KILLED IN GERMANY

PTE. ROBERT ARMSTRONG

Only son of Mr. and Mrs. Lorne Armstrong, of South Mountain, who was reported "Killed In Action," while serving with the Canadian Forces in Germany on March 1st.

Pte. Armstrong, who was 23 years old, arrived overseas on September 7th, 1944. After a few months training in England, he was sent to the battle front in Belgium with a reinforcng unit of the Essex Scottish Regiment. He later saw service in Holalnd and was with the Canadians when they started their present offensive. Word of his death was received here last Thursday.

Pte. Armstrong was one of South Mountain's most popular and promising young men. He was born and educated in that village, and prior to enlistment about three years ago, he was associated with his father in the furniture and undertaking business at South Mountain.

On June 12th, 1943, he was married to Miss Louise Kirkwood, of Oak Valley.

Word of Pte. Armstrong's death was a decided shock, not only to his wife and parents, but to his many friends in South Mountain and district.

He was typical of the average Canadian youth. He loved life and enjoyed it to the fullest. He possessed a very cheerful disposition and was beloved by all who knew him.

When he reached military age, he enlisted for active service. For several months his category kept him in Canada, during which time he trained at Camp Borden, as a member of the S., D. & G. Highlanders. He was placed on an overseas draft last summer and arrived in England in September.

Joining the Essex Scottish Regiment on the battle-front in Belgium, Pte. Armstrong was in the thick of the fighting there, in Holland and in Germany.

On March 1st he paid the Supreme Sacrifice. He died a noble death, like thousands of other Canadians, in a war that is designed to wipe out the forces of evil and treachery, so that free people everywhere may enjoy a lasting peace when the struggle ends. Let us all hope and pray that Pte. Armstrong's young life was not given in vain.

To his wife and parents, the Press joins with the entire community in extending its sincere sympathy.

TWO MORE DONATIONS FOR LEGION MEMORIAL HALL

During the past week the local Legion has received $50.00 donations from Mr. Carl Melvin, of Winnipeg, and from Capt. Dr. C. J. Locke, on active service overseas. These donations are gratefully acknowledged.

Capt. Locke, in sending his donation, stated that if the people from this district could see what great work the Legion is doing for their boys overseas, they would not hesitate to back them at home, and there should be little difficulty in getting sufficient funds to finance the building of a Memorial Hall in Winchester. Dr. Locke said he was very much in favour of the undertaking and wished it every success. Mr. Melvin, who is always a generous contributor to local projects, also expressed his approval of the Legion's objective and wished it every success.

Inkerman Wins Melvin Trophy

By defeating the local Junior Hockey Team in the last two games of a three-game series, the Inkerman Rockets won the Melvin Cup, which is emblematic of the Town League Championship. Winchester won the first game of the series 8-7. In the second game, played last Wednesday night, Inkerman outscored the locals 9 to 5, to tie up the series. In this game Grant McIntosh and Ralph Hurley each scored four goals and Keith Fawcett one for Inkerman, while the Duncan twins scored four and Geo. Gibbons one for Winchester.

The deciding game was played on Friday evening with a large crowd of fans present at the local Arena. The score was 6-4 for Inkerman.

For this contest, the Winchester team was without the services of the Duncan twins, and an injury to Harry Keyes prior to the start of the game left the defence without any relief players.

When it was known that the Duncan twins were not going to play and that the team was going to be decidedly short-handed, Lloyd Kenney, Ran. Wylie and Gerald Cross donned their skates and came to the rescue.

Up until the last eight minutes of play, Winchester was leading the Rockets 4-2, and it looked as though the locals might win the series. However, Inkerman started to press the play in an attempt to win the game, and they were successful in ramming in four goals before the period ended.

D. Levere, D. Hitsman, Geo. Gibbons and L. Kenney were the local scorers, while R. Hurley 2, L. Pitt, G. McIntosh, Geo. Whitteker and P. Armstrong counted for Inkerman.

The game was well-handled by Referee Arnie Peterkin, of Ottawa.

The line-ups were:

Inkerman—Goal, R. Barkley; def., G. Whitteker and L. Pitt. centre, G. Crowder; wings, R. Hurley and G. McIntosh; alternates, J. Hume, K. Fawcett, VanAllen, P. Armstrong, C. Guy.

Winchester—Goal, L. Bolton; def., D. Levere and R. Campbell; centre, D. Hitsman; wings, R. Workman and G. Fader; alternates, G. Gibbons, R. Anderson, L. Kenney, R. Wylie, G. Cross.

INKERMAN BANTAMS DEFEAT CORNWALL 5-2.

On Saturday afternoon the Inkerman Bantam Hockey Team, under the management of Mr. Lloyd Laporte, journeyed to Cornwall to engage the Bantam team from that city in a sudden death game of the Ottawa and District Bantam Playdowns. The Inkerman team was in rare form, and defeated the Cornwallites 6-2.

A few days ago, the Inkerman Bantams eliminated Kemptville by a score of 7-4. This Saturday afternoon they will play Pembroke Bantams at the Auditorium, Ottawa.

The line-up of the Inkerman Bantams is as follows:

Goal, Allan Kellogg, Winchester; def., Clarence Morgan, Winchester, and Ron. Timmins; centre, C. Baldwin; wings, A. McIntosh and D. Crowder; alternates, B. Lunny, D. Mulholland, L. Bailey, C. Bailey, W. Laporte and E. Bailey.

Inkerman Rockets, Semi-Finalists in the C. O. V. Hockey League, and winners of the Melvin Cup, emblematic of Winchester Town League Championship. Reading from left to right—Back Row—Delmer Timmins, assistant manager; Chas. Guy, Geo. Whitteker, Lyle Pitt, Keith Fawcett. Second Row—Percy Armstrong, G. VanAllen, Grant McIntosh, J. Hume, Lloyd Laporte, manager and coach. Front Row—Ralph Hurley, R. Barkley, Gordie Crowder. (Picture by Williamsburg Photo Studios).

Scouts Will Collect Papers March 24th

The next drive for newspapers and magazines will be made by the local Boy Scout Troupe on Saturday, Mar. 24th. This type of salvage is urgently needed in Canada's War Effort and Winchester and district citizens are asked to co-operate in the next drive by donating all the papers and magazines they can.

Please see that newspapers are tied in bundles separately from magazines, place them in front of your home where they can be seen easily from the street, and the Scouts will pick them up.

Farmers, living out of town, may bring their papers in, securely tied, and leave them on the west end of the platform in front of Bessin's Store, and they will be collected.

Remember the date, Saturday, March 24th. This work is done voluntarily by the Scouts, and local citizens are expected to assist them in performing their good deeds.

MUSKRAT SEASON OPENED ON MONDAY

Announcement was made last week by District Game Wardens, that the open season for trapping muskrats would begin on Monday, March 12th, in the following counties: Dundas, Glengarry, Frontenac, south of Number 7 highway; Grenville, Hastings, south of No. 7 highway; Leeds, Lennox and Addington, south of No. 7 highway; Northumberland, Ontario, south of No. 7 highway; Peterborough, south of No. 7 highway; Stormont, Prince Edward and Victoria, south of No. 7 highway.

This country can't have too much barking and growling by the watch dogs who are supposed to guard our federal, provincial and municipal treasuries.

LOCAL AND GENERAL

Four Generations Present.

At the Baptist Sunday School on Sunday morning, four generations were present for the first time on record. They were Mr. H. S. Carkner, his daughter, Mrs. Geo. Parish; her daughter, Mrs. Colborne Helmer, and her infant daughter, Erma.

Out Of Hospital.

We are pleased to announce that Dr. H. S. Gross, who recently underwent a serious operation, is now out of the hospital and convalescing at the home of his parents, Ottawa. He is getting along fine and expects to return to his home here in the near future.

Perfect "V" On Potato.

Mrs. Harold Cowan, of the Vernon district, while peeling potatoes on Tuesday, discovered one with a perfect "V" on it. The character is raised as though it were embossed on the skin. Now that the Allies have Hitler and his gang on the run, it would not be amiss to say that this "V" potato is a forecaster of Victory.

Half-load Regulations.

Half-load regulations of the Ontario Department of Highways are effective this year on highway 29 from Arnprior to Smiths Falls; No. 15 from Elgin to Smiths Falls; No. 31 from Ottawa to Morrisburg; No. 32 from Gananoque to Lillie's Corners; No. 42 from Westport to Forthton.

Plaques Received.

Through the kindness and courtesy of Mr. John B. Challies, of Montreal, two sets of plaques and reproductions of the coat-of-arms for each of the provinces, were received here a few days ago. The plaques contain the coat-of-arms for the Dominion of Canada, and are really a work of art. One set was sent to the local Legion for the new Legion Hall, when it is erected. The other was a gift for the school. To Mr. Challies goes a sincere "thank you" for these gifts, which will be greatly appreciated by all concerned.

SEED GRAIN

A car of Seed Grain is due to arrive any time now.

Erban, Cartier and possibly a few Alaska Oats.

O.A.C. No. 21 Barley and Coronation Wheat.

This Seed Grain is coming from Carp, the same as other years.

Call and book an order and we will phone when it comes.

CLEANING

Although we have tried to encourage early cleaning by a special low rate, comparatively few have had their grain cleaned yet.

We cannot possibly do it all in the last couple of weeks. **Bring grain in now, we can give better service and it will save that last minute rush—at both the farm and the cleaning plant.**

NEGLECTED ACCOUNTS

A few accounts have been neglected and not paid as promptly as they should have been.

Under present conditions this should not be necessary.

During this spring and summer all sales will be on a cash basis.

Those who have been paying accounts in full, monthly, may continue, providing the account is cleaned up each month.

Otherwise, please do not count on charging a bill—we do not want to have to refuse.

There has been too much charging and our book has to be reduced.

THE FARM COMMUNITY OF TOMORROW

By Kenneth Betzner, President, Ontario Federation of Agriculture

The farm community of tomorrow must be made more attractive if Canadian agriculture is to hold on the farm the aggressive type of boys and girls which will maintain our agricultural economy on a par with other industries.

Canadian agricultural income of $1,397 million in 1943 in comparison with $384 million in 1932 has put the farmer in a better financial position to make the farm community of tomorrow more attractive and so to hold more of our intelligent farm boys and girls. I am not saying, however, that the farm income of 1943 is extraordinarily high, in view of the 40 per cent. increase in production achieved since the war began.

Nevertheless, farmers should endeavour to lay away some of this increased revenue in such sound investments as Victory Bonds. Individual savings will make possible the purchase, in post-war years, of new farm equipment now being developed by technological research. For example, lighter farm machinery will be made of durable alloys developed during wartime research. Savings will make possible the repair and improvement of farm buildings for which labour and materials have been impossible to procure during wartime.

Savings will make possible the electrification of rural communities, the erection of new buildings which will make working conditions on the farm more efficient, soil conservation (which must be practised by all farmers if Canadian agriculture is to maintain its present level of production), the improvement of farm fences and general farm beautification. Another use for money now put into Victory Bonds will be the improvement of livestock and the use of properly graded seed.

A post-war need which I would emphasize is the better education of our children.

Last, but not least, of the post-war uses of cash reserves I put travel and pleasure for the farm family. Many farmers, while their sons and daughters have been in the services, have been carrying on during wartime with little or no help and with inadequate equipment. Mother and Dad have carried on the farm production and, yes, in many instances, have increased production. Surely these true patriots are entitled to a fair share of travel and leisure in the post-war era.

Now let me repeat that the farm community of tomorrow must rest on price stability—fair prices for farm products and fair prices for what the farm must buy. I think it can be argued that the farmer by saving now is making a double contribution to post-war stability (aside entirely from helping the war effort with the purchase of Bonds):

First, farm buying power after the war will contribute to industrial prosperity and stimulate the domestic market for farm produce. Unless farm purchasing power is buoyant and strong, all industry will lose one of its greatest potential unsupplied markets and unemployment must result. There can be no isolationism in our post-war planning since our national success is dependent upon the economic partnership of all groups and classes in solving our economic problems.

Second, by saving now, farmers are helping to avoid inflation—and eventual deflation. Farmers probably would lose more than any other group in the event of a strong inflationary movement of prices, because farm prices tend to lag behind other prices when the movement is upward, and it would take another four or five years of struggle to get agricultural prices up to the same parity with other prices that they now have. And before that was achieved inflation might have turned into a crash which would, as usual, take farm prices to the bottom of the trough—if price floors could not withstand the impact. Farm prices lag behind when the price trend is upward, but they lead the van when the movement is deflationary.

Through price stability and proper marketing agencies at home and abroad the farm community of tomorrow can become the Utopia that our boys overseas are fighting for today.

FAMILY ALLOWANCES
(Almonte Gazette)

Those who argue about the family allowance question, in which none of the provinces seems to be in agreement with the Federal authority, must make up their minds whether the move is not another one in the direction of paternalism. It often has been said that the more pampering a man gets the more he will expect and the more he will need. The man who can stand on his own feet usually is the most successful. However, there are exceptions to this rule and these must be considered in laying down a great social service program like family allowances—the biggest one, without a doubt, that this country ever has proposed to undertake.

Other Editors' Opinions

BRITISH CONFIDENCE
(Stratford Beacon-Herald)

Canadians will appreciate the confidence in Canadian military direction shown by British authorities in placing so many of their men under General Crerar's command.

MAY BE ENOUGH
(Ottawa Journal)

Mr. Howe offers no hope of an early increase in the gasoline ration. But for old and irreplaceable cars equipped with old and irreplaceable tires, perhaps 120 gallons for the year is plenty.

HAS TWO EFFECTS
(Guelph Mercury)

Properly used, a quart of gasoline will move an automobile four or five miles. Improperly used, the same quantity of gasoline will move two fire trucks, two ambulances and two hearses the same distance.

SOMEONE HAS TO PAY!
(Brockville Recorder & Times)

When labor organizations, as they sometimes do, urge a post-war 36-hour week without loss of wages, they can only mean that they wish to pay more for consumer goods produced under such conditions. Manufacturers can absorb only so many additional costs without having to increase their prices.

ON ACCOUNT OF THE WAR
(Timmins Advance)

A local gentleman visiting a blind pig in the district objected to paying 75 cents a bottle for beer. "You shouldn't charge more than 50 cents a bottle," he told the proprietor of the sightless porker. "Say, fellow!" responded the latter, "what's the matter with you? Don't you know there's a war on?"

VICTORY SPIRIT
(Empire Digest)

The story goes that two days after the collapse of France, a document was circulated to a number of high British officials by the Prime Minister, Mr. Winston Churchill. The main part of it set out bodily and without comment, the rather ghastly facts of the British position. But the real point lay in the note that accompanied it which was characteristic both in phrasing and spirit. "I pray that I may have a week from this day," it ran, "your ideas on how we will now proceed to win the war."

TIME WASTED
(Carleton Place Canadian)

So Parliament is to meet on March 19 and it took a whole half hour of Premier King's time to tell us in his radio address last Friday evening. There was little in his long peroration beyond this that the people were interested in. Why is it that some politicians, when they get on their hind legs, don't seem to know when to stop? It would have been more to the point had he announced he was going to ask for an extension of the life of parliament. We do not think many people want to go through a war time election if it can be avoided.

BIRTHDAY PARTY FOR MRS. THOS. E. COULTHART

Fourteen friends and neighbours took Mrs. Coulthart's home at Morewood by storm on Wednesday evening, February 21st, the occasion being her 65th birthday. When she had recovered from her surprise, Mrs. Nimmo spoke a few congratulatory words on behalf of the group. Mrs. Jake Steen presented the gifts, decorated with pink paper frills. Mrs. Coulthart, assisted by Mrs. Walter Steven, unwrapped the gifts. Then in her endearing way, Mrs. Coulthart welcomed her unexpected guests and thanked them heartily for their remembrances.

All gathered around the piano with Mrs. Colin MacGregor at the instrument and sang the old songs, rounds and musical games. Mrs. Coulthart and Mrs. Ross Nurse (who also was celebrating a birthday) sang a duet: "Darling Nellie Gray." Miss Lill. Feeley conducted two oral contests: 'Conveniences our Grandmothers Lacked," and "Jumbled Canadian Cities." During the preparation for lunch, Mrs. Lyle Hunter conducted another.

The lace table cover was centered with a large pink and white birthday cake with candles. It is difficult to say whether Mrs. Coulthart enjoyed the evening more than her gifts.

Regrets were expressed that five of the number were unable to be present due to illness, Mrs. Margaret Moffat, Miss Nel Moffat, Mrs. Fred Farmiloe, Mrs. Wilburn Marcellus and Mrs. Jean Ballantyne. Those present were Mrs. Tom Moffat, Mrs. W. Servage, Miss Lill Feeley, Mrs. Colin MacGregor, Mrs. John McLeod, Mrs. Lyle Hunter, Mrs. Ross Nurse, Mr. and Mrs. Donald McLeod and Donalda (Mr. McLeod's birthday and age are the same as Mrs. Coulthart's). Hostesses were: Mrs. (Rev.) Nimmo, Mrs. Weldon Dillabough, Mrs. Jake Steen and Mrs. Walter Steven.

The owner of the country newspaper went home to dinner, smiling radiantly.

"You must have had some good fortune this morning," greeted his wife.

"Indeed, I did," announced the owner. "Jim Smith, who hasn't paid his subscription for ten years, came in and stopped his paper."

We would be very pleased to see all the ladies at the next meeting of the Red Cross, as the work is needed so badly.

ORMOND

The Mission Circle met Wednesday last at the parsonage. The President, Mrs. Justin Docksteader, gave a very interesting topic on our Missionary, Mr. E. Merrick, of Bolivia. Plans were made for the spring thank-offering at our Easter meeting.

Some homes in the community are being wired for electricity.

Mr. Clarence Deeks, of Winchester, was in charge of the service here on Sunday morning.

Gordon Cinnamon, son of Mr. and Mrs. Kenneth Cinnamon, is confined to his bed again suffering from a relapse.

Some friends had a letter from Rev. Mr. Lucas, this week, from Englehart, where he is now having special services. Mr. Lucas expects to be in Ottawa for special Easter services.

The Red Cross social evening was postponed from last week and will be held Thursday evening, March 15th, in the school. Several young people from the W. H. S. Oratorical Contest will give speeches.

Among those home for the week-end were Misses Laura Porteous, Lottie Carkner and Ella Carkner.

S.B.A. Glen Campbell is home from Shelbourne, N. S., spending his leave with his parents, Mr. and Mrs. Dan Campbell.

Mr. Gordon Mulholland and Mr. Keith Carkner arrived home Sunday from St. Catherines.

Sgt. Gerald McLean, R.C.A.F., who has been home on leave with his parents, Mr. and Mrs. Jim McLean, left for Moncton, N. B., on Saturday.

IN MEMORIAM—In loving memory of a dear sister, Mrs. Ernest J. Christie, who passed away on March 12th, 1944.

Her life was earnest, her actions kind;
A generous hand, and an active mind.
Anxious to please, loathe to offend;
A loving sister and family friend.

45c. —Wilbert and Maude.

IN MEMORIAM—In loving memory of Mrs. A. A. Casselman, who departed this life on March 12th, 1940.

Just a thought of sweet remembrance,
Just a memory fond and true,
Just a token of affection
And a heartache still for you.
More and more each day we miss you,
Though our thoughts are not revealed,
Little do they know the sorrow
That is within our hearts concealed.

—Ever remembered by her husband

Miss Ellen Walter spent Monday afternoon with her sister, Mrs. Avery Francis, and Mr. Francis and children.

Mr. and Mrs. Robert Bellinger were into Ottawa last Tuesday to give blood transfusions to Miss Linda Alexander, of Winchester. We all join in wishing Linda a speedy recovery.

Mr. and Mrs. Alfred Byrd spent Sunday vening with Mr. and Mrs. Clinton Miller and family.

Mr. and Mrs. Willis VanAllen spent Sunday with Mr. and Mrs. Herbert VanAllen, of Morrisburg. We are very sorry to hear that Mr. VanAllen is quite ill. We hope for a speedy improvement in health.

UNITED CHURCH W. M. S.

The regular monthly meeting of the W. M. S. was held Thursday, March 8th, at 2.30 o'clock, with the President, Mrs. E. Fennell, presiding. The meeting opened with a hymn, followed by the Lord's Prayer. The minutes were read and business attended to. Mrs. N. Lannin spoke on Christian Stewardship. Faithfulness in stewardship was exemplified when Jesus set a child in the midst of them. All we possess is only lent to us, even life itself. So let us remember on the first day of each week to bring to God's house His share.

The Cor. Secretary, Mrs. Thos. Annable reported, and Community Friendship was reported by Mrs. T. O. Keyes. The Temeprance Secretary, Mrs. W. J. Cass, gave a splendid talk on how best to celebrate D-Day when it comes. Should we open all churches in thankfulness to Almighty God, or open the bars and get drunk? Christian advocates stress the closing of all bars and the opening of all churches. The Legion says it should be a reverent affair of thankfulness to God, with a voluntary closing of all bars for at least three days.

The supply sec'y., Mrs. P. Durant, reported for the bale, which must be ready by June 1st. Prayer was offered by Mrs. G. McIntosh, Mrs. K. Helmer and Mrs. H. Robinson.

The devotional and missionary program was convened by Mrs. W. A. Rowat. Scripture was read by Mrs. J. L. Mill. "The Church in Burma" was the topic. "West of the Date Line" was used for the missionary programme. Mrs. Wm. Steele dealt with the country customs, the part Burmese women play in that country of 16 million people, and their religion, which is chiefly Buddha. Mrs. E. Fennell dealt with Christian Missions in Burma. Many missionaries have shared in planting the Church of Christ in Burma, but two outstanding missionaries were dealt with, Adoniram and Ann Judson. Between them lie 130 years of missionary work in Burma. Judson translated the Bible in their language in 1840, and the name he gave the Burmese Bible was "The Eternal Book of Truth." The translation of the Bible spread so that in 1939 90,000 copies of Judson's translation were sold. It is the only translation that has stood the test for 100 years on the mission fields and has not been superseded.

The meeting closed with the Mizpah Benediction.

J. ARCHIE WADDELL ELECTED PRESIDENT OF METCALFE RURAL TELEPHONE CO.

Mr. J. Archie Waddell was re-elected as President of The Metcalfe Rural Telephone Co. Limited, at the annual meeting held at Metcalfe on Tuesday of last week. In a brief address, Mr. Waddell covered the activities of 1944, and the financial statement presented by the treasurer, Mrs. W. J. W. Woods, showed maintenance of business as satisfactory, although shortage of labor throughout the year and difficulty in securing telephones, had been a serious handicap in any extension work.

Resignations were received from Mr. J. E. Woods, who has moved from the district, and Mr. Geo. W. Acres, because of ill-health. Both these men had been closely connected with the Company for many years.

Other officers elected for 1945 were, Vice president, A. Carman Blair; Board of Directors, Percy E. Booth, J. Alfred Coombs, Milton Jeacle, F. T. Latimer, G. A. Latimer, R. K. Runnels, W. E. Ross Stanley, Andrew York; Secretary-treasurer, M. S. Woods.

W. M. S. MEETING

The monthly meeting of the Winchester Springs W. M. S. was held at the home of Mrs. A. Bailey on Tuesday afternoon, March 6th, with the President presiding. The meeting opened with the reading of Psalm 709 and a hymn. Prayer was offered by Mrs. C. Thompson. Roll call was answered with the word "Victory."

Mrs. Aden Casselman had charge of the devotional. Mrs. Cecil McIntosh, Mrs. Arnold Casselman and Mrs. Orren Casselman read portions of Scripture. Mrs. Aden Casselman led in prayer.

Mrs. Cecil McIntosh had charge of the Study Book. Rev. and Mrs. Newman sang a duet. The next meeting will be held at the home of Mrs. Dalton Robinson, if roads are favourable. The Easter Thank Offering will be taken at next meeting. Mrs. O. Casselman gave the Friendship report, and prayer was offered for our fighting forces. Rev. Mr. Newman closed the meeting with prayer, after which Mrs. Bailey served a dainty lunch, assisted by Mrs. Ross Morrow.

BIBLE QUESTIONS ANSWERED BY THE VOICE of PROPHECY

INTERNATIONAL BIBLE BROADCASTER

Question—Do you think the devil will ever die?

Answer—We read in Hebrews 2:14: "Forasmuch then as the children are partakers of flesh and blood, He also Himself likewise took part of the same; that through death He might destroy him that had the power of death, that is, the devil."

Q.—Do the spirits of saved people all become angels?

A.—Angels were in existence before any man ever died. In Genesis 3:24 it is written that cherubim (angels) guarded the garden of Eden. Angels are not dead men, but a higher order of creation. "What is man, that Thou art mindful of him? and the son of man, that Thou visitest him? For Thou hast made him a little lower than the angels, and hast crowned him with glory and honour." Psalm 8:4, 5.

Q.—What will the saints be doing during the millennium?

A.—Revelation 20:4: "And I saw thrones, and they sat upon them, and judgment was given unto them: . . . and they lived and reigned with Christ a thousand years."

Q.—Since we are saved by faith now, how were people saved away back in Old Testament times?

A.—By faith! Hebrews 11:4 says: "By faith Abel offered unto God a more excellent sacrifice than Cain." In this same chapter we read also of Enoch, Noah, Abraham, Sara, Isaac, Jacob, Joseph, Moses, and many others as "having obtained a good report through faith." (Verse 39.)

Q.—In Revelation 6:13, it says that the stars would fall. Did that ever happen?

A.—Yes, in the great star shower of Nov. 13, 1833. Read a description of it in an astronomy or history book.

Q.—Was the manna the Israelites' real food, or just a symbol?

A.—The entire nation lived on it for forty years, so it was really food. It is called the "corn of heaven" and "angels' food." Psalm 78:24, 25: "And had rained down manna upon them to eat, and had given them of the corn of heaven. Man did eat angels' food." It was God's miracle food to them, and the name means "What is it?" Read about it in Exodus 16:14-36.

HULBERT W. M. S.

The Hulbert W. M. S. meeting was held at the church on March 7th at 2 o'clock, and was in charge of Mrs. Clifford McQuaig. The prayer in the Monthly and several short readings were given by Mrs. McQuaig. Scripture readings were given by Mrs. Percy Ellis. Miss Florence Roode, Miss Eva Myers and Mrs. Christopher Mellan. The Christian Stewardship report was given by Mrs. C. Mellan, and two readings by Mrs. McQuaig. Prayer was offered by Mrs. P. Ellis and Mrs. Mellan.

The Easter Thank Offering meeting is to be held on March 29th in the church at 8 p.m. The chapter from the Study Book on Indo-China and Thailand was very ably given by Miss Eva Myers. The meeting closed with the Lord's Prayer.

MUTUAL IMPROVEMENT LEAGUE

The regular meeting of the Mutual Improvement League, of Winchester Springs, was held at the home of Miss Lois Munro on Friday evening, March 9th. The devotional period was conducted and the minutes read. Roll call was answered by 21 members and a number of visitors. During the business part of the meeting, Misses Betty McIntosh and Irene Steele were chosen as social convenors for the next meeting, to be held at the home of Mr. Denzil Robinson. A committee was appointed to make plans for the musical festival to be held in the near future. Mrs. Joe Davidson gave a talk on Citizenship and Mrs. Arnold Casselman read a paper on Temperance. Mrs. Helmer closed this part of the meeting with prayer.

The President then turned the meeting over to Lois Munro and Denzil Robinson, who were in charge of the social part. Games were played, after which the hostess served lunch. A vote of thanks was extended to Mr. and Mrs. Earl Munro and Lois for their home and kind hospitality.

CRIME IN ART—SPECIALTY OF A SUPER SLEUTH

A super-sleuth of art, who uses the latest methods of the FBI, the police and the laboratory, reveals . . . in The American Weekly with this Sunday's (March 18) issue of The Detroit Sunday Times . . . how he recognized the real Mona Lisa and upped the value of a portrait of Lafayette from $127 to at least $100,000. HIGH PRICES TO CONTINUE

SINCE 1936 Raspberry plantings have declined steadily. Acreage is now smallest in many years. No prospect of early improvement. Result—high prices to continue. Solution—your own garden patch.

LATHAM undoubtedly superior. Large red berries. Immense yields. Hardy at 40 below. Planting stock very scarce. Order books close March 24th. Act fast.

PRICES: Extra heavy, hard wooded mature canes, shipped C.O.D. prepaid express, 50 for $9.50; 100 for $17.50. With good growing conditions this grade of stock gives small yield three months after planting, then annual crops.

THE MIXING BOWL

By ANNE ALLAN
Hydro Home Economist

Hello Homemakers! Almost every woman is a collector at heart, be it teaspoons, china, glass or antiques; but there is one collector's item which is altogether too popular—left-over food.

Left-overs must be stored properly if they are to be used effectively at a later date. "Covered and cold" is the rule for keeping foods attractive and nourishing. If tidbits are congenial, store them together—potatoes, peas and carrots can all go together in the same covered dish. Keep a jar in your electric refrigerator in which to store the liquid that vegetables have been cooked in so that you may use this liquid to add flavour and vitamins to soups or cream sauces.

Using Left-Overs

1. Try combining a few spoonfuls sauce or a tomato sauce or a tin of of left-over vegetables with a white condensed soup to make a delicious scallop.

2. A vegetable turnover is something we forget. Put diced vegetables in a square of pastry and fold over, then bake. Serve with gravy or onion sauce.

3. Tag ends of celery, onion shoots, outer cabbage leaves may be simmered for soup stock.

4. If you throw away the hard ends of cheese you are throwing away a butter substitute. Even though very hard, let pieces float in gravy, soup or sauces removing unedible parts after the fat and flavour are rendered out.

5. Left-over egg yolks poached and mixed with salad dressing make a good sandwich filling or garnish for salads and sauces.

6. You can do any number of things with left-over cereal. Reheat it next morning with diced fruit, or chill it, slice and fry and serve with honey or cream. Combine it with scrambled eggs or use it to bind meat leaf together.

Bacon Muffins

2 cups flour, 1-2 tsp. salt, 3 tsps. baking powder, 2 tbsps. sugar, 1-2 cup cooked bacon broken into bits, 1 egg, 1 cup milk, 1-4 cup melted fat.

Sift the flour, baking powder and sugar. Add bits of bacon. Mix the unbeaten egg and milk; stir in quickly and lightly. Add the melted fat. Fill well-greased muffin tins two-thirds full of the batter and bake in electric oven at 400 deg. for twenty to thirty minutes.

Sardine Croquettes (Requested)

2-3 cup mayonnaise, 1-4 tsp. salt, 1-4 tsp. pepper, 1 1-2 tsps. Worcestershire sauce, 1 tbsp. grated onion, 1 tbsp. lemon juice, 1 1-2 cups cooked rice, 2 cups flaked sardines. fine dry bread crumbs.

Combine mayonnaise and seasonings in a bowl. Add the rice and sardines. Mix with a fork; let stand five minutes. Shape into croquettes and roll in bread crumbs. Place one-half inch apart on ungreased baking sheet, lined with heavy brown paper. Bake in hot electric oven 450 deg. for fifteen to twenty minutes, or until browned. Approximate yield: ten to twelve croquettes.

Lemon Rice Pudding

3 cups cooked rice, 2 eggs, 2 tbsps. lemon juice, 1 tbsp. lemond rind, 1-2 cup honey, 1 1-2 cups milk, 1-2 tsp. nutmeg.

Combine rice, slightly beaten eggs, lemon juice, lemon rind, honey, milk and nutmeg and mix well. Pour into a buttered baking dish and place in a pan of hot water. Bake in a moderate electric oven at 350 deg. for about 1 hour or until set. If desired, serve with whipped or plain cream. Six servings.

THE LETTER BOX

Mrs. K. Mc. says: If you have some very old and treasured lace and you are afraid to launder it, try this method—sprinkle some powdered magnesia or borax over it thoroughly. Wrap the piece in a towel and allow it to stand for several days, then shake out the powder and iron over a thin towel.

Mrs. C. J. says: An old sofa cushion with oilcloth makes a good kneeling pad. Dirt can be wiped off the floor as well as the cushion, more easily.

THE QUESTION BOX

Mrs. J. B. suggests: A cookie time saver. Instead of chilling, rolling and cutting dough, form the dough into a roll one inch in diameter; cut in inch lengths and place pieces of dough on greased cookie sheet. Press the cookie flat with bottom of tumbler which is dipped in flour.

Mrs. M. J. says: Make use of part rolls of wallpaper by papering the storage rooms or clothes closets, using the reverse side and add a pretty border.

Anne Allan invites you to write to her in care of The Winchester Press. Send in your problems on homemaking and watch this column for a reply.

WAR SAVINGS STAMP SALES IN PUBLIC SCHOOLS

Pupils in the Public Schools of Dundas purchased War Savings Stamps to the value of $911.00 for February. Comparative figures for the same month a year ago were $1067.00 Average purchase per pupil amounted to 46 cents—four cents below the minimum objective.

Dixon's Corners' School stood highest with average purchases of $2.32. Schools which reached or exceeded the minimum objective were:

Dixon's Corners, $2.32; No. 12 Matilda, 57c; Strader Hill, 50c; Stampville, $1.57; South Mountain, $1.04; Inkerman, 92c; Mulloy, $1.18; Mountain Ridge, $1.00; Cloverdale, 98c; Dunbar 59c; No. 11 Williamsburg, 76c; Williamsburg, 72c; Grantley, 63c; Bouck's Hill, 67c; Ormond, $1.33; Maple Ridge, $1.67; North Winchester, 61c; Frood, 55c; Ninth, 1.50; Connaught, 61c; Summers, 57c; Chesterville Public, 59c; Morrisburg Public, 51c.

Township averages were: Matilda, 41c; Mountain, 57c; Williamsburg, 37c; Winchester, 53c. Averages for the two other village schools were, Iroquois, 43c; Winchester Public, 23c. The townships of Mountain and Winchester both went over the top, as did the village schools of Chesterville and Morrisburg. Iroquois Public School was only a few cents per pupil below the minimum objective but the Winchester Public School took a decided drop.

Suggestion for teachers: It is just possible that a number of pupils throughout the County might be in a postion to make purchases of sufficient Stamps for a complete Certificate during March. Investigation of this possibility might lead to increased purchases.

Congratulations are extended to the teachers in the good work they are doing. Only seven schools reported no purchases for February. If possible, try to increase purchases in your school for March.

Nothing ruins the truth like stretching it.

The Continuing Job of the
CANADIAN RED CROSS

THE EUROPEAN WAR is nearing its end. That is obvious. Many people, including members of the Canadian Red Cross, have asked us what our job will be if the war should suddenly end.

We reply that we can only see ahead greater responsibilities than ever. Both in Europe and at home the work of the Red Cross must go on. The war will not bring an end to suffering and want, to the care of our Prisoners of War, to our Wounded, and to the millions whose homes and way of life have been dislocated by strife.

We therefore feel that every Canadian has a right to some knowledge of what our responsibilities will be in the event of peace, and just how we propose to discharge those responsibilities. We treat each of our main activities under its respective heading.

PRISONERS OF WAR—With the end of hostilities our Prisoners of War will automatically cease to be Prisoners. Chaos and breakdown in Germany will probably ensue. The German state will cease to care for them. They will become wards of the Allied General in command of the Occupation Forces. Transportation will be difficult, and it will probably take a minimum of six months to repatriate the 2,400,000 Canadian, British and Allied Prisoners in German Camps. The need of Prisoners' Parcels and Medical Supplies will be doubled. They will be distributed by the Allied Command, and will play a vital part in feeding our men pending repatriation. After the magnificent job we have done during the last five years we cannot let our boys in German prison camps down. Our Prisoners in the Far East will also be a continuing responsibility. We must carry on until every man is back home.

EUROPE'S STARVING MILLIONS—The job of feeding Europe's hungry millions is staggerng in its immensity. Over 17,000,000 humans have been torn from their homes. Many have nowhere to rest their weary heads. They are starving. Malnutrition is the rule rather than the exception. There will be an urgent need for food, clothing and medical supplies. The Red Cross in these stricken countries are utterly dependent on their sister societies for supplies to meet these dire needs. Can we let them down? The Canadian Red Cross must go on!

RED CROSS WORK WITH OUR ARMED FORCES—Until the last Canadian soldier has left Europe and has been discharged from hospital, there will be important work for the Red Cross to do. How long this will be we do not know, but one thing we are certain of and that is that every Canadian at home will want to make sure that our boys will be as well looked after with the coming of peace as they were in war. The care of the wounded both in Europe and Canada is a permanent responsibility which we cannot evade. No Canadian wants to evade it. Here again the Red Cross must go on!

BLOOD SERUM SERVICE—Red Cross Blood Serum has saved countless lives in battle. The end of the war will see the end of painful war wounds. The demand for serum on the fighting fronts, except the Far East, will cease. But the Red Cross Blood Serum Service should be continued for civilian use. If the Red Cross makes it freely available it can save thousands of the lives of our own civilian citizens when war has ended.

OUTPOST HOSPITALS, CHILDREN'S CLINICS AND DISTRICT NURSING SERVICE—This is part of the Red Cross service to civilians in Canada. It is carried out in the sparsely settled parts of the Dominion, and it must go on.

FIRST AID AND HOME NURSING SERVICE—One of the finest peacetime activities of the Canadian Red Cross. It is truly a worth-while work and must go on.

TEACHING CANADIANS HOW TO BE BETTER NOURISHED—There is important work yet to be done in the matter of Nutrition. Thousands of Canadians are not eating the proper food. Their health could be improved immeasurably. The Canadian Red Cross has undertaken to educate where education is necessary. This work must go on.

PREPARATION TO MEET EPIDEMIC OR DISASTER—In case of these twin evils the Red Cross is always first on the job. For this reason alone the Red Cross must go on.

JUNIOR RED CROSS—A great crusade of 900,000 Canadian school children for health and good citizenship. A work that must go on.

W. H. S. NEWS

(By Vyviene Acres, Assistant Editor)

VOL. 2. March 15th, 1945. No. 18.

On Friday, March 9th, nine Middle and Upper School students competed for the McMaster Cup. The contestants and their subjects were as follows: Marion Lee, "Glenga....."; Ida Hanes, "Mascots For Morale"; Ruth Warren, "Eaton's Store"; Vyvienne Acres, 'George Stephenson"; Wilda Barkley, "So You Are A Sceptic About Prayer"; Velma Johnston, "Rehabilitation"; James Carlyle, "Is Education Out Of Date?"; Roy Campbell, "The German Underground," and Alex McGregor, "Australia's Largest Animal."

Dean McEwen, a Fifth Form student, acted as Chairman. During the afternoon, the Glee Club favoured the audience with a selection. While the judges, Rev. N. J. Thomas, Rev. Dr. MacIntosh and Rev. W. MacKinnon, were making their decision, there was community singing.

Rev. Mr. Thomas announced the decision and gave some very helpful hints to the speakers. Following this, Mr. Hugh McMaster presented the cup to the winner, Velma Johnston. James Carlyle rated a close second.

After the presentation had been made, Mr. Willard congratulated the winners and thanked the judges.

Miss Krueger served lunch to the judges, Mr. McMaster and the teaching staff, in the Home Economics Room.

LOCAL AND DISTRICT NEWS

Loses Arm Overseas.

Mr. and Mrs. Archie Harper, of Chesterville, have received word that their son, Albert Roy Harper, had his left arm taken off above the elbow somewhere in Holland on the 24th of February.

The Rose Haven Robin.

Evidently the Rose Haven Robin did return to the Vancamp district before that harbinger of spring was first seen here. Mrs. Robt. Bellinger reports that she saw a robin in that district on Saturday morning, March 3rd.

Arrives Overseas.

Mrs. Millie R. Bowman, of Inkerman, has received word that her son, Squadron Leader Pliney A. Bowman, of the R. C. A. F., recently arrived overseas. Prior to going overseas, he was stationed at Montreal for two years.

Entertained Grandparents.

In honour of her grandparents, Mr. and Mrs. Robert Henderson, a number of relatives and friends were entertained to dinner recently by Mrs. Donald Redmond, assisted by Mrs. Wm. Henderson. Mr. and Mrs. Henderson, who are among the community's oldest and most highly respected citizens, have both passed their 90th birthdays, and a few weeks ago observed their 66th wedding anniversary. Both are in good health. Among those present at the dinner were: two sons, Messrs. John E. and Wm. Henderson; Mr. and Mrs. John E. Redmond, Miss Melba Casselman, Winchester Springs; Mr. Donald Redmond, Lyle and Shirley. Mr. and Mrs. Henderson have four daughters, but they were unable to attend the dinner.

Has Many Souvenirs.

The other day we were privileged to inspect several souvenirs, presented for our perusal by Mrs. Walter Barkley. She had received them from her son, Petty Officer Robert C. Barkley, of the R.C.N.V.R. Robert has visited nearly all theatres of war and has seen service with the navy in practically every body of water where ships sail. At the different ports he stopped at, he always collected a few souvenirs and sent them to his mother. In the collection are all forms of foreign currency, cushions and gloves from Italy; purses from North Africa; dagger letter-opener from Germany; picture scenes from Greece, and many other articles. It's a good collection and one any mother would be proud to have.

P.O. Barkley is at present taking a course at St. Hyacinth, Que., after which he will resume his duties on the high seas.

Floral Tributes Omitted.

In the obituary notice of the late Clinton Berry, published last week, floral tributes from the following were unintentionally omitted: Mr. and Mrs. G. A. Montgomery and family, Mr. and Mrs. Arthur Morrison.

Marriage Announced.

On Friday, March 9th, 1945, at Chesterville, Ont., by Rev. W. E. Wright, Edna Alice, daughter of Mr. and Mrs. George Beattie, to Cpl. Donald L. MacIntosh, R.C.A.F., son of Mr. and Mrs. Donald A. MacIntosh, Cornwall, Ont.

Watch For St. Patrick.

Saturday, March 17th, is St. Patrick's Day, and the birthday of several local citizens, including Mr. Robert Rennick, who will, no doubt, be celebrating the event in his traditional style. He'll be seeing you, all decked out in his Irish suit as usual. To him and all others who will be observing their birthday on Saturday, the Press extends Many Happy Returns of the Day.

Red Cross Canvass Started.

Some of the local Red Cross canvassers have started soliciting donations towards Winchester and District's $2100 quota in the National Red Cross Campaign for $10,000,000. Others will cover their territory in the next few days. If you are missed by the canvassers for your district and wish to make a donation, do not hesitate—turn your money in to Miss Nora Elliott, the local Red Cross treasurer. Some healthy donations will be required to put us over the top, so give generously to this great cause.

Worth Crowing About.

The other day one of Eldon Turner's hens was cackling a little louder than usual, so the young man went to investigate. In the hen's nest was an oversized egg, which measured about 8 x 9 inches, and weighed nearly 8 ounces. When the egg was broken, it contained the white and yoke of an ordinary egg, as well as another completely shelled egg of better than average size—an egg within an egg. The egg was layed by a Barred Rock hen and both shells were hard and firm. It was sure worth crowing about and just about tops any that Andy Clarke has told about in his "Neighbourly News Broadcasts."

HIS SECOND CHANCE

At a Casualty Clearing Station in Normandy blood serum is being given to a wounded soldier undergoing an operation for abdominal bullet wounds. The highly efficient system of collecting blood that has been built up by the Canadian Red Cross has been responsible for saving many fighing men's lives. Perhaps the serum in this bottle came from your blood donation or that of one of your friends.

ST. PAUL'S W. M. S. SUPPER

The W. M. S. of St. Paul's Church sponsored a Money Shower Supper on Wednesday evening, March 7th, in the Sunday School Rooms. The rooms were decorated in green and white in keeping with St. Patrick's. The supper, served from 5.30 to 7.30 p.m., was well attended, and the proceeds from the supper were very satisfactory. Members of the W. M. S. and convenors of the Supper committee are deserving of much praise.
