W. M. S. Presbyterial Met In Winchester

"Advance For Christ" was Theme of Meeting. Rev. Col. J. Logan Vencta Delivers Stirring Address: "In This Sign, Conquer."

The Thirty-Second Meeting of the Brockville Presbyterial of the Women's Missionary Society of the Presbyterian Church in Canada was held in St. Paul's Presbyterian Church, Winchester, on Thursday, May 9th, 1946, with morning and afternoon sessions, the theme being: "Advance for Christ."

Opening the morning session with the National Anthem and a psalm of praise, Miss Evelyn Walker, Winchester Springs, recently graduated deaconess, led in a service of meditation, followed with prayer by Mrs. I. P. McIntosh, also of Winchester Springs.

Cordial words of welcome were extended by Mrs. J. G. Wilson, of Winchester, to which Mrs. D. M. Morrison, Kemptville, fittingly replied. Heartfelt and sincere greetings for the members in session were voiced in a letter from Mrs. W. D. Turner, of Hillsburgh, a former president. All present were asked to sign a special guest book, hand painted and presented to Winchester Auxiliary by Miss E. Gardner.

Much helpful information was gained from a programme centred about two questions, the basis for a discussion period: 1. What are Minutes? led by Mrs. C. Smith, Cardinal, 2. What is a Secretary? led by Mrs. C. Robertson, Mrs. D. M. Morrison and Mrs. R. D. Ledgerwood.

The session closed with a hymn, and prayer by Mrs. Harold Graham, of South Mountain.

The ladies of St. Paul's Church entertained visiting delegates and members of Presbytery to a delicious dinner, after which guests from the sister churches brought greetings and extended thanks to the Winchester ladies.

The afternoon session opened with a season of prayer, led by Mrs. A. Killen, of South Mountain, followed by the service of worship by Morewood Auxiliary, Scripture reading by Mrs. Hunter and prayer by Mrs. C. MacGregor. Mrs. R. D. Ledgerwood, corresponding secretary, conducted a roll call of groups present, and Mrs. C. Smith, financial secretary, presented a financial statement up-to-date.

Presbytery joined with the ladies, and Rev. W. MacKinnon, of Winchester, the Moderator, brought greetings to the Presbyterial, wishing them continued success in their missionary task. A special offering was dedicated by Rev. W. Fitzsimmons, of Cardinal.

Rev. N. McLeod, Brockville, very ably introduced the guest speaker, Rev. Col. J. Logan Vencta, M.A., O.B.E., Principal Chaplain of National Defense, as a most distinguished servant of the Presbyterian Church, to which he had brought high honors in the chaplaincy service.

Col. Vencta took as his subject, the motto each soldier wears, "In this sign, conquer." He, as one of seventy-seven chaplains of all denominations, was sent with the Canadian Army to Sicily, then proceeding to Italy, with their first job to break the Hitler line. An army on the march is out to destroy life, not to save it, so the chaplain's task is the most difficult. His greatest adventure resulted from a conference of sixty-six chaplains he called together to plan a one-day church membership school in Italy, within fourteen days before the Gothic Line was broken. With a camp site, forty-eight vehicles and three days' ration secured, as well as leave for all who could attend, four hundred and eight-five men presented themselves for instruction. The adventure ended with one hundred and fifty-three presenting themselves for confirmation in the Anglican Church, one hundred and twenty-three into the United Church, 75 into the Presbyterian Church, 35 into the Baptist and 25 into the Lutheran. As a result, church membership schools were begun—three on the continent and another, the best, in England, with Rev. F. Goforth as its dean. How proud we should be of our church boys—the Presbyterian Church stood highest in the awards. The speaker said he believed God was giving us the last opportunity to witness for Him. Let us submit our plans to Him and consecrate our lives and talents anew to His service in the "Advance for Christ."

Words of appreciation to the speaker were voiced most graciously by Mrs. C. Smith.

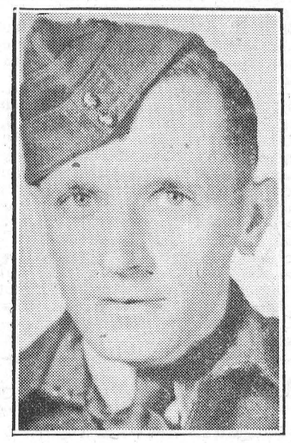
The Agnes Glassford Young Women's Auxiliary paid tribute to their faithful president, Mrs. A. G. Suffel, in an address read by Mrs. H. Wilson and the presentation of an Honorary Life Membership by Mrs. W. MacKinnon, to which Mrs. Suffel most fittingly replied.

A hymn of remembrance and prayer by Mrs. T. C. Ross, Iroquois, honored those who had served in past years and passed on to join that great host of witnesses. A beautiful basket of flowers placed on the Communion Table by Miss Mary Empey bore silent tribute to her mother's memory.

A hymn and closing prayer by Mrs. D. M. Morrison concluded the Presbyterial meeting.

The Agnes Glassford Auxiliary served afternoon tea to the departing guests.

BACK FROM OVERSEAS



Lieut. Sparling Dukelow, brother of Mr. Arnold Dukelow, was among the service personnel to reach Halifax this week aboard the Ile de France. He had been overseas for several months.

CHILD INJURED WHEN STRUCK BY CAR

Little Karen Johansen, 2 years old, only chlid of Mr. and Mrs. Paul Johansen, Mountain Township, suffered a compound fracture to her right leg and severe injuries to her other limb, when she was struck by her father's car, as he was backing it out of the garage, preparatory to coming to Winchester, on Tuesday evening. The father was unaware that the child had come out of the house. It is not believed, however, that the car ran over her limbs, but they were severely injured.

The child was attended by Dr. H. S. Gross and later taken to the Ottawa Civic Hospital, where she will be confined for several weeks.

DOCTOR TO LOCATE IN WINCHESTER

A medical doctor, whose name is not immediately available, will open a practice in Winchester about June 1st. The physician, who is a young married man, returned from overseas recently. He has reserved living quarters at the home of Mr. and Mrs. Wm. Johnston and will use the Red Cross Room, over the Royal Bank, as an office for the present.

Another young doctor is also looking for office space in Winchester and it is expected accommodation will be found for him in the near future, according to information given to the Press this week.

NOTICE TO EX-SERVICE PERSONNEL

As the lack of adequate housing facilities for ex-service personnel is particularly acute within the larger area of general housing shortages, the Rehabilitation Branch, "C" District, Department of Veterans Affairs, requires a comprehensive picture of this need in terms of the number of individual cases of veterans who are not properly quartered at the present time.

All ex-service personnel in this district, who lack adequate living quarters, are requested to notify the undersigned at once, so that the survey can be completed and some measure of relief taken. Your cooperation in this matter will be greatly appreciated.

Dundas-Grenville Presbyterial Met At Spencerville

With Mrs. C. R. Wilson, Easton's Corners, presiding, and 275 delegates in attendance, the twentieth annual meeting of the Dundas-Grenville Presbyterial of the Women's Missionary Society, United Church of Canada, was held in the United Church, Spencerville, on Friday, May 11th. The theme of the conference was: "The Crusade for Christ and His Kingdom."

Mrs. Wm. Cleary, President of the hostess auxiliary, extended a hearty welcome to the visiting delegates. Mrs. W. H. Fairbairn, Spencerville, presided at the piano for all sessions.

Successful and encouraging reports were given by the various secretaries of departments, and the treasurer's statement showed a total of $8,865.00 raised, which was an increase of $727.00 over the amount sent the Branch Treasurer the previous year. 41 auxiliaries reported a total membership of 1,205, an increase of 51 over 1944.

The morning devotional period was conducted by Crystal Rock and Ventnor Auxiliaries, and the afternoon by Reid's Mills and Hallville Auxiliaries. Mrs. Oscar Wallace, Winchester, gave a talk on Intercessory Prayer at the morning session.

Mrs. George Carlyle, Reid's Mills, conducted an impressive Memorial Service in memory of the 21 members who had passed away since the last annual meeting. Mrs. R. Boyle, Kemptville, sang a solo, accompanied at the piano by Miss Laura Todd. A bouquet of daffodils was presented on behalf of the Spencerville Auxiliary. Mrs. L. M. Sommerville, Spencerville, Literature Secretary, had a fine display of the many books and pamphlets available for use in connection with Mission study, and gave some highlights of the newer books and the Reading Course.

As the noon hour approached, business was forgotten as members gathered at the Lord's table in Communion; this service was conducted by Rev. L. M. Somerville, assisted by Rev. G. A. Beatty, Hallville; Rev. E. Brownlee, Easton's Corners, and Rev. W. E. Wright, Chesterville.

Lunch and supper were served in the dining room of the church, which was prettily decorated with baskets of blossoms and the tables were arranged with bowls of spring flowers. Greetings were brought from the Presbyterian Church by Mrs. Smail and from the Presbytery by Rev. W. E. Wright, in the absence of Rev. G. A. Beatty. Rev. R. G. Newman, of Elma, and Rev. J. B. Adams, Oxford Mills, spoke briefly. Mrs. Ivan Hawkshaw, Ottawa, extended greetings from the Ottawa Presbyterial, of which she is President. Mrs. N. J. Thomas, Winchester, reporting for the Courtesy Committee, gave hearty thanks to the officials of the church, guest speakers, and all who contributed to the success of the Presbyterial.

During the afternoon session, Group Conferences were held and findings reported to the assembled delegates. Mrs. W. S. L. Merrill, Morrisburg, gave her report on the School for Leaders, held annually at Edgehill, Morrisburg, and reported that the dates this year will be September 9 to 14. Mrs. A. Moorhouse, Mountain, presented fourteen Mission Band awards, and Spencerville Mission Band delighted the audience with a chorus, accompanied by Lorraine Somerville at the piano. Miss Christine McDougall, Ottawa, Missionary of the Woman's Missionary Society, was present nad spoke briefly during the afternoon. Mrs. N. J. Thomas gave the closing thoughts.

The guest speaker was Mrs. G. Ernest Forbes, editor of the Missionary Monthly and a past president of Dominion Board, who gave a thought-provoking and inspiring address in the afternoon on the subject "This is the Time." In the course of her remarks she told her hearers that now is the time for Christian people to tackle problems seemingly unsurmountable and as Christians we should have no doubts and realize our tasks and responsibilities. We are challenged by our Church in the Crusade for Christ to re-dedicate ourselves to Service—our youth challenges us today for leadership—people of other nationalities challenge us to tear out of our hearts and minds racial prejudices that are barriers to the progress of Christianity in Canada. In the evening, Mrs. Forbes took as her subject, "High Lights," and told several incidents which she considered highlights in the work of the Woman's Missionary Society in Canada and on foreign stations.

Miss Ellice Smith, Morewood, presented the slate of officers for 1946-47. After election by a ballot, Mrs. Forbes installed the following executive:

Past President, Mrs. C. R. Wilson, Easton's Corners; President, Mrs. W. E. Wright, Chesterville; Vice Presidents, Mrs. Arnold Dulmage, Kemptville; Mrs. H. E. Reddick, Morrisburg; Mrs. J. S. Saunders, Prescott; Mrs. W. Acil Hanson, Brinston; Rec. Secretary, Mrs. H. VanAllen, Iroquois; Corresponding Secretary., Mrs. Oscar Wallace, Winchester; Treasurer, Mrs. Earl Brown, Spencerville.

Secretaries of Departments—Christian Stewardship and Finance, Mrs. Roley Maitland, Jasper; Mission Circles, Mrs. V. Buchanan, South Mountain; Affiliated C. G. I. T., Mrs. Alfred Byrd, Mountain; Mission Bands, Mrs. A. Moorehouse, Mountain; Baby Bands, Mrs. Lyall Hess, Kemptville; Associate Members, Miss Ellice Smith, Morewood; Supply, Mrs. Fred Cleary, Spencerville; Assistant Supply, Mrs. Clifford Robertson; Community Friendship, Mrs. Hugh Adams, Prescott; Literature and Press, Mrs. L. M. Somerville, Spencerville; Missionary Monthly and World Friends, Mrs. Russell Crowder, Mountain; Temperance and Christian Citizenship, Mrs. E. H. Mills, Spencerville; Intercessory Prayer, Mrs. P. Cumming, Mountain; Candidate Adviser, Mrs. J. B. Adams, Oxford Mills; Member without Portfolio, Mrs. George Carlyle, Mountain.

An invitation from South Mountain to hold the 1947 Presbyterial in the United Church there was accepted by the President, and Rev. L. M. Somerville closed the day's sessions with the Benediction.

IN MEMORIAM—In loving memory of our dear son, Flight Sgt. Earl Empey, who paid the supreme sacrifice in Europe on May 13th, 1944.

In our hearts we miss you so,
Often, our darling, our tears will flow,
Dimming your picture before our eyes,
But never the one in our hearts that lies.
The stars seem dim as we whisper low,
Our darling boy, we miss you so.

"Mothers' Day" Services Held In All Local Churches On Sunday Last

Special Mother's Day Services were held in all local Churches on Sunday morning last.

In the Baptist Church the Sunday School and church services were combined in a special Mother's Day programme, prepared by the O. R. E. C. A Pageant, "The Spirit of Motherhood," was put on by ten ladies, characterizing the mothers of some of the great men of the Bible from Eve, the mother of us all, to Mary, mother of Jesus. The new pastor, Mr. Clifford McLaughlan, was introduced by Mr. Ewart Carkner, and brought a message stressing the love and devotion of mother, and our responsibility in returning that love and loyalty to her.

In St. Paul's Presbyterian Church, the Sunday School and regular church service were also combined and the regular "Mother's Day Order of Service" was followed throughout. Special music was rendered by the Junior Choir, with Miss Clara Irving as director, while an appropriate solo was sung by Ronald Workman. The pastor, Rev. Wallace MacKinnon, delivered a very interesting sermon on the theme "Mother." The basket of flowers which adorned the front of the church was placed there by Miss Mary Empey, in memory of her mother.

The O. R. E. C. Order of Service was carried out at the United Church with the Sunday School Superintendent, Mr. Willis Robinson, presiding, assisted by the Minister, Rev. N. J. Thomas, who delivered a brief sermon.

Both the Senior and Junior Choirs led in the singing. Two special anthems were rendered by the Junior Choir, with Reggie Fetterly and Kenneth S. Thomas taking a duet part in the first, and Miss June Rowat and Miss Gwen Thomas a duet in the second. Miss Rowat also gave a reading, and Miss Christine Stewart told an interesting Mother's Day story. The Scriptures were read by Harry Keyes. The musical program was arranged and directed by Mr. Ray Hopknis, and added much to the enjoyment of the service.

During the service, the following children were baptized: Linda Agnes Dawley, daughter of Mr. and Mrs. Dwight Dawley; Judith Marlene Cinnamon, daughter of Mr. and Mrs. Wallace Cinnamon; Jan Marilyn Robinson, daughter of Mr. and Mrs. Willis Robinson; George William Baker, son of Mr. and Mrs. Garfield Baker; John Harold Link, son of Mr. and Mrs. Harold Link; Donald Willis Franklin Cross, son of Mr. and Mrs. Willis Cross; Terence Walter Dawson, son of Mr. and Mrs. Byron Dawson; Patricia Dawn Lannin and Sandra Jane Lannin, daughters of Mr. and Mrs. Dwight Lannin.

Other children baptized during the afternoon by Rev. Mr. Thomas were: Dorothy Patricia Willard, daughter of Mr. and Mrs. Howard Willard; Virginia Veryl Marie Merkley, daughter of Mr. and Mrs. Dalton Merkley, and Ruth Marilyn Docksteader, daughter of Mr. and Mrs. Nelson Docksteader.

Hydro Employee Injured By Fall

Mr. Herbert Allen, a member of the local Hydro Service Staff, is a patient in the Ottawa Civic Hospital, suffering from a severe injury to his back. Mr. Allen received the injury while at work trimming trees near Winchester, on Thursday last. He was standing on, what looked to be, a sound branch, sawing a branch above him, when the limb broke and carried him to the ground, about fifteen feet below. He was attended by Dr. H. S. Gross, and later taken to the Civic Hospital where an X-ray examination revealed that one of the vertebrae in his spinal column was crushed and another severely bruised. It is expected he will be placed in a cast and will be laid up for several weeks.

Scout-Cub Banquet Greatly Enjoyed

Hotel Winchester was the scene of a very enjoyable gathering on Friday evening last when the local troupe of Boy Scouts and Wolf Cubs entertained their parents and a number of guests at their annual banquet. Among the guests were the following representatives of local organizations: Reeve Walter MacDonald, the Council; Mr. W. J. Cass, High School Board; Mr. Howard Fetterly, Public School Board; Centurian F. Erle Helmer, the 100 Club; Mr. Jas. Crawford, L.O.L. No. 862; Mr. E. R. Summers, the local branch of the Legion; Rev. Norman Thomas, United Church; Rev. Wallace MacKinnon, St. Paul's Church, and Rev. D. W. Summers, of the Wesleyan Church.

Mr. Walter Moffat, Chairman of the Citizens' Scout Committee, presided during the evening, while Mrs. Howard Fetterly was the accompanist for community singing.

After extending a welcome to the guests, Mr. Moffat called on a number of men for brief addresses.

Reeve Walter MacDonald was the first speaker and expressed his admiration for the progress the Scout Movement was making in Winchester. He wished it continued success and complimented the men who were devoting their time to youth training.

Scout Master Raymond Summers reported on the progress of the troupe and extended thanks to Rev. Mr. Thomas and Mr. Gordon Rice for the assistance they had given him throughout the year, and to the School Board for the use of the Public School Assembly Hall. During his remarks he called upon several of the Scouts to repeat the Scout Law.

Cub Master Arnold Dukelow, during his remarks, extended thanks to Mrs. Ed. Libera for the valuable assistance she had given him in training the Cubs. He also expressed appreciation to Mrs. Howard Fetterly and Mrs. H. G. Graham for the interest they had shown in Cub work. He then called upon the Cubs to show the results of some of the training they had received from Mrs. Libera. This consisted of several choral numbers, which were greatly enjoyed. Mrs. Libera directed them, with Mrs. Howard Fetterly presiding at the piano.

The chairman then called upon Mr. Gordon Rice, the Scout Secretary-Treasurer, for the financial report. Mr. Rice expressed thanks to all who had donated towards the Scout Fund during the year, and to Mr. Alva Alexander for the use of storing space for old newspapers.

The election of the Scouts' Citizen Committee then took place. As announced by the chairman, it had been decided that two members of the committee would be retired each year and two new ones elected. This year Messrs. Walter Moffat and Alex Davidson retired, and Dr. W. A. Sherwood and Mr. J. E. Woods were appointed to succeed them. Other members of the Committee are: Mr. Alva Alexander, chairman; Mr. W. J. L. Boyd, Mr. Gordon Rice and Rev. N. J. Thomas.

The guest speaker for the evening was Scout Commissioner A. L. Jackson, of Toronto. He delivered a very interesting address on Scouting, and recited several instances where great men had put their Scout training to practical use in later years. He urged the boys to live up to the Scout Law, and asked the parents to encourage the boys in their Scout Work.

Commissioner Jackson was thanked on behalf of those present by Mr. W. J. L. Boyd, after which the meeting closed with the National Anthem.

Those who work overtime are seldom overdrawn.

If you feel a cold coming on, go and see your doctor and get it off your chest.

It was not the coal man who said, "I like everything about spring except the late frosts."

Other Editors' Opinions

TROUBLE IS RIGHT!

(Brockville Recorder & Times)

Haven't we trouble enough on our hands already without having to go through another general election campaign such as has been suggested as an outgrowth of the failure of the Dominion- Provincial conference?

FOOD AND PEACE

(Kelowna (B. C.) Courier)

The less we throw in our garbage cans, the less we leave on our plates, the more we can ship to Europe, the greater the chance of achieving peace and stability. From a humane view, our duty is clear. Psychologically, the necessity is obvious.

ENCOURAGING ROBBERIES!

(Prescott Journal)

Did you know that our policemen, in making the rounds each night, have to try over 200 doors in the business section between East and St. Lawrence Streets each night, and have found as many as a dozen doors, front or back, left unlocked in a single night!

WHAT "BUSY" MEANS

(Farmer's Advocate)

City people complain of being busy, but few of them know what "busy" means. The dictionary ought to explain that the word is reserved for the farmer without any help who is putting in the spring crop, doing all the chores and acting as midwife to a herd of cows, a flock of sheep, a sow or two and an incubator.

THE INSTITUTES

(Cornwall Standard-Freeholder)

The suggestion and advice of the Women's Institutes carry a great deal of weight in official circles, and well they might. These institutes are the voice of a very powerful element in our national life—the women on the farms. They have been responsible for the development of many things, principally the advancement of courses and instruction for young women whose homes are in the rural areas. But probably their most important function is their work as the focal point in their own community endeavours.

GROCERS WANT NO BEER SALES

(Ottawa Citizen)

The majority of Ontario grocers are not in favour of the sale of beer through grocery stores, according to a survey conducted by the Canadian Grocer, national food trade publication.

The survey showed 63 per cent. against such sale, disapproval being based on the opinion that grocery store distribution of beer might be permissible in Quebec, but in Ontario it would interfere with the regular grocery trade and would not meet with the approval of customers.

Those in favor of sale felt that freer distribution would correct the evils they felt existed in the present beverage rooms, and lead to more "sensible drinking" provided adequate government supervision was imposed.

MOUNTAIN CALF CLUB

An organization meeting was held in the South Mountain High School on Monday, May 6th, 1946, at 8 p.m., for the purpose of organizing a new Calf Club in the County of Dundas to be known as the Mountain Calf Club. This meeting was very well attended and the Directors of the sponsoring body of the Mountain Agricultural Society have played no small part in making this meeting a very enthusiastic one.

It was gratifying to see so many boys sign application forms to participate in the project for 1946. As a means of recognition for their enthusiasm, the Directors of the Agricultural Society served the boys with refreshments following the meeting.

The Agricultural Representative, Mr. H. W. Graham, Morrisburg, outlined very fully the rules and regulations and the objects of such a project. Others who addressed the meeting were the President, Mr. Arnold Gilroy, of the Agricultural Society, and the secretary. Mr. Robert Robinson.

The election of officers resulted as follows:—President, Keith Fawcett, Winchester; Vice President, Carl Gilroy, South Mountain; Secretary-Treasurer, Donald Mulholland, South Mountain; Club Leader, Harold McMenomy, Inkerman.

The Club Leader, Mr. McMenomy, in the capacity of President of the Dundas Holstein Breeders' Association and also as Leader of the Club, encouraged the boys in his few well chosen words.

Monthly meetings on the first Wednesday of every month beginning June 5th, 1946, were decided upon. The first meeting is to be held at the home of Mr. and Mrs. Gordon Mulholland, South Mountain.

The Mountain Agricultural Society, the sponsoring body, provide one-third of the prize money, and the Federal and Provincial Departments of Agriculture make up the other two-thirds in the way of grants.

It is expected that there will be other members sign up before the applications are forwarded to the Head Office.

BIBLE QUESTIONS ANSWERED BY THE VOICE of PROPHECY

INTERNATIONAL BIBLE BROADCASTER

Question—Does anybody actually KNOW that Christ will really come again?

Answer—Yes. All who believe what He said in John 14:3: "And if I go and prepare a place for you, I will come again, and receive you unto Myself; that where I am, there ye may be also."

Q.—What day is the Apostle talking about in Romans 14:5, 6?

A.—A day connected with feasting and eating herbs. The Passover was the only feast in which herbs were used. (Exodus 12:8.) The question considered here seems to be whether or not Christians need to keep the Passover.

Q.—Do you think we will ever have a famine in this country?

A.—If you are a child of God, you need not worry about it. Just "Trust in the Lord, and do good; so shalt thou dwell in the land, and verily thou shalt be fed." Psalm 37:3. According to the words of Christ in Matthew 24:7, famines would come to this earth, but just where and when we are not told.

Q.—Why not give us some sound business principles from the Bible if there are any there?

A.—They are all there. Here are a few:

Romans 12:11: Never be slothful in business.

Proverbs 22:29: Diligence in business wins respect.

1 Thessalonians 4:11: Study to do your own business.

Leviticus 19:36: Have honest weights and measurements.

Leviticus 19:13: Hired help to be properly paid.

Proverbs 11:15: Avoid sureties for debts.

Romans 13:8: Pay your debts.

Q.—Is the future life not one of our influence going on, rather than an actual living again?

A.—This is the age-old question found in Job 14:14: "If a man die, shall he live again?" And here is an answer by the gospel prophet: "Thy dead men shall live, together with my dead body shall they arise. Awake and sing, ye that dwell in dust: for thy dew is as the dew of herbs, and the earth shall cast out the dead." Isaiah 26:19. In 1 Thessalonians 4:17 we read: "Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord."

Why Anglicans must raise $4,300,000

IN ORDER to strengthen the arm of the Church and enable it to meet the challenge of postwar needs with intensified effort at home and abroad, members of the Church of England in Canada are asked to provide the sum of $4,300,000.

This money is urgently needed to carry on the Church's educational and social work in Canada.

To meet Diocesan and general synod needs as well as the expenses of organization and administration.

To carry on missionary work at home and abroad, to assist the Mother Church in England and the Churches of Europe in their work of rehabilitation.

To strengthen the pension fund for missionary clergy.

The money will be allotted in the following way:

Pension Fund	$1,300,000
Missionary Work	1,400,000
Educational Work	100,000
Social Work	55,000
Church in Britain	100,000
Churches in Europe	90,000
General Synod Administration	205,000
Extension of Church House	50,000
Diocesan Needs	800,000
Organization and Administration	200,000

Spiritual re-dedication must bear fruit in self-sacrificing practical endeavour if the Church is to meet its Christian obligations.

Be prepared to lend YOUR support to the limit of your ability when the Visitor calls during the week of May 12th to 19th, or mail your offering to your Diocesan Headquarters. 1A-46

Irish Linen Is Fashion News

THAT wonderful, crisp-textured, fine-woven Irish linen that hasn't been imported all during the war is back in the fashion news. And better still it's back in the loveliest summer dresses ever. This is one of them, designed especially to fill every woman's need for something that's casual enough to wear anywhere — and soft and feminine enough for those occasions when a tailored dress would be too severe.

ALL DOCTORS MAY USE THE CORNWALL HOSPITAL

Right to use the facilities of Cornwall General Hospital does not belong exclusively to the doctors of Cornwall, it was pointed out recently by S. E. Fennell, K.C., President of the hospital's Board of Governors.

"There is nothing exclusive about the hospital," Mr. Fennell declared. "The bylaws make it clear that its services and equipment are at the disposal of any properly accredited doctor in the United Counties. We are here to serve the whole area, and not just the city of Cornwall."

Despite the fact that in the past patients in the hospital frequently have been treated by doctors from outside points, the idea seems to have spread that they are permitted only on suffrance or under special conditions, Mr. Fennell said. "I want to deny this emphatically," he declared.

Mr. Fennell said he thought the error was due to the fact that most rural doctors prefer to put their patients under the care of a Cornwall doctor when they are admitted to the General Hospital, because of travelling difficulties and the time lost in making trips into the city. But every qualified doctor has the right to treat his patients here and every patient had the right to make his own choice, Mr. Fennell declared. The hospital regulations impose certain safeguards, he pointed out, but these are meant for the protection of patients.

"I am hoping that our coming campaign for $250,000 to build a badly needed extension to the hospital will break down any remaining notions that Cornwall General Hospital is exclusively the property of the people of this city," he said. "If we did not have the support of a wide section of the United Counties, we could not possibly carry on. That has been the case in the past, and it will be especially true in this campaign.

THEY CAN HAVE IT!

(Brockvile Recorder & Times)

A thousand tons of pickled horsemeat have been shipped from Saskatchewan to Belgium. Canadians may not care for horsemeat but people in some European countries cannot be so particular under existing conditions. Even at the best of times, however, horsemeat is consumed quite largely in parts of Europe and presumably enjoyed as well.

"LIFE'S BIGGER MOMENTS"

"I give, devise, and bequeath"

"All right, suppose *you* were making out your will this very moment. Would your estate—minus taxes, funeral expenses and bills—provide enough to keep your home a going concern? A fellow can't expect his wife to maintain a home and educate his children on a few hundred dollars, his old top hat and favourite shotgun. He has to get some *bulk* to his estate".

Yes, it is one of those moments when most men face facts with a bit of a jolt. It's the sort of thing that suggests a quick telephone call for help from the North American Life representative. He's the fellow who can show you how to *guarantee* an income to your wife if you should die tomorrow . . . or an income for both of you when you want to quit working.

Steele and Mrs. B. Potter, and a social hour was enjoyed.

Question—Someone told me that the number three is significant in the Bible. Do you think it is?

Answer— Yes. The Godhead is composed of three—Father, Son, and Holy Spirit. There are three calls to the great supper in Luke 14:16-23. There are three distinct messages to be given the world just before the Son of man comes on the white cloud. (Revelation 14:6-12.) In Luke 13:6-9 three years are allotted to the fig tree.

Q.—Don't you think it's just the general influence of the Bible that is important, rather than its exact teachings?

A.—God is more concerned for His Word than for His name. Psalm 138:2 says: "I will worship toward Thy holy temple, and praise Thy name for Thy lovingkindness and for Thy truth: for Thou hast magnified Thy Word above all Thy name." If God feels this way about His Word, surely we should accept its teachings!

Q.—My heart is so hard I have no feeling of joy in my life at all. What can a person do who feels this way?

A.—Why not pray for a new heart? Ezekiel 36:26, 27 says: "A new heart also will I give you, and a new spirit will I put within you: and I will take away the stony heart out of your flesh, and I will give you an heart of flesh. And I will put My spirit within you, and cause you to walk in My statutes, and ye shall keep My judgments, and do them."

Q.—What was the "sign of the prophet Jonas" which Jesus spoke about in Matthew 16:1-4?

A.—Read the fourth verse: "A wicked and adulterous generation seeketh after a sign; and there shall no sign be given unto it, but the sign of the prophet Jonas. And He left them, and departed." This is explained in Matthew 12:38-40, where the Saviour uses the same language as we find in Matthew 16:4, and adds, "For as Jonas was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the earth." Christ's death, burial, and resurrection were a sign to that generation that He was the Son of God.

HINTS FOR THE HOME

Oriental Rugs

The colors of a real Oriental rug can be revived by going over it with a cloth dampened in a vinegar and water solution.

Ironing

The efficient laundress will always iron an article until it is thoroughly dry. If this is not done, it will dry out later with a rough appearance.

Dish Towels

Cut cotton crepe into one-yard lengths and it will make very serviceable dish towels. They require no hemming, nor is it necessary to iron them.

Sleeve Protectors

If you have a pair of long fabric gloves that are ready to be discarded, cut them off at the wrists, and they will prove very convenient as sleeve protectors.

Dishes

Discard the cracked dishes even if they are used only to hold left-overs. The cracks collect germs that are drawn out by the hot foods placed into the dish.

Drippings

Be sure to strain the drippings from frying pans before putting them away. If this is not done any particle of fat is likely to burn and smoke when reheated.

Baked Sweet Potatoes

Baked sweet potatoes are delicious if cut in half lengthwise, the insides removed and mixed with butter, salt, pepper, and a little sugar, then refilled and heated.

Preserving the Broom

Put a liberal quantity of salt in a bucket of water and bring to a boil. Soak the broom in this solution about every two weeks and the straws will not become brittle.

Kitchen Curtains

It is a mistake to make the kitchen curtains out of any material other than a kind that is easily laundered, as these curtains should be washed at least every two or three weeks.

Sewing

If the person on whom a delicate dress is being fitted perspires a great deal, make temporary dress shields of several folds of tissue paper, cut to shape and pinned in the armholes. There will be no perspiration stains to ruin the dress before it is worn.

Cleaning a Comb

Wash a comb in soapy water to remove the dirt, then put two tablespoonfuls of household ammonia in some hot water and let the comb soak for about 15 minutes. Rinse thoroughly and dry.

House Plants

When house plants become infested with insects, try sticking a few sulphur matches, head down, into the soil around the plants. Spraying with a solution of naphtha soap and water is also effective.

Toasted Sandwiches

Delicious sandwiches can be made by spreading four slices of bread generously with cheese. Then cover with four slices of bread and press together. Beat two eggs and add one-third cup of milk, then dip the sandwiches in this mixture. Fry in hot butter until brown on both sides.

Silk Lamp Shade

If one does not wish to spend the money to have an old silk lamp shade cleaned, try this method: Put some lukewarm water into the bathtub and make a suds of pure white flakes. Set the shade in this and scrub lightly with a nail brush until all the dirt is removed. Then rinse with lukewarm water by pouring it over the shade from a glass. Stand on a thick towel in a current of air and allow it to dry. This often proves effective with some of the finest shades.

MOTHER

When the misty blue of twilight
Falls softly o'er land and sea,
From the happy days of childhood
Comes a golden memory.

Of Mother bending o'er my bed
At night, with smiling face,
Her soothing hands, whose touch
Was full of Heaven's healing grace.

Her gentle voice so sweet and low,
Her step within my room,
When sometimes in the darkness,
I grew frightened of the gloom.

She sang to me a lullaby
Of birds and flowers fair,
While tenderly her loving hands
Would smooth my tumbled hair.

I felt her kiss upon my brow,
I heard her breathe a prayer,
Then happily I fell asleep,
Content, that she was there.

Long years ago she died,
But sometimes when twilight ends the day,
I think I hear that lullaby,
I think I hear her pray.

LATE MR. ELMER WEBB

Impressive tribute was paid to Mr. Elmer Webb, of Evesham, Sask., at a largely attended funeral, held on Thursday, April 18th, in Evesham United Church. Mr. Webb, son of the late Charles Webb and Elizabeth Kennedy, was born at Winchester Springs on June 21st, 1870. Later, his parents moved to Inkerman. On March 18th, 1891, he married Annie Baldwin, of Inkerman. They resided at Inkerman until 1912, when they and their family moved to Evesham, Sask.

Mr. Webb was a charter member of Evesham United Church and of The Fourth Meredian Old Timers Association; a member of L.O.L. No. 38 of Inkerman, and later an associate member of the L.O.L. Evesham. He formerly was a member of No. 355, A.O.U.W., of Inkerman, later becoming an associate member of Court Evesham No. 1526 Foresters.

Surviving, besides his loving wife, are four daughters and four sons, Mrs. F. S. Macpherson and Mrs. Orval Bowden, of Edmonton; Mrs. L. E. Ford, of Evesham, and Mrs. Wm. Ayrey, Jr., of Senlac; Harry, of Boulder Creek, Calif.; Howard, of Evesham; Stanley, of Barrhead, Alta., and Earl, of Vancouver; also 12 grandchildren, and two sisters and four brothers.

Many beautiful floral tributes testified to the high esteem in which the deceased was held.

Interment was made in Evesham Cemetery.

THE PRESCOTT BRIDGE

(Cornwall Standard-Freeholder)

A bridge at Prescott would be no cheap undertaking, since there is a wide channel of open water to span. There could be no island-hopping, as is the case with the Cornwall and Ivy Lea bridges. A tunnel, we imagine, would be even more costly. No estimates have been made public, but the anticipated cost must run into millions. The bridge would be at the terminus of a direct highway from Ottawa, which would make it attractive. But to believe that the bridge would pay the operators must be anticipating an abnormally high volume of tourist traffic in the next few years.

Meat rationing can be synonymous with eating pleasure if planned buying is practiced. The following pattern indicates how a single person might use her eight tokens of the week. A four token expenditure on veal will give the basis for a fricassee to begin the week. Given a slow, tenderizing treatment, smothered in a good milk gravy sparked with colorful vegetables, and you'll have an elegant dish to set before a Sunday guest, and one which can pinch-hit nicely for chicken bother. With no undue restraint you should have enough left over for Monday to put into an individual casserole and crown with a fluffy whip of potatoes tinged to a golden brown in the oven. A nippy cheese rarebit should be an easy and pleasing solution for meatless eating on Tuesday. A green vegetable and a crisp salad will round out a main course satisfying in flavour, texture and nutritional essentials. Half a pound of hamburger can be modelled into a meat loaf for Wednesday dinner with a carry over for a luncheon menu. Thursday's chop is tasty eating for one token. And Friday is yours to line up a fish dinner. A token's worth of sausage is a flexible purchase for Saturday. It will provide an ample serving for one, or if you are in a sociable mood, it can lend meaty interest to a spaghetti dish.

THE PROVINCE OF PROMISE...

ONTARIO'S *northern timber areas form a very important part of her natural wealth, and logging — getting the trees out for pulping — is a colourful operation which, while linked with progress, is still in step with nature. The processing of pulp into newsprint and a host of new and promised products is however an advanced industry upon which model towns are built and careers are launched. Ontario's forest wealth is side-kick to her mineral riches . . . more solid if less spectacular. Pulpwood and gold are each the yield of rugged country . . . each in its way beckons to the daring.*

FOREST WEALTH

An estimated 71,031,000,000 cubic feet of timber stand on Ontario's 104,000,000 acres of forested land. With a capital investment of $250,000,000, the pulp-and-paper and lumber industries rank first in industrial financing. Forest industries also lead in number employed, salaries and wages paid and net value of products. Plans are afoot to: (a) train men in efficient logging methods; (b) maintain the yield of natural tree growth by reforestation and (c) modernize woods operations with mechanical equipment.

"THAT'S A LOAD OFF MY MIND!"

Mrs. Mason's husband gets his pay in cash. Since he's working all day, his wife banks it for him, and she says she's always jittery 'til she gets it safely there. And her brother, who runs a store, says he worries too about the money from the cash register! Safeguarding your money is one of the prime services rendered by your bank.

What a relief it is when you have deposited your money in the bank! No more worry lest it should be lost or stolen! You need only keep a little ready cash in your pocket or in the house. Bills can be paid by cheque and your cancelled cheque is your receipt.

When the teller hands you your pass book, you glance at the balance and know to a cent how much money you have. You are so accustomed to your bank's accuracy that you seldom bother to check the figures.

The very fact that you—and some 5,000,000 others—take all these conveniences as a matter of course is a daily demonstration of your confidence in the dependability and efficiency of your bank.

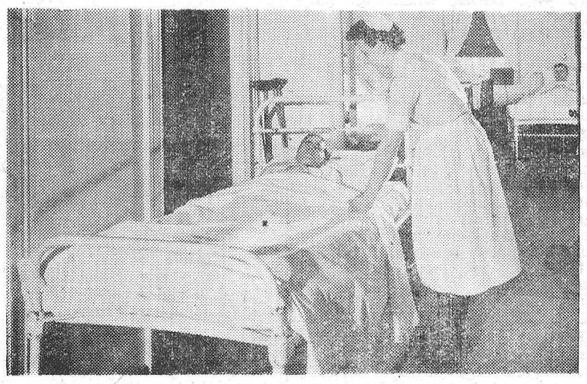
MY GARDEN

Sweet is the breath of the morning air
As I walk in my garden when skies are fair,
And as at the dawn the shadows fly,
It is there that God's spirit hovers nigh.
The flowers — His smile — to make earth bright,
And turn to day, my darkest night.

Like diamonds, the sun on the dew is spread,
As each flower lifts its dainty head;
The birds sing God's praise in their silvery strain
Because the Summer has come again;
I see in the calm and freshness of morn,
My beautiful garden all newly born.

And then at the even-tide as well
When the moonbeams spread a magic spell,
As in the first Garden when Time began
'Mid Eden's bloom, God walked with man,
So near He seems in this garden of mine,
I catch a glimpse of Beauty divine.

—Dorothy Sproule.



This picture tells better than words the chief reason behind Cornwall General Hospital's campaign to raise $250,000 for the building of an extension. A young man in urgent need of hospital treatment has been admitted to the hospital, even though there was no accommodation for him in the wards. A bed has been fixed up in the hospital corridor, and a nurse is tending him there until a place can be found for him in a ward. This sort of condition arises frequently at the hospital, where there is a perpetual waiting list for beds. The campaign for the extension opens on May 27 and continues until June 6th.

WEDDINGS

ELLIOTT—TIMMINS

The marriage of Lorna Margaret Timmins, daughter of Mr. and Mrs. Delmer Timmins, and W.O. Bryant Albert Elliott, son of Mr. and Mrs. Burland Elliott, both of Inkerman, took place in the Inkerman United Church parsonage on Saturday last at three o'clock in the afternoon, with Rev. G. S. Gervan officiating

The bride wore a street length dress of light blue crepe with a large black hat and black accessories, and a corsage of pink roses.

Miss Joyce Timmins, sister of the bride, was bridesmaid, and wore a street length dress of pink silk jersey with black hat and accessories and a corsage of white carnations.

Mr. Lorne Elliott, brother of the groom, was best man.

After the ceremony, the bridal party proceeded to Hotel Winchester where, along with their immediate families, they had lunch and spent a social half hour. Miss Kathleen Hurley, friend of the young couple, furnished appropriate music at the piano.

The bride changed to a medium blue suit for travelling and, amid showers of confetti, left on the 5.44 train for Montreal to spend a few days before leaving for Western Ontario where the groom will be taking a course with the Air Force.

NEWLYWEDS HONOURED

A very enjoyable evening was spent at the home of Mr. and Mrs. Frank A. Barkley, Inkerman, on Wednesday, May 8th, when a large number of friends and neighbours gathered in honour of their son, Murray, and his bride, the former Miss Jessie Derby, of Maple Ridge. Crokinole was enjoyed until about 10.30, when the young couple were called to the floor and an address was read by Mr. Lloyd LaPorte, and a substantial purse was presented by Mr. Bernice Allison. Murray made a very fitting reply, on behalf of himself and his wife, thanking all for the gift, after which a dainty lunch was served by the ladies.

Following is the address:—

Dear Jessie and Murray:—We, your many friends of Inkerman and community, have gathered here this evening to honour you on the occasion of your recent marriage. We feel that we cannot allow this happy occasion to pass without extending our heartiest congratulations to you. It is our sincerest wish that as you journey along life's highway you may experience all the blessings and joys of a long and happy wedded life.

We feel certain that with your youth and ambition, you will make a success of all your endeavours, and as the years pass by you will build a home wherein will be founded peace, prosperity and a deep abiding faith in Him who does all things well.

We hope that you will always treasure a warm place in your hearts for your many friends of this communiity, and we would ask you to accept our gift as a small token of our love and esteem. May it always serve as a reminder of your many well-wishers of this district.

Signed on behalf of your many friends, A. B. Allison, Lloyd LaPorte, Geo. Suffel, Bernard Mulloy and Howard Biccum, Dolores McIntosh, Grant McIntosh.

So far there have been no resignations from the local H. S. staff, but at least one new teacher will have to be engaged to replace a temporary appointment on the staff.

HONOURED PRIOR TO MARRIAGE

On Friday evening last, a very delightful evening was spent at the home of Mr. and Mrs. Stanley Rennick, when about 100 friends and neighbours gathered to shower Miss Lorna Timmins and Mr. Bryant Elliott, prior to their marriage which took place on Saturday.

Friends were present from Ottawa, South Mountain and Inkerman, and the evening was spent in social intercourse and the playing of games. About eleven o'clock the guests of honour were called to the floor and Rev. Mr. Gervan read an address, while Miss Lois Rennick presented a beautiful bride's book to the bride-to-be, and Mr. Lewis McGuff made the presentation of a chest of 1847 Rogers' Silver. Both Bryant and Lorna thanked the friends for remembering them, and all joined in singing "For They Are Jolly Good Fellows," after which a dainty lunch was served. Many other beautiful gifts were also given to the young couple.

Following is the address:

Dear Lorna and Bryant:—We, your many friends of Inkerman and district, have gathered here this evening to honour you on the occasion of your approaching marriage. We feel we cannot allow this happy event to take place without extending to you our sincerest congratulations and well wishes for a long, happy and prosperous wedded life.

We are very happy indeed to share with you at this time some of the happiness which we know is yours. It gives us great pleasure to see two of our Inkerman young people finding romance and happiness so near to home. Many people have the impression that the rarest and most valued things are found in distant places, but Bryant has discovered the great truth that many of the choicest flowers bloom right at home.

To you, Lorna, whom we have known since childhood, we hold only the deepest feelings of love and affection. We have seen you grow up among us and we know that you possess all those attributes so necessary to make your home a haven of peace and happiness.

To you, Bryant, whom we are proud to call one of our boys, we wish to offer our congratulations on your choice of a life partner, one whom we feel certain will prove a helpmate in every way. Your many friends, too, Bryant, are proud of your part which you played so well in the armed services. The experience which you gained will be invaluable in aiding you to overcome and master any difficulties which may arise.

In closing, we would ask you to accept our gift as a symbol of our love and esteem. May it long serve to remind you of the warm spot which you hold in our hearts.

Signed on behalf of your many friends—Stanley Rennick, Lewis McGuff, Harold Cooke, Kay Hurley, Harold McMenomy.

MOUNTAIN TOWNSHIP COUNCIL

The regular meeting of the Municipal Council of the Township of Mountain was held in the Community Hall, Inkerman, on May 6th, with all members present, and the Reeve, John E. Thompson, presiding.

The Engineer's Report on the Riddell Municipal Drain was adopted, after much discussion, and the clerk was authorized to have the necessary By-Law prepared.

John Loughlin was granted permission to close the gravel pit on his farm until such time as Council can make an inspection and determine if there is any more gravel in the pit.

Eldred Richardson was granted a permit to build a garage, and Lyle Hutt one to erect a dwelling house.

Considerable discussion took place as to whether the Township would adopt Daylight Saving Time or remain on Standard Time. On motion of Councillors Wm. A. Cameron and Harry Williams, supported by Councillor Geo. A. Whipps, it was decided to remain on Standard Time.

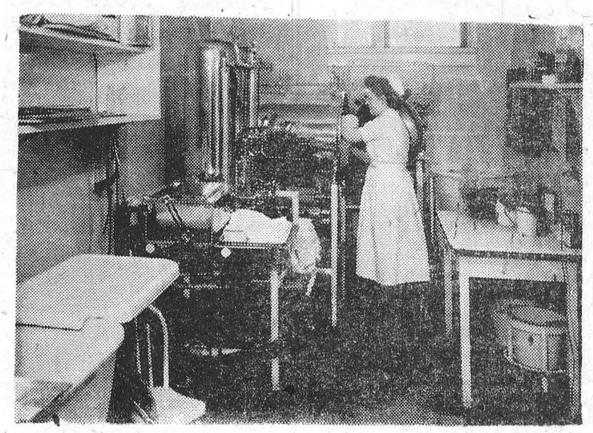
An allowance of $50.00 was made to Lorne Armstrong for the burial of an indigent.

It was decided to prepare a By-Law authorizing the sale and conveyance of certain lands which have become the property of the Corporation of the Township of Mountain.

Tenders were opened for the crushing of gravel and stone to be placed on roads throughout the Township. The tender of Robert H. Bailey was accepted.

The following accounts were passed —Charity, $41.28; S. S. No. 10, $200.00; Ambulance Service, $10.00; Roads & Bridges, $900.00.

Council adjourned to meet at Hallville on Monday, June 3rd, at 10 a.m., E. S. T.



Overcrowding is common in Cornwall General Hospital, but it is most seriously felt in the Sterilizing-room, shown above, which adjoins the hospital's Operating-theatre. Equipment that should by normal hospital standards be accommodated in three rooms is jammed into one, and a small one at that. Here the Nurse is putting dressings and other Operating-room supplies into the "Autoclave" Sterilizer, where it is purified under steam pressure. Lined against the wall in the foreground of the picture are the hot-water tanks, the instrument sterilizer and the scrubbing sink. If the hospital's coming campaign for funds is successful, complete new operating rooms and sterilizing quarters will be built.

Home Furnishing Service

As the manufacture of Civilian Goods is stepped up, we expect that House Furnishings will be more plentiful in the coming month. As new furniture, etc., is released, we will add to our stock, and we invite you to drop in and see us before purchasing elsewhere. You will enjoy our service and will find our prices reasonable. Let us talk over your household needs.
