What if there was a Christmas tree

What if Santa was fat.
What if Santa had a big hat.
What if Santa had a mat.
What if there was a Christmas tree.
What if he loved you and me.
What if he got us a treat.
What if he got stuck in a tree.
What if he could not bend.
What if Santa said the end.

A time to use your imagination

A Happy Humble Holiday

We all get together,
Despite the cold weather.

It's a day that's very cold,
Yet none of us are bold.

We smell a great meal,
That makes us all feel,
A rumble in our tummy,
Because it's very yummy.

When we go to sleep,
You can't hear a peep,
Because we all know,
Someone who says "Ho Ho,"
Will bring us presents,
And some could be pheasants.

We act this way,
On Christmas Day,
December 25th!

A Christmas Wish

One Christmas Eve a kid didn't send his letter to Santa, so he made it into a paper airplane.

He put a mini fan on top of the paper airplane, turned the fan on reverse and it went up, up, and away. It only went up, so he turned off the fan. He put two mini fans onthe back, then he took his remote control car and took the detachable antenna off and stuck it on the airplane. He took the remote control, turned on the fans, and off it went.

He wished it would make it. Luckily it made it to Santa and he made his elves work double shift to make the toys the little boy wanted. The boy was happy and Santa was happy.

The Worst Christmas Ever!

I woke up slowly and I remembered that it's... Christmas Day! I jumped out of my bed forgetting it was a bunk bed. I ran to my Mom and Dad's room and yelled, "Mom, Dad, Wake Up! It's Christmas Day!!" My Dad in a grumpy voice said, "O.K. son. We'll be up in a minute." I sat down on the couch beside the Christmas tree. My 5 year old sister came in and then my parents. My first present is... Clothes. I chucked the bunny PJ's to the floor and went at my next present.

I finally got to my last present disappointed about all the clothes I got. I slowly opened it. It was a $2600 Amazing Fantasy #15 first edition Spider-Man comic!! I ran over to my Mom and Dad, "Thank you, Thank you!!!" I ran to my room and put it safely on a shelf.

The next morning I woke up to hearing a ripping sound. I went to my room only to see my little sister ripping up my $2600 Amazing Fantasy #15 first edition Spider-Man comic and flushing it down the toilet. I sadly and slowly walked to the kitchen window and watched the garbage truck go by.

The day Santa lost his reindeer

It was 10 days before Christmas. Santa and his elves were working hard to get everything done before the special day, hammering, gluing, hammering, gluing. Wrapping, taping, wrapping, taping. Finally it was all done! The elves were packing it all in Santa's bag.

Christmas came and Santa chose one elf to go with him. All the reindeer were ready to go. At about the tenth house the elf had to go down the chimney with Santa instead of staying with the reindeer. That was because Santa had so much stuff to deliver.

While they were inside a curious little kitten came and went inside the sled. He was holding the reins and said, "Ya" and all the reindeer took off. When Santa came out he couldn't find his reindeer so he thought about his whistle that he brought. He got it out and blew it. The reindeer automatically came back.

The kitten said, "sorry" and Santa forgave the kitten.

He said to the kitten, "Merry Christmas." From there on Santa always brought an extra elf.

The end.

Santa uses a snowboard

One day some kids were at Mount Tremulant skiing and snowboarding. They were six-teen and seven-teen years old. They were practising their moves and showing off.

One day a old man came to the hill and he was doing moves that none of the kids could do. He was doing funky chickens and triple flips. His name was the St. The St. was actually St. Nick. He called himself the St. so none would know who he was.

For days the St. would practice his jumps for going house to house. Santa was using a snowboard because all of his reindeer had the flu. Santa was disappointed about his reindeer so he took up snowboarding.

That night before Christmas he hooked up a propeller on the back of his snowboard so it would be easier to go house to house. Santa set off to give presents to all the little children.

I can't wait!

As I look out my window on a snowy night,
I wait for tomorrow with glee,
The snow is falling; it's such a beautiful sight,
And soon down the stairs I'll flee.

I wake up the next morn,
And what oh what may I see,
Maybe that bright golden horn,
Or that stuffed bumblebee.

I might get a brand new skirt,
Or a new Barbie doll,
I might get Ernie and Bert,
Or a nice, new bouncy ball.

Christmas is my favorite time,

And when my family is happy with cheer.

Christmas time is filled with family and friends gathered around, children giddy with excitement, and giving to those we love. Our funeral home realizes that this can also be a time for memories of those we have lost.
