Winter's Worst Blizzard Strikes Causing Rash Of Minor Accidents

One Of The Many

A typical old-fashioned blizzard struck the district last Saturday, with gale-force winds whipping the new fallen snow with blinding fury. Many roads were blocked and highway driving was very dangerous.

Despite repeated warnings from various radio announcers throughout the area, motorists ventured forth, many no doubt on urgent business, and as a result there were dinged fenders, trunks, hoods, doors and etc. Fortunately, however, there were no serious injuries in this area throughout the day.

NUMBER ONE

The first mishap occurred at 8:25 a.m. near the junction of Highways 31 and 43, with three cars involved. One car was driven by Judith Ann Dawley of R. R. 3 Winchester, the second by Dalton Martin of R. R. 1, Cumberland, and the third car involved by Ronald Marion of Cornwall. According to O.P.P. reports, total damage caused by this mix-up was $740.00, with the Martin car damage estimated at $400.00, the Marion car at $300.00, and the Dawley auto at only $40.00.

NUMBER TWO

Saturday's second accident happened just one hour later, on St. Lawrence Street in Winchester, near the Winchester Hydro Office. With blowing snow reducing visibility to almost zero, some eight cars were involved in a chain reaction that caused a total damage of some $1,535.00 to the eight cars involved. When the cars were finally "untangled" the O.P.P. report read something like this:

Keith Dean, Ottawa, damage, $60; Richard Calvin Durant, Winchester (Mr. Durant's car was struck twice, the first time no damage, the second time $300); Mrs. Agnes McLean, R. R. 1, Winchester, $400; Bertrand Sharkey, Chesterville, $50; Kenneth Jackson, $100; Lloyd Harper, Chesterville, $75.00; David Hunter, Winchester Springs, $300; and Diane McPherson, Winchester Springs, $250.

NUMBER THREE

Accident number three was of a very minor nature and occurred near the Morewood cut-off on Highway 31. Two Ottawa motorists, Guindon Deschamps and Mary Funk were involved, and the damage was slight.

All accidents were investigated by the Winchester Detachment of the O.P.P.

Town Planning On Agenda At Chamber Meeting

A prominent speaker in the person of Bruce B. MacNabb, B.Sc. (Queens), O.L.S., P. Eng., Dip. T. & R.P., will address the Winchester Chamber of Commerce at the February meeting

The meeting will take place at the Country Kitchen, Wednesday, February 28, commencing at 7.00 p.m., and it is expected all who are interested in town planning will make a special effort to attend, since Mr. MacNabb is a specialist in this field.

With great changes in the offing concerning the governing of the area surrounding Canada's Capital, it becomes more and more apparent that Winchester residents and businessmen must look to the future and begin to plan now.

Mr. MacNabb is associated with the Community Planning Branch of the Department of Municipal Affairs where he is a town planner acting as liaison between Toronto and Eastern Ontario. He is presently stationed in Ottawa.

Winchester Chamber of Commerce recognizes the urgency of systematic planning, and are fortunate in having this well qualified man who will explain planning relative to smaller communities in Eastern Ontario and the setting up of an efficient plan within the community implemented by zoning by-laws to restrict land use.

Chamber of Commerce officials urge all businessmen in the area to be at the Country Kitchen to hear this timely, educational speech. The date again —Wednesday, February 28, and the time, seven p.m.

"Miss Vernon"

Pretty 16-year-old Jean Standing, daughter of Mr. and Mrs. Bert Standing was crowned Carnival Queen at the annual Vernon Winter Carnival last Saturday night, and will reign as "Miss Vernon" for all major activities throughout the year including representing her town in the "Queen of Queens" competition in March. See complete Carnival results on District page.—Press Staff Photo.

Jerry Fluke Speaks At 100 Club Meeting

Carnival Queen Janice Crummy was honoured by the Winchester 100 Club at their February meeting at Henderson Hall last Thursday night. Miss Crummy was introduced by President Ron Workman and the new Queen thanked the Club for the honour of representing Winchester in forthcoming events.

Guest speaker Jerry Fluke was introduced by Centurian Ray VanNoy, and Mr. Fluke, who is a Meteorological Instructor with the Department of Transport, presented a very enjoyable talk on the duties of his department. (It was noticeable that his popularity waned just a little when he pointed out he had "something" to do with the weather).

The club agreed to invite Mr. Patrick of the C.N.I.B. to speak at the March meeting, and members decided to delay their decision to donate to the building campaign of that organization until after this meeting.

A letter was received from the Perth Chamber of Commerce inviting entries for Miss Eastern Ontario Beauty Pageant, but the Winchester Club, after serious consideration, decided against sending an entry this year.

Centurian Leroy Boyd boosted Centurian Leroy Strader. Howard Summers won the boost. Jack Hatcher, reporting for the Carnival Committee, thanked the members for the complete co-opration that made the Carnival a great success.

Charlie Ault of the Sports Committee read an invitation from Metcalfe and District Lions Club requesting an entry in their annual curling bonspiel, and since the club left this detail in Charlie's capable hands, there is a remote possibility he himself may be able to get "time off" for this big event.

Bob Ledgerwood reported all in order on the welfare work, while Clare Chamberlain reported coming Scout events including the Father and Son Banquet on March 2nd.

With Spring activities just "around the corner" Winchester 100 Club is planning for another very successful year.

In Case Of Fire Call 989-2013 (MOUNTAIN TOWNSHIP)

Mountain Township residents should take note of a new fire number — 989-2013. In case of fire, residents should also remember that under the new hook-up, this new number rings three different phones: one at the home of the Chief, Lyal Sullivan; one at the home of the Deputy Chief, Lucien Benoit, and yet another at the home of Arnold Graham.

This information has just been released to the Press by Mountain Township Clerk Lloyd Graham, who is confident this new alarm system will add greatly to the efficiency of the fire fighters who have already proved themselves on many occasions.

There is a space in your telephone directory for the "Fire" number. Write 989-2013 in that space NOW.

Students In Model U.N. Assembly

On Friday, Feb. 9th, North Dundas District High School students took part in the 10th Annual Model General Assembly at Carleton University. Two delegations were sent, one representing Cuba and the other Canada. Topic discussed included "Peace in the Mid-East," "The Space Race," and "Viet Nam."

"A great deal of understanding and appreciation of the United Nations was learned by all participants," says Sue Boyd NDDHS Press reporter.

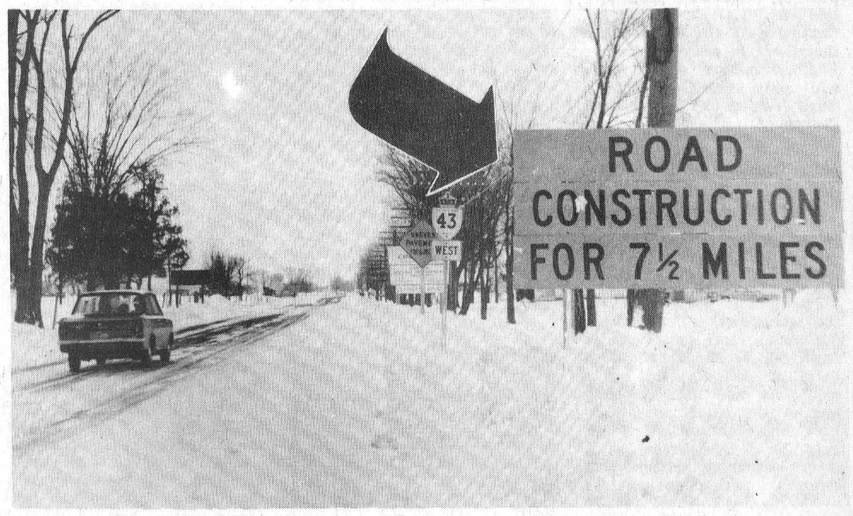
12 Yr. Old Morrisburg Boy Injured In Accident Here

Twelve year old Ken Dawley son of Mr. and Mrs. D. Dawley of Morrisburg, suffered a broken left arm, and multiple bruises when he attempted to cross St. Lawrence Street in Winchester last Friday night.

The accident happened near the corner of Clarence Street and the O.P.P. believe the boy failed to see the approaching half-ton truck driven by Woodrow Holmes, and ran into the side of the moving vehicle.

He was immediately taken to Winchester District Memorial Hospital, but on examination was transferred to the Ottawa Civic Hospital where, at last report, he is in satisfactory condition.

The Problem, And . . .



. . . The Solution Clearing Now Completed

Extreme winter temperatures have not delayed work on the Highway 43 development, where Mel Forbes of Hallville has completed the clearing of the 120-foot right of way, commencing at Highway 31 and proceeding west.

Gordon Mulligan has now moved in the heavy equipment and work will soon commence on tearing up asphalt on the 7.2 mile strip of highway.

This is a very heavily travelled strip of road and the renovations will be welcomed by the many motorists who will gladly suffer the slight inconvenience caused by the re-building process.

It's Russell's Carnival This Saturday Night

LONG LIST OF ACTIVITIES

Russell Lions Club presents its annual Winter Carnival this Saturday night with an outstanding program lined up.

Featured on the long list of activities is the Carnival Queen competition and as always many pretty girls will be hoping for the "crown." Some area carnivals this year have had difficulty finding enough girls to make an interesting contest. Officials of the Russell Lions Club have assured the Press this is no problem in that district, and many entries have already been submitted.

Another feature event will be the Tug-of-War contest in which various Lions Clubs will be competing, as well as other organizations. A recent conversation with the Metcalfe Lions sports committee confirmed the report that a strong team will be in Russell with Lion Don Bleeks as anchorman.

With promise of good weather, this should prove one of the best carnivals to date, with costumes, races, skating drills and plenty of good old Canadian Hot Dogs. Remember the date. Saturday, Feb. 24th. Russell Arena.

It Could Happen To You . . .

Not quite a year ago we read in the papers of a 10-year-old Kilbride, Ontario, girl who was abducted, and hasn't been heard of since.

This took place a long way from Winchester, but little do we realize the same tragic event could happen right here in our own town, or any of the neighbouring towns.

This newspaper feels compelled to issue a warning to parents of young children, especially girls, to be on the lookout for strangers trying to pick up little children. An incident of this nature happened only last week right in Winchester when a local boy and girl (brother and sister) were approached by a stranger and offered money and candy.

The stranger suggested the children climb into his car which was parked in a dark location off a Winchester street. The children fortunately had been warned of such things by their parents, and quickly ran to the nearest public occupied building, and the car and its occupants sped away.

As we said, we read all too often of such happenings, little believing the possibility of a similar tragedy at home. To combat such serious crimes your law enforcement officers must be notified immediately, otherwise they are helpless. If your child, or any child, reports such an incident to you, DO NOT HESITATE TO CALL THE POLICE, give details and if possible a description of the car. Minutes count!

As parents watch their children start off for school, or scouts, or brownies, or any other function where they are walking without adult supervision, the thought of "strange men" often crosses the mind. Possibly it is time we talked directly to the children, and make them fully aware of the dangers that may lurk behind the winning smile and generous nature of some stranger in our midst. Remember, "an ounce of prevention is worth a . . . Happy Home."

Forest Gold

This part of Ontario, at one time, produced the finest maple syrup in Canada. Have we lost the touch, you ask? No, but we have lost a large number of maple bushes.

We are not pointing the finger at any reason why much of our maple has disappeared because it is tied in with the gradual change from the small family farm to the large mechanized farms of to-day. What we are pointing to is the fact that all the maple is not gone, so let's do something positive about bringing back at least some of that former golden glory to Eastern Ontario.

Thousands of acres of our area is poor, agricultually, because the soil is too thin, or as the Agricultural Representatives say: "The bottom is too close to the top." Many of these acres already have maples growing there because it is the climax crop, along with white cedar on the limestone plain. Cutting this maple brings poor prices because the grade of wood is low on this poor site, but we are not concerned with the grade of wood which produces maple sap. The whole idea of forest management must be reversed when we seriously decide to manage for maple syrup and especially where the site is not suitable for wood product development.

Encouraging branchiness and crown development will not produce logs and posts, but then for maple syrup we are more interested in large tops and leaves. Too often in the past we have tried to produce both syrup and timber and come up with poor seconds in both.

Sell your basswood, ash and elm but think long and deeply when the log buyer says: "I'll pay top prices for that maple you have." On poor shallow land, top prices today mean deserts tomorrow. "Well," you say, "Sap production will be low anyway" and that is true, but it is probably the best type of production. In other words, it is the best use of a poor resource; or is it so poor? Have we considered maple syrup tours, selling hunting rights and developing snowmobile trails?

Let's go, Eastern Ontario! Let's bring back the maple. We mechanized the farm, let's mechanize the sugar bush. We had to enlarge the farm — rent your neighbour's bush. "But the problems . . " you say, — I know, I know — with bigger and better syrup bushes will come bigger and more challenging problems.

If the idea appeals to you, and if you have a maple bush we think it will, may we suggest you call your Management Forester or your Agricultural Engineer.

Our Lakes Aren't Sewers

The idea that anyone can dump a toilet into a lake used by the public is repulsive.

Yet that is precisely what's been happening summer after summer in Ontario. More than 29,000 pleasure boats in the province are equipped with toilet facilities and virtually all have been flushing their raw waste into our lakes.

That's why we have no sympathy for the arguments being put forth by some boat owners and marina operators who are complaining now that the Ontario Water Resources Commission has decided to crack down.

Beginning June 1 all boat toilets must be equipped with a container which retains the wastage so that it can be emptied ashore.

Some pleasure boat people argue that the provincial government should clean up industrial pollution of waterways before talks tough with boat owners.

This is a false argument for the government at least has legislation prohibiting industry from polluting public waters. But until recently it had done nothing to prevent boat owners doing the same thing.

No person should be allowed to dump human wastage in any water, river stream or lake used by the public. This policy has applied for years in the case of cottagers who must install their septic tanks far enough from shore so that no leakage from them will endanger nearby lakes. Why should owners of luxurious boats, which are in effect, floating cottages, be given special privilege to pollute our lakes?

Gloom And Doom

Voices of alarm were heard in the land recently. Amid the excitement of the constitutional conference and the quickening Liberal leadership race, Canadians were told that the country could be in for serious trouble in 1968.

The voices were not of the wilderness, nor did they cry without being heard. They were neither voices of crackpots or unknowns, and they told us that "economically, Canada is in the dumps" and that the U.S. and Canada face a stock market crash which will make 1929 look like a small ripple on the seas of distress.

There it was, stark and simple: "Canada is in the dumps." The words were those of Quebec premier Daniel Johnson, and it was evident when he spoke that there was little or no political motivation to his words.

The other warning, about the stock market, came from the noted (and controversial) American economist and writer, Elliot Janeway. This is the man who was until recently one of the chief advisors to President Johnson. He now says the U.S. is under such severe economic attack that there is serious doubt whether it will be able to avoid devaluating its currency. And when that happens, the plug is out for every other currency around the globe, says Janeway.

The Quebec premier's assessment of Canadian conditions comes at a time when the nation stands at the peak of an all-time prosperity, but seems incapable of solving the problems of galloping inflation, a worsening housing crisis, and growing unemployment.

Little or no progress has been made in the struggle to bring the Atlantic provinces and parts of the West up to Ontario's living standard.

While big governments gather ever more tax revenue to themselves — Ottawa alone will spend 10 billion dollars in the next fiscal year — the little governments such as the municipalities find their tax sources actually drying up.

While Canada's growth rates show signs of stagnation, many nations appear to be retreating into ever more narrow orbits.

Instead of the industrial nations expanding their trade by progressively cutting away tariff restrictions — as was envisioned by President Kennedy in the trade negotiations since known as the Kennedy Round — the countries of the world show signs of repeating the economic nationalism which followed World War I, and begot World War II.

This, at least, is the thesis of Mr. Janeway who says the U.S. will face a grave economic crisis this spring. To protect the dollar, drained off by the war in Vietnam and U.S. business investment abroad, the American government will have to slash trade, hike interest rates and possibly devalue the U.S. dollar itself.

Janeway says the nations of the world are repeating all the same mistakes of 30 and 40 years ago, and that the economic infighting now going on can lead only to business collapse, followed by a fighting war.

Britain devalues the pound to give it an edge in foreign trade. France seeks to undercut the U.S. international financial position by selling its American dollars so as to reduce confidence in the U.S. economy. Japan appears poised for a huge devaluation of its money in order to put its exports back on a more competitive footing.

Meanwhile, every economic signpost which springs up in the U.S. stands out in ever bolder type in Canada. When the U.S. ship of state rocks, the Canadian rowboat is swamped. Three percent unemployment there produces a jobless rate of six percent here. A hike of four percent in prices there pushes up the cost of living eight percent here. The prime interest rate surges up half a percent there, a full percentage point here.

And at the bottom of it all lurks the U.S. military involvement in Asia. At a cost so great that the richest nation in the world is unable to meet the burden abroad and achieve its social goals at home, America is trying to carry out Britain's old role of the empire maker east of Suez. But the days of empires are gone.

THE YEAR OF THE MONKEY

Ottawa Report . . .

by Mrs. Jean Wadds

The Leader of the Official Opposition, the Hon. Robert Stanfield,, was the guest on the Nation's Business, Wednesday, February 14, 1968.

It was mentioned that the Hon. Mitchell Sharp, the Minister of Finance, and strong Liberal Leadership contestant, likes comparing himself to the new Opposition Leader. Mr. Stanfield's answer was very typical — "Someone along the line said that imitation is the most sincere form of flattery.

This is the sort of low key sense of humour that runs through so much of Mr. Stanfield's conversation. It is obvious to anyone familiar with Canadian politics that Mr. Sharp is very much his own man and has never, and would never imitate anyone.

Had the Liberal Leadership contest come first, it can be conjectured that they would have likely chosen the same characteristics that appealed to the Conservative delegates last September.

It seems that political figures are required to be more direct, more specific and more concise than popular historic political figures. The general disillusionment with political delays and political promises necessitates a more business like approach to politics both inside and outside the House of Commons.

The Minister of Finance has been warning his party for the last year about the rising cost of living, a cost that has been increasing more rapidly than in the other major trading countries, the United States, United Kingdom, Japan, and countries of the European Common Market. In the first four years of the 1960's our cost of living rose by 6% per annum, in 1965 it increased to 11% per annum in 1966 it increased to 16% per annum, and in 1967 the increase is expected to be even greater. At the same time Canada's productivity is 20% less than that of the United States. It is right and proper that the Minister of Finance should warn against these dangerous trends. Under normal circumstances his cool, courageous, sensible approach would have made him the obvious person to face the economic problems ahead. However, since the Conservatives chose a man with many of the same qualities last September, the Liberals have been scouting around for something more novel. They fear the accusation that they would be copying the Conservatives. The result has been something very novel indeed the Hon. Pierre Elliott Trudeau.

If Mr. Trudeau continues to be as frank and fearless as he was at the Constitutional Conference, the future will be very interesting.

In spite of the fact that it has not been widely reported in the press the Hon. Robert Stanfield has been speaking a great deal, all across Canada, to large audiences.

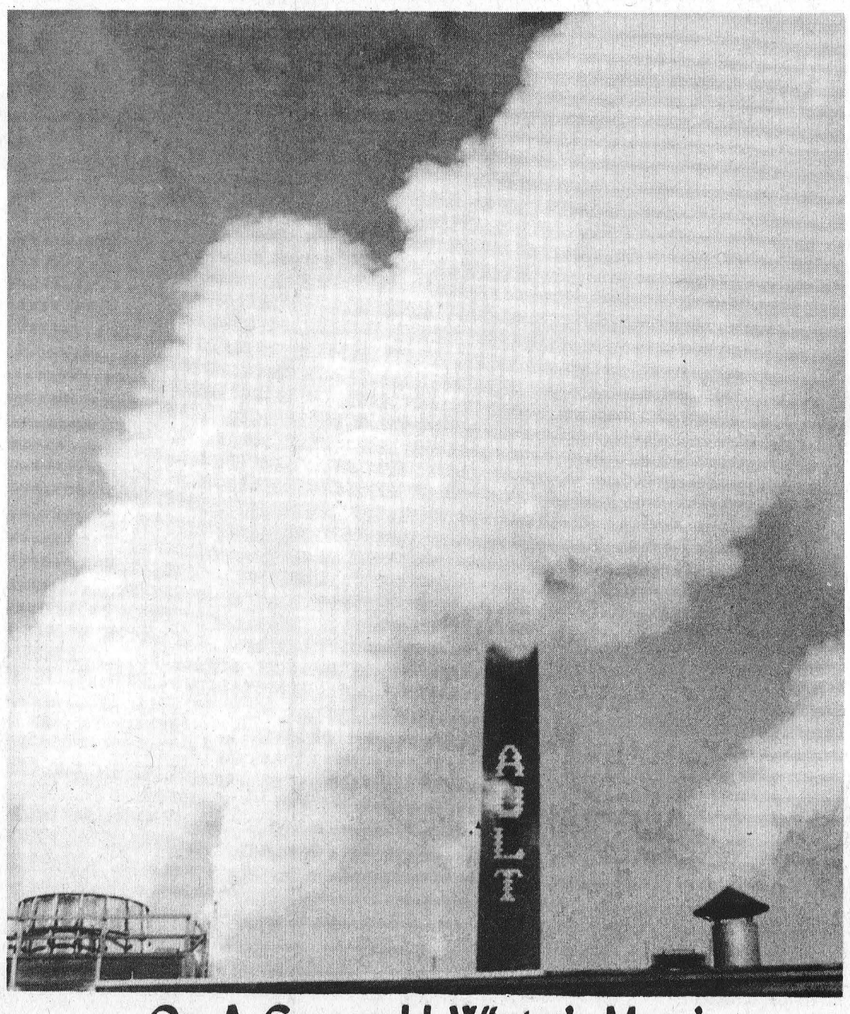
There is never any doubt as to what he means. As he said on The Nation's Business "I think it is constitutionally wrong for the Federal Government to lay down the essential conditions of a program that is in the provincial field of jurisdiction, and this is one." He was referring to the Pearson Medicare Program on which he had spoken forcibly in the House of Commons this week.

Seldom has a leader been more explicit, more critical and more thorough. He concluded by saying "This decision announced by the Prime Minister is wrong for the following reasons:

1. This program will not bring help where it is most urgently needed, in the provinces where the need is greatest These provinces cannot afford to proceed with this program.
2. This decision will badly strain federal-provincial relations because the views of the provinces have been ignored and because of the applied pressures on the provinces to increase their expenditures and participate in this program.
3. This decision makes a farce of the policy of restraint announced by the Government and makes a joke of the policy of the Minister of Finance.
4. This decision will increase the financial difficulties of Canada, causing a further loss of confidence, lead to a higher cost of living and to further unemployment.

"If the Minister of Finance thought these reasons were imperative a year ago, they are even more imperative today."

It would be interesting to know the thoughts that went through Mr. Sharp's mind as he listened to these words.



On A Co-o-o-ld Winter's Morn'

The Seventh Column

Have you ever dreamed of lying in a nice, clean hospital bed with a pretty young nurse holding your hand, but in spite of all your efforts still remain healthy? If your "luck" doesn't soon change it may very well always remain a dream, for that cute little damsel in white may soon be replaced by an electronic gadget. Believe it or not, a miniaturized electronic indicator which allows pulse rates to be read directly from a meter has recently been put on the market. It reduces the possibility of error and it can take your pulse in a fraction of the time a nurse can (we have been told that the length of time required by a nurse for this pleasant chore depends a great deal on the age of the patient). The new indicator consists of a simple finger sensor wired to a direct-reading meter not much larger than a pack of cigarettes. You stick your finger in this hollow cylinder and your pulse rate is given by a beep signal as well as recorded on a meter. Sometimes we think science is going a bit too far!

This is "Boy Scout Week" in Canada, and across the length and breadth of our land special activities have been planned, whether the setting be a large metropolis or a small village like our own. Folks compliment the boys on their neatness, efficiency and good manners, but often forget the dedicated leaders who make this possible. Winchester may well be proud of their Cubs, Scouts and Venturers, and thankful for men who give up many hours of their time in this worthwhile cause. Scout leaders always welcome more help. The hours you spend with youngsters to-day help mould the future of our country. May we suggest you volunteer?

Winchester and the surrounding area is fortunate in having, not only one of the finest hospitals in Ontario, but also an efficient Ambulance Service. Possibly we often take these things for granted, little realizing that most parts of the country are not so lucky. Ontario Safety League suggests that improved ambulance service could result in saving the lives of many traffic accident victims, and to further emphasize the fact, the League quotes from a U.S. safety publication:

"Emergency services in a large portion of the United States are archaic at best, and the deficiencies contribute directly to thousands of deaths each year. It is one of the anomalies of our social development that a casualty of the Viet Nam war or a seaman stricken at sea can in most cases be retrieved, given top quality paramedical treatment and delivered to the scene of expert medical attention more quickly than members of an American family unfortunate enough to be involved in an automobile accident while on vacation."

Research by manufacturers assure continued improvement in ambulance equipment, and our local service, already second to none, realizing that the comfort and safety of a patient must always come first, will soon put into servce a new vehicle with all the most modern life-saving devices incorporated.

With this the danger year for males (Leap Year) some statistics might serve as a warning that with each succeeding year chances of "survival" become smaller and smaller. In the early 1900's there were 105 males for every 100 females in Canada and a fellow playing his cards right had a good chance to "escape." Since that time the "margin of safety" has become slimmer and slimmer till now the Dominion Bureau of Statistics tells us that to-day there are only 101 males to 100 women.

With the bachelor population facing almost certain "annihilation", it seems only right we should bring to light one more statistic — one that might prolong the agony just a little longer for some poor soul. The Financial Post, having completed a careful survey, points out that the best place for a bachelor NOT to be is in Ottawa. There, the girls outnumber the men 100 to 96. A recent survey made at the Press Office indicates Winchester is also classified in the "danger zone." You're on your own, pal — good luck!

A delegate to a convention in England left his car in a no-parking zone with this note on the windshield: "I have circled this block 20 times. I have an appointment to keep. Forgive us our trespasses." When he returned he found a reply from a courteous policeman. "I've circled this block for 20 years. If I don't give you a ticket, I lose my job. Lead us not into temptation."

Thought you might like to know that if your name is misspelled on a summons, you're "home free." This was put to the test in Kingston recently when two charges against a driver were dismissed because his name was incorrectly spelled.

Pretty Winter Wedding

David Ralph Bryan and Carol Elaine Holmes exchanged wedding vows in Winchester Wesleyan Methodist Church on Saturday morning, February 10th, at eleven o'clock, with Rev. W. R. Schamehorn officiating. Carol is a daughter of Mr. and Mrs. Thos. I. Holmes, R. R. 1, Mountain, and David is the son of Mr. and Mrs. Carl B. Bryan, R. R. 1, Mountain.

In a setting of red carnations and white pom-poms, the bride was attended by her sister, Mrs. Robert Carkner, of Smiths Falls. Brian Halpenny, of South Mountain, assisted the groom as best man. Miss Myrna Holmes was soloist, accompanied by Mrs. Sheldon Robinson, organist. The guests were ushered by Eldon Holmes, brother of the bride and Dwight Bryan, brother of the groom.

Mr. Holmes gave his daughter in marriage. For her wedding the bride chose a white velvet floor-length A-line gown with white fur trim at the tips of the long sleeves and edging the peau de soie train of the gown. She wore white pearl drops and carried a cascade of American Beauty roses and white mums.

The bride's sister, as matron of honour, was attired in a floor-length A-line red velvet gown and carried a white fur muff with red roses and fernery attached.

Mrs. Holmes wore a three-piece brocaded blue suit, feather hat, matching accessories and a corsage of pink carnations. The mother of the groom selected a winter green double knit suit, brown accessories and yellow mums en corsage.

Guests from Brockville, Renfrew, Merrickville, Kemptville, Ottawa, Smiths Falls, Kingston and local areas attended the wedding and were entertained at the Country Kitchen Restaurant following the wedding ceremony, and later at the home of the bride's parents.

Mr. and Mrs. Bryan journeyed to Niagara Falls for their honeymoon. Mrs. Bryan travelled in a charcoal checked wool suit matching accessories and multi-coloured hat. The young couple will reside at R. R. 1, Mountain.

SHOWER HELD

Prior to her marriage, Miss Carol Holmes was guest of honour at a miscellaneous shower held in Winchester Legion Hall. Staff members of the Royal Bank of Canada were joint hostesses. On a second occasion Mrs. Ken McLaren was hostess at her home, assisted by Mrs. Eunice Holmes, Mrs. Anne Thompson and Mrs. Gail Bell, at a miscellaneous shower in Carol's' honour.

PLANS FOR INAUGURAL

Dundas-Grenville U.C.W. Presbyterial Executive Held In Spencerville United

An executive meeting of the United Church Women, Dundas-Grenville Presbyterial, was held in Spencerville United Church recently. This was the final executive meeting of this Presbyterial.

Mrs. Allen Hanna, president, presided. Reports were received and adopted. A gift of $100.00, donated by the Merkley Estate, is to be sent to Maternity Hospital at Ludhiana, Northern India. A letter of appreciation was read from Lilliss Bromn, Christian Compound, Alote, India, for a special gift from Regional Conference, Kemptville.

Because the Dundas-Grenville Presbyterial will be joining Glengarry to become the Seaway Valley Presbyterial in March, the Presbyterial Annual received special attention. It is to be held in Merrickville United Church February 28, afternoon and evening sessions. Dr. Norman MacKenzie will be guest speaker. Conference President Mrs. E. C. Knowles will be present. Mrs. A. S. Allen, Cardinal, will be showing slides and there will be a brief history of the many churches which have been a part of this Presbyterial. The evening meeting is open to all.

The inaugural meeting of the Seaway Valley Presbyterial is to be held March 8 at 7.30 p.m. at Morrisburg. Rev. Margaret Errey will be the speaker.

Delegates were appointed to attend the Conference Annual in Hawkesbury on March 12-13.

The gavel will be presented to the new president of the Seaway Valley Presbyterial, Mrs. C. Larmour.

BIRTHS

Following is a list of recent births at the Winchester and District Memorial Hospital:

On Wednesday, Feb. 14, 1968, to Mr. and Mrs. Bryan Helmer, of Thessalon, a daughter.

On Wednesday, Feb. 14, 1968, to Mr. and Mrs. Leslie Jones, of Ingleside, a son.

On Saturday, Feb. 17, 1968, to Mr. and Mrs. Keith Mabo, of Morrisburg, a son.

On Saturday, Feb. 17, 1968, to Mr. and Mrs. Malcolm LaSalle, of Chesterville, a son.

On Monday, Feb. 19, 1968, to Mr. and Mrs. Anthony Toonders, Williamsburg R. R. 1, a son.

On Monday, Feb. 19, 1968, to Mr. and Mrs. Donald Welsh, of Williamsburg, a son.

St. Pauls W.M.S. Hears Brockville Presbyterial Reports

St. Paul's W.M.S. held its monthly meeting last Tuesday evening in the S. S. Rooms. Thirteen members answered roll call with a Scripture text containing the word "Vision."

Mrs. Hugh Wilson, president welcomed all and read a poem "Faith," followed by prayer The minutes were read by Mrs. W. McKercher. Two senior members' birthdays were noted —Miss E. Gardner and Mrs. Couthcart, and cards had been sent. World Day of Prayer service will be held in St. Paul's Presbyterian Church on March 1st.

Mrs. W. McKercher gave a very interesting and full report of the Presbyterial held at Brockville, with different suggestions on making meetings more interesting and how to attract new members.

Mrs. C. R. Robinson and Mrs. A. Suffel had charge of the devotions. Scripture was read by Mrs. Suffel followed by prayer. A reading, "Vision," was given by Mrs. Robinson. Mrs. Suffel missionary for the month, and chose Miss Elsie Taylor as the spoke of her work in Nigeria.

Miss Mary Brown rendered "How Great Thou Art" which was greatly appreciated by all present. A meditation on the Twenty-Third Psalm was given by Mrs. Robinson and Mrs. Suffel. An interesting letter written at the Christmas season by Miss Pauline Brown, missionary in India, was read by Mrs. Suffel.

A dialogue on the Lord's Prayer by Mrs. Robinson and Mrs. Suffel, followed by prayer closed this partion of the meeting. Mrs. Wilson thanked Miss Brown and the committee for a very fine meeting and gave a fitting close by reading "Green Pastures, Still Waters."

DEATH NOTICE

Mrs. Alvin Deeks, 47 Hopewell Avenue, Ottawa, received word on Thursday last of the sudden death of her sister, Mrs. Fred Henderson (Clara), of Cleveland, Ohio.

Make It A Date

A revival of interest in the great religious music of the church has been taking place in recent years throughout the Winchester district. Special services, where the dominant note has been one of praise, have been convened with much success, and ministers have been very enthusiastic, speaking of capacity congregations, and requests for similar meetings to take place again.

Consequently, Sunday evening, February 25th, has been set aside for this purpose at South Gower Baptist Church. Vocalists and instrumentalists from various parts of the community are to participate, and Rev. G. A. Cawfield will speak on "Harps and Weeping Willow Trees."

Time of the service is 7.45 p.m., and everyone is cordially invited to attend.

Personals . . .

Mrs. Basil Gilson spent Wednesday with Mr. and Mrs. John Wells.

Mr. and Mrs. Ralph Casselman of Williamsburg spent Tuesday evening with Mr. and Mrs. Donnie Wells.

Mr. and Mrs. Alton Riddell spent Friday evening with Mr. and Mrs. Lorne Strader and Mrs. Mae Strader of Brinston.

Sunday supper guests of Mr. and Mrs. Roy Baldwin and Mr. and Mrs. Cliff Baldwin and Robbie, of R. R. 3, Winchester, were Mr. Jack Sutton and son, Winston, of Youngsville, North Carolina; Mr. and Mrs. Denzil Sutton and son, Donald, of Kemptville; Miss Beth Crowder of Ottawa, and Mr. Dwight Baldwin of Inkerman.

Mrs. Cam Thompson, Chesterville, spent the week-end in Midland with Mr. and Mrs. Gerald Jakes and boys.

Basketball

AT NORTH DUNDAS

(By Sue Boyd)

In the basketball league the Senior Girls played their final game on Friday, Feb. 16th against Seaway, and unfortunately were defeated.

With the season ended, North Dundas is proud of its teams who put up a good fight, and although they failed to come out on top, they displayed the one important factor necessary in any team, "Good Sportsmanship," a quality which will never leave them. Good luck next year, North Dundas.

"No Reason To Stay"

. . . film for students and parents, too

"No Reason To Stay." This is the name of an exceptionally fine film produced by the National Film Board, and it deals with the subject uppermost in the minds of many parents today. This film attempts to help parents understand why so many bright youngsters now in high school will drop out before the term is done.

Local people will have an opportunity to see this memorable showing on Friday, March 1st, at the Ormond Baptist Church. This presentation is being made possible by the Young People of Ormond and Harmony Churches and will begin at 8 p.m.

As the Film Board points out, it is always difficult to know what to say to parents, to teachers or to anyone concerned when a student drops out of school, and it is hoped this film may help.

"No Reason To Stay" shows where failure begins.. The film was made from the experience of a drop-out, written by him with the honest bias that marks boys of his age. The film shows what many an adult must sometimes wish he could see — the inside of a classroom as it is today. It is all real: the script, the school, the teachers, the students, and above all the story the film tells.

Plan to attend this film at the Ormond Baptist Church. It touches the interest of everyone concerned. It is a provoking film about a subject that needs discussion.

Winchester Temperance Union To Help With Viet Nam Project

Winchester W. C. T. U. met at the home of Mrs. J. Barrett with 15 present. Due to the illness of the president, Mrs. O. Wallace opened the meeting with Miss E. Smith at the piano.

Minutes of last meeting and roll call were ably taken by secretary Miss E. Smith. Business was discussed about project of making and filling plastic kits for Viet Nam. Mrs. Wallace read an article on "Bill Agnew" in Citizenship which was of great interest to all.

This is Francis Willard month so Mrs. E. Merkley gave the clip sheet on this topic. The W.C.T.U. Medal Contest was discused, to take place in March.

Mrs. Manchester, as devotional leader, had an interesting paper on Drink, in connection with young and old, and then closed the meeting with prayer

Mrs. Barrett, with the assistance of Mrs. A. Summers, served delicious refreshments, and a social hour was spent. Mrs. Walker moved a vote of thanks to all who helped.

Winchester WI Meeting

Winchester Women's Institute held its February meeting in the Legion Hall with a good attendance.

The president reported two members held a Euchre party on February 14th and donated the proceeds to the W. I.

Mrs. Roy Fawcett was convener for Historical Research, and gave a paper on the hair styles and dress of the late 18th century and early 19th.

Mrs. M. Aitchison conducted a contest on important events during Centennial Year. It was announced that an Officers Conference would be held in Guelph on May 1 and 2. Mrs. Ralph Johnston was appointed as delegate to attend, with Mrs. Hugh Coons as alternate.

ASK YOUR CHIROPRACTOR

INDIGESTION

Question: When I eat certain foods, I am disturbed with indigestion. Is this normal or is there something which can be done. Mrs. E. L.

J. A. Laquerre, D.C.
Alta Vista Chiropractic Centre
Near Bank & Heron Rd., Ottawa South

Answer:
That old alibi for indigestion disturbances: "Must have eaten something which did not agree with me", is not always the truth. Those who chronically complain about digestive troubles and jump from diet to diet without relief are not necessarily suffering because of the type of food they eat. A little honest self-analyzation would make for more understanding.

Correct diet should not be undersold as the first big rule in good health but indigestion sufferers who have become diet cautious and are still troubled should suspect other reasons for their upsets.

The digestive organs with their complicated, but wonderful system for deriving nutritional values from the food you eat, depend on a good supply of nervous energy to activate them.

Poor digestion coupled with headaches, "or being off food", can indicate something wrong with the nervous system. Scientists know, mental disturbances, anger and fear can upset digestion. Likewise a physical condition can impede nerves supplying the digestive organs with their working impulses.

Many times, a physical examination by a Chiropractor will trace chronic indigestion to irritation on the automatic nerve fibres which regulate the activity of the stomach. Indigestion sufferers, especially if they honestly know they have not over-indulged in heavy eating, would be well advised to have a thorough Chiropractic examination.

OSGOODE VERNON METCALFE RUSSELL

Vernon Baptist Mission Circle

The Afternoon Group of the Vernon Baptist Senior Mission Circle was held at the home of Mr. and Mrs. Lorne Carkner with 10 ladies present.

The president opened with a poem, "The Heathen Children." Mrs. Jas. Ferguson had the devotion, "Meditation on Paul," followed by prayer.

A letter of thanks from Pastor Arthur Maybury was read, thanking the Circle for a gift of money sent at Christmas. He is partially blind but hopes to be ordained soon. He appreciated the gift as he is a married man with two children. Thank-you notes for gifts received were read and offerings taken for (1) Regular, (2) For the food parcel sent to India, (3) A memorial fund started in memory of Mrs. Mac Bowen who passed away December 6, 1967.

The topic was taken from the fourth chapter of the study book on "Literature and Literacy in India." One striking result of the adult literacy work is that as soon as the Bible women learn to read themselves they start teaching others.

Following a hymn, the president closed the meeting with prayer.

Cold, Blustery Weather Vernon Carnival 'Success'

Lovely Jean Standing was crowned "Miss Vernon" at the annual Winter Carnival on Saturday night. Runner-up and reigning Princess was Debbie McDonald.

Undaunted by cold blustery weather a large crowd surrounded the open-air rink and cheered the contestants. When the classes had been completed, however, all assembled in the cosy warmth of Club 31 Hall for an old-fashioned bean supper and presentation of awards.

Leona Cameron, last year's winner, placed the crown on the new Queen, and all contestants received valuable prizes. The Queen received a beautiful trophy donated by Archie Sheldrick.

Mr. and Mrs. Walter Shadbolt of Winchester and Mr. and Mrs. Jim Rowan of Metcalfe were judges for the various events. which resulted as follows:

COSTUMES

Five and under, Peter Porteous and Kelly Duncan; 6 to 8 Grant Duncan and Stephen Porteous; 9 to 12, Wendy McDiarmid and Duff Crerar; 16 and over, Mrs. Donald Duncan and Wilbert Duncan. Youngest in costume, Henry Brunton; oldest, Wilbert Duncan.

RACES

Six and under, girls, Kelly Duncan; boys, Peter Porteous; 7 to 9, girls, Wendy McDiarmid and Susan Duncan; boys, Chris Duncan and Jeff Porteous; 10 to 12, girls, Marilyn Duncan and Evelyn Keeler; boys, John Lewis and Lynn McDiarmid; 13 to 15, girls, Judy Acres. Boys, 16 and over, John Keeler.

OBITUARIES

Mrs. R. Hitsman

Mrs. Russell Hitsman, the former Georgina Devine, widow of Russell Hitsman of Russell, died February 5th in an Ottawa hospital, in her 85th year.

Mrs. Hitsman had resided for the past five years with her daughter in Ottawa. Besides her daughter, Mrs. George Muggleton (Harriet), she is survived by two sons, Marshal of Russell and Emerson of Ottawa; also a sister, Mrs. John Magladry (Florence) and a brother, Andrew Devine, both of Ottawa, and seven grandchildren and nine great grandchildren.

The funeral was conducted by R. M. Warner Ltd. of Russell at Veitch & Draper Ltd. for service at St. Andrew's Church, Vars. Service was conducted by Rev. L. Reaume, with entombment in Trinity Church Vault, at Bearbrook.

Ewart O. Mattice

A lifelong resident of Lunenburg, Ewart O. Mattice, died at Cornwall General Hospital on February 3rd. He was in his 91st year.

Born at Lunenburg February 18, 1877, he was a son of the late Ephraim Mattice and the late Althea Ann Cairns. He farmed until his retirement in 1956.

Mr. Mattice was lifelong member of St. Mark's Memorial United Church and had actively participated in the choir and the various boards of the church. He was an honorary elder and served as church secretary for 27 years.

Predeceased by his wife, the former Gertrude Elizabeth Irvine, July 14, 1948, Mr. Mattice is survived by two sons, Stuart of Morewood and Irvine at home; one grandson, Donald, of Vernon ,and three great grandchildren.

Funeral services were held from the Brownlee Funeral Home, Finch, to St. Mark's Memorial United Church, Lunenburg. Pall-bearers were Milton Hillis, Roy McEwan, W. J. Baxter, Arnold Fetterly, Allan Bancroft and Sterling Eamer.

Vernon

Miss Jessie Campbell, Mrs. Bruce Campbell and Miss Mary Dillabough are all patients in the hospital at Winchester. All will join in wishing them well and home again soon.

Congratulations are extended to Mrs. George Lewis on her 85th birthday on February 21st. Mrs. Lewis lives alone at her home in Dalmeny and is in good health.

Mrs. Harten spent last week with her daughter, Mrs. Howard Porteous, and Mr. Porteous.

DESSERT & CARD PARTY

The Valentine Dessert and Card Party held last Wednesday afternoon in Club 31 Hall was well attended. It was sponsored by the ladies of St. .George's Anglican Guild.

Following the desserts, cards and other games were enjoyed Prize winners were: Mrs. Aaron Stoodley, Mrs. Charles Wallace Mrs. Fred Stoodley and Mrs. Chester Robinson. Mrs. Bath thanked all for attending.

Two Delegates To Guelph Conference

The February meeting of East Carleton Junior Farmers was held February 12th at Club 31 Hall, Vernon, at 8 p.m.

The meeting opened with the Junior Farmers Song. Roll call was answered by nine members. It was announced that there was only one applicant yet for the scholarship fund. The club will send two delegates to the Conference at University of Guelph on March 15, 16, 17.

President Tom Murdock in formed the club of the year's program, decided by the executive at a special meeting. Curling teams have been formed to enter a Metcalfe bonspiel and the Guelph competition. The March meeting will consist of a sleigh ride, or a toboggan party.

Jean Shields conducted two games, and lunch was served.

W. RAY WILSON
Receives Highest Holstein Award

W. Ray Wilson, of Kenmore, was presented with a Master Breeder Shield at the Annual Meeting of the Holstein-Friesian Association of Canada, held February 14th at Toronto. This is the highest honour that the Association can bestow on one of its members.

Making the presentation was Prof. N. R. Richards, Dean of the Ontario Agricultural College, Guelph.

.Mr. Wilson served for twelve years as a Director of the Holstein-Friesian Association of Canada, and was President in 1949.

Ray Wilson started his Wilsondale herd in 1931 with the purchase of calves from local breeders. Included amongst these was Kars Berta Pontiac secured from Lawson Greer of Kars. She was the first cow in the Wilsondale herd to produce over 25.000 lbs. milk, her actual production being 25,134 lbs. milk containing 901 lbs. fat testing 3 58% butterfat in 365 days on three times a day milking at seven years of age.

Production with good type has been the goal in the Wilsondale herd and several times the herd average has been above 16,000 lbs. of milk and 600 lbs. of butterfat. Two Honor List cows have been developed in the herd. Mr. Wilson has recently sold the farm and herd and it is notable that five of the last seven R.O.P. records that he received have a Breed Class Average rating of over 170% for fat, and one of them was over 900 lbs. of fat.

One of the good foundation cows in the herd was Wardine Greendale Burke, who reproduced until she was sixteen years of age and appears in the pedigree of most of the show animals from the herd. Another notable individual was Wilsondale Colantha Jean who stood first at Ottawa Winter Fair as a four-year-old and produced that same year 20,178 lbs. of milk containing 807 lbs. fat.

Mr. Wilson was a member of the Ottawa District A. I. Association, believed to be the first organization of its kind in Ontario, where bulls were owned by a group of breeders, maintained at the Experimental Farm at Ottawa, and used in the breeder's herd. These bulls did a fine job in the Wilsondale herd, particularly Montview Rag Apple Ajax.

In addition to his Holstein herd, Mr. Wilson operated a commercial chick hatchery in the 1930's, selling about 30,000 baby chicks a year. Over the years he has also grown and sold quite a lof of seed grain, specializing in timothy. He also operated the second agricultural lime-spreading service in Canada, rendering this service throughout the Ottawa River valley.

To qualify as a Master Breeder, Mr. Wilson bred: two Very Good bulls, two Excellent cows ten Very Good cows, and four Star Brood cows, the latter including two One Star Brood cows, one Two Star Brood cow and one Three Star Brood cow. Based on a point score for these qualifying animals, a total of 153 points was achieved as against a requirement of 142 points, the latter related to the size of the herd based on an average of 14.2 registrations per year.

JUNIOR B PLAY-OFFS
Hockey Night In Metcalfe

Play-offs in the St. Lawrence Junior B Hockey League start this week, with the first games scheduled for tomorrow night (Feb. 23), and League President Basil Dawley confirmed the fact that the semi-final series will be a best of five, and the finals best of seven.

Although exact standing is not available at press time, it is a safe bet to say that teams competing in the playoffs will be Maxville, Metcalfe, Cardinal and Prescott. Latest reports would indicate that the final standing could very possibly be Maxville holding down first place, Cardinal second, Metcalfe third and Prescott fourth.

Should the teams finish in this order, Metcalfe will meet Maxville on Maxville ice, tomorrow night, and the first Metcalfe home game will be on Sunday night. Metcalfe officials advise that regardless of how the teams finish, a game will be played in Metcalfe on Sunday night.

There is still some controversy concerning the eligibility of three Junior A players, and although the "A" teams involved have forwarded the money for the players, the St. Lawrence Junior B League officials have not definitely decided to accept it, since it has arrived at such a late date. When Mr. Dawley called at the Press Office Monday morning he informed the sports department that the players had not yet been released by the Junior B League, and he expected to meet with O.D.H.A. officials as soon as possible.

Remember, Play-off Hockey at Metcalfe this Sunday night.

BELL LINES

by R. R. PEARSON
your telephone manager

Have you ever spent unnecessary, frustrating time searching around through stacks of old papers, coupons or matchbook covers for a telephone number that you wanted to keep and now need? Then, sometimes, if you're lucky, you find it written on a crumpled grocery list or envelope panel? Well, I know an easy way to keep all those important numbers all in one place and close to the phone. We've redesigned our handy booklet in which you can keep all your telephone numbers and it's called the Personal Directory. It's smart and modern looking and though compact in size, it's large enough to hold all the numbers that you call frequently. It has space for names, addresses, Area Codes and telephone numbers. Just inside the front cover is a special spot for emergency numbers. And, we've included space for important dates you want to remember, such as birthdays and anniversaries. I'd like you to have your free copy for I'm sure you will find it as convenient as I do. Just call our Business Office and we'll be happy to send you one . . . or two if you need them.

❖ ❖ ❖

And, while I'm talking about telephone numbers, perhaps it's the right moment to include a reminder of a special number list. When you're going out for the evening, here are a few suggestions that may help you and the baby sitter relax. Take a few moments to write down the names of the places you are going, and the phone numbers, and the approximate times you'll be there. Have emergency numbers, including the family doctor's, written down, too. Chances are, the baby sitter will never need to use the list, but you and she know it's right beside the phone if needed. Having taken these precautions, step out and have a relaxing, fun-filled evening.

❖ ❖ ❖

Recently we heard about a telephone Repairman who had been up a pole doing some work on the telephone line. When he started to come down the pole he saw a large, ferocious dog growling and waiting for him on the ground. The Repairman didn't panic. Instead, he just climbed back up, hooked onto a line and called the police on his test set. An officer came, pulled the menacing Rover away, and the telephone man climbed down in safety. This is just another example of how people get help quickly and easily with their telephone.

WINTER WONDERLAND or BLUNDERLAND

The difference is the way you drive.

When you're driving in winter there are several things you can do to avoid the special hazards posed by the season.

- Drive with a window open a little.
- Keep your windshield clean.
- Start gently on ice and snow.
- Pump the brakes to control stops.

Responsible drivers will also have adequate insurance protection . . . just in case.

Lunch was served at the close and a social hour enjoyed.

TAKE UP THE TORCH

Brotherhood Week - February 18-25

February 18 to 25 is "Brotherhood Week." Why a Brotherhood Week? 1. To give people an opportunity to rededicate themselves as individuals to the basic ideals of respect for people and human rights which are essential to our way of life, and 2. To dramatize the practical things which people can do to promote an understanding and realization of these ideals.

John F. Kennedy had this to say: " . . . Human brotherhood is not just a goal. It is a condition on which our way of life depends. The question for us is not whether all men are brothers. That question has been answered by the God who placed us on this earth together. The question is whether we have the strength and the will to make the brotherhood of man the guiding principle of our daily lives. Can we match our actions to our words?"

With modern civilization drawing lines of segregation where none should ever exist, the following editorial by William Aiken is timely and thought provoking. Mr. Aiken who is not a Jew, comments on a slogan which appeared during the recent flurry of Nazi scrawings on synagogues and other buildings.

"Jews Go Home" — Well, now, this is nothing new. Never in the past have you ever taken this gentle suggestion to move on. But Heaven forbid, suppose just this once, you thought that expression of a few sick people actually expressed the conviction of all the people of this wonderful land of ours, and all of you started to pack your bags and leave for parts unknown Just before you leave would you do me a favor?

"Would you leave your formula for the Salk Vaccine with me before you leave? You wouldn't be so heartless as to let my children contact Polio? And would you please leave your knack for government, and politics, and persuasion, and literature, and good food, and fun and love, and all those things, and would you please leave with me the secret of your drive to succeed?

"And please have pity on us —please show us the secret of how to develop such geniuses as Einstein and Steinmetz and oh so many others who have helped us all. After all, we owe you most of the A-Bomb, most of our rocket research and perhaps the fact that we are alive today, instead of looking up from our chains and from our graves to see an aging Hitler drive slowly by in one of our Cadillacs.

"On your way out, Jews, will you do me just one more favor? Will you please drive by my house and pick me up too? I am just not sure I could live too well in a land where you weren't around to give as much as you have given to us. If you were ever to leave, love goes with you, democracy goes with you, everything I and all my buddies fought for in World War II goes with you. God goes with you. Just pull up in front of my house, slow down and honk your horn, because so help me, I'm going with you, too."

Ed. Note—Long, long ago a man named Jesus started the first "Brotherhood Movement." It seems fitting indeed that great men of our age see fit to "take up the torch."

OPP Constable Guest Speaker At W.I. Meeting

Mountain Women's Institute held its February meeting at the home of Mrs. May Cameron.

Constable MacGregor of the O.P.P. was a most welcome and interesting speaker, and his comments on several aspects of policing and his topic on traffic safety were beneficial to all present.

Institute Area cook books can be order for $2.00 each, and make a lovely gift.

An invitation is extended to all ladies in the area who would like to attend the meetings, and arrangements have been made with the members who drive cars to see that anyone who lives out in the country and does not drive could be assured of transportation to and from the meetings.

Members feel that any woman of any age would enjoy both the educational and social programs and invite all to join with them. Please phone any member and she will welcome you.

List Catholic Euchre Winners At S. Mountain

Jack Lewis won the men's first prize, and Mrs. Alex St. Pierre the ladies' honours at a Euchre party held in the Roman Catholic Church Hall on February 15th. Mrs. Alex Moran of Brinston and Gil Meerakker were consolations winners, and Tony Meerakker won the door prize. The next Euchre will be held on February 27th.

Guild Plans May Day Tea

The Ladies' Guild of St. Andrew's Presbyterian Church met at the home of Mr. and Mrs. Don Scott with the president Mrs. Scott in charge.

Scripture was read in unison and Mrs. L. Boyd offered a prayer. Roll call word was "Hope." Routine business followed. Tentative plans were made for a May Day Tea to be held on May 1st with a free will offering.

Readings were given by Joanne Scott, Miss Lou Hunter and Mrs. G. Cumming. Miss Hunter conducted a Bible quiz, "Mountains and Hills of the Bible" and a Valentine quiz. Mrs. Cumming also conducted a Bible quiz.

After the closing hymn Rev. J. J. Hibbs offered prayer. A social time followed when the hostess, assisted by Joanne and Barbara Scott, served lunch.

St. Andrews W.M.S. Ladies Hold Meeting

St. Andrew's Presbyterian W. M. S. met in the Fellowship Hall. President Mrs. G. Cumming was in charge, assisted by the secretary, Mrs. A. Shaver.

After the call to worship, Mrs. D. Scott offered prayer. The new Study Book "Christ and the Faiths of Men" was introduced. Rev. J. J. Hibbs was moderator and all members participated in a panel discussion. A study in contrast and comparisons of religions proved very instructive and thought provoking.

Mrs. G. Blow conducted devotions, reading from Romans A hymn and prayer closed this part of the meeting.

Mrs. Cumming gave a report of the Presbyterial meeting held in Brockville. Reports were heard and roll call word was "Heart." Friendship and Service reports were recorded. Prayer by Rev. J. J. Hibbs brought the meeting to a close.

Plan To Attend Presbyterial

The U.C.W. of Mountain United Church held their February meeting on Tuesday night with a good attendance. President Mrs. Wm. Gibson opened the meeting with a poem, and a hymn was sung. Minutes were read by the secretary, Mrs. Carl Simms, and roll call answered with an apron for the Bazaar. Many Christmas cards were donated for the children's hospital at Smiths Falls, and business was conducted as usual. Plans were made for the Presbyterial in Merrickville, and also for a Family Night in the church hall in March.

The program committee, Mrs. Arnold Norton and Mrs. James Baker took charge of the meeting. The worship service topic was Prayer, and a splendid reading was given by Mrs. Norton. Mrs. Baker conducted the study on "Japan Profiles" and held a quiz in the form of a "Reach For The Top" panel on Japan. The meeting closed with a social hour and lunch was enjoyed.

CORRECTION

An error appeared in the following personal which appeared in last week's Press. It should have read: "Mrs. Elmer Durant, Mr. and Mrs. Harold Durant and Mrs. Wilfred McLaren visited the Veitch Draper funeral parlors on Saturday where the body of their aunt, Mrs. Jennie Simzer, of Calgary, rested. The funeral was held on Sunday with interment in Pinecrest Cemetery."

Williamsburg District News...

Mrs. Richard Rhodeniger, of of Schenectady, N. Y., returned home on Saturday after spending a couple of weeks with her aunt and uncle, Walter and Velma Loucks..

Mr. Clarence Casselman of Morrisburg passed away Sunday at eight p.m. He had lived a few years at Williamsburg prior to moving to Morrisburg and was married to the former Beatrice Tupper.

At the regular service in St. Peter's Lutheran Church at Williamsburg the pastor dedicated a Book of Remembrance in loving memory of Mrs. Ruby Garlough, who was called out of this life one years ago, February 12, 1967. The Book is the gift of Mrs. Irene Carter of Connecticut.

Mr. and Mrs. Morley Erratt and family of Winchester spent Sunday afternoon with the former's mother, Mrs. John Erratt.

Mr. Robert Preston of Brockville passed away on February 19th in the General Hospital after an illness of four years. Charlie Preston of Williamsburg is the only surviving member of the family left to mourn his loss.

Sorry to hear that Mr. Edwin N. Whitteker is confined to his bed. All hope for his speedy recovery.

"At Home"

Rev. D. L. Gordon was "at home" last Wednesday evening to the congregation of Trinity United Church, Colquhoun. A sing-song under the direction of Mrs. Mahlon Gow, with Mrs. Kenneth Hummel as piano accompanist, was greatly enjoyed The remainder of the evening was spent in contests and readings in keeping with Valentine Day, and in pleasant conversation.

The U.C.W. of Colquhoun served delicious refreshments. The function closed with the singing of "Auld Lang Syne" and "God Save The Queen."

Feted At Shower

Friends and neighbours gathered at the home of Miss Jean Young of Winchester Springs to honour her on her forthcoming marriage. Mrs. Denzil Robinson and Mrs. Gordon McIntosh were hostesses for the occasion on Saturday afternoon.

The guest of honour was seated in a lovely decorated chair under pink and white streamers with balloons attached. Mrs. Earl Munroe composed the address which was read by Miss Erlene Casselman of Morrisburg. Mrs. Denzil Robinson designed the bride's book in which all guests registered.

Mrs. Eric Steele and Mrs. Lawrence Holmes conducted a number of contests which were enjoyed by all.

Dundela UCW February Meeting

The February meeting of Dundela U.C.W. was held at the Harkness home with a good attendance. The meeting was opened by President Mrs. Grace Strader. Scripture was read by Mrs. Aden Marcellus, and prayer offered by Mrs. George Mullen. Readings were given by Mrs. Bruce Barkley and Mrs. Floyd Gilmer.

Secretary Mrs. Harold Harks read the minutes, and roll was anwsered with the donation of a pickle dish by each member. Mrs. Victor Riddell dealt with the chapter in the Study Book, and Mrs. Alton Riddell gave an interesting reading.

During the business meeting the following dates were set: Garden Party, June 19; Fall Bazaar, November 9th; Pot Luck Supper, March 18 with films being shown by Dale Barkley on Frobisher Bay, N.W.T., and Labrador City where he lived for a number of years. A donation of $10.00 was made to the Cup of Milk Fund. It was decided to start the travelling apron around again with each member giving money equivalent to her age and birthdate.

Programme committee for the March meeting to be held at the home of Mrs. Mac Smyth will be the Dundela ladies, with Mrs. Smyth in charge of the lunch committee.

Mrs. Grace Strader gave a report on the U.C.W. executive meeting at Spencerville which she and Mrs. Bertram Shaver attended. It was also announced that three quilts were ready for quilting, and dates will be set.

The meeting closed with the Mizpah Benediction, and lunch was served by the hostess and her committee.

A Sure Sign Of Spring!

Mrs. Alton Riddell was surprised one morning recently to find a large butterfly on the upstairs bedroom window of her home. She had it placed in a jar where she feeds it plant leaves. The butterfly is black in colour with a touch of green and gold on its wings.

SALES INCREASED 42 PER CENT

Sun Life Annual Highlights

Sales by Sun Life Assurance Company of Canada increased 42 per cent. and reached $1,871,602,000, Sun Life's unit manager in Morrisburg, R. L. Montgomery, announced following the annual meeting. These record sales for a Canadian life insurance company brought total Sun Life insurance in force at year end to $15,594,500,000. Of this total $8,636,639,000 is in individual contracts and $6,957,861,000 in group contracts.

Mr. Montgomery announced payments to policyholders, annuitants and beneficiaries reached $279,312,000, up $16,000,000 over 1966 payments. This included $66,446,000 in dividend payments on policies. Dividends in 1968 are estimated at $71,011,000, and the company has again increased its scale of dividends.

Assets increased during the year by $137,013,000 to $3,235,752,000. Mr. Montgomery said Sun Life mobilizes these savings of its policyholders by investing them in bonds, stocks, mortgages and real estate in all regions of the country.

Mr. and Mrs. John Wells accompanied by Mr. and Mrs. Harry Smail and Diana of Brinston spent Thursday evening in Ottawa.

This week's visitors with Mr. and Mrs. Lloyd Beckstead were Mr. and Mrs. Ed Beckstead of Dundela, Mrs. Ethel Bolton, Miss Edna Swerdfeger and Mr. Bob Jackson of Vancamp, Mr. and Mrs. Nathan Beckstead of Williamsburg, and Mr. and Mrs. Ernie Beckstead.

Receiving Tournament Trophy

Osgoode Township High School Wins Annual Hockey Tournament Saturday

Osgoode Township High School emerged victorious in the Annual High School Hockey Tournament at Metcalfe on Saturday. The all-day tournament, which is sponsored by the East Osgoode Memorial Community Centre Board, had eight schools represented with the first game getting under way at eight in the morning.

Preliminary play saw Osgoode defeat South Mountain by a 6 to 0 score, North Dundas over Casselman 6 to 3, Maxville winning over Embrun by one goal, and a powerful South Carleton squad downing Seaway 2 to 1.

The arena was packed for the final between Osgoode and South Carleton, but Osgoode proved a bit too strong and skated to a 5 to 2 victory. Lanky Osgoode centreman Larry Robinson was voted the most valuable player of the day and Brad Rivington of South Carleton received the award for the best defenceman.

Osgoode Captain Mike Barnhart accepted the beautiful McVey Thophy from Bill McVey who made the presentation on behalf of McVey Insurance Service, Metcalfe.

The large crowd in attendance was treated to some outstanding netminding by Osgoode goalie Glen Wilson, who allowed only 4 goals in three games, and it was unfortunate there was no award for the best performance in that department. Had there been, Glen would have been the unanimous choice.

Larry Robinson, who received the "Most Valuable Player Award" accounted for one goal in the first game, another in the second, and picked up three goals and one assist in the final game.

Another Osgoode player, Mike Barnhart, played a major part in the Osgoode victory. Mike scored five goals and assisted on three more on the day's play. Other top scorers for the winners were Bob Woods, Alan Duncan and Terry Holmes.

CORNER LANES

Top bowlers of the week! Highest cross scored in any league Arn Stobo of the Community League with scores of 276, 294 and 214 for a total of 784. Highest single in any league—Frank Bailey of "Fireside" with 328.

It has been noted by the Sports Department that with the exception of the Community League, fewer and fewer bowlers each week are managing to pass through that "550 barrier." Complete results follow:

Community League

High cross and high single—Arn Stobo 784-294; Ken McLaren 658-259; Dave Thompson 635-269, Don Levere 633-251, Frank Acres 625-241, Bob Levere 616-229, Earl Gray 595, George Watson 590, Edna Empey 584, Irene Ouimet 581, Don Holmes 569, Leroy Empey 561, Allan McRoberts 557, and Janet Holmes 551.

Happy Gang

Florence Helmer scored both the high single and high cross in this league rolling scores of 171, 263 and 311 for a total of 745. Marg. Dalgleish had 670-248, Doris Kennedy 656-282, and Daisy Robinson scored 553.

Fireside

Frank Bailey topped this league in both departments combining his 328 single with other singles of 227 and 172 for a cross of 727. Others in the top bracket were M. McMillan 628-240, Norm Utman 641-258, J. Plummer 631-246, P. Armstrong 566, B. Casselman 564, and Don Levere 557.

Glamour Girls

Ruth Pemberton took top honours in this league combining a high single of 304 with a 214 and a 164 for the high cross of 682. Cathy Price rolled 668-286, Others breaking the barrier were Janet Helmer 577, Joyce Angus 577, and Sandra Lannin 568..

Gay Twenties

A nasty rumour has been circulating around town that the name of this league may be changed to the "Gay Six," since the other 14 haven't been so "gay" lately. We, of course, have no positive proof of this but we do have the scores of the top "six" and none of the others reached the "publication mark." Some would also have us believe that the famous Happy Gang are contemplating a change since they haven't been so "happy" lately either.

Bruce Acres scored the high cross for the Twenties with 658-234, and Doris Kennedy had the best single, a 271-634. Harold Dillabough scored 613-266, B St. Dennis 604-254, Don Mattice 596, and Marg. Dalgleish 579.

HALLVILLE JETS

Orville Wieland topped all bowlers in the league last week with a high cross of 680. Other top scorers were Lanson Hyndman 645, Lorne Cook 596, Carl Bryan 582, Clair Bartholomew 556, Doug. Allen 555, and Clark Christie 552.

SOUTH MOUNTAIN

Wayne Kenney was top man last week in the South Mountain Bowling League, scoring a good string of 285 and adding singles of 215 and 275 to cross 775. Keith Beamish rolled 760-273, Garry Richardson 755-276, and Lyal Coughler 746-255. Other scores follow:

Gary Pickard 686-301, Jim Scott 678-288, Denzil Allen 677, Earl Roach 638, Clarence Marriner 617, Lyal Simzer 613, Charlie Burley 609, Marcella Wood 607, Delbert Wyatt 604, Leila Coughler 596, Mac Graham 595, Arnold Graham 593, Bill MacDonald 585, Douglas Boyd 582, Don Erwin 573, Gerald Simzer 571, Anne Watson 569, Donna Burley 569, Don Watson 556, Muriel Scott 556.
