Seaway Track & Field Meet Held Here

For the first time in a number of years the annual Seaway Track & Field Meet was held in Morrisburg, on Wednesday, October 13th. The meet arranged by the physical education staff of Morrisburg High School, included participants from Iroquois High School, North Dundas High School, Osnabruck District High School, Osgoode District High School, Mountain District High School and the hosts, Morrisburg High School. Close to a thous and students attended and there several hundred participants in the track and field events.

The greatest number of points compiled by any one school was 160½, which earned a trophy for Osgoode District High School. Osna bruck High School followed with 153½ points, and in third place was North Dundas with 143½ pts. Morrisburg earned 137; Mountain, 69; and Iroquois 68½.

The Meikle Cup Trophy was won easily by Osnabruck with 29 points. This trophy is given to the school with the highest number of points in specific senior events. North Dundas was runner-up with 16 points.

Top junior team in the meet was from Morrisburg, Don Mabo leading the way, with 23 points to his credit. Lee Tuttle, Gary Coulthart, Anne Bright, Sandy Scott and Carol Hart earned 44 points among them.

Osgoode District High School won the top intermediate team trophy, with 65 points in their favour. The best team of the day, as well as the top Senior team hails from Osnabruck High School with 70½ points

Individual trophies and medals were presented to the top four con testants in each division at the close of the day. Judy Weilgut, of Osgoode and Linda Rawlings of Osgood, shared the top spot with 25 points each. Judy won the trophy for the Junior Girls and Linda for the Intermediate Girls. Each of the girls placed first in the five enents they entered.

Don Mabo, of Morrisburg High School, led the Junior Boys with four firsts and a second, for a total of 23 points. Lee Tuttle achieved the second place for his three firsts, or a total of 15 points. Anne Bright, also a Morrisburg student, placed in three events to win the third place medal for the Junior girls.

Gord Summers of Iroquois, topped the Intermediate boys with 18 points, followed closely by Jim Notman of Morrisburg, with 17 points. For the girls, Myrna Hyndman won the second place medal for North Dundas and Terri Wells brought honour to Morrisburg with third place.

Top honours in the Seniors went tot Gary Gallinger of Osnabruck, with 16 points and Linda Marcell of Mountain with three points.

Morrisburg Recreation Committee Trophies for the top Morrisburg student in each of Junior, Intermediate and Seenior classifications, went to Don Mabo for Juniors; Jim Notman for the Intermediates and Bryan Dawley and Daina Crober for the Seniors.

Pictured here with their trophies won at the Seaway Track & Field Meet, held at Morrisburg last Wednesday, are the individual champions in the intermediate, junior and senior boys' divisions. Left to right, they are Gordon Summers, Iroquois High School, who compiled 18 points; Don Mabo, Morrisburg High School with 24 points; and Gary Gallinger, Osnabruck District High School with 16 points. Don Mabo also won the Morrisburg Recreation Committee trophy for the best junior in Morrisburg High School, and led his team in the race for best junior team of the day.

Golf Club Names New Officers

The Morrisburg Golf Club held their Annual Meeting on October 14th at the Club House. Some seventy members were present. The 1966 officers were installed as follows:

President ,Robert Woods; vice-president, Hosea Droppo; treasurer, Walter Bowman; secretary, W. E. (Dick) Roberts; gounds committee, A. Bolton, chairman; games committee, R. Cook, chairman; club captain, R. Cook; entertainment, A. Tindall, chairman; membership committee, S. W. Leightizer, chairman.

After quite some spirited competition and other hackneyed phrases like that there, the winners of Morrisburg Golf trophies for 1965, were as follows:

Public School:
Class A: Charlie Duval.
Class B: Barry Eamon.
Class C: Brent Eamon.
Jr. Championship: Billie Gale
Armstrong Trophy: Mitch Cassell
Hydro Trophy: T. R. Parker.
President vs. vice president, tie: Robert Woods; George Beavers.
Club Trophy: Red Cook.
Ladies Fetterly Trophy: Mrs. Barbara Sheridan.
Ladies' Consolation Prize: Mrs. M. Elliott.

Members Fred Hill & Les Cruickshank kindly donated two additional trophies. The ladies' section of the golf club, who have supplied wonderful meals all season, had hot coffee and doughnuts ready at the cose of this enthusiastic meeting.

Carman C. Barkley Dies in Hospital

Carman C. Barkley, a resident of Morrisburg for the past six years died Tuesday, October 7th at Ottawa Civic Hospital, following a short illness, although he had been in failing health for some time.

He was in his 76th year.

Born at Dunbar, he was a son of the late Ezra Barkley and his wife, Delia McMillan. He was a farmer prior to 1938, when he purchased the Boucks Hill General Store which he operated until 1959, when he retired and came to Morrisburg.

Mr. Barkley was twice married. In 1915 he married the former Isabelle Elliott of Dunbar, who predeceased him in 1956. In 1958, he married Maude Muzik, formerly Maude Strader of Morrisburg, who survives. He also leaves one daughter, Mrs. Mac Smyth (Isla) of Iroquois, and two brothers, Alton Barkley of Williamsburg and Darwin Barkley of Valparaiso, Sask. A brother, John, predeceased him in 1937. A daughter, Eileen, predeceased him in 1940.

He also leaves to mourn three granddaughters: Cheryl, Sandra and Cindy Smyth of Iroquois; one step-daughter, Mrs. O. Hukee (Mary) of Grand Rapids, Minnesota; and one step-son, Phil Muzik of Cleveland, Ohio.

Funeral services were conducted Sunday, October 10th at 2 p.m. from Fairbairn Funeral Home, Morrisburg, to Knox Presbyterian Church, with Rev. Everett Hawkes officiating. Burial followed in Maple Ridge Cemetery.

Pall bearers were: Fernley Johnston, Clifford Casselman, Arnold Garlough, Arthur Casselman, E.J. MacDougall, Clifford Larmour.

Templeton Lauds Pearson Govt.

Charles Templeton, vice president of the Ontario Liberal organization said "More solid legislation was passed in the last two and one-half years than in any corresponding period in Canadin history" as he addressed members of Grenville Dundas Young Liberal Association. At a banquet meeting held Thursday, October 14th, at St. John's United Church Hall at Cardinal, Mr. Templeton spoke to a gathering of more than 200 young Liberals.

He said "There has never been a more important or necessary election in this country. Affairs in the House of Commons had developed into a three-ring circus. All parties got into the act because the govern ment could be overturned on any single bill. A majority government is needed to deal with the problems of prosperity. Our economy is booming as never before and we need an absolute governmen capable of making long term plans to meet the unprecedented problems of prosperity, and to prevent inflation".

The speaker stated: "Canada has strongly entrenched provincial governments with strong leaders. Power is flowing back to the provinces and a strong central government is required to deal with problems of unity. He spoke of "The man Diefenbaker, a man who has a position secure in Canadian history, a man who loves and serves his country, who has always fought unpopular causes". He urged "it is our job to get him into history as fast as we can". He reviewed Mr. Diefenbaker's unprecedented majority in 1958 his opportunity to accomplish great things,— "and he blew it", he said. "One of the issues of this cam paign is John Diefenbaker, the Grand Old Man, but when he wins, he doesn't know what to do".

In conclusion, he urged his listeners to "solve the problems of our tomorrows by putting a Liberal in power".

The speaker was introduced by Harvey Percival, Research co-ordinator, Liberal Federation of Canada, and thanked by Ronald Graves, director of Grenville-Dundas Young Liberal Association, and by John Palmer, Liberal candidate.

Mr. Palmer spoke briefly of achieve ments in Grenville-Dundas: The contract had been let that day for a new post office at Cardinal, to be built in the spring; plans had been finalized for the waterfront at Iroquois, Cardinal and Matilda township to be cleaned up and the canal at Cardinal to be filled in; and part of the Fort Field at Prescott has been returned to the corporation to be the site of a new Community Centre.

NEWTRAFFIC LANES OPEN TO IROQUOIS

Two additional lanes on the Mac donald-Cartier Freeway (Highway 401) in eastern Ontario — an 11-mile section from Highway 16 easterly to Iroquois County Road No. 1, were placed in sevice on Tuesday, October 19th at 10:00 a.m.

With this opening there is now a minimum of four lanes from Windsor to east of Gananoque, a distance of 411 miles without a traffic light. Additional four-lane sections east of Gananoque bring the total multi-lane mileage to 471 over the 510-mile Freeway.

Construction is well advanced on the remaining 16 miles from Iroquois County Road to Aultsville. Grading, now under way, should be finished this fall. A contract for paving this section will be awarded early in November.

The Department is also construc ting 25 miles of the new Freeway between Gananoque and Brockville on a new alignment north of the present two-lane highway which has been in use since 1947. Three contracts are under way now and a fourth contract to be let late this Fall will take the route to 17 miles east of Gananoque.

Construction cost of the four lanes now operational over the 11 miles is estimated at more than $5,800,000. In addition, property purchases for the right-of-way were estimated to cost more than $442,000, making a grand total of $6,242,000.

DEDICATE NEW UNITED CHURCH MANSE

Sunday was a day of double historic significance for Lakeshore Dive United Church. It marked the 105th anniversary of the congregation, and a new parsonage was dedicated at a special ceremony.

The minister, Rev. W. J. March, conducted the 11 a.m. anniversary service. At the 4 p.m. vesper service Rev. J. Clare Kellogg, of Knox United Church, Cornwall, president of the Montreal-Ottawa Conference, preached a dedication sermon "A new church for a new world".

He said, "Christians stand on the threshold of great changes. We are in a day of the gradual drawing together of churches. The world is becoming more secular and the church is no longer the centre of life. The church of the future must become more flexible with the emphasis on service to the needs of the world".

The Ottawa Chancel Choir, with guest organist S. K. Walker, was in attendance. Following the vesper, ministers, choir and church officials led the congregation in a procession to the entrance of the new manse for the dedication service.

Ministers assisting were Rev. R.C. Crooks, Cardinal, Chairman of the Presbytery, and Rev. J. Leslie Dean of Iroquois, secretary of the Presbytery.

Gaetan Menard, representing the building firm of Menard Brothers of Cornwall, presented the keys to Marvin Lemon, chairman of the building committee, who passed them on to Harvey Johnston, of the trustee board, who then handed them to the minister, asking that the new home be dedicated accord ing to the custom of the United Church of Canada.

The new $26,000 manse is located on the northeast corner of Lakeshore Drive and St. Lawrence St., directly opposite the church. The two-storey red brick and good build ing boasts a full negth living room with fireplace and a dining alcove which opens to the back lawn. It has four bedrooms and a study on the second floor.

Seven months ago, the interior of the historic 93-year-old parsonage was destroyed by fire. Following a meeting of the church board, it was decided that a new parsonage should be built and tenders were called for the removal of the old building.

NEW POST OFFICE FOR CARDINAL

A $41,200 contract for the construction of a post office at Cardinal, Ont., has been awarded to the Fort Construction and Equipment Limited of Prescott.

The successful tender was the lower of two received ,the higher bid being $42,190.

The new post office will face on Dundas Street and will be a one-storey building, without basement, measuring 43 by 58 feet. It will have a concrete foundation and will be of frame construction with exterior finish in brick.

Interior walls and ceiling will be of gypsum board and the floor will be finished in vinyl asbestos and linoleum. Heating will be by oil.

A truck yard and loading platform will be located at the rear of the building.

Plans and specifications for the new post office were prepared in the office of R. F. West, District Architect for the Federal Department of Public Works, Ottawa.

GRITS AND TORIES HELD CONTEST

Mr. Kenneth Carkner, of Morrisburg, recently came across a yellowed clipping from a 1901 edition of the Winchester Press. His parents, Mr. and Mrs. Cyrus Carkner were married in that year and had settled on a farm at Ormond. The clipping states:

"An exciting barn raising took place at C. M. Carkner's a few days ago. The Tories took one side under the leadership of Ira Docksteader, and the Grits the other under H. Carkner. It is needless to say that the frame of that barn went up in double-quick time. The referee was John Robinson, who de cided that the Tories finished more quickly than the Grits. There was great cheering when the decision was given, and it was noticed that one Grit, who had forgotten his place, was among the Tories throw ing up his hat until he was told where he was at

"After the contest the men were all entertained at supper, their wants being administered to by a charming lot of young ladies. For the Tories, there were Mrs. C. M. Carkner, Miss Ella McLean, and Miss Lizzie McLean. For the Grits, Mrs. John McDonald, Miss Minnie McLean, Miss Biccum and Miss Jen nie Porteous".

The Carkner barn still stands at Ormond. It has been moved to an adjoining farm.

Centennial Project Described

Ontario's Centennial Project will be a public museum with interest for everyone, Dr. George McBeath, director of the project, told membes ofr the Museum Section of the Ontario Historical Society at a banquet meeting held Saturday, at Morrisburg Civic Centre. He spoke of planning underway for the Centennial Centre of Science and Technology to be built in the Don River Valley at Toronto.

"Two and one-half million dollars", he said, "will be made available by the Federal Government. This will be matched by the Provincial Government, with added assistance from industry. Two phases of the plan will be completed by 1967 with more to added over the years to an estimated cost of between fifteen and twenty million dollars."

"Located in the geographical heart of Toronto, the museum will be accessible from Highway 401 and the Don Mills Road", he continued. Because of the nature of the location, a building of three units with 100 feet difference in height will be erected with displays and study facilities suitable for "Mr. Average Citizen". He also noted that the Department of Education has expressed interest in having visits to the Centennial Centre become an integral part of the school system.

In conclusion, Dr. McBeath assured his listeners: "This Centre will not be in competion with other museums. Every effort will be made to overcome duplication, so that all museums in Ontario may co-operate on a harmonious basis."

D. R. Crowdis, President of the Canadian Museum Association presented travel awards from a fund in honor of Bill Todd, a pioneer museum figure. These awards went to members from the most distant museums. Recipients were: Olga Godolphin, Kenora; Arthur L. Wilson, Dryden; Rae Grant, Somora; Malcolm McRae, Corunna; and Mrs. E. J. Munn, Atikoken.

The meeting was conducted by Miss A. M. Davidson of Toronto, chairman of the Museum Section of the Ontario Historical Society.

He showed coloured slides of the country where he and his family have served for ten years. He was thanked by Mrs. H. Shennette. After a question and answer period, a social hour followed.

WORKSHOP HELD AT THE VILLAGE

The Museum Section of the Ontario Historical Society held a two-day workshop at Upper Canada Village Friday and Saturday, October 15—16. The St. Lawrence Parks Commission was host organization to more than 100 delegates of the Ontario-wide association. The workshop centre was located in Upper Canada Restaurant.

Guests associated with Ontario museums attended from Kenora, Dryden, Atikokan, Toronto, Bytown Museum, Ottawa, Cornwall, Prescott ,Windsor, Sombra, Hamilton, London, Owen Sound and other centres.

Saturday afternoon was devoted to open house in Upper Canada Village with special demonstrations of saw mill operations, weaving, spinning, candle making, cheese making and other pioneer practices.

Mr. Wm. Patterson, superintendent of the Village, explained the various facets of the lumber display, starting with the pit saw operated by two workers. This represented the earliest type of sawing in Upper Canada. Then came the "Muley Saw", a mechanical application of the pit-saw, water-powered and predating the circular saw. He informed his listeners that sawmills were in use in Upper Canada as early as 1800. The mill at Upper Canada Village is an old original one moved to its present location. The mill and the saw were assembled by Ross Casselman, an expert at that work.

Next in the demonstration came the drag saw and the shingle saw, with two teams of horses supplying the power to operate one or the other. This is accomplished by an arrangement of gears with a shaft running to each saw. The drag cuts cedar trees into 18 inch lengths which are then quartered and cut on the shingle saw, emerging with one thick and one thin end.

The art of broad-axing and adzing was demonstrated showing how logs were squared. In early days these were loaded in squares or in three-inch planks for export to Britain.

A matched paid of handsome 5½ year old oxen, Pat and Mike, competently portrayed the old time method of pulling logs to the second storey of the mill. Another interesting operation was the pump borer, which showed an auger boring a hole the length of a log, to make a pump.

DO YOUR WINTERPLANNING NOW

Plan now to get all those jobs done this winter. Things like having the lawnmower fixed, and the screens mended; having the car tuned up and outboard motor checked; having the drapes cleaned and the rugs shampooed; having the furniture re-upholstered and the electrical appliances repaired; having all those repair and renovation jobs done which can call for a long wait come Spring, but which can be handled quickly, efficiently and easily during the winter season. Ask your bank about a low-interest NHA Home Improvement Loan. Plan ahead. Be a Winterplanner now.

JUNIOR FARMERS MEETING HELD

Debating was on the agenda for the Dundas County Junior Farmers' October 13th meeting. Mr. Nelson Hawn, who is a member of the English and Economics Division of the Kemptville Agricultural School addressed the group on the rules and regulations of debating. He stressed that good manners were most important when debating, also a good debater needs to use the wiles and arts of a good public speaker. Mr .Hawn organized a debate using this topic: "Resolved that to be a successful farmer today, one must be a graduate of an Agricultural School".

All the men who had attended an Agricultural School presented the negative side. The remaing Juniors were on the affirmative side. Mr. Hawn was introduced by Charles Farlinger and thanked by Joan Farlinger.

A rousing sing-song was led by Stella Robinson.

The treasurer, Baden Renwick, reported tha t the Presbyterian Church Ladies Aid of Winchester would cater for the Christmas Banquet on December 10th. The price of the tickets is to be $1.50.

The president urged each member to sell their remaining aluminum canes, and turn the money over to the treasurer.

KEEP SHOOTING A SAFE SPORT

With the hunting season all around us once again, I'd like to pass on to Morrisburg hunters and hunters-to-be the following common sense points that appeared a while back in a telephone safety journal:

1) Never carry a loaded gun in an automoblie, wagon or other vehicle. Keep it in its case until you start hunting.
2) Before shooting, look into the breech and make sure that the barrel or barrels are clear.
3) Keep the safety lock on until just ready to shoot.
4) Never pull a gun through a fence nor carry it over with you. Keep the muzzle pointed away from yourself and others.
5) Never lay a loaded gun down in a boat.. Never lift a gun from a boat by the barrel.
6) Don't set a loaded gun against a tree or a fence or leave it lying on the ground. Even a playful dog might cause it to be discharged.
7) After a fall, or a climb, or walking over ploughed ground, examine your gun to make sure the barrels are clear.
8) Never shoot at objects indistinctly seen among trees or bushes; they might be human beings.
9) Before shooting a game, make sure that no house, barn or other building is in the line of fire.
10) Don't leave your gun or shells near a stove, a fireplace or other fire.

One other point not covered but important is that it is NEVER open season on telephone poles, conductors or cables. Taking pot shots at vital telephone installations not only shows a very great lack of maturity but endangers the life and property of people who depend on the telephone to bring them assistance in emergencies.

LITTL EGREY LININGS

Ever notice the way things seem to go wrong at the very worst minute? I guess it happens to all of us once in a while. Like the morning you're late for workis the one morning the car won't start. Or the day that company is coming for dinner is the day that the washer decides to flood the floor. There just doesi't seem to be any way we can outfox these little disasters — All we can do is hang on to our temper and reach for the telephone. It will put you in touch with someone who can help out. You can reach the boss . . . who'll probably understand . . . an a mechanic who understands why automobiles do what they do. You can get a repairman on the way to put the washer back in shape. And a phone call to a friend or neighbour may bring in someone to help with mopping up and offer some well-deserved sympathy. At times like these what's easier than picking up the telephone? And the help it brings, when you need it most, adds just that much more to the value of your telephone service.

The Canada Pension Plan and its benefits

Here is what the Canada Pension Plan will do for people like Esther Meyer, a 50-year-old owner of a small store who makes $5,800 a year.

If Esther continues to earn this amount from her business until age 65, she and her husband, who is disabled and cannot work, can look forward to a retirement income of $104.17 from the Plan and $75 from Old Age Security—a total of $179.17 a month. When her husband receives Old Age Security, their income will be $254.17 a month.

Should Esther die anytime after 1967, having contributed until her death, her husband will receive a disabled widower's pension of $64.06 a month until he reaches age 65. At that time, or if he is already 65 when Esther dies, his pension under the Plan will be $62.50 a month plus $75 a month Old Age Security. On the death of his wife, Mr. Meyer will also be entitled to a lump sum payment of $500.

All benefits under the Plan will maintain their value. The actual benefits payable will probably be higher than those given here since benefits will be adjusted to meet changes in living costs and in wage levels before they are paid and changes in living costs after they become payable.

What will the Plan cost you?

If, like Esther, you have self-employed earnings of $5,800 a year, you will pay $158.40 a year which is 3.6% of $4,400, the maximum amount upon which contributions are payable. Payment will be in instalments in the same way you pay your income tax.

This advertisement is one of a series which relates some of the important benefits of the Canada Pension Plan to individual circumstances.

Issued by
authority of the Minister of
National Health and Welfare,
Canada,
The Honourable Judy LaMarsh.
