Province has own view of County changes

CORNWALL — There'll be some changes made but not necessarily the ones the United Counties Council were thinking about.

Don Irvine, MPP for Grenville-Dundas and parliamentary secretary to Hon John White, provincial treasurer met with council here recently to discuss proposed changes in the structure of the Counties Council.

Council members themselves earlier this year had suggested a plan in which the number of representatives at the council table could be cut back by blending three of the smaller municipalities with their neighbouring townships.

In his address at a special meeting chaired by Reeve Keith Graham of Chesterville, Mr Irvine told council that it was doubtful that this sort of restructuring would be approved by Queen's Park.

Mr Irvine reconfirmed with some emphasis the statement that changes would come about by approximately 1975 or 76 but they would probably be along the line of a ward system.

In explaining this method the MPP said it would involve the abolition of some present municipal boundaries so that urban and rural areas such as a combination of Morrisburg and most of Williamsburg or Maxville and most of Kenyon would become a ward, with a local government but only the privilege of sending one man to County Council to represent that ward.

He noted however that Cornwall would continue as a separate entity and possibly even Alexandria since it is the largest rural municipality.

Council offered no indication as to their approval or disapproval of the proposal but did launch a barrage of questions on the parliamentary secretary.

Mr Irvine suggested that urban centres should be considering now the possibilities of amalgamating with neighbouring townships in order to be prepared for the day of reorganization.

Summing up, Mr Graham remarked that the proposals would "change the whole pattern by which we have been governed for 130 years. Someone is going to have to take the brunt of the change which will be a political change to influence the entire population."

Dog taxes bite fees double

Dog lovers in rural Stormont County will feel the bite of ownership this year as they pay the new licence fees for canines established at a joint meeting of the five municipal councils of the county.

Recent amendments to the Dog Tax and Livestock and Poultry Act have repealed the compulsory two and four dollar dog tax and raised the amounts which local municipalities are compelled to pay owners of livestock and poultry killed or injured by dogs.

Councils had the choice of setting their own dog tax fees or increase general tax levies to raise the money needed to pay compensation to farmers.

At a recent meeting in Finch Community Centre the representatives of the councils of Finch, Osnabruck, Cornwall, and Roxborough Townships and Finch Village decided to impose their own dog taxes.

Roxborough and Finch Townships will now be on par with the other three municipalities in setting licence fees. Dog owners will be required to pay $4 for the first male dog and $8 for each additional male and $8 for each female dog and $16 for each additional female.

Police probe four accidents

A Chesterville man was listed in good condition in Winchester District Memorial Hospital, Tuesday morning with injuries suffered in one of several accidents investigated by area provincial police detachments over the weekend.

Carl McMillan, 56, was taken to hospital with cuts and bruises last Friday night after the eastbound car he was driving on Highway 401 was struck from behind by a second vehicle driven by Robert Brodeur, 28, of St. Catherines.

Morrisburg Provincial Police said the 11:35 p.m. mishap occurred just west of the Shell Service Centre, three miles east of Morrisburg.

Const. Paul Cordes estimated damage to the McMillan vehicle at $1,500 and $1,200 to the Brodeur car.

A second Friday night crash on Highway 43, just west of Chesterville sent a St. Catherines woman to Winchester Hospital for treatment.

Winchester Provincial Police said Julie Barkley was a passenger in a car driven by Larry Shay, 24, of Prescott which collided with a vehicle driven by Rick Brown, 17, of Morrisburg.

Police said the Brown car was westbound on Highway 43, while the Shay car was making a left turn off old Highway 43 onto the new highway.

Damage to the Brown car was estimated at $1,400 and $600 to the Shay vehicle. Const. John Miller investigated.

Long Sault Provincial Police are looking for two unknown vehicles believed to be involved in two separate accidents in the Finch area over the weekend.

Early last Friday morning, a car driven by Terrance McMahon, Finch, sustained $1,200 damage when it was forced off County Road 12 near Finch by a second car which failed to stop.

A complete police report was not available but a spokesman for Long Sault Provincial Police said McMahon suffered neck injuries but was not taken to hospital.

Const. Terry Rutherford investigated the 3 a.m. mishap.

Police are looking for a brown car believed to be involved in a late afternoon crash Sunday in Finch which resulted in $2,500 damage to a 1972 Ranchero Truck driven by Richard Rowe, of Finch.

Long Sault police said the Rowe vehicle collided with a hydro pole after an unknown brown car forced him off the roadway near the Brownlee Funeral Home.

Const. Robert Taplay estimated the damage to the pole at $600.

No one was seriously injured last Friday night when this car driven by Rick Brown of Morrisburg was in collision with a second vehicle driven by Larry Shay of Prescott near the White Crossing west of Chesterville. Total damage was $2,000. — Staff Photo.

Valley Farm Show starts April 3

Most Chesterville and area farm machinery dealers, milking equipment suppliers and fertilizer company representatives will be in Ottawa next week for the Annual Ottawa Valley Farm Show at Lansdowne Park.

The annual exhibition sponsored by the Ottawa Valley Seed Growers' Association will run from April 3 until April 6 and will cover floor space in both the Civic Centre (Exhibition Hall) and the Coliseum Annex.

This year's show will be the largest ever in the area and extra space had to be acquired to accommodate all the exhibitors wishing to be present.

One hundred and thirty companies, firms, institutions, provincial and federal governments will offer the latest products, materials, supplies and information for agricultural enterprises.

Hundreds of thousands of dollars worth of the very latest farm implements and supplies will be on hand for inspection. Miss Sherry Pollock, Ontario's Dairy Princess will be at the dairy bar escorted by local county Dairy Princesses.

The exhibit halls will be open from 10 a.m. to 10 p.m. each day except for April 6 when the close at 4:30 p.m.

Special events during the week include a Ladies Day Program at 7:30 p.m. Tuesday in the Assembly Hall, a beef show Wednesday in the Annex and a square dance competition in the Assembly Hall at 8 p.m. the same day. Thursday, there will be a beef sale at 2 p.m. in the Annex with the presentation of prizes and awards to the winners of the Seed, Feed and Forage Championship Show. There will also be an amateur contest in the hall at 8 p.m.

On Friday the Ottawa Valley Hereford Breeders Show begins at noon with the sale at 2 p.m. and cross bred beef calf sale at 8.

Chesterville Rotary Club has only $500 yet left to pay on a $3,000 pledge to the Chesterville and District Community Arena. Ian Macintosh left was pleased this week to present Chesterville Reeve Keith Graham with a cheque for $1,000. The money was raised by Rotary through various community projects. — Staff Photo.

Royal Bank opens Moose Creek branch

MOOSE CREEK — Village and area residents will be saving more time and money now following the opening of a new bank at the corner of Church and Labrosse Street here last Wednesday.

Government representatives, Board of Trade officials and prominent businessmen from Moose Creek and other Roxborough Township municipalities were on hand as the ribbon was cut to officially open the Royal Bank of Canada branch.

Manager of the bank will be Paul Gagnon, a native of Arvida, Quebec, and Mrs Louise Walker will be his assistant.

Moose Creek and surrounding area has been without banking facilities since last fall when the Provincial Bank of Canada closed its doors.

In a special message to local townspeople, Pierre A. Frechette, general manager of the Royal Bank for the Quebec, New Brunswick and Eastern Ontario District said the bank was sensitive to the needs of the people in the community and was pleased to set up an operation which would provide regular banking facilities.

Opening of the Royal's branch in Moose Creek was hailed by George Crites, reeve of Roxborough Township as "the answer to a very great need."

"We are very pleased to see the Royal set up shop in these parts," said Reeve Crites. "Until now, local residents had been placed in the awkward position of driving miles to cash a cheque. My own clerk had to motor 26 miles to Cornwall and back to do the township's banking on Fridays".

Mr Gagnon, 30, has been with the bank for 10 years and has held various posts in Montreal and other Quebec centres. Prior to his posting at Moose Creek, he had been attached to the personal loans section at the Arvida, Quebec, branch.

Mr Gagnon is married and has two children.

Mrs Louise Walker, whose principal duties will be as teller is a native of Moose Creek and is well known to local residents.

The new branch will be open from 10 a.m. to 3 p.m. Monday to Friday, closed for lunch hour between 12 noon and 1 p.m. In addition it will open from 6:30 to 8 p.m. every Friday to handle special weekend needs.

Artist addresses Summary Day

INGLESIDE — "Thinking creatively helps keep you young" was the thought expressed by Mr Bob Eadie, a Cornwall artist and musician. Mr Eadie was speaking at Summary Day for the Creative Stitchery course held in Stormont County recently. In creating a picture or a craft-piece use things you like as your subjects. Don't copy from designs done by someone else.

About seventy ladies attended the afternoon program in Ingleside Presbyterian Church on March 23, 1973. The course was sponsored by the Home Economics Branch, Ontario Ministry of Agriculture and Food. Instructress for the Leaders' School was Miss Irene Koyama, Crafts Specialist, Toronto. Groups participating were Cornwall Centre Women's Institute; Finch W.I., Ingleside W.I., and Ingleside Presbyterian Ladies Aid. Many colourful articles were displayed which combined the use of embroidery and applique to create a pleasing design.

Mrs Gerald MacDonald, Cornwall Centre, was Chairman for the afternoon. Mrs Roy Poapst thanked the guest speaker. Comments on the displays were given by Miss Koyama and Miss Lorraine Holding, County Home Economist.

Hockey school stars named

FINCH — Steven Sullivan, 12, son of Mr and Mrs Tom Sullivan, Finch was named top student in the first annual Finch Hockey School, during award presentations held in the arena here last Friday night.

Steven received a trophy presented by Finch Reeve Lynden Hough, denoting his outstanding sportsmanship, citizenship and development during the week long course. Program director Carl Rines was also on hand for the presentation.

Some 120 boys from the surrounding district registered for hockey school, which was aimed at refining the basic skills of the sport.

Also receiving merit and honour awards at the arena last weekend were the following:

Eight to ten year old division — Merit: Perry Montgomery and Perry Cryderman; Honors to Denis Sullivan and Ronnie Casselman.

Eleven year old division — Merit: Doug Hough; Honours, Jody Cryderman.

Twelve to thirteen year old division — Merit: Greg Forsythe, Clayton Robertson; Honours, Michael O'Donohue, Blair Henderson.

Fourteen to fifteen year old — Merit: John MacNaughton; Honours: Jamie Hume.

Mr Rines also donated a $5 cash award to Gary Lefebvre who had the highest mark in the rules quiz with 85 percent.

Assisting the director during the week-long course were instructors, Steve O'Donohue of Berwick, Wally MacDonell of Green Valley, Bruce MacDonnel of Green Valley and Vincent Davies of Iroquois.

Eastern Counties OFA fieldman named

Michel Bourgon, 23, of St. Isadore will be heading the new Eastern Ontario field office of the Ontario Federation of Agriculture which will serve the counties of Prescott, Russell, Stormont, Dundas and Glengarry.

In an announcement this week, Morris Shaver, secretary-treasurer of the Stormont Federation of Agriculture said the regional office would be opening soon in the Casselman area, but members needing help with problems could contact Mr Bourgon through their county secretaries.

A Grade 12 graduate, Mr Bourgon spent three years in banking before becoming a licenced cheesemaker at a factory in St. Isadore. During his four years at the plant he worked in administration as a clerk, as fieldman and comptroller. He is married and lives at St. Isadore.

Mr Bourgon believes that the farmer needs to be well informed by the Federation of Agriculture of his rights and privileges when dealing with large corporations. He says his main objective will be to help area agriculturalists fully understand changes and developments within the industry.

The OFA fieldman will be selling memberships in the counties and helping the individual service members solve their farm problems.

Tough Decision for The S. D. & G. Board

The S. D. & G. Board of Education have been tackling a very delicate problem the last couple of weeks which should prove, to anyone who may have been a doubter in the past, that education is no longer a matter of simply building a school and hiring teachers.

The board is tackling a problem which started back in the days of Wolfe and Montcalm — the struggle between French and English speaking factions; the fears of domination of one over the other.

In North Stormont we have the parents of children who will be going to the new high school at Avonmore, wanting a bilingual school, because a good portion of the residents in the area are French speaking.

In Cornwall we have students of Ecole Secondaire St.-Laurent picketing the board of education office because they want a French High School — not just half a school like they have now but a whole one, totally French.

On one side the board sees a total population of the Three United Counties which is mostly English. On the other side they see figures which tell them that the immediate areas that these schools will serve are primarily French.

The question is which way do they turn. It appears that they'll be damned if they do and damned if they don't. It's a matter of deciding which 'damn' will be the easiest to live with.

If you've read this far and think that we're going to come up with a master solution, you're wrong. We're just glad for once, that we're not running the school board.

The WASP faction, (and their is a WASP faction whether you admit it or not) would see a totally French school in Cornwall as "Just one more step before the Frenchy's take over the country".

On the other side of the coin you can see anything short of providing facilities for a totally French School as something the French speaking extremists might call "more English dominance over our culture, robbing us of our heritage".

On the board of education itself you have a delegation of men who represent both French and English. They're going to try and be objective about the whole thing, but how is that possible when their very lives and families will be affected one way or the other by a decision.

Today the whole world is trying to be integrated. We're trying to overcome centuries of prejudice and see that every man is equal and has his own rights, regardless of race, color, creed or language.

We feel that as far as the new North Stormont School goes, it should be bilingual, because it will serve both sections of the population.

As far as Cornwall goes there should never be two totally separate school systems. We feel it would be defeating the purpose of the bilingual movement to totally separate the sections involved.

Today we would be much better people if we could all speak both languages and at least had an insight into both cultures. To divorce these factions would be a mistake. Surely the French speaking people can realize that this is Canada, a primarily English speaking nation. And surely the English speaking can realize that the country is unique in having two primary languages.

Can we not build a school and operate a school system which is complimentary to both sides involved. Can French and English not be blended amicably. We think they can — but parents, students and school boards must keep in mind that they are public schools, built by the public for the public and should not be tagged French or English.

Ann Landers . . .

Dear Ann Landers: Our 11-year-old son walked out of a drug store without paying for a 39-cent pen. I suppose you would call it shoplifting, but when the item is so cheap there ought to be another name. The manager followed Charles out of the store, took him to his office, lectured him and told him not to come into the place again. I received a telephone call asking me to come and get the child.

I have never been so burned up in all my life. That poor youngster was scared half out of his wits. When I came to get him he was sobbing and shaking like a leaf. You'd have thought he had stabbed the cashier and held the manager at gunpoint.

I think it is just dreadful that an 11-year-old boy should be made to feel like a criminal over a measly 39-cent pen.

Please tell me what can be done about sadistic store managers who would treat a small child like that. This incident might cause permanent psychic damage to my son. What then? — A Boy's Mother

Dear Mother: Your boy was caught shoplifting, and I can think of no better word to describe stealing merchandise from a store.

I find it appalling that you attack the manager and defend the boy. A mother who takes her child's side when he breaks the law does him no favor. If this is your idea of "mother love" you're going to have a lifetime of grief and the boy will be a mess. You both need professional help - starting yesterday.

Dear Ann Landers: My husband and I have been married before. Both our companions have been deceased for a long time. My first husband was a wonderful person and we had a beautiful marriage. If I can keep my mouth shut about the past I think the man I am now married to should be able to do the same for me.

Whenever we are with friends, he mentions Louise at least ten times. Louise was such an immaculate housekeeper you could eat off her kitchen floor. Louise could prepare chicken like nobody else. Louise always made her own bread and he sure does miss it. Louise this and Louise that. One of the guests looked at me across the table last night, as if to say, "Why don't you tell that clod to pipe down about the past?"

It might sound like a small thing to you, Ann, but it does get on a person's nerves to be compared with a deceased mate constantly. Will you comment, please? I don't want to lower myself or appear jealous. — Can't Sign My Name

Dear Can't Sign: I don't feel that you would be lowering yourself in the least nor would you appear jealous, if you had a frank talk with your husband and told him exactly what you told me. The best approach in a case like this is the direct approach. No anger. No hostility. Just a suggestion, in the interest of a better relationship.

Dear Ann Landers: Here is a question that has had me searching for an answer for weeks. I can't find it anyplace and I don't wish to ask anyone.

In women, an insatiable desire for sex is called nymphomania. What is it called when it occurs in men? Or do those chauvinist pigs deny that there is such a thing?

May I hear from you at your earliest opportunity? — It Doesn't Take One To Know One

Dear One: Those male chauvinist pigs with an insatiable appetite for sex have what is known as satyriasis. I agree, you CAN know one without being one.

Do you feel awkward, self-conscious — lonely? Welcome to the club. There's help for you in Ann Landers' booklet, "The Key To Popularity." Send 35 cents in coin with your request and a long, stamped, self-addressed envelope to this newspaper.

With new snow a couple of nights this week and the temperature hovering around zero, something seems to have gone wrong with spring.

Safety stressed in Expressway Driving

Every year hundreds of accidents occur on our expressways. Some of the causes of these accidents have been found to be attributed to improper passing, improper lane changing, speeding and driver attentiveness. The following driver procedures for driving on the expressways could prove beneficial to you:

When entering the expressway adjust your speed and position to permit steady accelerations so that you can safely merge into a gap between cars. Your speed when entering the expressway off the ramp should be close to that of the posted speed limit on the expressway.

When changing lanes and passing the driver of the passing vehicle should first check ahead and behind using both inside and outside mirrors. He should signal his intention to pull out into the left lane, and then check again to make sure he will not interfere with any other traffic. After passing, he should check to make sure he is well past the passed vehicle and then signal right before pulling back into the driving lane.

Maintain a safe driving distance between you and the vehicle in front of you. It is suggested that you leave one car length for every 10 miles of speed between you and the vehicle in front of you.

While driving on the expressway you should always "drive ahead" being alert for any vehicles which may pull out on the highway from a merging lane. If this occurs look behind, signal left and pull out in the passing lane to avoid conflict. After passing, check your mirror, signal right, and pull back into the driving lane.

The expressway characteristics reduce obvious necessity for constant alertness producing monotony and boredom. The driver must remain alert to recognize the signs of drowsiness or sleepiness. You should allow yourself a ten minute break for every two hours of driving.

Complex expressway interchanges make specific lane use imperative. The overhead guides are designed for proper lane use and will assist you in making your lane change early.

When leaving the expressway, know where you will exit well in advance. Signal, and move into the correct lane as soon as possible. Move into the deceleration lane as soon as possible and then slow down only after entering the deceleration lane. Observe posted limits on the exit ramp and be ready for sharp curves.

By following these procedures you will be much safer when travelling on expressways.

Remember, the key to safety is YOU.

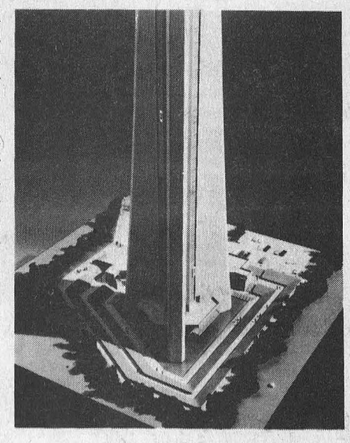
Toronto's CN Tower

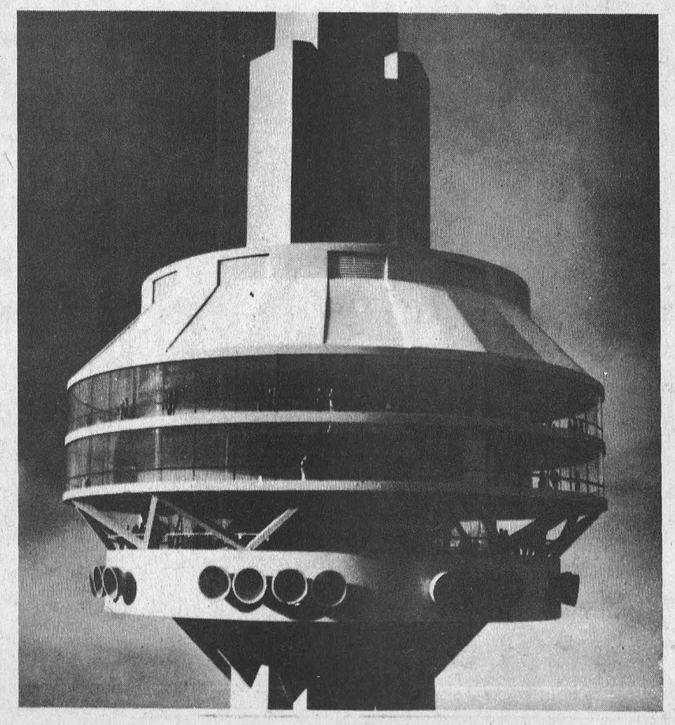
World's tallest

Construction is under way on an 1,805-foot communications and observations tower in downtown Toronto. It will be the tallest self-supporting structure in the world.

Being built by CN Tower Limited, a subsidiary of Canadian National Railways, the tower will have a six-storey sky pod more than 1,100 feet above ground containing observation decks, revolving dining room, broadcasting and transmission facilities, and microwave facilities.

Visitors will ride to the sky pod in elevators with glass-faced shafts. The CN Tower, scheduled for completion in 1974, will be located in the 190-acre Metro Centre development. It will be one of the engineering and architectural wonders of the world.





GNP up, but inflation a constant problem says Bank of Montreal

MONTREAL — In its latest Business Review the Bank of Montreal looks at world economic trends for 1973 and points to buoyant conditions in all major industrialized countries.

The combined gross national product of the seven largest developed countries is expected to rise by 6 percent in real terms, equalling the highest growth rates experienced since 1955, but inflation is expected to remain a problem and in several countries its pace seems likely to accelerate.

The growth of world trade in terms of volume will also accelerate, and opportunities for Canadian exporters will be favourable. However, interest rates are expected to remain high and it is by no means certain that stability will return to foreign exchange markets following the recent realignment of world currencies.

The Bank expects overall demand in most countries to grow at least as fast, and possibly even faster than last year. In Japan the growth rate may be as high as 18 percent about where it was before the slowdown in 1971. In France, however, there is speculation that the French government may try to slow the economy after the March elections but, barring this the French nominal G.N.P. could increase well in excess of 10 percent, to be in line with that of other European countries.

The driving force behind the economic expansion is expected to shift this year towards a more important role for business investment particularly in Germany, the United Kingdom and perhaps also in Italy. Consumer demand will continue to buoyant, and the growth of imports of goods and services should accelerate - at least in volume terms - relative to that of exports in most major countries overseas.

In 1972, the dollar value of world imports rose by almost 16.5 percent. The Bank points out that this was partly, as a devaluation of the U.S. dollar, and notes that with the recently announced further devaluation, the nominal increase in world imports is expected to be even higher this year. Allowing for price increase and higher transportation costs the increase in volume terms will be about 8 percent.

While the devaluations of the U.S. dollar may have some moderating effect later on in the year on the rate of increase in the dollar value of American imports the full impact of these currency changes will not likely be felt until 1974. The higher cost of imports on the American market, and the continued strong growth in demand in the American economy, will likely maintain the rate of increase in U.S. imports at only slightly less than last year. and an increase in the order of 19 percent can probably be expected for 1973.

Japanese import growth will reflect the impact of the 1971 revaluation of the yen, and the upward movement of the yen since it was floated on February 13th. As a result of these revaluations the yen-price of foreign products on the Japanese market will have decreased by almost 20 percent since August 1971. Adding to this the impact of booming demand conditions, it is perhaps not unrealistic to expect Japanese imports to soar, in U.S. dollar value, by some 30 percent in the current year.

The new currency realignment complicates to some extent the assessment of Canadian export opportunities in 1973. But, present circumstances lead the Bank to conclude that Canada has several powerful factors working in its favour which might permit an increase in its market share in a number of countries, including the United States.

Firstly while the 1971, and the recent currency realignments resulted only in a marginal shift in the Canada-U.S. exchange rate, the Canadian dollar has undergone a substantial devaluation against a number of major currencies.

This places Canadian products on a strong competitive position in the world market against goods produced in otner currency areas on the basis of the exchange rate changes alone. Add to this Canada's slow rate of inflation compared with most major industrialized countries over the past two years and the actual improvement in Canada's competitive position is significant.

Mr and Mrs G. Dobbe, Mr and Mrs H. Allison, Mrs M. Brownlee and Mrs H. Edwards, Chesterville, Mrs G. Benoit, Crysler, Mrs K. Beedie, Mrs A. Hill, Mrs E. Merkley, Mrs Wm. McPherson and Mrs B. Campbell, Winchester, attended the openinig of the Maurice Grimes Lodge in Ottawa. The Lodge is a modern motel built on the grounds of the Civic Hospital where cancer patients may stay while taking treatments at the hospital. It will be staffed mainly by volunteers from the area. The Lodge was officially opened by Her Excellency, Mrs R. Mitchener.

Mrs Beedie, Mr Dobbe and Mrs Benoit were guests at a luncheon at the Chateau Laurier as part of the opening.

Mainly About People

The Reverend E. Earle Eaton was a dinner guest of the Reverend and Mrs John Boehmer of Williamsburg Tuesday evening. Mr Eaton called recenily on Mr and Mrs Grant Beckstead of Ottawa, Mr and Mrs Gerald Adams of Williamsburg and Mr and Mrs Thomas Armstrong of Spencerville.

Mrs. M. Waldroff hosts Newington UCW

NEWINGTON — The April meeting of the United Church Women here will take the form of a Thankoffering with two missionaries as guest speakers.

At the March meeting held here recently at lthe home of Mrs Melvin Waldroff, members made plans for the April 14 gathering with Mr and Mrs Ciach slated to address the group at 8 p.m. in the church hall.

Following the opening exercises conducted by Mrs Mary Smith, president, Mrs Edwin Waldroff took charge of the worship service on the theme "I need my church and the church needs me and God needs us both."

Two hymns were sung and Mrs Waldroff gave a reading. Mrs Mac Otto read the minutes and treasurer's report. In the business period it was moved and seconded by Mrs Waldroff and Mrs Rombough that a donation of $10 be sent to the Cancer Fund.

The program conducted by Mrs Russell Presley was on Leadership Development. Following a question period the meeting closed with a prayer by Mrs Presley.

Mrs Smith thanked the hostess and those who brought lunch.

Morewood Church hosts Pot Luck Dinner

MOREWOOD — A little bit of Ireland fell from out the sky - and nestled in the Morewood Presbyterian Hall last Saturday night March 17 as the congregation enjoyed a most successful pot luck supper.

The St. Patrick's Day theme was carried throughout the evening with the near capacity filled hall decorated in appropriate Irish decor and "the wearing of the green", the popular colour of attire for many of those attending.

The Rev. George Tattrie, new minister at Morewood, asked the blessing and during the supper hour appropriate records were played of songs from the Emerald Isle. Mrs Roy Nurse at the piano, with a spirited and rollicking sing-song of Irish songs brought a very pleasant evening to a close.

Philippino child adopted by Elma Public School

The students of Elma Public School have become foster parents to a seven year old Philipino boy by the name of Alfredo Raymundo Jr.

Alfredo comes from a family of seven and is the second youngest of five children. The boy was born in Rizal, Philippines, and now lives with his family in Pasay City.

The students at Elma will contribute $17 monthly which will be used to care for the boy and his family. Arranged through the Foster Parents Plan of Canada, the $17 provides the family with a monthly cash grant, distribution of goods such as vitamins, blankets, towels, soap and other useful items, medical and dental care, the sustained guidance and counseling of social workers and the benefit of special programs.

The Raymundo family lives in a small two storey house in a crowded section of Pasay City. The adopted boy's father, Alfredo Sr., 48, is chronically ill with asthma and an ulcer.

He completed three years of high school and worked for a number of years as an auto-mechanic, but became unemployed when the shop closed due to financial problems.

Due to his illness he can only work part time, about two or three days a week, as a jitney driver. He only earns one dollar a day.

Mrs Raymundo, who left school in the sixth grade does laundry work, earning approximately $12 a month. The rent for their home is $2.50 per month along with $1 for light and water. On this income the school needs of the children and medicine for the father are not well provided for.

Along with his parents, Alfredo has a brother, Rolando, 17, in his fourth year of high school, a sister, Elizabeth, 15, in her third year of high school, a second sister, Patrocina, 13, in her first year of high school and a brother, Angelito, 2.

The students at Elma will correspond monthly with their Foster child, developing a warm and affectionate relationship.

Foster Parents Plan is currently working in ten countries in S. America and Asia. More than 50,000 children are currently being aided by individuals, groups and families in Canada, the U.S.A. and Australia.

S.D. & G. School Board approves building project for Cornwall school

The Members of The Stormont, Dundas and Glengarry County Board of Education are pleased to announce that the approval of the building project for the fourth secondary school in the City of Cornwall, which the Board has been seeking for several months. has now been received.

The Members of the Board hope to finalize all remaining aspects of the project and start construction this Spring. Barring unforeseen difficulties the new school, with a maximum pupil capacity of 1,030 pupils, should be ready for occupancy in the fall of 1974.

KITCHEN CORNER

COOKIES

These are the extras that round out the day's meals. Often they add useful food value because of the eggs, milk, whole cereals or dried fruits which are part of many recipes. They are relatively high in calories and should be limited by those who are trying to keep their weight under control.

Quick Chocolate Cookies

1 cup sifted pastry flour
6 tbsp. cocoa
½ tsp. soda
½ tsp. salt
1 cup brown sugar
½ cup shortening, at room temperature
1 egg, unbeaten
1 tsp. vanilla
½ tsp. almond flavouring (optional)
1 cup quick-cooking rolled oats

Sift together flour, cocoa, soda, salt and sugar into bowl. Add shortening, eggs and flavourings. Beat until smooth. Dough will be stiff. Add rolled oats. Mix thoroughly. Drop mixture from teaspoon on greased baking sheet. Flatten with a fork dipped in cold water. Bake in a moderate oven, 350 degrees F, for 15 minutes. Remove from baking sheet, cool on rack and store in closely covered container. Makes 2½ dozen cookies, 1" in diameter.

Quick Ginger Snaps

½ cup shortening
½ cup brown sugar
1 tsp. ginger
½ tsp. baking soda
2¾ cups sifted pastry flour

Measure all ingredients except flour into large saucepan. Heat and stir until mixture begins to boil. Remove from heat and add flour in four additions. Beat well after each addition. Turn out on lightly floured board and knead dough for one minute. Divide dough into two portions for easier handling. While warm roll about ⅛" thick. Cut with 2" cookie cutter. Place on greased baking sheet. Bake in slow oven 325 degrees F, 10 to 12 minutes. Remove at once from baking pans and cool on rack. Store in closely covered container. Makes about 3 dozen cookies.

Peanut Butter Crisps

¼ cup sugar
½ cup corn syrup
½ cup peanut butter
3 cups corn flakes or 2 cups corn flakes and 1 cup rice cereal

Combine sugar, corn syrup and peanut butter in top of double boiler; heat over boiling water until sugar is dissolved. Stir in cereal and remove from heat. From a teaspoon, drop onto waxed paper; keep mixture over hot water on double boiler. Allow to set. Store in covered container. Makes 3 to 4 doz.

Carrot Cookies

¾ cup sifted pastry flour
2 tsp. baking powder
¼ tsp. soda
1 tsp. salt
1 tsp. cinnamon
1 tsp. nutmeg
¾ cup whole wheat flour
1½ cups quick-cooking rolled oats
1 cup seedless raisins
½ cup shortening
1 cup brown sugar
2 eggs
1 cup grated raw carrot

Sift and measure flour, and sift with baking powder, soda, salt and spices. Combine with whole wheat flour, rolled oats and raisins. Cream shortening with brown sugar. Beat in eggs one at a time, beating well. Stir in carrots. Gradually add dry mixture, mixing well. Drop mixture on greased baking sheets. Bake in moderate oven, 350 degrees, for 12 to 15 minutes. Makes 5 dozen.

A FULL LINE OF EASTER CANDIES HAVE ARRIVED

Tax Tips

Q. I am a farmer and I used 1967 as the year of averaging for income tax purposes and am eligible to average again in 1973. Am I required to average again using 1973 as the year of averaging, or can I wait until a year in which averaging would be more beneficial to me?

A. **You may choose any year you wish as the year of averaging, provided that returns have been filed as required and that the averaging period chosen does not overlap another period for which you have averaged.**

Q. I retired from farming and now live in the city. My farm lands are rented to a tenant. I make six or more trips each year to the farm to supervise seeding, summer fallowing and harvesting. Can I claim the expenses incurred in travelling to and from the farm?

A. **Travelling expenses incurred while travelling to and from your farm cannot be claimed as a deduction from your rental income.**

Q. I bought land in 1965 on a half-crop-share basis and this half share was sold in the vendor's name. Must I pay income tax on the half share that was paid to the vendor?

A. **Yes. The half share that is sold in the vendor's name is your income and the subsequent payment to the vendor is considered to be an instalment on the purchase price and is not deductible.**

Q. Is a farmer required to make Canada Pension Plan deductions from the wages paid to farm help?

A. **Deductions for the Canada Pension Plan must be made from all wages paid for farm labour, provided the employee has reached 18 years of age but has not yet reached 70, and has received cash wages of $250 or more and has worked for 25 days for the employer during the year.**

Q. What is the income tax situation if I sell land with standing crop?

A. **If the agreement specifies an amount for the standing crop, that amount is income to the vendor and an expense to the purchaser. If the agreement does not specify an amount for standing crop, then no portion of the selling price is attributable to the standing crop as far as the purchaser and vendor are concerned. To complete the answer, your transaction insofar as the land value is concerned is subject to the capital gains provision which was introduced in 1972.**

Q. I understand that beginning in 1972 depreciation on any new depreciable farm assets acquired in 1972 must be taken under Part XI of the Regulations. If I switch my depreciable assets on hand as at December 31, 1971 to the Part XI method, does this mean that when I sell or dispose of them that I will be subject to recapture of depreciation on all the amounts that were previously claimed under Part XVII?

A. **Yes.**

Q. In valuing my farm properties for capital gains purposes, should I make separate valuations for my residence and out buildings?

A. **Yes. It is advisable to establish the value of your farm residence in that if it is your principal residence there is an option available on the sale of your farm which would exclude it from capital gains tax.**

IN MEMORIAM

IN MEMORIAM

HORNBY — In loving memory of a dear sister, Marion, who passed away April 1, 1972.

"Although you are not beside us
You are never far away
You are in our hearts and thoughts
Every passing day.
We think of you in silence
And make no outward show
But what it meant to lose you
No one will ever know."

Always remembered by her sister Edith

IN MEMORIAM

BECKSTEAD — In loving memory of a dear father, Charles, who passed away Feb. 17, 1969, and a dear brother Arza, who passed away March 31, 1971.

God saw you getting weary
So he did what he thought best
He came and stood beside you
And whispered "Come and rest."
You wished no one a last farewell
Nor even said goodbye
You had gone before we knew it
And only God knows why.
What we would give if we could say
Hello in the same old way
To hear your voice, to see your smile
To sit with you and talk awhile.

Sadly missed by Essie, Rennie and Grant

IN MEMORIAM

In loving memory of a dear friend Mildred Flintoff who passed away April 1, 1972.

She was one we all loved
With a heart that was purer than gold
And to those who knew her
Her memory will never grow cold.

A friend, Carrie Rutley

Mrs W. L. Casselman

Mrs Ward L. Casselman of Williamsburg died in the Winchester District Memorial Hospital on Thursday, March 8, following a brief illness. she was in her 83rd year.

Born in Williamsburg Township, October 19, 1890, she was a daughter of the late Mr and Mrs Myron Merkley. In 1914, at Morrisburg, she was united in marriage to Ward Levi Casselman who predeceased her in 1971.

The late Mrs Casselman is survived by two sisters, Mrs Florence Trickey, Cornwall, and Mrs Willis McIntosh, (Vera) of Williamsburg. One brother, Roy predeceased her in 1957. Several nieces and nephews also survived.

A member of Williamsburg United Church she was also active in the U.C.W. of that church.

Funeral services were held Saturday, March 10 at 2 p.m. from the Fairbairn Funeral Home in Morrisburg ot Williamsburg United Chruch, with Rev. D. L. Gordon officiating, assisted by Rev. W. A. Adam.

The pallbearers were Cecil Garlough, Donald Garlough, Aden McIntosh, Carmen McIntosh, wilfred McIntosh and Ronald Smith.

Burial was in Maple Ridge Cemetery.

Thomas Arnold

Thomas Arnold, a resident of the Avonmore district for the past 19 years, was found dead in his home in the Second Concession of Roxborough on Saturday, March 17. He was 76 years of age.

Mr Arnold, a native of England, came to Canada in 1912 and spent the greater part of his life in the Province of Quebec as an agricultural worker. He arrived in Avonmore in 1954 and worked for 16 years on the farm of Mr Cecil Canham.

He is survived by a brother, residing in Richmond, P.Q.; a sister in Australia; and another sister in England.

The body rested at the McArthur Brothers and MacNeil Funeral Home, Cornwall, where Rev. Kent Doe, of the Long Sault Parish of the Anglican Church of Canada conducted the funeral service last Wednesday morning.

Interment will follow in Woodlawn Cemetery, Cornwall.

Mrs Alice Nash

A life long resident of the Williamsburg area, Mrs Alice Nash, died March 19 in Cornawall General Hospital following a brief illness. She was 96.

The daughter of the late Lawrence Dillabough and former Martha McIntosh, Mrs Nash was born in Dundela March 12, 1877. Raised and educated in that area, she married her late husband Arthur Edson Nash, in Williamsburg in 1903. he died in 1958.

A former resident of the Nash Creek area, Mrs Nash had lived in Williamsburg for the past 16 years.

Surviving is one sister, Mrs Flora Brown of Brockville and several neices and nephews.

She was a life member of the Missionary Society of the United Church of Canada, Past Grand of the Morrisburg Rebekah Lodge and a member of Williamsburg United Church.

McMillan Bros. lead series in PeeWee hockey

As the hockey season draws to an end some good hockey action and suspense is provided by the Chesterville and District Pee Wee House League.

With only four games remaining, McMillan Bros. coached by Ross Casselman are leading Clement's and Brennan's by one point.

David Phifer of McMillan's leads the individual points race with 10 goals and two assists for a total of 12 points. Pat Kelly of Brennan's is a close second with seven goals and four assists for total of 11 points.

The final regular league game will be played Sunday, April 1 at 9 a.m. between Clement's and Brennan's. Second and third place teams will play off on Monday and Tuesday, April 2 and 3 at 7 p.m. The winner will take on the first place team, with dates to be announced later. They will be competing for the Arn Sullivan Memorial Trophy.

Local Tykes in Winchester tournament edged in final game by Morrisburg

Earl's Meats Tykes took part in the Winchester Minor Hockey Tournament, March 21, with additional help of Kenny Shay, Greg Baker, and Terry Barkley, of the Erik Thompson Electric team.

The boys travelled with their parents to meet Winchester's Allison Tyke team. The two squads fought the most challenging game of the tourney with Billy Ganter leading his team to the net, followed by Terry Barkley.

The Winchester team battled back and scored two goals on Kelly Mitchell, leaving the score tied 2-2, at the end of regulation time. Contest rules dictated the goalies were to be pulled and the first goal to be scored would decide the winner.

Earl's Meats poured on the pressure with the dream line of Kenny Shay and Scott Mitchell on defence and Terry Barkley, Duff Mitchell and Scott Richards on the front line.

Sure enough Earl's Meats scored the winner with Terry Barkley again finding the net from Duff Mitchell. It was thrilling hockey ending in a 3-2 win for Chesterville putting them into the 12:30 game against Morrisburg, the winners of their game against Ottawa.

Morrisburg took the lead with two goals scored quickly. Terry Barkley retaliated while Earl's Meats was short handed with Duffy Mitchell in the penalty box. Even with this boost, the Tykes were unable to contain the established Morrisburg team and the final score was 3-1.

It should be noted that 14 players travelled to this competition and every player had a parent present to cheer and encourage the team as well as transport them.

SATURDAY, MARCH 24

The Chesterville Tykes were busy during their holiday week. Erik Thompson Electric met Earl's Meats on Saturday morning and were the victors for the second time that week.

Greg Baker had a great day, finding the mark quickly with Terry Barkley's help to start the scoring. Greg was back again this time scoring unassisted. Duff Mitchell then put Earl's Meats on the scoreboard assisted by Kevin Roberge. Kevin then scored the tying goal from Duff Mitchell. The second period saw two goals scored, both for Thompson Electric.

Mark Smith scored from Rodney Helmer and Terry Barkley scored unassisted to make the score 4-2. Earl's Meats was still alive and Terry Leclair with help from Kevin Roberge and Duff Mitchell scored a third period goal.

Scott Richards played well in goal filling in for the regular goalie or the score might well have been greater than the 4-3 registered.

Jet's lead 72's in Junior B playoffs

The Metcalfe Jets were leading the Embrun 72's two games to one in the best of seven finals in the St. Lawrence Junior B hockey league last Sunday with the fifth and possibly deciding game played Wednesday night.

The teams were to play this past Monday night in Metcalfe and again Wednesday in Metcalfe. If needed they will play the sixth game in Embrun Thursday, March 29.

Metcalfe won the semi-finals over Morrisburg with a four game to one lead while Embrun earned their berth in the finals by dropping Prescott four games to three.

Electric's blank Earl's in Tyke hockey action

Erik Thompson Electric Tykes hockey team were not to be denied last Tuesday when they flattened Earl's Meats by a score of 7-0.

David Van Delst, again playing fine hockey led the barrage against Earl's Meats with an unassisited goal in the first period. High-flying Terry Barkley scored the first of his goals in this period from Darren Kelly. During the second period Terry struck again unassisted. Although Earl's Meats were threatened with many fine plays, John Kelly was a giant in the nets. Together with deadly Terry who again played double shift this game they proved too much for Earl's and Terry potted three more goals in the third period, one with the help of Kenny Shay.

Darren Kelly ended the bout with a goal, assisted by Greg Baker and Stewart Wheeler.

Atoms enter Exhibition schedule

With the playoffs completed and the championships decided, the Chesterville and District Atoms have settled into a busy schedule of exhibition games.

Playoff champs, Fulton Bros. played home-and-home with two Maxville house league teams. Fultons proved to be poor hosts as they dumped the visiting Maxville squad 7-0.

Speedy Gary Beckstead topped his season's high single game output notching five goals. Also scoring were Derrick Van Delst, with his first of the season and Bruce Casselman. Assists were credited to David Byers with two, Bobby Dubois and Jeff McIntosh, and Wayne Ball had the shutout.

Last Thursday, Leafs and Fultons both travelled to Maxville. fultons continued their winning ways, posing a 6-1 win. Gary Beckstead lead scorers with two goals and two assists. Other scorers were Jimmy Moss with two; David Byers and Peter Elliott with his first of the season.

Assists were credited to Peter Elliott, David Byers with two and Derrick Van Delst.

Leafs also had a successful trip to Maxville with goalie Jeff Moore posting a 4-0 shutout. Chris Laflamme scored the winning goal from Donnie Richards. Brother Marque added two insurance goals and steadily-improving Donnie Richards closed out the scoring. Assists went to Donnie Richards, Tony Wouters and Marque Laflamme.

Elsewhere, League finalists Chesterville Record were hard pressed as they overcame a 2-0 deficit to tie Winchester 2-2. Winchester's Kenny Rose opened the scoring from Peter Marriner. Kenny McRoberts added on from Bruce Graves and Gord Johnston.

The Record came to life with Donnie Summers setting up Michael Beckstead to close the gap. The speedy centre also notched the tying goal.

In tournament action, all district Atoms from Record, Fultons and Leafs who did not participate in all Star competition travelled to Winchester last Friday to compete in Winchester's house league Atom Tournament.

Playing against far tougher opposition, goalies Wayne Ball and Bruce Casselman were spectacular in nets, but it proved not enough as the locals dropped a 4-0 decision to Winchester.

The same two goalies got little support in the second game, dropping a 10-1 decision to Winchester. Erin Chambers scored the only goal for the locals.

In All Star action, the Stars were hard pressed last Wednesday against a hard hitting Greely team before posting a 3-1 win. Trailing 1-0 on a goal by Greely's Scott Straby, the all Stars didn't get untracked until the final period. Gary Beckstead scored two with Michael Beckstead scoring the winner. assists went to Chris Laflamme, Jimmy Moss, Donnie Servage and Michail Beckstead.

On Saturday, it was All Star's turn to be overconfident against Bert Beckstead's Clement's Pee Wees and this resulted in an easy 6-2 win for Clements. Mark Cook had the hat trick, with singles to Donnie Wheeler, Robert Woods, and Tom Feeley. Steven Schrale had four assists, Robert Woods had two with other assists going to Tom Feeley, Mark Cook, Jerry Witteveen and Donnie Wheeler.

Replying for the All Stars were Gary Beckstead from Derrick Van Delst and Tony Fraser from Gary Beckstead.

Having learned their lesson, the All Stars tangled with the always tough Metcalfe Jets later that day and skated and checked their way to a 3-1 win. Scoring for the Stars were speedy Marque Laflamme, with two and Gary Beckstead. Assists went to Donnie Richards with two, Chris Laflamme and Marque Laflamme. Replying for Metcalfe was G. McLarin from D. McIntosh.

One More Reason To Buy SURGE...

WELDED PIPELINES

REDUCED MAINTENANCE—no need to replace worn gaskets and tighten couplings.

IMPROVED SANITATION—smooth, easy-to-clean welds instead of gasketed couplings.

INCREASED VACUUM EFFICIENCY—eliminate possible sources of air leaks for more stable vacuum.

SAFEGUARD QUALITY—less risk of rancidity due to agitation from air leaks.

Best of all, a Surge Unitized Pipeline doesn't cost any more than a conventional pipeline. It might even be less expensive, depending on length and size of line. Call us today for an estimate.

Dairy Farmers to receive additional 50c per hundred

TORONTO — Ontario dairy farmers who produce milk for table use are to receive an additional 50 cents per hundredweight for their milk, effective April 1.

In announcing the increase in returns to the Province's 8,350 fluid milk producers, the Chairman of the Ontario Milk Marketing Board, George R. McLaughlin, stated that the Milk Commission's decision late last year to permit an increase of 35 cents per hundredweight, effective January 1, 1973, was inadequate and failed to cover the huge increases in costs which the dairy farmer has had to face over the last 18 months.

"With the combination of circumstances facing milk producers at this time," he said, "the only responsible action for the Board to take is to increase the price. Prices are guided by a sophisticated formula which takes into account factors affecting production costs of milk, as well as various trends within the economy as a whole."

Although the increase of 50 cents per hundredweight amounts to only 1 1-3 cents per quart ot the dairy farmer, it is not known at this time what the effect on the consumer price will be. Wholesale and retail prices are established by individual dairies and stores in response to competitive forces.

Mr McLaughlin pointed out that last summer and fall, dairy farmers had to cope with some of the worst weather conditions in years. Apart from the short supply of feed for cows, which is a world-wide phenomenom, and where prices have risen by 40 to 100 per cent, the quality of available winter feed has reduced the milk yield per cow. To keep the consuming public supplied with milk, farmers have been forced to buy extra, expensive grain supplements to provide the necessary protein for their cows. As a result they have been caught in a vicious circle that drives their costs still higher. The Board cannot visualize an improvement in this situation until well in the 1973-74 crop year.

Labor costs have also increased substantially on dairy farms. The matter of adequate labor availability, both in quantity and quality, is one of the greatest problems facing the dairy industry today. Returns from milk must be adequate to allow producers to compete for labor with better wages, or labor will not be available and milk production will decline.

Other costs, such as machinery and equipment, repairs, building replacement, hydro and taxes, have gone up substantially over a year ago.

"Because of all these circumstances," Mr McLaughlin explained, "it is imperative that milk producers obtain an improved return for their milk immediately. They need this incentive and encouragement to remain in dairying at a time when other alternatives are at an all time high, and in order to ensure that adequate supplies of milk are produced in Ontario to meet consumer requirements."

The 50-cent increase per hundredweight raises the farm price for raw milk in Southern Ontario from $7.40 to $7.90 per hundredweight and in Northern Ontario from $7.97 to $8.47 per hundredweight.

Mrs Ray Dixon announced that the Summary Day for the Creative Stitchery Course will be held in St. Matthew's Presbyterian Church Hall, Ingleside, on Friday, March 23 at 1.30 p.m. and everyone is welcome to attend the programme and the social hour following it.

The District Project was outlined by the secretary-treasurer, Mrs Sterling Brassard who announced that the District Directors would meet in the Newington Library at 8 p.m. on Wednesday.

Wednesday, April 18, to plan for the District Annual meeting to be held on Thursday, May 17 at Berwick Community Hall.

After the meeting the Institute members and their guests were given a tour of the Nestle Plant in Chesterville. The convenor of Canadian Industries, Mrs Harold Rowden, was in charge of the arrangements.

Fifteen NDDHS students tour 'merry old England'

A group of 15 students and a teacher left North Dundas District High School last Sunday for 10 days of sight seeing and fun in Merry Old England.

It is the first time a group from NDDHS has gone abroad on a tour of this nature sponsored by the Society for the Study of the Heritage of Canada. While the title suggests they promote just Canadian tours the non-profit organization is involved year-round in arranging national and international trips for school students.

Under the direction of teacher Val Pratt and his wife Sharyn the students left Dorval Airport, Sunday around six p.m. for 10 days in England.

The tour which cost each student $285 including accommodation, left with a particular interest in drama and the arts of Europe. Their fee included shows and events listed in the itinerary as well as a pass for travel on London transport to the various points of interest.

Mr Pratt said the S.D. and G. Board of Education and school administration were most co-operative in assisting with the details of arranging the tour.

The local group should be arriving home next Wednesday.

News Notes 4-H Club Members

CARD OF THANKS

I wish to extend my sincere thanks to all who visited me and sent me cards, while I was in Winchester Memorial Hospital. Also thanks to Mrs Leara Hutt, Mrs Thomas Armstrong, Rae and Anne Armstrong and the L.O.B.A. branch in Finch for their lovely gifts. Thanks to Rev. Rogers of Iroquois and Rev. Murchison of Ingleside for their visits. I also appreciated very much the many dinners Mrs Thomas Armstrong gave Bob while I was gone and Mrs Jack Armstrong for taking my treats each week to my mother in Ruperts Nursing Home. Special thanks to Dr. Howard Justus and the staff of nurses on first floor for their kindness, who were all so thoughtful for my needs. These things I will always remember.

Sadie Armstrong
