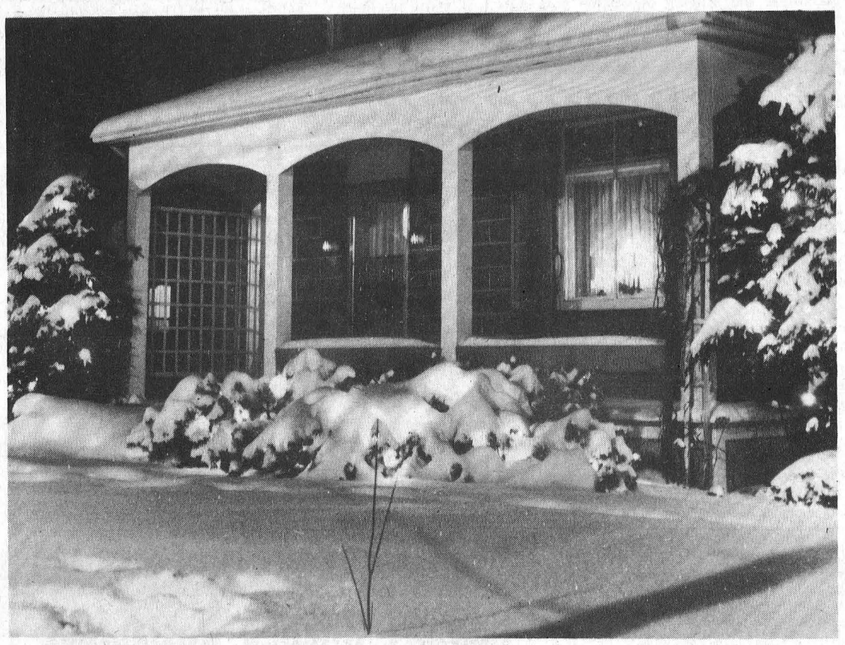
VOL. 83 NO. 33 | WINCHESTER, ONTARIO, THURSDAY, DECEMBER 17th, 1970 | 14 PAGES PRICE 10 CENTS



Beauty By Night

The glorious message, 'Peace on Earth - Good Will to Man', has a sort of hollow ring in this age of wars and unrest. Possibly, however, the serenity of homes, apparently resting on a billowy pillow of white, exude an atmosphere of happiness and contentment similar to that experienced by shepherds of Bethlehem nearly two thousand years ago.

A pale moon, assisted by artificial light and mounds of newfallen snow has made Winchester a place of quiet beauty. Top is a view of the residence of Mr. and Mrs. Ed. Boyd on Henderson Crescent, while the other, with beautiful evergreens smothered in white, is the Main Street home of the Hugh Eadie family.

FOR COMMUNITY CENTRE

Debenture Tender Accepted

Village Council has accepted the tender of the Ontario Municipal Improvement Corporation to purchase the $65,000 Community Centre debenture issue. Decision was reached at the regular December meeting held in the Council Chambers last Thursday evening.

The debentures, sold on a 20 year basis, will bear 9.2 percent interest and were purchased at par value. Only one other bid was received. In other business Council awarded the snow plowing contract to the Angus firm which has been looking after this service for several years. Removal of snow from the streets will be carried out by Don Redmon and Sons, as well as other firms when the need arises, Council said. Rates for snow removal will be dependent on the types of facilities offered.

Final agreement was reached with the Ontario Water Resources Commission concerning the taking over of the existing sewer lines in Winchester. As of January 1, 1971 the existing sewer system will become a part of the over all sewer installation program. It was also suggested that sewer installation on the main streets of the village could take place during the winter months at a time when detour routes would have a harder surface. It was also suggested that the necessary concrete sawing could be performed during the colder months in easier fashion than later in the year.

Council announced that it would supply the new Community Centre with the necessary transformers and lead-in lines. It was also revealed that information had been forwarded to the Department of Agriculture and Food at the Department's request in conjunction with the $10,000 grant for the Hall, a part of the Community Centre complex.

A letter from Canadian Pacific Railways was read telling of the company's request to the Department of Transport to remove or demolish the existing station. Council has announced that it is interested in the purchase of the land, but not the buildings. Clerk Raymond Annable said that at the request of the Department of Highways a five-year plan had been forwarded outlining the needs of the connecting link on St. Lawrence and the Main streets.

Council Voices Protest

WANTS EDUCATION BOARD RETAIN NURSE AT NDDHS

Winchester municipal council has voiced strong opposition to United Counties Board of Education decision to eliminate full nursing facilities at North Dundas District High School at the end of the current year.

Aware of the need for such services where more than 1,000 people are concerned and because of the location of the school midway between Chesterville and Winchester, Council has forwarded a letter to the Board, and all neighbouring municipalities asking for their support in maintaining full time nursing services at the school.

The Board recently said that nursing facilities in the way of a full time registered nurse would be discontinued as of December 31. Thereafter, it is understood, certain facilities would be offered by the Department of Health. However, Council as well as many ratepayers in the North Dundas area, are not satisfied with the Board's decision. They have initimated that they desire more information as to why the nurse will not continue to be on staff, and the type of service which will be offered to replace the present facilities looked on as excellent.

The Board has intimated that if a nurse is on staff at North Dundas similar facilities must be offered at all schools.

Snowmobile Noise Brings Complaints

OPP ENFORCING REGULATIONS

Weather conditions are ideal for snowmobiling but operators should keep in mind the village curfew.

Village Clerk, Raymond Annable told the Press Tuesday morning the curfew, legislated last winter, remains in the books and the machines are not allowed in the village limits between the hours of 11:00 p.m. and 8:00 a.m.

There have been many other complaints, and again this season drivers enjoying the noisy, rugged sport forget that patients in hospital often become disturbed and restless listening to the deafening roar nearby.

It has also been noted that some operators are creating a nuisance on Sundays.

"If they don't want to go to church", said one irate villager, "that's entirely up to them, but do they have to bother those who choose to attend?"

The solution seems quite simple.

Those who operate snow vehicles must learn to show more consideraion for the rights of friends and neighbours.

Being an ideal rural area there are literally thousands of acres of open land where the colourful machines can be enjoyed to the utmost. Many who enjoy the new sport report the real fun is out on the trail.

Law enforcement officers have expressed concern regarding flagrant disregard for snowmobile regulations.

Several charges have already been laid and officers have been instructed to be on the alert for those who break the laws.

It should be remembered no person under the age of 16 is allowed to operated such a machine on a highway, sidewalk or roadway, according to the Highway Traffic Act.

This means those under 16 must not drive machines on village streets at any time, and parents who allow youngsters to operate such machines, should instruct them to drive only in open fields.

O. P. P. officers also draw attention to the fact the machine owner is responsible for, and can be charged, as well as the driver.

To Build Or Not - Education Board Ponders Problem

Member of United Counties Board of Education are divided on the school building question.

It will be remembered the board had previously taken the stand that it must receive authorization for four major projects or 'none at all'.

The feeling has apparently changed, and since it has become obvious the Department of Education will not sanction such a large program, the problem facing the board is to determine where to build and where not to build.

The original four-program proposal included (a) a new school in Stormont; (b) a secondary school in Cornwall; (c) a machine shop in North Dundas District High School and (d) extension of facilities at Char-Lan District High School.

Trustee Sam McLeod still is strongly in favour of the new school in Stormont. Superintendent of curriculum and planning Maurice Beachemin, reminded the board that Cornwall schools are overcrowded and pointed to the existence of a shift system.

Director of Education Harvey Shaw, explained that the original submission to the department for the four-program proposal has been rejected by the Department, which says only one can be built at this time.

"We'll just have to continue hammering at the Minister's door", said the Education Director.

Mr. McLeod, however, argued that top priority was North Stormont. "If the department can't give us the money for this," he said, "then trustees have no use here. The board is useless if the Department vetoes everything and tells US what we need."

Following the heated discussion board chairman Bryson Comrie adjourned the meeting suggesting that a decision should be reached after one more hour of debate.

Seven Days To Shop

In Winchester Village

There are only seven (7) shopping days left, counting today, Thursday, before Christmas and Winchester merchants will remain open evenings to accomodate last-minute shoppers.

Food stores will remain open evenings beginning next Monday but other shopping outlets will be open to-night, Friday and Saturday as well.

All places of business will be closed both on Christmas Day, on Boxing Day (December 26th), and also on New Year's Day.

Banks and Post Office will not be open on December 25th or 26th. For those having difficulty finding suitable gifts for very special friends a visit to Winchester may well provide the solution. All stores have a wide variety of gift material and purchases will be colourfully wrapped on request.

The entire town is beautifully decorated and parking is no problem.

Court Sends Roger Young To Hospital For Observation

Roger Lee Young of Winchester Springs, appeared in District court, Winchester Tueday morning, and was sent to Ontario Hospital, Brockville, for a period not exceeding 60 days, for observation.

The 18-year-old North Dundas District High School student is being held in connection with the stabbing of 13-year-old Margaret Spruit on December 2nd.

Miss Spruit is still a patient at Ottawa Civic Hospital where her condition has been listed as satisfactory.

Women's Liberation In Service Clubs?

Members of Metcalfe and District Lions Club entertained the ladies at an annual pre-Christmas party last week and one member, a club Past President, forsaw a grim future for service clubs if the 'Womens' Liberation' move continues to grow.

"Can you imagine," he said, "members of our Lions Club being called on to cater to a meeting of the Womens Institute?"

The terrible thought came from Past President, Jim Rowan while proposing a Toast to the Ladies, and he predicted some other rather awesome circumstances that might occur if women gain the 'eqaul status' they are seeking.

Most club members and their wives (or girl firends) were on hand and a feature of the evening was the induction of four new members. Past District Governor L.T. Nolan conducted the induction ceremonies and Adelard Bourbonnais, Bill Vail, Alton Kinnear and Peter McCooeye joined the ranks of the greatest service club in the world.

See "WOMEN'S" Page 4

Press Early Next Week

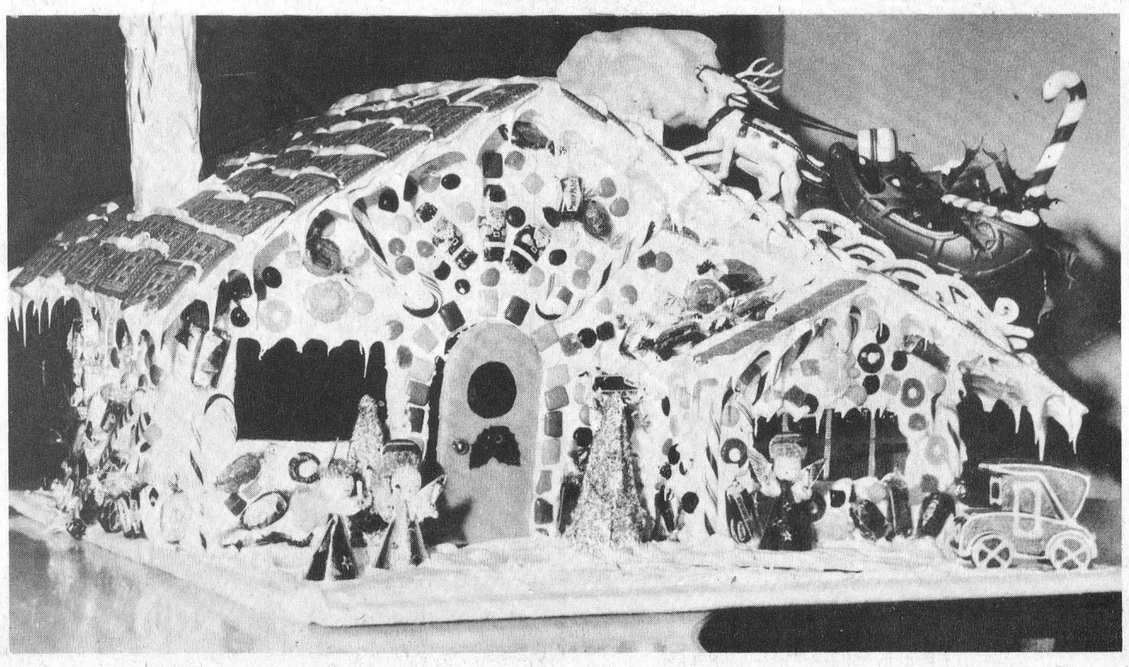
Attention is drawn to the fact next week's 'WINCHESTER PRESS' will be published one day early.

All mailing will be completed on Tuesday, December 22nd and, hopefully, all readers will receive their copies before Christmas.

Correspondents and all those wishing to place ads, or other news items should note that all such copy must be received by Saturday December 19th.

Included with this early issue will be the annual 'Christmas Greeting' supplement and this year's edition should prove exciting reading for all.

It contains many items of special interest written by area school children and also several works of art, also created by public school pupils.



House Of Candy For Hospital Kids

Students from Grades 6, 7 and 8 at Winchester Public School, mindful that while they enjoyed preparations for the great feast of Christmas other little boys and girls were confined to hospital rooms, decided to do something about it.

Something to bring a little cheer into the heart of a sick friend was the aim, and the smiles of appreciation more than paid for the hours of patient labour.

Christmas is a time of beauty, of colour and of candy. Of Santa, of gifts and above all the birthday of Christ.

Those who worked on the project succeeded in incorporating the entire story into the beautiful creation shown above.

The genuine work of art was delivered to the hospital last week by Karen Smith and Clara Stel assisted by Mrs. Gary Smith.

THE NEWS in Brief

Councillor Lorne Harrison Resigns

Osgoode Township councillor Lorne Harrison tendered his resignation at last Monday night's regular meeting.

When contacted Tuesday, Mr. Harrison explained ill health had forced his decision.

"I had contemplated making such a move for some time," said the retiring councillor, "but kept putting it off in the hope of improved health".

"However", he went on, "following my Doctor's advice I have decided to drop out of public service for what I hope will be only a short period."

Mr. Harrison operates a farm south of Kenmore and was first elected to township council in the 1968 election. He served for several years as a member of Osgoode Township High School Board and was board chairman when the larger boards came into existence.

He had also saw service on Public School Boards prior to his election to the township board.

Mr. Harrison, who has been the council representative on East Osgoode Memorial Community Centre Board since 1969, says he hopes improved health will allow his return to public service at an early date.

Hospital Contracts Awarded

Several Winchester and District Memorial Hospital contracts have been awarded and again this year milk will be supplied by Cochrane's Dairy, Russell.

The Cochrane tender was the lowest of two received, and two tenders were also received for the snow removal task. The contract for this job was given to Fred Woods and Son, also the lowest.

Universal Terminals will again be supplying bunker oil and the hospital uses an estimated 100,000 gallons annually. This will be supplied in 1971 at 11.2 cents per gallon.

Propane gas will be purchased, at 23.8 cents per gallon at 60 degrees F., from Superior Propane Ltd., Prescott, and the only tender received for supplying bread was that of Morrison Lamothe, Ottawa. This tender was accepted.

C.O.C. Sets Annual Meeting Date

Thursday January 28th, has been set as the date for Winchester Chamber of Commerce Annual Meeting and Ladies Night.

Selection of this date was arrived at Tuesday morning, when members met briefly to begin planning for the big event.

Guest Speaker for the occasion will be John Moles, Public Relations officer for Ontario Hydro and the locale will be in Winchester Country Kitchen Restaurant.

Tickets will go on sale the first week in January at $3.00 single or $5.00 for a couple.

Chamber officials point out that, since this is the Annual Meeting, nominations for various offices will be accepted from the floor.

Plan now to attend this important meeting.

School Bus Involved In Collision

A minor collison on Highway 43 Monday morning, involved a Docksteader bus, driven by Inez Loretta Byers of Winchester, and a 1968 Dodge being driven by Mrs. John Morrow of Chesterville.

The accident occurred at the intersection of Highway 43 and Rae Road, 1.2 miles east of Highway 31.

There were no injuries but Winchester Detachment of Ontario Provincial Police reported $75.00 damage to the bus and approximately $400.00 to the Morrow automobile.

100 Club Meeting And Gift Exchange

Members of Winchester 100 Club will meet to-night for their annual pre-Christmas meeting when members exchange gifts, glance back over a year's work and look at plans for the coming year.

The meeting will be held at Henderson Hall and should be called to order at 7:00 p.m.

All members are urged to attend this important meeting.

Venturer Coat Hanger Drive Successful

Last Saturday's coathanger drive, conducted by Winchester Venturers, realized approximately $20.00 from the sale of 2000 hangers collected.

The boys and their leaders expressed pleasure that so many people kindly cooperated to make the effort a success.

Venturers are a group of boys between the ages of 14 and 17 who finance their own projects and the help of the public is always greatly appreciated.

At the present time the Scout group are offering Christmas Trees for sale at very reasonable prices and the boys are hopeful village residents will stop at Elliott's store where the trees are on display.

Money realized from such sales will greatly assist the Scouts and in planning for their 1971 activities.

50 Million Ton Mark Reached

For the first time in the 11-year history of the St. Lawrence Seaway the 50 million ton mark has been reached and will be exceeded before operations cease for the winter season.

The mark was reached December 10th when an Irish Supply Ltd. ship entered the Iroquois lock.

Officials said some 39 vessels were still in the seaway at that time and reported December 15th as the absolute deadline because of construction work at St. Lambert Lock.

The Irish vessel carried 12,143 tons of grain down through the Seaway system on its historic passage.

Children's Christmas Party At Ault's

Ault Milk Products Limited, Winchester, has completed plans for a very special Christmas Party this Sunday afternoon.

This is a first for the local plant and all staff members will have an opportunity to bring their children for an hour of fun.

It is anticipated Santa Claus will make a brief appearance for this very special occasion.

Activities get under way at 2:30.

4-H Achievement Day

Sisters Win Provincial Honours

Inkerman sisters, Brenda and Janet Timmins, both members of Winchester No. 1 Homemaking Club, were awarded Provincial Honours at last Saturday's 'Achievement Day'.

The event was staged at North Dundas District High School and Mrs. Mary Moore, Home Economist from Kemptville, had words of praise for all girls.

Six girsl received 'County Honours' including three from the Morewood Club; one from Winchester No. 2; and two from Winchester No. 3.

Those honoured from Morewood club were Debbie Stewart, Mary McLaughling and Cheryl Godard. Winchester girls honoured were Linda Holmes, Ellen Johnston and Janice MacIntosh.

Various clubs presented interesting and informative exhibits and skits. '3 Main Course Dishes for a Third Meal', with Linda Holmes as commentator was contributed by Winchester No. 2 Club; Winchester No. 3 presented 'A Third Meal Featuring Cheese' with Rina Beuman as spokesman; Cathy Herriman described 'The Third Meal Feturing Cheese' for Williamsburg Club.

'Your Lunch is Better Than Mine', in the form of an amusing skit was presented by Morewood Club featuring Lorna Crump, Diane Baker, Holly Carruthers, Joan MacGregor, Debbie Stewart, Cheryl Godard and Sandra Baker.

Winchester No. 1 Club presented 'Cookies That Carry' with Norma Johnston and Heather Saunders participating, and 'Tossed Salad' was the offering of Riverside Heights with Lynn Swerdfeger and Geraldine Crober doing the honours.

Of Interest to Women

Winchester United Church Women

Christmas Meeting Attracts 50

President, Mrs. Clark Curtis, welcomed 50 members of the United Church women to a bounteous Pot Luck supper at 6:30 p.m. last Thursday in the United Church, Sunday School Hall.

Mrs. Harold Francis, Mrs. G. Barton and Miss Aleitha Coons, led the Christmas worship service with Christmas readings, scriptures, carols and prayer.

Mrs. Wm. Collins sang solo entitled "Put Christ Back Into Christmas," which was greatly enjoyed by all present.

A film entitled "Glory to God on High" was shown by Rev. MacDonald.

Mrs. Curtis opened the business meeting with a reading entitled "The meaning of Christmas", followed by a prayer.

Two ladies from each of the 6 units are meeting in the S. S. Hall on December 21st, to decorate and pack Christmas cheer baskets for the sick and shut-ins.

195 pound bail of toys, new and good used clothing was sent to the Indians at Oxford House, Manitoba.

Mrs. Arthur Moorhouse accepted the office of 3rd Vice-President for the coming year.

Mrs. Curtis reminded secretaries to have their reports ready for the next meeting which will be held on Jan 7th.

Mrs. H. Fetterly played the piano for the singing of Christmas carols while waiting for Santa Claus who presented a gift to each one.

Mrs. G. Ennis voiced the thanks of those present to the unit leaders for their inspiring program and the meeting closed with the Mizpah Benediction.

Vernon Ladies' Aid Meeting

Mrs. Ray Longstreet, Vice President, chaired the meeting of the Vernon Ladies Aid, in the absence of the president. She opened the meeting with a reading "Christmas Story".

Mrs. Bruce Dow gave the secretary's report, which indicated a very busy year.

It was agreed that candy would go to the children of the church again this year, as well as baskets for the shut-ins. Mrs. H. M. Lee agreed to look after this.

In the election of officers for the coming year, Mrs. Winston Bellinger was named Vice President. All other offices remained the same. The meeting closed with the Mizpah Benediction.

Lunch was served by Mrs. Stewart Fisher and Mrs. Winston Bellinger. The next meeting will be held at the home of Mrs. H. M. Lee, January 7th, 1971.

29 Enjoy Pot Luck Supper At Mountain U.C.W. Meeting

The December meeting of the Mountain United Church Women was held in the Church Hall on Tuesday, December 8th. Twenty members and nine visitors enjoyed a delicious pot-luck supper.

Mrs. James Baker conducted the business period. Annual reports were given by the Corresponding Secretary and social committee. Twelve home visits and eight hospital visits were reported. The Worship Service consisted of carol singing and Bible Reading.

The program was the story of the "Other Wise Man" presented by Mrs. John McCargar, assisted by Mrs. W. Gibson, Mrs. Oscar Milne, and Mrs. Carl Bryan.

A highlight of the evening was the presentation of life memberships to Mrs. J. Cameron and Mrs. John McCargar. Both members expressed their appreciation.

Metcalfe W.I. Gathers

Metcalfe Women's Institute met at the home of Mrs. Wilmot Stanley for the December meeting. Roll call was answered by 15 members and 2 visitors each bringing a gift for a child in the Smith Falls hospital.

The January meeting is to be at the home of Mrs. Arnold Toll.

A display was set up of the articles made by the members at the papier mache course.

Mrs. William Dow read a poem she had written for the Summary Day of the course.

Christmas carols were sung with Mrs. Russell Blair playing the piano.

Mrs. Arnold Toll conducted a contest which was won by Mrs. Wm. Dow.

The hostess gift was won by Mrs. Milton Jeacle.

A delicious lunch was served by the hostess and Mrs. Ken Dow.

Morrisburg Church Scene Pretty November Wedding

St. Mary's Church, Morrisburg, was the scene of a pretty wedding on Saturday, November 29th, when Father MacDonald united in marriage Marilon Yvonne Harper and Maurice Joseph Lamoureux in a wedding ceremony soleminized at two o'clock in the afternoon. The bride is the daughter of Mrs. Pauline Harper, Williamsburg; Mr. and Mrs. Gerard Lamoureux, Cornwall are the parents of the groom.

Mrs. Maefred Merkley was organist for the occasion. The wedding guests were seated by the brother of the bride, Bert Harper, and Robert Lamoureux assisted the groom as best man.

Mr. Harold Wylie gave his niece in marriage. For her wedding day, the bride was attired in a street length white lace dress featuring full bishop sleeves with turquoise and white daises enhancing the scoop and daisies held her finger-tip illusion veil and she carried a cascade of red roses.

The bride's attendant, Donna Harper, wore a street length dress, styled similar to that of the bride's, in turquoise crepe and carried a bouquet tinted to match her ensemble.

Following the ceremony, a wedding reception was held in The Pioneer Hotel, Williamsburg. Guests attended the wedding from Cornwall, Ottawa, Prescott, Cardinal, Iroquois, Montreal, Brinston and Williamsburg.

1971 General Synod Of Anglican Church To Meet In January

At least six major issues will highlight the 25th Session of General Synod of the Anlican Church of Canda next month in Niagara Falls, Ontario.

General Synod will convene at 9:30 a.m., Monday, January 25th in the Sheraton-Brock Hotel, with the opening Eucharist and the opening address by the senior Metropolitan and Acting Primate, the Most Reverend William L. Wright. The Session begins January 25th and continues to February 3rd.

According to the Executive Director of Program, National Office, the Anglican Church of Canada, Canon J. C. Bothwell, some of the major issues include: the election of a new Primate, the approval of a new joint hymn book for the Anglican and United Churches, the reception of the report of the Commissioners on Union, the full re-consideration of the Anglican Church of Canada's policy regarding overseas work, a discussion on the implications of the integration of the national structure of the Anglican Church Women with the structure of the whole church, reports and policy decisions on such matters as youth work, Coalition for Development and the implementation of the Hendry Report (dealing with native peoples).

Canon Bothwell says the reason for holding the Anglican General Synod and the General Council for the United Church at the same time and place, is to make sure the two national Churches will be on the same time schedule when an eventual Plan of Union is developed. Thus they would NOT be faced with the problem of one church having to consider such a plan before the other. He says, "I think there is general agreement that, although we are meeting in the same city and at the same time, for the most part, the two national bodies will function separately. On the other hand, there is much to be gained from the information sharing of the delegates of both churches.

General Synod is the national parliament of the Church and decides the policy for the work of the National Office at 600 Jarvis Street in Toronto. However, the Anglican Church is a "federation" of 28 dioceses and part of the job in the implementation of General Synod policy will be to make sure that the dioceses are adequately consulted and informed.

The last General Synod met at Laurential University in Sudbury in 1969.

With the exception of a few meetings at the Sheraton-Brock Hotel with the United Church of Canada, the Anglican sessions are being held about 75 yards away at the Sheraton Foxhead Inn.

BIRTHS

The following is a list of recent births at the Winchester District Memorial Hospital.

On Friday, December 11, 1970, to Mr. and Mrs. Arthur Martell, of Iroquois, Ontario, a son.

On Friday, December 11, 1970, to Mr. and Mrs. Alton Cassidy, of Inkerman, Ontario, a daughter.

On Saturday, December 12, 1970, to Mr. and Mrs. Keith Blaine, of Chesterville, Ontario, a son.

On Sunday, December 13, 1970, to Mr. and Mrs. Thomas Rance, of Chesterville, Ontario a daughter.

On Sunday, December 13, 1970, to Mr. and Mrs. Brian Keeler, of Brinston, R. R. #2, a daughter.

Murdock - Harold and Sally (nee Simms) proudly announce the safe arrival of their first child, a daughter, Elizabeth Jane, 7 lb. 14 oz., on December 11, 1970, at the Hotel Dieu Hospital, Kingston, Ontario.

"It's the hat trick, Mr. Dawkins!"

40th Anniversary

On the occassion of their 40th wedding anniversary, friends, relatives Mr. and Mrs. Mac Carkner, R. R. 4, Winchester on Saturday, December 5, 1970.

A beautifully decorated caked centered the table accented by a bouquet of forty red roses.

The honoured couple were recipients of many cards, lovely bouquets and gifts, and personal calls.

Guests were from Woodstock, Toronto, Montreal, Renfrew and area.

Personal . . .

Mr. and Mrs. George Imrie, Mountain, and Mr. and Mrs. Rae Imrie, R. R. # 4 Winchester, spent the weekend in Toronto, and attended the Hockey game in Maple Leaf Gardens, on Saturday evening. While there they visited Gordon Hanson and enroute home with Mr. and Mrs. George Imrie, Kingston.

Eight - Year - Old Nancy Lynn Miller Dies At North Bay

Friends in the area were saddened to hear of the sudden passing of 8-year-old Nancy Lynn Miller at North Bay.

Nancy Lynn was a daughter of Major and Mrs. J. B. Miller Mrs. Miller is the former Freda MacDonald of Metcalfe.

The little girl had been hospitalized earlier in the summer but had returned to school.

Besides her parents she is survived by two sisters, Anne Lee and Dawn Frances. Funeral service was from Vice and Craig Ltd. Funeral Home, Metcalfe to Holy Trinity Anglican Church where service was conducted by Rev. Father MacGregor.

The tiny casket was carried to its last resting place by six of the little girl's uncles: Gordon Boland, Ernest Whiteside, Ed. Monroe, Art Eastman, Carson McDonald and Willis Carson.

Interment was in Springhill cemetery.

Ontario Hydro Cautions Safe, Merry Christmas

This is the time of year when the annual festival of Christmas lights brightens the streets, offices, plants and homes in many countries around the world.

But, as Ontario Hydro's electrical inspection department warns, a word of caution can save headaches and possible danger, with home lighting.

Probably the most frequent accident arises from confusing the uses of "outdoor" and "indoor" lighting sets. Putting indoor sets outside the house can result in cracked insulation and rapid weathering with the consequent possibility of electrical shock and fire.

It's often false economy to try to make home repairs to low-cost Christmas lights. Splicing or taping of worn wiring isn't always a saving. If the set is in first-class condition, use it again. If it calls for home repairs, be sure you are an expert or you may be sorry.

One reason for the good reputation enjoyed by Canada's electrical industry in the establishment of the CSA seal on equipment which means it has passed the tests by the Canadian Standards Association. One final note --- be sure to turn out the Christmas tree lights before going to bed. And a happy Christmas.

Metcalfe Lions Show Pleasure With Broadcast Response

Members of Metcalfe and District Lions Club who worked throughout the day Saturday were pleased with the response of area residents.

Thanks to the kind cooperation of Radio Station CFRA, this Lions Christmas Cheer Broadcast has been an annual event for the past seventeen years. It was originally the brainchild of West Ottawa Lions but since that time other area clubs have been permitted to join in the campaing that brings happiness into many homes at Christmas.

President Harold Cowan, reported a slight increase over last year bringing the total close to the $500.00 mark at the Metcalfe centre.

Several Winchester and area residents made generous contributions and all proceeds from this venture go towards making Christmas a little brighter for those in need, for shut-ins and for the older people.

Jim Rowan is in charge of this project and urges all readers to kindly draw his attention to any needy family in the area. "We don't want to miss anyone", said Lion Jim.

Next Wednesday will be 'L' day in the district served by the club and members will be out delivering heaping hampers and fruit baskets galore in the true spirits of Christmas.

Christmas Theme Prevails At Vernon WMS

The Vernon Presbyterian W. M. S. held its Christmas meeting at the home of Mrs. Richard Petty on Thursday evening, December 10th, 1970. 18 ladies were present.

The president, Mrs. W. D. Dow opened the meeting with a reading "No Room". All present joined in singing the hymn "O Come All Ye Faithful."

Mrs. Winston Bellinger took the devotions from St. Luke, Chapter 2, verses 1-20.

A Life Membership was presented to Miss Katie MacAndrew, Mrs. Isobel Lewis and Mrs. Alex Campbell presented Miss MacAndrew with the Life Membership pin.

Mrs. Ian Crerar read a poem "Christmas comes but once a year."

The program was taken by Mrs. John K. Campbell and entitled "The Old, old carols". Mrs. Campbell told how some of our favourite Christmas carols originated and the composers names. Some of these carols dated back many, many years. Everyone joined in singing a verse from each carol mentioned.

The president closed the meeting with prayer.

Averaging Income Can Assist Farmers

Averaging of income is a means of leveling out the hills and hollows of farm income over a five year period. The income of the good years is combined with the income of the poor years, thus reducing the tax for the period.

For example, the taxable income for the five year period from 1966 to 1970 varies from 0, on which there was no tax, to $7,000.00, on which the tax was $1,684.20. The total income for the five year period is $15,500.00, which gives an average yearly income of $3,100.00. This is the figure which is used for averaging income. If the farmer had not of averaged his total tax would have been $3,551.90, but by averaging this is reduced by $485.90. Averaging is most useful when there is large fluctuation in income from year to year.

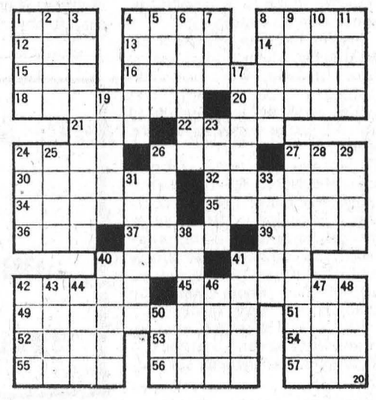
Answer



Snow For Christmas

There were those who predicted a mild winter with very little snow.

Some of these prognosticators based their factual knowledge on the antics of the striped caterpiller; others on the movements of the lowly earthworm; and still others 'knew' because an old Indian friend said so.

If those morbid forecasters thought they got surprised, they might consider the plight of the caterpiller and worm since mother nature blanketed the countryside with over a foot of white fleecy snow.

Shovellers may not be all that happy but snowmobiliers are chuckling happily and one has to admit the radiance of Christmas lightening is greatly enhanced by the mounds of white.

The above picture was taken at the office door as snow removal crews were busily engaged opening streets and sidewalks following the most recent storm.

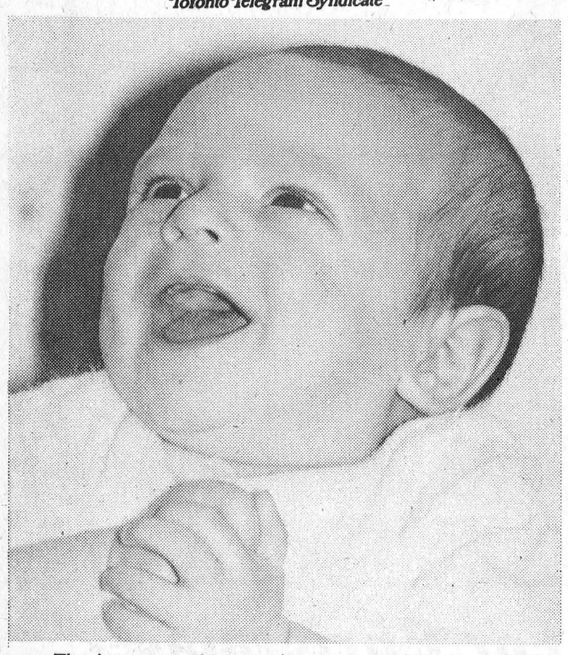
TODAY'S CHILD

BY HELEN ALLEN

Toronto Telegram Syndicate



The happy, toothless smile belongs to Teddy, a little heart-stealer not quite three months old. Of German descent, he has dark eyes, brown hair and fair skin.

Just now he is wearing tiny casts on both feet with only his toes peeking out. This is to correct club feet, a process usually completed before a child is ready to walk. It is expected his feet then will be normal. The casts do not make him hard to care for; they are changed as he grows and are very light in weight. He can't have a tub bath, but otherwise is treated like any other baby.

Teddy is healthy, a good-natured, relaxed baby who cries only when he's hungry. He is a good eater and sleeps all night. Teddy is used to lots of bustle and activity in his foster family. He loves all the attention he can get, even from strangers.

Teddy will be a lovely son for a family wanting a really young baby. To inquire about adopting Teddy please write to Today's Child, Department of Social and Family Services, Parliament Buildings, Toronto 182. For general adoption information ask your Children's Aid Society.

DREAMING...

of a white and safe Christmas

According to the popular song everyone is 'dreaming of a white Christmas'.

This, it appears, will be a reality in eastern Ontario but the Canada Safety Council suggests we should also be 'dreaming of a safe Christmas'.

In the sincere hope of promoting this 'dream' the Council submits the following release entitled "HOLIDAY HAZARDS".

Holiday Hazards

Canadians can keep ambulances and fire engines where they belong - in the garage - this holiday season by taking common sense precautions, the Canada Safety Council says.

"First be a friend - then a host!" is a good guideline for festive parties which too often lead to traffic mishaps, James Thackray, President of the Council said in a holiday message.

Hosts should adopt a sense of responsibility towards guests who have to drive home, he said. That one for the road might very well put the guest off the road.

The average person's system can absorb a 1 1/2 ounce drink of spirits or 12 ounce bottle of beer an hour. The guest who overdoes it despite the best intentions of the host should be sent home in a taxi. The office party is potentially dangerous for employees who drive to work. A number of firms solve this problem by asking employees not to drive to work the day of the party and arranging transportation home after the event.

A snack with coffee at the end of the party will not sober up guests but it will gain valuable time for the body to elimiate the alcohol. However, guests who try to sober up with a lot of coffee, cold showers and exercise merely turn themselves into wide-awake drunks whose functions remain impaired by alcohol.

En route to a family holiday or parties, drivers should make sure they can see out of all windows and that their vehicles including lights can be seen. In this season combining slippery roads, dense traffic and darting pedestrians, drivers should make sure there is enough space between them and cars ahead and behind in which to stop safely in the event of an emergency.

Turning to home accidents, studies show alcohol is a major factor in falls, fires and cuts, dissipating the fallacy that heading home before engaging in heavy drinking ensures a safe holiday.

Falls are the most common home accidents. Ice-free walks around the house prevent accidents. Securing a firm footing when putting up decorations is essential. If available, taller people should decorate places out of reach of other people rather than employing makeshift ladders.

With a lot of people around, main walking areas should be freed of potential hazards such as foot stools.

Fire is the next main household hazard. Before outdoor decorating is started, householders should make sure their circuits can take the extra load and that their wiring is in good condition. Weather-proof cords and sockets should be used. Never use large than a 15 ampere fuse.

Frayed wires and cracked Christmas tree light fixtures can also cause fires. The tree itself should be kept moist by inserting it in a stable, water-filled container. Check and refill the container if necessary because Christmas trees are thirstier that you think.

Keep the tree away from fireplaces and don't hang tinsel near electric outlets or plugs because any contact with electricity causes dangerous sparks. When the tree gets tinder dry after Christmas, it should be disposed of despite objections.

Gift wrappings should also be thrown out as soon as possible because they are most flammable.

Cuts and burns ruin many holidays and are often caused by excessive traffic in the kitchen. Keep children away from the cooking area as much as possible and avoid scalds by turning pot handles inwards.

When it comes time to cut the bird, the man of the house should be in such a condition that he carves the turkey, not himself.

The Canada Safety Council wishes all Canadians a Merry Christmas and a Happy New Year. They will be merry and happy if everybody practices moderation in drinking and common sense at home and on public roads.

Fewer Voting Delegates To Select New PC Leader

1,719 voting delegates and 1,190 alternates will face the taks of selecting a new leader to succeed Hon. John Robarts at the February convention.

This is 400 fewer than at the last annual meeting and, although dates of the convention are Feb. 10th, 11th, and 12th, the actual voting will take place on Friday.

Wednesday will be taken up with tributes to Premier Robarts and candidates speeches will be heard on Thursday evening.

In selecting delegates for this important meeting officials point out that each of the 118 riding associations will send 10 delegates and 10 alternates. The number of delegates-at-large, friends of the party who are not active in party affairs, will be reduced from 100 at the last convention in 1961 to 58.

Other delegates will include all federal and provincial candidates from Ontario in the most recent election, accounting for 205 votes.

There will be eight senators from Ontario, six delegates from each of the Ontario women's young PCs and student associations; 65 delegates each from the offices of the district PC, district women's, and district YPC associations; 19 provincial association officers; two honourary officers and 33 representatives of student groups at universities and technical institutes.

"WOMEN'S"

Continued from Page 1

Prior to a delicious dinner served by members of the Ladies Curling Club the blessing was asked by Rev. Father MacGregor of Holy Trintiy Anglican Church, Metcalfe.

Father MacGregor, who during his stay in Metcalfe has always been a staunch supporter of all Lion projects, is leaving shortly for his new parish at Carleton Place and President Harold Cowan, speaking for all club members, thanked him for his willing cooperation and wished him success in his new parish.

Recently married club member Wayne Irwin and his lovely bride were honoured by club members and presented with a wedding gift. In making the presentation, President Harold suggested that 'Lion Wayne' was setting a fine example for other 'single' members.

Following dinner and presentation of attendance awards the evening concluded with dancing with music supplied by Glen Cochrane.

BILL STEWART SAYS...

Bill Stewart

SERVICE MANAGER

Enjoy the rest of your life too!

Don't let death take your holiday before it even starts. Drive safely and live to enjoy another year.

Wherever you are going these days, travelling to the homes of friends and relatives, going to holiday parties, just going about your usual daily activities, remember to drive defensively and observe speed limits. Take time to drive carefully.

Above all, be sure you're ready to drive. Gasoline and liquor are a lethal mixture. Make "one for the road" coffee.

Season's Greetings To One And All

CARDS OF THANKS

CARD OF THANKS—I wish to express my thanks to all my friends and relatives for the cards and visits while I was a patient in the Winchester Memorial Hospital. Special thanks to Dr. Marston and the nurses and also to Rev. Walter J. Goos.—Mrs. Sadie Whitteker. 33c

CARD OF THANKS—To our friends, relatives and neighbours, who by their floral offerings, cards, messages of sympathy, sincere gestures of kindness and sympathy have helped to lighten my sorrow in the loss of my dear husband, Mike, I can only say "thank you."—Nellie Dunlop. 33c

CARD OF THANKS—I wish to extend my sincere thanks and appreciation to my friends relatives and neighbours for cards, flowers, visits and phone calls. A special thanks to Dr. Justus, Dr. Rosenquist and Dr. Domanko for their attention to me and also the staff and nurses on the first floor. My sincere thanks to all.—Eva A. Reddick. 33c

CARD OF THANKS—To our relatives who so thoughtfully entertained on our behalf, to our friends and neighbours for their beautiful gifts and cards, for all messages of congratulations extended in person and by phone, on the occasion of the 50th Anniversary of our marriage, we wish to express our sincere appreciation. To be remembered and honoured by loved ones and friends old and new on such a wonderful occasion in our lives, will always be treasured in thought by each of us in the years to come. Thank you.—Lorne and Nina Armstrong. 33c

CARD OF THANKS—I would like to sincerely thank all my friends and relatives for their cards, gifts and visits while I was a patient in Winchester Memorial Hospital. Special thanks to Dr. Houze, Dr. Dwayne Justus and the nurses on the first floor.—Duane Schwerdtfeger. 33p

CARD OF THANKS—I sincerely thank everyone who visited, sent cards, flowers, gifts, and made calls while I was at Winchester Hospital. Special thanks to Dr. H. Justus, nurses of the first floor, room-mates, Rev. MacDonald and clergy.—Bonny Baker. 33p

CARD OF THANKS—I wish to express my sincere thanks to friends, relatives and neighbours for their visits, cards, flowers and treats while a patient in Winchester Memorial Hospital. Special thanks to the staff on second floor. Merry Christmas to you all.—Herman Wallace. 33p

CARD OF THANKS—I would like to thank all my family, relatives and friends for their visits, gifts, cards and flowers while I was a patient in the Civic Hospital. Special thanks to Rev. C. Dawes, Dr. Morrow, Dr. Scott, Dr. Monaghan, my special nurses and all the nursing staff on the third floor. It was greatly appreciated and will always be remembered. Sincerely — Maynard Reaney. 33c

CARD OF THANKS—I wish to express my sincere thanks to all my friends for their cards, treats and visits while I was a patient in the Winchester Memorial Hospital. Special thanks to Dr. Barton and the nurses and staff of the chronic wing for their wonderful care. — Mrs. James Christie. 33p

CARD OF THANKS—We wish to express our sincere thanks for all the floral tributes, messages of sympathy, and to all our friends and neighbours who assisted us during the recent bereavement of our beloved husband and father. Special thanks to Dr. F. A. Kinnaird and Rev. L. S. Woolfrey. — The Harten family. 33c

CARD OF THANKS—I would like to thank everyone who sent me cards, gifts, and for visits I received while I was a patient in the Winchester Hospital. A special thanks to all the kind nurses and Dr. D. Justus, and a very, very special thanks to Santa Claus for the nice visit, and to the Press for the picture. —Mary Jane VanDenBroek. 33p

When Do We Eat It!

"Sure looks nice, but when do we eat it"?

This was the question posed by Kevin Gibeault, right, when he first sighted the colourful house of sweets last week.

The creation in candy is the work of Winchester Public School pupils and was presented to Memorial Hospital Childrens' Ward on Tuesday. The patients gazed in utter disbelief at the beautiful house but John Koenjer, left, appears concerned that so much good candy should be 'wasted' making a house.

Snowmobile Season

Store Owners Warned

Ontario Provincial Police Weekly Report

The snowmobile season has only been with us for approximately two weeks and already 2 persons have died in the Ottawa Valley as a result of breaking through thin ice and drowning. Since the snowmobile is here to stay, the question arises as to just how many accidents will there be this year and how many persons will die as a result of these accidents.

In Ontario, from November 1969 to April 1970, 185 collisions were reported involving snow vehicles on the highways. With the increased number of snow vehicles this year, over last year, the number of collisions and deaths will, no doubt, be on the increase. The motorized snow vehicle was not designed for highway use, but if you must use the highway, you will be safe it you follow these suggestions: - -

- Be particularly careful on ice, packed snow or dry roads. Your vehicle's steering and braking systems were designed primarily for operation in deep snow or on surfaces which allow adequate penetration of the track ceats to maintain stability and control.

- Your vehicle is smaller than most other vehicles on the highway and is not easily seen by a motorist, especially at night. Even when he does see you, it is a common error to misjudge distance of a smaller object. Drive defensively.

- Make sure you know and obey the rules of the road. They were made for your protection.

- Make certain that you know how to handle your vehicle and that you understand its capabilities and limitations.

The Ontario Provincial Police have received numerous inquiries pertaining to the law and motorized snow vehicles, the following deal with the majority of questions directed our way.

- Your snow vehicle must be registered with the Ontario Department of Transport before it is driven On or Off a highway. The registration plate must be attached to the front, free of dirt and unobscured by any part of the vehicle or its load.

-The owner of a motorized snow vehicle who drives or permits the driving of the vehicle on a highway, must produce evidence upon the request of a police officer, that the vehicle or the driver of the vehicle is insured under a motor vehicle liability policy.

- A motor vehicle driver's licence is required to operate motorized snow vehicle ON A HIGHWAY. It is not required for operation OFF A HIGHWAY.

- You must report to the police any collision on or off a highway which results in injury to any person or in damage to property of any person, other than the owner or driver, apparently exceeding $200.00.

- As a motorized snow vehicle is a motor vehicle within the meaning of the Criminal Code of Canada, the breathalyzer law, impaired driving, and other driving offences covered in the Criminal Code are applicable.

Ontario Provincial Police in Dundas County patrolled 11,806 miles while working 1,297 hours. During this time, 35 charges and 68 warnings were issued under the Highway Traffic Act of Ontario.

Officers from Morrisburg and Winchester Detachments investigated 4 thefts, 1 disturbance and 23 miscellaneous complaints. One person was charged with impared driving while 5 other people were charged under the Liquor Control Act of Ontario.

Officers were kept very busy on area highways investigating 12 property damage accidents.

Provincial Court was quiet with officers spending 20 hours in court while registering 37 convictions.

Store Owners Are Warned

Christmas is a time of giving and a time for receiving. It is also the time when area stores are swamped by petty shoplifters and professional thieves. In the past week, Ontario Provincial Police from Morrisburg have been called out to 3 complaints of counterfeit $10.00 bills and 1 complaint of shoplifting. The method used for the shoplifting is that while one person keeps the storeowner busy, one or two associates go around the store stealing various articles. Another method used is that instead of shoplifting, the accomplices may rifle the cash register while the store owner is kept busy.

Due to the large volume of business going on and the great number of people shopping, this time of year is ideal for criminals to carry out their illegal business. In order to prevent your becoming victimized by such practises, keep a sharp look out for groups of strangers that may enter your store. If you become the least bit suspicious, 'phone your local Provincial Police Detachment immediately. Don't wait until it's too late!

Bert Lawrence May Enter Leadership Race

Hon., Bert Lawrence, Carleton East Progressive Conservative Member of Parliament in the Ontario Government, and a former Gloucester Township Councillor, may enter the race for a successor to Premier Robarts.

Mr. Lawrecne visited Cornwall recently and at that time suggested he would make up his mind regarding his intentions within the next ten days.

The provincial minister of financial and commercial affairs said he is presently assessing the potential support and hinted, "if if is there I'll run".

The 47-year-old lawyer told reporters if he decides to run he will initiate a fresh approach - a new look - to old problems.

"I feel", he said, "that after a quarter century in power our party could use a new approach".

Mr, Lawrence noted there are several capable leaders within the Ontario Conservative Party but hinted it was "pretty clear" Education Minister Davis is the number one candidate.

"But", said the popular Member, "in the 1970's, in a large and sophisticated province such as Ontario, with all the tremendous tensions building up, both economically and socially, anyone would be a fool to assume he had any election in the bag, either in a riding or on the provincial level".

Hon. Bert Lawrence

Oral Contraceptives

Report Presented By Minister

OTTAWA -- On the basis of evidence made public today, National Health and Welfare Minister John Munro said the risk of coronary thrombosis from using oral contraceptives containing 50 micrograms of estrogen is not of sufficient significance to demand special precautions.

The special advisory committee on oral contraceptives pointed out in its final report, however, that women using the pills should be reminded of the need for continuing medical supervision and be alerted to signs of potential trouble so that specialist consultation may be had where appropriate.

The committee found that the "combined" type of oral contraceptive is virtually 100 percent effective in preventing unwanted pregnancy while effectiveness of the "sequential" type is slightly lower.

"The report reviews in considerable detail the present state of medical knowledge of the mode of action and the short - and long-term effects of these drugs," Mr. Munro said.

"It contains a number of valuable recommendations about the direction future research in this field should take. It also makes recommendations about providing information on the use of the drugs to the medical profession and to the public, and advice to the food and drug directorate about testing the products before they are marketed."

Other major points made by the committee were:

There is no evidence so far of any incidence of premalignant change in the uterine cervix directly attributable to birth control pill.

No significant increase in the incidence of breast cancer has yet been detected although for 25 years or more concern has been voiced that clincial use of estrogens may induce the disease in women. Concern has naturally heightened since the introduction of oral contraceptives;

The committee concludes there is no firm evidence to suggest any relationship between genital and breast carcinoma and oral contraceptives.

Of the reports' 28 recommendations, three are general 13 concern pre-marketing testing, post-marketing surveillance, pharmaceutical advertising and information to the professions and the public. Twelve recommendations deal with studies in epidemiologic, haematologic and endocrine fields.

Much of the committee's discussion and study centered on the real and potential hazards of oral contraceptives. A relationship between thromboembilic disorders and the use of oral contraceptives has been established, with evidence suggesting the level of estrogen in combinations as a possible major factor in determining the risk of thromboembolism. The committee recommended further investigation of the relationship and that, whenever possible, physicians should be advised to prescribe a preparation containing not more than 50 micrograms of ethinyl estradiol or mestranol.

Formation of the special committee of seven medical specialists from across Canada was convened to advise the Food and Drug Directorate of the federal health department on all aspects of the safety and efficacy of all oral contraceptives marketed in Canada.

Members of the committee are: Kenneth E. Barrett, MC, MRCP; herbert K. Fidler, MD; R.A.H. Kinch, MD, MRCP, FRCOG, FRCS (C); Yves Lefebvre, MD, FRCS (C); S. Clair MacLeod, MD, PhD, FACOG; J. Clinton Whyte, MD, FACOG, FRCOG, FRCS (C).

The report is presented in the December issue of Rx Bulletin, published by the Food and Drug Directorate of the Department of National Health and Welfare. The bulletin is distributed regularly to all physicians, dentists, veterinarians, retail and hospitals pharmacies and pharmaceutical manufacturers in Canada.

Single copies of the bulletin are available from Information Canada, Ottawa, and Information Canada bookshops in Halifax, Montreal, Ottawa, Toronto, Winnipeg and Vancouver. Price per copy is 40 cents.

Time To Buy That New House?

If you're in the market for a new house, you'll find softening prices have created the best buyer's market in the past couple of years, Isabell Mulligan writes in The Financial Post. High mortgage rates may offset some of that advantage but the price tags themselves look more appealing as builders and realtors try hard to unload inventory and recover investment. The Financial Post reports that insiders see this situation continuing until mid-1971. By then, they expect demand will have picked up substantially and prices will begin to rise again. Much of the pressure for increased prices by then will be traceable to continual increases in the costs of labor and materials. Builders absorbed these increases in 1970 but are unlikely to do so in 1971. In a look this week at the housing situation across Canada, The Financial Post also found that the market for houses in high-price subdivisions has dwindled, and builders are shifting to low-cost houses - $20,000 and less. Their potential new customers are families earning $8,000-$12,000, a bracket now denied home ownership in many cities. The Financial Post notes that buyers are settling for smaller houses with fewer frills, as long as the price is right, and, the buyer's market in new, expensive homes has come about through over-building during the 1969-70 period of buyer resistance.

Mrs. A. Shaver Heads St. Andrew's Ladies' Guild

The annual meeting of the Ladies' Guild of St. Andrew's Presbyterian Church, was held at the home of Miss J. Cameron, the president, Mrs. D. Scott was in charge.

"The First Noel," was sung followed by the Scripture Reading of Luke 2:1-20, in unison. Mrs. A. Shaver offered prayer.

Annual reports were given by the secretary, Miss L. Hunter, and the treasurer, Mrs. G. Cumming.

The J. J. Hibbs, showed a film, "The Annunciation."

Officers elected for 1971 are as follows:

President - Mrs. A. Shaver, 1st Vice-President - Mrs. G. Blow; 2nd Vice-President - Miss J. Cameron; Secretary - Mrs. G. Blow; Treasurer - Mrs. G. Cumming; Press - Mrs. D. Scott; Pianist - Mrs. A. Shaver; Programs Committee - Mrs. L. Boyd, and Miss L. Hunter.

The closing hymn was "Hark the Herald Angels sing", and the Rev. J. J. Hibbs, gave the benediction.

Minister Installs WMS Officers

St. Andrew's ladies held their W. M. S. meeting on Tuesday December 1st, at the home of Miss Jennie Cameron.

The President, Miss Lou Hunter, gave the call to worship by reading a poem followed with prayer by Mrs. A. Hoeksema.

The scripture lesson was read in unison. Rev. J. J. Hibbs and Mrs. Hoeksema had the programme and a film.

"A matter of purpose", was shown. After the business part of the meeting the new officers were installed by Rev. J. J. Hibbs.

The meeting closed with prayer.

Former Metcalfe Man Commands HMCS Assiniboine

Commander Cavan

Leonard J. Cavan, a former Metcalfe man, who received his public school education at village schools, is now Commanding Officer of HMCS Assiniboine.

Commander Cavan, although born in Detroit, Michigan moved with his parents to Metcalfe when he was only a child.

During his school years he was active in all athletic activities and also played a major role in youth activites at that time.

He joined the Royal Canadian Navy as a signalman in 1949 and was commissioned in 1957. After serving in several Tribal Class Destroyers on the Atlantic Coast he completed the long Operations Specialty Course in 1963 and joined HMCS Saskatchewan.

Commander Cavan served at sea on the West Coast for the following four years as a ships Operations Officer, Squadron Operations Officer and as the Executive Officer of HMCS MacKenzie.

During 1967-68 he attended the Canadian Forces Staff College at Toronto.

In 1968 Commander Cavan joined the staff of Captain Sea Training Atlantic Coast, where he served as Staff Officer Operations until his promotion to Commander in 1969. Following his promotion he became the Commanding Officer of the Sea Training Unit Atlantic and remained so until he was appointed Commanding Officer of HMCS Assiniboine in July of this year.

"The Maritime Command of the Canadian Armed Forces", says Commander Cavan, "is one of the most modern and effective anti-submarine forces in the world today".

The following vital statistics give some indication of magnitude of HMCS Assiniboine:

Length: 366 feet. Draft: 13 feet. Beam: 42 feet. Displacement: 2630 tons.

The ship has two impulse turbine engines developing 15,000 shaft horsepower each and is equipped with twin rudders and screws. It's speed is in excess of 25 knots.

It is armed with one 3 inch/50 radar controlled anti-aircraft twin mounting which can also be employed against surface targets. One anti-submarine mortar MK 10 controlled by a computer which derives target information from the main attack sonar set. Active homeing torpedoes which can be launched from the ship or from the ship's helicopter.

The ships personnel includes 230 officers and men including aircrew.

She carries approximately 220 tons of provisions yearly and in that period serves 260,000 meals.

Accompanying photos show Commanding Officer Cavan; his ship, the Assiniboine; and the helicopter which operates from the ship.

Mrs. L. Mellan Hosts Hulbert UCW Christmas Meeting

The December meeting of Hulbert U. C. W. was held at the home of Mrs. Lorne Mellan on Wednesday evening, December 9th, at 8 p.m., with a good attendance.

The meeting, in charge of Mrs. Margaret Roberts, opened with a call to Worship followed with a prayer. Hymn 72 "Who is He, in Yonder Stall", was sung assisted by Mrs. Marjorie Keyes as pianist. The scripture taken from Luke 2, verses 8-20 was read by Mrs. Nonie Sullivan. Christmas readings were given by Mrs. Edith Mellan, Pearl Beckstead, Eileen Graham, Gladys Beckstead and Verna Flegg. A piano solo was rendered by Mrs. Marjorie Keyes followed with a reading by Mrs. Lila Fawcett on "The Words of Jesus", after which all joined in singing, "Go Tell it on the Mountain". A reading "The Innkeeper Makes Excuses," was read by Mrs. Doris Scharf followed with hymn 58, "It came upon the Midnight Clear". A reading "May all you wish be there" was given by Mrs. Edith Thorpe and the meeting closed with the Benediction.

Mrs. Lila Fawcett presided for the business portion. Minutes were read by secretary and 12 members answered the roll call by handing in the penny bags and the collection was received.

During the buisness portion, the treasurer reported a very successful year. It was moved by Mrs. Freda Mellan and seconded by Mrs. Verna Flegg all the officers be re-elected for 1971.

The president moved a vote of thanks to Mrs. Mellan for her hospitality and Mrs. Roberts for her program and closed with prayer. Lunch, served by hostess assisted by Mrs Marjorie Keyes and Mrs. Edith Thorpe, was followed by a social hour.

Mike Dunlop Dies In Civic Hospital Following Lengthy Illness

A highly respected resident of Inkerman Village, Mike Dunlop, died on December 2nd, 1970, in the Veterans Pavilion, Ottawa Civic Hospital, following a lengthy illness.

In his earlier years, active in the Inkerman area, the late Mr. Dunlop was a Veteran of the First World War, a participating member of the Inkerman United Church where he served faithfully as caretaker for many years, and a member of the Canadian Legion. Born in Poland, he was in his 78th year.

His wife, the former Nellie Chester, who was born in England and whom he married at Winchester, Ontario, is his only survivor.

An impressive funeral service was conducted at the Armstrong-Weagant Funeral Home, South Mountain, by his pastor Rev. Ray A. Rowley. Pall bearers were James Holmes, Wallace Crowder, Thos. Allison, Bernice Allison, Chester Lang and Herman Crowder. Interment was made at Knights Cemetery.

SPECIAL MATINEE FOR CHILDREN SATURDAY, DEC. 19th, STARTING AT 1:30 P.M. AT WINCHESTER THEATRE. SEE OUR BIG ADVT.

NORTH DUNDAS NEWS

Winter is here again. All N.D.D.H.S. students were dismissed at 1.30 on Wednesday because of the heavy snow storm.

On December 7th, the N. D. D.H.S. band was directed by Mr. Coles, the Area Superintendent who was visiting the school. The band members enjoyed the experience very much.

The Band played for the students at Hallville Elementary School and St. Mary's Separate School in Chesterville on Friday. Mr. N. St. Louis explained the music program and the band members demonstrated the various instruments.

Representatives from the Cornwall School of Nursing visited the school on Thursday to talk to the girls who are interested in a nursing career.

N.D.D.H.S. Hawks downed Alexandria 8 - 5 on the weekend. Scorers were David VanBridger, Lester Carkner, Billy Moran, Joe Morrison and Bob McClintock.

The Home Economics Girls are planning a Fashion Show to model the Sewing Projects which they completed last week.

Students Win Writing Awards

Four N.D.D.H.S. students received special award certificates for outstanding entries submitted to the Canada Permanent Trust Canada-wide annual student writing contest: Joan Allison, Chris Brown, Steve Durant, Carolyn McMillan. All are Level 5 English students.

Joan's story "One Came Back" echoes the Hitchcock horror tradition - a young girl, unconsciously a reincarnation of her grandmother, perpetrates a horrible revenge.

In Chris' story "The Touch", a negro lad and a white girl, both in love, face a challenge. But only the Negro, who has had to understand, realizes life for what it is. The story ends on a pessimistic note but tries to make the reader hope.

Steve's "One Warm Saturday" analyses violence which he feels is a term quite misunderstood. It appears to be that the "good guy" always wins. But in reality, the good guy does not exist. There is only one true kind of violence - raw, hurting violence.

Carolyn's "The Touch" by subtle symbolism, portrays two young people's aching realization of the difficulty of communication and the fragility of love.

Shining Lights Of Christmas

Across Canada, in the cities, the towns and the countryside, the lights of Christmas are shining. The snow white cover of the earth reflects the blue, green, gold and red of the lights as they sparkle throughout the long winter nights, telling us, like the bright star so many years ago, of a great event.

For this is Christmas, the anniversary of the birth of Christ. It is a time for coloured lights, and decorations, and family reunions and good fellowship and sincere thoughts of why this is the season of all seasons.

Christmas, of course, can be mere escape . . . perhaps even an orgy for some, but for the thoughtful this returning celebration of the Birth helps to restore our sanity and our humanity.

Machines may be everywhere, but Christmas reminds us that it is man who makes and operates them. Laws may rule us, or try to, but it is men who make them . . . and break them. Every new thrust forward, every dream that lifts us even briefly from our sorry ruts, begins in some human heart. Here lie buried the seeds of our hope and our despair.

For a few precious weeks, thank God, hope is once more ascendant. For the less cynic there is a renewal of faith, a warm word for our neighbour, and genuine good feeling towards everyone. And we dare believe that better and more significant tomorrows may even now be lying in the cradles of Canadian homes, as once they lay, for all men, in a Bethlehem manger.

In the real spirit of this most joyous of all seasons may we at The Winchester Press take this opportunity to extend our warm gratitude to our subscribers, advertisers, correspondents, commercial printing customers and others for rewarding us with your continued support over the year.

Merry Christmas everyone.

BILL SMILEY COLUMN

UTOPIA — IT'S HERE FOR THE OLD-TIMERS

Canada's old-age pensioners may not have a swinging Christmas, but they can warm themselves with the thought of what a whee of a time they're going to have in 1971, when there will occur instant prosperity: the basic old age pension will be raised from $79.58 a month to a smashing $80.

Can't you see all those male old-age pensioners when they get their first new cheque at the end of January? Straight to the pub and blow the whole 42 cents on an orgy. Two draught beers and a tip for the waiter.

This will produce a moral degradation never equalled since the days of Dickens, when gin was so cheap you could get high for a penny, stoned for six-pence, and dead drunk for a shilling.

Can't you see all those old-timers lying around in the snowbanks every time their pension cheque arrives?

And what about the women? They'll be worse. You know how women squander money. They're just as apt as not to go out and blow the whole 42 cents on a plastic doily or a couple of rolls of pink toilet paper. There'll be no holding them.

That's only one of the faults in the white paper introduced by a benevolent government. Further excesses are in sight. Do you realize that the government is going to retain the cost-of-living escalator formula up to a ceiling of 2 per cent a year for pensioners receiving the supplement (but eliminate it for those who get only the universal old-age benefit.)

This means that even if the annual cost-of-living increase crashes down to a mere 5 per cent, these people will get their 2 per cent increase. It's incredible. The dawning of a new, golden age in Canadian socialism.

If you were 65 and lived to be 75, your standard of living might drop by only 30 per cent, with that magnificent excalator clause built in.

The whole country is going to be lolling in luxury; there's no question about it. Did you know that a single pensioner can get up to $55 a month in supplement or up to $135 a month when his basic old age pension is included?

The key word there is "can". But if he or she decides to make a few extra bucks shovelling walks or taking in washing, some eagle-eyed social worker will be Johnny-on-the-spot, and the supplement will be cut, dollar for dollar.

In other words, you are pegged at $1,620 a year. That's a lot of money. Too much to be floating around in the hands of luxury-loving, devil-may-care old timers. Why don't we re-institute the work-house, with cabbage the standard fare and meat, boiled horse hocks, every third Saturday?

And what about those widows, wives of the disabled, and the disabled themselves? The white paper suggests that they will suffer an improvement in benefits. Starting in 1973. There goes another round of tremendous inflation. In 1973.

You'd almost think I had some misgivings about the white paper. I don't. It's almost as much fun as reading Alice in Wonderland. You'd almost think there were an election coming up, as one was when Mr. King introduced the baby bonus.

Surely the government isn't trying to distract us from the fact that unemployment is nearing the peak of the great depression. Say it isn't so, Pierre.

And speaking of the baby bonus. I wish I were young again. Babies used to be worth $8 a month. Now they're worth $16. Taxable. But it's also worth almost two cases of beer a month, per child. This is going to mean a great deal to the families who always put the baby bonus aside as beer money. Six kids, twelve cases.

However, it is the time of year to wish everybody joy, and I do so. Including all those poor devils who make $10,000 a year (and take home $7,300.) They can't buy a house. They can't send their kids to college because the kids can't get a loan because their parents are making so much money.

No points for working your guts out for years. Full points for filling your guts, at someone else's table, for years.

Peace On Earth

Peace is not an illusion, an unattainable, centuries-old dream of mankind. Peace and joy exist as surely as love and compassion live within the hearts of men of good will. War, prejudice, oppression and evil; these are as old as the history of the world. They feed upon greed and ignorance; they persist because some of us are too weak or to indifferent to care about what happens to our fellow man. But there is peace in this world. There is peace and joy in the character of men and women who pursue that goodness of life which elevates mankind above the level of the primitive animals with which he shares this planet. Love, compassion—and faith—these are the God-given gifts that make mankind stand tall among his earthly contemporaries.

Because God so loved the world, and with compassion for the sins of mankind, God gave forth His only Son, to live upon earth a life of highest example. The life of Christ was lived in a spirit of love and compassion, and was faithfully dedicated to the will of God.

Because the Holy Child was born at Bethlehem, and so lived among God's people, every man can find an open door to peace and contentment, in this world and in the next.

Because Christ came, the Christmas comes once each year to fill our hearts and our minds with inspiration and with hope.

This Christmas, let love, compassion, and faith guide you to a meaningful awareness of the spirit of Christmas.

The Seventh Column

Perchance the invasion of winter weather in the last week or so has caused a mental bloc concerning the climate as late as the second day of this 12th month. Remember? It was 51 degrees, highest on record since 1889. By the 4th of December half a foot of snow had arrived, the thermometer had slipped to the low's and winter was here. It hasn't let up either. Since then we have had another 12 to 15 inches of snow and the thermometer has not ony slipped, it has succumbed to below zero temperatures. But we are a people geared for such drastic changes in the climate. The truth is that colder weather with snow was really in the back of the minds of everyone. With Christmas just a few days away, and with store owners clamoring for more appropriate weather, the conditions now should be just about right. So with everyone apparently satisfied we're looking for an early Spring . . . say about January 2nd.

Federal proposals to alter the family allowance plan are about as overdue as a straight forward statement from a politician. Last week the beginning of the change (there will be more) was announced. Generally the proposals were accepted as a step in the right direction. There were a few voices of opposition, however, and some of them were worth noting. Consider the plight of the Windsor policeman who makes just over $10,000 annually. Under the new Family allowances program his family will not receive one cent of assistance. Yet the policeman's family is made up of 14 children. As it looks now he stands to lose $1,032 a year in baby bonus cheques.

The hoax of the year was reported in the dailies on the week-end. It concerned the pet store owner in England who said that he had succeeded in a cross breeding experiment where every animal expert had failed . . . he crossed a dog and a cat and produced what he called a "dat." According to the report the kitten puppies had the heads of dogs, whiskers of cats, and fur and legs belonging to the feline species. The story went on to say that the "dat" made a noise which resembled both a yap and a meeow. Hard to imagine such a preposterous thing . . . and of course suspicious types began to smell a mouse as they dug for the truth. Later on in the week-end it was learned that the two animals had not been crossed and that the whole affair was simply a hoax. Apparently this pet store owner is something of a practical joker. Earlier he had walked into an English pub with soaking wet pound notes in his hand. He exclaimed that the money had been washed up on the beach. In a matter of seconds he had the bar to himself and related to the bartender that he had actually soaked the bills in water before entering the pub. It seems inevitable that one of these fine days this chap is going to get his just reward . . . and it won't be a bouquet of roses.

Over the next couple of weeks the word around this office is that we'll be publishing unusually large and small editions and on dates yet to be decided. What we do know is that The Press will probably be out next week late Monday or early Tuesday. This large edition will include regular advertising, news and pictures and a special 32-page tabloid for Christmas. This year the Christmas special which brings to all of you genuine messages of the season from many Winchester and district places of business will include some home-brew editorial material courtesy of district public schools. This is a first effort in this direction but we think you will agree that it's all worthwhile. Many of the features in the Christmas special, as well as illustrations, have been written and drawn by elementary school children. The material has not been edited and it will come to you in its original and, we think, sincere form. It's a touch of Christmas on which we hope to elaborate in another year. In the meantime we hope you will enjoy this special issue of The Press next week as it features the Christmas views of many Winchester and district youngsters.

There's no voter apathy in Kemptville. Our neighbours to the west take their municipal elections seriously—a good example for the rest of us. Last week former mayor Ralph Raina ousted incumbent Harry VanAllen when more than 82 per cent. of the electorate turned out to the polls. They also elected a couple of newcomers to their council. Kemptville, by the way, has a population of about 2400, the fastest growing town in the area. So things, good things, are happening up there . . . and people are interested. Meanwhile over in Chesterville the election bug finally caught on. After failing to elect a full council by acclamation the first time, that village will go to the polls in a late election to elect one councillor as a result of a second nomination meeting last week.

The publishers haven't let us know yet if this will be the final Seventh Column before Christmas. Could be that the editorial page in next week's special will be eliminated for one week because of the priorities of Christmas. If that is the case we'd just like to express to our readers our sincere thanks for their words of encouragement and their criticisms of our weekly effort in this corner. To the record number of subscribers who make this newspaper the most widely read in the area, to the advertisers and contributors who make it all possible, to everyone within hailing distance may we just say simply but sincerely . . . .

MERRY CHRISTMAS!

Area Students Among Bursary Winners At KCAT

Bursaries, scholarships and awards amounting to over $4,000 were presented at the Fifth Annual Awards Assembly held recently at the Kemptville College of Agriculture Technology.

In his address Dr. Ford A. Stinson, Principal, outlined some of the challenging opportunities available to educated young people to-day.

Robert Hensel-wood of Ottawa was the big winner as he captured three awards: The Hon. G. Howard Ferguson Memorial Award for general proficiency in his junior year; the Rideau St. Lawrence Retail Feed Dealers' Association Bursary for proficiency in Production Technology courses; the Ketchum Manufacturing Sales Ltd. Scholarship for Animal Production courses.

Raymond Cameron from Tyrone was a double winner by receiving the Dr. Helen K. Griff Chemistry Award and the F. C. Eligh Memorial Scholarship for ranking high in general proficiency and student activities.

The Kemptville College Alumni Association Awards were won by Faye Galway of St. Catharines and Lea McEachern of Cornwall, P.E.I. The Alumni awards are significant because the students vote for the classmate who, in their judgment, made the greatest contributions to the educational, social and athletic activities of the class and the College during their junior year.

Other award winners were: Barbara Gibson of Guyana, the Kemptville Weekly Advance Bursary; James Abrams of Gananoque, the Ottawa Citizen award; Russell Boals of Cornwall, the Rotary Club of Smiths Falls award; Margaret-Ann Castell of Trenton, The Ottawa Journal prize; Dorothy Parks of Bloomfield, the Mrs. Hilda. M. Olgilvie prize.

Atkinson Charitable Foundation Bursary winners were: Richard Berube, Mountain; Cheryl Dennison, Ingleside; Judith Findlay, Ottawa; Catherine Lapointe, Ottawa, and Edward St. John, Mountain.

Edward Dobson from Barrie and Francis Sibiri from Ghana won Gulf Oil Company of Canada Bursaries. Fay Galway, St. Catherines, won the Ontario School Trustees' and Municpal Councillors' Association Bursary.

County awards were presented as follows: Dundas Co-operators' Insurance Association Bursary to Ian Fetterly of Mountain. McLean Foundation Scholarships to Raymond Cameron, Tyrone; William DeMille, Bowmanville; Donald Heeringa, Fraserville. Lions Club of Alexandria Scholarships to Allen MacDonald, Dalhousie Mills and William MacNaughton, Williamstown. Rotary Club of Kemptville Bursary, John Murray Roulston, Hagersville; Haldimand County Federation of Agriculture Scholarship, Wayne McKeen, Hagersville. Brockville Rotary Club Bursaries to Ruth McFadden, Elgin and Roger VanDusen, Mallorytown. George T. Fulford Scholarships to James Abrams, Gananoque and Lorne Martin, Crosby. Lennox & Addignton County Milk Committee Scholarship to Carl Hudgins, Napanee.

Stewar Bursaries to Renfrew and Lanark County students were won by Brian Bourk, Pakenham; Terrence Cobus, Renfrew; Allan Hamilton, Almonte; Edward McEwen, Lanark; Donald McRae, Carleton Place; John Miller, Perth; John Paul, Almonte.

Receiving Their Honours

Five Atkinson Charitable Foundation Bursaries were granted at the recent Kemptville College of Agricultural Technology Awards Assembly. Miss Linda Stenoff of the Home Economics staff at the College (left), presented the bursaries to the recipients (left to right) Catherine Lapoint, Ottawa; Cheryle Dennison, Ingleside; Judith Findlay, Ottawa, and Edward St. John, Mountain. Absent is the fifth recipient, Richard Berube from Mountain.

Champion 4-H "Group Of Three"

The three fine holstein calves shown above with their capable handlers brought honours to Dundas County at the recent Ottawa Winter Fair.

Judged champion 4-H Holstein "Group of 3" the group won the W. E. trophy.

Left to right: Ian Fawcett, South Mountain and Brinston Club; Gerald Beuman, Morewood Club; Myrna Fawcett, South Mountain and Brinston Club; Keith Fawcett, President, Dundas 4-H Club Leaders; and Miss Pat Burton presenting the beautiful trophy.

Near Future Change Farmers Should Obtain Basic Herd

Farmers who have not obtained a basic herd already are urged to do so immediately, as the policy with regard to basic herd will be changing in the near future. When this policy is changed, farmers will not be able to obtain a basic herd and if they sell their herd in any one year, the proceeds from the sale will be considered as income and will be taxable.

Farmers wishing to obtain a basic herd should complete Form T-2019, which is available from their District Taxation Office, and return it to the District Taxation Office, Jackson Building, 122 Bank Street, Ottawa.

First 54 Canadian Holsteins Flown To Belgium

The first shipment of Holstein cattle from Canada to Belgium has left Toronto by air. Consisting of 54 animals, largely bred heifers, they were consigned in lots of from two to fifteen, to seven different breeders in Belgium.

These seed stock Holsteins were designed to improve the milk producing qualities of Belgian cattle. They were selected and shipped by Rockwood International Livestock Co., of Georgetown, Ontario.

Along with the shipment went 300 vials of frozen semen from the plus proven Canadian Holstein sire, Forest Lee Rockette Centurion, owned by Western Ontario Breeders Artificial Breeding Stud at Woodstock, Ontario.

A total of 28,617 seed stock animals were sold to breeders in twenty-one different countries. The best previous full year was 1948 when 28,534 animals were sold for export.

For the first ten months of 1969 a total of 21,569 animals were exported. This year's figure represents a gain of 33 percent.

Dale Presley Heads East Carleton Junior Farmers

Dale Presley was elected president of East Carleton Junior Farmers at the annual meeting last week.

A special feature of the meeting was the attendance of a delegate from New Zealand. Art Bishop brought slides of his native land and according to press reporter Eddie Robinson, the slides dealt primarily with agriculture but 'the occasional shot of a pretty girl brightened up the show.'

Other officers elected included: vice-president, John Fraser; secretary, Doris Stoodley; treasurer, Lois Presley; press reporter, Eddie Robinson; county directors, Dale Presley, Mike Shields, Heather Hope, and Doris Stoodley.

Retiring president Mike Shields was honoured with presentation of the past presidents' pin by Winston Bellinger and congratulated for his successful year in office.

Williamsburg News...

Williamsburg

Callers at the home of Mrs. John Erratt on Sunday, were Mr. and Mrs. Morley Erratt, Judy and Scott of Winchester and Mr. and Mrs. Graham Wells of Colquhoun.

Mr. and Mrs. Mervyn Wells of Ottawa spent Saturday, evening with the formers parents Mr. and Mrs. Graham Wells.

Mr. and Mrs. Paul Barclay and Janice of Kingston, spent Saturday with the formers parents.

Friends and neighbours are sorry to hear that Mrs. Geo. Strader is a patient in the Winchester District Memorial Hospital. We wish her a speedy recovery.

Encouraging...

WILLIAMSBURG TOWNSHIP RECEIVES D.H.O. LETTER

Ontario's Minister of Highways has assured Williamsburg Township council that every consideration will be given the township's request for an increased road appropriation for 1971 due to the construction of the new Township garage.

The letter from the minister was read at the regular meeting of council held last Saturday with all council members present.

The application of Mrs. M. W. Locke to sell a parcel of land for construction of a new Post Office was approved. Two other applications for the sale of land, one by Marion Casselman and the other by Nellie Loucks, were also approved.

Council made an offer for the purchase of land for the new Township Garage and the clerk was instructed to make a special effort to collect unpaid dog taxes.

The clerk was also instructed to take necessary steps to collect taxes in arrears three or more years.

Retired Nestlé Employee Clinton R. Armstrong Dies

Clinton R. Armstrong of Chesterville, a retired employee of Nestle Products Limited, died suddenly Tuesday, December 8th. Mr. Armstrong was in his 89th year.

A long-time resident of the town, his wife, the former Luella Durant, predeceased him some years ago and his is survived by one son Murray of Prescott and one brother, F. W. Armstrong of Cleveland, Ohio.

The lat e Mr. Armstrong was a member of Chesterville United Church and funeral service was at Vice and Craig Limited Funeral Home, Chesterville, was conducted by Rev. L. M. Ferguson at 2:00 p.m., Friday December 11th.

Pall bearers were James McCloskey, Ronald Droppo, Archie Black and Ross Casselman.

Interment was in Maple Ridge Cemetery.

Power Dam Drive Is Officially Opened

The Chairman and members of the Cornwall Suburban Roads Commission are pleased to announce the completion of the contract for the construction of Power Dam Drive from Highway 401 to Cornwall Centre.

This 0.72 mile project was carried out by Cornwall Gravel Company Limited, at a cost of approximately $76,000. The work included grading, drainage, granular base and hot mix paving, as well as the erection of right-of-way fences and the installation of a large structural plate culvert over the south branch of the Raisin River.

In order to improve the alignment of Power Dam Drive, the jog which existed at Cornwall Centre Road was eliminated by diverting the road behind the Harold Kehoe property and extending the project south of the City limits.

The width of the right-of-way is 100 feet and the pavement width is 24 feet.

Since this is a Suburban Road project, the City of Cornwall and the United Counties each contributes approximately 25 percent towards its cost; the Department of Highways, Ontario, contributes the remaining fifty percent.

4-H GIRLS ARE GUESTS

Williamsburg W. I. Group Holds Christmas Meeting

The Christmas meeting of Williamsburg Women's Institute was held, Tuesday evening, December 8th, 1970. The President, Mrs. Clair Algire, conducted the opening exercises and the business session. Roll call was answered with a gift for a resident of Glen-Stor-Dun Lodge. Mrs. Hugh Thompson gave a very interesting report on the Area Convention held at the Skyline Hotel in Ottawa.

Mrs. Guy Strader and Mrs. Hugh Thompson were program conveners. The 4-H Club members entertained with several musical numbers. Mrs. Guy Strader gave a reading entitled: "Christmas is a Family Day." The 4-H girls led in a sing-song of Christmas Carols.

Mrs. Thompson conducted two contests, "A Christmas Dinner contest" and "What do you know of the meaning of Christmas." The first proved very amusing and was won by Mrs. Lyle Kehoe, Mrs. Clair Algire was the winner of the second contest. Mrs. Strader and 4-H girls distributed gifts among members and each 4-H member was presented with a small gift.

Mrs. Joyce Strader and Mrs. Parker Locke had charge of the social hour. The hall was beautifully decorated for the occasion and a very delicious lunch was served.

Nation Valley

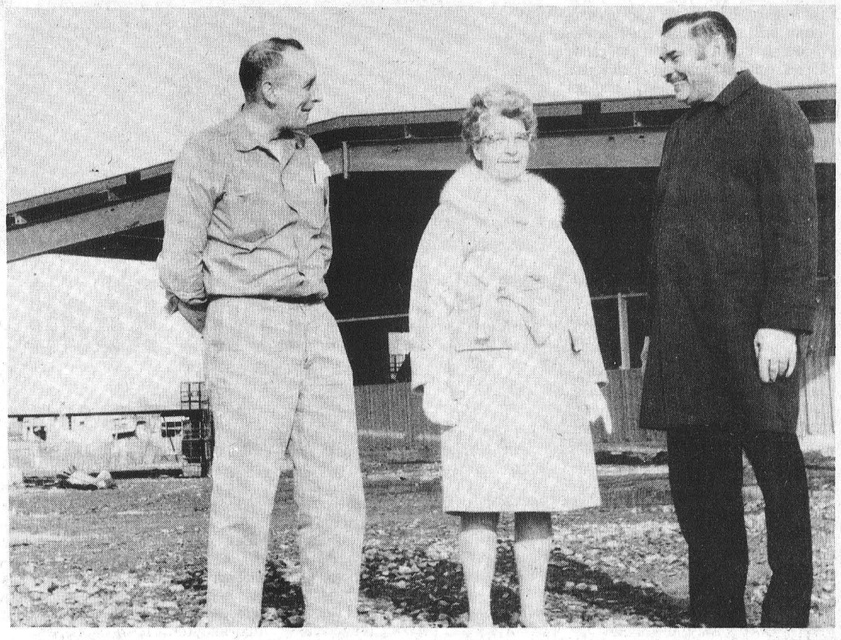
Mr. and Mrs. Ewart Stoddard and Basil were supper guests Wednesday, of Mr. and Mrs. Ben Bowman, Williamsburg.

Supper guests of Mr. and Mrs. Lloyd Merkley on Sunday were Mr. and Mrs. William Coulthart, Ottawa, Mr. and Mrs. Morris Dewe, Cornwall, and Mr. Martin Barkley.

Mr. Bruce Eldridge, Mountain, visited Mr. Robert Barkley on Sunday.

Mr. and Mrs. Ewart Stoddard and Basil were dinner guests of Mr. and Mrs. Milton Casselman, Morrisburg, on Saturday.

We are glad to report Mrs. Lyle Munro is home from Winchester Memorial Hospital. We wish her a speedy recovery.



Now Open For Business

Winchester's new 'DAIRY BAR', owned and operated by the Dawley family is now open for business.

Located at the intersection of Highways 31 and 43, west of the village, the newly-constructed building, in keeping with the modern trend of doing business without leaving your car, is complete with covered drive-in area and service windows.

In a recent interview with the Press, Mr. Dawley (Basil) indicated he plans an official opening next spring at which time soft ice-cream will be added to the long list of dairy merchandise.

However, at the present time the 'Bar' is well stocked with such items as cheese, ice cream, chocolate milk, milk, creams, butter, orange juice, egg-nog, and Beep.

Mr. and Mrs. Dawley are shown above chatting with Homer Crawford, delivery transport driver for Clark's Dairy, Ottawa. Huge truck in background brought first shipment, and a portion of the Dairy Bar is also shown.

The Accomplishments Of The United Nations General Assembly

The General Assembly is like Parliament. It is now rushing to conclude its business before Christmas with much remorse for all the time wasted in leisurely discussion earlier. What has the Session accomplished?

On its 25th Anniversary, the United Nations reaffirmed and re-stated its purposes. This was not merely a paper exercise. The world has changed greatly since 1945. It was no small accomplishment - and Canada contributed greatly to it - to get 127 countries to reach agreement on basic aims.

SECOND DEVELOPMENT DECADE

The biggest accomplishment has been agreement on the Strategy for the Second Development Decade. This envisages a partnership between the developed and the developing countries with clear goals to be achieved in the next ten years. As much as 85% of the effort and investment will be made by the developing countries, but the other 15% from developed countries is essential to success. The strategy calls for developed countries to devote 1% of their gross national product to international assistance. Canada, with its proposed budget of 425 million dollars for international aid, is just over half-way to the target. We, as taxpayers, really have to decide how far and how fast we can go in attaining the target.

MID-EAST CONFLICT

Although great conflicts cannot be solved by debate in the General Assembly, it is still important. The high point this year was the debate on the Middle East. It focused world opinion on the contending powers and made them realize that the world would not tolerate resumption of hostilities. It is having the affect of forcing them back into the ring for renewed negotiation however reluctantly or hesitantly.

CHINA

The great debate on the admission of Communist China presages the ending of that country's isolation. Canada's recognition of China this year was in tune with the general current of world opinion. The existence of the globe's most populace state simply cannot be ignored any longer.

The change in attitude is, perhaps, most forcefully indicated by the United States. This year, it spoke not so much in opposition to the admission of Communist China as about the future of Taiwan (Formosa). The seriousness of this problem is now becoming apparent. Can Taiwan be established as an independent state? If so, who shouldspeak for it - the ruling Chinese minority or the preponderant majority of native Formosans.

HARD CORE COLONIES

The post-war movement for independence has left a residue of "hard core" colonial territories. Most are small and remote with minute populations and insignificant economic resources. Pitcairn Island with its 87 people is an extreme example. How can the world deal with "mini-states", too small and weak to have any real independent existence? The United Nations is not yet disposed to grapple realistically with this problem. The general tenor of Afro-Asian comment supported by the Soviet Bloc is to attack the present colonial administering powers without making any sensible suggestion for solution.

INTERNATIONAL DOUBLE STANDARDS

In other areas, nations have double standards. The Afro-Asians and the Soviet Bloc (with an automatic majority) quickly join in condemnation of colonialism and apartheid in Africa. But basic human rights either do not exist or are trampled upon in many other countries. Lamentably, this General Assembly, like many others before it, could not agree to appoint a High Commissioner for Human Rights. It was asserted that he would interfere in the internal affairs of Sovereign States. We are forced to recognize how far the world has to go with its huge collection of dictatorships and one-party states where there is little justice for those who oppose or dissent. Our concepts of democracy and basic human rights are far from being accepted in the world at large. I recall an intelligent, likeable African Ambassador solemnly explaining to me that in his country democracy could operate only if one political party was permitted to function.

NO COMMANDING PERSONALITIES

If there is one observable change from my previous experience, it is the absence of commanding personalities at the General Assembly. From time to time, worldfigures have come for a day or two, but we lack the stars of yesteryear like Henry Cabot Lodge, Gromyko, Lord Caradon, Krishna, Mennon and L. B. Pearson. Great men contribute to great events, but the present makeup of the United Nations' family does not suffer by comparison with the past. There is less time lost in explosive debate. In the main, the delegates are hard working with a surprising number being scientists and technical experts of all kinds. A Veteran Latin American Ambassador complained to me about the changes. He deplored the lack of the great debates and the dramatic confrontations of previous assemblies. He felt the United Nations was being turned into a super scientific and technical agency. This is not bad. The world can only benefit if the United Nations increasingly concerns itself with the basics of economic and social development.

The Last Long Road

A Message From The OPP

The Christmas season is fast approaching. People are bustling about making the usual preparations for enjoyable festivites. The police officer and his family are also picked up by the spirit of Christmas, but for them things will be a little different; - it has to be. The Christmas parties to which the office staff and bowling league have been looking forward to for the past month cause concern for the police officer. How many will enjoy the party and take the safe way home, or how many will take the last long road? Whose family will he have to visit and say "Daddy won't be home for Christmas." This shouldn't bother the police officer because it happens year after year, but it does. If the officer is fortunate enough to be off duty Christmas day his thoughts may drift to a family not as happy as his own due to a senseless accident; - an accident that shouldn't have happened.

Christmas is a time for giving - giving gifts, greeting cards, a warm handshake, a friendly smile; but all too often through carelessness and inattentive driving people give sorrow and heartache to the family of accident victims. They add a black note to the Christmas celebrations in the community.

You can give this Christmas - give your fellow drivers courteous, cautions and careful driving. Who knows, you may even save a life. Remember - "The Last Long Road only goes one way."

The Ontario Provincial Police in your area wish you a safe and happy holiday season.

Eastern Ontario Annual Dairy Princess Meeting Elects Slate

The Annual Meeting of the Eastern Ontario Dairy Princess Committee elected Robert J. Kelso, Spencerville, chairman and Donald Arbuthnot, Russell, vice chairman. Serving with them are teasurer Freeman Miller, Kemptville, and Mrs. Rose Campbell, Winchester, secretary.

Representatives were present from Grenville, Lannark, Glengarry, Prescott, Russell, Dundas and Carleton Counties. Six County Dairy Princesses were present and joined in the Santa Claus Parade after dinner.

The princesses praised the work-shop sponsored by the Manotick Kiwanis and hoped it would be continued, for the instruction given there would be helpful regardless of what a girl later chooses to do.

Mr. Orvil Guy, vice chairman of the Ontario Milk Marketing Board, and chairman of the Dairy Princess Committee brought greetings from the Provincial Board, and expressed the hope that the next Ontario Dairy Princess would come from Eastern Ontario.

Dairy princesses expressed their disappointment in Miss Lennox of the Toronto Telegram for suggesting they should look like city girls when they come to the city and especially when she suggested they should wear white jump or pant suits for their milking demonstration, with a yellow head band. The princesses were assured a new hostess had been hired for next year to meet the girls when they arrive in Toronto.

Russell County suggested that all the counties in Eastern Ontario combine their efforts and each have their competition a different night at the Central Canada Exhibition. The suggestion was left with the counties for further consideration.

POSSIBLE DISINTEGRATION

Canadian Swine Council Urges Marketing Legislation

Canadian agriculture will disintegrate unless it gets national marketing legislation, according to Canada's two biggest pig farmer organizations.

The Canadian Swine Council and the Ontario Hog Producers' Marketing Board are both urging swift passage through the House of Commons of Bill C-176, a bill to introduce national agricultural marketing legislation.

Eric Alderson, President of the Canadian Swine Council, said recently, "We've seen what's happened with broilers and eggs - provinces have erected barriers to their free trade. This is an impossible situation. We must have national marketing legislation to allow producers to work out difficulties like this. And we need it now, before provinces start erecting barriers to free trade in pigs, or cattle, or potatoes."

The Ontario Hog Producers Marketing Board has the same view. "We must get this bill through the House in a broadly acceptable form as soon as possible," said its secretary, Jim Boynton.

"It's important though that this bill doesn't exempt any commodity. This is enabling legislation, nothing more. If producers of a certain commodity don't want to use it, that's fine, they don't have to. But the legislation should be there all the same."

The Canadian Swine Council is considering the creation of National Hog Board when the national marketing legislation goes through. Mr. Alderson says that this board would promote and coordinate export trade in pork.

Health Department Makes Donation To Pakistan

The Ontario Department of Health is donating clothing and blankets to survivors in cyclone-ravaged East Pakistan.

The Honourable Thomas L. Wells, Minister of Health, said the relief supplies were collected from provincial psychiatric hospitals and facilities. "We canvassed our hospitals for bedding and clothing which could be spared and which will be of definite assistance to the disaster victims," said Mr. Wells.

The donation from the Health Department consists of 4,500 blankets and sheets and more than 50,000 items of clothing for girls, boys, men and women. Types of clothing include blouses, skirts, shoes, socks, underclothing, pyjamas, and smocks.

Relief supplies have been collected at a Department of National Defence warehouse in Port Credit. Within a few days the material will be shipped to Montreal where the Canadain International Development Agency is co-ordinating Canadain relief supplies.

Shipment will leave by boat for Pakistan next week.

OTHS Boy Competes In Ontario Games

Kevin Agnew, a Grade 12 student at Osgoode Township High School, recently won the A. A. U. freestyle olympic wrestling crown for Eastern Ontario (115 pound level) and qualified to compete in the Ontario Games at Toronto December 27th, 28th, and 29th.

In winning the zone championship, Kevin defeated competitors from Ottawa, Brockville, and Kingston area schools.

The competition at Toronto will include boys under 20 years of age from various other provincial zones.

A win at Toronto would take the young wrestler to the Canadian Games at Saskatoon later in the year.

Kevin's teacher, Bruce Mullin, who is also his wrestling coach, will accompany him to Toronto.

Mr. Mullin's young wrestling team defeated Ottawa's Lisgar recently, when seven of his boys won their matches. Winners included: Kevin, Peter Van Rens, Glen Vaillancourt, Gary Francis, George Scharf, Ken Yule and Peter Ladouceur.

League Bowling Results

FIRESIDE MEN'S LEAGUE

High Single, Dale Wise, 280; High Cross, Lloyd Laport, 693;

Over 600 Club: Lloyd Guy, 636; Wayne Laport, 624; Bill Casselman, 621; Richard Billings, 604; Jim O'Gorman, 603.

GAY TWENTIES
VERNON LEAGUE

High Cross, Frank Acres, 666; High Single, Marg Dalgleish, 261.

Over 550 Club: Larry Sayant, 661; Marg Dalgleish, 648; Milton Robinson, 614; Rene Crate, 611; Barb Grubb, 570;

COMMUNITY MIXED LEAGUE:

Ladies High Single and High Triple, Janet Holmes, 242-657.

Men's High Single and High Triple, Donald Bourgelis, 235-632.

Over 550 club: Bea Warren, 621; Mary Levere, 607; Marcel Sousie, 603; Cliff Warren, 600; Alma Douglas, 585; Allen Sargent, 584; Irene Ouimet, 561.

WEDNESDAY NIGHT (HAPPY GANG) LADIES LEAGUE

High Cross, Muriel Levere, 276-663; High Single, Edith McDiarmid, 251.

Over 500 Club: Edna McDiarmid, 647; Louse Freeland, 523; Elsie Thompson, 520; Illah Miller, 516.

THURSDAY NIGHT (GLAMOUR GIRLS) LEAGUE

High Single and High Triple, Edna Empey, 263 - 681.

Over 500 Club: Margaret Graves, 587; Joyce Angus, 579; Joan Meek, 540; Alma Douglas, 524; Betty Benham, 506; Janet Holmes, 500.

Dale Boyd Crosses 757 At S. Mountain

Dale Boyd, with singles of 287, 268 and 203 for a total of 757, led the field in South Mountain Bowling League last week.

Those qualifying for the 'over 600' club included:

Doug Boyd, 710; Moris Selleck, 670; Gary Richardson, 668; Murray Hundman, 659; Jim Eager, 656; Deb Wyatt, 651; Clarence Marriner, 639; Mac Graham, 629; Glen Hess, 622; John Bryant, 610; Kevin Boyd, 604; Donna Burley, 600.

Competition Keen In Hallville League

Competition was keen in Hallville Bowling League last week when Helen Bartholomew earned top honours with a cross of 742, closely followed by Murray Hyndman with 724 and Lanson Hyndman with 678.

Murry Hyndman' 315 single proved the best and he might easily have finished on top but for a dismal 171 in the final string.

Dawna Hoy scored a total of 583; Lorne Cooke, 556, and Oscar Milne, 555.

Christmas Cheer Broadcast Headquarters

Headquarters for Metcalfe and District Lions Club Annual Christmas Cheer Broadcast was at the home of club president Harold Cowan. The basement recreation room, which Harold has christened the 'Castor Room' proved an ideal setting and throughout the entire day members worked tirelessly.

The telephone was manned at all times and various members handled this chore. Accurate records had to be kept as all donations were carefully tabulated, and Lions dispatched to all parts of the district to pick up donations.

The above photo was taken in the dying hours of the campaign as weary club members contemplate the next step - that of distributing Christmas hampers and fruit baskets. Staff Photo

Safety Pointers Ensure Family Merry Christmas

Everyone wants to have a merry Christmas - and one way to ensure this is to practice safety in the home during the festive season.

Mr. Hal Wright, Safety Specialist with the Ontario Department of Agriculture and Food, recommends these Christmas safety tips:

THE TREE: Cut about one inch off the trunk and place the tree securely in a water-filled container. Place the tree away from fireplaces, heaters and entrances to avoid possible fire hazard. Refill the container regularly.

LIGHTS: Never use electric lights on metal trees as they immediately become 'live' if the string short-circuits. Use indirect lighting instead, and turn off all tree lights before leaving the house.

DECORATIONS: Use non-combustibles such as glass or other flame retardent materials.

GIFTS: Make sure that all toys carry a C. S. A. (Canadain Standard Association) label of approval.

Robert Nixon Pays Tribute To Retiring Premier

Robert F. Nixon, leader of the Liberal Party in Ontario paid tribute to the Hon. Mr. Robarts last week.

"I have developed a substantail respect certainly for his abilities as a politician, and more important, for the substantial personal qualities andintegrity of the man", said Mr. Nixon.

Complete text of Mr. Nixon's press release follows:

"The Premier's announcment of his resignation marks the end of almost a decade of his administration during which his government was supported by large majorities elected in 1963 and 1967 representing all areas of the province.

I entered the Legislature myself a few weeks after Mr. Robarts became Premier; andover these years, I have developed a substantial respect certainly for his abilities as a politician, and more important, for the substantial personal qualities and integrity of the man. There is no doubt that he deserves the compliments and best wishes of us all as he enters into a period of political retirement after those many years of public service.

Perhaps the Confederation of Tomorrow Conference in connection with our national centennial marked the establishment of Mr. Robarts' reputation on the national field. Many people predicted that he was interested in federal politics during those days. It is obvious, however, that his motivations were substantially for the strengthening of Canadian unity, in which he has played a substantial role.

The Progressive Conservative Party of Ontario is now faced with the selection of an alternative. It will be difficult to find from among the obvious contenders a candidate who is not already substantially hampered by close association with policies and programs the people of the province find unacceptable. It is also true that the Party in the last election ran substantially as the Robarts' Party rather than the Conservative Party; and so the new man must overcome these political and organizational hurdles before he attempts to win another mandate for a party that has been in office since 1943.

Obviously it is a new political ball game in the province of Ontario in which the Liberal Party, offering the responsible alternative to the present administration, is standing on the trheshold of an electoral victory in 1971."

We're putting all the hard facts about drug abuse in free pamphlets at the drugstore.

The only people who could end up paying are the ones who don't take them home.

There's a lot to know about drug abuse. And most of us haven't got a clue where to start. (Particularly the people who are taking the drugs.)

We've got a simple solution. What we've done is created a series of free pamphlets about drugs. Pamphlets that are written in layman's language. Pamphlets that tell you the straight hard facts about the drug. What it does. How high it takes you. How low it lets you down. What it can do to you psychologically. What it can do to you physically. What it can do to your children. What it can do to the world. And, hopefully, pamphlets that give you most of all the information you could possibly want.

We know that preaching and moralizing and speaking from some place on high isn't going to help solve the drug abuse problem at all. We hope, however, that we can tell you, whether you're on drugs or you're concerned about them, a lot of things you should know. The result? You make your own decision.

That's your concern. Not ours. And we'll do our best to leave it that way.

So remember, the information about any drug that concerns you (LSD, Speed, Hash, and on, and on) is at your drug store. You don't have to buy anything. You don't have to talk to anyone. (You just go and pick up the pamphlets.) Take them home. They're free. And the only ones who'll end up paying will be those of you who don't get them. Because the cost of ignorance is far more than the great value of knowledge.

Do you know what you're doing?

CODA Council On Drug Abuse.

For Christmas

SMITH-CORONA® PRESENTS

The ELECTRIC TOUCHABLES

GALA OPENING AT YOUR PLACE

Your Type of Sound. Smooth. Solid. The sound of harmonious homework — finished in record time.

They're today's group, with a steady beat that will keep going for years. Built with rugged steel frames. Big ones. Small ones. All with the same great style.

Great new colors, too.

Stop by and sit in with them.

They're the stars of the Christmas show at

Just in Time for Christmas

Jets "Shoot Down" Hawks In 6-2 Victory On Sunday

The fast-skating, hard-hitting Metcalfe 'Jets' literally "shot-down" the high-flying Winchester Hawks, Sunday afternoon at Metcalfe arena.

Despite stormy weather a large crowd turned out to witness the game and was treated to an exciting contest.

Dean Holmes started the scoring for the home team early in the first period on a pass from Ken Kelly and the Jets were in command from then on.

The Hawks appeared unable to cope with the sustained checking of the determined home team and before the first frame ended found themselves trailing by three.

Tiny Doug Harten scored Metcalfe's second goal on a neat play set up by Larry Carkner and Mark Wiskerman, and the third marker came when Ken Kelly flipped a pass to Carson McVey who found an opening in the top right hand corner of the net.

McVey picked up his second of the afternoon early in the second period on a pass from Rupert McDonald and five minutes later McDonald made it 5 to 0 when he beat Baldwin on a pass from Dean Holmes and McVey.

The Hawks came out strong in the third period and dominated the play for the final twenty minutes.

Glen Wilson, in the Metcalfe net, was looking for his third shut-out of the season but his dream was shattered at the ten-minute mark when Tom Kirkwood scored on a screen shot and the fired-up Winchester boys stormed goal came when Lester Carkner took a pass from Bill Moran, circled the Jets' defence and beat Wilson cleanly.

Hawks continued to carry they play but were unable to find the mark and Metcalfe added another in the closing minutes when Bruce Reid socred on a pass from Dennis Ouellette.

Referee Bob Carkner, and his assistant from Ottawa handled the game handing out a total of 22 penalties, 12 to Metcalfe and 10 to Winchester. The win moved Metcalfe into first place in the North Division of the league 15 points. Winchester remains in third position with 9 points.

The 'Hawks' will be at home to Cornwall Friday night and on Sunday afternoon will host Prescott.

Metcalfe travels to Maxville for a Sunday afternoon game.

Carson McVey

Fatality Toll Below Average For Safe Driving Week

Canada's drivers once again responded favourable to Safe Driving Week, Phil Farmer, Executive Director of the Canada Safety Council which sponsors the campaign, said Tuesday. The week ended at midnight Monday, December 7.

"The national traffic fatality toll of 63 during Safe Driving Week was well below the weekly average of more than 100 for this time of year," he said.

The figure of 63 is the average number of deaths over the last 10 Safe Driving Week campaigns, although eight higher than the 1969 toll.

Mr. Farmer congratulated the public communications media for their co-operation in publicizing the campaign based on positive, proven methods of preventing traffic accidents.

Hawks Looking For Win This Friday Night

With the interlocking schedule in effect this season local fans only get one opportunity to see such teams as Cornwall, Prescott, Cardinal and Morrisburg in action.

Cornwall will be playing Hawks at Metcalfe arena this Friday night with game time set for 8:00 p.m. and the local team is looking for a large and enthusiastic cheering section.

Coach Joel Steele has expressed pleasure that so many loyal supporters are following his boys, but feels even more should make an effort.

"It's only a 15-minute drive," says coach Steele, "we have the potential to go all the way this season but urgently need vocal support and the financial returns that result."

For the benefit of those who have not yet been to a game it should be noted the Metcalfe arena is now equipped with a modern time clock and also up-to-date flooding mechanism.

Rink manager, Ray Wilson, apologized for the slight delay in utilizing the flooding equipment this season but explained this problem has been ironed out thanks to Leonard Cameron of Vernon.

Mr. Cameron, a farm equipment dealer, has generously offered the use of an Allys Chalmers 170 tractor for the entire season.

Plan to see the 'Hawks' in action this weekend.

Bob Woods Top Scorer Metcalfe Junior (B) Team

Although Metcalfe's flashy winger, Bob Woods, failed to add to his total on Sunday afternoon, he is still top point scorer on the Metcalfe roster.

According to the team statistician, Bob has a total of 20 points, closely followed by linemate Rupert McDonald with 19.

Dean Holmes has accumulated 16 points, Carson McVey, 14 and Ken Kelly has 11.

Unfortunately Winchester Hawks do not have a club statistician and league secretary Frank Knudson of Cardinal has, as yet, been unable to submit any scoring facts.

A quick glance through game reports, however, indicates Bob McClintock, Joe Marriner, Dave Van Bridger, Lester Carkner and Ray Armstrong may be tops on their team.

Latest reports of league standing as released by league president, Keith Carkner show Metcalfe with 15 points, Alexandria 13; Winchester, 9 and Maxville, 5.

In the South Division Cardinal leads with 12 points, Morrisburg has 11, Prescott, 8 and Cornwall, 7.

Calendar of Events
