Surrey without a fringe on top . . .

The lanes just outside Upper Canada Village last Sunday rang to the sound of hooves clip-clopping along the tarmac. The occasion was an afternoon drive by fourteen rigs of the Eastern Ontario Driving Association. The antique buggies belonging to members were shined and gleaming as their owners sat behind one or two horses and travelled at the civilized rate of 10 miles per hour through the afternoon sunlight and balmy temperatures. The association holds drives all through the valley and exchanges buggies for sleighs and sleigh bells come winter.

DFA challenges OFA on farm tax overhaul

WINCHESTER (Staff) - The Dundas Federation of Agriculture is sending a three man delegation to Toronto to challenge a proposal by the senior organization in overhauling Section 31 of the Canada Income Tax Act.

Directors of the Ontario Federation recently approved a new plan to index the restricted loss on farm income. But members of the local federation say the proposal is a regressive step rather than providing the reform needed.

"We're advancing and promoting the end of the family farm," said DFA president Cliff Howse, referring to the difficulty in start-up experienced by new farmers. Members, said the formula will not allow beginning farmers to establish themselves. They said the clause should encourage rather then prohibit entrance into farming.

Section 31 of the Income Tax Act divides farmers into three categories, full-time, part-time and hobby farmers. A clause in the Act restricts part-time farmers to write off only $5000 of their farm losses against their off-farm income. This limit is 30 years old and isn't a true reflection, in the opinion of several farm groups, of today's farming costs. DFA members pointed out that most beginning farmers are forced to take off farm jobs to help them through the difficult early years.

In proposing that the amount of farm losses that can be deducted from off-farm income be indexed that OFA has offered a formula that will reduce the deductible losses as the off-farm income increases.

This formula proposed in July called for an amount equalling the average industrial wage minus half the non-farm income plus $2500 to be equal to the allowable deduction.

In rejecting what they called an "arbitrary" formula local members said the OFA should reconsider its policy on section 31 because it appeared to ignore the 95 per cent of Ontario farmers who hold off-farm jobs. "OFA has been sold a bill of goods by Revenue Canada and the Department of Finance," said Dan Harkin who objected strongly to the OFA's formula.

"The OFA directors are established people who don't care for the rest," added Mr. Harkin. "They're selfish."

Because the formula was created by the executive of OFA some members said they should be fighting the executive and would endeavor to present their views at the next board meeting to be held later this month in Toronto.

At that time the DFA will make a presentation asking the OFA to reconsider its formula policy in the reform of section 31.

Rudi Derstroff nominated to lead NDP in SD&G

FINCH (Staff) - Chesterville's Rudi Derstroff is leading the pack in Stormont, Dundas and Glengarry following his nomination to represent the NDP in the forthcoming Ontario provincial election.

Local Tories have scheduled their nomination meeting for tomorrow night but the Liberal party has not been successful in fielding a slate of hopefuls to represent them.

Mr. Derstroff, who challenged Noble Villeneuve and Johnny Whitteker in the recent December by-election, hopes that through his familiarity with the voters he may garner a few extra votes. The election should be an exciting one in the riding, said Mr. Derstroff.

"In the last one both Mr. Villeneuve and myself were new."

"This is going to be an exciting campaign. Our issues and battle plans will be more precise. We'll get right to the heart of it instead of spending time feeling each other out."

"It's going to be a people campaign," he added, "and we're depending on them to get involved."

The small gathering here was addressed by Ottawa Centre MP Michael Cassidy who told party members the recent national success as experienced by the NDP in the general election should be reflected provincially as well.

"Our country may be heading to a two-party system," he said, "but it will be the Conservatives and NDP."

"If you look at what happened in the election," he continued, "it was extraordinary. The Liberals lost 120 seats while we lost only one."

Mr. Cassidy urged party workers to keep up their spirits. "Do not lose heart. Pull together as a riding association."

He cited the bankruptcy of ideas in the 41-year rule of the Tories in Ontario his party says is the political reality, and said the tide of change that swept Canada in September should be reflected in Ontario as well.

Mr. Cassidy advocated a separate ministry for eastern Ontario matters and reminded the audience Cornwall MPP George Samis has been pushing this idea at Queen's Park.

"We feel this part of the province has been continuously ignored. Ontario starts in Coburg and winds up in Niagara Falls according to the Tories."

Riding association president Trevor Tolley said "today outside Quebec the NDP has more seats than the Liberals and we've shown we're a party to be taken seriously."

Mr. Derstroff told the audience his party stands for planned change and security with a reasonable living guaranteed for all Canadians.

"The Tories haven't attempted to tap the savings of the small wage earner," he said. "There are a lot of financial alternatives if you want to look at them."

"They're comfortable because they're in power but they have the attitude that things are alright today and tomorrow will look after itself."

At the local level Mr. Derstroff cited the recent job terminations at the Chesterville Nestle plant as the rule rather than the exception these days.

He stressed municipal financing was an issue that would figure predominantly in the days ahead.

"Rural municipalities are at a great disadvantage," he said.

"We're rapidly falling behind and it is up to the provincial government to offer leadership in this area."

Stepping out at 10 MPH

MORRISBURG (Staff) - With last Sunday's warm temperatures and sunny skies what could be more pleasant than harnessing up the matched team and setting off through the lanes of the St. Lawrence Parks near here in a century old Victoria?

That's what the owners of fourteen rigs, all members of the Eastern Ontario Driving Association, did last Sunday and received beautifully printed certificates from Village agriculture curator Harry Petersma.

With 150 members from such locations as Kingston, Summerstown and Ottawa the 10 year old club boasts many lovely buggies owned by the enthusiastic horse-lovers.

"Most people start out buying a buggy at an auction, restoring it and then find out they need horses to pull it," explained drive chairman Keith Donnelly of Brockville.

Mr. Donnelly pointed out a lovely matched pair of Canadians, the rare breed of horse first discovered as being native to this country. Members of the

Sewers to cost 38% more

WILLIAMSBURG (Staff) - Municipal council announced Saturday it has approached provincial environment minister Andy Brandt for 85 per cent funding of cost overuns on the police village's sewage project.

In a meeting last week in Cornwall and a letter to the minister, the township points out costs of the project have risen 38.27 per cent above the original estimate. That amounts to $465,865 and brings total cost to $1,683,005.

Council expressed its concerns on the possible impact such costs would have if they were to be borne by township taxpayers alone.

At this point, the letter notes, the township is already faced with major capital costs of close to $200,000 for purchase of a fire pumper and a backbone.

Reeve Johnnie Whitteker said requests of this nature are usually for 75 per cent of cost overuns but council feels the responsibility rests on the minister's shoulders.

The ministry, he noted, delayed work on the project for a year by requiring an environmental assessment even though work had begun before the law was passed making such assessments mandatory.

To date, Mr. Brandt has given no official reply, Mr. Whitteker said.

Meanwhile, clerk-treasurer Mike Waddell told Saturday's session of council that 1984 work on the sewage project was about a week ahead of schedule and should be completed about Oct. 20.

The dry weather is the major factor in the work being done faster than expected, Mr. Waddell said.

He also noted a sewage pump will be required to move waste from the new firehall to the main sewage system. The pipe from the firehall will have to go under a creek and rise up to hook onto the street sewers, he said.

A system with a septic holding tank, pump and level controls was estimated to cost about $1,000.

Rent help available

FINCH (Staff) - For senior citizens requiring financial assistance to rent one of the 26 units beings constructed in the complex for seniors on Nelson Street here the province will provide rent reduction grants.

As reported in The Record in last week's issue, the municipality and the province together are financing a senior citizens' residence here. With 21 one-bedroom units and five two-bedroom units plans also call for one apartment for handicapped tenants.

Under the provincial Ministry of Housing's non-profit housing program a federal rent reduction grant from Canada Mortgage and Housing Corporation reduces the effective interest rate on loans from private lending institutions to two per cent. When required, the province offers an additional rent reduction grant of up to 100 per cent of the federal assistance.

These rent reduction grants are used to maintain overall rents at market levels and to subsidize rent-geared-to-income units. If additional funds are required they can be shared on a 50:50 ration between the federal and provincial governments.

Up to 50 per cent of the occupants in senior citizens buildings pay rent based generally on incomes. The remainder of the tenants pay market rents.

Newsbriefs . . .

Apple Days in village

(Staff) - Scouts in Chesterville are holding an apple day on both Friday and Saturday this week. Let's get out and support them because the only funding they receive is what they are able to earn themselves from this and similar endeavors.

SD&G Tories meet Oct. 11

AVONMORE (Staff) - The Stormont, Dundas and Glengarry Progressive Conservative Association is holding a nominating convention to elect the candidate for the forthcoming provincial election. The meeting will be held at Avonmore Community Hall and commences at 8pm. Guest speaker is Keith Norton, MLA, Minister of Health.

50-50 winner

(Staff) - The winner of the Firemen's 50-50 draw was Brad Ferguson, Ottawa.

Winter preparations at UCV

MORRISBURG (Staff) - October 13 and 14 are the dates to watch for if you're interested in quilting and mattress stuffing and other domestic preparations for winter 19th century style. Upper Canada Village is the location. The Village closes for the season on Thanksgiving Day, Monday, October 15.

UCO restructures

(Staff) - United Co-operatives of Ontario has announced from head office in Mississauga that the firm has filed a Plan of Arrangement with the Supreme Court of Ontario. This means a first step in the complete re-organization of its business affairs.

Under financial pressure since January of this year, the co-operative's administrators say creditors and customers are protected by the province. The governments of both Canada and Ontario have agreed to make available $7.5 million upon the satisfaction of certain conditions, principally the adoption and implementation by UCO of a comprehensive business plan.

A statement released last week by UCO says that through the Plan of Arrangement unsecured members' debentures aggregation $23,568,447 will be converted into secured term debentures of UCO. The institutional lenders with claims aggregating $76,500,000 will receive secured income debentures; and trade creditors, owed $35 million, will be paid in full within 90 days of court approval or such longer period as the court may allow.

The Surpeme Court of Ontario also placed the UCO in receivership under the jurisdiction of Price Waterhouse.

UCO administrators blame the financial difficultires of the large organization on the expansion of the late 1970's and subsequent soaring interest rates. The Co-op reported its first operating loss in 1981 with losses continuing in 1982 and 1983. As a result almost $20 million of reserves were wiped out. Although the co-op has substantially reduced its operating losses by cutting costs and disposing of non-revenue producing assets it cannot repay its debts which total close to $140 million.

Since August 27 of this year the company has paid all wages and current suppliers are being paid according to their credit terms. Farmers delivering grain and livestock to the Co-op are being protected. Price Waterhouse will continue to supervise the financial operations of the Co-op until the Plan of Arrangement has been implemented. Approximately two-thirds of the Co-op's customers are its own members and company officials are optimistic that their strong support will continue.

Reeve to lead Tories

ROCKLAND (Staff) - A six-hour battle of the ballots last week here produced a candidate to lead the Tories in the 1985 provincial election for the riding of Prescott-Russell.

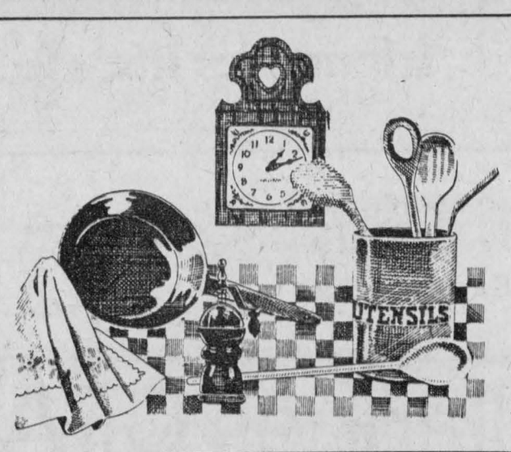
Russell reeve Gaston Patenaude emerged the victor after two rounds of balloting which kept voters at the arena here till 3am Friday.

The first ballot votes announced at 1:15am showed Mr. Patenaude with 1,159 votes and Casselman mayor Guy Genier with a total 759. Others trailed with roughly 400 votes each.

When the second ballot was announced rumors began circulating on the floor that it might be the final vote. The village was beseiged by Tories who arrived in chartered buses from throughout the region, signally the resurgence of the party locally in the wake of the recent Tory sweep nationally. Following the resignation of Liberal incumbent Don Boudria who recently won the federal seat the riding was the scene of an attempted Tory comeback. By Thursday's nomination meeting more than 7,800 members had signed up with the local riding association. This was the culmination of a 10-month long membership drive. The meeting was addressed by keynote speaker provincial attorney-general Roy McMurtry.

Cassidy encourages local NDP'ers

Rudi Derstroff, a Chesterville village councillor, has decided he'll give the provincial political whirl another try. Representing the New Democratic Party, Mr. Derstroff is seeking the seat for the riding of Stormont-Dundas-Glengarry in the upcoming provincial election. -Record Photo-Hanrahan



Deb's Delights

Lunch time at the Record office, as in any other office, is filled with chatter of things that are happening at home, what the kids have been up to, and of course what's for dinner. Most of us are married, so there's a hungry man to feed after a long day's work, some have children, what to get them, plus after a day at work yourself, going home and getting something ready is a thought that is always on a working woman's mind. Donna Rushford, our Advertising Sales Rep., has given me several good recipes, but this one is my favourite. There are few words to describe this dish. Rich and mouth-watering and best of all EASY to put together. I don't know the name of it but when something tastes this good why should it need a name? We'll call it Donna's Delicious Dish. I've had a lot of ladies tell me that they enjoy the column but please ladies, if we are going to keep it going we need some of your favorite recipes. It doesn't take long to jot down a goodie. If you want, just bring your recipe into the office and I'll make a copy of it to save you writing it out. We need more recipes.

DONNA'S DELICIOUS DISH

1 cup uncooked long grain rice
1 can cream of mushroom soup
1 can milk
1 can mushrooms (drained) (You can use fresh)
½ pkg. Lipton onion soup mix
Mix all this in a large casserole.
3-4 chicken breasts, deboned (Your local meat market will usually do this for you if you ask)
Mix together ¼ lb. old cheese (grated)
2 tablespoons flour
2 tablespoons cream (Donna says just use milk)

Put above in chicken breasts and place on top of the other ingredients in the casserole. Sprinkle remainder of onion soup mix on top. Bake at 350 degrees for about 1 hour. Make a white sauce - add mushrooms to white sauce and pour over casserole just before serving.

When I made this recipe I didn't do this last step but Donna did so it's up to you whether you do or not.

This will serve quite a few people. When I made it I used only 2 chicken breasts and fed 4 adults, so maybe you can judge from that.

Unreserved Auction
Sat., Oct. 20, 1984
at 11am
In the Acres Building
Winchester, Ontario
(Watch for signs.)

The undersigned auction company has been commissioned by Ward Mallette Inc. to sell by unreserved auction from the assets of SANROB HOMES the following:

Household: (4) G.E. refrigerators; (4) G.E. electric ranges; (4) G.E. in-counter dishwashers; (4) G.E. washing machines; (4) G.E. dryers; (5) Nutone exhaust fans; 5-piece bedroom suite (box spring with mattress and headboard); (2) night tables; ladies' dresser and mirror; chest of drawers; maroon loveseat; maroon sofa; maroon chair; 2-piece L-shaped couch; sofa and chair; brass serving table; brass/glass coffee table; (2) brass/glass end tables; brass pole lamp; round brass/glass coffee table; (2) oval brass/glass end tables; matching brass lamps; brown chair; blue chair; (2) 5-piece kitchenette sets; overhead wall lamp; wood end table; wood plant holder; pink chair; chrome lights; light brown couch; picture frames; glass stand; brass lamp; glass vase; (2) end tables; miscellaneous chrome chairs; bedspreads; pillows; horizontal blinds; sheer curtains; large quantity of miscellaneous chairs; large assortment of light fixtures; mirrors; pole lamps. Hospital employees receive awards

WINCHESTER (Staff) - John R. McIntosh, Winchester has been appointed to the Hospital Advisory Committee of the Seaway Valley District Health Council.

Hospital awards for service were given during August to: Janice Banford, Cynthia Foss, Nancy Sheldrick and Joan Beckstead, 10 years service; Alma Stewart, 20 years service.

Overall occupancy of the hospital to August of this year was 82.9 per cent, approximately 1.5 per cent higher than last year. The workloads in the various diagnostic units showed a slight decrease in number of tests and examinations for the month of August with the exception of the emergency-outpatient department where the number of units increased from 1598 to 1692 for the month.

Lori Danyliw of Ottawa will join the staff of WDHM November 5 as hospital pharmacist, replacing Mary Whyte, on staff for the past four years.

The public relations committee, headed by Wayne Burns, recommended that the ad hoc laboratory fundraising committee be abolished and that the public relations committee take over the responsibility for future fundraising. The committee also recommended that an ongoing fund-raising approach be established along the lines of the Humber Memorial Hospital system. Both recommendations were approved by the board.

The management and finance committee voted to accept the legacy bequeathed to the hospital by the late Chester Robinson's estate to the amount of $6006.41.

Mrs. C. Manley, director of patient services, has agreed to be the co-ordinator for the hospital's Quality Assurance Program. The committee for the program will consist of: a board representative; a medical staff representative; an administrative representative; other persons for nursing, clinical and support service. Some members of this committee will be Mrs. C. Manley, Miss Lori Danyliw, Miss Janet Cross, Mr. John Gray and Mrs. Jean Holmes.

Euchure winners

FINCH (Special) - The Finch Senior Citizens' held their regular euchre party Oct. 7. Winners were: Ladies' - 1. Edith Waldroff 2. Frances Morrow 3. Catherine McRae. Gents 1. Howard Eamon 2. Hector MacRae 3. Clarence Grant. Ladies skunk - Jean Boa. Gents skunk - Bill Boa. Door Prize - Phyllis Picard. Special prizes 1. Walter Beehler 2. Lloyd Hoope 3. Edith MacPhail 4. Walter Beehler, Ernie Filion.

The next euchre party will be held Oct. 19 at 8pm in the Community Hall.

Handmade harness rare commodity

The handmade harness here belongs to Gordon McNeil, Summerstown. Mr. McNeil made all the tack himself but bemoans the fact that leather and hardware are extremely difficult to come by these days. Almost a lost art, the tricky business of making harness is something he has done for 66 years. -Record Photo-Hanrahan

• Continued from Page 1

club, the Proserpines of Ottawa, are successfully breeding the horses and are making sales across the country. Heritage Village located just outside Calgary made a purchase of two horses just recently.

On Sunday the owners of the rigs with the footmen in period costume drove smartly through the area near the Village attracting many admiring glances from visitors to the site. Harness maker Gordon McNeil, Summerstown, says the art has pretty much died out and he had great difficulty in obtaining the leather and hardware needed for his craft. The rig he drove on Sunday was "bought for my wife's christening in 1921." He has been driving horses and making harness for 66 years. A typical harness with bridle sells for around $300 handmade.

The horses used for the buggies are mainly Morgans, standard breeds and hackneys with some grade horses as well.

Skan Kelso of Prescott said her rig is a T-cart used for American soldiers around 1882 and was purchased in Philadelphia. With a matched pair of standbreds, brother and sister, named Step and Fancy, the rig was smartly turned out and gleamed in the October sun.

The club appeared on a "Regional Contact" program recently and after that several inquiries were made about joining. "Wherever we go we get questions from people who'd like to join," said Mr. Donnelly.

Shan Kelso explained the lure of driving. "It's surprising what you notice when you're only driving 10 miles an hour," she laughed referring to the slow leisurely pace of a bygone age. The club has appeared at Ottawa's Winterlude, sleighbells ringing out merrily through the cold winter air of the capital. Plans are currently being made with Winterlude organizers for the 1985 appearance of the club there.

During the extremely hot weather of July and August there is little done to save the horses who feel uncomfortable in the heat and most of the drives are undertaken in spring and fall.

Last year the club drove up the Long Sault Parkway and plans a drive at Athens next weekend.

To arrive at these diverse destinations the owners trailer their horses in horse-boxes, arranging the buggies in the boxes of their pickup trucks which pull the horse trailers.

"It can be an expensive hobby," admitted Mr. Donnelly. "It depends on how much you want to put into it."

Some of the owners are farmers and other raise horses for a hobby. All share a love of horses, though, and a keen interest in the transportation of the past, restoring their broughams and victorias authentically down to the last detail.

Certificate tells the "tail"

Frank Proserpine, Ottawa, owner of a matched pair of Canadian horses, accepts a scroll specially printed at Upper Canada Village for the event, from agriculture curator Harry Petersma. Brenda Donnelly, Brockville, is also visible in the picture. The rare Canadian horses are being bred by the Proserpine family and are currently sold all over Canada. Calgary's Heritage Village has just ordered two of the horses. Others are raised at Upper Canada Village here.
-Record Photo-Hanrahan

CP Rail to upgrade Winchester subdivision

OTTAWA (Special) - CP Rail has announced the spending of $6.8 million on 1984 capital works projects for its Winchester subdivision. An additional $400,000 is being spent on regular maintenance.

The Winchester subdivision, part of CP Rail's Smiths Falls division, has 334 kilometres (207 miles) or track.

Some of the major capital and maintenance projects on the Winchester subdivision which commenced in early spring and scheduled for completion in late November, include.

- replacement of 38 kilometres (24 miles) of continuous welded rail (CWR) at a cost of $5.7 million;
- a new bridge span near Finch, and other bridge repairs totalling an estimated $577,000;
- replacement of some 14,000 ties at a cost of approximately $455,000;
- surfacing and lining of some 243 kilometres (151 miles) of track at a cost of $115,300.

THE COMMISSION ON PRIVATE SCHOOLS IN ONTARIO REQUESTS SUBMISSIONS

Dr. Bernard Shapiro, the Commissioner inquiring into the role of private schools in the education of children in Ontario has been given the responsibility to:

- document and comment on the contribution of private schools to elementary and secondary education in Ontario;
- identify possible alternative forms of governance for private schools and to make recommendations for changes deemed to be appropriate;
- assess whether public funding, and its attendant obligations, would be desirable and could be compatible with the nature of their independence.
- identify and comment upon existing and possible relationships between private schools and publicly-supported school boards.

No general public hearings are planned. Interested individuals or parties who have information and/or wish to comment on any or all of these issues are however, asked to submit briefs to the commissioner by December 31, 1984. Typed submissions should be sent to:

Neal T. Emery
Executive Secretary
The Commission on
Private Schools in Ontario
Suite 4-299
252 Bloor Street West
Toronto, Ontario
M5S 1V5

Those planning to submit briefs should notify the Commission by October 31, 1984 at the above address, or by phoning (416) 965-7044. All briefs submitted will be considered public information.

OMAF introduces winter work programs for unemployed

TORONTO (Special) - Winter Experience 84-85 will provide more than 200 jobs in the agriculture food sector for unemployed young people between the ages of 15 and 24, Agriculture and Food Minister Dennis Timbrell announced today. The jobs will run from 16 to 24 weeks at a pay rate of $4 per hour.

Timbrell said, "These positions will provide employment experience for young people in the province and at the same time offer assistance to farmers for the many jobs that need doing around the farm in the winter months. They will also provide an invaluable service to consumer groups in urban areas."

There are four programs. New this year is the Winter Agricrew program where 67 positions are available in work groups of two or four. Farmers may hire a crew of two for $50 per day, or a crew of four for $90 per day for a maximum of five days.

Also new are 13 positions for Consumer Information Officers, open to food service management graduates, who will deliver programs in consumer information to schools, church groups and senior citizens in urban centres.

Two programs are being extended. The first, Agricultural Trainees, provides 100 positions for young people to work on farms caring for livestock, repairing machinery, and performing other general farm duties. Farmers will contribute $2 per hour towards the wages.

The second -- Agricultural Project Assistants -- include 25 positions in agricultural colleges, the agricultural museum and the horticultural research stations where duties include pruning, carpentry and clerical services.

Application froms are available from all offices of the Ministry of Agriculture and Food, Canada Employment Centres, Youth Employment Centres, and the Canada Farm Labour Pool.

The application deadline for all programs is October 31, 1984. Applications should be sent to Samuel Finnie, Youth Employment Co-ordinator, Ministry of Agriculture and Food, Guelph Agricultural Centre, P.O. Box 1030, Guelph, Ontario N1H 6N1.

Judge's decision of major concern

WILLIAMSBURG (Staff) - A recent Grey County small claims court decision has township officials here concerned about proper maintenance of fence lines between farm properties.

At township council's regular meeting Saturday morning, clerk-treasurer Mike Waddell presented information from the case in which a judge ruled one farmer isn't responsible for maintaining, the line fence as he stands to reap no benefits from it.

The case was reviewed in the Sept. 28 issue of The Citizen under Roger Appleton's Action Line column.

Mr. Appleton said the fence line law was clear for years until the recent court decision. Neighboring farmers were both responsible to keep half of a boundary line fence in good order no matter if they actually received benefit from its maintenance.

The new decision is a complete turn-around from the old system and may have serious implications for areas where hobby farmers or recreational landowners border active farms, Mr. Appleton contends.

Mr. Waddell told council such a decision could result in dairy farmers paying 100 per cent of fence maintenance on a border with a cash-crop farm.

In such a case, Reeve Johnnie Whitteker noted, a cash-cropper could wait until the fence is erected and then switch to cattle farming.

Mr. Waddell said he brought the information to council in view of proposed changes to the provincial Line Fence Act.

Subsidize culvert

WILLIAMSBURG (Staff) - Municipal council agreed Saturday to subsidize half the cost of a 30-foot culvert to drain stagnant water that contaminated one resident's well for 2½ months last spring.

Private contractor Roger Symons told council the gravel road near his home east of Grantley has been built up to a point there is no ditch left to handle excess water.

The result is a 12-inch buildup of water on his front lawn.

"The first thing you know, I have no well," Mr. Symons said. "I had no well for 2½ months last spring."

He suggested the ditch be cleared for 200 feet to the crest of a hill east of his home where the water would be taken downhill by gravity.

Councillor Glen Cunningham said a culvert would also be necessary underneath the wide driveway Mr. Symons uses for his equipment. He said council would be willing to split the cost of the culvert and have the road crew clean the ditch if Mr. Symons would install the culvert himself.

Roads' superintendent Hugh Garlough said 15-inch pipe would be adequate and costs between $4 and $4.50 per foot and he was to meet with Mr. Symons yesterday morning (Tuesday) to examine the area more closely.

Mr. Symons also asked for help to get access to a field he owns. When a municipal drain was installed the access bridge was removed and never replaced, he said.

This problem isn't a municipal responsibility, Reeve Johnnie Whitteker told Mr. Symons. The former owner of the land declined to have the bridge replaced when the work was being done, Mr. Whitteker noted.

"When the farm changes hands we don't go back to do the work," he commented.

Mr. Garlough said there was four-foot pipe at the township garage that could be sold to Mr. Symons and he could build an access bridge over it.

In Memoriams

IN MEMORIAM

RUPERT — In loving memory of a dear sister Nellie, who passed away Oct. 9, 1978.

Nothing can ever take away
The love our hearts hold dear.
Fond memories linger everyday
We miss her more each year.

Sisters, Helen, Bessie,
Myrtle and Brother, Ralph.
7-1

IN MEMORIAM

PRINCE — In loving memory of a dear husband and father, Stanley, who passed away Oct, 8, 1981.

We watched you suffer,
We heard you sigh,
And all we could do
Was just stand by.
For when the time came
We suffered too,
For you never deserved,
What you went through.
God took your hand,
And we had to part,
He eased your pain,
But it broke our hearts.
Although we smile and seem carefree
Nobody misses you more than the family.

Lovingly remembered by,
Wife Betty,
Daughters Penny, Janice,
Son, Steven.

Honey's at its best

(NC) — *Honey fact: Do you know it takes 80,000 bees to make one pound of honey?*

This is only one of the interesting things you can discover by visiting your local beekeeper.

And now is extraction time!

That means the beekeepers are extracting the honey from the hives. So now is the time to make your annual visit — while this year's crop is at its freshest.

Just stop by any roadside stand for some of the tastiest honey you've ever spread on your morning toast. Or, use it for cooking, baking or jam-making.

Ontario honey is a 100 per cent pure and natural food. It contains only 62 calories per tablespoon and contains small amounts of phosphorus, iron, riboflavin and vitamin C. In short, it's good for you!

Any beekeeper will be more than happy to show their operation to you and your family. It's bound to be an interesting and educational visit, and while you're there you'll be able to purchase a tasty momento of your outing.

Honey Cinnamon Butter

For a delicious spread on hot toast: mix together ½ cup butter, ¼ cup honey and ½ tsp. cinnamon.

For more information on honey and the beekeepers nearest you contact: The Ontario Beekeepers Association, R.R. #2, Hensall, Ont. N0M 1X0.

Four generations are present in this gathering of the Paauw family of Finch. Thomas Paauw, born August 27, is the newest member of the family and made the fourth generation. In the photo are great-grandfather Cornelius, grandfather Thomas, father Thomas and baby Thomas. -Special Photo-

The Corporation of the Village of Chesterville

NOTICE OF PUBLIC MEETING

CONCERNING PROPOSED AMENDMENTS TO THE NORTH DUNDAS OFFICIAL PLAN AND ZONING BY-LAW

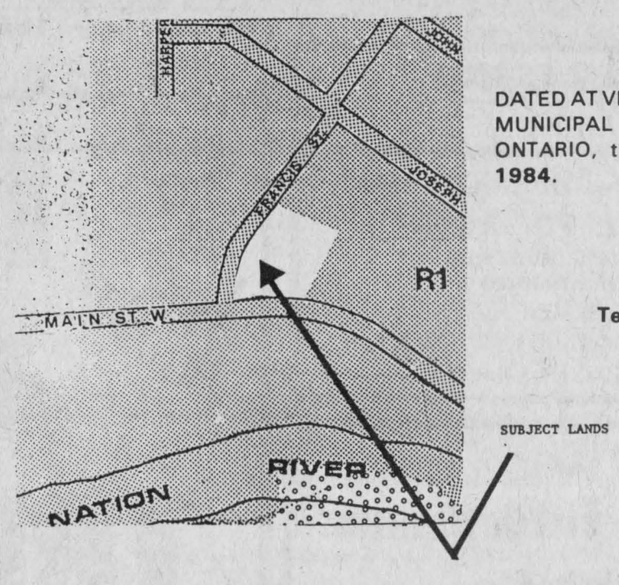
TAKE NOTICE that the Council of the Corporation of the Village of Chesterville will hold a public meeting on **Monday, the 19th day of November, 1984** in the Council Chambers of the Municipal Building in Chesterville to consider the following items pursuant to Section 17 and 34 of the Planning Act, 1983:

Item 1:
The proposed Official Plan amendment would change the designation of a parcel of land described as part of Lot 94, Block A, situated on the north side of the Nation River (NSNR), Village of Chesterville, from "Residential - special exception" to "Residential". The subject lands comprise approximately 0.2 hectares (0.45 acres).

Item 2:
The proposed zoning by-law amendment would change the zone category in By-law #6-76 on the above-mentioned lands from Residential - special exemption (R2-2) to Residential Second Density (R-2) to permit the range of uses normally associated with the R-2 zone classification to be permitted uses.

ANY PERSON may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Official Plan and/or zoning by-law amendments.

ADDITIONAL INFORMATION relating to the proposed Official Plan and Zoning By-law amendments is available for inspection between **9:00am** and **5:00pm** at the **Municipal Office** in the **Village of Chesterville.**



DATED AT VILLAGE OF CHESTERVILLE MUNICIPAL OFFICE, CHESTERVILLE, ONTARIO, this **9th day of October, 1984.**

WMS one hundred years old

The Women's Missionary Society, Ingleside recently celebrated its centenary. From left to right: Mrs. Frank Stewart, president; guest speaker, Mrs. Maud Fitzsimons and Mrs. Ernest A. Naidow, Secretary. Photo-A. Mullin

UCW hears former minister

(Special) - Mrs. Daphne Craig of South Gloucester, Ottawa a former school teacher and United church minister, was the guest speaker at the thankoffering meeting on Thurs., Oct. 4.

Mrs. Craig thanked the committee for having invited her, as she enjoys meeting people and speaking at gatherings. She opened her talk by reading 2nd Ephesians (V-20-22). She then told about having attended a General Council at Morden, Manitoba in July which had as its theme "Christ's Kingdom being built".

Mrs. Craig was introduced by Charlotte Craig and thanked, along with a small gift, by Helen Wells.

The meeting was opened by president Gladys Smith who welcomed the guests from Winchester, Morewood, Christian Fellowship, St. Mary's, Presbyterian and Trinity churches. After singing a Thanksgiving hymn with Elsie Graham as pianist Gladys thanked the decorating committee and read an autumn poem. The announcements were as follows: The Nov. 1 meeting will be joint with a speaker. Morewood bazaar will be held on Nov. 3 with luncheon. Trinity bazaar will be held on Nov. 10. All crafts should be brought to the Nov. meeting.

Doris Hitsman, Ruby Miltimore and Gail Holmes presented the devotions. At this time we thoroughly enjoyed a solo by Tracy McMillan, one of our younger vocalists. She was accompanied by Elsie Graham.

Doris Hitsman gave a reading "Thankfulness a Habit".

Offering was received by Addie Campderros and Hilda Dillabough. After singing "Count your Blessings" Ruby Miltimore led a prayer in unison.

Rev. Ferguson closed with a short prayer and a delicious lunch was served and a social time spent.

Thank You . . .

The Irven Family thank-you with sincere thanks for all the lovely gifts, cards and support at our 25th anniversary party. It will always be remembered. Special thanks to Brenda and Brian Waddell, Bert and Marie Barkley for making it possible and everyone else that helped to make it such a success. Thanks also to Wendell Harper for taking the family pictures.

Donnie, Marlene, Lisa, Billy Irven.

Council approves conversion

WILLIAMSBURG (Staff) - A man who has converted his trailer into an immobile home will be allowed to buy 75 acres of land after producing an insurance policy declaring the structure to be a house.

Lee Markell told Saturday's regular session of township council that he wishes to buy the west quarter of Lot 7 and east half of Lot 8 on the Third Concession but the zoning bylaw prevents a trailer dweller to do more than lease the property its on.

However, Mr. Markell noted, he has rebuilt the trailer from the inside, dug a full basement, changed all windows and doors and built an addition.

Two weeks ago, he added, his insurance policy was changed from coverage of a trailer to a house.

"They changed their view on it and would you change your view on it?" Mr. Markell asked.

"You've converted a trailer to a house and I don't think you'll have any objections," said Reeve Johnnie Whitteker.

He asked that a copy of the insurance policy be presented at municipal offices and indicated council wouldn't object to the sale of the land.

Firehall opening

WILLIAMSBURG (Staff) - The new township firehall on Park Lane here gets its christening Oct. 27 with opening ceremonies, a wine and cheese and a latenight dance.

Fire Chief Lyal Kehoe said guests from the Ontario Fire Marshall's, Office, local municipal officials and federal and provincial members-of-parliament, Norm Warner and Noble Villeneuve will be invited to participate in the day's activities with township officials and residents.

The official opening takes place at 4pm with the wine and cheese following. From 9pm to 1am the local talent of the Country Comrades will be featured.

RECORD Sports

Soccer champions

The 1984 Dundas County Senior Elementary girls soccer championship went to the girls from Maple Ridge who won all four games at the county tournament last Thursday in Morrisburg. Front (L to R) Janet McHugh, Jenny Sommerholder, Marcie McClatchie, Jodie Steele, Rhiannon Reid, Ruth Von Gunten, Debbie Fling, Stacey Berry. Back (L to R) Deborah Lowry, Laurie Whitteker, Brenda Harper, Jennifer Durant, Martha Link, Tina Pepin, Tania Lobb, coach - Pauline Whittaker. -Photo-Van Bridger

Ruth Von Gunten (No. 10) and Brenda Harper (No. 22) of the Maple Ridge seniors close in to check this Nationview Public School attacker during the final game of the Dundas County senior girls championship tournament in Morrisburg last week. Von Gunten scored the winning goal in Maple Ridge 1-0 win over Nationview. Harper had two goals against Morrisburg. -Photo-Van Bridger

Chesterville Jr. C Flyers have been going through their 1984-85 training camp in Winchester for the last two weeks and have played an exhibition game in Russell with the Jr. C Lions. Chesterville will host the Lions in Winchester in a preseason match Wed., Oct. 10 at 9:00pm. Assistant coach Peter Guy, left, and rookie hopefuls Ken Byers, Kevin Byers, Damien LaFlamme, along with head coach Mike Armstrong, feel the Flyers will ice a contender this year. -Photo-Van Bridger

Icing a contender

Veteran Chesterville Junior Flyers goalie Kenton Holmes makes a sliding save on an attacking forward during last week's Green-White game in Winchester. After a slow start the Green squad had pulled into a 3-3 tie after two periods. -Photo-Van Bridger

Seniors make playoffs

MAPLE RIDGE (Staff) - Today at 2:15pm, the third place North Dundas District High School senior boys soccer team will meet the first place St. Lawrence squad in a sudden death semi-final match in Cornwall.

The Junior Boys team did not fare as lucky, missing out on post-season play by a single point.

Although the North Dundas seniors did not play St. Lawrence in the regular season, coach Blake Taylor said the chances of a win are good, but that the team will miss Hugh Craig who is out of action due to an injury.

The winner of the North Dundas-St. Lawrence game will meet either Glengarry or Tagwi in the finals next week.

Finch Midget girls beat Williamsburg for the ODMSL midget title this summer. The team was congratulated at last Friday's Finch Awards Night at the Finch area. The champions are, bottom row, left to right, Lana Shaver, Wendy Shaver, Kelly Morris, Cindy Schwartz and Lisa Rombough. Back row, left to right are Vicky Shaver, Kelly Shaver, Joanne Sproul, Tracey Hollingdrake, Sherry Lalonde, Tina Chamberlain and coach Clayton Shaver.

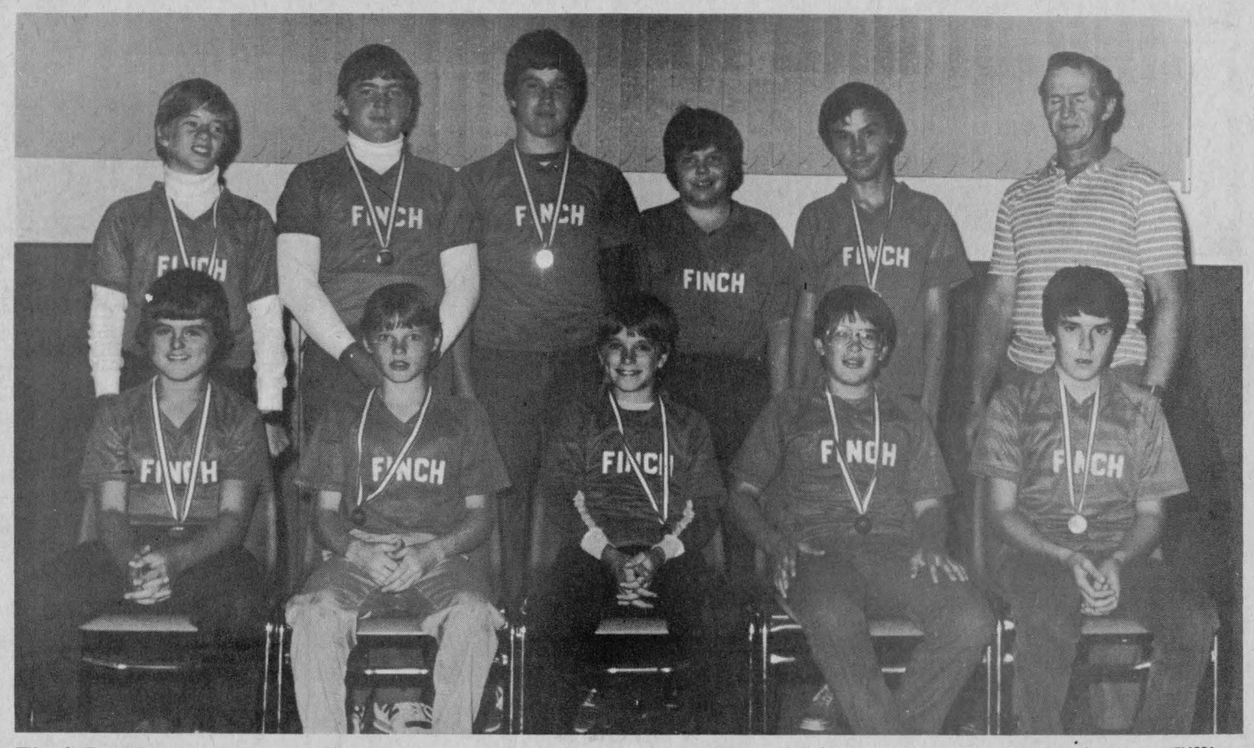
Rod and Gun Club meets

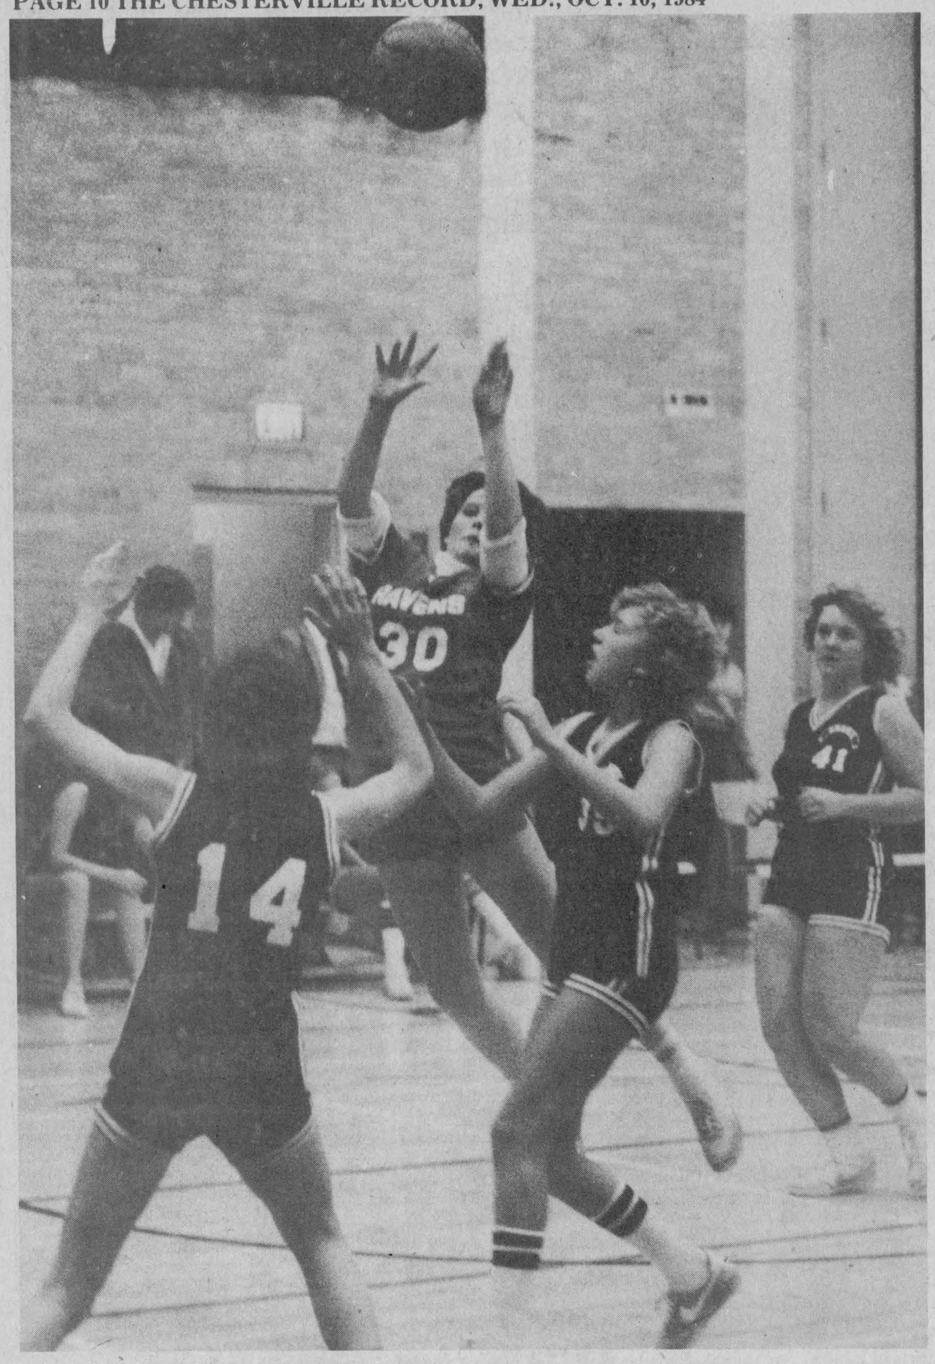
(Staff) - The Connaught Rod and Gun club held their monthly meeting Thurs. night Oct. 4. There was a discussion on updating the present amendments and bylaws and also re-evaluating the game and fish prize list.

Also discussed was the upcoming rifle shoot which is to be held Sunday, Oct. 14 starting at noon.

There are also plans for an upcoming rabbit shoot and barbecue to be held late November or early December with the possibility of grouse to be added to spice up the rabbit shoot.



Finch PeeWee B winners at the recent awards night at Finch arena are, sitting, left to right Jason Flanagan, Mike Stewart, Bobby Vannasse, Larry Shaver and Ian Sullivan. Standing, left to right, are Greg Hanna, Chad Brownlee, Bobby Van Delst, Guy Quesnel, Dean Gillies and coach Ozzie Shaver. Missing are Jamie Robertson and Richard Bonin.



Wanda MacDonald (No. 30) of the Bishop McDonell Ravens, surrounded by North Dundas Devils Linda Hamelin (No. 14), Kerry Lynn Thompson (No. 35) and Laurie Buske (No. 41) had no option but to shoot on this fourth quarter play. North Dundas defeated the Ravens 35-23 to win their first game in three starts.
-Photo-Van Bridger

Tagwi girls dominate again

AVONMORE (Staff) - Tagwi junior and senior girls basketball teams continue to dominate their league, chalking up impressive win over Glengarry girls in the Tagwi gym, last Thursday. The junior girls scored an overwhelming 65-20 win, while the senior girls more than doubled the Glengarry gals, 54-25.

In the Junior game it was the Heidi and Judy show, with Heidi Hollingdrake netting 33 points, while team mate Judy Bender tossed in 23 in the winning cause.

Tagwi jumped to a commanding 17-4 lead in the first quarter and then stretched that to 31-12 by the half. Even with such a lead the Tagwi girls didn't let up, outscoring the visitors 16-4 in the third quarter and 18-4 in the final frame. The last half was Hollingdrake's best. She scored nine points in the third quarter and 12 in the last quarter with her strong rebounding and accurate short shooting.

A 13-point second-half by Kelly Conroy, coupled with seven first-half points for a total of 20, help give Tagwi senior girls their 54-25 win over Glengarry.

Chipping in 16 points for the winners was Tracey Hollingdrake, while Joanne Sproul had eight points, Wendy Shaver six, and Michelle Ouimet four.

Although Tagwi jumped into an 8-2 lead in the first quarter, Glengarry came back strong in the second quarter to outscore their hosts 11-10, to leave them trailing 18-13 at the half.

Tagwi, led by Kelly Conroy's eight points and another six from Joanne Sproul, almost shut the Glengarry seniors out in their third quarter, however, outscoring them 22 to 2 and jumping to a 40-15 lead. The Tagwi ball hawks eased up a bit in the last quarter, allowing Glengarry 10 points, while they increased their lead with 14 of their own to finalize the scoring at 54-25.

Tracey McVey leads Blue Devils to win

MAPLE RIDGE (Staff) - The North Dundas District High School junior girls basketball team, led by Tracie McVey, won their first game of the season against Bishop MacDonell 35-23 here last Thursday.

Tracie McVey helped the Junior Devils secure their first victory by scoring 14 points, placing the team record at one win and two losses.

The coach of the girls, Mr. Bowen, said that the whole team played well and it was nice to get a win.

The Blue Devils had a very strong start, outscoring the Bishop MacDonell team 12-3 in the first quarter, and 10-6 in the second, to go to the dressing room at the half with a 22-9 lead.

In the second half of the game, the juniors were outscored 14-13, but were able to hold on and notch their first win 35-23.

Along with Tracie McVey's 14 points, Jenny Lamb netted 9, Beth Van Vlaanderen connected for 6, and Kerry-Lynn Thompson, Inge Matthieson, and Linda Hamelin rounded out the scoring with two points each.

The Junior Devils' next game will be played this Friday (Oct. 12) at Seaway District High School.

Jr. Boys end season with loss and tie

CORNWALL (Staff) - The future of the North Dundas District High School's Junior Boys soccer team is undecided as their 1984 SD&G regular season concluded with a 4-1 loss to La Citadelle Patriotes in the first game, and a 1-1 tie in the second against CCVS Golden Raiders at La Citadelle in Cornwall last Friday.

Coach Phil Plumb was uncertain as to whether or not his team's record was good enough to qualify them for the semi-finals becuase final results from all games played in the regular season were not yet available.

In the first game, Kevin Byers knocked in the only goal for the Blue Devils in their 4-1 loss. The coach for North Dundas stated that his team played well, but La Citadelle players were superior and romped all over them.

"Dan Gibson played a brilliant game in goal (for the Devils) by keeping the score at 4-1 instead of 6-1 or 8-1", he said.

In the second game, Chris Fraser's shot was the only one to penetrate the CCVS net.

Chris Fraser, Ken and Kevin Byers, J.D. Van Noy, Mark McKinley, Sam Gibson and goalie Dan Gilson all had a good day on the field.

AN IMPORTANT MESSAGE
TO EVERY HOUSEHOLDER AND BUSINESS!

FOR SAFE, CLEAN DEPENDABLE HOME HEATING

Current publicity on the future availability of oil supplies and the rapid increase in the price of all forms of energy have left many people confused. The news media has been less than sympathetic to the local home heating oil distributors because we are the most visible members of the oil industry. We have been wrongly linked with the major oil companies profit statements and have had to take the brunt of much criticism.

It is no wonder our customers are considered ripe for the picking by electric and gas utilities. We consider it our duty to inform the public and especially our customers about the realities of the energy situation.

If you are considering a change to natural gas or electric heat, weigh these facts carefully before you make a decision.

AVAILABILITY

Let's face it ... supplies of all fuels are being severely taxed. The only certain solution to the problem is conservation. That means we have to cut our consumption. Call us and we'll show you how this can be achieved.

Oil heated homes have an extra measure of security in that oil is the only flexible source of energy supply. Heating oil is sold by many different refineries and is shipped and delivered using a variety of transportational modes such as trucks, ships, pipeline and so on. Natural gas depends on a single pipeline stretching thousands of miles across the country. If a serious accident occurs on this pipeline, the entire supply to Eastern Canada might be abruptly cut off.

Consider that in April, 1980 an explosion and fire at the main compressor station in Alberta cut the gas supply to eastern Canada that all industries and small commercial establishments had to be cut off. Fortunately it was not during the winter months.

Another period of extremely cold weather between December 15, 1980 and January 15, 1981 caused the cut off of natural gas to all industries and commercial establishments so that homes would not be cut off. During such extreme cold periods alternate fuels such as No. 2 furnace oil or bunker oil must be used.

Only with oil do you own your own energy supply stored on your premises, independent of decisions made by large, impersonal, inaccessible utilites.

More new finds and new technology to get more out of current sources means there is a plentiful supply of oil to last us beyond the end of the century. And the more we conserve, the longer the supply will last.

Why are oil prices so high? To be perfectly honest...the price of all energy is climbing at an unprecedented rate. The days of cheap energy are over...at least for this century. Oil has drawn the greatest media attention because of world conditions and pressures. The fact of the matter is that prices for both gas and electricity are also surging.

At present, the government sets the price of natural gas at a somewhat lower price than oil. But when the so-called gas "bubble" has burst, new sophisticated and expensive recovery techniques will have to be employed to retrieve available gas supplies and discover new ones. When this happens the gas industry will be forced to increase their prices accordingly.

Today a new gas furnace can cost you from $800.00 to $1,000.00. The new more efficient furnaces coming on the market will cost approximately $2,200.00. Also the price of natural gas is going up as evidenced by recent rate increases and requests by the utilities for further hikes. We ask you...what do you gain by conversion? You probably won't even be able to recoup your investment through the expected savings.

Instead of considering conversion...think conservation. Cut your fuel consumption and keep a handle on your energy budget. Today we have the energy and technology to cut your fuel consumption as much as 40 per cent and still maintain your comfort levels. What to do to cut fuel consumption? ... use common sense. Practice conservation. Contact us...we have the responsibility to see that your home is kept comfortable at the lowest possible cost. Why, you ask? because if we don't...someone else will and we'll lose you as a customer.

Finally, keep your thermostat set at the recommended conservation levels and set it even lower if no one is going to be at home. This can be done by installing a set-back clock thermostat.

Let's fact it...all forms of energy are going to cost more as our supplies are depleted. Changing from one source of energy to another is not the answer to your fuel and cost problems...Conservation...using less fuel is.

Your fuel distributor...like you...is a concerned citizen. He knows the future lies in becoming less dependent on unstable, unsure energy sources. Let him help you save. He has the experience, equipment and knowledge to ensure you get the greatest value for your energy dollar.

You can be assured he will give you the best advice because it's in his best interest to keep you as a customer even if you do wind up buying less oil as a result of conservation measures.

If you have any questions you would like to ask, do not hesitate to call, and we'll only to too glad to discuss the whole matter of energy and costs with you. We feel we can help you to better understand the energy situation as it exists today so you may be better equipped with all the facts when assessing the pros and cons of converting to another fuel.

Studies show that oil is almost 80 per cent efficient...highest of all the fuels, including natural gas which has an efficiency rate of 61 per cent.

The latest standards of efficiency according to the Canadian Standards Association (C.S.A.) require an oil furnace to have an efficiency rate in excess of 80 per cent in order to maintain a steady 80 percent. Standards for natural gas however are set at only 75 per cent efficiency.

Chesterville's Mike Harper skates away from a Brockville Tiki player during an Eastern Ontario Junior B exhibition game last Wednesday in Brockville. Harper had a goal and one assist in the Winchester Hawks 8-7 loss and picked-up another assist in Sunday's 10-7 win over Brockville Sunday in Winchester. Harper, line mates Gerrold Boulanger and Kirk Barkley and several other Chesterville Flyer minor hockey products are figuring in the Junior B Hawks plans this season.
Photo-Van Bridger

Kirk Barkley (no. 4 on helmet; tried to poke the puck into the open net on this play during an Eastern Ontario Junior B exhibition game last Wednesday in Brockville. The Tikis defeated the Winchester Hawks 8-7. Barkley is one of seven Chesterville Minor hockey association graduates with the Alex English Division Junior B Hawks. Barkley has three goals and one assist in two pre-season matches. He and the Hawks downed Brockville 10-7 in Winchester on Sunday.
Photo-Van Bridger

A Chesterville flavor

WINCHESTER (Staff) - Winchester Junior B Hawks will have a decided Chesterville flavor this season, as it is expected five grads from the local minor hockey sytem will earn berths with them this season.

Returning to the Hawks will be second year defenceman Vince Cousineau, along with second year winger Mark Smith, and third year veteran Terry Barkley.

The line of Mike Harper, Gerrold Boulanger and Kirk Barkley, which led the Chesterville Midgets to the Eastern Ontario championship last year, has been playing as a unit for the Hawks this season and has figured strongly in their scoring in their five exhibition games.

UEL hosts annual banquet

WILLIAMSTOWN (Special) - The 6th annual charter night banquet of the St. Lawrence Branch of the United Empire Loyalists Association of Canada was held Saturday, September 29, at the Civic Centre, Williamstown. About 180 attended the banquet and danced to the music of "The Brigadoons" many in bi-centennial costume, to celebrate the 200th anniversary of the arrival of the loyalists to Ontario.

Mr. Andy Buchan piped in the head table guests and executive, followed by a toast to Her Majesty and singing of "God Save the Queen." Flag bearer, John Gordier of Ottawa, carried in the loyalist flag, followed by the singing of the loyalist hymn.

After a delicious roast beef dinner, president Mrs. Mildred Leitch introduced the guests and executive. Mr. Ewen MacDonald, reeve of Charlottenburgh, brought greetings and then Mr. Archibald MacDonell welcomed everyone to Williamstown, celebrating its 200th anniversary.

Norman Warner, M.P., U.E., newly elected to parliament, brought greetings followed by words of welcome from Mr. Lyall Manson, president of SD&G Historical Society. Mrs. Owen Smith, newly elected dominion president of the UEL Association of Canada, and said she was looking forward to the annual convention to be held in Cornwall June 1985.

First vice president Brig. Gen. William J. Patterson, talked about the queen's visit to Fairfield House at Amherstview, informing the group that Mrs. Smith had been presented to the Queen, who in turn presented Queen Elizabeth a copy of "Loyal She Remains," on behalf of the loyalists. Mr. Patterson conducted the royal couple on a tour of Fairfield House. He also informed us that the St. Lawrence Branch should be proud as Ontario's bicentennial gift to the Queen is a memorial garden at Upper Canada Village.

Mr. Patterson then presented a gift to Miss Dorothy Meek of Toronto who was one of those people instrumental in getting the KRRNY history reprinted.

Mr. Gerry Rogers, president of heritage branch, Montreal, informed the gathering that he was proposing to have another bus trip to the Mohawk Valley if enough people are interested. He also said he had attended Williamstown's anniversary celebrations and the Casselman reunion - 1984, and was quite impressed with both events.

Miss Lynne O'Brien, of Morrisburg, genealogist, along with the help of the dominion president, Gwen Smith, presented certificates of membership to the following - Inda Beckstead and her 3 children, Ruth Styles, Harry and Glen Beckstead; Rev. Donald Casselman; David, Elwin and John B. Hickey; William A. Britton; Murray and Ronald Neville; Ruth Neville Plumley; Mary Casselman Smart and her uncle John David Casselman; Enid Simzer; Vivien Barclay Reddick; James Sangster, and 2 local brothers - John and Earle Sandilands. Earle was completely surprised as his wife had submitted his aplication and both Earle and his brother were kept in the dark.

Certificates will be sent to those who were unable to attend; Frank Landon, Prescott; Ellery Crowder, Inkerman; Janet Fitzpatrick, Williamstown; Alton Casselman, Morrisburg; Agnes Casselman Jackson, Manitoba; Clair Algire, Williamsburg; Barbara Latourell, Smiths Falls; Patricia Renton, Michigan; Lorna Hawn Tryon, Bracebridge; Jane Myers Green, her children Colin and Leslie, her brother John A. Myers and his daughter Katherine Myers, British Columbia.

Second vice president Mabel McLean extended the appreciation of the branch to Mrs. Donald Ross and staff for the excellent supper, and thanks to president Leitch for all her work in arranging the banquet.

Mrs. Leitch reminded everyone of the annual meeting, Sunday, October 21 at the Lions Club Hall, Winchester, followed by the annual pot luck supper.

Chaplain Mrs. Violet Hare of Iroquois conducted a short In Memoriam for the late Roy Shaver and late Mary Cameron who passed away this summer.

Mr. Lyall Manson left the gathering and then Mr. "Charlie Farqurnson" appeared on the scene for a brief lesson on loyalist history.

The evening concluded with dancing to the music of "The Brigadoons."

Who says life begins at 40?

An 80th birthday party for Annie Hay, Russell, was held Sunday at the home of her daughter, Mary Anne Doyle, Finch. The former Annie Barkley, sister of George Barkley, attended school in Chesterville. She has six daughters and 14 grandchildren. Her sister, Ella O'Brien, is seated at left. Mrs. O'Brien celebrated her 90th birthday in August. Mrs. Hay is seated in the middle of the photo and at the right is another sister, Jennie Baker was was 88 in September. Mrs. O'Brien lives at Ottawa and Mrs. Baker is an Ogdensburg, N.Y. resident.

The Editor's Notebook

Leadership surprise

Bill Davis fooled us. Instead of writing editorial comment about the provincial election most of us thought we would be plunged into this minute we have been confounded and instead are mentally computing the numbers of candidates who would very much like to step into the soon-to-be-former Premier's job.

While we thought we'd be hard at work on the election trail again after a brief respite from such reportorial tasks we are now anticipating nothing of the kind.

Why did the image of solidity and control in this most populous province decide to ease out of the job? When will the leadership convention be scheduled? When will the next provincial election be held? We shift the political scenario as it relates to Ontario into 1985 and the woes of winter politicking amid the ice and storms.

Was Bill bore? Fed-up? Tired? If the motive was personal we shall probably never really know what was going on in his mind. He does not appear to have groomed a successor to the crown. To be king of Ontario is a plum among the provincial brotherhood of politicians. Just watch them straining at the lesh now, grasping at the power.

Larry Grossman wants the job. So do Alan Pope, Dennis Timbrell, Roy McMurty. Don't disregard Bette Stephenson either. That's just for starters. Leadership hopefuls are going to be crawling out of the woodwork, making deals and collecting favors in the in-fighting that will eventually produce the new leader. Tory leaders in Ontario generally get to stay around for a long time too, so the face chosen in January will become familiar to everyone for a long time to come.

Now that the master has thrown out the bone let's watch them all fight for it. May the best man or woman win. - **Alvah Hanrahan** -

Record prediction

We admit we were surprised as most of our media colleagues about Premier Bill Davis' announced retirement. But may we point out, modestly of course, that we were right about the outcome of the Tory nomination meeting in Cornwall riding. A few weeks ago we predicted in this column that Fern Guindon would emerge as the standard bearer. We heard through the jungle telegraph that some of our colleagues at the senior news-gathering organization in the area were confounded by this prediction, because at that time Mr. Guindon had not yet announced he would seek the nomination.

One local non-story we wouldn't dream of commenting on is the Liberal candidate for the riding of Stormont-Dundas-Glengarry. There isn't one and we understand local organizers can't dig one up anywhere. There's talk of parachuting in someone from Toronto. Aren't there any likely candidates around here who'd like to pitch in their bit for the democratic process?

NDP'er Rudi Derstroff is to be commended for running locally although he knows he cannot win. Nevertheless he said he believes in democracy and in participation. Come on you Liberals, we can't keep up our record of successful predictions if no one's willing to contests the seat. - **Alvah Hanrahan**

Unfair tax law

Section 31 of the Income Tax Act of Canada needs overhauling badly. Section 31 was established in 1951 and everyone you talk to has a different notion of the original intent. By restricting part-time farmers to only $5,000 in losses today's beginning farmer with his astronomical start-up costs is handicapped from the start.

Does the Department of Revenue want the family farm to continue and prosper?

The signs say "no".

The truth of the matter, many farmers are convinced, is that the urban types at Revenue Canada realize they gain more income from taxation of income of someone works off the farm rather than working the land. Hence, in the blinkered, unconscionable way of bureaucrats unacquainted with country life the idea is to squeeze everything they can out of the taxpayer.

If farmers, because of their slim profits and huge debts and overhead pay less in tax than someone working in a factory or office, then get him off the farm and into the salaried workplace.

The trouble with these characters defining the country's approach to tax collection is that they haven't got it all together in their minds.

Agriculture as practised on the family farm is efficient and individual farmers watch every cent, obtaining the most leanest operation they possibly can. Food prices stay low. When competition is decreased by more and more family farmers going out of business the big conglomerates tend to cause prices to spiral upwards, monopolizing, as they do, the production chain from seed to finished product. Prices rise.

What the Ontario Federation of Agriculture is proposing to replace the present statue with is being questioned by many farmers. They say replacing the current clauses of Section 31 by an arbitrary formula is worse than the status quo.

If this is indeed the case local farmers and others all across the country will have to act soon to ensure their interests are not jeopardized for another thirty years. - **Alvah Hanrahan** -

Chesterville's past

24

From The Record, Thurs., Oct. 30, 1924

Saturday night sometime before midnight the fruit cellar of Mr. George Barkley on Joseph street was raided by a thief with a penchant for preserves and pickles and Barkley's winter stores. One who was apparently well acquainted with the conditions removed the screen from the cellar window and is believed to have put a young lad in or been small enough to crawl through himself. Other cellar windows are said to have been tampered with recently about town and also in the country surrounding and it would be the part of prudence to nail things up securely until the thief or thieves are placed where they belong.

Rev. F.L. Jobb of Morewood, who has been ordered by his doctor to give his eyes a rest and spend as much time out of doors as possible, has been spending the month of October at the Morewood Game Club, in Black River, Quebec. He reports the capture of a monster grey trout in Raymond Lake. The fish measured 36 inches, girth 19 inches, and its tail was 12 inches in width. It weighed over 25 pounds.

The 50th anniversary of St. Luke's Lutheran church at Dunbar will be observed at the evening service next Sunday. Addresses will be delivered by the Revs. McCreery, Maeder, and Isler. The choir will sing several anthems.

The musicale and tea held at the home of Mrs. F. Barlow Friday afternoon was a most enjoyable affair. The rooms were artistically arranged for the occasion, with the decorations carried out in Hallowe'en effect. Mrs. W. Fulton, Miss Rhodes, Mrs. Bronskill, Mrs. Boyd and Miss Helen Mailton contributed musical selections. Mrs. Jas. Hughes and Mrs. Forbes presided at the prettily decorated tea table and the committee in charge looked after the many guests. Proceeds for the Library were $12.22.

WINCHESTER SPRINGS NEWS: Mr. and Mrs. C. Dunn and children of Canton, N.Y. were guests of Mr. and Mrs. L. McIntosh on Saturday. Mrs. Mary Patterson is spending some time with friends at Lachute, Que. Mrs. Archie Stewart and children of Lunenburg spent last week with her parents Mr. and Mrs. S. Rice. Mr. and Mrs. E. Middagh and daughters Marjorie and Irene and Mr. and Mrs. H. Middagh and son Bertram of Morrisburg, were guests of Mr. and Mrs. Lorne McIntosh on Sunday.

Like good roads to the motorist the rough spots were soon forgotten when the smooth piece has been reached, so have the past couple of weeks of the most delightfuly autumn weather blotted from the memory those rainy days of early September. There are many delightful sights to see in the country as the falling leaves reveal things undressed of hidden by the foliage of summer. Many colored leaves of the maple and oak may now be gathered for winter house decoration, as well as bright hued berries and bitter-sweet. Out to the south in the direction of Aultsville many large flocks of turkeys and geese are found very attractive to the eye in anticipation of the time soon to arrive when either one or the other will focus the eyes of the family on Christmas day.

MAINLY ABOUT PEOPLE: Mr. and Mrs. Hugh Duff of Avonmore spent Tuesday with Mr. and Mrs. Arthur Beckstead. Mr. Ralph Steven of Mountain was a visitor in town on Tuesday. Mrs. D. Beattie of Winchester visited at her former home here. Miss Eileen White of the Toronto General Hospital has been spending a few days with Mr. and Mrs. S. Bogart. Miss Edyth McElheran of Lachine General Hospital has been the guest of her aunt Mrs. Isaac Garrow for the past two weeks.

44

From The Record, Thurs., Oct. 26, 1944

Flt. Sgt. Kenneth J. Dugdale, son of Mr. and Mrs. Norman Dugdale of Russell, Ontario, is missing after air operations over Germany according to word received by his parents. He has been overseas since last December.

Mrs. Catherine Foley has been advised by the air ministry at Ottawa that her son William Joseph Foley has been promoted to the rank of Flight Sergeant with effect from Oct. 10, 1942.

James Shortt of Cardinal was named candidate to contest Grenville-Dundas constituency for the CCF in the coming Federal election. He was named candidate at a meeting in Spencerville. Guest speakers at the meeting were Walter B. Mann, CCF candidate in Ottawa West and Air Vice Marshal A.E. Godfrey of Brockville.

Mrs. Kathleen Bouck has received a cable from her son, Charles, saying that he had arrived safely overseas and is well. Mr. and Mrs. Albert Hurtubise have also received a cable from their son, Delbert, stating that he had also landed safely.

Last Monday when Mrs. John Worsfold, caretaker of Morewood school stepped out for a pail of water, she slipped on the step and fell, breaking a leg. Dr. Lloyd was called and had her taken to Cornwall General Hospital in Harry Henderson's ambulance.

BERWICK NEWS: Miss Betty Jack of Montreal was the guest on Sunday with Miss Betty Elliott. Miss Flossie Nichols left on Thursday last for Toronto where she has secured a position. Miss Elva Ouderkirk of the General Hospital visited her parental home here on Monday. Mr. Garfield Nichols returned home on Tuesday from the west where he spent the past months at the harvest. Mr. J.P. Rady purchased the home in town of the late Mr. Simeon Hutt, and intends to move in shortly. Mr. and Mrs. Euclide Lebrun are spending a few days in Ottawa this week.

Officers of the Morewood School cadet corps are: Lieut. E. Irvine; Sgt. K. Hunter; Cpl. M. MacGregor; Cpl. A. Swerdfeger; and Cpl. M. Smith. On the second Platoon are Lieut. L. Stewart; Sgt. L. Carruthers; Cpl. R. Hunter; Cpl. N. Putman; and Cpl. V. Barrington.

MAPLE AVENUE NOTES: Mr. and Mrs. Harold Warner and children of Northfield, Mr. and Mrs. Keith Brownell and children were Sunday guests of Mr. and Mrs. John Brownell. Mr. Arnot Helmer spent a few days with Messrs. Curtis Melrose and Floyd. Mr. and Mrs. Merton Collins and Mrs. Ellen Fetterly spent Thursday in Cornwall. Miss Dollie Zummach of Killaloe is visiting with Mr. and Mrs. Orren Zummach and Diana for a few days.

64

From The Record, Thurs., Oct. 15, 1964

Eastern Breeders announced the appointment of Charles Gracey as sales manager. Previous to accepting this position, Mr. Gracey was, for the past four years, a member of the staff of Kemptville Agricultural School.

NDDHS track champions include Myrna Holmes, Marily Ennis, Betty Brown, John Boyd, Jean Paul St. Pierre and Doug Curtis.

Some tame geese at the Upper Canada Migratory Bird Sanctuary have been found slain. When Nairn Island Park supervisor Charlie Robertson walked into the pens to feed the geese last Monday evening, he discovered two geese floating dead in the water and another by the shore. Shotgun pellets have been found in the birds.

The Ladies Aid of St. Luke's Presbyterian Church met in the Sunday School Hall with Mrs. W.G. Brownlee presiding. Devotions were led by Mrs. Harold Ouderkirk and Miss Vera MacLean. Miss Annie Cameron donated several articles for the bazaar.

EIGHTH AVE. OSNABRUCK — Mr. and Mrs. Robert Scott and family of Gault, Mr. and Mrs. F. Scott of Prescott, Mr. Colmer Watson and Dale were Thanksgiving guests of Mr. and Mrs. Rose Scott and Mildred. Mr. and Mrs. Jack Fetterly of Huntsville and Mrs. Wm. Moak, Newington, were recent callers of Mr. and Mrs. Clifton Gallinger, Neil and Charlie.

The Farmer's Wife

by Wyn Thompson

Last week I alluded to the beauty of Niagara Falls, and this week I intend to enlarge upon it. For it is a sight that thrills me yet, as I call upon my memory to transport me back in time to the biennial conference of the Ontario Conservation Authorities held recently in the shadlow of the Falls. Fitting too, that it was that Authority's 25th anniversary of its inauguration.

And it is not because I have never been to Niagara Falls before! I have on four different occasions but never at the 'bloomin' time of year and never when it was alight with the glory of technicolour.

Like millions of honeymooners, the Farmer and I went there in late October, but the Falls were not lighted then. Why it is the "Honeymoon Capital of the World" no one really knows, for sure. But the tour guides will tell you that, as legend goes, Napoleon's brother came there by stagecoach, all the way from New Orleans, for his honeymoon and they say that was the beginning of it all!

We saw it again in its frozen beauty, and briefly a couple of years ago when we camped near Niagara-on-the-Lake to see a Shaw Festival production. And I can say that spring, summer fall or winter, it is alive with activity.

Scientists believe that Niagara Falls is approximately 20,000 year old, but it wasn't until 1678 that the first white man laid eyes upon its thundering beauty. Father Louis Hennepin visited Niagara Falls and drew a sketch and, from that moment on, Niagara Falls has been recognized as one of the 7 great wonders of the world.

From the spectacular viewing platform, Table Rock, right at the brink, you can witness 500,000 tons of water plunge each minute into the steep-walled gorge.

I didn't go down to Table Rock this time, because I never do anything daring without the Farmer to encourage me, for I am basically a chicken at heart. It appears to be the tourist centre of the world and it is very popular with families. We saw people of every race and colour enjoying the grandeur of the American Falls and the misty thundering roar of the horseshoe. An experience one never forgets.

But back to the conference! On Tuesday, full day bus tours were scheduled for the delegates. This always frustrates me as I want to take them all, and can't, so I chose Tour Three: Agricultural Areas-Activities in Niagara. I was not disappointed. And the mid-summer weather never better!

I was in for many surprises. First, although I knew the Niagara Peninsula is famous for its orchards and vineyards, the number one 'crop' is poultry, with value exceeding any other area in Canada, and perhaps in North America. Recent annual figures value broiler chickens at $42 million, turkeys at $12 million and eggs at $12 million.

The second largest industry in terms of dollar value (about $60 million and 50 per cent of Canadian production) flows from the expanding greenhouse operations. Of this, almost $50 million is in potted plants and cut flowers, with about $10 million in vegetables; mostly tomatoes and cucumbers. Exports to the northeast United States are in the $10-$12 million range annually.

Tender fruit and grape production, according to information from the Ontario Tender Fruit Producer's Marketing Board, is valued at about $55 million. Last year was a bad year for pick-your-own-strawberries, as it was in this area. One such farm put a sign up one day which read, "Pick your Own-FREE".

Also worthy of note is milk production of 52 million litres in 1981 and annual hog production of about $12 million. There are no major beef feeder lots in the Peninsula. Agriculture in Niagara is based on the family farm unit, with very little corporate agriculture being practiced, which did rather surprise me.

During our tour, we saw first hand the vineyards, wineries, orchards, that make the Peninsula famous. The Virgil Dams and Conservation Area, which provides irrigation water for local fruit farmers fascinated me as did our visit to Wiley Brothers Grape Juice Plant in rural St. Catherines.

This is a unique 5-generation family farm operation and we were given a first hand look at the operation through the eyes of the brothers involved. We picked, we ate, and drank the wonderfully fresh juice until we thought we might burst.

A grape picker sat like a giant grasshopper ready to start up the rows. We watched it with rapt attention as it eased its way along picking the grapes for juice. Table grapes are still picked by hand.

This harvester costs $100,000 and replaces 100 pickers. It can work 24 hours a day but is shut down every 6 hours for cleaning. It picks 100 tons a day.

The Wiley Brothers grow 25 kinds of grapes and I think I must have tasted some of them all, as did my travelling companion. We kept wishing our husbands were there as they like them even better than we do. Like all operations, it is costly, for when it comes to refurbish the machine, it costs $7000 for the belts and bearings alone. And they have to be replaced often.

Like grain corn the grape crop picks easiest with dew on the ground. Thus it is common for them to pick all night. As for their wine grapes, they are just allowed 8 hours from vine to wine. Any longer and they will have to take their load home again.

Our final stop of the day was at a local greenhouse operation where we literally saw acres of poinsettias and mums being grown for the Thanksgiving and Christmas trade, to say nothing of all other plants under the sun. It was so highly mechanized that it boggled my mind. Hardly a hand was raised to do anything except for the transplanting, weeding and potting, and even those operations were partially mechanized. What few employees there were looked as if they might have been boat people. A happy group, their fingers fare flew at their work!

Next week - come view Niagara from the sky with me!

AUTUMN

Olde tymes at UCV

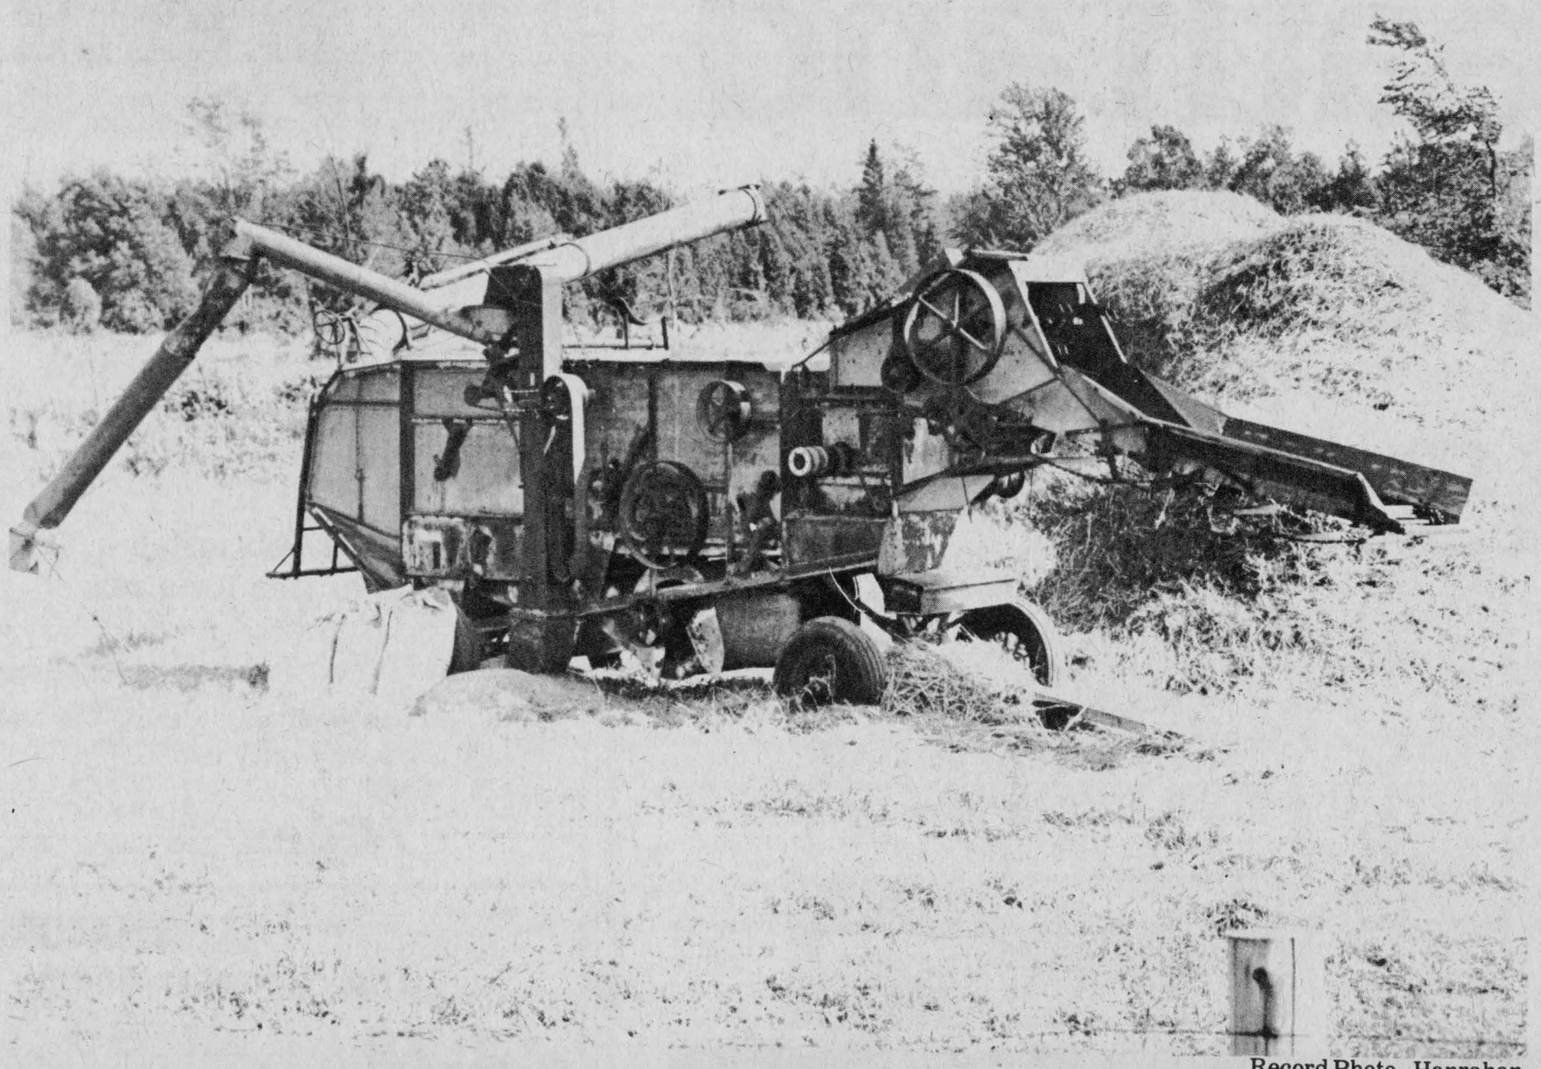
MORRISBURG (Special) - Along with the preservation of food and the harvesting of crops, inhabitants of Upper Canada in the last century also made domestic preparations for the harsh winter months.

The women of Upper Canada Village will be demonstrating such preparations by quilting and mattress stuffing on October 13 and 14 on the last of the "Preparing for Winter" weekends before the Village closes for the season October 15.

The pastor's house will be the location of the quilting bee which will see the production of a red and white cotton print quilt in a starburst pattern. The pattern is based on one from a quilt in the collection at the Village.

The Village women will be pleased to take time from this social and creative occasion to share their knowledge of quilting with visitors.

Making use of the newly harvested straw, women also will be stuffing mattresses at Cook's Tavern and the Lockmaster's House.



Record Photo - Hanrahan

Lighter side of life: after Weightloss

(Staff) - When Denise Collins arrives in Florida later this week she will look marvellous in her new bathing suit at pool-side, due mainly to her successful completion of an 11-week long weight-loss program undertaken in April and maintained since then.

Like many persons who want to shed some excess avoirdupois Denise, who is a chartered accountant and lives near Colquhoun, decided she would join an organized, structured program.

What led her to the Weight-loss Clinic in Ottawa? "I was quite impressed by "General Grant" on CFRA," she explained, "when he described his own experience on one of his on air programs."

The chief motivating factor may have been beginning-of-the-season shopping for clothes. "I couldn't find anything I liked in the size I needed."

One of the girls in the office was also interested in signing up so the two of them started the three-times-weekly trek to Ottawa, arriving for their weigh-in and consultation at 8am. With luck they'd be back at the office by 9:30.

"It helps to have an enlightened employer who will flexibility in working hours," Denise pointed out.

The girls drove back and forth to the city faithfully for 11 weeks while they were on the weight-loss regiment. For another 6 weeks they moved over to stabilization and commuted twice a week. Monitoring is still being done but on a much reduced scale. Beginning in mid-April, Denise lost 40 pounds and a further 5 on the stabilization portion of the program. She's almost where she wants to be and after Christmas plans to return to pare down the final 10 pounds.

Meanwhile she looks splendid and feels great. Most importantly the girls were not hungry on the diet and had "lots to eat." Results were fast in coming. At the end of the first week Denise had lost 6 or 7 pounds.

"I thought this was wonderful, I was going to be skinny," she laughed. She explained that some persons lose as much as 20 pounds the first week depending on how heavy they are. The heavier, the more tends to be lost initially. Of course, the registered nurses and the nutritionists at the clinic are careful to advise each client individually and to allow for the activities being undertaken and the type of lifestyle led.

Losing weight means exercise should not be too strenuous but the clinic encourages wal king, stretching and limbering up. The girls were on a diet of about 640 calories per day with encouragement to drink lots of water. The selections become more interesting later on. "Ketcup was my first treat, believe it or not," Denise said. In her last week of stabilization she was allowed 1400-1500 calories per day.

"That's what I can handle now. If I go beyond it I'm up a pound or two."

The clinic has electronic scales which show losses to the ounce and this something which encourages losers on the plan.

Denise plans to treat herself to a similar scale. She planned to have her first piece of pumpkin pie with whipped cream at Thanksgiving and was watching the scales carefully especially on Tuesday and Wednesday. "Fridays and before a holiday the nurses ask you what you're doing. They're pleasant about it and want to steer you in the right direction." "When I went away to Peterborough this summer I brought my own food."

Eating out didn't prove to be much of a problem. "At first it was difficult when everyone else at the office was going out for pizza and beer but we found out we could ask the restaurants to make salads just for us and we always gave them half an hour's notice."

Restaurants with salad bars were the favorite places to eat out. Denise stressed she's certain any good weight loss plan will work. But what she and her friend discovered was that the one-on-one counselling method at the clinic worked for them. The sessions took anywhere from five minutes to half an hour depending on how much advice was needed. There were slightly more women than men enrolled and a surprising number of high school and college-age young people. Children are also accepted.

She said she finds that most persons manage to keep the weight off. "I weigh myself three times a week now but you know when you've porked out what's going to happen."

She added the buddy system helped.

"It's easier to go with a friend. You keep each other's spirits up, because you tend to feel sorry for yourself."

Expense-wise she feels for the results the cost was not too great. "I tended to put the car and other expenses first. There's a negative female psychology." Having done something just for herself she said "I'm happier about buying clothes and happier about me."

Shopping's much more exciting

Denise Collins sets off for work. With a successful weight-loss program achieved the results of the diet are visible. The photo was taken in the rain but a little bad weather won't dampen the spirits of successful graduates of a long diet when the stores are full of exciting clothes to look over. -Record Photo-Hanrahan

MacGregor Guernseys win Ottawa Grand Championship

OTTAWA (Staff) - Basil Dawley cattle superintendent of the Ottawa Winter Fair was busy last Saturday morning as he tried to catalogue results from Guernsey and Jersey championship shows being judged in the ring simultaneously.

In the Guernsey ring entries of five exhibitors were judged by Paul Stewart, Princeton, Ont.

Rhod and Tom MacGregor of Morewood captured Grand Champion and best udder honors with their five-year-old Agricola Dee Anne. Another MacGregor entry, Glen Haven Kellogg Purdy was chosen reserve grand champion.

The Premier Breeder banner was awarded to Leslie McEwen and Sons of Kars who also took top placing in the breeder's herd for their Elmrise string of four. The MacGregors won the Premier Exhibitor banner.

Top placings in the senior classes were as follows: Two-year-old: first, Glen Haven Kellogg Purdy, Rhod and Tom MacGregor; second, Elmrise C Nicky, Les McEwan; third, Elmrise C Penelope, Les McEwen.

Three-year-old: first, Elmrise C Mavis, Les McEwan; second, Grenville Blazing Hope, Harry Nooyen, Metcalfe; third, a substitute entry of Harry Nooyen.

Four-year-old: first, Glen Haven King's Melody, Rhod and Tom MacGregor; second, Glen Haven Alstar's Maggie, Rhod and Tom MacGregor; third, Holland Heights Tipsie, Harry Nooyen.

Five-year-old: first, Agricola Dee Anne, Rhod and Tom MacGregor; second, Elmrise Laura, Les McEwan; third, Showcase Edmund's Paula, Robert Holliday, Blackstock, Ont.

Mature cow: first, Renwood RC Beth, Rhod and Tom MacGregor; second, Pondale Admiral View, Harry Nooyen; third Oakglade Donalda's Milkmaid, Robert Holliday.

Breeder's herd: first, Les McEwan; second, Rhod and Tom MacGregor; third, Harry Nooyen.

Hold your breath and read this.

If your chimney is defective, your house may be feeling just like you do right now.

Because heating systems take in oxygen and release carbon dioxide. Just like you do.

But when a furnace can't get enough oxygen, or carbon dioxide can't escape, your house can't "breathe" Carbon monoxide can be created and that is a dangerous situation for you and your family.

A clean and clear chimney is necessary to vent your furnace properly.

Here are some warning signs of chimney deterioration:

☐ loose mortar and bricks
☐ white powder or water stains on chimney above roof
☐ water stains at the chimney's clean-out door

YOU MAY NEED A CHIMNEY LINER TO PREVENT EROSION OF THE MASONRY.

For your safety, and for your peace of mind, have your heating system and chimney inspected and cleaned annually by a qualified contractor. You and your house will both breathe a sigh of relief.

William Davis, Premier

LAST CHANCE FOR GAS

It's getting colder. You can feel it and you've probably turned up your thermostat already. If you heat your home with oil, the cold weather means two things: you'll pay top dollar to heat your home; and it's nearing the time when the frost prevents NC Gas from installing a Natural Gas line to your home.

WHOLE HOUSE COMFORT

So why wait another season? Why not install Natural Gas now and do something special for your family with the money you'll save.

To help you decide to call NC Gas, remember these points:

- **you can save up to 50% of your home heating bill with Natural Gas;**
- **the government C.O.S.P. grant will give you up to $800 to convert from oil to Natural Gas;**
- **NC Gas will install a Natural Gas furnace or conversion burner free for a year.**

Call Northern & Central Gas and begin saving money now.

Dundas Cattlemen organized into county management club

WINCHESTER (Staff) - Dundas Cattlemen will have the opportunity to take part in an agricultural ministry beef management program following the formation of a local management club Thursday.

The club's first task will be to co-ordinate the weighing of 1984 calves as a measure of productivity.

"What you're doing is measuring the production of your beef cattle by weighing those calves," said Kerry Carnegie, red meat advisor for Eastern Ontario. He compared the weighing process to the DHIA program for dairy cattle, in which production is measured by weighing milk output.

The weight of the offspring will serve as a guide to grading the cows from best to worst.

Carnegie, who serves seven counties out of OMAF's Kemptville office, outlined the program at the first meeting of the Dundas Beef Management Club.

Local beef producers were required to form the club in order to be eligible for the weighing program, which is being introduced as part of the province-wide Red Meat Plan announced by agriculture minister Dennis Timbrell in January.

The Dundas club, which elected its executive Thursday night, now has approximately 14 members. The executive, who will serve for a one-year term, consists of President Ron Wilson and secretary-treasurer Charlie Crober.

If the club can recruit 25 or more members, scales for the weighing program will be provided by OMAF.

Producers wishing to have 1984 calves weighed must be enrolled by Oct. 15, Carnegie said.

To be eligible, the producer must have some means of identifying the calves and some record of their dates of birth. They should be weighed when they are between 150 and 250 days old.

The tests will only be valid, Carnegie said, if the calves were born at the same time of year and are weighed together. They must also be weaned at the same time.

The mangement club will maintain the scales used for weighing and will pay the operator of the scales $35 per hour. The club will take out an on-farm liability insurance policy on the scales and will set up workman's compensation for the weigh person.

OMAF will pay the producer $25 for each calf weighed as an incentive to join the program.

The club charges no membership fee, and is not funded by OMAF. "We as members must make the club pay," said Morrisburg beef farmer Arden Schneckenburger.

The club plans to share the scales used by the Grenville Beef Management Club until it has sufficient membership to purchase its own set.

The Grenville club now has about 16 members.

Stormont ploughmen hold match

MAXVILLE (Staff) - A bright windy day last Friday was the setting for the annual Stormont county ploughing match held on John Brabec's farm near here.

Scores for the classes are as follows: class 1, no entries; class 2, tractor plough, 1. Nick Beehler, 2. Yves Baker; class 3, mounted plough, open split, 1. Douglas Manley, 2. J. Juillet; class 4, two or more furrows under age of 20, 1. Steven Manley, 2. Conrad Manley; class 5, municipal class, no entries; class 6, utility class 1. Richard Murphy, 2. Ray Larsen; class 7, utility class, three or more furrows, open, 1. Murray Manley; class 8, ladies, 1. Debbie Preston, 2. Debbie McDermid.

Casselman trophy, Steven Manley; 4-H special, Jamie Bender; International special, Murray Manley; Robertson special, Steven Manley, Debbie Preston and Murray Manley; youngest ploughman, Dan Larsen; best finish, Debbie Preston; best land under 20, Steven Manley; best crown, Murray Manley.

Prizes for best crown, best finish and best land and field under 20 were donated by Nicholas Beehler.

Youngest ploughman

The youngest ploughman at last Friday's Stormont county ploughing match was Dan Larsen, 8, at the wheel of the tractor. Dad Ray Larsen rides alongside through the furrows on John Brabec's farm near Maxville. The match was well attended and so was the annual banquet later that evening.

-Record Photo-Hanrahan

Floyd Dingwall brings home Jersey banner

OTTAWA - Floyd Dingwall, Berwick Jersey breeder brought home the Premier Breeder banner from Championship Show held at Lansdowne Park Saturday in conjunction with the Ottawa Winter Fair. A string of four Sprucevine cattle also won first in the breeder's herd class, receiving the J.J. MacKenzie memorial trophy. Hollylane Jerseys, Corbyville, Ont. captured the exhibitor's banner.

Winning the Floyd Dingwall Perpetual Trophy and the Shur-Gain banner grand champion was an outstanding Hollylane three-year-old, Rock Ella Bright Nettie who was also deemed best udder of the show.

Spruce Vine Jester's Kay, a Dingwall entry, took reserve in the best udder competition.

Trailing closely in points for both banners was Robert Jarrell, Corbyville, who also exhibited the Reserve Grand Champion RJF Master's Queenie.

Bert Sayles, Paris, Ont. judged the show in which seven exhibitors participated.

Top class by class results are as follows: Junior heifer, first, Pleasant Nook Luke's Marlene, Robert Jarrell; second, North River LC Joanne, J.J. MacKenzie and Son, Finch; third, Marvelside Title Pansy, Marvelside Farm, Russell.

Intermediate heifer, first, North River Pal Janet, North River Farm, Lachute, Que.,; second, Sprucevine Sleeper's Keziah, Dingwall; third, Mavelside Majic Brandy, Marvelside Farm.

Senior heifer, first, Hollylane Jody's Pearl; Hollylane Jerseys; second, Rock Ella HVF Bella, Hollylane Jerseys; third, RJF Master's Perfect, Robert Jarrell.

Two-year-old: first, RJF Master's Queenie, Robert Jarrell; second, Sprucevine BDM Pam, Floyd Dingwall; third, RJF Doris Pat, Robert Jarrell.

Three-year-old: first, Rock Ella Bright Nettie, Hollylane Jerseys; second, RJF Bright Princess, Robert Jarrell; third, Mavelside BDM Starbella, Marvelside Farm.

Four-year-old: first, Hollylane Beauty's Deanna, Hollylane Jerseys; second, Norval Acres Golden Lady, North River Farm; third, Show Case Master's Glena, J.J. MacKenzie and Son.

Five-year-old: first, Sprucevine Jester's Kay, Floyd Dingwall; second, Rock Ella BSV Natasha, Robert Jarrell; third, Spruce Avenue M.A. Laura, Floyd Dingwall.

Mature cow, first, Payneside Faithful Eva, J.J. MacKenzie and Son; second, Valley Avon Beauty's Janet; North River Farm; third, Huronia BDM Red 8K, Hollyland Jerseys.

Floyd Dingwall captured the breeder's herd followed by J.J. MacKenzie and Son, Marvelside Farm, Robert Jarrell and bringing up the rear North River Farm.

Thanksgiving celebration

The annual St. Mary's School thanksgiving celebration took place last Thursday with a mass service and a collection by the children of tinned food to distribute to those in need. The school gym was prettily decorated both for Thanksgiving and to celebrate Ontario's bicentennial. Many of the children as well as teachers were in period costume. The flowers, pumpkins and gourds decorating the room were all brought in by the children. Some of the costumed members of the celebration were, front row from left, Rene Berwert, Jeffrey Taylor, Charmaine Enright, Chantal Burns, Jennifer Moss, Clodagh Slowey, Natalie Graham, Denis Desormeaux, Mark Van Delst, Andrew Taillefer. Back row from left: Debbie Meyers, Ricky Van Oers, Ellen Taillefer, Colleen DeRooey, Shelley Brannen, Lorna Losley, Janet Graham, Donna McMartin, Father Appelman. The festival was organized by grade one teacher Donna McMartin. -Record Photo-Hanrahan

Want garage roof

BERWICK (Staff) - Finch township council wants to divert an unused Ministry of Transport and Communications allocation amounting to $6,050 from the Finch-Winchester boundary culvert towards a new roof on the township garage. This money has not been needed and council will communicate with the ministry in an effort to obtain permission for another use.

The township will communicate with the drainage tribunal asking either the tribunal feels the provisions of the organization's report are being carried out regarding the Payne River Drain. A copy of the letter will be sent to MLA Noble Villeneuve. The following ratepayers were present at the meeting: H. Dusomos, H. Teplate, C. Michels, I. Kastely, N. Rumer and E. Craig. Their interest was an amended report on the drain.

A grant for updating the zoning by-law for the municipality will be requested from the Ministry of Municipal Affairs. It is council's intention to have the provisions for conform to the new official plan.

The following applications for tile drainage loans were approved by council subject to sufficient allocation of funding being received from the province of Ontario: Hector Courville, $9,600; Henry Buting, $20,000; W.J. Chamberlain, $12,000.

Maintenance work will be carried out on the tenth concession drain.

Council agreed to sell a Massey Pony tractor to Donald Shane for the sum of $300. There were no tenders received when the machine was advertised.

Euchre winners

(Staff) - Dundas Rebekah Lodge euchre held September 26 lucky winners were: ladie's high, Mildred Paul; ladies low, Minnie Henderson; men's high, Jim McMillan; men's low, Ann McMillan; door prize, Bill Liscumb; 50-50 draw winners, Muriel Smith (amount($286).

Duff-Lalonde vows exchanged

CORNWALL - Mr. and Mrs. Paul Lalonde of Finch are pleased to announce the marriage of their daughter Isabelle to William Duff, son of Mrs. Georgina Duff of Avonmore. The wedding took place October 4, 1984 in Cornwall.

Roxborough objects to route

MOOSE CREEK (Staff) - Roxborough township council has voiced their disapproval of Ontario Hydro Alternative Routes through township.

At council's Oct. 2 meeting, Deputy Reeve George Crites initiated a resolution against the proposed routes for a number of reasons. Council discovered that the Hydro route along Hwy. 138 will interfere with approved subdivisions, as well as pass through two industrial blocks, two commercial blocks, 36 market gardening lots, and a subdivision presently under construction at Lot 11 Con. five.

Hydro's Alternative West Route will interfere with the airstrip and good agricultural lands in the region. A copy of council's resolution has been forwarded to SD&G MPP Noble Villeneuve and to officials at Ontario Hydro.

In other council business, a land division committee application of Donald Campbell was approved stipulating that sufficient buffering be provided so that no portion of the adjoining wrecking yard is visible from the lot.

Following legal advice from Mr. Fennell, a letter received by Council from Margaret Cameron has been filed and no action taken.

Council also passed a resolution servation Authority notifying the Raisin River Conservation Authority that Roxborough favours closing the Marina and that the Authority continue to use the building as it is now doing.

A bid submitted by James Harrison in the total amount of $200 was accepted from the South Part Lot 11 Con. one subject to approval by the ministry of municipal affairs and housing.

Council has passed a resolution in agreement with the Village of Zurich concerning Environmental restrictions on small municipal landfill sites.

The meeting was adjorned at 9:15pm. In attendance was Reeve Garnet Robertson, Deputy Reeve George Crites, Councillors John McIntyre, Ray Alguire and Bill Williams, and Clerk Treasurer W.E. Wright.

Clerk, councillor study computers

WILLIAMSBURG (Staff) - Township clerk Mike Waddell and councillor Gordon McNairn will attend a Kingston seminar on computers and municipal administration on Oct. 31.

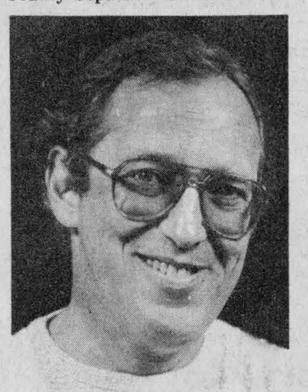
Mr. Waddell asked to attend at last Saturday's municipal council meeting.

He said he wants "to get a feel" of the systems in case council decides at some future date a computer is required for the township office.

The clerk noted that a provincial grant structure to provide "the lion's share" of equipment costs is due to run out in 1985.

Fact finder for SDG dispute

TORONTO (Special) - The Education Relations Commission has appointed Norman Bernstein of Ottawa to act as fact finder in the negotiations between the teachers and the trustees of the Stormont-Dundas-Glengarry County Separate School Board.



Mr. Bernstein will met with the parties and write a report setting out which matters have been agreed upon and which matters remain in dispute. The report may also contain recommendations for settlement.

This appointment is made under Section 14 of the School Boards and Teachers Collective Negotiations Act, Revised Statutes of Ontario, 1980.

4TH ANNIVERSARY

DURING OUR 4TH ANNIVERSARY
30 LUCKY SHOPPERS WILL WIN

SEE CONTEST RULES IN THE MALL

WIN! $5,000.00 IN SHOPPING SPREE CERTIFICATES DURING OUR JELLY-JUMP CONTEST

BROOKDALE MALL
Brookdale Avenue at the Bridge Entrance
Cornwall, Ontario

1220 CJSS CORNWALL

JELLY-JUMP TAKES PLACE IN THE BROOKDALE MALL ON SATURDAY, OCTOBER 27, 1984 AT 1:00 P.M.

Here's How It Works

30 Lucky Shoppers will share in $5,000.00 Shopping Spree Dollars by being eligible to participate in the Brookdale Mall/CJSS Jelly-Jump **Saturday, October 27, 1984 at 1 P.M.** in Brookdale Mall.

30 draws will take place at random from the entries in the ballot box **Oct. 15 to Oct. 23, 1984.**

On **Sat., Oct. 27, 1984 at 1 P.M.,** the contestant will jump into our pool and wallow around to find a numbered token in the jelly mixture. The one selected will match a numbered envelope containing a prize. The contestant will have the choice of entering the pool or appointing someone to do it on their behalf. However, the name must be registered with the mall Administration Office **no later than Wed., Oct. 24, 1984 at 5 P.M.**

All Shopping Spree Dollars must be accepted as won and must be redeemed by Dec. 1, 1984, redeemable in most stores in the Brookdale Mall.

The Jelly Jump Listing has a total VALUE of $5,000.00.

Prize envelopes are in denominations as follows:

1 x $1,000.00	1 x $200.00	7 x $100.00
2 x $ 500.00	4 x $150.00	7 x $ 75.00
1 x $ 325.00	4 x $125.00	3 x $ 50.00

All persons eligible to participate in the Jelly Jump (in costume of their choice) will also have a chance to win 1st Prize $100.00, 2nd Prize $50.00, 3rd Prize $25.00. Decisions of the judges will be final. Judging will take place just prior to the beginning of the Jelly Jump.

ADDED BONUS DRAWS

3 Sony AM/FM Stereo Walkman Radio/Cassettes will be given free to 3 lucky shoppers who are in attendance at the Brookdale Mall/CJSS Anniversary Jelly-Jump, Saturday, October 27th, 1984 at 1:00 p.m. The first 1,000 spectators to obtain a ticket at the pool area will be eligible to win. Please note winners must be present at the time of the draws (draws to be made at the end of the Jelly-Jump). Only one Bonus Prize per family can be won and contestants participating in the Jelly Jump, employees & immediate families of Brookdale Mall management & stores, Roy's Pool Limited and Tri-Co Broadcasting Ltd. are not eligible for these draws

All Jelly Jump Participants
WILL DEFINITELY WIN
One of The Prizes Listed Above

If you are a lucky shopper whose name has been drawn, you must register at the Mall Administration Office immediately (but no later than Wednesday, October 24, 1984 at 5 p.m.). If you wish you may appoint a substitute to jump for you.

Remember more Cash Prizes for the best Costume.

BROOKDALE MALL

1220 CJSS CORNWALL

"*YOU CAN'T WIN WITHOUT A BALLOT*"

*All ballots are available at the check-out of any participating merchant while supplies last. Woolco & Dominion cash register slips (Brookdale Mall) are eligible (place name, address & phone no. on back).
