"THE HOMECOMING"

Thursday, September 2nd
to Monday, September 6th

A Complete Calendar Of Events On Page 4

Full line-up of events at Cardinal Community Festival

The action begins to heat up in Cardinal as the Community Festival 1999 Committee have a full roster of events to keep everyone busy and smiling at the same time.

Promising to be bigger and better than ever, the theme for this year is "The Homecoming" since the celebration of Labourfest which is always a cause for fun in Cardinal coincides with the Golden (50th) Anniversary of Benson School. The reunion of classmates is always a terrific time and the five days of activities will provide memories to last another half century.

The ball diamonds is where the action starts on Thursday evening as the Slo-Pitch Ball Tourney gets underway at 6pm with the final games being played on Sunday evening and the Valley Shows Midway gives the younger set something to grin about.

Friday gets an early start as golfers will converge on the Iroquois Links for a Golf Tourney at 9am. The perfect setting for this event, the mighty St. Lawrence providing a sparkling background for some great shots on the greens and fairways.

Friday, the Cardinal Scouts will heat up their BBQs and begin cooking; and they will continue to host a BBQ each day of the events beginning at 10am each day. Then, at 7:30pm the Royal Canadian Legion, Branch 105 will host a "Meet 'n Greet" time for everyone to visit with and reminisce with old friends not seen in many years. This reunion will allow everyone to pick up their Cardinal History book, gather memorabilia and pickup tickets to the various events preregistered for. Any unsold T-Shirts commemorating the Homecoming will be on sale as well. Entertainment will be provided throughout the evening by"Nighthawk."This should be a wonderful time!

Saturday will see the streets lined as the gigantic parade makes it's way through the village. Just prior to the parade, the youngsters will have their decorated bikes and doll carriages judged (10am) by the Community Policing Committee on the filled in portion of the canal, west of the mall. The parade is slated to get movin' at 11am and is shaping up to be a great one as the number of entries grows daily.

The Brockville Lions' Steel band will entertain afterwards at the Community Arena along with Jim Wicks and Westburg Union. The place will be rockin' from noon until 4pm. The Cardinal Figure Skating Club will host a canteen during this event.

Saturday at 1pm the 50th Anniversary Ceremony and Open House at Benson School will have folks recalling public school pranks and highlights as the reunion brings folks together. The dinner and dance at the Sacred Heart Parish Centre will seat people who have purchased tickets ($30.00 per person, limited numbers to be sold, call Edna Magee at 657-1692 to reserve your spot). The Don Morrel Band will fill the centre with sweet sounds as listening or dancing everyone will enjoy.

Watchin' a parade

This young man was patiently waiting last year for the parade to pass his vantage point. He will no doubt be back this year to check out the 1999 version as Homecoming in Cardinal is made reality through parade entries.

Under the auspicious of CASCO and the R/W USWA Local 483 these games are always exciting. The Annual BBQ hosted by the CASCO/Union Festival Committee at the Arena will have tempting smells emanating from the area beginning at 2 and running until 6pm. CASCO employees, Union members and pensioners enjoy the eats FREE while others may purchase same for $10.00. This has always been a tempting meal from all appearances and aromas, so I will be in the line this time as others can take part for the first time this year.

A full day of fun ends with Gala Fireworks at dusk...a fitting way to conclude the bulk of activities as Cardinal invites everyone from far and near to join them for a great Homecoming Celebration in 1999.

Ah...but the party is not over yet!! Monday, September 6th the Midway will keep rollin and giving the kids hours of pleasure as the Scouts keep cookin' at their sizzling goodies on the BBQ. As you support them, they will fill your hungries!

The Ride and Stride for Cancer will have participants leaving the Legion at 8am. This event is FREE for anyone who collects pledges, while a $5.00 fee is assessed to anyone who does not have any pledges. Anyone who wants to be a part...you can Hop on your Bike and Cycle one of two routes, either 42 or 32 kms, both beginning and ending at the Legion. You might want to Tie up your Shoes for the 5km Walking route instead. No matter what mode you choose to travel the routes, be a part of this fund raiser to help beat cancer. Call Peggy Taylor for details on how to get involved.

At 11am the Cardinal Firefighters will demonstrate their skill with an Extrication Demo at the D.J. McLaughlin Park. Come out and see how ept our local firefighters are with their specific equipment used to save lives everyday.

Bring the family and plan to spend the last long weekend before the youngsters head back to school soaking up some local fun in Cardinal. There promises to be a load of fun for all ages!! See you there!! Check the list of events in this program and put it in a prominent place so you can circle the things you want not to miss. A perfect ending to a perfect summer...celebrate with Cardinal.

See you at the Festival

Everyone loves a parade

Everyone loves a parade and if the 1998 edition was anything to guage things by...well the 1999 version will be even bigger and better. The entertainment value of a parade is worth a wait along the streets. People will be staking claim to a special piece of cement or grass as their vantage point to enjoy the Homecoming Parade. Best get to Cardinal early and get your spot in the shade chosen.

Perhaps the best part of the 1999 parade is that I won't be a judge...wow! What an awesome task that will be , choosing a winner. Very few entries let leak any of their ideas, but the grape-vine tells The Chieftain that there are some pretty wicked entries taking shape...be there or be square.

Parade beauty

The 730 Truck Stop had a float in the parade last year and since we have seen his newest addition to the truck stable back at the Truck Stop...that beauty with the Camp scene, we expect it to be in this year's edition. Watch for it in the Homecoming Parade 1999.
