Mrs. B. W. Campbell Named W. I. Prexy Annual Meeting Reports 1953-1954 Officers

Fifty-two members and guests attended the annual meeting of the W.I. held in the Library on Wednesday evening. A brief period of business was transacted by Mrs. T. D. Ross, assisted by Mrs. P. G. Hewitt as secretary.

Announcement was made of the District Annual to be held on Tuesday, May 26. For this convention, the Chesterville Branch has been asked to prepare a display of handicrafts.

Members agreed to again sponsor the annual canvass for the Salvation Army. Canvassers will be announced in the near future and it is hoped that the canvass will be conducted during the period of May 4th to May 25th.

Tentative plans were made for a Home Baking Sale to be held in the Library on Saturday, May 9th.

Reports for the various standing committees for the year were given by the following conveners: Historic Research, Mrs. Fay Shaver; Education and Citizenship, Mrs. John Sutherland; Home Economics, Mrs. Len Giles; Health, Mrs. Gordon Lannin; Public Relations, Mrs. B. W. Campbell; Agriculture, Mrs. Eric Casselman; Resolutions, Mrs. D. R. Docksteader.

Mrs. D. R. Docksteader reported for the nominating committee and at the same time voiced a vote of thanks to the retiring executive on the completion of a very successful year in Institute work. The following is a list of officers for the 1953-54 term:

Past president, Mrs. T. D. Ross; president, Mrs. B. W. Campbell; 1st vice-president, Mrs. L. Giles; 2nd vice-president, Mrs. A. E. Jarvis; treasurer, Mrs. Wm. Fetterly; district director, Mrs. John Sutherland; press reporter, Mrs. H. Keith Graham; pianists, Mrs. Eric Casselman and Mrs. J. Fyke; auditors, Mrs. W. O. Dixon and Mrs. Campbell Thompson; directors, Mrs. Graham Smith, Mrs. Geo. Barkley, Mrs. Basil Rowe, Mrs. Geo. Johnston, Mrs. Walter Carruthers, Mrs. Wilburn York and Mrs. W. G. Hughson.

Conveners of standing committees: Historic Research and Current Events, Mrs. Geo. Merkley and Mrs. Wm. Fetterly; Education and Citizenship, Mrs. T. D. Ross; Home Economics, Mrs. Wm. Forward and Mrs. D. R. Docksteader; Agriculture and Canadian Industries, Mrs. Graham Smith and Mrs. John Sutherland; Health, Mrs. Harold Greer and Mrs. Hulbert Cross; Public Relations and Community Activities, Mrs. B. W. Campbell; Resolutions, Mrs. J. Francis Moriarty.

The programme for the meeting was in charge of the committee on Public Relations and was convened by Mrs. B. W. Campbell. Before the introduction of the main theme, a reading, "Spring," was given by Mrs. Hulbert Cross. Also, two solos, "Trees," and "I Know a Lovely Garden," were sung by Mrs. George Merkley to piano accompaniment by Mrs. P. J. Gilroy.

Several aspects of good public relations were dealt with in a series of papers by members of the committee as follows: "Prejudice," by Mrs. Myles Merkley; "What Causes Prejudice?" given by Mrs. T. D. Ross; "Mistakes," as read by Mrs. George Barkley; "Discretion," by Mrs. Douglas Durant; "Tolerance," Mrs. Harold W. Merkley; "Love," by Mrs. Graham Smith; "Kindness," by Mrs. John Sutherland.

Through each of these discussions the narrator emphasized that love and kindness must be strong enough to overcome all the imperfections of human nature for love is necessary for survival.

At the conclusion of the programme, the convener conducted a very interesting game of charades, prize-winners being Mrs. John Sutherland and Mrs. T. D. Ross.

After the singing of the National Anthem, members gathered in a friendship circle for light refreshment. Those assisting the convener were Mrs. Graham Smith, Mrs. Myles Merkley, Mrs. Douglas Durant, Mrs. P. J. Gilroy.

SWANS SEEN ON RIVER IN NATION VALLEY

Add white swans to your list of the wild life reported on the old Nation River. This year, for the first time in many years, the beautiful birds have been reported seen on the water resting on their long migration flight.

At the first of the week Winterfield Froats saw a pair of the lovely birds swimming east of Cass Bridge. They took to the air shortly after he spotted them, and reports the great birds effortless and handsome while in flight. A mature swan has a wing spread of around seven feet and will weigh nearly twenty pounds. They are about three feet high.

The whistling swan is a rarity in these parts. Their migration flight pattern usually takes them well to the west of Eastern Ontario. They are nearly pure white, with a grey neck, intensely black beak and feet. The birds are under complete protection at all times with no open season on them. The whistling swan is not to be confused with the nearly extinct trumpeter swan. Only twenty odd of that species remain in existence.

William Hough, B.S.A. Appointed to Cornell To Study for M.A.

William 'Bill' Hough, son of Mr. and Mrs. Howard Hough, of Chesterville, received word last week of his appointment to Cornell University, Ithaca, N.Y., as professorial assistant to complete his studies for a M.A. degree. He will be doing post-graduate work in Animal Physiology under Professor Asdel.

Bill is a graduate of OAC with a degree of B.S.A. Since May, 1951, he

WILLIAM 'BILL' HOUGH

has been in Ottawa at the Central Experimental Farm in the Animal Husbandry Division in the research office in charge of sheep. His work there has been thorough and resulted in the publication in June, 1952 of a coloured brochure bulletin, "The Shepherd's Calendar" which has proved very popular among the literature issued by the Department. The sheep bulletin has turned up as far away as Paris, France, translated into French for use by French sheep raisers.

Cornell University is one of the largest universities in the United States and is also a world-famed research centre for agriculture. Five or six assistanship appointments are made each year to the university in the animal husbandry division. The assistants are chosen from Canada and the United States. Bill is the only Canadian chosen this year. The Federal Department of Agriculture has granted him a year's leave of absence for the continuation of his studies.

Mr. and Mrs. Hough and baby, Wendy, will live in Ithaca and expect to take up residence there at the end of June. The new work begins at the first of July.

Short Course Sponsored by Elma W.I. Well Attended

A very interesting short course, "Oven Meals," was held in Dunbar Church Hall, the afternoons of April 20th and 21st and was sponsored by the Elma Women's Institute. The classes were well attended with an average attendance of 45 ladies and were under the leadership of Miss Margaret Myer, of Toronto.

Mr. Arthur Thom, Elma, very kindly installed a beautiful new electric range and a Crosley refrigerator to be used for the course. A Connor washing machine was also on display.

Mrs. Hugh McMillan introduced Miss Myer who made four oven dishes the first afternoon, baked stuffed liver, macaroni and cheese, fruit crisp and plum roll. The second afternoon she made a full course meal which consisted of tomato juice, baked meat patties, baked potatoes, baked grated carrots, raisin and orange pie with whole wheat pastry and a glass of milk. These foods were all very delicious and were served to the ladies by the Mesdames Egerton Barkley, Wilfred McMillan, Gerald McMillan, Burrill Becksted and Hugh McMillan. Tea and dainty cookies were served by Mesdames Harold McIntosh, Bernice Froats and Don Dillabough.

The Institute president, Mrs. Hugh McMillan, moved a vote of thanks to Miss Myer for her helpful instructions and the pleasant time spent the two afternoons, also to the ladies who assisted in serving.

A special vote of thanks was extended to Mr. Thom from the Institute for the use of his electric appliances. This kindness was very much appreciated.

Gibeault-Faubert

A pretty wedding was solemnized by Rev. S. Lesage of St. Mary's Roman Catholic Church, Chesterville, on Saturday, April 25th, when Irene Marie Faubert, daughter of Mr. and Mrs. William Faubert, Chesterville, became the bride of Rolland Joseph Gibeault, son of Mr. and Mrs. Henry Gibeault, Berwick.

The church was decorated with snapdragons. Sister Mary Remegius played the wedding music and Alderic Masse, Crysler, was the soloist.

Given in marriage by her father, the bride wore a white gown with lace overskirt parted in front to show the underskirts of white net over satin, fitted bodice, Peter Pan collar and long sleeves, coming to points over the hands. Her embroidered floor length veil of net was held in place by a coronet of seed pearls. She carried a bouquet of red roses.

Miss Aurea Masse, Crysler, was bridesmaid, and Caroline Beehler, of Crysler, was flowergirl. Ernest Faubert, Chesterville, was best man. The ushers were Albert Faubert, Alexandria, and Napoleon Gibeault, Crysler.

After a reception at the Community Hall, Chesterville, the couple left for Burlington, Vt. The bride chose for travelling a rust gabardine suit with navy accessories. Her corsage was of white rosebuds.

L.A. Zufelt, 88 Well Known Dairyist

Following a period of ill health for the past several months, Lindsay Akins Zufelt died at St. Vincent de Paul Hospital on Friday morning, April 24, where he had been a patient for three weeks in Brockville.

A son of the late John Zufelt and his wife, the former Elizabeth Reddick, he was born at Williamsburg, Ont., on January 14, 1865, and was 88 years of age. Mr. Zufelt, before his retirement 19 years ago, was for 35 years the superintendent of the Eastern Dairy School at Kingston. He was well known throughout Canada as the "father of dairying."

In 1915 he was chosen as the only Canadian dairy representative to the Pan American Exposition in San Francisco. Mr. Zufelt travelled extensively from coast to coast for the Canadian government, establishing dairy work and schools in all provinces. He was honoured with a professorship by Queen's University in Kingston for his extensive research in the bacteriological field.

In 1893 he married Alice S. Smith, daughter of William Smith, of Chesterville, and his wife, the former Lillian Muir.

Mr. Zufelt belonged to the Belleville Masonic Lodge and Chesterville Masonic Lodge, No. 320.

Mr. Zufelt resided with his daughter, Mrs. K. R. Haskett, of Brockville, for the past 10 years, his wife predeceasing him in 1940.

He leaves to mourn his passing his daughter, Mrs. K. R. Haskett, and two grandchildren, Don Haskett, Boston, Mass., and Mrs. Don McCullough (Mary Jane), of Kingston, as well as two sisters, Miss Ida Jufelt and Mrs. Edith Martin, of Belleville.

The funeral service was conducted at 2.30 p.m., Monday, in Trinity United Church, Chesterville with Rev. R. A. Mitchell officiating. Interment was made in the family plot at Maple Ridge Cemetery.

MOREWOOD BIBLE SOCIETY ELECTS NEW OFFICERS

Rev. B. V. MacLean, of the Ottawa District Bible Society, was present at the annual meeting of the Morewood branch and showed two films entitled "The Bible on the Table" and " The Life of William Carey."

Rev. D. L. Gordon, president, welcomed the speaker.

Mr. MacLean presided for the election of officers for 1953: president, Rev. D. L. Gordon; 1st vice-president, Mr. W. C. Hunter; 2nd vice-president, Mrs. A. Dillabough; secretary-treasurer, Miss Laura Moffat.

40-Hour Devotions Here At St. Mary's Church This Week

Tuesday of this week saw the conclusion of a 40-hour devotion period at St. Mary's Church. The services began on Sunday. They were under the general direction of the pastor, the Rev. Fr. S. Lesage.

Three special speakers from other parishes took part in the services. They were: Rev. F. O'Neill, South Mountain; Rev. Francis Foley, Dickinson's Landing; Rev. W. Terrion, Morrisburg.

Other priests assisting the pastor included: The Very Rev. H. J. Farrell, Perth; Rev. M. E. James and Rev. P. Murphy, Prescott; Rev. H. J. Wylie, Cardinal; Rev. J. Tompkins, South Gloucester; Rev. J. Finn, Osgoode; Rev. A. Goulet, Crysler; Rev. M. J. O'Brien, Finch; Rev. J. C. Lesage, Stanleyville.

MUSIC RECITAL

In the account of the Music Recital of St. Mary's Convent, appearing in last week's issue, the following names were omitted: Piano solos, Carl Merkley, Janet Dodds, Norma Dodds, Helen Merkley, Carol Countryman, Marilyn MacIntosh, Marion Giles, Gerald Faubert, Eleanor Simpson, Betty Anne Thompson, Caroline Durant.

Absent through illness, Rae McMillan.

Double Amputee Speaks At W.O.W. Entertainment

On Friday, April 24th, the Woodmen of the World sponsored an entertainment of a varied nature in the Chesterville Community Hall. Leading up to the speaker's topic, the District Deputy, Morley Beckstead, showed films of a relative nature, the first one entitled "McGonegal," a man whom Captain Allan D. Piper knew personally in California three years ago. This picture showed what a man with perseverance can do with both his hands off.

The most interesting picture, however, was the one in which the speaker of the evening was the main actor. Captain Piper, of Ottawa, is a double amputee and is now working full time as Chief Pension Officer. He drives his own car, does his own typing and does practically anything anyone else can do and as a little extra, has a woodworking hobby of which he can be justly proud.. The audience showed their appreciation to the very interesting speaker in no uncertain way. The W.O.W. presented him with a souvenir to remember his visit to Chesterville, a carved Gibbard walnut gavel and case.

With abundant local talent, a full evening's programme entertained the audience till about 11 p.m. Doreen Cross, accompanied by Mrs. Chas. Cross, delighted all with her three solos. Mrs. Donald Cross and Mr. Arthur Bryan, accompanied by Miss Marjorie Nesbitt, spirited the music lovers with an accordian duet and encore. Miss Anne Crawford and Mrs. Donald Cross followed with a piano duet. Mr. Arthur Bryan and Mrs. Donald Cross entertained with an accordian duet and encores.

FISH AND GAME ASSOCIATION HOLDS ANNUAL MEETING

At the annual meeting of the Chesterville Fish and Game Association in the Community Hall, Chesterville, Ralph McMillan was elected president to succeed Gordon Lannin.

Vice-presidents are Harry Hutchinson, Morewood, and Leonard Giles, of Chesterville. Secretary-treasurer is G. Cumming. Committee members include: Harry C. Hummel, legislation; H. Keith Graham, finance; Leonard Giles, membership; W. O. Dixon, fish; Earl Cross, game and bird life.

Door prizes were won by Edward Gillard, Finch, and Gordon Cumming, Chesterville.

W.M.S. and Ladies Aid Of Presbyterian Church Meet at Crysler

The W.M.S. Auxiliary of Knox Presbyterian Church, Crysler, met at the home of the Misses Cassie and Bertha Montgomery. The president, Mrs. Carl MacRae, presided. The meeting opened with a call to worship. The scripture reading, the 20th Chapter of St. John, was given by Mrs. Delburn Carruthers, followed by a prayer by Mrs. Wm. Ouderkirk. The roll call was answered by a Bible verse containing the word "Cross." The minutes of the last meeting were read and the collection taken, followed by a dedicatory prayer by Mrs. Carl MacRae. A short review of the Glad Tidings was given by Mrs. MacRae. The meeting closed by singing Hymn 212, followed by a prayer by Mrs. Wilbert Paul.

Ladies' Aid Meeting

The Ladies' Aid Society held its meeting following the W.M.S. meeting with the president, Mrs. Wilbert Paul, presiding. The meeting opened by singing Hymn 607. This was followed by the scripture reading, the 28th Chapter of Matthew, read alternately. Mrs. Paul led in prayer.

The minutes of the last meeting were read and approved and the roll call given; some discussions followed. The Ladies' Aid decided to assume the responsibility of sending "get well" cards, etc. The meeting closed by repeating the Lord's Prayer.

The hostesses served delicious refreshments. A vote of thanks was moved by Mrs. Wilbert Paul.

LATE SANFORD HERRIMAN, 93 LAID TO REST

The community was saddened by the passing of one of its oldest citizens, Mr. Sanford Herriman, who had reached the advanced age of ninety-three, and who, until two weeks before his death when he suffered a stroke, had been quite active. He was known for his quiet, sunny disposition and was loved by all who knew him.

The funeral service was held at his farm home, east of Boucks Hill, and was conducted by his pastor, the Rev. Mr. Rice, on Wednesday last at 2 p.m.

The hymns sung were two favourites of the deceased, "Oh Love That Will Not Let Me Go" and "Abide with Me." The Rev. Mr. Rice sang by request "The Old Rugged Cross." Interment was made in the Boucks Hill Cemetery.

He leaves to mourn four daughters, Mrs. John O'Shaughnessy, Williamsburg; Mrs. Joseph Donovan, Kingston; Mrs. Wm. Dillabough, Chesterville; Mrs. Orval Beckstead, Kingston, and two sons, Clifford, at home, and Maurice, Westhampton, N.Y. His wife predeceased him two years ago.

The floral offerings were many, including a large circle wreath sent by the Lions Club of Riverhead, N.Y.

Local Drama League Presents Play At Moose Creek

"The Newly Weds" was the play presented in the Community Hall, Moose Creek, by the Chesterville Roman Catholic League. It was sponsored by the Ladies' League of Our Lady of Angels Church, Moose Creek.

The cast members were Mrs. T. Whelan, Gladys Allen, Margaret McMillan, Charlotte Lynch, Christina Kelly, Denis Hurtubise, Gerald Kearney, Allen Clement, Ernest Faubert and Louis Moriarty. Arthur Bryan accompanied dance numbers on the piano.

Rev. S. Lesage is chairman of the League.

Men's Association Host To Kemptville Group

Members of the men's group of St. John's United Church, Kemptville, were the guests of the Men's Association at Trinity United Church on the occasion of the latter's April meeting.

Following the devotional service, the visitors were welcomed by the Rev. R. A. Mitchell. Three films, "Pipe Lines," West Coast Playground" and "Jay Walkers," were screened for added entertainment, followed by a carpet bowling competition with the two teams from Kemptville playing against members of the Chesterville group.

Folowing the luncheon, Fred Patterson, president of the St. John's Group expressed Kemptville's appreciation on the occassion of the inter-town visit.

IN MEMORIAM

McNAUGHTON—In loving memory of a dear husband and father who passed away April 28th, 1942.

It was in the beautiful Springtime
We stood by an open grave;
We watched them lower a loved one
We would have given our lives to save.
We know our thoughts couldn't waken
That soul in the silent clay;
So we laid our hearts down beside him
And silently walked away.

Wife and family.

Management of our Wildlife

Wise use of our natural game resources implies providing the maximum sustained yield of enjoyment and use of the resources. In managing game to this end, several major tools are used, the most important of which is seasons during which game may be harvested.

Closer seasons give protection to scarce game, until they become abundant. Continued closed seasons, when game is abundant, are apt to induce increasing amounts of poaching with the result that often the remark is heard "The closed season protects game for the poacher."

Many would-be poachers are content to wait for an open season provided the open season is forthcoming. Most animals and birds, including pheasants, ducks, deer, fox and bear, become much more bold under continued protection by closed seasons so that when the season is opened again, there is little sport to the slaughter that ensues. Much thought and money has been spent in research of "gamier" birds and animals, only to offer such game complete protection.

As the game becomes more tame, their abundance is strikingly shown by bold animals and birds venturing into places where they can be easily observed. Hunted game on the other hand is difficult to find and very wary. As a result, game may be quite abundant but may make itself quite scarce through extreme caution and wariness.

In regulating open seasons, thought must be given to the amount of hunting required to harvest the "crop" of game available. In certain areas, where hunting pressures are extreme (and they are increasing yearly), it is necessary to have very short seasons. This reduces the kill by discouraging hunters and tending thus to lessen hunting pressure and also the hunting danger. In this manner, it is possible to have seasons which are more attractive to local residents but unsuitable for hunters from other areas. Also, it is possible to build up a good population of "gamy" birds or animals under open seasons by having the open season too short to allow complete harvest of the crop. Hence the population of game increases and is kept wild at the same time by limited hunting.

With increasing numbers of hunters each year, it is more and more important to provide as much hunting opportunity as possible with the realization that it is impossible to produce bag limits for every hunter. The use of more sporting equipment also ensures maximum enjoyment with smaller kills. The use of bow and arrow for deer hunting is becoming very popular in many States. The resulting deer harvest is low, while hunter enjoyment is high.

Residents along the Rideau River between North Gower and Kemptville were much surprised last week by the appearance of eight swans. The birds, all juveniles, have been resting on their migration. The large completely snow-white birds with greyish necks, black bills and black feet make an impressive picture as their wings flash in the sun. They are rare visitors to this part of the country.

Weed of the Week—

Common Dandelion A Hardy Nuisance

Call it Taraxacum Offincinale Weber if you wish, but to the Ontario farmer and the urban lawn-maker it is still that nuisance, the common dandelion or blowball that infests crops and makes lawns look as though they had broken out in a golden rash.

One of the most common weeds in Ontario, the dandelion emigrated from Europe and today bears the stigma of being even a worst pest in Ontario than it was on its native heath.

From early spring to late fall practically all localities, parks and lawns are overrun with this yellow flowered perennial which valiantly resists efforts of eradication.

The familiar fluff ball containing the ripened seeds appears about two weeks after the flower opens. Drought does not affect the dandelion as the long fleshy tap root can carry the plant through many drought spells, thus giving it a chance to grow and multiply when other lawn plants are in a weakened condition.

The young dandelion makes an excellent salad or pot herb whose roots have been used for medicines. In fact, around 1914 over a hundred thousand pounds were being imported into Canada and U.S.A. annually. The milky juice sold for four to ten cents per pound.

Control of the dandelion with the spud is very laborious and back breaking but will give results if the root is cut off about four inches below the soil surface. Pieces bbroken off the main part o f the root will grow and produce plants of their own.

Chemical control is very effective and considerably easier. Spraying with 2,4-D where no susceptible flowers or ornamentals are near, and where no bent grass is used in the lawn will give very gratifying results, says the Crops Branch of the Ontario Department of Agriculture. The chemical can be bought at most d r u g, hardware and department stores. It should be applied at rates recommended by the manufacturer and before the dandelions begin to flower. Unless some action is taken to clean up large areas, new seeds will blow in and produce a new infestation. Dandelions are profuse seeders and some say the motto of those wishing a lawn free from them must be "Everlastingly keep at it!"

Laws which are in advance of public sentiment are generally but a dead letter.—Tryon Edwards.

HOLY BIBLE

By John Burton

HOLY BIBLE, book divine,
Precious treasure, thou art mine;
Mine to tell me whence I came,
Mine to teach me what I am.

Mine to chide me when I rove,
Mine to show a Saviour's love;
Mine art thou to guide my feet,
Mine to judge, condemn, acquit.

Mine to comfort in distress,
If the Holy Spirit bless;
Mine to show by living faith
Man can triumph over death.

Notice

"All requests for time off on account of headaches, severe colds, funerals, etc., must be handed to the manager by 10 a.m. on the day before the game."

Very Expecting

Private Dillon asked for week-end leave from a training camp on the grounds that his wife was "expecting." He got it.

The following week he made a similar excuse and again got leave.

But when he asked for leave the third week-end, the officer in charge remarked: "What is she expecting, anyway?"

"She's expecting me home again, sir."

Many Kinds

The class composition was about "Kings." One boy wrote this:

"The most powerful king on earth is Wor-king; the laziest, Shir-king; the wittiest, Jo-king; the quietest, Think-king; the thirstiest, Drink-king; the shyest, Wink-king, and the noisiest, Talk-king.

Beware, as long as you live, of judging men by their outward appearance.—La Fontaine.

EASY TO SPEND MONEY

It is nonesense to say that we could not find uses for the production we are now diverting to defense. Canada, and the other countries of the free world could certainly use new schools, power plants, hospitals and highways. Every week that passes in producing arms makes such needs more urgent, thinks The inancial Post.

Man's intelligence has sunk low indeed if he can only keep himself prosperous by spending half his time in producing something he can't eat, use or enjoy. No sane country, least of all those with a standard of living like ours, ever relished the prospect of spending billions on armaments. Only dire necessity forced us into this costly business. Given assurance of real peace we will only be too happy to get out of it.

Our society and our prosperity are not tied to the coat-tails of Mars.

FOR SLEEPY SMOKERS

There's a new ashtray which guards the forgotten cigarette. Special attachments automatically tilt the burning cigarette into the centre of the tray to prevent it dropping on table or floor, reports The Financial Post.

FROM IVY WALLS

Most of the 11,000 students leaving universities this spring have already committed themselves to jobs.

The good job outlook, reports The Financial Post, is due to a combination of low birthrates in the thirties resulting in fewer men in their twenties today; mushrooming demand from a growing economy, the armed forces and defense industries; plus a marked trend of smaller firms demanding university-trained help.

Engineers are in the shortest supply.

HOUSECLEANING HINTS

To immerse dust filled curtains into soap suds without shaking frst is to court disaster. Give all curtains a thorough shake or leave them on the line for an hour or so in a light breeze. Rinse several times after washing, and wash all curtains from the same room at one time.

Use a swab of iodine to cover up the scratches on table and chair legs.

To remove chewing gum from tapestry, rub with a piece of ice until gum is very hard. Then pick off what you can and finish the job with a reliable cleaning liquid.

A piece of thin, stiff cardboard makes a good wall protector when painting the woodwork. Slide the cardboard along the wall; never lift it.

Small holes in linoleum may be repaired by filling the hole with a mixture of fine sawdust and a bit of melted glue. Dry and varnish.

If the edges of a rug persist in curling, turn the rug wrong side up and brush the curled parts with thick, hot, boiled starch, rubbing it into the surface. When the edges are well moistened, press them flat with the hands, and allow the rug to dry before turning it over. When nearly dry the process may be hastened by pressing with a warm iron. Sewing rubber jar rings to the underside of the rug also helps the rug stick to the floor.

CAREFUL WITH BAIT

Careful with that minnow bucket during the fishing season in Ontario! The Ontario Department of Lands and Forests has issued a warning that "no person shall liberate live minnows or other small fish to any waters other than those from which they were taken originally." Which means, it is pointed out, that live carp, goldfish, perch or smelt may not be used as bait except in the waters from which they came.

Wife: "The maid quit. She said you spoke insultingly to her on the telephone."

Hubby: "Ye god! I thought I was talking to you."

Weekly Farm Report For Dundas County

Continued rains are hampering work on the land. A week of clear, dry weather is badly needed in order that spring work may proceed. Warm weather is also needed for pastures and new seeding. Good quality seed grain is in short supply and all farmers should place their order for their requirements for this spring with the seed dealers at the earliest possible date. Any person buying seed from neighbours or unregistered stock should check the germination power of it very closely.

Milk production in the county is high with many cattle coming into their spring production. In visiting cheese factories in the county last week it was found that most of them were operating to capacity with some receiving several truck loads of milk that are being diverted from condensaries, etc.

There arrived this past week through the Employment Office, Cornwall, some displaced persons who are available for farm work in the three counties. Anyone desiring some of this help should contact the Employment Office at the earliest possible date.

The Dundas Soil and Crop Improvement Association is commencing its projects for 1953. Some of these include a drill width test of oats, barley and soyabeans; hay pasture demonstrations; birdsfoot trefoil and climax timothy tests; supplementary pastures; silage corn; a number of weed spraying demonstrations and a barberry eradication demonstration. All these projects have been taken on with the co-operation of the Crops Branch, Ontario Department of Agriculture; Kemptville Agricultural School; Central Experimental Farm and the County Weed Inspector. It is expected that later on in the summer a tour of all these projects will be made to see their actual worth under normal farm conditions.

In 1952 only 155 soil samples were taken in Dundas County for testing at the Kemptville Agricultural School. This figure is far too low as all farmers in the county should avail themselves of this free service, whether you are making use of commercial fertilizers or not. Soil boxes for this work are available at your Agricultural Representative's office. We sincerely hope that more farmers will avail themselves of this service.

Egg prices this week as compared to the same week last year are 14 cents per dozen higher. It would appear that this would have been a good year to be in the chicken business. Hatcheries report to date that the number of eggs placed in incubators is down about 8% from last year. However, there are more late chicks being hatched this year than last.

Rev. J. McCaskill Called To Glen Sanfield

The Presbytery of Glengarry meeting in Kirk Hill United Church sustained a call to Rev. John McCaskill, BD, of Ramsayville to Glen Sanfield charge.

Rev. A. W. Seaton, Martintown, presided over the sessions which took on an authentic Scottish atmosphere with the playing of bagpipes. Rev. Mr. Seaton was re-elected for a further term of office as chairman of Presbytery—a break with tradition.

Presbytery approved amalgamation of the Glen Sanfield, East Hawkesbury and Dalhousie charges, to be known henceforth as the Glen Sanfield charge.

Overseas Missions speaker was Rev. Ralph Collins, DD, of Angola, while Dr. J. I. MacKay spoke on "Home Missions and Extension" and stressed the urgent need for men. Rev. Mr. Collins was thanked by Rev. J. E. Brownlee, Apple Hill.

The Presbytery received applications for retirement from Rev. H. Hamilton, Maxville, and Rev. W. S. Atchinson, of Cornwall. Mr. Hamilton served the Maxville Church for 22 years and Mr. Atchinson has been at St. Paul's Church at Cornwall for 11 years.

Rev. G. Irvine continues as secretary of Presbytery for the 1953-54 year, beginning July 1st.

Conveners of committees were appointed as follows: Christian education, Rev. A. W. Seaton; social service, evangelism, Rev. H. Beach; missionary and maintenance, Rev. S. Delve; home missions, Rev. P. C. Lewis; overseas missions, Rev. C. Sutherland; education and candidates, Rev. B. Mallalieu; pensions, Rev. A. E. Wilfong; publications, Rev. David Gray; settlement committee, Rev. B. Mallalieu; law and legislation, Rev. A. W. Seaton.

Television Service Starting In Ottawa June 2nd

The CBC said last week that regularly scheduled television network service will start in Ottawa on June 2, although programmes will probably be telecast on an irregular basis for test purposes during the preceding two week period.

The first regularly scheduled programme is expected to be the Ottawa Coronation ceremonies at 3.30 p.m. on June 2, which the CBC will telecast direct from Parliament Hill using a mobile television unit. This local telecast will also be seen in Toronto and Montreal at the same time via the television network.

The CBC said a regular programme schedule for its Ottawa television station was under active study and details would be available within the next few weeks. The Ottawa station, which will probably be called CBOT, will operate on Channel 4. During the first weeks of service CBOT will broadcast network television only, from Toronto and Montreal. Later, film facilities will be added, to be followed by local production facilities.

Mrs. A. Peterson Dies at Brinston

The community of Brinston was shocked by the sudden death of one ot its prominent citizens, Mrs. Arnold S. Peterson. Although in failing health for some time, she seemed to show slight improvement, until, suddenly, she was stricken, and died at her home in the village.

Mrs. Peterson possessed an attractive personality and was an energetic worker in the community and her home. For several years she was secretary of Matilda Women's Institute, was a charter member of Matilda Rebekah Lodge, and was interested in all community work.

She received her early education at the rural school in the section where she was born in 1909. After a commercial training, she did office work at Iroquois until 1929, when she married Arnold S. Peterson. They conducted a dairy farm four miles east of Brinston for a few years, after which they purchased and conducted a chick hatchery at Brinston.

Laura Peterson was the daughter of the late Robert H. Bell and his wife, Alice Johnston.

The funeral cortege was conducted from her home to Brinston United Church, where the service was conducted by Rev. Geo. D. Empey, of Hampton, Ont., former pastor and friend of the family, assisted by Rev. J. A. Burden, Brinston.

The previous evening, members of Matilda Rebekah Lodge No. 342, of Brinston, performed the last rites for a departed sister at the home, Mrs. Ruth Coons, Mrs. Minnie Murphy and Mrs. Olive Thompson taking the ritualistic work. Members of Willow Rebekah Lodge, Cardinal, joined in the honorary ceremony.

Rev. Mr. Burden conducted the committal ceremony in Matilda ceremony.

She is survived by her husband, A. S. Peterson; her mother, Mrs. R. H. Bell; three brothers, Graham, Chesterville, Lorne, Brockville, and Earl of Brinston; one sister, Mrs. Lorne Cunningham, Hamilton.

A.W. Helmer Laid to Rest

Many friends from Cornwall and points in the district assembled at the Meldrum Funeral Home, Cornwall, on Sunday afternoon, to pay tribute to the memory of Arnott Warren Helmer by attending his funeral to the cemetery at Sandtiwn, Ont.

Mr. Helmer died at the Cornwall General Hospital at noon on Friday, following an illness of six weeks.

The service at the funeral home and graveside was conducted by Rev. W. C. Irvine, pastor of the Pentecostal Tabernacle. Hymns sung during the service were "Rock of Ages" and "Nearer, My God to Thee." Kenneth VanAllen rendered the solo, "Will the Circle be Unbroken?" Mrs. Basil Bronson acted as accompanist.

Pall bearers were Milton Crites, John Liscumb, Carl Rutley, Basil Hollister, Jack Liscumb and Leo Lapierre.

Relatives and friends placed many lovely floral offerings about the casket, evidence of the regard in which Mr. Helmer was held and the regret felt at his death. The family received many messages of condolence.

TO HOLD FARMER'S DAY AT KEMPTVILLE

A .M. Barr, principal of the Kemptvile Agricultural School, has announced that Wednesday, June 24th will be Farmers' Day at the school farm.

This will be a day designed especially for farmers of Eastern Ontario to see demonstrations and activities that are closely related to their own farm problems. Further details will be announced later.

The cars having collided, Jock and Pat were surveying the situation, Jock offered Pat a drink. Pat drank and Jock returned the bottle to his pocket.

Pat: "Aren't you going to have a drink yourself?"

Jock: "Not until after the police have been here."

Train Runs Over Man Escapes with Cuts

John Steacy got up with a slight cut on the head after 20 cars of a Montreal-Toronto freight train passed over him at Prescott.

Steacy started to crawl under the train when it stood in the yards, but it started to move when he was between the rails. He pressed himself against the ties. His head was cut by a projecting piece of metal on one of the cars.

By Comparison

A young lawyer, pleading his first case, had been retained by a farmer to prosecute a railroad for killing 24 hogs. He wanted to impress the jury with the magnitude of the injury

"Twenty-four hogs. Twenty-four, gentlemen! Twice the number there are in the jury box."

EASIER CUT THAN GROWN

In Toronto, as in other big Canadian cities, municipal officials are going to discover some day that it is far simpler to cut down a fine tree than it is t replace it, declares The Financial Post.

Scores of thousands of full-grown maples, elms, basswods and aks are being slaughtered recklessly in urban areas. Smetimes they encroached an inch or two on a street widening project or interfered slightly with some low-hung and unsightly wire. Sometimes they needed a bit of pruning and it was easier to cut themd own and be done with it. Sometimes they needed spraying to keep them clean or their roots might tangle with drains. Very often even these flimsy excuses were lacking and one suspects that the real reason was that someone got hold of a power saw and wanted to see it work.

SERVE CANADA

Soldiers like those of the airborne infantry are helping to guard Canada, ready to drop into action wherever danger threatens. The young man who joins the Army and has completed his Infantry training may then volunteer to start training for the proud wings of Canada's "Soldiers of the Sky."

AND YOURSELF

How does a man choose a job? He examines the pay; the working conditions; the opportunities for advancement; the financial security. From every one of these aspects an Army career is excellent. And more — no monotony of being stuck for years in one place; pension plans after 20 years service; medical and dental care whenever needed — without regard for cost or time. Opportunities for training and advancement in the Army today are truly outstanding.

IN THE ARMY

Soldiering is a man's life! There are challenges and dangers. But wherever you go, in the Army, you know you can rely on your comrades, trained fighting men who share with you the action of military life. If you think an Army career is for you, enquire about the opportunities for service with the Infantry — the most important men in the Canadian Army.

You are eligible to join the Army if you are 17 to 40 years of age and able to meet Army test requirements. Applicants should bring birth certificates or other proof of age when reporting for interview.

Bridge Collapses Truck Driver Escapes

Norman Morrison, 502 Bedford St., Cornwall had a narrow escape from serious injury when the tractor truck and float trailer he was driving broke through a concrete and steel bridge over the Payne River, about two and one-half miles west of Avonmore. The bridge, on the main highway from Avonmore to Newington, was a complete wreck. Damage to the truck and float and to the heavy bulldozer, which it carried,, was very little. Morrison was uninjured.

An estimate as to the loss of the bridge has not yet been established.

Morrison is an employe of Coleman Munro Limited of Cornwall. He was driving from Newington to Bonville, by way of Avonmore, when the accident occurred. At the time he was transporting a bulldozer on a float trailer.

Morrison said that the front wheels of the truck had just got off the bridge when he heard a terrible crash. The bridge buckled under the weight. The trailer and the bulldozer went crashing down into the river, while the tractor hung suspended over the edge of the roadway.

The bulldozer and the float trailer were removed from the river without too much difficulty.

The bridge, constructed in 1907 and 1908, is a complete loss. The steel girders and stringers were badly twisted and lay in a crumpled mass in the river, some 15 feet below the road surface.

It has not been definitely established just when a temporary bridge will be completed. Officials of the Stormont, Dundas and Glengarry Roads Department were on hand early surveying the damage and planning a course of action so that the Newington-Avonmore road may be opened to traf fic as soon as possible.

In the meantime, traffic is being re-routed via a nearby concession road.

Avonmore Couple Observe 53rd Wedding Anniversary

Mr. and Mrs. Cory Warner, Avonmore, quietly observed on Saturday the 53rd anniversary of their marriage. Many relatives and friends called at Mr. and Mrs. Warner's home to extend their best wishes. Mr. and Mrs. Warner also received many congratulatory messages and gifts.

Mr. and Mrs. Warner were married on April 25, 1900, at the home of the bride's parents, the late Mr. and Mrs. John Duff, Avonmore. The ceremony was solemnized by Rev. George Weir, then minister of St. Andrew's Presbyterian Church.

They have spent all their lives in the district. For many years Mr. Warner was a prominent farmer. He retired six years ago.

Mrs. Warner, the former Minnie Duff, is a daughter of the late John Duff and his wife, the former Lavina Hawn. She was born in the Second Concession of Roxborough and in her childhood was a classmate of Mr. Warner. She has one sister and one brother, Mrs. Ida Duff and Cecil Duff, both of Ottawa.

Mr. Warner is a son of the late Emerson Warner and his wife, Julie Ann Fetterly. He too was born in the Second Conecession of Roxborough. Mr. Warner has five sisters and one brother, Mrs. Percy Cann, Canton, Ohio; Mrs. Melinda Burton, Cleveland, Ohio; Mrs. J. B. Johnstone, Avonmore; Mrs. Hazel Baker, Cornwall; Mrs. Lottie MacIntyre, Montreal, and Ross Warner, Montreal.

Mr. and Mrs. Warner have a family of four, two daughters, Mrs. Geo. Loucks (Grace), Thorold, Ont., and Mrs. Verna McMillan, Avonmore, and two sons, Ford Warner, Avonmore, and Bert Warner, Newington.

They have nine grandchildren and three great-grandchildren.

GOLDFIELD

Mr. and Mrs. Jack Moore, Wessie and Bonnie, Petawawa, spent a week-end with their grandparents, Mr. and Mrs. John McNamara.

Mr. Bernard Foley visited Mrs. Foley and infant son in the Memorial Hospital, Wnchester.

Mr. and Mrs. John Young, Dunbar, Miss Susan Alguire and Kenneth Alguire, Cornwall, visited Mr. and Mrs. John McNamara on Sunday.

Mr. Wm. Bruining visited Mrs. Bruining and infant son in Memorial Hospital Winchester.

Mrs. Sam Cameron, Cornwall, is spending a few days with Mr. and Mrs. Stuart Duff and family.

Mrs. Hector Gillies, president of St. Luke's Missionary Society, and Miss Isabel MacMillan attended a meeting on Tuesday evening to make plans for the Glengarry Presbyterial to be held in St. Luke's Church on May 12th. Dinner and supper will be served to the delegates and their friends and three sessions are scheduled for the day.

Rev. John Honeyman, Mrs. Honeyman and family have returned home from the United States. Mr. Clifford MacRae, of Avonmore, conducted the services in St. Luke's Church on Sunday.

A number from here attended the funeral of the late Wm . McCloskey, held in St. Bernard's Church, Finch, on Tuesday.

Mr. D. A. MacLean has moved the store building several feet farther back from the highway.

"Please don't mind me, sergeant, if I show a little independence on the parade ground this morning," said the private.

"Why do you say that?" thundered the sergeant.

"Well, you see, sergeant, my wife is looking through the railings.'"

An army captain was greeted on the station platform by his little family. First his wife hugged him, then his five-year-old daughter. "Daddy," she said, pointing to a toddler who was watching, "I want to introduce my sister. We got her while you were away."

HARRY PRYCE

Harry Pryce is one musician who doesn't care a fig for the current hit parade. As the smiling conductor of Leicester Square to Broadway orchestra, heard Tuesday nights on CBC's Trans-Canada network, he is mainly interested in the songs of twenty-five or fifty years ago. Much of the old concert-hall music used on the programme has been contributed by faithful listeners. Harry Pryce was in at the start of Liecester Square when it began on the network nearly fourteen years ago.

THE MIXING BOWL

By ANNE ALLAN
Hydro Home Economist

Hello Home-makers-to-be! You will soon be challenged to serve food to suit your man's taste in every dish. No doubt your plain cheese sandwiches and chocolate cake has delghted him when served after the show, but the bride must fry bacon without frizzling it, cook eggs only until tender and at the same time, watch the toast and coffee and set the table.

Leftovers will also be a problem unless small-scale recipes are used, even then, you will value ways of dressing up ordinary dishes with left-over soups, vegetables and other refrigerator treasures.

Homemakers never cease learning new ways and perfecting old methods.

TAKE A TIP

1. For breakfast: Start cooking bacon medium or low heat (never high). Then place strips on a paper serviette as soon as fat has lost its white colour. Keep bacon in oven of 200 degrees while eggs are being cooked in covered pan on on low. Coffee may be percolated using warm water from tap if it is perked only 2 miutes for 4 cups. By the way, set the table the night before; also prepare cereal fruit juice. Pour juice in serving glasses if it can be covered with aluminum foil and stored in electric refrigerator.
2. For lunch: Heat soup; make a hearty sandwich and serve on a plate along with tossed green salad and a pickle. For dessert, serve fresh fuit (diced pineapple) with cookies, prune whip, sliced bananas or ice cream.
3. For dinner: Select oven meals if you have an electric range. One example is Braised Steak, Creamed Onions, Baked Potatoes and Rhubarb Crisp. If you worry about food boiling over, place baking dish in layer cake tin and pour hot water around food being baked. Do this with oven glassware as well as other baking dishes.
4. Garnishes always make dishes attractive if used sparingly and neatly. A sprig of cool, clean parsley, watercress, celery top, wedge of pickle always go on main course casserole or meat platter.
5. Toppings for dessert should not be neglected. A cherry, a cut marshmallow, a teaspoon of whipped cream, a sprinke of cocoanut add glamour to milk puddings, jellied desserts or plain cake.
6. May we remind you to make some of the preparations for dinner immediately following lunch—someone is sure to overstay their call on the bride during the afternoon.

Braised Stuffed Steak

1 lb. round steak
2-3 cup bread crumbs
2 tbsps. minced onion
3 tbsps. milk
1 tsp. poultry seasoning
½ tsp. salt
2 tbsps. shortening

Wipe steak with damp cloth, then pound with the potato masher. Combine remaining ingredients for dressing and spread over steak, roll up and tie in shape. Add ½ inch of water to roast pan or casserole. Cover and bake in electric oven of 350 degrees for 1½ hours. Serves 2.

Spareribs in Tomato Sauce

1 lb. spareribs
2 tsps. shortening
1 small onion, diced
½ can tomato soup
1 tsp. Worcestershire Sauce
¼ cup water

Cut spareribs into 2 portions, brown in the shortening in a heavy pan. Season with salt and pepper. Add onion, soup, sauce and water, cover closely and simmer over low heat for one hour. Serves 2.

Broiled Veal Patties

½ lb. minced veal
1 cup mashed potatoes
1 tsp. minced celery
¾ tsp. salt
Pinch of cayenne
1 egg yolk
Lemon juice or parsley

Combine veal, potatoes, celery, salt, cayenne and egg yolk. Shape mixture into flat round patties and chill. With tooth picks, secure strips of bacon around patties. Broil 8 minutes on each side.

Broiled Meal: Turn a half can of green string beans into a heated broiler pan. Arrange cooked whole carrots on rack alongside the veal patties. Brush carrots with shortening. Place pan in oven with top element on broil or high. Adjust the shelf so that the top of meat and vegetables is at least 2 inches from electric element. Turn meat and carrots in 8 miutes. Broil sliced bananas on sliced bread for dessert during last 8 minutes.

THE QUESTION BOX

Mrs. G. C. asks: Is it necessary to blanch asparagus before packaging to freeze?

Answer: If trimmed asparagus is scalded 1 minute, then chilled in running water for 2 minutes it sets the colour and removes any particles of dirt. Package in moisture vapor-proof boxes for freezing. Remember that freezing does not sterilize foods.

Mrs. H. C. asks: Should the rhubarb skin be removed before making jam or jelly?

Answer: No. It is not necessary to remove skin of fresh cut rhubarb.

Mrs. F. M. asks: Can you tell us again about baking apples on top of electric element?

Answer: Peel around the top of a baking apple; core and add sugar, nutmeg and a dab of butter. Place apple on a 12-inch square of aluminum foil and gather foil together at top, then twist or fold over. Place 1 or2 apples on small electric element turned to position 3 and bake 25 minutes.

Hyndman W.A. Meeting Well Attended At Norton Home

The Hyndman Woman's Association met at the home of Mrs. Geo. Norton on Tuesday evening, April 21, with a good attendance.

Mrs. Harold Francis had the devotional part of the meeting and chose for her theme "Why Christ Died." The meeting opened with Hymn 86, "When I Survey the Wondrous Cross." Scripture reading was taken from Romans, chapter 5, verses 1-15, read by Mrs. Francis.

The theme, "Why Christ Died" was divided into four parts and was read by Mrs. Ray Grant; Mrs. Howard Robinson, "God's Love; Mrs. Lawrence Peton, "Self-sacrivcing Love;" Mrs. Hubert Robinson, "Love for Sinners."

Hymn 485 ,"Jesus Keep Me Near the Cross" was sung, followed by the Lord's Prayer in unison. A poem, "To Make Life Count," was read by Mrs. Chester Gilmer; a poem, "Did Christ Have a Little Black Dog?" by Miss Donna Brown, and "Why Worry?" by Mrs. Lorne Conley.

This part of the meeting closed by all repeating the Mizpah Benediction.

Mrs. Cecil Somerville took over the business part of the meeting which was opened with the secretary reading the minutes of the last meeting; they were adopted and signed by the president. The roll was called and answered by receiving a parcel which had been donated by another member and as each member's name was called, they picked up a parcel and paid 25 cents. No collection was taken. The proceeds amounted to $4.05.

Mrs. Cecil Somerville handed in $3.25 for the supper given to the members at a quilting held at her home. Miss Lizzie Brown brought a basket of garden seeds to be sold. The proceeds, $1.20, was turned over to the W.A. Mrs. Ray Grant handed in a bill to be paid by the treasurer, Mrs. Howard Robinson.

It was decided to quilt a quilt at the Somerville home next month. A number of members who had been sick and received cards and treats from the W.A. thanked everyone in the usual way.

"Happy Birthday" was sung to two members, Mrs. Hubert Robinson and Mrs. Lawrence Pelton.

Next month the W.A. is invited to the home of Mrs. Lawrence Pelton. Mrs. Ray Grant will have charge of the devotional part of the meeting and Miss Lizzie Brown, the social. Roll call is to be answered by the exchange of slips of plants. The meeting closed with the repetition of the Mizpah Benedction.

A social hour was enjoyed. Mrs. Lorne Conley was in charge of the contests in the absence of Mrs. Gordon Francis, who was not able to be present due to illness. Mrs. Clifford Gilmer and Mrs. Harold Francis were the winners.

A delicious lunch was served by Mrs. Norton and the social committee.

Albert E. Derby Dies in 91st Year

One of the oldest residents of Winchester Township, Albert E. Derby, died in hospital Sunday night. Mr. Derby was in his 91st year.

Son of the late Mr. and Mrs. Andrew Derby, he was born at Glenburn, in Prescott County. Of pioneer stock, Mr. Derby's parents came from Ireland and cleared their farm from the virgin forest. Mr. Derby attended elementary school at Pendleton and later farmed in the Pendleton area until he moved to Maple Ridge in 1923.

For many years a member of the Public School Board, Mr. Derby was a member of the Winchester Wesleyan Methodist Church. A progressive farmer, he was known throughout the district as a breeder of fine Ayrshire cattle. Mr. Derby's wife, the former Olive Presley, whom he married in 1893, predeceased him 1 9 years ago.

Surviving are seven daughters, Miss Myrtle Derby, of Ottawa; Mrs. Alex Presley (Elva), North Gower; Mrs. Rowat Jones (Vera), Winchester; Mrs. Edward E. Wilson (Bertha), of Brockville; Mrs. Rae Helmer, of Winchester Township; Mrs. Harold Simms (Mildred), Mountain, and Mrs. Murray Barkley (Jessie), of Winchester; three sons, Harvey, Winchester; Sidney, Arvida, Que., and Ralph, of Sault Ste. Marie, Ont. Also surviving are 20 grandchildren and a brother, Ira Derby, of Avonlea, Sask.

The funeral was held Wednesday afternoon from the parlours of Vice and Craig to Winchester Wesleyan Methodist Church for service at 2.30 p.m. Rev. H. Kielty officited.
