Village Council and Hydro Commission Hold Sessions

The regular meeting of the Chesterville Hydro Electric System was held on April 4 with G.H. Barkley, Chairman, Thos. Allen and Leon Marcellus present. The HEPC Auditor's Report for 1943 was received with much satisfaction as it showed a net profit from the year's operation of $1126.12 after providing for depreciation on the tangible plant to the amount of $777.00. No other business with the exception of passing of accounts was dealt with.

The Regular meeting of the Municipal Council of the Village of Chesterville followed the above Hydro Commission meeting with the same members present. After the adoption of minutes of previous meeting and passage of accounts the following motions were made and carried:—

That a grant of $50.00 be made to the Public Library.

That the Clerk be instructed to have doors made and put on Library book shelves.

That the Navy League be permitted to hold a Tag Day on Saturday, June 24th, 1944.

That Garnet McLean be appointed Collector of Dog Taxes for 1944.

That Leon Marcellus be appointed to secure Street Naming signs, and supervise their erection in suitable places at street intersections; also Stop signs for all streets leading onto Highway No. 43 and have the Welcome signs repainted.

Catholic Women's League Elects Officers for 1944

The annual meeting of the Catholic Women's League which took place in Parish hall, Tuesday evening, with a good attendance opened in the usual manner. A letter from Bishop Nelligan, regarding crusade of prayers, was read by the secretary which showed 30 quilts had been handed to Local Red Cross rooms, also a substantial balance of cash on hand. As Mrs. Servage's term of office expired she thanked Rev. Father Keaney, her Executive and all the members for the support given her during her two years as President and asked the some co-operation for her successor. Mrs. Hughes moved a hearty vote of thanks to Mrs. Servage for her splendid work. This was seconded by Mrs. McAvoy.

The nominating committee brought in the slate of officers for 1944 which resulted as follows:

Hon. Chaplain, Rev. P.J. Keaney; Past Pres., Mrs. Mary Servage; Pres., Mrs. Gertrude Devanney; 1st Vice Pres., Mrs. Allan Moran; 2nd Vice Pres., Mrs. Bernard Masterson; 3rd Vice Pres., Mrs. Michael Curran; Sec. Treas., Mrs. Thomas Moran.

The newly elected President took the chair and thanked the committee for her election, after which the meeting adjourned on motion of Mrs. Servage.

CHIMNEY FIRE STARTS BLAZE.

Tuesday morning about 9.30 an overheated pipe leading through the roof of Dr. Hutt's residence on Albert street, started a blaze that was fortunately discovered before it had made much headway and was extinguished. Owing to the height of the roof and absence of ladders to readily get at fighting the fire incipient flames had broken through but as there was no breeze it did not spread before chemical extinguishers were brought into play and soon had it under control.

$1.00—Joe Duhaime, Estelle Servage, H. Landry.

Elimination Speaking Contest For Ker Trophy Competition

Last Thursday the High School held its annual competition for Junior and Senior Oratory. The Junior shield is awarded annually by Mr. Harry McMurray, and the Senior by Dr. Hutt.

The Junior Shield was contested by the following: Edna Heagle, Marjorie Merkley and Kathleen Barrett. Edna spoke on Madame Curie; Marjorie about the Girl Guide Pledge and Kathleen on Personality. Kathleen won the MacMurray Shield for this year.

Very keen competition marked the Senior contest. The speakers were, Arnold Barrett, on "Democracy"; Neil Kelly, "Canada, past, present and future" and Berneyce Dillabough, "War." Arnold won the Senior Shield for this year with Neil Kelly and Berneyce Dillabough being respectively second and third. There was little, however, to choose which was best and the judges had considerable difficulty in basing merit on the several standards requisite to a good oration. Some of these standards are preparation, enunciation, pronounciation and subject matter.

The judges were Mrs. Eric Casselman, Mr. Edward Lynch and Mr. O.L. King.

The judges selected Arnold Barrett and Neil Kelly to represent the school in the inter-school contest for the Ker trophy, which is at present held by the Local High School. This contest will be held on Friday, April 21st, in the United church hall, here. It was hoped to hold this event in the local Community hall but this is not available on that date. Further information on this event will appear, later, in The Record.

Chesterville Public School Standings for March

Room A

Grade VIII—Glenson Crozier 86.

Grade VII—Geo. Merkley 89. Odaline Hall 79, Elaine Fader 76, Katherine Durant 75*, Muriel Julyan 75, Dennis Fyke 74, Ronald Elliott 70, Billie Flegg 67, Shirley Froats 66, Doris Barr 64*, Jean LaSalle 59*, Sterling Flegg 50.

Grade VI: Ellwood Crozier 86, Miriam Klingvall 80, Lois Turner 79, Bobbie Bolster 73, Betty Servage 73, Gordon Giles 72, Marion Morris 67, Patricia Paul 65*, Beatrice Liscumb 62, Joan Barr 61*, Robert McMillan 60*, Lera Baindese 59*, Audrey Smith 50*.

R.C. Dillabough. Principal

*:Ill.

Room B

High School Cadet Corps Will Attend June Camp

The H. S. Cadet Corps, denoted No. 2046, will have its annual inspection on May 4th at 1.30 p.m. The boys expect to have their full uniforms and other equipment before that date. About sixteen boys expect to attend a ten day camp after the close of school in June. This will be held at Connaught Ranges in Ottawa. All expenses, excepting "pin money", are paid by M. D. No. 3, District, Kingston.

The High School closes on Thursday, April 6th for Easter vacation and re-opens on April 17th. Easter examinations begin on April 26th.

New York Ranger Coach Talks of Big Time Hockey

Monday evening following Rotary meeting an adjournment was made to the auditorium of the Community hall where those interested in hockey had an opportunity of hearing from the well-known coach of the New York Ranger hockey club, Frank Boucher, of many interesting points in connection with the work of the clubs from the start of the training sesaon until the end of the season. Coach Boucher did not attempt to deliver a speech right off the reel but rather chatted familiarily with anyone who had a desire to ask questions on the subject of hockey. The talk was interesting throughout, not the least to the array of kids who listened eagerly throughout. The youngsters fired intelligent questions at Coach Boucher almost faster than he could find answers. They were all answered with the greatest frankness, the main idea being to show the youngsters that if they had visions of an athletic career the very first point was clean living. He stressed the injurious effect of smoking cigarettes by the small boys, or for that matter, their elders.

When looking at Mr. Boucher it was plainly evident that he had followed the rules he was trying to impress on his audience. He is of fine physique and looks every inch a clean living athlete.

WILL CREATE CANCER FOUNDATION

More than 4,937 persons died of cancer in Ontario during the past year, representing 12.8 percent of all the deaths in the province. In the last few years certain discoveries and formulas for the treatment of the disease from which much was expected have been under investigation, but each failed to secure the imprimatur of the medical profession. Some of the remedies undoubtedly possessed merit but fell short of a cure, the surgeon's knife and radium supplanting them. In fact, a few of the claims put forward by private practicioners came under suspicion. In order to combat the menace of cancer the Ontario government has decided to create an Ontario Cancer Control Foundation for diagnosis, treatment and research, and an appropriation of $500,000 has been set aside for the use of the Board. It is hoped that the work of the foundation will result in an early diagnosis and treatment so important in the control of cancer. The Foundation, which will carry on in addition to the existing commission for the investigation of cancer remedies, is empowered to acquire lands and buildings for its purpose and purchase machinery and equipment when necessary. It also is given authority to acquire rights in any patents relating to any remedy for the prevention or cure of cancer.

CRIME INCREASES IN ONTARIO

In the matter of crime, the year 1943 in Ontario presents a black picture, as compared with 1942. With the exception of murder and manslaughter, all major offences show an increase. Robberies with violence rose from 43 in 1942 to 72 in 1943 and automobile thefts were up from 374 to 538. The only improvement is in the matter of motor fatalities which were 285 in 1943 as against 305 in 1942. There were 8 murders in Ontario during 1943, compared with 12 in the preceding year. The figures for manslaughter were 15 and 25, respectively. There were 25 rape cases in 1943 and 19 in 1942; 754 shopbreaking cases as compared with 473; 171 burglaries, as against 90; and 996 housebreakings as compared with 913 in 1942. The big discrepancy was in the matter of juvenile delinquency which showed an increase of 69 percent as compared with 1942, the figures being 597 and 355 respectively. In this connection Commissioner William Stringer says, "Until parents are made to realize that the first responsibility in training their children is theirs, and not that of the State the church and the school, there is little hope of improvement."

FARM HELP UNDER SELECTIVE SERVICE

It is claimed that the farmers of Ontario can do much to solve the problem of labour shortages if they will, at an early date, supply their respective agricultural representatives with their needs for the coming season. This year all regular farm help is to be handled through Selective Service offices with farmers asked to make applications directly to those offices. One agreeable bit of news is that farm labour from Western Canada will again be available in Ontario. Farm camps, staffed with secondary school boys and girls, and also with university students, are to be organized again in specified areas where such help can be utilized to best advantage and Farm Commandos will again operate throughout Ontario, to be composed of volunteer workers from towns and cities.

SHEEP KILLING DOGS COST $110,000 YEARLY

In view of the scarcity of wool Ontario farmers have been urged to go more extensively into sheep raising, but many have hesitated to do so owing to the ravages of dogs. It has been established that even good well-behaved dogs become obsessed when they fraternize with "sheep running" animals. At first there is the sport of the chase, followed by the kill, then it's all off, as the whole band, good and bad, become homicidal maniacs. This matter has been brought to the attention of the Government by H. N. Tisdale, of Tilbury North in Essex County. He points out that the financial loss to the owners and the Province as well, in "sheep claims" in one year reached a total of $110,000. Mr. Tisdale urges sheep raisers to pool their efforts and demand that bounties on sheep-killing dogs be the same as on wolves $25, and that marauding dogs be killed on sight and that no person be liable for damages for the killing. It has also been suggested that all dogs should be tied up at night during the pasture season for sheep.

The question of the utilization of prisoners-of-war to assist in the hoeing and harvesting of Ontario sugar beets has been under discussion at Ottawa. It is just possible it would require the services of too many men to guard the prisoners to make the plan economically feasible.

Conscience!

John—That's a nice umbrella you have.

Alick—Yes, but it's not really mine. I was walking home in the pouring rain and saw a young man going my way with an umbrella. I thought I would ask if he would let me share it with him, so I went up and said, "Where are you going with that umbrella?" And he threw it down and ran off as fast as he could!

THE LUCKY CANDLESTICK

The story is being told about an auction fan in New York who attends nearly all the auction sales and buys at bargain fees. He then sells the odds and ends for good profit in his two by four shop. At one sale he picked up a pair of candlesticks for $75.00. The auctioneer told him he was very lucky, that the candlesticks were worth much more than he bid. Besides the estate from which they came had always considered them very lucky pieces. Apparently the auctioneer had not exaggerated, because shortly after the new owner disposed of them to a newly wedded couple for $400. Some time later the married couple returned them with the explanation that they had bought a new home and although the candelsticks were beautiful, they just didn't seen to fit into their new place of abode. The young lady wanted to know if he would buy them back for half price, which he agreed to do. He put them back on display and an hour later a woman said she had been admiring the candlesticks very much and asked the price. He told her he would let her have them for $500.00. As the woman was paying him in cash, the salesman said: "You will find they are very lucky." The purchaser was Patricia Lonergan whose husband is now in prison awaiting trial for her slaying—the weapons said to be used were the lucky candlesticks.

IROQUOIS FLYER GETS EMPIRE MEDAL

Cpl. William Billings of Iroquois, Saturday received the British Empire Medal from Squadron Ldr. W. G. Watkins, commanding officer of the Construction and Maintenace Unit at No. 1 Manning Depot, Toronto.

The investiture was held on the parade grounds, one year and 44 days after Billings saved the life of an RCAF pilot pinned in the flaming wreckage of a training plane near Gananoque, Ont. The 39-year-old RCAF corporal smashed the hood panel of the plane and extricated the flyer.

Sandy: MacIntosh must have had a lot to drink at the concert last night.

Mack: How's that?

Sandy: Well, when I was taking him home he let me fall twice.

RENEWAL OF UNEMPLOYMENT INSURANCE BOOKS

To All Employers:

All Unemployment Insurance Books for the year ending March 31st, 1944, must be exchanged for new books.

Kindly communicate *immediately* with the nearest Employment and Selective Service Office if you have not already exchanged your employees' books.

There are severe penalties for failing to make Unemployment Insurance Contributions for your insured employees and for failure to renew the Insurance Books as required.

To All Employees:

If you are an insured person protect your benefit rights by seeing that your Insurance Book has been exchanged.

UNEMPLOYMENT INSURANCE COMMISSION

HON. HUMPHREY MITCHELL,
Minister of Labour

A Friend Anyway

So your wife eloped with your best friend. Who was he?

I don't know; never met the fellow.

Virginia: George says ill-health always attacks one's weakest spot.

Friend (sweetly): You do have a lot of headaches, don't you, dearie?

We Can Do Better

IN the past, wars have brought with them a high cost of living, ending with inflation.

This sapped the strength of nations and added poverty and injustice to the other tragedies of war.

Later it has led to falling prices and unemployment.

In this war, we Canadians are determined to head off this danger.

We have done much to avoid a repetition of the disastrous price rises of previous wars.

We have paid higher taxes. We have bought Victory Bonds. We have severely limited profits.

We have put a ceiling on prices. And to make it possible to hold the ceiling, wages and salaries have been controlled.

In one way or another most increased costs have been absorbed and very few passed on to the consumer.

Holding the ceiling has been a struggle. But the results have been worth while. From 1914 to 1919 prices rose 60%. From 1939 to 1944 the rise has been only 18%.

This effort of the Canadian people has been successful enough to be noted in other countries.

But we must continue to hold the line. We need not let history repeat itself. We can do better.

We can all help—

By cutting down unnecessary spending, and buying Victory Bonds instead.

By not hoarding or buying in black markets.

By not taking advantage of the war situation to press claims for higher prices, higher wages, higher rents or higher profits.

(This advertisement is one of a series being issued by the Government of Canada to emphasize the importance of preventing a further increase in the cost of living now and deflation later.)

Goldfield

Mr. and Mrs. Fay Droppo spent Wednesday in Winchester.

Miss Margaret Nephew, R.N., who spent a few days at her home here, returned to Montreal at the week-end.

Mr. Cederic McLeod of Smiths Falls spent Monday at his home here.

Mr. and Mrs. Fay Droppo visited with Mr. and Mrs. Bernard Shaver and family.

Mrs. James Vallance of Finch visited friends here.

Mr. and Mrs. Gerald Foley and daughter visited at the former's home Mr. and Mrs. Alex Foley.

Mr. and Mrs. George Alguire and Mr. and Mrs. Arthur Ware of Osnabruck Centre visited Mrs. Cederic McLeod and family at the week-end.

Mrs. Roland Droppo visited at the home of Mr. Archie Gillies on Sunday afternoon.

Rev. and Mrs. Weaver of Newington and Mr. and Mrs. Robert Bogart of Riverisde were guests of Mr. and Mrs. Fay Droppo during the week-end.

LAC Len Foley of the RCAF of Mountain View, visited his home here at the week-end.

Northfield

CANADIAN NATIONAL

TRANSPORT for a NATION AT WAR

The Canadian National has been privileged to join with all the citizens of our country, including those who are serving in the armed forces, in the prosecution of the war. It believes that Canadians will be interested in this outline of some of the System's war activities.

SINCE THE CALL TO ARMS

WITHIN AN HOUR of the opening of hostilities the Canadian National began what has proved to be the largest and one of the most exacting war jobs in Canada. This job has continued day and night without stop for four and a half years.

●

FROM SEPTEMBER 10, 1939 to March 10, 1944 the Canadian National carried more than 100 million passengers and 300 million tons of freight. Since the beginning of the war the Canadian National Dining Car Department has served 13,631,387 meals.

●

THE RAILWAY not only hauled away the completed munitions of war, but brought in the raw materials to make them. Without this two-way service, Canada's magnificent job of production could not have been carried out. The Canadian National itself builds mine-sweepers, 12,000-ton freighters, naval guns and gun mountings, aircraft components, and parts for other gun factories.

●

OF THE 100 MILLION PASSENGERS carried, a high percentage consisted of members of the armed forces proceeding to camps for training and to shipboard for embarkation.

●

STEAMSHIPS OF THE COMPANY, though reduced in numbers by sinkings through enemy action, have served gallantly in the war as auxiliary armed cruisers, hospital ships and transports.

●

CANADIAN NATIONAL Express and Telegraph facilities have worked to capacity to meet war demands.

The Canadian National's nine all-year hotels, situated in cities from the Atlantic to the Pacific, have provided service of an essential nature to those engaged in the war effort. All the Company's resort hotels are closed for the duration.

●

22% OF THE PERSONNEL in Company's service in 1939 have joined the armed forces. In Victory Loan campaigns Canadian National men and women have purchased bonds to the amount of $26,924,600.

●

TRANS-CANADA AIR LINES, subsidiary of the Canadian National Railways, has carried 435,000 passengers during the war, 9,417,000 pounds of air mail letters, and 1,476,000 pounds of wartime air express. Trans-Canada Air Lines is also flying the Atlantic regularly with mail to and from the armed forces.

Extracts from Annual Report of the Directors of the Canadian National System:

OUR OBJECTIVE IN 1943, as in other war years, was to place the full strength of our manpower and facilities behind the war effort of the United Nations. To this end all energies have been directed. The requirements of the armed forces, of industry and agriculture, for transport and other services, have been met in all of the nine Provinces of the Dominion and in the important sections of the United States in which we operate.

RECORD TRAFFIC

These demands were greater than ever before, the traffic moved in 1943 being 17.3% greater than in 1942, the previous peak war year, and 44.7% greater than in 1928, the peak peace year.

Freight traffic in 1943 was more than double that of 1939, and passenger traffic four times that of 1939.

Despite this, the very large movements of war materials and personnel reached their destinations in accordance with schedule arrangements. There was no lowering of the recognized standards of safety.

MANUFACTURE OF MUNITIONS

The Company also extended its activities as a manufacturer of munitions, ships and naval appliances.

EARNING POWER

The 1943 operations demonstrated the great earning power of the System, the railway proving again that it can handle an immense volume of business economically as well as expeditiously.

After providing from revenue for all operating expenses (including deferred maintenance, depreciation, amortization of defence projects and reserve for inventories) and also a reserve for pension contracts, taxes, interest on funded debt and Government loans, the surplus paid in cash to the Government was $35,639,412.

OPERATING EFFICIENCY

The operating ratio for the year was 73.64% (an all-time record) as compared with 76.93% in 1942 and 81.99% in the peak peace year of 1928.

It is interesting to note that the vastly increased war traffic in 1943 was handled with 16.6% fewer locomotives, 15.4% fewer freight cars and 5.1% more passenger cars than was the traffic of 1917, the fourth year of the last World War.

SPECIAL SERVICES PROVIDED

The Company was honoured in being selected to provide extensive train and other services for Prime Minister Churchill, President Roosevelt and Madam Chiang Kai-shek during their visits to Canada in 1943.

POST-WAR

Changing conditions will call for new methods of railway operation and new types of service, and there must needs be a continuing search for improvement in all aspects of the railway industry. In view of this, the Company has in hand a programme of research. This programme, in addition to considering ways and means of improving service and efficiency of operation, also encompasses the problems of post-war reconstruction and rehabilitation.

THE OFFICERS AND EMPLOYEES in all departments of the System have worked hard and loyally to cope with increased responsibilities arising out of the war, and the directors record their appreciation and thanks. The traditional harmonious relations between management and employees were maintained throughout the year. Appreciation also is expressed to shippers and the travelling public alike for their cooperation in and sympathetic understanding of difficult operating conditions caused by the war.

Chairman and President

Highlights of 1943 Operations

Tons of freight carried	80,426,781
Passengers carried	34,500,731
Gross Revenues	$440,615,955
Net Operating Revenue	$116,140,285
Cash Surplus	$35,639,412
Total Payroll	$195,555,000
Average number of Employees	101,126
Total System Route Mileage	23,562

Cedar Grove

Carl McConnell, Massena, spent Sunday with Glenn Dafoe.

Howard and Lenie Dafoe were in Cornwall Monday afternoon.

Mrs. Martin, Cornwall, school nurse paid her official visit to the local school Tuesday.

Mrs. Lillie Dafoe and Mrs. Frank Dafoe attended the W.A. of Gallingertown United church held at the home of Mrs. Willie Brownell.

Miss Leila McEwan spent Saturday morning with her sisters Miss Ida McEwan and Mrs. McDonald, Wales.

Little Richard: Mother may I have a nickel for the old man who is crying outside?

Mother: Yes, dear, but what is the old man crying about?

Richard: He's cry: "Peanuts, five cents a bag!"

...—▼...—

It was a very tense scene in the film. The audience sat enthralled. Suddenly the hero slapped the heroine in the face.

In the stunned silence which followed a little voice piped up.

"Mammy," it said, "why doesn't she slosh him back like you?"

For Easter Week End

We are featuring

CARL E. McMILLAN

THE FARMERS' SUPPLY STORE

Dial 505 - Chesterville

Riverside

Recent visitors at the home of John McMillan were Mrs. Wilbert Ouderkirk and family.

Sorry to report Miss Theresa Murphy a patient in the Hotel Dieu, Cornwall. A speedy recovery is hoped for.

Mr. and Mrs. Claire Robertson of Crysler were visitors at the home of Mr. and Mrs. Alex Rutley.

Visitors at the home of Mr. and Mrs. J.P. Rady were Hugh Rombough, Lynn and Jimmie, Lieut. Russell Rady of Vimy Barracks, Kingston and Mr. and Mrs. Sam Kearns.

Mrs. C.D. Allan of Montreal returned home Saturday after spending two weeks with her brother Mr. J.P. Rady and Mrs. Rady and Bert.

Thursday afternoon Mrs. Allan and Mr. and Mrs. Rady visited at the home of Mr. and Mrs. W. Starke, Berwick East.

Mr. Edmund Adams of Lunenburg visited at the home of Mr. and Mrs. Clifford Swerdfeger, Sunday afternoon.

Mrs. R. C. Bogart visited the home of Mr. and Mrs. Clifford Swerdfeger Sunday afternoon.

Mrs. R.C. Bogart visited at the week-end with Mr. and Mrs. Wm. Dixon and Mr. and Mr. and Mrs. Ingram Cross, Chesterville.

Mrs. George Pollock is spending some time with her daughter Mrs. Clifford Ouderkirk who has been on the sick list. All wish Mrs. Ouderkirk a speedy recovery.

The regular meeting of the W.A. was held at the home of Mrs. John Bogart with a good attendance.

THE ROAD TO ECONOMIC RUIN

There is grave danger that, as month succeeds month with their prices being held in check, Canadians may begin to take this essential wartime control for granted and consider it is no longer really necessary for them to exert themselves on its behalf.

And yet there has never been a time since price control became effective when the ceilings required more friends or greater support. Pressures which, if unchecked, will destroy them and the security they give to the people of this country are constantly at work. The struggle to maintain economic equilibrium in Canada must be a continuing one if it is to succeed and if we are to enjoy protection from all the losses and tragedies that would inevitably follow in the wake of inflation.

The term "inflation" is not a bogey conjured forth for the pnrpose of terrorizing a people at war. It is a very real danger which is ever present under prevailing conditions and which is already making itself felt very seriously in countries as widely separated as China and southern Italy.

Missionaries and other people returning from China constantly tell us of the appalling prices which ordinarily now command in that unhappy country, where control remains absent and where there is, in consequence, so much loss and suffering, especially on the part of the ordinary common people. High and still rising prices have become a common complaint in southern Italy and Sicily, where allied authorities are now joining with civil officials in an effort to bring them under control.

The same condition prevails in varying degree practically all over Europe with the "black market" thriving and with the most exorbitant prices being demanded for even the necessities of life.

The same thing could happen here were we to allow it to happen. Statistics—and the memories of those who lived and bought in those days—prove, indeed that it did happen here during the Great War and thereafter. It would be happening all over again right now but for price control and the public support which has been granted it.

It follows that it we are to enjoy continued immunity from excessive prices leading to inflation and disaster for most of us, we must make up our minds to support this vital programme through thick and thin, for all the government policies that can be outlined, all the regulations that can be passed, will not avail if we ourselves do not stand four-square behind them.

It cannot be emphasized too strongly nor too frequently that inflation is destructive of everything that keeps us on an even keel financially and economically. It leads straight to loss, suffering and misery. It preys upon savings. It destroys investments. It is the particular enemy of all those having small or fixed incomes. Its impoverishing influence has been conclusively demonstrated over and over again in country after country and if we consent to it here, for want of determined, aggressive opposition, we are merely inviting terrible trouble that we will regret for probably many years to come.

IN MEMORIAM

In loving memory of my beloved husband W. J. Cobey, who passed away, April 11th, 1941.

Loving and kind in all his ways,
Upright and just to the end of his days,
Sincere and kind in heart and mind,
What a beautiful memory he left behind.

His loving wife, Lillian Cobey.

PREVENT crooked, run-over heels. Preserve shape of shoe, making walking a pleasure. Easily attached to any shoe. Price Pair **.35**

DR. SCHOLL'S FOOT BALM

FOR tired, aching, burning feet. After a hard day a foot massage with this balm will give you great relief. Soothes minor skin irritations. Per jar **.40**

H. J. McMahon

Dial 354 - - Chesterville

This is one in a series of messsages explaining problems of electric supply to farm and hamlet consumers served direct by The Hydro-Electric Power Commission of Ontario.

Uniform Rural Meter Rate Anywhere in Ontario

Our last advertisement illustrated the reductions which will apply to farm and hamlet services in most areas in the Province. Herein, we give some of the reasons for the benefits of the new Uniform Meter Rate.

The cost of rural electric service is made up of two main parts:

(1) The cost of providing electricity in bulk at convenient central points (substations);

(2) The cost of distributing this electricity from these substations to the user.

Since electricity cannot be stored, it is necessary to provide lines made up of poles, conductors, transformers, etc., to carry the electricity from the substation to the consumer so that each user will have service available at the flip of a switch. To the cost of building these lines must be added the cost of maintaining and operating them.

Electric service rates originally included a Service Charge to cover the cost of distribution, plus a meter rate to cover the cost of the bulk electricity at the substation. The Province was divided into a number of rural power districts created around available substations without particular regard to township or county boundaries. Each of these districts had its own meter rate, varying from a high of 6c, 2c and ¾c to a low of 2½c, 1½c and ¾c.

During the past twenty years many complications and inequalities have arisen in trying to maintain the identity of these districts. Therefore in order to provide suitable service to all at the lowest and fairest cost, the 120 Rural Power Districts have been combined into one Provincial Rural Power System with a Uniform Meter Rate of 4c, 1-6|10 and ¾c. Now, all Rural Power Consumers anywhere in the Province pay the same meter rate. This Uniform Rate represents a reduction in most of the old districts and an increase in only a few districts formerly having a very low rate.

These explanations are given to help you understand the new rate. In our next message, we shall discuss, for your benefit, the MINIMUM BILL. In the meantime, if you need further information, please ask your Rural District Superintendent.

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO

In order to have a complete understanding of the new rural rates, we suggest you clip and keep these explanations.

● The names in this newspaper that interest you most are names of boys you know who are on active service . . . boys from this community. You used to read their names in school reports, in church and Sunday school items, in news of sport. You read these names today in news from the fighting fronts. So often now these names make sad news.

Let's do all we can to hasten the day when our newspapers can tell of happy things.

Yes, we can do something to hasten that glad day.

When we do this job we help to win victory sooner. We help to end the war sooner. And we do something to benefit ourselves.

The job that we are asked to do is to save our money and lend it to our country.

As each new fighting front is opened more money is needed. More people must be ready to furnish this money.

More Victory Bonds will be issued. Those who have not bought Victory Bonds before must buy them. Those who have bought bonds must buy more. We are not asked to give . . . we are just asked to lend. We will have money for things we plan to do, after the war.

Dedicate yourself to this war effort . . . something you can do . . . one thing you must do. *Your* help is urgently needed.

Farm Groups Seek Changes

The Ontario Agricultural Commission of Inquiry sitting in Kingston, Monday, heard representations from the counties of Hastings, Prince Edward, Lennox and Addington, Frontenac and Leeds and Grenville. The farm organizations which presented briefs urged upon the Ontario Government the necessity of making changes in the present system of agriculture. These suggestions had to do with milk production, cheese production, hogs, the conditions in rural schools, etc.

Mrs. William Ellerbeck, president of the Frontenac district Women's Institute, asked that something be done to improve conditions in the rural schools, and said it was desirable that they be equipped for community activities and that there be community playgrounds, auditoriums and kitchens.

Among the suggestions made by the Women's Institute was one that had to do with all persons handling food for public consumption being forced to undergo a T.B. test. Prof. Archibald Leitch, chairman of the commission, told the gathering this was the first suggestion of its kind which had been brought to the attention of that body during its visits in different sections of the Province.

The commission was urged to recommend to the Provincial Minister of Agriculture that the subsidy now being paid for milk be continued through the summer months, and that there be a uniformity in the prices paid for milk, whether it be for domestic consumption or processing. A brief also recommended that there be research work in connection with finding new uses for milk, such as casine, etc. Prince Edward County representatives urged that a department be set up in the Ontario Department of Agriculture to study matters pertaining to the canning of vegetables, the chief crop produced in that county. The report recommended that necessary research work be done to assist growers who produce tomatoes, peas, corn, pumpkins and berries.

Sandtown

Mr. and Mrs. Cecil Gove of Cedar Grove spent Tuesday wtih Mr. and Mrs. Harry Gove and Mr. Will Boal.

Miss Norma Brownell of North Valley spent Tuesday with Mr. and Mrs. Dannie Hehir.

Mr. and Mrs. Walter Bryant of Massena spent Tuesday with Mrs. J. Winters and Mr. and Mrs. Harold Winters.

Mr. James Forsythe of Finch and Rev. Mr. Crozier of Chesterville were Wednesday dinner guests of Mr. and Mrs. Harry Gove and Mr. Will Boal.

Mr. Himie Bernstein of Montreal was a Wednesday dinner guest of Mr. and Mrs. Andrew Helmer.

Mr. and Mrs. Willard Hawn and Joyce of Cornwall spent Thursday with Mr. and Mrs. Wilbert Helmer and family.

Mr. and Mrs. Gordon Helmer of Newington were Friday dinner guests of Mrs. E.J. Markell.

Mr. and Mrs. John Ostler and Mrs. Harry Gove and son Johnnie spent Thursday night with Mr. and Mrs. Cecil Gove at Cedar Grove.

Mr. and Mrs. Gordon Helmer of Newington were Friday tea guests of Mr. and Mrs. Andrew Helmer and family.

Mrs. Silas Berkley spent the past week with Mr. and Mrs. Angus Kearns at Grantley.

Mr. and Mrs. James Ostler of Moulinette and Mr. and Mrs. Grayham Silmser and Mrs. Viola Boals of Cornwall, spent Sunday with Mr. and Mrs. Harry Gove and Mr. Will Boal.

Mrs. Cecil Rupert of Cornwall spent the week-end with Mrs. Jas. Winters.

Mr. and Mrs. Victor Johnston and family of Cass Bridge spent Sunday with Mr. and Mrs. Wilbert Helmer.

Mr. and Mrs. Carl Waldroff of Finch spent Sunday with Mr. and Mrs. R.J. Waldroff and family.

Mr. Harold Winters sold a nice two-year-old colt to Mr. Noah Thompson of Avonmore.

Rev. Mr. and Mrs. Raymond Dunbar and son John Clare of Chesterville spent Monday with Mr. and Mrs. Andrew Helmer.

Mr. Dannie Hehir secured a good position as cook on the scow at Morrisburg.

Mr. Howard Winters of Newington spent Sunday with his mother Mrs. James Winters.

Pte Lloyd Hawn of Brockville spent the week-end with Mr. and Mrs. Andrew Helmer and his wife, Mrs. Hawn.

An Advantage

The dividing wall between Heaven and Hell having collapsed, the devil and the Keeper of the Gate met in conference as to its rebuilding.

After long discussion the former said, "I think I must have time to consult my lawyer."

"Ah!" replied the Keeper of the Gate, shaking his head, "that's where you have the advantage of me! There are no lawyers on my side of the wall."

Orchardside

Mrs. Stanley Servage and daughter Marilyn of Kingston are spending some time with her parents Mr. and Mrs. George Elliott.

Mr.r and Mrs. A. Smith of Cornwall, visited on Sunday with Mr. and Mrs. Claude McColl.

Mr. Hugh Cunningham spent Saturday evening in Cornwall.

Messrs. Basil and Cecil Elliott have returned home after spending the winter months in Prescott working in Dominion Lighthouse Depot.

Mr. and Mrs. John Bolton and daughter Linda of Winchester Springs spent Sunday at the home of Mr. and Mrs. Thos. Loucks.

Mr. and Mrs. Roy Elliott spent Sunday with Mr. and Mrs. Nathan Casselman of Winchester Springs.

Mrs. A. Bolton of Mountain is spending some time with Mr. and Mrs. Pliny Irving.

Mr. Dalton Elliott is spending some time visiting relatives in Kingston.

Our Red Cross unit met on Tuesday at the home of Mrs. Roy Elliott.

Mr. Claude McColl and Mr. Thos. Loucks have tapped their sugar bushes but report a poor run of sap.

Good Business

The high-speed salesman had joined the army, gone into action, been wounded. For several days he lay delirious, but eventually he turned the corner.

On the first day of his recovery he was surprised to see all the nurses standing 'round his bed, offering him money.

"What's this for?" he asked.

"Why, for the radios and refrigerators you sold us while you were unconscious," they chorused.

Beckstead

Mrs. Mahlon Beckstead returned home on Saturday after spending a few days with her daughter Mrs. Stanley Shay of Chesterville.

Mr. and Mrs. Burton Beckstead spent Tuesday evening at the home of Mr. and Mrs. Harry Carruthers of Elma.

Mr. and Mrs. Arnold McMartin and Malcolm spent Saturday afternoon and evening at Mr. and Mrs. Donald McMartin's.

Mr. and Mrs. Donald McMartin and Gwen had dinner Sunday with Mr. and Mrs. Edgerton Barkley and family.

Sawing is the order of the day.

Miss Jean Whittaker spent the week-end at her home here.

Mr. and Mrs. Fred Henderson and Mr. and Mrs. Dwayne Henderson spent Tuesday evening at Mr. and Mrs. Earl Beckstead's.

Poems are made by fools like me,
But only God can make a tree.
—Joyce Kilmer

Picobac
THE PICK OF TOBACCO
It DOES taste good in a pipe

Melvins

Mr. and Mrs. Roy Miller of Sandtown took dinner with Mr. and Mrs. Richard Scott recently.

Mrs. Bernice Ouderkirk of Berwick visited her parents Mr. and Mrs. J. Presley one day last week.

We are sorry to hear that Mr. Sherman Christie is ill with pneumonia. We hope to see him about soon.

Mrs. George Coons of Methodist St., spent a few days with her mother, Mrs. John Scott who is ill.

Visitors at Mr. and Mrs. A. Gainer's last Sunday were Mr. and Mrs. Nomand Holland and Jr. of Massena and Mr. and Mrs. Lawrence Whittaker and children of Beckstead.

Red Cross met at the home of Mesdames M. R. Black and John Barrett, last week for the Melvin Unit.

Mrs. Richard Scott spent a couple of days last week with her parents Mr. and Mrs. J. W. Redmond of Winchester.

Messrs. James and Ronald Shaw spent Saturday in Ottawa.

Miss Marion Scott took Saturday tea with Mrs. Peter Poole of Winchester.

The community was shocked to hear of the sudden death of Mr. John Gibson on Saturday evening. We extend our sincere sympathy to the bereaved family.

It doesn't cost to advertise in The Record—It Pays.

ONTARIO

THE

ONTARIO HOSPITAL TRAINING SCHOOLS FOR NURSES

Applicants are now being selected for entrance to training in the following Mental Hospitals:

Brockville	London
Hamilton	New Toronto
Kingston	Whitby

A two years course of training is offered in the home hospital, followed by one full year in affiliation at specially selected General Hospitals throughout the province. This course leads to Provincial Registration.

During the full three years training a generous Monthly Allowance is given.

For detailed information apply to

SUPERINTENDENT, ONTARIO HOSPITAL at One of Centres Listed

Hyndman

Mrs. Roy Grant and daughter Joan spent Tuesday afternoon with her mother Mrs. Thos. Canning, Pleasant Valley.

Mr. and Mrs. Lorne Conley motored to Brockville on Tuesday and spent the day with Mr. and Mrs. G. Carson. Master Teddy Carson returned home with them to spend a few days.

Mrs. Robert Grant visited Mr. and Mrs. Lyall Crowder, Pleasant Valley, Wednesday afternoon.

Mrs. Jas. Lattimore, Mrs. Bert Lattimore were Thursday afternoon visitors of Mr. and Mrs. John Sommerville.

Mr and Mrs. Ray Grant visited Mr. and Mrs. Gordon Francis one evening last week.

Mr. and Mrs. John Conley spent Friday with friends in Oxford Mills.

Mrs. Thos. Canning, Pleasant Valley spent the week-end with Mr. and Mrs. Ray Grant.

Mrs. John Francis, Miss Winnie Francis, South Mountain are spending a few days with Mr. and Mrs. Gordon Francis.

Mr. and Mrs. Cecil Canning were Sunday afternoon visitors of Mr. and Mrs. Robert Grant.

Mr. Osborne McFadden is a patient in the Ottawa Civic hospital. Also Miss Gertrude Baker. Their many friends wish them a speedy recovery.

Winchester Tp. Council

The regular meeting of Winchester Township council was held in the Town Hall, Winchester, on Monday, April 3rd, with all the members present. The minutes of last meeting were adopted as erad and signed by the reeve.

Council decided to make an inspection of the township roads on Monday, April 10th, in order to draft a plan of the work to be done, and the roads in most need of repair during 1944.

The Council unanimously passed a resolution objecting to the new County method of Assessment and asking that the Counties Council repeal the By-Law adopting the County assessment or at least to defer same until after the war as it appears complicated, expensive, unworkable, unnecessary, unintelligible and not fully understandable at the present time.

The following accounts were passed

Roads and Bridges	$195.60
Relief	62.35
Salaries	45.00
Wood	917.94
Charity	35.00

Council adjourned to meet in Morewood, on Monday, May 1st, 1944 at 10.30 a.m.

Does It at Home

"If there is one thing I enjoy more than another." said Sprucer, "it is to get to the river bank and lie about fishing."

"Why, I fail to see the necessity for you going to the banks of the river to do that," remarked Mrs. Sprucer, quietly.

Well-Known Resident Passes Away

DEATH OF GEORGE SERVAGE.

Thursday last the death occurred at his home on Victoria street of a well-known and respected resident in the person of George Servage in 73 year. He was born in Connaught the son of the late Joseph Servage and his wife the former Sara Shane. He is servived by one sister, Mrs. Jerome Flynn of Amarillo, Texas and one brother, Willie Servage of Flin Flon, Manitoba. There are also 20 nieces and nephews and a great many friends who regret his death. The funeral was held in St. Mary's Church, Saturday morning when Requiem High mass was celebrated by Rev. Father Keaney after interment in the Upper cemetery. The pall bearers were Messrs. Emmett Shane, Edward Barrett, Thomas Servage, Stanley Harper, Allen Moran and Bernard Coyne.

Not how did he die; But how did he live;
Not what did he gain; But what did he give;
These are the units to measure the worth,
Of a man, as a man regardless of birth;
Not what was his station; But had he a heart;
And how did he play his God-given part.
Was he ever ready with a word of good cheer?
To bring back a smile, to banish a tear?
Not what was his church, or what was his creed,
But had he befriended those really in need?
Not what did the sketch in the newspaper say,
But how many were sorry when he passed away.

Payne Valley

Mr. and Mrs. J. Deeks of Cornwall called on Mr. and Mrs. George Eligh on Wednesday.

Mr. and Mrs. Maldwyn Watkins spent the week-end in Cornwall. Mr. Watkins had his tonsils removed.

The Red Cross had a euchre party at St. Luke's school house on Friday evening. Cards were played at 16 tables and all report a good time.

Mrs. Edgar McLean and daughters, Finch, spent Friday with Mr. and Mrs. Dan Campbell.

Mrs. George Eligh called on Mr. and Mrs. Miller and Mrs. Eva McDonald, Rush City, on Wednesday.

Mrs. Flossie Meldrum and son Russell of Berwick called on Mrs. Hughie Cameron and Mr. and Mrs. George Eligh on Thursday.

Mr. Lloyd Thompson of Northfield is sawing wood in our vicinity.

Mr. and Mrs. Rupert MacIntyre and daughter Marjorie spent Sunday evening with Mr. and Mrs. Clifford Eligh.

Mr. and Mrs. George Eligh spent Wednesday with Mr. and Mrs. Meredith Garlough and family.

Mr. and Mrs. George Eligh and George and Mason Cameron spent Sunday with Mr. and Mrs. Walter Watson, Colquhoun.

Mr. and Mrs. J. D. Shaver and Mr. Donald Shaver spent Sunday evening with Mr. and Mrs. Clifford Eligh.

Miss Marion Winters of Finch, spent Wednesday evening with her friend Miss Laura Shaver.

Mr. and Mrs. Cam Murdock of Avonmore, spent Sunday evening for tea with Mr. and Mrs. J.D. Shaver.

A quilting was held in the home of Mrs. J.D. Shaver on Thursday evening. One quilt was quilted and some piecing done.

Mr. and Mrs. George Eligh and Mrs. Hughie Cameron and daughters Betty and Carol and son Robert spent Friday with friends in Cornwall.

Joan and Manson Cameron spent Saturday afternoon at Mr. Tom Hunters, Finch.

S. S. NO. 6 GOES OVER TOP IN WAR SAVINGS STAMPS

The pupils of S.S. No. 6, Finch, purchased and sold $158.25 worth of War Stamps and Certificates during the month of March. Mr. F.L. Barrett, Inspector for Stormont Public Schools, arranged last September for the pupils of his Inspectorate to buy a Harvard Trainer plane, valued at $15000.00.

A beautiful picture of this plane was sent to the schools the first of March and a special drive was put on to raise the required amount by the end of June this year. This plane is on display in all schools and the boys and girls can see that their money is equipping our brave Canadian boys in their fight for freedom.

I might also mention that since the first of September our school has bought $260.00 worth of War Savings Stamps and Certificates.

C. Fred Weaver.

Once in a while odd items appear in print:—

A young woman wants washing and cleaning daily.

Green coloured girl wants work until after Christmas.

Woman (whose car had stalled in the middle of the street): "Why did you bump into me? Couldn't you have driven around my car?"

Man: "Lady, I only have an 'A' card."

Famous for 50 Years

"SALADA" TEA

Despite wartime difficulties the traditional high standard of this household favourite is maintained.

Maple Avenue

Mr. and Mrs. Howard Rutley and family of Farran's Point were Sunday guests of Mr. and Mrs. Ober Beckstead and Mrs. I. Rutley.

Mr. and Mrs. John Neville spent Sunday with Mr. and Mrs. James Woods, Wales.

Mr. H. Sayeau of Kingston spent a day recently with Mr. Floyd Mellross.

Mrs. John Brownell spent Monday with Mr. and Mrs. Warner Campbell, Finch.

Mr. and Mrs. Arnot Helmer of Newington, were Sunday guests of Messrs. Curtis and Floyd Mellross.

Mr. and Mrs. Garnet Richardson and family spent Saturday in Cornwall.

Mr. and Mrs. Arthur McMillan and Miss Helmer of Finch were Saturday visitors with Mr. and Mrs. Lyman Ault and family.

That's Why

A raw recruit had had a real good 'dressing down' from the young lieutenant. Next day he passed the lieutenant without saluting. He was stopped.

"Why didn't you salute me?" demanded the officer.

"W-well, sir," said the rookie, "I thought you were still cross at me."

Ration Coupon Calendar

April 6-12, 1944

Butter: Coupons 54, 55 and 56 are now valid and will expire April 30. Coupon 57 will fall due April 13.

Sugar: Coupons 14-29 are now valid and will remain so until declared invalid. Coupons 30 and 31 (No. 4 book) will fall due April 13.

Preserves: Coupons D1-D16 are now valid and will remain so until declared invalid. Coupons 17 and 18 (No. 4 book) will fall due April 13.

Tea or Coffee: Coupons 14-29 and coupons E1-E6 are now valid and will remain so until declared invalid. Coupons T30 and T31 (No. 4 book) will fall due April 20.

Canning Sugar: Spare F coupons 1-5 in No. 3 book will fall due May 25 and spare F coupons 6-10 on July 6 for the purchase of sugar for home canning at the rate of one pound per coupon. On application at Local Ration Boards after they fall due they may be converted into preserves coupons.

Evaporated Milk: Application for special G coupons for the purchase of evaporated milk or partly skimmed evaporated milk for infant feeding or medical cases may be made to Local Ration Boards. All such applications for those over two years of age must be supported by medical certificates.

THE MIXING BOWL

By ANNE ALLAN

Hydro Home Economist

Hello Homemakers! Which came first, the chicken or the egg? It's an old, old question and no one has ever found a satisfactory answer. Peoples of ancient times believed the secret of life to be within the egg and regarded it as a symbol of creation. The Christians borrowed the idea and made it part of their Easter festivities, but they made it emblematic of the Resurrection.

The custom of colouring eggs appears to be exceedingly ancient. Eggs were dyed in the days of the Persians and Gauls with the purpose of imitating the colour of the growing things. But it is said that when the original custom was adopted by the Christians, eggs were coloured red to denote the blood of Christ. Since those early times the custom has lost its serious meaning and is now practised merely for decorative purposes or to amuse the children. Children's nursery rhymes and timely incidents are associated with the markings which are transferred to the cooked eggs for Easter festivities.

Since each child will want one of these pretty coloured Easter eggs, mother will have to use eggs wisely for the rest of the week. Here are some new recipes.

One Egg Muffins.

Temperature: 400 degeres F.
Time: 22-25 minutes.

1-3 cup shortening, ¼ cup sugar or sugar substitute, 1 egg (well beaten), 1 cup milk, ¾ cup finely chopped apple, 1 tsp. lemon juice, 2 cups all purpose flour, 4 tsp. baking powder, ¾ tsp. salt, ¼ tsp. nutmeg, ½ tsp. cinnamon.

Cream together the shrotening and sugar or sugar substitute; beat until fluffy. Add the well beaten egg; stir in the milk, the chopped apples and the lemon juice. Sift the dry ingredients three times. Add, all at once, to the apple mixture; stir with a knife only enough to moisten the flour. Pour into oiled muffin tins and bake in a fairly hot oven till firm and brown.

These muffins can be varied by scattering a few chopped nuts on top of each muffin; by mixing ¼ teaspoon of cinnamon with 2 tablespoons of sugar and sprinkling it on the raw batter; by pressing a wedge of apple, red skin up, in each muffin.

But without all these embellishments, the original muffins are grand. Serve half of them hot, with sauce, for dessert; save half of them for the breakfast coffee. They're nice with butter, delectable toasted and buttered.

Fruit Pudding

½ cup molasses, 1 egg (well beaten), 1 cup unsweetened apple sauce, ½ cup raisins, ½ cup chopped uncooked figs, 1 cup dry bread crumbs, 2½ cups all purpose flour, 1 tsp. salt, ½ tsp. baking soda, 1½ tsp. baking powder, 1 tsp. cinnamon, ½ tsp. ginger, ½ cup chopped suet taken from tenderloin.

Mix together the molasses, the well beaten egg and the apple sauce. Mix the chopped raisins and figs with the dry bread crumbs; combine with the molasses mixture. Add all remaining ingredients and mix thoroughly. Turn into greased mould. Tie on wax paper. Place in steamer and cook for 2 ½ hours (large mould) or 1½ hours (individual moulds).

Orange Sauce

1½ tbsp. cornstarch, ¼ or 1-3 cup sugar, 1 tbsp. grated orange rind, ½ cup orange juice, 1 tbsp. lemon juice.

Mix the cornstarch, the sugar and the orange rind in a saucepan; add the boiling water; stir and cook till smooth and thick (about 5 minutes). Add the fruit juices and again heat to boiling. Serve hot with the fruit pudding.

One Egg Cake

3 tbsp. shortening, ¾ cup fine white sugar, 1 tbsp. grated orange rind, 1 egg (well beaten), 1½ cups cake flour, 1½ tsps. baking powder, ⅛ tsp. salt, ½ cup milk.

Cream together the shortening, ½ cup of sugar and the orange rind; add to this the egg (beaten until it's light and lemon coloured with the remaining ¼ cup of the sugar). This mixture should be very light. Sift together the dry ingredients four times. Add them alternatively with the milk to the creamed mixture. Beat only enough to smooth the batter; pour into a square pan 8" x 8", which has been lined with wax paper. Bake in an electric oven at 350 degrees (25-30 minutes). Let stand in the pan for five minutes before turning on a cooling rack. Eat while fresh.

TAKE A TIP

1. The sale of dried peas and beans is "frozen" until further notice by our government authorities.

2. Begin saving sugar now to can rhubarb.

Mrs. C.N. recommends cleaning windows with water to which 2 or 3 tablespoons of vinegar are added.

Mrs. J.D. says that warm water and warm tea may be used in place of milk to make a very tender cake, but the cake cannot be stored for more than a day or two.

Urge Even Greater Effort Be Made In War Gardens

For 1944 the Agricultural Supplies Board urges an even greater effort in wartime gardens than in 1943, for the reason that there is a more urgent need for all the food products that can be grown in Canada. Whatever greater the extent is made this year in wartime gardens on the part of people in cities, towns or in the rural areas, the market for the produce of commercial or market gardens will not be affected, states the Board. The maximum output from such gardens will be required to meet the demand from the armed forces, ships' stores and the civilian population.

The Board points out that production of vegetables in wartime gardens helps to relieve the strain on transportation facilities at a time when such facilities are already heavily overloaded. A survey made by the Wartime Gardens Committee appointed by the Board, discloses that the seed supply is sufficient to enable all the vegetables that are most in demand to be grown in sufficient quantities to meet normal demands. But the committee states every effort to avoid waste should be made. There is some shortage of a few varieties of cabbage seed, bush beans and beets.

As for fertilizers, the Fertilizer Administrator states that the supply is adequate for gardens, but gardeners are recommended to give more consideration to using fertilizers for garden crops rather than on lawns, ornamental trees and shrubs.

All the standard types of garden tools are available in reasonable quantities and there are enough essential insecticides of the arsenical kind to go around, but rotenone and pyrethrum or contact dusts are not plentiful.

The vegetables recommended for wartime gardens are carrots, beets, beans, tomatoes, onions, potatoes, sweet corn, cucumbers, lettuce, spinach, swiss chard, radish, hubbard and marrow squash. While green peas are not very practical for a small garden, they, are however, recommended if the gardener has plenty of land.

The Board recommends the growing of potatoes, preferably from certified seed, which will give a higher yield than ordinary seed due to the fact it is free from disease.

Wartime gardeners either as individuals or as a community group can get helpful advice and co-operation from their local horticultural society, the provincial agricultural representative or the nearest Dominion Experimental Farm. There is also a lot of useful information in a special pamphlet issued by the Agricultural Supplies Board entitled "The Wartime Garden", which is available from the Dominion Department of Agriculture Ottawa, or from any Provincial Department of Agriculture.

Prison Life In Germany Kept Bearable By Birds

In a prison camp it is the little things that keep life behind barbed wire bearable. Bee- keeping, bird-watching, the study of wild life in general, ordinarily are the solitary country pursuits of a free man. And yet somehow many British and Canadian prisoners during the past four and a half years of war have managed to fit these very small pursuits on a smaller scale into their prison lives.

During last summer a strange sound was heard in one of the German prison camps. "I was out of the window and on the spot in a flash," wrote one prisoner to his family, "and found a swarm of bees settling. Back to the room I rushed for a Red Cross box in lieu of a skep. With a little coaxing the bees were soon in the box and are now established in an improvised hive outside our window."

An account from another prison camp says that bird boxes were placed in most of the trees surrounding the camps last year. Every week a detailed list was posted, telling of all the new birds seen in the camp, whether they were resident or casual visitors, and so on. The same bird boxes will be out again in force this spring.

The amount of trouble taken to observe the habits of the birds is amazing. All the nests were kept under observation. The time the female arrived at the nest, the number of times mate fed her whilst she was sitting, the time the first egg hatched all were carefully noted and posted on bulletin boards. One camp had a large map showing where the same kinds of birds that had visited the camp spent their winter months.

Animals appear often to be a feature of camp life—rabbits in particular. One prisoner said that he had made quite an enviable reputation for himself as a maker of rabbit hutches.

Mrs. Clarence Holmes of Winchester spent the week-end with her mother Mrs. Philip Meikley.

The marriage of Miss Hilda Short, of Chesterville, to P. O. R. W. Hicks, RCAF, formerly of Montreal, took place on Tuesday, March 28th, in Leaside United Church, Toronto.

* * * *

Mrs. K. D. McQuaig and infant daughter Margaret Ann, arrived today from Montreal to spend some time with her parents Mr. and Mrs. Chas. Graham, while her husband is in Vancouver.

HAROLD J. McLAUGHLIN
The Chicago Sun

Services for Harold J. McLaughlin of the J.W. Butler Paper Co., were held on March 23rd in Our Lady of Mount Carmel Church. A World War I veteran and holder of the Silver Star Medal, Mr. McLaughlin died Monday. He lived at 3520 Lake Shore drive. Surviving are his widow, Helen; a daughter, Mary Jane; a brother and three sisters.

YIELD OF POTATOES CLAIMED AS RECORD

The distinction of having grown what is considered to be the highest yield of potatoes per acre ever obtained in Canada—900 bushels per acre, of which 883 bushels were of marketable grade—goes to Leslie Gilmore, R.R. 1, Steveston, B.C. when he took part in the 1943 potato competition of the Columbia Potato Growers' Association, Lulu Island, British Columbia. The Association has held these competitions annually for the past 10 years with the object of benefiting the potato industry at large by increasing yield per acre, quality and demand and by obtaining more uniformity in type..

These annual competitions are assisted by persons interested in improving the potato crop and by officials of the Dominion Department of Agriculture who also act as judges and verify the yields. In 1943 competition, the members of the Association in general obtained the highest yields per acre they ever had. Also the quality of the crop was much above average. The variety for the competition was "Netted Gem" which is popular in British Columbia and in several of the Western States. It has been grown commercially in British Columbia and Alberta for the past 40 years. "Netted Gem" is not considered to be one of the highest yielding varieties, hence the 1943 record yield is all the more outstanding. Incidentally, the fancy wrapped and boxed potatoes imported into Canada and sold as "Idaho Bakers" are the same variety as "Netted Gem."

IN MEMORIAM.

In loving memory of a dear father and husband, William Plantz, who passed away April 10th, 1943.

Calm, peaceful he is sleeping,
Sweetest rest that follows pain;
We who loved him sadly miss him,
But trust in God to meet again.

Wife and Sons.

CARD OF THANKS.

I wish to express my sincere appreciation to all the friends and neighbours who sent cheery messages to me while confined to bed with pneumonia; and also to the Ladies' Aid of Trinity United church for flowers, and to Rev. W.E. Wright for his kind visitations. Mrs. William A. Shay.

Merrill Mission Band

Our Merrill Mission Band met in the S.S. Hall on April 3 with 40 members present and one guest, Mrs. (Rev.) Wright, and we do hope she will come often to our meetings.

After our opening exercises and business part of our meetings, three girls, Patricia Paul, Elaine Fader and Margaret Gilroy sang, accompanied on the piano by Shirley Rowe. A reading was given by Una Meikley and prayer offered by Patricia Paul.

The offering was lifted by Miriam Gilroy and dedicated by Mrs. Fader.

We enjoyed the story from "Far Round the World" by Mrs. Campderros, who makes all stories so interesting to us. As this was our Easter Thank-Offering meeting, Mrs. Fader told us a very lovely Easter story.

After a reading by Elaine Fader, our meeting closed with the benediction.
