Release Staggering Statistics For Busy Hospital

Staggering facts and figures presented at the Annual Meeting of the Winchester District Memorial Hospital last week again indicated not only the importance of the hospital to the community but the tremendous progress it has made over the years.

Administrator H. P. Stel pointed out that the hospital in 1969 admitted 3528 patients, that days of care totalled 43,162, that salaries and wages for the more than 200 employees had jumped up and over the $1,000,000 mark.

In 1969 alone 327,920 pounds of laundry were handled, 174,213 meals were served; there were 625,256 laboratory units of work, 9659 X-ray examinations to give some idea of the enormous hospital services. Last year 1385 operations were performed and the average length of stay for medical and surgical patients had been reduced from 13.5 to 12.4. The paid hours of work in 1969 totalled 423,009.

In presenting the financial statement treasurer, John Hatcher and Mr. Stel explained that the net deficit for the year of $35,920.98 was accumulated after depreciation allowance on buildings and equipment of more than $90,000. Total operating revenue at year's end stood at $1,493,557.46. On the balance sheet the plant fund including investments and allowing for depreciation stood at $2,507,943.72.

Board chairman, Stanley Hicks of Metcalfe, who presided at the meeting, delivered an impressive 'state of the hospital' address. In it he outlined hospital progress through the 60's pointing out that the per diem rate had increased to $39.40 from $18.60 ten years ago. He emphasized the greater responsibility of the board of governors, 'the final responsibility for every condition in the hospital', and referred to the current years as an era of 'consolidation and surverys' following the construction periods.

Over the past year he reviewed the hospital's success in again gaining accreditation for another three years, the assessment by the College of Physicians and Surgeons and the OHA and the recent Hospital Commissions' survey on the adequacy of existing facilities.

Referring to the future he briefly explained the introduction of global budgets, the proposed introduction of the metric system, financial incentives and more expansion. 'We must be alive to the community's expectations' he concluded.

Other reports at the meeting were as follows: Medical board, Dr. Houze; Director of Nursing, Mrs. Audrey Pollock in the absence of Miss Legris; Hospital Auxiliary, Mrs. Mac Gregor; Property Committee, W.C. MacDonald.

Reports for the management, public relations and by-laws committees were given by Reg Workman.

Mr. Workman presented the new by-laws to the meeting which had been previously ratified by the board. The by-laws were approved and will now be forwarded to Toronto and the Lieutenant Governor's signature. Several changes were made in the by-laws in an attempt to up-date them and to keep them in line with OHSC prototype by-laws. Chief among the changes is a reduction in the board of governors from 24 to 18 elected members.

For outstanding service to the hospital former chairman, Howard E. Biccum was presented with a past president's pin by Mr. Workman.

DR. TAYLOR

Blasts Regional Gov't.

One of Eastern Ontario's most noted municipal leaders, Osgoode township, Reeve Dr. W. A. Taylor, lashed out at the high costs of Regional government in an address to the annual meeting of the Winchester District Memorial Hospital.

A former Carleton county warden and a present member of the Ottawa-Carleton regional government, Dr. Taylor said that regional government is costing Osgoode township nearly four times as much as it did when the township was a part of the Carleton county administration. As opposed to county government, Dr. Taylor said that each of the 13 municipalities outside of the city was paying 'two and a half times as much' under regional government. Speaking highly of the chairman of regional government, Dr. Taylor said that because of misunderstandings and poor administration 'I still do not know how much he is receiving for the job.' He also told his audience that it was his opinion that a provincially appointed chairman should not be entitled to a vote on council.

'Because of population 16 members of the council come from the city of Ottawa.' He referred to this as an unfortunate situation for the more rural municipalities particularly the three who do not have any representation on the board 'because their population is not large enough.'

'In 1969 we spent four and a half million dollars on the regional road system and ten million on welfare.' Explaining that he was in favour of helping the underprivileged he was also of the opinion that ten million dollars was simply too much in this department. 'How much can the taxpayer stand,' he asked. Referring to the hospital he said, 'it (the hospital) is doing a terrific job for the region.' He was most impressed with the growth of the hospital over the years and he regretted that because Osgoode township was a part of the regional municipality of Ottawa-Carleton it could not at the present time make grants to the hospital. However, he pointed out emphatically that he would do everything in his power to have this regulation changed as 'I expect Osgoode township citizens use this hospital more than any other, and it seems to me we should be in a position to support it financially.'

Dr. Taylor was introduced by Board chairman, Stan Hicks and thanked by Murray Shane, a member of the board of governors.

Pretty Princesses

Ontario Dairy Princess, Lorene Archdekin of Brantford and Dundas Dairy Princess, Lois Flegg of South Mountain, both attended the annual milk producers dinner - dance last week.

Dundas Milk Producers chairman, Ewart Simms of Mountain, reported an exceptionally large crowd and estimated over 500 in attendance.

The annual event was staged at North Dundas District High School and unfortunately two special guests, Hon. F.M. Cass and Hon. Lucien Lamoureux were unable to be present. Gordon Blair, MP for Grenville-Carleton was in attendance accompanied by his wife and thoroughly enjoyed an evening with his rural friends.

A special feature of the evening was a square dance demonstration conducted by Bill Judge. Mr. Judge is well known to area dancers having conducted the square dance classes at NDDHS night school.

Women from Winchester Presbyterian Church catered to the delicious smorgasbord dinner and music was supplied by the Russ Hay band.

Special prizes for the occasion were donated by Nestles of Chesterville; Ault Milk Products, Winchester; Kraft Milk Products; R. S. Allison & Sons, Winchester Springs; and Dundas County Milk Committee.

Prize winners were Martin Hall, Mountain; Mrs. John Spruit, Mountain; Mrs. Eric Steele, Winchester; Jack Rennison, Winchester; Roy Melvin, Winchester and Harold Pemberton of Chesterville.

The two pretty princesses were the major attraction of the evening as they discussed farming problems with those who help produce the Nation's milk supply.

The following day the two girls visited three area high schools including North Dundas District High School, Mountain District, and Seaway. The two were photographed during a brief stop in Winchester. Miss Flegg is at left while Miss Archdekin is at the wheel of her car.

WILLIAMSBURG TWP. ELECTORS

VOTE 'YES'

81.5% MAJORITY IN LIQUOR VOTE

Overwhelmingly in favour!

That about sums up the feelings of Williamsburg township voters towards the two questions which confronted them in last Wednesday's liquor plebiscite.

When the final tally had been taken by Returning Officer, Keith Schell those in favour had registered a convincing 81.5 per cent majority of the vote. It is believed to have been one of the highest percentages ever registered in the province for plebiscites held under the Liquor Licence Act.

Ballots in favour of the question which asked, 'Are you in favour of the sale of liquor under a dining lounge licence for consumption with meals on licensed premises,' drew 616 favourable votes as against 140 opposed.

Returning Officer Schell said there were 59 spoiled ballots on the two questions.

All ten polls as well as the Advance poll illustrated the trend in favour of the 'yes' column. In plebiscites of this kind 60 per cent of the vote is needed to carry the questions. Last Wednesday the 'yes' vote at two of the polls held a 22 to 1 edge. Only at Winchester Springs and Beckstead did the vote slip under a two to one ratio.

Of the 1730 eligible voters in the township 784 went to the polls, just over 45 per cent.

The plebiscite was called to enable the St. Lawrence Parks Commission, among others, to provide liquor facilities. The Parks plans to provide these facilities at the new golf course clubhouse due to open at the beginning of the new season in May.

Twelve years ago, questions under a similar plebiscite in the township were turned down.

Farm Show Attracts 10,000

The annual farm show at Ottawa Civic Centre displayed the ultimate in modern farming technique and according to show manager, George Suffel the four day attendance was close to 10,000, a marked increase over last year.

One Ottawa reporter, obviously a very old timer, spoke of the days when farming could be summed up as an operation of planting, watering and praying. Proof that those days are long gone were the huge mechanical monsters spread over the entire ice survace of the new complex and spilling out into the adjoining convention halls.

Undoubtedly, the busiest man at the Civic Centre, was once again, George Suffel, who coordinates the entire show. George was already planning additions and deletions for next year's event. One wonders when watching this Mountain Township man going about the complicated task of managing such a mammoth task if he was the one they had in mind when they coined the phrase 'let George do it'.

Many area dealers had fine displays and prize-winning exhibits of grain and other farm produce was prominently displayed.

Mr. Suffel was pleased with the corn forum discussion turnout and also the square dance competition and amateur contest.

The big draw this year was the Ottawa Valley Hereford Club Show and Sale. Between 500 and 600 persons crowded into a corner of the cattle barns in the Coliseum for the auction. Prices ranged from $800 paid for the grand champion bull to $185 for a 4-H steer calf.

The 16 bulls sold at auction for $10,505, an average price of just over $650. The grand champion drew top money of $800, and the reserve grand champion $710. Low price was $500.

The 18 females sold for $7,275 at an average price of just over $404. Both the grand and reserve grand champion females went for $410 but the high price for a female was $510 and the low price was $260.

Four calves sold for $940, an average price of $235 with high and low prices of $330 and $185.

The 38 animals sold for a total price of $18,720, 'the best sale we've had in the 11 years of the Hereford sale,' said chairman of the show, F.Q. Dench.

Employment Survey

Winchester Industrial Committee is conducting an employment survey to determine what size of a work force would be available in the event an industry decided to establish in the village.

It is understood a small firm has already been making enquiries and one of the first questions asked was how many female employees would be available if required.

Council feels confident other industries will be seeking information and plan to have all necessary information available when requested.

Father-Son Banquet Enjoyed

Accident Prevention Officer Ralph O'Brien of the Ontario Provincial Police was guest speaker last week when Winchester Scouts and Cubs were accompanied by their fathers at the Annual Banquet.

'Youth of To-day' was Officer O'Brien's topic and proved highly interesting to both fathers and sons present.

The speaker was thanked by Joe Marquette.

George Elliott, Scout Group Committee Chairman, was Master of Ceremonies for the occasion and Rev. Cawfield of Winchester Baptist Church asked the blessing.

Song leaders were Frank and Paul Morgan and the boys heard a timely report from District Commissioner, Keith Carkner.

Allan Carkner proposed a Toast to Fathers which was ably replied to by Clair Chamberlain.

Reeve Christie brought greetings from the village and a letter from Hon. F. M. Cass expressed his regret that ill health had made it impossible for him to be in attendance.

Over one hundred attended and all boys are looking forward to an active summer season.

On Sunday morning Scouts and Cubs paraded from Legion Hall to the Baptist Church and once again most members were present to hear an imspiring message from Rev. Mr. Cawfield.

U.C. Golf Course Opens Early This Year

If the weather co-operates, play on the Upper Canada Golf Course will start on the weekend of May 9th.

Last fall extensive improvements were completed on a number of fairways, particularly in regard to drainage, which hopefully will limit winter damage which occasionally occurs.

With the opening of the new club house all the appropriate services will be available for golfers. The modern pro shop will have equipment and sundry items for sale along with golf clubs and cart rentals.

Ladies' and men's change rooms with showers and lockers will provide comfort and convenience especially for players who come from a considerable distance. The spacious dining lounge, cloakroom, lavatories and screened patio round out the full service package of the Club House.

Green fees Monday to Friday for 18 holes - $3.00, on weekends and holidays - $5.00.

For 9 holes, Monday to Friday after 5:00 p.m. - $2.00.

Juniors (under 16), Monday to Friday - $2.00 for 18 holes with NO PLAY weekends and holidays.

Season tickets are available for men at $100.00, ladies $60.00, married couples $150.00 and Juniors $35.00.

The aesthetic surroundings and relaxed atmosphere of the course has attracted 31,000 green fee players during the past two years including an increasing number from Montreal, Ottawa and the Massena area.

At par 72, 6908 yards for men and 5650 yards for ladies, the Upper Canada Golf Course offers variety and challenge.

This is a public course with all appropriate appointments and one which will reflect favourably on the future growth of this popular recreation in the Seaway Valley.

And the co-operation of the weatherman will, indeed, be needed if the beautiful Upper Canada Golf Course is to open on May 9th this year. Already for the opening, regardless of the weather, is the new and ultra modern clubhouse. The facilities are many and excellent and golfers are in for a big plus when they visit the course this year. With nicer weather, hopefully, just around the corner work on the cleaning up and landscaping will begin immediately. In picture the old 'white' club house at right is shown. Quite a difference!

THE NEWS in Brief

100 Club To Entertain Rural Friends

Centurians, at their regular meeting to-night (Thursday), will be entertaining their rural friends and it is expected each member will be accompanied by either a farmer or a man interested in some aspect of agriculture.

Jim McCullough of the Ontario Department of Agriculture and Food office here at Winchester will be guest speaker and has chosen a timely topic - 'Is Agriculture Causing Pollution?'

The regular meeting will be at Henderson Hall and an entertaining evening is promised.

Flood Waters Recede

The Nation River threatened to go on another wild rampage this Spring, but persistent cold weather allowed a gradual break-up resulting in less serious flood conditions than usual.

Although the water rose over Highway 31 at Cass Bridge for only a brief period on Friday afternoon and evening, thousands of acres of land were flooded.

Both east and west roads at the bridge were submerged and many farmers were forced to boats as a means of transportation.

The river apparently reached its peak late Friday and since that time has been gradually subsiding.

A picture-page in this edition gives some indication of the water level in the Nation Valley, south of the village.

Highways To Receive Attention

Both Highways 31 and 43 may get some attention this year according to a weekly report from the office of the Hon. F.M. Cass at Queen's Park.

In his weekly report the Speaker of the house draws attention to continuation of work on Freeway #416 from Prescott to Ottawa. It appears certain, he says, since more contracts in the Spencerville area have been called and others are expected to be outlined in Highways Departmental Estimates.

Meantime, Mr. Cass goes on, it is also anticipated that both Highways 31 and 43 will receive some attention this year and some re-building in 1971.

Dogs Must Be Tethered

Winchester town council, in answer to many complaints regarding dogs running at large, will be taking drastic measures to enforce existing by-laws.

Consequently dogs found running at large will be impounded and although this will not be viewed favourably by dog lovers, council feels it has no alternative.

Winchester residents take great pride in the appearance of their lawns and floral arrangements. Stray dogs can play havoc with spring landscaping as well as become a nuisance.

Council members urge all dog owners to keep their pets tethered thus avoiding a run-in with the dog-catcher and costs of repossessing the animals.

Dance To Assist NDDHS Band

A capacity crowd is expected this Saturday night when Frank Morgan and his orchestra will return to Metcalfe and supply music for a dance.

Proceeds from this venture will be used to help finance North Dundas High School Band.

Back in the '50's, the Morgan band was a weekly attraction at the thriving East Osgoode Memorial Community Centre, and many of the 'old gang' are expected back this Saturday.

The high school band, one of the finest in the province, plans to present concerts in Western Ontario and other points. Travelling costs money and Saturday night affords an opportunity to meet old friends, have a good time, and at the same time help our young musicians.

E.O.D.C. Meeting Slated Here

Newly elected E.O.D.C. Director, Basil Dawley told Chamber of Commerce members, at Tuesday's meeting, that an area meeting of Eastern Ontario Development Commission will be held in Winchester on Tuesday, April 28th.

Park Board Plans Summer Fun

Members of Winchester Community Park Board met in council chambers Monday night to map plans for summer activity.

Most members were present and chairman, Arnold Dukelow outlined extensive plans for the coming season.

Various suggestions were heard during the meeting and it was agreed sub-committees would study the possibilities of each segment of park activity including pool, ball diamond and general appearnace, and report back to another board meeting in a months time.

The board decided the swimming pool building will definitely have to undergo repairs while grounds and roadways will be greatly improved.

Orr-Spearman Vows Exchanged At Ottawa

The Wesleyan Church, Ottawa was the setting for the marriage of Marilyn Elaine Spearman to Gerald Walter Orr of Ottawa, on Saturday, April 11, 1970. Rev. J.S.A. Spearman, uncle of the bride officiated, assisted by Rev. M. Summers. Miss Beverly Mooney of Bennington, Vermont, at the organ provided traditional music and accompanied Mrs. Sylvia Myers of Bolivar, N.Y., as soloist, who sang the Wedding Prayer and the Wedding Hymn.

Given in marriage by her father, Ronald Freeland, the bride wore a gown of white silk crepe and illusion headdress, she carried a white Bible crested with red roses.

The maid of honor, Miss Lois Spearman, sister of the bride wore an empire waist gown of mint green peau de charm trimmed with white lace. She carried a basket of yellow shasta mums. Other attendants were Misses Irene, June and Brenda Spearman, sisters of the bride and Mrs. Nancy Silfwerbrand, sister of the groom. They were attired identically to the maid of honor. Robert Schoonover of Painted Post, New York was best man. The ushers were William Meyers of Bolivar, N.Y. James Findley of Ottawa, Willy Silfwerbrand of Ottawa and Brian Spearman of Winchester.

For the reception at the Talisman Motor Inn the bride's mother welcomed the guests wearing an acqua Fortrel dress with matching coat and American Beauty rose corsage. The bridegroom's mother, who assisted, wore a green and grey ensemble and coral carnations.

Leaving on a wedding trip, the bride chose a navy dress and matching coat and navy, red and white accessories with a gardenia corsage.

Rev. Gary Quart Is Appointed As Social Worker

A 27-year-old United Church minister, with social work experience on the streets of Chicago and Montreal, has been appointed community social worker for the York Street area.

The Rev. Gary Quart, pastor at St. Christopher's United Church since July, will begin his duties February 1. He will direct a new community self-help program for the northern city area west of Bay Street which is being financed by a $5,000 grant from the city, $4,000 from Zion United Church and $2,000 from other sources.

Mr. Quart said his duties will be to help residents of the area decide what kind of things they want and help them to achieve results.

He said he wishes to build an organization to speak for area residents, but has no plans yet on how to achieve this.

His purpose will be to get the people together to work out their problems, not to come in and tell them what they should do.

Mr. Quart, a native of Maxville in eastern Ontario, received an arts degree from Mount Allison University in Sackville, N.B., and a divinity degree from McGill University in Montreal.

He spent last year in Chicago receiving a master's degree in scientific theology, a branch of social work specializing in the problems of urban housing, education and other urban problems.

While there he worked with an organization in Austin, a Chicago community on the edge of a ghetto.

Rev. Quart is a son of Mr. and Mrs. Hubert Quart of Maxville, and a grandson of Mr. and Mrs. Jay Quart of Winchester.

Miss J. Cameron South Mountain W.M.S. Hostess

The April meeting of the Evening Auxiliary to W.M.S. of St. Andrew's Presbyterian Church, South Mountain was held at the home of Miss Jennie Cameron.

Mrs. A. Shaver, President, was in charge assisted by the Secretary, Mrs. G. Blow.

The Roll call word was 'cross'. Hymns sung during the meeting were in keeping with the Easter season.

Miss Cameron read an article on the hymn 'The Old Rugged Cross', its composer and the influence of this hymn on several people.

Mrs. Shaver led in the study, 'Dare to Reconcile'. All members participated in the discussions.

Following the business period the meeting was closed with prayer.

MENU OF THE WEEK

Oven-Baked Foods Tempt Appetites

Spicy Spareribs
Scalloped potatoes
Buttered broccoli
Carrot-Raisin salad
Apple-Bran Crisp

Oven baking goes hand in hand so tempt family appetites with the sweet smell of something cooking in the kitchen. Pennywise shoppers and the Ontario Food Council, Ontario Department of Agriculture and Food all recommend using pork and carrots in cold weather menus. Both are priced right and plentiful this season. Pork side spareribs baked slowly in a spicy barbecue or Chinese sauce, are delicious served with scalloped potatoes and your choice of green vegetable. For an added flavour and crunch bonus, toss a colourful salad made from grated carrots, iron-rich raisins, and salad dressing. Even the dessert is oven baked but with a nice change to surprise the 'almost full' eater.

Apple-Bran Crisp
4 c. sliced apples
1/4 c. butter
1 pkg. butterscotch pudding and pie filling
1/2 tsp. cinnamon
1 1/2 c. bran flakes

1. Arrange apples in shallow baking dish.

2. Cream butter; add pudding mix, cinnamon, and cereal; blend.

3. Bake in moderate oven 375 for 30 minutes, or until apples are tender. Serve warm or cold.

4. Serves 8.

Bridge Series Winners Crowned

The 'Marathon Bridge' is a series of play extending from early fall till spring, sponsored by Winchester Curling Club.

Ten tables assembled at the curling club last week for games that climaxed this season and Jean Cameron and Gail Van Noy were crowned champions on the winter's play. Runners-up were Norma Wylie and Orma Earl.

Prize winners for the final night were: Norma Lannin and Jean Cameron in the ladies division and Doug Grenkie and Hugh Eadie in the men's department.

A special prize was won by Mrs. Hugh Balkwell.

Winchester Springs Euchre Party

Twenty-two tables were filled at Winchester Springs last week at a Euchre Party sponsored by the Recreational Committee.

Prize winners included Mrs. Ken Merkley, Dunbar; Frank Swerdfeger, Winchester; Leone Harper, Chesterville, W. Lewis, Dundela; Isobel Young, Dunbar; and Willard Mattice, Riverside Heights.

Conveners for the successful party were Mr. and Mrs. Gordon McIntosh, Mr. and Mrs. Ralph McIntosh, Mr. and Mrs. Mac Davidson, Mr. and Mrs. Lee McIntosh.

Membership Drive

Re-Organize Dundas Assoc. For Retarded Children

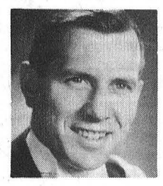
The reorganizing meeting of the Dundas Association for Retarded Children was held in the Iroquois Civic Centre, Tuesday, the 7th of April.

The following executive was elected: President - John Haldane, Vice-President - Norville Timleck, Secretary - Mary Timleck, Treasurer - Carol Ivens.

The association was responsible for starting the Williamsburg and Iroquois Schools for Retarded Children. The main purpose of the association at the present time, is to increase the membership, so it can look to the future and the possibility of opening a workshop for the adults in Dundas County.

The next meeting of the association is the 12th of May, at the Civic Centre in Iroquois, and the time is 8 o'clock. Circle the date on your calendar and plan to attend.

ASK YOUR CHIROPRACTOR



Q.: One month ago I developed a sharp pain down the left arm. It started after I had slipped on the ice. Since then the pain has been steady and has started to spread to the base of the neck and shoulders. Can Chiropractors help this type of problem?

A: From what you have told me in your letter there are good reasons to believe that your pain has been due to your slipping on the ice. This slip could have caused a subluxation (displacement) of one or more vertebrae in your neck and/or upper thoracic area and this vertebrae movement is pinching a nerve going down the arm. It appears that you might be getting referred pain that involved segment due to a displaced vertebrae.

One should not wait over one week when such a pain occurs. If the pain has not disappeared by that time, with rest or other means, then you should consult your family chiropractor.

It must always be kept in mind, that whatever the cause, it must be removed to prevent further damage to the nerves and muscles.

Your Chiropractor specializes in Musculo-Spinal problems, get in touch with him.

Demand For Lions Walk Entry Forms Largest Ever

Winchester Lions are wearing wide smiles these days due to the tremendous response by area citizens young and old in regard to the Lion's Walk scheduled for Saturday April 25. The Lion Printer has found it impossible to meet the demand for entry forms thus far, but presently efforts are being redoubled to supply forms to all would be walkers. It is planned that additional entry forms will be allocated to the distribution points this week.

Reports show that most Lion's Walk entrants have devoted a great deal of time and energy to recruiting sponsors. It is rumoured that one well known Winchester Family will add approximately $1000.00 to the Lion's General Welfare and District Benefit Fund when the last of their clan crosses the finish line at the Winchester Public School Grounds. However, Lion's feel that all walkers are important - no matter how little or how much money is raised for the cause. At this time, considering the boundless co-operation extended by thousands of area people, Lion Walk Committee Chairman, Glen Vasey is predicting the most successful Lion's Walk ever. Have you signed up yet?

AT METCALFE

Sportsman's Dinner

Familiar figures from the sports world, including Ottawa Rough Rider personnel, M & W. Ranger stars, Ottawa 67's players and sports writers will be in Metcalfe April 29th for a gala 'Sportsman's Dinner'.

Sponsored by Metcalfe Recreational Association, a subsiduary of East Osgoode Memorial Community Centre, proceeds will be directed towards the purchase of a time clock for the rink.

'General' Grant will be on hand from Radio Station CFRA accompanied by Sports caster Dave Quinn and Miss Pamela Whiting (Miss Ottawa Rough Rider).

Metcalfe's Junior 'B' hockey team will be honoured on this occasion and a spokesman for the Recreation Association predicts that this event will blossom into an annual affair with not only hockey teams but outstanding stars in all avenues of sport honoured.

Phyllis Brunton Vernon Girl College Grad

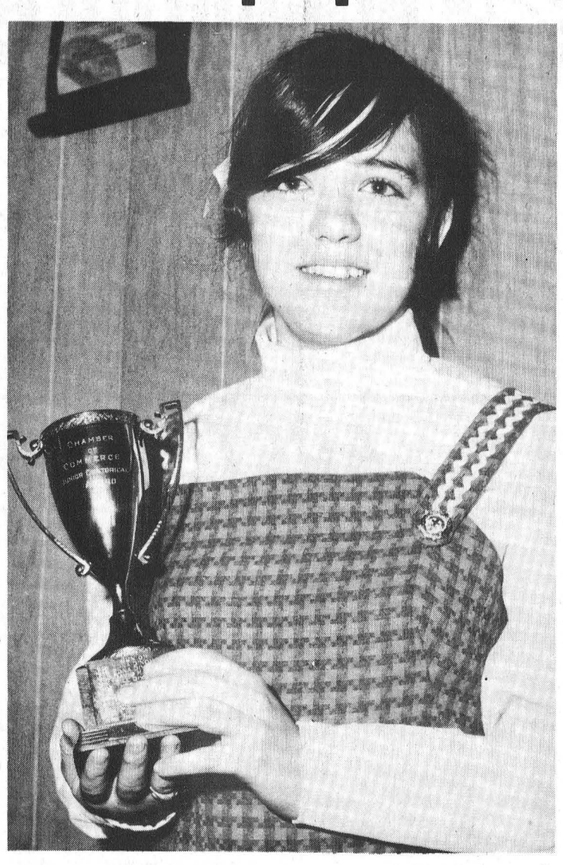
Phyllis Margaret Brunton of Vernon will be among the students graduating from the Ontario Bible College on Saturday, May 2nd.

Miss Brunton, a daughter of Mr. and Mrs. Lawrence Brunton, will receive her B.R.E. (Bachelor of Religious Education). The ceremony will take place at Varsity Arena with 92 graduates receiving the following honours: Bachelor of Religious Education, 43; Bachelor of Theology, 18; Bachelor of Sacred Music, 1; Diploma, 17; and Evening School, 9.

Ontario Bible College was formed in 1968 in the merger of Toronto Bible College (founded 1894) and London College of Bible and Missions (founded 1935). The College is interdenominational, with 37 denominations represented in the student body. Students come from Canada, U.S.A., Latin America, Australia, United Kingdom, Germany, Hong Kong, India, Africa, Philippines, Europe and the West Indies.

Over 4,500 have graduated to serve as missionaries in 56 countries, and as ministers, deaconesses, mission workers and in other areas of Christian service.

Top Speakers At MDHS 13th Annual



Mountain District High School staged its 13th annual public speaking contest last week when both senior and junior division finalists competed for coveted awards.

Eliminations had been held previously and six finalists, three junior and three senior competed for Chamber of Commerce Trophies and the Mountain Oddfellows Shield.

Heather Patterson, daughter of Mrs. Winnifred Patterson and a Grade 9 student won Junior honours. She chose for her topic 'Medicine verses Drugs'.

'The History of Our School' proved a winning story for Grade 12 student Lois Flegg in the senior division. Miss Flegg is a daughter of Mr. and Mrs. Keith Flegg.

The Oddfellows Shield is presented to the group scoring the highest and was awarded to the senior group led by Miss Flegg. Others in the group included Dawn Clark, daughter of Mr. and Mrs. John Clark and Deborah Blaine, daughter of Mr. and Mrs. Hugh Blaine.

Other members of the Junior division included Brian Keyes son of Mr. and Mrs. Sam Keyes, and Beverley Koekkoek, daughter of Mr. and Mrs. William Koekkoek.

Educational Seminar To Be Conducted By Joint S.D.&G. Boards

Under the joint sponsorship of the S.D. and G. Roman Catholic Separate School Board and the S.D. and G. County Board of Education a 'Spotlight on Special Education' seminar will be held next Saturday, April 18th, in the General Vanier Secondary School, Cornwall, beginning at 9:15 a.m.

Advance registration has indicated to the committee responsible for arranging the seminar that over 200 teachers from all parts of the district, as well as guests from New York state, and neighboring municipalities, will be in attendance.

Keynote speaker at the morning session will be Dr. W.F. Koerber, Director of Special Services, Scarborough Board of Education. Dr. Koerber, recognized as an authority in the field of special education, will speak on 'The Changing Role of the Special Education Teacher.'

Another highlight of the seminar will be a series of demonstrations by teachers in specific areas. Topics to be presented include Remedial Reading, Intelligence Testing, A Program for the Emotionally Disturbed Child, Programmed Phonics, Practical Programs for Occupational Students at the Secondary School level, Mathematics for the slow learners, Team Teaching, Histoire and Geographie, and Speech Education. Teachers will have the opportunity of seeing three demonstartions of their choice.

Guest speaker at the noon-hour luncheon will be C.A.R. Sparling, Principal of Borden Public School, Ottawa, whose subject will be 'Total Special Education Environment'.

The seminar is unique in that it is the first to be sponsored jointly by the two school boards within the local counties. It will bring together teachers from both elementary and secondary school systems, as well as representatives from several of the Social Service Agencies in the district and the Adult Education Centre in Cornwall.

Publishers and school suppliers will have interesting book displays at the Seminar.

Vernon Baptist Circle Meets

The afternoon group of the Baptist Women's Circle met on Wednesday, April 8th, at the home of Mrs. Lorne Carkner, Vernon.

In the absence of the President, Mrs. Harold Ferguson, Vice President conducted the meeting, opening with a poem, then hymn, 'Take Time to be Holy' was sung.

The Devotional was read from the Gospel of St. John, chapter twenty and given by Mrs. Lorne Carkner.

Prayers followed, minutes of the previous meeting read and the roll call was answered by a favourite verse of scripture.

The topic was given by Mrs. Harry Anderson who read from one of Dorothy Dumbrille's books, giving a history of the Scottish pioneers who came to Canada and settled in Glengarry. Among these early settlers came the McLaurins, who later became Baptist missionaries to India. These McLaurins settled in Breadalbane.

The closing hymn was 'Oh Master let me walk with Thee'.

Mrs. Ferguson closed with prayer. Cards were signed by those present to be sent to our members who were unable to attend on account of sickness.

Couple Marks 60th Anniversary

Mr. and Mrs. James S. Irven, formerly of Dryden and Winchester, now residents of Vancover, B.C., marked their 60th Wedding Anniversary on April 8th.

At the time of their marriage, in 1910, they were residents of Thornhill, Manitoba and resided in Dryden from 1929 to 1937.

An open house was held in their honour at the home of their daughter and son-in-law, Mr. and Mrs. W. E. Neely.

The Press joins with friends in this area in extending sincere greetings.

"E.O.D.C."

Continued from Page 1

The meeting will be a dinner-meeting at Country Kitchen Restaurant at 6:30 and it is anticipated a large crowd of interested citizens will be present.

Mr. Dawley feels his appointment to the E.O.D.C. Board could be very beneficial for this area but says 'I can only help attract industry if supported by both Chamber of Commerce and village council'.

Raymond Summers, chairman of Chamber of Commerce Membership Committee reported 50 paid-up members and an additional 51 not yet paid. It was agreed all members would be notified of the coming meeting of the development council.

CARDS OF THANKS

CARD OF THANKS — I would like to extend a sincere "thank you" to my friends, neighbours and relatives for the lovely flowers, gifts, cards, letters and visits I received while I was a patient in the Winchester Memorial Hospital and since returning home. Special thanks to Dr. Duane Justus, nurses and staff on the first floor, and Rev. MacDonald for his calls.—Mrs. Gerald Howes. 50p

CARD OF THANKS—I would like to express my sincere thanks to relatives, friends and neighbours for their visits, cards, letters and flowers, also to the U. C. W., United Church, Metcalfe, and L.O.B.A. Lodge No. 1267 while I was a patient in Winchester District Memorial Hospital. Special thanks to Dr. Duane Justus and his assistant doctors, and the nurses and staff on the first floor. Special thank you to the ministers for their visits and prayers. May God bless the nurses for their wonderful hospitality. — Charlie Howes, Metcalfe. 50p

CARD OF THANKS—We would like to take this time and space to express to all our friends and neighbours our thanks and deep appreciation for the acts of kindness and messages of sympathy expressed to us during our recent bereavement in the death of a dear son and brother.—The Algire family. 50c

CARD OF THANKS—I wish to say thank you to all my friends and neighbours who visited me and sent cards while I was in the hospital, also to those who helped out at home. These acts of kindness will be long remembered.—Garnet Sears. 50c

CARD OF THANKS — Through the medium of the Press I would like to express a most sincere "thank you" to my many, many friends for the lovely Lazy-Boy chair presented to me on the occasion of my retirement from active business. Your thoughtfulness at this time will always be remembered. My wife joins me with her thank you and appreciation for the lovely flowers presented to her on this occasion.—Harold and Mabel Levere. 50c

CARD OF THANKS—To all my dear friends, relatives and neighbours who remembered me with cards, letters, flowers, visits and gifts while a patient in Winchester Memorial Hospital, I say a very sincere "thank you." Special thanks to visiting clergy and Dr. and Mrs. Morrow.—Mrs. Chas. Fader. 50p

CARD OF THANKS—We would like to express our thanks to relatives, friends and neighbours for their thoughtfulness and kindness following our accident. It was much appreciated by all of us.—Bill McVey and sons. 50c

CARD OF THANKS—I would like to thank my relatives, friends and neighbours for their visits, treats, gifts, cards and their wonderful kindness to me and my family while I was a patient in Winchester Memorial Hospital. Special thanks to Dr. Kinnaird and Dr. D. Justus and the nurses and staff. Their kindness shall never be forgotten.—Reta McVey. 50c

CARD OF THANKS—I wish to thank all my relatives, friends and neighbours for their visits, cards, letters, treats and flowers and all acts of kindness shown to myself and my family at the time of my accident and during my stay at Winchester Hospital. Special thanks to Dr. H. W. Justus, nurses and staff on first floor, and to Rev. and Mrs. Eaton and Rev. Gordon for their visits.—Mrs. Thora Wood. 50c

CARD OF THANKS—The family of the late Isadore LaFleur express their sincere thanks to friends and relatives for their many kindnesses in their recent loss. Special thanks to the nursing staff and doctors at the Winchester Memorial Hospital to the donors to the Canadian Cancer Society, for floral tributes received, and to Rev. Collins and Rev. D. W. MacDonald. — Epha Marcellus and family. 50p

IN MEMORIAMS

GARLOUGH—In loving memory of our father, Clarence Meredith Garlough, who passed away April 8th, 1944.

Twenty-six years ago we had to part
With one we loved with all our hearts;
With a Dad who gave us the best of his life,
Who cherised our secrets, our sorrows, our strife;
Who guided our paths and helped us along,
If we follow his counselling we can never go wrong.

—Sadly missed by sons, Gerald, Lee, Donald, Raymond, Mahlon, Rodney and Lonnie; daughters, Clara Tousaw, Beatrice Head, Emma Hollister, Grace Stewart, Marie Ostrander, Sheila Scarbo, Ginger Angel, and Grandchildren. 50p

MARTIN—In loving memory of a dear husband, Byron Martin, who passed away April 17th, 1965.

We who love you sadly miss you
As it dawns another year;
In our lonely hours of thinking
Thoughts of you are ever near.

—Ever remembered by Wife. 50p

TAYLOR — In lovinog memory of a dear husband and father, James Abbott Taylor, who passed away April 14th, 1965.

Sadly missed along life's way,
No longer in our life to share;
But in our hearts he's ever there,
Quietly remembered every day.

—Wife, Son and Daughters 50c

STOBO—In loving memory of a dear father, Thos. Stobo, who passed away April 14th, 1968, and mother, who passed away September 27th, 1951.

You were not ours to keep,
God only loaned you to us for awhile,
Still, when He came to claim His own,
It was hard to hide those tears, with a smile.
The wonderful memories you left us,
Are to us far better than gold,
The years going by cannot change them,
To us they will never grow old.
They'll be one of our life's greatest treasures,
Till God gives us that final command;
We, too, are just loaned and must answer,
For He has the whole world in his hands.

—Ever remembered by daughters, Irene, Marguerite, Jean and Madeline. 50p

THOMPSON — In loving memory of a dear husband, father and grandfather, Dalton Thompson, who passed away April 18, 1969.

His charming ways and smiling face
Are a pleasure to recall,
He had a kindly word for each
And died beloved by all.

50c —The Family

CASSELMAN—In loving memory of our beloved sons and brothers, Ronnie, who passed away April 14th, 1969, and Raymond, who passed away April 28, 1964.

Their lives are a beautiful memory,
Their deaths our silent grief,
They sleep in God's beautiful garden,
In the sunshine of perfect peace.
So we leave them in God's keeping,
The rough road safely o'er,
The dear ones we loved so well
Have only gone before.

—Ever remembered by Mother, Dad, Sister and Brother-in-law. 50p

Win Armstrong Memorial

Ed Boyd, Winchester Curling Club skip, captured the Omar Armstrong Memorial Trophy, at the Seigniory Club in weekend play.

This is the first year for the 'spiel commemorating the memory of Omar Armstrong and several Winchester couples competed.

Winning team is shown above left to right; John Cole, Ottawa, lead; George Berry, Ottawa, second; Marg Anderson, Winchester, third; J. A. Copeman, General Manager, Seigniory Club; and Ed. Boyd, Winchester, skip.

The bonspiel was played the weekend of April 4th and 5th.

South Carleton Fastball League Prepares For Season

Warmer days and longer evenings herald the approach of another ball season and South Carleton League President, Alf Taylor of North Gower has scheduled the organizational meeting for next Tuesday, April 21st, at North Gower.

Early reports from district clubs indicate most of last year's teams will be back in action with the possible exception of Stittsville.

Denzil Graham, Stittsville manager, although unable to give a definite answer, predicted fielding a team this season would not be possible.

Russell's manager, Keith Russell, explains that although Russell has entered a team in Senior City play, a team will also be playing in the South Carleton League.

There is distinct possibility two new clubs will be applying for entry in the league this year. Winchester Royals' coach Bob Porteous, although preferring to play in the Dundas League, may decide to make application to South Carleton. Another club, Chesterville, has expressed a desire to affiliate with the league that last year included Kemptville, Osgoode, Munster, Stittsville, Leitrim, Russell and Metcalfe.

Tuesday night's meeting will see the election of a new executive and definite plans mapped for the new season.

OPP REPORT

Ontario Provincial Police in Dundas County patrolled 13,668 miles while working 1,060 hours. During this time officers laid 52 charges and issued 79 warnings under the Highway Traffic Act of Ontario.

Officers from Morrisburg and Winchester Detachments investigated 3 thefts, 4 disturbances and 19 miscellaneous complaints. Eleven persons were charged under the Liquor Control Act of Ontario while 6 others were arrested and charged with impaired driving. Four persons were arrested in Winchester as a result of two stolen cars being recovered there.

Area highways were quiet with officers investigating 4 property damage accidents.

Provincial Judges Court was quiet with officers spending 8 hours in court while registering 39 convictions.

Motorists, you have until April 30, 1970 to remove studded tires.

ANGLERS AND HUNTERS

Show Concern About Pollution

At a Board of Directors' Meeting held in Toronto over the week-end, The Ontario Federation of Anglers and Hunters passed a resolution condemning the Government of Ontario for their negligence in permitting the present crises of mercury pollution of our waters.

The Federation reminds the Ontario Government that it and other concerned conservation organizations has for many years urged the enforcement of the allowable standards in regard to the discharge of effluents into our waters that have been set out by the Ontario Water Resources Commission.

It has been the unwillingness of the Government to enforce available pollution control legislation that has forced Ontario to now face a pollution crises that would have been largely prevented by responsible action.

The Federation insists that the people of Ontario be given immediate assurance that before chemicals such as mercury are allowed to be used by our industries that these standards will be enforced and industrial effluents be continually monitored and controlled so as to prevent future compromise of our environment.

Olympic Swimmer Dan Sherry Named O.D.E. Co-Ordinator

Dan Sherry, former Olympic, Pan American and British Empire Games competitor, has been appointed co-ordinator of the competitive swimming program offered by the Ontario Department of Education's youth and recreation branch.

Mr. Sherry, who set a world record in the 100-metre butterfly in the 1965 British Empire championships will work in cooperation with the Canadian Amateur Swimming Association on the two-year-old program. Mr. Sherry competed in the 1964 Olympics in Toyko, the British Empire Games in 1962 and in the Pan American Games the following year.

In the past two years more than 15,000 young swimmers from 50 Ontario communities competed under the program. It features local, regional and provincial swim meets. This year it has been expanded to include any community that desires to participate.

The program is designed to assist Ontario communities in providing oppoutunities for young people with the interest and ability to learn competitive swimming skills.

L YA WHAT SON . . . I WON'T DISCUSS YOUR "POT" IF YOU WON'T DISCUSS MINE!

EDITORIALS . . . *the way we see it!*

The Time Has Come . . .

If Winchester District Community Centre is to get a start this year definite answers are needed from Toronto now, not next July. Already this year two of the three main factors concerned with responsible town planning, as outlined in this newspaper at the beginning of the year, have received consideration, with the sewer system getting the green light to go ahead and the highway by-pass being slated for a 1971 start.

What of the Community Centre? The Ontario Municipal Board has stated eloquently in its report of the February hearing that the town is financially stable, that a minority opposition should not prohibit the adequate planning of a progressive community for tomorrow's citizens.

Town Solicitor Fred M. Cass has in his hands this week adequate proof that this village is indeed most interested in getting on with the job as soon as possible. This without the financial support of both Winchester and Mountain townships. Without the support of the latter two municipalities, and this is most unfortunate, Community Centre workers have revamped their plans for concentration on phase one. In short, this means much the same type of arena, minus the actual artificial ice plant. Certainly, we would hope that these two townships would reconsider their positions in the near future as it is this newspaper's belief that a great many citizens of both municipalities are, indeed, strongly in favour of the district Community Centre in Winchester.

The fact remains that the Centre will be built at the Community Park with or without the financial help of the neighbouring townships. And it is also a fact that when the new Centre is completed a great many of the users of the new facilities will originate from both Mountain and Winchester townships. Much the same situation as existed with the previous arena which served this district so well and for so long.

The petition last week had the backing of the Community Centre Board, the Building Fund Committee, the Chamber of Commerce and every other major organization in the village. It was signed individually and collectively, and it was endorsed by the council of this village. Add to this the efforts of town and district people in supporting the Fund Raising Committee. In one year the committee has raised almost $60,000 in cash. Quite an accomplishment! Are petitions, donations, cash projects and some good plain common sense to be ignored in Toronto? We doubt it. As the walrus said: "The time has come . . ."

Williamsburg Speaks Decisively

Last Wednesday's plebiscite in Williamburg township asked the voter to uphold or reject two questions under the Liquor Licence Act. The results proved convincing, decisive!

For both the serving of liquor with meals and in a licensed lounge the ratio in favour was almost identical . . . just over four to one. Twelve years ago the results from a similar plebiscite in the same township refused to support the questions. There really was little doubt about the outcome of last Wednesday's election. Prior to the day of the plebiscite there had been no formal committees planned either "for" or "against" the questions.

There was no real campaigning and publicity was limited to news items and single editorials supporting the move in the Cornwall Standard Freeholder and this newspaper. Seaway Valley Tourist Council also distributed mailing pieces to each household simply pointing out the necessity of offering more and better facilities to the travelling public.

In this plebiscite at least the bigotry, hypocrisy and the ill feeling between two distinct groups were missing. It's a good point in Williamsburg township's favour.

On the day of the election the faces of the voters did not reflect hate, suspicion, or deceit. The faces were pleasant, at ease, and full of friendship. People who had voted against similar questions twelve years ago came back to the polls this time and openly declared their change of direction. Others who may not have completely made up their minds for one or more personal reasons opted in favour of staying at home rather than cast a negative vote. The remaining voters, aware of the plebiscite's real importance, marked their approval in a convincing manner.

After the results were posted there was no big hoopla or celebration or condemnation. The township had spoken, and there was a general realization that it had spoken honestly and well.

The results mean simply that establishments meeting certain rigid regulations of the Liquor Licence Board may be in a position to offer these facilities in the near future. Even more significant is the role played by and the effects of the vote upon the St. Lawrence Parks Commission. Essentially the vote was called by the township at the request of the Parks Commission which felt that the liquor facilities mentioned in the two questions were needed. Had the questions been turned down the vote would have been not only against the proposed liquor facilities but against the Parks Commission.

In Williamsburg township, as across this entire area of the province, there is a great appreciation and respect for the St. Lawrence Parks Commission.

It was evident last Wednesday.

YOU CAN'T WIN 'EM ALL

by Bill Smiley

There's nothing like a little change at this time of year to pull you out of the doldrums. That's what my wife said when the school holidays were coming up. And she was right.

Most of our friends were going somewhere: Skiing, Florida, Jamaica, Mexico, South Carolina.

Family obligations and lack of cash vetoed anything like that, but she had a wonderful plan. My brother-in-law and family were going to Florida. They live in the city. We'd go to the city, stay at their place, saving a big hotel bill, take in a few shows, and step out to dinner a couple of times.

"It'll be just like home for you" says she. "You can take your exam papers and mark them, you won't have a care in the world, we'll have some fun, and it will be a nice change for you."

It was.

Our daughter was home for the weekend, but was going back to the city to stay in the grubby hole her friends rent. She wanted to take back her cat and kitten. She was prevailed upon to wait until midweek — when we were going down — for the animals' sake. First mistake.

Word got around among her friends. Second mistake. To cut it short, we left for the city with two cats, four teenagers, two big boxes of grub for Kim, enough clothes to go to Europe, and me in a surly mood.

Arrived at Kim's abode and carried up the food, only to discover that three teeny-boppers had beat her to it, and there wasn't room for her.

Took her back with us to brother-in-law's house, a handsome place indeed. Picked up the key from a neighbor, as arranged. Turned key in lock. It bent. Played with lock. Stomped on key with heel to straighten it out. Couldn't. Finally door swung open. Great relief.

Fumbled for lights, all located in wrong place. "Phew! This place stinks," said Kim. She was right. Dopey sister-in-law had not turned refrigerator off properly. Freezer was unfrozen, water all over floor, meat putrid.

Solid hour of mopping up, scrubbing out frig. All hope of hamburger gone out in garbage, rotten. Eventually, I made a mess of crumbled buns in a large tin of spaghetti sauce. It tasted like spaghetti sauce, which is pretty strong without spaghetti.

House was cold. Turned heat well up. Nothing happened. Steam heat. An hour later it was 80. Turned heat way down. Nothing happened. Steam.

Tried washing dishes. No hot water. Afraid to go out to show, or anything, because of faulty key. Might never get in again. Suggested: "Let's get the hell out of here and check in at a hotel." No takers. Too tired. Watched TV and went to bed.

Next day same thing. Hot water came on, for no reason, but wife and daughter bickered most of day, also for no reason. Had company. Sent out for food. Stayed up too late. Fell asleep. Awoke to great squabble and daughter leaving, with her cats. Persuaded her to settle down. Three a.m. and no buses running. She's not so dumb, and agreed.

Third day, worse. Freezing rain and snow outside, no food and raw nerves inside. My wife was right from the start. It was just like home. And my exam papers were still in the suitcase.

Finally took bull by horns and went out on town. Downtown packed with solid mob, barely moving traffic. Had beautiful dinner in crowded joint, after standing in line for half-hour. Hamburg for me, coffee for the girls, who weren't hungry from feminine perversity. At last, saw a one-hour revue, at 11 p.m. Home at 12.30 a.m.

Next day, took Kim down to her house, with cats. All food we'd brought for her was eaten.

Back to house. Wife slaving to clean up. I said: "I'm going home. Period!" For once, no argument. Home through blizzard. Stopped by cop. But, ah, that home sweet home. No cats, no kid.

There's nothing like a little change.

The Seventh Column

Williamsburg township voters gave definite answers to two controversial questions at last week's plebiscite and deserve congratulations for their stand. 81.5% said "Yes" and many undoubtedly will never have occasion to avail themselves of the popular luxury. What they said was simply this: "We, in Williamsburg, are mature adults capable of making decisions regarding our likes and dislikes without antiquated legislation to guide us."

If you are a farmer and have a friend who is a member of Winchester 100 Club . . . suggest you would like to be his guest at to-night's meeting (Thursday). Jim McCullough, Ontario Department of Agriculture and Food, here at Winchester, will be guest speaker and this is the annual occasion when Centurians entertain their rural friends. "Is Agriculture Causing Pollution?" will be the topic of Jim's talk and this should prove not only very timely but mighty interesting. Club secretary Ed Creaser reports Centurian Doug Keys will provide humorous entertainment — possibly home movies of some of the shots we saw him make at the curling rink during the winter.

Attended the "Wings" ceremony, sponsored by Golden Triangle Air Service, last Saturday night and was pleased to note a Winchester girl, Miss Elaine Summers, is now a licensed pilot. Reeve Ernie Burton brought the house down with his comment regarding the presentation of "wings" to his road superintendent. "Driving on our township roads is nearly impossible, this time of year," said the jovial chief executive, "but now our superintendent can fly over them to count the pot holes."

Competed in the Curl-O-Drome wind-up bonspiel last week-end and proudly report an enviable record of five wins and two losses. Played "lead" on the rink, and having been a skip for more years than we care to remember, noted many changes since our "lead" days of long ago. "Youngsters" who played with, or against us, in the days when the Christie Cups were the biggest challenge along the trophy trail, will be interested in the following notes, made as we crawled off the ice after the last game. (1) Blistered feet indicate ice lanes are now much longer. (2) Sore back sure sign stones much heavier than old style. (3) Aching arm muscles prove modern brooms far too heavy. We offer one suggestion for those who plan to curl next season: If you remember losing a Christie Cup game to Charlie Crober or W. J. Cass, and some skip asks you to play lead, tell him to go where exceedingly mild weather makes curling an impossibility.

K.C.A.T. Stages First Athletic Banquet

The Athletic Society of the Kemptville College of Agricultural Technology held its first Athletic Awards Banquet early in April.

Campbell MacGillivray, Alexandria, Athletic Society president, was chairman of the banquet and the major recipient of individual awards. Campbell received the most valuable player award for both soccer and broomball and the Athletic Society award as the student who contributed most to athletic activities. Campbell also earned his College letter in soccer.

Donna Stokes, of Lindsay, Athletic Society secretary, was the principal winner of laurels for the female athletes. Donna earned her College letter in softball, was chosen as the most valuable player for women's hockey, and received the Bob Kingston Memorial award as the best all-round athlete of the 1969-70 college year.

Dr. Ford Stinson, Principal of the College, remarked that he was very much in favor of the emphasis placed on intramural athletics and said he felt that anyone who availed himself of the College's athletic program was a winner.

Guest speakers for the banquet were Robert 'Bob' Simpson, a retired all-star offensive end for the Ottawa Rough Riders, Ken Lehman, a current lineman-of-the-year for the Rough Riders, and Lally Lalonde, public relations officer for the Rough Riders.

Lally spoke of many humerous incidents which had happened to him at different speaking engagements. Lally stressed the importance of an education in today's modern world, whether one wishes to be an athlete or not.

Bob Simpson and Kenny Leman told many amusing stories about their football experiences.

The banquet was concluded with the President, Campbell MacGillivray, thanking those who assisted him during his year as President of the Athletic Society.

Corn Planter Clinic Next Friday

On Friday, April 24th there will be a Corn Planter Clinic held in the Mechanics Building of the Kemptville College of Agricultural Technology, sponsored by the Carleton, Dundas and Grenville Soil and Crop Improvement Association.

The program begins at 10:45 a.m. with registration, followed by a presentation on Seed Sizing, Grading, Treatment and Packing, along with a presentation on research in corn planting and fertilizing. The afternoon session will include a panel discussion on operating a corn planter successfully, followed by a presentation on planter maintenance and adjustment. The session will close with a planter demonstration.

Corn growers are encouraged to attend this clinic as it will be very beneficial to them at seeding time.

Public Relations Important Phase In Forestry Program

Public relations is an important part of any Lands and Forests programme.

At Larose Forest Headquarters, public relations are promoted through forest tours, school programs and 4-H Forestry Clubs.

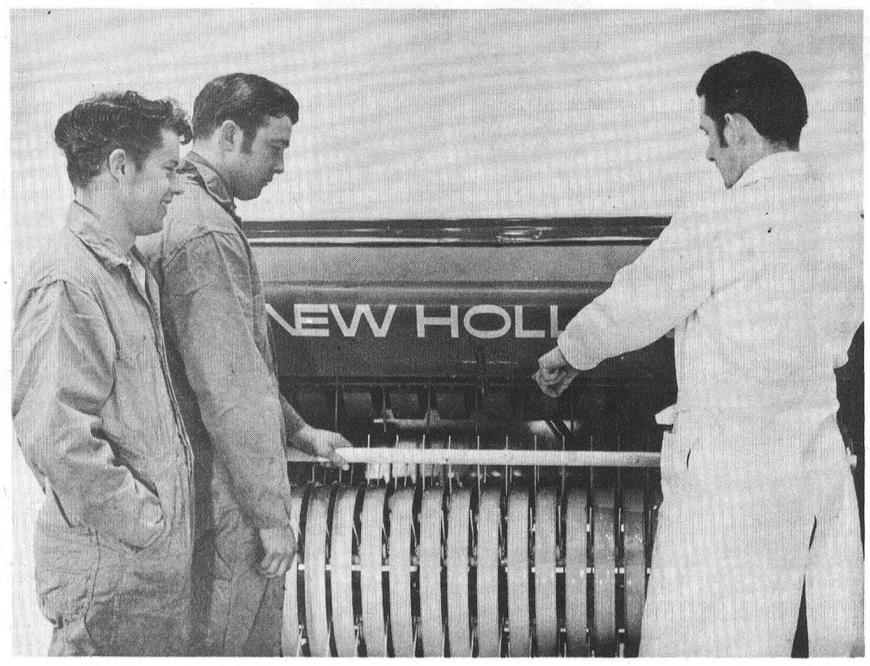
Most tours involve school groups, cub and scout packs or local municipal officials. Last summer a special tour was arranged for the North American Forestry Commission who were attending an international conference in Ottawa.

A typical tour begins with inspection of the building at the Larose Forest Headquarters and may be followed by a fire fighting demonstration by the nozzle crew. They are then given the 'Blue Line Tour' of the forest accompanied by a Forestry Technician who explains the various work programs and experiments. Often the tour is followed by an outdoor lunch at one of the picnic sites.

The school programme reaches about 2000 primary school students in twenty-three schools in the five eastern counties. School talks are based on fire prevention, wildlife and the importance of forestry as related to Eastern Ontario. Films related that these subjects give visual demonstrations and the students are encouraged to ask questions on any aspect of the subject.

In co-operation with the Department of Food and Agriculture, the Department of Lands and Forests gives members of the 4-H Forestry Clubs instruction in forestry, fish and wildlife, pollution, soils and the interrelationship between agriculture and the natural renewable resources. 4-H Forestry Clubs in Russell, Prescott and Stormont take at least two field trips a year and culminate their activities with display exhibits at Achievement Days or Fall Fairs.

Such programmes as these give young people an idea of the value of our natural renewable resources as applied to their local situations and often assist rural people in good woodlot management. Generally, they promote an interest and appreciation in Ontario's natural renewable resources and work towards proper management of them.



Area Servicemen Complete Course

William Cook, serviceman; and Maynard Coons, mechanic for Weagant Farm Supplies, have returned from a week-long training program at the New Holland Service Training Center at New Holland, Pennsylvania. While at the center they attended sessions in the service and repair of a wide variety of modern farm machinery. The instructors at the center are New Holland factory and service department experts and engineers.

Cook, who resides at Route 2, Brinston, Ontario, has been employed by Weagant Farm Supplies for 3 1/2 years. Coons, who resides in South Mountain, Ontario, has been employed by Weagant Farm Supplies for 8 1/2 years. Both men have extensive backgrounds in farming and mechanics.

The New Holland Service Training Center is one of the most modern training facilities in the nation for instructing dealer and company servicemen in farm machinery repairs. The company, which is observing its 75th anniversary this year is among the world's ten largest farm equipment manufacturers. Providing quick, efficient service to farmers during critical harvest times is one of the company's top priorities.

OMMB Represents 23,000 Farmers **Benefits Appear Satisfactory**

Industrial Milk Price Pool Now In Operation

Some 15,000 Ontario industrial milk producers have started shipping their milk under a price pooling system. The system administered by the Ontario Milk Marketing Board which represents more than 23,000 dairy farmers in the Province, has been in the development stages for the past three years. The 8,000-fluid milk producers have been marketing their milk under a comparable price pooling system since March 1, 1968.

Some of the long-term benefits from the new marketing system are to be higher average returns to industrial milk shippers, equitable treatment, more efficient transportation, assurance of accurate payment and a stronger producer position in the marketplace. The pool will also provide valuable data for long-range dairy policies.

The industrial milk pool will be based on a classified pricing system related to end-use, and a plant supply quota system.

The marketing system will integrate the Board's fluid milk marketing plan with milk marketing plan. Fluid shippers will be paid for Class I and II in relation to their quotas. Industrial milk from Group I Pool shippers will be sold in the remaining four end use classes and the receipts pooled for payment purposes between both pools.

All industrial shippers in Ontario will get the same gross return per cwt. for their milk, subject only to differentials for butterfat, quality and method of shipment. Producers will be paid by the Board on a monthly basis through a centralized computer system.

Plants using milk in the higher-priced classes will receive all they need. Plant supply quotas will ensure the remaining supply of milk is distributed equitably among the plants produciing the basic dairy products - butter, powder and cheddar cheese.

Transportation of industrial will come under Board control, leading eventually to least-cost transportation, including route reorganization. Transportation charges to producers will be pooled throughout Southern Ontario for bulk and also can shippers.

With the inauguration of the industrial milk price pool, the Ontario Milk Marketing Board has completed the development of a milk marketing system that sees all milk produced in the Province marketed for producers, by a producer marketing board. The Board will handle $260,000,000 of milk annually on behalf of producers.

Vernon Farmers Hear OFA Story

Approximately fifty farmers met at Club 31, Vernon, recently to hear the Ontario Federation of Agriculture story.

John Carley, fieldman for the OFA outlined the past performance and suggested future possibilities. Mr. Carley was assisted by Ossie Bowes, fieldman in Renfrew County.

Farmers voiced many questions concerning the Milk Marketing Board and appeared pleased by the assistance given by this body. The meeting was arranged by Carleton County Federation of Agriculture.

New! Lasso 4 for corn and soybeans

The most remarkable herbicide ever developed.

- Needs no incorporation.
- Lasso 4 will not damage your crops or ruin your rotation plans. After it has done its job it breaks down harmlessly in the soil.
- Lasso 4 by itself kills a wide variety of grasses in corn and soybeans.
- Lasso 4 mixed with Atrazine 80W controls both broadleaf weeds and grasses in corn.
- Lasso 4 gives excellent results with as little as 3/10-inch of rain, yet won't leach out with heavy rain.
- Lasso 4 works consistently in heavy and light soils and performs well regardless of organic matter.

Available from your local Co-op Farm Centre or your local Aero Fertilizer Blender.

For free descriptive literature on Lasso 4 and its use, write Monsanto Canada Limited, 425 St. Patrick St., LaSalle, P.Q.

SUPER-LASTIC TRACTOR TIRES
Non-Rot Du Pont NYLON Cord ... Lowest Prices

Designed for the best grip yet
Super-Lastic Nylon Tractor Tires are built in two grades to the same high standards as our truck tires. Bumps and impacts are all in a day's work to these extra-rugged tires, designed to withstand the roughest of operating conditions. Rear tire is molded in the 'open-centre' design that sheds earth as it grips. Many other sizes are available at equally low prices.

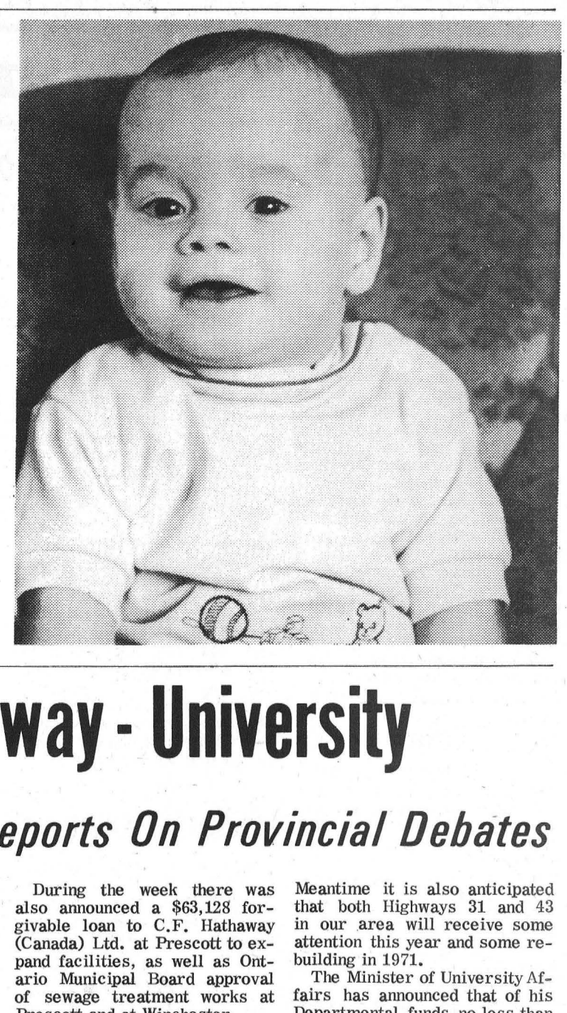
TODAY'S CHILD

BY HELEN ALLEN

Toronto Telegram Syndicate



Here is Eddie, a chuckling cherub of 10 months. He's a lovable baby, always good-natured and cheerful. He loves company and is accustomed to a lot of attention, and he isn't at all shy with strangers. Even getting his five teeth hasn't affected his disposition.

Eddie is a healthy, small-boned boy with dark grey eyes, brown hair and fair skin. He isn't crawling yet, but he's very mobile anyway, traveling in his walker or just rolling across the floor. A chatty baby, he doesn't seem to mind that nobody understands him. He is very responsible to music.

Little is known of Eddie's background, except that it is partly Anglo-Saxon. So this dear little boy needs parents who will love him for himself.

To inquire about adopting Eddie, please write to Today's Child, Department of Social and Family Services, Parliament Buildings, Toronto 182. For general adoption information ask your Children's Aid Society.

Fred M. Cass Reports On Provincial Debates

The first Departmental Estimates for the 1970/1 fiscal year, those of Tourism and Information, were debated at length and passed during the week. The outstanding item among the many facets of that Department's operations is undoubtedly the new Centennial Centre of Science and Technology. With Upper Canada Village in our area which depicts for us our past, the Science Centre, which illustrates the present and points into the future, has been visited by ever increasing numbers of our citizens young and old. It is a place anyone visiting our provincial capital should by no means miss - the reward for even a few hours' visit is worthwhile.

The House debated at some length the new Bill to provide for a re-organization of the body governing the legal profession - i.e., the lawyers guild known as the Law Society of Upper Canada. The new law sets out in statute many of the duties, rights and responsibilities of the profession and its governing body which have grown up over the last two centuries and from custom alone have been observed. In addition it provides for lay representation which is an innovation in keeping with our times when everyone is an expert on everything.

The Minister of Financial and Commercial Affairs announced that already more than 250 municipalities in Ontario have licensed religious and charitable lotteries under the new provisions in the Criminal Code of Canada. This new law and licensing procedure is a great improvement over the previous state of affairs, ensuring as they do that sponsors of, as well as participants in, bingo games, raffles and such like will not have the former uncertain and fearful problem of hoping the effort would not be checked by the authorities.

During the week there was also announced a $63,128 forgivable loan to C.F. Hathaway (Canada) Ltd. at Prescott to expand facilities, as well as Ontario Municipal Board approval of sewage treatment works at Prescott and at Winchester.

Progress on Freeway #416 from Prescott to Ottawa also appears certain as more contracts in the Spencerville area have been called and others are expected to be outlined in the Highways Departmental Estimates when they are presented.

Meantime it is also anticipated that both Highways 31 and 43 in our area will receive some attention this year and some rebuilding in 1971.

The Minister of University Affairs has announced that of his Departmental funds no less than $420 million will be spent for support programs for our universities - being some $315 million for operating grants, $43 million for student grants and fellowships, $12 million for university programs and the remainder for capital and administrative costs and related costs.

Mr. and Mrs. Samuel Cowan and family of Prescott were supper visitors at the home of Mrs. Mary Gilmer and Mr. and Mrs. Hilliard Gilmer.

Sorry to report that Mr. Gerald Morrow and family had their home destroyed by fire on Wednesday night. The fire engine was called from South Mountain but was unable to get the fire out.

Mr. and Mrs. Earl Gilmer were callers at Williamsburg and Winchester on Tuesday afternoon.

Mr. David Corker spent Saturday evening at the home of Mr. and Mrs. Gordon Gilmer of Shanly.

Mr. and Mrs. Lee Kennedy visited Mr. and Mrs. Robert Carlyle and Mrs. Martha Menuier of Winchester on Tuesday afternoon.

Mr. Garnet Sears spent Tuesday afternoon and had supper at the home of Mr. and Mrs. David Gilmer.

Mr. and Mrs. Ken Hunter spent Wednesday evening at the home of Mr. and Mrs. Pat Thibert, Steven and Douglas.

Mr. and Mrs. David Gilmer, Messrs. Gordon, David Corker spent Wednesday afternoon and were supper visitors of Mrs. Jane Blaire, Mr. and Mrs. Rae Merkley.

Messrs. Dwight Gilmer, Carl Sears attended the machinery demonstration held at the Coliseum in Ottawa on Wednesday.

TAX TIPS

TYPICAL QUESTIONS AND ANSWERS

Q. I've heard a lot about the registration of Charitable Organizations for income tax purposes. As a donor to some charities, what should I know about this?

A. Canadian Charitable Organizations issuing receipts for income tax purposes must be registered, and all receipts issued for donations must show the registration number of the organization. If you have received a receipt which doesn't show this number, you should get in touch with the organization and obtain a proper receipt.

Q. How do I report rental income when filing my income tax return?

A. Rental income should be reported in the space provided on Page 2 of the T1 General return. You should attach a separate statement of rental income and expenses to the return. Allowable expenses would include such things as mortgage interest, fire insurance, municipal taxes and repairs paid on the property as well as capital cost allowances. Your District Taxation Office will be glad to help you with your claim for deductions.

Q. I am a garage mechanic and have to provide my own tools. These cost me $500. When completing my income tax return can I claim this expense as a deduction?

A. No. The cost of tools is not deductible from salary or wages.

Q. My wife is working and earned over $1,250 in 1969. I know I can't claim the married exemption of $1,000 on my income tax form on her behalf, but can I claim this $1,000 on behalf of our child instead?

A. No. The $1,000 exemption for support of a child may only be claimed by a person who is not married, or if married, is separated from and not supporting his wife.

Q. My nephew, aged 17, came to live with me last year when his parents were killed in an accident. Although I have not been appointed as his legal guardian and no papers have been signed he is totally dependent on me. Can I claim him as a dependant on my income tax form.

A. Yes. The fact that you have not been appointed his legal guardian would not bar you from claiming your nephew as a dependant if he otherwise qualified.

Q. What should I do about my income tax return if my address has changed since last year?

A. If your name or address is now different, be sure to make the necessary changes on your income tax return and do this in the 'correction' area immediately below the label. Also be sure it is labelled return that you send to the Data Centre. If your address has changed since filing and you have claimed a refund on your tax return, write to your district taxation office informing them of the change. Many refund cheques are delayed each year as a result of taxpayers changing their address after filing.

Q. My wife has an income of more than $1,250 so I cannot claim her as a dependant. Should I show my marital status as single?

A. No. You should report your status as married with a wife having income of more than $1,250, but you still may not claim either the married or equivalent exemption.

Q. I am a student at University and I have a part-time job which becomes a full-time job during the summer months. My income is over $950 a year and therefore my father cannot claim me on his income tax form as a dependant. I pay for my own tuition fees out of my earnings and understand that I can deduct these fees from my income for taxation purposes. If I do this my income will be reduced to under $950. Does this mean that my father can then claim me as a dependant.

A. Yes. If your father supported you during the year and your income after deducting your tuition fees was less than $950 he would be entitled to claim you as a dependant.

Q. My daughter goes to university. I pay her tuition fees of $600.00. She has no income, and therefore has no income tax return on which to claim this expense. Rather than let this deduction lapse, can I claim it on my return?

A. No. The tuition fees you paid for your daughter are deductible only by her, regardless of whether or not she can take advantage of the deduction.

Q. I supported my 20 year old daughter until she became married in June, 1969. She had no income before or after marriage. Who can claim an income tax exemption for her?

A. You may claim an exemption of $550 for your daughter and her husband may claim an exemption of $1,000 for her because after marriage he supported her.

Q. I receive as part of my income the United States Social Security Pension. Do I have to include this as part of my taxable income in Canada?

A. Yes. The United States Social Security Pension forms part of your taxable income in Canada.

Q. I am a student with a summer job, and I have signed the certificate of Form TD1 to claim income tax exemption. Must my employer deduct Canada Pension Plan contributions from my wages?

A. Yes. Your employer must deduct pension plan contributions if you are 18 or over and earning more than the basic exemption applicable to the pay period. The TD1 form has no direct application to the Canada Pension Plan.

Q. I rent one of my rooms to a university student. Does my husband have to report this rental income on his tax return?

A. There are several factors to be taken into consideration and your should consult with your District Taxation Office.

Q. My child became 16 during the year and I received Family Allowance for the first part of the year. On my income tax return can I claim the full $550? Do I have to repay the Family Allowance to do this?

A. You can claim the $550 exemption for a child who reached 16 years of age at any time during the year. The amount of Family Allowances received does not have to be repaid in order to claim the exemption.

Spring Is Here — OPP Report

Prepare For Open Water

Spring is here and even though winter may attempt to hang on with a few more blustering snowstorms, it is time to prepare for open water and warmer weather.

The early fishermen will soon be making plans for their first fishing trips of the season. The big hazard for those early spring fishermen never changes; it is always the same - cold water. The icy water of early spring is a deadly killer for the unwary fisherman who accidentally falls overboard. It is the same story year after year and no matter how often people are warned of this hazard, the same cold water drowning tragedies occur as soon as the ice leaves the lakes and rivers. The following are a few simple rules to follow on the first open-water fishing trip of the season:

1. Stay out of canoes until the water warms up to swimming temperatures.
2. Never stand up in a small light boat for any purpose - keep seated while on open water.
3. Wear a government-approved lifejacket in good conditon every time you go out in a boat.
4. Keep your loads light - half the usual load for the summer season.
5. Watch the weather. Spring storms can be vicious and sudden.

Ontario Provincial Police in Dundas County patrolled 11,757 miles while working 913 hours. During this time, officers laid 68 charges and issued 70 warnings under the Highway Traffic Act of Ontario.

Officers from Morrisburg and Winchester Detachments investigated 5 thefts, 1 break and enter and 30 miscellaneous complaints. Eight persons were charged under the Liquor Control Act of Ontario while 2 other persons were charged with theft.

Officers investigated 6 property damage accidents and 2 personal injury accidents in which 2 persons received miner injuries. One person was fatally injured.

Provincial Judges Court was quiet with officers spending 6 hours in court while registering 25 convictions.

Two years from now a 1970 Buick Skylark should be a little newer than most other cars.

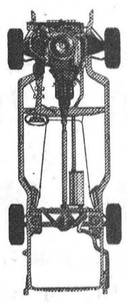
All Buicks are built that way. To last. To look new longer and act new longer. Buicks are built to keep their value longer. To be worth more to you today. And to be worth more to you tomorrow. Buick value is lasting value. All Buicks are built that way.

Every Buick Skylark has a semi-closed cooling system. It should never overheat. A Buick exclusive. Every Buick Skylark has vented rocker panels. They keep themselves dry, to protect against corrosion.

Every Buick Skylark has bias-belted tires. For improved traction during braking, cornering and acceleration.

Every Skylark equipped with a V8 engine has been equipped with a unique time-modulated choke control. For faster, easier starting. It's another Buick exclusive.

Every Buick Skylark has a steel guard beam in each door for added strength and security.



Every Buick Skylark has a drive train that has been balanced right on the car. Every vibration possible is tuned out. Every Buick Skylark has self adjusting brakes. Every extra mile possible is built in. Every Buick Skylark has been checked and rechecked. By man. By computer. To be as flawless as possible.

Every Buick Skylark has standard equipment that includes a radio antenna concealed in the windshield. An instrument panel designed for convenience as well as looks. Wide six-inch wheel rims. A choice of available engines that includes a 350-cubic-inch V8 with 4-barrel carburetion that runs on regular gas. A dual master cylinder brake system. And dozens of other items. Every Buick Skylark has a quality Buick dealership behind it. Filled with facts about Buicks and Buick value. Filled with men ready and waiting to help you. Every Buick Skylark is a bargain.
