Santa Claus Visits Area

Santa Claus had to be the busiest man in the area last Saturday when during the afternoon he visited South Mountain, Mountain, Morewood and Kenmore. Not only did he delight children gathered to greet him, but at each location he found time to participate in colourful parades.

He did, however, greet the little ones at each location with a happy smile and last minute requests were graciously accepted.

It appeared Kenmore may have been his first stop and here he made his entrance in a cutter pulled by 'Samantha', of the now famous McGowan stables, and groomed for the occasion by Rick Vander Linden. W.I. members sponsored the visit suggesting it was a replacement for the school concerts that were so popular prior to centralization.

Morewood

His next brief stop was at Morewood where again he found himself in a cutter. This time he was obliged to do the driving himself and laughed merrily at Morewood's very own version of his favourite reindeer, Rudolph.

A spectacular parade wound its way through the town's main streets and judges awarded top prizes to Morewood Public School, Chesterville Chamber of Commerce, Morewood R.A., and Robert Lalande, Morewood.

It appeared the old gent's supply of candy was unlimited since he handed them out generously at each stop and had plenty left as he headed off in the direction of Mountain and South Mountain. Here he was similarly greeted by throngs of happy youngsters, colourful floats, and clowns.

Ideal weather prevailed for Santa's final visit to the district and as we waved farewell all knew it would be the last time they would see him for another twelve months.

He assured all he would be back within a week---but of course all knew no human eye would detect the flaming red sleigh and eight fiery reindeer as they sped through the star-lit sky at Christmas.

19 month old Julie Black of South Mountain doesn't seem to be quite sure of just who that strange man with the red nose and big white beard is. Julie hung onto mommy (Mrs. Dave Black) for all she could when Santa asked her if she had been a good little girl all year.

Santa couldn't get a definite answer to help him fill out his list but you can be sure that Julie will have her mind made up when Santa returns to South Mountain next December.

Julie and her mom were part of a large crowd on hand for Santa's visit to the village last Saturday. The jolly old gent was extremely busy that day making stops at Mountain, Morewood, Kenmore and Winchester District Memorial Hospital.

Concerned Snowmobilers Form Club To Plot Trails Through Township

At a meeting held last week, a group of concerned Winchester area snowmobilers agreed to form a snowmobile club which will develop a marked and groomed trail system throughout Winchester Township. After some discussion, the lack of safe and useable trails became quite evident as many pointed out that they did much of their snowmobiling on roads and ditches. Also noted was the fact that in the past, much of the travelling on privately owned land was done without the owner's consent.

Besides aiming for good trails, the club will also hold club events which are the norm with other clubs. These events will help promote togetherness and unity amongst the members as well as help raise funds to make the club financially solvent. The club is not intended to break up existing groups in the Township who get together for snowmobiling and socializing but rather to provide for everyone, individuals and groups. No one needs to break up existing friendships or widen their immediate circle of friends to derive benefits from the organization. Simply join as an individual and help the cause of good snowmobiling in this area.

Work on establishing trails began immediately with Robert Lalonde plotting a trail from Morewood to Chesterville, Don Henderson agreed to look after the Chesterville-Dunbar area trail while the Chesterville-Winchester run will be looked after by John VanBruinessen and Bob Larose. Several other trails are also in the planning.

The club also intends to connect with existing trails which surround the Township thereby filling the long existing gap between the neighbouring clubs and providing the snowmobilers with almost unlimited miles of trails.

As the club has yet to acquire funds, new grooming equipment was considered out of the question for this year, however, "home made groomers", which can do a fairly good job, were considered and Gordon Young agreed to look at such equipment and make recommendations at the next meeting.

The important job of marking the trails has been undertaken by Tom Hewitt while Al Kennedy agreed to come up with the necessary membership forms and land owners permission forms.

Membership fees were discussed and it was agreed to set a family membership at $10.00 and a single membership at $5.00 for the season. It was also agreed that the name "Winchester Township Snowmobile Club" was quite appropriate and should be retained.

The new club appears to be off and running. But, to keep on growing, it needs the support of local snowmobilers. Those interested in the sport are invited to join and help make it a solid organization. Those who would like to see a trail in their immediate area are invited to contact any of the people mentioned above. Membership applications will be made available at the various snowmobile dealers in the area. They can also be obtained from anyone mentioned above.

A second meeting has been scheduled for Tuesday, December 28th at 8:00 p.m. at the Winchester Township Building on Highway 43. Everyone is welcome to attend. It will be a perfect opportunity to find out more about the club. And, if you care to become a member, applications will be accepted. Refreshments will be served.

Mrs. R.W. Justus Dies Age 104

Mrs. Richard Willis Justus, the former Edith Melissa McConkey, Winchester's most senior citizen, died at Winchester District Memorial Hospital in her 105th year.

The long time, highly respected resident of the area, was a daughter of the late Mr. and Mrs. Samuel McConkey and received her early education at New Dublin, Ontario. At the home of her parents, in February 1898, she married Mr. Justus who predeceased his wife in 1932.

The late Mrs. Justus is survived by three sons and two daughters: Dr. Howard, Chesterville; William, Collins Bay; Franklin, Frankford; Helen Whelan, Kingston and Miss Eva Justus of Winchester.

Twelve grandchildren and 24 great grandchildren also survive.

A member of St. Paul's Presbyterian Church, Winchester, the funeral service at Vice and Craig Ltd. Funeral Home, Winchester, was conducted by Rev. H. Smith at 10:30 a.m. on December 15th.

25.6% Hydro Increase Hard Blow To Farmers

"The 25.6 per cent increase in rural Hydro rates is going to have a very serious and, in some cases, crippling effect on Ontario farmers," said Peter Hannam, President of the Ontario Federation of Agriculture, in reaction to a recent announcement by Ontario Hydro.

"It is no help to farmers that this increase is blessed by the Anti-Inflation Board and, therefore, presumably only reflects increased costs of production. Not only does the A.I. Board not grant farmers increased prices to off-set their increased costs of production, but farmers, during the past year, have been taking a severe drop in net income.

"But, even leaving that aside, farmers are, in fact, now paying too much for their hydro. Not only do they pay more than the urban rate, they even pay more than their non-farm rural neighbours. There is no justification for this discrimination.

"And this 25.6 per cent increase is greater than the approximately 20 per cent increase urban hydro rates recently experienced.

"What makes this so exasperating is that there is no forum for reviewing these rates. This is the only segment of society for which such a review forum does not exist and so Ontario Hydro increases are unilateral decrees.

"Farmers object very strongly to this arrogant and insensitive way of doing business," Mr. Hannam concluded.

Osgoode Twp. Council Records Appreciation

Osgoode Township council, at the final meeting of the year, unanimously approved a sincere vote of appreciation to retiring reeve Dr. W.A. Taylor.

The motion read as follows: "That the Council extends sincerest appreciation to Reeve W.A. Taylor for the many years of devoted and excellent service he has given this township as head of council, and that we wish him the Lord's blessing in all his future endeavours".

The motion was made by reeve-elect Albert Bouwers and seconded by Councillor Albert McKeown.

The empire waistline and sleeves were trimmed with seed pearls. She carried a cascading bouquet of gardenia, yellow sweetheart roses and stephanottis.

Anna attended her sister as maid of honour. She wore a floor length gown of rust polyester satin, similar in style to the bride's dress, with short puffed sleeves. She carried yellow sweetheart roses and stephanottis.

Morrisburg Women Enjoy Pot Luck Supper

Members of Knox Women's Club and Women's Missionary Society, were guests at the home of Dr. and Mrs. L MacLellan for their annual pot luck supper.

A delicious supper was enjoyed by all, during which a recording of the Sunday School Pageant was played, thus enabling people who could not attend to hear it.

A sing-song of familiar carols, with Mrs. Marion DeGray at the piano was enjoyed by all, followed by the exchange of gifts.

Mrs. Joan Farlinger gave the devotions, basing her meditation on Luke, Chapter 1, verse 30; Mathew, Chapter 1, verse 20 and Luke, Chapter 2, verses 10 and 20. Mrs. Farlinger pointed out that the Christmas season has more drunkeness and suicides than any other time of the year, thus clearly indicating our need to return to the true meaning of Christmas and God's great gift for us, "His Son".

Mrs. Farlinger closed her meditation with prayer. The offering was received by Mrs. Jo Mott and dedicated by Mrs. Margaret Reynolds.

Dr. L. MacLellan then installed the officers of both organizations for the ensuing year.

Mrs. Marion DeGray read a letter from Miss Joy Randall, a Missionary in Taiwan, with whom the W.M.S. keep in close touch. Miss Randall's letter was most informative of the work being done there. Because of her father's illness she is presently on leave to be with her family here in Canada.

Reports of the various officers were given for the year. At the conclusion of the business, Mrs. Marion DeGray thanked Mrs. Adam for her year of leadership and presented her with a Life Membership to the Knox W.M.S.

St. Paul's W.M.S., Winchester, held their Christmas party on December 13 at 12:30 in the Sunday School rooms. It was a pot luck dinner and had every indication of being planned but was not. After Rev. Smith asked the blessing twenty-three members and home helpers sat down to a very sumptuous banquet.

Following dinner the meeting was held around the tables. The President, Violet Wilson, was assisted by Mrs. Smith. Mrs. Wilson opened with a poem entitled, "Christmas Is More Than A Day At The End Of The Year", followed by a prayer. This was followed by prayer.

Mrs. Smith had a paper on "The Treasures of Bethlehem" namely gold, frankincense and myrrh. She dealt with the origin and meaning of each and how they could be compared to modern times. It was a most interesting paper. Mrs. Wilson then wished everyone a joyous happy season that would be joyous to recall, then closed the meeting with prayer.

A Plea To Parents

We teachers are like the woman in the shoe,
We have so many children, we don't know what to do;
They all wear rubbers, and rubbers look the same,
So every rubber has to have a name.

If you will go downtown or someplace like that,
You can buy some nice tags to sew in his hat,
His sweater, his coat and his mitten too.

Coats have buttons and zippers and ties,
So many to fasten, how the time flies,
Please spend a minute or so tonight
Showing your children how to fasten things right.

Then we'll send them all home with no clothes lost,
All buttoned up in snow or frost.
And a great big thanks will come to you
From the teachers who live in the shoe.

Russell Seniors Entertain

Russell senior citizens entertained neighbouring clubs from Osgoode and Morewood at their gala Christmas party last week. The drop-in centre in the Anglican Church hall was gayly decorated for the occasion marking the association's first anniversary.

During the year the group has enjoyed bus and boat trips, card parties, bazaars and various other types of recreation and entertainment. Residents are constantly reminded they need not be '65' to join the group and those with time to spare are urged to 'drop in'.

Five Eastern Counties

Postpone Flu Shots

Swine flu immunization clinics in Stormont, Dundas, Glengarry, Prescott and Russell, scheduled for early January, have been postponed indefinitely.

Suspension of the program followed last week's announcement that the vaccination program in the United States had been halted because of concern over a possible connection to Guilain-Barre disease, a temporary paralysis.

Dr. Rudolph Peters, medical officer of health with the Cornwall based Eastern Ontario Health Unit, suggested the program will possibly resume in late January.

Dr. Peters explains that 18,000 residents of the five countries have already been vaccinated against the much-publicized swine flu. Thirty-three clinics have been held to date.

There is no record of paralysis in the area although 18,000 residents have received the shots. Of that number approximately 6,000 received bivalent vaccine and the rest monovalent vaccines. Dr. Peters say swine flu immunization, the first large scale program since the polio vaccinations of the 50's had not caused any problems in this area.

He says the only complaints he has received relate to side effects.

The medical officer explains the vaccines being used are more effective and he further points out that what they are talking about in the United States doesn't fit here.

Federal Health Minister Marc Lalonde said last week that he had asked the provinces to suspend immunization of persons between the ages of 20 and 50 until January 1st, by which time he expects to have detailed reports from the United States.

Mr. Lalonde recommended that the elderly and chronically ill continue to be immunized because of the small risk of complication compared with the risk of influenza in that group.

Ontario Health Minister Frank Miller said the province's program is being halted until tests verify either that the inoculation may cause paralysis or that the vaccine is safe.

He said there have been no recorded cases of paralysis although approximately one million flu shots have been administered.

Mr. Miller said the connection between the vaccine and the paralysis is only tentative but when there is even a suggestion of danger to human health such programs should be halted.

Winchester Atoms Enter Carleton Dundas League

President Jim Anderson of the CDMHL has advised the Press that they are happy to welcome Winchester's Atom team into the League. Winchester Atoms will be joining Greely, Metcalfe, Russell and Chesterville in that division. The boys will be starting off in mid season without any points, so they will have their work cut out for them if they are to make it to the playoffs.

Cubs Set Good Scores At Bowling

December 13th was a memorable day for Winchester Cubs. It was their day to bowl at Sutton's Lanes and their good fortune to be the very first to use the newly-installed pin setters. Installation of the modern equipment had been completed only that day.

Judging by the enthusiasm of the 38 cubs, a few parents and the five leaders, the new system is being well received. Several boys had scores over 100 including Terry Carkner, David Graham, Mike Alexander, Wes Williamson John Grysteerdt.

Counties' Road Department Asks Co-Operation

Winter road conditions are here again. The United Counties of Stormont, Dundas and Glengarry Roads Department, in its efforts to provide the best possible winter maintenance consistent with County Road standards and traffic volume, asks your co-operation.

Counties crews clear 30 to 50 percent of the road allowance and, as winter progresses, require all the available room to store plowed snow. To assure there is room, they ask that driveway snow not be pushed across the road and-or piled on the allowance. Such piles cause local drifting, freeze and become potential causes of damage to equipment, and the inevitable trails of snow left on the road surface become a hazard to traffic. Also, they ask that you not park anywhere on the road allowance as this hinders plowing. Such parking is contrary to the Highway Traffic Act and the Counties will report parking problems to the Provincial Police for action.

The Counties' trained crews maintain 444 miles of road with an on-the-road winter equipped fleet of 24 vehicles (valued at approximately $720,000.00). They expect to spend in the neighbourhood of $450,000.00 during the 1976-77 winter season and ask your co-operation with, tolerance and understanding of their efforts on your behalf this winter.

Full Christmas Week Minor League Hockey

President James Anderson of the CDMHL announced to-day that the all division Christmas hockey tournament to be held at Winchester Arena from December 27th to 31st inclusive has received a full slate of entries, including four girls teams.

This year's entries consist of teams from Winchester, Chesterville, Metcalfe, Russell, Greely, Long Sault, Athens, Cardinal, Embrun and Maxville.

Each team in the tournament will be guaranteed at least two games and trophies and crests will be given out to the champions of each division in both the 'A' and 'B' sides. An added attraction for this year's event will be the awarding of a gold, bronze or silver medallion to the three top players in each division.

Play in the five day affair gets underway on Monday, December 27th when the Bantam and Juvenile entries take to the ice.

Bantams begin play at 7:00 a.m. and finish at 2:50 p.m when the last semi-final game has been completed. Juveniles then take over at 3:30 p.m. and run until 8:20 p.m. when representatives for both A and B divisions have been decided.

Winchester Bantams step on the ice against Chesterville for their first game at 7:00 a.m. Metcalfe and Greely square off at 8:00 a.m.; Russell and Embrun No. 1 tangle at 9:00 a.m. and Long Sault take on Embrun No. 2 at 10:00 a.m. Semi-finals to decide representatives for the Friday finals in both A and B get under way at 11:00 a.m. and wind up at 2:50 p.m.

Winchester plays Russell in the opener at 8:00 a.m. Chesterville and Metcalfe go at nine, Greely and Embrun No. 1 at ten and Embrun No. 2 against Long Sault at 11:00 a.m.

WEDNESDAY, DECEMBER 29TH -MIDGET AND GIRLS

Six midget teams will take to the ice on Wednesday to play seven games before deciding their A and B representatives for Friday's championships.

Four girls' teams will also play during the day. They will decide their champions in a final game slated for 7:00 p.m. that day. Pinecrest, Greely, Kemptville, and McKellar Park are the four girls' clubs. The fairer sex begin play at 11:00 a.m. on Wednesday.

Play in the midget division gets underway at 7:00 a.m. with games running every hour on the hour. Metcalfe and Chesterville at seven, Embrun and Russell at eight, Winchester and Kemptville at nine, and Greely against Long Sault are how the teams line up for the opening round.

THURSDAY, DECEMBER 30th - ATOMS

Play starts at 7:30 a.m. and runs until A and B representatives are decided at 6:30 p.m. At 7:30 a.m. Chesterville plays Winchester, at 8:30 a.m. Greely versus Embrun, at 9:30 a.m. Russell go against Maxville to complete the first games. Semis then take over at 11:30 a.m.

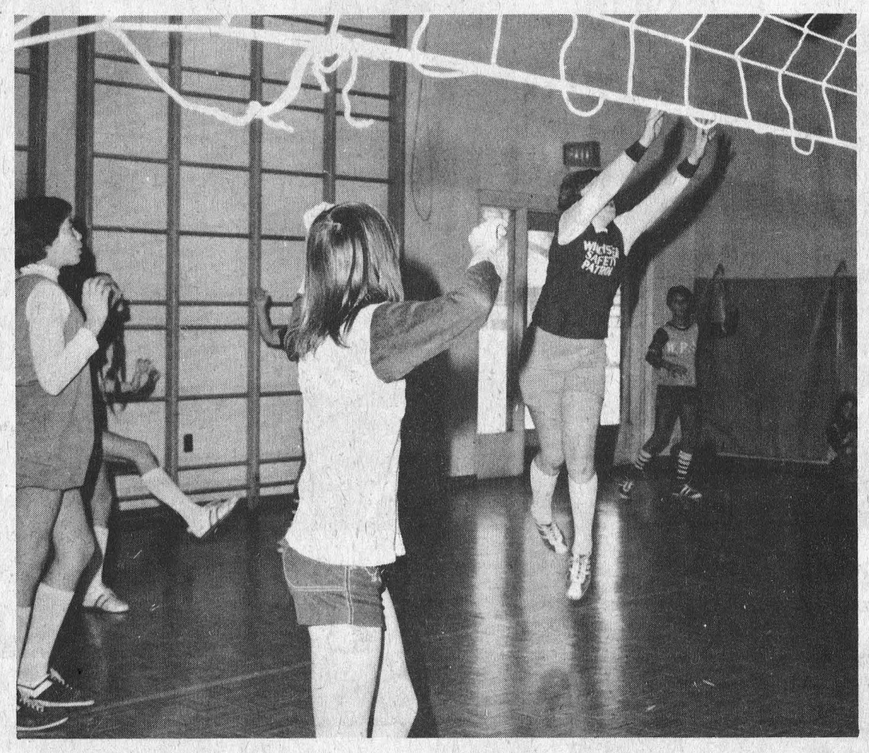
FRIDAY, DECEMBER 31st - CHAMPIONSHIPS

Championships for all divisions will be played on Friday, December 31st starting at 7:30 a.m.

Pee Wee B champs will be decided at 7:30 a.m. and Bantam B finals at 9:00 a.m. The Pee Wee A champs will be decided in a game which gets underway at 10:30 a.m. Best Bantam entry will be known when the finalists meet in a game which goes at 12 noon. From 1:30 to 2:50 p.m the midget B finalists will play to decide a winner in that category. Then at three p.m. the two remaining Juvenile entries will meet to decide that division.

Final game in the five day tournament will be the Midget A final which runs from 4:30 to 5:50 p.m.

All told, there are forty teams entered in the tournament and it promises to be a full week of good hockey. It is an ideal time for you, mom and dad to spend a little time with the son, so come on out and see what he can do.



Champs In Action

Penny Johnston (centre) of Winchester Public School jumps to return a shot during the final and deciding match in last week's Dundas Junior Girls Volleyball championships.

Winchester went on to take County honours by defeating Iroquois two matches to one in the best of three final. They lost only one other game during the tournament; that was to second-place Dixon's Corners.

Iroquois Public finished third and Chesterville fourth in the four team final. Each of the teams participating were winners in their respective divisions.

the way we see it

Christmastime

It's Christmastime again ... that grand time of the year when we spend too much, eat too much and drink too much, all a part, it seems, of the great Canadian society. But the danger signals are up for all of us to see and if we do not soon head off this "easy come, easy go" attitude real gloom could spread across that famous Canadian sunset.

Like it or not Christmastime is a time to reflect on where we are going and how we are going to get there. It is a time for self assessment to determine what we can honestly do to make our neighbourhood, our town, and our country a better, more productive place to live. It is a time, this year especially, to give serious concern to a great country called Canada to find out what each of us should be trying to accomplish, even to sacrifice if necessary, to hold this nation together.

It is time for caring, for understanding, for appreciating, for contributing instead of demanding. And, fortunately, it is still a time to extend to old and new friends alike the compliments of this most joyous of all seasons. With that in mind we at The Winchester Press would like to say a very sincere "thank you" to our more than 5,000 subscribers, to our growing list of advertisers who continue to place confidence in us, to our correspondents and others who supply us with and tip us off about news events, and to the countless others for their continued support and their friendship.

To each of you may this most precious of all seasons bless you with an abundance of joy and goodwill, and may the New Year bring you much happiness.

Merry Christmas everyone!

Coming Of Christmas

By Bill Smiley

THERE IS no time of the year that passes more quickly than the few weeks before Christmas.

One day it's only about the first week in November. The Christmas gift catalogues are just out, and Bing Crosby has barely commenced singing "I'm Dreaming etc.," and the Santa Claus parade is a few weeks off and the town's Christmas lights have just gone up, so you know that the actual holiday is weeks, if not months, in the future.

Then, suddenly, you have about six dicey days to go, and you haven't bought either tree or turkey, let alone gifts and cards, and you know you're going to be flying like a bat out of hell to get ready for the annual bacchanalia with which we celebrate the birth of Christ.

And I guess maybe that's part of the fun - going slightly ape for a few days each year, running around like a cat on a hot tin roof, and spending money like a drunken sailor, to coin a few brilliant, original similes and metaphors.

Some people, and the rest of us detest them, go around smugly in December telling anyone who will listen that they have all their gifts bought and wrapped, their cards dispatched, their plum puddings made, and even their rotten tree up and decorated.

They're like the people in Alden Nowlan's poem, who set the breakfast table before going to bed, make the bed before going down to breakfast, have their names and birthdates inscribed on their tombstones before they die, with nothing to add but the date of death.

Perhaps they are admirable people, in a way, but I hate them. They are so busy getting ready for tomorrow that they haven't time to enjoy today.

Like most slobs, I comfort myself by constantly reassuring myself that truly creative people are tardy, procrastinating and slovenly, that it takes a narrow mind to have a tidy desk, that life is only a preparation for death, which is anything but neat, and that I wouldn't want to be like those people for all the oil in Arabia. Remember when it used to be all the tea in China?

It's partly true, though. Every year, the Old Battleaxe and I plan to have a gracious Christmas. We plan it in June, and then forget all about it until Dec. 17th.

The plan goes something like this. The cards will be purchased about September, and with care. None of this, "Give me three dozen of those and three dozen of those red ones and about twenty green ones."

Our tree will be large, stately and gorgeous, and will be erected without confusion or blasphemy at least a week before Christmas.

Every gift will be chosen with care, about October, wrapped exquisitely, and stored in the front hall closet.

Christmas Realism

By Dr. Gordon C. Smyth

An American newspaper once dealt with December 25 in a style that would appeal to many people, while disregarding the scriptural context.

It had, for that day of the year only, two front pages. The editor, in a box on the front page, explained the reason for the unique edition.

Under the heading "Good News Today", he said: "In keeping with the Christmas spirit and tradition, the 'Times' this morning has two front pages. Only good news and news in the holiday vein appear on this page."

The editor added: "For full reports of other happenings around the world, please see the second front page, Page 3-A. A Merry Christmas!"

But there are NO separate pages in the biblical coverage of Christmas. The haunting loveliness surrounding the Holy Birth is set down in the midst of a chronicle of hardship.

It is possible for us to skip too lightly over the words: "In those days a decree went out from Caesar Augustus that all the world should be enrolled" (Luke 2:1).

This meant that Mary and Joseph had to go to the headquarters of their tribe. The journey from Nazareth to Bethlehem was eighty miles. The town was crowded. Jesus was born in a public courtyard. The best the inn-keeper could now do was to allow the Holy Family to move into his stable.

How many sentimental sermons have been preached on this aspect of the Nativity! However, a sentimental religion has no power to deal with the events of life. The Savior's birth did not take place in a never-never realm.

If we truly want to lift people out of cynicism and fill the vacuum by a prophetic witness in society, we must relate to our own times the wonder of the Incarnation in its bureaucratic setting that uprooted Mary and Joseph.

In the older concept of education, which many are belatedly beginning to appreciate by insisting on a return to discipline, examinations, and some compulsory subjects, children were fortunate.

But what of thousands of Ontario young people who have become casualties of the American views of John Dewey, which permeated the Ministry of Education in the sixties? Hearts are heavy in many homes this Christmas.

Moreover, Elton Trueblood, Quaker philosopher, has endeavored to stir us by the frightening thought that we are becoming more like the Russians than we realize.

He writes: "We cannot understand modern Marxist doctrine unless we know something of the degree to which it has embraced militant feminism. The notion of a woman as the centre of a home, giving it peace, order and continuous affection, is considered a quaint bourgeois prejudice."

One would despair for the future were it not for a knowledge of the past. Luke had insight to know that the Roman emperor had become the unwitting assistant of a salvation that would eventually encompass his whole empire.

It would be a cheerless Christmas for many were it not for the rugged realism in the announcement: "In those days a decree went out from Caesar Augustus that all the world should be enrolled."

7th column

By Joe Rowan

The 40-page Christmas tabloid included this week makes the issue one of the year's most attractive creations and it must be remembered publishing the exciting work of school children is made possible by area business firms aware of the value of advertising. Mark Twain was once approached by a businessman who had on many occasions voiced his disapproval of 'throwing away' money on 'useless' advertising. "Mr Twain", he said, "this week I found a spider in my regular edition of your paper and if this continues I may cancel." The knowledgeable editor leaned back from his desk and offered the following explanation. "Spiders in newspapers are not uncommon", he said, "they are often found carefully scanning the pages to learn what business firms are not advertising. They can then seek out these places and spin their webs across the door, knowing full well they will not be disturbed."

Driving through the area one night last week we couldn't help but notice how people are co-operating whole-heartedly with requests to conserve energy. The absence of attractively decorated homes complete with multi-coloured lights was indeed noticeable. That same night, however, we were involved in [but definitely not enjoying] a shopping expedition to Canada's capital. Mind you we didn't make an accurate count, but suggest the number of coloured bulbs illuminating 'The Mall' and continuing down Rideau Street would decorate every home in The United Counties -- with a few left over for Osgoode Township. Do city people know something we don't -- or do they just not give a D---?

And speaking of Christmas and decorations, we salute the manager of Metcalfe's Royal Bank for an ingenious decorative display -- without the use of a single energy-consuming bulb. Every window of the new building tells the Christmas story in elaborate colour, and the beautiful creations, we are told, were painstakingly etched by Grade 8 pupils from Metcalfe Public School. Each is truly a masterpiece, and would you believe there are those (mind you the thought never crossed our mind) who suggest manager Lorne is a cunning old fox who realizes full well to-day's school children are to-morrow's customers. Now we ask you, what school pupil will ever forget the man who arranged a safe, logical method of skipping school?

Received a telephone call last week from 'Marilyn and Tom'. Sorry don't know the last name, but the telephone number is 737-5981. Why bother you say? Well, it's like this. Marilyn and Tom are searching for old gramaphones, the type with the speaker on top [maybe you remember the white dog listening to 'His Master's Voice']. So if we've helped someone make a sale and someone else end a long search, then of course we're happy -- our good deed for Christmas one might say.

This, we know is the season to be merry and all that jazz -- but we ask you how can one be merry when continually faced with more and more intriguing problems? Thought we had them all licked till this week -- and now we encounter twin waitresses at the 'gourmet club'. Yes sir, nearly enough to drive one over the hill one might say. Imagine, if you will, studying the tempting menu, listening to suggestions from a pretty young waitress, making a selection, sitting back in anticipation and then see her approaching the table again order book in hand. And hanged if she doesn't begin right back where she started, suggesting tasty morsels. Noting our bewildered expression she smiles and asks if maybe 'Linda' took our order. Now we're more confused than ever -- doggoned if we weren't downright positive we had just minutes before been talking to this 'Lorraine' kid. But no, that was 'Linda' -- or so she says. May work this one out in 1977 but meanwhile Merry Christmas Linda and Lorraine -- whichever you are.

Ever make a wrong turn in a department store and find yourself wandering, rather sheepishly, through an area crammed with 'unmentionables' draped on scantily-clad mannequins? We did last week and by gosh, despite being well past 25, some of those gift suggestions had us puzzled. Noted, for instance, a pale blue creation with a white fur collar. Fascinated by the idea of facing the rigors of winter in such a flimsy, transparent coat we took a second look. Frankly we only became more confused -- that cozy collar wouldn't do a thing for a sore throat -- would you believe it was suspended by two tiny shoulder straps? Must have been designed to keep 'some other part' of the anatomy warm. Just as we were envisaging a wisp of a girl literally freezing to death attempting to ward off Arctic blasts with such meagre protection, the 'Old Girl' arrived on the scene. We quickly exitted in the direction of the nearby smoke shop when she, rather scornfully, informed us the fur-collared garment was indeed a 'nightie'. Now we ask you -- who needs a fur collar in bed?

MERRY CHRISTMAS EVERYONE!

Leisure Lines . . .

By Frank Morgan

'Twas the night before Christmas and up at the park
The arena was closing and the diamonds were dark;

And Arnold was flooding the ice I remember
For the five hundredth time since the first of November.

When out on the lot we heard such a clatter
We opened the door to see what was the matter;

And there in the moonlight stood two jolly old souls
With a trunk full of gifts and a crimson red Rolls;

'Twas Santa and Spouse and they both were just itchin'
To see our expansion from the hall to the kitchen.

"We've travelled all night through all kinds of weather
To see the results of folks working together;

"We heard how the gals of the Ladies Auxiliary
And the boys who all work for a well known distillery,

"The bankers, the Lions Club and 100 Club too,
Had all got together to see what they could do;

"How the firemen and merchants and folks from the farm
Had all left their stations, their stores and their barns,

"How folk from the district joined folk from the town
From Mountain, and Ormond, and all side roads around;

"Forgot all their gripes about taxes and weather,
Wiped out all the boundaries and all worked together,

"To expand the arena and add space to our hall
A place of enjoyment to benefit all."

He said, "The whole world should just look at you
And learn just what working together can do.

"The fighting would end and folks would start grinnin'
And with teamwork the HAWKS just might even start winnin';

"The Whites would start learning to live with the Blacks
And start building houses in place of the shacks;

"The Arab would praise his good neighbour the Jew
And start sharing fuel oil with neighbours like you;

"What a Christmas we'd have the whole country by heck
As we sang our NOELS with our friends from Quebec;

"We'd know the old world was a great place to live
For folks who have some of themselves they can give.

"So keep up the good work and enjoy your new hall
You've a great year ahead, MERRY CHRISTMAS TO ALL."

Fina Upsets Raiders For First Town League Win

No team can match Vice Furniture's undefeated season now.

Armstrong Fina ended Harry's Raiders bid for the perfect record last week when they outscored the league leaders 7-5. Raiders hadn't lost going into the contest and were riding a six game winning streak when the high-octane "Fuel-Boys" flew to their first win of the campaign.

Fina has really started to roll in the last two weeks, chalking up a win and a tie to move out of a share of the basement and into third place. Fourth place Jo-Anne can't be counted out in any game and are just one point behind Fina. Both of those clubs have started to produce now that their top shooters are hitting the mark. Fina's Dick Christie, last year's scoring leader, in the last two weeks has jumped from three to a league leading eleven points. Raiders' Denis Ouelette shares the top rung with Christie. Another Fina forward who is helping his club to move up in the standings is Lee Taillefer. Taillefer, who teams up with Christie is proving to be a very consistent playmaker and shares second place with Raiders' Dave Arnott, both have eight points in seven games.

Only one player from Jo-Anne Shoppe has cracked the top ten in scoring as of yet but now that Dave Van Bridger has gotten untracked the other shooters will make a definite improvement in the team's play.

Other action in last Tuesday's schedule saw Jo-Anne Shoppe tie for the second game in a row. They now haven't tasted defeat since November 30th. In their latest draw they held second place Vice Furniture to a one all tie.

FINA 7 - RAIDERS 5

Fina were full marks for their spectacular victory over Raiders starting the contest with just 10 players. That total dwindled by one when Terry McLeod was cut by a high stick and had to leave the game. The "Fuel-Boys" got two goals from Dick Christie, and Bill Playford to dump the high scoring Raiders. Fina were in control most of the way leading 3-0 and 6-2 before Raiders came close at 6-5 with 4:03 remaining to be played in the final period. With just seven seconds showing on the clock, Fina's Larry Berry tucked a loose puck into an empty net to give his team their first win of the season. Coach Keyes had lifted his goaltender in the final minute in favour of six attackers, but the move cost his team another goal.

Fina started their attack early, jumping into an early 3-0 lead. Dick Christie hit for two goals at 7:20 and 5:14 to set the high scoring tone of the contest. Larry Berry set up the first one and Bill Playford drew the assist on number two. Barry Murphy snapped in number three on a goal mouth scramble. Lee Taillefer and Dave Hollingshead had fired the initial shots. Bill Sherwood grabbed off Reg Hyndman's pass at centre ice, broke in on Bear Johnston and fired a high drive over his shoulder to put Raiders on the board. Sherwood's goal came with just six seconds left in period one.

Howard Henry's third goal of the campaign put Raiders to within one at 7:35 of the middle frame. His unassisted effort made it 3-2.

Two minutes later Fina started another three goal rampage which made them 6-2 leaders. Bill Playford scored the first of his two goals to make it 4-2 after he was set up by Dick Christie and Sheldon McLeod. Before the middle stanza closed out Sheldon McLeod packed in number five on a pass from Murphy and Berry. 39 seconds into the final frame, Bill Playford lit his second red light when he beat Bob Carkner on a play set up by Lee Taillefer and Dick Christie. That goal by Playford proved to be the eventual winner because Raiders roared back with three straight to make a game of it. Denis Ouelette pared Fina's lead by one when he made it 6-3. Charlie Holmes drew an assist on that play. Two individual efforts then cut Fina's lead to 6-5. Defenceman Phil Parry dashed up ice and fired a long shot past Johnston for Raiders' fourth marker. Two minutes later Don Griffith went the length of the ice on a rush that netted him his fourth goal of the campaign.

That set the stage for Raiders' Bob Carkner to leave the net in favour of another skater. With seven seconds on the clock Larry Berry dashed any hopes Raiders had for a tie when he collected an empty net goal.

Final, Fina 7 - Raiders 5.

VICE 1 - JO-ANNE SHOPPE 1

Goal tenders Dan Hogaboam and Greg Kirkwood could only be beaten once as their teams, Jo-Anne Shoppe and Vice Furniture (respectively), battled to a one all draw.

Both clubs played a close checking brand of hockey trying to capitalize on what breaks occured and not breaking out in big offensive dashes.

Tuesday's contest marked the first time Vice has been able to go with a full line-up. Eldon Holmes donned Vice colours for the first time this season to fill out the roster. Holmes was drafted from Fina but suffered a back injury which kept him off the ice.

Dale Hutt (Vice's top goal scorer) and Harry Castle were the goal getters in the tightly played affair.

Vice took the lead with 5:29 to play in period one. Hutt broke in on the Jo-Anne defence all alone. He got by one would-be checker and carried the other with him right to the crease where he fired a low shot under Hogaboam's stick.

Jo-Anne struck for a goal on a perfect play at 4:45 of the second period. The face-off came into Vice's zone to Kirkwood's left. Centre Dave Van Bridger took the face-off and slid the puck back to Harry Castle who beat Kirkwood with a good wrist shot.

That was it for the scoring as neither team could manage the winning goal.

Three Point Weekend

Jets Improving

Metcalfe Jets, looking like the Jets of old, tied the powerful St. Isidore team last Friday night and edged Embrun 72's on Sunday to record their first 3-point weekend of the season.

Playing at St. Isidore on Friday night the much-improved Jets staged a last period rally to come from behind and earn a 6-all tie. St. Isidore opened the scoring with two markers early in the first period, but before the period ended Paul Nooyen netted one leaving Jets trailing by only one goal beginning the second frame.

Each team scored once in the second twenty minutes with Bruce Carson picking up the Jet goal with help from Doug Harvey and Peter Nooyen.

St. Isidore came on strong in the final period and appeared to have the game in hand after notching two quick goals, but the determined Metcalfe boys staged a remarkable display of team play and with only seconds remaining Doug Harvey fired home the tying marker.

Marksmen for Metcalfe in the final twenty minutes were Mike Rail, Erin Franey, Jeff Holmes and Harvey. Paul Nooyen, Daly McLaughlin, Paul Albert and Gary Isener each picked up assists. Although the game was rugged referees handed out only 12 penalties, six to each club.

SUNDAY AT HOME

One of the best crowds of the season was treated to a fast, exceedingly rough contest Sunday afternoon at Metcalfe arena when Jets hosted their old rivals, Embrun 72's.

Paul Nooyen opened the scoring after only three minutes of play when he capitalized on a neat pass from brother Peter, but less than three minutes later Daniel Gaudreau, with help from Pierre Patenaude knotted the score. Both netminders played brilliantly and the period ended with the teams tied 1-all.

Jets moved into the lead again at the 4-minute mark of the second frame when Gary Isener teamed up with Bruce Levac to beat Savage but the lead was short-lived and before the period ended Dennis Legault scored for 72's on a pass from Serge Paquette. Score after two periods, 2 all.

Jets struck again early in the final twenty minutes when Arden Robitaille dented the twine at the 3-minute mark on a play set up by Isener and Mike Rail.

It appeared the slim lead might hold up but with only four minutes remaining to play Guy Marion skated in alone on a breakaway and beat Pritchard to again knot the score.

Jets, however, were not to be denied and at the 17-minute mark Peter Nooyen tipped in a Carl Carson pass and in the dying seconds Gord McNaughton scored an insurance marker with help from Carl Carson and Peter Nooyen.

Refereeing in Sunday's game left much to be desired, and as usually happens when the man in the striped shirt lets everything go, a fight erupted half way through the last period. When the sticks, gloves and helmets were finally picked up two Metcalfe players and the Embrun goalie were assessed game misconducts.

The fight began when Paul Nooyen tangled with Bill Jewett behind the Embrun net and seconds later Harvey, Franey and 72's goalie Savage were involved.

Jets play host to Navan next Sunday and the fired-up squad appears now headed for a playoff spot.

Winner of the 50-50 draw Sunday was M. Goodman of Ottawa. Another draw for a Christmas hamper, conducted by Metcalfe Pee Wees, was won by Mr. Blanchard of Embrun.

Metcalfe Jets midget hockey team won their first regular season game last Wednesday night when they upset third-place Winchester Mustangs 4-2 in their own rink.

Tom Racine led Jets to victory with a three goal performance. Captain Steve McIntosh had the single while Doug Duncan and Ron Faulkner replied for Winchester.

Hat Trick Leads Jets To Win Over Mustangs

Tom Racine fired three of Metcalfe's four goals to lead that team to their first win of the season here last Wednesday.

Metcalfe's first two points were due to a lack of concentrated effort on the part of Winchester's midget Mustangs, who had won four of their last five games going into last week's contest with the Jets.

Midget Jets had only tied going into the game but were in command, holding leads of 1-0 after one, 2-1 after two and 4-2 at the final buzzer. Mustangs were only able to mount an effective attack for a short time during the second period when they had what would have been the tying goal called back. Greatest balance of play was of the close checking variety with Jets being able to break up any scoring chances Winchester could manage. Jets' Captain Steve McIntosh led his defence checking Mustang forwards off the puck all night. McIntosh also scored the opening goal of the game.

Metcalfe hit the score sheet first at the three second mark of the first period. Steve McIntosh intercepted a Winchester pass at their blueline and unleashed a slapshot that Pete McLeod is still looking for. Eight minutes and three seconds into the middle frame Tom Racine notched the first of his three goals when he blasted a D. Gillot pass through McLeod's legs.

Winchester finally quenched their scoring thirst on a power play at 3:47. Steve Porteous was sitting out a kneeing infraction when Doug Duncan sent a whistling shot through a maze of players and into the net. Ron Faulkner put the pass back to Duncan to set up the play.

Score remained at 2-1, Jets, until 11:49 of the final period when Tom Racine went to work once again. He smashed home two goals from right directly in front of the Mustang net to put the game out of reach. The first one was set up by right winger D. Wynn and the second was an unassisted effort.

Ron Faulkner carried the fight right to the last seconds of play when he beat the Jet goal tender D. Don on a beautiful break-away effort with 12 seconds showing on the clock. Faulkner was overheard in the dressing room after the game telling his mates that he was in "warp four" when he streaked in on the net.

Winchester was trying to catch both second place Kemptville and league leading Chesterville when they played their last home game before Christmas, Wednesday, December 22nd.

All home games are 8:00 p.m. starters and admission is free, so get out and support the midgets.

Coming Of Christmas

By Bill Smiley

Continued From Page 9

Christmas dinner will be planned carefully, so that there will be a minimum of fuss. Turkey will be ordered and delivered at precisely the right moment. Plum pudding will be baked and frozen, probably in November, ready to be popped in the oven.

Records will be sorted and all set to go on hi-fi. There'll be carol singing, a fire in the fireplace, peace and goodwill in all our hearts, and joy to the world.

House will be full of lovable children, and gentle Grandad, who will play with each other, while the old lady and I sit around benignly and smile and smile, with our hearts overflowing. And we'll all go to church on Christmas Day to get away from the commercialism, and revel in the True Meaning of Christmas.

Somewhere between the planning and the execution, something goes awry. Maybe it's because life is too complicated to spend six months getting ready for a three-day orgy.

Somehow, we're too busy with Thanksgiving and Remembrance Day and the Grey Cup and sewing Kim's pants, and marking essays and bickering and making up, to make any preparations at all.

Cards are last year's leftovers, plus a few cheap extras, sent out on Dec. 23rd.

I go out on the 24th and beat the snow and ice off the third-last skeleton in the Christmas tree lot, and it is erected to the accompaniment of oaths when I try to nail my finger to the floor, and screams of rage and disgust when the damn thing falls over for the fourth time.

Gifts are purchased with all the careful selection of passengers on the Titanic grabbing for lifebelts.

Only one string of the Christmas tree lights works, and the stores are sold out of replacements.

Somebody forgot to order the fresh-killed turkey, and we wind up with a beast that was frozen during the last Ice Age. We have to chop the guts out with a chisel. Plum pudding? Forget it. We're all on a diet.

Nobody got around to sorting out the records, and on Christmas Eve, instead of We Three Kings of Orient, we get There'll Be a Hot Time in the Old Town Tonight, with pornographic verses by Jakaloo Shuffler and His Shifflers. Somebody has lost the book of carols.

There is no kindling and the firewood is wet. It smokes. The only peace in the house is when you lock youself in the bathroom, and the lock doesn't work, and the infants wander in and say," What are you doing, Grandad?"

Grandchildren are incorrigible, pulling over firescreen, floor lamp and Great-Grandad in a muddle of breaking and bawling, filling their diapers during dinner, and demanding to stay up until midnight to see S. Claus.

We never make it to church because we're too busy celebrating the birth of Christ.

Maybe next year.

Drunk Drivers

(By Constable J.P. Watson)

Modern day motor vehicle traffic presents many hazards and problems, and if we accept the value of statistics the possibility of being involved in a motor vehicle accident are steadily increasing. One, if not the biggest hazard is the impaired driver. Very often these **professional** drinkers are over confident in their own abilities, and calculate that they can drive home impaired, undetected by the Police. This attitude creates a hazardous situation for the motorist who isn't aware that the driver of the oncoming vehicle is drunk, or at the very least is impaired sufficiently so as to affect his or her control of the vehicle.

The impaired driver is very often instrumental in causing serious motor vehicle accidents, and the trend is to remove completely the drinking driver from the roads.

An impaired driver, on conviction automatically is suspended for three months accompanied by a substantial fine.

This Christmas and New Year's, if you drink leave your vehicle at home; it could prevent tragedy to innocent and law-abiding citizens.

CARD OF THANKS

I wish to thank all of the voters who had confidence in me and put forth my success on December 6th.

Also many sincere thanks to those people who have given their best possible efforts in helping me throughout the elections as I have stated before I desire to do nothing but the best to serve every ones needs, and see that all have an equal share.

Furthermore I hope that everybody has a very Merry Christmas and a happy progressive New Year.

Very sincerely yours
Albert St. Pierre

Raiders Trounce NDHQ

Area hockey fans watching last Friday night's game at Russell looked on in disbelief when they saw arch-rivals Steve Morris and Tom Kirkwood teamed up on defence for the home team.

Morris, the once feared Metcalfe Jet defence star and the equally famous Winchester Hawk ace proved a tower of strength as Russell out-skated and out-scored N.D.H.Q. 5 to 1 in a rugged contest. Raiders led 2 to 1 after twenty minutes of play; added another in the second period and two more in the final stanza.

Mike Barnhart opened the scoring with help from Don Honey at the 4-minute mark but Arsenault knotted the score 5 minutes later. Before the period ended Charlie Linegar put Raiders one up with help from Harper and Woods.

Marty Kelly netted the only goal in the second period, unassisted, and in the third period Russell marksmen were Ken Quaile and Barnhart with his second of the game. Barnhart also picked up an assist, as did Doug Thompson.

The Raiders look more and more like the former O.D.H.A. champion Metcalfe Jets with Dennis Brisson in nets and Shields and Kelly back on the forward line. Although the team standings show Russell in fifth spot they are only a solitary point behind Richmond and five back of third-place Manotick.

Winchester Bantams Head Carleton Dundas League

Winchester Bantams have played three league and one exhibition game since December 7th and came out on the winning side on all occasions. The boys have now extended their winning streak and are undefeated in their last nine starts. They have lost only one game this season in both league and exhibition games.

On Tuesday, December 7th, the team travelled to Russell and although they got off to a slow start and allowed Russell to score the first goal at the halfway mark of the first periood they then caught fire and fired nine unanswered goals and skated off with a lopsided 9-1 victory having accumulated a total of 20 scoring points. Robbie Carkner went the route between the pipes and turned in a solid performance. Bill Kerr, Ken Rose and Doug Coleman each tripped the red light twice with singles going to Daryl Last, Bruce Graves and Dwayne Fawcett. Peter Marriner earned three helpers, Bruce Graves a pair and single assists going to Daryl Last, Bill Kerr, Ken Rose, Doug Coleman, Gord Milne and Robbie Saunders.

The following evening the boys hosted Greely at the local arena. This was a rugged affair with Greely picking up 5 of the 6 penalties that were handed out including one misconduct. The boys ignored the intimidation of the opposition and put forth a real team effort which resulted in a 6-0 victory. Kevin Lunn went the distance in goal and recorded his second shut out of the season. Bill Kerr continued to be deadly in front of the net by scoring the hat trick, Daryl Shelp earned 1 goal and two assists, Gord Milne 1 goal and 1 assist and Bruce Graves was the other Winchester marksman. Daryl Last earned 3 helpers; Peter Marriner had a pair with single helpers going to Ken Rose, Dwayne Fawcett and Doug Coleman.

On Wednesday, December 15th, the Metcalfe team were the visitors at the local arena and again the local boys allowed the opposition to score the first goal with the game less than five minutes underway, however, during the remainder of the game the league leaders led by Daryl Shelp and Bruce Graves humbled the Jets and handed them a 9-2 shellacking. Daryl fired four goals while Bruce scored his second hat trick of the season with singles going to Ken Rose and Gord Milne. Peter Marriner, Ken Rose, Bill Kerr and Dwayne Fawcett each earned two assists with single helpers going to Doug Coleman and Bruce Graves. Robbie Carkner turned in a fine effort in net going the route for the winners.

WINCHESTER 5, WEST OTTAWA 4

On Friday evening, December 17th, the boys entertained a strong Ottawa West club at the local arena in an exhibition encounter. This had to be one of the better games of the season as the local boys continued their winning streak by downing the boys from the Nation's Capital by a 5-4 score.

The game was not as close as the score would indicate as the local boys erred twice and on each occasion it cost them a goal. Daryl Shelp again led the victors with two goals and one assist, Peter Marriner and Dwayne Fawcett each scored 1 goal and earned 1 assist while Bruce Graves fired the first goal of the game. Doug Coleman earned two assists with singles going to Ken Rose and Robbie Saunders. Robbie Carkner and Kevin Lunn shared Winchester's goal tending duties.

The team was scheduled to play in Greely on Sunday, December 19th, however, this game was cancelled and will be played at a later date. The last game of the first half of the schedule will be played on home ice on Wednesday, December 22nd, when Metcalfe are the visitors and the boys will then be idle in league play until Wednesday, January 12th, when Greely will be the visitors. The team will be playing in a tournament at Winchester sponsored by the C.D.M.H.L. during the Christmas break and are also entered in a tournament in Chesterville on December 28th.

After 10 games of league play the club has amassed a total of 152 scoring points on 64 goals and 88 assists and hold down first place on a won 9, lost 1 record at least 4 points in front of second place Chesterville. Bill Kerr is setting an impressive pace and leads the team's scoring race with 26 points. He is followed by the league's 1975-76 Bantam scoring champ Bruce Graves with 23 and Kenny Rose, last year's Pee Wee scoring champ with 22 points.

The boys are playing a terrific brand of hockey and are no doubt as good a minor hockey league team playing out of the local arena in recent years. Come on out and cheer the boys on to victory, they would sure appreciate your support.

Carleton Dundas' Winchester Bantams continued their strangle-hold on first place with a 9-2 hammering of the visiting Metcalfe Jets last Wednesday night.

Centreman Kenny Rose deflected the puck wide on this play but on his next shift he scored his team's fifth goal on a pass from Bruce Graves. Number 17 is right winger Doug Coleman who set up Winchester's first goal which tied it at one. Winchester then added four more to go ahead 5-1 before Metcalfe answered with their second tally of the contest.

Bantam Hawks Tie Morrisburg

Winchester Bantam "B" Hawks battled Morrisburg to a one all draw last Wednesday night. It was the second tie in as many games for the Hawks who are competing in the Upper Canada League. Earlier in the week they battled their brother team, Berry's Feeds, to a tie.

Mark Levere evened the contest for Winchester at 11:54 of the third period. Morrisburg had taken a 1-0 lead at 7:59 of the middle frame when Darrel Fowler beat Kevin Loverin after he was set up by Doug Cassel and Steve Sheridan.

Levere's tying goal was engineered by linemates Mike Guy and Mike Nelson.

Hawks' line-up: Kevin Loverin, Murray Caldwell, Kevin Saunders, Mike Guy, Mike Nelson, Mark Levere, Mike Holmes, Doug Ransberry, Jeff Williamson, Garry Hollingshead, Randy Summers and James Rae. Coach George Hanes pilots the Hawks.

Winchester Girls Win Tourney

Winchester Public School can now boast of having two championship teams in their sports program.

Earlier this fall Winchester's Junior Boys Soccer team captured all of the marbles in the three United Counties. Last week Winchester's Junior Girls became 1976 Dundas County Volleyball Champions when they won the four team tournament held right in their own school.

Iroquois, Chesterville, Dixon's Corners and host Winchester had all previously defeated two other teams in their respective divisions for the right to meet in the championship deciding tournament.

Action got underway at 9:30 in the morning with Iroquois downing Chesterville two matches to one in round one. Also in opening round action, Winchester defeated Dixon's Corners by the same margin.

Round two saw Dixon's Corners and Winchester shut out their opposition by identical counts. Winchester beat Chesterville two matches to none and Iroquois was blanked two zip by Dixon's Corners.

In the title deciding final matchups Iroquois put up a tough fight but were finally beaten two matches to one by Winchester. Dixon's Corners finished in second place when they won both matches against Chesterville. Iroquois finished third and Chesterville fourth.

Dixon Corners Public School lost only two matches in the four team tournament to finish in second place. Both losses were to the championship Winchester team.

Before I get by main event, I have some ot important news to tell you. Th HS music band under the dire n of Mr. Pierre Lalonde, rais bout $100 dollars which is ay below last year's total $240 dollars. Special thanks he band for an entertaining eng of laughter and fun!

Talking abo ghter and fun, the OTHS Chris s Concert was just that! The ert was once again a great s ss. All of the acts and sing s made the morning one I never forget. I'd like to tha Mr. Bell for choosing Mr. Fe l and myself as the emcees, the students who showed to e this whole thing possible!

The Christmas was shown the day before as very entertaining. That n OTHS held their annual Christmas Dance featuring Octavian, which is a very fine group!

In sports, the OTHS wrestling team finished fourth overall in the biggest of the year so far. About 200 wrestlers participated in this meet. There were no winners from Osgoode but it still was a very exciting day. We left Metcalfe at 4:30 in the morning and drove straight to Belleville in about three hours. We lasted until about 6:30 and then went to MacDonalds for some supper. At 9:00 we left for home and arrived in Metcalfe at 12:00. Thanks to the school because we couldn't have made it without you!

The OTHS Gordon Morrow Bonspiel was held last week and Osgoode won it by dumping Bell 13-3 in a very well played match but a run-away victory for the home team. This is the second time OTHS has won this trophy, North Dundas won it in '75, Osgoode in '75-76.

The girls' team won two exhibition games last week by downing Confederation 5-1, and beating Bell 10-5.

And one more thing. I'd like to wish everyone a Merry Christmas and a Happy New Year! The next report will be after the New Year.

Hawks Without Coach, Manager

Dave Armstrong and Harry McRoberts have both packed it in as coach and manager (respectively) of the Winchester Hawks.

Coach Armstrong made it official last Wednesday when he informed both the executive and players of his intentions. Armstrong now intends to focus his attentions on minor hockey, "Where your work is much more rewarding" he said. He went on to say that he had put two and one half seasons in behind the bench without getting the results he had hoped for. "It is time for someone else to take over and try their hand at running the team," Armstrong continued.

Manager Harry McRoberts informed the club of his intentions at Friday's home game against Spencerville. He watched most of the contest from the stands. When Armstrong first was rumoured to be stepping down the manager started to also think about retiring. "I would have liked to stay and help the team but there are just too many inner conflicts to make it enjoyble for me", McRoberts said.

Until a permanent replacement can be found Trainer Don Hutt is working behind the bench. He had an extremely tough job over the past weekend, having to face two of the Southern Division's top clubs with as many as six regulars out of the line-up. Friday night, Hawks played without Shane Jordon, Keith McRoberts, Mike Armstrong, Larry Moore, Len McLean and Dave Cassell. Without all that experienced help Winchester played a fine game holding Spencerville Bruins to a 4-1 decision. Sunday night in Kemptville defenceman Dave Richards joined the absentees, with his recurring back injury, as Hawks were hammered 10-0 by the first place 73's.

Ex-Metcalfe Jet, Mike Rochon joined Winchester's battered line-up for Friday's game and because of missing veterans the speedy forward was forced to take up a blueline position. That was again the case in Kemptville on Sunday when Hawks had just two regular defencemen to face the powerful 73's. Only Karl McRoberts and Dave Cassell were available for defensive duty. They were joined by Rochon and Grant Levere, who was called up from the Juveniles.

Another Metcalfe Jet, the rugged Chris Erler, is supposed to be making a move to Winchester and could be in a Hawk uniform for their next game which is here at home on Wednesday, December 29th against Prescott Saints. Hawks should be able to have some of their hurts healed with the lay-off until the 29th.

Despite their 4-1 loss to Spencerville Bruins, Winchester came up with their best effort in some time. With six regulars out of the line up Hawks went to a defensive man on man style and held the high scoring Bruins to just four goals. They had good scoring chances but once again couldn't buy a goal. Team officials had praise for their whole line-up but felt first year men, Phil Meek and Chris MacIntosh were steady on defence. Doug Crowder played a fine forechecking style and Dan McMartin made some spectacular saves between the pipes. Defenceman Dave Richards was hampered with his back ailment, playing the entire game under very painful circumstances.

Spencerville led 1-0 after one period on an unassisted goal by Brian DeDekker.

It was 2-1 after forty minutes. Hawks' Jeff O'Neill tied it at 17:12 after being set up by Greg Casselman and Karl McRoberts. Bruins' Brian St. John put his team back out in front at 9:44. Greg Morris and DeDekker drew the assists.

Centre Steve Wyatt scored the first of a pair to run Spencerville's margin to 3-1 before period two ended. He added another one with 41 seconds remaining in the game to make the final 4-1.

After playing powerful Kemptvill 73's to a scoreless tie in the first period Winchester's inexperienced line-up buckled and cracked under an awesome attack.

Despite the score Marvin Declare played a strong game in net for Winchester. With just two seasoned defencemen to help him he just couldn't stop all of the shots he had to face.

Kemptville hit for four powerplay and one short-handed goal as they surged ahead 4-0 after two and 10-0 after sixty minutes. Tim Beach and Bruce Cunningham each scored three times for the winners. Joel Braymore hit for two with Peter Ashfield and Stew Watson each finding the mark once.

Hawks now get a 10 day rest to regroup and try to re-organize for the second half of the schedule. Old faces should have returned to the line-up, along with some new ones, when they face Prescott Saints here on December 29th at 8:00 p.m.

GRENVILLE-CARLETON
OPPOSITION HOUSE LEADER
REPORTS TO
GRENVILLE-CARLETON

"Season's Greetings"

It is difficult for all of us to fully realize that another year has almost passed by and we are looking forward to Christmas with our families and friends and to yet another year.

While we can take great comfort in our good fortune of living in a land that is relatively abundant compared to other lands, in other parts of the world, we ought not to forget that there are still great problems in our country with which we will have to continue to grapple in the next year and for many years to come.

The First Ministers' Conference just completed did not settle the problems of our Confederation because we still have in Canada a newly elected government which expressed its dedication to its independence from the rest of us. We still face the problem of those who want to work and cannot work and in some parts of Canada unemployment is not a matter of selectivity in terms of jobs but a disease that is endemic to those regions. We still must face up to the question of our native people, their land claims, their housing and the difficulties that they are having in trying to adjust to the changes in a white society. All of these things must be faced. We are citizens of the world as well as of our own country and we are faced with the consequence of overpopulation, technological underdevelopment, the influence of the counist world on those areas a our role as a nation as a w citizen.

rnally, regional disparity, throblems of energy, the price thrmer receives for his milk, trices that the consumer pays fne necessities of life, openn Government, bridging our dsities in languages and cultuvill be there on January 2nd, I I mention these things not in a pessimistic way because I h great confidence in the rience of the strengths of our grnmental structures and in people. I tend to view a New r as a time of challenge and tgh I don't make resolutions elf, many people do.

owever, if I was to make a resolution I would want each of us, in our own way, at home, at work and in our community, to resolve, to make our country just a little bit better because we were there.

My wife Lois, my children and I wish you a Merry Christmas and a Happy New Year filled with hope and progress in all things.

I want you to know that it is a privilege to serve in the Parliament of Canada on your behalf and if I can help you or your families in any way, I am prepared to do so. I sometimes regret that a Member of Parliament does not have a magic wand to deal with the many problems he or she faces in the course of a year but I promise to try.

New Year's In Las Vegas

The winning ticket, drawn at the Finch arena by Potentate of Karnak Temple Norm Haines, was sold to Mr. Empey by Graham Garlough. NDDHS Christms Band Concert Success

By Nancy Carscadden and Jane Allison

Although looking forward to the Christmas holidays which are coming up, students at North Dundas have been keeping themselves very active. Snow has finally arrived and our Ski Club sponsored its first trip of the year on Saturday, December 18. They headed off bright and early to Edelweiss Valley for a day full of fun on the slopes.

Our Senior Girls' Basketball Team has something to be especially proud of. They were 1 of 18 teams to compete in the All-Ontario Basketball Tournament which was held in Sarnia last week. Our team was vrious in its first scheduled ne, defeating St Joseph's Cgiate of Toronto. The girls' sed game, however, resulted in efeat by St. Pats of Sarnia. hould be noted that these s were among the top girlsketball players in Ontario. Tis a first for our school, and it gs we at North Dundas, a greanour.

Due to the hard wand skill of a group of studerthe halls have been brightenwith colourful graphic des. These designs, along with many Christmas decorations, provide a pleasant atmosphere for all.

Our Christmas band concert, featuring both the Junior and Senior band was a fine success this week. Our thanks go out to all who attended.

As this is our last school report before the Christmas season, we at North Dundas, would like to wish you and your loved ones a very Merry Christmas and a Joyous New Year.

Visit Ontario

The home of Mr. and Mrs. Norman Bell, Winchester Springs, was the scene of a happy reunion when their son Howard and friend, Miss Marilyn Bain visited friends and relatives in the Ottawa and Toronto districts. While in the area they attended the Grey Cup game in Toronto where a family reunion was enjoyed at the home of Mr. and Mrs. Orley Lozier and at the Sheraton Centre. After visiting points of interest in Montreal they returned to Toronto where they left for Vancouver.

Organize Greely Carnival

(By Mel Tomkins)

1977 CARNIVAL

Greely is already preparing for the 1977 Winter Carnival. A meeting of the Carnival Committee was held recently to draft plans for the annual event. In addition to the usual Carnival Queen contest and other events the committee plans to have a parade this year. It is expected it will start at the school or the new Fire Hall and travel along Good Street, Shields Drive, Meadow Drive, Cochon Boulevard and Parkway Road.

A good supply of red and white buttons are on hand advertising the fact that the Carnival lasts from January 28 to February 6.

NEW YEAR'S EVE

Tickets for the Annual New Year's Dance are already all sold out.

SENIOR CITIZENS

Senior Citizens Friendship Club members held their Christmas Dinner in the Community Centre on Tuesday, December 14th. A delicious turkey dinner was served by Pauline Lauzon and her committee. After the exchange of gifts, there was a short musical programme. Diane Vanderydt was the vocal soloist accompanied by Gisele Bush at the piano. A second soloist was two year old Stacey Bush.

Club members were pleased to welcome president Marge Lalonde to the meeting. Marge is recuperating after a serious operation in an Ottawa hospital.

ANNUAL CAROL SERVICE

The annual carol service of All Saints Anglican Church was held in the church on Sunday, December 19. In addition to the numerous carols sung, selections from the scriptures were read by various members of the congregation.
