VOL. 79 NO. 1 — WINCHESTER, ONTARIO, THURSDAY, MAY 12th, 1966 — PRICE 10 CENTS

Open Saturday, May 14th

Ontario's famous St. Lawrence Parks open this Saturday for another record-breaking year of history and recreation. From Upper Canada Village and Old Fort Henry the sights of early Canada have come first hand for the thousands who visit the theatres of history. In more than a dozen recreational playgrounds from the Quebec border to the Bay of Quinte park lands provide recreation for hundreds of thousands each summer season.

Great Ontario Adventure Vacations in the St. Lawrence Parks system steeped in history and fun for all. At Upper Canada the fabulous re-creation of a mid-nineteenth century Canada community, self supporting and a wonder to behold. Ride the stage coach, the ox cart, the bateau; eat village made cheese, bread; watching the actual making of cheese, bread, blankets, furniture; visit the landmarks of the Village: Crysler Hall, Doctor's House, Museum of the River, the blockhouse or the Village Store; and Crysler Battlefield Park with its towering monument and the War Museum.

Old Fort Henry, known across North America and in Europe for the renowned Changing of the Guard and Sunset Ceremony that has thrilled onlookers for years. The staunch armaments and battle scarred walls that, once inside, take you a step back into the proud history of the nation.

Playground is parkland. Swim, water ski, fish, anything that is applicable to the summer season is found in the many parks of the Commission. Tenting and camping becoming the most popular family sport of the day abound in the excellent facilities of the Parks. Golfers, it is paradise at the championship 18-hole Upper Canada Golf Course where the challenge is only matched by the beauty of nature that surrounds it.

All this opens to the public this Saturday, May 14, for a wonderful and exciting summer of park days.—Parks Photo by Smith.

Scottish Girl A Charmer

Even though Scottish Young Farmer Jean Buchanan has left Dundas County for other parts of Ontario certainly her visit here gave birth to many new friendships and a better understanding of two countries closely related within the Commonwealth.

Staying with two farm families, Mr. and Mrs. John Campbell and Mr. and Mrs. Don Johnston, Jean was on familiar agricultural grounds and very much so in the Johnston home with Mrs. Johnston an elementary school teacher the same as herself. Farming, the pretty Scottish lass said, is much the same in both countries with ever increasing mechanization and automation of larger and larger farms. And with this trend comes the fact that "farming to-day is big business."

As a Scottish Young Farmer Miss Buchanan was happy to tell of her own club back in Perthshire and compare it in ways that made it sound in many instances similar to the Dundas Junior Farmers. An interesting note was that 4-H does not exist in Scotland and Young Farmers are drawn from an age group 14-26. Their field, home and recording projects are well planned and probably advance past Junior Farmer activity here and seem more a union of 4-H work at a more advanced level and Junior Farmer activities.

As a school teacher, Jean expressed her opinion that will be shared by many in Canada that teachers are definitely as professionals underpaid. Wage scales for teachers in Scotland are considerably lower than here and she felt it could not all be attributed to the higher cost of living. Similarities in the school systems are many including length of year, hours daily, grade system, and education department organization. And the children, naturally, are fascinating, wonderful and sometimes problems whether it be in a Scottish or Canadian school.

People are friendly wherever she may go and certainly the Dundas people took Jean as an old friend and there is no doubt she fitted in as one. Although she did not participate in an official Junior Farmer meeting in Dundas she did get to meet many and visited many locations of local interest. With eight fellow Young Farmers from Great Britain, she had travelled to Canada by sea and will move across the province visiting various counties and meeting many new friends and learning of Ontario and its people. Expiry date of the visit is in late July and during this time ten days free time have been alloted the delegates and Jean and an Irish friend will endeavour to make Vancouver a point of destination before their return to embarkment at Montreal.

It's a happy and exciting trip for a Scottish lass, Jean Buchanan, who even when away from home, although it doesn't really seem that far, receives mail from back there where one little boy asked her "is that where they make the Scotch Whiskey?"

May 31st Extended Coupon Deadline

Deadline for use of coupons to be used under the Federal-Provincial Adverse Weather Assistance Programme has been extended to May 31, 1966. Dundas Agricultural Representative Doug Keys in a statement issued to the Press, said the coupons will definitely not be valid on purchases made after the May 31 expiry date.

Persons making a coupon claim are reminded of regulations regarding the purchase of eligible feed. Only registered feed dealers may accept coupons on the purchase of eligible feeds. Farmers selling hay or grain to another farmer should not accept coupons as part payment. A farmer buying hay or grain from another farmer should obtain a signed receipt or statement which shows the kind and amount of feed purchased. The purchaser must have the man who sold him the feed sign the appropriate number of coupons.

The purchaser must then complete claim forms available at the Agricultural Representative's office in Winchester. Final step is to submit the completed forms, signed receipt or statement and signed coupons to the Agricultural office. The claim will then be forwarded to Toronto for final processing and the Assistance Claim will be sent directly to the farmer.

Feeds eligible are oats, barley, shelled corn, wheat, ear corn, balanced dairy or beef ration, shorts, bran, molasses or hay.

Williamsburg

Rate Jump 4 Mills Plus

Williamsburg Township taxpayers will face an increased mill rate for the first time in four years. Residential rate jumps 4.8 mills and the commercial rate 4.7 mills.

The new residential rate will be 55.3 and the new commercial rate 62.3. During the year of 1965 the Municipality recorded a surplus of $7,253.00. Main sources of expenditure in the 1966 budget of $353,473 are $198,000 for schools and $120,000 for roads.

Members of the Council passed the budget at their regular meeting Saturday in the I.O.O.F. Hall, Williamsburg. Approval was given the application of the Department of Highways for construction of two bridges on Highway 31.

Consent was given Lee Casselman to sell a parcel of land on lots 10 to 18, concession 1, to William Beckstead for residential purposes. The tender of Carlyle Brothers was accepted for construction of the Clifford Robinson Drain.

Accounts paid were: Winter Works, $679.89; Roads and Bridges, $4,613.81; Fire Protection, $13.18; Relief, $491.10; Salaries, $485.00; Audit Fees, $600.00; Grants, $50.00; Education, $278.92; Street Lighting, $180.00; Supplies, etc., $44.41.

Top 4-H Award

Linda McLaughlin, of Morewood, was top award winner at the Dundas County 4-H Homemaking Achievement Day. Linda has completed 12 4-H projects and receives provincial honours for her feat.

Presenting the provincial honour certificate to Linda is Mrs. Foster Bowman, president of the Dundas County Women's Institutes. The Homemaking clubs are sponsored by the W. I. in the various club communities.

Full report of the County 4-H Achievement Day and picture of County Honour winners can be found on page ten of this issue.—Press Staff Photo.

SCOTT ROBERTSON

Introduce Youth Into Federation

Continuing their effort to improve the work of the Dundas Federation of Agricuture and to interest more young men of agriculture in its many facets of activity, the executive has named Scott Robertson the new secretary of the Federation.

Mr. Robertson is the son of Donald Robertson of R. R. 1, Iroquois, and one of the original founders of the Federation in 1941. The Robertson men successfully operate the Robertson Apple Farm. Eric Casselman will continue in an advisory capacity for the duration of his present term and lend to the new secretary a wealth of experience and give the benefit of his leadership and experience. Mr. Casselman was the first president of the Federation and served in that position for ten years and as secretary for 15.

The directorate was brought up to date with the appointment of directors of the newly formed County Milk Committee. Douglas Irvine of the Federation and George Suffel of the Soil and Crop Improvement Association were announced as members of the ARDA Committee for Stormont, Dundas and Glengarry.

Leo Loughlin of Hallville was the recipient of the Federation's C.I.A. insurance bursary of $100 for first year at Kemptville Agricultural School. Applicants for the upcoming year are invited to enroll now. Membership was renewed in the Rural Learning Association. This organization replaces the old Farm Radio Forum. Their aim is to acquaint farm people with facts regarding accidents and make them more accident conscious.

Details of the Farm Labour Training Plan were reviewed. The Ontario department has initiated a pilot project for this type of training through the Kemptville Agricultural School. Boys 17-20 who are interested in farm work but have little or no training may enroll at K.A.S. May 16 for a two week course. Completion of the course will see their placement on farms until the end of December. They will then return to K.A.S. for more training and thence back to the farm until May 1967. Trainees will be paid $150 per month with the Department paying half. Interested persons should apply to Dundas Agricultural representative Doug. Keys, Winchester.

400 Masons Welcome Ontario Grand Master

Most Worshipful Brother James N. Allan, Grand Master, Grand Lodge A. F. and A. M. of Canada in the Province of Ontario, was the honoured guest at the largest and most impressive gathering of brothers of the fraternal organization ever held in this section of Eastern Ontario. An outstanding array of Masonic officers from across the province and officers and members of all Eastern District Masonic Lodges numbering over 400 greeted the Grand Master at the North Dundas District High School Saturday evening.

Previous to the banquet Winchester's Henderson Lodge No 383 convened to extend greetings and welcome to the Grand Master and his delegation.

MASTER'S ADDRESS

The Grand Master, in his address to the banquet, stressed the many importances of Masonry and its many beneficial aspects. "Belonging to something" is of prime importance in to-day's society and more than four million North American men are now members of the fraternal society. With this membership it is "the largest fraternal society in North America." Mr. Allan, perhaps better known as the Provincial Treasurer of Ontario, expressed his concern for "membership slightly in decline." Although the situation is not serious he felt the trend should be to growth and expanding membership. On this track he suggested the Masons had "kept our light under a bushel" and "haven't communicated" enough. More personal public relations should be introduced extolling the benefits of Masonic membership. The Grand Master referred to the original foundations of the Masonic Order and suggested now that is it not "so secretive" and the great benevolent acts of the order be publicized.

INTRODUCTIONS

Right Worshipful Brother Fred M. Cass, District Deputy Grand Master, Eastern District, toasted the Grand Master and the Grand Lodge in Ontario. Appreciation to Mr. Allan was expressed by a former District Deputy, Frank T. Shaver.

Chairman for the evening was District Secretary Harry L. Flora of Winchester. Among the guests introduced were many from high ranking Masonic officers from across the province including the former finance minister, Hon. Donald Fleming, Ontario cabinet ministers, of Health, Dr. Matthew Dymond, and of Mines, George Wadrope, Past District Deputy Grand Masters, Worshipful Masters and Senior Wardens of the Eastern and St. Lawrence District.

Elma Couple Mark 25th Anniversary

After being entertained to dinner on a recent Saturday evening by their neighbours, Mr. and Mrs. Rae Hummel, Mr. and Mrs. Donald Dillabough of Elma arrived home to find about 85 relatives, friends and neighbours had gathered to tender them a surprise party on the occasion of their 25th wedding anniversary.

An appropriate address was read by Mrs. Egerton Barkley from a lovely anniversary book. The couple were presented with numerous beautiful gifts by two sisters, Mrs. Amos Briscoe of Kitchener and Mrs. Arnold Shaver of South Mountain.

In a few well chosen words Mr. and Mrs. Dillabough both replied, expressing their sincere thanks for the beautiful gifts and to all for coming and making this anniversary such a memorable occasion.

Mr. and Mrs. Dillabough were married May 3rd, 1941, at the United Church Parsonage, Finch, by Rev. Hector Beach. Their family consists of two children, Gary, an accountant for the City of Ottawa, and Margaret (Mrs. Lee Hutt) on the staff at the Bank of Nova Scotia, Chesterville. They have one grandchild, Lorraine Hutt.

A delicious lunch was served by the hostesses, Mesdames Burrill Becksted, Egerton Barkley, Graham McPherson and Rae Hummel, assisted by several others, and a social hour was enjoyed.

Mr. and Mrs. Dillabough served the anniversary cake which had adorned the dining room table. The cake was a gift of the groom's mother, Mrs. Melvin Dillabough.

Relatives and friends were present from Kitchener, Belleville, Ottawa, Cornwall, Ingleside, South Mountain, Morrisburg, Crysler, Finch and Chesterville.

Pre-Crusade Rallies Begin

Two great pre-crusade rallies before the Lane Adams Winchester and District Crusade in October are to take place next week in Kemptville and Morrisburg. Vocalist Homer James will headline the rallies.

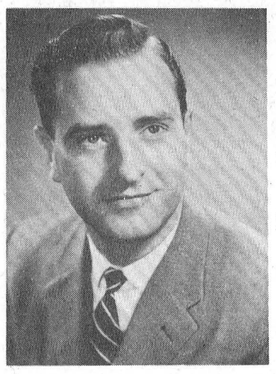
In the Kemptville High School auditorium, Mr. James will appear at the pre-crusade rally with musician of note John Innes on May 17. The spiritual musical artist will be in the Morrisburg Civic Centre the following evening, May 18th, for a similar rally. Both events are scheduled for 8 p.m.

WINCHESTER

Sunday eveining at 7.30 p.m. Winchester Wesleyan Methodist Church will host a service in the interest of the Lane Adams Crusade coming to Winchester and district this fall.

Congregational singing and guest musicians the Craig family from North Gower will be musical highlights of the pre-Crusade serivce. A film strip produced by the Billy Graham Evangelistic Association will be shown, and an offering received to aid the Winchester Crusade.

This Sunday, May 15, at 7.30 p.m. in Winchester Wesleyan Methodist Church — special Crusade service.



HOMER JAMES

NDDHS Holds Spring Prom

Last Friday night was the evening for the annual Spring Prom at North Dundas. And what a success it was! As the theme for the evening was "Bon Voyage," the entire gym was turned into a great luxury ocean liner, the H.M.C.S. Dundas. Outrigged with everything from bridges to portholes to a spacious dining room, complete with treasure maps, and manned by a crew of uniformed sailors, the ship sped the huge number of passengers through a very enjoyable evening.

When the ship finally docked, everyone was still reluctant to go back on shore.

All wanted a second voyage into the night.

Cards of Thanks — Continued

CARD OF THANKS—We wish to express our sincere appreciation to many friends and neighbours who rememered Mrs. Mary Angus with cards, treats and visits, also flowers, while she was a patient in the McDonnell Hospital, Cornwall. All was deeply appreciated and will long be remembered.—Sister and Cousins. 1p

CARD OF THANKS—I wish to express my sincere appreciation to my many friends who remembered me with cards and calls, and the kindness of all the nurses who waited on me, and to Dr. Byers and Dr. Dawson, while I was a patient in the Winchester and District Memorial Hospital.—Mrs. Euphemia Gallaher. 1p

CARD OF THANKS — I would like to take this opportunity to thank my friends and neighbours for their thoughtfulness while I was a patient in hospital. Your cards and visits were all very much appreciated. Also a word of sincere thanks to the doctors and nurses for their kind and efficient attention.—Mac Carkner. 1p

CARD OF THANKS—We wish to express our sincere thanks to relatives, friends and neighbours for their sympathy and many acts of kindness during our recent bereavement in the death of our beloved father, Donald Strader. Your remembrances in lovely floral tributes and card offerings were appreciated.—The family. 1p

CARD OF THANKS—I wish to express my gratitude to everyone who was so kind and thoughtful to me while I was a patient in the Ottawa Civic Hospital. A special thanks to my neighbours who so thoughtfully helped with the daily farm chores, as well as bringing our wood from the bush, splitting, and piling it. All was deeply appreciated. — Howard McConnell 1p

CARD OF THANKS—We wish to express our sincere thanks to our relatives, friends and neighbours who remembered us with cards, gifts and flowers on the occasion of our 25th Wedding Anniversary. A special thanks to our good friends and neighbours for arranging such a lovely surprise party, making our anniversary such a memorable occasion. Your kindness and efforts are much appreciated and will long be remembered. —Don and Hilda Dillabough. 1p

CARD OF THANKS—I wish to express my sincere thanks to my many friends, relatives and neighbours who remembered me with cards, treats and personal visits while a patient in the Winchester Memorial Hospital. To the Colquhoun United Church for the lovely plant; also to all the ministers who called. Special thanks to Dr. Robertson, Dr. Rosenquist, nurses and aids on the 1st Floor for the kind attention given me. These kindnesses will long be remembered.—Mrs. Kenneth W. Gallinger. 1p

IN MEMORIAMS

FLEGG—In loving memory of a dear wife and mother, Mrs. J. Wesley, Flegg, who suddenly passed away May 10th, 1965.
Sometimes it's hard to understand,
Why some things have to be;
In His wisdom God has planned
Beyond our powers to see.
Looking back with sweet memories,
Upon the path you trod;
We bless the years we had with you,
And leave the rest with God.
—Sadly missed by husband and family. 1p

HARPER—In loving memory of a dear husband and father, Willis Harper, W.W. 1 Veteran, who died on May 10th, 1965.
In life, loved and honoured;
In death, remembered.

Spring is busting out all over!
But it's not the only thing that "bust". Farm accidents happen in the spring too . . . in overhauling implements . . . in getting stock out of the barn and onto early pasture . . . and in working the land again after a long winter.
Farm hazards exist in all seasons! That's why you need year-round protection agaist the costs of accidents.
And that's what you get with CIA's FARM FAMILY PROTECTION PLAN.

Public Schoolers Become Foresters

Grade Seven students at Winchester Public School turned foresters last week as they travelled to the lands of the South Nation River Authority to plant thousands of small trees in a reforestation conservation project.

The public school tree planters were instructed in their new art by a representative of the Department of Lands and Forests, and after a few turns with the shovel and placing the trees in the turned soil and firming them in place the new trick became old hat.

Bussed to their present location, the students completed a hard morning's tree planting and then plodded to their bus again for a tired but happy ride home to good old W.P.S. and an afternoon of routine school work.—Press Staff Photo.

Organize South Carleton Softball

A Metcalfe and District Lions Club sponsored softball team was accepted as a new entry in the well-known South Carleton Softball League, at the annual meeting held in Manotick.

Alf. Taylor of North Gower was re-elected president for another term, and in his acceptance speech pointed out that this league was the oldest in the Province of Ontario with records dating back to 1927. Mr. Taylor stressed the possibility that the League had operated a few years before records were kept.

Keith Russell of Russell will serve another year as vice president, and Jack Armstrong of Manotick will continue as secretary-treasurer.

Entries in the league this year will be from Manotick, with two entries, Osgoode, Russell, Leitrim, Kemptville, North Gower, Metcalfe, and an entry from either Munster or Stittsville.

Play will get underway on or about May 20th, with a double schedule to be completed by August 6th.

Plans were made for an all-star game to be played at Metcalfe in July. The revenue from this game to be kept in trust and used in the event of a player being injured and in need of financial help.

The Metcalfe entry will play their games on their new diamond on the Fair Grounds which only last fall was equipped with floodlights.

The Lion members hope their efforts in bringing top-flight ball to the area will be rewarded with the complete co-operation of all sportsminded citizens in the district.

4-H Calf Club

Dundas Agricultural Representative Doug Keys was on hand for the organizational meeting of the Winchester-Chesterville - Morewood - Williamsburg Calf Club. Requirements of membership were discussed and books and pamphlets on clubs handed out. A film illustrated the various types of 4-H gate signs.

The club will be led by Stuart Leyenaar with vice president Hugh Garlough, secretary Allison Coons and press reporter Lynn Johnstone.

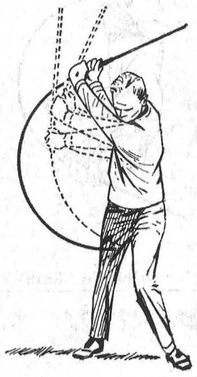
THE ARNOLD Palmer Method

by GOLF'S 4-TIME MASTERS WINNER

PULL DOWN WITH LEFT HAND



A crucial point in any golfer's swing occurs early in his downswing. Here the golfer must quickly return his weight to his left side. His wrists must remain hinged, or cocked, if he is to produce maximum clubhead speed during impact.

To start your downswing properly, you should feel that you are pulling your left hand more or less straight down towards the ground (see illustration).

Actually the path your hands take on the downswing (dotted line) should be within the arc they took on the backswing (solid line).

Pulling down with your left hand at this point in your swing will help you shift your weight back to the left side and will also help insure that your wrists do not release from their hinged position prematurely. Longer, straighter shots will result.

Those UFO's

It is most comforting and very reassuring to have a space scientist of the eminence of Sir Bernard Lovell of Jodrell Bank fame assure us that unidentifed flying objects are all fragments of meteors or just plain figments of the imagination—the stuff of science fiction rather than science.

Scientists, he says, have been able to explain every UFO they have ever investigated.

Summing up a recent memory of some sky shennanigans that happened in the last few weeks — but perish the thought—how about the ones they haven't investigated?

Heads, Hearts And Hands . . . In The Service of Others

More than one million persons will be admitted to Ontario's active treatment hospitals this year. To many, this might seem a staggering number for a province of about seven million people. To others more closely associated with the hospital picture in Ontario, it only mirrors the heavy burdens our hospital people meet with efficiency, day in, day out, as they care for the sick in this province.

This year in Ontario, some 84,000 hospital employees, plus another 16,000 part-time employees, will be combining their time, their talents and their training in more than 220 public hospitals, with almost 48,000 hospital beds. By the year's end, 14,200,000 total days of hospital care will have been provided for both adults and children.

More than 150 competent and highly trained persons staff the Winchester District Memorial Hospital and with the more than fifteen doctors and various specialists that associate with the instituton, are dedicated in giving the best possible medical attention avialable. The hospital last year handled over 31,000 days of hospital patient care admitting 2,776 persons. These numbers in all departments will increase greatly with the present expansion planned for the institution.

National Hospital Day, May 12, is a special opportunity for all of us to reflect on the fine work being done by our hospitals and the people who serve in them. It is also appropriate to remember those who serve so diligently in our interests without pay: the 3800 trustees who guide and govern the affairs of our community hospitals, and the 70,000 women of the hospital auxiliaries, who have become such an integral part of the modern hospital.

The theme of this year's National Hospital Day — "Heads, Hearts and Hands . . . In the Service of Others," acknowledges the role being played by all these people. They, as the guardians of community health, are ensuring that the hospital patient in this province is receiving the best medical care possible.

It is perhaps too much a truism to say that in the past 100 years we have seen tremendous changes in medical research and knowledge. Just recently a revolutionary surgical operation in the United States left a man functioning with an artificial heart. Other sweeping changes in modern medical technology in recent years have perhaps obscured what is still the paramount truth: that the individual remains the key to the quality of our hospital care.

It is no coincidence that on May 12 we also commemorate the birth of Florence Nightingale, the uncompromising "Lady With The Lamp," who, more than 100 years ago, established vigilance and devotion to duty as the same transcendant qualities we find today in the professional hospital worker.

From the doctor who visits the patient in the ward, to the kitchen worker who helps prepare his meals; from the trustee who ensures high hospital standards to the community volunteer who works and serves to make these standards higher, we can be justly proud of our hospitals and our hospital people. Truly, here are close to 200,000 heads, hearts and pairs of hands in Ontario, all engaged as a "team" in the service of others — you, and me, and our families. Ontario residents should spare a moment on May 12 to salute them — they're a winning team.

Same Old Story

Canada's Capital, Ottawa, a city renowned for beautiful driveways along the scenic Rideau Canal, streets and roads through the various federal properties and the NCC with landscaped surroundings that please the eye of resident and visitor alike, make all Canadians proud of their capital city and its many scenic splendours.

We wonder how all Canadians, if they had to enter the capital city via Highway 31 and Bank Street South or after setting down in a huge jet at Uplands along the airport road, would feel about the supposed showplace of the nation. How these two arteries that must play a very great part in the transportation systems of the city can be ignored by civic offiicals is beyond comprehension. Why they would let these arteries deteriorate to such a low standard is a question better left unanswered.

The Highway 31 entrance, as people from the south of the city so very well know, has been a disgrace to a nation's capital for seemingly an eternity. A few years ago a spanking new four lane highway was extended out from the city limits to a point several miles south of the city to funnel incoming traffic into a maze of potholes and shoulderless roads that are shaped like half moons. Just a few years ago, too, Uplands International Airport was officially opened and after a short stretch of excellent but narrow road a driver comes to jolly good old fashioned gravelled and rough thoroughfare. My, isn't it wonderful to visit the nation's capital of rough roads.

It seems to be an annual plea from the valley to the city fathers to at least bring these thoroughfares up to a reasonable state of repair. Out in the country people understand growing pains and that certainly the city people up top wouldn't want to waste any money on building a new road that would just have to be torn up in six months or a year for some new development. That just couldn't happen —or could it?

A suggestion might be a big band-aid over a scraped and bruised elbow so it would at least be presentable until the expanding giant sees fit to graft a new skin over it. As the nation's capital, it seems Ottawa should have some responsibility to the rest of the nation.

Sugar and Spice

by Bill Smiley

This Family Taxes Us All

All across Canada these days, municipal councils have been wrestling with the arch-villain of all time, a mysterious monster called The Budget.

Although he is made up from a combination of concrete things like sewers and schools and streets, The Budget himself is an abstract thing. He is like The Devil. You can't see him or hear him or even smell him. You can't really understand him, but you know he is there: a blind, malignant creature that cannot be controlled.

You can fight him — and get a bloody nose. You can hammer at him, chisel at him, chop at him — and all you get are a broken hammer, a dull chisel and a blunted axe.

The Budget is like an octopus. He grows bigger every year. His appetite increases, his tentacles become longer and stronger and more strangling as he grows. And when you try to come to grips with him, he exudes a cloud of black (or red) ink which obscures him from view.

Of what ingredients is The Budget composed? Really, he's a two-headed monster, a regular Siamese twin.

On the one hand, it is just a big bundle of sugar and spice: new schools; new industries; a new library or community centre; wider streets; better lighting, sewage disposal and snow plowing. Progress, culture, civilization, comfort. At first glance it appears that The Budget is the most desirable thing man has dreamed up since The Devil.

And on the other hand, he is snags and snails and puppy-dog tails. That's what little towns are made of. And big towns too.

And the reason for all this, of course, is that The Budget, this big, ugly, unmanageable brute who is impervious to human feeling, fell in love, by some chemical accident, while a mere hulking lunk of a boy, with a girl called Milly Rate. Most of us know her as Mill.

She is just as unprepossessing as her husband. She is steely-eyed, relentless, unscrupulous and absolutely without mercy, charm, pity, looks, or any of the qualities we normally associate with that lovely creation known as the female of the species. I have known Mill Rate since she was a girl, and I am here to state, without apology, that she is a pig.

It's difficult to believe that such a union could produce progeny. But it did. His name is Taxes.

Taxes' career has been about what you would expect from such parents. He was an unpleasant child from the beginning. Unwanted, unloved, rejected at every turn, whiney, demanding.

He hasn't changed much, except that he's grown. He is now a big slob, over-fed, underworked, menacing if he doesn't get his allowance right on time, sulky if some of it is held back.

But he has a lot of promise. Around election time. He's going to cut the lawn, and wash the car, and paint the trim and smarten the old place up so you wouldn't know it.

But somewhere along the line, something goes haywire. He cuts the trees, paints the lawn, and washes the lake, and figures, after one year, that his allowance is not big enough.

For some reason — and it certainly isn't his winning personality — Taxes has become the most-talked-about man in town. Mayors develop dyspepsia, councilors coronaries, when they try to deal with this delinquent.

They can't quite handle him. He talks so glibly of government grants on outdoor toilet systems under the winter works program, and potential pot-holes in the roads, and (with a heart-rending sob) of the people on welfare, that he bamboozles councilors with eyes like agates, and mayors with hearts of granite.

All I can say is that the municipal councils have my blessing as they strive to cope with Taxes, out of Mill Rate and The Budget.

Meditations . . BY REV. CECIL W. TUININGA

Matthew 28:20: "And lo, I am with you alway, even unto the end of the world."

In the opening words of Scripture we are given man's early history. There we read of his glorious beginning as the crown of God's creation but there we read also of his wicked rebellion against God, by which the whole world was plunged into the ruin of sin. God, Who cannot lie, had forewarned Adam and Eve, declaring, "But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die." Adam and Eve ate of that forbidden tree and died. Of that act the apostle Paul wrote "Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned."—Romans 5: 12. In other words, the whole world is involved in Adam's sin and all are dead in him, as the apostle declares it, "by one man's offence death reigned" and "by one man's disobedience many were made sinners."—Romans 5:17-19.

All of mankind's woes and miseries have their origin in that fall of Adam. Men have become wicked and depraved, and except they are again by faith restored to God's fellowship and become His children, they remain in the bondage of sin and death and are children of the devil. For in the fall man has become a child of the devil, having made an alliance of friendship with him. But in Christ Jesus that enmity is broken, as the Lord declares it, "And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and shalt bruise his heel."—Gen. 3:15. God sent his Son to break man's alliance with the devil and to deliver him from the power of the devil. It is through the coming of Christ to suffer and die for unworthy sinners that enmity is made, and enmity wrought of God. It is the great work of redemption that God is working out that separates man from man and brings division, for all who believe and serve God are hated by those who refuse to believe and continue as servants of sin, in bondage to the devil. For that reason the true Church of God has always been persecuted.

Our Lord promised believers a life of persecution. He said concerning all his disciples, "And ye shall be hated of all men for my name's sake: but he that endureth to the end shall be saved"—Matt. 10:22, and "In the world ye shall have tribulation; but be of good cheer; I have overcome the world."—John 16:33. So the apostle Paul affirms also when he says, "Yea, and all that will live godly in Christ Jesus shall suffer prosecution." — 2 Tim-3:12. Persecution and true godliness can never be separated. Our Lord teaches that this is the believer's portion and blessing, for He says, "Blessed are they which are persecuted for righteousness sake: for their's is the kingdom of heaven!"—Matth. 5:10. Since believers may despair or be tempted to compromise when under trial, our Lord has given them encouragement in the promise "I am with you always." He will see us safely through.

"And you'll stay in the basement until you learn how to be a good sport!"

The Seventh Column

Seems every young fellow comes through the age of "bee bee guns," "pea shooters," "rifles," and "bows and arrows." Excepting the "bee bee" and "pea shooter" menace they warrant some consideration. In our opinion there is very little place, if any, in our way of living for "pea shooters" and "bee bee guns." They are damaging weapons if handled indifferently, and more often than not they are handled this way, and they offer next to nothing in the way of training for the young person who owns one or both. But take a rifle or a bow and arrow and you have a different situation. Different, at least, if the young person using it has been given some instruction and is supervised by a responsible adult. Neither should be allowed in the hands of the young lad without the aforementioned conditions. On the other hand, young people can be trained to become expert marksmen and the time to start is when one is young. These weapons are great sport, but we urge extreme caution in their use until the young owner has matured enough to be allowed out on his own. Parents have an important role to play here. If they ignore it they are flirting with real danger and the results may be tragic. It's worth more than a little thought.

The Winchester Press has not reached the "over 90" plateau as yet, but this week it does start on its 79th year of publication. A lot of water has flowed under the bridge in those years, or better, a lot of paper has been fed through the presses. In a jet age of automation and computerized equipment this newspaper has maintained a program of change and advancement second to none in rural Canada. To-day The Press is probably one of the most modernly equipped small town plants in the province. It also continues to be the largest and most read weekly newspaper in the area. With an ever increasing number of subscribers and advertisers, the newspaper today blends a combination of news, pictures and features aimed primarily at support of and interest in the town and district served. At the same time the commercial printing plant associated with this newspaper has kept pace and today this department of the business is growing by leaps and bounds. A combination of modern equipment and experienced personnel helps make all of this possible. But the publishers are aware of the support afforded them from a wide area, and to this end will continue their printing and publishing business with a basis of sound operation, integrity and service.

With not enough nights in the week and a timetable that looks more like a half-finished jig-saw puzzle, we managed to take in the big Masonic banquet at North Dundas District High School last Saturday evening. And we are glad we did! It was a most enjoyable and most impressive evening. More than 400 members of the Masonic lodge from the Eastern District, and for that matter from across the province, were on hand to help District Deputy Grand Master Fred M. Cass and a host of dignitaries extend a warm welcome to the Grand Master of the craft in Ontario, James N. Allan. Of course, Jim Allan is known to almost all residents as the senior member of the provincial cabinet who presently holds down the key post of treasurer. But this was not a political meeting, although there were many, many well known members of parliament who are also active in North America's largest fraternal organization, in attendance. It was an evening of fraternal fellowship, of good food served so expertly by the Winchester and Finch Eastern Star chapters, of friendly conversation and of good speech making. We agree with Grand Master Jim Allan who intimated in his address that the Masonic Lodge has too long "kept its light under a bushel." The Masonic Lodge has long been an organization of much well being for others — but with very little publicity because of its strict constitution and its secretive rites. Too few people realize the great worth of this organization. They know it only by the ring on your finger or by the guessing game of what goes on behind those closed doors. This is not to suggest that all of this be changed. Indeed, the Masonic lodge, because of its high order and constitution, could not exist as it does and should if it became an organization primarily of promotion and public relations. But changes for the better can be made without seriously altering the ceremonial and constitutional life of the mason. Changes, we suggest, in the more social and welfare phases of the lodge. Changes, too, which could stimulate a renewed vigor in the life of a great fraternity which must continue to exist.

A complacent attitude or a failure to fully understand what OMSIP offers has necessitated an extension in the deadline date for enrolling in the province's new medical services plan. In this week's issue of The Press there appears a large OMSIP advertisement back to back on two pages. May we suggest that you read this advertisement, investigate the costs and use the enrolment form which appears with the ad. This is a good medical plan and offers many benefits which normally may not be offered elsewhere at the same cost.

Dundas - Grenville Presbytery

Rev. W. J. March Elected Chairman

Rev. W. J. March of Morrisburg was elected chairman of the Dundas-Grenville Presbytery of the United Church of Canada at the regular session in South Mountain. Rev. J. Leslie Dean, of Iroquois, was re-elected secretary-treasurer. Chairman Rev. A. Crooks constituted the meeting after host minister Rev. William Black conducted worship. 21 pastoral charges were represented.

Robert Martin of Iroquois was elected as Lay Representative to Conference Executive. Rev. D. J. Carnegie of Prescott and Mrs. Stewart Allen of Cardinal were elected as Presbytery representatives on the Conference Settlement Committee while Rev. R. G. Percival and E. B. Dangerfield of Kemptville were elected as representatives on the Presbytery Men's Council. Elected as nominations to Conference for Commissioners to General Council, meeting next September in Waterloo, were Rev. W. J. March and Mrs. Arthur Woodland, with Rev. L. M. Ferguson and Mrs. D. J. Cooper as alternates.

UPCOMING CHANGES

Rev. W. H. Baugh, reporting for the Home Missions Committee, declared that twenty of the twenty-one pastoral charges received Official Presbytery visitation during 1965. As a result of these visits, it was determined that the amalgamation and redistribution of many of the 49 United Churches within the Counties of Dundas and Grenville were becoming more and more urgent, in this age of easy communication and year round open roads. In this connection a complete and rather drastic list of recommendations was presented to the Court and referred to the Executive for consideration, to be presented for full discussion at a later meeting of Presbytery.

U.C.W. EXECUTIVE

Executive of the United Church Women Presbyterial met at the same time and the two meetings joined for lunch in the Church Hall. At the luncheon table W. Myron Redmond of Montreal spoke on behalf of the Conference United Church Men. He announced the Conference Men's Forum to be held at Macdonald College June 3, 4 and 5, and urged the attendance of men from this Presbytery. Mrs. Arthur Woodland thanked the ladies who served lunch.

Evangelism and Social Service, reported by Rev. D. W. Chappell, introduced to the Court, W. D. Keys, Agricultural Representative, Dundas County; P. H. Girard of the Special Planning Secretariat responsible for co-ordinating the Federal War on Poverty; Dr. Catherine Cook, Sociologist, and M. Timonin of the Economic Council. These people, in addresses, questions, answers and general discussion outlined the approach being made in Rural Areas throughout the land to the question of poverty and economic problems. From this discussion it would appear that far reaching developments are in store for the rural areas. Other sections of the report emphasized the importance and opportunity for all churches to participate fully in the Lane Adams Evangelistic Crusade to be held this October in Winchester for the area. Rev. J. L. Dean outlined the present requirements and urged all churches to complete the forms required by the Central Office immediately.

Mrs. Allan Hanna, President of the Presbyterial United Church Women, reported that their annual meeting in Morrisburg on March 23 with 200 in attendance had as their guest speaker Miss Ann Ward, Secretary of the Board of Women for the United Church in Canada. Other speakers were Rev. L. M. Ferguson and Rev. D. Chappell.

CAMPING DATES

Rev. G. W. Howse reported for Christian Education and Camps. Area meetings for Hi-C Groups will be held during the last week in June at Kemptville, Iroquois and Chesterville, with an all day Rally at Spencerville. Rev. L. M. Ferguson, reporting for the Camp Committee, announced that Camps at Rideau Hill will be held on the following dates: Junior boys, June 30 ot July 7; Intermediate boys, July 11 to 18; registrar for boys' camps, Lloyd Mussell, Spencerville. Junior A girls, July 20 to July 27; Junior B girls, July 29 to August 5; Intermediate girls, Aug. 8 to Aug. 15; registrar for girls' camps, Miss E. Fennell, Winchester. Camp Sunday will be on June 12, with Rev. M. M. Ulonska as guest speaker.

Information from Rev. M. M. Ulonska on World Missions stated that India was the area of major concern at the present time. A large number of field workers and missionaries are needed for the overseas requirements of the church.

Rev. D. J. Carnegie, stated that many changes will be taking place this summer, due to ministers and students moving to other pastoral charges. Slated for a change in pastoral oversight are, Cardinal, Merrickville, Easton's Corners, Winchester Springs, Shanly, Bishop-Oxford. Presbytery approval was granted to Rev. James Stewart of Brinston for a short leave of absence this summer to attend Pine Hill Divinity College at Halifax for a summer course. Approval was granted also to Rev. D. W. Chappell for a more extended leave of absence to take post graduate studies at Yale University.

Rev. L. M. Ferguson said the 1965 Missionary and Maintenance report showed a slight decrease in givings for the Presbytery. A total of over $40,000 was contributed by the pastoral charges in Dundas-Grenville Presbytery for the wider work of the church across the world. All pastoral charges in the Presbytery are self-supporting so all missionary givings are available for the extensive work of the church in many areas. The total givings to missionary work by all pastoral charges across the United Church last year amounted to just over $11,000,000.

The report of the Courtesy Committee was given by Mr. E. R. Donaldson of Merrickville. He thanked the committee conveners for arranging a most interesting and informative presentation of the work and witness of the church; the Minister and Session of South Mountain United Church for their welcome to the Court and the use of their facilities, and to the Chairman and Secretary for their work in conducting the business of the Court.

Bewitching and lovely Fran Jeffries stars with Elvis Presley and Mary Ann Mobley in "Harum Scarum" May 12-14 at The Winchester Theatre. Miss Jeffries is part of a plot to involve the singing American knight in an assassination. Sheik Elvis is at his best in this week-end color attraction at The Winchester.

THE MEMBERS REPORT

From Toronto by Fred M. Cass

The House still was engaged for another week in debate on Health Department estimates and the Metropolitan Toronto Bill. After a great deal of newspaper discussion and debate on the House, the Metro Toronto Bil was amended by the Government with respect to representation of Toronto City on the Metropolitan Council and the rather controversial Bill now appears ready for acceptance.

A great deal of time and a flood of words spent on the present scarcity of hospital beds for active treatment patients in Ontario. Undoubtedly there is a deficiency but the rise in the cost of construction and equipment of a hospital from some $5,000 per bed of a few years ago to around $25,000 or more per bed to-day with similar increases in daily operating costs has made it most expensive to provide additional beds. And judging from the opinions expressed on all sides of the House and the official statements by the Minister and O.H.S.C. officials, this trend will continue upwards. So at present there does not seem to be any quick solution to this problem. Similar problems as well as lack of qualified staff beset our mental health institutions and when one looks at the tremendous financial demands for educational institutions, equipment and staff, it is easy to see why progress in other areas has perforce been slower than could be wished by everyone.

Normal House Committee meetings, party caucus meetings and routine House legislative action — second reading of bills, discussion of them in Committee of the whole House and introduction of new legislation including amendments of The Registry Act, The Land Titles Act, The Police Act and many others, fully occupied the time of the House which is now sitting from 2 p.m. to 6 p.m. and Monday, Tuesday and Thursday evenings.

From Ottawa by Mrs. Jean Wadds

Amendment to the Supply Motion this week was made by Gordon Fairweather, Member for Royal and former Attorney General of New Brunswick.

Gordon is a big, bluff, friendly fellow, well educated, son of a judge, extremely well read, eager and intelligent. He has always participated in Parliamentary activities; has travelled with Government Committees and is working hard at extra curricular French lessons.

Gordon has a famous sense of humour and is one of those who enlivens most gatherings with some droll comment.

He spoke forcefully on Capital Punishment, in favour of abolition of the death penalty, although many of his close friends in Parliament were voting and speaking otherwise.

There's never any doubt of Gordon Fairweather's courage and honesty. The Amendment was made more effective by the fact that he presented it. He said: "The engines of smear, once started, are hard to stop. The habit of scandal is hard to break. These are days when we should be asking whether there is in fact a decline in the integrity of public life . . . It is in this context, Mr. Speaker, that I deplore what we have been about. Because I am one who believes that talk should be followed by some action, I propose, seconded by the Hon. Member for Brandon-Souris (Mr. Dinsdale) amending the motion that is before Your Honour as follows:

That all the words after "that" be deleted and the following substituted therefor: "This House strongly deplores and condemns this Government's actions in having the R.C.M.P. provide information to the Government as to the past conduct of all Members of Parliament generally, a course of action which would destroy the independence of all Members and undermine the institution of parliament."

The vote was a heavy one and the Prime Minister was upheld by the determined loyalty of his Party and the hypocrisy of some of the splinter party members who talked one way and voted another for their own political reasons.

Whatever his reasons for not recording his vote, one of the most effective speeches in support of Mr. Fairweather's motion was made by Andrew Brewin, NDP from Greenwood, Toronto. Mr. Brewin said: "In November 1964 the present administration was under bitter attack. The Prime Minister was naturally hurt by revelations of this sort affecting people he trusted. Under those circumstances, for him to ask the Royal Canadian Mounted Police for reports on his own colleagues was both natural and proper. But, Mr. Speaker, when he went further and asked for files and information on other Members of Parliament of all parties relating to any misconduct or scandalous matter over the past ten years, I suggest, if this is a fact — unfortunately we have no explanation of this matter at the moment — that the Prime Minister was yielding to the ugly mood of the moment, the mood of counter-attack by improper methods. If this was his purpose, and so it appears, in our submission he was demeaning the function of the Royal Canadian Mounted Police to that of a political police force." . . . "One of the principles of this House and of every parliamentary institution, I suggest, is that secret police reports shall not be used or threatened to be used against anybody. If anybody wants to make a charge let him make that charge in the courts and have it dealt with in that way."

The unusual divisions showed the serious doubts in the minds of Parliament.

The Conservative motion on the vote was supported by 12 members of the splinter parties, including such respected members as Tommy Douglas and Stanley Knowles.

Announce New Egg Price Support Program

Details of a new price support program for eggs have been announced by Agriculture Minister J. J. Greene. The program is for the 12-month period ending next September 30.

Reflecting the trend to larger laying flocks in Canada, the program provides price support for a higher proportion of Grade A Extra Large, Grade A Large, and Grade A Medium size eggs marketed by a producer. The maximum amount of eggs for which a deficiency payment may be made has been raised to 10,000 dozen per producer from the previous ceiling of 4,000 dozen.

Producers marketing a minimum of 500 dozen eggs during the 12 months will be covered by the program which provides a support price of 34 cents per dozen for the first 4,000 dozen, and 31 cents for each additional dozen up to the maximum of 10,000.

Egg prices have been supported at 34 cents per dozen for the past three years. Total cost of a 4.3 cents per dozen deficiency payment for the 1964-65 support year is estimated at $1.8 million.

In addition to marketing at least 500 dozen eggs, a producer to be eligible for a deficiency payment must be registered with the Agricultural Stabilization Board and must have sold eggs through an approved grading station, or be a registered producer-grader selling directly to retail outlets.

TOWNSHIP OF MOUNTAIN
FINANCIAL STATEMENT
For The Year Ending December 31st, 1965

THE REEVE, MEMBERS OF THE MUNICIPAL COUNCIL AND RATEPAYERS,

CORPORATION OF THE TOWNSHIP OF MOUNTAIN

GENTLEMEN:

I have made an examination of the books of account and supporting records of the Corporation of the Township of Mountain and its constituent Boards for the calendar year ended December 31, 1965. From this examination I have prepared the Statements listed on the attached Index, which I now present together with my comments thereon:

COMMENTS

My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

CORPORATION:

Following is a summary of transactions in the Surplus or Deficit Accounts during the calendar year ended December 31, 1965:

I recommend that the Reserve for Working Funds continue to have annual provisions made until this Reserve is approximatly equal to the taxes outstanding at the year end.

I note that all of the Minutes of Council were not signed by the Clerk and Reeve, and I would again recommend that all Council meeting Minutes be signed by both the Reeve and Clerk.

AUDITOR'S OPINION

Subject to the qualifications contained in the foregoing comments, I hereby report that in my opinion:

(1) The financial transactions which have come under my notice have been within the powers of the Municipality.

(2) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.

(3) The financial statements present fairly the financial position of the Municipality as at December 31, 1965, and the results of its operations for the year ended on that date.

Vernon W.M.S. Ladies' Aid Joint Meeting

Mrs. James Cameron and Mrs. Leonard Cameron were joint hostesses to eighteen W. M. S. members on Monday evening. Preceding the meeting a few ladies came early and joined Mrs. James Cameron in quilting a Ladies' Aid quilt — and appreciation was expressed to Mrs. Cameron for having the quilt put up in her comfortable room, and pleasure at her being able to take part in the meeting.

To set the tone of the meeting the president, Mrs. William Dow read a poem, "In Thee Do I Put My Trust." Mrs. Albert Hill used the theme, "The Larger Hospitality" for the devotions and read two poems, "God's Garden" and "My Mother's Legacy."

Announcement was made of the June Presbyterial on June 5th at Gloucester Presbyterian Church, and the World Church Missions in Knox Church on May 28th. Mrs. Albert Hill will be hostess for the Home Helpers' meeting in the church auditorium on June 13 when Dr. E. G. B. Foote will speak on "Messians at Large."

It was decided to use $25.00 of the proceeds of the money made at the booth at a recent sale for a Life Member—the balance to go to the expense fund.

Mrs. Ed. Lanous capably presented the programme which was a well condensed paper on the topic, "Called For The World" from the Study Packet.

LADIES' AID

A record—"Beautiful Isle of Somewhere," a tenor solo—was greatly enjoyed at the opening of the Ladies' Aid meeting with Mrs. Audrey Stewart in the chair and Mrs. Harold Cowan as secretary.

An invitation was received to attend a meeting of the Women's Auxiliary to be held in the Baptist Church on May 30th when Hon. Fred M. Cass will be the guest speaker.

The length, width, price and quality of curtain material for the church auditorium took up most of the discussion period. The purchasing committee will be able to report on this at the next meeting.

Mrs. Wilbert Duncan moved a vote of thanks to the hostesses and the lunch committee, and to Mrs. Ian Crerar who made the birthday cake for the president's birthday.

Gordon Boland Heads Lions At Metcalfe

Gordon Boland is the newly elected president of the Metcalfe and District Lions Club.

Other members of the Lions executive are vice presidents Mitch Owens, James Rowan and Donald Bleeks; secretary, Robert Rowan; and treasurer, Roy Porteous. Club directors are Ken Miller, Archie Stewart, Gordon Morrow and Fred Overdulve.

Installation of officers takes place in June.—Press Staff Photo.

Vernon Baptist Mission Circle Meets

Afternoon Group of the Baptist Women's Mission Circle met at the home of Mrs. R. A. Campbell, Vernon, last Wednesday with 10 members and four visitors present.

The president opened the meeting with a touching meditation entitled "Beulah Land," after which all joined in singing the old familiar hymn.

Articles made for White Cross work are ready and Miss Jessie Robertson said Mrs. Craig would help her with the packing, and Miss Elizabeth Stuart volunteered to help pay expenses.

Mrs. Jas. Ferguson, treasurer, reported $600 sent to the Missionary treasurer which is an increase over last year. Food parcels from both Circles are to be sent to India in June.

Members were reminded to keep dates May 25 and 26 open for the Convention to be held in First Baptist Church, Ottawa. Any one is free to go and special speakers will be worth hearing.

In the absence of Mrs. Howard, the topic "French work in Quebec City and surrounding district" was given by Mrs. Bowen. There are two English Canadian and three French Canadian leaders, who are dedicated Christians with no guarantee of salary. The Youth Centre is being supervised by Mr. and Mrs. Chas. Foster. Literature work is done from door to door and this opens up the way for an experienced missionary to follow. Support would be appreciated. There are 115 boys and a trained housemaster at Feller Institute.

Following a season of prayer, roll call was answered by names of missionaries in India. The meeting closed with prayer, and refreshments were served during the social hour.

To Observe 92nd Birthday This Saturday

Miss Rebecca Wallace, a resident of the Davidson Rest Home, Russell, but formerly of Kenmore, will celebrate her 92nd birthday on Saturday, May 14th.

Her twin brother, Benjamin A. Wallace, died just one month ago, but she also has a sister, Annie, Mrs. M. F. Lacell of Hamilton, a brother, William, of Russell, and another sister, Lena, Mrs. Jas. Carkner of Ottawa. It is hoped she will enjoy a birthday party with her family.

Morewood 4-H Club Organized

Morewood 4-H Calf Club will this year again meet under the leadership of William Smirle.

Ronnie Thompson was installed as president of the Club at an organizational meeting. Wilmer Porteous is vice president, Mary Casselman secretary, and Frank Casselman press reporter.

50th Anniversary At Dixon's Crs.

Mr. and Mrs. Stanley Adams of Dixon's Corners recently celebrated their 50th Wedding Anniversary and were extended best wishes by many relatives and friends who came to call at their home.

The anniversary couple were married by the late Rev. A. S. Clelland on April 26, 1916 at the home of the bride's sister, Mrs. Arthur Adams, at Mainsville.

Celebrating with their parents were the Adams' three children, Irwin of Mainsville, Delmar of Dixon's Corners, and Mrs. John Haldane (Irene), of Iroquois and their families that include the couple's twelve grandchildren.

Messages of congratulations were received from Rt. Hon. John G. Diefenbaker, Mrs. Jean Wadds, M.P., Fred M. Cass, M.P.P., and Mrs. Cass. The Ontario Government forwarded a commemorative scroll to the Adams' to mark the happy occasion. Many beautiful gifts and cards were also received.

Touring Europe

Miss Joan Rombough, of Russell, and Miss Judy Cedar, Ottawa, left on Wednesday for a three weeks' tour of Europe. While there they will visit Joan's sister, Mrs. Fred Wall in Stoehofen, Germany, and friends in Vienna, Geneva and London.

County Judge Orders Twp. To Pay Costs Of Limerick Bridge

County Court Judge G. E. Brennan ordered Winchester Township to pay for demolition and re-building of the Limerick Bridge, and told a sub contractor, A. E. Simpson, that the difficulties over payment could have been avoided if proper contract procedure had been used.

Township hired Sirotek Construction for the demolition and re-building project. As general contractors the company sublet removal and excavation to another contractor, Simpson who in turn sub-let to Sullivan Brothers of Chesterville. Removal and excavation were completed in September 1963 and sub-letter A. E. Simpson Construction billed.

William Gorrell, Q.C., counsel for Sullivan Brothers in the civil action, claimed Simpson failed to pay the amount estimated in the contract and had withheld over $1,000. Judge Brennan ruled payment to be made in the amount owing.

Simpson firm claimed non-payment from Sirotek, and Sirotek non-payment from the Township. Township claimed willingness to pay but departmental confusion and contractual discrepancies prevented so doing.

OMSIP enrollment period extended to May 16th

Ontario Health Minister Dr. M. B. Dymond has announced that residents of the Province may still receive full Ontario Medical Services Insurance Plan coverage and benefits by July 1st providing they enroll in the Plan before May 16th.

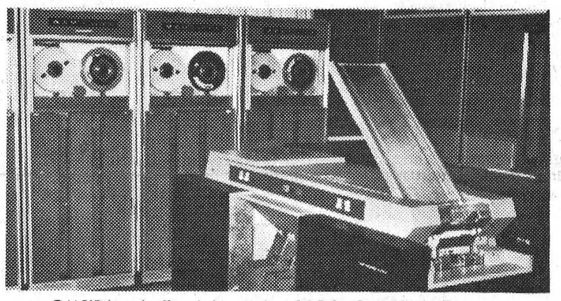
"The Plan is a success," declared the Minister. "The number of applications received already cover more than 1,100,000 of our citizens."

Dr. Dymond added, however, that a large number of residents had indicated they would join OMSIP but for a variety of reasons had been unable to send in their application in time. The OMSIP open enrollment period has therefore been extended by two weeks in order that these persons may qualify for coverage from the day the Plan goes into effect on July 1st.

"The May 16th deadline is final," added the minister. "This enrollment deadline cannot be extended any further because it takes time to process such a flood of applications even with the most modern equipment available."

The extension of the open enrollment period means that those residents who have already enrolled, and those who enroll before May 16th, will be protected by OMSIP, beginning July 1st.

Ontario residents who enroll after May 16th will have to undergo a minimum three month waiting period before they are entitled to OMSIP coverage and benefits, said Dr. Dymond.



OMSIP head office is located at 135 St. Clair West, Toronto. Applications are already being processed by modern micro-photo methods and computers.

OLD AGE PENSIONERS

Many old age pensioners have automatically been enrolled in OMSIP but most must fill in and submit an application.

Those who will get automatic coverage are pensioners who are presently receiving benefit under The Ontario Old Age Assistance Act, or those pensioners who have been declared eligible for coverage by the Ontario Department of Welfare. These pensioners have already received their OMSIP registration cards.

All other pensioners must complete and submit an application to receive OMSIP coverage.

If you have not received an OMSIP registration card, or have not already sent in an application form, you must apply before May 16th for coverage when the Plan starts on July 1st.

Notification of acceptance to be sent out shortly

People who have already enrolled in OMSIP need not apply a second time.

Dr. Dymond stated that their applications are now being processed, and their notification will arrive in the mail very soon.

OMSIP BENEFITS

OMSIP provides practically all physicians' services as benefits including:

- Doctor visits in the home, office or hospital.
- Diagnosis and treatment of illnesses and injuries.
- Diagnosis, pre-operation care and treatment, surgery and post-operation care.
- Obstetrical care, including pre-natal and post-natal care effective from the date of enrollment.
- Anaesthesia and X-rays for diagnostic, surgical and other procedures.
- Treatment of fractures and dislocations.
- Certified specialist services at established rates when you are referred to the specialist by your doctor.
- Certain dental surgical services performed in a hospital.

NOTE: OMSIP will not pay for the cost of hospitalization. OMSIP is an additional service, not a substitute for Ontario Hospital Insurance. You will still require coverage by Hospital Insurance.

OMSIP IS VOLUNTARY— APPLICATION IS NECESSARY

OMSIP is a voluntary plan and you can cancel your membership at any time.

The government, however, can only cancel memberships in the case of misrepresentation, misuse of services, non-payment of premiums, or 3 months after a member has ceased to be a resident of Ontario.

If you fill out this application and mail it *now*, you will be eligible for OMSIP coverage beginning July 1st. Otherwise you will have to wait a minimum of 3 months for your coverage to begin.

Since these applications have to be recorded with a micro-photo machine, please print carefully and plainly with a ball point pen only.

SEND YOUR COMPLETED APPLICATION FORM TO
OMSIP, P.O. BOX 1700, TERMINAL A, TORONTO
if required, additional application forms are available from any bank, or from OMSIP, 135 St. Clair Ave., West, Toronto 7.

Following the business period the meeting closed with a hymn, followed by prayer by Rev. J. J. Hibbs.

N. G. McIntosh Dies At Cornwall

The death of Noble George McIntosh, widely known in this district as "Tobe" McIntosh, came as a shock to his many relatives and friends in this district where he was born. Mr. McIntosh died in the Cornwall General Hospital after a brief illness. He was in his 76th year.

Born at South Mountain, he was the son of the late Franklin McIntosh and his wife, the former Emma Hanes. He resided in this district where he received his education, and when he was a young man, 22 years of age, he had the misfortune to fall off the roof of the barn at their home which injured his back to such an extent that it left him an invalid for 54 years. Despite his years of suffering and distress, he was widely known and highly regarded throughout the hospital area for his cheerful disposition and pleasant manner to all those around him. He was a patient in the Stor-Dun-Glen Lodge since its opening and was possessed with a wonderful memory. He was always trying to make other patients around him happy, and all regret his passing.

The body rested at the Armstrong Funeral Home, South Mountain, where the funeral service was held and conducted by Rev. William E. Black, pastor of the United Church.

Left to mourn are, one brother, Harry (Len) McIntosh, of Stockton, California; three sisters, Mrs. Robert Brandt (Lillian), of New Jersey; Mrs. Robert Urquhart (Emma), of Ottawa, and Mrs. John Eichner (Addie) of Iroquois, together with several nieces and nephews. One sister, Mrs. James Boyd (Drettie), South Mountain, predeceased him several years ago. Mr. McIntosh was never married.

Burial was made in the family plot in South Mountain Union Cemetery. Rev. W. E. Black conducted the committal service. Pall-bearers were Arnold Gilroy, Lloyd Montgomery, Frank Berry, Gordon Mulholland, Roy Berry and Frank Gilroy.

The many floral tributes and donations and those who called to pay their last respects showed the high esteem in which the late Mr. McIntosh was held.

Legislation approving the Ontario Medical Services Insurance Plan—OMSIP for short—was passed in the Ontario Legislature on Feb. 18th of this year. Coverage commenced April 1st for social assistance recipients. Coverage will begin July 1st for those who have already enrolled, or who enroll now before May 16th.

Many qualify for full or partial assistance

OMSIP PROVIDES COVERAGE REGARDLESS OF AGE, INCOME OR HEALTH

OMSIP has been established to provide adequate insurance coverage for the payment of doctors' bills, and to make this coverage available to all Ontario residents regardless of their age, income or state of health.

Enrollment in OMSIP is voluntary.

The Plan is intended for individuals and their families and does not provide group coverage. (Group coverage is where a number of individuals collectively purchase insurance through their place of employment, union, etc.)

Everyone who has lived in Ontario for the past 3 months is eligible to join, except those who are entitled to physicians' services under another Act.

Members are free to choose their own doctor. If a member travels outside the Province, and requires care, OMSIP will still pay the doctors' bills up to OMSIP established rates.

People who find they cannot continue to pay for all or part of their OMSIP contract because of unemployment, illness or disability, may apply for temporary assistance in paying their fees.

Since the aim of OMSIP legislation is to provide adequate medical insurance for Ontario residents, full or partial premium assistance is available for those who require it.

Automatic fully-paid coverage

Many residents and their dependants have automatically received fully paid coverage under OMSIP. These are people who are already receiving benefits under the following Acts:

- The Blind Persons' Allowances Act
- The Disabled Persons' Allowances Act
- The General Welfare Assistance Act
- The Mothers' Allowances Act
- The Old Age Assistance Act
- The Rehabilitation Services Act

Automatic fully-paid coverage is also provided for old age security pensioners and their dependants declared eligible for coverage by the Ontario Department of Public Welfare.

Fully-paid coverage on application

People resident in Ontario for the past 12 months and who had no taxable income in 1965 get full assistance.

This means if these people make out their application form now, before May 16th, they will get OMSIP protection, fully paid for by the government, starting this July 1st.

In addition, many who have been resident in Ontario for the past 12 months will be eligible for partial assistance, depending on their taxable income and number of dependants. (See below).

DO YOU QUALIFY FOR PARTIAL ASSISTANCE?

Yes, if you are a single person and your taxable income in 1965 was $500 or less.

Complete cost	$60.00
Government pays	30.00
You pay ($7.50 every 3 months)	30.00

Yes, if you have one dependant, and if together your total taxable income in 1965 was $1,000 or less.

Complete cost	$120.00
Government pays	60.00
You pay ($15.00 every 3 months)	60.00

Yes, if you have a family of 3 or more, and if your family's total taxable income in 1965 was $1,300 or less.

Complete cost	$150.00
Government pays	90.00
You pay ($15.00 every 3 months)	60.00

What is taxable income?

Taxable income is the amount of your income upon which you pay tax after exemptions for dependants and other allowances have been deducted.

Hulbert U.C.W.

The May meeting of Hulbert U.C.W. was held at the home of Mrs. Frank Beckstead on Wednesday evening, May 4th, with a good attendance. The president, Mrs. Sam Keyes, opened the meeting with a reading from the book, "Bring Your Friends To Church." Mrs. Donald Sullivan gave the theme, "Mother's Day," and scripture was read by Mrs. Keith Flegg. Readings were given by Mrs. D. Fawcett and Mrs. D. Sullivan, and prayer offered by Mrs. C. Mellan.

The minutes were read by Mrs. Lorne Mellan, secretary, and roll call answered by 14 members. It was decided to use the "travelling apron" as a means to aid funds. A get-well card was signed for Mrs. Andrew Thorpe.

Surprise Party Held On 25th Anniversary

On Tuesday evening, May 3rd, on the 25th anniversary of their mariage, Mr and Mrs. Bruce Barkley were entertained at a surprise party by their sons and relatives, with about 25 attending.

Mr. and Mrs. Barkley were married at the Presbyterian Manse in Spencerville by Rev. H. P. Maitland. Mrs. Barkley was the former Audrey A. Hunter, daughter of the late Mr. and Mrs. Charles E. Hunter of Pleasant Valley, and Mr. Barkley is the son of the late Mr. and Mrs. Adam Barkley, Elma. Their attendants were Miss Lou Hunter and Mr. Brock Barkley.

An address was read by Miss Edna Hunter and the couple were presented with a lovely wedding cake and several beautiful gifts including a purse of money.

Following the singing of "For They Are Jolly Good Fellows" a social hour was enjoyed. In charge were Mrs. Kenneth Hunter, Mr. Donald Barkley, Mr. Charles Barkley and Mrs. Milton Barkley.

On Friday evening, May 6th, the neighbours and friends of the community gathered at their home to congratulate and wish them many more years of happiness. An address was read by Mrs. Don Morrell, and Mrs. Harold Harkness and Mrs. Victor Riddell presented them with a pole lamp and chair. Lunch was served and the evening was spent in games.

Hostesses were Mrs. Don Morrell, Mrs. Kenneth McGowan, Mrs. Grace Strader and Mrs. Victor Riddell.

Mahlon Edgar Beckstead Dies In District Memorial Hospital

Mahlon Edgar Becksted passed away in Winchester Memorial Hospital on April 22nd. He was born on December 12, 1876, the eldest son of the late Mr. and Mrs. Alex Becksted. He married the late Mina Burton of Osnabruck on September 11, 1901, who predeceased him in 1950.

A lifetime resident of Becksted Road, near Williamsburg, he was in fairly good health until a year ago.

Surviving are a son and two daughters, Burton at home, Mrs. Wilfred Carruthers (Laura) of Elma, and Mrs. Stanley Shay (Alice), of Chesterville. Surviving also are two brothers and a sister, Simion of Brockville, Fred of Elma, and Mrs. Nora McPherson, R. R. 1, Williamsburg; six grandchildren and 16 great grandchildren.

Funeral service was held from Vice and Craig Funeral Home, Chesterville, to Elma United Church with Rev. D. W. Chappell in charge. Favourite hymns of the deceased were sung, "My Times Are In Thy Hand" and "The Lord's My Shepherd," and a choir selection, "Face To Face."

Interment was in Maple Ridge Cemetery. Pall-bearers were Harold Feeley, Frank Todd, Harold Merkley, Allan McKenzie, Hyndman McMillan and Donald Dillabough.

Dundas 4-H Achievement Day County Honours Awarded

Ten Dundas Homemaking Clubs with 137 members held their Achievement Day in Morrisburg on Saturday. The event marked the conclusion of the spring project, "Accent On Accessories."

It was an especially important day for one Provincial Honour winner, Linda McLaughlin, of the Morewood club. This marked the completion of 12 4-H Homemaking projects for Miss McLaughlin.

Recipients of County honours, marking the completion of six projects, were: Patsy Ace and Wanda Scott, South Mountain; Judy Pringle, Chesterville; Wendy Carruthers, Morewood; Janet McCargar, Mountain No. 1; Cheryl Dennison, Colquhoun; Pamela Anderson, Winchester No. 2; Martha Cinnamon and Orma Docksteader, Winchester No. 3. Certificates of Achievement were presented to several members completing projects and each leader and member who successfully completed the project was presented with a sterling silver 4-H Homemaking Club teaspoon.

An attractive display of hats, scarves and purses greeted over fifty interested visitors for the afternoon program. The Chesterville and Mountain No. 2 clubs presented exhibits entitled "Accessories Around The Clock," with Elaine Sauve and Betty Lou Loughlin commentating respectively. Linda Thompson of Morewood and Lois Flegg of Matilda were commentators for their club exhibits, "Accent With Accessories." "Accessories for a Basic Costume" was the topic for exhibits placed by the Winchester No. 2 and Mountain No. 1 clubs, with Francis Swerdfeger and Wendy MacDonald giving the commentaries.

A demonstration "Details Are Important," was presented by Carol Hart, Nancy Hart, Lynn Swerdfeger, Glenda Burton and Cheryl Dennison of Colquhoun. Several members of South Mountain club entertained the visitors with a skit, "Accessories for Various Occasions." The last presentation was "How to Care for Accessories" with Cathy Stewart, Orma Docksteader and Judy Hodgson of Winchester No. 3.

The Achievement Day was directed by Mrs. Alison Murray County Home Economist, assisted by Miss Ruth Shaver, Director of Home Economics at Kemptville Agricultural School, and Miss Michelle Tremblay, County Home Economist, Rockland. The 4-H Homemaking club leaders assisted throughout the day. The clubs and leaders participating in the spring project were:

Chesterville, Mrs. B. McIntosh and Mrs. A. Johnston; Colquhoun, Mrs. C. Dennison; Matilda, Mrs. B. Shaver and Mrs. D. Smail; Morewood, Mrs. Jack Barnett and Mrs. A. Koolwine; Mountain No. 1, Mrs. John Clark and Mrs. Franklin Milne; Mountain No. 2, Mrs. Hugh Blaine and Mrs. H. Desjardin; South Mountain, Mrs. R. W. Nelson and Mrs. P. Meerakker; Winchester No. 1, Mrs. R. Johnstone and Mrs. Robert Dawson; Winchester No. 2, Mrs. G. Durant and Mrs. R. Annable; Winchester No. 3, Mrs. M. Aitchison and Mrs. W. Stewart.

Blind Receive OMSIP Data In Braille

Blind readers of the Braille Courier were sent the pamphlet on the Ontario Medical Services Insurance Plan in braille. This was done through the courtesy of the Library Department of The Canadian National Institute for the Blind.

The braille booklet which includes a word for word copy of the OMSIP pamphlet and the application form comprises fifteen pages of braille, size ten by thirteen. It may be bulky but it permits blind people to read for themselves and at their own pace the benefits available to them through OMSIP.

The Braille Courier is a magazine produced by the Library Department of the CNIB and is free to any blind person who can read braille and wishes to receive it. It consists of articles from leading Canadian publications as well as articles of direct interest to the blind. There is also a News supplement and a supplement of recipes "for the housewife."

3-Room Addition For Metcalfe Separate School

St. Catherine's Separate School in Metcalfe will have eight classrooms when a new three-room addition just contracted is complete. Work on the addition by Metcalfe contractor Gordon Morrow is to begin immediately.

In September St. Catherine's will have a new principal, Andrew McKinley, presently at Spencerville. Incumbent principal Miss Madeline Bourbonnais will remain on the teaching staff.

Committee Officially Names Monkland

Recently the Canadian Permanent Committee on Geographical Names confirmed the spelling of Monkland. During the last fifty years at least this has been the locally used spelling, and it was in this form that the police village was erected on October 28, 1932.

When a post office was first established there in 1854 it was called Roxborough. Eight years later it was renamed Monckland in honour of Viscount Monck who was Governor General from 1861 to 1868. In 1889 the post office was changed to Monckland Station, although the station was established by the CPR two years earlier as Monklands. The latter name may have been taken from the vice-regal residence of Canadian governors from 1844 to 1849, and which became a convent in 1854. Viscount Monck himself was not associated with Monklands.

For the last 33 years we have had three official names: Monckland Station, the post office; Monklands, the railway station; and Monkland, the police village.

There has been several references to the fact that the community once went by the name of "muck land." Possibly the citizens in the 1860's regarded this as rather derisive and, noting the similarity with the name of the Governor General, adopted his name.

Field investigation by Robert Brault of St. Lawrence High School in Cornwall in 1963, and by Alan Rayburn of the Geographical Branch, Ottawa, in 1965 confirmed that locally the spelling "Monkland" was preferred.

A survey this past winter by the Post Office Department revealed that the patrons favoured Monkland and it has issued instructions to effect the change. The CPR has advised that the change from Monklands to Monkland will become effective on Sunday, April 24.

Great Ontario Adventure Vacations

Land Between The Lakes

From Pelee Island to Tobermory, a Land between the Lakes Adventure Vacation takes you to several different worlds. Children revel in London's Storybook Gardens. You marvel at the spectacular chemical complexes of Sarnia, and Canada's first full-scale nuclear power plant at Douglas Point. Thrill to living theatre at the annual Stratford Festival. Walk among bounteous crops of fat red tomatoes, choice tobacco and golden corn. Sample the variety of the lakes themselves—Lake Huron and Lake Erie. Boisterous surf tumbles in on long flat beaches. Safe sandy shallows lie beside a thousand tree-sheltered campsites. Secluded bays afford fine fishing for Smallmouth Bass and Perch. Water skiing, canoeing, or just cruising around in the sun—the Land Between the Lakes offers all of these. Plus lots more of interest and enrichment for your whole family. Start planning now for a Land between the Lakes Adventure Vacation. Mail this coupon today.

DuPont To Build At Morrisburg

Dupont of Canada will definitely be building a plant at Morrisburg although the nature of the plant or the starting date cannot be released at the present time. Morrisburg Chamber of Commerce annual meeting was glad to hear the good news.

F. S. McCarthy, a vice president of the company, pointed out the long detailed preparation for such a plant of such a chemical nature and said some preparatory work had already been completed. He referred to a railway siding built primarily to serve Seaway Chemicals but also the Du Pont need.

He spoke to the Chamber annual of the "Technological Revolution." We are moving, he said, into a new kind of civilization of which the motive forces are science and technology, which permits fewer people to make more goods. This technological revolution brings with it rapid changes in social institution and the moral, religious and aesthetic aspects of life.

He continued with a hard hitting informative speech that concluded "We have learned to subdue nature and transform the world, whether we can transform ourselves remains to be seen."

YES! we've gone MAD, MAD, MAD, all in 1 big night
