FUTURE HOCKEY STARS

Showed Their Stuff Last Saturday!

Manager and caretaker of the Winchester Community Centre Ralph Brown said they started to arrive as early as seven o'clock last Saturday morning. Someone later said they didn't want to miss the first game which was slated to get underway only three hours later at 10.15. And to this writer's knowledge no one who was supposed to play hockey did miss the games as more than 150 young hopefuls, ranging in age from a Peanut 5 to a Midget 16 took part in a special Young Canada Hockey Week day-long program.

Excitement was at a fever pitch all day and particularly with the "Peanuts" who started the program off in fine style by dropping the opener to their Morrisburg opponents 9-0. But the score was strictly incidental and Jim VanBridger, who manages this group, five to eight years, was probably the busiest man on the ice as he tried to change lines, tell the boys which way to go and referee at the same time. For the wee ones the rink was blocked off at the halfway mark for it was reasonable to assume that these young, inexperienced legs, game as they were, would soon tire if they had to cover the whole distance very many times.

Morrisburg marksmen in the Peanut affair were Fraser Cross with a hat trick, R. Kenney who collected a brace, and B. Eamen, B. DeBruyne, B. Coulthart and M. Rielly who each beat Winchester goalie Peter McIntosh.

The kids were spurred on during the day by quite a number of proud parents and interested spectators who got a big bang out of all the commotion.

The Peanuts had hardly headed for the showers when the Pee Wees arrived on the scene. Bigger physique and advanced years, 8 to 12, warranted the playing of the game on the regular ice surface. And as it turned out it was quite a game, with Morrisburg again showing their superiority in a convincing 6-0 win. The Morrisburg crew looked like a fine hockey team and for their years showed much promise of things to come. This writer, along with others, was much impressed with their skating ability and know how. Properly coached, the Morrisburg Pee Wee team may develop into a game winning hockey team in years to come. Winchester Pee Wees, under Norb. Hutt's direction, were better than the score indicated. However, the score was incidental as the youngsters realized that this was their day.

Morrisburg scorers were Don Hess who netted a trio, L. Beckstead with two, and a singleton by J. Jackson. Biggest Pee Wee on the ice was S. Merrill who tips the scales at 160 and is only 10 years old. Needless to add he was a bulwark on defence.

Afternoon

Winchester got an even split in the two afternoon games with Keith Carkner's Bantams being dropped by Cardinal 7-1 and Lorne Sawyer's Midgets pulling through with a fine 6-2 verdict over Kemptville.

The Bantam game got underway at 1.15 and it is at this age group, 13 to 15 after August 1, that size and hockey ability begin to show. The game was a thriller all the way with Winchester players, particularly Dale Allison, one of the outstanding members of the Bantam squad, missing chances at point blank range. Noel Potter scored the locals' only goal and up until that time it was the only Winchester counter in the first three games. Don Adams was the hat trick boy for Cardinal. Paul Ferguson scored twice and singletons came off the sticks of W. Patterson and B. Beggs. Referees were Lloyd Bailey and Reg. Fetterly.

Lorne Sawyer's Midgets put Winchester in the win column in the final game of the day as they downed Kemptville 6-2 in a hard-fought contest. The Winchester Midget team, up to 16 years, is a big powerful squad and showed lots of speed and ability in chalking up the win. A few games together under their belts and they may have a contending team for Ottawa district honours.

Gerald Holmes, their standout goalie, looked like a polished tender between the pipes as he kept the Kemptville players at bay most of the game. A 2-2 tie at the end of the first, the Sawyer Six counted again in the middle frame and finished strong with a trio in the final twenty. Gerry Tansley paced his teammates with a pair. Other marksmen were Bob Sawyer, Bill Casselman, Glenn Casselman and Al. Wylie.

Mel. Scott, well known O. D. H. A. official, donned the skates for the first time this year to handle the contest, and with the help of Jack Dawson kept the game in hand for the full sixty. Six penalties were handed out, four to Winchester. Don Craig handled the Kemptville boys.

From every angle, it was a big day of hockey for both the players and the spectators, and according to Keith Carkner, St. Lawrence District Minor Hockey Convener in charge of the event, it will be an annual attraction. Young Canada Hockey Week is sponsored by the Canadian Amateur Hockey Association, and endorsed by practically every organization and government. In Winchester the 100 Club, Legion and Community Centre got together to make the day-long event possible. Keith Carkner was assisted by Jim VanBridger, Norb. Hutt, Lorne Sawyer, Bill Crummy, who are pictured above in the lower left hand position. Rink Manager Ralph Brown

HOSPITAL AUXILIARY MEETING

Mrs. Black, first vice president, presided over the regular meeting of the Winchester District Memorial Hospital Auxiliary held in the Town Hall last Thursday evening. Roll call was answered by seven units, with 21 members being present.

An interesting report of the hospital activities for January was given by Mrs. Mulloy, who also made a request for blood donors in order to keep up the supply, especially of the rarer types. The new drapes have been put up in all the patients' rooms and create a very pleasing appearance.

Miss N. Elliott reported a substantial balance on hand after paying for the new drapes and an irrigating stand. Further new equipment is under consideration. It was the desire of the members to renew the subscription to the Reader's Digest.

Arrangements were made for the sale of the used drapes and two rugs at the hospital on February 19th. The distribution of books among patients for the month of February will be carried out by Mrs. Beedie and Mrs. A. Summers.

Mrs. Graham presided at the piano for the singing of the National Anthem.

Gordon Fawcett Breaks Leg Again

Gordon Fawcett, 26-year-old Inkerman man, is in Cornwall General Hospital to-day recovering from a broken thigh which he sustained while working with a Hartshorn House Mover at Farran's Point last Wednesday. The break marks the third time that Gord. has fracured a leg. First time came when he was in First Form, High School. Just a year ago he fractured his leg while playing town league hockey at the Community Centre. Wednesday marked the third.

The injury Wednesday was the most serious. Gordon, who works for the Hartshorn House Moving Company, was helping elevate a home at Farran's Point when the accident occurred. Workmen were using a bulldozer to shove an eye beam across and beneath the house. As the beam neared the opposite side where Gordon was working it struck another beam beneath the house, knocking it to the frozen ground and pinning Gordon under it.

Fellow workers quickly released him and he was taken by ambulance to the Hydro Hospital at Mille Roche. Dr. Coldwell was the attending physician and later had him removed to the General Hospital at Cornwall where he underwent surgery. His condition at press time was satisfactory.

MRS. ROBERT CARKNER DIES IN 89th YEAR

Mrs. Robert Carkner, 89, respected Winchester district resident, died at the home of her son, Hubert Carkner, Ormond, on Wednesday morning. The former Lillie Ann MacDonald, she was the widow of Rev. Robert Carkner. A complete obituary will appear in next week's Press

MR. and MRS. FLOYD COONS OBSERVE 25th WEDDING ANNIVERSARY

On the occasion of their 25th Wedding Anniversary which they observed last Saturday, Mr. and Mrs. Floyd Coons, well known district couple, were honoured by their immediate families at an evening anniversary party held at their home.

Mrs. Coons is the former Mildred Kenney. The couple, which received a lovely floral bouquet, have two sons, Elwood and Douglas, both at home.

During the evening Mr. and Mrs. Coons were presented with a steam iron from their sons, pop-up toaster from the Kenney family, and an electric frying pan from the Coons family. Lunch was served by several of the ladies present and it was highlighted by the presentation of a beautiful anniversary cake.

Both Mr. and Mrs. Coons thanked their friends and relatives for the lovely gifts.

EVENING AUXILIARY

The February meeting of the Evening Auxiliary was held on Tuesday evening at the home of Mrs. Clark Curtis. Mrs. Robt. Holmes opened the meeting with a hymn and read a poem, "A Day Off." The Lord's Prayer was repeated in unison.

The various reports were heard. 17 hospital calls and 25 home calls were reported. It was decided to accept the invitation of the W. M. S. to join with them for the Easter Thank Offering meeting in April. Mrs. D. L. MacLean, leader of the C. G. I. T., announced the girls were sponsoring a Tea to be held on March 16th. The World Day of Prayer will be held on March 8th in the Anglican Church. The March meeting of the Auxiliary will be held at the home of Mrs. H. Willard on Tuesday evening, March 12.

Mrs. D. Lannin, Mrs. K. Barrigar and Miss Lila Hughes had charge of the worship service, the theme being 'Ye Did Not So Learn Christ—put off your old nature and put on the new nature." Mrs. Barrigar read the passages asked by Mrs. Lannin. Scripture and Miss Hughes answered questions from these The Study Period was on the Philippines and Indo China. The work of the United Church in these countries was explained, and the thought left was that Communism thrives on the failure of Christians being truly christian.

A dainty lunch was served by the commitee, and Mrs. H. Willard voiced the thanks of the Auxiliary for the inspiring evening. The meeting closed with the Mizpah Benediction.

100 CLUB INSTALLS OFFICERS THIS FRIDAY

Members of Winchester 100 Club are reminded that the 1957 slate of officers will be installed at the February luncheon meeting this Friday night, 7.00 o'clock, at Heidi's Restaurant. Plans for the forthcoming year and other business will highlight the meeting at which all members are asked to attend.

Summer Work on 43 - Cass

Winchester-Chesterville motorists will be interested in learning that the seven-mile stretch on Highway 43 which joins the two villages is slated for reconstruction by the Department of Highways.

The Press was advised of the Department's intention on the week-end by letter from the Grenville-Dundas member, F. M. Cass. Mr. Cass' letter stated in part:

"I have now been advised by the Minister of Highways that his Department has scheduled the reconstruction of Provincial Highway 43 from its junction with Provincial Highway 31 south of Winchester to Chesterville; the work is slated to be advertised in August of this year and will consist of grading, culverts and granular base."

This section of Highway 43 has been deteriorating in the past few years despite the department's attempt to repair it. The announcement that it will be reconstructed will be met with much enthusiasm by the residents of this entire area.

MRS. THOS. JOHNSTONE DIED TUESDAY

At her home, R. R. 1, Inkerman, Mrs. Thomas Johnstone died on Tuesday, in her 66th year. She was the former Laney Eliza Jamieson, wife of Thomas Johnstone, who survives. Funeral services will be conducted by Rev. Wm. Sutherland at Knox Presbyterian Church, Winchester Springs, on Friday afternoon at 2.30 o'clock. Entombment at Maple Ridge Vault. Full obituary in next issue.

Ontario Report . .

By F. M. Cass, Q.C., M.L.A. for Grenville-Dundas

The second week of the Session has been the introduction before the House of many Government Bills to enact into the Laws of the Province some of the matters which had been announced in the Speech from the Throne. All such Government bills are first discussed and agreed upon by the Government party in Caucas and then, after introduction into the House, referred to the appropriate Committee of the House. These committees, of which there are 17, on 13 of which your member serves, consist of members from all political parties in the Legislature; each member has the opportunity of questioning or opposing any detail of each bill and any interested citizen or organization is free to attend and be heard by the committee. If the Bill is voted on favourably by the committee, it is brought up again in the House for final passing; if it is voted down by the committee, it dies and is heard of no more.

The Members received from John Yaremko, Member for Toronto-Bellwoods, a most interesting report on his trip as Ontario's representative to Austria last Fall. He gave a vivid description of conditions in the Hungarian Refugee Camps there and of Ontario's contribution to the relief and reception here in Canada of these splendid and heroic people. The debate on the speech from the Throne has also been in full swing; during this debate each Member is expected to make a speech and, as most do so, the debate usually lasts for several weeks. It is led off by two Government members and is continued by the Leader of the Opposition and by the CCF Leader, after which private members carry on. This week Farquhar Oliver, Liberal Leader, and Donald MacDonald, CCF Leader, in attacking the Government, submitted their annual motions against adopting the Throne speech; these will be voted upon, on strictly party division, at the end of the debate. In this debate, a member is allowed and expected to speak on any matter of interest to his own riding which he wishes to bring to public notice or to the attention of the Cabinet. As a result, the Throne speech debate is one of the most interesting periods of the annual Session.

OBITUARY

LATE JOHN E. WOODS

A former resident of Winchester and Metcalfe, John E. Woods died at his residence at Kingston, Ontario last Wednesday, following a period of ill health.

The late Mr. Woods was a well known Metcalfe farmer and had served as president of Metcalfe Agricultural Society. In Winchester they resided in the home now occupied by Mr. A. D. MacTavish, opposite the residence of Dr. Barton.

He is survived by his wife, the former Luella McEwen, and a son, Billy Mac Woods.

Funeral service was held on Friday.

LATE HOWARD EARLE

The last tribute of respect was paid to the late Howard Earle on Saturday, February 2nd, at the Park Funeral Chapel, Saskatoon. The service was conducted by his pastor, Rev. A. A. Hamilton, of Third Ave. United Church, assisted by a former pastor and friend, Rev. Dr. John L. Nicol. Masonic rites were conducted under the diretcion of Mr. Geo. Lawrence, Worshipful Master of St. Luke's Lodge, of which Howard was a life member and a Past Master and a Past District Deputy Grand Master. Interment took place in Woodlawn Cemetery, Saskatoon.

Overtime Pay For Firemen Highlights Council Session

Members of Winchester Fire Department have asked municipal council for $75.00 overtime pay which they say is due them from fire fighting last year. Council learned of the firemen's request in a formal letter from department secretary Frank Dunlop which was presented at Monday night's February session. After studying the contents of the letter Councillor Don Christie was instructed to inform the firemen that some adjustment will be made.

The firemen's claim that they were not paid enough, after they had received their yearly cheque, is strictly a business proposition and there is no discord between the Fire Department and Council. Councillor Christie, who heads the committee in charge of the Fire Department this year, presented the letter to Council which included number of fires, number of firemen attending, and overtime pay which, according to the letter, was not paid. Fire Chief Gilbert Raistrick, present at the meeting, said that he was partly to blame because he had failed to submit to the clerk the full number of hours. The error, of course, was unintentional. Chief Raistrick keeps a record of all fires, the firemen who turn out and the number of hours they work.

Under the present set-up firemen, there are 18, are paid $5.00 per fire for the first three hours, and $1.00 per hour after that time. Council, in studying the contents of the letter, found discrepancies in the amounts each firemen should receive, and found that most of the problem resulted from fire fighting in Winchester Township. Council pointed out that only four firemen, including the chief, were required to respond to a fire in the township. The same rates apply and $15.00 is allowed for the tank and pumper truck. As a result of their discussion Reeve John Fader said that he would approach Township Council to determine whether or not the township would pay for overtime fire fighting at Morewood and Nation Valley. He will report to the next meeting of Council when an adjustment is expected to be made. All members of Council were of the opinion that a settlement should be made without delay, and that the firement would receive a fair amount.

Snow Removal

The question of snow removal was brought up and following much debate the following policy of snow removal in this village was passed by a motion in council: That snow would be drawn away or shoved back where possible on both sides of Main Street from the Town Hall up to and including the Bell Telephone office on the north side and the Presbyterian Church on the south side; that both sides of St. Lawrence Street be cleaned from the main intersection south to Deeks' Auto Electric on the west side and Boyd's Show Room on the East; that all fire boxes receive first attention after each snowfall to assure access in case of fire; that snow be removed from the front of all churches and the Vice & Craig Funeral Home; that snow be removed to enable Winchester doctors to go to and from their offices quickly and conveniently. Councillor G. H. Reynolds sponsored the motion and it was supported by members of council.

Councillor Reynolds, as head of the finance committee, also asked that all work sheets for the village be properly signed by the Town Foreman or person in charge. Fire Chief Raistrick was also instructed to inform the firemen that they must sign in and out when fighting fires to determine the number of hours. If a fireman's name does not appear on the book, he does not get paid, Council said.

It was revealed that Winchester's road subsidy this year would total $6,000: $1500 for construction and $4500 for maintenance. Council will study the local road situation, and make known their figures at the next meeting. Councillor James Johnston was named to represent Council on the South Nation Conservation Authority and he is expected to attend a meeting of the Authority at Ottawa in April.

Because of continued complaints about icy street conditions on the sidewalk running parallel to the Hy Bessin owned building at the corner of Main and St. Lawrence, the clerk was instructed to write Mr. Bessin asking him to relieve the drainage condition which exists there permitting water to run free of the walk. The letter will also state that unless Mr. Bessin takes immediate action to rectify the situation he will be held responsible for any injury to persons sustained on this portion of the walk.

On a suggestion of Councillor Reynolds a motion was passed upping the insurance on the fire truck to $100,000 inclusive. A new policy will also be taken out on the town snow plow.

Municipal accounts were $1728.93 and Hydro $4512.49. A building permit was issued to William Crummy.

Reeve John Fader presided at the meeting which was attended by Councillors Allan MacIntosh, Don. Christie, G. H. Reynolds, Jas. Johnston, Clerk C. R. Robinson, Chief G. B. Raistrick and Foreman Henry Lennox.

Rev. Gerald Fee Named Secretary Dundas-Grenville Presbytery

The Dundas-Grenville Presbytery of the United Church met in St. John's United Church, Cardinal, last Thursday. Rev. F. E. Rice of Cardinal conducted the morning worship. Presbytery was constituted by the chairman, Rev. T. N. Mitchell, and Rev. Gerald Fee of South Mountain was elected secretary-treasurer to succeed Rev. Arthur Thrower of Spencerville who is leaving for Cottam in the Essex Presbytery. Rev. E. B. Bugden and Mr. A. Allison of Chesterville were appointed to the Courtesy Committee. Rev. W. B. F. Corkum, of Kemptville, gave the Missionary and Maintenance report, stating that $27,577.00 had been raised by the Presbytery, an increase of $3300.00 over last year.

Afternoon devotions were conducted by Mr. Mervyn Peters of Hallville. Rev. Murray Jose of Prescott gave the Evangelism and Social Service report, stressing the need for a greater effort in evangelism. Rev. Fred Rice gave the Christian Education report and nominated to the Camp Committee Rev. W. B. F. Corkum, Rev. Gordon Dangerfield, Rev. Gerald Fee and Messrs. H. E. Fennell, E. Bowman, J. H. Willard and G. Fowler. Jack Durant of Chesterville spoke to the Presbytery on the Boys' Parliament which he attended during Christmas holidays.

The Pastoral Relations report was given by Rev. A. Thrower; The Boundaries, Rev. A. Thrower; Stewardship and Information, Rev. G. Dangerfield; Property, Rev. E. B. Bugden. The Iroquois congregation was given present property for a new church, hall and parsonage to be provided by Ontario Hydro. Rev. G. Dangerfield and Rev. G. Fee were appointed to the Nominating Committee to strike Standing Committees. A vote of appreciation to Mr. Thrower for his efficient services as secretary was passed by the members of Presbytery.

Presbytery was invited to hold its next meeting in Iroquois in May. The meeting closed with the Benediction by the chairman.

F. M. CASS HONORARY DIRECTOR OF C. C. E.

Mr. Fred M. Cass, M.P.P., Grenville-Dundas, was recently appointed honorary director of the Central Canada Exhibition Association, at a meeting of the Board of Directors. Mr. Cass is also an honorary member of the Metcalfe Agricultural Society Board of Directors.

A. C. Against A. C. Federal Race Here

There's nothing new on the election front in Grenville-Dundas. Once again in May or June at the next Federal election it will be A. C. Casselman against A. C. Casselman.

A. C. Casselman, of Cardinal, public school principal, was elected the Liberal standard-bearer at a recent meeting of the Association in Spencerville Town Hall.

Other A. C. Casselman is, of course, the present Conservative member for Grenville-Dundas who has been a member of Parliament for more than 25 years.

At the Liberal meeting J. Frank Casselman, of Morewood, was elected president of the Grenville-Dundas Association, to succeed Ralph M. McGarrell of Cardinal.

Officers for 1957 were elected as follows: President, J. Frank Casselman; secretary-treasurer, Mrs. Wm. McQuaig, Morewood; vice president, Roger Weir, Augusta township.

Members of the executive include: Roy Henderson, Edwardsburg township; James McMahon, Augusta; Guy Kemffer, Oxford; Wilfred Cooper, Matilda; Harry Martin, Mountain; William Lane, Williamsburg; Keith Carruthers, Winchester; Arnold Dulmage, South Gower; Gerald Colligan, Prescott; Bernard McLean, Merrickville; Alan Tobin, Kemptville; George Forrester, Cardinal; Lawrence Colligan, Morrisburg; George Elliott, Winchester; Keith Graham, Chesterville, and James Brouse, Iroquois.

WINCHESTER 4-H CLUBBERS

Win Top Provincial Honours

Allan McRoberts, popular Dundas 4-H Club member of Winchester, learned Monday that he had won first place as the Ontario Ayrshire Club's top Calf Club member. Sister Doris McRoberts was right behind her brother in second place and they are seen in the above picture with Edward Rose of Mountain, extreme left, another well known Dundas 4-H clubber who tied for the fourth spot. Other winners shown are Barbara Strath of Elmvale, second from left, and Jim Harrison of Goderich, extreme right. All were feted at the annual banquet held Monday in the King George Hotel, Cornwall. One of the big items of business at the Ayrshire annual was the members' decision to hire a fieldman. Winchester Township Reeve Basil Dawley, who heads the Counties' Agricultural Committee was chairman of the banquet, and Warden Charles McMillan welcomed the delegates. Clarence Mann, of Peterborough was elected the new president of the club, and Don Rose of Mountain was elected to the executive committee. In addition to the Biggs Trophy, Allan McRoberts received an award of $50.00. Allan, Doris and Edward may be heard in special interviews this Saturday 12.45 to 1 p.m., and Sunday, 11.45 to 12.30 p.m., over S. D. & G. Review on CKSF, Cornwall. *(Photo courtesy of Cornwall Standard-Freeholder.)*

What Price Hospital Care?

The decision of the District Memorial Hospital Board of Directors to go to the councils of 23 municipalities for financial assistance has been made after serious study of the current problem. The municipalities are being asked for assistance because of two important but not unusual factors: to obtain extra needed revenue to operate the hospital "out of the red" if possible; to combat the problem of patient rates by maintaining them at their present level, rather than increase them again.

The hospital's problem is not strange; it is not something which is being experienced for the first time. Operating a successful enterprise and trying to keep prices down is everybody's business and the administration of municipalities, particularly the smaller ones affected by this hospital, are no exceptions to the rule. Most villages to-day find it quite a rough road to operate with even a very small surplus. Annual grants, outright contributions and increasing taxes are among the most disliked items on the agenda of any council. Perhaps, therefore, there will be some opposition to the Hospital Board's decision to ask the 23 municipalities the hospital now serves to give each year $1.00 per patient day on an equitable basis. For instance, if Williamsburg township had 1200 patient days (and in 1955 it had over 1000) that municipality would be asked for $1200, and so on. In addition, the municipalities are being asked to foot the bill of free services. This means the difference in the indigent patient rate which would be an outright loss to the hospital if the municipalities did not come across.

What all of us must remember is the hospital's position which, we might add, is an extremely vulnerable one to the present condition that exists. The hospital, any hospital for that matter, must depend on contributions and support if it is to survive. Without government grants, individual donations, the Hospital Auxiliary, and the support of the municipalities in the way of grants, etc., the hospital could not pretend to function. It is a non-profit organization and, in the case of the local institution, it is fulfilling a very urgent need. All of us will agree to this. All of us, too, must agree to the responsibility we share in seeing to it that it continues to operate on a sound, efficient basis.

When this great 34-bed hospital opened 8 years ago it was designed to serve 8 municipalities and a population of 10,000. Today there are 23 municipalities and more than 20,000 potential patients. We doubt that anyone would agree to the hospital deciding to close its doors to persons not residing in the original 8 municipalities. However, if the hospital is to remain open to this greatly expanded area it needs financial help, and the way the hospital board is asking for this is on a "pay for your use" basis. What could be more fair? If an outlying township has 20 patient days in a year it will pay only $20; but that is probably $20 more than the hospital has been receiving from most of these border municipalities and from some, we reluctantly report, within the hospital area.

Winchester village and Winchester township are excluded from this new policy, and the reasons are quite evident. These two municipalities were the only two to issue debentures when the hospital was built—each for $20,000. In addition, Winchester village has pledged and donated since that time $38,000.00. Winchester township's total contribution till the end of 1955 was $34,772.00, including the debenture. Yet this hospital no more belongs to these people residing here than it does to John Jones in Matilda, Williamsburg, Osgoode or Mountain townships and other municipalities. These figures are not published in an egotistical manner; they are used only as reminders to other municipalities which seemingly have been shirking their conscientious duty to this hospital, for there is no compelling duty; and to reason why Winchester village and township have been excluded.

It has been suggested that the municipalities make annual grants, rather than pay for the patient days. It has been sensibly proposed to introduce a surcharge for the outlying areas to pick up the extra tab. All are good suggestions, and at the moment a surcharge is being added to the bills of Ottawa city patients who use the local hospital. However, the surcharge, if made a policy, woud have to be applied to all municipalities except the original eight which the hospital was to serve. And if this dollar per patient day does not work we firmly believe that the hospital board must make this surcharge. Grants are a nice easy way for the municipalities to continue to let George do it.

At the present time Mountain and Osgoode townships are the only two municipalities making $1000 per year grants. None of the other municipalities is even close. In addition, both Mountain and Osgoode pledged several thousand dollars at the time the hospital was constructed. The question arises: Why should Osgoode and Mountain townships make yearly grants of $1,000 when Matilda township until the past year was not making a grant of any amount; while Williamsburg township was giving a maximum of $400. All four municipalities use the hospital to a great extent. In 1955 they had close to 40 per cent. of the total number of patients and patient days at the hospital. We use these municipalities as examples only because they are affected by the hospital more than other municipalities, whether they are near or far.

We also use them as examples to point out that it is almost impossible for the hospital to make up its needed revenue through grants from the 23 municipalities. One may give but the other may not, and the same condition would continue to exist and grow even worse.

As we have stated, the hospital's position is a vulnerable one. No one person, no one organization, no one community is compelled to give. The hospital board may suggest, ask and plead, but it cannot demand financial help.

What these 23 municipalities decide will most certainly affect the financial status of the Winchester District Memorial Hospital. If they decide to accept this new plan, patient rates will remain the same, the Board feels they are high enough now, and the hospital will continue to function in its incomparable manner close to the line, but maybe not in the red. This is plain common sense. We doubt that many of the affected municipalities will turn down this deal. What they are doing is making it easier for their own people to pay hospital costs by subsidizing with funds from the municipal treasury to which everybody donates. With every municipality paying no one will be bearing too much of the load —the more patients, the bigger the cost.

If a municipality does not wish to abide by the plan then an immediate and noticeable surcharge should be attached to the bill of patients coming from that municipality. We believe that the hospital board, members of which are doing an excellent job without remuneration, has been more than fair about this thing. We also feel that most municipalities realize the true situation and that the new plea for added funds comes as no surprise.

Let there be no misinterpretation of this editorial. The Winchester District Memorial Hospital is humbly grateful to every contributor and for every donated dollar whether it comes in grant or gift form. Until now the hospital has been able to get by. Now, for the first time, the Board is forced to ask for more financial help.

It comes down to this: another sharp increase in rates, the inception of heavy surcharges, or subsidization of costs by all of the municipalities using the hospital. Which will it be?

Editorial Notes

An Osgoode woman, Mrs. William McCallum, has been honoured by fellow members of that village's Women's Institute for her perfect attendance during the last quarter of a century. That's right! In 25 years Mrs. McCallum has never missed a meeting of the Osgoode W. I.—a remarkable record and one which must be exemplary of the fine character possessed by this loyal member. It is also a very fine example for most of us who all too often make excuses why we were unable "to be there last night."

The bouquet, then, to Mrs. McCallum for her exceptional contribution to Osgoode Women's Institute, her community and family, and particulary to her fellow members of the weaker (?) sex.

The winter season has reached that time when hockey teams play off for league championships. Just now the local Junior puck squad is entangled in a hard fought series and nothing will do more to help them win than your moral support at the games. Attending the games, of course, is not only lending your support to the hockey team. It is giving assistance to our great Community Centre, now owned by all of us. In short, we are helping ourselves when we attend hockey games and other functions at the rink.

The people of Canada today enjoy the cheapest railway transportation in the world, it is said. And looking at some of those antique cars which still frequent our railroads, we are inclined to agree. ,

Our language has its odd sounding phrases and statements and is probably a jumbled-up bunch of ridiculous meaning words to the foreigner trying to learn it. For instance, it was stated from London recently that the Rt. Hon. Sir Anthony Eden, M.P., tendered his resignation "which the Queen was pleased to accept."

Sales of Canadian TV sets have taken a dip for the first time. In 1956, 650,000 television sets were sold compared to the 775,000 which went over the counter in 1955. And unless the CBC reviews its programming schedule, comes up with some new entertaining programs and expands its network facilities or perchance admit more private TV stations, set sales will very likely be off again this year.

'TEENAGERS

(By Ambrose Hills)

We have a son fifteen and a daughter thirteen, so our home is a 'teenage hangout, and we love it. I've been watching the 'teenagers our youngsters bring home and I'll take them ahead of the young folk of my generation any day. I think they're brighter, better, and more likeable in dozens of ways.

Take Rosalie, a bright-eyed doll, with one of those mussed-up hair-do's the young girls wear these days. I invited her, along with my daughter, to the theatre the other night to see a stage play. The two girls really went out of their way to look pretty, so that the old man would be proud of them, and I was. But it turned out to be a play peppered with fairly rough talk, and after the second act I wondered a bit whether I should have taken them.

As if she sensed my worry, Rosalie turned to me, as the curtain went up on the third act, and said, with the cutest grin imaginable: "Don't you worry about those 'adult' words, Mr. Hills—we 'teenagers have known about you adults for a long while, but we just figure you'll grow out of it!"

Then there's John, whom my son has been heralding as "the brain." When it was announced that Bill had invited "the brain" of his class for a week-end with us, I feared the worst. I expected horn-rimmed glasses and the kind of pretentious dinner table talk that is slightly nauseating unless downright funny.

Turned out John had a brain all right, but there was nothing nauseating or ridiculous about it. Bill got him talking and we were all mighty glad to listen. He told us in most matter-of-fact terms of experiments in chemistry he was undertaking at home. And after dinner, using ordinary dishes and some well-known household chemicals and salts, he put on a fifteen-minute show that was as fascinating as any I've seen on stage.

'Teenage problem? I wonder?

OUT ON A LIMB

On a trip to London last summer, Ol' Hannibal visited the battered battleship *Victory*, which was Lord Nelson's flagship in many famous battles. An English sailor escorted Hannibal aboard, and, as they approached a raised brass tablet on deck, the feller removed his cap.

"'Ere, sir," he said, "is the spot where Lord Nelson fell."

"Oh, is it?" replied Ol' Hannibal. "Well, that ain't surprising. I nearly tripped on the durned thing myself!"

Young Sam, down the road, asked me the other day how he ought to protect his chain saw during periods when he's not using it. That's a good question, I reckon, for all us tree farmers and woodlot owners to consider. 'Cause proper care will assure better performance from the saw!

* * *

Before storing the saw, I always clean the outside of the engine with solvent, removing all dirt and sawdust, especially around the cylinder fins. I check screws for tightness and replace any worn or damaged parts.

* * *

Then I drain the fuel tank completely and refill it with an especially light fuel mixture. For this special mixture, I use only half a cup of oil to a gallon of gasoline. This allows plenty of lubrication, but keeps the oil from settling in the carburetor. Then I start and run the engine for 30 seconds to fill the fuel system. This process prevents condensation during storage. When the saw is used again, this special mixture must be removed, and the tank refilled with normal mixture!

* * *

Then I remove the spark plug; pour an ounce or so of 30-weight oil into the cylinder; turn over the engine by hand a few times to allow oil to coat the cylinder wall; and replace spark plug. Then I clean bar and chain, and lubricate with oil. If the sprocket, bar groove or guide rail is worn, the saw should be taken to a dealer's for repair.

* * *

Lastly, I open the breaker box; remove dirt and moisture; and make sure the cover gasket is in good shape. And I make sure the gear case has plenty of lubricant to protect the gears during storage.

* * *

I find a little pre-storage care for my saw makes it last longer and work better!

* * *

Got to run along now! See you soon!

HEALTH HORIZONS

New Hope For The Arthritic

No chronic disease is more widely spread on the North American continent than arthritis. Fortunately, the majority of the victims represent moderate or light cases only but, nevertheless, they are often severely handicapped and suffer considerable pain. It is, therefore, exciting to learn that specialists describe a new drug as "of great value in the mild to moderate arthritic."

The preparation, Cordex, combines one of the oldest of anti-rheumatic drugs, aspirin, with the most recently discovered and most powerful of all the hormones which have proven to have an effect on arthritis and the related rheumatic diseases. This substance is prednisolone, a derivative of one of the hormones secreted by the adrenal glands.

From Arthritis Clinic of St. Elizabeth Hospital in Youngstown, Ohio, Drs. M. M. Szucs, Vitalij Holonko, K. M. Forster, and Dario Nalagan reported a collaborative study in which the drug was employed in 400 patients. In describing their findings in the Ohio State Medical Journal, the physicians wrote that the treatment resulted in "notable improvement . . . with a minimum of side effects." In no group of patients did the therapy fail. Results were described as "fairly good" in rheumatoid arthritis, and "good" to "very good" in those forms of the disease which are called osteoarthritis – very widespread in older people – gouty arthritis, and non-specific arthritis.

Cordex, the physicians explained, represents a "new therapeutic approach to the treatment of arthritis" which combines the traditional efficacy of salicylates, such as aspirin, with the advantages of modern hormone therapy. "The advent of this combined therapeutic approach," they continued, "has given the physician a new tool in the treatment of the many cases of mild and moderate rheumatic diseases not adequately controlled by salicylates alone."

The specialists also have begun to use another preparation, Cordex-Forte, for the more serious cases of arthritis, in which the dosage of prednisolone is tripled. In 100 trials with this drug, "a marked improvement was noted with minimal side effects." Both Cordex and Cordex-Forte used in these studies were supplied by The Upjohn Company.

A customer walked into a tailor shop and got into conversation with the tailor about hunting trips. Said the tailor: "Once I was hunting lions in Africa and discovered a lion standing 20 feet away, and I didn't have my gun. The lion kept coming closer and closer until he was only five feet away."

"What happened?"

"He leaped up at me and killed me."

"What do you mean, he killed you?" said the man. "You're sitting here very much alive."

Replied the tailor, stitching away at his machine, "You call this living?"

In high glee she reported, "I picked up the pieces."

After Four

Life on the farm's no longer one big chore,
For lusty whipper-snappers after four;
The toilsome tasks that nightly we'd repeat
As children now are almost obsolete.

The well-filled woodshed, scene of tedious toil,
Is superseded by a tank of oil;
The paths we shovelled diligently, now
Are cleared by dad with tractor-pulling plow.

There are no pails to fill; no pumps to thaw;
No kitchen range waits with insatiate maw;
No parlor stove with belly like a pot
To gobble up the chunks of coal you've brought.

The school bus lets you out at your own gate;
No dallying on the way; you're never late;
You get your homework done, then you are free
To go into the living room and watch TV.

OBITUARY

THE LATE MRS. WM. A. CRAWFORD

The funeral of Mrs. William A. Crawford was held from the Kidd & Dickinson Funeral Home, Kemptville to St. Paul's Presbyterian Church in that village where the pastor, Rev. Louis de Groot conducted the service. The remains were placed in the vault for interment in the Spring. The pallbearers were Messrs. W. A. Carlyle, Robert Carlyle, Howard McConnell, Lee Merkley, Lorne Pomminville and Howard Rintoul.

Mrs. Crawford died recently after a period of poor health. She was born at Reid's Mills, a daughter of the late Duncan Clark and his wife, Charlotte McConnell, and was in her 79th year. In 1901 she married William A. Crawford who survives, along with one daughter, Mrs. Helen Chambers, of Vancouver, B. C., and one son, Anson, of Kemptville. One daughter, Vida, died in 1919. Also surviving are two grandchildren, Mrs. Earl B. Casselman (Lois), of Inkerman, and one grandson, Keith Crawford, of Kemptville; three great grandchildren; one brother, Archie Clark, Kemptville; and three sisters, Mrs. Ella Cahan, Fresno, Calif.; Mrs. Harvey Hyndman (Lottie), of Calgary, and Mrs. Esther Meyers, of Kemptville.

The numerous floral tributes showed the esteem in which the deceasd was held.

East Osgoode Farm Forum Studies Gordon Commission

Fifteen members of East Osgoode Farm Forum, meeting at the home of Mr. and Mrs. John Campbell recently, expressed their views on the Gordon Commission as it concerns Agriculture.

After the discussion two conclusions were drawn: that there are no great promises of better returns for farming in the Commission's report, and that the majority of members present were of the opinion that they were not in a position to make comment as the report had not yet been studied by them.

Some highlights of the Commission's forecast for Agriculture over the next 25-year period follow:

Changes will follow the broad trends of recent years; further adjustments in mechanization, land will continue to go out of farming in Eastern Canada, and farms will become larger in the western part of the country. Up to 1956 the increases in output required to meet the rising domestic demand will be small. In the latter part of the 25-year period intensification of land use will become increasingly evident; farmers will move toward more meat production and higher output of poultry and eggs. More hog raising, particularly on prairies, and more cattle raising. External demands for Canadian farm products will not likely increase too much. Imports will not be a serious problem. Increasing demand for farm credit to finance father-son transfers and to finance capital expenditures required for efficient production with changing technology. Government should assist provinces in providing credit to finance these developments. Farm credit agencies could appropriately extend the period of repayment up to 40 years for long-term loan. Further growth of co-operative movement and of compulsory marketing boards seems to be highly probable. The objective of a price support program for farmers should be roughly the same as that of unemployment assistance to the industrial workers, namely, to mitigate distress due to economic fluctuations.

4-H Homemakers Club Held Meeting

Winchester 4-H Homemakers' Club held its eighth and final meeting of their Winter Club Project, "The Milky Way," at the home of Mrs. Byron Dawson, recently. Final plans were made for a club exhibit and skit to put on a play at Achievement Day to be held at Mountain on February 23rd.

The project was designed to arouse in girls an interest in the part milk plays in the building and keepng a healthy body and to encourage its use by the Club members and their families. Course of study included: 1st, "Food Guides For Health"; 2nd, "Health Via The Milk Route"; 3rd, "Play Safe With Milk"; 4th, "Milk, The Body Building Beverage"; 5th, "Milk In The Family Menu"; 6th, "Milk, The Child's Delight"; 7th, "Milk On The Invalid's Tray"; 8th, "Milk In Many Forms."

To complete the project, each girl is required to keep a record book, a recipe file and write an essay on the magic milk bottle, to attend Achievement Day, exhibit a custard, and take part in the judging of custards and meal planning activities.

Those completing the course were Mrs. Robert Dawson, Estella Fawcett, Sandra Johnston, Betty Lou Dawson, Donna Fulton, Shirley Casselman, Mary Link and Deanna Dawson.

Leaders for the club were Mrs. Hugh Coons and Mrs. Byron Dawson.

INKERMAN W. A.

The February meeting of the Inkerman W. A. was held at the home of Mrs. Ralph Allison with Mrs. Harold Baldwin conducting the worship service, assisted by Mrs. Roy Ennis. Interspersing the various readings given by Mrs. H. Baldwin, Mrs. R. Ennis, Mrs. Geo. McIntosh, Mrs. Wallace Crowder and Mrs. Dwight Baldwin was a piano duet by the Misses Helen and Erma Allison, and a vocal duet by Mrs. Wallace Crowder and Mrs. Cecil McIntosh. This portion of the meeting closed with a hymn and the Mary Stewart Collect.

During the business period conducted by Mrs. R. Brown, several aprons were handed in, the hobo parties were reported active again; the Valentine party to be held in the church basement when the W. A. entertains "husbands" and "Cupid" was planned with Mrs. Russell Suffel, Mrs. Jas. Holmes, Mrs. Geo. Suffel and Mrs. Dwight Baldwin in charge of the program for that evening.

Lunch was served by the hostess, assisted by Mrs. Chester Lang, Mrs. Russell Suffel and Mrs. Dwight Baldwin. Mrs. Stanley Rennick thanked Mrs. Allison for the use of her home and her hospitality.

HULBERT W. M. S.

The regular meeting of the Hulbert W. M. S. was held at the home of Mrs. Wesley Flegg on Thursday last, and was in charge of the president. The meeting opened with a hymn and prayer by Mrs. Percy Ellis. Roll was called and the business conducted. Reading were given by Mrs. Ira Ellis and Mrs. Percy Ellis. The Study Book was in charge of Mrs. Nelson Scharf, Mrs. W. Flegg, Mrs. P. McQuaig, Mrs. P. Ellis and Miss Florence Roode. Lunch was served at the close and a social hour enjoyed.

SCIENCE IN YOUR LIFE

Cold War

Worry, it is said, "can cause a person to develop a cold." And one of the cold's worst symptoms is a stuffy, runny, swollen nose. Dust, pollen, chemicals, dry, steam-heated air, allergies and other irritants can produce the same nasal misery.

This is what happens:

Blood vessels in the nose swell, blood flow increases, and the nose lining becomes irritated. White blood cells rush to fight invading germs. Before long the nose is clogged with mucus.

The host of ailments symoblized by a runny nose costs Americans dearly—and in more ways than one. Translated into economic terms, the common cold and other respiratory troubles levy a toll of $5 million or 150 million working days a year.

One of the world's foremost authorities on acute respiratory diseases has predicted victory over the common cold in five years. Dr. John S. Dingle recently told the Common Cold Foundation that he believes an effective drug—not a vaccine—will be discovered. A new vaccine, however, has been found to check some cold viruses.

Meanwhile, cold and allergy symptoms can be made more tolerable for the sufferer. A single dose of a nose drop preparation called Tyzine, for instance, clears a stuffed nose and usually keeps it clear for about four hours.

If the cold or stuffy nose drags on or keeps coming back, or if it's accompanied by sinus pains, it is always wise to see the family doctor.

ORMOND MISSION CIRCLE

Last Wednesday a very interesting and largely attended meeting of the Ormond Mission Circle was held at the parsonage, conducted by the president, Mrs. Dan McDonald.

After the business and reports were read, Mrs. Erwin Cumming was instructed to send $5 to White Cross. A very interesting paper was given by Mrs. M. Cumming, her subject being "Where Is Home Missions?" Rev. Mr. Roberts entertained the ladies by showing some beautiful slides on Bolivia, after which a dainty lunch was served. The group, consisting of 17 members and 2 visitors, closed the meeting by repeating the Lord's Prayer in unison.

"SUNDAY CONCERT"

Following are the program selections to be heard on "Sunday Concert" over CJET this Sunday at 2.30 p.m.:

"'William Tell Overture"—Rossini, Arturo Toscanini and the NBC Orchestra.

"Strange Music" and "Midsummer's Eve From Song of Norway," Griegg, Lawrence Brooks and Helen Bliss.

"Leonore Overture No. 1, Op. 138," Beethoven, Charles Munch conducting the Boston Symphony Orchestra.

"I thought I'd tell you I've been here just on 25 years," said the timid employee to his boss, hopefully.

"So," boomed the employer, "it's you who's worn the holes in the carpet."

Ladies' Legion Auxiliary

The regular monthly meeting of the Ladies' Auxiliary to the Canadian Legion, Branch No. 538, Williamsburg, was held at the home of Comrade Ethel Reid. Comrade Georgena Froats presided. Arrangements were made for the official visit of the District Zone Commander, Comrade Helen Coons, in April.

The March meeting will be held at the home of Comrade Gladys R. Hess. Following the closing ceremonies refreshments were served by the hostess.

U. L. C. W. Meeting

Twenty-four members and 3 visitors attended the meeting of the U. L. C. W. at the home of Mrs. Floyd Whitteker on Wednesday evening of last week. Mrs. Frank Whitteker, vice president, was in charge of the meeting.

Mrs. Clifford Casselman and Mrs. Emerson Harriman presented the topic, "Youth Service In New Ways." Roll call was answered with the word 'Serve.'

The secretary was asked to write a letter of thanks to Walter Loucks, who very kindly donated his labour in the making of 6 new tables for the church. A thank-you letter from J. Roy Houser, president of Waterloo College, was read, acknowledging 2 quilts which were received from this organization. A donation of $10.00 is to be sent to the Epiphany Appeal in Liberia. This week the women will meet to do some quilting for the Red Cross. Each member is asked to bring a tea towel to the March meeting to build up the present supply on hand.

The meeting closed with the Missionary Benediction. Delicious refreshments were served by the committee in charge.

United Church W. M. S.

The W. M. S. of the United Church held its February meeting last Thursday evening with 20 in attendance. The president, Mrs. Wilbur Garlough, presided. A hymn and prayer were followed by the roll call and reading of the minutes by the secretary, Miss Eva Myers. The treasurer's report was given by Mrs. Ward Casselman.

Donations for a parcel to be sent to Korea consisted of a large and fine assortment of goods for Korean women to make clothing in Korean styles.

The new books for this year's reading were on hand and most of them were taken home for reading. It was decided that the literature secretary, Mrs. Hutchings, should send for copies of "The Upper Room" for those who wish them.

A film is to be requested for the Easter Thank Offering meeting. This film, which runs about 40 minutes, is on missionary work in the Canadian North and is an exceptionally fine one.

The March meeting will be held at the home of Mrs. M. W. Locke, and the worship service and study periods will be taken by Mrs. John McIntosh and Mrs. Wood.

Mrs. Miller conducted the worship service, and the study period was in charge of Mrs. Locke assisted by Mrs. Hilda McMillan and Miss Beatrice Saddlemire.

WHAT'S HAPPENING TO THE EGG MARKET?

Following is from an article in the last issue of Canadian Poultry Review by Professor J. R. Cavers, Head of the Poultry Dept. at Guelph:—

"Receipts at grading stations for the five weeks ending January 18th, while well above a year ago, are barely 8% higher than for the same period two years ago. Bearing in mind that little over half the total eggs produced reach grading sations, although virtually all the surplus ones do, the probable increase in total production for the period seems about in line with domestic requirements. The real difference between the two years is the growing realization that the need for eggs stored in shell is nearly over. Despite this, the tendency to produce a surplus, starting in November and reaching a peak in mid-January, is still with us. The trend towards more October-January chicks for specialized egg producers, without a corresponding drop in spring sales to general flock owners, appears to be the explanation. Added to this is the shift towards more egg-type stock, plus the pressure of U. S. fowl and Canadian broilers on our poultry market, all of which tends to keep hens on farms and reduces culling and flock liquidations as a corrective factor formerly at this season."

"The break in the egg market the middle of November put a real crimp in replacement hatching, the December net after gassing being well under that of 1955. Judging from data supplied by the federal office in Toronto the non-broiler eggs in incubators on January 1st will result in a reduction again in January, compared with last year.

"Hatcherymen report a decided slump in orders as well as sales. Thus the likelihood is for fewer replacement chicks in Ontario from October through February than for the same period a year ago; and that in turn was well below 1953-54 for the same period. **If the Ontario pattern holds true for Canada, there is good reason to expect a market for a fairly sizeable number of storage eggs next summer and early fall—possibly half the total likely to be stored.**

"'Producers want to know what would have happened if there had been no support for eggs this year. A competent trader advises that in relation to current New York quotations, a paying price in South-Western Ontario of around 24c per dozen would have resulted; this is identical with the situation pertaining during January, 1950. One is tempted to add that a few cars of eggs might have cleared to the south—a return load, so to speak, for U. S. fowl and turkeys coming to Canada. However, with Grade A Medium on the so-called open market, no great amount of export has developed so the possibilities there are evidently limited, at least for the time being."

MORRISBURG STILL ALIVE—BEATS WINCHESTER 2-1

In a do or die effort at the Community Centre Monday night Morrisburg Juniors kept their play-off hopes alive by staving off elimination with a narrow 2-1 win over Winchester. The best of five series now stands at two games to one for the locals with the fourth game slated for Morrisburg ice.

Monday night it was a case of Keith Kirkwood's boys shooting the works, and it paid off against a "come what may" Winchester team which wasn't up for this one.

Morrisburg took an early first period lead when Lawrence Wells beat Bob Carkner on assists from Lawlor and Montpetit. The lack lustre middle session went scoreless. Winchester's Earl Brown on a nice pass from Bill Sherwood tied the count at the 16.59 mark of the final twenty. Two minutes laer Doug. Thompson knotched the winner for the Seaway crew, and the game was over.

Six penalties were handed out in the "quiet" game three to each team.

The line-ups:

Morrisburg—Goal, R. Baker; def., D. Montpetit, B. Casselman; forwards: A. Lawlor, L. Wells. G. Serviss; subs., B. Magee, L. VanAllen, L. Casselman, D. Thompson, D. Casselman, W. Disheau.

Winchester—Goal, R. Carkner; def., D. Stewart, R. Clark; forwards, J. Corry, E. Brown, E. Hanes; subs., B. Sherwood, D. Casselman, K. Guy, R. Rennick, L. Holmes, Larrie Holmes, J. Deeks, J. McIntosh, J. Durant.

Official—J. McEvoy.

Winchester 6, Morrisburg 2

Winchester went two games up in their best of five semi-final series last Thursday night at Morrisburg by soundly trimming the Seaway crew 6-2. John Durant paced the locals with a hat trick. Doug. Casselman counted twice and Jim Corry picked up the other marker. Morrisburg's two third period goals were scored by Lawlor and Thompson.

Eleven penalties were handed out by referees Stan. Pratt and J. McEvoy, the locals being chased six times.

TOWN LEAGUE FINALS STARTED LAST NIGHT

Town League semi-finals got underway last night at the Community Centre with Winchester hooking up with South Mountain and Williamsburg taking on Chesterville. Both are best of three affairs with the winners meeting in the final round for the league championship and the historic Melvin Cup.

Last Wednesday night regular league play ended with Winchester trouncing Williamsburg 9-3 and Chesterville edging S. Mountain 2-1. Winchester took a commanding 6-0 lead before Williamsburg counted in the third. John Chisamore and Al. McRoberts each picked up a pair to lead the locals. Other scorers were Lloyd Guy, Sam McKercher, Don Guy, Lorne Pemberton and Dunc. Levere. Phil. Casselman, John Whitteker and Ivan Whitteker found the range for the losers.

The game was penalty free and that's an accomplishment in hockey today.

In the other contest goals by B. Moore and D. Casselman were good enough to give Chesterville a narrow 2-1 verdict over the South Mountain crew. Bun Lunny counted for the losers. Nine penalties were handed out, five to South Mountain.

The line-ups:

Williamsburg—R. Barkley, B. McIntosh, J. Whittaker, P. Casselman, H. Casselman, D. Casselman, C. Empey, E. Thompson, C. Whitteker, I. Whitteker, D. Beckstead, C. McIntosh, W. Whitteker.

Winchester—O. Larmour, D. Guy, S. McKercher, B. Dawson, J. Hume, D. Levere, L. Pemberton, J. Chisamore, R. Morrow, R. Dawley, A. McRoberts, L. Guy, R. Porteous, J. Smith.

South Mountain—Doug. Durant, V. Lunny, F. Fraser, B. Wilson, B. Lunny, Bill Lunny, J. Lunny, G. Berry, M. Cassidy, P. Thiebat, J. Nelson, L. Wyatt.

Chesterville—J. Julien, R. Meldrum, A. Sullivan, R. Casselman, E. Harvey, G. Fyke, C. Plantz, M. Beckstead, R. Gibeau, C. Black, S. Paul, R. Hutt, E. Lagoie, T. Moore.

SOUTH MOUNTAIN LEADS METCALFE 2-1

In the other half of the Central Ottawa Valley Junior Hockey League semi-finals Metcalfe kept their chances alive Monday night by edging a "hot" South Mountain crew 8-7 in a game played at the East Osgoode Community Centre. Metcalfe, which wound up well in front in the regular league play, dropped the first two games 7-3 at Metcalfe and 5-1 at Kemptville. Fourth game of that series was played last night at Kemptville.

Winners of the two series will meet in the final round for the league championship and the Winchester Press Trophy.

OSGOODE TWP. HIGH WINS SCHOOL HOCKEY

Osgoode Township High School won their second straight school hockey tourney last Saturday afternoon by defeating Winchester High School in the final round 2-1. Winchester had previously defeated Russell, Morewood and Morrisburg while Osgoode Twp. was knocking off Chesterville and Finch. The games were played at the East Osgoode Memorial Community Centre at Metcalfe.

Following the games Osgoode Principal R. Babion presented the hockey trophy which goes with the win to Osgoode team captain Doug. Brunton. Barney Robb and Harold Hume scored for the winners with A. Holmes giving Winchester an early 1-0 lead.

Teams from Morrisburg, Cardinal, Finch, Embrun, Chesterville, Morewood ,Russell, Mountain, Winchester and Osgoode competed.

In the South Mountain Mixed League on Monday Irene Marriner rolled the ladies' high cross, a 540, made up of games of 164, 185 and 191. Euchre and Crokinole Party

Sixteen tables of euchre and crokinole were enjoyed on Friday evening in the Orange Hall, held in aid of the school rink. Prizes in euchre were won by Mrs. F. Gallinger, Mrs. Leonard Cameron, Mrs. Cecil Acres, John Porteous, Dan Hill and Ivan Thomas. Crokinole winners were Gloria McConnell, Donna Forget, Audrey McConnell, Douglas Forget, Bryan Dalgleish and Wayne Dalgleish. Refreshments were served and a social time spent. Plans were made to hold another party on Feb. 22nd, and all are welcome.

Ground Observers' Meeting

Fourteen members and three visitors attended the February meeting of the Ground Observers of the R.C.A.F., held on Monday night at the home of Mr. and Mrs. Stuart Dalgleish. The chief observer, Mr. Archie Sayant, brought the meeting to order. Rev. A. Keeler, the secretary-treasurer, read the minutes and gave the treasurer's report. Plans were made to hold a card party early in March at the home of Mr. and Mrs. John Campbell who had offered their home. Mrs. Stuart Dalgleish, Mrs. Alan Cameron and Mrs. Archie Sayant were appointed as the committee in charge.

The meeting was then turned over to the instructor on aircraft recogniion, Harvey Linton, who held a contest on naming aeroplanes. Following this, an auction sale was held, with James Millar as auctioneer. The proceeds amounted to $15.05. Each member had brought an article to be auctioned. The money will be used to buy binoculars for sighting aircraft. Cards and crokinole were enjoyed and refreshments were served.

Senior Circle Meeting

The regular meeting of the Baptist Senior Circle was held at the home of Mrs. Mac Bowen last Wednesday evening. After the opening exercises Mrs. Bowen gave the devotional and prayer and also read the Scripture lesson.

After some discussion regarding White Cross work, it was decided that the secretary should write to Toronto for further information.

The roll call was answered by verses containing the word "Faith." A splendid paper on the work of the "Grande Ligne Mission," which had been prepared by Mrs. Duncan MacMartin, was read by Mrs. Peter MacMartin. An interesting feature of this work is the weekly radio broadcast. The tapes are recorded in Montreal and mailed to the Peace River. This radio-evangelism is much appreciated by the French-Canadian listeners in the West. The work is growing in all the mission fields and more room is needed in many places for Sunday Schools.

Mrs. MacMartin closed the meeting with prayer.

Mr. and Mrs. Leonard Fisher spent Sunday with Mr. and Mrs. W. J. Fisher.

Mr. and Mrs. Clarence McCormick called on Mr. and Mrs. Stirling Bishop on Saturday.

The sympathy of the village and district is extended to relatives and friends of the late John E. Woods, whose funeral was held in Kingston on Friday.

Late Harry Dier Craig

Harry Dier Craig, Metcalfe general merchant for more than 35 years, died Sunday, February 3rd, at the home of his daughter, Mrs. Seely Rombough, Smiths Falls, after a short illness.

Mr. Craig retired from business in 1954. A son of the late Mr. and Mrs. Hugh Craig, he was born in North Gower and educated in Metcalfe where he moved in 1889. He was a member of the Metcalfe United Church. He was married in Russell in 1909 to the former Letitia Jane Shelp, who died in 1935. Surviving are two daughters, Mrs. Seely W. Rombough (Ida) of Smiths Falls, and Mrs. Mabel Craig of Metcalfe; a brother, Robert H., of Metcalfe, and two grandchildren, Wayne and Sharon Rombough, and several nieces and nephews.

The funeral service was held from his late residence to Metcalfe United Church last Wednesday afternoon, with Rev. J. E. Davies officiating, assisted by Rev. J. B. Adams of Ottawa. A duet, "Good Night And Good Morning," was beautifully rendered by Mrs. Donald Cameron of Metcalfe and her niece, Mrs. Donald Schrader of Ottawa.

Interment was made in Metcalfe United Cemetery. The pall-bearers were Hamilton McKendry, George McKendry, Leslie Dowser, Glen Dowser, John C. McDonald and Edmund Cowan.

CANADA'S health

TEMPORARY GUARDIAN

Many parents would be unable to have an evening out were it not for that useful person, the baby sitter. But very great care should be taken in the selection of this temporary guardian of the children. Her health should be good—she should not come in contact with small children while she suffers from a cold; she should be reliable and be a person of common sense, whether she is young or old, so that in case of emergency, she would look after her charges. She should have the phone numbers of the fire and police departments handy and know the easiest way out of the building by which to take children to safety.

FISH DISH

Canada's fish is a delicious and very nourishing food. Whether used fresh from lake or ocean, smoked, dried, pickled, canned or frozen, there's a special type and flavor for every gourmet. In addition to a tasty dish, there is also the consideration of the nutrients such as protein, vitamins, calcium, phosphorus, and iodine. It is an easily digested food and for older people with dental troubles, fish is easily chewed.

MOM'S TURN

After getting the family off to work or school fortified by a good breakfast, mothers are often content with just a cup of coffee themselves. When she has fed the rest of the family she should prepare a good breakfast for herself, not forgetting citrus fruit, hot wholegrain cereal, preferably an egg or bacon, and toast and hot beverage, to take her through a busy morning.

RATS VS. HUMANS

The vast sum of $20 million dollars has been estimated as the value of food and property destroyed annually in Canada by rats. These vermin also carry disease germs including that of the dreaded bubonic plague. Since rats are present in this country in millions—they are said to exceed the human population in some cities—every effort should be made to exterminate them. The Canadian quarantine service prevents the import of rats from foreign ships, so similar campaigns should be waged to prevent their multiplying on farms and in storehouses. A very effective poison called "warfarin" has been discovered and it is obtainable in commercial form. This is attractive to rats and has been found harmless to other animals.

A TISSUE

Disposable tissues have become an indispensable aid in everyday life as well as the sick room. For those with colds, they should be used to cover nose and mouth while coughing and sneezing, to trap the germs that might spread the cold. If it is inconvenient to dispose of the used tissue, it can be put into a small plastic bag, carried for the purpose in pocket or purse, until it can be burned or flushed away. At the sickbed, a supply of tissues is a great boon. A folded newspaper pocket or a large paper bag can be pinned to the bed for waste tissues so that the whole thing can be burned, when necessary.

MENTAL HEALTH

With the advances made in mental health research by psychiatry and medical science, it is quite common for milder cases of mental illness to be treated in a special ward of a general hospital, resulting in the discharge of the patient in a matter of weeks, rather than having him incarcerated in an institution for years. The public is gradually becoming aware that the mind can suffer ailments just as the body can, and the cure or control can be just as effective as that of many physical illnesses.

Holiday In Mexico

Canadian Pacific Airlines' Toronto-Mexico City, Vancouver-Mexico City non-stop flights aboard DC-6B "Empress" airliners provide holiday-bent Canadians with an opportunity to visit the fabled Land of the Aztecs. The white sands of Acapulco beckon beach and surf enthusiasts, and the Mexican divers provide daily thrills for tourists as they risk their lives in high dives from rocky pinnacles into the Pacific Ocean. Pottery decoration at Puebla by native artists and the ruins at Tula are extra attractions for the visitor.—*(Canadian Pacific Photo).*

Scholarships For Writing Best Essays

A $75,000 university scholarship contest for Canadian and American youth is being sponsored by a leading manufacturer of surgical dressings.

Johnson & Johnson Limited and its U. S. associate company is offering a total of 49 paid-up policies for education to contestants who write the best 50-word essays on the subject "A good education is important because . . ."

Entries will be judged by a panel of leading Canadian and American educational authorities. Canadian members of the panel are Dr. Sidney Smith, president of the University of Toronto, Dr. Norman A. MacKenzie, president of the University of British Columbia, and Mr. Jean Bruchesi, Under-Secretary of the Province of Quebec. Heading the list of American judges is Mrs. Eleanor Roosevelt.

Grand prize in the scholarship contest will be a $10,000 paid-up policy for education. Two second prizes have a value of $5,000 each. Other educational policies range from $2,500 to $1,000.

The contest, which runs until May 4th, is open to any Canadian of any age through use of an official entry blank available at retail outlets throughout the country.

However, only those younger than 17 years and one month on May 14, 1957, are eligible to receive a prize. Contestants over that age will designate a person less than 17 years and one month as their beneficiary.

A Chain is Only as Strong as its Weakest Link!

Your grain is like a chain with some weak links. It is rich in some very valuable nutrients but lacking in others. Just as you can't make full use of the power of the strong links in a chain unless the weak links are strengthened, so you can't get the full feed value of your grain unless you build up those materials in which it is lacking by means of a good concentrate or supplement.

Purina Concentrates and Supplements are designed to supply the proteins, minerals and vitamins which your grain lacks and thus to convert it into a well-balanced, complete feed. With the right concentrate or supplement, your grain will do its job of making milk, eggs or meat more efficiently—and because it goes farther, your costs will be cut.

Whether you use a concentrate or a supplement will depend on your grain supply. If you have plenty of grain, use the concentrate; if your grain may need some "stretching" to see you through the winter, use the supplement.

Come on in, tell us what your feed situation is and what stock you have to feed, and we'll do our best to help you work out the solution.

Purina Chick Startena

In recent years egg prices and premiums have been reaching their peak about mid-summer and holding until November. If you want greatest returns from your 1957 layers keep this fact in mind . . . plan to cash in on as much of that top price period as possible. Start good chicks EARLY, and get them away to a flying start with Purina Chick Startena.

Purina Nursing Chow

In tests at the Purina Research Farm, Nursing Chow and Calf Startena beat out milk and Calf Startena by a good margin . . . resulted in bigger, better calves, at lower cost. If you want to step up your milk shipments ship the milk you would otherwise feed to your fall calves and feed them this Nursing Chow-Calf Startena combination. It's sound business.

Good News for Homemakers
Anne Marshall

STIR UP "NEW SOUPS FROM TWO SOUPS"

Step into your kitchen, Milady, and stir up some "New Soups from Two Soups"! It is wonderful to discover how many extra special soups you can concoct this way . . . by simply combining a can of one kind with another. You may already be a soup mixer. And once you begin making combinations, you find a treasury of new soups to brighten meals for your family. Busy homemakers enjoy serving such sturdy quick dishes.

"Happy couples" among the soups are standbys like tomato with onion; cream of chicken with cream of celery; vegetable soup with chicken noodle.

Soups with the same basic flavour, such as the four beef kinds, will combine into a variety of lip-smacking new delicacies.

Try—Beef Soup with Beef Noodle
Vegetable Beef Soup with Beef Noodle
Beef Soup with Onion

You can even mix three soups for a "Three" star success.—Try some of these and you'll be plotting many other happy matches as you look over the dozens of kinds in a can.

BEEF NOODLE—DANDY SOUP

1 can (1¼ cups) condensed beef soup
1 can (1¼ cups) condensed beef noodle soup
1½ soup cans water

BEEFY—ONION NOODLE SOUP

1 can (1¼ cups) condensed beef soup
1 can (1¼ cups) condensed beef noodle soup
1 can (1¼ cups) condensed onion soup
2 cans water

Blend soups. Heat, stirring occasionally, to simmer about 5 minutes.

CREAMY SAUCE TOPS TURKEY SANDWICH

Top turkey or chicken sandwiches with a deluxe creamy sauce for can't-be-beat flavour. Use condensed cream of chicken soup (or mushroom soup) for the sauce. Just blend ⅓ cup milk with 1 can (1¼ cups) soup. To serve, place slices of turkey or chicken on hot buttered toast. Spoon a generous amount of hot sauce over each. Pass cranberry relish, celery and olives to complete the repast. Remember hot coffee too.

TOP CHOPS WITH V-8 SAUCE

Cold weather is pork chop time. To set the chops up as real company fare, pour on about 1 cup of V-8 juice as the meat cooks. Use this amount for 4-6 chops. Let them simmer about 45 minutes or until tender, depending on the thickness of meat. Check the frying pan now and then to see if more liquid is needed. Vegetable juices put "new charm" into pork chops—a savoury meal with fluffy mashed potatoes and broccoli in lemon sauce.

CHICKEN BREASTS AU GRATIN

The French may be famous for their sauces, but this dish will win bravos for elegance with a minute's effort. Place 1 pound chicken breasts in single layer in buttered shallow baking dish (about 10" x 6" x 2"). Pour 1 can (1¼ cups) condensed cream of chicken soup over chicken. Bake one hour 350°F. Last 10 minutes of cooking time sprinkle ½ cup (2 ounces) shredded mild process cheese over chicken—makes 3-4 servings.

Chocolate Stains

When the table linen bears chocolate stains, sprinkle the stain with powdered borax and then pour boiling water through it.

Spacious Effect

Place the wall mirrors properly and they will do much to make a small room seem more spacious, reflecting both light and color.

Cleaning Linoleum

If you want your linoleum to stay clean and be easily cleaned when it gets soiled, wash it with hot starch which has been thinned out. The coating of starch provides a protective surface of clean, glossy finish and dirt will not stick to it.

Her first stop —the bank

When Mrs. Wilson planned to go shopping, her husband Tom said: "Meet you at the bank." It was a natural thing to say, for going to the bank is just a part of everyday life.

In the bank, Mrs. Wilson noticed Miss Ellis the schoolteacher . . . Mr. Cooper the storekeeper . . . and her neighbour's son Bobby, adding to his savings account.

When Tom arrived, he grinned: "Seems like everybody goes to the bank." It's true. Canadians find the chartered banks such a safe and handy place to keep money that practically everybody has a bank account. There are now more than 10 million deposit accounts in the chartered banks—more accounts than there are adults in the country.

ARE YOU A PERSON OF DECISION?

When a decision has to be made, can you make up your mind without undue hesitation?

The ability to make sharp and effective decisions is more crucial than most people think, according to the psychologists. And lately they have discovered that just as many people are thwarted and unhappy because they make decisions too quickly and easily!

How then, in a world in which daily we encounter scores of problems, large and small, can we hope to achieve serenity and comparative peace of mind?

The secret of being properly decisive is not so much the speed with which you make up your mind, but being confident in your ability to make the right choice, says Amy Selwyn, discussing the subject in this week's issue of The Star Weekly.

Listing a set of questions by which an individual can rate himself as a "decider," the article analyzes different temperaments and personalities, and proceeds to offer positive suggestions to help readers make clear and constructive decisions.

WEDDINGS

MONTROY—SUTTON

The marriage of Miss Marilyn Joan Sutton to Mr. Thomas Mervin Montroy was solemnized recently at St. Daniel's Catholic Church, South Mountain. The bride is the daughter of Mr. and Mrs. Denzil Sutton of Hallville, and the bridegroom is the son of Mr. and Mrs. Alex Montroy of Inkerman Station.

The ceremony was performed by Rev. Father Healy. Mr. Denzil Sutton gave his daughter in marriage, and Miss Stella Montroy, sister of the groom, was maid of honour. The bridegroom was attended by Mr. Rene Coyea, of Spencerville, cousin of the groom. The ushers were Alex St. Pierre, brother-in-law of the groom, and Mr. Garry Holmes of Ottawa.

For her wedding the bride chose a floor-length gown of white Chantilly lace bodice, and very full nylon tulle skirt over taffeta. Her veil of tulle illusion was held by a crown of rhinestones and seed pearls. She carried a white prayer book adorned with streamers and red rosebuds.

The maid of honour was attired in a floor-length nylon tulle gown in primrose yellow. She carried a nosegay of white and mauve baby mums.

The bride's mother wore a forest green crepe with black yellow baby mums. The mother of the groom was attired in a navy crepe with yellow accessories and a corsage of yellow baby mums.

The reception was held at the home of the bride at Hallville where about sixty guests were present.

For travelling the bride chose a cinnamon brown taffeta dress with white accessories and a corsage of red roses.

Mr. and Mrs. Montroy will reside at 40 Holmwood Ave., Ottawa.

Out-of-town guests were present from Brockville, Spencerville, Kemptville, Ottawa and Winchester.
