"Will It Stop Now? Or Go On?"

This picture of an anxious group of London citizens is taken from a moving picture film, "V-1" which will be shown in many rural areas of Canada as part of the Eighth Victory Loan program. The film shows this group of men digging into the wreckage of homes destroyed just a short while previously by a robot bomb. As they work they hear and see another of these dreadful messengers of death approaching. Note the intense anxiety in the faces of these workers as they speculate whether or not the robot will stop and fall as it reaches them, or will pass on to another target. he film is one of the most vivid picturizations of robot attacks in England which has been produced.

UNITED CHURCH W. M. S.

The regular monthly meeting of the W. M. S. was held last Thursday at 2.30 p.m. in the S. S. Hall with the President, Mrs. E. Fennell, in the chair. The meeting opened with a hymn and prayer. The minutes were read by Mrs. O. Wallace. Miss A. Walker and Mrs. Wm. Steele were appointed as delegates to attend the Presbyterial at Prescott on April 26.

A letter was read by the secretary stating that the late Mrs. E. Dixon, sister of Mr. A. W. Beach, left a bequest of $25.00 to the W. M. S. to be used as the society deemed best. It was unanimously decided to make Mrs. R. L. Suffel a life member of the W. M. S. Mrs. Suffel is one of the oldest members of the Auxiliary and one who knew the late Mrs. E. Dixon when she was a resident of Winchester.

The secretary also read a letter from Mrs. E. Hilliard, requesting that daily prayers be offered by the members for the spiritual success of the Presbyterial. Mrs. N. Lannin reported for Christian Stewadship, and read a letter from Mrs. Mary Maitland, challenging us to keep true to God. Our prayer partner is Miss M. MacGregor, Martintown. Our allocation for this year is $851.00.

A warm welcome was given Mrs. W. VanAllen, who has recently moved to Winchester and is now one of our members.

The April worship service and missionary programme was convened by Mrs. J. Patterson. Mrs. L. Dixon read the Scripture, and Mrs. J. Patterson introduced the subject: "No man liveth unto himself," which was dramatized by Mrs. F. Baker, Mrs. J. Nesbitt and Mrs. J. Bowman. The meeting closed with a hymn and prayer.

$31.00 Stolen From Fred Deeks' Garage

On Thursday afternoon last, two young men, strangers in this district, walked into Mr. Fred Deeks' Garage on St. Lawrence Street and departed with the sum of $31.00, which thye removed from the cash drawer, while Mr. Deeks and his assistant were working on a tractor just outside the building. The men entered the garage and were only in the building a minute before one of the garage attendants went to see what they wanted. They inquired if there was a lavatory on the premises. They were informed there was, and left the garage. When they returned from the rest-room, they proceeded back town.

Later, when a customer bought some gasoline at the garage, Mr. Grant Hodgson had occasion to open the cash drawer, only to learn that it had been emptied.

Mr. Deeks immediately got in touch with Constable Gilbert Raistrick and they set out in search of the two strange men. They were nowhere to be seen on the highway, and as yet have not been apprehended. The case is in the hands of the provincial police and a sharp look-out is being kept for the wanted thieves.

WAR SAVINGS STAMP SALES IN PUBLIC SCHOOLS

Sales of War Savings Stamps by pupils of the Public Schools of Dundas County during March amounted to $1081.25, an average of 55 cents per pupil of the enrolment. Total sales to the end of March now stand $6799.75—only $200.25 short of the objective of $7000.00 for the first seven months of the school year. The leading school was Hainsville Public School with a record purchase of $4.58 per pupil. Every township except Williamsburg exceeded the minimum of 50 cents per pupil, and all Village Schools except Winchester exceeded the minimum objective. The average for these were respectively 32c and 26c.

Schools reaching or exceeding the minimum objective, with averages per pupil were as follows:

Matilda

S. S. No. 4, $2.29; Dixon's, $1.05; Strader Hill, 60c; Hainsville, $4.58; Payne, $1.00; Stampville, $2.16.

Mountain

South Mountain, $1.41; Inkerman, $2.00; Harmony, 77c; Mountain Ridge 50c; Cloverdale, 61c.

Williamsburg

Merkley, 70c; Williamsburg, 53c; Elma, 52c; Grantley, 50c; Bouck's Hill, 61c.

Winchester

Cass Bridge, 55c; Ormond, $1.05; Maple Ridge, $2.33; Forward, 73c; S. S. No. 10, 50c; Bethune Bush, 73c.

Urban

Chesterville Public, 58c; Iroquois, 51c; Morrisburg, 64c, Winchester, 26c.

Congratulations, girls and boys! If the schools do as well for April, May and June, we shall have our objective of $10,000 with something to spare. Perhaps with a little extra effort those schools which have been lagging can better their record for the next three months. The report for April should be an interesting one. Watch for it.

Eighth Victory Loan Opens On Monday

Objective for Winchester and district in the Eighth Victory Loan campaign has been set at $170,000, while the United Counties objective is $3,625,000. The Dominion objective in the campaign, which gets under way April 23 and closes May 12, is $1,350,000,000. The figures were released on Monday by F. B. Brownridge, chairman of the United Counties National War Finance Committee.

The local objective is $10,000 greater than that of the Seventh Loan, while the United Counties objective is $225,000 above the preceding loan. The Dominion objective has been boosted 50 millions over the Seventh Loan figure.

The United Counties raised the record sum of $4,044,000 during the Seventh Victory Loan. During the previous seven campaigns the impressive total of $21,010,250 was raised in the tri-counties. Of this amount, employees of the industries contributed $2,826,350.

The population of the United Counties stands at 67,938 and the amount raised per capita during the Seventh Victory Loan was 59.53. The objective in the Eighth Loan drive means that counties' residents will have to provide a per capita amount of $53.36 to reach the quota.

Following is a summary of districts in the United Counties, showing the Eighth Victory Loan objective and the Seventh Loan results compared to the Eighth Loan objective: Cornwall and urban—$1,250,000, over $172,250; Cornwall township—$165,000, over $2,050; Osnabruck—$180,000, over $6,250; Williamsburg—$295,000, over $99,400; Matilda—$270,000, over $54,150; Mountain—$90,000, over $15,700; Winchester Division—$170,000, over $8,350; Chesterville Division — $170,000, over $8,850; Finch—$165,000, over $16,900; Roxborough—$190,000, under $50,450; Lochiel—$180,000, over $39,350; Kenyon—$165,000, under $2,350; Lancaster—$145,000, over, $16,450; Charlottenburg—$190,000, over $32,700.

A comparison of the Eighth Loan objective and the Seventh Loan results reveals that Seventh Loan subscriptions exceeded the Eighth Loan quota by $419,600. From this comparison it would appear that residents of the United Counties have an opportunity to establish a new record, provided subscriptions are increased in accordance with the custom of previous years.

Reeve Albert Turner, having resigned as Chairman of the Winchester War Finance Committee, he is succeeded by Mr. C. R. Robinson, a member of the Council and former Bond Salesman. Other personnel of the committee remains unchanged.

Messrs. W. J. L. Boyd, E. R. Summers, Allen Summers and Mrs. C. R. Robinson will again be the Bond sellers. Their territory will be the same as in the previous loan. Bonds may also be purchased at the local bank, where Mr. Stevenson, the manager, will lend every assistance and give any advice within his power.

A meeting of the salesmen is being held here this evening, when final instructions will be given them regarding the sale of the new bonds, and they will be all set to go on Monday next.

It need not be too strongly emphasized that it is important that the Eighth Victory Loan go over the top, because most people should be intelligent enough to realize that while the war in Europe may be nearing an end as far as actual fighting is concerned, plenty of cash is needed to transform the country from its wartime tempo to a peacetime basis. Many troops will have to be maintained in the fighting zones for several months after the war ceases; our soldiers, sailors and airmen will have to be tranported home, many of them will have to be cared for in hospitals, others will have to be rehabilitated back to civilian life. All of this will take money and we, as civilians, will have to provide it by purchasing Victory Bonds during the Eighth Victory Loan campaign, and during at least two on three other campaigns to be launched in the future. We can't slow up until the race is won—until peace is firmly established. We all must realize our sense of responsibility in providing money to finance the peace, and that is as equally important as financing a war.

If local citizens do their duty in this campaign, Winchester and district should once more go over the top. Plan now to purchase all the bonds you can—greet your salesman with a smile, and don't put him off with some meager excuse—his time is precious and call-backs should be avoided wherever possible. Let's go, Winchester and district—let's provide the money that will hasten the era of peace and bring our boys and girls back home.

NOW REPORTED KILLED

P.O. OSWALD A. LINTON

A Memorial Service will be held in the Osgoode Baptist Church at Vernon on Sunday evening, April 22nd, at 8 o'clock, in memory of Pilot Officer Oswald A. Linton, who was killed in action over Germany on March 15th, 1944. Previously reported missing, official notice of his death and burial was received recently by his mother, Mrs. Katherine Linton, of Vernon.

Rev. J. Fletcher, pastor of Vernon Presbyterian Church, will deliver the memorial sermon, and it is expected a community choir will lead in the singing. Rev. H. Jones, pastor of the Baptist Church, extends an invitation to everyone to attend this service and pay their tribute of respect to one of Canada's fallen heroes.

ST. PAUL'S W. M. S.

The April meeting of St. Paul's W. M. S. was held at the home of Mrs. Wm. Watson. The Scripture reading was given by Mrs. G. Wilson, President, and the devotional part was taken by Mrs. Hay and Mrs. S. Anderson. Mrs. Wilson was appointed as delegate to the Presbyterial, to be held in May at Morrisburg.

Mrs. C. R. Robinson gave the treasurer's report. Mrs. Suffel reported for the Agnes Glassford Society; Mrs. Watson for the Goforth Group, and Mrs. H. Wilson for the Mission Band. Mrs. Watson, convenor of the program, read the Scripture lesson, after which a duet, "In The Garden," by Mrs. Hay and Mrs. H. Wilson, accompanied by Miss M. Empey, was much appreciated.

The theme of Mrs. Watson's paper was "The Garden." Mrs. Suffel read a poem on this subject. Miss G. Irving gave an interesting paper on "The Life of Rebecca." Mrs. Watson gave a talk on Indian Life, showing samples of their handiwork, which was very instructive. Mrs. W. Johnston closed the meeting with prayer.

PRESIDENT ROOSEVELT

Canada, along with all other democratic nations, mourns the untimely death of Franklin D. Roosevelt, President of the United States. In Mr. Roosevelt, this country had a true friend. He was one of the greatest statesmen of all time—a man who loved freedom and who devoted his life towards making the world a place where free men everywhere could live in peace. He spared no effort to bring about the defeat of the enemies of democracy, and it is unfortunate that he did not live to see the war's victorious conclusion. His loss to the world at this time is not short of a tragedy. His counsel and wisdom in preparing for and maintaining the peace after the war will be missed.

President Roosevelt's true greatness will not be known for years to come—not until the results of his gallant leadership in the crucial years of depression and war will show its effect, not only in the United States, but throughout the world.

Like all public men, he had political enemies, but even those do not hesitate to mourn his passing. They, too, realize that President Roosevelt had high ideals, was honest and sincere in all he said and did, and had accomplished much as the leader of a great nation.

Under a severe strain, as a result of the war, President Roosevelt had gone to his summer home in Warm Springs, Georgia, for a rest. On Thursday last he suffered a cerebral hemorrhage and died a few hours later. The news of his death was a shock to the entire world, as it was flashed over the air waves.

He will be succeeded as President by Harry Truman, Vice President of the Republic. President Truman, in his initial announcement, stated that he would do all in his power to see that the work started by his predecessor would be completed to President Roosevelt's liking. God give him strength and courage to carry on the work of a man whom we all loved and who was a champion of freedom and justice—President Roosevelt.

BUDGET NOW FOR THAT BOND !

Every day and night the Canadian soldier in Holland, Germany and Italy, is fighting for you and your possessions. Whether you think it or not, some of your possessions belong to him over there, for if it wasn't for his efforts you wouldn't have your freedom, your home, your job or your bank account.

So don't wait until the advertising drums are beating for the coming eighth victory loan in Canada . . . don't wait until some sob-sister on the radio shames you into buying a $50 investment in freedom . . . don't wait and say 'I can't afford', for you can and you must.

Budget now for that victory bond . . . use a little self-denial if you like . . . even that won't kill you.

NATIONAL INCOME IS AT AN ALL TIME HIGH

Canada's national income in 1944 moved up to $9,186,000,000, exceeding all previous records, the Dominion Bureau of Statistics reports. The increase over 1943 was 5.3 per cent., the total recorded in that year, $8,724,000,000. The report shows that income originating in agriculture made greatest increase, with gains in manufacturing and Government of lesser proportions. The maximum monthly income was reached in October last year when agricultural marketings reached a high level. December income stood at $766,300,000 compared with $777,700,000 in November.—Marketing, Toronto.

EDITORIAL NOTES

Even when Germany surrenders it does not mark the end of the war. The causes which produced the war still exist and while the wholesale slaughter of men will cease, the war will continue on the economic and other fronts with the same devastating effect that marks the physical conflict. The men and women of the services will have a lot to say about the future of Canada and of the world.

The faithful band of men and women who year by year carry out the annual canvass for the Red Cross Society are to be felicitated on the success that crowned their efforts in the recent drive. Not only did they exceed their objective by over twenty-five per cent., but they created a new record. This was made possible, of course, only by the generosity of the citizens of all classes. The result is an evidence of the high esteem in which the noble work of the Red Cross is held generally.

Other Editors' Opinions

GIVE THEM LAND

(Windsor Star)

Hard soldiers from Canada's prairies have broken out from the Allied bridgehead east of the Rhine. Singing, no doubt, that jaunty ballad of the West, "Don't Fence Me In."

BRITAIN'S WAY

(Chatham News)

Britain's method of meeting great issues, national and international, has always furnished a mental stimulant for the world. There has always been the disposition to see things through, to make the best of every situation, no matter how discouraging; to see behind the cloud the silver lining.

REMEMBER TWAIN

(Hamilton Spectator)

Those who advocate votes for youths of 18 years should reflect upon an observation of Mark Twain. He said that when he was in his teens he thought that his father was one of the most ignorant of men, but when Mark had turned twenty he was amazed to find how much wisdom his parent had acquired in those few years.

CONSERVE YOUR GAS COUPONS

(Brockville Recorder & Times)

Motorists will be making a mistake if they waste gasoline coupons now in the expectation of getting a much higher ration allowance after V-E Day has arrived. There may be a modest increase in the ration but it will apply only to coupons still held by the motorist. The larger the number of coupons in his possession at that time, the more gasoline is he likely to have thereafter.

LIKE DICTATORSHIP?

(Renfrew Mercury)

CBC broacasts concerning Canada's unemployment insurance scheme sound increasingly like dictatorship talk. The man who asks the questions seems fairly pleasant, but the man who gives the answers, my, how fearful we should all be of him! Of course, with nearly $300,000,000 in the treasury, all snitched from the pay envelopes of the employees and pockets of the employers, he can afford to make us shiver.

Our Column

The war of arms is between nations. The war of ideas runs through them.

Loyalty is freely given on one hand when it's deserved on the other.

The stubborn factor of human nature can change. "Or would you rather be a mule?"

No true and permanent Fame can be founded except in labors which promote the happiness of mankind.

We are planning sixty million jobs to provide a livelihood after the war. But what are we planning to live for?

We can know in our heads what's going on in the world today. But unless we feel it in our hearts we won't do anything about it.

Goebbels is calling for a "day of holy rage" in Germany. It would be more fitting if he would call for a day of humble repentance.

"The chains of habit are generally too small to be felt until they are too strong to be broken."—Samuel Johnson.

Finding some $50,000,000 in gold in the German salt mine rather reverses the old gag of "salting a gold mine."

See first that the design is wise and just: that ascertained, pursue it resolutely; do not for one repulse forego the purpose that you resolved to effect.

Real "freedom from fear" is freedom from shame. The man or nation who has put things right with God and man has nothing to be afraid of.

"If a man could have half his wishes he would double his troubles," said Benjamin Franklin. It's no wonder that our wishful thinking lands us in so much confusion.

Hitler wanted more living room for the German people, and so he started a war to get it. Now most Germans would settle for a one-room flat, even if they had to heat it themselves, with Hitler's hot air.

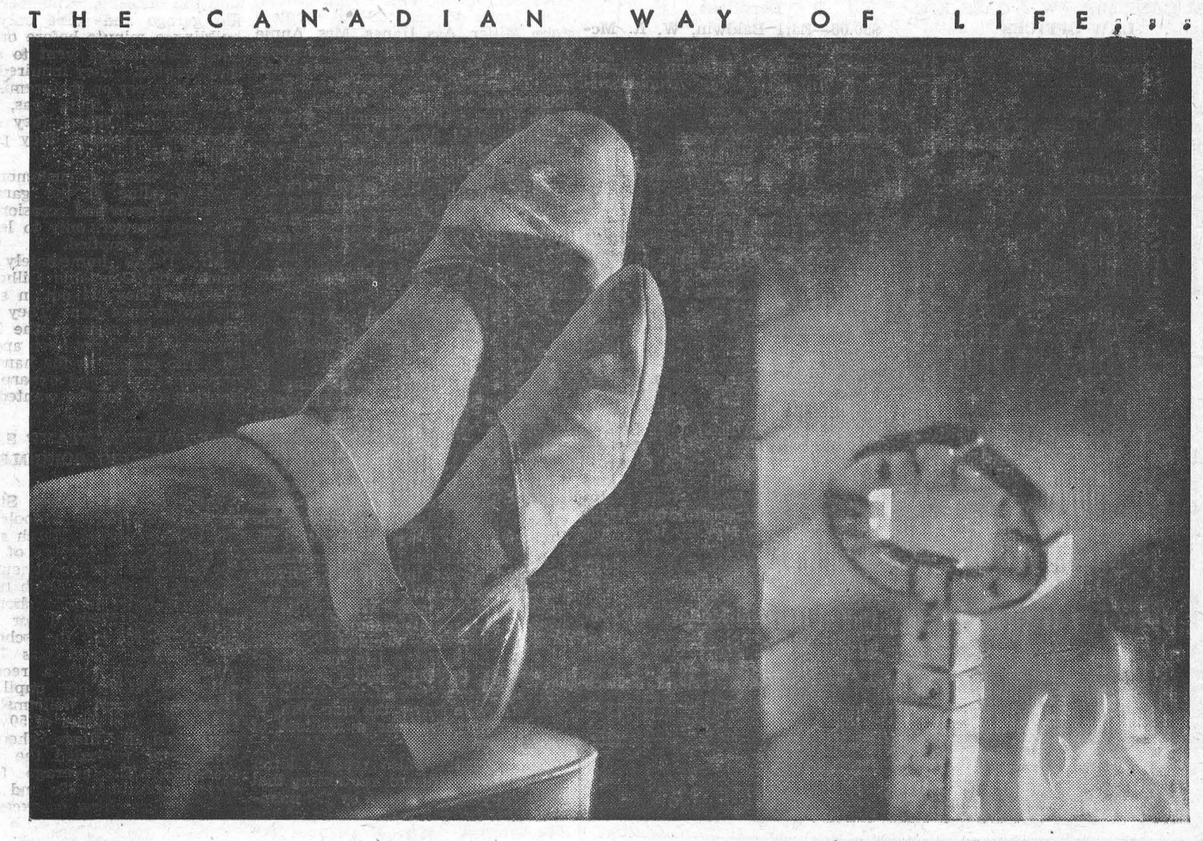
THE CANADIAN WAY OF LIFE...



"...where the heart is!"

SITTING by the fireside *at home*—digging, in the garden for fun—lazy weekends just fishin'—these things mean comfortable, pleasant living, the kind of living your man overseas is dreaming of, fighting for. Make sure these simple, pleasant things exist for him when he comes back. Remember that it is possible for them to exist only if his dollar is worth a dollar!

By *protecting* his dollar, we help to protect his future. That's why we must realize NOW the dangers that lie in careless, unnecessary buying. Never buy *two* where *one* will do. Buy *only* what we need. We must support rationing and price control and encourage others to support them, and we must avoid ALL dealings with black markets.

These are the rules. If we break them, we can be certain that we will start our country — his country — on the spiral of inflation. Prices shoot sky-high. Wages try to catch up, and never succeed. You may pay a dollar for 30 cents worth of goods, and this means your dollar—your soldier's dollar — is worth *only* 30 cents.

There's no limit to inflation, and there's no stopping it once it starts. So, let's make sure OUR boys will come back to a protected dollar—a dollar that will buy a full dollar's worth of goods. Let's keep up the fight against inflation, *every* day, in *every* way we can, so that our men overseas can look forward to pleasant, satisfying living . . . the Canadian way of life.

Make this Pledge Today!

I pledge myself to do my part in fighting inflation:

By **observing rationing and avoiding** black markets in any shape or form.

By **respecting price controls** and other anti-inflation measures, and refraining from careless and unnecessary buying. I will not buy two where one will do, nor will I buy a "new" where an "old" will do.

By **buying Victory Bonds and War Savings Stamps,** supporting taxation, and abiding by all such measures which will lower the cost of living and help keep prices at a normal level.

HYDRO RURAL WARTIME EXTENSIONS

With labour and metals drained by war, an unavoidable limit is placed on the number of new rural Hydro services that can be installed in 1945. Nevertheless, your Hydro is extending essential rural services to the absolute limit of labour and materials available.

About 8000 applications made and approved during 1944, still await service, and many have since been added. These will be connected as soon as possible. It will take all the man-power, materials and effort that Hydro can command to bring service to these applicants in 1945. Those requesting service along existing power lines may, in some cases, be connected before prior applicants who require lengthy extensions. We regret that many approved applications may not be completed before 1946.

IN 1944 YOUR HYDRO CONSTRUCTED ABOUT 400 MILES OF NEW RURAL LINES, AND ADDED 9776 NEW CUSTOMERS.

With some 1200 Hydro employees in the armed services or on loan to the government for technical work, along with the shortage of many materials critical to war needs, your Hydro has done and is doing everything possible to extend electricity to essential services. If your turn seems slow in coming, please consider the wartime conditions under which your Commission labours, and be assured that it is doing everything possible to serve you with the utmost speed.

Wherever the flag of France decreed that brave and reckless men should lead the charge, there the "Legion of the Damned" fought and fell. Now it is disbanded . . . outmoded by tanks, buzz bombs and jet-propelled planes. Inez Robb writes about it in The American Weekly with this Sunday's (April 22) issue of The Detroit Sunday Times.

A Message from

GEORGE DREW

to all with Relatives and Friends Overseas

ARRANGEMENTS have been made by the Ontario Government for members of all the Armed Services overseas to vote in the coming Ontario election by placing a ballot in a ballot box for the candidate of their own choice. The arrangements which have been completed for the Ontario vote are the best which have yet been made for any Active Service vote. The Government, however, can only make the arrangements for taking the vote. What is equally important is that those who are overseas know the name of the candidates, the party they are supporting and have a sufficiently clear picture of the issues to decide how they should vote. That can only be done if those at home supply them with information. May I strongly urge every wife, mother, father, sister, brother or friend of those overseas to write and tell them all they can about the coming Ontario election. By clippings from newspapers, by editorial comment, and by personal explanation, a clear understanding can be given of what is really at stake in this Ontario election.

One of the things which will cause the greatest difficulty in the minds of those overseas, particularly those who live in large cities, is to determine which Riding they live in. Maps will be available, but even the best map sometimes leaves doubt when the voter has been away from home for a long time, or as is true in so many cases has never voted before. This difficulty will be increased because of the difference between the boundaries of Dominion and Provincial Ridings.

I would suggest that you write *immediately, by airmail,* to all with whom you are in communication and tell them the Riding in which they live and give them what information you can about the party and the candidate in the Riding where they are entitled to vote.

I should mention that every member of the Armed Forces overseas of any age is entitled to vote. They, above all others have the right to vote. They have preserved for us that free system of Government which depends upon the choice of our own representatives. Our job here at home is not only to make sure that they have the chance to vote but also to do everything possible to make sure that they are able to vote with knowledge of the real issues in the election.

For the sake of convenience, I am suggesting that you simply cut out this message and address it to someone overseas giving the information required. Each one of us here at home has a responsibility to help them to choose the Government which will have so much to do with their future in the years of peace. May I again urge you to write at once, by airmail, not only to those closest to you but to as many as you know in any of the services outside of Canada. Tell them what *Provincial* Riding they reside in at home—then the name of the candidate and any further information you can supply.

Yours sincerely,

George A. Drew

THE MIXING BOWL

BY Anne Allan HYDRO HOME ECONOMIST

Hello Homemakers! There's an abundance of onions yet in many places. Only a year ago we were begging one onion from any of the neighbours. Too bad, we can't store them readily. The best that we can do is to keep them in a cool, dry, dark place. Use them often in soups, gravies, meat dishes, salads, and hot vegetable combinations.

Onion Soup

3 onions, 3 tbsps. baking fat, 3 pts. beef stock, 3 tbsps. grated cheese, pepper and salt, 2 tbsps. chopped parsley, 1-2 loaf stale bread, (1-8 clove garlic if desired).

Slice onions and put them in stew pot with the fat. Stir and fry until brown. Add beef stock, boil ten mins., skim, season, and add parsley and garlic. Cut or break bread into small pieces and dry in oven a few mins. Sprnkle bread with cheese. Serve cheese-crumbs on top of soup.

Onion Sauce

1-2 cup minced onion, 3 tbsps. fat, 3 tbsps. flour, 1 1-2 cups beef stock, 1 tbsp. minced parsley.

Cook onion with fat until slightly brown. Stir in the flour, then add the stock and parsley stirring constantly. Serve with beef.

Stuffed Onions

6 medium onions, 1-2 cup chopped ham, 1-2 cup bread crumbs, 1-2 cup milk, pepper, 1 tsp. salt, 1 tbsp. fat.

After removing a slice from the top of each parboil onions until almost done. Drain and remove the centres, leaving six cups. Chop centre part of onion and combine it with ham and crumbs. Add seasoning and refill the onion cups. Place them in a baking dish, cover with a few crumbs, add milk and bake in an electric oven at 425 degrees about 15 mins.

Baked Minced Steak

1 1-2 lbs. minced beef (round steak), 2 cups bread soaked in milk, 1 small onion minced, 1 tbsp. baking fat, 2 eggs, 4 hard-cooked eggs, 1 cup of tomatoes, 1-2 cup sliced onion, salt, pepper and 1-8 tsp. ginger.

Have the meat put through the grinder twice. Add the bread, onion, seasoning and two beaten eggs. Mix together and put mixture into greased loaf pan. Arrange the hard-cooked eggs end to end on the meat. Pour over a sauce composed of tomatoes, 1-2 cup sliced onions and baking fat. Bake in electric oven 350 degrees for 1 1-2 hours.

TAKE A TIP

1. If you want to reheat muffins, put them in a paper bag and twist the top tightly; put in a preheated electric oven at 300 degrees—turn off the heat and let them warm through. Very dry ones may become moist by putting a few slices of raw potato in the bag, too, and leaving the bottom element turned on.

2. Don't neglect to make a small "turnover" when you bake a pie. Your small son will think he's pretty important with his own pie.

3. It's not necessary to boil fresh maple syrup before you bottle it. But it should be put in sterilized jars and sealed, using rubber bands dipped in baking soda and hot water. Jars should be stored in a dark cool place.

4. Try making candy with shortening instead of butter. We made some for a bazaar and it sold like hot cakes. A fudge recipe and maple flavouring were used.

THE QUESTION BOX

Mrs. N. B. asks: How do you cook spare ribs so they are moist, not hard and dry?

Answer: Here are 2 precautions:
1. Either roll them in heavy greased brown paper, leaving ends open, or lay flat with moist dressing on top.
2. Cook in a preheated electric oven at 350 degrees for about 45 mins.

Mrs. T. J. asks: How do you get along without a steamer?

Answer: I put puddings and even diced vegetables in lightly greased soup tins, cover them with pieces of butter wrapping paper tied on. Then place them in a kettle with water surrounding them two-thirds to the top of the tins.

Mrs. B. M. says: I sharpen knives by scraping them flat with the edge along an old earthen crock.

Anne Allan invites you to write to her in care of The Winchester Press. Send in your problems on homemaking and watch this column for a reply.

STUDENT FARM WORKERS TO GET GRADE ADVANCES

Pupils who leave school early this year to work on farms may be granted their high school entrance or high school promotions provided they contract for employment of not less than 13 weeks, the Board of Education at Toronto announced this week.

The announcement said pupils who wish to leave school to enlist come under the same regulations with promotions based on marks and attendance. Pupils accepting employment in a cheddar cheese factory or at butter-making in a creamery are also included if the employment is authorized by the Minister of Agriculture.

There's one thing about a paper-and-bamboo city wherein it differs from those in a similar position in Europe: it will take less than a century to rebuild it.

HE HAS Sacrificed YOU HAVE Served

● You have reason for just pride if you have done all you could do, on the home front, to support the gallant effort of our men in active service.

If you have denied yourself pleasures and comforts to buy Victory Bonds . . . you, too, have played a part in helping your country's war effort.

You have worked and saved and lent your savings to your country. Without this help from you . . . and from millions of her citizens, your country could not have maintained the prominent place she now occupies among the freedom-loving nations.

Canada has the use of your savings to help to win victory. (You will have this money to use for your own needs later.)

Perhaps you wish you could have done more. Well, you will be asked to do more. Men who have come back will tell you that there is lots to do yet. Canadians are on active service, on the fighting fronts. More money is needed to support their effort.

You are asked to keep on working and saving and you will be asked to put more savings into Victory Bonds. They are the best investment any Canadian can make; an investment that every Canadian should make.

LOCAL AND DISTRICT NEWS

Bereaved of Mother.

The many friends here extend their sympathy to Mr. J. H. Willard, principal of the local High School, who was bereaved of his mother this week.

Morrisburg Property Sold.

The property at Morrisburg known as the Leslie Terrace, a series of houses under the one roof, built many years ago by the late William Gibson, has been sold to Harry V. Redden, of Cardinal.

Engagement Announced.

Mr. and Mrs. Leslie Cass, of Cass Bridge, wish to announce the engagement of their youngest daughter, Nona Winnifred, to George Eldon, only son of Mr. and Mrs. George Turner, of Cass Bridge. The marriage to take place shortly.

Local Woman Bereaved.

Sympathy is extended to Mrs. D. L. MacLean in the passing of her brother, Donald J. Gilmoure, whose death occurred on Sunday at his home in Spencerville. He was in his 23rd year and had served overseas with the R. C. A. F. He had not been in the best of health since returning to Canada.

Another Hefty Calf.

Mr. Roy Baker informs us that one of his Pure Bred Holstein cows, a 14-year-old, gave birth to a female calf a few days ago, that weighed 129 lbs. The average weight of a female calf is 75 or 80 lbs., rarely do they go 100 lbs., so Mr. Baker's cow would appear to have set a record in the weight of a new-born calf.

Birthday Greetings.

Birthday Greetings are extended to Mrs. F. H. McCullough, of Epworth Farm, Navan, Ont., who will observe her 90th birthday on April 26th. Mrs. McCullough was born at Winchester, the oldest daughter of the late George Annable and his wife, Sarah Hughes. She will be remembered by many of the older citizens of this district.

Moderator To Speak.

Rt. Rev. A. C. Stewart, M.A., Moderator of the General Assembly of the Presbtyerian Church in Canada, will deliver an address at a public worship service, to be held in St. Paul's Presbyterian Church here tomorrow (Friday) evening at 8 p.m. Rev. W. MacKinnon, pastor the church, extends an invitation to everyone to attend this service.

ONTARIO ELECTION DATE CHANGED TO JUNE 4th

Premier George Drew announced this week that the date of the Ontario Election had been changed to Monday, June 4th, so it would not conflict with the Federal Election, which is scheduled to be held on Monday, June 11th.

Fearing that the outcome of the Ontario Election might have a disastrous effect on the chances of his party being returned to power at Ottawa, Prime Minister King deliberately selected the date, June 11th, for the Federal Election, after the Ontario Premier had announced that that was the date of the Provincial Election. It now looks as though Premier Drew has outwitted Mr. King in the game of "leap-frog" over election dates.
