Board, teachers urge parents to get involved

Bonnie McNairn
Leader staff

MORRISBURG – There was a clear message to parents and the public in general, at an information meeting organized by the students at North Dundas High School, here last Thursday night.

The meeting was called to provide information about the current situation in public high schools, concerning the stoppage of extra-curricular activities.

Although invited, the Province (Ministry of Education) was not represented, but reps were present for the teachers' union as well as the Upper Canada School Board.

"It would be wonderful if parents would get involved," said Maria Thompson, a trustee for Stormont Dundas with the Upper Canada District School Board. "The province is not particularly listening to the teachers, and not listening to the boards."

"It has got to come from you," she added. "I agree it is time the public becomes annoyed."

"This is a fight that has to be fought, and the teachers are fighting it with the province," she claimed. "The board is on the sidelines doing the best we can do to support the teachers."

"I am glad they (the teachers) are in the classrooms doing what they are supposed to do ... teaching."

"The problem we have is not with our school board or trustees," said John McAllister who along with Shelley Dewey, a teacher at North Dundas, was representing the Teachers Federation. McAllister taught at Seaway District High School for 30 years, and now works as district officer for the Federation.

"I appreciate your anger, frustration and disappointment," said McAllister. "It's simply a matter of time. Teachers have all been assigned an extra class, and that's an 11 per cent increase to our time."

McAllister pointed out this adds from 20 - 40 extra students to instruct, and the new laws and regulations do not allow time for marking, preparing lessons, conferences with parents, or extra time for students.

"Teaching is a caring profession," he said. "Your coaches want to coach, your club organizers want to organize. But there is no extra time."

"The underlying motive is to save money," said McAllister.

"Is there a solution?" he asked. "Yes there is. Stop bashing teachers, stop cutting funding to education, and give more lead time to make changes."

Thompson claimed the education system was working in the past. "We looked at programs and facilities we though were important and we looked at staff and salaries," said Thompson. "For years and years it worked."

"Now it boils down to money and control," she said. "The government decides how much money we get, and tells us (the board) where we have to spend it."

"The province has severely limited the board's ability to oppose," she said. "If we don't do as required, the government can take over for the board."

Colin Vickers, a superintendent of education with the Upper Canada District School Board claimed a key word in the current situation is "accountability".

"Most of the accountability we see comes from the finance branch," he said. "It doesn't come from the curriculum department."

"I think we are at a critical point in our whole view of education," he said. "This is putting people against each other. It's big and we are losing the human touch."

Thompson summed it up well when she stated, "Legislating volunteerism is like mandating joy."

The evening forum was organized by OAC students Julian Whittam and Randy Douma, and was attended by about 50 students and parents.

Still Learning

Ontario Scholar, Myles Sylvia gets a helping hand from Rothwell-Osnabruck High School teacher Tom Dumbrille, prior to the school's graduation ceremony Friday night. Myles says that even though he has graduated from high school, there are still a lot of things to be learned, like tying ones tie. For Seaway and R-O graduation stories, see pages 3 and 6. McNairn photo

Canadian Club

Wins Presidential Award

HAMILTON — Clara Edwardson of the Canadian Club of Morrisburg and District accepted on behalf of her club, the Presidential Award for increased membership of 41.7% at The Association of Canadian Clubs Annual General Meeting (AGM) in Hamilton on September 30. The award was presented by The Honourable Flora MacDonald, P.C., C.C., Honorary President, The Association of Canadian Clubs.

Don Johnston, Regional Director, attended the Directors Meeting and was a head table guest at the awards ceremony. Don presented a bid by the Canadian Club of Morrisburg and District to host the 2003 Annual General Meeting that received unanimous support from the directors.

The AGM was attended by delegates from across Canada. Peter Jennings, ABC news anchor, was the guest speaker at the Saturday evening gala dinner.

The Association of Canadian Clubs is a network of almost 50 clubs across Canada whose common objective is to strengthen our country by providing forums that promote understanding and pride in being Canadian. Approximately 100 additional Canadian Clubs are located around the world. The first Canadian Club was founded in Hamilton, Ontario in February 1893 and in June 1939, the Association of Canadian Clubs was incorporated by a special act of the Federal Parliament. We invite you to join the Canadian Club, a club for all Canadians.

Post Cards from South Dundas

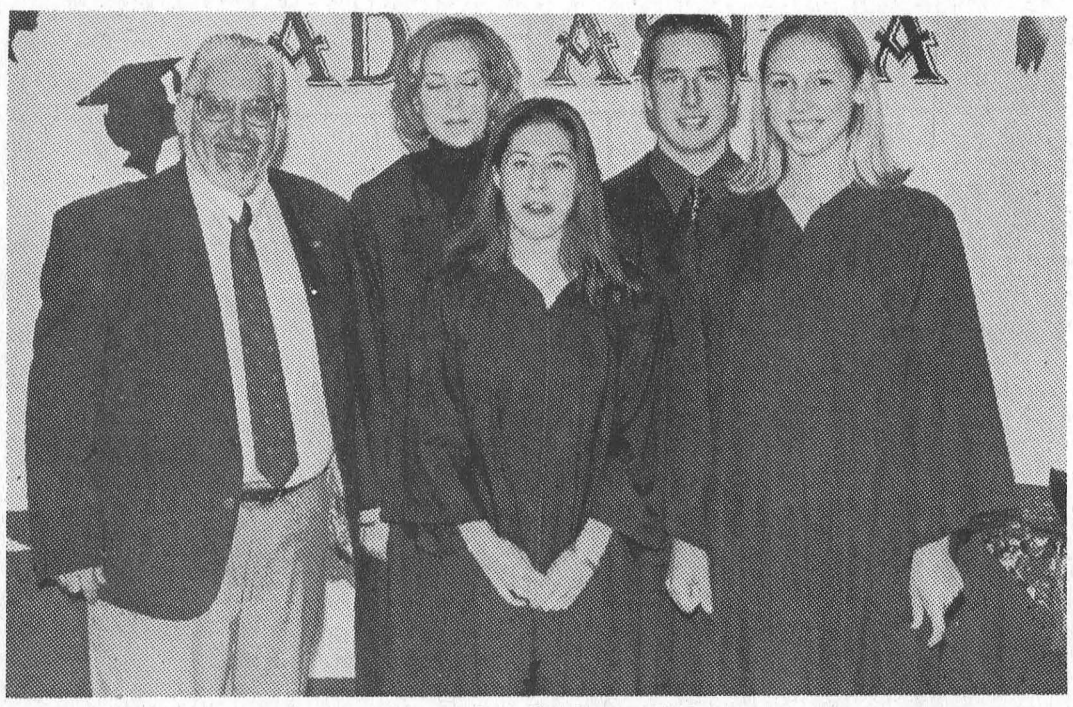
SOUTH DUNDAS — Visitors to South Dundas now have a momento to share as a reminder of their visit. The South Dundas Chamber of Commerce with the initiative of President Tom Morrow have ten different post cards on sale in area businesses.

Thirty thousand postcards depicting aerial and land shots of points of interest in South Dundas are ready for mailing around the world or around the corner. Mike Bailey, the photographer, went airborne with Dwayne Berry, the pilot, this past summer to take numerous shots of South Dundas.

After deliberation by the Chamber Executive and its members, the following ten photos were chosen: aerial shots of Morrisburg, Iroquois, Upper Canada Golf Course, Morrisburg Golf Course, Iroquois Golf Course, St. Lawrence Seaway Locks, Upper Canada Village and McIntosh Country Inn plus land shots of Loyalist Park and a sunrise in Morrisburg.

"We are hoping that people send a post card instead of a Christmas card this year," stated Geraldine Fitzsimmons, 2nd Vice of the Chamber.

Residents and tourist can purchase the comparatively priced post cards in Morrisburg, Iroquois and Williamsburg. Morrisburg locations include Seaway Valley Pharmacy, McIntosh Country Inn, Pier 31, Prehistoric World and the Economic Development Office. Iroquois locations include Mustard's Variety, Gilmer Pharmacy and the Chieftain. The Canadian Tire in Williamsburg also have the post cards.



Outstanding Graduates 2000

Principal Larry Poirier (back left) proudly stands next to four of the outstanding graduates at the Seaway District High School ceremony on October 6. Catherine Barkley (back middle), Thomas Casselman (back right), Stephanie Law (front left) and Katherine Adams (front right) are four of the eleven OAC Scholars. The other seven OAC graduates are Allison Byvelds, Christopher Garlough, Sarah Hawn, Tricia Kaddie, Alana Kerkhof, Sean Marshall and Katrina Shields.

Iroquois bridge repair

Cleary requests financing

QUEEN'S PARK– John Cleary, Liberal MPP for Stormont-Dundas-Charlottenburgh, hammered Ontario Transportation Minister David Turnbull relentlessly last week, demanding immediate financial assistance to repair crumbling bridges and overpasses.

"There are currently six bridges in my riding that need to be repaired," he said. "Three of these overpasses are in such terrible condition that the municipality has had no choice but to impose load limits, and in some cases, limit traffic to one lane."

One lane traffic increases the possibility of accidents, and with load limits in place, emergency vehicles are forced to take alternate routes. These alternate routes cost precious seconds and could mean the difference between life and death.

These bridges are a definite public safety concern.

"When faced with questions like these, the government can only point to their Ontario Small Town and Rural Initiative (OSTAR) program to provide funding to rural municipalities," claimed Cleary. "Unfortunately, what they fail to point out is that earlier this summer the Minister of the Environment announced this year's funding would be earmarked for health and safety projects including water and sewer upgrades."

"The OSTAR program simply does not have enough money to fund all the necessary water and sewer upgrades in Ontario, and still have money left over for things like bridge repair," he added.

Cleary also presented a petition put together by the South Dundas Chamber of Commerce and signed by over 500 people concerned with the disrepair of the Carmen Road overpass at Iroquois.

"The current condition of these bridges and overpasses is also negatively impacting the business community. In the town of Iroquois, it is feared that many businesses will suffer financial hardship and possibly bankruptcy if the Carmen road overpass, that leads right into the heart of Iroquois, isn't fixed immediately."

"We have met with the Minister of Transportation, and we've met with representatives from the Ministry of Finance on this issue. They keep brushing us off. The government just doesn't seem to be interested in public safety," Cleary said after questioning the Minister.

Mischief causes damage to property in Morrisburg

MORRISBURG – During the evening of October 6, unknown person(s) smashed the glass front door to a business establishment in the Morrisburg mall. Damage is estimated at $300.

Further damage in Morrisburg came from a fire extinguisher that was stolen from Black Lumber in Morrisburg. Culprits went about the streets and sprayed the contents into victims cars. Construction type caulking was also used on victim's cars.

Anyone with information concerning these criminal incidents are requested to call the Stormont, Dundas & Glengarry O.P.P. for the attention of Constable Eddie McGraw at 1-[illegible]8-310-1122 or crimestoppers at 1-800-265-TIPS.

Dianne Marshall, R.P.N., A.C.A.D. teaches and practices Therapeutic Touch Therapy from her "New Directions" practice in Winchester.

Healing hands of Therapeutic Touch

Samantha Thompson
Leader staff

WINCHESTER – Owner of 'New Directions' and Wellness Educator/Counselor Dianne Marshall discussed the benefits of Therapeutic Touch at the second annual Dundas Interagency Information Fair in Winchester on October 5.

Therapeutic Touch (TT), a contemporary interpretation of several ancient healing practices, is an integral part of Marshall's work in pain, stress and addiction management.

Several assumptions underlie Therapeutic Touch:

• in a state of health "life energy" flows freely in, through and out of the body in a balanced manner;

• in disease or injury the flow of energy is obstructed, distorted or depleted; and

• TT practitioners attempt to influence this energy imbalance, to restore the integrity of the field towards wholeness and health.

Developed in the early 1970s by Dolores Krieger Ph.D., R.N., now a professor emerita of New York University, TT is now practiced by thousands of health care providers around the world. Many hospitals and health care agencies now include TT in their policies and procedures. TT is endorsed by the College of Nurses of Ontario as a recognized approach in providing nursing care.

Marshall is a Registered Practical Nurse, Certified Addictions Counselor, Certified Group Facilitator and Recognized Therapeutic Touch Teacher and Practitioner. Through her study of mind/body healing, Marshall has developed an integrated, wholistic approach to wellness and well-being.

Marshall teaches at St. Lawrence College and conducts workshops for community service organizations, health centres, senior centres and addiction treatment centres. She instructs in-service programmes for nurses, teachers and addiction workers. Marshall has also guest lectured at the University of Guelph and Georgian College.

To help people to learn how to meditate, Marshall has produced a cassette tape, "The Treasure Within." She was also Founding President of the Arthritis Bluebird Club of Barrie and a founding member of both the Ontario Lupus Association and the Ontario Fibromyalgia Association.

For more information, contact Marshall at her 'New Directions' Practice at (613) 774-3097.

Sending Christmas Joy this Season

Samantha Thompson
Leader staff

MORRISBURG – "Our community has the opportunity to make a difference this Christmas for a poor child in another part of the world," stated Graeme Wilson of Operation Christmas Child for SD&G.

People are asked to fill a shoe box, which has been donated by Hallmark, with gift items for a boy or girl, ages two through fourteen. The shoe box can include such things as non-violent toys, school supplies, hygiene items, clothing and other non-perishable items. As well, the donor is asked to include $5.00 in the box to cover cost of shipping.

Churches and schools throughout Stormont, Dundas and Glengarry are participating in Operation Christmas Child. In 1998, 141 shoe boxes full of gifts were collected. In 1999, the number grew to 2100. This year, organizers hope to fill 5000 boxes bound for such places as Latin America, Eastern Europe, Africa, Asia and the Middle East.

Last year, Operation Christmas Child collected over 3.1 million shoe boxes from across Canada, the United States, Europe and Australia. This project is part of a year-round initiative by Samaritan's Purse, a Christian relief foundation headed by Franklin Graham, son of Rev. Billy Graham.

Empty shoe boxes can be picked up at Dundas Community Living, Knox Presbyterian Church and the Pentecostal Tabernacle Church in Morrisburg. Each shoe box includes a brochure with instructions of items to include and how to prepare the box for shipping.

All shoe boxes must be filled and returned to the participating group or the Cornwall Pentecostal Church Collection Centre by mid-November. Please call the Cornwall Pentecostal Church at (613) 937-3737 or Graeme Wilson at (613) 936-0721 for more information. Details about Operation Christmas Child are on the web at www.samaritanspurse.org.

Seaway D.H.S. Graduation

A Class of Many Diverse Talents

Samantha Thompson
Leader staff

IROQUOIS – "Our class has a reputation for being ready for anything... The members of the graduating class have accomplished so much in so many different areas... As I sat down to reflect upon the highlights of the last five years, I was impressed by the diversity of talent present in our class." These are the words spoken by Dana Hasson, Valedictorian for the Class of 2000 of Seaway District High School at the October 6 ceremony.

Friends, family and faculty gathered on Friday night to celebrate the past accomplishments and future challenges of the 96 graduating students. Hasson recognized that these accomplishments could not have been possible without the guidance and support of teachers and parents.

"Despite the different choices we make as we graduate from high school, whether it be to enter the work world, or pursue a college diploma or a university degree, I know we will all bring our different talents and strength to these endeavours," proudly stated Hasson.

Over $30,000 in scholarships, bursaries and awards were presented in 90 different categories to members of the class.

Katie Bouwman and Tammy Trombley received Business Studies endorsements having earned at least eight Business credits. Catherine Barkley, Christopher Garlough, Sarah Hawn, Melissa MacMillan and Brian Scott each received a Certificate of French Immersion. Dana Hasson was awarded the Perfect Attendance Certificate.

The Graduation Awards were presented to the following recipients: Shanon Shaw, C.F. McInnis Trophy; Greg Millard, Co-operative Education Award; Allison Byvelds, Sarah Charbot and Amy Darling, Ontario Co-operative Education Association Certificates; Mark Lewis, Seaway Automotive Award; Tricia Kaddie, Riverside Heights Women's Institute Award for Family Studies; Juliane Bygott, Milton T. Barkley Plaque; Tricia Kaddie and Sarah Hollands, "First" in OAC Visual Arts; Tyler Casselman, "First" in Grade 12 General Travel and Tourism; Catherine Barkley, "First" in OAC Families and "First" in OAC World Studies; and Andrew Henry, "First" in OAC Chemistry. The Lieutenant Governor's Volunteer Award Pin went to Tyler Darrach.

Bob Bird received an Upper Canada District School Board Pin for representing the Board at the School-to-Work Transitions 2000 Conference in Toronto.

The Principal's Award, which is presented to a graduating student proceeding to a college or university who has maintained very good academic standing while being involved in school life in such a way as to very vividly reflect school spirit, went to Sarah Charbot.

The Chris Salmon Memorial Shield and Award, which is awarded to the Grade 12 student who best uses his/her ability to actively encourage and support positive discussion and debate for the purpose of promoting better communication, understanding and goodwill, was presented to Sarah Hollands.

Thomas Casselman received "First" in the OAC Proficiency Awards, Students' Council 90% Award, the Governor General's Academic Medal and Outstanding Graduate Award along with the RohMax Canada Award and the Morrisburg Lions Club Bursary.

Each graduate was handed a single red rose by Principal Larry Poirier to honour the graduates and our 15th Prime Minister – Pierre Elliott Trudeau. Poirier's speech reflected on the beauty and symbolism of roses, "Roses are wonderful symbols for the human condition."

During his speech, Poirier encouraged those who have not had the opportunity to flourish fully to do so. "Life is a one-way journey. Stop and smell the roses. Cultivate them."

Valedictorian 2000
Dana Hasson, Valedictorian for the 2000 Graduation Ceremonies at Seaway District High School poses with Principal Larry Poirier this past Friday night.

Child Seat Clinics Sat.

MORRISBURG—You've checked off birthdays, anniversaries and medical appointments on your kitchen calendar or pocket agenda. Now check off Saturday, October 14: the Big Day - possibly the most life-saving day of the year.

Throughout Eastern Ontario on October 14, parents caregivers and anyone who transports children can discover the correct and safest way to secure children in a car seat. "Whether you're just heading to the corner store or on a cross-country family trip with children in tow, it's absolutely essential that the child be properly seated in the vehicle," says Jacinthe Seguin of the Eastern Ontario Health Unit.

The health unit is organizing the free child seat safety clinics throughout the five counties along with community partners.

Participants will also receive free, take-home pamphlets and a completed inspection form.

For more information about car seat clinics or child safety issues, call Health Line at 1-800-267-0852.

Local car seat clinics will be held at Winchester Fire Hall from 9 a.m. to 12 p.m., in Williamsburg from 9 am. to 12 p.m. and in Morrisburg from 9 a.m. to 2 p.m.

Work Bee

MORRISBURG—The save the train group will be holding its first ever weekend work bee this Saturday, October 14, at 10 a.m. at the train. Everyone is invited to help out.

This is also an excellent opportunity to see all the work that has been done to date. The group will be there rain or shine, and there is all kinds of work to be done. Wear your work clothes and bring a picnic lunch.

Come in a group or by yourself, and give us a hand to Save the Train.

Laurin first winner of Barkley Memorial

IROQUOIS – Matt Laurin became the first winner of the Ray Barkley Memorial plaque and bursary at the Seaway Graduation Ceremonies here Friday night.

The bursary in memory of Ray Barkley, a well known and respected resident of the Williamsburg area, was made possible thanks to overwhelming response to a memorial ball tournament held in Williamsburg this summer.

Added to the financial bursary was the Memorial plaque purchased by Ray's family, Sylvia, Ricky and Rodney.

From the tournament a total of $2,750 was raised in Ray's name, from entry fees and donations.

"I wasn't expecting that much," says Sylvia. "I guess it shows how much Ray was liked and appreciated."

Sylvia says she has decided to let the school handle the bursary money. "They invest it and take out the bursary amount each year," she said.

As well, Sylvia indicated she talked to David Lapier, who organized this year's tournament, and there are plans to make it an annual affair.

"The money will then be added to the bursary," she said.

Due to other commitments, the Barkleys were unable to attend Friday's graduation, and due to school commitments, Laurin too was not in attendance.

According to the inscription on the Plaque, the Ray John Barkley Memorial Bursary of $200, and a plaque are "awarded to a student who, through his or her actions, demonstrated caring for others and showed perseverance in the face of personal difficulties to complete his or her secondary education".

Laurin is enrolled in a two year Outdoor Adventure Program at Algonquin College. This is a business based program in the tourist industry which, when completed, provides the student with the physical capability of guiding outdoor adventures.

"The school will decide the winner each year," says Sylvia. "I want the a student who is deserving to get it."

CANADIAN ALLIANCE CANADIENNE

Notice of Candidate Selection Meeting Canadian Alliance

The Stormont, Dundas, Charlottenburgh Constituency Association of the Canadian Alliance would like to announce the Party's Candidate Selection Meeting for this riding. It is scheduled for Thursday, October 19, at 7 p.m., at the Ramada Inn in Cornwall. Nominations for the position were set to close at 5 p.m. on October 5. As of now, the Riding Association has accepted three nominees for the position of Canadian Alliance Candidate for the forth-coming election. They are, in alphebetical order, Korey Kennedy (Cornwall), Guy Lauzon (St. Andrews West) and Diane Thompson (Moose Creek). Anyone who is a member in good standing of the Canadian Alliance seven days prior to the Candidate Selection Meeting is eligible to vote for the nominee of their choice. For membership information, contact 932-0382.

October is Lupus Awareness Month - Education needed to recognize and diagnose the disease with 1,000 faces

CALGARY – During the month of October, Lupus Canada is launching a national public awareness campaign to assist Canadians in the early recognition of symptoms and early diagnosis of this often deadly disease. The goal of the campaign is to have people understand the symptoms of Lupus and encourage earlier diagnosis and treatment.

Lupus is real, it is physical, and it can be extremely difficult to diagnose. This chronic, auto-immune disease can affect any organ or system in the body. This means that your heart, lungs, kidneys, brain, joints, skin or blood system can be targeted for an attack by your immune system.

Lupus can look like so many other diseases that it takes an average of 5 - 7 years to diagnose.

"Our goal for Lupus Awareness Month is to alert the public and health care professionals to this serious disease," said Len Funk, President of Lupus Canada. "Lupus looks like so many other diseases, it has been called the disease with 1,000 faces."

Lupus can affect men and children, although 90 per cent of cases are women.

In Lupus, the immune system goes awry and is unable to distinguish between good things and bad things in the body, so it attacks everything. This results in inflammation in whatever part of the body has been targeted. If left untreated, Lupus can be fatal.

Lupus Canada, as a national voluntary organization, in partnership with its members, promotes research to find the causes and a cure for lupus; advocates on behalf of the lupus community; facilitates and coordinates education and public awareness and supports organizational growth and development.

Lupus Canada operates a toll-free number to provide information for the public at 1-800-661-1468.

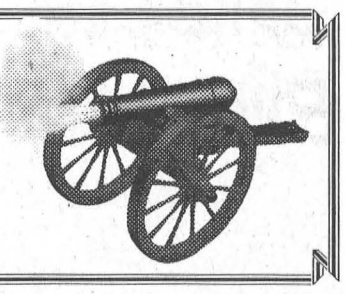
Art Hickey's home situated along the canal in Morrisburg before the Seaway

The Leader's Blast from the Past

Compiled from The Leader's files by Bonnie McNairn



1990

The October 10, issue reported the St. Lawrence Parks Commission had received 14 proposals from the public and private sectors for the five parks it closed earlier in the year as a cost cutting measure.

Seaway District High School Graduated 11 Ontario Scholars at the annual Graduation Ceremony. The Ontario Scholars were Kim Merkley, Eric Pietersma, Julie Robertson, Kelly Smail, Edmond So, Martine Thurler, Roxanne Backes, Catherine Carruthers, Martha Dulmage, Karen Faller and Laurie Helmer.

Ontario Scholars at Rothwell-Osnabruck High School were Cheryl Serviss, Michael Colebrook, Cameron Dixon, Stephanie Wells, Rachel Flegg, Colleen Gillespie, Susanne Bosch and Laura-Ann Bosch.

Morrisburg Deputy Fire Chief, Art Carkner was pictured as he presented a cheque for $5,173 to Ken "The General" Grant at the telethon in Ottawa. The money was raised at the 1990 toll booth in the Morrisburg Plaza. Accompanying Carkner for the presentation were John Vaughan, Norman Stone and Doug Dowson.

Charlie and Myra Eamon were celebrating their 45th wedding anniversary.

The Morrisburg Junior B Lions opened their season with a 6 - 2 loss to the Kemptville 73's. John Morrow and Mike McAllister had recently signed with the team, and on defence the team had added Ernie Beckstead of Brinston, and Tim Casselman and Chris VanBridger both of Williamsburg. Signing on for left wing positions were Jason Smith of Morrisburg and Michael Forget of Hawksbury.

Councillors sitting on a joint recreation committee representing the four municipalities of Morrisburg, Iroquois, Williamsburg and Matilda were meeting to discuss draft proposals of an in-depth recreation study. The four municipalities were considering a joint approach to the administration and staffing of municipal recreation facilities.

1980

The October 8, issue reported neighbouring councils were less than sympathetic to a bill which was sent to them by the Corporation of the Village of Morrisburg. The bills requested payment for recreational service, primarily involving ice time at the Morrisburg Arena, and had been sent to Williamsburg, Iroquois and Matilda councils. The problem arose in Morrisburg, when some parents of juvenile aged players voiced their disapproval of having youngsters from outside the village being accepted on teams from which their children were cut. They felt they were subsidizing others from outside their municipality. The bills were an attempt to get the other councils to sit down and discuss the issue.

The Leader's Bill Laurin was pictured holding the Lynard Publishers Ltd. Trophy for best spot news photo coverage among papers under 3,000 circulation. The award was for the exclusive coverage of the 1979 Via Rail's Turbo train fire.

The Williamsburg Pioneers held their 45th Ball Banquet at the I.O.O.F. Hall in Williamsburg. Larry Cooper was the big winner, receiving the Phil Casselman Memorial Trophy as the most gentlemanly player. He also received the Mr. and Mrs. Ken Barber trophy as Most Improved Player. The Arden Trickey memorial trophy for M.V.P. went to pitcher Jim Morrell, and the Mr. and Mrs. George Strader Memorial Trophy, for the best batting average, went to Duke Roles. The team was coached by Steve Summers.

Two new staff members had joined The Leader. Cindy Sheldrick had been recruited as compositor and Louis Arsenault, an accomplished and professional printer was taking over the job printing work.

The Loyalist Hotel was to reopen the popular Elegante Dining Room, following full scale cleanup and repairs in the wake of damage caused by the recent fire. The two dining areas had been completely scrubbed clean and repainted, all rooms and hallways had been redone and the lounge was in the process of being completely rebuilt.

1970

The October 9, issue reported Intermediate Hockey action was to start on November 15, and would include the Kemptville Royals, Cornwall Flyers, Embrun Panthers, Prescott Barons and Morrisburg Combines. Reporting to the Combines' camp were Allie Cameron, Big Doug and Little Doug Casselman, Bob Carkner, Ron Quenneville, Shad St. Jean, Ron Branchaud, Gord McMillan, Rick Rushford and Paul Beckstead.

Mr. and Mrs. Merle J. Deeks celebrated their 50th wedding anniversary. They were married September 1, 1921, at the Morrisburg Methodist Church by the Rev. H.H. Miller.

The Cardinal Pats were continuing to mow the opposition ball teams down. The Pats had defeated Madoc and Toronto in Intermediate A, O.A.S.A. Play Downs, and were now facing Woodstock in the final.

Seen 'n heard Around The Town

Thanksgiving has come and gone, and hopefully everyone had a good holiday. We're hoping that things went better this year at the Leo Lortie residence. Seems last year the family had gathered, and just when it was time to get the food ready for the table a major discovery was made. The turkey, that was supposedly cooking since early morning, was still very, very cold. Seems someone failed to turn the oven on. At times like this we have to thank whoever it was that discovered cold meats.

•••

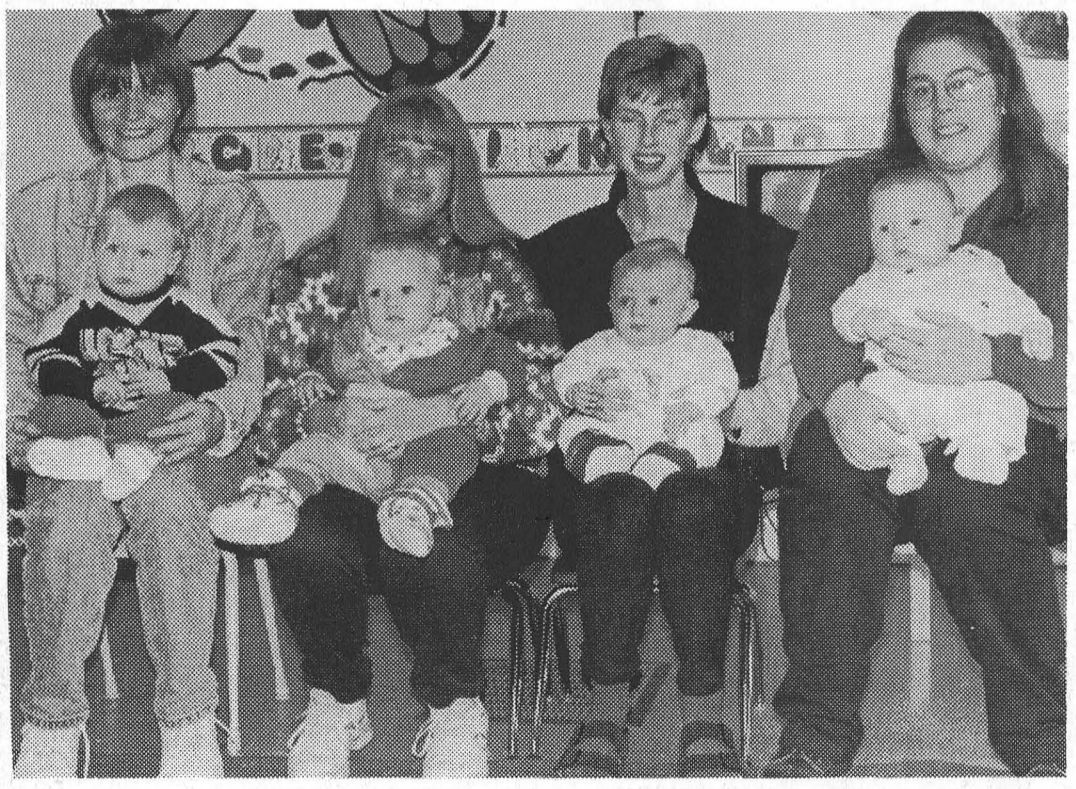
This is Fire Prevention Week and fire departments, throughout the area have planned several special events to promote fire safety. Tuesday, the Morrisburg Fire Department was at Morrisburg Public School, where a fire drill resulted in the school being vacated in one minute, 15 seconds. Great work! This Saturday, the Morrisburg Department has planned an open house where the public will get a look at all the fire fighting paraphernalia, as well as the renovated Fire Hall in the Justice Building. At the same time, a Child Seat Inspection Clinic is being provided by members of the department. Both the Open House and the Clinic will run from 9 a.m. until 2 p.m. Child Seat Safety Clinics are also taking place at the Williamsburg Fire Hall and the Winchester Fire Hall from 9 a.m. to noon.

•••

The Save the Train group is holding its first ever weekend work bee this Saturday, October 14 at 10 a.m. at the train. With cold temperatures and that white stuff now threatening us, it's important to make some speedy progress. The day will also provide the opportunity to see all the work that has been done to date. The bee will be on, rain or shine, or snow!!! So grab your work clothes, and head on down to the train site.

•••

How sad it is to read in this week's Leader a story on kittens being abandoned on a Morrisburg resident's door step. Growing up, just outside Williamsburg, it became known that we had a soft heart for animals, and we were often too the recipients of unwanted animals. In this recent case, the kittens weren't even old enough to eat on their own. It is hard to imagine how someone can do this.



Four happy and healthy breastfed boys!
These four mothers and their babies joined the 'Watch Me Grow' drop-in centre in celebrating World Breastfeeding Week last Thursday at 'A Child's Place' in Morrisburg. World Breastfeeding Week

Breastfeeding is a human right

Samantha Thompson
Leader staff

MORRISBURG – Last Thursday, area mothers and babies gathered at 'A Child's Place' pre-school in Morrisburg to celebrate World Breastfeeding Week as part of their 'Watch Me Grow' session - a weekly support program for mothers and babies to share experiences and learn about childhood health and nutrition.

Janet Allingham, Public Health Nurse with the Eastern Ontario Health Unit, was on hand with pamphlets and a video about techniques to and benefits of breastfeeding.

Each year, the World Alliance for Breastfeeding Action launches World Breastfeeding Week (WBW). This year, WBW focuses on breastfeeding as a human right. New research consistently shows that it is not possible for infants and mothers to reap the benefits of breastfeeding unless conditions are created that allow women to practice exclusive feeding for six months.

The WBW 2000 goals are:
• to raise awareness about the fact that breastfeeding is a right;
• to provide information about formal and legal mechanisms that exist internationally and that either do or should exist at national level; and
• to stimulate a shift in public thinking so that this right is respected, protected, facilitated and fulfilled at household, community and government levels in every country.

According to WBW breastfeeding is a right because of the following:

• women and children are subjects of human rights, not objects of charity,

• breastfeeding is part of fundamental human rights: the right to food and to health,

• breastmilk is the best food for infants,

• the act of breastfeeding is an essential component of good child care, contributing to the psychosocial development and growth,

• breastfeeding contributes to every woman's rights to health by reducing her risk of getting breast and ovarian cancer, iron deficiency anemia and hip fracture.

The World Health Assembly and UNICEF recommend paid maternity leave during the six-month period of exclusive breastfeeding. They also recommend paid breaks and access to facilities for either breastfeeding the baby or expressing milk after the mother returns to work. Unfortunately, this is the exception rather than the rule in our present society.

Women face many different obstacles to breastfeeding. Even where women are provided with maternity leave, low pay for the leave or fear of losing their job or seniority is a powerful deterrent.

Breastfeeding is a right for every mother and government should protect, promote and support the right to breastfeeding. It is essential to fulfill every child's right to adequate food and the highest attainable standard of health.

For more information, contact the Health Line/Appel-Santé at 1-800-267-0852 or visit the World Alliance for Breastfeeding Action on the web at www.waba.org.br.

"Be Thankful: Always"

From A Biblical Perspective

Rev. Duncan Perry

Thanksgiving weekend is past. The long weekend that we all looked forward to is now history and it is back to our routines again. For many that is all Thanksgiving means, just a long weekend whereby we can escape the regular schedules we all live by. Thanksgiving though, should be so much more than just a reprieve from our daily endeavours.

Thanksgiving Day began as an act of acknowledging the goodness of God. It was all started many years ago by a group of people who had left their homelands because of religious persecution. Upon arriving in America, they experienced the harshness of our winters and many of them died. However, when winter had passed and spring began to bring fresh life upon the earth, these early settlers set about to prepare ground and to sow seed, expecting to harvest crop. Indeed when harvest time came the crop was so bountiful that the people set aside a day to celebrate God's goodness and to give thanks to Him. Everyone set aside their regular duties and gave God thanks. That is what Thanksgiving Day is all about, a day set apart to give God thanks, not each other, but God. Thanksgiving acknowledges the God of the harvest.

However, should Thanksgiving only be a once a year thing? Is it only on this day that we are to be thankful? I believe that in this country we have so much to be thankful for everyday of the year. Yes, I know it would be nice not to have to pay such high taxes, it would be great if we could once again have fuel for our cars for fifty-cents a gallon. The fact of the matter is, though, that while we gripe about these things, we are far better off than many countries in the world today. I am told that in some countries, fuel for cars can be as much as two dollars and fifty-cents a litre. A person who works all week may not make as much as some of us do in an hour. One meal a day would be a luxury for some. Yes, we have much to be thankful for.

For those of you who read this and consider yourselves Christian, the Bible has much to say to you regarding thanksgiving. Ephesians 5:20 tells us, "Give thanks always for all things unto God the Father in the name of our Lord Jesus Christ." A genuine Christian will have a thankful heart. Psalm 95:2 says we are to, "come before His presence with thanksgiving" and Thessalonians 5:18 encourages us, "in everything give thanks for this is the will of God in Christ Jesus."

Sometimes it is difficult to see a bright side in some of the circumstances that we face in life, but God, who loves us very much and proved that love for us on Calvary, cares for us. He is with us. He knows what we face day by day. He knows the difficulty we have some days to make ends meet. He has promised, "to supply all our needs according to His riches in glory by Christ Jesus our Lord." Phillipians 4:19.

Thanks is a big word. It is powerful and transforming. It lifts our eyes off of our circumstances to the God who has a vast supply of all that we will ever need. It is certainly appropriate for us to set aside a day to give thanks to our loving God. It is even more appropriate for us to live everyday with an attitude of thanksgiving. God Loves you. Why not take a moment to give Him thanks.

When dining out:
Eat Smart!

WINCHESTER – The Eastern Ontario Health Unit (EOHU) is launching "Eat Smart!" Ontario's Healthy Restaurant Program.

Nadine Stumpf, of the EOHU, is heading this new program that will rate participating restaurants according to a specific set of standards.

"Currently, we only have five restaurants involved but it's a start," stated Stumpf.

Participating restaurants will bear a Eat Smart! symbol and offer the following:

• a variety of healthier food choices, on the menu and by request

• exceptional standards in food safety including kitchen staff certified in safe food handling by Public Health

• more non-smoking seating than is required by law in the community.

To find out which restaurants have qualified for the Eat Smart! award, contact the Health Line/Appel Santé at 1-800-267-0852. If your favourite restaurant is not listed, suggest that they contact the Eastern Ontario Health Unit to find out how to get involved. Visit the Eat Smart! website at www.eatsmart.web.net.

Seven Ontario Scholars

R-O graduates 43 students

INGLESIDE – Forty-three students returned to Rothwell-Osnabruck High School here Friday night, to participate in the annual graduation ceremonies, and pick up some 91 awards, bursaries, scholarships and certificates.

"Each year, graduation is a complex combination of different emotions: the excitement of moving on, the sadness of letting go, the challenge of new opportunities, and the risk of losing friendships," said Valedictorian Michael Dewar. "As in any year, this group of students demonstrated a wide mixture of talents, accomplishments, and struggles. It is good to see them all in one place as a group, one last time."

"High school has taught us to grow and mature. It has formed the bridge between our childhood and adulthood, a bridge we have now crossed. When we leave this room tonight, we begin a journey down new pathways of work, college or university."

Dewar also had praise for the teachers. "Our teachers have always helped us whenever they could and volunteered their time for our extra-curricular activities, sports and helped after school or at lunch," he said, adding, "We will always remember the teachers who taught us more about life than a text book ever could."

In total the school produced seven Ontario scholars, who were led by Laura Donnelly of Lunenburg with a 90 per cent average. As top Ontario Scholar, she received the Governor General's Award and another nine scholarships and awards.

Finishing second for the silver academic Excellence Medallion was Amanda Eddington of Ingleside with an 86.8 per cent average, and the bronze medal went to Kirk Andrew of Ingleside with an 84.2 per cent average.

The remaining four Ontario Scholars were Miles Sylvia (84.2) of Ingleside, Michael Dewar (83.3) of Ingleside, Rebecca Alguire (82.8) of Ingleside and Michelle Meilleur (80.3) of Long Sault.

Andrew, Dewar, Donnelly, Eddington and Sylvia also received awards for earning honours each school year from Grade 9 to OAC.

Tawnya Merkley, Sean Hennessy, Kyle Beaudette and Rebecca Alguire received awards for earning four years of honours, and Allison Barber and Stephanie Enns received three year honour tabs.

A total of eight Achiever Pins were awarded in various categories.

Rebecca Alguire received her pin for excellent academic achievement in English OAC, and Teri-Lyn Antoine received a pin for good consistent effort in Grade 12 General English.

Achiever pins for academic achievement in biology went to Laura Donnelly, in OAC computer class to Amanda Eddington, in Drama 3G to Sean Hennessy, in OAC drama to Michelle Meilleur and in work ethic on the Co-op job site to Maggie Moke.

Tawnya Merkley received achiever pins for Media English and for Geography 3G.

Lions win one in weekend action

MORRISBURG—The Morrisburg Junior B Lions, finished on both the right side, and the wrong side of 7 - 5 scores in weekend action.

Friday night they were on the road to Winchester, where they downed the Hawks 7 - 5, and Sunday on home ice, they gave up a loss to the Akwesasne Wolves 7 - 5.

Weekend action now puts the Lions in third place in the St. Lawrence Division standings, behind first place Kemptville with 12 points and second place Alexandria with nine.

The Lions have split six games, with three wins and three losses, for a six point total.

Friday night in Winchester, Lions' goaltender Mathieu Whalen and the Hawks' Greg Griffith were unbeatable in the first period.

The Hawks got it rolling at 5:22 of the second with a powerplay goal from Jean Marc Dupont.

Thirty-three seconds later it was back in the Lions' court as they went to work for a couple of quick ones, from Wayne Garlough and Alex Gray, both unassisted, to boost the Lions into a 2 - 1 lead.

Before the period had ended the Lions struck for another pair both from David Payette and assisted by Garlough, while the Hawks connected once from Ryan McInnis.

The Hawks gave it a big effort in the third, and with 3:34 left to be played it was all even at 5 - 5.

That set the stage for the winner and the insurance marker, both from the stick of Stef Champagne for the 7 - 5 Lions' win.

Also scoring in the third was Lions' captain Wayne Garlough, who added his second goal for a four point game.

Brad Casselman provided the Hawks final two goals.

Sunday afternoon in Morrisburg, the Lions trailed the Wolves 2 - 1 heading into the second period where they took control, outscoring their opponents 3 - 2 to even the game 4 - 4.

Third period action saw them run out of gas, the Wolves outscoring them 3 - 1 for the 7 - 5 win.

Marc Lapointe was in net for the Lions, and Lance King saw action for Akwesasne.

Phil Boots, Ian Mitchell, and Jamie Smith had two goals each for the Wolves, and Jess Thompson provided a single.

Charlie Froment, who has returned to the Lions from the Jr. A Tier 11 level, got rolling with a pair of goals. Last year, Froment was the top scorer for both the Lions and the St. Lawrence Division.

He was backed by singles from Stef Champagne, Wayne Garlough and James Morrell, who scored while the Lions were short handed.

The Lions' capitalized on eight Wolves' penalties for two powerplay goals and the Lions were assessed eight minors, a five minute fighting major and a 10 minute misconduct.

SCOREBOARD

St. Lawrence Division

	GP	W	L	T	Pts
Kemptville	6	6	0	0	12
Alexandria	5	4	1	0	9

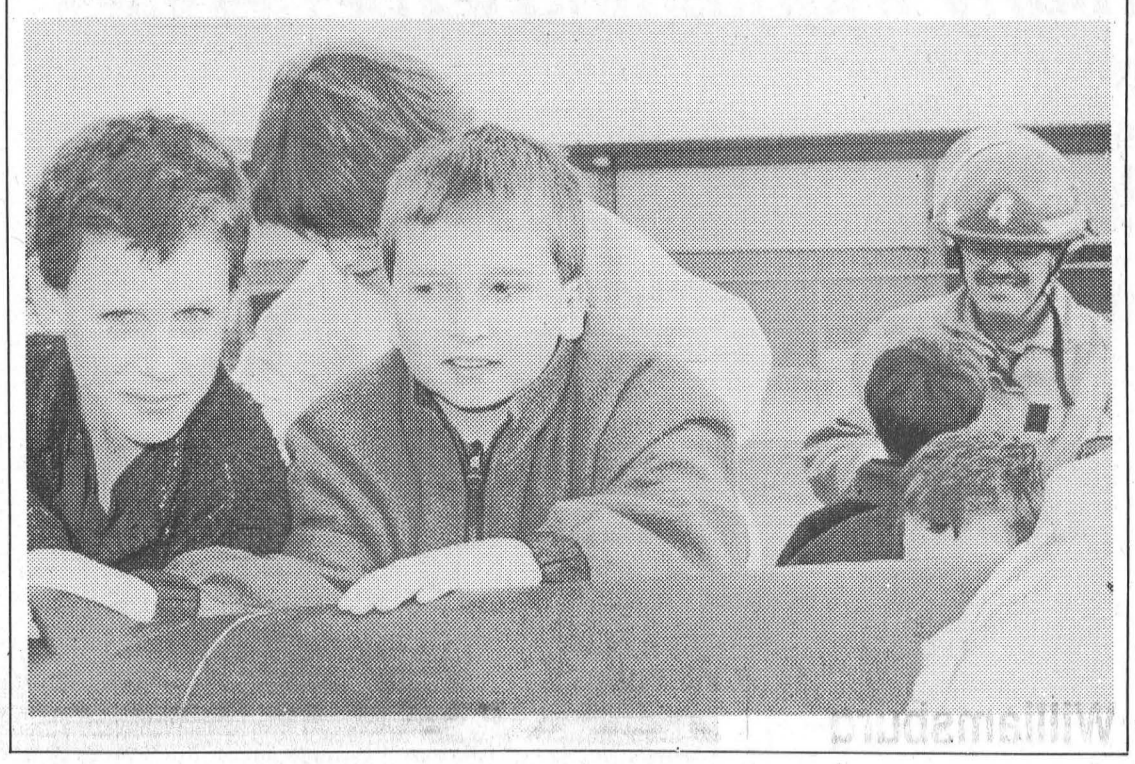
Ready for the Big Blast

As part of Fire Prevention Week, members of the Morrisburg Fire Department were at Morrisburg Public and St. Mary's Schools on Tuesday. Along with fire drills, the students were allowed to check out the fire truck and rescue boat. Above, a group of students at Morrisburg Public prepare from a siren blast while below they check out the inside of the rescue boat. McNairn photo



Exciting year expected for Novice B Lions, tie pre-season opener

MORRISBURG—The season opener is in the books, and if the initial affair is any indication, it will be an exciting year for the Morrisburg Novice B Lions.

Last Tuesday night, the young Lions were met by Char-Lan at the arena here for an exhibition game that ended tied 2 - 2.

The Lions were a bit rusty in the first, and the Rebels were quick to take advantage. Chris Sendal of Char-Lan scored the game's first goal at 7:46. Lions' goalie, Luke Stewart, was steady in the opening frame making several good saves to keep his team close.

Stewart's teammates responded and surged to tie it in the second on a Michel Thurler tally. After a couple of great scoring chances, Thurler finally slid one past Char-Lan goalie Josh MacDonald. The Rebels answered immediately on a goal by Max Ming at 10:40 of the second, to go up 2 - 1.

The Lions increased their tempo in the third, and after many glorious chances, tied the game 2 - 2 on a goal by David Toonders with only 1:30 left.

Toonders, positioned in the slot, received a superb pass from defenceman Scott Summers, and went in and beat MacDonald on the short side. Toonders has been known for keeping his head up, while carrying the puck, and he was rewarded by picking the corner for the tying goal.

A regular feature of this column will be a weekly comment from Coach Dan. This week's message is, "We're taking it one game at a time."

The 2000 Novice B players are, goalie Luke Stewart, defencemen Nick McCaslin, Drew Morrow, Scott Summers, Drew Hunt, and Spencer Peters, centres Josh Veltkamp and Jay Kellar, and wingers Nick Thomas, Michel Thurler, Daniel Stevens, and David Toonders.

Fair Play Code for Coaches

1. I will be reasonable when scheduling games and practices, remembering that players have other interests and obligations.
2. I will teach my players to play fairly and to respect the rules, officials and opponents.
3. I will ensure all players get equal instruction, support and playing time.
4. I will not ridicule or yell at my players for making mistakes or for performing poorly. I will remember that players have to have fun and must be encouraged to have confidence in themselves.
5. I will make sure equipment and facilities are safe and match the players' ages and abilities.
6. I will remember that participants need a coach they can respect. I will be generous with praise and set a good example.
7. I will obtain proper training and continue to upgrade my coaching skills.
8. I will work in cooperation with officials for the benefit of the game.

The above code has been supplied through the Hockey Trainers Certification Program, and provided by Morrisburg and District Minor Hockey Association vice-president John Hanson . Fair Play Codes will run for the next four weeks.

College golf

Boivin leads Cornwall team

NIAGARA FALLS – Morrisburg's Brad Boivin led the Cornwall Campus St Lawrence College Golf team in a 36 hole tournament played at the Whirlpool Golf Course here last Wednesday and Thursday.

Boivin shot rounds of 82 - 78 to lead the St. Lawrence entry, which despite an 11th place finish out of 13 teams, left team coach Sean Boulerice reasonably happy.

Each team consists of five golfers, and the total team score is totalled from the best four rounds on each of the two days.

"Last year were finished in the same position with 784 strokes." says Boulerice. "This year we improved with 708 strokes."

Boulerice explained that each year one of the four schools, that have golf programs wins the event. After that, there is a group of about six schools that finish in the middle of the pack, and four at the back of the pack.

"Last year we were 48 strokes from the middle pack, and this year we cut it to just three strokes," he explained. "We were comfortable in our position. We are talking of schools with student populations of 2-3-4,000."

Taking the overall win was Humber College, well known for its golf program. "They won with 593 strokes," says Boulerice. "And just as an example, their first day scores were 66, 67, 72, 72, 73. They threw out a 73."

According to Boulerice the Whirlpool Golf Course was immaculate. "The fairways were just like a carpet, and they had it set up tough."

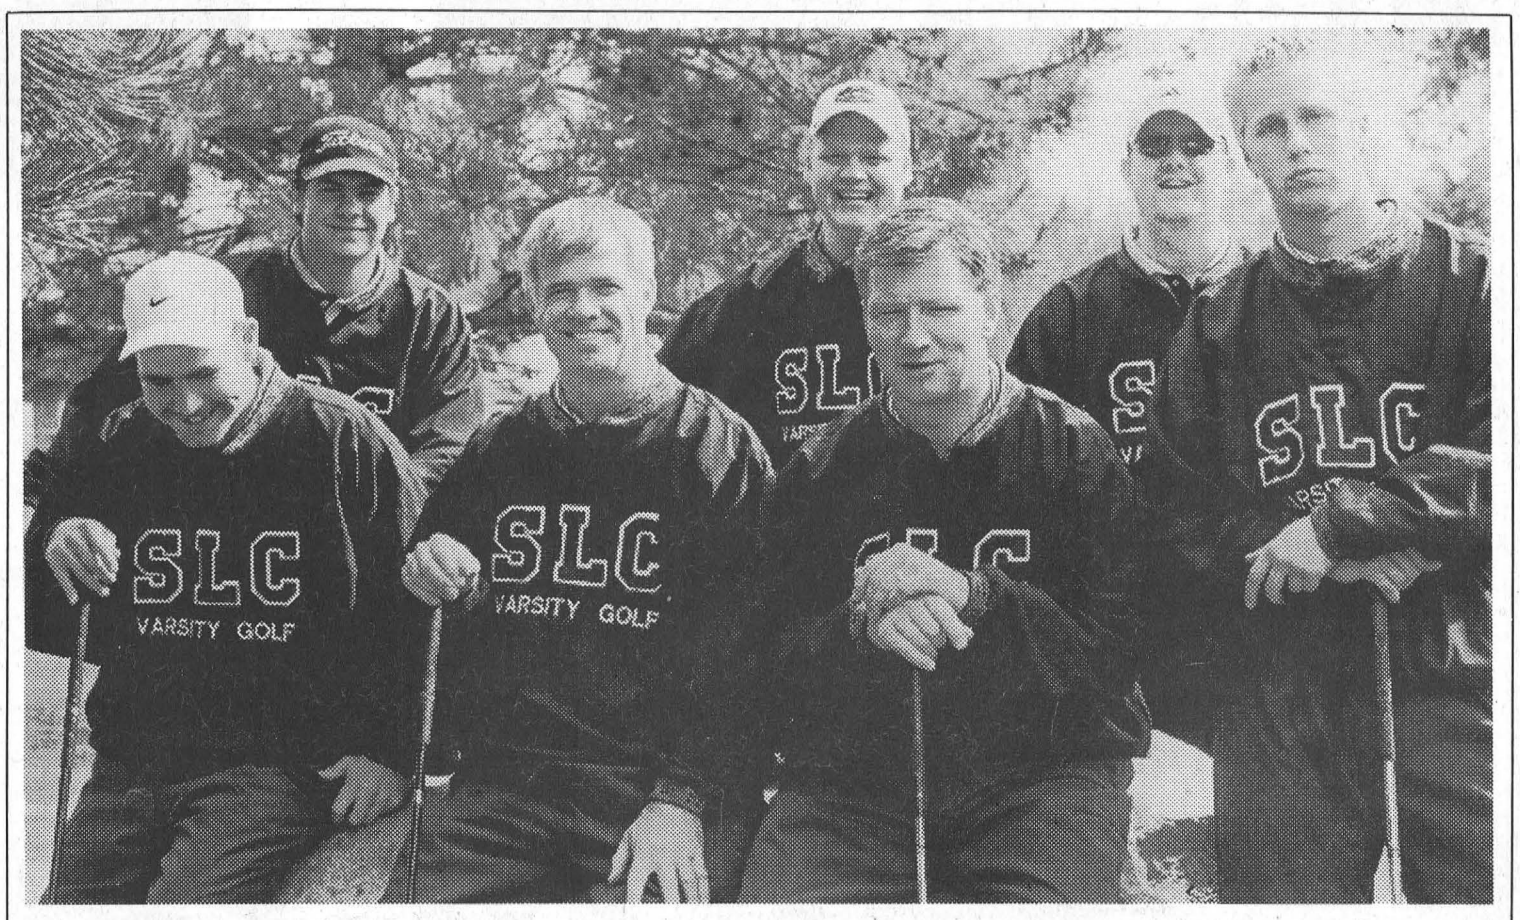
Adding to the difficulty of play was bad weather. "On day one it rained, and it was real bad. Day two was worse," says Boulerice.

On Sunday, October 1, the Cornwall team hosted a Tri-Campus tournament at Upper Canada Golf Course which was won by the St Lawrence Kingston Campus with four of five players counting 320 strokes.

Cornwall was second with 353 strokes, and Brockville posted 380.

Again it was Boivin leading the Cornwall entry with an 83. Trevor Ashby produced an 87, Jamie Scott of Morrisburg a 91 and Ken Kingsbury a 92. Lee Charlebois' 96 was not used in the team total.

At Niagara Falls, Scott shot 93-87, Kingsbury had 89-97. Charlebois 91-91 and Ashby 93-98.



College Golf at the Falls

The Members of the St. Lawrence College, Cornwall Golf Team had a busy week starting with a tournament at Upper Canada on Sunday followed by a 36 hole event played at the Whirlpool Golf Course in Niagara Falls on Wednesday and Thursday. Members of the team, front left to right are Ken Kingsbury, coach John Hamilton, coach Sean Boulerice and Trevor Ashby. Back left to right, Brad Boivin, Jamie Scott and Lee Charlebois. McNairn Photo

Spooky Wagon Ride promises many frightening experiences

EMBRUN – For the past eight years, the North Dundas District High School Bands and Cannamore Orchard have presented the Spooky Wagon Ride™, working very hard to put on a frightening production for everyone to enjoy. And the frightening experience is continuing this year.

The event has been the major fund raiser for the NDDHS school bands, offsetting costs not covered by the school, for such things as attending festivals and competitions, subsidizing trips and many miscellaneous uncovered expenses.

Despite political action that makes it impossible for teachers to help this year, the band members and their parents have decided to continue the Spooky Wagon Ride™. It has proven to be a successful and profitable fund raiser in the past. Without school staff support, it will be very difficult and take a lot of work.

The Spooky Wagon Ride ™ takes place at Cannamore Orchard, situated near Embrun. Each wagon, led by its own bilingual witch, winds through acres of orchard and adjacent woods.

It includes scenes acted out by band members to both spook and amuse, and includes a public hanging at the gallows, witches burning at the stake, a chain saw massacre, and a variety of other haunting sights.

Each wagon offers safe seating, and for the brave, the Spooky Wagon Ride runs after dark. For the little ones, afternoon rides are available on Saturdays and Sundays.

This year the Spooky Wagon Ride runs October 13-15, October 19-20,22, and October 26-30. Times are 1-5 p.m. on Saturdays and Sundays, and 6:30-10 p.m. for all early evening rides.

Rates are $9 for ages 13 and up, $7 for children ages 4-12 and children under four are free.

The admission to the Spooky Wagon Ride also includes:

•the Spooky Village, where you could be measured for a coffin, meet a witch, and much more.

•the Spooky Fog Maze.

•a walk in the Corn Maze (in daylight only).

•a visit to the Orchard store or our canteen.

•relax at the patio/picnic area.

•visitors dressed in a complete Halloween costume will receive a free bag of popcorn.

Atom Bs

Undefeated in pre-season

MORRISBURG—With a 3 - 0 record in pre-season exhibition action, the Morrisburg Atom B Rep Lions are poised for league play that starts tonight (Wednesday) in Morrisburg at 7p.m. against North Dundas.

The Lions 3 - 0 exhibition record started when they dropped the Cornwall Royals 3 - 0 in Cornwall on Saturday, September 30.

Steve Baird and Ryan Swank shared the shutout, and providing the scoring were Brandon Elliott, Christopher Tindal, and Darren Baldwin.

Ali Tait and Patrick Bongers had three assists each, and Elliott earned one.

In the second exhibition game, the Lions were home to South Stormont, and claimed a 4 - 1 win.

The Lions took a one goal first period lead when Tindal scored on a setup from Scott Douma.

Early in the second period Alexander Whelan scored with help from Tyrell Keicks and Tindal, and less than a minute later, Douma put the Lions up 3 - 0 on a pass from Baldwin.

Swank was turning all shots aside until 13:58 of the second, when D.J. Cutler found a hole.

The third was tight checking until 12:30, when Elliott, with help from Tait and Jane Moss, gave the Lions a 4 - 1 upset.

In game three the Lions travelled to Long Sault for a rematch against South Stormont which again ended with a 4 - 1 Lions' win.

Swank saw a lot more rubber coming his way in net, and was only beat once early in the third by Nicholas Lefebvre, with help from Scott Simpson and Cory Jodoin.

Tindal started the Lions roaring midway through the first with assists going to Keicks and Elliott. Jane Moss added to the lead on a setup from Elliott, and Bongers made it 3 - 0 on a pass from Keicks.

Elliott finished the scoring with help from Moss and Tait.

The Atom B Rep Lions start play against North Dundas tonight (Wednesday), and then travel to Long Sault on Friday, October 13, for a 7:30 p.m. start.

Wednesday, October 18, they host the high flying Cornwall Royals.

Off the ice, the Lions will be busy on October 21, with a car wash fund raiser at Strader Motor Sales in Morrisburg. There will complimentary coffee and doughnuts. Details will be announced at a later date.

This year's Atom B Rep team consists of goalie Ryan Swank, defencemen Tyrell Keicks, Noah VanMoorsel, Ali Tait and Scott Douma, and forwards Patrick Bongers, Christopher Tindal, Jane Moss, Alexander Whelan, Allan Waddell, Collin Chesbro, Brandon Elliott, and Darren Baldwin.

Team officials include head coach Jimmy Whelan, and assistants David Tait and Tommy Tindal. Barry Elliott is the trainer, and Perry Swank is team manager.

Bantam B Lions lose close ones

LONG SAULT—The Morrisburg Bantam B Lions lost a couple of close ones in exhibition play last week, the first to North Dundas in Chesterville 4 - 3, and the second to South Stormont 1 - 0 here last Thursday.

Delio Rossi was in the South Stormont net for the 1 - 0 win, and Matthew Hickman beat Lions' goalie Nick McGill for the lone tally of the game at 5:73 of the third period.

Last Tuesday night against North Dundas, the Lions were first on the scoreboard. They built a 2 - 0 lead early in the second, but they couldn't hold on and gave up a 4 - 3 loss.

Eric Vachon got them started midway into the first with help from Ben Baker and Brandon McKendry. Early in the second, Jamie Byvelds upped the count to 2 - 0 with Frankie Buwalda providing the assist.

But North Dundas came roaring back with two goals to even it 2 - 2 as they headed into the third. Counting for North Dundas were Adam Schoones and Brad Switch.

Two quick goals in the third from Pat Pommanville and Dan Marion, put North Dundas up 4 - 0.

The Lions managed one back with 47 seconds left in the game from Brett DeRue, assisted by Derek Baldwin.

Matt Bird handled the North Dundas net duties and Matt Dillabough saw action for the Lions. Four minor penalties were assessed to each team.

Riverside Darts

IN MEMORIAM

REDDICK–In loving memory of my husband, Floyd, who passed away October 17, 1995.
May the winds of love blow softly
And whisper so you'll hear
That I still love and miss you
And wish that you were here.
–Always remembered, Betty 41p

CUTLER–In loving memory of Dean, October 10, 1999.
October comes with great regret,
A month that we will never forget.
We hold our tears when we speak your name,
But the ache in our hearts remains the same.
No one knows the sorrow we share,
When we wake and you're not there.
You left a place no one can fill,
But in our hearts you linger still.
–I will never forget, Angela and Toshena 41p

Operation 40+

The Voice of Experience

ARE YOU LOOKING FOR WORK?

Operation 40+ is a program designed to assist unemployed workers, 40 years of age or older, find meaningful employment. Our approach is unique in that we utilize a combination of team work, workshops, seminars and marketing of all participants to employers in S.D.&G. If you are motivated and willing to work, employers are interested in hiring individuals who offer maturity, life skills and a sense of loyalty to their workplace. As a participant you will have access to the following services.

- Registration in our Human Resources database that employers can access at no extra cost
- Specialized seminars, such as Staying Balanced Under Pressure and Coping with Unemployment
- Pre-assessment required
- No fee for services
- Apply in person to the Customer Service Representative at 144 Pitt Street, Cornwall

Tous nos services sont disponibles en francais

Funded by / Subventionné par:

Human Resources Development Canada / Développement des ressources humaines Canada — Ontario — Employment and Education Resource Centre of Cornwall and District, Inc. / Centre de ressources d'emploi et d'éducation de Cornwall et district, Inc.

W.D.M.H Auxiliary makes new purchases

WINCHESTER – The Winchester District Memorial Hospital's Auxiliary has once again demonstrated commitment and generous dedication to our community hospital with some recent purchases.

Patient care and comfort will now be improved through the Auxiliary's purchase of 10 new electric beds, which include new overhead tables and bedside tables. The total cost of these new beds is $42,000.

"We are extremely grateful," said André Rodier, Hospital Administrator. "The Auxiliary and its members continue to be a vital partner in assisting us in improving the quality of healthcare and equipment available to our patients."

The generosity did not stop there.

The "In Memoriam Fund" has also purchased a much needed "Bar Code Reader", valued at over $6,000 for the lab. The reader will provide the lab technician with more available time, as well as reducing the chances of clerical error.

The Bar Code Reader is a vital piece of equipment that will aid in the processing of patients' specimens. The reader is attached to the "vitro 250" chemistry analyzer. The bar code reader allows the operator to load the patient specimens directly onto the dry chemistry analyzer without having to manually enter the patient's identification number, name, and the type of test required.

When patient specimens arrive in the lab, they are entered into the "Laboratory Information System" (LIS). The vitros 250 is connected to the LIS which prints a patient sample label. After centrifugation, the specimen is placed into a rack. The Bar Code Reader then scans the specimen, and runs the required tests as outlined form the information obtained from the LIS.

The WDMH Auxiliary is run by a group of dedicated volunteers whose projects and special fund raising campaigns assist the hospital with the purchase of equipment. To volunteer or to make a donation to the regular or "In Memoriam" funds, contact WDMH Auxiliary President, Marion Carkner, at 774-3156.

OBITUARIES

Alberta Noort

The Lord took unto Himself, His loving and faithful servant and our loving mother and Oma (grandmother), Alberta Noort at age 68 in Winchester on Wednesday, September 27, following a six month illness.

Born on October 17, 1931 in Amersfoort, Holland, she was the loving and dear mother of Trudy (Harry Bakker), Brockville; Len (Trudy) Noort, Martintown; Margriet Noort (Robert Weeks), Aylmer, Quebec; Betty (Chuck de Hann), Ingleside; Lubbert (Linda) Noort, Dunneville; Marian (John Heemskerk), Surrey, B.C.; Derrick (Janet) Noort, Winchester; Peter (Sylvia) Noort, Kemptville.

Alberta was predeceased by husband Dirk Noort (June 26, 1976, age 49) and Leendert Noort (October 25, 1993, age 55).

She was the Oma (grandmother) of 22 grandchildren, the daughter of Lubbert Vandemheen, New Brunswick and predeceased by her mother Grietje Vandemheen nee Termaat in 1966.

Alberta "Bep" was the sister of Eib (Lloyd Leeman predeceased), New Brunswick; Rene (Carol) Vandemheen, Chesterville; Bill (Phyllis) Vandemheen, South Mountain; Mac (Ann) Vandemheen, Williamsburg; Alice (Albert Luimes), New Brunswick; Grace (Gerry Cooper), Kemptville; Ali (Andrew VanBeilen), Morrisburg; Jake (Dawn) Vandemheen, Florida; Wout Slater, Ottawa; Lubbert (Wanda) Vandemheen, South Mountain; Adriaan (Wilda) Vandemheen, Brinston.

Alberta enjoyed many healthy, happy years with family and friends. She was actively involved in various committees within her church and the Timothy Christian School. She very much enjoyed quilting, knitting and gardening and will be warmly remembered for her beautiful flower gardens. Alberta's warmth, love and generosity was deeply felt by her family and many dear friends. She'll be sadly missed and fondly remembered.

Friends called at the Marsden and McLaughlin Funeral Home, Williamsburg. Donations were made to the Canadian Cancer Society or the Timothy Christian School.

The funeral service was held at Williamsburg Christian Reformed Church on Saturday, September 30, with Rev. George J. Rowaan officiating.

Interment at the Williamsburg New Union Cemetery. Pall bearers were Len Noort, Lubbert Noort, Derrick Noort, Peter Noort, Mac Vandemheen and Lubbert Vandemheen.

Castle Frankenstein

WINCHESTER – Dundas County Players are pleased and excited to present their fall stage production of *The House of Frankenstein*, October 19-21 and 26-28 at Henderson Hall in Winchester.

Written by actor-playwright Martin Downing, this British comedy-horror brings together a creepy collection of the most classic characters under the same roof, the same night.

Baron Victor Von Frankenstein, bored with his attempts to give life to the lifeless, has turned his attention to curing the supposedly incurable!

In his grim castle in the Carpathian Mountains, he and his long-suffering wife Elizabeth, the unsavory hunchback Ygor, the Valkyrian housekeeper Frau Lurker, and the Monster (who doubles as a drinks-trolley and standard-lamp) play host to various mysterious and menacing denizens of the night (invited or otherwise), who visit the Baron to beg him to rid them of their vices.

The challenge, although a welcome diversion for the headstrong young scientist, proves to be no picnic ... more of a living nightmare.

At no better time of the year for a play like this, Dundas County Players will transform downstairs Henderson Hall into the grand hall of the gothic Castle Frankenstein.

This is one of the biggest productions yet for DCP, with the largest cast, in the most deliciously macabre costumes, presenting drama, dance, comedy and horrors, with striking set and effects, all for total atmosphere and maximum delight.

Showtime is 8 p.m. nightly, and the doors open at 7:30 p.m. Admission is $10, and tickets are available at the door. Advance tickets can be purchased at Stedmans Department Store in Winchester. For more information call 774-3201.

Canadian Mental Health meeting

WINCHESTER — The Canadian Mental Health Association for SDG & Prescott/Russell is holding an Information Session in conjunction with its Board Meeting on October 16 at the Nor-Dun Seniors' Support Centre in Winchester.

There will be a presentation on the existing programs and services provided in Dundas County, as well as, new programs to be implemented: Homelessness Initiative, Court Diversion, Family Support and Drop-In Centre.

The evening begins at 6:00 p.m. and runs until 8:00 p.m. Refreshments will be provided. For more information, call 1-800-493-8271.

UTILITIES MERGE TO RETAIN LOCAL CONTROL OVER RATES & SERVICE

To Our Valued Customers:

As your local electric utility, we would like to take this opportunity to make you, our valued customer, aware of the changes that are about to happen.

We are merging with our neighbours, namely Cardinal, Iroquois, Morrisburg, Prescott, Westport and Williamsburg to form a new utility company called ***Rideau St. Lawrence Utilities Inc.***

We will offer you the same reliable service, the same attention to your problems and we will endeavour to keep the rates competitive. The telephone numbers, contact persons and offices will remain as they are now.

The name change to ***Rideau St. Lawrence Utilities Inc.*** will take effect November 1, 2000.

Baby kittens are not "throw aways"!

Samantha Thompson
Leader staff

MORRISBURG – Last Thursday, Helen Aube opened her door to find a surprise. When her daughter told her that a box was outside, Aube jokingly said, "Oh, someone probably dropped off a cat." It wasn't a cat. It was a box full of kittens. Initially, Aube believed that there were only six, but found the seventh one tucked under the foam in the cardboard box.

Even though rushed to get to work, Aube took the tiny kittens into her home. She placed a bowl of milk replacer down for them. To her dismay, they were not even weaned. So baby spoon, by baby spoonful she fed the starving babies. Aube estimated the kittens to be three to four weeks old.

"I love cats but leaving them on my doorstep without even asking, well, that's unacceptable," stated Aube about her find. "If the person had just called and asked me to take them to the Humane Society, I would have told them yes, but not today."

So in less than forty-five minutes, Aube had to change into her work uniform, feed the kittens and drop them at the Brockville Animal Shelter - all before heading in for her twelve hour shift at Canadian Customs in Johnstown.

"It's just cruel to do this to these poor animals. Don't people know about spaying and neutering," Aube asked rhetorically. "We really need a spay and neuter clinic here."

Aube, who owns 16 spayed and neutered cats of her own, has been known to rescue strays. Last year, she rescued a mother, father and three kittens. She also keeps a dish of water outside for thirsty animals.

Genuinely heartbroken about the situation, Aube explained that she just couldn't keep anymore.

Only six kittens were dropped off at the shelter that day. One little gray male found a home with a little boy in Iroquois.

Abandoned!
Seen here are the seven hungry kittens abandoned on the doorstep of Helen Aube, of Morrisburg, on September 28.

House of Lazarus moving

MOUNTAIN – The House of Lazarus is moving its operation from Bridge Street in South Mountain to 245 Simms Street in Mountain, in the former Township of Mountain buildings.

The mission will have an open house and dedication on Sunday, October 29, from 2-4 p.m., and will open for business in the new building Monday, October 30.

Donations of food, clothing and household items in good condition, can be dropped off at the new location on October 27, prior to the opening on October 30. Donations should not be left at the Bridge Street location after Thursday, October 26, as the building owners have plans to tear down the section of the building occupied by the mission.

The House of Lazarus is grateful to Weagant Farm Supply Ltd., for the support it has given the mission since it moved to South Mountain, after a fire destroyed its original home in Dundela in 1992.

Licence, insurance, PPSA, administration fees and taxes not included. Other lease options available. Financing on approved GMAC credit only. Example: $10,000 at 1.9%/2.9%/2.9%/2.9%/5.9% APR, the monthly payment is $174.84/$290.37/$290.37/$179.24/$234.39 for 60/36/36/60/48 months. Cost of borrowing is $490.40/$453.32/$453.32/$754.40/$1,250.72. Total obligation is $10,490.40/$10,453.32/$10,453.32/$10,754.40/$11,250.72. Down payment and/or trade may be required. Monthly payment and cost of borrowing will vary depending on amount borrowed and down payment/trade. ▼The SMARTLEASE monthly payment and the GMAC purchase finance rate are not available with and are not calculated on the "Cash Purchase" price as shown. The difference between the price for the SMARTLEASE/GMAC Purchase Finance offer and the "Cash Purchase" offer is deemed under provincial disclosure laws to be a cost of borrowing, whether or not the same represents actual interest and is required to be expressed as an annual percentage rate of 4.69%/6.99%/6.85%/6.10% (Cavalier Sedan VLX R7Y/Alero GX Sedan R7Z/Malibu R7Z/Venture Value Van R7Z). Offers apply as indicated to new or demonstrator 2001 models of Cavalier Sedan VLX R7Y/Alero GX Sedan R7Z/Malibu R7Z/Venture Value Van R7Z/Silverado Ext. Cab R7L equipped as described. Offers apply to qualified retail customers in the Ontario Chevrolet Oldsmobile Dealer Marketing Association area only (excluding Northwestern Ontario). Dealer order or trade may be necessary. Limited time offer which may not be combined with other offers. Lease and purchase offers do not include Freight (as indicated), Licence, Insurance or Taxes. Dealers are free to set individual prices. See your dealer for conditions or details. †Total due on signing includes down payment, freight, security deposit, 1st month's payment plus taxes.
