SECOND CLASS MAIL REGISTRATION NUMBER - 0842

VOLUME 107, NO. 37. MORRISBURG, ONT., FRIDAY, SEPTEMBER 19th, 1969 SINGLE COPIES 10c

Pretty Wedding Sat. at Lakeshore Drive Church

—Photo by Smith

Lakeshore Drive United Church was the scene of a pretty double-ring ceremony on Saturday, September 13th, when Brenda Dawn Froats, daughter of Mr. and Mrs. Clayton Froats, became the bride of Dennis Gerald Gurnhill, son of Mr. and Mrs. Dennis Gurnhill, all of Morrisburg. The church was decorated with white and coral gladioli. Rev. Garfield Bruce officiated at the 3 p.m. ceremony.

Given in marriage by her father, the bride wore a floor length fitted gown of white satin with empire waist, round neckline and lily-point lace sleeves. A chapel train of Chantilly lace fell from the shoulder of her gown. Her shoulder length veil was held by a headpiece of white roses and she carried a boquet of coral baby roses and miniature white carnations. Her jewellery was a single strand of pearls with matching earrings, a gift of the groom.

She was attended by Miss Joan Gurnhill, sister of the groom as maid of honor. Miss Catherine Rice and Miss Judy Gurnhill, sister of the groom, were bridesmaids.

They were identically attired in floor length gowns of coral crepe, empire waisted. They carried hand crescents of white mums.

Fae Shaver, cousin of the bride, was flower girl. Miss Erdene Casselman, as soloist, sang The Wedding Prayer.

Lester Nield acted as best man. Wayne Gurnhill, brother of the groom, and Ricky Froats, brohtre of the bride, were ushers.

At a reception held in Allan Hall for 100 guests, the mother of the bride chose a Sanchilla crepe dress of forest green, with matching lace coat, and black accessories. Her corsage was of yellow mums.

The grooms's mother was wearing a powder blue crepe dress with matching lace coat, navy blue accessories and a corsage of pink mums.

For her wedding trip the bride's travelling ensemble was of white wool, skirt and matching cape with navy accessories, and acorsage of red roses and lily-of-the-valley.

They will reside in Morrisburg.

Guests were in attendance from Niagara Falls, Montreal, Poughkeepsie, N.Y., Ottawa, Brockville, Scotsburn, N.S., Angus, Smiths Falls, Cornwall and surrounding district.

Four Arrested, Caught In Bank at Iroquois

Four Montrealarea men were held by Provincial Police after being apprehended in the Royal Bank of Canada branch at Iroquois early on Saturday morning. Police surrounded the bank and arrested the men.

The tip-off that something was going on in the bank came from a young man who was developing films early Saturday morning in a camera shop and craft house next door to the bank. Hearing strange noises, the young man called the police, who immediately surrounded the building and kept a watch on the activities of the men for a while before surprising them.

Investigation showed that the men had gained entry to a vacant store east of the bank. smashed through the wall between the roof and the ceiling and were drilling into the vault from above.. While only four men were apprehended, it is believed that another man spent the night in the area, and escaped by car. Police did find a truck bearing Quebec plates, which had apparently been used to transport equipment.

Det. Sgt. Clifford Perry of Long Sault Detachment, Cpl Ian Doney, Constables Brian Jeffrey and Lee McCaslin of the Morrisburg Detachment were the officers who surrounded the building.

Appearing in court at Morrisburg before Provincial Judge Hunter, were Richard D. Foley, 37; Fred A. Griffith and J.-Guy Carle, both 35; and Frank Thomas, 40. Bail for first three mentioned was set at $7.000 each, but was refused Frank Thomas, after the judge heard a report that the accused had chewed the skin off his fingertips, to prevent positive identification.

New Department at Hospital

Mrs. Martine Gow, the newly appointed Director of the Social Service Depantment, was guest speaker at the September meeting of the District Memorial Hospital Auxiliary in Winchester.

Mrs. Gow brings to this new department a sound training in her chosen field, as well as a warm charming manner. Post graduate work, following a B.A. degree from Sir George Williams, is being completed this year from McGilll University in a Master's degree in Social Service. After some years of service in the Children's Aid Societies of Ottawa and Cornwall, she is well equipped to deal with the many problems which arise in discharge planning and other phases of family life affecting the hospital patient. Her address, which lucidly touched on the aspects of her work directly concerning the Hospital Volunteer Service, was most practical and clarified her position as liaison between hospital and home.

Prior to her introduction by Mr. Stel, a heavy agenda of work was completed. The treasurer's report showed the total receipts of the Hospital Fair in June to be $2,-118.88 with a net balance of $1767.15 An innovation among the booths was the Volunteer Service booth which displayed and sold the many beautiful articles made and donated by the patients in the Long Term Wing. This booth cleared $71.25 and made the Volunteer Service self-sustaining to date.

A beautiful quilt, made and donated by Mrs. Howard Justus was on display. Tickets are now on sale and the drawing for the winning ticket will be made at the annual meeting of the Chesterville Unit in September.

The Ladies of the Metcalfe Orange Lodge donated funds for an arm chair for the physiotherapy department.

Mrs. Colin McGregor, the in-coming president, introduced the new secretary, Mrs. Bernice Carlyle.

Tuck Cart will be in charge of the following units for the next four months: September, Morewood October. Williamsburg; November, Williamsburg; and December, Winchester.

The units of Williamsburg, Winchester, Golden Valley, Morrisburg Summers and Cass Bridge and Chesterville were well represented at the meeting which was followed by a social half-hour in the cafeteria presided over by Miss Legris.

HOCKEY NEWS

On Thursday, September 11th ,a meeting was held in Kemptville, and a new Intermediate A League was formed, comprised of Smiths Falls, Kemptville, Morrisburg, Embrun, Cornwall and Prescott. The league will be known as The St. Lawrence - Rideau Intermediate A League. Next meeting was set for Kemptville on September 18th, at which time final applications from teams wishing to enter the league would be entertained.

Mets Eliminated at Malton

The Morrisburg Mets wrote finis to another lacrosse season on Saturday night at the new Malton Arena, when they went down before the Mississauga PCOs by a 15-5 count in what was the roughest game involving the local team this year. The game was stopped just after the midway mark of the 3rd period when a stick - swinging donnybrook erupted with players of both teams joining in and a few fans from both communities getting in their licks as well. Although it had been a tough encounter all the way, the real trouble started when the Mississauga coach came on the floor and threatened one of the Mets, who just weren't habing any of this nonsense: both benches emptied and the pent-up frustrations were displayed as the hickory was applied at will.

Earlier in the game, during the second period, Glen MacDonnell of the Mets and Mike Nino of the PCOs had each taken five minute penalties for fighting and game misconducts to boot, in one of the cleanly contested sparring matches of the piece. There was general agreement here that Glen took a rather decisive decision.

Referees Carman MacMillan and Stew Beggs, both from the Eastern League had their hands full, dishing out a total of 38 penalties, with the Mets picking up 20 of these.

For the winners, it was John Chelo with four; Terry Williams, Paul Cioci, Ross Buron, with a pair each; and John Anderson, Dan Cross, Doug Grey, Doug Baldwin and Ian Ennis with singles.

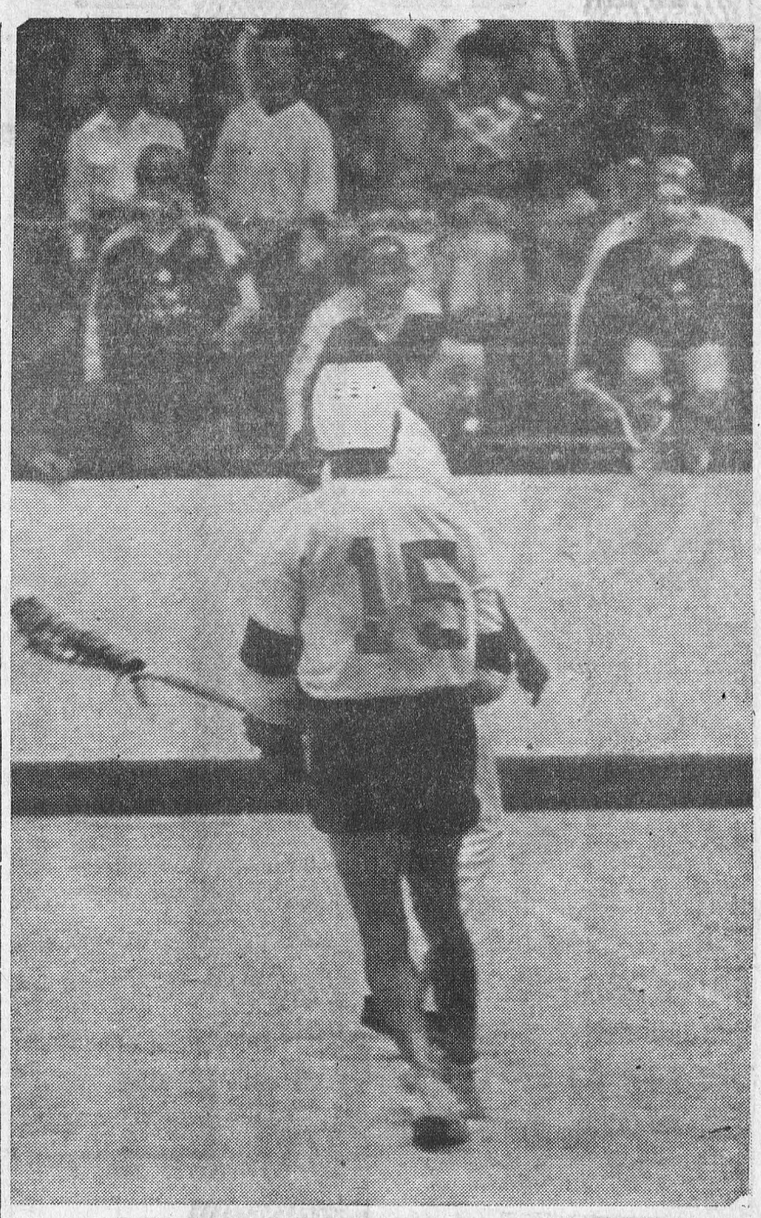
The Mets goals came from Stan Mobo and Brian McNairn who had early-game singles to put the Mets ahead 2-0, and Gary Hess, who had three goals for the night.

The Mets again received superb goaling from their substitute netminder, Dave Alguire of Cornwall, again filling in for the injured Doc Jones. Doc was an interested spectator and managed to stay out of the stick-swinging mob.

Late in the evening the Mets and some of their fans were given police protection as they filed from the arena, by the Mississauga Police Force, who were noticeably absent when the brawling was going on.

The lop-sided victory for the PCOs gave them a sweep of the first three games of a projected five-game series. They will now meet Oshawa to decide the Ontario Junior B Championship. Most of the Oshawa players attended the game Saturday night, and joined the Mets fans who had made the trip, to cheer for the Eastern champions.

Mets fans were happy when young Dave Alguire got an assist on the third goal by Gary Hess The PCOs goalie, Bill Giesen, a big powerful guy who covers most of the net, had four assistants, one penalty, and was one of the biggest stick-swingers in the last-minute brawling.



PHOTO, by Stan Harwood, shows Ralph "Mouse" Duvall of the Mets facing the PCOs' hostile coach and players seconds before the donnybrook broke out. Lacrosse rules provide stiff penalties for players, managers or coaches who leave the bench.

PRESBYTERY MET AT ST. PAUL'S IN WINCHESTER

On September 10th, 1969, at 7:30 p.m. the Presbytery of Brockville of The Presbyterian Church in Canada met in St. Paul's Church, Winchester and was constituted with prayer by the Moderator, the Rev. W.C. Inglis of Winchester, having previously partaken of a delicious supper provided by the ladies of St. Paul's.

The Rev. T.H. Boyd, B.Sc., B.D., was appointed Moderator of the Presbytery of Brockville for the ensuing year and was duly installed by Mr. Inglis.

The following were welcomed to this meeting of the Presbytery:
Mr. Wendall Harped, Dunbar
Mr. Spence Perry, Iroquois.
Mr. Tom Fraser,Morrisburg.
Mr. R. Ledgerwood, Winchester.

Mr. Everson Stewart together with the final commissioners report in connection with the 95th General Assembly of the Presbyterian Church in Canada which was held in Toronto last June reports of the various standing committees of Presbytery were received. A consolidated report of all congregations in the Presbytery outlining their response to the Nation Development Fund was furnished for the information of Presbytery and subsequent transmission to the retiring Moderator expressing the thanks and appreciation of Presbytery for the efficient way in which the business of the Presbytery had been handled.

The meeting was adjourned with prayer by the Moderator at 10:00 p.m. The next meeting of Presbytery will be held in First Presbyterian Church, Brockville on November 12th at 10:00 a.m.

: Ball News :

Cardinal Pats thought they had the best of 7 Dundas Fastball League Playoffs Finals all wrapped up after 13-3 and 10-2 victories over Williamsburg Pioneers. But, the Pioneers turned the tables on the Pats with a 4-1 win Friday night.

Big Doug Casselman hurled a 4 hitter, 1 walk and struck out 11. Ted Hoy suffered the loss with 10 hits, 1 walk, hit 1 and struck out 5.

Gerry Morrell was the big gun for the Pioneers, with 2 runs on 2 singles, 1 triple, and a homer with 2 RBI's. Ted Smith connected with a triple but failed to score.

Pats lead the series 3-2 and could wrap it up Sunday night.

Linescores: Williamsburg 00201010
Cardinal 000100000

Morrisburg finally got their lights!! The Jets played the first game under the lights Thursday night and lost to the OPP Manglers 21-10.

The Jets won the first game 14-11, but the Manglers have been practicing and were ready to swamp the weaker sex.

The Jets would like to thank each and everyone who contributed in the new diamond. For the benefits of the doubting Thomas' who claim that the field is too small at 200 feet, every team in the area, including the senior men's uses the Ontario Amateur Softball Association Softball Official Rule Book. The 1969 book states "the shortest distance from a fence or stand on fair territory to the home base should be 150 feet and from home base to the backstop 15 feet" The Jets invite the doubters to measure the field and then try Domville's which was the last made diamond built.

Monday night the Jets lost their first game of the best of 5 finals to Cornwall 5-0.

Williamsburg Pioneers stayed off elimination again with a 4-2 win in a 16 inning game Sunday night in Domville. Cardinal Pats held a 3-2 series lead, but now the series goes to the 7th and final game.

Pioneers grabbed a 2-0 lead in the 2nd inning on an overthrow by the the catcher. Pats scored in the 5th and 6th on singles to tie the game. In the 3 remaining innings of the regulation 9 innings, Pats had 8 base runners, but failed to score.

Top of the 16th, Paul Beckstead got on base with an error, Gord McMillan struck out, Gerry Morrell sacrificed. Big Doug Casselman hit a triple to right field to score Paul for the winning run. Ted Smith's single sent in Big Doug to lead 4-2. Pats had 1 base runner in the bottom of the 16th, but couldn't score.

Big Doug hurled a 12 hitter, walked 2 and struck out 17. Ted Hoy tossed a 7 hitter (2 of them triples) walked 3, hit 1, and struck out 20. Pats had 13 left on base to Pioneers 8. Pioneers had a double play in the 9th inning of the game which lasted 3 hours and 4 minutes.

GRADUATE NURSE

MRS. MARGARET SMITH (nee Casselman, daughter of Mr. and Mrs. Ivan R. Casselman, of Williamsburg, graduated from the Ottawa Civic Hospital School of Nursing on Wednesday, September 10th, 1969.

Black and White Show at Mountain Fair

The Black and White Show staged by Dundas County breeders at Mountain Fair on September 6 was an excellent display of the breed, with classes well filled throughout, and quality excellent. A total of 110 head were shown by 14 exhibitors before Judge David Houck, Gormley, Ontario.

Hugh Blain, Mountain, was the Premier Breeder, with Allison Fawcett, Winchester, the runner-up, while Allison Fawcett was the Premier Exhibitor with Ralph Fawcett, Winchester, the runner-up. Hugh Blain was also the Premier Breeder a year ago and Allison Fawcett the Premier Exhibitor.

Judge Houck found both his Grand and Reserve Grand Champion females in the aged cow class, the Grand Championship going to Allison Fawcett on Fawcettdale Spook Anthony, and the Reserve Grand Championship to Lorne Henderson, Brinston, on Cathbern Rag Apple Leader.

The Junior Champion female was the winning yearling, Boyschool Lise President, owned jointly by Ralph Fawcett, Winchester and Wm. A. Carss, Arnprior. The top senior heifer calf, Sunnylodge Doro thy Rockman, shown by Angus and Carl Smith, Chesterville, was the Reserve Junior Champion female.

No senior bulls were shown, the Grand Championship award going to the winning yearling, Willola Big R shown by Ralph Fawcett. The Reserve Champion award went to Carl Empey, Iroquois, on his winning bull calf, Maple Ranch Reflection.

The best udder award of the show went to J. Dwight Dawley, of Winchester, on his second prize four-year-old Elmodale Echo Rock man.

Hugh Blaine, Mountain, had the first prize breeder's herd, and R. J. Fawcett the top senior get-o-sire, a group by Lassie Leader.

Allison Fawcett also had the 1st prize aged dry cow, first in the class for three and four-year-olds not in milk; and 1st four-year-old in milk. Ralph J. Fawcett had the first two-year-old, and C. MacThompson, Chesterville, the winning junior heifer calf.

WHAT HAPPENS THE SILO

By: W. D. Keyes,
Agricultural Representative
Dundas County

"What goes up must come down" —according to an often quoted saying. Comparatively it may be suggested that what goes in the silo must come out — no better or no worse. Although this suggestion may not be exactly true, what we really mean is that good corn going in the silo means good silage coming out, and poor corn going in means poor silage coming out. Miracles can happen but not usually in the silo.

Enquiries have reached our office from area farmers regarding several silage additives being sold door to door. May we suggest that before buying, a farmer should be sure of what the product contains and check the economics of its use. It has been proven experimentally, that some additives have value and some have none.

Average quality corn silage will contain about 2.5 per cent protein and 18 percent digestible nutrients (energy), or in other words, an 18 foot silo with 45 feet of settled silage will contain 7 tons of protein and 50 tons of digestible nutrients (energy). An additive must have the capability of substantially changing the total situation before it becomes economically sound to use.

The fermentation of curing of silage involves chemical reaction which, of course, suggests that chemicals added to silage can have some effect on final result. When green chopped forage such as corn is stored in a silo a two stage reaction takes place. In the first stage living plant cells rapidly use up air trapped in the silo and produce carbon dioxide, heat and water. To be more precise, carbohydrates and sugars in the corn silage are acted on by enzymes and bacteria in the presence of air to produce these products. Providing that the silage packs well and there are no leaks in the silo the air is soon used up and this process stops (within 48 hours). Molds require air to grow thus mold growth will stop at this stage.

The second stage now begins as bacteria capable of working in the absence of air start to react on the sugars and other plant food to produce acids and a small amount of ethyl alcohol. The type of acid produced will depend largely on the temperature of the silage. When the acidity reaches a certain level, bacteria stop working and the silage will then keep for a long period of time with very little change.

In Summary:

1) Excessive air reduces quality through high silage temperature (above 150 degrees F) and mold growth. Excessive air may be caused by poor packing, silage too dry or leaks in the silo.

2) Insufficient air reduces quality through low silage temperature (below 85 degrees F) and rancid acid flavour, and is usually caused by immature excessively h i h h moisture silage.

3) Excessive moisture causes seepage, and nutrient loss.

4) Corn with well dented kernels producing a silage with 65 -70 per cent moisture makes ideal silage.

5) Check the ingredients and economics of silo additives before you buy — don't expect a miracle to happen in your silo.

6) BE CAREFUL — Silo gases can be dangerous and have been known to kill.

ANNOUNCING

A JUBILATION OF GOLDEN DIVIDEND DAYS

CASH AWARDS!
FOR THOUSANDS OF DOMINION SHOPPERS! $1...$50...$500! ...AND THAT'S NOT ALL!

CAR AWARDS!
SHARE IN THIS GOLDEN OPPORTUNITY. YOU COULD BE AWARDED ONE OF FIVE AIR-CONDITIONED AMBASSADORS!

our promise is good as gold.

Dominion customers deserve more quality, service and value. That's the promise our shoppers have been proving for the past fifty years.

We're not going to celebrate the past. No! Starting today, Dominion's going to have "A Jubilation" to re-dedicate our promise for the next fifty—and they're the years that count! We extend to you our warm invitation to share with thousands of satisfied Dominion shoppers in an unprecedented "Jubilation of Golden Dividends."

Dominion lays it on the line with "Super-Dividend Values" and loads of "Regular Low Price Jubilation Specials."

Collect "Dominion Golden Dividend" coins, awarded free at the check-out counter each time you shop. They're itty bitty golden coloured paper discs, and they've got promise...

$50 Cash Dividend

Save each and every "Dominion Golden Dividend" coin you're awarded. Inside each, there is a year printed, one year for each of the fifty that Dominion's kept its promise to you, the shopper. Collect any four years in a row, 1919 through 1942 and Dominion will award you Fifty Dollars cash! Just see the simple details at your Dominion Store. And here's more...

$500 Cash Dividend

Get four consecutive years in a row, 1943 through 1969 inclusive, and Dominion will award you Five Hundred Dollars in cash! Truly a Golden Dividend! Wait! That's not all...

One Dollar Bonus Cash Dividend

Thousands of Dominion shoppers will receive $1.00 bonus cash dividend coins. Here's all you do: tear it open (from top as shown) and see what's printed inside! You win a $1.00 bonus cash dividend on the spot, whenever you collect these special bonus coins. And — if a bonus dividend coin you don't find, there's bigger cash dividends in store for you! Hang on to those free itty bitty golden coloured paper discs...

Air-Conditioned Ambassador Automobile Awards

Even if you don't collect any four years in a row — hang on to those "Dominion Golden Dividend" coins right to the end of Dominion's "Golden Dividend Days" Jubilation! You'll still be eligible for one of five beautiful 1970 air-conditioned Ambassador automobiles!

Check the details and follow the simple instructions — at your neighbourhood Dominion supermeatmarket, right now.

What do you do when you reach 50?

Dominion goes on about the serious business of providing shoppers with an ever-widening variety of top quality produce and products, at prices that promise best value. We'll continue to explore and develop ideas that will speed the distribution of groceries to ensure the freshness even of packaged goods. We'll find newer and more efficient ways of doing those things that modern shoppers want. More quality, service, value and facilities for the next fifty years.

Only Dominion promises you, the shopper, so much! Only Dominion will deliver the big promise. Prove our promise to yourself, today.

OUR LAST BINGO
OCTOBER 4th

O.P.P. REPORT

Ontario Provincial Police in Dundas County last week patrolled 10,422 miles while working a total of 1,037 hours. During this time there were 64 charges laid under the Highway Traffic Act along with 54 warnings being issued. Officers from Morrisburg and Winchester Detachments also investigated 2 Break and Enters, 4 Thefts, 3 Disturbances and 17 miscellaneous complaints. They also investigated 11 infractions of the Liquor Control Act which resulted in 10 persons being charged.

Members of Morrisburg Detachment, acting on reliable information received apprehended 4 men. As a result these men were charged with Break and Enter with intent to commit an indictable offence therein in relation to the Royal Bank of Canada in Iroquois, which took place September 13, 1969.

Our area highways were fairly busy with officers investigating six property damage accidents and 3 personal injury accidents which resulted in 4 persons receiving minor injuries.

Provincial Court was quite active with officers spending a total of 21 hours in court registering a total of 58 convictions.

Isn't it strange? People spend a lot of time, money, sweat and tears to invent and perfect something to help keep automobile drivers and passengers from being hurt or killed.

The result? Safety belts.

Then other people spend a lot more time, money, sweat and tears trying to persuade drivers and passengers to use this life-saving piece of equipment.

The result? More people do not wear belts than those that do.

So every year thousands of people are killed or injured simply because they had not buckled their safety belts. And thousands of people do not use safety belts spend a lot of time and sweat thinking up reasons why they do not.

Funny, isn't it Tragic, too!

Remember — not only cars are recalled by their Maker!

Classes Filled at Black & White Day

The classes were well filled at the Black and White Show which was held by Grenville County Holstein breeders on September 13 at Spencerville Fair. Judge John Beerwort, Brome, Quebec, placed 102 head for 23 exhibitors.

The Locus Lane entries of Kenneth J. Connell, Brockville, won both the Premier Breeder and Premier Exhibitor award, with Hillais Suddaby, Kemptville, second for Premier Breeder, and the Rivermead Holsteins of Howard Dodge, Cardinal, runner-up for Premier Exhibitor honours.

Judge Beerwort found both Grand and Reserve Gand Champion cows in the aged cow class, with Myrhill Romeo Glendora who was Grand Champion at this show in 1968, taking the same honour this year for Hillais Suddaby. She was an outstanding individual, with great depth of body and well balanced throughout. The Reserve Senior and Reserve Grand Championship went to Locus Lane Darkie President, shown by Locus Lane Farm. This cow was also winner of the Best Udder class in the Holstein section on the strength of her nice textured and well placed udder.

A typey senior yearling heifer shown by Rivermead Holsteins was named Junior Champion, while the first prize junior yearling show by Wm. Ferguson, Brockville, was Reserve Junior. The Junior Champion was Rivermead President Candy, a well balanced animal with good depth, and the Reserve was Locus Lane Gwen, an atractive dairy heifer.

The first prize yearling bull shown by Rivermead Holsteins took the Male Championship, with the second placing in the same class taking the Reserve Championship for Wilkin L. Parke, of Kemptville. The Champion was Rivermead Marquis, an excellent individual, moving well on good legs, and with a very good rump. The Reserve was Wateredge Loftus Rockman, a well developed bull.

Locus Lane Farm had the first prize Breeder's herd, and the winning progeny of dam on a pair from Rock President Darlene. They also had the first prize two-year-old and first four-year-old, both in milk. Rivermead Holsteins showed the first prize dry heifer, first three year-old in milk, first dry cow and first prize bull calf.

NOW HEAR THIS

Indian Magazine, CBC radio's weekly forum for Indians, Metis and Eskimos, has become the basis for a high school course in Prince Rupert, B.C. The course will deal with the social and cultural situations of Canadian Indians with emphasis on local affairs. Students listen in each Saturday and then take part in a discussion the following week . . .

The Atlantic Symphony Orchestra, founded last year, begins its second season on the network Friday, October 3. The orchestra serves the four Atlantic Provinces by giving concerts to school children, making use of talented student soloists and touring the region. Under the direction of Klaro Mizerit, the orchestra presents the music of established masters as well as contemporary works by Canadian and other composers.

A young American broadcaster has begun work with CBC radio in Toronto for a one-year term sponsored by the U.S. Corporation for Public Broadcasting. The CPB set up a system of foreign fellowships under which four American broadcasters are sent to study radio and TV in four different countries. The CBC was asked to accept one radio candidate, the other radio nominee went to the BBC in London, the two television people will work in Japan and Sweeden. This is the first year for the fellowship program, the funds for which were made available by the Ford Foundation.

Marshall McLuhan's phrase, "The Urb Is Orbing", is the title for the first in a five-week series on The City, broadcast on Ideas Network, Wednesdays, beginning October 1. The first program links five Commonwealth countries in a free discussion on cities and city life, present and future. Participants are Australian architect Robin Boyd from Sydney; James Ritchie, a psychologist from Wellington, New Zealand, Marshall McLuhan from Toronto, Montreal architect Ray Affleck, and moderator Peter Hall from London, England.

Canadian playwright John Gray, who returned home last year after a decade in England, has written the first of a projected series of six plays chronicling the life of a Toronto family between the years 1926 and 1967. Titled Susanna, Agnes and Ruth, the play will be broadcast on CBC Tuesday Night, September 30, and tells of an important day in the lives of three women — grandmother, daughter and granddaughter, played by Jane Mallett, Frances Hyland and Corinne Langston, respectively. Gray is currently setting up an experimental university for integrated studies at Waterloo University.

Another season of Bayreuth Festival performances is coming up in November. The Festival, which takes place each summer, comprises the four operas of Wagner's Ring Cycle — Das Rheingold, Die Walkure, Siegfried and Gotterdammerung. The Nibelungen story, based on Teutonic mythology, took shape in the composer's mind in 1848. The first Festival took place in Bayreuth in 1876 when Wagner was 63. This is the second year for the radio broadcasts which are made available through the courtesy of Bavarian Radio, Munich.

WILLIAMSBURG

Mr. and Mrs. Rodney Lecuyer of Chateauguay Hts., were guests of Mr. and Mrs. David Clemens over the week end.

Mr. and Mrs. Wendall Stanley and daughter Lorraine of Montreal and Mrs. Leah Stanley of Winchester called on Mrs. G. L. Barclay on Sunday.

Mr. and Mrs. John McNabb of Nassau in the Bahamas have returned home after spending a few days with Mr. and Mrs. Claude Casselman.

Mr. and Mrs. Garnet Weegar were dinner guests of Mrs. Stuart Wallace and Mrs. Miriam Salmon on Sunday.

Mr. and Mrs. Arthur Johnston and Sidney of Morrisburg were dinner guests of Mrs. G. L. Barclay on Sunday.

TEA PARTY RAISED OVER $1,260 FOR KIDS HOSPITAL

A tea party has raised $1,260.81 for the Children's Hospital of Eastern Ontario.

And the hostess would like to see anyone top the result.

Mrs. Paul Yakabuski, of Barry's Bay, wife of the member of the Ontario Legislature for Renfrew South, held the tea party for approximately 100 guests in her garden with the "price of admission" a gift to the hospital. Barry's Bay, some 140 miles north west of Ottawa is one of the farthest away municipalities to be served by the hospital.

"The people of Barry's Bay are extremely interested in seeing the Children's Hospital built," says Mr. Yakabuski. "That's why it was so easy to raise the $1,260. We would be pleased to see any other group beat our total contribution in a similar type of fund raising event".

LEGAL NOTICE

NOTICE OF PASSING OF A BY-LAW FOR STOPPING UP A PORTION OF MAIN STREET OR QUEEN'S HIGHWAY, OR LAKESHORE DRIVE, AS SHOWN ON PLAN 29, VILLAGE OF MORRISBURG.

TAKE NOTICE that the Municipal Council of the Village of Morrisburg proposes to pass a by-law one month from date for stopping up and closing that portion of above-noted streets or highways more particularly described in Schedule "A" hereinafter set out.

AND TAKE NOTICE that any person who claims that his land will be prejudicially affected by the proposed by-law should apply to the Municipal Clerk within one month from date for a hearing of the objection to the said by-law.

DATED at Morrisburg this 21st day of August, A.D. 1969.

"LLOYD D. BARKLEY"
Lloyd D. Barkley,
Municipal Clerk.

SCHEDULE "A"

All and Singular that certain parcel or tract of land and premises situate, lying and being in the Village of Morrisburg, in the County of Dundas, and being composed of part of Block "A", Block "C" and Lot Two (2), Registered Plan No. 64, and part of the Queen's Highway or Main Street (now called Lakeshore Drive) as shown on Registered Plan No. 29 and part of Township Lot Twenty-nine (29), Williamsburg (now in the Village of Morrisburg) and more particularly described as follows:

FIRSTLY: All that portion of the road called the Queen's Highway (or Main Street) (now called Lakeshore Drive) as shown on Registered Plans No. 29 and 64 which lies between the extension northerly of Isabella Street as shown on said Plan 29 (being in part of Township Lot 29, Concession One, Williamsburg (now in the Village of Morrisburg) and the North Western limit of Block "A", Registered Plan No. 64 for the Village of Morrisburg.

SECONDLY: All that portion of the Nine Mile Road (now called Ottawa Street) lying between the northerly limit of Lakeshore Drive as aforesaid and the north westerly limit of Block "C", Registered Plan No. 64 aforesaid.

SPECIAL NOTE TO THE RATEPAYERS:

The portions of highways to be closed are not those parts presently used, but are parts of said highways existing before the Seaway Development and presently are in the grassed lands lying east of Lakeshore Drive and Ottawa Street. No existing travelled road will be affected.

Choose The Right Gun

The gun you choose can affect not only your success, but your physical comfort and well-being afield according to W.E. Smillie, product manager, firearms, for Canadian Industries Limited.

For success the hunter needs a gun which will perform flawlessly in the field and one which he can handle quickly and smoothly. At the same time, he should choose a gun which will also meet his physical requirements, Mr. Smillie said.

The goose or duck hunter will spend most of his hunting time in a blind and may fire many shots in a short space of time. This means he should choose a shotgun which will absorb as much recoil as possible, Mr. Smillie explained, and because he does not have to carry it for any length of time he can use a heavier gun. On the other hand, he pointed out, the upland bird hunter will carry the gun for long periods of time and so should purchase a lighter gun.

Tired, sore muscles cannot be expected to respond instantly with the timing and accuracy necessary for good wing shooting, he said, and if you're not getting the game you're after then you're not enjoying your hunt.

The Franchi Model 48 'automatic" shotguns meet the needs of sportsmen, Mr. Smillie continued. In all there are eight sub-models of this particular gun. Each is designed for a specific sporting use. For the duck and goose hunter there are heavier, recoil absorbing guns with long barrels and tight chokes; for the upland game hunter who does his outdoor training in a swivel chair there is the ultra light model which can be carried all day without undue fatigue. He pointed out that there is also a medium weight Franchi for the sportsman who makes one gun do several jobs. In addition there is the slug gun model for the deer hunter.

Mr. Smillie explained that these are only a few of the many guns in the CIL line, which are manufactured to meet the special needs of Canadian sportsmen. These include a variety of 22 rim fire rifles; centre fire hunting rifles; shotguns and target rifles.

Another CIL gun of particular interest to the hunter is the Model 100, Light Field, an over and under shotgun with selective single trigger and auomatic ejectors. It is available in 12 and 20 gauges.

In 12 gauge the Light Field is offered with 30 inch barrels choked modified and full, and in 26 inch barrels choked modified and improved cylinder. The 20 gauge guns offer 28 inch barrels, modified and full, or 26 inch barrels, modified and improved bylinder. The 12 gauge takes 2¾ inch shells and the 20 gauge is chambered for 3 inch shells.

Balance and feel are also import ant factors in choosing a gun, Mr. Smillie continued. He urged sportsmen to drop in at their local sporting goods store and familiarize themselves with these guns. Next to actually shooting a gun, that is the best way to decide if it fits you, he concluded.

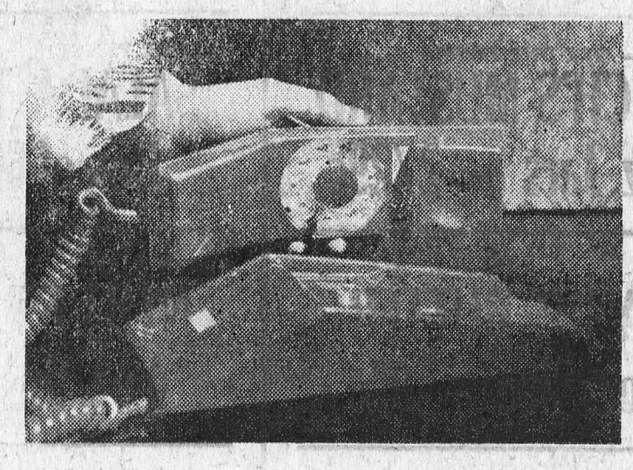
BELL LINES

by Larry Holtby, your telephone manager

I'd like to use my column this month to tell you about our exciting new CONTEMPRA telephone. It's the very latest in telephones—combining modern design with compact dial-in-hand convenience.



When you pick up the handset of a CONTEMPRA telephone, everything you need to make a call comes to you. As you can see in the picture, the dialing unit fits right into the handset so you don't need to bother about the base when you place a call. An extra long spring cord (5½ feet) allows you to really move about as you talk, and the handy recall button, just below the dial on the handset, clears the line between calls so you can dial again without hanging up.

The graceful lines of CONTEMPRA phone and the fact that you don't need the base to dial, let you put the set in places you've never put a phone before.

And CONTEMPRA phone is right in step when it comes to colors too. There are six new colors never before used for telephones — mauve, bright red, warm white, pale yellow, deep blue and deep turquoise. Of course CONTEMPRA phone also comes in the popular beige, ivory and deep green. You can see the CONTEMPRA telephone in all these colors at our business office in Cornwall.

Designed in Canada, CONTEMPRA phone is available in Morrisburg. Why not order one today.

DEPARTMENT OF LANDS AND FORESTS

Weekly Report

FORESTRY ASSISTANCE TO PRIVATE LANDOWNERS

While driving the highways and byways in Ontario, you will quite often see signs reading "Trees for To-Morrow", "Reforested Area" etc and also "Please Be Careful With Fire". The main purpose of these signs is two-fold:

1. To enlist the public's co-operation in forest fire control, and forest management.
2. To advise the public of the Department of Lands and Forests' efforts to keep all forest land productive.

In 1966 Legislation was passed giving the Department of Lands and Firests authority to enter into agreements with private landowners for the management of their land for forestry purposes. Since this programme was initiated over 3,000,000 trees have been planted on private land in the Kemptville District.

We are often asked the question — why plant trees? Perhaps this can be answered best by briefly considering some of the benefits the forests provide for the people.

They serve as places for recreation and sport. They provide food and shelter for wildlife and therefore provide a livelihood for trappers. They also help prevent soil erosion from the forces of water and wind. The forests' aesthetic value is essential to the tourist industry. This form of beauty inspires artists, poets, auhors, nature lovers, photographers and has a favourable effect on the tranquility of many peoples minds. Last, but not least, is the economic value. Because it takes trees a long time to grow the return on invesmen is not realized as quickly as in other fields but the potential is always there, and the forest indusry is vial to the economy of this prov ince.

In this part of Ontario there are thousands of acres of land incapable of producing satisfactory agricultural crops, however a large por tion of this land will grow good forests.

Anyone interested in converting their idle land into productive forest land please feel free to contact the nearest office of the Department of Lands and Foress for information.

LOST HUNTING LICENCES

The presentation of a "b l a c k patch" (hunting licence number) will not be accepted by a licence issuer as proof of previous hunting experience, unless it is accompanied by a corresponding licence.

If the hunting licence has been lost, the applicant may contact issuer who issued the lost licence and ask him or her o verify the sale through their records. A CR2 application, bearing that licence number must be completed.

Failing to receive satisfaction through the above procedure, the licencee may write to Dept. of Lands and Forests and Fish and Wildlife Branch, Parliament Buildings, Toronto.

Be sure to include:

(a) Name of issuer who issued licence.

(b) Number of lost licence, if possible.

(c) Driver's licence number.

(d) Full name as it appeared on licence.

The above outlined procedure does not apply to lost hunting licences issued prior to 1968.

Considerable delay should be expected in receiving confirmation.

Further information may be obtained by contacting your nearest Dept. of Lands and Forests office.
