Mentioned In Despatches

CAPT. S. G. AULT

Son of Mrs. J. W. Ault and the late Mr. Ault, who is listed as one of the Canadian Officers "mentioned in despatches" for distinguished service while on duty overseas. In all, 1,190 Canadian Officers were decorated during the war. As far as the Press can learn, Capt. Ault is the only local boy to receive this distinction. He served with the Royal Canadian Army Service Corps. The list of awards, not previously published, was sent out by the Military Department this week and Capt. Ault's name was included. Sam's many friends will join in extending congratulations.

LICENSE DEADLINE APRIL 10th

Highways Minister Doucette said recently that the date April 10th had been designated as the last valid day for 1945 motor vehicle number plates and drivers' licenses in Ontario. He said recent federal steel regulations will prevent a reversion to the two-plate system in 1947.

Acknowledging Ontario previously indicated two plates would be used in 1947 as in pre-war years, Mr. Doucette said the steel shortage in Canada, aggravated by steel strikes in the United States, would permit only one plate for each motor vehicle.

PENSION FUND DRIVE PLANNED BY THE UNITED CHURCH

A nation-wide drive to raise $3½ millions new capital for the Ministers' Pension Fund has been announced by a National Committee of prominent laymen of The United Church of Canada. The drive for new capital to place the existing fund "on a sound, actuarial basis" will take place from April 28th to May 12th, 1946. and will be marked by an organized appeal by laymen canvassers to members of all United Church congregations in Canada and Newfoundland.

In announcing the proposed Pension Fund drive, William M. Birks, L.L.D., Montreal, and D. H. Gibson, C.B.E., Toronto—Honorary Chairman and Executive Chairman respectively of the National Committee—state that "the United Church ministers to about one-fifth of the population of Canada through 11 conferences, 115 presbyteries and 2,752 churches and pastoral charges. We believe it is the responsibility of laymen to make sure that the pension fund into which at present some 2,600 ministers pay is a sound one—which is not the case at present. We want to encourage young men to enter the ministry by removing the fear of destitution in old age. This drive has long been contemplated and the need is urgent."

Provincial chairmen and local church organizers for the drive are now being appointed.

Local Red Cross To Make Canvass

The local Branch of the Red Cross Society has decided to remain organized for peacetime service, and is at present conducting a canvass for new members. Some of the outside units have already completed the canvass and report real success. In Winchester, the regular Red Cross canvassers will be calling on you within the next few days to solicit your support by asking you to join the Society, and make whatever financial contribution you feel you can afford. All money collected in this canvass will be donated to the local Hospital Fund, if it is decided to go ahead with the project. If not, it will be used for other Red Cross purposes. As the Red Cross is one of the greatest humanitarian organizations in the world, it is dseerving of all the support we can give it. Do your share by becoming a member and making a substantial donation.

WEDDINGS

BARKLEY—DERBY

A quiet wedding was solemnized at the Wesleyan Methodist parsonage on Monday evening, March 25th, at 6.30 o'clock, when Miss Jessie Derby, daughter of Mr. Albert Derby and the late Mrs. Derby, was united in marriage to Mr. Murray Barkley, son of Mr. and Mrs. Frank Barkley, of Inkerman. Miss Madge Allison, Chesterville, and Mr. Bruce Barkley, brother of the groom, were the only attendants. Rev. D. W. Summers performed the ceremony.

The bride was married in a lime green, dressmaker suit, with brown accessories; while the bridesmaid was dressed in an aqua blue dress with black accessories.

Immediately after the ceremony, the bridal party left on a trip to Toronto, and other western points. On their return they will reside at Maple Ridge, where the groom has bought a farm.

AGNES GLASSFORD AUXILIARY

The Thank Offering meeting of the Agnes Glassford Auxiliary was held on Tuesday night, March 26th, in the Sunday School Rooms, with a large attendance. The meeting opened by all repeating the Apostle's Creed in unison, followed by a hymn. The Scripture was read by Mrs. A. G. Suffel, followed by prayer.

Some new business was dealt with. It was deicded that the Auxiliary would present an Easter Pageant on Palm Sunday. A number by the ladies' quartette, accompanied by Miss Irving, was much enjoyed.

The guest speaker for the evening was Rev. Mr. Hughston, of Chesterville and Morewood, and was introduced by Rev. W. MacKinnon. Taking his text: "Go ye therefore and pray the Lord of the harvest that he will send labourers into his harvest," Mr. Hughston gave a very inspiring address on the need for more missionaries in foreign lands, emphasizing the fact that if it is impossible to go as a missionary yourself, you can, through your prayers and donations, help to send someone else as a missionary.

The meeting closed by repeating the Lord's Prayer, after which a social time was enjoyed.

ST. LAWRENCE BASEBALL LEAGUE MEETING

Plans are underway to revive the St. Lawrence Baseball League and a meeting has been called for Friday night, April 5th, at 8 o'clock in the Town Hall at Prescott.

It is hoped that representatives will be present from Spencerville, Cardinal, Prescott, Kemptville, Morrisburg and Winchester. All those interested in the formation of this league are asked to attend this meeting on Friday night.

BIRTH

At the Grace Hospital, Ottawa, on Tuesday, March 26th, 1946, to Mr. and Mrs. George S. Angus (nee Nora Presley), of Ormond, a daughter, Marion Elizabeth.

Lumber News

It is true that lumber has increased 8% in price to the producers, but retail prices remain the same. This is good news to the consumer—it will mean a more liberal supply of lumber this year at the same prices.

Our supply of Spruce and Jack Pine scantling and joists is practically exhausted, with none in sight until the winter's sawing starts to move in late May or June. We hope to have plenty then.

Our spring rush will soon be upon us and we are again looking for extra help. If you are looking for work, call and see us.

District Committees For Hospital Canvass Being Organized

Tentative committees were set up to make arrangements for conducting a canvass for funds for the Memorial Hospital in several of the townships adjoining Winchester, at a meeting of the Hospital Committee and district representatives, held in the local town hall last Thursday evening.

The meeting, which was fairly well attended, was presided over by Reeve Walter C. MacDonald, Chairman of the Hospital Committee. After welcoming the representatives and explaining the purpose of the meeting, the chairman called upon Mr. Erle Helmer to give the audience an outline of what progress had been made to date regarding the Hospital Project. Mr. Helmer explained, very satisfactorily, the reason an effort was being made to establish a hospital in this area, how steps were taken to obtain a charter and what action had been taken to date by the committee. He also explained why such a project had to be financed on a voluntary donation basis, and announced that the Fund would be registered under the War Charities Act. By doing this, all donations to the Hospital Fund could be deducted from a person's taxable income. Referring to the co-operative effort needed to make the hospital project a success, Mr. Helmer said that if the people of this district worked as enthusiastically and energetically towards having the hospital established, as they did in registering opposition towards the granting of a beer license to a proposed hotel in this district a few months ago, there would be little difficulty in making the hospital plan become a reality.

The guest speaker for this meeting was Flt.-Lieut. Jeffrey E. H. Bowles, Field Secretary of the Ontario Division of the Red Cross. While his address was more or less directed to Red Cross workers, it tied in very nicely with the hospital scheme. He told about the peacetime program to be carried on by the Red Cross, which includued relief to the suffering in all cases of emergencies, such as fires, floods, train wrecks, earthquakes, etc.; the opening of outpost hospitals, the relief measures for the safeguard of people's health in the war-stricken countries; the voluntary Red Cross Nursing Reserve, Red Cross Clinics, etc. Mr. Bowles said that as far as Canada's health standard was concerned, it could stand a lot of improvement. To do this, hospitals, and more hospitals, were needed. The Red Cross is lending their assistance towards this end by conducting health clinics, baby clinics, and providing Free Blood Plasma where required.

Referring to the local Hospital Project, the speaker said that it was a move in the right direction and one that was deserving the wholehearted support of the entire district. He suggested that if, after the canvass for funds was completed, the Committee were still short of money, that they apply to the Red Cross for an interest-free loan. The Red Cross could be counted on to co-operate in the establishing of the hospital and would render all the help it could, he said. As far as the local Branch of the Red Cross was concerned, he suggested that each unit undertake to raise sufficient funds to equip a room.

Rev. G. A. Beatty, of Hallville, one of the representatives from Mountain Township, was the next speaker. He said that Mountain Township was behind the hospital plan 100 per cent., and strong support from that district could be expected. However, in order to make progress in organizing the district, he suggested that a round table conference be held.

Dr. H. S. Gross was present and spoke briefly, pointing out that a hospital located here could be the means of saving lives, and that the scheme should not be thought of in dollars and cents. He recited a local instance to back up his statement.

Acting on Rev. Mr. Beatty's suggestion, Mr. MacDonald announced that a round-table conference would be held after a brief intermission at the close of the general meeting.

During the round-table conference, Mr. Beatty took a leading part in the discussion. He said he favoured the debenture system for financing the hospital, because in that way everybody contributed alike. In organizing the district, all organizations should be invited to co-operate and get behind the scheme. The North Mountain Community Club had already discussed the matter and was willing to equip a room.

Mr. Eric Casselman, sole representative from the Village of Chesterville, was also of the opinion that the tax method was the best way to finance the scheme. He made the suggestion that the name of the hospital be changed, because the people of Chesterville and other districts may not feel inclined to contribute as much to the fund if it was known as the "Winchester Memorial Hospital," as they would if it was called the "Dundas Memorial Hospital," or "District Memorial Hospital," or some other appropriate name.

Other speakers included Mrs. Hugh McMillan, of Elma; Mr. Frank Gilroy and Mr. Harold Graham, of South Mountain; Mr. Harry Williams and Wm. Cameron, members of Mountain Township Council; Mr A. K. MacDonald, of Ormond; Mr. Roy Annable, deputy reeve of Winchester Township; Mr. Geo. Angus, Mr. W. J. L. Boyd and Mr. N. W. Beach.

After much discussion regarding the method of financing the scheme, it was decided to continue on the voluntary donation basis.

District Committees

Tentative Committees for the several townships were appointed as follows:

Mountain Township—Rev. G. A. Beatty, Chairman; Messrs. F. E. Gilroy, H. E. Biccum, H. Graham, T. Stobo, R. Allison and Rev. G. S. Gervan.

Winchester Township—Mr. H. H. Nesbitt, Chairman; Messrs. H. Faulkner, E. B. McMillan, Geo. Angus and J. C. MacGregor.

Chesterville Village—Mr. Eric Casselman, chairman, to select his own committee.

Osgoode Township—Messrs. A. K. MacDonald, Hubert Carkner and Norman McCormick, organizers.

Williamsburg—Mrs. Hugh McMillan, and others to be selected at a meeting to be held in Williamsburg.

Matilda and Russell—Committees to be appointed later.

Where districts were not represented at Thursday's meeting, the appointment of committees was held over until members of the Hospital Committee visit these areas and contact persons willing to act.

In all cases, the tentative committees have power to add to or make changes as the residents of their respective communities wish. They are also to appoint one representative for each community to represent that area at future meetings of the Hospital Committee, which will hold its next meeting on Thursday, April 11. After this meeting, it is expected that plans for the district canvass will be put in operation, objectives for each area will be set, and a time limit for completing the canvass set.

On motion of Mr. N. W. Beach, it was decided that one or more citizens from each township and one from Chesterville Village, would be added to the Hospital Board of Directors, also that the name of the hospital be changed to a more appropriate name. This motion carried unanimously.

At the close of the meeting, a vote of thanks was extended on behalf of the Hospital Committee, to Mr. Bowles and other out-of-town speakers who had taken part in the meeting.

Reeve MacDonald expressed satisfaction that Thursday's meeting showed a trend of keener enthusiasm towards the hospital project, and urged all to work wholeheartedly for its successful conclusion.

YOUNG CHILD DIES IN OSGOODE FIRE

Carol Anne James, six-year-old adopted daughter of Mr. and Mrs. Albert Smith, of Osgoode Station, was burned to death shortly after six o'clock Saturday evening, when the Smith's frame house was totally destroyed by a fire believed to have been caused by an overheated stove.

The child had been ill and was in bed in an upstair room when the fire broke out. Mr. and Mrs. Smith and their daughter, Freda, aged 20, were eating in the living room downstairs. Hearing a noise, Freda opened the kitchen door and found the kitchen a mass of flames.

She immediately assisted her parenst to safety outside the home and then turned back to rescue Carol Anne. By that time the whole interior of the house was on fire, assuring certain death for anyone who tried to save the child.

THE ONTARIO CANCER FOUNDATION

During the month of April a Province-wide campaign will be organized by the Ontario Cancer Treatment and Research Foundation to raise a minimum of $2,000,000 for an all-out war against cancer, which is second only to heart trouble of all "killer" diseases. The three-year plan blueprinted by the Foundation could, if successful, help out Ontario's death rate from the disease one-half to one-third. At present Ontario's death rate is the highest per capita in the Dominion. It could help save 80 per cent. of those attacked by Cancer, and lead the way to the solution of the cancer problem by scientfiic research. The Ontario Cancer Foundation is a body set up by Act of Provincial Parliament in 1943 to fight the alarming growth of cancer in Ontario. It is comprised of a voluntary Board of men and women from this Province, and is advised by twenty-four leading medical authorities on the disease. It has inspected the seven existing cancer clinics in Ontario, providing additional equipment for treatment. Present clinics are located in Windsor, London, Ottawa, Hamilton, Kingston and Toronto.

The Foundation also sponsors twelve important research projects now under way, investigates proposed and rumoured cancer "cures," gathers educational information and statistics from all parts of the world and has prepared the great plan of attack for Ontario.

The Plan is to organize and operate fully-equipped cancer clinics at suitable selected centres; to organize and conduct prevention clinics where required; to pay a portion of the cost of treatment for those needing financial help, and travelling expenses to and from clinics when necessary; to conduct an energetic programme of research and education in Ontario on the subject of cancer until this public enemy is stamped out.

In co-operation with the Ontario Branch of the Canadian Cancer Society, the Foundation hopes to teach every man, woman and child in Ontario to recognize the signs of cancer, and to make early diagnosis and treatment available to all. Fear and ignorance, lack of proper treatment and lack of funds are responsible for most of the deaths of the 1,000 Canadians who die each month of cancer.

Unless something is done, it is estimated that 7,000 men and 7,000 women will die this year in Ontario as a result of cancer. Health authorities estimate that for every case under treatment, there are three cases going untreated. Yet 80 per cent. of cancer is curable if diagnosed and treated early enough.

The Foundation hopes to receive the co-operation of every community in Ontario. Many cities and towns are already planning their local campaign and all banks will be receiving centres for donations. The Ontario Cancer Treatment and Research Foundation is located at 22 College Street in Toronto.

EDITORIAL NOTES

When drowsy in a truck, get out. It may be that you need sleep; it may be your liver — or it may be carbon monoxide." The above words appear on a traffic card issued this month by the Industrial Accident Prevention Associations as a warning to drivers of motor vehicles that carbon monoxide is a creeping killer.

Now that the motoring season has opened up again and traffic will be heavy on the highways, it might be a good idea for parents to impress their young hopefuls with the necessity of carrying lights on their bicycles. Not likely they will do so, however, as children have the right-of-way in every respect these days. But some evening about twilight a youngster will be killed by an innocent motorist and the motorist will be damned up and down dale by hysterical parents who should be blaming themselves, comments the Almonte Gazette.

A recent check of industrial injuries reveals that minor accidents involving first aid only are delaying production. According to the Industrial Accident Prevention Associations, some industries in the United States report lost time of about 40 minutes for each first aid case. In Ontario the average is lower, with a loss of from 5 to 23 minutes for each minor injury. The Associations point out that if production is to be maintained "minor injuries involving first aid only cannot be ignored as the aggregate time involved must be important, and is another argument for accident prevention."

DUNDAS FIELD CROP IMPROVEMENT MEETING

At a well attended meeting of the Officers and Directors of the Dundas Field Crop Improvement Association, which was held in the Agricultural Offcie, Morrisburg, on March 21st, plans and arrangements were made for the year's activities of this organization.

Mr. Howard Kittle, of Chesterville, President of the organization, occupied the chair. Other Directors in attendance were: Messrs. Angus Smith, Chesterville; Eric Casselman, Chesterville; Fred Hutt, Inkerman; Basil Dawley, Winchester; Charles Marcellus, Chesterville; Edwin Forward, Winchester; Joseph Hyndman, Mountain; Matt Beckstead, Morrisburg; William Graham, South Mountain; Acil Hanson, Brinston; Chas. Harkness, Iroquois; W. H. Fowler, Iroquois, and the Secretary, H. W. Graham.

The special guest at the meeting was Mr. Jack McRae, Fieldman for the Ontario Crop, Seeds and Weeds Branch, Toronto. In all, twelve projects were arranged to be conducted by different co-operators throughout the four townships. These projects have mainly to do with field crop improvement and host plant eradication for the prevention of particularly rust.

The organization also intend to sponsor an increased field yield contest. The object of this contest, of course, is to encourage at least 3000 lbs. of grain to the acre. Contestants are to sow five acres as a minimum of their own grain whether it be straight oats or barley or a mixture of oats and barley. There has to be a minimum of ten contestants. Fields are to be inspected during the growing season, yields at threshing time are to be taken by the grower, and each contestant is to obligate himself to set one sack of grain aside as it comes from the threshing mill for inspection by the judges. Township directors have been requested to submit the names and addresses of contestants to the Secretary on or before April 15th, 1946. The Association is offering in prize money up to $200 for ten prizes.

A grant of $100 has also been made to the Dundas Junior Farmers Association for the sponsoring of Barbery and Buckthorn eradication campaign.

All Directors hope that 1946 will be a successful year and that the educational value of the projects undertaken will benefit all farmers in the County.

SERVANTS GALORE . . . BY WIRE

● The time to solve the servant problem once and for all is when you are building or "modernizing" your home. The greatest modern domestic servant is electricity. How well and to what extent electricity can serve you, now and in the future, depends on how well your "servant's entrance" is designed . . . how wisely your home is wired.

Inadequate wiring limits the use of electricity. It leads only to inefficient operation of lights and appliances. But adequate wiring . . . three wire service to the house, with proper size circuits in the home and plenty of outlets in every room . . . overcomes these difficulties, and gives you full use of these modern servants.

Electrical home appliances increased rapidly in number and variety before the war. They are now reappearing and will continue to multiply. Homes that were wired only for the needs of 20 years ago should now be rewired to suit the wonderful new "electrical servants" to come.

Hydro's low-cost dependable service enables you to use these modern servants to the full if you have provided for them. In planning your new home, put adequate wiring at the top of your list.

If you are improving or building a home, ask your Hydro for the booklet "Adequate Wiring for the Postwar Electric Homes of Canada."

Public Enemy No. 1

CANCER

● Cancer is exceeded only by heart disease as a cause of death. Because it frequently means long and cruel suffering, and is the disease we dread most, it most decidedly ranks as Public Enemy No. 1.

Yet cancer in its early stages usually causes no pain. That is why relatively few cancers get any treatment in their early stages when most of them can be cured by radium, x-ray or surgery.

Cancer of the lip may be mistaken for a cold sore that does not heal. The first sign of cancer of the throat may be hoarseness. Cancer of the stomach, in its early stages may be mistaken for indigestion.

To cut down the death rate from cancer in Ontario (5193 Ontario people died from this disease in 1943) funds are now being raised and a drive is being organized in this province to conquer cancer. Here are the objectives of this campaign:

1—*To organize and operate fully equipped cancer clinics at suitable centres where people may be examined, and, if necessary, treated according to the newest scientific methods.*
2—*To pay a portion of the cost of treatment of cancer for those needing financial help.*
3—*To pay travelling expenses to and from clinics if needed.*
4—*To conduct an energetic program of cancer research in Ontario.*

As a citizen of Ontario *you* are asked to contribute to this very worthy cause. Your donation may help put such measures into effect as will save the lives of some of your loved ones—even your own life. It may help to free the world forever from the dread scourge of cancer.

This appeal is for an objective of $2,000,000 to provide for a three-year program of cancer research, treatment and province-wide service.

Late Mrs. Wm. G. Farrell

One of our most beloved citizens passed away at her home in the early hours of Friday, March 29th, after a lingering and severe illness, in the person of Mrs. Wm. G. Farrell. She was the former Minnie McMillan, and was born at Elma on June 5th, 1875. She was married on June 5th, 1907, to Mr. Wm. G. Farrell, of this place.

The funeral, which was largely attended, took place on Sunday, March 31st, at 2.30 p.m. to the United Church, and was conducted by her pastor, the Rev. V. Buchanan, who took for his text Psalm 91, verses 1-2. The hymns were "Abide With Me," and "Unto The Hills," and the choir anthem was "Will The Circle Be Unbroken."

Deceased leaves to mourn her passing a devoted husband, one son, Arthur; one adopted son, James Oshier; six grandchildren; two sisters, Mrs. Hess, of Winchester Springs, and Mrs. Dickie, of Calgary; and one brother, Ezra MacMillan, of Williamsburg.

The pall bearers were Messrs. John Baldwin, Matthew Moore, Roy Shaver, Auldon Ennis, Henry Barkley and Charles Armstrong, neighbours of the deceased.

The floral tributes were from: Husband; son and grandchildren; Mr. and Mrs. S. W. Farrell, Mrs. H. Campbell and family, Mrs. B. Farrell, Mr. and Mrs. A. Farrell, Mr. and Mrs. K. Farrell, Mr. and Mrs. J. Oshier, Mr. and Mrs. A. Beggs, Louis Weiner, Mr. and Mrs. R. Bronson, Milligan and Lennox. Mr. and Mrs. J. MacMillan, and the Neighbours.

METCALFE

Hammell—Hay

Highland Park Baptist Church, Ottawa. was the scene of a very pretty wedding on Saturday, March 23rd, when Dorothy Alvira Hay, daughter of Mrs. Albert Hay and the late Mr. Hay, became the bride of Mr. Andrew Lewis Hammell, son of Mr. and Mrs. Archie Hammell, of Metcalfe. The ceremony was solemnized by Rev. L. M. Smith. Mrs. Walter Taylor presided at the organ, and Mrs. L. M. Smith was soloist.

Given in marriage by her uncle, Mr J. S. Healey, the bride chose a floor-length gown of ivory satin, a finger-tipped veil, arranged from a headdress of orange blossoms, and carried a bouquet of American Beauty Roses. Miss Lois Hay was her only attendant, and Mr. David Hammell was groomsman. Miss Elaine Mills, niece of the groomsman, was flower girls, dressed in pink taffeta, and carried a nosegay bouquet. Messrs. Kenneth Hay and Keith Stanley were ushers.

Following a reception at the home of the bride's mother, Mr. and Mrs. Hammell left on a trip to Montreal, the bride wearing an American Beauty crepe frock, a black coat, a black hat and a shoulder knot of roses. On their return they will reside in Westboro.

To the Cass Bridge friends and all others who helped us in any way and who sent messages of sympathy, please accept our sincere thanks. 47p

IN MEMORIAM—In memory of a dear husband and father, Thomas Robinson, who passed away April 6th, 1945.

Fond is the tie that was broken,
Dear is the one that is gone,
In memory we will always keep him
As long as the years roll on.
There is some one who misses you dearly
In the home where you used to be,
Some one who tried to keep you,
But God willed it not to be.

47c —Wife and Family.

IN MEMORIAM—In loving memory of a dear husband, Almon Summers, and son, Glenn, who passed away on April 1st, 1937.

O happy hours we once enjoyed,
How sweet their memory still,
But death has left a loneliness
This world can never fill.
The midnight stars are shining
Upon your silent graves,
Beneath it sleeps the ones we love
And the ones we could not save.

—Ever remembered by Wife, Mother and Brothers. 47p.

IN MEMORIAM—In loving memory of my dear father, Thos. Robinson, of Mountain, who departed this life April 6th, 1945.

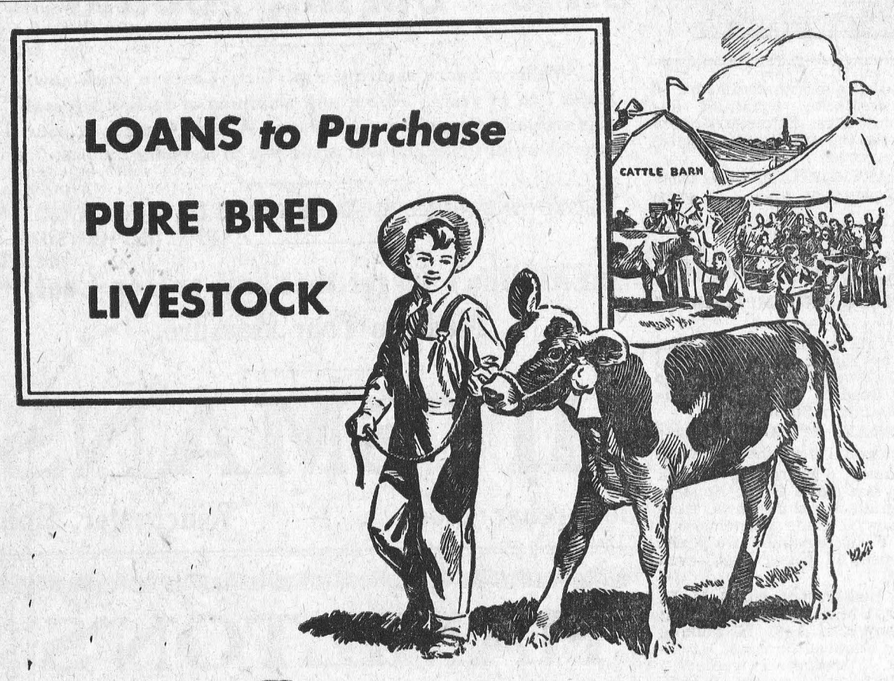
His last parting wish
We would like to have heard,
And breathed in his ear
Our last parting word.
Only those who have lost
Are able to tell
The pain in the heart
In not saying farewell.

—Ever remembered by his daughter, Hilda; son-in-law, Bill, and granddaughter Dianne. 47p

IN MEMORIAM—In loving memory of a dear father, Thomas Robinson, who passed away one year ago, April 6th, 1945.

It's lonesome at home without you, Dad,
And sad the weary way,
For life is not the same to us
Since you were called away.
If we had all the world to give,
We'd give it, yes, and more,
To hear your voice and see your smile,
And greet you at the door.
So you, who have a Father,
Cherish him with care,
You'll never know a heartache
Till you've seen the vacant chair.

—Lovingly remembered and sadly missed by daughter Ruby, Earl and the Barkley grandchildren. 47p.



THE QUALITY of the livestock on your farm can be improved in relatively few years through the steady introduction of selected individuals of good blood lines. Should you wish to buy young pedigreed stock or mature animals of superior breeding, The Royal Bank of Canada will be glad to lend you cash for the purpose.

Under the Farm Improvement Loans Act, 1944, loans are available on most attractive terms for the purchase of foundation or breeding livestock, for machinery, equipment, farm electric systems, the construction and repair of buildings and other purposes. Repayment may be arranged by convenient instalments and the interest rate is low. We welcome your enquiries for farm loans.

"FARM IMPROVEMENT LOANS"

This is the title of our new booklet which describes in detail the many attractive features of Farm Improvement Loans . . . what the money can be used for . . . method of repayment . . . and the new types of security which can now be accepted by the Bank. Ask for a copy at your local branch.

WANTED: MORE EGGS

Give your Chicks a flying start with Purina Chick Startena, the starter with Ingredient Power! Protect them from disease with one Purina Chek-R-Tab in each quart of drinking water.

WANTED: MORE MILK

Here's a way to ship more milk. Start your calves on Purina Calf Startena. Each calf you raise on this Purina dry feeding plan leaves you with 1,400 to 1,500 lbs. more milk to sell. Saves you mixing, messing, pail washing . . . saves you time and work . . . and raises you a better calf cheaper. Test it out! Start one calf on Calf Startena. You be the judge. (You'll find it pays).

WANTED: MORE BACON

Western Canada's bacon hog output is away down, but demand for bacon is away up. It will pay you to get the biggest possible litters of big thrifty pigs. Feed them before they're born. Get the necessary extra proteins, minerals and vitamins into your sow's ration by feeding Purina Sow and Pig Chow. Start the little fellow on Pig Startena and watch them grow.

Purina Custom Grinding and Mixing

Our plans for the early summer are to install a Mixer and Grinder in a new and larger location in town. We intend to establish a modern, up-to-date Purina Approved Mixing Service for everyone. Keep your eye on the new mill with the Checkerboard sign. Drop in and let us discuss your feeding problems with you.

Callers at the home of Mrs. Minnie Gilmer and Mr. and Mrs. D. F. Gilmer on Sunday were Mr .and Mrs. John McGowan, of Brinston; Mr. and Mrs. Wilfred Seeley and Glenn, of Rowena, and Mr. and Mrs. Sam R. Hamilton and Enid, the occasion being Mrs. Minnie Gilmer's birthday.

Mr. and Mrs. Isaac McShane and family spent Sunday at the home of Mr. and Mrs. David Shaw and Mr. Walter Buchanan, of Williamsburg.

Mrs. Mary Gilmer spent a few days with her daughter, Mrs. Wm. Bolton, of Heckston.

This community extends sympathy to the relatvies of the late Mr. John McRuchie, of Hainsville. He lived for some years in this community.

Mrs. David F. Gilmer and Basil spent Wednesday with her mother, Mrs. H. R. Jeffrey, South Mountain.

Messrs. Jas. Gilmer and Sam R. Hamilton and Miss Annie Gilmer spent Saturday in Winchester.

DISTRICT MEN PASS DAIRY TESTS

Three residents of the United Counties were successful in passing examinations conducted at the dairy school, Kemptville, for the term ending March 23rd. Maximum marks obtainable in the course conducted at the Kemptville Agricultural School were 1,100.

W. J. Worsfold, of Chesterville, obtained 729 marks for a percentage of 66.3, and qualified for second class honours. Felix L. Wise, of Winchester, with 623 marks or 56.6 per cent., and L. P. Racine, of Crysler, with 598 marks or 54.4 per cent., qualified for pass standing.

Heading the graduating class with 958 marks for a percentage of 87.1 and a first-class honor standing was E. H. Hodgson, of Montreal.

Cockshutt Farm Machines & Service

We have our new Machine Building, at the West end of the village, ready for use, and we invite you to come in and see the machines on display. Realizing we have not given up-to-date service during war years, it is our intention to employ a Service Man to make both small and major repairs to all implements, including tractors. We have some lines of machines available at the present time. Give us your order now.

MANAGEMENT

Mr. Stuart Corry will take over management of this business. Since returning from overseas, Steve has been employed as foreman on my wood cutting contract. We feel confident that we will still have your patronage and support.

MILKING MACHINES

If it's a Milker, its Universal. Order a Milker today and take the drudgery out of farming. Hundreds of satisfied customers.

TRADE-INS

We do our best to handle all trade-ins—Horses, Cattle, Used Machines, etc.

Fair Dealing Our Motto.

WINCHESTER SPRINGS W. A.

Winchester Springs United Church W. A. held their meeting and a St. Patrick's Tea on Tuesday evening last at the home of Mr. and Mrs. Alvin Steele. The men of the congregation were invited. After the opening devotions, the minutes were read and roll called. Rev. and Mrs. Newman rendered a beautiful duet. Mrs. Casselman and Mrs. Barkley each thanked all those for remembering them, when shut in, with cards, letters, flowers, boxes and calls. The meeting closed with a hymn, and prayer by Rev. Mr. Newman, after which the programme committee took charge of the St. Patrick's contests. Rev. Mr. Newman and Mrs. Thompson were the winners. The social committee then served lunch, after which a vote of thanks was moved to the host and hostess for their home for the evening.

NATION VALLEY RED CROSS UNIT DISBANDS

On Saturday evening, March 23rd, the Nation Valley Red Cross Unit held its final meeting. Mrs. Enos Munro, president of the Unit, presided. She reviewed the work of the Unit since its organization October 24th, 1939, and paid tribute to the members of the Unit who had worked so hard and so faithfully, and who had accomplished such gratifying results as the reports disclosed. Regret was generally expressed that the work was being discontinued when it is still so badly needed. Arrangements were discussed for the "Welcome Home" reception to be tendered to six returned soldiers of the community.

Mrs. Kenneth Merkley, assistant secretary, read the following reports, which were approved and adopted:—

Complete list of all work done—1713 sewn articles, 1812 knitted articles including 1059 prs. socks, making a total of 3525 completed articles; Total receipts, $3145.37; total expenditures, $738.42; paid to Chesterville treasurer, $2406.95.

On motion by Mrs. Harold Baker and Mrs. Calvin S. Munro, the unit was declared disbanded as of March 31st, 1946.

METCALFE

Late Fred Latimer

The funeral of Mr. Fred Latimer, who passed away after a winter of illness, was held from his late residence on Friday afternoon. The cortege proceeded to Holy Trinity Church, where Rev. Robert Shannon conducted the service. Interment was made in the family plot at Greely.

A lifelong resident and prominent citizen of Osgoode Township, Mr. Latimer was active in civic affairs. A former member of Osgoode Township Council, Mr. Latimer was also a director of the Metcalfe Rural Telephone Company. For many years prior to 1924, he was Secretary-Treasurer for S. S. No. 10, and was chairman of the School Board of S. S. No. 11. A former Director and Vice President of Metcalfe Agricultural Society, he was a charter member of the Curling Club; church warden of Holy Trinity Church for many years, and a member of L.O.L. No. 205, Metcalfe.

A venerable and respected octogenarian, Mr. Latimer reached his 84th birthday. A son of the late Mr. and Mrs. Henry Latimer, he lived on the Latimer homestead until he moved to Metcalfe in 1924. In 1894, at Metcalfe, he married Fannie Hannah, who predeceased him by four years.

He is survived by two sons, Harry and Benson, both of Metcalfe; one brother, George, in Texas; and one sister, Amelia, of Metcalfe; also three grandsons and four granddaughters.

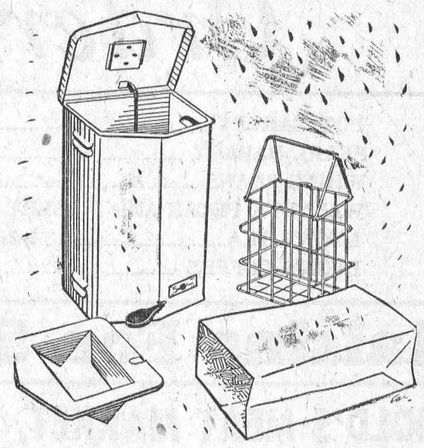
"SANIBOY"
Is A Streamlined Post-War Product NOW!



The Modern Disposal Unit For Home and Office

Saniboy ends unsanitary waste disposal. Here is a streamlined cabinet that glistens with cleanliness.

There is no solid bottom or can used in the ultra-smart Saniboy. Inside wire basket which holds paper container is "floating" in air and continuous air circulation keeps paper container dry and retards decomposition of the waste deposited.

A deodorizer checks odors which may result when other than average refuse is placed in the container.

Baked enamel finish may be wiped clean with damp cloth. Long life lustre and beauty is easily maintained.

Saniboy provides housewives and others with a measure of convenience readily apparent when features are examined

BUSINESS ANNOUNCEMENT

We have taken over the Plumbing & Tinsmith Business, conducted in Winchester by Mr. Martin Fader, and will continue to operate the shop in the east half of the Beaver Block for the present.

In addition to the work shop, we have opened up a small show-room in the Lannin Garage Block, in the room formerly known as the Bud-Tec Shop. As our stock arrives, we will place it on display in our show-room.

We will have on display, and are now booking orders for Stoves of every type, as well as the well-known line of farm equipment such as Woods' Milkers, Coolers, Grinders, etc.

It will be our aim to render up-to-the-minute service in plumbing, tinsmithing, furnace repairs, eave-troughing, roof repairing, etc.

A share of your valued patronage will be appreciated.

WINCHESTER TWP. COUNCIL

The regular meeting of Winchester Township Council was held in the Presbyterian Hall, Morewood, on Monday, April 1st, with the members all present and Mr. E. R. Summers, reeve, in the chair. The minutes of the last regular and special meetings were read, adopted and signed by the reeve.

Council was presented with a petition, signed by Wallace Cinnamon and other property owners in the Cinnamon Award Drain, asking that same be incorporated in and made a part of the Cinnamon Municipal Drain. This petition was referred to the Engineer, Mr. W. H. Magwood, for consideration and report.

The trustees of the Police Village of Morewood asked council to make application to Mr. T. W. Lee, District Engineer, for approval of the building of some 1300 feet of sidewalk in the village during 1946 at an approximate cost of $1600.00. The clerk was instructed to write Mr. Lee for his approval as soon as possible.

It was decided by Council to levy one-half Mill on all the rateable property in the township to assist in the purchase of some token of appreciation to the boys and girls of Winchester Township who served overseas. The clerk was instructed to have the necessary By-law prepared for the approval of the Department of Municipal Affairs.

The Treasurer was authorized to pay the Crossing allowances on the McLean drain which was cleaned out during 1945.

The clerk was authorized to advertise for tenders for the crushing of gravel in the Christie pit, tenders to be opened sometime in April. The Council will make an inspection of the roads on April 23rd to find out where the gravel is most needed.

The Road Superintendent was instructed by Council not to loan any of the Township snow fence or posts, but to have it all stored in a suitable place.

Council adjourned to meet in Chesterville on Monday, May 6th, at 10.30 a.m.

NOTICE!

The April Session of the Council of the Municipal Corporation of the United Counties of Stormont, Dundas and Glengarry will meet in the Council Chambers, County Buildings, Cornwall, on Monday, the 8th day of April, A. D., 1946, at 2 o'clock p.m., pursuant to adjournment from January Session .
