Donald Gray Killed When Train Hits Car

Donald Gray. 30, eldest son of Mr. and Mrs. Austin Gray, of Winchester Township, was instantly killed on Monday morning last, when the Ford sedan in which he was driving, was struck by the Canadian Pacific westbound express train No. 35, at Hummell's Crossing on the Winchester-Chesterville road.

The young man had departed from his home about 8.45 a.m. for Chesterville, where he delivered several cans of milk. Having completed his business there he was returning home about 9.30. As he approached the crossing he apparently failed to notice the train until too late to avoid being struck.

The automobile was dragged for a distance of five hundred feet along the right-of-way before the train could be brought to a stop, and had to be removed from the front of the heavy locomotive so terriffic was the impact. A small trailer. that had been fastened to the car, had snapped loose and was overturned at the crossing.

Members of the train crew, Conductor A. W. Phillips and Engineer J H. Hayes both of Smiths Falls, were the first to reach the injured man. He was unconscious when removed from the wreckage and passed away a few moments later. The body was taken to Chesterville by Arnold Windsor, a passing motorist, while the train proceeded to Winchester where the accident was reported.

Dr. W. H. Lloyd examined the body and notified Dr. P. McLaughlin, chief coroner of Winchester, who investigated the accident and declared that an inquest would be held. An examination revealed that the victim had sustained a fractured neck, fractured left clavicle and deep abrasions about the scalp.

The funeral was held from the residence of his parents on Wednesday afternoon, the service being conducted by Rev. W. S. Atchison of the United Church, Winchester Neighbours and friends from throughout the district attended in large numbers to pay their final respects to a young man whose sterling qualities and kindly disposition had endeared him to all

During the service a beautiful duet, "The Old Rugged Cross," was rendered by Mrs. Irvine Cross, of Maple Ridge. and Miss Gertrude Weegar, of Chesterville. accompanied at the piano by Mrs. George Smith. Interment was made at Maple Ridge cemetery.

The pall bearers were Messrs Ronald Fulton, Douglas Allison, Robert Allison, Stanton Helmer, Ewart Carkner and Willie Helmer.

Besides his parents, the deceased is survived by six sisters. Mrs. Levi Caselman of Melvin Settlement. Pearl Gray of Williamsburg, Laura, Ruth, Ada and Jean at home; two brothers, Neil Gray of Winchester, and Lloyd at home.

Among the many floral tributes which testified to the esteem in which the young man was held was a beautiful wreath from the staff of the Winchester Hydro System.

Election For Reeve Here On Monday

An election for the position of Reeve of Winchester for 1937 was assured on Tuesday evening at the close of nominations. Mr. T O Keyes, reeve of the municipality for the past two years will be opposed by Mr Hy. Bessin, who has served as a councillor for three terms. An insufficient number of candidates had qualified to fill the Council Board when nominations officially closed and prospects are that another nomination meeting will have to be called in order to fill the remaining vacancy Those qualifying were Dr. W A Sherwood, Messrs T A Bailey and E J Christie.

The school trustees elected for another term were Messrs Hugh McMaster, Alex Duncan, and William Hutt, They were given an acclamation

Nominations in other districts resulted as follows:

Winchester Township

There will be no elections for Winchester township council, all candidates having been elected by acclamation. They are: Reeve W J McConnell of Morewood; deputy reeve, T. J Ralph; and councillors, J C McGregor, Ernest McMillan and M Servage

Local Residence Damaged By Fire

Fire, which is believed to have started from an overheated stove, did considerable damage to the home of Mrs. William Bellinger, Church street, about 2 p.m. on Tuesday. It is said that Mrs Bellinger, who lives alone, was absent from the house at the time, and the flames had gained a considerable foothold before being discovered

The fire alarm was sounded, and in a few minutes a bucket brigade had been formed and water from a well on the property was played on the flames. The chemical engine was brought to the scene, but it was not found necessary to turn on the pressure, as the flames had been brought under control.

The lower floor of the dwelling was badly gutted by the blaze and most of the furnishings were damaged beyond beyond repair. The loss, amounting to several hundred dollars, is covered by insurance. When the fire was discovered, the water pumper was placed at the reservoir on the corner of Gladstone and Main Streets but it was not required, and hose was not laid.

Nomination Meeting Held On Monday

The annual nomination meeting of the municipality was held on Monday evening in the Town Hall with a larger attendance of the ratepayers present than in recent years. The clerk, Mr. E. M. Shaver. acted as chairman.

Following the close of the period for nomination of candidates for the various offices, Mr Shaver called upon the members of the 1936 Council for a few remarks. Reeve T. O. Keyes, the first speaker, drew the attention of those present to the financial statement in which a small surplus was shown on the year's work. He pointed out that the side streets of the town had been improved during the year and were now in better shape than they had been for some time. He emphasized the fact that the municipality had been pressed for funds with which to undertake improvements owing to an unexpected increase in county rates. In his remarks, the Reeve stated that next year it would be necessary to raise the tax rate to cover this increase as well as a possible increase in the High School rate.

Dr. W. A. Sherwood referred briefly to the necessity of raising the local tax rate next year in order that certain improvements might be undertaken. He paid tribute to the work of the municipal clerk, Mr. E. M. Shaver, the tax collector, Mr. N. W Beach, and the fellow members of the Council.

Mr. E. J. Christie, in his remarks. also pointed out the need for rebuilding certain sidewalks in the municipality and outlined briefly the work done during the year on the side streets.

Mr. Hy. Bessin expressed himself as favouring a program of progressive legislation for 1937. He stated that the outstanding need of the municipality was an enlarged Town Hall, while some means of laying dust on the side streets should also be devised. He added that the main side streets should be kept open in the winter time so as to facilitate the rapid movement of fire apparatus. Dealing with matters of finance, Mr. Bessin stated that in 1934 the debenture debt of the municipality was $95,000, while at present it was approximately 15 per cent. lower. Progressive work could now be undertaken, he said.

The Town Hall could be enlarged. Mr. Bessin said, without increasing the tax rate one cent. Bonds could be issued and the interest and principle paid from rentals saved by the municipality,

The attitude of the Council towards a certain relief account was criticized by Mr. Bessin at some length. He stated that the relief committee had acted as they felt the case required immediate attention. He concluded by asking the ratepayers what kind of relief program they wanted.

Mr. T. A Bailey, in his remarks, stated that if the present council had not set the town on fire with good works, they had not put the town in debt either. He stated that certain improvements were necessary but rather than place the municipality in debt. these improvements had been left over for another year. He also emphasized the fact that the tax rate would have to be raised next year regardless of what council was in office.

Referring to the side streets, Mr. Bailey stated that they compared favourably with the side streets of any municipality in the district.

Messrs. Thomas Annable, chairman, Alex Duncan and William Hutt of the Public School Board who were returned for another year by acclamation, also delivered short addresses in which the affairs of the Board were laid before the ratepayers. It was pointed out that a sudden increase in the number of students this year had filled the school to capacity. Financially the school was shown to be in a splendid position.

Mr. Rowat Elliott, nominated as a candidate for the position of Councillor, was next called upon to address the meeting. Directing his words to the former Reeve, Mr. T. O. Keyes, the speaker asked what had become of the by-law authorizing the Council to purchase the Fair Grounds and backed by a favourable vote of the ratepayers? He also dealt in a definite manner with the condition of the side streets, and criticized most strongly the work of scarifying the said roads. Dealing with the question of relief, Mr. Elliott pointed out that nefarious business was being conducted on side streets and as a result the relief question was removed from the shoulders of the municipal council.

In conclusion, Mr. Elliott stated that he would not be a candidate for election this year, and expressed the hope that if Mr. Keyes was reeve next year he would suggest to the council that things be done as the ratepayers wished.

Mr. T. A. Bailey replied that he could still say with authority the local streets were as good as those to be found in any other village in the district

Given the opportunity to address the meeting again, Mr Hy. Bessin stated that it was true the ratepayers had voted $2,000 for the purpose of purchasing acquiring and improving the Fair Grounds. He expressed himself in favour of granting $1,000 or $1500 to a body of sportsmen on condition that they purchase and maintain the grounds.

Mr. E. J. Christie also stated that the side streets were better than those of several villages he had visited this year.

Referring to the statement made by a previous speaker that unlawful business was being conducted on certain side streets, Dr. W. A. Sherwood stated that such matters were within the province of the Provincial Police. The question of expending large sums of money on public buildings should be put to a vote of the ratepayers, he continued.

Mr. Keyes replied to various charges directed against the Council in good natured fashion. He emphasized the fact that indigent patients in hospitals were increasing rapidly, thus causing a decided drain on municipal funds, although the local council had no voice in the matter.

With reference to Mr. Bessin's suggestion that the Town Hall be enlarged and money now in the hands of the local Hydro System be made available for the purpose, Mr. Keyes stated that Hydro funds cannot be touched for any purpose whatsoever. He also pointed out that streets might be sprinkled if the ratepayers of any particular district demanded it and paid for it through a special assessment.

Dealing with the charge. issued by Mr. Bessin that the council had failed to pass a certain relief account when presented by the relief committee, Mr. Keyes said that the bill had been passed without fuss, but that he had drawn the attention of the committee to the manner in which the said relief had been issued.

The speaker expressed himself in favour of giving the matter of enlarging the Town Hall consideration, but added that in his experience nothing was ever obtained without money. The time might not be ripe for such a proposal, said Mr. Keyes.

Discussing the by-law concerning the purchase of the Fair Grounds, the speaker declared that three members of the Council had voted in favour of offering $1500 for the property. The interested parties refused to accept the sum, however. he said.

In conclusion, he stated that illegal side street business might be going on, but if such were the case the Council had received no complaints on the question. He thanked the members of last year's council for their co-operation in municipal matters and announced that he would be a candidate for the reeveship another year.

Mr. Bessin rose to add the remarks that if someone did not take action with respect to the Town Hall and its enlargement, nothing would ever be done about it.

Mr. N. W. Beach. the first municipal clerk of the village of Winchester, who was nominated for reeve, rose, and addressed a few remarks to those present. He stated that he had attended every nomination meeting in Winchester for the past forty-eight years, and he knew how to sympathize with members of the Council. In selecting members to occupy positions on the Municipal Council, said Mr. Beach, great care should be exercised to see that the best men are chosen to serve the town. Some, at least, should be men with municipal experience, he said.

With respect to progressive legislation the speaker added that the Community Rink and Hotel Winchester had been public enterprises and were undoubtedly assets to the town, but before such undertakings were engineered, careful consideration should be given to the question of cost. A new Town Hall would be fine, he continued, but he failed to agree with Mr. Bessin that bonds could be floated at 2 per cent.

Dr. J. J. McKendry gave a report of the activities of the High School Board after which the meeting was brought to a close.

Unusal Death Of Toyes Hill Boy

Douglas Harper. 10-year-old son of Mr. and Mrs. Howard Harper, of Toyes Hill, was strangled to death in a peculiar accident which occurred on Sunday evening last.

The boy had gone to the barn with his father about six o'clock, and while Mr. Harper was busy with the milking, Douglas began to play among the horses in the nearby stalls. In some strange manner the boy's throat became enmeshed in the tail of a 25-year-old chestnut mare, so that he suffocated before being discovered by his father

In a statement to a representative of the Press, Mr. Harper said that the little lad often played around the horses while the milking was being done. He had talked with his father a few minutes previous to the accident and remarked that he would assist with the separating. About ten minutes later his body was discovered by Mr. Harper who had completed his work and was ready to return to the house. He was dead when found.

Dr. P. McLaughlin, chief coroner for Dundas, was summoned and after reviewing the circumstances surrounding the accident, decided that no inquest would be necessary.

The funeral was held from the family residence on Tuesday. Rev. Robert Smith of Winchester Springs United Church conducted the service.

The pall bearers were Messrs. Earl McIlreath, Norman Hunter, David Wilson and Alex Fatherinitham. Interment took place at Brinston cemetery.

The deceased child is survived by his parents, one sister, Evelyn, and one brother, Richard.

FENNELL FEED COMPANY

Greetings For 1937

As we think back over the year 1936, we want to sincerely thank all our customers for the business that they have given us. Only through those repeated calls for merchandise and service have we been able to carry on.

Then there is something more which we cannot overlook and that is the spirit of friendship underlying our business relations with our customers. This is our fifteenth year in business here and each year we more fully realize what this means. It takes the coldness out of cold business and makes life worth living.

Now for 1937, we want all these pleasant relationships to continue and we will do our very best to merit the confidence of all who favour us with their business.

To everyone, we wish a full measure of happiness and success all through this New Year.

THE NEW YEAR

Tomorrow witnesses the dawn of a new year, while behind us lies a period of twelve months that will go down in history as a period of momentous changes in the social, economic and political structure of nations.

Insofar as the British Empire is concerned, the outstanding event of the year now rapidly closing, was the abdication of His Majesty King Edward VIII in favour of his brother the Duke of York, now His Majesty King George VI. This constitutional crisis, which for a time, occasioned grave anxiety on the part of statesmen throughout the Empire, was met with traditional British resourcefulness and dignity, and today, on the threshold of a New Year, the British Commonwealth of Nations stands more firmly united than ever before in its glorious history. Such fact is a cause for thanksgiving among British peoples throughout the world as 1937 begins.

Elsewhere, mighty transitions are taking place. Spain, for centuries a calm and peaceful nation has been plunged into the depths of one of the most bloody civil wars in history, by factions that strive to obtain the reins of power. Germany and Italy are held in the palm of a dictator's hand, while Communism is striving to gain a foothold in the Far East and throughout Europe. Democracy reigns supreme on the continent of North America and a strong tie of friendship exists between the mighty nation to the south of the border and our Dominion. Such facts should give all of us ample reason to give thanks as the old year comes to a close.

During recent months business endices and financial reports have indicated that 1936 may be looked upon as the year in which Canada definitely emerged from the financial and economic depression. History has been made by this Dominion in this respect, due to the resourcefulness and enterprise of all its citizens. While social unrest has led to the application of force in some countries, the peace and good government of Canada has continued uninterrupted, and the happiness of all enhanced. It is true that many Canadians have been compelled to undergo mental and physical privations through the sudden collapse of the economic structure resulting in much unemployment and need. but improvement is to be found in all quarters and strong hopes are entertained that economic prosperity will soon be within the grasp of all.

Locally, reports of business men indicate that trade has increased substantially and the Christmas "rush" of 1936 has surpassed any year since 1929. The farmers throughout Eastern Ontario have enjoyed increased prices for many of their commodities and generally enjoyed better times.

As we face the New Year, such thoughts should inspire confidence and give promise that 1937 will witness a return of prosperous times for all. Let us look to the future with enthusiasm and determination that the valuable ground gained on our return to better times is maintained and strengthened, so that all our citizens may enjoy the blessings and happiness to be found during the New Year.

A SPLENDID NEW YEAR'S RESOLUTION

We would suggest to the citizens of Winchester generally that they include a New Year's resolution among their own for 1937, worded much after this fashion:

Resolved that I will co-operate at all times with my fellow-citizens throughout the year, in an effort to make Winchestr a happier and more enterprising town in which to live; that I will refuse to listen to adverse criticism of our municipal servants, who devote much of their time to looking after my interests; that I will patronize our local merchants and business men so that our fair town may prosper and be in a position to make further progress; that I will work energetically to promote any undertaking that will stand for the improvement of this community, and lastly, that I will never forget that Winchester is no better than the citizens who live here—and I am one of them.

If such a resolution were entered into by all of us, with earnestness and sincerity. we would not recognize our own town in twelve months' time

EDITORIAL NOTES

May we extend to all our advertisers, subscribers and friends, the compliments of the Season, and our sincere wishes for a Happy and most Prosperous New Year.

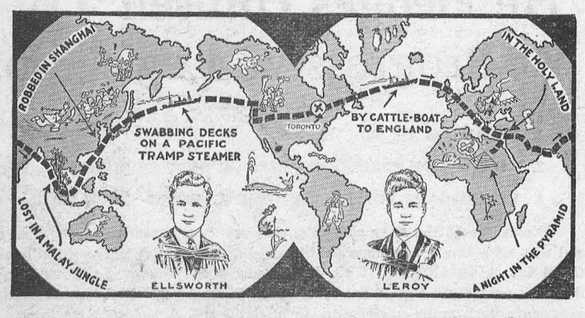
An election for the reeveship of this municipality was assured on Tuesday evening at the close of nominations. Mr. T. O. Keyes, reeve of Winchester for the the past two years, will be opposed by Mr. Hy. Bessin, for three terms a member of the Municipal Council.

Both candidates are engaged in business here and have had considerable municipal experience, and it now remains for the electors of the municipality to decide which of the two men will occupy the important position as head of the Council Board for 1937.

Prospects are that another nomination meeting will have to be called as an insufficient number of candidates qualified to fill the vacancies on the Council.

The task of administering the affairs of any municipality is a thankless one, requiring much time and energy on the part of those who accept office. In this respect it is not difficult to understand why citizens feel reluctant to qualify for office. There is a certain amount of satisfaction to be gained, however, in the fact that a citizen is making some contribution towards the welfare of his fellow-citizens. Therein lies the sole reward for services rendered, and those who offer nothing but adverse criticism throughout the year should bear that thought in mind.

"HITCH-HIKING 'ROUND THE WORLD"



This is the route followed by the Toll Brothers, Ellsworth and LeRoy of the University of Toronto, when they worked and hiked their way around the world—one full year—twenty-seven countries—30,000 miles—with a transportation bill of just $75.00 each! The story of their trip, with amazing pictures in colour on the screen, will be heard in Winchester United Church, Wednesday, January 13th, at 8 p.m. Adults 25c, Children 15c.

IN MEMORIAM

In loving memory of our only son and brother, Burton L. Kirkwood, who departed this life January 1st, 1936.

Happy hours we once enjoyed,
How sweet their memories still.
But death has left a loneliness,
This world can never fill.

Sadly missed by Father, Mother and Doris. 35p

Late Mary Ann Salter

There passed away on Wednesday, Dec. 23rd, a very highly respected and aged citizen in the person of Mary Ann Bolton, widow of the late James Salter, at the home of her son-in-law, Mr. Norman Barnhart. Her husband predeceased her 47 years ago.

If deceased had lived until January 1, she would have reached her 98th year. She has been in bed for the past four years and has been carefully and lovingly nursed by her only daughter, Mrs. Norman Barnhart.

The funeral was held on Saturday at 1.30 to the United church, the service being conducted by her pastor, the Rev. W. R. Johnston, to which a large number of old friends and neighbors turned out to pay their respects to one who had been so highly thought of in the community. Mrs. (Rev.) Johnston sang very tenderly "One by One," with Mrs. Lorne Armstrong at the organ. Those who are left to mourn are: one daughter, Mrs. Norman Barnhart, and one son, Daniel Slater, of this place also two grandsons, Erroll Barnhart of Ottawa and Parker Barnhart of Detroit. The pallbearers were neighbors of the deceased as follows: Wm. Armstrong, Henry Kenney, Chas. Shaver, Mahlon Shaver, Avner Collison and Earl Baldwin, burial taking place in the Union cemetery. To the bereaved son and daughter and relatives we extend sincere sympathy.

Literary Society Hold Final Meeting

The Literary Society of Metcalfe Continuation School held its final meeting for 1936 on Tuesday afternoon with the president, Jas. Rowan, in the chair. In a short business session, plans were discussed for the banquet to be held in January, and the members of the executive were appointed to make necessary arrangements. It was also unanimously agreed to purchase an electric clock for the school rooms. A short programme followed, with a reading "A Visit from St. Nicholas" by Bryson Comrie, as the opening number. Five checker enthusiasts, Ken Hay, Murray Bigford, Keith Cameron, Donald Booth and Harold Armstrong were then called forward and after an address read by Jas. Rowan, the secretary, Oren Stanley, presented the boys with a checkerboard for their sole use during 1937. Murray Bigford, in replying for the group, expressed his inability to find words suitable for the occasion. Carol singing with Dorothea Blair at the piano, was enjoyed, after which the Christmas number of the Continuation School "Gazette," with its notes on all and sundry, was read by Sidney Irwin. The cover for this number of the Gazette was a beautiful "Winter Scene," designed and painted by Phyllis Rolston.

A pleasing feature of the afternoon's programme was the presentation of a leather billfold to the principal, Mr. J. H. Caskey, and a camera to Mr. K W Stuart, assistant, the address being read by Jas. Rowan, and the gifts presented on behalf of the pupils by Oren Stanley. Both teachers expressed their thanks for the gifts and for the co-operation received from the pupils during the past year. Mr. M. A. Pelton and Miss L Boyd of the Public School staff, who were guests for the occasion, also expressed their appreciation for many kindnesses received from staff and pupils of the Continuation School. After singing the National Anthem, a treat of candy was distributed by the teachers.

LILLIAN MABEL SINCLAIR

Tribute to the memory of Mrs. W. Clarence Sinclair, esteemed resident of Sudbury for the past three years who died at her home in Sudbury on November 26th following a heart attack, was paid on Saturday, November 28th, when many friends and relatives were present at the funeral which was held from her home, 26 Cypress St., to St. Andrew's United Church. The service was conducted by Rev. W. E. Cockram of St. Andrew's United church, of which the deceased was an active member, following which the cortage proceeded to Park Lawn Cemetery where iterment took place. The late Mrs. Sinclair, wife of W. Clarence Sinclair, retail manager of Cochrane Dunlop, Sudbury, before her marriage in 1922 at Oshawa, Ont., was Miss Lillian Mabel Wells, daughter of Mrs. Alice Wells and the late William Wells. She was born in Winchester, Ontario. For ten years previous to her marriage she taught school in Winchester and Sault Ste. Marie, Ontario. She was prominent in women's activities in St. Andrew's United church and a member of the Women's Auxiliary and Fireside Club. She was also a member of Sault Ste. Marie branch of Eastern Star and the Women's Canadian Club, Sudbury, Ont. Prior to going to Sudbury, she resided in Pembroke, where her charm and kindliness endeared her to many and the news of her sudden passing will be received by numerous friends with deep regret. The late Mrs. Sinclair is survived by her husband and three children, Norma, Victor and Dorothy, also her mother, Mrs. Alice Wells, Oshawa. Three sisters and two brothers, Mrs. Howard Jackson, Sudbury, Miss Kathleen Wells, Oshawa, Mrs. H. S. Pye, Sherbrooke, Que., Mr. Fred W. Wells, Port Hope and Harold Wells, Iroquois, Ont

The pall bearers were Donald Groom, R. G. Babcock, Wm. McLean, Thomas Ramsay and B. Hamilton.

The many floral offerings and messges of sympathy indicated the regret occasioned by her death.

THE UNITED CHURCH

In the pastor's message to the girls and boys on Sunday morning they were asked to resolve to love and serve Jesus through the coming year.

Using Acts 20:22 for a text a strong protest was made against gambling. Thoughtful people to-day are very much concerned about this evil. An appeal was made to all Christian people to throw their influence against all games of chance. We are staking our lives upon something and what that is determines our character.

The subject taken by Rev. W. S. Atchison for the evening was: "The Meanest Street in Town." This he said is named Easy Street, and he chose for his text the words of King Jeroboam to the children of Israel: "It is too much for you to go up to Jerusalem," and he made two golden calves for the people to worship, instead of going up to worship God in the temple at Jerusalem. So we have come to a place in our civilization when people want ease, but by wanting to reside on Easy Street our highest possibilities are not realized. Looking for an easy way of salvation will never make one a Christian, because the first step in the Christian life is self-denial and a surrender of self to God. The Christian life makes many demands on us, and we should face up to them.

A solo was sung by Mrs. Lindsay at the morning service and an anthem by the choir in the evening.

UNION CHRISTMAS SERVICE

There was a good attendance at the Wesleyan Church on Christmas morning when a Union Service was held, over which Rev. D. W. Summers, the pastor of the church, presided. An appropriate message on "Goodwill" was given by Rev. W. S. Atchison. The Scriptures were read by Rev. H. Wood, and prayer offered by Rev. W. D. Turner A solo, in keeping with the thought of the message, was sung by Mrs. (Dr.) McKendry, with Miss Bessie Rennick, the church organist, as accompanist.

ON SILAGE PRODUCTION

An endorsement of this practice is to be found in a recent bulletin issued by Dr. E. S. Hopkins and P. O. Ripley of the Central Experimental Farm. In a section devoted to soya beans as a silage crop they impart the following information: "Soya beans for silage are planted with a grain drill in rows 30 inches apart, with the plants about three inches apart in the row. This requires about 30 pounds of seed per acre. Soya beans should be ensilaged when the pods are well filled but before the leaves begin to turn yellow. They may be ensiled either alone or, as is more frequently the case, in a mixture with corn. They may be mixed in any proportion, but as corn is an almost ideal silage crop, it might be used in relatively larger amounts. A mixture of three parts of corn to one part soya beans produces an excellent quality of silage."

SOYA BEANS AND CORN FOR SILAGE

On "The Maples" farm, near Kemptville, Ont., owned and operated by Dr. Frank T. Shutt, C.B.E., and his nephew, A. A. Holmes, a small area of newly-broken land was sown with soya beans, in the spring of 1935. The stuff grew like Jack's bean-stalk and soon presented a problem as to what could be done about it. The stalks were heavily poded and might have yielded a crop of seed, but the crop kept on growing so long that maturing the seed was out of the question; and still it grew until the idea of making hay out of it was dismissed.

Dr. Shutt, having been Dominion chemist for 46 years, knew something of the chemical composition of soya beans and that they are high in protein and carbohydrates, considerably higher than corn in this respect. So why not put the growthy crop of soya beans in the silo with the corn? Thus was the problem solved, and the resultant silage proved most palatable and nutritious.

This year at "The Maples" another bumper crop of soya beans was grown on a larger acreage, an area fertilized last year for potatoes and mangels, and the soya bean crop responded to the residual fertility in the soil. Again the crop was ensiled with the corn, and the results obtained warrant the adoption of this method as standard practice.

PRESENT PRIZES AT N. MOUNTAIN SCHOOL

The pupils of North Mountain Consolidated School presented their annual concert on Tuesday evening last to a capacity house. Almost four hundred people enjoyed an excellent concert provided by the different forms of public and high school.

Rev. Donald Morrison was chairman and the high school principal was master of ceremonies. Miss Freda Beggs presided at the piano. The teachers in charge of the preparations of the program were: Miss Louise Curry, Miss Marjorie Young, Mr. W. L. Brown, Miss Ruth Weston, Mr. Chas. Christie, Mr. A. McIntosh and Mr. Wm. Ellis.

One of the outstanding features of the evening was the presentation of prizes. The lengthy list of winners testified to the excellent work which was done in the past year. Presentations were made by Mr. W. L. Brown and Mr. Chas. Christie to Corienne Hyndman, Margaret Loughlin, Charles Brooks, recommended at entrance examination. All were tied for equal prize money.

In Lower School Walter Allen was awarded first prize with a yearly average of 83.2, Vivian McDonald rating second place with an average of 79.9. Cash prizes were awarded which were donated by the North Mountain Consolidated School and the North Mountain Community Club.

Two cadet medals were won by Gordon Shaver, the Strathcona Trust silver for shooting, and a bronze medal for deportment at cadet inspection.

LATE PETER HILL

Peter Hill, 83, a native of Bouck's Hill, near Williamsburg, was found shortly before five o'clock on Sunday night lying dead in the stable with the left side of his head shot away. A shotgun was beside the body.

Mr. Hill, who had been living on the homestead with his son and family, had dinner at noon with a number of immediate friends and after chatting with them for some time left them with the excuse that he had some chores to do. Mrs. Jack Hill, wife of Mr. Hill's grandson, discovered the body at 4.45 o'clock when she was passing through the stable on an errand.

Provincial Officer Frank Rose and Dr. McIntosh of Morrisburg were called and finding that the man had been dead some time called Dr. M. W. Locke, coroner, of Williamsburg.

Dr. P. McLaughlin, of Winchester, chief coroner for Dundas County, was called and after reviewing the circumstances surrounding the man's death, decided that no inquest was necessary.

Relatives of the deceased were at a loss to understand why the act was committed, as Mr. Hill had been in fairly good health.

The funeral was held on Tuesday from his late residence, with interment at Elma cemetery.

WORK PROGRESSES ON THE SANATORIUM

In an interview with the Press last week, Howard H. Nesbitt, chairman of the St. Lawrence Sanatorium Board of the three United Counties of Dundas, Stormont and Glengarry, spoke with satisfaction of the progress made in the erection of the tubercular hospital east of Cornwall, for county patients. He paid tribute to the work of Chester C. Woods, architect of the building; W. G. Cameron, consulting engineer to the Board; the clerk, A. K. MacMillan, and the contractors, Henri Dagenais, Ltd., Ottawa.

Mr. Nesbitt said this statement given to the press, was his first since building operations had been started, and announced that at a meeting of the building committee held in Cornwall on Wednesday of last week, the first cheque from the Ontario Government had been presented to him by F. B. Brownridge, M.L.A. for Stormont. The amount, $45,000, is part of the $100,000 grant from the Government. He said that after consultation with the Dominion Government, arrangements had been made whereby the counties would pay no sales tax on any of the materials being used in the building, which would result in a considerable saving.

On Wednesday, January 6, Mayor Aaron Horovitz, of Cornwall, will officiate at the laying of the corner stone of the sanatorium.

ST. PAUL'S SERVICES

On Sunday last at St. Paul's morning service, Rev. Mr. Turner gave a very impressive post-Christmas address, and a quartette entitled "No Room in the Inn," was well rendered by Mesdames George and Hugh Wilson and Messrs. Hugh and Gordon Wilson. The evening service was given over to the Ladies' Choir, who, under the direction of Mrs. Turner, with Miss Clara Irving at the organ, presented the cantata, "Chimes of the Holy Night," most acceptably. Solos were taken by Mrs. Turner, Mrs. George Wilson, Mrs. Walter Moffatt and Mrs. Hugh Wilson, and a duet by Mrs. Lorne Kinkaid and Mrs. Colin Hay. Despite the inclemency of the weather, a good congregation had the privilege of hearing this beautiful message in song.

MRS. GEORGE LANNIN

Impressive tribute was paid to the memory of the late Mrs. George Lannin at her funeral, which was held on Saturday afternoon from the residence on Queen street, where the service was conducted by Rev. W. S. Atchison, pastor of the United church, assisted by Rev. W. D. Turner of St Paul's Presbyterian church. During the service a solo was rendered by Mrs Ernest Steele, with Miss Alice Singleton presiding at the piano. Following the service, interment took place at Knight's cemetery. The pallbearers were Albert Turner, Joseph Barriger, Peter McGregor, Rowat Elliott, Harvey Nesbitt and John Fader.

Among the many floral tributes which testified to the high esteem in which the deceased was held was a wreath from the Women's Missionary Society of the United Church.

CHESTERVILLE LEAGUE

The Chesterville hockey team invaded Cornwall Saturday night last, and held Cornwall Canadiens to a 3-3 overtime draw in the opening match of the Senior St. Lawrence Hockey League. The game was fast and clean, Referee George Foster of Ottawa finding it necessary to impose only six penalties, four on Chesterville and two on Cornwall.

Gault and Donihee teamed up to open the scoring for Canadiens, and Rombough got the equalizer, the first period ending 1-1. Bob Hitsman, on his own rebound. after 16 minutes, scored the only goal of the second session, and Chesterville led 2-1.

Six minutes after the start of the third, Gardiner tied the count, 2-2. Gault then gave Cornwall the lead 30 seconds after the overtime started, and four minutes later Aubin and Harper tied it again.

Jimmy Fyke was a standout in Chesterville's nets. and Wagoner saved several likely-looking ones for Canadiens.

Chesterville: Goal, Fyke; def., Johnson and McConnell; centre, Aubin; wings, A. Rombough and R. Hitsman; subs., F. Plantz, P. Plantz, McElroy and Harper.

Canadiens: Goal, Wagoner; def., Gault and Robertson; centre, Laperle; wings, G. Donihee and Gardiner; subs., Bus Cameron, Payette, Jasmin and Tan Cameron.

Referee: George Foster, Ottawa.

SMARTLY STYLED UNISTEEL BODIES WITH NEW POWER PLANT

Chevrolet announces two cars for 1937—the Master and the Master de luxe. They are of identical wheelbase and both powered by a new valve-in-head motor of 85 horsepower. All-silent all-steel Turret-Top bodies by Fisher of unisteel construction are a feature of both. A cutaway view of the unisteel body is shown lower left. The flashing speedline, which extends from the hood through the front door panel, is shown lower right. The generous capacity of luggage trunks, a feature of all sedan models, is shown upper left. Upper right, the Master de luxe Sedan.

Happy & Prosperous New Year.

TO THE ELECTORS OF WINCHESTER TOWNSHIP

I wish to express to the electors of Winchester Township, my appreciation of the confidence shown in me when I was returned to the office of Deputy Reeve of the municipality by acclamation. During my years as a member of the Council I have endeavoured to serve the municipality to the best of my ability at all times. May I assure you that my efforts on behalf of the citizens of the township generally, will be continued throughout the coming year

Wishing all the Compliments of the Season.

Alex Claude Clairault, prominent French mathematician and astronomer, born in 1713, showed an extraordinary mathematical ability at a very young age. At 10 he was acquainted with works on higher mathematics, and before he was 13 he had presented a memoir on curves to the French Academy of Sciences. Three years after that his first work was published on mathematics, and at 18 he was elected to the French Academy.

Clairault continued his work in mathematics and astronomy, investigating also physical properties of liquids. He studied the shape of the earth, finding that it was flattened at the poles, and computed the change in gravity at high altitudes. He predicted the return of Halley's comet in 1759 with an accuracy remarkable for that time.

Almost 1300 miles up the Nile from the Mediterranean there is a river called the Atbara which empties into it. Below this stream, which runs almost dry in the summer months, the Nile does not have a single tributary—yet the waters from it are used to irrigate almost five and a half million acres of ground.

CELEBRATE GOLDEN WEDDING

Guests from Winchester, Mountain. Cornwall, Smiths Falls, Russell and other centres were present at the home of Mr. and Mrs. Cephrenus Hummell of Chesterville this week, it being the occasion of their Golden Wedding Anniversary.

The celebrants were married at Mountain, birthplace of the bride who was formerly Emma Keyes, on December 22, 1886. by Rev. T. B Conley, and have made their home in Chesterville since. They have a family of two sons and two daughters, Harry C. Hummell and W. Ralph Hummell, and Mrs H L Hough and Mrs G C Cummings, all of Chesterville. A son, Max, died at the age of 18 years

The tea table was laid with a lace cloth and was centred with a three-tier wedding cake and golden tapers. Assisting were Mrs N Farrell, Mrs Monteith, Mrs. Lang Belway, Mrs. D M McElheran. Mrs Sid Morris, Miss Gwen Hummell and Miss Edna McGee, Mrs. Hugh Allison of Smiths Falls and Mrs. E. E. Hough of Avonmore.

During the afternoon Rodney, Harold and Gordon Hummell. grandsons, sang a number of songs to guitar accompaniment, played by Gordon Hummell.

An event of interest was the baptism by Rev. R. C. Tait of Bobbie, young son of Mr and Mrs H C Hummell

Included among the guests were four persons who had attended the wedding ceremony, J. C. Hummell, Mrs Lucy Summers, Mrs N Farrell and T. O. Keyes of Winchester.

WORK PROGRESSES ON THE SANATORIUM

In an interview with the Press last week, Howard H. Nesbitt, chairman of the St. Lawrence Sanatorium Board of the three United Counties of Dundas, Stormont and Glengarry, spoke with satisfaction of the progress made in the erection of the tubercular hospital east of Cornwall, for county patients. He paid tribute to the work of Chester C. Woods, architect of the building; W. G. Cameron, consulting engineer to the Board; the clerk, A. K. MacMillan, and the contractors, Henri Dagenais, Ltd., Ottawa.

Mr. Nesbitt said this statement given to the press, was his first since building operations had been started, and announced that at a meeting of the building committee held in Cornwall on Wednesday of last week, the first cheque from the Ontario Government had been presented to him by F. B. Brownridge, M.L.A. for Stormont. The amount, $45,000, is part of the $100,000 grant from the Government. He said that after consultation with the Dominion Government, arrangements had been made whereby the counties would pay no sales tax on any of the materials being used in the building, which would result in a considerable saving.

On Wednesday, January 6, Mayor Aaron Horovitz, of Cornwall, will officiate at the laying of the corner stone of the sanatorium.

ST. PAUL'S SERVICES

On Sunday last at St. Paul's morning service, Rev. Mr. Turner gave a very impressive post-Christmas address. and a quartette entitled "No Room in the Inn," was well rendered by Mesdames George and Hugh Wilson and Messrs. Hugh and Gordon Wilson. The evening service was given over to the Ladies' Choir, who, under the direction of Mrs. Turner, with Miss Clara Irving at the organ, presented the cantata, "Chimes of the Holy Night," most acceptably. Solos were taken by Mrs. Turner, Mrs. George Wilson, Mrs. Walter Moffatt and Mrs. Hugh Wilson, and a duet by Mrs. Lorne Kinkaid and Mrs. Colin Hay. Despite the inclemency of the weather, a good congregation had the privilege of hearing this beautiful message in song.

TO THE ELECTORS OF THE TOWNSHIP OF MOUNTAIN

As a candidate for the positio... Reeve of Mountain Township for anoth... er term, I appeal to the electors of the township for their continued confidence and support at the approaching election.

I have served the municipality for many years to the best of my ability, and as Reeve, have put forth every effort to administer the affairs of the township in a just and economical manner.

During recent years the task of administering the affairs of Mountain Tp. has been a heavy one, owing to economic conditions. Throughout that period I have given much of my time and energy towards keeping the affairs of the municipality on a sound financial basis, at the same time, keeping in mind the best interests of those citizens who must pay the taxes.

If elected to the position of Reeve for the year 1937, I pledge myself to a policy of sound business and economy in all matters affecting the township of Mountain.

Wishing all a Happy and Most Prosperous New Year.

Faithfully yours,

ROBT. BRYAN.
