Bantam B Demons play Ambassador Cup final

KINGSTON — They came up against a bigger, stronger foe in the championship final and had to settle for the "A" Division finalists prizes here in the 1996 version of the Ambassador Cup.

North Dundas Bantam "B" Demons coach Tom Beck explained that the South Stormont Flyers, who defeated his squad 6-1 in Sunday evening's championship match was actually an "A" team, carded as a "B" team.

Beck said the difference between his team and South Stormont was obvious, "they were just too strong for us."

"We beat Kanata 6-1, Belleville 2-1 and Kingston (Twp) 9-2, so we played well against teams of our caliber," he said.

"We won four of our five games and won our division with 14 points (in three round-robin games), more than any other team in the tournament. I think the boys did really well to make it all of the way to the final (championship)," the coach explained.

North Dundas had previously won the UCMHL regular season banner, East Division playoff award and the Most SportsmanshipTeam trophy.

The Demons opened the tournament edging Belleville 2-1 Friday evening. Brad Filion scored from Joey Hillis with 0:02 left in the first period and Justin Gravelle converted a feed from Filion and Colin Fossitt into the winner with 5:00 left in the final frame. Gregg Griffith got the start and posted the win allowing just one first-period goal.

Saturday North Dundas romped to a 9-2 decision over the Kingston Township Titans.

Barret Brundige got the start and backed his team to period leads of 2-1 and 6-1. Steve Mattice scored three times for the Demons. Brad Filion added two goals and two assists. Jeff West netted a pair of pucks while Colin Fossitt and Marty Link each scored once. Jeff Beck (3), Daryl Toonders (3), Justin Gravelle (2), Justin Heuff and Devon Cinnamon all collected assists.

Gregg Griffith posted the shutout as North Dundas blanked Stirling 3-0 Saturday afternoon. The win gave the Demons a perfect round robin-record of 3-0-0.

Fossitt scored from Hillis at 2:42 of the first period. Gravelle made it 2-0 on a feed from Mattice at 9:45 of the second and Hillis finished it off scoring from Gravelle and Fossitt with 5:41 left in the game.

Brundige was back in front of the twine in Sunday's semi-final and supported the Demons in a solid 6-1 victory over the Kanata Blazers.

North Dundas led 1-0 after a period and 2-1 after two. Third-period markers in the final 6:58 of the game by Mattice, Beck, Hillis and Beck again at 2:49 iced the victory.

Beck and Hillis each potted a pair of goals while Mattice and West netted the others. Heuff (3), West (2), Filion and Mattice drew the assists.

Jeff West (unassisted) scored the only goal in the 6-1 loss to South Stormont in the championship match. Adam Nelson scored three times for the winners.

Down to the wire

It took three games to decide the 1995-96 UCMHL Atom "C" championship. The third and deciding match was played here Sunday afternoon with the South Grenville No. Two Rangers (West Division champs) nipping the Eastern Division champion North Dundas Mighty Pucks 2-1 to win the series four points to two. Forward Kyle Stewart (#66) was the only North Dundas shooter to to put a puck behind Ranger goalie Stephen Daub. See related story on inside pages. Press Photo — Van Bridger

Flyers alive in quest for cup

WINCHESTER — Eric Winter potted a pair of goals, including the winner, and Ray Sherrer dumped the clincher into the empty net here last Tuesday as the third-ranked Funtastic Pools Flyers knocked off the pennant-winning CountryBoy Kings 5-3 in the second game of the 1995-96 Winchester Town Hockey League's (best of three) Melvin Cup championship final.

The third and deciding game was played last night (Tues., April 2).

CountryBoy (15-3-3) opened the final series putting together an impressive 7-4 victory, which put them in position to take the historic Melvin Cup in game two. Which the Kings led 1-0 after a period. It was a 2-2 match after 40 minutes and a big third period enabled the Flyers to tie it at a game each.

Funtastic also started their semi-final series against the second-ranked Country Kitchen Stars in unimpressive fashion losing 8-0. But after lulling the Stars to sleep, the Flyers roared back and won the set on the strength of 3-1 and 2-1 victories.

CountryBoy swept the Boyd Chrysler Rams (3-1 and 6-1) in their opening round.

GAME TWO

Todd Findlay gave the Kings a 1-0 edge in the final minute of the first period scoring from Keith Moore at the 0:53 mark.

Barry Fawcett then teamed up with Tim Beach and Mark Guy and gave the Kings a 2-0 lead at 15:10 of the middle stanza.

The Flyers finally solved Kent Pilon's style late in the same frame. Terry MacLellan cashed in a feed from Mike "Goose" Guy and Brad Hanes at the 8:50 mark and Winter quickly tied it up with help from Dale Williams and Scott Barkley at 7:53.

Williams fired the winning shot into the CountryBoy net at 14:21 of the final period with Darren Kelly setting up the play.

Ray Sherrer set up Winter, who notched his second goal of the game 3:49 before the buzzer to give the Flyers a 4-2 lead.

Ken Quaile (from Moore and Beach) got the Kings to within a goal (4-3) with 0:49 left on the clock but Ray Sherrer pounced on a loose puck in the neutral zone and skated it into the empty CountryBoy net with 0:04 left in the game and iced a 5-3 win for Funtastic Pools.

NDDHS curlers make playoffs

BRANTFORD — They will be back!

A very youthful North Dundas Devils curling team made a big impression here at the 1996 OFSAA Curling championships last week.

Skip Alison Levere 14, third Jill LaPierre 16, second Julie Byvelds 15 and lead Moira Klein-Swormink 15 won all four of their round- robin matches, advanced to the semi-final only to lose 6-3 to a more experienced team representing Rainy River High School.

"We curled well against Rainy River but they just didn't miss a shot," explained LaPierre.

Overall the NDDHS third said she gained valuable experience competing at the provincial level. She said the top teams were noticabily better than the rest of the field but felt on a good day her rink could give even this year's champion, Agincourt Collegiate Institute, a run for the money.

"I didn't see Agincourt play all of their games but I think we would have made a game of it," she said.

LaPierre explained that she and her teammates handled the experience of taking part in OFSAA very well, "when it was time to play you realized where you were and what you had to do."

And curl well is what the Devils did, according to a couple of supporters, Winchester Curling Club coach Dave Levere and NDDHS coach John Wilson.

Levere, who has been coaching the girls at the club level for five years noted, "The girls won their pool and I fully expected that they would be there (in the playoffs) but they ran into a better team (Rainy River). They (Rainy River) are Grade 12 and 13 girls and have been curling together for four years."

Levere reported NDDHS was down three coming home and Rainy River just ran the Devils out of rocks.

"The girls went shot for shot but ran out of rocks. We are certainly proud of them. They showed a lot of composure. They knew they had lost to a better team. It sure was great exposure for them and they will be back (at OFSAA). They have two or three years left together."

NDDHS opened with a 9-6, extra end win over the defending champion Humberside C. I. of Toronto, defeated Paris High School 10-3 in seven ends, knocked off White Oaks (Oakville) 10-1 in five ends, edged Adam Scott (Peterborough) 5-4 and then faced and lost 6-3 to Rainy River in the semi-final round.

Rainy River took a deuce in the first end and were up 5-2 in the sixth.

"It was tense behind the glass. My stomach certainly was churning," he added.

But Wilson, who last coached curling at NDDHS in the mid 1980's reported the girls' excellent shot making and crisp, quick call of the game didn't go unnoticed.

"The convenors were very impressed and told me they fully expect to see North Dundas back again."

"The girls will be around for a few years yet. They will put Winchester (WCC) back on the curling map," he added.

SEAWAY REPEATS

Black aces championship

CHESTERVILLE — Mark Smith, left unguarded on the left side of Ben Henry's goal crease, got a gift and he used it to win the Chesterville Town Hockey League championship for the Black Aces.

Smith, Aces captain, had the puck bounce over Henry, who had gone down against the right post to make the original save, and land a foot from the unguarded goal line. Smith simply snapped the loose disc against the string at 17:34 of the extra session and gave the Aces a 2-1 victory and the 1995-96 CTHL championship cup.

John Tessier and Mark Chayer drew assists on the winning goal.

Kent Young put the Aces up 1-0 when he scored (from Tessier and Will O'Connor) at 19:24 of the first half and the Green Hornets weren't able to get a puck by Craig "JB" Smith until Ken "Hound" Byers pumped in an Anthony Mann relay at 20:27 of the second half to knot the score at 1-1.

Both Smith and Hornet netminder Henry played solid games as the 1-1 tie held through regulation time.

The Black Aces and Green Hornets advanced to the championship (best of three) series by eliminating the White Knights and Red Dogs (respectively) five points to three in the semi-final round.

Bellemare nets title for Rebels

CORNWALL ISLAND — All year Marc Bellemare has been showing the way for the Char-Lan Rebels. The 1995-96 St. Lawrence Division scoring champion did it again Saturday night.

Bellemare scored two late goals to lift the St. Lawrence Division champions to a 3-2 victory over the Rideau Division champion Westport Rideaus.

Owen Swamp tied the game up 1-1 scoring after Westport's Pete Longo had opened the game up. Aaron Lewis made it 2-1 and then Bellemare won it with his pair.

Stellar goaltending by Rebel veteran Dennis Villeneuve in the final minute of play prevented the contest from going into overtime.

Char-Lan posted 6-5 (OT), 4-0 and 3-1 victories before losing game four by a 9-2 margin. Saturday's 3-2 win gave Char-Lan the series by a 4-1 margin and iced the Rideau St. Lawrence championship and the Don Valcour Trophy.

After playing game four shorthanded the Rebels had Marc Bellemare, Mike McCabe, Jason Lumsden, Derek Durocher, Jason Flynn, Mario Gibeault and Matt Reid rejoin them for game five.

Char-Lan will now play the Metro-Valley Champion Perth Blue Wings for the 1995-96 EOJBHL championship. That series opened April 2 in Perth.

The Blue Wings eliminated the Metro Division champion Metcalfe Jets four games to one defeating them 7-1 in game five last week.

"We were the only team back to the final four this year," said Jets general manager Kevin Daly. "For a team in a rebuilding year the season was pretty good."

Bruce Buckland spoiled Perth's shutout scoring with 40 seconds left in game five.

"Perth scored a couple of early goals and that was it (7-1 loss)," Daly added.

Injuries to Buckland, Breton, Regalbuto, Scott Bearss and goalie Jeff Gole hurt the Jets effort against a powerful Perth club.

The Jets lose just two starters with the retirement of Kevin Regalbuto and Kevin Breton and are looking to rebuild for 1996-97.

Russell rink wins bonspiel

KINGSTON — Skip Merrill McVey and her team of Joyce Boyd, Carol Geoghegan and Patsy Waddell captured the Muriel Shaw Trophy here at the Royal Kingston Curling Club's annual Grandmother's Bonspiel last week.

Russell defeated Hilly Crassen of Prescott 12-3 in round one of the 18-team event and made it a clean sweep doubling Diane Harlin of Kingston 10-5.

Embrun sweeps final in four

ST. ISIDORE — Make the final... Embrun 72s 4, the St. Isidore Eagles 0.

An impressive 10-4 victory here Sunday gave the powerful Embrun 72s a 4-0 sweep of the 1995-96 Eastern Ontario Jr. "C" Hockey League championship series.

The series went 5-3, 8-6, 9-5 and 10-4 in Embrun's favor. It is the third consecutive championship for the 72s.

Game two (March 27) was tied 2-2 after a period and the 72s led 6-3 after 40 minutes. Stephane Dicaire led the Embrun attack scoring his team's last four goals. Etienne St. Pierre bagged two in the first period while Jocelyn Gadoua and Martin Labelle potted the singles. Chris Eason posted the victory.

Mike Walker, Derek McGee, J.F. Lacombe, Dan Theoret, Pat Cadieux and Dan Desforges scored for the Eagles.

Game three (March 29) saw the Eagles jump out to a 5-1 lead in the first and hold on to a 5-2 edge through two periods only to have Embrun roar back and take a 9-5 win and a 3-0 lead in the series.

J.F. Lacombe scored St. Isidore's first three goals (Philip Cote set up all three) and Mike Walker potted the next two but that was all they would get against starter Stephane Levere.

Martin Gignac and Yvan Levac led the 72s back to victory scoring three goals each. Stephane Dicaire, Etienne St. Pierre and Jocelyn Gadoua added the others.

Game four (March 31) produced a 10-4 win and a third consecutive championship for the red-hot 72s. The champs led 5-2 after a period of action and in control by an 8-3 count after 40 minutes.

Stephane Levere got the start and posted the victory while Yvan Levac, Martin Gignac and Etienne St. Pierre led the charge scoring two goals each. Dicaire, Martin Labelle, Jeff Leonard and Martin Leroux supplied the other markers.

Billy Lacombe, Andre Theoret, Andre Viau and Dan Theoret answered for the Eagles.

Double Beauty: double winners

WINCHESTER — Double Beauty showed plenty of style doubling their Winchester and District Ladies Hockey League championships.

The Stylists finished as regular season champs putting together an impressive 20-1-1 record. Sunday morning they blanked the second-place Annable's Jewellery Blues 5-0 and collected the playoff championship silverware.

Sherry Stewart posted the shutout as the Stylists turned back the 12-3-7 Blues in the title match.

Tanya Blais completed a play started for her by Cathy Vandemheen and Rhonda Winter with 3:24 left in the first frame and it would stand up as the winning goal.

Nancy McDiarmid (a 30-goal scorer during the regular season) made it 2-0 clicking on a feed from Winter and Amy Fraser at 12:45 of the second stanza. Winter then upped it to 3-0 with help from Fraser and McDiarmid at 8:45. Vandemheen came through with 1:17 left in the period and opened up a 4-0 gap on a play engineered by Carol MacDonald.

Fraser capped the scoring at 13:02 of the final period. Winter drew her third assist of the game on the play.

Double Beauty defeated Andy's Food Town 7-3 in the semi-final game while the Blues downed the Country-Girl Shop 3-1.

The new champs picked up the Sutton's Cup and the Paul Reinhart Memorial Trophy for their regular season and playoff victories.

Double Beauty players have also claimed a couple of WDLHL individual awards. Nancy McDiarmid won the Top Scorer Award (30-19-49) and goalie Sherry Stewart allowed just 14 goals during the regular season to lead the league in that category.

Ormond, Toyes Hill sweep WDBL titles

WINCHESTER — It was a sweep. Both Winchester and District Broomball League's "A" Pool and "B" Pool championship series went in two games.

The Ormond Drywallers claimed the "A" Pool silverware defeating the Morewood Vikings 3-2 and 2-0 while the Toyes Hill Roadrunners downed the defending champion Winchester Raiders 1-0 and 1-0 to lay claim to the "B" Pool crown.

Ormond finished the year in first place with a 17-4-0 record. They then defeated the Manotick Merchants in two games to qualify for the championship round. Morewood (15-5-1) eliminated the defending champion Prescott Road Knights 2-1 in the semi-finals to move to the title round.

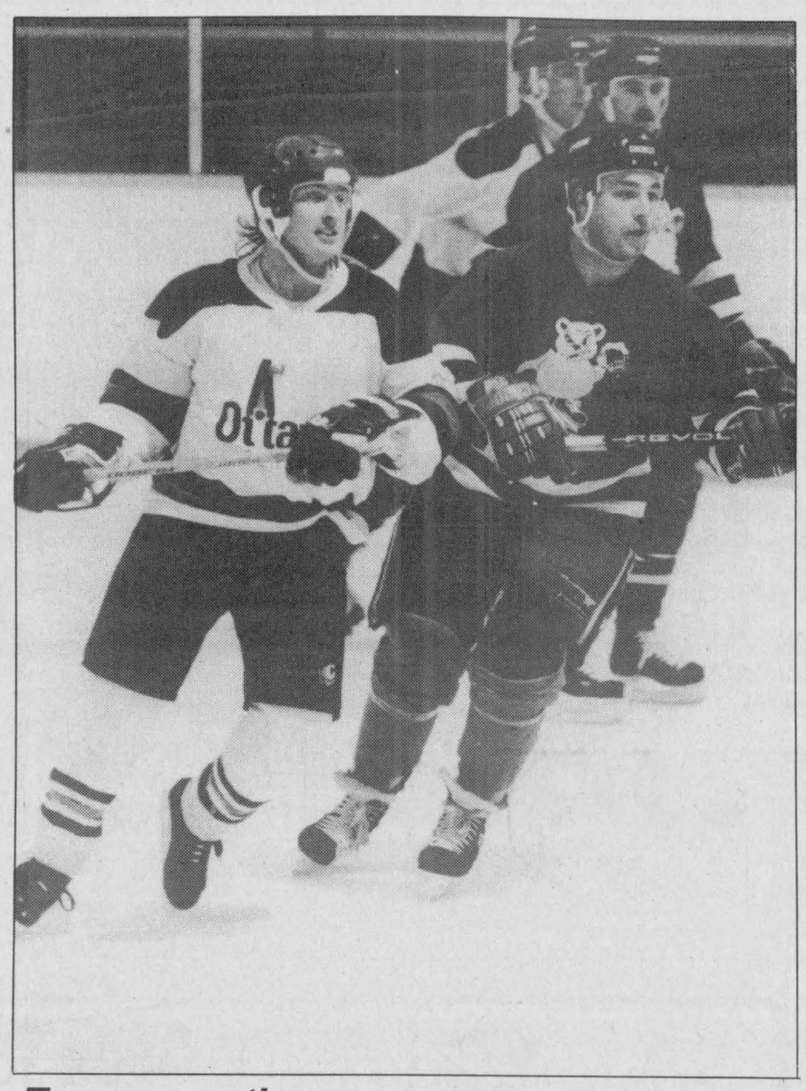
Ormond went up 1-0 in the first half when Lance Ouderkirk fired a Jason Norman relay into Martin Cardinal's net 4:25 before the half. That goal stood up until Dave Coir scored (2-0) into an empty net with 0:12 left on the clock.

B POOL

The Toyes Hill Roadrunners outlasted the Winchester Raiders, twice, by 1-0 scores to become the "B" Pool champs.

Ted Hudson posted both shutouts. George Bell rang up the series' clinching goal in game two scoring from Paul Melenhorst with 0:08 left in the opening half.

Ivan Petersen netted the winner in game one.



Tourney action

Ray Sherrer (white jersey) of the No Names and Todd Marcellus of the Shelp Hydro Bears took part in the Winchester Capitals Open Hockey Tournament here on Saturday. Shelp's squad won this game 4-3 and the tournament championship. They defeated Rene Boulanger's squad 7-3 in the final match with seven different shooters finding the net. John Guy was named the champ's MVP.

Ducks battle Flyers for MTHL silverware

METCALFE — In spite of a second-place finish and a 13-8-4 record, the 31 Esso Ducks needed a wild card to get into the second round of the playoffs. But a solid effort against the Pronto Food Rangers has moved the Ducks into Thursday night's (April 4) championship game.

The Ducks defeated the Rangers 5-1 and 4-2 and won their two-game total goal series 9-3. They will meet fifth-place Tom's Air Cooled Engines Flyers in the title match. The Flyers out-scored the Hick's Insurance Devils 10-5 (5-2 and 5-3).

DUCKS WIN

Bent on closing the gap, the Pronto Food Rangers jumped out to a 2-0 first-half lead on the 31 Esso Ducks. Stu Patterson opened the game up, scoring from Mike Doyle and Rick Corlyon at 20:03, and Stephan Rawlings made it 2-0 with help from Greg McLaren and Bruce Kerfoot at 11:49.

Those two goals closed the gap (total goals) to 5-3 and gave the Rangers hope of catching the Ducks.

But the 31 Esso crew exploded for four unanswered goals in the second half to win the game 4-2 and the series 9-3.

With Bill Jamieson blocking everything the Rangers fired at him in the second half, the Ducks mounted their rally. Ken Duncan hit first on an unassisted play at 26:55. Derek Medaglia then set up Jeff Stanley for the game-tying goal at 24:35.

Bill Robinson (from Ron Casselman and Stanley) hit at the 12:11 mark and Mike Petrusic connected on a powerplay engineered by Jim Crawford and Kevin McManus with 5:20 left on the clock to complete the scoring.

FLYERS BY FIVE

They won just nine of 25 games during the regular campaign but Tom's Air Cooled Engines Flyers have found a winning formula in the post-season.

The Flyers completed their series against the Hick's Insurance Devils posting a 5-3 win on Sunday.

It was 1-0 at the intermission for the Flyers who then counted two powerplay and one short-handed goal in the second half.

Steve Corlyon led the winners' attack with two goals, two assists. Dave Vanderydt and Willis Stevens supported with a goal and an assist each. Tim Kelly netted the other goal while goalie Wayne Widenmaier, Dale Carson and Jeff Raven drew assists.

Steve Porteous, Jeff Quinn and Reg Fisher answered for the Devils. Rudy Grisel, Jude Cyr, Porteous and Fisher set up the scoring plays.

Colts oust Smiths Falls, face Rangers

CORNWALL — They made a game of it but the Smiths Falls Bears proved to be no match for the powerful Cornwall Colts.

The defending CJHL champion Colts edged the Bears 4-3 last Friday night in Smiths Falls, in front of 510 fans, to sweep their series 4-0.

Eric Meloche and J.P. Fournier scored to put the Colts up 2-0 on first-period powerplays before Winchester's Clint Holmes blasted home his first play-off goal on a powerplay at 17:37 to get the Bears on the board at 2-1.

Karl Herbison and Doug Shepherd then connected to give Cornwall a 4-1 lead early in the second period. Smiths Falls closed it to 4-3 on markers by Vinnie Grant and Austin Deluis but 4-3 was as close as they would get.

Period three was scoreless.

Cornwall, ranked in the top three teams in Canada all year, has not lost a game, yet, in the postseason.

They now will take on the Gloucester Rangers for the CJHL championship in their second straight trip to the final.

Game one goes Sat., April 6 in Cornwall and game two is set for Gloucester on Mon., April 8. Game three moves back to Cornwall for Wed., April 10. All games start at 7:30 pm.

S. Grenville defeats Mighty Pucks

WINCHESTER — With the UCMHL Atom "C" East Division championship in their possession the North Dundas Mighty Pucks squared off against the western division title holder, South Grenville Rangers, to determine the overall league champion over the weekend.

It took three closely contested matches to finally decide the four-point series. And when the final whistle sounded here Sunday afternoon it was the Rangers accepting the coveted UCMHL championship hardware.

North Dundas opened here with a 3-2 victory last Thursday night but dropped a 4-3 decision in Spencerville on Saturday, a verdict that left the set tied at two points each.

The title was on the line here Sunday afternoon as East met West for all of the marbles.

Dave MacKinnon (unassisted) gave the Rangers a 1-0 lead with 1:56 left in the opening frame. He connected (unassisted) again at 8:28 of the middle session.

Meanwhile goalie Stephen Daub was turning aside everything the Pucks out fire at him. North Dundas finally solved the Ranger netminder's style with just 1:34 left on the clock.

Tyler Burke set up the play and Kyle Stewart cashed in the chance as the Pucks closed to within a goal at 2-1. North Dundas then caught a break as South Grenville picked up the only penalty of the game with 0:43 left on the clock. With goalie Robert Lacelle on the bench and six attackers, Brett Bird slid a loose puck into Daub's net with 0:31 showing on the clock.

But the 2-2 tie wouldn't stand for long. The goal was waved off and time ran out as South Grenville held on for the 2-1 victory, which gave them the series four points to two and the 1995-96 UCMHL league championship.

CLOSE FINISH

The Mighty Pucks finished their round-robin series with a 5-1-0 record, equal to that of the North Dundas Warriors and North Dundas Thunder, but earned the UCMHL East Division championship by virtue of a better goals for and against record. South Grenville went undefeated winning all six of their games.

During the regular campaign the Pucks doubled the Rangers 4-2 and tied them 3-3 in two meetings.

GAME ONE

The opening match was an even split with the Rangers dominating the first half and the Pucks the second.

Curtis Vantyning gave the Rangers a 1-0 edge at 9:07 of period one and Dave MacKinnon upped the lead to 2-0 at the 0:16 mark. Ben Westrate engineered both plays.

North Dundas got on the board with 4:12 left in the second period when Kyle Stewart banged home an unassisted goal. The Pucks offence continued to click in the final period as Brett Bird tied it up (2-2) with help from Scott Brennan at 9:45 and Kyle Stewart (from Tyler Burke) won it with his goal at 5:45.

GAME TWO

Game two Saturday in Spencerville was a see-saw battle which finally went to the Rangers by a 4-3 count. The decision tied the series up at two points apiece.

Brett Bird connected on a Scott Brannen feed and put the Pucks up 1-0 at 3:36 of the first. Mitch Deyo tied it up quickly at 1:54 and Curtis Vantyning pushed the Rangers into a 2-1 lead 0:51 before the end of the period.

South Grenville came out of the second period up 3-2. Kyle Stewart hit from Tyler Burke as the Pucks tied it up 2-2 at 3:47 but just 26 seconds later Dave MacKinnon gave the Rangers a 3-2 lead when he scored from Shawn Kelly.

Pucks captain Trenton McBain knotted the count at 3-3 on a Bird feed at 7:38 of the final frame.

With 2:33 left on the clock Ben Westrate (unassisted) scored to crack the tie and give the Rangers a 4-3 victory.

PUCK POINTS

Kyle Stewart led the North Dundas offence in the three games with four goals. Tyler Burke drew three assists and Brett Bird added two goals and one assist.

South Grenville got four goals and one assist from Dave MacKinnon. Curtis Vantyning scored two and Ben Westrate scored once and set up a pair of goals.

Both Ranger Stephen Daub and Puck goalie Robert Lacelle turned in solid efforts in the nets.

I would like to thank the person that notified the police last week of the stolen goods in the ditch on Fawcett Road west of Winchester. There were a few things there, that the robbers didn't want, but we were very happy to get back. We were robbed the first week of December 1995. They took a drawer from a 100 year old buffet which belonged to my late grandparents. If by chance someone has seen or picked up a drawer, please call Christine Cormier 448-3532.

Cronin

In loving memory of a dear husband and father, Larry, who passed away on April 2, 1995.

Beautiful memories all
woven in gold,
This is the picture we
tenderly hold.
Deep in our hearts your
memory is kept,
To love, to cherish and
never forget.
We miss you more than
anyone knows,
As each day passes the
loneliness grows.
Tears in our eyes we can
wipe away,
But the ache in our hearts
is there to stay.

In Memoriam

GARLOUGH — In loving memory of a dear wife, mother, grandmother and great-grandmother, Nellie, who passed away April 5, 1993.
God needed a special angel
One loving, good, and kind,
And so he chose her
And left us all behind,
The tears we shed were many
Our hearts were filled with pain,
But our loss upon this earth
Was surely Heaven's gain,
And though her heart no longer beats
Her memory lives within,
Time can never erase the love
We have for her, our best friend.
— Sadly missed by Don, Donna, Linda, Donnie, Charles, Archie and families.
1

BLACK — In loving memory of a dear father and grandfather, Stanley G., who passed away March 30, 1994.
Days of sadness still come o'er us
Tears in silence often flow.
But precious memories keeps you ever near us,
Though you died two years ago.
— Lovingly remembered by Verla, Lorna, Sharon and their families.

CRONIN — Larry John who lifted his face to the sun on April 2, 1995.
You were someone we could talk to,
No on can replace.
You were someone we could laugh with
'Til the tears ran down our face.
You were someone we could turn to
When we needed a helping hand.
You were someone we could count on
To advise and understand.
You were someone we loved more
As each year had its end.
You were the dearest brother,
And, best of all, our friend.
— Never forgotten, always loved by your sisters and brother.
1

PATENAUDE — In loving memory of a loving husband, father and grandfather Armand, who passed away April 5, 1993.
To us you were so special
What more is there to say
Except to wish with all our hearts
That you were here today.
The times we spent together
The happy times we knew
Are lived again so often
In our memories of you.
—Always in our hearts: Irene, Hector, Fernand, Richard, Rita and families.

NOTICE

The Emergency Department has, for some time, provided medications to patients to take home with them following treatment. This practice was to carry a patient over the weekend or overnight until their local pharmacy was open to fill their prescription. Due to severe budget cuts experienced by the hospital, this practice will no longer be available to patients free of charge.

Effective April 1, 1996, a flat administrative fee of **$5.00** will be charged when patients are given medication(s) to take home with them. There will, of course, be no charge for medication(s) given to a patient while being treated at the Winchester District Memorial Hospital.

NOTICE

On July 14, 1993, paid parking was implemented at the Winchester District Memorial Hospital. The parking lot provides specific areas for the general public, physicians, and handicapped parking. Parking revenues are used to fund parking lot maintenance.

Since July 1993 the cost to park at WDMH has been maintained at $1.00.

Since 1993 the hospital has had reductions in funding due to the Social Contract Act, and now, effective April 1, 1996, a further reduction due to the Savings and Restructuring Act, Bill 26. An increase in the charge for parking is now necessary for parking lot maintenance, as well as other hospital operating activities.

Effective April 1, 1996, the cost to park at the Winchester District Memorial Hospital will increase to $2.00. No other parking changes will take place. The system is a "pay as you leave" and a change machine is available by the Emergency/Admitting Departments. The parking system does not currently work with the new two dollar coin.

Winning speech

Nationview Public School Grade 5 student Kristen Keyes of South Mountain placed first in the Dundas County public speaking competition held March 27 at Elma Public School. Kristen spoke about Anne Frank, the Dutch Jewish chronicler of life during the World War II Nazi occupation of the Netherlands. Frank kept a diary, found after her death in a concentration camp, about the two years she and her family were hidden in Amsterdam. Kristen says she was surprised but pleased with her win. Reservation service standardized

Ontario's provincial parks system is standardizing its 1996 campsite reservation service, meaning most park reservations will begin being accepted May 1.

There are only four exceptions to this policy: Algonquin, Point Farms and Sauble Falls, where reservation services open April 1, and Quetico which accepts reservations starting February 1 as part of back-country travel packages.

In the past, a few other provincial parks have also offered early reservation services. Campers who have previously booked campsites at these parks by telephone, mail, or in-person will now be able to do so, beginning May 1.

"This measure will reduce our operating costs," said Natural Resources Minister Chris Hodgson. "We have tried to choose cost-saving measures that have the least impact on our park customers. We will have more than two months in which to process reservations before the busy July-August camping period," Mr. Hodgson added.

"We will be working hard to accept customers' requests starting May 1," said Ontario Parks Managing Director, Norm Richards. "This year, another eight parks will implement the new computerized reservation/registration system, which will allow us to process applications faster. Now more than 80 per cent of our reservations will be handled through this computer service."

For more information about Ontario provincial parks, visitors can call 1-800-668-2746, or within Metro Toronto (416) 314-0944.

Ident-A-Kid

WINCHESTER — The Community Watch Program, in conjunction with the OPP, has tentatively scheduled a free Ident-A-Kid clinic for May 18 at the Winchester Legion. A similar program was held at the Winchester arena last October by Denis Larose of First Identification Systems Ltd, a private company that produced identification kits documenting a child's fingerprints, age and physical appearance. The kit can be used in case of emergencies.

The clinic was sponsored by local merchants and organizations in return for advertising. But according to Sharron Jordan, member of the Watch and the village's Business Improvement Association, the venture did not benefit local merchants.

Magazines are big sellers

NDDHS NOTES
by Carrie Vandewint

An eerie silence settles over the land. You know they're out there — waiting. You can almost feel them breathing down your neck, like savage beasts ready to make the kill. You suddenly realize that you're next. The outcome is inevitable. the trap has been set...

We're BAA-ACK. Call it revenge of the N.E.R.D.S (North -Dundasers Eager to Renew Dated Subscriptions). Yes indeed, it's that time of year again to play hide-and-go-seek with that pesky little teenager who lives next door and constantly harasses you to buy one of life's little unessentials (perhaps caramel-filled chocolate bars oozing with calories and cholesterol or maybe a whole 50 pounds of citrus that will take at least five months to finish off).

Needless to say, this is not just an opportunity for some future up-and-coming salesperson from our school to practise the art of harassing innocent civilians in the safety (or so they thought) of their own homes). No, indeed. This is a much more serious matter readers. The revenue — created from unleashing 800 students into the community completely unrestrained with one thought on their minds — will be put into reservoirs that have no hope in Hades of being filled by the provincial government.

So, one might ask, how do you go about motivating 800 teenagers (most of whom aren't usually stimulated enough to make their own beds in the morning) to go out into the pot-holed streets and dusty dirt roads of our community and carry out the harrowing task of selling magazine subscriptions and renewals? There is surely only one answer: bribery, plain and simple.

There are oodles of prizes (lava lamps among others) that can be worked towards with only a couple of hours of sweat and determination. In addition to these seen-'em-all-before incentives, there are new members to our prize wheel of fortune including the ever-popular principal for the day draw (sell three magazines and get in a raffle to be able to sit in an office all day, eating doughnuts, drinking hot chocolate, and looking very busy while you really just play Nintendo). There are other incentives (some involving the removal of much-loved body hair), but there is just too little space to finish the list.

Nevertheless, it's important to realize that while this column tends to look at the lighter side of this annual tradition, there really is a worthwhile cause underlying the ridiculous exterior. When you get right down to it, we (the students) all hope that you (the patient and caring public) will renew your magazine subscriptions with us, and we promise — cross our hearts and hope to die — that we won't bug you again... until next year.
