WINCHESTER THEATRE NEWS

This week-end's fine picture features that great comedy team, Bud Abbott and Lou Costello in the hilarious hit, "Pardon My Sarong." It's a gay comedy with interludes of music, provided by "The Four Ink Spots." This picture makes for real family entertainment.

Starting Monday next is a picture that small town and country folk can thoroughly enjoy, "I'd Climb The Highest Mountain," starring William Lundigan as Rev. William Ashbury Thompson, a circuit rider who brought faith and hope to the people of the Blue Ridge Mountains of Georgia. Also starred in this fine Technicolor feature are, lovely Susan Hayward as the wife of the circuit rider, and rugged Rory Calhoun as "Jack Stark" co-starred with Barbara Bates, an exciting new romantic team.

"I'd Climb The Highest Mountain" is a picture to be enjoyed by all.

Inkerman Rockets To Be Feted At Special Dinner-Dance

Inkerman Rockets, pride of Ottawa and especially the district, will be feted to a "Salute the Rockets" night it was decided last Wednesday evening at the April meeting of the Winchester Chamber of Commerce executive council. Coach Lloyd LaPorte and his championship team will be officially tendered a welcome and a home-coming celebration some time during the last week in April.

It was in the Winchester arena that Inkerman Rockets iced their first team in organized hockey, and since that time have considered the local arena and the towns of Winchester and Inkerman their home.

The team, although backed by many citizens of Winchester and district, was organized by a group of Inkerman residents some time ago. Lloyd LaPorte, the manager and coach, is presently an employee of Ault Creamery Ltd. in Winchester, although he still resides in Inkerman.

During the last few years the Inkerman Rockets have made quite a name for themselves and for the Winchester district, so it was with these ideas and others in mind that the local Chamber of Commerce decided to sponsore a Monster "Salute The Rockets" Night.

Mr. Robert Vice was named chairman of the committee in charge of the occasion, and he will be assisted by W. R. Workman, F. Erle Helmer, Geo. E. Elliott, Ralph E. Walker, W. C. MacDonald, Clair Morgan and David Melvin.

Although plans have not been settled as yet, it is expected the Rockets will first be shown a film in the local theatre during the late afternoon, then feted to a gala dinner at which they will be special guests, and terminating the evening a big dance will take place featuring a name band from Ottawa, door prizes, etc.

The meeting was presided over by President Sam Ault, assisted by Vice President Robert Vice and the Secretary, Mr. Herbert Meldrum. Directors in attendance included Messrs. Robt, Ledgerwood, Arnold Duncan, Ralph Walker and Reg. Workman.

Reports on the progress of the various committees were submitted, and more extensive plans were laid by the Town Betterment Committee which will again offer prizes to the most improved residences in Winchester. A parade of floats and decorated vehicles will start off the Beautification Week with a special emphasis for all citizens to hold a clean-up campaign at that time. Mr. George Elliott was named parade marshall and Mr. Gordon Larose will be in charge of the proceedings on that day.

The Chamber, having received Municipal Council's approval, will place refuse containers on the main streets in town, and the advice of Kemptville Agricultural School experts will be sought on the business of tree planting. Municipal Council estimated that street signs for Winchester would cost $13.00 per sign, and as the financial status was not too good at the present time, they decided to withhold any action on the matter. However, the Chamber decided that attractive road signs at the town limits on Highway 31 be erected as soon as possible.

A discussion on the closing of places of business at the noon hour resulted in an unanimous opinion that all business establishments should remain open continuously in the daytime during the summer months for the convenience of farmers who often drive into town at noon hour for needed supplies.

The dinner meeting of the Chamber will be held some time in May.

"So you met Marian today?"
"Yes; I haven't seen her for 10 years."
"Has she kept her girlish figure?"
"Kept it? She's doubled it."

MRS. HART MELVIN INJURIES HIP IN FALL

While working in the basement of her home on Tuesday afternoon, Mrs. Hart Melvin had the misfortune to trip over a box and fall heavily to the concrete floor, resulting in a severe injury to her hip and pelvis. She was taken to the District Memorial Hospital by Dr. W. M. Byers where an X-ray examination of her injuries was made. While the plates do not reveal any fracture, there may be some dislocation of the bones, but this cannot be certain until the X-ray plates are read by a specialist. In the meantime, Mrs. Melvin will remain in the hospital.

Cow On Display At Local Drug Store!

No—it isn't Elsie, it isn't Larose's cow, as a matter of fact it isn't even a real cow—it's Viola, the mechanical cow that Gordon Larose is currently featuring in his smart window display at Smith's Drug Store.

The bovine in mention is a realistic replica equipped with all the necessities of a cow. Besides standin the makeshift pasture in a cow-like manner, Viola is very nonchalantly eating some grass, wagging her tail (although there are no flies around) and twisting her head so that her many admirers can view her contented facial expression.

The display, and particularly the cow, are causing quite a bit of interest among the people of the town and district.

Credit for the originality goes to Gordon Larose who seems to have a habit of coming up with some excellent eye-catching window displays —a credit to the business section of the town and particularly Smith's Drug Store.

Keeping in mind the farmers' meeting that was held at the Town Hall last night, and which was sponsored by Smith's Drug Store, Mr. Larose approached the company, who Viola the cow represents and whose products are carried at the local Drug Store, to see if he could rent her during the week. After much delay he finally obtained the valuable animal, which seems to be in great demand.

Mr. Larose informs us that several of the local cattle dealers are interested in purchasing Viola, but apparently she is too busy with other engagements. She is booked until Saturday at the local Drug Store, so if you haven't already seen the display, drop around.

Mr. and Mrs. A. Byrd Married Fifty Years

Congratulations and best wishes were accorded to Mr. and Mrs. Alfred Byrd, on Tuesday, March 27, at their home at Mountain Station when their family and many friends called on them to celebrate with them their 50th wedding anniversary and partake of a cup of tea. The honored couple are enjoying good health and were delighted to have their friends call.

Mrs. Byrd was the former Nettie Baker, third daughter of the late Adam Baker and his wife, Sarah Smith, of Crysler, and Mr. Byrd is a third son of the late John Byrd and his wife, Alice Hollister, also of Crysler. Mr. Byrd was born in Osnabruck 75 years ago, April 27th, and Mrs. Byrd, 71 years ago, April 26th.

Mr. and Mrs. Byrd were married at the former's home at Cahore in Finch township by the Presbyterian minister, Rev. J. A. Miller.

They have farmed for 35 years, taking up residence first at Crysler until 1919 when they moved to Winchester, where they purchased the farm of the late Mr. Belway, two concessions north of the Mulloy School-house.

Later, they moved to Kerr's Ridge, east of Hallville, where they farmed until 1936, at which time they purchased a house and small lot at Vancamp, and lived there until they moved to Mountain Station in 1948, where they now reside.

They are both enjoying fair health and take a keen interest in their community. Mr. Boyd still loves to visit with farmers and compare prices of now and a few years ago.

They are members of the United Church and Mrs. Byrd takes an active part in all church work; teaches the Bible class, and is now taking part in a play.

They have eight children, all of whom are married: Lloyd, of Belleville; John and Clayton, of Kemptville, and Sanford, of Oxford Mills; Mrs. Wm. Christie (Gertie), of Brockville; Mrs. Nelson Merkley (Elva), of Winchester, R. R. 1; Mrs. Harvey Perry, of St. Catherines, and Mrs. Clarence Levere, Glen Stewart.

There are 32 grandchildren living and one dead; also seven great grandchildren.

Mountain Couple Will Observe Golden Wedding

On Tuesday, April 17th, two highly respected citizens of Mountain Township, in the persons of Mr. and Mrs. Samuel R. Workman, will celebrate their Golden Wedding Anniversary, at the home of their daughter, Grace. Mrs. Thos. McCooeye, Ottawa. Mr. and Mrs. Workman were married at Mountain 50 years ago, where they have been lifelong residents of that district.

Mrs. Workman was the former Miss Harriet Christie, daughter of the late Mr. and Mrs. Thos. Christie. They have three children, a daughter, Mrs. McCooeye, of Ottawa, and two sons, Edgar, of Ottawa, and Gordon, of Inkerman. The celebrants are both well over the allotted life-span of three score and ten, but are still active and enjoy fairly good health. The Press joins with their many friends in extending hearty congratulations.

Child Injured By Baseball Bat

Eighteen-months-old Edwyn Roy Annable, young son of Mr. and Mrs. Kenneth Annable, of Winchester, was painfully injured on Saturday afternoon when he was accidentally struck in the mouth by a baseball bat.

Playing ball for the first time this Spring, a group of older youngsters had gathered at the Annable residence. Young Edwyn, who was much smaller than most of his older playmates, apparently came, unnoticed, too close to the batter, and was struck squarely in the mouth by the swinging bat.

The forceful blow severely lacerated the lad's lower and upper lips, knocking out two teeth and damaging the gums. The injuries, although extremely painful, were not considered too serious. He was attended by Dr. W. M. Byers.

Look upon every day as the whole of life, not merely as a section; and enjoy and improve the present without wishing, through haste, to rush on to another.—Richter.

There are no breakers ahead for the man who is always broke.

Quebec Citadels Eliminate Rockets In Three Games

The Inkerman Rockets have come to the end of the trail in their conquest for the Memorial Cup, emblematic of the Canadian Junior Hockey Championship. They were eliminated in three straight games by the Quebec Citadels, a much heavier, faster and better-balanced team. The scores in the three games were 9-0, 16-4 and 13-0, and that is sufficient proof that the Ottawa District Champs were definitely outclassed.

The Citadels, sparked by Jean Beliveau, reputed to be the best Junior hockey player in Canada, and featuring Gordie Hudson, Gord. Haworth, Camille Henri, Bernie Guay and several other players, most all of whom will no doubt make the professional ranks, are favourites to win the Memorial Cup, and the Rockets are only one of the clubs who have faced or will face elimination by the Quebecers before they finally get possession of the coveted silverware.

Lloyd LaPorte's Rockets have done well. During the regular hockey season they played in the Central Ottawa Valley Hockey League and rounded up the year by taking the league championship. Due to Junior playdowns the Rockets did not participate in play-off hockey in this league, but met Eastview St. Charles, Ottawa Junior A Champions. The Rockets disposed of the Eastviewers four games to one, with one game tied, in the best of seven series. By this time the fever pitch had risen to a new high, and fans were crowding Ottawa Auditorium for all games.

Having taken the O.D.H.A. Junior A Championship, Inkerman embarked on a best of five series with South Porcupine Combines, the N. O. H. A. Champions, considered to be one of the best teams ever to come out of the North. This was actually the first hurdle in the Memorial Cup Race, and in pre-game reports the Red Shirts from the Ottawa district were supposed to miss this first hurdle. Plans, views, betting and everything else were suddenly changed when Inkerman fans learned with much joy that the Rockets had nipped the Porkies in Schumacher in the first tilt 3-2. Hopes ran high but were rudley shattered the next night when the Combines roared back with a 9-1 trimming over the Rockets. The split in games was all the Inkerman crew wanted, and in the next two thrilling contests at the Auditorium the Rockets played the best hockey of their career in eliminating the Porkies 3 games to 1.

Halifax bound, the O.D.H.A. Champs were now further advanced than ever before. Although nothing much was known about the Maritime Champions, the Rockets were favoured to capture the best of seven series, and capture it they did, quite decisively, 4 games to 2. And then, Quebec Citadels! Although most persons wanted to be optimistic about this series, the play of the Quebecers produced a strong trend to pessimism, and this was well justified by the Quebec Champions vast superiority in the semi-final series. Without doubt the Rocket aggregation this year was the best ever, and this team can take pride in the fact that they went further in Junior A competition than any Inkerman team to date. Only one thing is certain about the future, it will take a better than average team to win that coveted Memorial Cup—and the Rockets do get better every year.

THURSDAY'S GAME

Inkerman Rockets found themselves in a bad storm on Thursday night in the new Quebec Arena, and found to their sorrow that lightning strikes the same place more than once. In this case it was nine times as the Quebec Champions pinned a 9-0 shellacking on the pride of Ottawa and district.

All the talk about the Citadels before the series was proven right, particularly about the high flying Jean Beliveau, who figured in six of the nine goals.

Favourites to cop the Memorial Cup, the Quebecers scored three in the initial stanza, were held to two goals in the middle frame, and came home strong in the third by adding four more.

Rockets played without the services of their team captain, Brian McFarlane, who had to remain at

Mr. and Mrs. D. Cameron Observe Thirty-Fifth Wedding Anniversary

A surprise party was held at the home of Mr. and Mrs. D. W. Cameron, of Mountain, on Wednesday, April 4th, in honour of their 35th Wedding Anniversary. Mr. and Mrs. Cameron have been members of this community since their marriage, and Mr. Cameron for many years previous to that.

Members of the family, and many friends and neighbours, joined in wishing Mr. and Mrs. Cameron many more years of wedded bliss, and the couple were presented with a coffee table from the McCarley side of the family, a tri-light from the Cameron family, a lovely mirror, cushion and boudoir lamp from the friends and neighbours.

A tasty lunch was served to end an enjoyable evening.

W. H. S. NEWS NOTES

(By Ronald McIntosh)

Before Easter examinations, Miss Cadwell, who is a Recruiting Officer and Examiner for the Civil Service, addressed the students of Grade XI and XII on "The Civil Service as a Career." She told the students that the Civil Service is the largest employer in the country. It offers a great many variations as to the type of work, as there are two thousand different jobs.

During her address, she pointed out the advantages which are to be found by employees in the Civil Service. They might be put under the following headings: training, definite promotion, adequate salaries, ational association.
pensions, good holidays and recre-

Her information and the pamphlets she distributed aroused a great deal of interest amongst the students.

Interviews Students

On Thursday afternoon, April 5th, Mr. Smith, of the Ottawa Normal School, interviewed ten students from Grade XIII who are interested in teaching as a career. He answered any questions the students might ask and gave them a general insight into the life of a Normal School student.

Mathematics Teachers Meet

The Mathematic teachers of the county met last Friday evening to discuss curricular changes for Grades IX and X. The meeting was presided over by Mrs. E. Slingerland, who is chairman of the committee, and was attended by the Co-ordinating Committee of the county. Mr. J. H. Willard is President, Mr. W. J. Stewart, co-ordinating officer, and Mr. H. Potter, secretary.

Mr. Perry Teaches At School

Mr. Perry, of Ventnor, was at the school last week and taught three lessons in Agriculture Science in order to qualify for an Agricultural Specialist Certificate. The lessons were taught in the presence of Chief Agricutural Inspector, Mr. N. Davies. He used three grades of the school for that purpose. Mr. Perry is an R.C.A.F. veteran and a graduate of O.A.C.

Another student, Mr. I. McMartin, of Avonmore, will undergo the same procedure this week.

New Equipment

A Kodak (135) Camera is on order for the school, which will be used for making slides for the school projector. This is in keeping with the policy of the Department of Education to draw subject matter from the local area as much as possible.

The 7th Column

Now that the district's "hockey idols", the Inkerman Rockets, have been eliminated from further Memorial Cup competition, no doubt things will return to normal in these parts and business will revert to its normal trend.

Cornwall is the latest municipality to vote in favour of holding commercialized sports on Sunday. Out of 18000 eligible voters, only 6543 voted on the question, but this was sufficient to give a majority of 969 in favour of Sunday sports. Most of this majority came from Cornwall Township (733). The majority in Cornwall City was 236. If "the holding of public games and sports on the Lord's Day" turns out to be detrimental to the proper observance of the Sabbath, and not meet with the approval of the citizens in general, those 11457 individuals who failed to vote will have to accept the blame. Their indifference to the plebiscite will always leave a doubt as to whether the majority of the citizens of the Cornwall district were in favour of the issue or not.

BEAUTIFICATION IN WINCHESTER AND THE CHAMBER OF COMMERCE

Once again this year the Winchester Chamber of Commerce will stress beautification of properties and streets in the town, and the Town Betterment Committee has already laid plans for the coming season.

Although Canada's National Beautification Campaign does not start officially until May 12th, it would be a smart idea to take a quick survey of your personal surroundings this week and take note of what you think should be done around your home to give it a better appearance. By doing this now you will get a head start on Beautification Week which is still a month away.

Here are some of the ideas the local Chamber of Commerce has in mind: To place refuse containers on the main streets in Winchester; to survey the tree situation in Winchester and plant new trees where needed; to have the Reeve proclaim a "Clean-up Week" in Winchester during the National Beautification Campaign; to have a parade of floats during Beautification Week and to give prizes to the most elaborate decorations; to give prizes to the two most improved residences and grounds, at the first Fall meeting, and lastly, to paint the bleachers at the Softball Park, in conjunction with the 100 Club.

However, to make certain such a beautification campaign is a success we, the citizens of this town, will have to give the Chamber our wholehearted co-operation. Some of the things we can do to make Winchester more beautiful are: Take personal pride in our own dwellings by keeping the lawn cut, the hedges trimmed, and the flower beds weeded; the Municipal Council can do much to make Winchester more beautiful by inaugurating a new system for sweeping the streets whereby the main thoroughfares be cleaned and swept every week during the summer months. Another way the Municipal Council can help is to have the patching of our streets take place in May or June, instead of July or August. This way the streets are able to be kept cleaner and they are neater in appearance, not to mention the fact that it makes better driving for the motorists, who will enjoy the improved roads at least one month longer; places of business should take particular note of the front of their premises, making certain that it is void of scrap paper and dirt.

During Beautification Week and on the day of the parade, it is quite probable that two new colourful signs will be displayed and erected at the entrances to the town on Highway 31. The Chamber feels that signs, introducing the town to tourists, are imperative, and have decided to see to it that they are placed in the proper places without delay.

There is a reason for Winchester beautifying itself. It not only makes for better and neater living conditions within the town, but it offers a good means of advertising to the visiting public. Every citizen is a salesman in this undertaking—back the Chamber of Commerce in making Winchester more beautiful.

SPEAKING OF DOUGH

The National Director of Family Allowances has been enclosing an "envelope stuffer" with each baby bonus cheque advising housewives of various ways in which they may economize. One of the economical solutions offered is for housewives to do their own baking.

Questions arising from this advice are: Who is to compensate householders for the batches of dough they spoil while learning the art of bread-making? If the housewives succeed in learning the art, who is to compensate the commercial bakers for lost business? Who asked the Director of Family Allowances for his advice, anyway?

On the other hand, there are many housewives who believe that doing your own baking is an economical way of housekeeping and believe the director was probably only trying to pan some more dough their way.

CONGRATULATIONS TO THE INKERMAN ROCKETS

Inkerman Rockets, pride of Ottawa and district, particularly in the Winchester and Inkerman areas, were eliminated from further competition in the Memorial Cup Playdowns this week by the highly rated Quebec Citadels, favourites to capture the Memorial Cup this year.

Th Rocket organization this year, under the genial management of Coach Lloyd A. LaPorte, was probably one of the best, if not the best Junior A team to ever come out of the Ottawa district. Proof that they were one of the better Junior hockey teams in Canada lies in the fact that they were one of the four surviving Eastern Canada teams remaining in Memorial Cup competition.

This year they not only defeated Eastview St. Charles for the O.D.H.A. Crown, but they also eliminated South Porcupine Combines, pride of Northern Ontario and considered one of the best teams to come out of that section of the Province in many years; they very decisively knocked out the Maritime Champions, four games to two, and were only eliminated themselves at the hands of the powerful Quebec Citadels in the Eastern Canada semi-finals.

It's all over now except the memories, but you may be assured that Coach LaPorte will come out with an even better team next year, with a bigger eye on the famed Memorial Cup. To Lloyd and the players on the Inkerman Rocket Hockey Club, the Winchester Press, along with a host of friends, extend congratulations on their most glorious year to date, with every best wish for future success in the years to come.

EDITORIAL NOTES

The Staff of the Winchester Press, along with other business establishments in this section of the town, got a first hand view of the Winchester Rural Hydro Commission in action last week when an old, but important pole, was replaced by a new one directly in front of the Lannin Block. The old pole could be called a landmark in the town as it had been standing there doing its duty for almost forty years. It is very doubtful if the pole could have supported itself if the transmission lines had been taken away, because the base of it was practically gone. This job by the local Hydro boys, although not the most important in the world, served as an indication of the efficient and speedy way in which the local Rural Operating Area operates, and also the use of modern mechanism in such an undertaking. Without the use of the hoist this job would have proven much more difficult. The pole in mention is 45 feet high and supports a three-phase primary power line, a secondary line and a 25-k.v.a. transformer from which the immediate consumers are fed.

Everyone knows the way squirrels have of storing up a supply of nuts in the hole of a hollow tree. Nor is it hard to understand the reason squirrels behave in this way. They have developed an instinct, through grim experience, that unless they save a bit of food to tide them over the hard months of winter, chances are they will starve to death. And starve to death they frequently do if man or animal or nature tampers with their meagre savings. Now mankind is supposed to possess a much higher intelligence than the squirrel. Yet men frequently ignore the most elementary law of saving for a rainy day, so scrupulously observed by the humble squirrel. —The Printed Word.

"My worst sin," she sighed, "is vanity. I spend hours every day admiring my beauty."

"That's not vanity," her friend replied. "That's imagination."

While there are some local dog-owners who will not agree with the Municipal Council's decision to pass a by-law whereby it will be compulsory for dogs to be kept tied up the year round, the idea is one of common sense. Dogs running at large are a nuisance in more ways than one—and the writer is not prejudiced in any way because he is a lover of dogs and owns one.

God, Give Us Men!

God, give us men! A time like this demands
Strong minds, great hearts, true faith and ready hands;
Men whom the lust of office does not kill;
Men whom the spoils of office cannot buy;
Men who possess opinions and a will;
Men who have honor; men who will not lie;
Men who can stand before a demagogue
And damn his treacherous flatteries without winking!
Tall men, sun-crowned, who live above the fog
In public duty and in private thinking;
For while the rabble, with their thumb-worn creeds
Their large professsions and their little deeds,
Mingle in selfish strife, lo! Freedom weeps,
Wrong rules the land and waiting Justice sleeps.

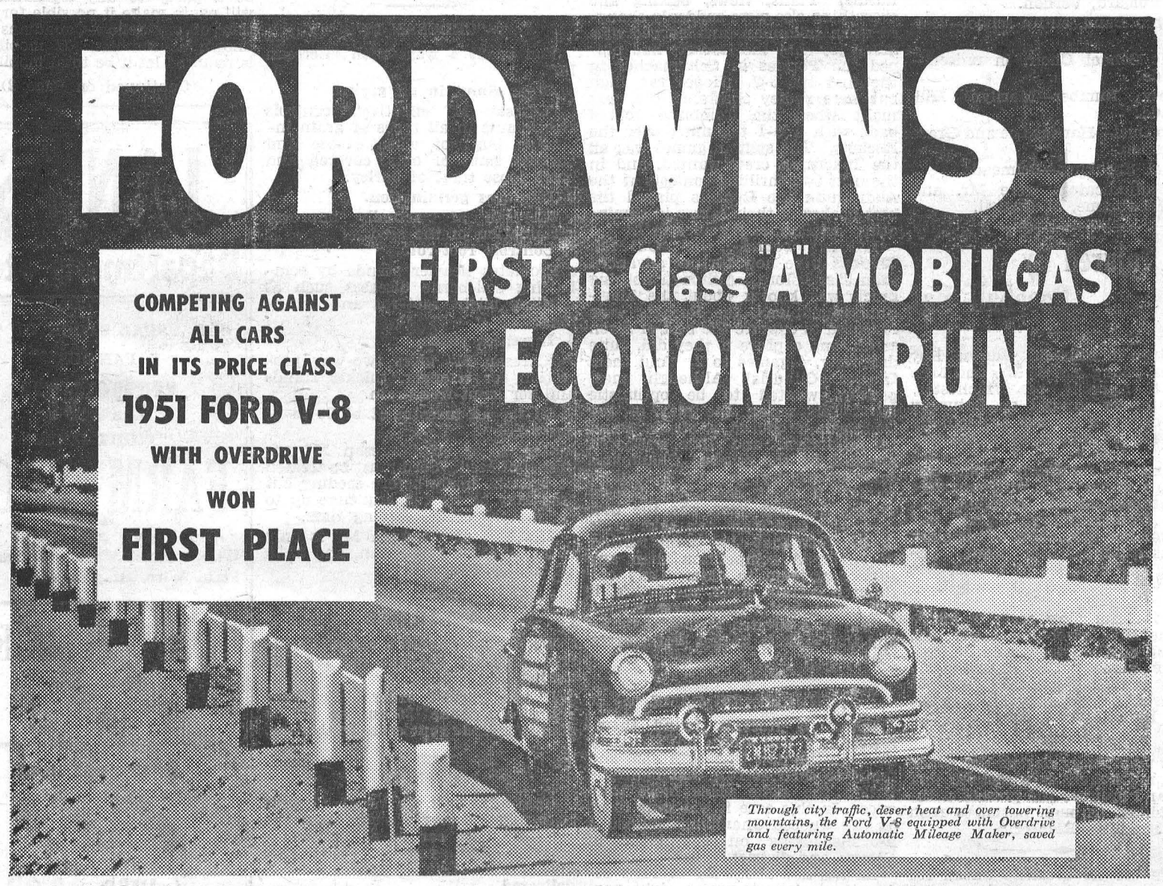
FORD WINS!

FIRST in Class "A" MOBILGAS ECONOMY RUN

COMPETING AGAINST ALL CARS IN ITS PRICE CLASS
1951 FORD V-8
WITH OVERDRIVE
WON
FIRST PLACE



Through city traffic, desert heat and over towering mountains, the Ford V-8 equipped with Overdrive and featuring Automatic Mileage Maker, saved gas every mile.

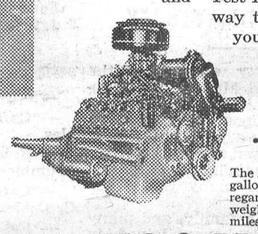
GRUELLING 840-MILE COMPETITION

THE WINNERS — *photographed with the Class "A" Cup Award.*

Proves what owners say about FORD ECONOMY

Everywhere in Canada, owners of the new Ford V-8 are enthusiastically reporting exceptional savings on gasoline. Now, in the famous annual Mobilgas Economy Run, traditional Ford economy has been proved in open competition. There is no tougher test than this gruelling 840-mile grind. *Competing against all cars in its price field, the new Ford equipped with Overdrive took first place in Class "A"!*

Why not prove Ford economy for yourself? See your Ford Dealer and "Test-Drive" the *Economy Winner!* There's no better way to be convinced that, "You can pay more but you can't buy better."



The Famous Ford V-8 100 Hp. Engine . . . owner-proved . . . road-proved . . . tops in economy in its class!

The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons of gasoline consumed.

FORD OVERDRIVE . . . optional at extra cost . . . pays for itself in gas savings. It lets the engine "loaf" while the car hustles! Gives you smoother, quieter performance . . . and reduces engine wear.

"I'D CLIMB THE HIGHEST MOUNTAIN"

THE FINEST FAMILY PICTURE OF THE YEAR COMES TO WINCHESTER FOR FULL WEEK, STARTING APRIL 16th

Twentieth Century-Fox in its 25 years of hit making has filmed every phase of human comedy, and has presented to the screen many memorable characters. Now in 1951 they bring you the story of an American backwoods town and its hero, Parson Bill Thompson. With this picture, another hit is added to the Hall of Fame . . . another great portrayal to the list of those you will always remember.

"I'd Climb The Highest Mountain" is a tenderly unfolded, heart-warming story of a small backwoods town and of a two-fisted minister who leads the way in making his community a better place to live in. But it's not the story of just one man and his family, it's about all folks—the good and the bad—the dramatic things that happen to them. It's all about a real love, too, and fast-stepping horses, horse-shoe pitchin' and Sunday School picnics. Its humor makes you laugh from the heart and its song hits are the all-time hits of yesterday—"In the Shade of the Old Apple Tree," "When You and I Were Young, Maggie," and "Silvery Moon."

Filmed in Technicolor and in the great screen tradition of "Trail of the Lonesome Pine" and "Stars In My Crown," it towers over even these pictures with the strength and stature of a giant. It has to offer an unforgettable and beautiful movie experience for the whole family—glorious color for the eye; deep spiritual conflict for the mind, rich humor for the soul; racing thrills and poignant romance to touch the heart.

Co-starring in "I'd Climb The Highest Mountain," are Susan Hayward and William Lundigan, and each of these already illustrious players rises to a new height in his role. This great motion picture affords both of them new breadth of characterization and power of appeal. No less skilful are the supporting players. These include Rory Calhoun, a rugged newcomer, and Barbara Bates, a lovely young actress of genuine ability. Others are Gene Lockhart, as a tough-minded parishioner; Lynn Bari and the redoubtable old favorite character actresses, Ruth Donnelly and Kathleen Lockhart.

It is with deep and heartfelt pleasure that we publish this review of a most unusual and beautiful motion picture. We suggest that you see it and experience its down to earth thrill yourself—and take the family with you. "I'd Climb The Highest Mountain" is Hollywood's best to you, and in the words of famed columnist Walter Winchell, "It will stir your heart!"

ALL NEXT WEEK AT THE WINCHESTER

Susan Hayward and William Lundigan in a scene from the heart-warming 20th Century Fox film, "I'd Climb The Highest Mountain," with color by Technicolor, which opens at the Winchester Theatre next Monday for a full week. Matinee Saturday at 2 p.m.

OBITUARY

LATE G. WELLINGTON DAVISON

One of the largest funerals seen in Oxford Station district was that of George Wellington Davison, which was held from his late residence on Sunday afternoon, March 18, to East Oxford Presbyterian Church, with Rev. Charles Mullin, of Spencerville, officiating. The choir sang a favourite anthem of the deceased, also favourite hymns were sung by the congregation which filled the church and basement to overflowing.

Deceased died in the Chambers Memorial Hospital, Smiths Falls, early Friday morning, March 16th, he having been a patient there for the past three weeks. He was born at Oxford Station and had spent his entire life there farming. He was a son of the late George Davison and his wife, Elizabeth Coleman, and was in his 67th year. He had been prominent in lodge circles and was the Immediate Past County Master of Grenville and Past Master of the East Black Preceptory 422, and a Past Master of his own L.O.L., No. 187, Patterson's Corners. Mr. Davison was also a member of the East Oxford Presbyterian Church; an elder and member of the Board of Managers; superintendent of the Sunday School; a member of the choir, and chairman of the East Oxford Cemetery Board. He will be greatly missed in the church and its organizations.

Deceased was twice married, his first wife being Eliza Kinch, of Oxford Station, who predeceased him in 1922; in December, 1924, he married Cora Bates, of Hallville, who survives him, also a son by his first wife, Clifford Davison, of Kemptville.

There are also three brothers, Howard Davison, of Rochester, N. Y.; Cecil Davison and Lawrence Davison, of Welland; and four sisters, Mrs. Mable Hanlan, Toronto; Mrs. Richard Sanderson (Aggie), of Havelock; Mrs. George Brenot (Myrtle), of Ottawa, and Mrs. Betty Goode, of Long Beach, California.

The high regard in which the deceased was held by his large circle of friends and acquaintances was seen in a very large number of beautiful floral tributes received and included: Pillow, Wife; Wreaths, Son and wife; L.O.L. No. 187, Patterson's Corners; Grenville County L.O.L.; Star of the East, RB.P. 442; L.O.B.A. 471, Havelock; C. P. R. employees; Brothers and Sisters; Mr. Archie Bates, Mr. and Mrs. Earl Gilmer, and also a large number of flowers from many other friends.

Friends and relatives from a distance included Mr. and Mrs. Howard Davison and Mr. Harold Davison, of Rochester; Mr. and Mrs. Cecil Davison and Mr. Lawrence Davison, of Welland; Mrs. Mable Hanlon, Mr. Edison Hanlan and Mrs. Jack Humphries, Toronto; Mr. and Mrs. Richard Sanderson, Havelock; Mr. and Mrs. George Brenot, Ottawa; Mr. Ernest Sanderson and Mr. Lawrence Sanderson, Havelock; Mr. and Mrs. Ernest Kinch, Ogdensburg; Miss Helen Beulah, Prescott; Mr. and Mrs. Willis Kinch, North Augusta; Mr. and Mrs. Walter Poll, Smiths Falls; Mr. and Mrs. Emerson Lough, and Mr. R. Docksteader, Winchester; Mrs. Hattie Adams, Kemptville; Mr. and Mrs. Wm. O'Neil, Ogdensburg; Mr. and Mrs. Tom Davison, Miss Ruby Davison and Mr. and Mrs. John Conley, Brockville, and many other friends.

The pall-bearers were Messrs. Stanley Sanderson, Percy Gardner, Whitney Black, George Gordon, John Baker and Melvin Black.

Soiled Wall Paper

Soiled wall paper can be cleaned by using starch. Sprinkle liberally on a damp cloth, and apply to the paper, using a circular motion. If there are some particularly bad spots go over them several times.

HINTS FOR THE HOME

Scrambled Eggs

Add a few bread crumbs to the scrambled eggs. This will not only improve the flavor but will make the eggs go further.

Stained Garments

Never press a stained garment, as this will make the stain permanent and almost impossible to remove without professional aid. Always clean off all spots before pressing.

Kitchen Towels

When washing kitchen towels, add a little borax to the water. The dirt and grease will be removed, the towels will have a good color, and the borax will act as a disinfectant.

Rubber Gloves

Wear rubber gloves when dyeing any article, and the fingers and nails will be protected from discoloring. The task of removing dye from the crevices of the hands is not an easy one.

Cough Remedy

That irritating cough can be relieved by taking a mixture of the juice of two lemons, one teaspoon water, and one tablespoon granulated sugar. Take a teaspoon every half-hour.

Care of Meat

Uncooked meat should not be allowed to lie in its own juice or it may become tainted. Place the meat on a platter with a hollow centre that will hold the juice without the meat touching it.

A Warning.

When slicing butter, if milk shows in tiny bubbles, be sure to use the butter as quickly as possible. The appearance of the milk bubbles means the butter has been poorly washed and will turn rancid quickly.

White Paint

A little soap in milk makes an excellent wash for white glossy paint.

Tough Pastry

If the pastry seems to be too tough, try using less water the next time and see if it isn't remedied.

Whiter Clothes

Leftover lemon rinds thrown into the wash boiler with the white clothes will make them beautifully white.

The Rubber Plant

A little sweet oil around the roots of the rubber plant, every few weeks, will make the leaves green and glossy.

Grinding Fruit

Dates, raisins, or figs will not stick to the grinder if lemon juice is squeezed into the chopper and then the fruit put through it.

Care For Furs

A fur will collect dust and dirt just the same as any other article of apparel, and it should be brushed, combed, and aired occasionally.

Leather Gloves

Unwashable leather gloves may be cleaned perfectly with a flannel cloth which has been soaked in milk, squeezed nearly dry, and then rubbed on a bar of soap.

The Metal Pot

When putting away a metal tea or coffee pot that is not in use every day, lay a little stick across the top under the lid. This will allow fresh air to enter and prevent mustiness.

Too Much Sugar

Be sure never to have your grapefruit or fruit cocktail too sweet when it is to start a large dinner. Sugar is an energy food and will take the appetite rather than encourage it. Sweeten lightly.

Fruit and Vegetables For Health

Citrus fruits and tomatoes and their juices should be served daily. Two vegetables, in addition to potatoes, should also be included in the daily diet. One of the vegetables should be served raw.

Peanut Butter

To make peanut butter, shell and roast the peanuts and discard the brown skin; put the peanuts through the finest knife of the food chopper and repeat until the mixture is like paste. Then add one-fourth teaspoon of salt for each cup of paste. Store in a covered jar in the refrigerator.

SO SHY

Shyness in children is often due to some physical or mental cause. It may stem from a feeling of not being wanted or loved enough. If the basic cause is physical, your doctor can usually help.

WINCHESTER THEATRE

SIX HEART - WARMING DAYS

Starting Next Monday **APRIL 16**

WINCHESTER DISTRICT MEMORIAL HOSPITAL AUXILIARY MEETING

The regular meeting was held in the Winchester Town Hall on April 5th with 27 members present representing seven units. The treasurer reported a balance of $1531.02. This amount included the sum of $492.75 from the Fashion Show, sponsored by the Winchester Unit.

It was suggested by the Chesterville Unit that their forthcoming donation be put toward the purchase of additional bedside tables.

The Ormond Unit realized $96.10 from their various activities, while the Cloverdale-Harmony group reported funds to cover the cost of one bedside table.

The possibility of a potato shortage at the hospital was mentioned by Mrs. Ledgerwood. The president volunteered to check and make necessary arrangements. It was thought that the Ormond group might be able to aid in this matter.

The meeting closed with the singing of the National Anthem.

OBSERVED 90th BIRTHDAY

On Saturday, April 7th, one of Cumberland Township's pioneer citizens observed his 90th birthday in the person of James Garvock. Born in Scotland, he came to Canada 79 years ago and lived his entire life in that community, where he farmed. A member of St. Andrew's United Church, he has served as elder for over 30 years. His wife, the former Mary Wilson, of Hudson Heights, Que., died in 1940.

A party was held in his honour on Sunday at the home of his daughter. The members of his family attending were: Mrs. Stanley Barclay (Bessie), of Vars; Mrs. Ernest Taylor (Annie), of Cumberland; Mrs. Wesley Barclay (Ida), 90 Rosemount, Ave., Ottawa; Kenneth, Ottawa; Mrs. Charles Lough (Grace), Gatineau, Que.; Mrs. Byron Dawson (Hazel), Winchester; Mrs. Glenn Boyd (Rae), Ottawa; Greig, of Cumberland. Two sons, James, of Berwick, N. S., and Walter, of Detroit, Mich., were unable to be present. A daughter, Margaret, died in 1938.

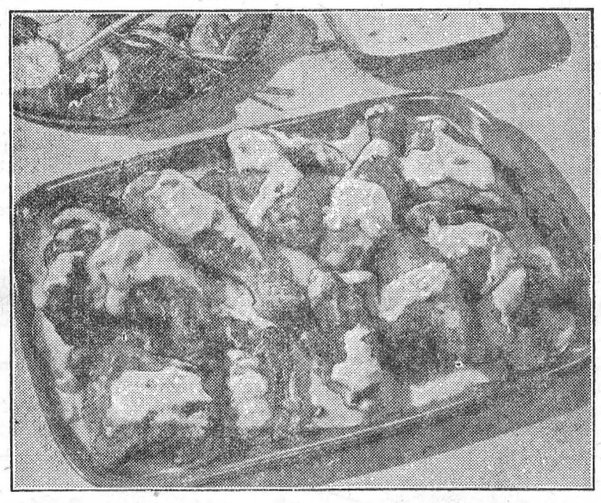
Mushroom-Smothered Chicken



WHAT could be better than chicken? The answer — why, more chicken when it's in a rich mushroom sauce.

If you want to see folks smack their lips, set a platter of this before them. It's a real company-style way to serve chicken. Slow cooked in the mushroom sauce, the chicken takes on a flavor that is "wonderful good." And that sauce is right at your fingertips, ready for quick use, in the form of condensed cream of mushroom soup. It's a good money-value, too.

For a traditional chicken dinner, also serve mashed potatoes, a vegetable such as green beans, and a spring salad. Choose something light to finish on, perhaps a spring surprise in the form of lemon sherbet with macaroons.

Mushroom-Smothered Chicken

4-5 pound chicken (large fryer or roaster), drawn and cut into pieces
¼ cup flour
2 teaspoons paprika
1 teaspoon salt
¼ teaspoon pepper
¼ cup shortening, melted
2 cans (2½ cups) condensed cream of mushroom soup

Rinse and dry chicken pieces. Combine flour, paprika, salt and pepper; coat chicken with this (an easy way is to put flour mixture in a paper bag, add a few pieces of chicken at a time, and shake together). Brown chicken on both sides in hot melted shortening in large skillet or pan. Drain off excess fat. Pour in soup and stir well; cover and simmer over low heat for about 1 hour (takes less time with fryer). This is enough chicken with mushroom gravy for 8 servings.

SOUP SCOOPS

TOMATO CHOWDER: For an extra-rich, "tomato-ey" chowder, combine 1 can of condensed tomato soup and 1 can of clam chowder. Then blend in 2 can-measures of liquid, milk or water. Heat as usual. This serves 3 or 4.

* * *

SPINACH IS GOOD IN SOUP: A little chopped cooked spinach is a tasty addition to any of these condensed soups—cream of mushroom, chicken or celery. Tastes so good, looks pretty and spring-like.

* * *

MILK 'N SOUP: When you serve condensed soup mixed with an equal amount of milk, you're doing your family a double favor. They enjoy some mighty pleasant eating. And there are real nutrition benefits in each bowlful. You can either use fresh or evaporated milk with the soup. When you use evaporated milk, you'll get good results by mixing it with an equal amount of water before adding to soup. Try it with any condensed cream soup, green pea or tomato.

Looking Over The Bowling Scores

(By Uncle Ezra)

In the Kenmore League on Monday, Lynden McEwen took both the honours, rolling a high single of 207 and other games of 178 and 178 to cross 563.

Mrs. Delia Robinson was top lady in the Helmer Group with 424-157. Mel. Rundle took the men's high cross with 575 and Gordon Larose the men's high single with 218.

In the Fennell-Berry Feed Group Lloyd Kenney took the cross honours with 571. George Lascelle had the best single, a game of 230. Berry's won the pin fall and two games, taking 5 points to Fennell's 2.

Joe Coleman's cross of 571 was best in the Finch League, with Andy Eagan's single of 240 being high.

In the Community League on Tuesday and Friday, Lula Dawley took both the ladies' honours with 650-215. Arn. Riley rolled a cross of 677 including a single of 276 to take the men's high cross. Dalton Kenney took the men's high single with 282, crossing 619. Other scores included Roland Barrigar 652-268, Ed. Boyd 638-234, Gordon Knapp 630-237, Max Boyd 613-220, Frank Dunlap 610-250. Next week I will give you the four leading teams in the Community League that will advance into the alley competition.

In the South Mountain League on Wednesday, Jane Graham took double ladies' honours with a high single of 249 and other games of 165 and 244 to cross 658. Father McDonald rolled games of 236, 259 and 184 to take the men's high cross with 679. Stan. Marriner's single of 271 was high.

In the High School Staff Group on Thursday Miss L. Ellis took the ladies' cross with 432. Miss K. Morgatroyd's single of 187 was best. Gerald Droppo took the men's honours with 578-219.

In the Press Group, Mrs. Eva Workman's cross of 512 and single of 172 were the ladies' best. Reg. Workman took the men's honours with 520-214.

In the Fennell Group, Miss Evelyn Fennell rolled a single of 233.

In the Country Gentlemen's League on Friday Archie Rice rolled strings of 252, 255 and 227 to take the high cross honours with 734. Roland Barrigar rolled the high single, a game of 285, crossing 649. Mike Thompson had 697-249.

On Friday night Charles Binda, after blowing in the first frame, rolled two spares and nine consecutive strikes to finish with 368, the high single of the week.

Steve Corry topped the boys in the Legion League with 668-271.

OBITUARY

LATE MRS. SIMON BOLTON

Funeral services were last Wednesday afternoon for 83-year-old Mrs. Simon Bolton, well-known and highly respected lifelong resident of South Mountain.

Mrs. Bolton died suddenly in Winchester Memorial Hospital on Sunday, April 1st, after a short illness. She had not been in good health for some years, but was able to be up and around until shortly before the time of her death. She was spending the winter months with her daughter, Mrs. Harry Hutchinson, at Morewood.

The funeral service was held from her residence to South Mountain United Church and was conducted by Rev. Basil Adams, pastor. Interment was made in Maple Ridge Cemetery. The pall-bearers were Messrs. Herbert Clark, Eli Montgomery, Andrew Kenney, Milton Harper, Fred Weagant and Arthur Farrell.

Mrs. Bolton was the former Alice Gates. She was born in Mountain township 83 years ago, the daughter of the late Richard Gates and his wife, Jane Barkley. Her husband, Simon Bolton, predeceased her 14 years ago. Her eldest daughter, Mrs. Elgin Froats, of Chesterville, predeceased her eight months ago.

Up until she was overtaken by ill health she was an active member of South Mountain United Church.

Surviving are five daughters and two sons. They are: Mrs. Pliny Irving (Violet), Chesterville; Mrs. Arthur Micklewright (Lillian), Massena, N. Y.; Mrs. Alberta Barkley, of Williamsburg; Mrs. Harry Hutchinson (Martena), Morewood; Mrs. Theresa Hamill, South Mountain; Clayton Bolton, Vancouver, B. C.; Cecil Bolton, Mille Roches.

She also leaves one sister and three brothers. They are: Mrs. Deward Harris, Syracuse, N.Y.; Andrew Gates, Cornwall; James Gates, Seattle, Wash.; Levi Gates, Morrisburg.

ENDS 51 YEARS WITH C. P. R.

E. C. McKay (left), superintendent of the Canadian Pacific Railway's Smiths Falls division since 1944, was honored at a presentation banquet there Friday night, marking his retirement from service following 51 years' railroading. Over 200 fellow railwaymen and friends turned out to see Smiths Falls' mayor, G. B. Swayne (left), make a presentation of a combination television, radio and phonograph set to Mr. McKay—a novel token of the high esteem in which his confreres held the veteran railroader. Mrs. McKay (centre), received a bouquet of roses at the banquet.

THE MIXING BOWL

BY Anne Allan
HYDRO HOME ECONOMIST

Hello Homemakers! We know you will clip this column as soon as you find the scissors. The recipes are cookies that require no cooking. Perhaps this is the time to start a new section in your file and label, Unbaked Cookies. Clip these recipes and write or paste them on 3 by 5 inch cards.

Just one reminder in regard to these mixtures: Chill them in the refrigerator to maintain the flavor of each ingredient.

Date Rolls

1 lb. dates, 1-2 cup figs, 1-2 cup raisins, 1 cup cocoanut.

Spread 1 cup cocoanut in pan and brown delicately. Chop dates, figs and raisins, mix and form rolls. Roll in browned cocoanut.

Whole Wheat Puffs

Whole Wheat wafers, marshmallow topping, Maraschino cherries, Brazil nuts.

Drop a small spoonful of marshmallow topping on whole wheat or digestive biscuits. Sprinkle with slivered Brazil nuts and top with a half Maraschino cherry on each. Chill.

Creamed Fruits

24 marshmallows, cut; 1-4 lb. of maraschino cherries, 1 cup chopped walnuts, 2 cups chopped dates, 1 tin evaporated milk, 1 flat box graham wafers.

Clip marshmallows. Drain cherries and cut. Mix marshmallows, cherries, walnuts, dates. Stir in graham wafer crumbs and milk alternately into fruit. Form mix into balls and roll in a few wafer crumbs. Chill.

Peanut Butter Pats

1 cup peanut butter, 1 cup icing sugar, 1-2 cup nuts, chopped; 1-2 cup dates, chopped.

Mix all ingredients thoroughly. Pat into small cakes and sprinkle with fine granulated sugar. Chill in electric refrigerator.

Sandies

3-4 cup whipping cream, 1 cup of chopped walnuts, 1 cup chopped dates, 12 marshmallows, cut small; 12 graham wafers, rolled.

Whip cream until stiff. Add marshmallows and let stand in electric refigerator 1 hour. Then add dates, nuts and 4 tbsps. wafer crumbs. Drop a teaspoonful of mixture at a time in remaining crumbs and form balls. Store in refrigerator until needed.

Lemon Cream Squares

Graham wafers, 1 tin sweetened condensed milk, juice of 2 lemons, rind of 1 lemon.

Line bottom of pan (approx. 7x9) with graham wafers placed side by side. Cover with filling. Beat milk, add lemon juice and rind; continue beating until thick. Spread evenly on each wafer. Top with another graham wafer. Place in refrigerator over night. (May cut squares in halves).

Butterscotch Bars

4 butterscotch bars, 2 tbsps. of cream, 3 cups rice krispies.

Melt the packaged butterscotch and cream in double boiler, then add rice krispies. Drop on wax paper. Chill in electric refrigerator.

Honey Fruits

1 small bottle green cherries, 1 small bottle red cherries, 20 marshmallows, 1 cup chopped walnuts, 1 tbsp. honey.

Drain cherries and chop them. Clip marshmallows into small pieces and chop nuts fine. Mix in honey thoroughly and let stand 10 minutes. Roll a teaspoonful at a time in icing sugar. Place balls on waxed paper and leave in electric refrigerator for 2 days.

TAKE A TIP

1. Cheese may cause an unpleasant flavor when stored beside eggs in the refrigerator. Wrap cheese in a cloth which has been dampened with vinegar and store in a covered casserole in the refrigerator. Eggs do not require any covering when the strong flavored foods are covered.

2. When lettuce becomes brown it is usually a sign of becoming old and is not necessarily spoiled but it does lack flavor and attractiveness and should be trimmed off. Keep heads of lettuce placed cut side down in a crisping pan of refrigerator.

3. Do not sprinkle wilted celery or carrots with salt to revive them. They usually become crisp under cold running water, or in lots of water to which ice cubes are added.

5. To extend butter for sandwiches mix with a small amount of plain salad dressing—not too much to destroy the true flavor of butter.

6. A little mustard in peanut butter sandwiches brings out the nutty flavor.

7. Wrap sliced dry bread in a clean, damp cloth, then wrap in aluminum foil and heat in a warm oven for 10 minutes—it becomes delightfully fresh and soft.

IN MEMORIAM

IN MEMORIAM—In fond and loving memory of a dear husband and father, Thomas G. VanBridger, who passed away April 13th, 1950.
—Wife, Sons and Daughters. 47p

IN MEMORIAM—In loving memory of a dear father, Reuben A. Pruner, who passed away April 7th, 1939.
What would I give to clasp his hand
His happy face to see,
To hear his voice and see his smile,
That meant so much to me.
—Daughter, Mrs. Wm. Brown, and family. 47p

IN MEMORIAM—In fond and loving memory of a dear mother, Mrs. A. E. Cinnamon, who passed away April 15th, 1946.
The dearest mother the world could hold,
The cheeriest smile and a heart of gold;
Those who knew her ought to know
How much we lost five years ago.
To have her back the same old way,
Would be our dearest wish to-day,
To have, to hold, and then to part,
Was the deepest sorrow of our hearts.
47p —The Family.

IN MEMORIAM—In loving memory of Gerald Logan Wright, who passed away April 15th, 1943, and two brothers and two sisters who had gone on before.
Gathered by Jesus in all their childish purity,
Beautiful snowdrops to bloom in the garden of Heaven.
—Ever remembered by Father and Mother. 47p

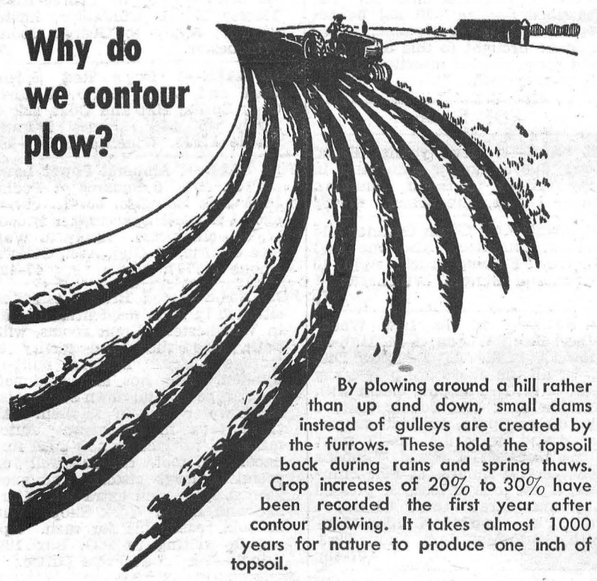
"My worst sin," she sighed, "is vanity. I spend hours every day admiring my beauty."

"That's not vanity," her friend replied. "That's imagination."

Why do we contour plow?



By plowing around a hill rather than up and down, small dams instead of gulleys are created by the furrows. These hold the topsoil back during rains and spring thaws. Crop increases of 20% to 30% have been recorded the first year after contour plowing. It takes almost 1000 years for nature to produce one inch of topsoil.

VACATION PLAN

Knowing how to swim can make a great difference in your vacation, whether you use your knowledge for pleasure and exercise or whether you use it in case of emergency. A swimmer may be able to save some one else's life as well as his own—there's still time to learn before vacation days.

SAD FEET

Shoes that are too tight or of unsuitable style may have a bad effect upon your health, causing nervous tension and extreme fatigue. For foot health, wear comfortable shoes and bathe your feet daily, plunging them into hot then cold water, alternately. Dry them thoroughly and dust with a good foot powder.

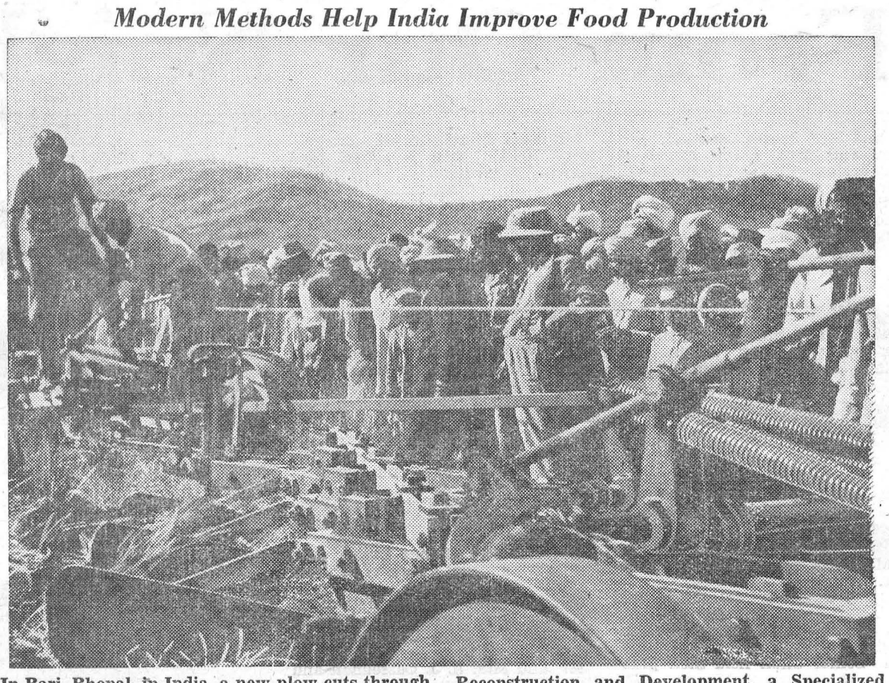
HOW ABOUT THAT HEART?

Many people have spent years worrying over what they believed to be heart disease. It has often been found that there was no cause for the worry. Regular medical check-ups can discover many illnesses in time to cure or relieve them, or best of all, set the troubled mind at rest with a clean bill of health.

SMILE INSURANCE

Dental disease is a problem that affects 98 per cent. of our population. It includes children as young as three years of age. Regular visits to a dentist from early childhood might have saved a great deal of trouble and expense for most of the people who have lost teeth and suffered pain through prolonged dental neglect.

Modern Methods Help India Improve Food Production



In Bari, Bhopal, in India, a new plow cuts through kans grass to clear needed acreage for planting wheat. Kans is a weed which infests farmland. A $10,000,000 loan from the International Bank for Reconstruction and Development, a Specialized Agency affiliated with the United Nations, has helped the Government of India buy needed equipment for this land reclamation project.

HALLVILLE Y. W. STUDY GROUP

The Hallville Young Women's Study Group was held Friday evening, April 6th, at the home of Mrs. Don. Baldwin. The meeting opened with a hymn, a psalm was read, and prayer followed. The Scripture was read by Mrs. Trevor Thompson. Mrs. Lloyd Logan was in charge of the meeting, and chose for her topic: "Stewardship of Life." Twenty-four members and two visitors were present.

Mrs. Ralph Shaw, the president, took charge of the business part of the meeting. For craft, Mrs. Bill Kerr showed a very interesting collection of articles made by the Eskimos, which included a pair of handmade seal skin boots. Mrs. Bert Hyndman demonstrated the art of glove making. Mrs. Trevor Thompson exhibited two beautifully-made felt pin cushions. Mrs. Harold Allen conducted a contest.

A lovely lunch was then served. Mrs. Byron Martin thanked the hostess. It was decided to hold the next meeting at the home of Mrs. Bill Kerr with Mrs. B. McMaster in charge.

It's Good Business For Farmers To Advertise Their Goods Consistently

"Why should we advertise when we haven't surpluses to sell?" is the question asked most often by dairy farmers, according to Gilbert McMillan, Huntingdon, Que., president of the Dairy Farmers of Canada. First national farm organization to do so, Dairy Farmers of Canada last year embarked on a program of national advertising and sales promotion designed to increase the popularity of dairy foods among Canadian consumers. Financed by dairy farmers on the basis of an advertising set-aside of a cent-a-pound butterfat on June production, the question "why advertise? "arises now that the next June advertising set-aside approaches.

"There are strong reasons why we should continue to advertise dairy foods," says Mr. McMillan. "While it is true that some dairy foods are in temporarily short supply, there is still our market to protect. The producer or manufacturer of foods who does not keep reminding the consumer of his product will very soon lose the market to his competitors. There is only one way to maintain preference for our dairy foods, and that is through advertising and sales promotion. Dairy Farmers of Canada have been doing just this through our advertising and sales promotion division, the Dairy Foods Service Bureau.'

Mr. McMillan went on to point out that there had been a high degree of approval of the current campaign from farmers and processors and manufacturers of dairy foods. Dairy producer organizations across Canada, in recent meetings, had voted to support the second advertising set-aside of a cent-a-pound butterfat this coming June.

While the set-aside was being made by dairy farmers, the whole Canadian dairy industry would be tieing into the June sales promotion under the slogan, "June is Dairy Month.' Theme of the production would be dairy foods related to summer meals and would feature fluid milk as a cooling beverage, butter, cheese, cottage cheese, evaporated milk, sweet cream and ice cream.

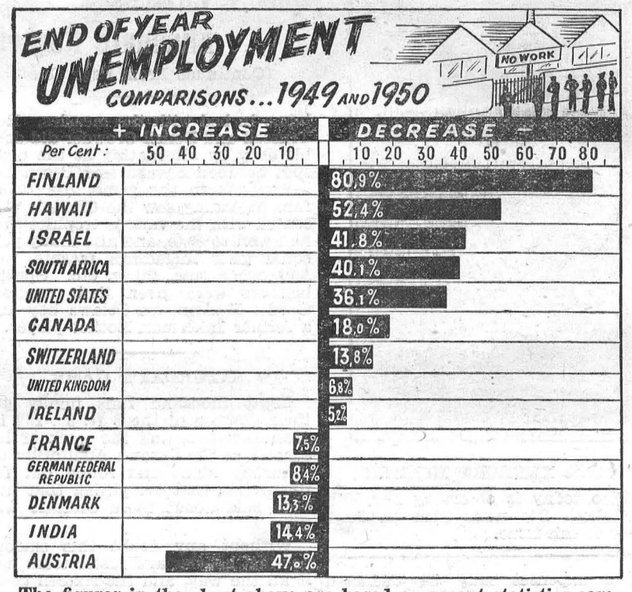
Reporting on the current campaign which started in December, Mr. McMillan said that good advertising coverage had been provided through the Dairy Foods Service Bureau in the heavy consuming areas of the country. To this end the following media had been used: 80 daily newspapers, 266 weeklies, 20 farm press, four national women's magazines, 14 trade papers and 12 radio stations. These outlets from December 1st to June 20th would release: 3368 daily and weekly newspaper ads; 23 full colour magazine ads; 26 trade paper ads; 42 farm paper ads; 3322 radio spot messages; 1260 minutes of special radio commentary prepared by Marie Fraser of the Dairy Foods Service Bureau.

One of the important developments of the Dairy Foods Service Bureau was a tested dairy recipe and photograph service to womens' editors of daily papers. This service would be extended to include all press, magazine and radio women's editors in Canada.

An experiment in the merchandising of dairy foods at retail level was being conducted with the thought that through new methods of display sales of dairy foods might be increased.

Mr. McMillan emphasized that Marie Fraser, recently installed Food Editor of the Dairy Foods Service Bureau, was being called upon more and more for advice regarding dairy foods.

One of the significant developments of the whole program had been the manner in which processors and manufacturers of dairy foods were tieing into the monthly promotions, thereby materially increasing the sales impact of the campaign.



The figures in the chart above are based on recent statistics compiled by the International Labor Office, one of the Specialized Agencies of the United Nations. They cover the following categories: insured unemployed in Canada, Ireland and the United Kingdom (wholly unemployed); insured trade unionists unemployed in Denmark; estimated unemployed based on labor force sample surveys in the United States and Hawaii; registered unemployed in Austria, Finland, the German Federal Republic, India, Israel. South Africa, Switzerland; unemployed on relief in France.

SUCCESSFUL SUPPER HELD AT ORMOND

The Women's Association of the Ormond Baptist Church held a successful supper and entertainment on Friday night. Over 100 attended the supper, held in the basement of the church. The pastor, Rev. J. Champion,presided for the programme in the church auditorium. Miss Doreen Cross contributed two solos, and Miss Dorothy McRobbie recited "The Path That Leads Home,"by Edgar Guest. Other items on the programme were readings by Rev. Mr. Champion and Mr. W. A. Rowat, of Winchester. Pianists were Misses Isabel Carkner and Laura Rutherford. Proceeds from the supper and concert were in aid of the church furnace fund. The committee was composed of: Mrs. Austin Carkner, president; Mrs. Robt. McDonald, Jr., Mrs. N. Porteous, Mrs. Thos. MacDonald and Mrs. John Angus.

Highlights of the Abbott Budget Presented To Parliament Tuesday

Following are the highlights of the new budget, presented to Parliament by Finance Minister Abbott on Tuesday. In addition to an increase in income taxes, the budget will be directly responsible for an additional increase in the cost of living, as another two per cent. has been added to the sales tax. This will tend to increase the price of nearly every manufactured article. Here is what the budget calls for:

Cigarette tax up three cents per package of 20. Beer and liquor taxes unchanged.

Tobacco tax up to $1.15 per pound from 67 cents; taxes on roll-your-own papers and tubes repealed.

* * * *

Excise tax on candy, chocolate and chewing gum reduced to 15 per cent. from 30 per cent.—effective immediately.

* * * *

General sales tax boosted to 10 per cent. from 8 per cent.—effective immediately.

* * * *

Special excise tax boosted to 25 per cent. from 15 per cent. on motor cars, radios and other luxuries—effective immediately.

New 15 per cent. excise tax imposed on household refrigerators, washing machines and cooking stoves, effective immediately. Coal or wood stoves exempted.

* * * *

Budget raises present personal income taxes by 20 per cent. through new defence levy—effective July 1st, 1951.

* * * *

Basic personal income tax rates and exemptions unchanged. Scattered minor deductions allowed.

* * * *

Union and professional membership dues and certain travelling and other expenses may be deducted from taxable 1951 income.

* * * *

Three-year tax exemption for new mines extended to mines starting production in 1953 and 1954.

* * * *

Depreciation write-off for tax purposes withheld for four years on new, non-essential capital assets.

* * * *

Tax deductions on exploration expenses for oil, mining and natural gas companies extended for another year.

* * * *

Corporation tax on profits more than $10,000 boosted to 45.6 per cent. from 38 per cent., retroactive to January 1st.

* * * *

Corporation tax on profits under $10,000 unchanged at 15 per cent.

* * * *

Corporation tax increase will not reduce profit rate to less than five per cent. of company capital.

* * * *

Surplus for 1951-52 estimated to be $30,000,000 compared with $203,456,000 in 1950-51.

* * * *

Revenues in 1951-52 estimated at $3,730,000,000, compared with $3,105,300,000 in 1950-51.

* * * *

Expenditures for 1951-52 estimated at $3,700,000,000 compared with $2,901,844,000 in 1950-51.

* * * *

Tariff changes eliminate or reduce duties on equipment used by farmers, fishermen and mining companies—effective immediately.

Quebec Citadels Eliminate Rockets

(Continued From Page One)

home in bed with the measles. Ron Trussell and Denzil Crowder did double duty by alternating at the pivot spot between Savard and Bjorness.

Previous to the game, the 12,000 fans attending saw the Citadels presented with the various trophies they had won to date, and also many personal gifts includings jackets, pen and pencil sets, shirts, etc. Special honours were given their captain, Gordie Hudson, an Ottawa boy and a former Inkerman Rocket player.

SATURDAY'S GAME

Eight thousand fans finally got their glimpse of the 6 ft. 3", 192 lb. Jean Beliveau, and the work of his cohorts at the Ottawa Auditorum on Saturday night and found out for themselves that everything that had been said about these Citadels was true.

Without any doubt this smooth passing, heavier and faster team had it all the way, and the sixteen goals they did score were notched with comparative ease. Beliveau, in short, was extremely good while on the ice although he was used sparingly in the third period. If he was ever turned loose, there is no telling what would happen. Besides physique, he is a smooth skater, an expert at stick handling, and probably has the most powerful and accurate shot in Junior hockey to-day.

Brian McFarlane was back with the Rockets and despite his recent illness was the most effective Rocket on the ice. Quebec had counted eight times before Moe Savard collected the first of Inkerman's four goals. Inkerman seemed to receive some added impetus from this first goal and although the Easterners continued to drive in for eight more, Baldwin, Duncan and Dagenais collected singletons to give the Rockets their total for the night.

Ron. Diguer, who stopped 32 of the 48 labelled shots, turned in a good game. Rockets fired 31 at Paille in the Citadel's nets.

TUESDAY'S GAME

Quebec Citadels won the Eastern Canada semi-finals Tuesday night in a blaze of glory by trouncing Inkerman Rockets for the third time in a row. The score was 13-0.

More than 8,000 fans attended the game which was called "Beliveau Night" in honour of their star player, Jean Beliveau.

The Junior ace received among many other prizes a new 1951 car in appreciation of his service to that club.

To show his appreciation he rapped in two goals and assisted in five others to collect seven points.

Rockets displayed power in the final frame and outshot the Citadels, but were unable to get one past Paille. Sub-goalie Nicholson was used in the third period by Inkerman.

FULSOM—HOLMES

A quiet wedding took place at Ottawa on Saturday evening last when Miss Ida Mildred Holmes, daughter of Mr. and Mrs. Hobert A. Holmes, of Winchester, was united in marriage with Mr. Donald Burton Fulsom, son of Mr. and Mrs. J. D. Fulsom, of Wellandport, Ont. Their attendants were Miss Ferne Boucher and Mr. Edward Kerr, of Ottawa. The couple will reside in Ottawa.

MOUNTAIN TOWNSHIP COUNCIL

The regular meeting of the Mountain Township Council was held in the I.O.O.F. Hall, South Mountain, on Monday, April 2nd, with the reeve and all members of council present. The minutes were read and adopted, and the correspondence was read, which included the Auditors' Reports on the Township, the Consolidated School, and the Hallville Continuation School. A delegation of farmers waited on the council to have the road leading from the 4th Concession Road Allowance to Heckston widened, as it is very narrow at present. The council are considering the advisability of having it improved.

Mr. W. J. Stewart, Public School Inspector, addressed the Council re a meeting of the School Trustees and others interested, outside of the North Dundas High School Area, to be held in the North Mountain Consolidated School on Wednesday, April 25th, at 8.15 p.m. in the evening.

Daylight Saving Time will be in effect after Sunday, April 29th, at midnight, until Sunday, September 30th, in the Village of South Mountain.

The tenders for gravel were opened and the tender of Thompson and Bailey was accepted, the contract price being $1.45 per cu. yd., which includes the cost of the gravel.

By-law No. 968 of the Township of Mountain, known as the Hamilton Drain By-law, was read a third time, passed, signed and sealed, and permission was given the Reeve and Treasurer to borrow up to $3,033.54 if necessary for the construction, from the Bank of Nova Scotia, at South Mountain.

Accounts were passed for payment of fox bounties on 4 foxes, $8.00; Charity: Groceries, $85.31; Fuel, $31.05; Home Care, $75.00; Incurable Diseases Hospital, $6.00; Funeral expenses, etc., $36.00; Royal Victoria Hospital, Montreal, $310.60. Municipal Drains, $28.00; Stationery, etc., $14.25; Township Grant to S. S. No. 7, $400.00; Auditors, $190.00; Clerk's Salary, on account, $150.00; Hall Rent, $5.00; Road Voucher No. 2, $688.47.

Council adjourned to meet at Inkerman on Monday, May 7th, at 1.00 p.m.

Super-Lastic

CANADA'S FINEST FIRST-LINE TIRES

Guaranteed Without Time Limit

You get a Brand New Tire — in case of failure from any cause — (as outlined below)

SUPER-LASTIC TIRES ARE SAFETY-BUILT! They are guaranteed for life against defects in workmanship and materials and in addition are insured against Glass Cuts, Accidents, Blow-Outs, Stone Cuts, Accident or Collision Damage, etc. In case of failure from any specified cause YOU GET A BRAND NEW TIRE, paying only for the amount of tread worn, plus 1½% per month ageing charge, dating from the guarantee. Super-Lastic Regular Line Tires carry the same guarantee and are adjusted on a basis of 1/6 for each two months of service. (See complete guarantee form for full particulars.)
