Over 1700 People Attend Legion Bingo

The enticement of $1800.00 in valuable prizes attracted a large crowd of over 1700 people to the Winchester Legion's second annual Monster Night, held last Wednesday evening in the local arena. This year's Bingo surpassed the Legion's first effort both in the number attending and in the value of prizes, and according to Legion authorities, it was a highly successful night in every department.

Once again the Bingo was conducted in a smooth-running fashion by members of the popular Montgomery Branch, Ottawa, of the Canadian Legion. Contrary to the belief of many people, the Montgomery Branch receives no remuneration for conducting the Bingo. Excepting a small amount for car expense and rental of Bingo equipment, the Montgomery Branch donates its services in an effort to help fellow Legion branches.

On behalf of the Legion, Mr. Gordon H. LaRose extended a cordial welcome to the large crowd of Bingo players who turned out for the event, and explained the night's activities, before introducing Mr. Henry Harvey, vice president of the Ontario-Provincial Command of the Legion, and Mr. Art. Finley, president of the Montgomery Branch. These two gentlemen, assisted by several other Montgomery Branch and Winchester Branch members on the floor, had charge of the playing.

Topped by Miss Marjorie Crummy, Winchester, who was the big winner of the night, taking the $575 electric home freezer, there were twenty-four other prize winners as well as 63 consolation prizes. The other special event awards were won by Mrs. Lawrence Murphy, Farran's Point, an electric stove, valued at $265.00; Mr. John Young, Chesterville, an electric washer, valued at $139.00; Mrs. T. L. Gilmore, Prescott, a combination radio record player, valued at $169.50, and Mr. Lyle Crowder, South Mountain, who won the chest of silver, service for eight, valued at $85.00. The 63 consolation prizes, awarded to winners of a Bingo who lost out in the playoffs, were Black and White Panda Bears, valued at $3.50 each.

The door prize, a 5-piece chrome kitchen set valued at $119.00, was won by Mrs. M. Timleck, of Iroquois, who held the lucky ticket. Mr. Gordon Countryman, South Porcupine, and vice president of the Ontario-Provincial Command, Northern Region, drew the door prize ticket.

The twenty winners of the twenty-five dollar merchandise vouchers, were as follows: Elizabeth Rice, Ormond; Mrs. J. A. Hipson, Kemptville; Theodore Murray, Moose Creek; Mrs. Ernie Morrison, Manotick Station; F. B. Dowser, Metcalfe; H. O. Balkwill, Winchester; Mrs. Roy Ouderkirk, Crysler; Wilfred McLaren, Mountain; R. L. Slater, Inkerman; Mrs. Charles Bouck, Williamsburg Township; Mrs. Fred Bulmer, Iroquois; Ralph Guy, Winchester; Ivan Simzer, Mountain; James Williams, Chesterville; Mrs. Gerald Rady, R. R. 3, Crysler; Mrs. Cecil Champion, Winchester; Mrs. Gerald Hess, Morrisburg; Joseph Desormeaux, R. R. 1, Winchester; Ormond McConnell,, Winchester.

All the prizes were placed on a well-decorated platform in the middle of the arena for the inspection of the large crowd. As an added convenience this year, the Legion had a booth in operation, and the rush on "hot dogs and cokes" was heavy.

Rink facilities, including the P. A. System, were donated by the Winchester Rink Company. Planks used on the main floor were donated by H. S. Lannin Ltd.

Mr. Ken. Summers is the Chairman of the Legion's Ways and Means Committee, which organized the Bingo.

OBITUARY

LATE MRS. THOS. HAGGERTY

Following a lengthy illness, Mrs. Thomas Haggerty passed away in the Cornwall General Hospital on Wednesday, September 24th. She had been a patient in the Cornwall Hospital for the past four months.

Born in Inkerman, Ont., 78 years ago, she was a daughter of the late John Keyes and his wife, Eliza Blaine. In 1891 she married Mr. Thomas Haggerty, in Inkerman, who predeceased her 15 years ago. Following their marriage they farmed in the Toyes Hill district for many years before retiring to Williamsburg where Mrs. Haggerty resided until her admittance to Cornwall General Hospital. She was a member of the Williamsburg United Church, as well as being an active worker in the Red Cross Society since before the First Great War.

The chief survivors are: one daughter, Mrs. Eckford Johnston, of Cornwall; four sisters, Mrs. A. B. Allison and Mrs. J. W. Ault, of Winchester, Mrs. B. Moad, of Muskoka, and Mrs. Hugh Allison, Smiths Falls; and one brother, Mr. T. O. Keyes, Winchester. Several grandchildren, nieces and nephews also survive.

The funeral was held from her late residence to Williamsburg United Church on Friday afternoon, where the service was conducted by Rev. G. Dunlop. Interment was made in Maple Ridge Cemetery. The pall-bearers were Messrs. Ed. Deeks, Jim Deeks, Walter Loucks, Walter McGowan, Elmore Dillabough and Erwin Empey, all of Williamsburg.

Rally Day Observed In Local Churches On Sunday Last

Rally Day Services were held in the local United and Presbyterian Churches on Sunday. At the United Church the theme was "Let Us Prepare To Build." Over 300 parents and children attended. Rev. T. N. Mitchell, the pastor, administered the sacrament of baptism to Allison Kathleen Coons and Joanne Melvin, children of Mr. and Mrs. Hugh Coons and Mr. and Mrs. David Melvin. The Scripture reading was by Miss Doris McRoberts. Howard Annable read the theme story entitled "A Wish Comes True."

The pastor's message was based on the responsibility of the adult church member, for the proper training of the young, by precept and example.

At St. Paul's Presbyterian Church the Junior Choir provided the music at the Rally Day Service, with Miss Clara Irving as director. They sang "Welcome All," and "This Is A Beautiful World." Mr. Walter Moffat, superintendent of the Sunday School, presided, assisted by the pastor, Rev. William Reid. The evening service was cancelled in favor of Vernon Presbyterian Church, which celebrated its 120th anniversary, with Rev. Colin F. Millar, of Knox Church, Ottawa, as guest preacher.

UNDERWENT OPERATION

Mr. Ross Hutchinson, local Fuel Merchant, was admitted to the Winchester District Memorial Hospital on Sunday morning, where he underwent an emergency operation for appendicitis. His many friends will be pleased to know that he is making satisfactory progress.

Local Schools Held Field Days on Friday

HIGH SCHOOL

Tied with twenty-two points each, Donald Watts and Bruce Steinburg won the Senior Athletic Championship at the Winchester High School Annual Track and Field Day, held last Friday afternoon on the school campus. The top honours mean that the two students will be joint holders of the W. H. S. Literary Society Athletic Cup, awarded annually to the best senior athlete in the school.

Originally slated for Wednesday afternoon, the Sports Day would have been held at the 100 Club Community Park, but for a deluge of rain last week. Continued rain and wet grounds prevented the yearly event from being held at the Park on Friday, and almost hampered the decision to hold it at the school.

In the girls' events, Irene Campbell walked off with the senior title with 20 points. Her closest rival was Betty Holmes with 16 points.

Intermediate Girls' Championship went to Ethel Thomas, with 21 points. Mary MacIntosh was the runner-up with 9 points.

The Junior girls' title was won by Marion Waddell, who picked up 17 points against second-place Joan Duncan with 15 points.

The Junior boys' award was captured by Larry Holmes with 21 points. George Holmes placed second with 15 points. In the Intermediate class Arden Black is the new champion. He eked out the honours in a close race with James Bingley who was the runner-up with 14 points.

During the day a booth, serving cokes and hot dogs, did a thriving business, under the supervision of Miss Runions and Miss Benning, assisted by members of the Home Economic Class.

Officials in the Boys' events were the principal, Mr. J. H. Willard, assisted by Mr. Froggett and Mr. Potvin. Mrs. Slingerland, Miss Benning and Miss Runions looked after the girls' classes. Bible Society Plans For Canvass In Winchester District

Dr. G. J. Harder, of Ottawa, addressed a gathering of all denominations at the Baptist Church here on Sunday evening. "The Bible On The Table" was his subject, illustrated by a movie film. Dr. Harder spoke on behalf of the Canadian Branch of the British and Foreign Bible Society. Rev. T. N. Mitchell, of the United Church, and Rev. H. Kielty, of the Wesleyan Methodist Church, assisted in a worship service. Mrs. Edgar Turner, the local secretary of the Winchester Branch, reported that preparations are complete for the annual canvass in support of the Society.

The following have been selected to represent their respective districts: Village of Winchester—Mrs. Charles Cross, Mrs. Clara Justus, Mrs. E. Harper, Mrs. Gordon Coons, Mrs. Arthur Leason, Miss Iverene Summers, Mrs. Cecil Champion, Mrs. Keith Summers and Mrs. Edgar Turner; Winchester Station, Mrs. Silas Bellinger; Maple Ridge, Mrs. Wm. Armstrong; Cass Bridge, Miss Marilyn Dawson; Summers Settlement, Miss Joyce Cross; Melvin Settlement, Raymond Annable, Gordon Ennis and Orval Christie; Harmony, Carl Docksteader; Mountain Settlement, Mrs. Eldon Riddell.

Oil Pipe Line Nears Completion

(By W. A. Rowat)

The oil pipe line, which will carry refined oil from Farran's Point on the St. Lawrence, to Ottawa, six feet underground, is expected to reach South Ottawa and cross the Rideau Canal within two weeks. This estimate was given Sunday by Paul Crouch, foreman of the gang, working six miles north of Winchester. Expert welders and operators of huge machines and contracting equipment, from as far south as Texas, are busy seven days a week on the line, stretching a distance of 44 "crow's flight" miles. Machines do practically all the work, the digging of the six-foot trench, the welding, pressure testing, the actual laying of the heavy ten-inch pipe, and the cover-up job. The welding operation is a precision task. Each welder is required to engrave his initials at the welding joint. If the pipe should spring a leak there, he is no longer a welder. Before covering, the pipe is tested to stand 400 or more pounds pressure. Operation of the mammoth caterpillars attracted crowds of spectators on Sunday, north of Ormond, as the retinue of workers break their way through bush and swamp.

In fair weather, an average of nearly a mile per day can be covered, depending on the nature of the soil. Farmers, on whose land the pipe line passes through, are compensated on a lineal footage basis, and owners of the land, and mortgagees of the owners must give their permission to the contractors for the concession of having the line pass through their farms.

AGNES GLASSFORD AUXILIARY

The Agnes Glassford Auxiliary of St. Paul's Presbyterian Church held its first Fall meeting on Wednesday of last week at the home of Miss Eva Justus. The president, Mrs. C. Robinson, presided, and conducted the business portion. Miss Betty Anderson, as convener, took charge, and the Bible reading was given by Miss Florence Wyatt. The Study was taken by Mrs. Hugh Wilson, who gave a very interesting talk on British Guiana—the Country and the People. Mrs. Robinson closed the meeting with prayer. A social hour followed and a delicous lunch was served by the committee, Misses Betty Anderson, Florence Wyatt, Eva Justus and Mrs. Hugh Wilson, who brought in a beautiful birthday cake in honour of one of the member's birthday.

Mrs. Alex Davidson moved a vote of thanks to the programme committee and also to Mrs. Justus and Eva for the use of their home.

Hospital Visits

When visiting a patient in hospital, there are several little ways in which the visitor may help his friend. Sitting on the hospital bed, bumping or leaning on it may seem a small matter, but it can be very irritating to the patient. Overstaying the visiting period may disrupt the patient's routine and too many visitors at one time may not be good. Make visits short and cheerful, and be sure to co-operate with hospital regulations regarding visitors.

Some of our Dominion representatives are prone to make wild statements about the "crime of interest" and our "debt-creating system" and they strive to create the impression that debts and interest are an unmitigated evil. It's little wonder that recent Turkey Dinners, served in conjunction with district Church Anniversaries, have been attracting so many patrons. Where else could you get a Turkey Dinner for $1.00 or $1.25? All of which reminds us that the local United Church has an Anniversary coming up this month and the ladies are planning to serve a Turkey meal in connection. Our only advice to the ladies is to have plenty of turkey on hand, because, judging from similar events at Williamsburg, Inkerman and South Mountain, there will be a bumper attendance.

In the scramble to designate weeks to further the cause of some particular project, the really important ones may tend to be overlooked. By Royal Proclamation at Ottawa, October 5 to 11 has been designated "Fire Prevention Week." This is one week that should be taken seriously. A couple of hours spent by every householder in checking possible fire hazards would be amply repaid by a reduction in fire losses in Canada. And fire protection brings ease of mind. You'll be hearing more about it.

PASTEURIZATION IS PROTECTION

One of the chief factors in the reduction of sickness and death rates in both children and adults is the pasteurization of milk.

Pasteurization is a simple procedure involving the simplest form of the heating of milk to 145 degrees F. for half an hour with subsequent rapid chilling. The important thing to remember in this connection is that pasteurization will destroy all disease-carrying germs or organisms and that the process does not destroy any of the fundamental nutritional qualities of milk. None of the arguments brought forward by opponents of this life-saving process has the least validity. In spite of this we are faced with the tragedy that in eight provinces out of ten there is still no province-wide legislation for the pasteurization of milk. It is a reflection on our common intelligence that in only two provinces out of ten—Ontario and Saskatchewan—is it possible to be sure that milk purchased for home consumption is pasteurized and therefore safe.

It is important that in every part of Canada our citizens realize that the only safe milk is pasteurized milk.

Those who know the dangers which lurk in raw milk need no warning on this subject. It nevertheless constitutes a real problem in some summer colonies.

It is against the law to sell raw milk in the Province of Ontario, a fact that is appreciated by tourists in this province. Only in Ontario and in Saskatchewan is the public given this protection.

In the rural home a few minutes' work will protect the family from all milk-borne diseases. Pasteurization is a cheap and profitable form of insurance.

SHOULD THEY GO TO COLLEGE?

Should the high school graduate planning a general business career, go to college, The Financial Post asked a group of Canadians recently. The replies suggested that university might be the quickest and easiest method of furthering education, but it is not the only way..

Many think the high school graduates can get into business right away and continue their education with night courses and by personal diligence at the same time. Others suggest a year or so in the business world before enrolment.

More would have the average graduate go right to work than those supporting his entering university if he had the chance.

The cream of the graduating crop should get a crack at higher education, nearly all agree.

There is agreement that university training would be a waste of time for some. But of two students of equal ability, the university-trained student might go further faster than the other who didn't continue his formal education, though education and the understanding of what education is should be the reason for going to university in every case, rather than as a means to a higher wage.

EDITORIAL NOTES

The spooky month of witches and goblins is here, and of buying the winter's supply of fuel, which is enough to scare the average householder.

About the only comment Ottawa Liberals are saying, and can say, over the overwhelmning defeat of their party in the New Brunswick Election is "Whot hoppened!"

The subject of water and sewerage reminds us that the Chamber of Commerce will shortly be issuing to each ratepayer a booklet containing the complete data of the recent survey conducted in Winchester. This booklet will contain much valuable information, which should be studied intently, and then retained for further discussions of the project which will be forthcoming.

Teen Town activities are becoming more numerous in Ontario communities, especially where the High School is a sizeable institution. In most cases the results produced by these teenage get-togethers are worthwhile. Winchester now has one of the largest high schools in Eastern Ontario, other than city collegiates. As a means of having something to do with their leisure hours, the idea of a Teen Town Club might not be a bad idea for local High School students to consider.

Practically every municipality in Eastern Ontario is conscious of the potential expansion in industry now erupting in this part of the province. From our contemporaries we read of towns and villages preparing for the future by installing new services to their respective towns. In each case it takes money, and lots of it. In Winchester, about the only thing under way right now is a struggling effort by the Chamber of Commerce in aid of a much-needed water and sewerage system for the town. At the same time, however, our Council should be giving some thought towards the setting up of a town planning committee, so essential in the expansion of any community.

The quarterly meeting of the Eastern Ontario Fire Fighters' Association is slated for Winchester later on this month. In preparation for the event, the local fire department, under the supervision of the fire chief, is giving the Fire Hall a new face in the way of a fresh-looking paint job. And while the bouquets are being thrown, we cannot think of a better time—Fire Prevention Week starts October 5th—than to commend the townspeople for their continued care in having another year virtually free of fires. Excepting one or two minor blazes that were quickly extinguished by an efficient and well-equipped fire brigade, Winchester suffered no fire loss during the past year.

As the Press building is just across St. Lawrence Street from the Public and High Schools, we were in a key position to see some of the activities at the two field days last Thursday. Despite a rainy morning, the programs at both schools went off well and every class seemed to be well filled. The Public School show was particularly colourful due to a fine display of brightly decorated bicycles which were in competition. The Field Day at the High School has been an annual athletic event since the school was erected in 1914. The sports day for the Junior Graders, however, is a fairly new venture, which seems to be paying off in big dividends. Both attractions are well worthy of support from all parents and alumni of the schools.

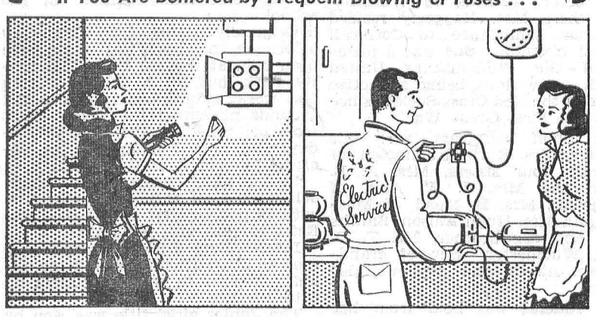
ELECTRICAL TIPS FOR THE HOME

If You Are Bothered by Frequent Blowing of Fuses . . .



DON'T court danger by using pennies or over-size fuses to prevent interruption of the current. When a fuse blows, it's your warning that something definitely is wrong.

DO check to determine the cause. The trouble may be a faulty cord, more likely it's an overloaded circuit. If so, you'll need another circuit to make your wiring as efficient as your appliances.

Gospel Gleanings....

"One thing thou lackest."—(Mark 10:21).

"There is a way which seemeth right unto a man, but the end thereof are the ways of death."—(Prov. 14:12).

According to Scripture, many sincere people will stand before the great judgment bar only to find they have been weighed in the balances and found wanting, because they lack just one thing. Few people in this life escape the sad results of lacking one thing: but terrible will be the anguish of those who stand before the judgment seat of Christ and hear these awful words: "One thing thou lackest."

Every way of a man is right in his own eyes, but the Lord pondereth the hearts."—Prov. 21:2).

The young ruler of Mark 10 has riches, respectability and religion. He had great treasures on earth, but none in heaven. He was born into a good family, but not born again. He wanted salvation; but wanted it on his own terms. He was concerned about the things of eternity; but he wanted to hang on to the thiings of time. With all his goodness, and desire for eternal life, there is nothing to indicate he did not go down to the darkness of eternal death.

Forgiveness of sin means salvation and eternal life—the greatest of all possessions. Salvation does not come from better living standards, but from receiving a living Saviour; not from a change of habits, but from a change of heart; not from the improvement of the old nature, but from the imparting, by God, of a new nature; not from our own service and sacrifice, but from the sacrifice of Christ.

"In whom we have redemption through His Blood (giving up of life) even the forgiveness of sins."—(Col. 1:14).

about, he turned on the water, stall of his bathrooom. As he groped deluging himself plenty and making a racket which brought the Little Woman to the scene.

Taking in the details, she called him all kinds of a soandso, winding up with a none too flattering estimate of his past, present and future.

"That's right, honey," admitted the shuddering sot. "I'm everything you said—and worse.. But let me in, won't you—it's raining something awful out here."

"He who works with his hands is a laborer. He who works with his hands and his head is a craftsman. He who works with his hands, head and heart, is an artist. And he who works with his hands and his head and his heart and his feet is a salesman."—We often wondered why so many salesmen were not qualified for their job!

The doctor examined him twice a year,
He wore his rubbers when it rained,
He slept with the window open,
He stuck to a diet with plenty of fresh vegetables,
He relinquished his tonsils and traded several worn-out glands,
He played golf—but never more than eighteen holes at a time,
He never smoked, drank, or lost his temper,
He did his daily dozen,
He was all set to live to be a hundred.
The funeral will be held next Monday.
He forgot to LOOK and LISTEN at the railroad crossing.

The busy film magnate asked his secretary where his pencil was.

"It's behind your ear," she replied.

"Come, come," snapped the big shot, "I'm a busy man. Which ear?"

Here is a tip to those who are seriously thinking of embarking on the sea of matrimony—it is not original: Do not marry some one you can live with; marry someone you cannot live without.

The night has a thousand eyes,
And the day but one;
Yet the light of the bright world dies
With the dying sun.
The mind has a thousand eyes,
And the heart but one;
Yet the light of a whole life dies
When love is done.

"Do you have fits of giddiness?" a doctor asked a middle-aged, stern-looking woman.

"No, I don't," came the snappy retort. "I'm a respectable married woman."

"Aren't you glad now," said father, that you prayed for a baby sister?"

"Yes," replied Tommy, after another glance at the twins. "And aren't you glad I stopped when I did?"

A bit of news from south of the border is that 3,622 persons, drawing more than a total of $17,000,000 a year in federal salaries, are handling the White House "publicity and public relations."

This may have prompted an inquiry from a friend, who asked: "What are public relations? People on relief?"

Gay: "I don't know—how do you kipple?"

Letters to the Editor

IN DEFENCE OF SOUTH MOUNTAIN

September 26th, 1952.

Editor, Winchester Press:—

Dear Sir:—One frequently hears critical remarks passed about South Mountain, and we who live here would not be human if we did not bristle up a bit and come to the defence of our village. This criticism came rather heavily from a friend of mine from Ottawa who took in the Sports Day here on July 1st last.

He admitted that the races were wonderfully good, the crowd was orderly and well-behaved, and that the people who organized this Sports Day did a wonderful job. But, and this "But" had a cynical sound. He said that there was about as much gaiety about South Mountain on that day as there might be seen at any funeral any day of the week on any street in Ottawa. The town was full of cars, and it was difficult to find a place to park. However, not a single car had a flag or bunting on it. One lone firecracker was heard to go off, which could scarcely be distinguished from the crack of a bursting tire. One lone house had a small flag showing, as if to brighten up the otherwise sombre and funeral-like appearance of the town, and this flag might just as well have been a small piece of crepe, so far as its contribution to the gaiety of the town was concerned.

This was surely a terrible way to speak about good old South Mountain, and yet, when it came to arguing the point, there appeared to be no adequate defence. He had also something to say about the Ottawa comedians who are imported here for these celebrations. Of course, we all admit that any teen-age boy from one of the back concessions around South Mountain, who could make funny faces, could put on a better show.

In order to oppose this line of talk, it might be said that it is not particularly necessary that a town should be gay, and there is nothing the matter, in any case, with a good smart funeral. However, if it should be desirable to brighten up the town for such occasions, it might be possible to propagandize the people to put up a few flags and to decorate their cars. It might be possible also to buy a few streamers to put across the streets, and since these could be used from year to year, the overall expense might not be very large. A few such decorations might give the town the appearance of gaiety for such occasions.

He also wanted to know if there were any golf links, tennis courts, or such like, things around here. We explained with an air of dignity that the people around South Mountain did not play tennis and such sports—they played Blind Man's Buff. So what? And there is nothing the matter with Blind Man's Buff, since it is a good clean game. There were also some remarks passed regarding the frequency of the younger element of the town, and sometimes the older element, repairing to the banks of the turbulent St. Lawrence in order to obtain a certain brand of homagenized milk, and wondered why this could not be supplied here in order to save the travelling expenses. No adequate answer could be given to this question. Possibly some other diversions might be developed here in order to funnel them into other channels.

It was finally explained to this bellicose upstart from Ottawa, and, incidentally, I see no difference between South Mountain and Ottawa, except that the latter is larger, that South Mountain was a place with a history and a tradition. There was once a great dam here which held back the waters of the Nation river, and in living memory there were thriving industries along its banks, such as mills, tanneries, many good hotels, where homagenized milk was sold in abundance, teeming with vitamins, as well as many other attributes of a great town. However, one spring when the floods were particularly heavy, the dam was swept away, and South Mountain went into a decline. When the subject of the dam was mentioned, it was noticed that a hot tear dropped on the dry pavement. It is for all the world to know that in the good old days, in the antediluvian days, South Mountain was a place of some importance on the map of Eastern Ontario.

Dr. G. B. Ferguson,
South Mountain.

WEDDINGS

CRONIN—LEVERE

The home of Mr. and Mrs. Dawson Levere, Mountain, was the scene of a pretty September wedding on Saturday, Sept. 27th, at two o'clock when their daughter, Lois Ada Mae, was united in marriage with Mr. John Francis Cronin, son of Mr. and Mrs. Michael Cronin, of Ormond.

The ceremony was solemnized by Rev. N. Holmes, of Carleton Place, cousin of the bride. The house was decorated with autumn flowers and white and pink streamers and white wedding bells. The wedding music was played by Miss Jean McRoberts, cousin of the bride.

Given in marriage by her father, the bride chose for her wedding a street-length dress of Powder Blue sheer, styled with Peter Pan collar and fine tucking on yoke, with a wreath of blue roses for a headdress, and a corsage of red roses. She wore white gloves. Her only ornament was a 3-strand string of pearls, a gift of the groom.

Miss Doreen Levere, sister of the bride, as bridesmaid, chose a pink figured nylon with a wreath of white roses for a headdress, and her corsage was of pink roses.

The groom's attendant was his brother, Mr. Patrick Cronin.

The guests were received by Mrs. Levere, mother of the bride, who chose a dress of navy tissue crepe with white braid trim and black accessories, and Mrs. Cronin, mother of the groom, who chose a dress of wine crepe and grey accessories.

Miss Pauline Levere, sister of the bride, and Miss Grace Cronin, sister of the groom, acted as gift receptionists.

Following the ceremony, a reception was held at the home of the bride's parents. The bride's table was decorated with a three-tier wedding cake and white candles.

Later, Mr. and Mrs. Cronin left by motor on a short honeymoon. For travelling Mrs. Cronin wore a suit of navy blue with grey and navy accessories, and a corsage of red roses.

Guests at the wedding included the following: Rev. and Mrs. N. Holmes, of Carleton Place; Mr. and Mrs. Oscar Holmes and Mr. and Mrs. James Holmes, Bethel and Garry, of Inkerman; Mr. and Mrs. Cecil Levere, Brockville; Mr. and Mrs. William McRoberts, Jean, Doris, Harry and Allen, of Winchester; Miss Dorothy Somerville, of Courtice; Mr. George Steele, Mrs. Newman Hammond and Janice, Misses Alice Burnie, Joan Cooke and Reita Kingston. all of Spencerville; Mr. and Mrs. Arnold Simzer, Mrs. Bella Levere, Mr. and Mrs. Gordon Simzer, Mrs. Alex Wylie and Mrs. James Levere, of Mountain.

CARKNER—McROBBIE

A very pretty wedding was solemnized at 3 p.m. on Wednesday, September 24th, when Miss Margaret McRobbie was united in marriage to Mr. George Carkner. After the ceremony, a bounteous wedding supper was served at the home of the bride's brother, Mr. Leslie McRobbie.

The bride was attended by her sister, Miss Gladys McRobbie, and Mr. Wallace Carkner, brother of the groom, was best man.

KEMPTVILLE HAILSTONES WILL BE ON EXHIBIT AT INTERNATIONAL PLOUGHING MATCH

Samples of carefully kept hailstones which tore Kemptville to ribbons during the great storm last June 26th, will be shown at the big Ploughing Match at Carp. Any proceeds will be used by the Kemptville Rotary Club to help the crippled children work in Ontario.

Examples of battered vehicles and property will be on display to tell a story that would be hard to credit without this actual evidence. The exhibit will be next to the hangar at the airport and will be manned by Rotarians from Kemptville.

Mountain

Miss Anne Clark left this week to resume her studies at MacDonald College.

Miss Marjory Beggs, R.N., has returned to Toronto to resume her work there.

Mr. and Mrs. Weldon Carlyle and Melba spent Sunday with friends at Ramsayville.

Mr. and Mrs. Arthur Shaw, of Calgary, are visiting friends in this vicinity.

Mr. and Mrs. W. H. Clark and Helen were Sunday guests of Mrs. D. Crerar, of Vernon.

Mrs. A. P. Swerdfeger, of Ottawa, visited friends in this vicinity last week.

Mr. and Mrs. Harry McNeill spent Saturday afternoon in Ottawa.

Mountain W. I. Meeting

The Mountain Women's Institute met in the I.O.O.F. Hall on Thursday, September 25th, with the president in charge. The meeting opened with the singing of the Ode and the Collect. Roll call was answered with "A Characteristic of a Good Citizen."

Mrs. Baugh was chosen as a delegate to attend the Area Convention at the Chateau Laurier.

Mountain W. I. entertained the ladies of the various organizations of South Mountain and Hallville. Mrs. Frank Ryan was the guest speaker and spoke on her recent trip to Ireland, which was much enjoyed by everyone. Mrs. Byrd gave a monologue, "Ladies of the Jury." Sally Simms and Ann VanAllen sang a duet, "It Is No Secret."

The District President, Mrs. G. Montgomery, of South Mountain, gave a fitting reply to Mrs. Ryan's talk.

A very dainty lunch was served by the ladies, and the meeting closed with "God Save The Queen."

Morewood

FAREWELL PARTY HELD AT MOREWOOD

The home of Mr. and Mrs. Thos. E. Coulthart, Morewood, was the setting for a very pleasant event on Monday evening, September 29th. Their friends of the Morewood district presented Mr. and Mrs. Coulthart with a Mahogany Duncan Phyffe drop-leaf table and four chairs upholstered in wine, also Miss Ina McKenzie with a set of matched luggage and a walnut sewing cabinet, the occasion being their departure to take up residence in Winchester. A short address was read by Mrs. H. R. Faulkner, to which Mr. and Mrs. Coulthart and Miss MacKenzie replied most graciously, expressing their grateful thanks for the gifts and inviting all their friends to come and visit them in their new home.

Owing to illness in the family, it was not possible to have the usual social gathering, so the following committee, representing the community, made the arrangements for the presentation: Floyd Feely, Tom Reveler. Ross Nurse. Colin MacGregor, Stewart Mattice, K. M. Moffat, Dwight Feely, Robt. Stewart, Roy Fetterly, H. R. Faulkner, Chas. McLaughlin, Carrie Hunter, Mrs. C. MacGregor, Mrs. S. Mattice and Mrs. H. Faulkner.

THE SUMMER'S GREEN

The summer's lush and lovely green,
Has turned a seer and golden brown,
As if a gypsy caravan
Had made a camp beside the town,
And hung their washing out to dry,
Under the blue dome of the sky.

There is a scarf of cinnabar
Hanging above the stable loft,
A skein of purple twined around
A shabby woodshed rich and soft,
As if to hide its ugly gray
Under a banner bright and gay.

An old stump fence with naked hands
Is draped with crimson buckwheat vines,
While scarlet maples toss their skirts
Amid the dark and sober pines,
Like gypsies dancing to and fro.

Reflected in the campfire's glow.
The orchard boughs are weighted down
From the deep loads they have to bear,
Apples and peaches blushing red
The golden beauty of the pear.
Wheat stands waist high with heavy head
Beside the russets and the reds.

From hill to hill the robins call,
Praising the wonder of it all.

Sunday In The Churches

SUNDAY, OCTOBER 5th, 1952.

WORLD-WIDE COMMUNION
"The Last Supper"

"Our Lord left no sacrament, by which we are supposed to remember His teachings, or His miracles. But the one ceremony he initiated for the remembrance of Him centres definitely in the Cross. What a perversion of all Christian truth when the Cross is neglected in preaching, and in considering the life and work of our Lord on earth. Of course, a person who does not believe in the atoning work of Christ will find no meaning in the Lord's Supper; in fact, the great essayist, Emerson, who did not believe at all the cardinal truths of the Christian faith, gave up serving the Lord's Supper in his church because he did not believe the things which it stood for."

DO SOMETHING ABOUT RUNTY PIGS

Runty pigs have always been a problem with hog raisers. It's true that fewer are found in well-bred, disease controlled herds that have been fed and managed for fast economical growth; but even hog raisers that follow a good production program have some runts.

If retarded growth is not caused by disease, most runty pigs can be made into good, profitable hogs. Two pounds of Purina Pig-Plus, a concentrated vitamin, and trace mineral mixture, with antibiotics, thoroughly mixed with 100 pounds of the regular balanced ration, will generally give runty pigs the extra boost they need to get started. Sort out the runty pigs and put them in dry, sanitary quarters that are free from drafts. Then, feed this highly fortified mixture as their sole ration for two weeks.

Allow adequate feeder space so the pigs can have access to the feed at all times. Also supply plenty of fresh water, as pigs are often stimulated to drink more when this concentrate is mixed with their ration.

Even though a high quality ration is being fed, many times slow growing pigs don't eat enough to grow well and fight off disease. The high vitamin, trace mineral and antibiotic concentrate mixed in the feed gives the extra amount of growth factors and appetite stimulants. In addition, it may help fight off certain disease organisms.

After feeding Pig-Plus for 2 weeks so that the pigs have received large amounts of these "plus" nutritional factors, they should be continued on a good feeding, sanitation and management program that will get them ready for market quickly and profitably.

WEDDINGS

WRIGHT—MURDOCK

The marriage of Miss Evelyn Lorraine Murdock, of Osgoode Station, to William Peter Wright, son of the late Mr. and Mrs. William Wright, of Osgoode, took place in St. Paul's Anglican Church, Osgoode Station, recently.

Rev. F. A. Cook performed the ceremony, which was followed by a reception at the home of the bride's parents.

The bride was given in marriage by her father and was attended by the bridegroom's sister, Mrs. William Broughton, of Osgoode, as matron of honor, and by Miss Shirley Morris, cousin of the bride, of Osgoode, and Miss Georgina Hicks, of Carleton Place, as junior bridesmaids.

William Broughton, of Osgoode, attended the bridegroom, and the ushers were Cecil Nixon and Arnold Morris, of Osgoode, and Cecil Hicks, of Carleton Place.

Miss Doris Nixon, of Osgoode, played the wedding music, and Mrs. Cecil Nixon, of Osgoode, was soloist.

The bride chose for her wedding a floor-length white satin gown with peplums extending on side of gown with heavy lace. The bodice was buttoned down the front to the waistline and fashioned with a Peter Pan collar. The long sleeves came to points over the hands. The full-length veil was arranged from a sweetheart halo of orange blossoms. She carried an arm bouquet of red roses.

Following the reception, the couple left on a wedding trip to Niagara Falls. The bride travelled in a smart wine suit with navy accessories.

They will reside at Osgoode Station.

Out-of-town guests included Mr. and Mrs. Alvin Adams, Mr. and Mrs. Keith Craig, Mr. and Mrs. Robert Billy, Mr. and Mrs. Forrest Payne, Mrs. John Ball, Miss June Ball, Mr. and Mrs. Leslie Gilson, Mr. and Mrs. Donald Murray, Miss Inez Brownlee, Miss Ruth Brownlee, Mrs. Albert Murdock, Mrs. Norman Dacey, Miss Ruth Caldwell, all of Ottawa.

LAST HONORS PAID KENNETH M. DALGLEISH AT KENMORE

Touching evidence of the warm place he held in their hearts was revealed by the impressively large number of friends attending the funeral of the late Kenneth M. Dalgleish at Kenmore on Tuesday, Sept. 23rd.

Prominent and highly respected farmer of Kenmore all his life, and noted breeder of Holstein cattle, Mr. Dalgleish died suddenly in Ottawa Civic Hospital on Saturday following an attack of coronary thrombosis, in his 78th year.

In the little Baptist church which he had attended, heartfelt tribute was expressed by Rev. J. Taylor, of Kenmore, and by Rev. Keith Daniel, now of Belleville, and former close friend of the deceased, who came to the funeral specially to express his sympathy to the bereaved family and pay tribute to the "warm-hearted, generous and friendly" character of Mr. Dalgleish. Rev. J. Taylor delivered the funeral eulogy. During the service Rev. Mr. Daniel sang "This Is My Task."

Entire centre pews of the church were occupied by the chief mourners and close friends of the deceased, while noticed present also were many Ottawa and other out-of-town friends, some of whom had known Mr. Dalgleish for 50 years.

Among these were William H. Sutton,, R. B. Faith and C. J. Frowde all of Ottawa. A Masonic Order service had been held for Mr. Dalgleish on Monday evening. He was a member of Russell Masonic Lodge No. 479.

The son and four daughters of the deceased, besides his wife, were present at the service. They were: Mrs. Arthur Rieck (Susie), of Chicago; Mrs. F. MacLachlan (Elsie), of Ottawa; Mrs. James D. MacLean (Anne), of Kingston; Mrs. W. N. Nichol (Flo), of Ottawa, and Charles Dalgleish, of Detroit. Other chief mourners were two brothers, Robert J. Dalgleish, of Grandview, Man., and Fred C. Dalgleish, of Vancouver; four sisters, Mrs. J. C. Wilson, of Oxford Mills; Mrs. Webster Edgar, of Caznovia, N. Y.; Mrs. J. Longmore, of Brooklyn, and Mrs. H. Robson, of Toronto; six grandsons, six granddaughters and four great grandchildren.

The funeral was held from Lowbanks Farm, Kenmore home of the deceased, and interment was made in Springhill Cemetery.

UNITED CHURCH EXPOSITION

Concerning the appearance of the United Church Exposition in Ottawa from October 23rd to October 28th, one local spokesman for the Exposition remarked that no effort has been spared to make this the finest graphic display of the Church's work that has ever been seen.

The Exposition will be featured by the Pageant, "Triumphs of the Faith," which will be presented at Glebe Collegiate Auditorium on October 28th and 29th at 8 p.m. The Pageant has been produced by Rev. Denzill G. Ridout, Secretary of the Missionary and Maintenance Department of the United Church of Canada. Special music has been prepared by Sir Ernest MacMillan, and special poetry by E. J. Pratt, Professor of English in Victoria University. Miss Jessie Pitkethley, well-known Ottawa actress is in charge of stage direction.

The pictoral exhibit will feature attractively lighted booths with photographs and lighted and activated models depicting the many phases of the Church's work, both in Canada and abroad. It will be on display at Parkdale United Church.

The churches participating in the Pageant are Bell Street, Dominion, McLeod, St. James, Westboro, Southminster and Chalmers.

It is felt that this undertaking can only be a success with the support of Church members throughout the Ottawa area. Enthusiasm for the project has been reported from Vankleek Hill, Alexandria, Morrisburg, Brockville, Smiths Falls, Pembroke, Winchester, Chelsea and many other points. If this Exposition is a success, then others will be undertaken. Much depends on support from outside Ottawa.

WE SET THEM FREE TO KILL

David Dressler, noted authority on criminals, lashes out with vigor at the negligence of hospitals and prisons in releasing dangerous psychopaths before they are cured. Read "We set them Free to Kill" in this Sunday's (Oct. 5) issue of the great Color Gravure American Weekly, exclusively with The Detroit Sunday Times.

HULBERT W. M. S.

S. was held at the home of Mrs. Elmer Sullivan and Mrs. Donald Sullivan on September 24 at two p.m. The meeting was in charge of the president and opened with the theme, a hymn, and a reading by the president. The Scripture lesson was given by Mrs. Ira Ellis and Mrs. Annie Graham, and Mrs. Percy Ellis gave a reading. The Study Book was given by Miss Florence Roode.

A COLONY OF THE BLIND

In Kelowna, B. C., the White Cane Club holds weekly meetings for its 30 to 40 members. The accomplishments of these handicapped men are outstanding. Typical examples of how the blind have adjusted themselves to total darkness and lead productive lives are given in a Star Weekly article in Oct. 4th issue. Their stories will amaze you.

The Star Weekly closes this year's baseball season with accounts by some of baseball's immortals of dramatic moments in thrilling games as they witnessed them. Read the article entitled "Biggest Thrills in Baseball."

GLAUCOMA

It is possible for glaucoma, an eye disease that is a common cause of blindness, to become established before its presence is suspected. Regular examinations by eye specialists will allow such diseases to be discovered and treated while they are still in an early stage.
