75 Blood Donors At Local Clinic

The response to the appeal for Red Cross Blood Donors was very gratifying last week, when seventy-five Winchester and distrtict citizens donated their blood at the Clinic. held in the local United Church Sunday School Hall.

Dr. J. J. McKendry and Dr. H. S. Gross tested and examined the donors and found few rejects.

Another clinic will be held here in the near future and it is hoped the response to the appeal for donors will be even better than it was at last Tuesday's Clinic.

Donating a pint of blood once every three months is no sacrifice if you are in good health, and when you stop to consider that a number of the finest young men in this district have given their lives for you—it's the least you can do for the boys "over there."

The list of Blood Donors was as follows— Tom Shaver, Wm. McRoberts, Mrs. Marion Ault, Mrs. Ella McDonald, Victor Barton, Clara Sullivan, David Monteith, Gordon Monteith, Mrs. Henry Lennex, Eldon Fennell, Gordon McDonald, Mrs. Evelyn McIntosh, Fred Fawcett, Arnold Dukelow, Paul Sanders, Samuel Keyes, Mrs. Beatrice Wilson, Lorne Mellan, Mac Ellis, Lyle Sullivan, Keith Flegg, Roy Wylie, Wm. J. Fawcett.

Mrs. Mabel Gervan, Clinton Berry, Edna Swerdfeger, Mrs. Robt. Bellinger, Norma Guy, Mrs. Jessie Summers, Carl Bryan, John Milne, Oscar Milne, Andrew Rose, Ross Durant, Douglas Johnston, Clifford Wylie, Mrs. S. A. Gillespie, Mrs. Elsie Gibbons, Mrs. Jake Empey, Mrs. Grace Hutt, Mrs. T. W. Robinson, Mrs. Mabel Nelson, Mrs. Pearl Froats, Mrs. Wm. McVey, Mrs. Maude Robertson, Mrs. Anne Carkner, Howard Summers, Wm. J. McVey.

Mrs. Madeline Cook, Mrs. Grace Hogaboam, Mrs. Percy Carkner, Victor Thoms, Mrs. Helen McIntosh, Wm. R. Helmer, Irwin Holmes, Mrs. Blanche Hyndman, Jas. A. Hyndman, Kenneth McIntosh, Thomas Holmes, F. W. Hyndman, Murray Holmes, Garnet Halpenny, Robt. Robinson, D. L. Berry, Lila Hughes, Donald Hummell, Lyle Pitt, Harold Hess, David Patterson, Eva Cumming, Norman Hunter, Roy Hastings, Matt. Other ladies who assisted were—Mrs. Jake Empey, Mrs. R. Todd, Mrs. S. Coons, Mrs. H. Fetterly, Mrs. C. Robinson, Mrs. Alex Summers, Miss V. McConnell, Mrs. Carl Rice, Mrs. Wm. Servage, Mrs. L. Porteous.

During the day, Miss Annie Walker provided music.

C. C. F. CANDIDATE NOMINATED FOR GRENVILLE-DUNDAS

James Shortt, of Cardinal, was officially appointed C. C. OBITUARY

LATE MRS. W. A. SHAVER

Vancamp lost one of its most highly esteemed residents in the passing of Mrs. William A. Shaver on Thursday, October 12th, after a brief illness.

The late Mrs. Shaver was a daughter of the late Daniel A. Bryan and Christena Hall, and lived her entire life in Mountain Township. Had she lived until Sunday, she would have reached her eighty-seventh birthday. Her husband, the late Wm. A. Shaver, a son of Reuben Shaver and Lucy Beach, predeceased her 18 years ago.

The late Mrs. Shaver spent a life of activity, devoutly assisting in every way possible to promote every worthy enterprise. Her chief interest beyond her home was centred in the Vancamp United Church where she was a lifelong member. At an early age in life she attended the Sunday School with her parents, and through the years her interest never waned. The church shall miss her loyal support and kindly interest.

Mrs. Shaver is survived by three daughters and six sons, namely: Mrs. E. Brown, Inkerman; Mrs. Arnold Suffel, Inkerman; Mrs. Archie McIntyre, Toronto; Russell, of Edmonton, Alta.; Ernest, of Bourlamaque, Que.; Harold, of St. Thomas, N. Dakota; Frank, of Ottawa; Daniel, of Vancamp, and Ira, at home. A son, Clifford, paid the supreme sacrifice in the 1st Great War.

The funeral was held from her late residence on Saturday, October 14th, to the Vancamp United Church, where the service was conducted by her pastor, Rev. G. S. Gervan. The large gahering assembled was a silent tribute to a life well lived. Interment was in Vancamp Cemetery. Many floral offerings testified to the high esteem and respect held for the deceased.

LATE HAROLD A. HUTT

Taken to the Pembroke General Hospital on Friday night, suffering from a fractured skull, Harold A. Hutt, 58, a C. N. R. conductor, of 156 Arlington avenue, Ottawa, brother of Mr. Neil Hutt, of town, died early Sunday morning. Mr. Hutt sustained his injury when he fell while going down the cellar stairs at the home of G. Romhild, 506 McKay street, Pembroke, where he was spending the evening.

Dr. J. C. Bradley, coroner, stated that an inquest will be unnecessary.

Mr. Hutt, who had been employed with the C. N. R. for the past 33 years, was born at Berwick, the eldest son of the late Charles Hutt, of Cornwall, where his step-mother now resides.

A member of Bell Street United Church since moving to Ottawa, he also was an elder of that church for some years. Mr. Hutt was actively associated with St. Andrew's Lodge, No. 560, A. F. and A. M., in Ottawa, and was a member of the Brotherhood of Railway Trainmen. Lodge 185.

Surviving in addition to his widow, the former Edna Mae Servage, whom he married in 1913, are his stepmother; a son, Lloyd O. Hutt, at home; one daughter, Mrs. John Wilfred L., of Morewood, and John T. Hutt, of Metcalfe; and two sisters, Baker (Edith), of Ottawa; three brothers, Neil A., of Winchester: Mrs. Emerson Vice, of Drayden, and Mrs. Edna Shaver, of Osgoode.

The funeral service was held in the chapel of Hulse and Playfair Ltd., 315 McLeod street, Ottawa, on Wednesday afernoon at 2.30 o'clock, conducted by Rev. F. J. Vowles, assisted by Sqdn. Ldr. the Rev. A. O. Lloyd. Burial was made at Maple Ridge Cemetery.

A Masonic service was conducted at the funeral parlors on Monday evening at eight o'clock by St. Andrew's Lodge.

CELEBRATES GOLDEN WEDDING

Mr. and Mrs. Zerney Harper, highly esteemed residents of the Toyes Hill district, celebrated their Golden Wedding Anniversary at their home on Wednesday, October 18th. Present with them for the occasion were their eleven children and their families, namely, Illion, a veteran of the Great War, and family, of Richville, N. Y.; Delbert and family, of Ogdensburg, N. Y.; Della (Mrs. Neil McKee) and family, of Cardinal; Howard and family, of Toyes Hill; Arnold and family, of Brier Hill, and Herbert and family, of Ogdensburg; Fred and Bert and family, of Iroquois; Gerald, of Morrisburg; Elva (Mrs. Robt. Cregmile) and family, and Dwaine, at home.

A feature of the celebration was a dinner, at which all members of the family were present for the first time in many years. The children's gift to their parents was a beautiful Studio Couch.

Having resided at Toyes Hill for nearly 40 years, Mr. and Mrs. Harper were honoured by their many neighbours and friends, who presented them with a chest of Silver. They were also the recipient of many oher gifts, cards, letters and messages of congratulations.

Following the dinner, Mr. and Mrs. Harper and their family were surprised when their son, Fred, announced that he had chosen his parents' Golden Wedding Anniversary for his marriage to Miss Edith Box, of Ottawa. The family were all invited to the Wesleyan Methodist Church Parsonage, Winchester, during the afternoon, where the marriage was performed by Rev. D. W. Summers. Following the ceremony, a buffet luncheon was served and the young couple left on a honeymoon trip to Ogdensburg and other points in the U. S. A.

Besides the groom's family, Mr. and Mrs. Box, of Ottawa, parents of the bride; Mrs. Crozier and daughter, and a girl friend of the bride, were present at the Wedding Ceremony.

Mr. P. S. Boyd Addresses 100 Club

"Can We Live Tomorrow By The Rules of Yesterday?" was the topic of an interesting address, delivered by Mr. Perley S. Boyd, of Chesterville, guest speaker at the 100 Club Luncheon, held in the local Town Hall last Friday evening. Introduced by Centurian Harry Flora, the speaker reviewed conditions prior to the outbreak of war, the change that has taken place during the war, and what the boys on active service overseas would expect in the post-war years. Mr. Boyd paid tribute to the boys who had paid the supreme sacrifice, and urged all to remember their deeds.

Regarding the boys who will return home after the war, the speaker said they would return with a different attitude toward life. Some will return, broken in heart and mind. All will expect to be given an opportunity to re-establish themselves in security and comfort—they will not expect to have everything dished out to them on a silver platter, but they will expect, and are entitled, to an opportunity to enjoy comfort and security in the post-war years.

The signing of the Peace Treaties will not settle all our post-war problems, said Mr. Boyd. The new order of things, of which we hear so much about these days, will have to be dealt with. This new order is not only the government's business, but the responsibility must be shared by all. The smaller communities, as well as the larger centres, must do their share in post-war work. The greatest, noblest and best memory we can erect to those who have died and those who will return is to prepare ourselves individually to assist in re-establishing our boys. The wounds of war must be healed. A humbug world is not the kind that will bring about better conditions for which millions have suffered and died, said Mr. Boyd.

The "cease fire" order will not eradicate all the causes of war, continued the speaker. We will still have such things as hate, fear, revenge, suspicion, etc. The weapons with which to fight these are common decency and humanity. We must all have a will for peace ond must strive to maintain the principles which will sustain peace. During his address, he urged all to support the new Victory Loan Campaign.

Mr. Boyd, who is a veteran of World War I, was recently retired from R.C.A.F. service, owing to ill-health. He held the rank of Flight Lieutenant and was stationed at Dunnville for over two years, where he was station adjutant.

Appreciation for Mr. Boyd's fine address was voiced on behalf of the Club by Centurian Leroy Boyd.

President Albert Johnston presided during the meeting, with Centurian Chester Robinson as secretary. Visitors present included Rotarians L. David and Dr. Hutt, of Chesterville; Dr. McIntosh, formerly of Montreal; Messrs. K. A. Cockburn and J. Eamer, of Cornwall; Cpl. Bill Harrison, recently returned from overseas, and Reg. Workman. They were all extended a hearty welcome by the president.

Centurian Chester Timmins led in the usual sing-song, with Centurian John Burke at the piano.

During the business session, the secretary was instructed to send a letter of sympathy to the families of Lieut. Ed. Annable, Lieut. Carl Barriger and Pte. Dwight Durant, all of whom had paid the supreme sacrifice recently while on active service overseas.

Centurians Rowat Elliott and Andy Suffel were reported on the sick list, and the president expressed the hope that they would soon recover from their illness and be able to attend the Club meetings in the near future.

Centurians Erle Helmer and Nelson Dixon conducted a prize-boost on behalf of Centurian Hart Melvin, who had donated 8 quarts of motor oil as prizes. The winners were: Mr. Cockburn, Mr. Eamer and Centurians Flora and Ault.

Centurian Harold Lannin suggested that the Club prepare a public honour roll of all local boys who were serving in the Armed Services, and have it erected at some prominent spot about town. This could be illuminated at night and would act as a memorial. It was decided to take this matter up at another meeting.

Following the guest speaker's address, talking pictures were screened by Messrs. Cockburn and Eamer, in support of the Seventh Victory Loan, and were thoroughly enjoyed. They were actual pictures taken during the American invasion of New Britain, a Japanese stronghold in the Pacific, and gave the audience a general idea of the nature of Jungle warfare.

The supper was catered to by the following ladies of the Red Cross Committee: Mrs. Mary Bowden, convenor; Mrs. Wm. Servage, Mrs. Leonard Porteous, Mrs. Raymond Summers, Mrs. Howard Fetterly, Miss Eleanor Hitsman and Miss Eileen Bolton.

W. S. Stamp Sales

This week the sales of War Savings Stamps at the school amounted to $20.00, a slight improvement over last week's total of $16.50. The record to date stands at $43.25 for one week's sales. Come on, students, if we can reach that amount once, we can do it again—in fact we should be doing that much and better every week.

H. S. Rugby.

The W. H. S. Junior Rugby Team won another victory over Kemptville Juniors last Friday. Although the visitors used two of their senior players, Winchester won the game easily by a score of 17-5.

Noted Minister and Soloist Visited School.

On Monday afternoon, the school was honoured by a visit from Rev. John Lucas, of Toronto, and Madame L. H. Jones, Internationally-known soloist, both of whom have been conducting a special series of services in Winchester for the past two weeks. Rev. Mr. Lucas is a graduate of McMaster University. His lecture was thoroughly enjoyed by the students, and Madame Jones' two solos were a rare treat.

INTERESTING LETTER FROM OVERSEAS

Mr. and Mrs. Albert Casselman received the following interesting letter from their son, Spr. Verdun Casselman, a few days ago:

Belgium, Sept. 19th, 1944

Dear Folks:—

Just a few lines to-day to let you know I am well and getting along fine. Hope this finds one and all the same. Haven't heard from any of you since July. Our mail has a hard time catching up with us as we have been advancing so fast across France, and didn't have much time to see anything. This is a nice country, and so far the people couldn't be better. It's the nicest place that I have been in yet. The towns and cities are spotless. It's just one big garden, is the nearest I can explain it. The wooden boots look funny but they all wear them. I can understand their language fairly well, as it is something like German.

I got 300 cigarettes from the Legion today. In case I don't get a chance to drop them a line at present, tell them that I received them.

One of my pals got killed last Sunday. We worked together at the mine. No doubt you remember me talking about Joe Chapman. He was one of the best that ever walked. I felt pretty blue about it, but it's just one of those things that happen in a mixup like this.

How goes everything over that way? I presume plenty busy these days. If everything goes well I should be home by next spring or summer for a leave at least. No doubt when this is over we will have to go east to fight the Japs.

Before I forget it, my address on the paper and those cigs. that came from the Legion isn't quite right. They have "V" instead of "B" on my number. The postal authorities wrote on the package to have it corrected. So if you have a chance, get it corrected.

Well, I must close with best wishes to one and all. As ever, Verdun.

KILLED IN BELGIUM

Word has been received at Mountain that Pte. Wiliam Sydney Cable, of that place, was killed in action in Belgium on September 25th. He was a member of the local platoon of S., D. & G. Highlanders (R) when it was first organized. Later, he joined the active service forces, and went overseas last June. He leaves a wife, who resides at 316 Gladstone Ave., Ottawa, and two daughters, Lynn, aged three, and Sandra, one year old. His father was killed in the First Great War and his mother resides in Wales, England. Pte. Cable came to Canada when quite young. For six years prior to going overseas, he worked for Mr. Wilson A. Hoy and other farmers in the Mountain district.

Usefulness is doing rightly by yourself and others. We lose a percentage due to our activity when doing the work that belongs to another.—Mary Baker Eddy.

$27,300 Invested In Victory Bonds Here In First Two Days

Canada's Seventh Victory Loan opened on Monday, with a minimum objective of $1,300,000,000. Of this amount, the Winchester and District quota is $160,000. Up till Tuesday night, local salesmen and the Royal Bank reported sales totalling $27,300. This is considered a good start and it is hoped that the sales will continue at the same rate until the campaign closes. If it does, this district will go over the top with a bang.

Sales for the first two days here were as follows: E. R. Summers, $15,350; Mrs. C. R. Robinson, $3,300; W. J. L. Boyd, $2,350; Allen Summers, $300; Royal Bank, $6,000.

Some of the above salesmen, whose totals are low, had not really got started at the job until yesterday, and will make a much better showing next week.

The Counties' objective is $3,400,000 and up until Tuesday night $152,250 in Bond sales was reported. This amount, however, did not include Winchester's sales, which would bring the total near the $160,000 mark.

Victory Loan Show Here On November 4th

Arrangements are being made to hold a Victory Loan Show in the local Town Hall on Saturday evening of next week, November 4th. An admission of 25c will be charged, with the entire proceeds going to the Red Cross Society.

The show will take the form of Talking Pictures, featuring "The Attack," two authenic films of the Americans' attack on New Britain Island. These films were taken during the actual invasion of this Japanese stronghold, and will give all who see it a real knowledge of how wars in the jungles of the East are fought against a treacherous enemy.

Other films to be shown include "The Shining Hour" and a number of shorts.

In addition, it is expected a young man recently returned from overseas will give the audience a description of the London Blitz as he saw it.

This will make a fine evening's entertainment, and will be educational for all. Tell your friends about it and plan to attend yourself. Further particulars will be published in next week's Press.

FEED NEWS

CORN

The order restricting the use of Corn for feeding purposes has been lifted.

We can now offer it for sale and also use it in our Mixed Feeds.

The Corn we have in stock is excellent quality—clean and dry.

It sells at $2.65 whole and $2.75 ground.

CORN IN LAYING MASHES

When many of the large poultry feed manufacturers took Corn out of their feeds because of its high cost, we continued to use it until the Corn order went into effect a few months ago. By using Hominy Feed, a Corn by-product, and an additional amount of Vitamin A, we have been able to keep the quality of our feeds up to their usual high standard.

Since restrictions have been lifted, Corn is again an ingredient of X-L-O and XXX Laying Mashes.

No change in price—X-L-O Laying is $2.80 and XXX Laying is $2.65.

SOYBEAN OIL MEAL

Soybean Oil Meal is a high protein feed produced in the process of extracting oil from Soybeans.

Many improvements have been made during the past few years in Soybean Oil Meal. As a result, the present product is regarded as one of the best of all protein feeds.

With 44% protein and selling at $3.00, Soybean Oil Meal compares favourably with other feeds in cost per unit of protein.

	Protein	Price	Cost of 100 lbs. Protein
Oilcake Meal	38%	$2.30	$6.05
Fish Meal	70%	4.50	6.43
Soybean Meal	44%	3.00	6.82
Gluten Feed	25%	1.85	7.40
Distillers Grains	22%	1.75	7.95
Meat Meal	50%	4.00	8.00
Bran	16%	1.40	8.75

Reports from practical feeders as well as experimental stations all show that Soybean Oil Meal is one of our most useful and economical protein feeds for Dairy Cattle, Poultry or Pigs.

Customers around town please remember that our delivery days are Tuesday, Thursday and Saturday. Orders to be in before four o'clock on those days.

A DANGEROUS GUESSING CONTEST

The probable date when cease fire will sound in Europe is important to us because almost every one in this country has a vital interest in the ending of hostilities. Given the approximate date, families of men overseas can begin to estimate the time which must elapse before they receive their loved ones back home again. Labor has an additional interest in the date, in planning for the transition period overlapping war production and the new production of peace time goods. Business men, who must plot the future of their establishments with great care are especially keen to have some one give them an approximate date of the conclusion of hostilities in Europe.

Thus, when at various times, Mr. Churchill, General Eisenhower, General Montgomery, Admiral Halsey and others have attempted to give the public an idea of the length of time it would take to finish up the military campaign, their words have been read avidly.

But in the wake of such statements there has been a wave of other predictions from ten thousand minor and less informed circles. Especially since "D" Day, almost every man in the street has been taking a guess at the date of "V" Day.

All of this might be harmless, were it not for the psychological effect that the contest has on people at large. For one thing, many are led into the belief that the war is almost over and that the time has come for some relaxation at home. Further, when the war keeps its furious pace for weeks after "V" Day dates previously predicted, the morale of many people is unsettled.

In these crucial days preceding the final knockout, Canadians at home may again take their cue from Canadians at the battle fronts. Over there none marks time, waiting for Germany to collapse. They are all on their toes, fighting as energetically as at any previous period of the war. Over here our duty seems just as clear cut—a duty which calls us to work as hard as we have ever worked before, and to keep our production lines as vigorous as they have ever been before—through the purchase of Victory Loan bonds.

DEALING WITH GERMANY!

To all those people who think Germany should be whitewashed for her abominable wartime crimes and that she should be gently dealt with in the peace settlement, the following lines written by C. W. W. and appearing in the New York Herald-Tribune, may be recommended:

Be gentle to the Germans,
Now we've got them on the run,
Do not say or do a thing
To irritate the Hun;
Forget about Lidice,
Laugh off the rocket gun.

Remember German people
Were cruelly misled,
Of course we mustn't hate them;
Be kind to them instead—
What's a little matter
Of twenty million dead?

These humane, peace-loving people
Deserve our charity,
So let us all extend to them
The hand of sympathy;
Help them prepare to murder us
In nineteen sixty-three.

DID YOU KNOW?

From the day a soldier goes to war, he is dependent on paper. From draft card to honorable discharge, his records are kept on it.

His records are packed in it; his cartridges are wrapped in it; his shoes are lined with it; his letters are written on it.

His barracks are built with wallboard, paper roofing, paper insulation.

He shoots at paper targets, eats from paper plates, drinks from paper cups.

His battles are planned, his orders are issued on paper.

Literally, he lives, trains, travels and fights, with paper his indispensable ally.

And, of course, a beaten Axis will sign the peace terms . . . on paper!

EDITORIAL NOTES

The first snow used to be a reminder that Christmas was on the way, but now it's the mailing dates for overseas Christmas parcels.

"Empty cradles," says the Ottawa Journal, "have had their part in the decline of empires." Children's allowances in Canada and in Britain will encourage the raising of families and thus operate to offset the empire-menacing trend, adds the Toronto Star. Well,—time will tell!

Next Tuesday is Halloween Night. Parents should caution their children not to play pranks that will cause the destruction of property or do anything that will demand extra labour to repair. Help is scarce and most men are busily engaged at essential jobs. Make this a prankless Halloween. There is no useful purpose served by the removal of door steps, pushing over outbuildings, etc. Such pranks cause inconvenience to those whom they are played upon, and demand the services of carpenters to make repairs. Better forget about such pranks until the war is over, at least.

Canadian soldiers in hospital overseas want their "home town" newspapers more than anything else, Capt. Violet Matthews of the First Aid Nursing Yeomanry, who recently returned to her home at Toronto, said in an interview a few days ago. Cpl. Bill Harrison, a local boy, who recently returned to Canada, after nearly four years overseas, said the other day: "There was nothing that I received while overseas that I enjoyed as much as the Winchester Press—and that paper was read by hundreds of boys who didn't even know where Winchester was. I got the paper regularly all the time I was over." The Press is sent each week to nearly 70 boys on active service overseas, and we hope they enjoy getting it as much as Cpl. Harrison did.

Other Editors' Opinions

UNWORTHY PARENTS
(Chatham News)

Parents, particularly, should be awakened to a sense of their responsibility. The parent who unconcernedly allows his child away from his care to get what training he can pick up on the street is recreant o his trust and unworthy of the honor of parenthood.

GET FIGHTING OVER FIRST
(Owen-Sound Sun-Times)

There is a lot of fighting still to be done and we must be prepared to expect setbacks. We need not to be in a hurry to complete preparations for celebrating V-Day.

OTTAWA'S TAVERNS
(Ottawa Journal)

"Abolish all taverns" is the slogan of the Ottawa Baptist Association, and on looking over some of them in Ottawa we can almost agree. But it would only drive the traffic underground into the blind pig and the hands of the bootlegger.

THAT'S DIFFERENT!
(Almonte Gazette)

A chap looking for sick benefits was heard to say the other day that there was a time when he could put a bag of flour on his shoulder and carry it for a block. "Now," he mourned, "I couldn't carry a scuttle of coal half that far." "No," said the man he was talking to, "but if it was a case of beer you could carry it from Arnprior to Almonte."

WHAT HUNS MUST LEARN
(Christian Science Monitor)

The fact of foreign soldiers fighting their way onto German soil should be salutary in Germany. One of the things a Nazified generation of Germans has to learn is that Germans are not necessarily better than other people, that they have no rights that other people are not equally entitled to, that there is no special blessing on German arms.

AN OLD STORY!
(Brockville Recorder & Times)

Eastern Ontario is again being told that, as a result of proposed power developments on the river Ottawa, it will be transformed into one of the greatest industrial areas of Canada. This part of the province has heard that story so often with nothing of consequence happening thereafter that it may be excused if it accepts it with more than a grain of salt.

OTTAWA'S BUREAUCRATS
(Ottawa Journal)

It might be well to point out that most of our topflight war bureaucrats are not much concerned with their present jobs, most of them having better jobs to go to. Many of them are simply on loan in their present positions, with the people who gave them up only too willing to have them back. Mr. Gordon himself has simply to switch over to his imposing offices in the Bank of Canada, of which he happens to be deputy governor; and we rather imagine that many others are not all worried that peace may put them on the bread-line.

PALLBEARER REFORM
(Brockville Recorder & Times)

We have waited a long time for someone to suggest that reform of the pallbearer part of conducting funerals is overdue. The Chatham News does so by expressing the belief that the choice of active pallbearers should rest with the undertaker, who knows the physical capabilities of those who are chosen, rather than with the family whose wishes in that regard are often governed by sentiment.

Having seen a good many elderly people struggling with caskets that they were ill fitted to carry, we quite agree. But we would go much farther than the News in its advocacy of pallbearer reform; we would eliminate active pallbearers altogether. It is common knowledge that two or three undertakers' assistants, being accustomed to such work, can manipulate a casket with much greater ease than half a dozen men who are selected for such duties only periodically. Why not, therefore, let these assistants do all the lifting, and carrying, as is already the case in an increasing number of urban funerals, and make the pallbearer purely honorary?

THE MIND HAS ALLERGIES, TOO

If you embarrass easily, stammer, and never think of those smart, witty cracks until after the party's over, maybe you've become a "mental hermit," psychiatrists say—and what to do about it is explained in The American Weekly with this Sunday's (Oct. 29) issue of The Detroit Sunday Tmies. Get The Detroit Sunday Times this week and every week.

The word independence is united to the ideas of dignity and virtue; the word dependence, to the ideas of inferiority and corruption.—J. Bentham.

"Never mind, Elmer, we're saving enough for an extra Victory Bond"

"Confound this old sink, anyhow!" complained Elmer. "Why don't we get a new one?"

"That would be nice," answered Elsie, the Borden Cow. "But we *can* get along with this one if you'll just be patient. Besides, we can use the money to buy a Victory Bond."

"I've already planned for our Victory Bond purchases," announced Elmer.

"Silly!" laughed Elsie. "We can always buy an extra one, can't we? In fact, now is the time when we should give our fighting forces greatest support!"

"But Mamma," said Beulah, "isn't the war nearly over?"

"Things *do* look bright," replied Elsie. "But we mustn't let down our effort on the home front one little bit!"

RUNNING WATER UNDER PRESSURE SPEEDS FARM PRODUCTION

THE Dominion Government has authorized increased production of farm machinery and equipment which includes Duro Pumping Systems.

We are doing our utmost to produce more Duro Pumping Systems. However, the greatest part of our production is still required for the Armed Forces. We are also handicapped by shortages of materials and labour and it is impossible to produce all the Duro Pumps required.

If running water under pressure will increase your production of farm products, see your Duro Dealer near you. He will gladly assist you in completing the necessary application form which has to be approved by your W. P. & T. B. Rationing Officer.

Be sure to order a Pumping System large enough to take care of your needs. The cost is only a trifle more and you will be well repaid.

BEAUTY FOR BUSY WOMEN

Making the most of one's looks is a lifetime job! And it is very true that time devoted to self-beautifying will be well-repaid. But many readers are too busy to spare the time for extended beautifying treatments, especially when wartime makes its demands on many of us. Here, then, are a few "musts" that I believe even the busiest can fit into her schedule.

In the morning, a few limbering-up exercises, carried out briskly. Then, give your hair a vigorous brushing—and I mean vigorous!

Don't neglect your teeth. Clean them after every meal and morning and night. Look to your nails; they stand out more than ever today. And please don't forget feminine daintiness, whatever you do; take no chances on perspiration odour. A little deodorant cream will look after this for you.

For your complexion, do try the new 60-second massage with lovely palmolive soap; its lather is so refreshing and cleansing and helps to beautify the skin. Simply massage palmolive lather into your skin, using a face cloth, for just one full minute. Then a quick rinse and pat dry—you'll find your skin becoming softer and younger-looking.

For your make-up, you will save time and ensure skin loveliness if you use Three-Purpose cream and powder, rouge and lipstick to match your skin.

You can look after your hands at odd moments by rubbing them with hand lotion. And while you're doing this, pat a little on your elbows. It helps to keep them smooth.

For more detailed treatments write me, in confidence, and tell me your particular beauty problems. Enclose five one-cent stamps for my Beauty booklet. It is so helpful. Address: Miss Barbara Lynn, Box 75, Station B., Montreal, Que.

CANADA'S VETERANS
Their Post-War Opportunities

Training and Education—
Doorways to Opportunity

SOCIAL SECURITY MEASURES

In planning Canada's re-establishment program, its framers worked with one principal idea in mind. This was that the only answer to the problem of permanent re-establishment is a job, and that the surest way to get and hold that job is by the skill necessary for it.

VOCATIONAL TRAINING

Every ex-service man or woman who will be assisted in re-establishment by training is eligible to have it. There is provision for paying fees for all courses and, in addition, the ex-service man or woman may receive maintenance grants up to:

$60 monthly if single;
$80 monthly for a man and his wife, together with children's allowances.

This training is available for the period of service to a maximum of one year, but can be extended beyond that period, if necessary, and if service is more than one year.

EDUCATIONAL TRAINING

This is available to all who are admitted to university within 15 months of discharge and, as in vocational training, fees are paid and there are maintenance allowances up to:

$60 monthly for a single man;
$80 monthly for a man and his wife, together with allowances for dependent children.

These allowances will be continued on a month for month basis of the time in the services, providing all examinations are passed. Outstanding students may have assistance continued to completion of the course.

SOCIAL SECURITY MEASURES

Under the re-establishment program Canada's veterans who, within 18 months of discharge from the services, become ill or unemployed may draw maintenance allowances up to $50 if single and $70 for a man and his wife, together with children's allowances. The out-of-work benefits are for those fit and able to work, but for whom there is no work immediately available. In the case of serious illness there is free treatment and hospitalization for any condition in the year following discharge.

As a further security measure, every veteran who enters insurable employment is entitled, after 15 weeks in that employment, to unemployment insurance credit as though the whole period in the services since July 1, 1941, had been spent in the insurable employment.

VETERANS' WELFARE OFFICERS ARE STATIONED IN KEY CENTRES THROUGHOUT CANADA. THEY ADVISE AND ASSIST EX-SERVICE PERSONNEL, AND SHOULD BE CONSULTED ON ALL PROBLEMS.

Issued under the authority of Hon. Ian A. Mackenzie, Minister of
VETERAN'S AFFAIRS

THE MIXING BOWL

By ANNE ALLAN
Hydro Home Economist

Hello Homemakers! There'll be no spoofin' about helping mother if you tell the children that they may have a quota of fresh doughnuts to be made for Halloween eve.

The children may do lots of jobs such as sweeping, dusting and running errands while mother makes the fritters. The hot fat, used for cooking, is too dangerous for the children to work with and mother has to be Johnny-on-the-spot while doughnuts are being made.

Here are a few good recipes:

Cream Doughnuts

1 egg, slightly beaten, 1 egg yolk, slightly beaten, 1-2 cup sugar, 2 tsp. lemon extract, 2 cups of bread tbsp. heavy cream, 3-8 cup milk, 1-2 flour, 1 tsp. salt, 3 tsp. baking powder, 1-4 tsp. nutmeg.

Add sugar slowly to eggs, add cream, milk and extract. Sift flour. salt, baking powder and nutmeg 4 times, and add to first mixture. Shape and fry. Makes 18 to 20 doughnuts.

Raised Doughnuts

1 cup scalded milk, 1-4 yeast cake dissolved in 1-4 cup lukewarm water 1 tsp. salt, 1-3 cup butter and lard mixed, 1 cup light brown sugar, 2 eggs, 1-2 tsp. nutmeg, 2 cups flour.

Cool milk to lukewarm, add yeast cake in water, salt, and flour enough to make stiff batter. Let rise overnight. Add melted shortening, sugar, eggs, nutmeg and flour. Let rise again. If too soft to handle, add more flour. Turn on floured board, pat and roll 3-4 inch thick. Cut out with biscuit cutter and work between hands until round. Place on floured board, let rise 1 hour, turn, and let rise again. Fry.

Crullers

5 tbsp. sugar, 1 tsp. salt, 1 cup of scalded milk, 2 tbsp. lard, 1-2 yeast cake dissolved in 2 tbsps. lukewarm water, 3 cups flour.

Add sugar, salt and lard to scalded milk. When lukewarm, add dissolved yeast cake and 1 cup flour. Cover, let rise until light, and add 2 cups flour. Turn on a slightly floured board and knead. Cover, again let rise, and knead; repeat. Pat and roll 1-2 inch thick. Cut in strips 8 inches long and 3-4 inch wide. Put on board, cover, and let rise. Twist several times and pinch ends together. Makes 24 to 30 crullers.

Chocolate Doughnuts

1-4 cup butter, 1 1-4 cups sugar, 2 eggs, well beaten, 1 1-2 squares of melted chocolate, 1 cup sour milk, 4 cups flour, 1 tsp. soda, 1 tsp. cinnamon, 1-4 tsp. salt, 1 1-2 tsp. vanilla.

Cream butter and add sugar gradually, while beating constantly; then add eggs, melted chocolate, sour milk, and flour, mixed and sifted with soda, cinnamon and salt. Add vanilla and enough more flour to handle mixture. Shape and fry. Makes 30 to 36.

TAKE A TIP

Do's and don'ts for shaping and frying doughnuts are:

1. Use only one-third of dough at one time. Put it on a lightly floured board, knead slightly, pat and roll out 1-4 inch.

2. Use 2-3 lard and 1-3 beef suet dripping for fat or vegetable fat.

3. Use a fat thermometer or drop an inch cube of bread into hot fat; if it is golden brown in 40 seconds, fat is about 390 degrees, and if in 60 seconds, at about 370 degrees.

4. Put a small number in at a time to prevent lowering temperature.

5. Doughnuts should come quickly to top of fat, brown on one side, then be turned to brown on other. Avoid turning more than once (except sour milk doughnuts).

6. Keep electric element on high or medium, whichever holds constant temperature. If too hot, the doughnuts will brown before sufficiently risen. If too cold, doughnuts will absorb fat.

THE QUESTION BOX

Mrs. R. J. asks: How can I make boiled lima beans more tasty?

Answer: A tangy, satisfying dish is lima beans with mustard—Butter sauce made by simmering 4 tbsp. melted butter, 1 tsp. sugar, 1 tsp. of mustard, 2 tsp. vinegar, salt and pepper together for a few minutes. Pour over hot lima beans.

Miss L. B. asks: Should grade B eggs be poached?

Answer: They may be poached in steaming hot water to which a teaspoon of vinegar is added. This sets the whites more quickly.

Mrs. B. T. asks: Recipe for Scotch fruit bars.

Answer: 1 1-4 cups flour, 1 cup of fine rolled oats, 3-4 cup brown sugar, 1-2 tsp. salt, 1-2 cup of shortening, 1 1-2 cups mincemeat.

Sift and measure flour; add rolled oats, sugar and salt. Mix together and cut in shortening. Spread half the mixture in greased square pan. Cover with mincemeat and add remaining crumbs. Press down lightly. Bake in electric oven at 400 degrees for 30 minutes.

Anne Allan invites you to write to her in care of The Winchester Press. Send in your problems on homemaking and watch this column for a reply.

Your Victory Loan Salesman Has This Letter

IT ENABLES YOU TO BUY VICTORY BONDS THROUGH YOUR BANK ON CONVENIENT DEFERRED PAYMENTS

Fill out the Letter and attach it to your application—it is an order on your Bank to buy Bonds for you.

You have Six Months to Pay the Bank for the Bonds—The Interest the Bonds Earn Pays the Bank Interest on the Loan. No further security is required.

● You say you want to do all you can to help Canada's war effort. Then you will keep on buying Victory Bonds. You will buy all you can.

You recognize the obligation that we, at home, owe to our men overseas. You know that stocks of munitions which our fighting men need are being depleted and must be replaced. You know that more munitions must go forward—and you will buy Victory Bonds to help pay for them.

You would like to be able to buy more bonds, you say. Well here is how you can do it. You can buy more bonds with money as you get it. Any bank will loan you the money to do this and the interest on the bonds will pay the cost of the bank loan. All you have to do is to sign the letter shown here—which you can get from your Victory Loan Salesman. You make a first payment of 10% or more when you apply for the bonds, and pay the balance at any time over a period of six months.

You will be doing an important war job when you do this. You will be helping your country and backing up her fighting men. You will get another reward, too, that will benefit yourself. You will have money, later on, when the war has been won—to do things you plan to do—money to improve your farm and your home.

Home From Overseas.

Among the servicemen who were repatriated to Canada last week, was Flying Officer Ritchie Allison, son of Mrs. Mabel Allison, of Prescott, formerly of Winchester. It is expected he will be confined to a Military Hospital in Canada for several months yet.

Returned Soldier Visits Friends.

Cpl. William Harrison, recently returned from overseas, and at present recovering from his wounds at a Military Hospital in Toronto, was visiting friends here and at Ormond last week. Bill looks fine, but with one foot in a plaster cast and the other not yet healed, he has to use crutches. As a matter of fact, his one foot is so badly injured that he doesn't expect to ever be able to walk on it again. Bill received his wounds when an aerial bomb, dropped from a German plane at night, exploded in a slit trench in which he was sleeping—near Falaise, France. He was given a cheerful greeting by his many friends in this district.

Stamping Is Required.

Although the slaughtering and stamping regulations of the Prices Board were relaxed last August to allow producers to market hogs without obtaining a slaughtering permit and without having the carcasses stamped, it is pointed out that there has been no relaxation of stamping regulations as applied to beef, lamb and veal carcasses intended for sale. The W. P. T. B. stamp showing the slaughterer's license number should appear at five places on each side of a beef carcass intended for sale and three places on sides of lamb or veal carcasses marketed. The stamping regulations do not apply if a farmer sells meat from livestock raised on his own farm direct to the consumer.

Nearly 400 Boxes Sent Over.

Approximately 400 Christmas Boxes, destined for the boys on active service overseas, were cleared through the local Post Office from the period, October 1st to 25th, the latter date being the dead-line for mailing overseas boxes, if delivery by Christmas was to be expected. These included individual parcels and boxes sent by the Red Cross and other societies. Over half the number were prepared and mailed through the facilities of Harry Flora's Overseas Parcel Service. With this number of boxes enroute, the boys overseas should not lack for at least a little touch of Christmas cheer from the folks back home. They certainly are deserving of it and we hope every box arrives at its destination safely and in time for Christmas.
