Winchester defeated Brockville 5-2 and finished the season with a 7-4-2 record. The brothers are leaving for hockey training camps in Sudbury (Nevin) and Smiths Falls (Troy) and will be two of possibly six Winchester starters who may be unavailable for the playoffs.

Graham, Holmes provide power for Lasers' attack

MAPLE RIDGE — Craig Holmes opened and closed the scoring and Bruce Graham packed three goals in between as the Winchester Lasers zapped the powerful Brockville Generals 5-2 here Sunday night.

The victory closed the books on Winchester's 1997 Ottawa - Carleton Under 19 Soccer League's regular season.

"It was one of our best efforts all year," exclaimed Laser coach Gary Johnson the following day. "I know they (Brockville) were missing a couple of players but every team has to play under those circumstances."

The Generals had a couple of substitutes on the bench but were missing a couple of veteran players. It was just the second loss of the season for Brockville.

"I talked to the Brockville coach after the game and he told me we had the best team he had faced all year. That's quite a compliment coming from a guy whose team had lost just one game," Johnson said.

The victory was the fourth consecutive win for the Lasers and put their final record to 7-4-2. Over those four wins Winchester has out-gunned their opposition 11-4.

In spite of the winning record and solid play in the last five or six weeks Johnson says the immediate future of the team isn't exactly bright.

"We will probably end up in fourth place. Which, isn't bad for a team that has just two 19-year-olds on it. Actually, we were an Under 18 team and still finished in the top five of 11 older teams. But we need the top teams like South Nepean (undefeated), Brockville (two losses), Aylmer (one loss) and Perth (two losses) to lose their final games for us to win the league (regular season championship)," he explained.

But that isn't the darkest part of the post-season picture for Winchester.

"Because of hockey training camps and college we will lose six starters just at playoff time (early September). The guys did say they would try to play (playoffs) if they could. Which is a sure sign of the chemistry and commitment of the guys. But it is going to be tough to field a strong team."

The Patterson brothers, Troy and Nevin, are soon off to hockey camps... Nevin to the Sudbury Wolves and team captain Troy to the Smiths Falls Bears. Tylor Copeland and Bruce Graham will be joining the Gloucester Rangers while Mike Ennis and Andrew Taillefer will be leaving for college in Belleville. "Losing those guys is a big blow. But we will submit our intentions to play in the playoffs to the league," Johnson added.

Coach Johnson says Sunday's victory over Brockville shows just how much heart and desire the Lasers have.

"Over a month ago the guys started to gel. The team chemistry really started to happen. Winning or losing the league (regular season) happened in the first four weeks when we lost games we should have won. The guys know that and have worked very hard to come back. It has been a privilege coaching these kids... young men.

Winchester keeper Mike Casselman certainly couldn't be faulted on Brockville's first goal as the visitors took a 1-0 lead. The ball bounded off of Andrew Taillefer's head, hit the crossbar and dropped back down into the goal crease where it was drilled home.

Craig Holmes tied the game up 1-1 on the first of his two goals scoring from the top of the 11-yard area. From then on Bruce Graham took over and scored three goals to open up a 4-1 lead.

Brockville then capitalized on a defensive error by the Winchester backline which saw a defender put the ball right on his own net. Theclosed the gap to 4-2.

In the final five minutes of play Craig Holmes took the ball near centre field, split the Generals defence, dribbled the ball to his left foot, then back to his right side and blasted a 10-yard shot into the twine to make it a 5-2 final.

The final tally might have been higher but Troy Patterson, in spite of some hard work, couldn't bury three glorious scoring chances. Two of the three chances were one-on-one "stare-downs" with the Brockville keeper who closed the five-hole, twice, to preserve his team's 1-0 lead.

Coach Johnson noted the work of the offence but pointed to the solid effort of keeper Mike Casselman and fullback Evan Porteous who were able to handle Brockville's attack.

"The backs controlled the ball and got it up to the forwards, who did the job."

The playoff format is a one-game knockout with the winners advancing to the championship final. Winchester's opening game should be slated for the first week of September.

New skating programs in works

WINCHESTER — Winchester's 1997-98 skating season will have some new features.

The Winchester Figure Skating Club is gearing up for a brand new season and is offering two new programs. The first is Canpowerskate which will be offered during preseason ice time beginning Sept. 8. The other is an Adult Learn-To-Skate program which will be offered during the regular season starting Oct. 15.

Lynne McClenaghan says the Canpowerskate program is geared for hockey players, particularly ones playing in the Winchester and District Ladies Hockey League.

"It is for hockey female players. It is fairly intense and is meant to help hockey players," she noted.

McClenaghan says the Winchester Figure Skating Club is very excited to be able to offer these new programs as well as the Canskate and Canfigureskate programs. "Our professional coaches have, at their own expense, taken numerous courses enabling them to instruct other CFSA programs including the above-mentioned."

Canpowerskate is not a learn-to-skate program McClenaghan warns. Skaters should have basic forward and backward skating skills and be able to stop. Skaters will develop better balance, power, agility, speed and endurance with group instruction from a certified Canpowerskate coach.

The program was designed for hockey and ringette players and is the only nationally regulated power skating program in Canada. It is a 10-hour course that will be offered exclusively to the Winchester and District Ladies and Hockey league this year, she noted.

The cost of the program is $60 (payable in two instalments). The program can accommodate a maximum of 40 participants and registration will take place on Thurs., Aug. 21 (7-9 pm) and Thurs., Aug. 28 (7-9 pm).

The on-ice sessions are scheduled for the Winchester and District Arena as follows: Sept. 8, 9, 10, 11, 12 (8-9 pm); Sept. 14 (9-10 am); Sept. 22, 24, 25 (8-9 pm) and Sept. 26 (7-8 pm).

"In the past there has been interest in providing an Adult Learn-To-Skate program and this season we will offer such a program, on Wednesdays (5:30 to 6:30 pm)," McClenaghan said.

Registration for the Adult Learn-To-Skate will take place during the second week of September (watch the Winchester Press for the ad).

For those not familiar with Canskate, this program is geared to children ages 4 years and up. "It is a fun program that teaches both boys and girls basic skating skills, from standing on their skates for the first time to learning basic skating skills such as forward and backward skating, stopping, turning edges and cross cuts. Children generally progress very quickly in this program which is designed to be fun," she explained.

Canskate is not only for those wishing to pursue figure skating, both boys and girls hoping to someday play hockey benefit greatly from the skills learned in Canskate. McClenaghan adds Canfigureskate is a progression of the Canskate program, focusing more on figure skating skills including stroking, free skate, dance and precision skating.

Sonics slide into post-season

MAPLE RIDGE — Winchester's Cornwall District Soccer League's First Division season finished on a two-game losing slide.

Last Tuesday the Sonics were edged 1-nil by the first-place and undefeated Cornwall City I and Thursday (Aug. 14) were drubbed 3-1 by the number-two ranked Char-Lan I squad.

"We didn't play very well in either game," offered Sonics keeper Dave VanBruinessen. "We had a team meeting after Tuesday's game (1-0 loss) but really didn't seem to be into Thursday night's game."

Winchester settled into third place with an 8-6-2 record. They went 7-4-1 through their last dozen matches.

Finishing third means the Sonics must play Char-Lan I in a two-game (total goal) series. Game one was played last night (Tues., Aug. 19) in Williamstown and game two will be played here at North Dundas District High School tomorrow night (Thurs., Aug. 21).

Pennant-winning Cornwall City I will meet Mr. Subs in the other semi-final series with games set for the fields at St. Lawrence and CCVS high schools. Kick-off time for the matches is 6:30 pm.

The championship round is a best-of-three format with games slated for Sun., Aug. 24; Tues., Aug. 26 and Thurs., Aug. 28.

Workman, Hogaboam dominate finals

RIVERSIDE HEIGHTS — Pitchers Dan Hogaboam and Greg Workman have been facing batters in play-off situations for many years. They are still working the mound and still dominating would-be hitters.

The two have squared off in the 1997 South Dundas Industrial Fastball League (best of five) championship series and have turned it into a classic pitcher's duel.

So far Workman and the Williamsburg Pump have produced a pair of 1-0 victories and have put Hogaboam and the Lakeside Inn Rebels on the brink of elimination. Trailing 2-0 Hogaboam and the Rebels need a win tonight (Wed., Aug. 20) in game three to force game four (Mon., Aug. 25).

"The first game was a real battle," Hogaboam explained. "Peck (Greg Workman) threw a three hitter and I threw a two hitter. And I bet there was 30 strikeouts in the game."

Checking the scoresheet from game one (played Aug.13) a total of 28 strikeouts were counted, 14 by each hurler.

NO HITTER

Hogaboam noted just prior to game two that if anything might be hurting his club was its lack of power at the plate. His assessment was right on because Greg Workman no-hit the Rebels in a 1-0 victory Monday night.

Williamsburg scratched out another slim 1-0 victory. This time in an extra inning.

The second time around, the pitchers combined for 25 Ks. Workman, who fashioned a no-hitter, whiffed 15 and Hogaboam fanned 10.

Veteran shortstop Larry Cooper broke up game two scoring the winning run in the eighth inning. He reached on an infield error and raced home when Lyle Schell's fly ball to center field was dropped.

It was the third time in four trips (single, walk and error) Cooper had been on base. Over eight innings the Pump left seven men on base but only Greg Workman, in the second inning, advanced to third base.

Workman posted the win allowing no runs, on no hits and four walks. Lyle Schell called signals for 15 strikeouts.

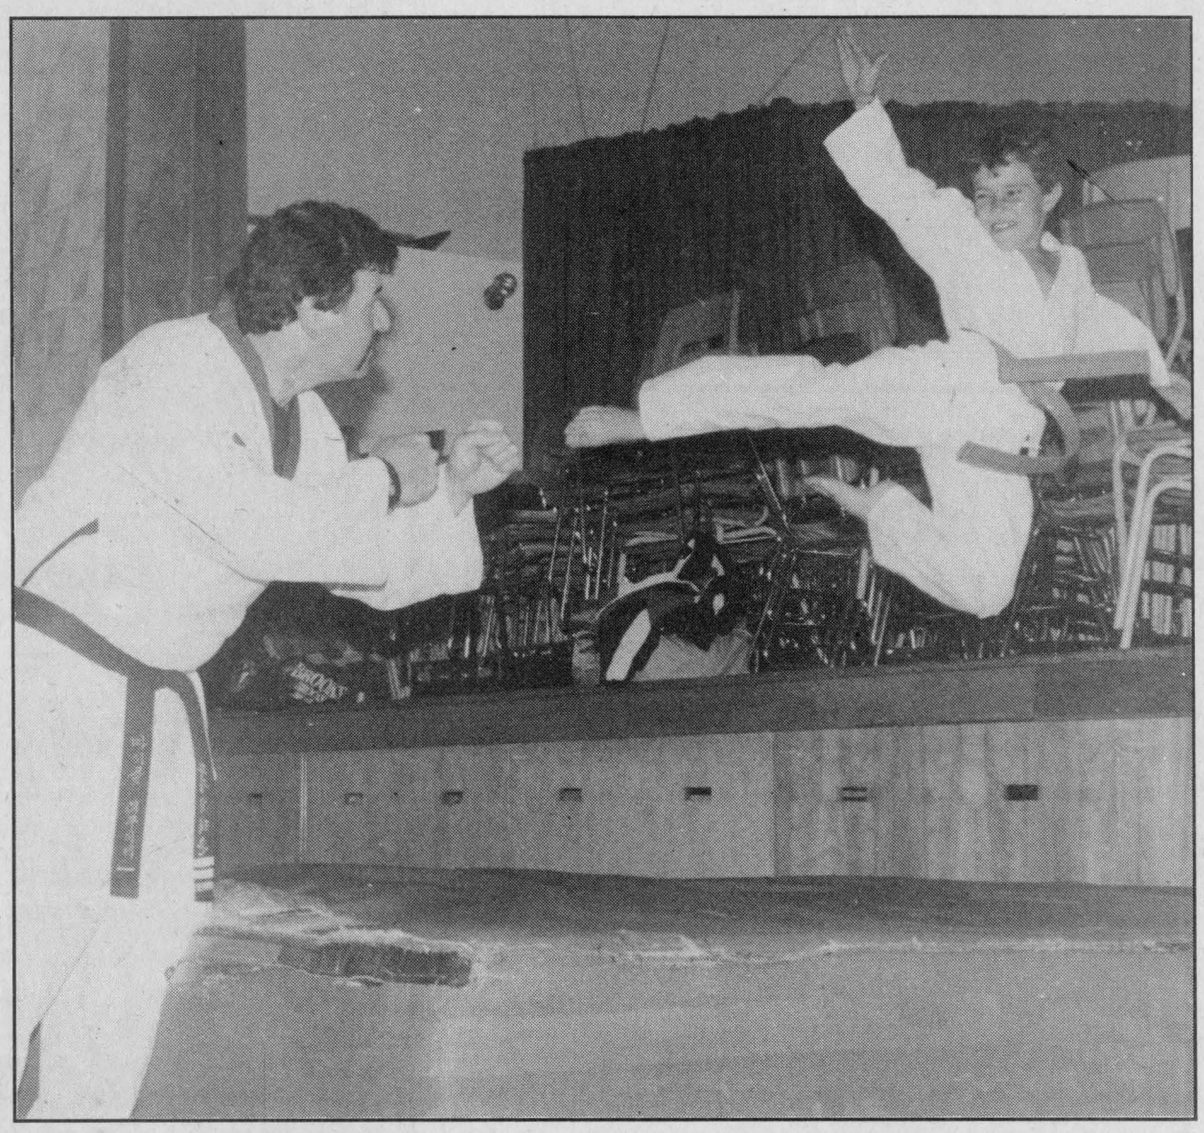
Dan Hogaboam worked with catcher Chuck McDermott and was tagged for one run on three hits, two walks and three errors. He recorded 10 Ks.

GAME ONE

Greg Workman won his own game last Wednesday scoring the only run of the contest in the second inning when he drew a two-out walk and trotted home on an RBI double by Bob Deleavey.

Workman and Schell formed the winning battery and fashioned a 1-0 shutout on three hits and 14 strikeouts.

Hogaboam and McDermott took the loss allowing one run on two hits and two walks. He fanned 14.



Small but mighty

Duncan Reitboek, 8, celebrated achieving green belt status from the Maple Ridge Tae Kwon Do Club with a flying side kick at instructor Mike Lecuyer. It took Duncan only a year and a half to reach the fourth level of belt status.

Humphries spurs Red Dogs to 10-7 final over White Mist

WINCHESTER — Matt Humphries pulled the trigger on five goals and set up another pair and teammate Jeff Hyndman pumped in a single and drew seven assists as Nick's Red Dogs bit off a 10-7 victory over White Mist.

The win got the Dogs to within a point of the Mist and the 1997 Winchester Men's Roller Hockey League regular season championship.

White finished up with a 9-4-0 record and 18 points while Nick's came in second at 7-3-3 and one point back at 17.

In the other half of the final regular season twin bill the Black Aces (5-6-2) tripped up Rene's Rollers (2-10-1) 10-6.

Tomorrow night (Thurs., Aug. 21) White Mist and Rene's Rollers will play in one semi-final game while Nick's Red Dogs will take on the Black Aces in the other. The winners will play for the "A" silverware on Aug. 28. The losers will play for the "B" title the same evening.

Nick's Red Dogs made things interesting as they knocked off first-place White Mist 10-7 on the final day of the 1997 regular season but could only scare the pennant winners winding up one point off of the pace.

Goals by "Razor" Rob Raistrick and Matt Humphries put the "Dawgs" up 2-0 on the Mist after a period of play. They opened up more distance in the second frame as they scrambled into a 7-2 lead on three goals by Humphries and singles by Jeff Hyndman and Gary McInnis.

Goals by Andrew Holmes and Rob Darling broke up Richard Gauthier's shutout.

The Mist outgunned the Dogs 5-3 in the final frame but it wasn't enough to put them on even terms. Craig Halpenny (3), Gary Magee and Andrew Holmes clicked for the Mist while Humphries netted his fifth and Dave Beehler pumped in a pair for the winners.

Hyndman (7), Gary McInnis (4), Humphries (2), and Beehler (2) set up the Red Dog goals. Darling (4), Holmes (3), Halpenny (2), Rick Hess (2) and Gary Magee were the Mist set-up men.

ACES 10 - ROLLERS 6

Three-goal efforts by Ed Byvelds and Barry Barkley powered the Black Aces to a 10-6 decision over Rene's Rollers.

It was 2-1 after a period for the Aces and 6-1 after two.

Tony Francis added a pair while Jamie McIntosh and Trevor Heuvel snapped in single goals in a winning cause. Byvelds (4), Heuvel (3), Barkley (2), McIntosh (2) and Kevin Dalrymple picked up assists. Russell Larose was the winning goalie.

John Tessier (2), Rene Boulanger, Elmer Woods, Kevin Boyce and Jeff West replied for the Rollers. Assists went to Steve Mattice (2), Boyce and Woods.

FINAL STATS

The 1997 regular season produced a pennant win for White Mist who won nine of 13 games. They also were the circuit's top-scoring club with 131 goals for. The best goals-against total was also their's, 90.

The Red Dogs were number two in all three categories: record - (7-3-3); goals for - 98 and goals against - 93.

White netminder Frank Waytowich was Top Goalie and teammate Rick Hess took the Top Scorer's award with 24 goals, 44 assists and 68 points. Another member of the Mist, Craig Halpenny was runner-up with 25 goals, 42 assists and 67 points.

Jeff Hyndman of Nick's was top goal-getter with 32.

Pink Slip goalie Elaine Teplate had to be quick to cover the ball before Carrie Amell could whip it into her net. Slips defeated the Funky Divas 2-0 to force a third and final game in the title series.

Slips, Razatans force post-season to the limit

CHESTERVILLE — Both "A" and "B" series in the Chesterville/Winchester Ladies Ball Hockey League post-season will need the third and final games to decide the 1997 champions.

Last Thursday (Aug. 14) the first-place Pink Slips remained alive edging the second-place Funky Divas 1-0 on Jane Sachs' first-period goal. The Divas pulled off a surprise in game one knocking off the Slips 3-1.

In the "B" series the Razatans also forced a third and deciding contest by blanking the Green Neons 2-0. The Neons had opened the series with a 4-2 come-from-behind victory.

Tomorrow night (Thurs., Aug. 21) the "B" championship will be decided in the early game (7:30 pm) and the "A" champ will be declared in the late game (8:30 pm).

Pink Slips (7-2-4) finished the regular campaign in first, the Funky Divas (5-3-5) in second, the Green Neons (5-7-1) in third and the Razatans (3-8-2) in fourth place.

Pink Slip goaltender Elaine Teplate kept high-scoring Sandra Brunner and the Funky Divas off of the scoresheet and allowed a first-period goal by Jane Sachs to stand up for a 1-0 victory.

Sachs whipped a Cheryl Bedard relay into Roxanne Backs' net (subbing for Jackie Boulanger) with 6:25 left in the first period and the goal stood up and allowed the Slips to tie the series up at 1-1.

Razatan goalie Toni Todd faced plenty of shots but couldn't be beaten as she blanked the Green Neons 2-0 to tie the "B" series up 1-1.

Rebecca Kennedy turned a feed provided by Brenda Koekkoek and Kerry Guy into the opening goal at 13:15 of the opening session and it held up until late in the game. Vicki Petersen made the final margin of victory two goals when she fired a pass from Guy into the net from the deep slot with 1:09 left in regulation time.

Metcalfe Wolves win championship

OSGOODE — For the ninth time in 13 years the Metcalfe Wolves have claimed the Osgoode Ball Hockey League championship trophy.

This year's final game produced a 1-0 victory last Friday night over the Manotick Rebels. Bob Kemp netted the title-winning goal when he connected on a feed provided by Chris Reaney and Kevin Sheldrick. After two scoreless periods the well-played match was finally decided in the early stages of the final frame.

Members of the winning team include Bill Jamieson, Wayne Burke, Bob Dumelie, Chris Reaney, Rick Downey, Kevin Downey, Mike Cavan, Stephan Rawlings, Dave Sheldrick, Rob Melenhorst, Kevin Sheldrick, Mark Patterson, Cory Reaney, Bob Kemp, Mark Lystik and Brian Johnston.

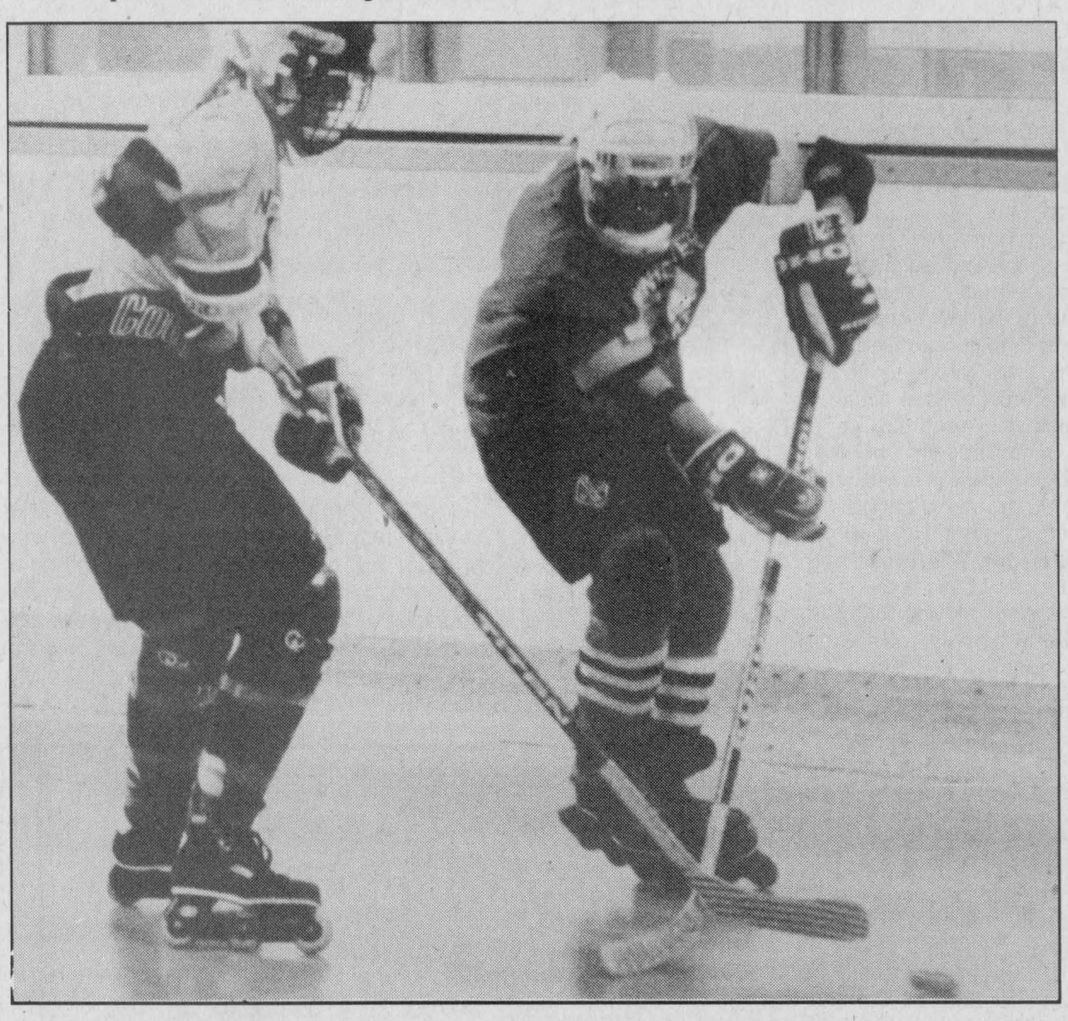
Devils face Blues for championship

WINCHESTER — Deanna Corbett-White converted a pass from Jada McNaughton into the game-winning goal as the Red Devils nipped the Yellow Jackets 2-1 in overtime.



It took all but 52 seconds of overtime for Deanna Corbett-White, right, to score the winning goal for the Red Devils. The 2-1 victory over the Yellow Jackets put the Devils in the WWRHL's final game.

Press Photo – Van Bridger

The victory was the second for the Devils in post-season play and qualified them for tonight's (Wed., Aug. 20) 1997 Winchester Women's Roller Hockey League championship game.

That match will pit the Devils against the Navy Blues who also finished the round robin at 2-0 with a default (13-0) win over Pure White.

In the opening post-season matches the Devils defeated Pure White 4-1 and Navy Blues sank the Yellow Jackets 2-1.

The Yellow Jackets, who finished the regular season first with an 8-2-1 record will play in the "B" final against Pure White (2-8-1), the fourth-place finishers. The Blues and Devils finished dead even in the regular season at 4-4-3.

Jada McNaughton turned in a play started by Marilyn Collins into a 1-0 lead for the Red Devils at 11:01 of the first half of Wednesday's (Aug. 13) match. That lead held up until Kathy Byvelds combined with Terri Hoy to tie it up for the Yellow Jackets at 10:19 of the second stanza.

In spite of having just four skaters the Jackets held the Devils to a 1-1 tie through regulation time, which produced an overtime situation.

The game was finally decided with 0:52 left in OT. Deanna Corbett-White finally fooled Jacket goalie Angela Durigan when she completed a play engineered by Jada McNaughton to give the Devils a 2-1 victory and a berth in the "A" championship game.

Pure White didn't have a goalie and only four skaters but decided to play out their final round-robin game against Navy Blue. The result was a shooting practice session for the Blues who rang up a 13-0 count on the community centre scoreboard.

It was 6-0 at the half as Kim McInnis scored three, Rhonda Winter, two and Amy Fraser, one first-half goal.

Fraser (4-3-7) finished with seven points, Winter (4-2-6) had six, McInnis (3-0-3) three, Linda Carkner (1-0-1) one, Monica St. Louis (1-0-1) one and Janet McEwan (0-1-1) one point.

Rec rambles

by Winchester Recreational Facilities Manager Matt Krisjanis

Howdy sports fans. I guess the first thing I should do is apologize for not having written a column for last week. I missed the deadline. Sorry.

I hope everyone enjoyed Dairyfest and had some fun, one way or another. I am not going to get into names, but I would like to thank all the volunteers, organizers and participants for making Dairyfest a success. Thank you.

What do you think of our law enforcement force? These guys and gals go the whole mile to support a worthwhile charity and provide entertainment at the same time. Mind you, I was a little nervous that day because of the way they kept looking at my ponytail. Thank you boys and girls in blue, and don't worry, the hair will grow back.

On August 21 the Winchester Ladies' Hockey League will be holding their hockey registration at the Winchester Community Centre. Let's go ladies. It's time to strap on the blades and have some fun.

Sunday, August 24 is the day you bingo lovers should keep in mind. This is the day the Winchester Jr. `B' Hawks will be holding their Giant Bingo at the Winchester Community Centre. Doors open at 10 am, so come on out and support your Hawks.

Well, that's all I have for now, so I will leave you with my thought for the week: "If you are going to stand on thin ice, you might as well dance."

South Mountain Recreation Association

would like to thank all the people who purchased our **"Camcorder Draw Tickets"** and especially the parents and youth who helped to sell them.

Stewart, Craig earn swimming gold medals

WINCHESTER — Natalie Stewart and Ashleigh Craig returned from a swim meet at Katimavik on Sunday with individual gold medals.

Stewart finished first in the IM, breast and fly to earn 18 points and the Top 15 and over girl medal.

Craig won the same three races to become the Top 13-14 Girl in the competition.

In spite of having just 11 swimmers (10 girls and one boy) the Winchester Waves placed third in the seven-team meet.

Stewart and Craig then teamed up with Jen Little and Crystal Glassford to form two winning Waves relay teams. The four swam to victory in both the free and medley events.

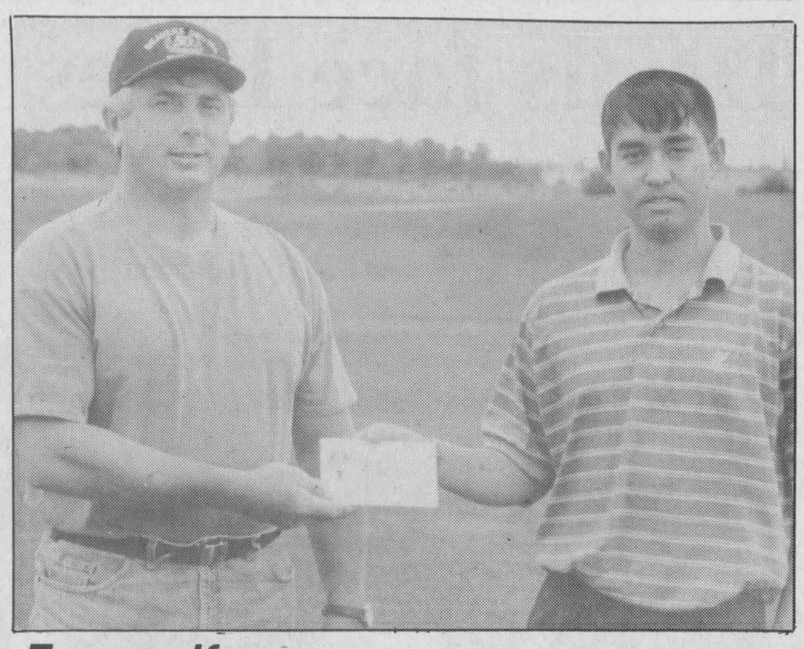
In the 13-14 bracket Christina Nicol, Kate Mead, JanaLee Kelly and Sharon Corkery were silver medallists in the free and medley races.

MacKenzie Mead and Ainsley Glassford had to join nine and ten-year-old swimmers from Kemptville and Manotick for their relay events. They were fourth in both the free and medley swims.

In addition to the triple gold efforts of Stewart and Craig, Winchester girls picked up some other individual ribbons.

Ainsley Glassford (9-10 yrs.) was fifth in the front and sixth in the breast. Sharon Corkery (11 yrs.) finished second in the IM, third in the fly and fourth in the back. Christina Nicol (13 yrs.) was second in the fly. Crystal Glassford (14 yrs.) came in second in both the front and fourth in the back. Jenn Little (14 yrs.) was second quickest in the IM and third best in both the front and back.

Ben Mead (11 yrs.) was the lone boy competing for Winchester and he earned three ribbons: second in the IM, third in the fly and fourth in the back. He also swam exhibition relays with Manotick and picked up a pair of fourth-place ribbons.



Free golf

Dan Hogaboam, left, of Winchester Springs registered to play golf at Cloverdale Links during the Dairyfest Golf Fest and wound up winning the first-place prize, a free 1998 membership. Matt Carkner of Morewood won a Labatt's Blue leather tour bag and third-place winner Kathy Greenlaw of Gloucester won a dozen Ultra Distance golf balls. Cloverdale pro Ben Finlayson, right, also reported John Mahoney of Ottawa record the course's fourth hole-in-one on the par 3, 180 yard No. 3 hole on Aug. 4. Press Photo — Van Bridger

Whitteker drives first hole-in-one

WILLIAMSBURG — Kevin "Goaler" Whitteker put his name in the Cedar Glen Golf Course record book when he "aced" No. 5 last Tuesday (Aug. 12).

The day before (Mon., Aug. 11) Meagan Whitteker posted the low gross score for girls on Juniors Night. Pat Hamel carded the boys (14-18 yrs.) low gross score while Parker Locke turned in the best net number (14-18 yrs.). Travis Baldwin (boys 10-13) shot the low gross score and Kevin Melenhorst compiled the low net score. The top beginners were Peter Toonders, Thomas Toonders, Laura Melenhorst, Alyssa Whitteker and Joshua McMillan.

Kirk Barkley was "A" class winner here last Thursday (Aug. 14) firing a low gross 34. Mike Guy was next best with a 38 (retro). Larry Harper shot the low net score of 32.5 and took the decision in retrogression over Derek Whitteker who also carded a 32.5.

J.P. St. Pierre's 36 was four better than Bert McIntosh's 40 in "B" class. Bill Collins had a closer battle on his hands shooting a low net 30 to edge Shane Kavanagh who came in at 31.

Retrogression was needed to decide a winner in "C" class and Bob Porteous came out on top after he and Dale Whitteker matched 41s. Jeff Whitteker (29.5) and Peter Schoenfeld (30.5) had the best low net numbers.

Bud Craik (45, retro) and Brent Copeland (48) finished one-two in "D" class. Jim Cook (29.5) and Kevin "Goaler" Whitteker (33) claimed low net prizes.

Additional prizes went to Mike Guy who was closest to the hole on No. 11; Bruce Kerr who was closest to the hole on No. 14 and Francis Barkley who cranked out the longest drive on No. 12.

LADIES NIGHT

Last week's Cedar Glen's Ladies Night featured the annual Tombstone Night. The object of the event is to shoot better than your handicap... the longer you "live" the better.

Shirley Munro was the longest survivor. Pat Reaney was the second longest survivor, Lynne Cummings the third, Debbie Blaine the fourth and Marj Phillips the fifth longest survivor.

Gerry McEwan was the first deceased. Barb Phifer the second to go, Barb Wells the third, Ann Cook the fourth and Sue Lacombe the fifth deceased.

Best Epitaphs belonged to Ruth Algire, Sheila Crowder and Sue Lacombe.

CHIPS AND PUTTS

Another Mixed Two-Ball will tee-off this Sunday (Aug. 24) at 3 pm.

The 1997 Cedar Glen Men's Open will be played Mon., Sept. 1. Your ticket includes brunch, supper and prizes. Hole-in-one prizes include: a new car, cruise for two and a set of golf clubs. There are still some openings. Call 535-2323 or 1-888-861-0660 for more information.

Under 13 Lasers finish season with three wins

METCALFE — Josh Cinnamon found the range and drilled in three goals here last Thursday and powered the undefeated Winchester Lasers to an impressive 8-2 win over Metcalfe.

The victory extended Winchester's Ottawa-Carleton Under 13 (Mosquito) Soccer League record to 11-0-0. Over 11 games the Lasers have zapped their opposition by an 8-3-19 margin.

Their 8-2 win over Metcalfe marked the first time in several weeks the Lasers have played a full strength.

"We passed very well, maintaining ball possession for most of the game," reported coach Gerry McBain.

Josh Cinnamon led the way to victory with his three goals. Trent McBain and Josh Ennis each potted a pair. Chris Thompson supplied the other marker.

Coach McBain said, "Eric Toonders, Chris Currie, Sam Francis and Tim Johnson all played strong games, controlling the midfield and setting up plays. I would also say Robbie Steele, Jason Crump, Jesse Whyte, Ryan Guy and Jeff Peto all played strong, defensive games."

The week before (Aug. 7) in Manotick Winchester had just 10 players but had no trouble mauling Manotick 10-2.

Josh Ennis and Trent McBain ran through the Manotick defence and rang up three goals each. Chris Currie, Josh Ennis, Chris Thompson and Adam Schoones clicked for singles.

Winchester finished off their July schedule, rallying for an exciting 5-4 victory in Kars.

With just nine players available, the Lasers found themselves down 2-1 at the half, but a strong second-half enabled Winchester to maintain their undefeated record.

Trent McBain popped in a first-half goal and snapped in two more in the second stanza. Josh Cinnamon and Chris Thompson also put shots into the Kars cage in the second half.

Des Smith Classic runs this weekend

by Joe Banks

GLOUCESTER — Howard Portelance of Hallville will be driving from the number one post position in the 16th annual Des Smith Classic at Rideau Carleton Raceway this Friday (August 22).

He'll be competing with eight other horses for an estimated purse of $120,000.

The draw for the drivers was held Monday morning and trainer Carl Conte named the veteran to drive L Dees Jonathan, trained by Bill Robinson, one of the top trainers in Toronto.

"This horse has a chance to win," said track spokesman John MacMillan.

It's the biggest race of the year for Portelance, who feels 'good' about his chances of winning the classic.

"I'm glad to have a shot in it," said Portelance. He doesn't know the horse. "But I imagine Mr. Robinson will be there and fill me in on the details."

He has no special strategy in mind.

"I'll wait and talk to the trainer and look at the card, to see if they've been going to the front with him (the horse) or going out of the hole," he added. "Nothing falls into place until the wings close."

Portelance said he understands the horses entered in the classic are pretty well evenly matched this year.

"It looks like it's going to be a very good race.'

The horse has already won $113,000 this year, with six wins in 25 starts.

Portelance, who has a 14-horse barn and a half-mile track near the hamlet, is no stranger to the classic.

1993 was his best year when he finished third overall in Canada with 304 wins in a single season. He finished third in the classic driving CKS, only three lengths behind world champion Staying Together.

It was the fastest mile in Portelance's life as Staying Together set a new track record at 1:50.4.

Portelance has been one of Rideau Carleton Raceway's elite drivers for over two decades. He first came to Rideau Carleton in 1975 as a 17-year-old groomer, and it was at the local track that he obtained his driver's licence.

Since then, in his 21-year career, he has never been worse than third leading driver in any full meet he has participated in. He has won several dash and UDR titles at both Rideau Carleton and l'hippodrome in Aylmer.

He joined an elite group of drivers with is 2,500th career win in 1995 with Fantastic at Rideau Carleton.

The trainer and owner of the pacers decide who will drive their entries, picked from a lottery, and they choose from the list of drivers available.

Most often they try to obtain the services of the best drivers from New Jersey or Toronto, which means the local drivers have a much slimmer chance of getting in the race.

Philip Jamieson of Morrisburg, brushed up on his horseshoe throwing skills last Saturday before the big competition. Horseshoe throwing was one of the events which took place at last Saturday's Volley For Cancer which helped raise over $12,000 for cancer research.

United ends season with win

MAPLE RIDGE — Forward Earl McBean broke up a 1-1 game here last Thursday night with a goal in the final three minutes of play. The 2-1 victory over the Alexandria Hellfish signalled a successful end to the 1997 Cornwall District Soccer League - Division II regular season for North Dundas United.

"Holger (Anderson) did all of the work. He used his fancy footwork and ball control to get me into the open. All I had to do was tap the ball in," explained McBean.

United fullback Terry Sloane described the winning goal as... "A beauty. Holger controlled the ball, put it over to Earl and all he had to do was touch it into the open net."

The victory gave the second-place United a final record of 9-3-2 and a 5-2-1 mark over their final eight games. This week they launched a two-game (home and home), total-goal series with the third-place Rudi's Sports club. North Dundas hosted game one Tues., Aug. 19 and will play game two in Williamstown tomorrow night, Thurs., Aug. 21.

McBean remarked, "They (Hellfish) are a tough team. They are aggressive on the ball and play the kick and chase game. They don't give a team like us, who like to work the ball, much chance to set up and do what we want."

"It was nice to win that final game. They (Hellfish) will be a contender next year. I didn't think we played that well because we really didn't have to win. We had second place, whatever happened," added Sloane.

Both men agreed United had a pretty decent season but aren't really looking to take the championship and move up to Division I, where they just might be in over their heads.

"I think we have a pretty good mix of players, young and old," Sloane said.

Lasers win two of three matches

WINCHESTER — Matthew Enright booted in two goals and Craig Panchuk knocked in the winner as the Winchester Blue Lasers nipped the Red and Whites 3-2 here last Wednesday.

The loss snapped a two-game win string the Red and Whites had fashioned. Julian Whittam netted both goals for the losers who were playing with just 10 players.

In their previous two Ottawa Carleton Under 15 (Co-ed) Soccer League encounters the Red and White Lasers knocked off the home team in Merrickville 3-0 on July 30. Winchester continued its road trip and thumped Kemptville 5-3 on Aug. 7.

Dave Gallant bagged three goals in the 5-3 decision in Kemptville while Bryce McBain and Julian Whittam each kicked in one.

Bryce McBain was Winchester's offence in the 3-0 win over Merrickville recording all three goals. Dave McNabb set up the first goal in the first half while Whittam assisted on the second and Jan Quist engineered the final marker.

Sean Laing registered the shutout.

Blue Lasers zap Pee Wees

MAPLE RIDGE — A pair of Winchester Pee Wee (Co-ed) soccer teams met here last Wednesday night and when the final whistle was sounded the Blue Lasers under the direction of Earl McBean had posted a 3-2 decision over the Red and Whites coached by Gerry McBain.

"It was an entertaining match," according to coach Blues coach Earl McBean, who noted the same two squads will square off here at Maple Ridge Senior Public School again on Wed., Aug. 27.

The Blues, according to the coach are sporting a near 500 record and have two more matches to be played on home turf before the playoffs. He noted the Red and Whites also have a pair of games remaining on their slate.

"It was nice to bounce back with a win because we were beaten 4-0 the week before," he said.

Craig Panchuk booted in two goals for the winners while Matt Enright netted the other marker.

Julian Whittam carried the load for the Red and Whites bagging both of their goals.

Dustin deemed top dancing pet

SOUTH MOUNTAIN — Dustin the schnauzer, owned by Jasmine Turcotte, was named the best dancer at this year's South Mountain Fair pet show.

Best dressed honors went to goats Peppermint and Patches, owned by Kyle and Kenny Guy, while the best groomed title was given to the golden retriever named Missy, owned by Nicole Hallam.

Ted, owned by Samantha Langton, was the largest cat of the day, while Lotus, owned by Kirstyn Moore, was the biggest dog on hand. The smallest pet was a fish named Squirmy, owned by Rebecca Morrison, and the second smallest pet was Benson the caterpillar, owned by Taylor Ace.

Trouble, the shepherd/husky, owned by Allie Vieweg, was awarded highest jumping honors while Billy the Staffordshire bull terrier, owned by Julia Jensen, was named the best trained.

There was a three-way tie in the owner/pet look-alike contest — Ellie the beagle and owner Jill Duncan; Coady the Jack Russell terrier and owner Rebecca Morrison; and Boomer the cat and owner Karlyn Moore.

Most unusual pet honors were given to Lee the baby ostrich, owned by Jessica Turcotte; Blacky the rabbit (owned by Christine Morrison) and Benson the caterpillar.

Quincy the cockapoo, owned by Sarah Scott, and Dusty the kitten, owned by Darby Ace, were named the friendliest pets of the day.
