members across the province and "over 100" in Zone 1.

"We need more members," he said. "There is no doubt about it. But I don't think we can depend on memberships in the future", he added. "To be a strong organization we need about $200,000 and we aren't going to get that selling $25 memberships.

He said he was in favor of a check off system in which something in the area of 20 cents was taken off for every ton of corn sold commercially. That money would go to the OCPA.

The members agreed with the proposal in principal but disagreed on whether it should be mandatory or voluntary. The voluntary system would allow producers to apply to get their check off fees back.

Mr. Schneckenburger said he felt the latter would be more practical for a new organization like the OCPA to implement. Some members, however, felt that the system would allow "those who won't get off their butts" to take advantage of the work done by others.

Mr. Schneckenburger replied that was reality with any new organization. A resolution was eventually hammered out which stated that the association should institute a voluntary check-off system but that refunds would only be made available to those who weren't using the services of the association.

One particularly controversial subject during the two and a half hours was the definition of the association's present, and future, powers.

A Vernon farmer. Hugh Weld, suggested that resolution be drawn up stating that the OCPA "be fundamentally dedicated to the free market system", a reference to the long-standing opposition in the corn industry against any form of marketing board.

Dean Williams, a Winchester farmer, immediately wanted to know what Mr. Weld meant by the word free and asked him to give an example of a sector of the farm industry that was working within a free market system.

"Here we've got a resolution that says we don't want any tinkering in the market system," he said, "and yet most of us are here to get the government to include the corn industry in its advance payments program (up to $15,000 to a grower so that he can hold his sales until the traditional fall sales glut subsides).

"What the hell are we here for. I think if you want to change the situation you have to change the system."

A number of members, particularly from Glengarry county, said the idea of an association would be hard to sell unless that resolution was included. They said a number of their neighbors were concerned that they would lose their shipping cost advantage to the Montreal market to production pools.

Mr. Schneckenburger said the same opposition was faced three years ago when the idea of a provincial association was first proposed. He said there was no intention then, and no intention now, of using the association for supply management.

Despite the assurance, however, a majority voted in favor of the resolution.

The resolutions will now be presented in Toronto where the provincial executive will, based on the resolutions presented by the directors of the province 10 zones, establish the OCPA's objectives.

Members of Zone 1 of the Ontario Corn Producers' Association elected their representatives at a meeting at the Winchester arena March 17. Martin Schneckenburger, a Morrisburg farmer who has been involved in organizing the area's corn growers since the establishment of the OCPA last December, was unanimously elected as director of the zone which includes Dundas, Stormont and Glengarry counties. The area's executive is, in the front (l-r) Jim Sangster, Hendke Kemp, Martin Schneckenburger and Jean Marie Menard. In the back row, elected as a voluntary board to organize the association's local activities, are Jack Millard, Wayne Mitchell, Hugh Weld and Bill Doan.

Allison Fawcett will lead Holstein breeders

VANCOUVER (Staff) - Winchester's Allison Fawcett was elected national president of the Holstein-Friesian Association here Thurs., March 17 at the annual convention of breeders.

Mr. Fawcett, a second-generation Holstein breeder is the son of William J. Fawcett who served as a director to the association from 1943 to 1953 and who was awarded his Master Breeder's shield in 1946.

It was with his father that Allison first farmed. In 1955 he set up the 175-acre Fawcettdale which is now operated by himself and his two sons, Hugh and David.

In 1949 Allison married Jean Mackie and the couple have seven children-two sons and five daughters.

He was first elected to the association as a Eastern Ontario director in 1966 and sat on a committee studying the Alternate Herd Book, red and white Holsteins.

As well, he has many times been Premier Exhibitor and Breeder at the Ottawa Winter Fair and Central Canada Exhibition. On the inside of the ring, he has served for more than 25 years as cattle judge all over Canada. The pinnacle of his judging career came with the invitation to judge at the Royal Winter Fair during its 50th anniversary celebration, in 1978.

Locally, Mr. Fawcett has been involved with 4-H programs as a leader for more than 25 years and has participated in the county Holstein organization, having served as both a director and president in Dundas.

As well he has served as chairman of the cattle committee at the Ottawa Championship Holstein show (at the Ottawa Winter Fair).

Besides his farm, Mr. Fawcett has been a partner in Fawcett Brothers Sales Organization since 1968.

Members of the Holstein-Friesian Association of Canada described their new president as "a dedicated, sound thinker".

The Vancouver convention, at which Mr. Fawcett was elected, was the 100th annual meeting of the Canadian Association. Breeders from around the world as well as across Canada attended.

Throughout the week of events the Holstein tour was treated to events native to the region including logging demonstrations, a salmon barbecue and a scenic look at Fraser Valley farms.

Following the March 16 annual meeting the breeders were treated to two day tours of Vancouver Island and Nanaimo before beginning the trek homeward.

Locally, Murray Howes of Dalkeith was re-elected as a director to the Holstein Friesian Association of Canada for 1983.

Assisting Mr. Fawcett on the executive will be William Grieve, Dorchester, Ont., first vice-president; Earl Osborne, Rockwood, Ont., second vice-president; David H. Houck, Gormley, Ont., third vice-president; Lawrence E. Henderson, Lacombe, Alta., fourth vice-president; Gordon E. McKay, Richmond, BC., past president and David H. Clemons, Brantford, Ont., chief executive officer.

Heart canvassers give hours to help the "Heart Fund" - be generous when they call.

Gourmetes meet again

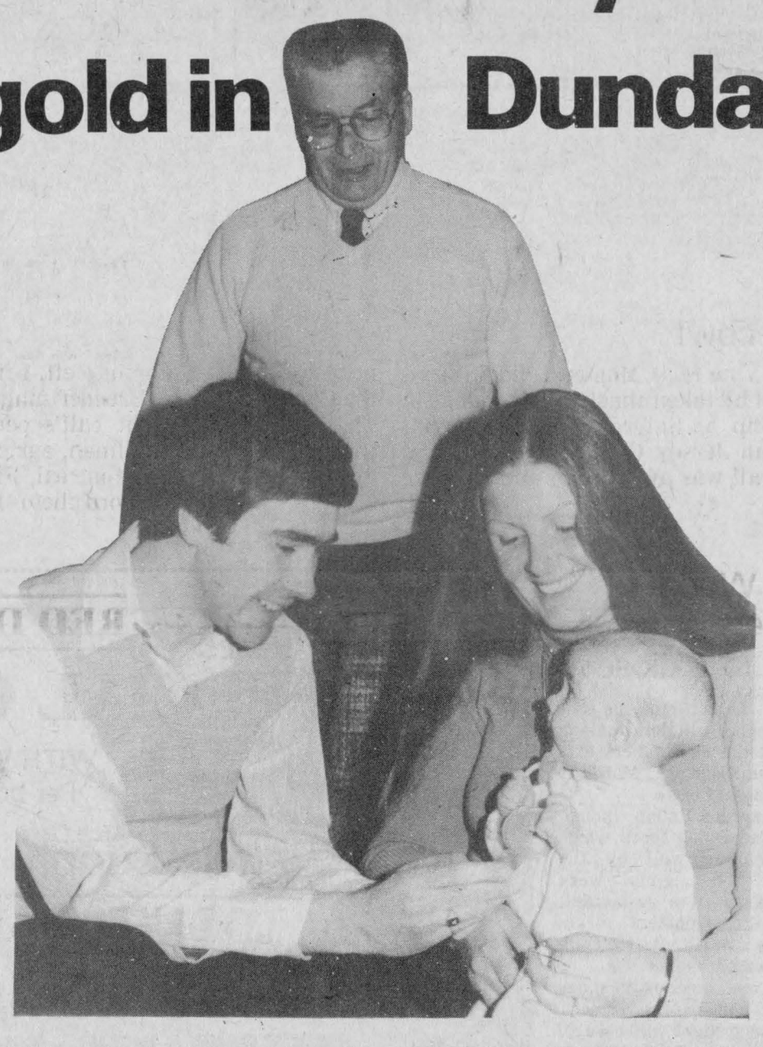
BERWICK (Special) - The Berwick Hall has been the scene of two demolition derbys and clean-ups as the Berwick Galloping Gourmetes made dishes from the Mennonite, German, Netherlands, Jewish, Ukranian, Russian, Polish, Yugoslavian and Hungarian cultures.

In between recipes members discussed how additives of salt, sugar, spices and vinegar in combination with fermenting, smoking, cold storage, and drying are used in preservation techniques. Wursts and cheeses are results of preservation.

Members also looked at the food alphabets - Apfelstrudel to Zakusky.

After the discussion the members stuffed their faces and left the meetings to encounter the home activities.

Win lottery gold in Dundas



Tiny Valerie Walton gets a close look at the ounce of gold Dad, Tom and Mom, Donna won recently in the Dundas County Association for the Mentally Retarded lottery. Looking on is Association President George Davidson.

The Waltons did!

And at the same time, helped us help others.

- We're the **Dundas County Association for the Mentally Retarded.** For the last eight years, we've been providing programs, services and facilities for our county's mentally retarded. The success we've had can be measured by the current need to expand our workshop facilities in Morrisburg, to handle more people. The building is under way but we need help. Your Help.
- To give you a chance to help us, we've launched a lottery with monthly draws for an ounce of gold and a grand prize of $10,000 to be drawn August 6. Your $2 ticket each month gets you chances at all the gold and the big cash prize. And the lottery revenue stays right here in Dundas County.
- Tickets may be purchased for the monthly draw from various businessess in Iroquois, Morrisburg, Chesterville, Winchester and Williamsburg.

THE NEXT LOTTERY DRAW FOR GOLD WILL BE HELD:

THURSDAY, MARCH 31

AT 1PM

IN IROQUOIS AT FADER'S FURNITURE STORE

In Memoriams

IN MEMORIAM
McLAUGHLIN — In loving memory of dear grandparents, Mr. and Mrs. William McLaughlin who passed away March 23, 1949 and December 23, 1945.
"Always remembered"
Doris, Margie and Susie Dain
30

IN MEMORIAM
DURANT — In loving memory of a dear husband, Father and great-grandfather, Haldane Durant, who passed away March 24, 1981.
There's a link death cannot sever
Love and remembrance last forever.
Jean and Family
30

IN MEMORIAM
AULT — In memory of a dear wife, mother and grandmother, Mrs. Ethel Ault, who passed away March 23, 1982.
One year has passed since that sad day
When one we loved was called away.
She left us so quickly, her thoughts unknown
But she left us a memory we are proud to own.
So treasure her Lord in Your garden of rest
For when on earth she was one of the best.
Sadly missed by husband, Charles, daughter, Alice, son-in-law William and grandchildren.
30

IN MEMORIAM
SUMMERS, Ronald — In loving memory of Ronald Summers, who passed away March 28, 1977.
We do not need a special day
To bring you to our minds
For the days we do not think of you
Are very hard to find.
God took you home, it was His will
But in our hearts, we love you still.
Mother, Wife and Family
30

IN MEMORIAM
CARRUTHERS — In fond and loving memory of a dear granddaughter, niece and cousin, Lisa Marie, who passed away March 30, 1979.
Gone from the earth so swiftly,
Just like a flower in bloom,
So young, so fair, so loving
Yet called away so soon.
Ever remembered by Grandma and Grandpa Sanders, Aunts, Uncles and Cousins
30

Bills on tax rolls okay - solicitor

CHESTERVILLE (Staff) - Solicitor Fred Cass advised members of Chesterville Village council last week that they had followed proper procedures in applying unpaid bills for cutting weeds on to the tax roll.

Mr. Cass told council that as long as they conformed to the provincial regulations for the cutting of weeds on properties in the village and had notified residents of the provincial regulations through the local media they were within their rights to apply unpaid weed cutting bills to the tax roll of the property owner.

The issue arose several weeks ago when several bills sent by the village to property owners for cutting weeds on their property which had gone unpaid were added to their taxes.

Council received letters from lawyers representing village property owners Bill Fulton and Jim Sullivan recently expressing concern that the billing was unjustified.

Council approved a motion to have Mr. Cass write to the solicitors informing them the municipality acted within its rights.

Mr. Cass also advised council to draw up its own by-law which would specifically state the procedures to be followed by the Village Weed Inspector.

In other council business Mr. Cass addressed council on the problems in giving Dr. Dalton Docksteader a deed for purchasing property from the village.

Dr. Docksteader had told council several times the transaction was taking too long to complete.

Mr. Cass informed council the deed was ready and Mr. Docksteader received them.

Signed, Blair Watson,
Roads Superintendent
12c

Paddy's Inn
Morrisburg, Ont.
OPPORTUNITIES AVAILABLE

Paddy's Inn will be opening on May 1st as a full service Inn.

Opportunities for a variety of positions for the coming season are available including:

Dining Room Hostess and Waitresses:

These openings require a pleasant personality and positive attitude for those who like meeting and serving the public. Bilingualism and some experience are helpful but not essential. Personality and attitude are more important as we will train suitable applicants. As Paddy's is engaged in the hospitality industry, applicants must be available for evenings, weekends and statuatory holidays. Students must be available up to and including Labor Day weekend.

Night Clerk:

This position requires a male applicant for a regular 40 hour week at nights. Some experience or accounting and bookkeeping capabilities is required.

Busboys and Dishwashers:

Applicants must be available seven days per week during summer months.

Chambermaids:

Full and part-time positions available.

Application forms are now available at:
Sundance Jewelry Store
Morrisburg
Tuesday to Saturday
10:00 a.m. — 5:30 p.m.

Applications are to be **Mailed** to:

Paddy's Inn
P.O. Box 1140
Morrisburg, Ontario
K0C 1X0

Interviews will be arranged commencing April 9, 1983.

On a roll

Chris Ward, son of Carl and Jean Ward, of Chesterville repeated a 1982 North Dundas District High School win as outstanding percussionist at the Stormont, Dundas and Glengarry Youth Concert Band Workshop recently. Students from 10 schools qualified as participants, chosen on the basis of auditions held by university teachers and symphony artists. Coaches who worked with the 60 students included Jim Peterczak of Queen University who guided the percussionists. The workshop is in its fifth year. Chris shares his musical ability with brothers Greg and Geoff who play the bass guitar and drums, respectively. record photo - brown

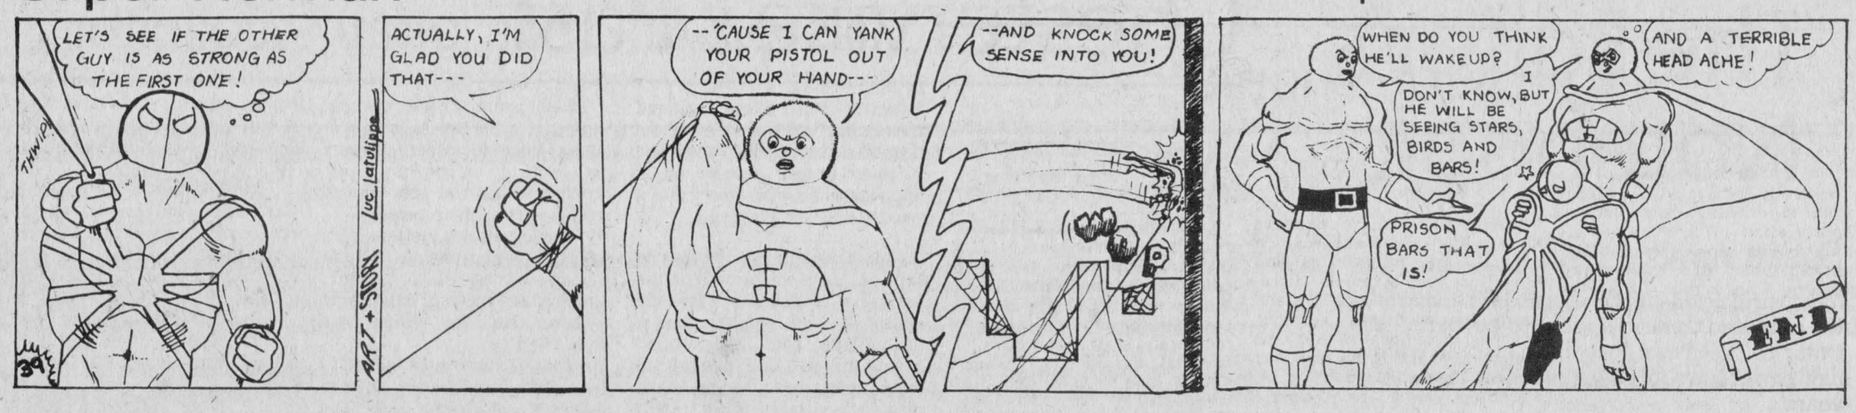
Super Herman returns next week



Finch Township council backs off stop log request

BERWICK (Staff) - A mild winter and warm spring have convinced the South Nation River Conservation Authority (SNRCA) not to remove stop logs from the Crysler dam which would increase the amount of water flowing through it.

At the SNRCA's February executive committee meeting a request from Finch Township to remove the stop logs to prevent ice build ups that contribute to severe spring flooding, was discussed and on the advice of SNRCA general manager Jim Windsor the authority decided to remove the stop logs only if a formal written request to do so was received from the township.

Stop logs sit in a section of the dam known as the stop log bay and are used to regulate the water level behind the dam. If two stop logs, each one foot deep, were to be removed the water level would decrease correspondingly.

At last Wednesday's executive committee meeting in Berwick Mr. Windsor read another letter received from the township, saying the authority's response had been discussed at a March 7 council meeting and it was decided not to make a formal request.

"The members feel they are not in a position to make a request," the letter stated. "This should be a decision made by the conservation authority."

Newly-elected committee chairman Lorne Strader agreed that there didn't seem to be much point in removing the logs to break up the ice.

"With the way the weather is there's not much point in lifting them now," he said.

Mr. Windsor also said the logs haven't been raised in a long time and if they were it would probably result in having to pay expensive repair bills.

"Also there is very little ice," Mr. Windsor said. "Last year at this time the ice at the Chesterville dam was 27 inches. I think this year it is six. The water table is pretty low and if you lift the logs the level will be even lower."

Finch Twp. roads budget holds the line

BERWICK (Staff) - Although the provincial subsidy has not yet been determined, the Finch Township roads budget augers well for 1983 spending to hold the line. An increase of slightly more than three per cent over 1982 levels has been projected.

Clerk-treasurer Arnott Empey explained the Ministry of Transportation and Communication (MTC) have allocated a subsidy of $281,800 for 1983. Unfortunately 1982 spending levels were above that amount at $286,000. This year's anticipated total expenditures are $295,410.

The subsidy could be augmented by a supplementary allocation from the ministry at a later date, explained Mr. Empey.

The budget, as it stands, proposes a total of $67,510 for construction, $65,800 of which would be eligible for subsidy. Maintenance on township owned roads, bridges, culverts and for winter control totals $228,000. Of that figure $216,000 is eligible for subsidy.

The main construction project for the year is the road between concessions 2 and 3, at lots 20 to 22. This road is in need of widening and a gravel base. The cost of work is estimated at $26,000; the entire amount is eligible for subsidy.

Other projects proposed are the clearing and grubbing of the roads between con. 3 and 4 (at lots 8 and 9) as well as the road between con. 1 and 2 (at lots 2 and 3); the straightening of curves on the road between con. 10 and 11 at lots 8 and 9 and on the road between concessions 4 and 5 and lots 6 and 7; a base is required at lots 7 and 8 on the road through concession 9 and Third Street, Crysler requires raising and paving, at a cost of $4,500.

A culvert for the Foley drain in concessions 3 and 4 at lot 3 will be installed at a cost of $4,000; all of which is eligible for subsidy.

The highest maintenance cost is for the loose top (gravel) roads at $130,000; of that figure, $125,000 is eligible. Snow removal (winter control) is projected at $25,000, of which only $22,000 is subsidizable.

Students get a break from Separate Board

CORNWALL (Staff) - The acceptance of the 1983-84 school calendar by SD and G Separate Board trustees ruled out the possibility of different Christmas holidays for its students from those of the SD and G County Board of Education.

That option existed as long as trustee Ron Eamer's proposal to limit the pre-Christmas portion of the holiday was on the table, explained assistant secretary to the board, Rejean Clement on Monday. Mr. Eamer withdrew that motion at the March 15 meeting of the board.

The school calendar first appeared before the trustees at the February meeting, said Mr. Clement, but at that time it was tabled. When the issue was again raised at the board meeting, the calendar was approved as presented.

That approval will mean a full two-week Christmas vacation for the Catholic students, from December 19 to January 2, 1984 inclusive. It also means 185 days of instruction and nine professional activity days, the first of which will be held September 1 and 2, before the students attend class on the Tuesday following Labor Day, September 6.

The students, will however lose their traditional Remembrance Day holiday and in accordance with an Ontario Ministry of Education directive, hold Remembrance Day services in the school or at a local cenotaph.

NEED project gets nod

BERWICK (Staff) - Finch Township was given good news by telephone last week when their request for funds under the make-work NEED program was approved.

The total gross cost of the project was submitted and approved at $27,038. The grant portion is $21,630 and the township contribution, $5,408.

For their money, the township will have four employees and a supervisor examine and remove beaver dams and other obstructions from the township's municipal drains as well as restore an abandoned cemetery. Work is scheduled to commence in June, explained township clerk-treasurer Arnott Empey.

The NEED program is designed to provide employment for individuals who have exhausted their unemployment insurance benefits and who may be on general welfare assistance.

More township residents have applied for employment in the township than any other year, said Mr. Empey, and added many of them had commented their UIC benefits were nearly exhausted.

Applications for the positions will be accepted only through the Canada Manpower Centre in Cornwall who will issue the referral slips the township requires for its expenditures to be subsidized, he continued.

Of the total cost, $18,700 has been allocated to wages for the 17-week period and $8,338 for other costs (including materials).

The Editor's Notebook

Speak now!

Most rural residents have probably heard about the proposed Ontario Hydro project in Eastern Ontario. The crown corporation will be building new power lines through the region in the next few years.

An information package distributed by Hydro last week states that the new lines are required to ensure adequate electricity service for Eastern Ontario. In the 1970s Hydro began to study ways to increase the area's supply. "In 1980, after consultation with government ministries and the public Hydro selected a preferred system plan from a number of alternatives. This plan would extend - through a number of new lines - Ontario's transmission network via Kingston to the Ottawa area - and strengthen Hydro's interconnection with Hydro-Quebec".

In the first half of 1982 public hearings into the plan were held. Last October the Joint Board under the Consolidated Hearings Act approved the plan stage.

Hydro is now entering a new stage - the route stage. That means they are now in the process of identifying specific routes for the new lines.

These new lines include various types of transmission lines, a single 500-kilovolt line between Harthorne TS and St. Lawrence TS, near Cornwall, a 500-kilovolt line or a high voltage direct current line to connect St. Lawrence TS into the Hydro Quebec system at the provincial border, and an extension to the telecommunication system, among various other lines.

The lines will be supported by 37 ft. towers, 300m apart.

The present stage of the project is to locate alternative corridors and present these to the public for review and comment.

As a result Ontario Hydro is holding information meetings in the affected areas. One of the first will be in Winchester Township, March 29 at the Morewood Community Centre.

The purpose of the information meetings is to show the public, on aerial maps just where the alternative routes are located. Members of the public will be able to locate their own property to see where it fits into the Hydro project.

This is the public's opportunity to get in on the act. Ontario Hydro is inviting public participation in selecting a site for these new lines.

If you have property in the area and don't particularly want Hydro lines running through it now is the time to speak.

Too often residents cry foul when last corporations come into an area with a large project. There is no doubt the Hydro project will go through - it is a government project. However, now is the time for the public to ensure it goes the way they want it. - **mary macdonald** -

Chesterville's Past

43

From the Record March 25, 1943

Your guess is as good as anyone's as to when the ice will go out of the river here. It is much later than usual this season. The 17th of March is looked upon as the deadline but this is a different year. This is the first morning of real spring-like weather following a very light frost during the night and by evening there should be a change in the condition of the roads and the amount of snow lining the fences. There is not much snow in the fields. The main travelled roads are the worst and are now only being really opened since the storm a couple of weeks ago.

Arthur Moran of Cahore, while driving to town Thursday afternoon, met with a painful accident near the white school house north of this village. His sleigh upset and passed over him. He had a small bone fracture in the lower part of his left leg. This might easily have been a serious accident.

Wray McPherson, younger son of Mr. and Mrs. Morley McPherson, has enlisted in the RCAF as an AFM and left Saturday night for Galt to begin training.

Master Ralph Dillabough, fell on the ice Friday afternoon at school and received a very bad cut over the left eye which required a number of stitches.

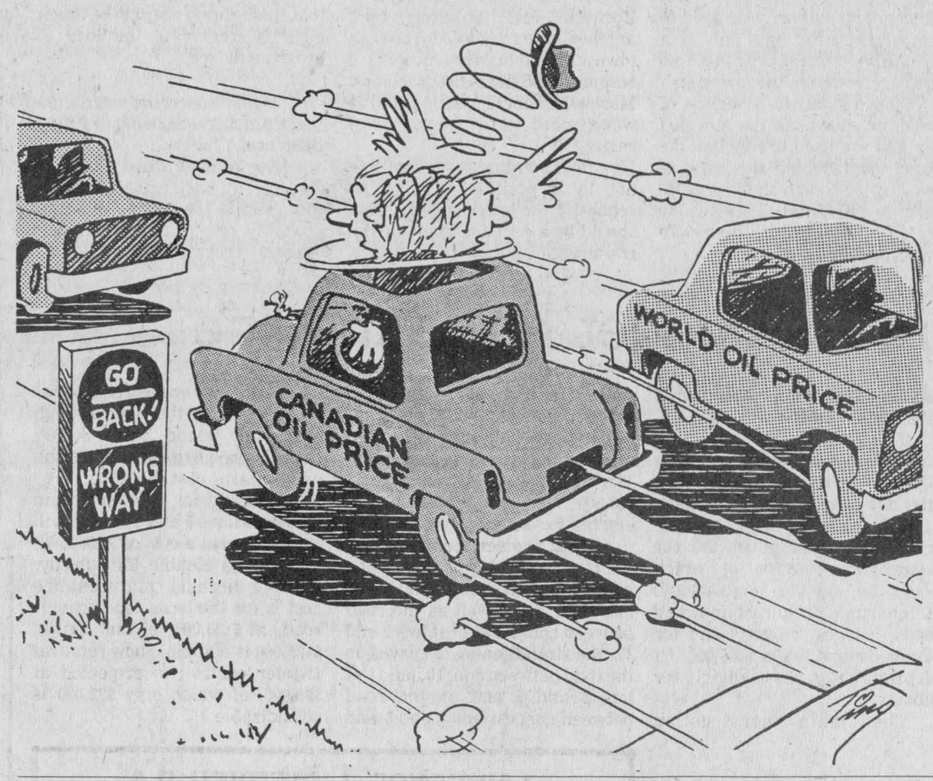
Miss McKenzie, RN, Public Health Nurse for this region, addressed all the girls of the High School in the assembly room of the High School in the assembly room on Friday afternoon. Upon invitation, those particularly interested in discussing many aspects of the nursing profession in a special group which met with Mrs. McKenzie afterward in the office. Seven of the girls intend to go into training schools in the next year or two.

Basil Chambers, son of Mr. and Mrs. Patrick Chambers, of Connaught narrowly escaped a very serious accident on Thursday night at the CPR station when for some unknown reason his horse kicked him in the face.

He received a very nasty wound over his right eye which required a number of stitches. He was quite shaken up at the time.

Word has been received by Mrs. Joseph Thompson of Kemptville that her son Sgt. Observer Dalton Thompson has arrived in England. He enlisted with the RCAF about a year ago and took his training at Hamilton, Harvis, Toronto and finally graduated at Malton. His father Sgt. Joseph Thompson, is also in the Air Force at Arnprior, and his brother is Pilot Officer Walter Thompson.

Mr. Jas. O. Beckstead of Grantley, while driving home from Chesterville on Friday afternoon, met with a very painful accident. His horse became frightened at the sound of the horn of a car, coming from the rear. The horse ran away, upsetting the cutter. He had a number of ribs fractured and a bad bruise on the shoulder. The accident occurred near the Doering Stock Farm.



53

From the Record, March 26, 1953

Chesterville Legion has set the date for the Barrel Run down the Nation River. It will be started on Wed., April 1. Ticket sales are reopened to cover the added period.

With unusual spring conditions prevailing, water levels this year on the river were way below normal. It was not until the last few days of heavy rain that the flow had reached anything like flood levels. Now with the banks running full and the ground waterlogged, there is every chance that the barrel will make a record run next Thursday.

Guesses with an eye on the $300 prize are ranging anywhere from 56 hours to 40 minutes. There will be approximately six miles of winding watercourse for the floating barrel to cover. Many hazards will be there to hold up its progression, although the rules will it holdups of only five minutes duration.

Someone is going to cash in on the jackpot when the Legion Barrel floats under the village bridge. Tickets are available from Legion members.

Plans to stage harness races at Chesterville racetrack on June 27 were made at the annual meeting of the Chesterville Driving Club. The meeting was well attended and was held in the Hydro office.

After a lengthy discussion on race problems, it was decided to again hold a twilight meet on Saturday night June 27 with Leo McCready, Massena, NY in charge of the races. The program calls for a total purse of $450. Three classes including free for all, with three heats, a class C race with two heats and a class B race with three heats will get underway at 6pm daylight saving time.

A special committee, composed of the executive, the directors and one representative from each unit of the Winchester District Memorial Hospital Auxiliary has held two meetings to further plans for a garden party to be held on the grounds of the hospital, the tentative date to be afternoon and evening of Sat., June 27.

Elaborate and detailed plans for the enjoyment and entertainment of the guests are being made. The Pipe Band from the SD and G regiment is being contacted to furnish music for the occasion.

Regional Inspector Zeigler, of Ottawa, inspected the two high schools of North Dundas District High School last week. He was very pleased with the general work of the units and reported fully to members of the board at a special meeting in Winchester on Tuesday night.

Mr. Ziegler assured the board they had a staff of teachers to be proud of. The harmony and close relationship between pupils and teachers was at a very high level and his opinion was that one of the first objects of successful teaching was accomplished.

The Inspector expressed some dissatisfaction with pupil-teacher ration of the two schools in the district. He pointed out that Chesterville needed more pupils to increase the ratio from 15:1 and Winchester needed a decrease from 27.1. Members of the board are well aware of the condition and expressed their intention to attempt to remedy the situation.

Sharp criticism of the Law Society of Upper Canada was voiced at the Toronto legislature, The society was described as a closed shop by Peter Manley, MP for Stormont.

The Farmer's Wife

by Wyn Thompson

Remember the rookery I referred to in my last column. Well, I heard the history of it today. The plaque there read "Founded by Ralph T. Heath Junior, and I wondered who he was and why, and how he established a rookery. I set about to find out.

Founded by Heath, it seems the Suncoast Sanctuary Inc., is a nonprofit organization that aids more than 5000 injured birds a year. Heath, a University of South Florida graduate, began his rescue campaign on December 3, 1971, when he took it upon himself to help a broken-winged cormorant.

People, hearing about this, started to bring Heath other injured birds . At the end of the first year, Heath's home had 30 resident birds, and he had helped literally thousands of others to return to the wild.

Now, more than a decade later, the Heath family beach home has been transformed into a hospital for birds, treating all manner of injuries. On their acre of land, segmented by wire compounds and teeming with birdlife, Heath and his small staff of employers and volunteers minister to about 500 resident birds. Plus, during bad winter weather, some 300 to 400 more may take meals there.

Our journey through the crowded complex was like wandering through a mixed species rookery. Healthy brown pelicans, "freeloaders" Heath jokingly called them, blanketed the roof of the sanctuary's small infirmary. In one area stood a nesting heron; in another were convalescing pelicans; in yet another ducks; Seagulls circled overhead maintaining a muffled undercurrent of beating wings and raucous cries.

Other birds, convalescing, make trial runs along the beach. Near the infirmary, staff members were busily engaged in cleaning up a pelican that had fallen victim to an oil spill.

A fantastically interesting place.

Meanwhile back at our bay, in 80 degree F weather, we sit by the shore and are overwhelmed at the species of birds that come to call - egrets, ducks, bluebirds, doves, mocking-birds, robins, crows, all manner of sparrows, and of course, pelicans.

March - from the Latin "Martius," the planet Mars - is a sabre-rattling month. Like its warlike name - sake, it roars and puffs and threatens a heavy late - winter snowstorm. In Eastern Ontario, that is!

But my mind, as it turns homeward, is not on last-minute threats of bad weather, but on the promise of spring in the air..

We took an excursion today to better acquaint ourselves with this lovely city, and drove by the mammoth library, a block in size, it seemed.

I recalled my first library. It was an area in the corner of a church basement. It was not very big, and it was not overloaded with volumes - but all who used it knew it as a special, wonderful place. Particularly so, when the box of books came from the travelling library.

The combination librarian Sunday School teacher left you to browse to find your book. You signed the card and gave it to her. You were pretty much on the honour system. I always left with an armfull of books - a habit that's still with me.

A cold spring day is a fine time to go to the library to browse, to make plans for a new season, and to feel a renewal of the spirit.

Any country inhabitant knows the pleasure of the town library. All those characters, and sights and sounds in all those volumes, ours for the asking. And the local library is where you meet friends and find out what is happening.

We drove down to Bradenton Beach on Sunday to visit friends. It was 80 degrees F and very, very humid. The moisture stood out on our skin and we patted or mopped the copious drops as it seemed fitting. We ate our lunch by the sea where the strong wind broke breaker upon breaker. What power to be harnessed. The surfers were having a hay day.

We had a queasy feeling in our stomachs as we approached the double lane one-span skyway bridge over Tampa Bay knowing that, and seeing the nothingness where a portion of the other span had collapsed a few years back just a couple of weeks after we had used it a lot. And the wind was high again too, but not gale force.

We walked the beach and chatted, as old friends do, had a seafood dinner, and began our drive back to St. Petersburgh.

There was a nice smell of the sea coming through the open car windows, the night good though humid, and all around were the lights of the highrises and the county of Pinellas.

Marks 75th anniversary

A photograph of Barkley's Store, Avonmore, in its early years. Pictured here are its founder, Willis H. Barkley and his daughter Margaret (now Mrs. David Frappier of Cornwall). The store, founded on March 27, 1908, next week celebrates its 75th anniversary.

Letters

Athletes need financial help

Dear Sir:

We are the Upper Canada Swim Club or the Cornwall Sea Lions. We are the only competitive swim club in the three United Counties - 34 swimmers from six to 18 years old. Apart from physical development (our nine-year-olds will swim three miles in two hours) our program encourages self-discipline, achievement and trains young adults to help serve their community as lifeguards, swim instructors and recreation supervisors.

These swimmers are coached by three dedicated people - Martha Anderson, Jack Clifton, and Allan Lister; and we are funded by fees and volunteer help from coaches and parents.

Our only public fund-raising is a part of the Canadian Amateur Swimming Association's annual Swim-a-Thon, held here in Cornwall on April 10th, 1983. This appeal to you is part of that fund-raising campaign.

Without your financial help, these young athletes will not be able to continue improving. Most swim meets are held outside Cornwall, with provincial and national meets as far away as Vancouver. Last year our expenses were $24,000.

Our goal this year of $7500 must be met to keep us in operation, and we can't do it without your support, so please be generous.

You might also be helping to put our area more firmly on the map, by helping develop a future national or international swimmer!

For further information, please contact:

President: Mrs. Lorraine Lafrance at 933-2690

Treasurer: Mr. J.G. Pouliot Business 932-3971 Residence 938-7841

Cheques should be made payable to Upper Canada Swim Club and sent to:

Mr. J.G. Pouliot
P.O. Box 1762
Cornwall, Ontario.

Pat Lumley, Co-Chairman
932-9135

Brian Keen, Co-Chairman
Business - 932-3610
Residence - 933-9808

St. John Ambulance traces its roots to the Crusades, and an order of knights who tended the ill and injured. It began in Canada in 1883, with a first aid course in Quebec City.

Discovery meeting

Molly McGhee, left, examines one of the submissions she received at Avonmore last week, that of Catherine Whetter, Finch. Miss McGhee is touring Ontario and hosting discovery meetings at many centres in a study of rural women's needs. She is employed by Ontario Ministry of Agriculture and Food which undertook the study as part of its reorganization program. The women's concerns varied from their image as perceived by urbanites to the price of garden seeds.

WI resumes meetings

CHESTERVILLE (Special) - The members of the Chesterville Women's Institute (WI) resumed their monthly meetings after their winter break, on Monday evening March 14.

Twenty-six members and two guests answered the roll call, "What have you done in the past to improve your general knowledge?"

The president, Isabel Forward welcomed all those present and conducted the meeting which opened with the Ode and Mary Stewart Collect.

The secretary, Karen Graham read the minutes of the December meeting, along with the correspondence and several thank you cards.

The approval of a substantial donation to Rose Hauch to aid her in her training for the Olympics was made. Meals-on-Wheels also receive a donation.

A beautiful afghan worked by Alice Shay was purchased and will be sent for the craft display at the ACWW Associated Country Women of the World's Convention to be held on June 3, 1983 in Vancouver, BC.

The evening's theme was on Educational and Cultural Activities and the convener, Sheila Derks introduced Florence Hoople, one of the leaders of the local 4-H club.

She presented a brief film made by her students, dealing with the do's and don't's on camping. Several pieces of arts and crafts were shown and she also mentioned the different types of foods relating to various countries which were made during the course.

Mrs. Hoople praised the students' parents for their co-operation and generosity. She was thanked and presented with a gift in appreciation by Jean Thompson. A delicious lunch was served and a social hour was enjoyed.

Finch Township Cancer Society aims to collect $4,000

BERWICK (Special) - Finch Township Branch of the Canadian Cancer Society met on Mon., March 14 at the home of Violet Robertson, Berwick. Seven people attended.

Reports were given by the following chairman:

-commemorative, Mrs. Audrey Nephew,

-campaign, Mrs. Ila MacElheran,

-patient services, Mrs. Gaye Benoit,

-education, Mrs. Leitha Casselman,

-publicity, Mrs. Lois Dillabough given by Mrs. Irene Casselman.

Mrs. E.W. Morris gave a report from the Eastern District meeting held in Ottawa Feb. 26, stressing the need of bank transfers on the 25th of each month. The Finch Township Branch objective is $4,000.

The Terry Fox story was on display and Mrs. Casselman will investigate whether the books are in the school libraries.

Violet Robertson reported on the campaign conference held in Toronto. The main topic was motivation.

Those with topics for special events they would like discussed at the Stormont Unit meeting in May are to get in touch with Irene Casselman before the meeting.

Rotary still seeking Scout leaders

Chesterville Rotary

by John Macauley

In the absence of President Martin Derks, the Monday night meeting was chaired by vice president Dale McNaughton. Tim Woods introduced the guest speaker, Alex Farrell who presented a film on how and how not to conduct a meeting. This film, although very entertaining, certainly had a message and was most informative. Alex was thanked by Nick Nixon.

Last week's column stressed the urgent need for Scout Masters for this year, but to date no volunteers have been received. Unless volunteers come forward soon, 17 Cub members who are eligible to graduate to the Scouts, as well as the existing leaderless Scouts, will be deprived of an essential activity and Chesterville will be without one of its major youth organizations.

Those interested in becoming leaders or know of a person who would be interested, are requested to contact Dr. C.R. Adamson.

Congratulations is extended to Dorothy McNaughton who will celebrate a birthday on March 29. Many happy returns.

District news

The Rev. E. Earle Eaton conducted services Sunday at St. Paul's Presbyterian Church, Winchester and Knox Presbyterian Church, Mountain. In the evening he attended an induction service at Finch. In the course of the week he attended Gospel Fellowship Luncheons in Ottawa and Kanata, a Mariners meeting in Cornwall, a British Israel Bible Study in Ottawa, and meetings of Cornwall Christian Council and Gospel Fellowship in Cornwall.

Mr. and Mrs. Eaton attended a Gospel Fellowship Dinner in Cornwall and a Golden Years luncheon meeting at Winchester, at which Mr. Eaton was guest speaker, Mr. Eaton served as chaplain at Winchester Memorial Hospital, and attended a Gospel Fellowship Dinner Meeting in Ottawa.

Mr. and Mrs. Eaton were at Morrisburg Saturday for a Gospel Fellowship Prayer Breakfast.

Financial management is:

"Careful decisions"
"Security for the family"
"Fewer worries"
"Overcoming tough times"
"Choosing the right options"

Sweepstakes at St. Mary's

Father Appelman, in all his impartiality, drew the winning tickets on a variety of rewards at St. Mary's Tea and Bake Sale held St. Patrick's Day. Lisa Streng, right, helped the reverend ensure no names came into view, holding the box high. When the stubs were drawn, Irene Van Delst was richer by an afghan, Robert Desormeaux gained a stuffed smurf and Lynn Elliott won an owl wallhanging. Consolation prizes of cakes went to Terry Belanger, Leonard Wheeler and Beatrice Carbino. record photo - macdonald

Newington UCW gets a peek into the past

NEWINGTON (Special) - Telling of her happy childhood life in her homeland of Latvia, as well as the agonies and suspense of the subsequent years of invasion by the armies of Russia then Germany, Mrs. Peter Riekstins held the sincere interest of the members and friends of the Newington United Church Women (UCW) which met at the home of Mrs. John Simpson recently.

Mrs. Riekstins said as in most European countries, family life in hers was most important and grandparents the back-bone of the family unit.

No one was very wealthy and Christmas treats consisted of some candy and cookies and perhaps an orange, but nothing was lacking in love and understanding.

Education was free up to the high school level after which a fee was charged in city schools. Religion was principally Roman Catholic and Protestant-Baptist.

Then came the invasion by Russia, for no reason at all, in 1939 causing agonies and suspense, incarceration to refugee camps and barracks, followed by the German invasion in 1941. The diet in such camps was principally weak soup and corn bread, green onions and bread. Plagued by hunger and the anxiety as to the welfare of their two small children the next few years were of uncertainty and anguish. In 1944 they fled their country and sought shelter in Germany, again in war camps where they were held until the end of the war in 1945.

The next several years were spent in DP camps, and though under British care the days were filled with apprehension and mental strain. Finally they were given the opportunity to choose a country to which to emigrate - theirs being Canada. They sailed via Cunard Lines in May 1948 which took 11 days in crossing, thence to Toronto, thence to Newington area where they became naturalized Canadian citizens and have established a home. Mrs. Riekstins said, she, her husband and family are very happy with their choice of country.

Mrs. Ellis Fickes conducted devotions. Visitors were welcomed by the President, Mrs. Russell Presley and routine business ensued.

An announcement was made of the Presbyterial to be held at Prescott on April 13th; transportation plans pending.

Mrs. Gerald Duvall extended thanks on behalf of the membership, to Mrs. Riekstins for her very interesting peek into her past, and to the hostess and her assistants, Mrs. Russell Cooper and Mrs. Muriel MacMillan, and to all who participated in the programme.

Senior Citizens hold St. Patrick's dinner

CHESTERVILLE (Special) - The Chesterville Senior Citizens Club met for a St. Patrick's Day potluck dinner on Wed., March 16.

There were more than 60 who enjoyed the lovely meal.

The business portion of the meeting was held after the lunch, opened by president Verna Beckstead with the singing of O'Canada. Mrs. Helen Cross was at the piano.

The afternoon consisted of poems being read by Mrs. Graham and Mrs. York. A skit, entitled Selling Vacuums, was also presented by Irene Merkley, Betty Forward and Edith Waldroffe.

Toast of the circuit

Midget Bs soar as league champions

CHESTERVILLE (Staff) - Champagne flowed in the Midget B dressing room after the Flyers defeated Brockville Warriors in two games straight to become the Upper Canada Minor Hockey League champs for the second year in a row.

Brockville brought their Bantam AA team to try to take the Midget B champion title, but the Flyers showed the Bantam AA Warriors they were not up to Midget B level.

Chesterville 5, Brockville 3

The first game was played Wednesday in Brockville, and the Flyers went into the second period with a 2-0 lead. Mark Smith, Flyer's top scorer set Greg Kelly up for the first goal less than one minute after the opening face-off, and that set the pace for the rest of the match.

Ten minutes later, Mike Harper put the puck past Warrior goalie Chris Anderson for the Flyers second point.

The Warriors started their come-back with a goal early in the second frame, but the Flyers finished the period with a goal by Jerrold Boulanger from David Van Delst with eight seconds left in the period to make the score 3-1. Jerrold is third on the scoring list and this made his 23rd goal of the season.

Third period saw two goals apiece. Mark Smith scored his 41st goal of the season on a power play pass from Mike Harper and Greg Kelly at 7:39 remaining in the game. Two minutes later Brockville scored their second goal of the game in their attempt to take the lead.

The Bantam AA's thought they could fight their way to the top, and at 2:30 remaining in the game, one of their players received two penalties for roughing and unsportsmanlike conduct after getting into a tussle with David Van Delst who also was given a roughing penalty. Another Flyer was already in the box, which gave the Warriors a man advantage and they raised the score to 4-3 at 1:09 remaining.

The Flyers were determined to go home with more than just a one point victory, and at 20 seconds left on the clock, with the Warriors short-handed, goalie Grant Groves deflected the puck to Darrin Kelly who took it down for Flyers final goal.

Chesterville 5, Brockville 1

The second game of the four-point series was last Friday on Flyer's home ice, when goalie Greg Van Dellen missed his shut-out by one goal late in the final period.

The first period saw a lot of skating and passing, with the referees being very lenient in their calls. In fact, the whistle blew to stop the action only three times in the entire fifteen minute period.

Jerrold Boulanger scored his 24th goal of the season assisted by Darrin Kelly and Kirk Barkley, at just over one minute into the game but Flyers were unable to break through the Warrior Bantam AA defenses throughout the rest of the period, and well into period two.

The second frame put two more points on Flyers scoreboard to the delight of the fans when Greg Kelly and David Van Delst teamed up for the first point at 6:15 remaining with four aside, and Darrin Kelly scored from Jerrold Boulanger and Kirk Barkley three minutes later to put the Flyers in a 3-0 lead.

Flyer's fourth goal was definitely a fluke. Warrior Shawn Wallace. stopped the puck with his glove, but it dropped out again and he watched it trickle slowly into the corner of the net. The goal was awarded to David Van Delst, unassisted, and at this point, Brockville's coach pulled Wallace and replaced him with the Warrior's alternate goalie, Chris Anderson.

At 4:42 remaining in the match, the Flyer's defences were down briefly, and the Warriors surprised Greg Van Dellen with their only goal of the game. Thirty seconds later, Kirk Barkley came back for the Flyers and scored his 36th goal of the season to bring the final score to 5-1. Jerrold Boulanger assisted for the 33rd time, and Darren Kelly notched his 26th assist.

Mark Smith was top scorer for the Flyers, taking 77 points in 51 games which is an average of just over 1.5 points per game. Mike Harper, Jerrold Boulanger and Kirk Barkley were close behind with 67, 57 and 55 points respectively. Grant Groves played 26½ games for an average of 2.26 goals per game and Greg Van Dellen had a goals against average of 3.05 in 20 games.

Ross Giles (left) shoots the puck for Flyers first goal after he was set up nicely by teammate Bobby Van Delst (not shown). Winchester goalie Mike Swerdfeger stretched all his muscles to try to stop the puck, but failed. The Flyers won this match 3-2 and came away with the Eastern Division Championship. They go on to meet Cardinal, who won the Western Division, for the district finals of the Upper Canada Minor Hockey League.

record photo - usher

Lucky save!

It's one on one as Kirk Barkley (left) shoots the puck to Brockville goalie Shawn Wallce. Barkley missed this time, but was able to get by Brockville's second goalie, Chris Anderson, later in the game. The Flyers won this match and are now the District Midget B champions of the Upper Canada Minor Hockey League.

Eastern Division champs

Peewee Flyers break tie - seconds to go

CHESTERVILLE (Staff) - There was one minute to play. The score was tied 2-2 and each team had three points in a four point series.

Flyer goalie was ordered off the ice by the coach in an attempt to score the deciding goal with the extra skater. Suddenly Winchester nabbed the puck for a break-away. The player took a slap-shot from the blue line which hit the goal post and rebounded back to centre ice. Ross Giles picked it up and tipped it to Bobby Van Delst to score the final goal that put Chesterville's Peewee Flyers on top of the Eastern Division in the Upper Canada Minor Hockey League Finals. The crowd was ecstatic.

It was a long series for Chesterville's Peewees. After the first game it was evident at least three games would have to be played if not more.

The first match came to a 5-5 conclusion in Winchester, and the Flyers felt sure they could win the next with home ice advantage. But Winchester took the lead in the series when they embarrassed Chesterville 7-1.

The third game could have been the end for the Flyers, and the Hawks had home ice and home crowds to cheer them to victory. But the Flyers held on and were able to put up a defense that won the game and tied the series. All that remained was Friday's match.

The Hawks kept the puck out of their end throughout the first period, and bombarded Flyer goalie Steve Conley who was able to ward off all but two shots on goal.

With 2:59 remaining in the first period, Ross Giles and Bobby Van Delst teamed up to put the Flyers on the scoreboard and boost team spirits.

The second frame saw a lot of action and good defensive play by the Flyers, and three minor penalties for the Hawks for tripping, slashing and unsportsmanlike conduct. At 1:20 remaining in the period, Joey Barkley and Ross Giles were able to take advantage of a Hawks' penalty and score the goal that tied the game.

Period three held the most excitement. A tied game in a tied series for Eastern Division champs. The Flyers took two penalties for roughing, and the Hawks could take advantage of neither.

It looked as though overtime or a fifth game would have to be played to break the tie, when the Flyers pulled their goalie and the action of the final minute took place. The Peewee B Flyers continued in the path of their Midget B brothers, and have advanced to the UCMHL District Finals against the Cardinal Redbirds.

CHESTERVILLE (Staff) - Chesterville Peewee B Flyers have won the Eastern Division finals of the Upper Canada Minor Hockey League and are now vying for the District finals in best of three game series against Cardinal.

So far Chesterville leads the series after they defeated Cardinal's Peewee's 3-2 on Friday.

Cardinal was in the lead 2-0 by the end of the second period, when the Flyers came back from behind to score three goals in the final two minutes of play.

Flyer's first goal was scored by Jevon Groves on a pass from Jason Groves at 2:07 left on the clock in the final frame. A minute later, Kerry Irven received the puck from John Mackler to tie the game up, and the winning goal was scored with 18 seconds to play by Ross Gilles with Shawn Beckstead and Kerry Irven.

Steve Conley took the win for the Flyers . The team goes to Cardinal for the second match.

Andre Brisson of Embrun 72s takes lead as top Jr. C scorer with six points

FINCH (Staff) - Crysler and Embrun lead the play-off semi-finals in the Eastern Ontario Junior C Hockey League, as Embrun won both of last week's games against Finch, and Crysler came away with one win and a tie in matches against the Chesterville Flyers.

Crysler 4, Chesterville 1

The Flyers were not in form for their first game against the Raiders, who put away three goals before Chesterville could score one late in the third period.

Crysler's first point was notched by Philippe Leger on a power-play pass from Roger Courville and David Mason at 6:41 remaining in the first period.

They did not score again until the second frame when Mason and Albert Herfkens passed the puck from the face-off to Philippe Benoit who scored 13 seconds into the period. Towards the end of the period, Roger Courville and Paul Farley teamed up for Raiders third goal.

Pat Brugmans missed his shut-out when Kevin O'Reilly caught a pass from Chris Laviollette when the teams were playing four aside due to roughing penalties, and scored with 6:25 remaining in the game.

Three minutes later - still with four aside - Philippe Leger scored again unassisted.

Kirk Edwardson was in nets for the Flyers.

Chesterville 4, Crysler 4

The Flyers showed more spark in their second match, which was evident in the score, and in the penalties earned. Raiders came away with 30 minutes, and the Flyers had 24 minutes in minor penalties.

Chesterville took the lead in the first period when they had a two-man advantage over the Raiders. Kevin Saunders put the puck past Brugmans with almost five minutes left in the period.

Two minutes later, Crysler had the skater advantage and David Mason took the puck from Philippe Benoit for the goal.

Late in the second period, Mason took the lead for the Raiders on a pass from Christian Brisson, but could not hold on to it as Chris Laviollette put the puck in for the Flyers to tie the game 2-2.

The third period started out well for the Flyers who had a two point lead before five minutes were played with power play goals by Gary Beishem and Larry Faulkner. Two minutes later, Philippe Leger scored unassisted for the Raiders when they were shorthanded, and the game concluded in a tie when Christian Brisson and Albert Herfkens teamed up for the final power-play point.

Embrun 7, Finch 3

Embrun took the lead 3-0 by the end of the first period, and the score was 7-1 at the beginning of the final frame.

Embrun's first goal was a power play opportunity which Andre Brisson was quick to take advantage of . The 72's put three more goals away before Finch could squeeze one past Rock Chenier, when Curtis McMillan scored at 12:28 remaining in the second period.

Embrun scored two short-handed goals in period two - the first was notched by Andre Brisson, unassisted, and six minutes later Bryan MacRostie scored the second with a pass from Mario Brisson.

With 44 seconds remaining in the period, Andre Brisson scored his hat trick point on a power play from David Clement and Pierre Savage.

Third period continued with Embrun's scoring action when Mario Brisson shot the puck past Brian Perras 30 seconds after the face-off.

Ron Cameron and Brian Seguin teamed up for Finch's final two goals in an attempt to narrow the gap, each taking one goal and one assist.

Embrun 4, Finch 2

The second match of the series was not as high scoring, but Embrun lost one player in penalties. Brian Dumahel earned a match for threatening a Finch player with his stick, and will be out of the play-offs for at least the next three games.

Andre Brisson and Brad Spooner scored a minute apart for Embrun to give the 72's the lead early in the first period.

Ron Cameron retaliated for Finch before the period was out on a pass from Curtis McMillan to end the period 3-1.

Embrun widened their lead in the second period with two goals half-way through, and Finch managed a second goal at 6:17 left in the game to bring the score to 4-2.

Coach Kevin Lefebvre pulled his goalie with a minute and a half left to play, but the 76's could not use the opprotunity to their advantage and went home with their second defeat.

Embrun has four points in the eight point series, Crysler has three points, and Chesterville one.

Andre Brisson, Embrun, has taken the lead as top scorer in the play-offs with four goals and two assists.

Hydro needs one more win

CHESTERVILLE (Staff) - Hydro is heading towards a win in straight games in the Industrial League play-off finals.

They defeated Aults 5-4 in the last three seconds last week, and came back Monday to shut them out 2-0.

Hydro's first goal was on a power play opportunity which Doug Wilson took advantage of assisted by Kevin Mackler and Brent Theede, part way through the second period. Theede scored Hydro's second goal nine minutes later.

The first and third periods remained scoreless, as each team tried their best to defend their own nets.

Hydro finished the regular season in last place, and made a surprise come-back in the play-offs when they defeated first place Nestles in two straight games.

Mike Desormeaux awarded MVP

Peewee C Flyers A finalists in tourney

FINCH (Staff) - Chesterville's Peewee C Flyers made a very good showing last Saturday when they finished their season as A finalists of the Finch Peewee Tournament.

The Flyers had an average season, as they ended up in fifth spot over-all, winning only six of 17 scheduled games. But they redeemed themselves this week-end by defeating Cornwall 6-4, and moving up the 'A' ladder to shut-out North Glen Stor, and fall only in the final round to Alexandria with a respectable score of 6-4.

Chesterville 6, Cornwall 4

Chris Hart and Mike Desormeaux each participated in four of the Flyers six goals, with Chris earning a straight hat trick, assisted all three times by Mike, then turing around to assist Mike on his goal with two seconds remaining in the second period.

The Flyers were on the scoreboard first, and moved into the second period with a 2-0 lead over Cornwall after Chris, Mike and Gerry van Kessel teamed up for the goals.

Cornwall was able to get past goalie Jason LaFlamme one minute into the second frame, but 40 seconds later, Chris and Mike teamed up again to retaliate with Chris' hat trick point. At 7:26 remaining in the period, Cornwall narrowed the gap with a second point, but with two seconds left Mike Desormeaux put the puck into the Cornwall net off a pass from Chris Hart and Gerry van Kessel.

Third period action was more exciting, and things got tense as Cornwall was able to score two more goals to tie the match up 4-4 with 8:10 remaining on the clock.

Two minutes later, Jeff Caird received a pass from Kevin McLeod on a power play and put the Flyers back in the lead. Kevin turned around with 4:52 left in the game and scored the Flyers final goal to ensure their win.

Chesterville 1, North Glen Stor 0

Kevin McLeod, Chuck Droppo and Jeff Caird were the main instigators of this win, along with the goalie Jason LaFlamme who earned the shut-out. Kevin scored the only goal of the game, assisted by Chuck and Jeff.

Alexandria 6, Chesterville 4

The Flyers were ahead 2-1 by the end of the first frame, after Mike Desormeaux assisted Gerry van Kessel and Chris Hart in their goals. But the second period was disastrous for Chesterville as Alexandria put away four more goals to bring the score up to 5-2. Before the Flyers could regain their balance, Alexandria had scored their sixth goal to make a four point gap with 11:20 remaining in the game.

David Grose scored the Flyers third goal unassisted at 10:25 left in the match, but Chesterville could not catch up, as the final goal was scored with 36 seconds remaining by Chris Hart on a pass from Mike Desormeaux.

Mike earned the distinction of Most Valuable Player, after setting up three of Flyers' four goals.

On Alexandria's team, Jason Palmer participated in four of his teams six goals - scoring a straight hat trick for the final three. Richard Chevrier took the win for Alexandria.

Correction

The Tae Kwon Do student pictured breaking the board in last week's Record was not Shayne Larabie, as stated, but 11 year old Andrew Gruich. Andrew also earned his red belt in Saturday's promotion tests at Maple Ridge. The Record apologises for any inconvenience or embarrassment this error may have caused.

NSIHL winners

After battling it out in regular season, the North Stormont Intermediate Hockey League has finally come up with some winners. From left to right: Brent Theede (Avon.) - Most Valuable Forward; Jim Hunter - President, Blake Henderson (Avon.) - Most Valuable Goalie; Ed Gove (New.) - league MVP; Dale Swerdfeger (David Brown) - Most Valuable Defenceman. Absent: Terry Gove (New.) - Top Scorer. The awards were presented last Friday night in the 'banquet hall' of the Finch arena.

record photo - usher

Lalonde earns shut-out

Dunbar, Finch tied in round one

FINCH (Staff) - Avonmore came out from behind to dash Newington's hopes for a quick series, as they won the fourth match in the best of seven series in the North Stormont Intermediate Hockey League play-off action last week.

In other play-off action, David Brown and Monkland continue to share the series, as they took one game apiece on the week-end.

Newington 4, Avonmore 3

Avonmore was ahead in the first period, after Dave Rumer scored from Brent Theede and Clarence Adams two minutes after the opening face-off. Newington was able to score with two minutes left in the period to take a tied game into the second frame. Terry Gove put Newington's first goal past Blake Henderson, assisted by Ed Gove and Don Simpson. Ed was voted the Most Valuable Player for the league, and his brother Terry was Top Scorer.

Avonmore's hopes were raised after Clarence Adams and Blair Henderson each scored before the period was half over, to give the team a two point lead, but Newington came back and scored three goals in two minutes, with Ed Gove scoring at 4:10, Bryan Holland at 3:08 and Terry Gove at 2:28.

Avonmore pulled their goalie for the last minute, and Newington had a clear shot on an empty net, but it hit the goal post and bounced wide, so the third match ended 4-3.

Avonmore 6, Newington 3

Sunday was a new day for Avonmore as they went into the second period with a 5-1 lead.

Blair Henderson scored two goals and two assists in this match, and Drew Adams earned equal points with one goal and three assists.

The first eight minutes of play drew four goals from Avonmore, and the fifth came early in the second half of the period. It wasn't until 6:06 remaining in the period that Marlin Presley could get the puck past Blake Henderson.

Newington tried their best to retaliate in the second frame, but ended up with only two goals and 37 minutes in penalties, most for interference and unsportsmanlike conduct as they tried to stop Avonmore.

Grant Simpson scored Newington's third and final goal, and Brent Theede put the puck in one last time for Avonmore to force the eight point series into at least one more game.

Monkland 6, David Brown 5

David Brown and Monkland shared last week-ends games and continued along the same line this week-end.

Monkland took the lead early in the first frame with four goals compared to David Brown's two. Scoring for Monkland were Brian Kinnear, Ian McDonald and Lee Taillefer with two.

Paul Odacker and Shawn Locus scored for David Brown.

David Brown tried hard to catch up in the second period, and scored their fifth goal with 1:13 remaining in the game, in a power play by Ken Chadwick. But they were unable to take further points, and the game concluded 6-5.

David Brown 3, Maxville 1

Sunday's match tied the series once more, as David Brown put three goals away in the first frame. Maxville scored once on a power play opportunity in the first period, but neither team was willing to give up any goals in the second frame and the game came to a 3-1 conclusion.

Gary Bronwlee took the win for David Brown, and Barry Jackson played nets for Monkland.

Avonmore defeats Newington

WINCHESTER (Staff) - Noel Lalonde earned a shut-out for his team after Finch defeated Morewood 1-0 in the third game of round robin action of the Winchester Broomball League.

Mike Hoogeveen scored the only goal of the game, unassisted, which put Finch in the Pool A championship series against Dunbar.

Dunbar won their match against Ormond 8-3 to tie their first place standing with Finch at five points each.

In Pool B, Toyes Hill will meet Osnabruck in the championship series, after Toyes Hill finished round one with six points - two points ahead of Osnabruck.

Dunbar 8, Ormond 3

Dunbar took charge right from the beginning. Lori Blanchard swept the ball past Ben Melenhorst less than two minutes after the opening face-off, assisted by Lynn Whittaker. Nine minutes later, with Ormond short-handed by two, Frank Heerkens put the ball past Melenhorst for Dunbar's second point.

Garry Gallinger scored the final two goals of the first period, assisted by Denis Roy and Larry Gallinger to bring Dunbar up to 4-0.

At 35 seconds remaining in the period, Ormond was finally able to get the ball past Wayne Pitt when Bill Robinson took the ball from Jim McDiarmid to put his team on the scoreboard.

Ormond started the scoring action in period two when Bob Aires swept the ball past Pitt, but the rest of the period belonged to Dunbar as they scored four more points before the clock ran out. Larry Gallinger, Frank Heerkens, Lori Blanchard and Lynn Whittaker took the goals, while Garry Gallinger and Denis Roy were in on the assists.

The game did not end there. With 0:29 remaining on the clock in the third period, Jim McDiarmid and Bill Robinson teamed up again for Ormonds final goal to make the score 8-3.

Toyes Hill 3, Osnabruck 1

This match was played for appearances only, as Crysler and Newington were too far behind in points to challenge the top two spots.

Seventeen minutes went by before anyone could score - then it was T. Bongers, who rolled the ball by Osnabruck goalie H. Bowman, unassisted.

Toyes Hill increased it's lead half-way through the second frame when D. Hansma caught a pass from Bill Steele for the second point.

Osnabruck finally got into the swing of things on a power play opportunity with two minutes to go in the period. B. Healy took a pass from B. Bowman and swept it past goalie Wayne Hunter.

It was twenty minutes later before the ball went into another net, this time Hansma assisted B. Veley in notching the point at 1:21 remaining in the game to conclude the match 3-1 and put Toyes Hill in first place of Pool B.

Crysler 7, Newington 6

Crysler led into the second period 3-0 with goals by Rick Brunet, Bob McLaughlin and Bill Pynenburg. They were ahead 5-0 before Newington could score in the second period. Then Newington began their comeback.

Dan Wert scored first with 8:21 remaining in the period. Then Crysler put away their sixth point with a goal by Jeff Ouderkirk - his second of the game. At 2:04 remaining in the period, Keith Stewart passed the ball to Newington's goalie, who was able to sweep it past John Hopmans for Newington's second point. A minute later, Alton Beckstead scored to bring his teams goals up to three at the end of the period.

Third period belonged to Newington. Crysler was able to notch one more point with a goal by Rick Brunet, then Calvin Beaudette, Calvin Parenteau and David Dingwall each scored in succession to narrow the scoring gap. They came this far, but they weren't able to tie the game up, so the score at the conclusion of the match was 7-6 which put both Newington and Crysler out of the final round.

Grand finale

The children of the Finch Skating Club had their grande finale last week, and as the picture shows, they are all still standing. The Finch Skating Club is sponsored by the local Lions Club. The children, over eight in number, are taught the fundamentals of skating by Bonnie Castle of Winchester. record photo - usher

Metcalfe leads series

Hawks defeated

METCALFE (Staff) - The game was tied 4-4 after the Jets made a spectacular comeback from being behind 3-0 half way through the second period.

Junior B rules dictate that one ten minute period of overtime shall be played, and if a tie still follows, it shall be broken in sudden death action.

Sudden death was not necessary this night, as the Jets continued to score two more goals against the Winchester Hawks to bring the final tally of the first Series F game to 6-4, giving them a two point lead in the play-off finals.

Metcalfe came into the finals by the skin of their teeth after Alexandria forced them to play out the entire seven games of the semi-finals, as the wins see-sawed from one team to the other.

Tourney winners

Chesterville Oldtimers didn't save any of the hardware for the home team at their last weekend tournament. Front row, left is Bev Skillen, coach of the Metcalfe team, the B winners and right, Terry Bishop, captain of the B champs. Back row, are Smiths Falls players, members of the winning A team, left to right, Garnet Badour, MVP, left wing; Andy Preston, captain; Earl Merkley, coach, holding the team trophy and Kevin Gallipeau, top goalie.

record photo - macdonald

Sports shorts

Liquid luck of the draw

FINCH - The David Brown Intermediate Hockey team sponsored one draw weekly from February 4, to March 11 to raise money for the team. Winning 26 ounce bottles of liquor were Gordie Summers, Cornwall; Linda Cocklin, Ottawa; Bobby Winters, Ingleside; Dale Beckstead, Ingleside; Lorraine Lemire, Cornwall and Dale Swerdfeger, Ingleside. The winner of the grand prize of $100 was Brenda Henderson.

Peter DeCooman earns 3 hat tricks on week-end

WINCHESTER — Peter Decooman earned three hat tricks last weekend as his team moved up the ladder at the Winchester Senior Novice Tournament only to fall to the Hawks after three periods of overtime. The Senior Novice Flyers defeated Russell in their first match 7-0, Decooman earned his first hat trick, and Cory Van Delst came away with three scoring points as he put one puck in Russells nets, and assisted two others. In the second match, Decooman earned his second hat trick, but the Flyers fell to a 5-4 defeat in overtime action. Peter's third hat trick came the next day in a scheduled game on home ice against Kemptville. The Flyers won 7-0, with goalie Dennis Desormeaux earning the shut-out.

Midget C Flyers chalk up another first

CHESTERVILLE - The Midget C Flyers came out in first place at the end of regular season play winning over half of their 20 scheduled games. They won 12, lost five and tied three, giving them a total of 27 points for the season. Morrisburg and Cardinal were their most difficult opponents as the Flyers were defeated twice by each team. But they in turn defeated Morrisburg three times, and Cardinal twice.

Oldtimers lose in own tournament

CHESTERVILLE (Staff) - Chesterville's Oldtimers remained undefeated throughout the week in games at Osgoode and at home against Mountain. But the streak didn't quite last long enough, as they were defeated at the top rung of the B ladder in their own Oldtimer's tournament here on the week-end.

Chesterville's match against Berwick was a high scoring match which went into overtime after Chesterville came up from behind when they trailed 6-3 at the start of the third period.

In five minutes, three goals were scored. Rae Imrie put one in at 5:37 remaining in the game, Jack Lannin scored at 3:26 and Mike Fyke finally tied it up with fourteen seconds to play.

Chesterville's second game had a happier ending, as they defeated Kemptville 3-1.

Rick Barkley scored first part way into the first period, assisted by Reg Dion and Mike Coyle. Jack Lannin ended the period with an unassisted goal at 1:09 remaining to take Chesterville into the second frame with a 2-0 lead.

Kemptville came onto the scoreboard in the last two minutes of the second frame, but could not get past goalie Peter Monast a second time.

Mike Coyle ensured Chesterville's win with a final minute goal from Rick Barkley and Reg Dion.

The B finals were between Metcalfe and Chesterville.

Metcalfe led 2-0 at the start of the second frame, but Chesterville was able to tie it up with goals by Rick Barkley and Jack Lannin, before the period ended.

Chesterville was not able to break Metcalfe's defenses in the third frame, and the final result was a 4-2 defeat, and the B champion trophy in Metcalfe's hands.

Need business help?
ONTARIO'S YOUTH IS READY TO WORK

This summer, to get extra work done in your business, hire a young person. Ontario's youth is ready to work, and Ontario will help you pay their wages.

If you can create new work for people aged 15 to 24 this summer Ontario will pay you $1.25 an hour, to a maximum of $50 a week, towards each salary. The maximum grant allows for 4,000 hours of help at each location where you would like to hire.

It's The Ontario Youth Employment Program – OYEP

You are eligible for OYEP if:
- You have actively operated a business or farm in Ontario for at least one year prior to April 11, 1983.
- You can provide 25 to 40 hours of supervised work a week for between 8 and 20 consecutive weeks.
- You can create new work, in addition to what they would normally provide, between April 11 and October 16.

Employees are eligible under OYEP if:
- They are between the ages of 15 and 24
- They reside and are eligible to work in Ontario
- They are not related to the employer

Last year OYEP helped Ontario farmers and businesses hire more than 50,000 young people.

OYEP is a popular program. Funds are limited, so apply as soon as possible.

Deadline for applications is June 10, 1983 or earlier if all funds have been allocated.

For complete guidelines, an application or more information contact or ask employers to contact:

Green Machine slows as Red wins first in finals of Town League hockey

CHESTERVILLE (Staff) - Red has taken the first match in the best of five games series against the Green Machine in Chesterville's Men's Hockey League action last week.

Tony Kelly put the Red team on the scoreboard early in the first period when he scored off a pass from Pat Kelly at 11:59 remaining.

Red continued their lead when Rudy Grisel set Dave Arnold up for their second point of the match. But the Green Machine finally got its motor going a minute later when Steve Plummer caught a pass from Jim Tuttle and Rick Cowell to make the score 2-1 going into the second period.

Period two saw no scoring and a lot of skating as both teams worked hard to defend their ends. It wasn't until 11:11 remaining in the game, that Kevin Mackler and Rudy Grisel were able to team up to break through the Machine's defenses for the third time in the game, and the first time in over 20 minutes of play.

The Green team tried for a comeback, but all they could manage was a goal by Dave Cross at 3:52 left in the period to bring the final score to 3-2.

Blake Henderson defended Green's net and Steve Droppo took the win for the Reds.
