Remembrance Day Service Held Here Last Sunday

Biting cold and flurries of snow, characteristic of a bleak November day, failed to deter the impressiveness of the annual Remembrance Day Service at the Cenotaph here on Sunday. Despite the unfavourable weather, a large crowd attended the service to assist Winchester Legion members as they paid tribute to the fallen heroes of two world wars and the Korean police action.

The service at the Cenotaph followed the annual Legion church parade to St. Pauls Presbyterian Church where Rev. Wm. Sutherland, a former army chaplain and pastor of St. Paul's, conducted the service before a capacity congregation. Following the service members of the parade, which included Legion and Auxiliary members, W.H.S. cadets corps and the W.H.S. cadet band, were formed up by parade adjutant Kenneth Summers, and marched smartly to the Cenotaph.

Rev. Mr. Sutherland also conducted the Cenotaph service, assisted by Rev. F. K. Gordon of the Wesleyan Methodist Church and Rev. T. N. Mitchell of Winchester United.

The laying of wreaths, which climaxed the Cenotaph program, was carried out as follows: Province of Ontario, Mrs. Jake Empey; in memory of Lieut. George D. "Bud" Utman, Norman Utman; in memory of Corporal Creighton Robinson, Mrs. C. R. Robinson; in memory of Guardsman F. F. Wood and Private Robert Bilow, Mrs. Frank Bilow; Village of Winchester, Reeve John Fader; Township of Winchester, Reeve Basil Dawley; Winchester 100 Club, President Percy Roberts; Winchester Loyal Orange Lodge, Benson George; Winchester Women's Institute, Mrs. George Wilson; Winchester High School Cadet Corps, Cadet Sgt. Major Buddie Coons; Ladies' Auxiliary to Canadian Legion Branch 108, Mrs. Max Boyd; Canadan Legion Branch 108, President Don. Casselman.

Several trumpeters and drummers of Cornwall bolstered the ranks of the W. H. S. Cadet Band for the occasion, and the Legion is deeply indebted to this aggregation as it is to Mr. Gordon Cumming of South Mountain, who for the past three years has provided his public address system at the Cenotaph services in Winchester without charge.

The entire ceremony was under the direction of Archie Rice who was also chairman of the Legion Poppy campaign this year.

THEIR NAME LIVETH FOR EVERMORE are the words inscribed on the Cenotaph at the Hospital Grounds where Sunday hundreds attended the Legion's Remembrance Day Service. Here Mrs. Max Boyd places one of the many wreaths on the snow covered ground in front of the Cenotaph. Accompanying her is Ron Alexander. Members of the colour party flanking the memorial are, left to right: Mrs. Duncan Levere, Ellsworth Summers, Keith Campbell and Mrs. Roy McKendry.—*Photo by Daykin, Osgoode.*

Junior Team Here—District Hockey Prospects Good

From all reports it looks as if Winchester and district hockey fans will have the chance to support a top notch Junior hockey squad this year. According to Keith Carkner, who will help manage the new aggregation, this year's squad of young hopefuls will probably be the best Junior team since the fleet 1953-54 crew which got knocked out of the district playdowns by Cornwall. The Juniors did not operate last year.

If present plans materialize the latest Junior edition will include a few high calibre imports from Kemptville and Chesterville with the bulk of the team roster a carry over from the Juvenile squad which gained quite a reputation here last year.

To date only Prescott and Winchester have signified their intention to become a part of the St. Lawrence Junior Hockey League. But following a second meeting here last Thursday night it looks as if Morrisburg will again have an entry. There is also word from the north that Metcalfe and Russell may enter a Junior team, or a combined squad representing the two villages.

South Mountain, anxious to have hockey this year, is not expected to enter. Instead, Karl Guy, who presided at both hockey meetings, suggested that the Juveniles operate again this year with the age limit extended one year. The idea is to promote hockey, although it would be strictly outlaw variety. Finch may be interested in the Guy set-up, but nothing has definitely been established as yet.

Intermediates

Meanwhile, the St. Lawrence Intermediate Hockey League is ready for what it believes will be the best season in years. Plans for the 1956-57 schedule were made known at a meeting of the four clubs involved at Prescott recently.

Kemptville Royals, shield winners of last year, Cardinal, Morrisburg and Prescott are ready with teams, and the door was left open for a Winchester entry providing application is made by December 1st.

Duane Cooke, of Prescott, was elected president of the league, and the new secretary is John Murdock. The league voted to adhere to its policy against the use of imported or commuting players from Brockville, Smiths Falls, Ottawa and Cornwall. A Brockville entry to the circuit was turned down.

From what this writer can gather, the chances of a Winchester entry in this league are slim, almost nil. Kemptville Royals are actively planning a big season, and a major part of their roster of players would be eligible to play for a local entry. However, there are several other factors involved, and a split in the roster of either team would weaken the two entries, and neither team would gain. Lloyd LaPorte, who is expected to coach the Royals again this year, believes there are good prospects for an Intermediate team in Winchester, but not for another year or so. The fact that the Juniors are planning a strong competitive team is another good reason for Winchester to steer clear of Intermediate hockey this year. If the St. Lawrence League is interested in having Winchester enter a team again next year, proper planning could be done earlier in the season to assure the town and district of a game winning squad.

DDGM Pays Official Visit To Henderson Lodge No. 383

Before a capacity filled Masonic hall Rt. Wor. Bro. D. K. MacLean of Finch, District Deputy Grand Master of Eastern District Masonic Lodges, paid his official visit to Henderson Lodge here on Friday evening. He was accompanied by two other grand lodge officers, the district chaplain, Rev. R. C. Miller of Martintown, and the district secretary, Roy E. Rupert of Finch. The distinguished visitors were introduced to the lodge members and visitors by W. J. Stewart, a former DDGM of Eastern District.

R. Melvin Scott, immediate past master of Henderson Lodge, presided at the official visit meeting in the absence of J. Eldon Davidson, Worshipful Master, who was unable to be present due to illness.

Mr. MacLean addressed the large gathering of Masons on "Masonry and its relation to the conduct of civil and business occupations." He was thanked by R. M. Scott.

100 CLUB LADIES' NIGHT THIS FRIDAY

Members of Winchester 100 Club are reminded that the annual Ladies' Night luncheon-meeting will be held at Heidi's Restaurant this Friday night starting at 7.00 o'clock. A good program has been arranged. There will be no speaker and very little business. At the meeting the draw for the two Grey Cup tickets and the $100.00 cash will be made. A good turnout of members and their wives or friends is anticipated.

Holstein President Honoured At Dinner

"Not only are we honouring a man, but a way of life of which we Canadians should be proud," was the statement of G. M. Clemons, Secretary-Manager of the Holstein-Friesian Association of Canada at a dinner held November 6th at Lunenburg, Ontario, in recognition of F. C. Eligh, of Finch, president of the Holstein-Friesian Association of Canada. "In few countries in the world," said Mr. Clemons, "could a quiet, unassuming man such as Mr. Eligh aspire to become the leader of such a large organization as the Holstein-Friesian Association with its 13,000 members scattered throughout Canada, and with higher annual registrations than any other cattle breed society in the British Empire. It is such practical dairymen as Mr. Eligh, who make their living from their dairy herd, who have brought the Holstein-Friesian Association to the position where three out of every four Canadian dairy cows belong to this breed," continued Mr. Clemons.

On behalf of the Stormont Federation of Agriculture, the Stormont Holstein Club and the Stormont Junior Farmers, a presentation of a Lazyboy chair was made to Mr. Eligh. Mrs. Eligh received roses.

Chairman of the meeting was Alfred Beaudette, president of the Stormont Breeders' Club.

LOCAL CURLING CLUB OPENS OFFICIALLY THIS SATURDAY

Although the early birds are loosening up at the local stone thrower's palace, the "official" opening of Winchester's smart Curling Club will not take place until this Saturday night. At that time all lady and men members as well as all prospective curlers are cordially invited to attend the opening night for an enjoyable hour or two.

Included in the opening night program will be a fine film presentation of the 1955 "Brier," Canadian Curling Championship. The film is a Ken Watson presentation, and the old master will very likely have quite a few excellent points for both old and new curlers.

To round out what should be an entertaining evening, refreshments will be served.

Vankleek Hill Man Heads Ontario Fairs Association, Dis. 1

R. Lester Allen, of Vankleek Hill, was elected president of District No. 1, Ontario Fairs Association, at the annual meeting held at Metcalfe last Thursday. He succeeds W. Ray Wilson of Kenmore who presided at the meeting.

In addressing delegates representing 17 Fall Fairs in this district F. A. Lashley, director of Agricultural and Horticultural Societies for the Ontario Department of Agriculture, said that the present age limit of 18 for enrolment in Agricultural Societies should be lowered to allow 4-H club members to join. He continued by explaining that he did not advocate 4-H members holding office in societies. However, he feels that they should have young blood in their organizational set-up.

Mr. Lashley said field crop competition grants have been increased by the Department from $50 to 75. One of the new regulations would see fairs not now receiving provincial grants towards capital expeditures receive such assistance in the future. These fall fairs will be placed in a new "C" category for the purposes of the new grants. Metcalfe is presently a Class "B" Fair and is receiving provincial assistance. The new scheme would probably mean that an agricultural society would receive about one quarter of the cost of a major capital expenditure as a provincial grant. The department has also promised to look into the legal aspect of midway and concession contracts at fairs, Mr. Lashley said.

At the annual banquet following the afternoon session Bryan L. White, Ottawa Winter Fair president, outlined the organizational and economy aspects of Fall Fairs. He related highlights from his recent tour of Germany, with emphasis on the German fall fair.

Mrs. G. A. Montgomery, South Mountain, director of District I Women's Division, presented a review on women's activities during the year. Open discussion was held on changes in prize lists, midway attractions and commercial exhibits.

Following is a complete list of the new officers: Chairman, R. Lester Allen, Vankleek Hill; vice chairman, W. V. Hodgins, Carp; secretary-treasurer, W. B. George, Kemptville. Women's Division officers are: Chairman, Mrs. Harold Richardson, Merrickville; vice chairman, Mrs. J. A. McArthur, Lancaster; secretary, Mrs. S. W. Rathwell, Navan; panel members, Mrs. H. D. MacMillan, Cumberland; Miss Ella Hamilton, Russell; Mrs. Harold Richardson, Merrickville, and Mrs. G. A. Montgomery, South Mountain.

Department Wants Deer Heads or Jaws To Tell Age

Winchester and district's battalion of deer hunters left last week-end for the annual shoot. Others, who do not migrate to the various camps, will do their hunting with shot gun in the close areas of Grenville county and those counties lying east of the Rideau River. Open dates are Nov. 14th to Nov. 17th. There are no open dates for deer hunting in Russell, Prescott, Dundas, Stormont and Glengarry.

Each year the Department of Lands and Forests gathers much valuable information on Ontario's deer herd and most of this data is collected at road checking stations set up throughout the more populated deer country. The average age of the deer herd is an important part of the data collected. The age of deer, like horses, can only be told by examining the teeth in the lower jaw of each deer. Aging indicates how fast deer are producing. For this reason the Department is asking those hunters who shoot deer, to send, express collect, the head or lower jaw of their deer to the Department of Lands and Forests, Kemptville. A label with the name and address of the sender, the sex of the deer, the date the deer was shot and the township in which the deer was killed should be affixed. The Department will be only too happy to supply interested parties with the age of their deer after the deer season, states W. A. G. Thurston, district forester.

GRENVILLE-DUNDAS NAMES DELEGATES TO PC CONVENTION

Delegates to the National Convention at Ottawa in early December were named at a meeting of the Grenville-Dundas Progressive Conservative Association held at Spencerville. They are: Miss Lillian Connell, Spencerville; Joseph Patterson, Kemptville, and Kenneth Ault, Winchester. Alternates are Mrs. Fred Cass, Chesterville; Stanley Price, Kemptville, and Mason Robertson, Spencerville.

Mr. Ault, president of the Grenville-Dundas Association, presided at the meeting which launched an organizational campaign in preparation for a general election expected to be held next June. Program committee members are: Stanley Price, Kemptville; Stanley Sanderson, Oxford Mills; Burton Beckstead, Williamsburg; Kenneth Ault, Winchester; Howard Ferguson, Augusta township. They plan to organize local groups in townships and villages throughout the two counties.

Guest speakers at the meeting included F. M. Cass, MPP for this riding, and A. C. Casselman, local MP.

Williamsburg Refuses Hydro Request

A request from the Hydro Electric Power Commission of Ontario for the deepening of the road ditch adjacent to the McKenzie road allowance was refused by Williamsburg Township Council at the November meeting held in the I.O.O.F. Hall at Williamsburg. It was suggested by council that the ditch be constructed at least 33 feet from the centre line of the present road allowance in case of future development in the area.

Council, following a study of the current situation, passed a new by-law, No. 1272, providing for the setting up of a new wage scale for township road men. The motion, sponsored by Councillors Whittaker and Robinson was adopted. A report on road maintenance operations during Ocotber was given by road superintendent Mr. Whittaker.

Clerk Keith Schell was instructed to send out final notices with regard to dog tax arrears. The clerk was also asked by council to request that a reply be forwarded to council from the South Dundas District High School Board concerning a resolution presented to the board following the October meeting. The resolution dealt with the picking up of students by school busses.

As there were no appeals under the revised assessment on the S. I. Casselman drain, the court of revision on the drain was closed..

Accounts ordered paid were: Roads and bridges, $5,854.00; printing and supplies, $284.35; Indigent patients, $135.87; fox pelts, $3.00; salaries, $215.00, and miscellantous, $23.45.

DISTRICT COUPLE CELEBRATE 25th WEDDING ANNIVERSARY

Last Friday evening about sixty relatives and friends gathered at the home of Mr. and Mrs. Harold Sheldrick, R. R. 1, Winchester, to honour them on their 25th wedding anniversary.

During the evening the bride and groom of 25 years ago were called into the dining room and seated on chairs decorated with pink, white and silver streamers. The bride was presented with a corsage of bronze mums, and an address was read by Mrs. Maynard Cinnamon, while the presentation of many lovely gifts was made by Mrs. Donald Cinnamon, Mrs. Sidney Armstrong and Mrs. Howard Poole.

Both Mr. and Mrs. Sheldrick expressed their thanks for the gifts, which included a television set, a mixette, silver sugar and cream with matching tray from the family, as well as a television lamp, several lovely articles of silver, crystal, etc., from the relatives and neighbours. New Walk To The Station

For some time members of council have been trying to have the sidewalk to the Canadian Pacific Railway station elevated. Recently the Department of Highways finally agreed to do this with no expense to the village. Not only that, the Department also intended to put a black top from the road's edge to the west side of the new walk. The results, it was thought, would give a wider thoroughfare, better walking conditions and greatly improve the appearance of that portion of St. Lawrence Street south affected by the work.

From what this newspaper can now ascertain there is some doubt as to when and how much of this work will be completed. The basic excavation has been made, and all that need be done now is to have the black top rolled on. But the Department of Highways apparently encountered some trouble from irate citizens along the way who said that the elevation was ruining their lawns and driveways. Without going into great detail these people may have a point. However, there was no need to go so far as to aggravate the Department which was giving the village an improvement for nothing. This work was being carried out to benefit the entire village, not just a few people. If there were any logical complaints they should have been withheld until this entire job was finished, or better still, presented to the proper authorities. In the end there is little doubt that the Department of Highways would have done everything possible to satisfy all parties concerned.

We hope the Department will complete its original plans.

Flag Of The World

If but the Flag of Christ could be unfurled,
To cover all this sad and war-torn world;
If hands of man could reach across the seas,
To hearts of brothers, and to bring them ease;
Clasping in bonds of love, forgetting hate,
Making of all the Nations one great State—
Then would the Kingdom prayed for all these years
Come to this earth, to dry the Nations' tears.

—Dorothy Sproule.

Just A Pair Of Joes

Most everybody has a friend named Joe. We have two, and they both live in our town.

Both these Joes are pretty fair chaps. They are both married, both have small families, both own their own homes and cars. As far as we know they both attend church. Both of them have good jobs and both are making a decent sort of wage. But for this pair of Joes the comparison ends there.

From here they are Joe one and Joe two. Joe one is a fairly sincere chap. He belongs to the local welfare club, has been a school trustee, takes an active part in the Legion, generally helps out when asked, often takes a leading role in community life.

Joe two is the very opposite. When he comes home from work he tinkers in the house, sits around a local hang-out, shoots a game of pool or maybe he just watches TV. He hardly ever takes part in anything that has no direct benefit to himself or his family; he belongs to few if any organization. He tends to be narrow minded; and he is often critical of some of the things Joe one does for the village.

A good time to tell these Joes apart is at Nomination night. Joe one will be there, or will make an attempt to be there. Joe two will simply ignore the meeting, because he knows it all. He knows what is good for the town, and what is not good. Nothing can change his mind. At the drop of a hat he'll mouth freely about taxes being too high, about the cost of Hydro (and soon water). He will run council members into the ground because of a decision which did not meet with his approval. Some day this Joe may wake up.

Joe one in the meantime goes to Nomination meeting; perhaps he will run for one of the offices; he will listen to the report of council; he will not be satisfied with everything he hears, and he will not become indignant because an act of council did not meet with his approval. He will, instead, make a reasonable suggestion or two, and periodically offer constructive criticism. He will genuinely be interested in his town, anxious to make it a better place.

Just a pair of Joes. Which one are you?

The "How Small Can You Get" category was applied last week in a news story appearing in a neighbouring weekly, which told of a young punk or two breaking into a rural school and making off with $1.50. The amount stolen would have been insignificant if it had not been donated by public school youngsters to the Junior Red Cross and the Poppy Fund. It is the lowest sort of thief who would do a trick like that. Apparently there are some who have no respect or gratitude for the young Canadian who stopped a bullet at Normandy.

Those who noticed Flora's lovely Remembrance Day window last week may have caught a glimpse of the last issue of the Press, without recognizing it. After the Press had been distributed a new machine arrived at this office. It was assembled and put on trial. It does colour work and is especially applicable to commercial printing. However, the Poppy Day cut and John McRae's immortal poem, which appeared on the front page, were decorated a bit with the use of yellow background ink and red for the poppy. The results were encouraging and brought many favourable comments. This new outfit will be put to use quite often, we expect—and hope, and The Press will be the only newspaper in the area with this type of equipment.

Now that Remembrance Day has been fittingly observed, our interest can now be concentrated on the Christmas Season with all its joy—and headaches.

Nomination Day for municipal officials of 1957 will soon be here. In the interests of good government and efficiency, it is desirable that there should be a large turnout of voters at the town nomination meeting. By local reports, there may be some of the present elective officials who will not be in the field for coming honors, and citizens should be prepared to have nominations to contest possible vacancies.

November

With such unfruitful hours?
How shall November earn a song
Now sparrows languiish on the eaves,
Gutters are filled with rotting leaves,
The parks with wilted flowers.
Short are the days, the nights grow long,
And dawns are swept with dismal rains;
The country hills are wreathed in fog,
While city dwellers toil through smog,
Or splash through muddy lanes.
November is a feasting giant
Astride a harvest bin;
He pushes autumn from the land
And beckoning with icy hand
Invites the winter in.

"Certainly," replied the barber, "but will you please remove your hat?"
"Of course," said the professor, "I didn't know that there were ladies present."

FURY OF THE LAKES

Even veteran salt-water sailors speak in respectful tones of the violent storms they have experienced while sailing the Great Lakes. Why are these land-locked waterways at times so frightening? What freaks of weather have resulted in the staggering total loss of 10,000 ships?

This week in The New Star Weekly Ken Ferguson tells of the tempests, tragic losses and dramatic rescues that are a grimly fascinating part of the history of Canada's mighty inland oceans.

UNITED CHURCH AFTERNOON AUXILIARY

The November meeting of the Afternoon Auxiliary of the W. M. S. was held on Thursday afternoon in the Sunday School Hall of the United Church. Mrs. Ernest Steele played several instrumental selections in keeping with Armistice Day, prior to the meeting.

The president, Mrs. T. N. Mitchell, opened the meeting with a poem, followed by prayer. The minutes were read by the secretary, Mrs. Eldon Fennell, and Mrs. Ron. Freeland, treasurer, reported that $110.50 was received from the Thank Offering meeting in October. The supply secretary, Mrs. T. Edgerton, reported sending two bales weighing 65 lbs., and also read a letter of appreciation from the Overseas Relief Work, which stated that since the United Church had taken over this work 5½ years ago 848 tons of supplies had been sent.

The Community Friendship secretary, Mrs. Faye Scott, reported sending 1 sympathy, 1 get-well and 2 over-eighty birthday cards; 40 house calls and 14 hospital calls had been made.

Mrs. Mitchell read an invitation from Harmony W. M. S. for the members to attend its Thank Offering meeting on November 14h, and an invitation to attend the local Evening Auxiliary meeting on December 4th.

Articles were read by the Citizenship and Temperance and Chrisitan Stewardship secretaries, Mrs. John Barrett and Mrs. Arthur Christie. The committee for December is Mrs. John Moffat, Mrs. Ernest Steele, Mrs. Ron. Freeland, Mrs. H. Hughes and Mrs. D. Nesbitt. The offering was received by Mrs. S. Christie and Mrs. Fay Scott.

Mrs. W. J. Cass was in charge of the devotional, the theme being, "Not Your Doing." An introduction to Ephesians was read, and questions were answered by Miss E. Smith, Mrs. P. Johansen, Mrs. Wm. Steele, Mrs. F. Erle Helmer, Mrs. Mitchell, Mrs. Fennell and Mrs. Angus. Mrs. W. J. Cass introduced the Study Book, "Malaya and Indonesia." She was assisted by Mrs. Sherman Christie and Mrs. Faye Scott in giving a thorough explanation of the chapter, and Mrs. Oscar Wallace designated the places referred to on the new map.

Mrs. Mitchel moved a vote of thanks, and the meeting closed with the Mizpah Benediction.

PICKING SWEET PEAS IN NOVEMBER

Weather in the past week backs up the warning that winter is just around the corner. However, a stubborn growth of sweet peas owned by Mrs. Dan Dewar, Kenmore, are throwing caution to the wind, and are still blooming. Proof that the little (apparenly cold resistant) flowers were in bloom was placed at this office on Friday when Mrs. Dewar presented the Press with a lovely bouquet. No doubt the unusual mild fall months had something to do with the blooming.

M. D. H. S. Football Champs

On a cool last Friday at Morrisburg the Mountain District High School football team won the Dundas east-west championship by defeating the Morrisburg football team 23-14. This gave the Mountain boys 50-25 points for the two-game total point series as they took the first game on Wednesday at South Mountain by a score of 27-11.

The first half was rather dull and sloppy due to the cold and wet weather, but the Mountain boys managed to take the lead by 10-8 with two unconverted touchdowns. Morrisburg kept pace with an unconverted TD and a thirty-yard field goal which was the highlight of the half.

Shortly after the beginning of the third quarter Morrisburg took the lead 14-10 with a converted touchdown, but here their scoring ended. They made one more bid when they came within one yard of the Mountain goal line and lost the ball on downs. On the first play the Mountain quarterback, B. Guy, threw a short pass to L. Hoeksema who ran all the way for a seventy-five yard touchdown, which was converted. On the kick-off Morrisburg was caught behind the goal line and conceded a point. On the next play by Morrisburg L. Boyd of Mountain intercepted a pass and ran it back for another TD which was converted. This ended the scoring for the day and left Mountain in the lead 23-14.

The game was handled by an Ottawa official.

Meditations

By CECIL W. TUININGA

Matt. 5:4: "Blessed are they that mourn, for they shall be comforted."

* * * *

The present is a time of mourning. Death's sickle has cut deeply and left many bereaved. There is also sorrow in the world because a nation's freedom has been ruthlessly trampled into the mire through a blood bath. Does it not follow that the present-day heart-rending and world shaking events, which cause universal sorrow, also bring with them blessedness? The above quoted beatitude would then indeed be an anomaly. Quite obviously this cannot be its meaning.

Mourning per se does not open the door of heaven. Then all would be blessed and the beatitude lose its message. But mourning for sin does open the doors into the kingdom of heaven, because God demands a broken and a contrite heart of all His children. That this is the correct interpretation is evident from the preceding beatitude. Those who know that they are spiritually bankrupt are also those who mourn for sin. They mourn for sin because they see it working within them as an agent that brings separation between them and their God, and which frustrates and hampers their life of holiness. This mourning for sin drives them to the fountain of life, Christ Jesus, and also is the source of their struggle against this awful enemy that still has its roots deeply embedded in their hearts.

These mourners Christ Jesus called blessed. Their present condition is not enviable in its conflict with sin. But it is blessed because it is the requisite of salvation. A knowledge of sin and sorrow for sin are the desiderations for entering God's Kingdom. Therefore these mourners are blessed. They are, by virtue of their sorrow for sin, heirs of the highest felicity. Therefore they shall be comforted. They shall be gathered, after this life, with all of God's redeemed children in heaven where sin cannot enter and where their tear-filled eyes will be wiped dry.—(Rev. 21:4). In this beatitude we hear the sweet strains of the glorious gospel message proclaiming glad tidings to all who are weary and laden.—(Matt. 11:28).

Why should so many reject this message of salvation? Is it perhaps because they refuse to acknowledge themselves as spiritually bankrupt? Or is it because they love sin and delight themselves in it? Or is it possible that they have been beguiled by false teachers to believe that they, although they are sinners, will be accepted by God because they tried to be good? Whatever may hinder a man from accepting this gospel makes little difference. The awful fact remains that outside of a real sorrow for sin there is no salvation. Where there is no sorrow for sin there one still clings to his own inherent goodness which is basically rebellion against the living God. The teaching that one can merit heaven is but a delusion of the devil that completely destroys the heart of the gospel message.

The beatitudes proclaim salvation by grace through Jesus Christ. They invite all men to come to the fountain of life and drink of the life-giving waters. They pronounce the citizens of God's kingdom blessed. But as such they also warn every unrepentent sinner of the evident doom that awaits all the ungodly. They cry aloud to a world lost in sin that it turn from its evil ways, that it find its life in the Life-giving Son of God, or perish forever in the torments of perdition rightfully imposed on the haters of God.

What do you think, dear readers, is the part of wisdom? Shall we ignore God's call and invitation to life eternal? What shall we then answer the Son of Man when He comes to judge the world? It certainly is imperative that we call all men to this glorious salvation in Christ Jesus and warn against the wrath of God against all unbelievers. The words of the apostle Paul apply most fittingly, "Now then we are ambassadors for Christ, as though God did beseech you by us; we pray you in Christ's stead, be ye reconciled to God."—(II Cor. 5:20).

WHEN YOU FEED ....

SHUR-GAIN SUPER LAYING MASH

Before a hen can lay an egg she must first look after hen body maintenance requirements. After this, the feed she consumes will go into egg production.

What happens then, if a hen is fed a low-energy, high fibre feed with inadequate levels of proteins, minerals and vitamins? Simply this. She will have to consume so much of this type of feed to look after body maintenance that she will have little capacity left for feed to produce eggs.

The answer then to top egg production lies in the feeding of a "high efficiency" ration which contains a high energy level and adequate levels of proteins, minerals and vitamins. Such a feed is SHUR-GAIN Super Laying Mash.

Join the poultrymen who are swinging to Super Laying Mash and produce more eggs from less feed. It's always fresh at our mill.

Can She Handle All 3 Jobs?

How are your pullets laying these days? Are they up to their level of a few weeks ago? If they're not, it's not surprising, for many flocks do drop off about now after a promising start.

You see, a laying pullet has quite a job "on her hands"—in fact, 3 jobs! She not only has to keep up her body weight but add to it—even a well-grown pullet will put on another pound after she begins to lay. When the first flush of production is past, and she runs into shorter days and longer colder nights, she's quite likely to slow down — UNLESS . . .

Unless you help her along with extra-good feed, built to help her do her 3-fold job.

A good Purina laying ration (which one depends on your grain supply) and a daily top-feed of Purina Booster Checkers will help her do it!

Come in or phone in, tell us about your birds and your grain, and we'll figure out with you what fits in best.

The peak egg prices of the year, and the widest size premiums, now come during the summer. Fall-started layers should be in full production of premium-sized eggs during the high-price period next summer. If you have the facilities for raising chicks in the fall and winter, you can start them now and take full advantage of both the high prices and the top premiums next year. Give them a flying start with Purina Chick Startena.

Young pigs which get off to a good start hold that lead in weight right through to market. It has been shown that every extra pound per pig at weaning considerably shortens the time required to bring that pig up to market weight. And every day taken off the time means a saving in feed cost. Take full advantage of the greater feed efficiency of young pigs and give them a flying start with Purina Baby Pig Chow and Pig Startena!

Did Your Hay Get Wet?

Many people had a great deal of their hay crop damaged this year by the wet weather. They will have to rely more heavily than usual on their "grain ration" to meet needs of their stock.
In this case, it will be more important than ever to choose the right supplement for the grain. Purina Concentrates and Supplements supply the proteins, minerals and vitamins which the grain lacks to make a well balanced, highly fortified ration. Let's at least talk it over!

"HERE IS HOPE-HELP-AND HEALING"

Editors Note:
This bi-weekly article series will contain interesting facts about hospitals, and is published as a public service by this newspaper in co-operation with the Ontario Hospital Association.

Why does a nurse wear a cap? Why do styles vary in different hospitals? What is the significance of the band?

From history and from fact it is known that the lineage of a nurse's cap dates back to the days when a bridal veil signified a young woman's humility and obedience to her husband. This custom was common to the Romans and since many Roman matrons gained renown for their interest in nursing, the "veil" became a symbol of their service to humanity.

In Queen Victoria's day, all women wore caps indoors. This could account for the frilly cap that Florence Nightingale, the pioneer of modern nursing, designed for her students in 1860. Some nursing schools have retained their original caps with slight modifications. Others have been changed out of necessity since their original caps were either not washable or had elaborate frills that necessitated special laundering.

The caps of some graduate nurses have a black band, others two bands and some dietitians have three short stripes on one corner. There are some historians who maintain that the black band, or bands, serve as a mark of mourning and a tribute to the

Regardless of its origin the memory of Florence Nightingale. cap has become traditional in nursing schools throughout the world. It is a permanent symbol of service to humanity in the constant struggle which hospitals wage in the war against sickness, pain and injury.
