Former Native Dies Ogdensburg

SGT. ARNOLD H. TENNANT

The very sad news was received from Ogdensburg Hepburn Hospital Wednesday night at 11 p.m., November 14th, of the passing of Sgt. H. Tennant after a short period of being hospitalized.

It was hopeful his health would improve. Arnold had served in World War I at a very early age of seventeen in the Canadian Army, enlisting at Kingston with a school chum.

At the time of World War II he was active throughout, mainly in India, Japan and China. Having been around the world by the east and by the west, He had enlisted at Chicago. He was stationed in Japan when the Korean War broke out and was with the first American regiment to be sent to Korea. Here he suffered many hardships, the cold being one of the worst; secondly having to witness the poor and starving Koreans after a long term or duration of the Korean War. He returned to Dallas, Texas, where he was a number of years until he went to Germany in the winter of 1960, where he found the climate and country too rugged for his health. In 1962 he developed double pneumonia which he never really recovered from. He was flown back to Phonexville, April 1962 after being retired from the army.

He attended his brother Whitney's funeral June 7th, 1962, just five months previous. He nevere really recovered from the shock of his brother and home being gone.

He was very kind and generous especially to the aged and young.

Rev. Dean officiated at the funeral which was held at the Fitzsimmons funeral home, Iroquois, and burial being in the Church of England cemetery overlooking the beautiful St. Lawrence.

The pall bearers were very close neighbours and life-long friends, Frank Bueley, James English, John English, Dean English, Howard MacMillan, and William Larabee.

He leaves to mourn the loss of a loving brother and uncle sister Mary Orpha (Mrs. Arthur Curry) Clinton Corners, N. Y., sister Kathleen Hilda (Mrs. S. D. Stinchcombe) Long Lake, Ont., sister-in-law Mary Ellen Tennant (Mrs. Chauncey Tennant) Wassaic, N.Y., six nieces and one nephew, 5 great nieces and 9 great nephews.

Many floral tributes showed the high esteem of the deceased. "Gone but not forgotten". We'll always think of him.

John Gordon Ellis Died Suddenly

Word has been received here by relatives of the sudden death of a native of this district, John Gordon Ellis, of Fort William. He was the son of the late John Wesley Ellis and his wife the former Bertha Crowder both of this district. He was in his 54th year. Mr. Ellis moved to Saskatoon, Sask. with his parents, where he resided until 1948 when he moved to Regina Sask., and three years ago he moved to Fort Wiliam, where he has since resided. He was employed as Terminal Manager of the Canadian Pacific Merchandise Service, and he was attending an executive Meeting in Winnipeg, Man., when he was stricken with a heart seizure, from which he never rallied, despite the fact that a Dr. was present at the meeting and rushed to give medical aid, but Mr. Ellis died within a few minutes.

The body rested at the Park Funeral Chapel, where the funeral service was held conducted by Rev. B. Summers.

Surviving besides his wife are, one son, John Douglas Ellis, and one daughter, Margaret Joan, all of Fort William; three aunts, Mrs. Fred C. Haig, (Pearl) of Saskatoon, Sask., Mrs. Ira Ellis (Hattie), Mrs. Herbert Clark (Ethel) both of South Mountain, also several cousins in this district. One sister Hazel predeceased him in May 1943.

Interment was made in the family plot in Saskatoon, Sask.

Matilda Twp. Election Dec. 3

Election For Council And School Trustees

Matilda Township residents will go to the polls Monday, December 3rd, to elect three council members and five school trustees, with eight men seeking election to the school board, and four men seeking the three council seats. All indications point to an active election campaign, with schools in Matilda being the main issue.

Reeve Mahlon Zeron was given an acclamation, as was deputy-reeve John S. Thompson. Mr. Thompson's name was the only one brought forward for the deputy-reeveship at Friday's nomination meeting held in the Memorial Hall at Brinston. The hall was filled to capacity for the meeting, although it was one of the more quiet nomination sessions the Township has had in some years.

It was evident from the large number nominated for school trustees that the school question in the township will be the main election issue. Two new schools are beng built in Matilda, one at Hulbert and the other at Dixon's Corners and the pro and con factions are preparing to battle the issue on the hustings of the polls.

Chairs Meeting

J. Orval Seeley, a former Matilda reeve chaired the meeting, first asking the attendance to rise in tribute to the memory of the late Ancil Locke and Ralph Ennis, who had served faithfully for many years as clerk-treasurer and tax-collector, respectively.

Pringle Murphy, chairman of the township school board, gave a resume of work done by the board, followed by Bruce Barkley and Alex McQuigge who touched on the costs of the new six-room school at Dixon's Corners and the three-room school at Hulbert. Hulbert school, to be built by James Kelso, at a cost of $63,106 will be started in the Spring. The Dixon's school, at a contract cost of $109,686, to be constructed by Wiseman and Thompson of Finch, has already had the footings and wall put in to ground level. This is being completely covered until Spring before construction on the building will get under way. Present school board members pointed out that close to 60% of the cost is being borne by the province, noting that the government would not pay grants for repairs on the old schools which are being replaced.

Landon McInnis suggested a closer relationship could be obtained by the formatoin of a Home and School Association in the Township, but said that the initial action could not come from the school board in the setting up of such a group.

Andy Cooper expressed his opposition to some phases of the new school construction and, as did all other former members, asked for the support of the electors on December 3rd.

Frank Sisty and Samuel Keyes spoke briefly, saying they would run, while George Fowler who was absent, qualified later.

Explains Council Role

Reeve Mahlon Zeron explained the role played by Council in the school issue, stating that the school board can prepare a building program but that Council must be approached before the money can be raised. He said that while the contracts for the two schools totalled close to $196,000, the debenture will only be for $180,000 due to a surplus that the school board had reported. Annual repayment will be about $15,000, with grants covering about $9,000 and the Township's share being $6,000. Mr. Zeron said this worked out to about 2 mills or approximately $10 on a $5,000 assessment.

One More Term

Heading towards the end of his address, Mr. Zeron said he was running for office for just

Reeve and Deputy Returned

Mahlon W. Zeron was returned as Reeve of Matilda Township to serve for his sixth and seventh year, following nominations at Brinston on Friday afternoon. Also given acclamation was John S. Thompson, deputy-reeve.

The main interest at the meeting was centred around the schools question in the township and eight men are running for the five school board seats. Four men are seeking the three council seats, with all former councillors seeking re-election, opposed by a newcomer to local politics.

In the council race are incumbents Harold E. Boyd, Dwight Merkley and John Wells with newcomer Lee Shaver entering the contest.

Seeking election to the school board are incumbents Andy Cooper, Bruce Barkley, Alex McQuigge, Landon McInnis and Pringle Murphy, being opposed by newcomers Frank Sisty, George Fowler,

Arnold Johnston Traces History, Benefits, Cheese

Arnold Johnston, Secretary-Manager of the Ontario Cheese Producers Merketing Board, and a native of Matilda Township, was guest speaker at the annual meeting of the Dundas Cheese Producers Association. The dinner meeting was held Thursday, November 22 in the Memorial Hall, Brinston.

The election of officers saw President Byron Martin, Hallville, returned to office. Vice-President is John Barrett, Winchester, and Secretary-Treasurer Wilfred Cooper, Brinston.

Directors elected for the coming year are: Matilda, Wilfred Cooper, John Wells, Merle Graham; Wiliamsburg: Gerald Adams, Edgerton Barkley, Wilfred McMillan; Winchester Township: John Barrett, Willard Baker, Hector Carruthers; Mountain Township: Byron Martin, Harold Allen, Ewart Simms. The directors then met to elect the officers.

Important Export Product

Mr. Johnston's address was entitled "Ontario Cheese is an important export product for Canada", noting that Canada is faced with money problems in that the country has an unfavourable trade balance. He pointed out that something must be done to correct the situation and that cheddar cheese being already accepted on the British market, no mo-

Veteran Trotter Ends Racing Career

At Connaught Park on Sunday, November 17th, the veteran trotter, Effective St. Charles, owned by Wilfrid Zeron, of Morrisburg practically ended his racing career when he won his last race at Connaught Park. He was driven by the owner's son, Harry Zeron. At the conclusion of the race the owner was presented with a cooler banket and a silver tray, by Lou James, race secretary at Connaught Park. Effective St. Charles, now 14 years of age, was purchased by Mr. Zeron from Mr. Wm. Cook, Cardinal, for $1350.00 when a three-year old. He has been racing at Connaught Park since 1953 and won his first start there. During his racing career he has won 119 races and his earnings total nearly $35,000. The old campaigner will spend his remaining days in leisure at the owner's farm near Morrisburg. He may still enjoy the odd race at local fairs.

Matilda Votes Dec. 3rd

On Monday, December 3rd the residents of Matilda Township will go to the polls to elect a three-man council and a five-man township area school board. Reeve Mahlon Zeron and Deputy-Reeve John S. Thompson, were given acclamations.

As in all elections there are issues at stake and it seems obvious this year that the school question in Matilda will be the main issue and that due to strong feelings both for and against the building of new schools in the township there will be some hot words said and feeling will run high.

While neither side may agree with us on what we might say at this time, it is our feeling that Matilda residents are taking the issue where it should be taken — — to the people. The men who are running for office will make their stand known in no uncertain terms, for Matilda residents are proud of their convictions and ready to stand up for them, both on the platform and at the polls. In any truly democratic country, this is the principle which must be maintained or democracy becomes a farce.

We have our personal feelings and thoughts on the subject of schools and believe they are well known. Being a ratepayer in the township, we will vote election day and let our ballot do our talking. We must expect and urge every other voter in Matilda to do likewise.

Whatever the outcome of the election the people will choose what course of action they want by the men they elect. These men will then have their mandate, based on their convictions and the vote of the people.

It will be a hard-fought campaign, make no mistake. When a man is fighting hard for something he believes he might attempt to slant certain aspects of the situation towards his own favour. This is the background of political in-fighting and although we do not agree with this slanting of facts, it will, no matter what comes, be done. All we can ask is that all residents give each candidate a fair hearing — — weigh the facts as you know them, find out by asking questions what all the facts are — — then make your decision and vote.

A High Honor

When any man is given acclamation to an office it is usually done in respect to the character, ability and achievements, of that particular person. This we feel, is certainly the case in the acclamations given to Mahlon Zeron and Deputy-Reeve John S. Thompson at Friday's nomination meeting in Matilad Township.

Both these men have served faithfully and to the best of their energies and abilities in serving the people of the township in which they reside and we join in extending the compliments of our readers on their unanimous return to office for the next two years.

Reeve Zeron, who started in local politics some 30 years ago, has served as a faithful servant to his people. His record on Counties' Council has been outstanding and by hard work and accepting the responsibility of Counties' committees has reached the final step which has come to be regarded as the last office before becoming Warden of the United Counties. Mr. Zeron is at present chairman of the finance committee on Counties' Council and if the system of former years is followed, and there is no reason to see it change, then Mr. Zeron will next year become the new Warden.

It is a high honour for a man to be chosen by his colleagues to represent them as Warden. It signifies not only their respect for the man, but for his abilities and capabilities which the office requires. It is indeed a signal honour and the ultimate in how high a man can rise under the Counties' Council system.

We extend congratulations to Mr. Zeron and to Mr. Thompson and especially look forward to the coming year and all it will hold for both men as they serve Matilda as representatives on the Counties' Council.

MATILDA NOMINATION MEETING—From Page One

one more term, covering the next two years. Mr. Zeron is next in line for the wardenship of the Three United Counties by virtue of his having served on the committies of Counties Council leading to the position. John S. Thompson, deputy-reeve, spoke in favour of the reeve, stating that is would be a high honour not only for Mr. Zeron but for Matilda Township, to have the next warden be Mr. Zeron.

Council Work

Starting off his report as head of Council, Reeve Zeron had paid tribute to the officials of the Township, the clerk Mrs. Dorothy Locke; assessor Caryl Cooper and John McCaslin and staff, as well as to the two former township officials who had passed on after many years' faithful service. He explained the financial status of the township, noting that the general rate was eight mills when he took office five years ago and that it was still at 8 mills this year.

The reeve went into the problems facing Council in their roads program and especially the dust which has plagued many areas. Experiments in new substances are being tried, he said, to find a satisfactory solution to the problem. He said oil was worth trying but that the road had to be properly prepared before it was of much use. A section of the township is being experimented with in the use of oil.

He spoke on the eventuality that the township might have to take over the scenic highway along the front, informing the ratepayers that due to washing away of the bank 10,000 yards of rip-rap will have to be placed as a retaining wall. He said that Council has no intention of taking over the road if it is possible to avoid doing so.

Development roads and the Dixon's to Hainsville road taken over by the counties were touched on, after complaints from people residing along the Glen Stewart road north were heard from. Some action on this portion of the road, which was described as being in extremely bad condition, is to be taken in the coming year.

Harold Boyd, Dwight Merkley and John Wells spoke on the work done in their areas of the township during the past two years, each presenting well-prepared reports.

Wilfred Cooper, a former councillor, suggested a vault be built at the Memorial Hall to safeguard all township valuable papers which, he said, if they were lost could cost considerable to replace.

Mahlon Zeron expressed appreciation to Mr. Seeley for chairing the meeting.

Parliament Hill Report

"Ottawa Report on Agriculture is a weekly news analysis, featuring farm policy. Yearly subscription rates are quoted as $25.00 to individuals decreasing rates to groups. Such a rate would suggest wide research and dependable synopsis.

In the November 16th issue we find interesting support of the Hon. Alvin Hamilton, Minister of Agriculture, although this paper is by no means biased towards the Diefenbaker Government.—

"Two indications are now becoming clear in Ottawa. One is that the Opposition, especially the Liberals and the New Democratic Party intend to bicker critically on every move Mr. Diefenbaker's Government makes. This has been particularly evident on farm legislation, and is designed apparently to discredit Agricultural Minister Hamilton's popularity with the farm voter.

Last week in Regina, Agriculture Minister Hamilton suggested to the Prairie Wheat Pools that they get into the private selling of grain more than they have in the past. He assumed apparently that most people, including the Prairie Farmers Unions knew that the rest of the grain trade, and not the Wheat Board, does the actual private selling of wheat in Domestic and Export Markets. But the Farmers' Union Organizations clearly did not know this because they criticized the Minister's idea as undermining the Wheat Board as a farmers selling agency."

Four days later the Pools approved Mr. Hamilton's suggestion, as reported on the front page of the Western Producer. Also the Financial Times of November 19th states:

"To suggest that private or co-operative initiative in grain export is an attempt to undermine the Canadian Wheat Board is ridiculous."

Peculiarly, Mr. Pearson chose to take over from the newly acquired Liberal Mr. Argue as the Party's agricultural critic. He devoted himself to criticizing Mr. Hamilton's judgement in promoting such an idea, but only succeeded in bringing down criticism on his own head regarding his lack of knowledge of farm matters.

Mr. Douglas fared no better, as he too mistakenly sided with the Prairie Farmers Union.

"Ottawa Report on Agriculture" continues:

"This wheat issue would not seem so important had not Mr. Hamilton's plans been encountering similarly unfounded criticism in the House of Commons on his Farm Credit legislation. His few amendments to the Farm Credit Act were introduced a full month ago. They will do much to help agriculture, mainly the small farmer under the ARDA plan. Yet Liberal and New Democratic Party members have blocked the legislation for a month by bickering criticism. Liberal Spokesman Argue, for example, has been arguing against the legislation because not enough has been done on small farmer lending in the past. It may be that the only people who appreciate Mr. Hamilton's efforts even at the risk of his health, on behalf of the farmers, are the farmers themselves."

Perusal of this Session's debates on Amendments to the Farm Credit Act uncover facts known to farmers and why Mr. Hamilton is considered such a successful Agriculture Minister. For instance, in the very early days of the old Farm Loan Board, two or three million dollars a year were loaned. After 25 years, by 1956, this had only increased to twelve million dollars a year. After 1957 this body, now called the Farm Credit Corporation, increased its loans with marked success, up to 69 million dollars last year with an expected increase of 22% this year, or over 80 million dollars loaned. This, in addition to Farm Improvement Loans in the amount of 108 million and 101 million for the last two years respectively.

These recent Amendments are intended to broaden the credit program so that farmers will have greater latitude in the use of the money they borrow.

Of great interest to Eastern Ontario is the Amendment permitting payment of farmers operation and living costs during a traditional period when changing from one type of enterprise to another, and temporarily having very little farm income.

It will interest many that these Amendments are planned to help farmers develop non-agricultural enterprises on his farm such as camping grounds, tourist cabins or cottages and so on, if he can make more profitable use of his land resources in this way. These proposals make it possible to provide much greater support to our program of agricultural rehabilitation and development, closer co-ordination of the Farm Credit Corporation and ARDA, marking a new milestone in our attack upon the problem of the low income of an important segment of our farming population.

SUGAR and SPICE

By Bill Smiley

Noticed a letter to the editor the other day that suggested congregations should give their minister a hearty round of applause if they enjoyed his sermon. At first, the thought appealed to me. Many a time, in church, I've been completely carried away by the sermon. In fact, on several occasions, I've been carried right out of this world. To dreamland.

On second thought, however, the notion of applause for a sermon lost its appeal. Supposing the minister got a real storm of hand-clapping. There is always the chance that he would beam happily, hold up his hand like a TV comic, pull another sermon out of the sleeve of his cassock, and give us a 30-minute encore.

With the knowledge that the roast was odorificating at home, the gastric juices would flow like Niagara Falls, and the consequent rumbling of stomachs would be horrible to contemplate, frightful to listen to, and destructive to any facade of holiness that we'd managed to erect.

Then, on the other hand, it would be only fair, if we were to applaud with gusto for stirring sermons, that we should be able to express our disapproval in the customary manner by booing, stamping and whistling, if we didn't like what the person said. And the prospect of rousing some of our soundest sleepers with such an outburst instead of the mellow tones of the organ, is fraught with heart attacks, strokes, and apoplexy. We'd need a crew of trained stretcher bearers in a day when you can hardly get sidesmen.

Can't you imagine the jolt you'd get as you sat there happily nodding, if some hardened sinner who disapproved of the sermon on sin came out with a mighty "BOO-OO-OO" right in your ear? You might very easily fall off the bench, simultaneously uttering an expletive that would irrevocably consign you to to the fiery regions from which the sermon had just tried to save you.

Nope, we'd much better to leave things as they are, and greet the end of the sermon with the same old hawking, coughing, snuffling and glove-searching-for as we do now.

I've often felt that being a preacher must be one of the toughest propositions in modern society. He has enough problems to make anyone take refuge in blasphemy, but he can't He knows enough inside stuff to blast the parish wide open, but he has to keep mum.

Some of his parishioners get sore if he doesn't visit them regularly. Others turn out the lights and refuse to answer the door when they see him coming. Still others invite him in, which is probably the worst fate of all.

He can sit down and wait until the television show is over. Or he can drink a gallon of tea with some old girl who's only too willing to get the knife into him after he leaves. Or he can sit by the bedside of some old reprobate who hasn't been to church in 50 years, but is thinking better of it as the pearly gates loom.

* * *

People want their parson to be a leader in the community, but, if he expresses a firm opinion on anything outside the doors of the church, he is a professional troublemaker or an interfering busybody, and "He'd better remember where his money comes from."

For a salary a little above that of a laborer he is expected to be a public relations expert, psychiatrist, big brother, wailing wall, youth leader and building inspector on week days, a Thomas Aquinas on Sundays. "Yes but he gets a free house," howl his parishioners. The free house is usually a vast, drafty barn, which the minister has half enough furniture to fill and half enough furnace to heat.

There are a lot of dunderheads, crashing bores and outright incompetents in the ranks of the clergy. But, on the whole, they are men with a high purpose in life, tormented and frustrated by the thorny perversities of human nature among their flocks. Most, in their modest way, are heroes and I salute them, if not with reverent awe, at least with a hearty respect.

ney will have to be spent to promote it. Over half of the cheese manufactured in Canada comes from Ontario, the speaker said, adding that its export has brough millions of dollars into the country. "It is no small business" he stated, "especially when a large percentage is consumed domestically, the export market is already well established and prospects for additional sales are very encouraging".

The speaker extoled the dual benefits of the export of cheese, noting that it brings money into the country, assisting in the balance of trade, and secondly it relieves the surplus amount of butter-fat in Canada. He went on to give an historical background of the Canadian cheese industry, going back to the introduction of cows to this country by Champlain in 1610, and into Ontario by the explorer Cadillac in 1701. The United Empire Loyalists introduced cheese and butter making in the districts in which they settled and noted that even at that time, surplus butter and cheese

ROY Z. LEIZERT WIDELY MOURNED

Roy Zechariah Leizert died very suddenly at his home at Pittston early Thursday morning November 15th at the age of 80 years. A successful farmer he was a life long resident in the home where he was born May 28, 1882. He had been in apparent good health despite a heart condition. He was a son of the late Samuel Miles Leizert and his wife the former Mary Daufault.

Twice married, his first wife the former Nellie Wright predeceased him many years ago. Over 40 years ago he married the former Elsie Levere who survives along with three sons and three daughters.

From the first marriage are Harold Leizert of Brockville, Gordon Leizert of Hanesville and Mrs. Marguerite Huchcroft of Prescott and from the second marriage Mrs. James Irving (Muriel) of Shanley, Mrs. Shaun Carey (Olive) of Toronto and Herbert Leizert at home. He also leaves 12 grandchildren and 2 great grandchildren. A sister, Mrs. Howard Beach (Katherine) of Ottawa also survives. One grandson Arnold Huchcroft predeceased him.

The remains rested at his late residence Pittston until Saturday, November 17 when funeral services were held in the Pittston United Church at 2 p.m. Mr. Keith Whitney, student Minister officiated and chose as his text "In My Father's House Are Many Mansions" and spoke comforting words to all who mourned.

The choir of the Church with Mrs. Fred Taylor presiding at the organ led in the singing of the hymns 'God is Love' and 'He Leadeth Me'. The choir rendered beautifully the Anthem "The Love of God".

The deceased was a regular church attendant where he was a member of the choir for a number of years. The numerous beautiful floral tributes the many who called at the home and attended the funeral service gave testimony of the high respect in which the deceased was held.

Bearers were Addison Montgomery, Robert Sloan, Presley Montgomery, Ralph Cooper, George Montgomery and Garnet Sloan.

Interment took place in Point Iroquois Cemetery.

Relatives and friends attended from Morrisburg, Iroquois, Cardinal, Prescott, Brockville, Kemptville, Ottawa, Toronto, Edwards, Hanesville, and Spencerville, Ont.; Doylestown, Ohio; Dorset, Ohio; Rovenna, Ohio; West Allis, Wisconsin, and other places.

—●—

The banquet held in the I.O. O.F. Hall South Mountain, sponsored by the Odd Fellows Lodge, number 428, South Mountain, was a decided success.

The programme opened with the call to order by the District Deputy Grand Master of Kemptville District Number 53. Rev. S. D. Robertson said Grace. A toast to "The Queen" and "Odd Fellowship" by Dwight Gilmer, who then introduced the head table guests who were the Grand Masters of the Grand Lodge of Ontario, Independent Order of Odd Fellows and Mrs. Dresser, of Riverside; Mr. and Mrs. Grant Chambers, of Ottawa; Mr. and Mrs. Paul Bowman, Cornwall, Mr. Bowman is D. D. Grand Messenger; Mr. and Mrs. Harold Notell, of Chesterville, Mr. Notell is a Past District Grand Master of Number 52; Rev. S. D. Robertson, South Mountain; Mr. and Mrs. Lawrence Steele, Newington, and D. D. G. Master Dwight Gilmer and Mrs. Gilmer.

Dwight Gilmer then introduced the Installing Team. They were as follows: D. D. Grand Marshall, Edward Van Bridger; D. D. Grand Warden, Lloyd Graham; D. D. Grand Recording Secretary, Milton Harper; D. D. Grand Financial Secretary, Delbert Fawcett; D. D. Grand Treasurer, Lyle Sullivan; D. D. Grand Chaplain,Gordon Mulholland; D. D. Grand Guardian, Abert Hoeksema; D. D. Grand Musician, Morely Anderson.

Mr. Harold Notell gave a short address on "Friendship, Love and Truth". Paul Bowman gave an outline on the meaning of Odd Fellowship. When the Master of the Grand Lodge gave his address he took the Three Linksof Friendship that binds the Odd Fellowship together "Friendship, Love and Truth" and gave the full meaning of each word and that each member should live up to his obligations and in so doing it made a better relationship between Odd Fellow Members and individuals. Mr. Dresser's address was very interesting and it could be well carried further than just Odd Fellowship and it would make this world of ours a better and more peaceful world to live in. Mr. Dresser, at the close of the programme showed a film "Prelude to Peace"-"Youth and the United Nations" which was very educational and interesting.

Dwight Gilmer, D. D. G. M., asked Mr. Grant Chambers to perform a duty of honour by presenting Harold Notell with a Past Grand's Jewel for his efficient service. Mr. Notell expressed his sincere thanks for the honour bestowed on him and said he would feel proud to wear such an honourable distinction.

Mr. Gordon Mulholland moved a vote of thanks to Mr. Dresser for his inspiring address and to all the honoured guests and also thanked the ladies who catered to the beautiful banquet.

Mrs. Gordon Mulholland replied in a few well chosen words that it was a pleasure to assist the Odd Fellows on this special project.

Edward VanBridger, Noble Grand of the Lodge, moved a vote of thanks to all guests for being present and also the ladies who catered and the school girls who assisted in serving.

Busiest Year Yet For B of M

Coast to coast in Canada — and abroad — the fiscal year just ended has been the busiest in the Bank of Montreal's 145-year history, according to Mr. Charles Hodgert, manager of the Iroquois Branch.

Commenting on the bank's

C. W. HODGERT

annual statement for the year ended October 31, he said B of M resources climbed beyond the $4 billion mark — to $4,015 million — for the first time at a year-end.

Loans of all kinds, to individuals, businesses and municipalities, set a new record at $2,269 million — 17.33 per cent above the 1961 figure — and deposits reached a new peak of $3,713 million, the manager said. The deposits figure includes $1,834 million and Canadian's personal savings, also a new high.

Earnings Up

The bank's earnings set a new record, too, the manager reported. Net profit for the year was $16,013,512 for operations of the local branch and more than 90 other offices at home and abroad. However, this amount was earned only after payment of income taxes of $18,353,442 - 14.6 per cent more than the net earnings figure.

The B of M's 22,000 shareholders are being paid dividends totalling $2.10 per share, for a total of $12,757,500, or $5,595,942 less than the tax bill.

The B of M manager said quickly available resources are $1,820 million, or 47.85 per cent of the bank's public liabilities of $3,803 million, compared with a 54.56 per cent in 1961, and providing further evidence of the heavy credit demands made on the bank during the year.

Valuation of bank premises is shown at $65,878,133, compared with $63,062,938 in 1961, an increase of 4.46 per cent, and an indication of continuing branch modernization and extension in this province and elsewhere in Canada.

CWL Meeting

On Nov. 21, St. Cecilia's Parish Council held the regular meeting in the Separate School, Mrs. A. J. Bray, presiding.

After the opening prayers, the reading of the minutes, and the treasurer's report a letter from Mr. Roberts was read expressing appreciation for the help given with the Remembrance Day programme. Mrs. Bray warmly thanked the ladies of the parish for their help and generosity in making the tea and bazaar a success.

Mrs. A. Secord and Mrs. A. Kwietniewski will be in charge of the Christmas baskets for the shut-ins. Mrs. Bray and Mrs. J. Muritich will convene the Lions Club dinner Dec. 3rd. Tentative plans were made to hold a Christmas party for children and adults on the evening of December 16th. Details will be announced later.

Mrs. Bray invited the Council to come to her home Monday evening, Dec. 10th, at 8 p.m., for the December meeting. Each member could bring a guest and gifts not to exceed a dollar would be exchanged. Members were reminded to save their Christmas cards and used stamps for the Missions. The meeting was adjourned and coffee and a social hour followed.

LEACH—In loving memory of our dear Charlie who was killed at Brinston, Dec. 3, 1959.

Beautiful memories, dearer than gold
Of our Charlie whose worth can never be told.
It came as a shock, we did not expect,
Loved and respected wherever he went.
Always willing, thoughtful and kind,
These are the memories he left behind.
There is no parting from those we love.
No distance can divide,
For today in memory's garden,
We still walk side by side.

Missed by Mom and Dad Henderson, Terry & Francis. Robt. Kevin.

IROQUOIS PUBLIC LIBRARY

On The Book Shelves

(Mrs. O. Pigeon)

The December issue of National Geographic and Popular Mechanics, the latest edition of Illustrated London News and five United Nations booklets have been placed in the magazine rack at the Iroquois Public Library this week. The United Nations booklets are quite interesting: THE UNITED NATIONS AND WHAT YOU SHOULD KNOW ABOUT IT written for the man, woman and child who knows the United Nations exists but does not know how it works or what it does, BASIC FACTS ABOUT THE UNITED NATIONS, THE UNITED NATIONS SOUVENIR GUIDE BOOK containing pictures and information about things to be seen by a visitor to United Nations headquarters, FLAGS OF UNITED NATIONS showing the United Nations flag and the flags of the 99 member coutries and giving such information as date of admission, area of country, estimated population and other interesting facts and WORLD FACTS AND FIGURES.

The new books to be found at the library this week include five for adults and two for children:

"A Long and Happy Life" by Reynolds Price, set in a small town in the Roanoke Basin of North Carolina, is a simple masterfully told story about Rosacoke Mustian, an unforgettable character who always means well but is frequently misunderstood.

"In Honour Bound" by Nina Bawden is the exciting and tautly written story of a hero who fell, not among theves, but among his own friends in the struggle to adapt to a post-war, expense-account world.

"String Too Short To Be Saved" is Donald Hall's story of life on a New Hampshire farm a generation ago.

"Voyage to Santa Fe" by Janice Holt Giles is an historical novel of the early 1800's, about a mule train bound for Santa Fe, imperiled by floods and drought, by wild animals and men and by treachery within its own ranks. It is also the story of a marriage strengthened through danger and adversity faced together with courage and mutual trust.

"Steer North" is Katherine Pinkerton's dramatic story filled with fascinating details of navigation and cruising along the coast of British Columbia and Alaska.

"Vicki: A Guide Dog" is the story of a highly bred Boxer, trained as a show-dog, sold to a circus and finally bought by the Seeing-Eye.

"Mischievous Meg" by Astrid Lindgren is about a ten year old Swedish girl and her companions who race gleefully from one madcap adventure to another.

M.D.H.S. AUCTION HUGH SUCCESS

An overflow attendance of supporters from all areas of the school district ensured for the Scholarship Committee their most successful Auction and Dance since they began their campaign to raise funds for scholarships and bursaries six years ago.. By the time Auctioneer Harold Finnerty had presented the last of about 225 donations for auction, the Committee had cleared $915 which has been added to the Scholarship Fund.

INVESTMENTS: The B of M maintains a strong liquid position through investments in high-grade government bonds which have a ready market. Listed on the Bank's books at *amortized value*, they amount to . . . 74[illegible]80

The B of M has other investments—including a diversified list of high-quality short-term issues. These investments are carried at . . . . . 226,[illegible]2,563

CALL LOANS: The B of M has call loans which are fully protected by quickly saleable securities. These loans amount to . . 218,548,259

QUICKLY AVAILABLE RESOURCES: The resources listed above cover 47.8% of all that the Bank owes to the public. These "quick assets" amount to $1,819,737,579

LOANS: During the year, many millions of dollars have been lent to business and industrial enterprises for production of every kind—to farmers, fishermen, oilmen, miners, lumbermen and ranchers—to citizens in all walks of life, and to community organizations and provincial and municipal governments. These loans amount to . . $1,825,682,590

MORTGAGES and hypothecs insured under the National Housing Act, 1954—representing advances to homebuilders . . . 224,644,086

BANK BUILDINGS: In hamlets, villages, towns and large cities from coast to coast the B of M serves its customers at 900 offices. The value of the buildings owned by the Bank, together with furniture and equipment, is shown on its books at . . 65,878,133

OTHER ASSETS: These chiefly represent liabilities of customers for commitments made by the Bank on their behalf, covering foreign and domestic trade transactions 79,222,188

TOTAL RESOURCES WHICH THE B of M HAS TO MEET ITS OBLIGATIONS $4,015,164,576

WHAT WE OWE:

DEPOSITS: While many business firms, manufacturers, merchants, farmers and people in every type of business have substantial deposits with the B of M, about half of the money on deposit with the Bank is the savings of private citizens. The total of all deposits is $3,712,565,329

OTHER LIABILITIES: Miscellaneous items, representing mainly commitments undertaken by the Bank on behalf of customers in their foreign and domestic trade transactions 90,467,309

TOTAL OF WHAT THE B of M OWES ITS DEPOSITORS AND OTHERS $3,803,032,638

TO PAY ALL IT OWES, THE B of M HAS TOTAL RESOURCES, AS SHOWN ON THE LEFT SIDE OF THIS STATEMENT, AMOUNTING TO . . . $4,015,164,576

WHICH MEANS THAT THE B of M HAS RESOURCES, OVER AND ABOVE WHAT IT OWES, AMOUNTING TO . . . . . $ 212,131,938

This figure of $212,131,938 is made up of money subscribed by the shareholders and, to some extent, of earnings which have from time to time been ploughed back into the business to broaden the Bank's services and to give added protection for the depositors.

The BIBLE Today

Television is being used by the CBC to portray the story of the apostles in action under the title "Paul of Tarsus". Written in contemporary speech and produced by the newest mass media the Bible comes alive across Canada on the programme, "Heritage".

Television is also being used coast to coast in the U.S.A. to assist in Bible Teaching, reports Religious News Service. The National Council of Churches in the United States recently sponsored a series of Sunday programmes in an effort to make the Bible relevant to today's situation.

The Acts of the Apostles was the book used in this first series of T.V. programmes under the title, "When the Church was Young", Maps paintings, charts and figurines were all used to illustrate the Bible passages.

A seond series, scheduled for network presentation early in 1963 will be based on the Gospel of St. Luke and include twelve programmes, under the general title "The Living Bible in Today's World."

TO THE RATEPAYERS OF THE TOWNSHIP OF MATILDA

Ladies and Gentlemen:
On the 3rd of December the ratepayers of Matilda will be electing a board of school trustees for the following two years. I am a candidate for membership on that Board.
I have served 15 years as school trustee in the township of Matilda, nine years under the old system and six under the School Area system. During all my time of office I consistently have pursued a constructive and progressive policy based on carefully considered ideas of better rural living; of better educational social, and economic standards as affected thereby. In pursuit of such policy I have given sober consideration to the actual needs, to the advisability of changes, and the ability of ratepayers to meet the enormous and far-reaching costs entailed in all such changes, many of which are set in motion only by the headlong rush of the times. If re-elected, to office I will continue courageously to carry forward the sound principles I have hitherto upheld.
I now am serving my second term as Director of the Rural and Township School Area Section of the Ontario School Trustees and Ratepayers' Association, and attended the 1962 fall meeting held in Toronto. This body is devoted to the welfare of schools, pupils, ratepayers, and education generally. At this meeting I was appointed by the Executive as one of the two voting Directors for the Rural and Township School Area Section.
I thank the ratepayers of the Matilda Township School Area for the support given me in the past. I also thank the mover and seconder of my nomination. If elected I will continue to serve you in the same faithful way as before.
ANDY COOPER

TO THE RATEPAYERS OF MATILDA TOWNSHIP

Ladies and Gentlemen:
Having been nominated for the office of Public School Trustee Area Board I have decided to allow my name to appear on the ballot at the forthcoming election on Dec. 3rd, 1962.
I am vitally interested in the education of all children in Matilda Township and, if elected, I assure you that I will work to the best of my ability in the further ance of all matters pertaining to better education. I humbly ask your support on Dec. 3rd.
Wishing you all the compliments of the Season.
Yours Sincerely
SAMUEL M. KEYES

TO THE RATEPAYERS OF THE TOWNSHIP OF MATILDA

Ladies and Gentlemen:
Having been nominated for the office of School Trustee for the Matilda Township School Area Board for the years 1963 and 1964, and having decided to allow my name to appear on next Monday's ballot, I would like to take this opportunity to first of all thank my supporters in the past, my nominator and seconder, and all those who have so placed their confidence in me in past years.
If elected, I will consider it my unbounded duty to first of all keep the cost of education at a level that all may easily afford, and secondly I would endeavour to improve and standardize our educational program within our Township. It's our slogan for the future be "Progress". Progress toward a better education; progress toward a brighter future for all who pass through our elementary schools.
Not having the time to personally discuss some of these problems with you, I am availing myself of this space to ask for your support on Monday next, and to wish each and every one of you the Compliments of the Season.
Sincerely,
LANDON McINNIS

TO THE RATEPAYERS OF THE TOWNSHIP OF MATILDA

Ladies and Gentlemen:
Having been a member of the Matilda School Area Board for the past four years I am again a candidate for that office. I have worked for the advancement of education in the Township and will continue to do all I can for the children of Matilda.
To enable me to carry on this work would you please support me on Dec. 3rd. Thank You.
Your Obedient Servant
ALEX McQUIGGE

TO THE ELECTORS OF MATILDA TOWNSHIP

Ladies and Gentlemen:
Having again been honoured with a nomination for a member of your Council Board for the next two years, I am allowing my name to appear on the ballot in the election on Monday next, December 3rd.
I have served on your Council Board for the past ten years and have always worked to the best of my ability for the interests of the Township as a whole. If elected I will continue to give you the same service.
I will not be able to see you all personally and take this means of soliciting your vote and influence on Monday next.
Wishing all the Compliments of the Season.
Yours sincerely,
DWIGHT MERKLEY

TO THE RATEPAYERS OF THE TOWNSHIP OF MATILDA

Ladies and Gentlemen:
I have again been honoured with a nomination for School Trustee on the Matilda Township School Area Board which I most graciously accepted. My name will appear on the ballot in the forthcoming election on Monday next, Dec. 3rd, and I take this means of soliciting your influence and support.
For the past six years I have served on your School Board — three years of which as Chairman, and the wide experience I have gained during these years, should qualify me for a further term on your School Board. Two new schools are now being built in the Township and I would deem it a special honour to be allowed to serve on your School board until these schools are completely finished.
During the past years I have worked diligenty for the betterment of education in our Township and if elected, I will continue to work to the best of my ability in your interests. Thanks for past support.
Wishing you the Compliments of the Season.
Your obedient servant,
PRINGLE MURPHY

TO THE RATEPAYERS OF MATILDA TOWNSHIP

Ladies and Gentlemen:
I have been nominated and qualified to act in the capacity of school trustee for the coming two years in our township. A word of thanks to my nominators and to those of you who have given me the moral support necessary to entice me to stand for election.
The past two years of administration by this board has not had the full cooperation of its trustees. Therefore I feel that the ratepayers should vote for a change on the board to try to elect men who can and will work together in the interest of education and the ratepayers taxes.
If elected, I feel confident that I can work in harmony with the others elected to the board and help to give better administration in the coming two-year term.
Your vote will be appreciated.

Here & There

From the looks of the paper these days, a provincial election may not be many months away — — a month or so ago there were a few cabinet changes, now a medicare plan is slated for the near future and portable pensions. Based on the old saw "give and ye shall receive" these offerings may only be the forerunner of even bigger things — — such as a slight increase in the sales tax after election to cover the costs of these added benefits. No matter who is in power, it takes an ever-increasing bankroll to finance our standard of living.

Like everyone else we'll wait and see — — and like the weather, we'll take it and probably like it.

* * *

Watching the snow machine in our living room the other night we noticed that entertainers are getting lazy; more and more of them are using chairs, sofas and what-have-you — instead of standing up and moving around. But then, some of them move so much, it keeps you guessing whether the TV set is jumping or they've got ants in their trousers.

* * *

We're getting into that time of year when snow and ice make driving hazardous — many of us drive a little faster than we should — but then, we're all living a little faster than we should. Just think, if we slowed down about 25%, by the time we would normally be 125 years old, we'd actually be only 100. Ye gads! We'll have to give that one some thought. Just think — we'd be able to draw the old age pension for 60 years and get back all the money we feel we'll have paid in by the time we're 60 in income tax and etceteras. But what would we live in from age 60 until we were paid the old age pension on a means test?

Boy, life is sure complicated.

Life insurance is LIVING insurance!

A life insurance policy can insure

— that your family will have money for LIVING expenses if something happens to you.

— that you will have money for LIVING during your retirement years through endowment savings.

And it can help you LIVE through financial emergencies along the way through its cash values and loan privileges.

A CIA Life representative would be happy to tell you about CIA Life insurance policies and what they can do for you!

ST. LAWRENCE JERSEY CLUB HOLDS MEETING

A good number of local Jersey breeders were present at the Annual Meeting of the St. Lawrence Jersey Club, which was held on November 22nd, in the Agricultural Office, Winchester, Ont. John MacKenzie, President of the Club, was chairman of the meeting.

Ed Pearson introduced the guest speaker for the evening, Mr. Walker Riley of the Soils and Crops Branch of the Ontario Department of Agriculture. Mr. Riley's subject was Changes in Agriculture. Mr. Riley pointed out that we are now in the midst of an Agricultural Revolution. Noting that the number of farms was rapidly decreasing, Mr. Riley felt confident that the Family Farm would survive the changes which are taking place.

Mr. Dudley Oliver, Business Manager of the Ontario Jersey Club, briefly outlined the developments in the marketing and promotion of A. J. milk during the past year. Mr. Oliver also appealed to the Club members to take a close look at the records of each of their cows and sell for slaughter all cows with poor records.
