Centurian Bob Woods To Head Local 100 Club

The Winchester 100 Club is not going to fold up. The crisis, which the club faced, due to lack of candidates for the several offices, did not materialize, and the show-down which was to have taken place at the Club's regular luncheon-meeting, held in the Town Hall last Friday evening, was not necessary.

At the start of the meeting, the Chairman, Past President Centurian Will. Rowat, announced that all offices had been filled and that the new president would be Centurian Bob Woods, who had already served a term in that capacity. Other officers who will complete the 1953 slate are as follows: Past President, Centurian Earl Freeland; 1st Vice Centurian Eldon Davidson; Secretary, Centurian Harry Potter; Treasurer, Centurian Robert Ledgerwood; Executive Members, Centurians Percy Roberts, Dudley Craig, Harry Joule and George Elliott; Ways and Means Committee, Centurians Mel. Scott, Sam. Ault, Roy Fawcett and Gerald Helmer.

The slate was proposed by a special nominating committee composed of Centurians Harry Flora, Gordon LaRose and Will. Rowat.

The meeting opened with Grace being said by Centurian Leroy Boyd; the 100 Club Creed recited by the secretary, and the singing of God Save The Queen. Centurian Chester Timmins led in community singing, with Mrs. Wm. J. Hitsman presiding at the piano.

Seated at the head table for this meeting were the following past presidents, Centurians Will. Rowat, Harry Flora, Fred Cass, Walter MacDonald, Leroy Boyd, Chester Timmins, Harold Lannin, Dave Melvin and Bob Woods.

Guests present at the luncheon and introduced to the Club included Mr. Wm. Doughty, of Ottawa, who will be taking up residence in Winchester in the near future, where it is expected he will operate a garage and automobile agency; and Mr. W. Reg. Workman, Secretary of the local Chamber of Commerce.

Winners of a prize boost, conducted by Centurian Nelson Dixon on behalf of Centurians Keith Carkner and Ormond McConnell, were Centurians Arnold Duncan and Ed. Boyd. The prize donors were boosted by Centurians Leroy Boyd and Earl Morgan.

The secretary, Centurian Gordon LaRose, read an interesting letter from Mr. John B. Challies, of Montreal, a former resident of Winchester, and at present Vice President of the Shawinigan Water and Power Company, Montreal. Mr. Challies expressed the hope that the Club would be successful in getting a slate of officers. He said he was astonished to read in the Press of the Club's predicament in this regard. An excerpt from his letter reads: "I hold the 100 Club and the Press as essential features of an active and progressive Winchester. I would rate them close to the churches. The 100 Club is the best thing that happened to Winchester since I left in 1896 to go to college. It would surely be a calamity for the Club to fold up. All non-residents and old boys like me get a great kick reading in the Press about the doings of the Club—please do not disappoint us. P.S.—I enclose a small contribution for the fire victims."

Mr. Challies' interest in the Club and his words of encouragement were appreciated by all members.

There was no guest speaker at last Friday's meeting. Instead, a very delightful program of music was presented. This included several selections and a novelty vocal number, entitled "The Glow Worm," by the following group of High School girls: Misses Kathleen Fennell, Helen Helmer, Joan Clark, Louise Summers and Marilyn Serviss; also two vocal solos, including the Club's theme song: "My Task," by Mr. Ron. Workman, local baritone soloist. The accompanist for all numbers was Miss Winnie Deeks.

Centurian Fred Cass moved the vote of thanks to the retiring secretary, Centurian Gordon LaRose, to the entertainers, the ladies of St. Pauls Presbyterian Church, and the pianists.

Mrs. R. D. Ledgerwood was convener of the committee of the L. A. of St. Paul's who catered for the luncheon.

Large Crowd Attended Christian Business Men's Service Here On Sunday

Mr. Robert Chenault, evangelist, general secretary of the Detroit Christian Business Men's Association, and a former sales manager of a large Detroit concern, addressed a large gathering in the United Church auditorium on Sunday afternoon. Mr. H. W. Graham, of South Mountain, chairman of the Winchester C. B. M. C., which sponsored the meeting, introduced Mr. Chenault.

Mr. Ewart Carkner was chairman, and Mr. J. L. Belway, song leader. Mr. J. W. Webb, of Winchester Springs, read the Scripture lesson.

In his address, Mr. Chenault told of his work as full-time secretary of the Detroit C. M. B. A. This week, Mr. Chenault begins a week's evangelical campaign at Cardinal, when he will speak at a series of meetings, sponsored by the Cardinal District Ministerial Association, in the Beaton High School auditorium.

The Evangel male quartette, of Ottawa, assisted in the service with vocal numbers. Miss Winnifred Deeks was pianist.

Mr. Graham outlined the work of the local C. B. M. A., the chief aim of which is to proclaim the gospel through business men, working in co-operation with ministers and churches of all denominations. He welcomed new members to join the organization. Mr. Graham also thanked the minister and Session of the United Church for the use of the auditorium.

J. ELDON DAVIDSON RECEIVES HIGH APPOINTMENT

The Wyatt Company, actuaries and employee-benefit consultants, now serving many of the largest U. S. industrial concerns and their Canadian affiliates, announced recently the appointment of Mr. J. Eldon Davidson, of Winchester, as associate manager of the Company's new Canadian office at 707 Metcalfe Building, Ottawa. Mr. Davidson comes to this position with a wide experience in the establishment and operation of employee-benefit plans in Canada. Prior to the new appointment Mr. Davidson was Assistant Director, Annuities Branch, of the Department of Labour.

Soil and Crop Association Meeting Held On Monday

(By W. A. Rowat)

Mr. D. L. Parks, of the Kemptville Agricultural School explained to a group of farmers here, that good crops are important factors in dairy farming. "New Varieties and Cash Crops" was the subject of Mr. Parks' address at a meeting held in the Town Hall on Monday afternoon, sponsored by the Dundas Soil and Crop Improvement Association.

About fifty farmers attended. H. W. Graham, the secretary, was unable to attend, and the President, Angus Smith, was also absent through illness. Don. Rutherford, assistant Agricultural Representative, of Morrisburg, was chairman of the meeting, and introduced the speaker.

In his address, Mr. Parks said that Eastern Ontario farmers were fortunate in that they could depend on fairly regular precipitation. Too much rain was better than too little, as was proved by the dried-out areas in Western Canada last year. He believed that this year, with pasture seed cheaper, it was a good time to seed down. He explained how different seed mixtures should be used on different types of soil, depending on drainage facilities. He enumerated the best types of seed that could withstand "Winter Killing," which was prevalent this year, according to the records of the K. A. S.

Commenting on the merits of varieties of seed oats, Mr. Parks named many brands that could be used on different types of soil. "Simcoe" was a new variety, named after the county where it originated. In barley seed, "Fort" was also a new brand, a good yielder, with a strong erect head. The growing of more corn was urged by the speaker. Last season, with plenty of heat and accompanying rain, was an ideal year for corn. It was a cheap grain to grow, as many of the chemical ingredients robbed from the soil could be easily plowed back with the right type of tractor plow. When challenged by a questioner as to the feasibility of plowing back corn stalks, the speaker said it was a standard practice. He said that farmers should profit by the experience of other farmers who are one step ahead of us in profitable experiments. Proper planting was essential in growing corn, and the 10-10-10 fertilizer was recommended.

Through the co-operation of Mr. Eldon Fennell, a seed cleaning demonstration was held before the meeting at the main Fennell Feed Company building.

Chemical Weed Control

The subject of "Weed Control" by the use of different chemicals was presented by Mr. Ellsworth Summers, Dundas County Weed Inspector. He explained the difference between the weed killers "2-D-4" and "D.D.T." Mr. Summers said there was a misunderstanding among many farmers as to the properties of these two poisons. He also explained the uses of Sodium Chlorate with 2-D-4, and C.M.U., an English product used as a soil sterilizer.

Church Packed For Pastor Richardson's Farewell Service

St. Paul's Presbyterian Church was filled to capacity on Sunday evening when Pastor Ben. Richardson, retiring minister of the local Baptist Church, preached his farewell sermon. In addition to the members of the Baptist congregation, friends were present from the United Church, the Presbyterian Church, the Wesleyan Methodist Church, Ormond Baptist Church, the Roman Catholic Church, and other denominations.

In order to accommodate the large congregation, the partition between the church auditorium and the Sunday School Hall was lowered. This provides seating arrangements for an additional 200 people, when required.

Mr. Richardson conducted the service unassisted. He preached a very forceful sermon, emphasizing the fact that in order to see the Kingdom of God, ye must be born again. Just living a good, clean, religious life was not sufficient to become a Christian, he said. Only by accepting Christ as our personal Saviour can we hope to enter into Heaven.

Prior to his sermon, Mr. Richardson expressed his appreciation for the co-operation he had received from all churches during his 4 1-2 years as pastor of the local Baptist Church. He felt that God had blessed him and that he had made many friends in Winchester, all of whom he loved most sincerely. He explained that his departure for Blind River was not being made simply because he desired a change. He felt that God required his services there, and he was answering the call.

During the service, St. Paul's Choir led in the singing, with Mrs. Hugh Wilson presiding at the organ. Two well executed vocal solos were rendered by Mrs. Arthur Summers and Mr. Murray Graham. Mrs. Robt. Woods was the accompanist for Mrs. Summers.

The service closed with "God Be With You Till We Meet Again."

Mr. and Mrs. Richardson left for Blind River, Ont., on Monday, and with them went the sincere good wishes of a host of friends.

WINCHESTER THEATRE NEWS

CHANGE IN WINCHESTER THEATRE PROGRAM

"Way of a Gaucho," a beautiful picture in Technicolor, starring Rory Calhoun and Gene Tierney, will be shown at the Winchester Theatre on Monday and Tuesday evenings, March 30 and 31, only. It will not be featured with "Willie and Joe at the Front," on the first three days of next week as is indicated in the Advt. appearing on Page Six of this paper. The latter picture, starring Tom Ewell and Harvey Lembeck, will be shown on Wednesday and Thursday, April 1st and 2nd. These changes were made after the Press advt. was printed. Just remember there are three different shows at the Winchester next week, instead of the usual two. Each show will run two days, and all are tops in entertainment. Don't miss them.

Sixty Year Jewel Presented To Mr. Thos. Faulkner

Past D.D.G.M. Thos. Faulkner, of Morewood, was presented with a 60-year Veteran's Jewel at an interesting meeting of the Morewood I.O.O.F., held in the hall there. The presentation was made by D.D.G.M. Walter Lawrence, and it is the first time such a presentation has been made in the Kemptville district.

A long esteemed resident of Morewood and district, Mr. Faulkner, in accepting the Jewel, traced the steps that lead to the institution of the Morewood Lodge in 1891, and also related how the members of the lodge helped organize ten other branches in the surrounding district. Mr. Faulkner, who is 85 years old, is the only charter member living.

D.D.G.M. Lawrence also presented a 40-year Jewel to Bro. J. E. Faulkner, who expressed his thanks briefly. Others who spoke were Rev. D. L. Gordon, of Morewood, Past D.D.G.M. Chas. Strader, Wilfred Cooper, of Brinston; George Gillard and N.G. Harold Greer, of Chesterville; Roy Fetterly, Morewood, and N.G. Arthur Morrow, of Russell.

Past D.D.G.M. Eric Barclay arranged the program.

Chamber of Commerce Elects New Council Board For 1953

"The Council of the Chamber shall consist of eleven members, to be elected at the annual meeting, and the Council at its first meeting shall elect from the members a president, vice president and secretary-treasurer, to act for the ensuing year, or until a new Council shall have been elected." The foregoing is an amendment to the Chamber of Commerce By-laws, and was unanimously passed at the annual meeting of the Chamber, held Monday evening in the Town Hall.

Introduced by the president Mr. Robert Vice, the amendment was made necessary after the nominating committee had failed to bring in a full slate of officers. The subsequent action of amending the by-law, and presenting the amendment at the annual meeting, was decided at an emergency meeting of the executive council last Thursday afternoon.

In addressing the members, President Vice also said that although the Chamber had not accomplished too much materially in the past year, the ground work had been laid for future projects that the new executive may be able to carry out to fulfillment. He referred to the water and sewerage system briefly, and said that as much as was possible had been accomplished to date. He also told members that public meetings were forthcoming and that Dr. Berry, provincial Health officer, had been contacted regarding future meetings. President Vice said that the membership of the Chamber had been increased by 17 over last year's figure of 64. A health insurance program, which had been proposed, had apparently been turned down by the Chamber members, he said.

The Legislation Committee, he said, had been in contact with the provincial government last year, and he credited this committee as being partly responsible for the resurfacing of Highway No. 31 from Williamsburg to Winchester last year.

During the year the Winchester Business Men's Association was dissolved and a new Business Men's Committee had been set up within the Chamber. This committee directed a successful Santa Claus visit last year when close to 1000 kiddies were treated. In the line of social and welfare work, the president reported that a Chamber drive for funds had resulted in the forwarding of $314.23 to a Winchester family which had lost its possessions in a costly fire. This amount did not include personal donations, or another drive that was conducted at the same time.

Mr. Vice reported that the Chamber executive had met with Municipal Council recently and that plans were complete to form a new Town Planning Board, which would be granted the authority to advise both industry and home owners, and to guide further expansion of the town proper. Council was also asked to conduct a plebiscite to see whether the townspeople were in favour of granting tax concessions to a large concern which may establish in Winchester.

In closing, Mr. Vice thanked the executive and the members for their support in the past year, and wished the 1953 slate of officers every success.

Mr. W. J. L. Boyd opened the meeting with Grace, and this was followed with the serving of a delicious dinner by the ladies of the Winchester Unit of the Hospital Auxiliary, under the convenership of Mesdames George Elliott and Percy Roberts.

The minutes of the last annual meeting were read by Mr. W. R. Workman, the secretary-treasurer, who also presented the financial statement, and addressed the members briefly. He urged the members to get behind the 1953 executive and to keep the Chamber of Commerce active, as he felt that its function was of prime importance to the betterment of Winchester. Total receipts of the Chamber in the past year were $1278.07, while expenditures came to $1106.28, leaving a bank balance of $171.79.

The report of the nominating committee, presented by Mr. W. J. L. Boyd, was as follows: The eleven directors are: Messrs. Howard Biccum, Arnold Duncan, David Melvin-Walter Moffat, Dr. W. A. Sherwood, Jay Quart, John Fader, Harry Joule, Allan Alford, Eldon Fennell and Roy Fawcett.

An entertaining film, "Big Four Football Highlights of 1952," in colour, was presented by Mr. Eldon Fennell on behalf of the Chamber. The film was made possible through the courtesy of the O'Keefe Brewing Company. Mr. Fennell was thanked on behalf of the Chamber by Mr. Howard Biccum.

At the request of some of the members, a brief discussion took place following the showing of the film. During this discussion, a motion was moved by Mr. Herbert Meldrum and seconded by Mr. Basil Dawley, as follows: "That the newly elected Council be instructed to set up a committe of its members, or including other members of the Chamber, to study the existing by-laws; and, if deemed advisable, to submit amendments for approval of the next general meeting. That such Committee consider specifically the following points: (a) Fixed set days for the regular meetings of the Council, and to set limits within which general meeting of the membership should be held; (b) Examine the lay-out of the Standing Committees of the Council, with a view to their more active participation in the work of the Chamber; (c) Define more clearly the duties of the Council and of its executive officers, and also of the Standing Committees."

The meeting was officially brought to a close with the singing of God Save The Queen.

Following the regular meeting, a brief session of the new directors was held to see if a slate of officers could be immediately chosen. A motion was passed whereby the retiring president and secretary should preside until the next meeting of the Directors, which was set for Monday evening, March 30th, in the Council Chambers. At that time it is hoped that a new executive will be chosen.

Crippled Juniors Lose Twice To Brockville

Brockville Snowmen's 9-4 decision over Winchester Juniors in the Memorial Centre on Tuesday evening gave them a 2-1 edge in games in the best of seven O.D.H.A. Junior C finals.

Showing good finishing power, the Snowmen pulled away from a 2-2 deadlock at the end of the first period to rap home seven in the final forty minutes. They outscored a short-handed Winchester crew 3-1 in the middle frame and banged home another four in the last period while the local Juniors were struggling for a single marker.

Bruce Steinburg, Hugh Balkwill and Karl Duncan were absent from the Winchester line-up.

Winchester opened the scoring at the 1.36 mark of the first period, and broke the 2-2 deadlock at the 18-second mark of the sandwich session, with Jack Dawson's goal. Both leads were short-lived, and the Snowmen took over at the 6.37 mark of the middle frame.

Don. Duncan collected a pair for Winchester, with Jack Dawson and Gord. McMillan scoring singletons.

Snowmen snipers were led by Breaugh who counted three times. Hunt picked up a pair, and lone tallies were made by Saunders, Gibson, Flannigan and McNaul.

Fifteen penalties were handed out in the roughest game of the series, with the Snowmen chased for nine of them. McNaul was the bad boy, picking up a misconduct and two minors. Major penalties were sat out by Marshall of Brockville and McKercher of Winchester for fighting in the third period.

The line-ups:

Winchester—Goal, R. Dawley; def., S. McKercher and J. Dawson; centre, L. Bailey; wings, D. Duncan and W. LaPorte; alternates, W. Pominville, G. McMillan, M. McMillan, M. Cassidy, M. Boal, V. Lunny.

Brockville—Goal, Harres; def., McNaull and Marshall; centre, T. Breaugh; wings, N. Saunders and B. Flannigan; alternates, R. Davison, B. Gibson, V. Rooney, J. Packeman, B. Blyth, C. Anderson.

The referees were M. Scott, Winchester, and J. Kelly, Brockville.

SNOWMEN WIN SECOND GAME

Brockville Snowmen scored an 8-5 victory over Winchester Juniors last Wednesday night in the Memorial Centre at Brockville, to square the count at one game each in the best of seven Junior C O.D.H.A. playdowns.

Winchester took an early lead at the 24-second mark of the first period, and by the end of the stanza led the Snowmen 2-1. Brockville came back in the sandwich session to outscore the locals 3-1 and go one up. It was curtains for a leg-weary crew of Winchester Juniors in the final canto, who missed chance after chance without knotting the count. Brockville drove home four to win the game going away. Lloyd Bailey was the hat trick boy for the locals to pace their attack.

Only three penalties, two of them to Snowmen, were handed out by Referees Mel. Scott, of Winchester, and Jerry Kelly, of Brockville.

First Period

Winchester, Bailey (Dawson) --- .24
Snowmen, MacNaul (Hunt) --- 11.56
Winchester, Bailey (Dawson, Duncan) --- 17.51
Penalty: Dawson.

Second Period

Snowmen, Davison (Gibson) --- 9.13
Snowmen, Hunt (Saunders) --- 11.32
Winchester, Duncan (Bailey) --- 12.48
Snowmen, Marshall (Rooney) --- 18.44
Penalties: MacNaull, Pakeman.

Third Period

Snowmen Saunders --- 1.39
Winchester, Bailey (Dawson) --- 2.19
Snowmen, Gibson (Davison) --- 3.26
Winchester, G. MacMillan --- 3.50
Snowmen, Rooney (Gibson) --- 9.32
Snowmen, Breaugh (Flanagan, MacNaull) --- 18.05
Penalties: None.

Curling News

The local Curling Club members wound up activities on Tuesday evening when the play-off took place for the cups and saucers' competition. Due to lack of ice at the local club, the contests took place at the Morrisburg rink.

In the semi-final round, Chas. Cross' rink defeated H. Balkwill's team 9-4. In the final round, the Cross foursome met H. Fetterly's rink, which had finished first in the schedule. However, the Cross rink continued its winning ways and defeated the Fetterly team 12-6, thus becoming winners of the 16 cups and saucers. Personnel of the winning rink was: L. Anderson, Rev. T. Mitchell, C. Curtis, C. Cross, skip.

Local High School Praised By District Inspector Ziegler

In presenting an account of his recent visit to the Chesterville and Winchester High Schools, Inspector Ziegler, of Ottawa, told members of the North Dundas District High School Board, at a meeting held here Tuesday evening, that he was highly pleased with the harmony and pleasant student-teacher relationship existing at Winchester High School. He told members of the Board that a relationship such as the one evident in the local school is of prime importance to the success of secondary school education today.

Inspector Ziegler's one major criticism was the definite contrast in teacher-student ratio (school population) between Chesterville and Winchester. At Winchester there are 28 students for every teacher (9), and at Chesterville there are only 15 students per teacher. He suggested that the Board continue its endeavour to alleviate this situation which, he thought, must be remedied as soon as possible.

Inspector Ziegler is the new provincial inspector of this region, following the Department of Education's revamped set-up, whereby the province has been divided into zones, with an inspector of High Schools appointed for each section. This particular zone includes all that part of the province lying east of Gananoque and north to Carleton Place.

The general increase in the cost of education, stepped up transportation costs, increases in teachers' salaries, were just a few of the many reasons why the N. D. H. S. mill rate was increased by 2.8 mills this year. The new rate will be 7.8 mills.

All members of the Board were present, and Chairman Keith Graham, of Chesterville, presided at the meeting.

"Education is only a ladder to gather fruit from the tree of knowledge, not the fruit itself."

Mr. and Mrs. Richardson Honoured By Baptist Congregation and Friends

The congregations of Winchester and South Gower Baptist Churches joined together in a farewell party for their pastor, Mr. Ben. Richardson, Mrs. Richardson and young daughter, Nancy, at the home of Mr. and Mrs. Walter C. MacDonald, last Wednesday evening. Mr. and Mrs. MacDonald acted as host and hostess and welcomed the more than 80 church members and friends who attended the party. Mr. and Mrs. Richardson left this week for Blind River, Ont., where Mr. Richardson has accepted a new charge.

The evening opened with a devotional period and scripture reading, conducted by Mr. Richardson, who later led in a spirited sing-song, accompanied by Miss Winnie Deeks, who also played for the hymns and during the program. Following the sing-song, an impromptu program was held, with Mr. Walter MacDonald acting as master of ceremonies. Keeping in line with St. Patrick's Day, the program featured several Irish songs, recitations, contests, skits, etc.

Later, Mr. and Mrs. Richardson and Nancy were called to the centre of the floor where an address was read to them by Mrs. Ethel Slingerland. The accompanying presentation of a trilight lamp and hassoc was made by Messrs. George McConnell and Leslie MacDonald. Mr. and Mrs. Richardson replied in an appropriate manner, expressing their heartfelt thanks for the extreme kindness and good neighborliness that had been shown them while they had lived in Winchester.

Following is the address:

Dear Mr. and Mrs. Richardson:—Our thoughts to-night are touched with a sense of loss and regret as you leave us to work in a new field.

You have both given of time and strength, to help us become better Christians. Your sincerity, your kindness, and your example of love to us all shall remain. We realize as you approach your farewell sermon how much we shall miss you both. There will be the place to fill in our church, our Sunday School and our fellowship. So many, in hours of loneliness and need have found you true friends. You shall be greatly missed, not only by those in our church, but by many others in our town.

We hope, however, with the inspiration you have given us to "carry on" with Christ to lead us all forward—you in your new field and we in Winchester, we shall stand united, still moving forward in the great crusade—

"Though sundered far, by faith we meet,
Around one common mercy seat."

We trust we shall see you sometime as our pathways cross. Possibly you will be able to be back to visit us. As you go to a new place among new people may God open the way before you. May you hear Him say in every difficulty: "I'll strengthen thee, help thee and cause thee to stand, upheld by My gracious omnipotent hand."

May this token of our affection remind you of South Gower and Winchester and your friends here.

Sincerely in Christ.

Signed on behalf of the members and adherents of the Winchester Baptist Church, Mrs. Dudley Craig, and of the South Gower Baptist Church, Mrs. W. E. Graham.

Further Presentation.

The likeable Richardson family, who had become well-known and respected in this community during the past four and one-half years, were further honoured when, on behalf of Winchester business men and friends, an address was read by

WEDDINGS

ARMSTRONG—BARKLEY

The marriage of Miss June Barkley, niece of Mr. Geo. J. Barkley, of Williamsburg, and Mr. Norman Armstrong, son of Mr. and Mrs. Victor Armstrong, of Kemptville, was solemnized at St. John's United Church Parsonage,, Kemptville, by the Rev. C. H. Ferguson, on Thursday, March 19th, at two p.m.

Mr. and Mrs. John Cameron, of Inkerman, were the attendants.

The bride looked very dainty in a grey pearl, all wool gabardine suit, worn over a delicate shade of pink nylon tricot blouse. Her hat was pink with navy veiling, and her accessories were also navy. She wore a corsage of Rouge Mallerin roses.

The bridesmaid, Mrs. Cameron, wore a navy wool gabardine suit with grey accessories and pink butterfly roses.

Following the ceremony, a reception was held at Whitehill Glade, Ottawa, for the bridal party and immediate relatives.

For travelling to Toronto and other Western points, where they will spend their honeymoon, the bride was dressed in navy with pink accessories.

The 7th Column

Spring! Glorious Spring! It arrived officially on Saturday, but as far as the weather is concerned it has been here for the past couple of weeks. One sign of Spring that is missing this year is the floods along the Nation River. We had little snow in this district, therefore there was no Spring break-up, and the rains were insufficient to cause the river to go over its banks. Other signs of Spring which, so far, have been missing in Winchester, are the girls with their skipping ropes and the boys rolling marbles on the sidewalk. There are plenty of robins flying around, however, and Frank Ryan did Sunday's edition of the Valley Note Book out on his lawn, so Spring must certainly be here—nope it stays!

* * * *

Now is an excellent time for those who have been in the habit of doing it, to "cut out cutting across other people's lawns." School children take every short-cut possible, and parents should advise them against it, now that Spring has arrived. No one wants his lawn or garden trampled when it is soft.

A more experienced writer later said the same thing in two words: "It floats."

Hurrah! The crisis in the 100 Club is over. All offices have been filled and, no doubt, the Club will be stronger than ever. Good "Old" Bob Woods stepped into the breach of president, so let's all back him to the limit. He's a good citizen—wants to see the town make progress—and willing to do something about it—and, by the way, he runs an up-to-date Hardware Store. Drop in and see him anytime.

A Sunday School teacher in one of our churches had just put over what she thought was a forceful lesson on the reward for being good.

"And now, how many of you want to go to heaven?" she asked, and all hands went up except Johnnie's.

"Why don't you want to go, Johnnie?"

"I want to," the lad said dolefully, "but my mother told me to come straight home."

A county judge in Perth ruled last Thursday that since a raffle is an illegal lottery, the money raised is obtained contrary to the Criminal Code. Therefore, there was no ownership and could be no theft. Judge F. W. Wilson acquitted J. Nesbitt, of Peterborough, a professional ticket seller, on a theft charge. He had been charged with stealing

THOSE SPRING RACKETS!

Spring has arrived and Winchester, like most other villages and towns, will likely be plagued with the usual number of perennial "rackets" that emerge into life about this time of year and continue to live off the fat of the land. Commenting on this nuisance, the Petrolia Advertiser-Topic says: "The Better Business Bureau of Ottawa, in a special bulletin, draws attention to this type of thing, and points out that there are reputable dealers in the various fields and the public would do well to deal with firms whose reputation and integrity are well known or can be checked easily.

"Our object in pointing out some of these "rackets" to the public is not intended as a reflection on reputable dealers but as a protection both to the dealers and the public. Our attention was drawn to a quartette of strangers who took money for an eavestroughing job on the home of a local widow this winter, and left after tearing the old eaves-troughing off.

"The Bureau urges everyone to beware of the "here today, gone tomorrow" outfit who rings your door bell and offers to:

"Cover your lawn with humus; control termites and pests; sell you a new roof or spray the old one; provide bulbs and nursery stock which eventually will prove inferior; do tree surgery without proof of ability; repair lawn and garden tools; sell goods from trucks, meanwhile lacking a licence from the municipality; paint or spray your house, with a truck as headquarters; clean your toilet or cistern; trim trees (customer usually gets trimmed); demonstrate a plan for remodelling your house or landscaping your garden."

THE BAD AND THE BEAUTIFUL

The title of a current and popular motion picture, "The Bad and the Beautiful," may aptly be applied to the present state of a certain stretch of road commonly known in this part of Ontario as Highway No. 31. This highway, by common knowledge and clearly indicative on any road map, is the shortest link between United States and the Capital City of our great nation. Passing through some of the most prosperous farm land and rural communities in the province, the highway has its beginning at Morrisburg, where it joins Highway No. 2, and runs northward to the Capital. On this forty-six mile stretch of road there are no less than six villages, of which two have a population well in excess of one thousand. In short, the highway is much travelled and is of prime importance to transportation facilities.

If the driving conditions of a highway may be considered as beautiful, then the recently repaved portions of this road may be looked upon in that light. However, the bad sections of this particular highway still constitute about forty-five per cent., or roughly twenty-one miles, of the over-all mileage. It is doubtful, even with the most recent additions to Webster's dictionary, if there are words adequate enough to describe the deteriorating conditions of those sections of this highway situated between Winchester and the Carleton boundary, and between a point one mile north of the Metcalfe corner and Ottawa.

Travelling over the so-called bad parts of this highway is not too pleasant an experience for motorist or vehicle; and with the arrival of Spring and the heaving of the frost, the road is quickly going from bad to worse. In another month the already sorry condition of these sections of highway will be even more acute.

Patching is a temporary alleviation; but it is also a costly one to a situation that can only be remedied with a new surface. The department of Highways is striving each year to give Ontario better roads, and for the most part much is being accomplished. But for some obscure reason there always seems to be unnecessary dilly-dallying around by provincial authorities each year where Highway 31 is concerned, and it has advanced to the stage now where district citizens and especially motorists are rightfully becoming vexed by the delays that originate from government red tape. It is not too much to expect some action this year, whereby the remaining sections of this road that need resurfacing will receive attention.

SIXTY THOUSAND BABY CHICKS KILLED

We were not horror stricken, for to-day one must be accustomed to the unusual or for the suddenness of some unexpected act. We were, however, slightly flabbergasted to read last week in a Canadian press despatch where 60,000 chicks in Stratford had been gassed. The report said: "Sixty thousand baby chicks were gassed at the strike-bound Swift Canadian Company's hatchery here Tuesday by officials of the Ontario Society for the Prevention of Cruelty to Animals. The move followed refusal by pickets of the striking Local 307, United Packinghouse Workers of America (CIO-CCL), to allow company officials inside the hatchery to feed the starving birds. Meanwhile, as the strike moved into its 13th day, settlement appeared no nearer than when the walkout began March 6th. The 61 plant employees walked out in a bid for higher wages. They turned down an offer of a six-cent-an-hour increase last week."

Here is a prime example of something that is becoming far too persistent to-day. How a group of pickets—employees of the Swift Company—could stand in front of their plant and prevent Company officials from entering to feed the starving birds is more than all our powers of imagination can visualize. Yet officials of the Ontario Society for the Prevention of Cruelty to Animals entered the plant and, on authority, killed the suffering birds, while the same stubborn pickets stood by.

There is a limit to striking, and it is becoming more apparent each day that some unions have no respect for property or person. In this particular instance, the Company had already offered an increase in an hourly rate, but it was turned down. Where the life and death of 60,000 chicks were concerned, why could the Union not accept the Company's increase, and arbitrate for the Union's demands. Not so, the power of the Union in sticking to its original demand, made necessary the killing of these young birds.

The laissez-faire or government hands-off policy is one we heartily endorse. There are times, however, when a government iron hand must intervene to prevent the tragedy and waste that often result from the failure of a union and company to reach agreement. We believe the killing off of 60,000 chicks was one of those times.

WITHOUT HEM OR HAW

We have often thought that a speech would be better without the hems and haws. And when a rhetorical pause is held too long, our minds tend to wander. Even the too deliberate phrase, the too lingering emphasis, makes us want to get in and push. Well, now it can be done.

It's a machine, of course, that thus speeds progress and streamlines eloquence. It is called a "time compressor," and is a tape-recording device that squeezes some of the empty space and excess sound out of a speech, thus reducing its running time as much as 20 per cent. without making it harder to understand.

What a way to eliminate hot air!

Couldn't more after-dinner speeches be run through the new gadget before dinner? Couldn't the—er—loquacities and pomposities of more—er—hortatory oratory be given the rush treatment? A big idea with a clipped accent is worth a dozen cliches on the wing.—Christian Science Monitor.

MODERN ETIQUETTE

Q. Should the mother of a bride-elect or the mother of her fiance give a shower for her?

A. Neither one of these persons should give a shower, as this would be in the nature of inviting gift donations. Properly, only close friends of the bride should give showers for her.

Q. Is it all right to pick up a chop bone with the fingers, when eating at the table?

A. Never. If you are not able to extract all the meat with the knife and fork, then you should sacrifice it.

Q. Shouldn't a man remove his topcoat before starting down the aisle of a church or theatre?

A. Yes. He should never go down the aisle disrobing. He should remove the coat and place it across his arm before starting down the aisle. Should he forget to do so, then he should wait until he reaches his row of seats.

Q. Is it all right to mail out handwritten wedding invitations?

A. Yes, if the guests are just a select few. However, if the guest list is sizable, I should think it would be easier and better to mail out the engraved type of invitation.

Q. What is the proper thing to say when you have failed to understand or hear what someone else has said?

A. Either "Please?" or "I beg your pardon?" is accepted form.

Q. If someone asks you a question at the dinner table just at the moment you have put food into your mouth, what should you do?

A. Be sure to wait until you have swallowed the food before you attempt an answer. You know only too well what it sounds and looks like when one tries to talk with food in the mouth.

Q. When an engagement has been broken, is the girl entitled to consider the gifts and engagement ring the man has given to her as belonging to her?

A. No; she should return all these.

Q. When the folded napkin is placed on the left side of the dinner plate, should the open edge be toward the plate or away from it?

A. The open edge should be toward the plate.

GOOD FRIDAY — EASTER SUNDAY

'Twas in an olive garden long ago,
A lovely Mary sat, with head bent low,
White lilies dew-wet, silvered by the dawn,
Like candles 'round a bier, shone pale and wan
While she sat facing life's great mortal blow.
Heaven's trumpets sound for Him, her Son to-day,
For death is vanquished, only life holds sway.
His step is heard, in every wind that blows;
We touch, as through a veil, the fadeless Rose,
Its fragrant incense, falling as we pray.

—Dorothy Sproule.

$1,000 from the Carleton Place Legion. The money was raised through a raffle on a car.

The judge may be right but we do not agree with his decision. Under the circumstances, the Crown should have taken possession of the money. Legal or illegal, it was in the custody of the Legion and didn't belong to the man who stole it. He was guilty of theft and should have paid the penalty for the offence he committed.

Here are a few gems we gleaned from one of our favourite magazines:

"Education is only a ladder to gather fruit from the tree of knowledge, not the fruit itself."

"Parenthood: an extension course in marriage. Grandparenthood: a refresher course."

"A community is like a ship; everyone ought to be prepared to take the helm."

"An old-timer is one who remembers way back when it cost more to operate a car than to park one."

"A pessimist is a person who is seasick during the entire voyage of life."

"Junior's idea of a balanced meal is the same size ice-cream cone in each hand."

"One of the best daylight-saving plans is to get up earlier."

"How did the Smith wedding go off?"

"Fine, until the parson asked the bride if she'd obey her husband."

"What happened then?"

"She said: 'Do you think I'm crazy,' and the groom, who was in a daze, replied: 'I do'."

The only true national unity is that which, like Canadian unity, arises from the needs and desires of the people. Unity foisted on a people from above, such as that in the USSR, is not unity but tyranny, comments the Lachute Watchman.

The Brampton (Ont.) Conservator notes that great forward strides have been made by the women of this country in the last 35 years. "While there are still those who argue that women's place is in the home, the broader-minded folk seem to feel that they have every right to function in the wider field of business and politics and can make a contribution in this field equal to or greater than men."

Gospel Gleanings....

"Hear ye the Word of the Lord."—(Ezek. 13:2).

(The Second Coming of Christ is Sure).

"This same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven. If I go and prepare a place for you, I will come again and receive you (those who have received Him) unto Myself."

(The Second Coming of Christ will be Soon.)

"The coming of the Lord draweth nigh. The Lord is at hand."

(The Second Coming of Christ means Separation.)

"And He shall send his angels with a great sound of trumpets, and they shall gather together his elect from the four winds, from one end of heaven to the other.

And they that were ready went in with him to the marriage.

The Lord Jesus shall be revealed from heaven with his mighty angels, in flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ."

(The Second Coming of Christ will be Sudden.)

"The Day of the Lord so cometh as a thief in the night: for when they shall say, Peace and Safety; then sudden destruction cometh upon them, and they shall not escape.

At midnight there was a cry made, Behold the bridegroom cometh; go ye out to meet him.

Watch ye therefore—lest coming suddenly he find you sleeping.

They were eating and drinking—until the day when Noah entered into the Ark, and knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.

Therefore be ye also ready; for in such an hour as ye think not the Son of Man cometh.

Surely I come quickly."

HINTS FOR THE HOME

Weak Ankles

Weak ankles will be wonderfully strengthened if a teaspoonful of salt to a pint of warm water is rubbed into them regularly.

Egg Yolks

To keep the yolks of eggs fresh for several days, if they are not to be used immediately, drop them in cold water and keep in a cool, dark place.

Brown Marks

The brown marks on dishes caused by baking in the oven, can be removed if they are rubbed with damp salt; then wash off and repeat the process if necessary.

Tender Feet

Nothing is better for tender feet than a cold foot bath. Follow by rubbing briskly with either alcohol or olive oil, and then dust with talcum powder.

Window Sash

If the window sash is hard to raise, pour a small amount of hot lard between the window frame and the casing, and also smear it along the sash rope and on the roller.

THE OUTLOOK FOR DAIRY FARMERS

Fluid milk consumption is on the increase. Some milk usually going into manufacturing has had to be diverted to fluid milk markets. Coupling these facts to our population increase of approximately 2,000,000 a year, the future market for dairy products and fluid milk looks good. Dairy farmers who do long range planning can take advantage of good future markets by raising well-bred heifers for replacements; and by feeding, managing, and culling their herds carefully.

Big, high-producing cows produce milk more efficiently and profitably. The best way to get such cows in your herd is to build them yourself. That way you know their bred-in capacity for production will be high enough so they will be real profit-makers.

When a dairyman has a good supply of large, well-grown heifers, he is in a position to cull the cows that are old and defective. It is time to get out all of the "boarders" that will not produce profitably after the fresh spring milk flow is over. Sell these cows now while beef prices are good.

Another way to make more money from dairying is to breed more cows to freshen during the fall and early winter months. Fall freshening cows not only produce more milk, but the greatest part of their lactation comes when milk prices are higher.

This a very good time to make long range improvements in the breeding, management, sanitation and feeding programs in your herd.

METCALFE W. I. HOLDS MARCH MEETING

Members of Metcalfe Women's Institute met in the Town Hall there recently for their March meeting. Mrs. E. Cowan, the president, was in charge.

The Metcalfe Branch Guild will forward $11 to help furnish a room in the Institute for the Blind, by the East Carleton Institutes. The meeting also favored supporting the Metcalfe Girls' Club. Funds will be raised through a baking sale to be held on March 21st.

Community singing of Irish songs was led by Mrs. R. Blair, accompanied by Mrs. S. H. Bishop at the piano.

A quiz on the Hand Book was conducted by the president. The speaker was F. W. Fitzpatrick, the local bank manager, who gave a very interesting address on "The Banking System."

A nursery rhyme contest by Mrs. D. Woods was won by Mrs. D. Ireland. A social hour was spent admiring an exhibit of "Something Beautiful," brought in by some of the members.

THOMAS McCADDEN HEADS CHESTERVILLE DRIVING CLUB

At the annual meeting of the Chesterville Driving Club, held in the Hydro Office, Chesterville, recently, plans were laid for a Race Meet to be held at the Fair Grounds on Saturday, June 27th. The proposed meet will be a twilight affair, with Lee McCready, of Massena, N. Y., in charge of the heats.

The programme calls for a total purse of $450.00. Three classes, including a free-for-all, with three heats, a class "C" race with two heats, and a class "B" race with three heats, will get under way at 6.00 p.m., Daylight Saving Time.

Thomas McCadden was elected president of the club. He succeeds William Servage, who has served five terms as president. Ronald Lynch was appointed secretary-treasurer.

The meeting was well attended.

THE LESSON

In the gale a tree will bend
(As if the wind were just a friend),
And then, when all is quiet and still,
Stand straight once more upon the hill.

Flowers do likewise; watch them! See—
Their wind-blown effortless curtsey
That makes of graceless buffeting
An airy and enchanted thing.

I must learn from flower and tree
How to meet adversity.
Then Life shall bend me to its will
And I'll be undefeated still!

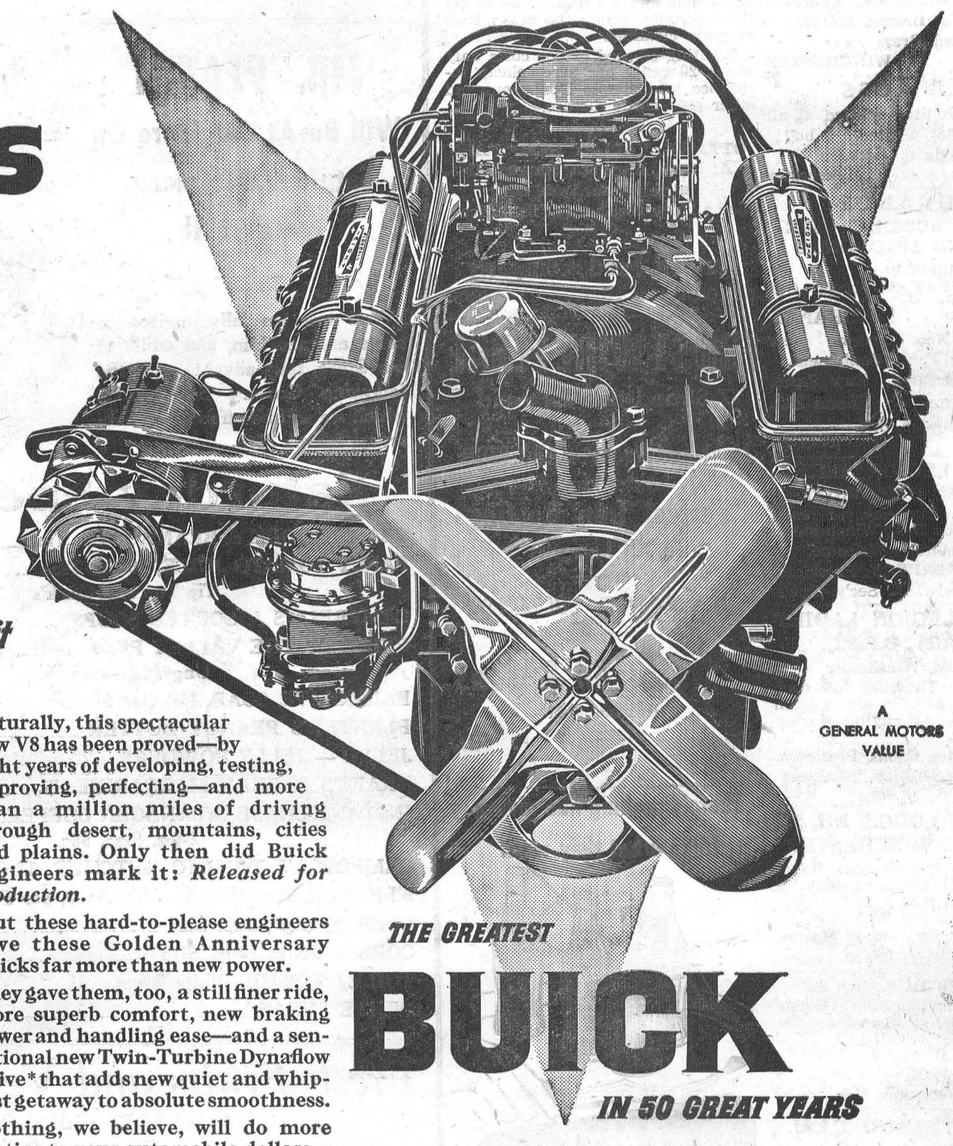
World's newest V8

with a million miles behind it



HERE, in literal fact, is the most advanced V8 engine ever placed in a standard-production automobile.

It is the first such V8 to reach an 8.5 to 1 compression ratio, and the first with a dynamic flow muffler that cuts power loss to zero.

It is the first V8 to utilize vertical valves together with a 12-volt electrical system instead of the usual 6. It is also the first designed with new "T" type intake manifold to replace the "Y" type conventionally used in V8s.

It is, quite simply, the first V8 *Fireball* Engine—the engine that brings electrifying performance to the greatest Buicks in fifty great years—the engine that powers the 1953 Buick Roadmaster with 188 hp, and the 1953 Buick Super with up to 170.

Naturally, this spectacular new V8 has been proved—by eight years of developing, testing, improving, perfecting—and more than a million miles of driving through desert, mountains, cities and plains. Only then did Buick engineers mark it: *Released for production.*

But these hard-to-please engineers gave these Golden Anniversary Buicks far more than new power.

They gave them, too, a still finer ride, more superb comfort, new braking power and handling ease—and a sensational new Twin-Turbine Dynaflow Drive* that adds new quiet and whip-fast getaway to absolute smoothness.

Nothing, we believe, will do more justice to your automobile dollars—or to your love of magnificent motoring—than a visit to us right now.

IN MEMORIAM

IN MEMORIAM—In loving memory of Armydos Larmour, who passed away on March 23rd, 1940.

Thirteen years have passed since that sad day,
When one we loved was called away,
God took him home—it was his will,
But in our hearts he liveth still.
—Ever remembered by Mrs. Effie Larmour, Wife, and Family.
44p

IN MEMORIAM—In loving memory of Mrs. Annie Chester, who passed away on March 27th, 1952.

—Sadly missed by her daughter, Mrs. Jack Smith, and two grandchildren, George and Vivian. 44p

IN MEMORIAM—In fond and loving memory of a dear mother, Mrs. Anne Chester, who passed away March 26th, 1952.

She was always smiling, always content,
Loved and respected wherever she went;
Always so good, unselfish and kind
What a beautiful memory she left behind.

—Sadly missed by Nellie and Mike Dunlop. 44p

FERTILIZER

We are making up another car of Fertilizer. If your order is not in yet, please call 136 and we will be glad to supply what you need from this car.

BEET PULP

A limited quantity in stock. It might be a good idea to pick up a few bags for spring feeding. Phone an order for next delivery.

HALF LOADS

Half load regulations make a lot of extra trips and extra cost for delivering. **It will help if orders are phoned in early and arrangements made to take delivery at the road where lanes are bad.**

Co-operation in this way will be greatly appreciated.

CLEANING

We can give good service now on cleaning—whether small seeds or grain.

Bring in Timothy or Clover Seed lots as soon as possible. They take more time and we would like to get them through before the heavy rush of grain cleaning.

Treating of seed grains costs only about 20 cents per acre—cheap insurance against loss from smut and other seed-borne disease.

MOUNTAIN DISTRICT HIGH SCHOOL BOARD MEETING

The Mountain District High School Board met in the Home Economics Room of the South Mountain School with all members of the board present.

The staff of the South Mountain School was also present. Mr. Getz explained the set-up of the O. E. A. Mr. Gallinger had some requests for the school, and Mrs. Dean served lunch at the close of the meeting. Part of this lunch had previously been prepared by the students of the Home Economics class.

The mill rate for the coming year was set at seven mills. The contract for the plumbing in the teachers' house at Hallville was awarded to Charles Keyes.

VERNON WOMEN'S INSTITUTE

The March meeting of the Vernon Women's Institute was held in the auditorium of the Presbyterian Church with an excellent attendance. The president, Mrs. John Campbell, was in the chair, assisted by Mrs. Ed. Lanoue as secretary, and Mrs. Harold Cowan, convener of Citizenship and Education. Metcalfe W. I. members were present as guests.

Mrs. Cowan read the motto: "If you have knowledge, let others light their candle by it." A paper on Education was read by Mrs. Stewart Fisher, and one on Citizenship by Mrs. Rolla Campbell. The motto and papers were written by Mrs. Duncan MacMartin, to whom the Vernon W. I. extends a special "Thank-you."

The Silver Maple Leaf pins, in honour of the A. C. W. W. Conference to be held in Canada this year, were distributed to those members who had paid. Other members may purchase them by paying 35c to the secretary.

An excellent District Directors' report was given by Mrs. Alex Campbell. The president reminded the convener of Standing Committees to not only prepare their reports but make sure they are forwarded to the district conveners. A combined Euchre and "500" party will be held in Springhill School on April 8th, sponsored by the Vernon W. I. Mrs. George Acres will represent the W. I. on the Hospital Auxiliary.

Mr. W. M. Croskery, Agricultural Representative for Carleton County, showed coloured slides of a motor, boat and train trip to Whitehorse, Alaska, and gave a commentary as he went along. This was greatly enjoyed.

The annual meeting will be held at the home of Mrs. Harry Lee on April 16th at 2.15 p.m. sharp. A good attendance would be appreciated.

Refreshments were served at the close of the meeting.

MEDICAL AID IN FAR NORTH

The Department of National Health and Welfare operates 18 hospitals and 29 nursing stations for Indians and Eskimos. James Nicol, Star Weekly correspondent, writes of the spectacular services offered by the government in the wilds of Canada. The areas are reached by canoe and dog team, by snowmobile, power boat or airplane, depending on the season, the circumstances and the weather. Powerful dramas are enacted through these missions of mercy. This and many other absorbing stories appear in the March 28th issue of the Toronto Star Weekly.

OBITUARY

LATE JAS. EDWARD McKERCHER

Mr. James Edward McKercher, youngest brother of Willis and Wilfred McKercher, of town, died in Chambers Memorial Hospital, at Smiths Falls last Friday morning, after a lengthy illness.

Mr. McKercher was born at Cass Bridge, 47 years ago. He was the son of the late Duncan McKercher and his wife, Bethia Jamieson. He was educated at Winchester and district Public and High schools. For the past ten years he had made his home with his sister, Mrs. Spurgeon Durant, of Smiths Falls.

He is survived by three sisters and five brothers, Mrs. Spurgeon Durant, Smiths Falls; Mrs. Jean Palmer, Moncton, N. B.; Mrs. Ann McCallum, Cranford,, N. J; Charles, of Edmonton; Dan, of Arnprior; Fred, of Long Island, N. Y., and Willis and Wilfred, of Winchester.

The funeral service was held on Sunday afternoon at the home of Mrs. Durant in Smiths Falls, and was conducted by Rev. C. E. Armstrong, of Smiths Falls. Interment was made in the family plot at Maple Ridge Cemetery, where the graveside service was conducted by Rev. Wm. Reid, of Winchester. The pall-bearers were Messrs. Donald, Murray, Gerald and Allan Durant and George and Orland Bell, all nephews of the deceased.

Many beautiful floral tributes testified to the high esteem in which Mr. McKercher was held.

LATE MRS. JAMES H. ROBINSON

An aged and highly respected resident of the Marvelville and Russell area, Mrs. James H. Robinson, passed away at the home of her daughter, Mrs. Asa Sullivan, in Russell, on Saturday, March 21st.

Born 88 years ago in Marvelville, she had lived in that village until 8 years ago when she moved to Russell. She married the former James H. Robinson, who predeceased her several years ago. Mrs. Robinson had been a member of the United Church for the past forty-five years and was a devoted worker in the Women's Missionary Society, of which she was a member.

Surviving are three daughters, Mrs. E. Park (Rebecca), Mrs. A. Sullivan (Susan) and Mrs. D. MacDonald (Phoebe); and six sons, Henry and William, of Marvelville; Harvey, of Toronto; Eber, of Russell; George, of Westboro, and Sqd. Ldr. A. W. Robinson, of Russell. Twenty-four grandchildren and six great grandchildren also survive.

The funeral was held from the residence of her son, Sqd. Ldr. W. Robinson, M.B.E., to the Russell United Church. Rev. Thos. McNaught officiated, assisted by Rev. R. Carr, of Kenmore, and Rev. R. Lamb, of Ormond.

The pall-bearers were Messrs. Ray Robinson, Hilton Robinson, James Sullivan, Orville Robinson, Bruce Robinson and Harold Robinson, all grandsons of the deceased.

HOSPITAL AUXILIARY GARDEN PARTY

A special committee, composed of the executive, the directors, and one representative from each Unit of the Winchester District Memorial Hospital Auxiliary, has held two meetings to further plans for a Garden Party to be held on the grounds of the Hospital, the tentative date to be the afternoon and evening of Saturday, June 27th.

Elaborate and detailed plans for the enjoyment and entertainment of the guests are being made. The Pipe Band from the S. D. & G. Regiment is being contacted to furnish music for this occasion. A fish pond and candy booth will be on the grounds, and refreshments are being served. Arrangements are being made for those interested to tour the Hospital and note the splendid equipment and efficient management therein.

The Publicity Committee will be making further announcements about this gathering. Everyone is invited to keep this date in mind, an it is hoped the many friends in the district will take this opportunity to inspect the Hospital and also see Achitect's plans for further expansion, which the Board feels is necessary so the Hospital may most satisfactorily serve this community.

MOUNTAIN TOWNSHIP

Farmers' Night Held At Winchester Springs

On Wednesday evening, March 18, over two hundred and fifty farmers of Winchester Springs and surrounding vicinities were entertained in the Orange Hall at Winchester Springs by Ralph S. Allison & Sons and McColl-Frontenac Oil Co.

The feature picture was "Buckshot Goes To The Fair." Several educational and comic films were also enjoyed. The guests were welcomed, and Mr. V. Stewart, of Ottawa, Zone Manager, was introduced by Mr. Ralph Allison.

The winners of the ladies' door prizes were Mesdames Kenneth Kirkwood, Frank Nesbitt, Arnold Casselman, Howard Tupper and Wm. J. Whitteker.

The gents' door prizes were won by Messrs. Denzil Robinson, Linden Bailey, Cecil Pollock, Byron Steele, Robt. Kirkwood, Vincent Steele and Harvey Smith.

Presentations were made to J. W. Coons, caretaker of the hall, and Archie Bailey, a member of the staff. Each child present received a treat.

Appreciation of the attendance, and thanks to Mr. Stewart, were voiced by Mr. D. Lloyd Allison.

WINCHESTER SPRINGS UNITED CHURCH W. A.

The regular monthly meeting of the Winchester Springs W. A. was held at the home of Mrs. Ralph Allison on March 17th with the president in the chair. The meeting opened with a hymn, with Mrs. C. Robinson, Mrs. L. Allison and Mrs. R. Allison having charge of devotions. The Scripture lesson was read by Mrs. L. Allison, and the meditation was given by Mrs. R. Allison. Mrs. C. Robinson led in prayer. The minutes were read by the secretary, and adopted. Roll call was answered by twenty members and two visitors. During the business period it was reported that the Touch and Take Sale realized $9.50.

The meeting closed with the Mizpah Benediction, and the group and hostess served a dainty St. Patrick's lunch.

Mr. and Mrs. Richard Scott Feted On Wedding Anniversary

Mr. and Mrs. Wm. Byers and Mr. and Mrs. Richard Scott were entertained to a six o'clock dinner on March 11th by Mr. and Mrs. Clifford Scott, of Winchester. The occasion was the 28th wedding anniversary of Mr. and Mrs. Richard Scott, and also Mrs. Scott's birthday.

About 8.30 o'clock a number of friends, and brothers and sisters and their immediate families, surprised Mr. and Mrs. Scott by calling on them to help celebrate the happy occasion.

Later in the evening, Mr. and Mrs. Scott were called forward, and an address was read by Miss Joan Kendrick, and the presentation of a beautiful electric table lamp and lovely red and crystal boudoir lamps, and other gifts, was made by Mrs. Clifford Scott and Miss Betty Brownell.

A table, with pink and white streamers, held a beautiful 2-tier wedding cake, donated by Mrs. Clifford Scott.

Although completely taken by surprise, Mr. and Mrs. Scott thanked their friends for their gifts and thoughtfulness.

A dainty luncheon was served by the hostesses, Mrs. Clifford Scott and Mrs. Peter Poole, assisted by Misses Joan Kendrick and Betty Brownell. A pleasant evening was brought to a close by wishing Mr. and Mrs. Scott many more years of happiness.

WHY DID JUNE HAVER DECIDE TO BECOME A NUN?

Read—for the first time—the powerful human-interest story behind the decision of Screen Star June Haver to become a nun. It's an inspirational account of great spiritual motivation and personal tragedy that induced her to retire to devout obscurity. Why Chick Startena Is A Good Buy!

3 Nitro this Year. Megasul this Year. Better Antibiotics this Year. Takes only 2 lbs. per chick.

2 lbs. Startena - 1 lb. of Chicken

By eye you can't 'see' 2, 3 or even 4 oz. difference in chickens at 5 to 6 weeks old. On controlled feeding tests in dealer's stores and on split feeding tests in the field with other national Chick Starting Rations tested against Chick Startena—differences much greater than 3 to 4 ozs. in weight have been experienced at 5 to 6 weeks with similar feed costs per bird.

100 lbs. Startena—50 lbs. of chicken; $5.85 worth of Startena—$16.50 worth of chicken (meat price of 32c lb.).

2 oz. more weight per chick during the starting period means 100 more oz. of chicken (or 6¼ lbs.) per bag of Startena (1 bag grows 50 chicks). 6¼ lbs. of chicken at 32c—$2.00 more chicken per bag.

Chick Startena is worth $2.00 per bag or $40.00 per ton more than other good average Starters. Chicks never get over a poor start, or a good one.

Be sure to see our "Live Chick Display". We have 26 chicks under a brooder in our store.

BOWLING SCORES

(By Uncle Ezra)

In the Robinson Group on Monday, Elva Woods took double ladies' honours with 476-205. Earl Morgan rolled a high single of 239 and other games of 219 and 161 to cross 619 and take all the men's honours.

Kay Morgatroyd had 484-198 to take the ladies' high cross in the Fennell Group. Evelyn Fennell rolled the ladies' high single, a 221. Mary Potter had a 207. John Chissamore rolled games of 198, 225 and 176 to cross 599 and take both men's honours. Harry Potter had 220, Wesley Clark 219.

In the Craig Group Marge Boyd was top lady with 431-186. George Elliott had 579-231 to take the men's honours.

The Community League really did some bowling on Tuesday. Lula Dawley rolled a high single of 263 and added games of 226 and 194 to cross 683 and take all the ladies' honours. Terry Churchill had 650-257, Freda Scott 615-232, Inez Davidson 575-221, Ann Marshall 555-215, Joyce Levere 531-216. Dalton Kenney rolled the high triple of the year, having games of 263, 357 and 314 to cross 934. This ties the all-time alley record which was rolled by Dalt. on May 14th, 1952, and was made up of games of 391, 212 and 331. Lloyd Kenney came in second with 844-339, Don Casselman had 780-257, Lorne Byers 770-290, Gordie MacDonald 681-274, Arn. Rielly 680-241, Bob Anderson 636-238, Frank Dunlop 631-255, Jim McCloskey 608-232, Alex Davidson 575-228, Herman Hutt 276, Lyle Loucks 255.

In the South Mountain Mixed League on Wednesday, Doris Kirker rolled games of 212, 224 and 147 to take the ladies' cross with 583. Irene Marriner's single of 238 was high. Marge Fisher had 523-190, Jane Graham 213, Doris Berry 205. Chas. Hyndman rolled the men's high cross, 702, made up of games of 218, 242 and 242. Keith Beamish crossed 700 and rolled the high single, a 276. Reg. Fisher had 652-270, Kitch Berry 609-211, Rae Berry 605-244, Roy Berry 584-245.

In the Thursday afternoon Ladies' Group Sybil Curtis walked off with double honours having 478-213. Beth Sawyer had 462-189, Hilda Rice 181, Norma Wylie 176, Emma Crummy 171.

Jean Countryman took all the ladies' honours in the Morewood Mixed League with 517-245. Audrey Craik had 517-218. Dalton Baker rolled a high single of 283 and other games of 190 and 232 to cross 705 and take both men's honours. Len. Moran had 607-251.

In the Glamour Girls Mabel McIntosh took all the honours with a high single of 270 and other games of 159 and 212 to cross 641. Florence Wyatt had 601-252, Norah Sleivert 600-214, Marge Crummy 237, Lillian Acres 226, Grace Cleveland 206, Betty Vice 205, Betty Anderson 200.

Lorne Byers rolled the high cross in the Country Gentlemen's League, having nice games of 217, 285 and 243 to cross 745. Dave Melvin, after an absence of a few weeks, came along late and started off with a string of 245, then rolled the high single, a 288, and finished with a 167 to cross 698. George Ruppert had 676-249, Frank Dunlop 668-278, Harold Armstrong 612-253, Glenn Carkner 612-273.

In the Finch Mixed League on Friday, Muriel Binda had games of 180, 175 and 187 to take the ladies' cross with 542. Eva Ouderkirk crossed 526 and rolled the high single, a 210. George Ruppert was at his best, rolling games of 260, 296 and 282 for a triple of 838, and then added two more games of 296 and 313 for a five-game cross of 1447. This is an alley record.

METCALFE TELEPHONE CO. HOLDS ANNUAL MEETING

The annual meeting of the Metcalfe Rural Telephone Company was held in the Town Hall, Metcalfe, recently, when a progressive year was reviewed. The retiring president, A. C. Blair, thanked all for their co-operation.

Officers for the coming year are: President, A. J. Scrivens; vice president, G. M. Jeacle; directors, A. C. Blair, J. A. Waddell, A. J. Scrivens, G. M. Jeacle, P. E. Boothe, H. C. Latimer, A. R. York, G. E. Morris, F. W. Kirkpatrick and G. M. Reaney.

The new president spoke of the important part played by the retiring president. He pointed out that Mr. Blair had guided the company through difficult times, including bad ice storms, and steadily mounting costs of labor and material. Despite this, he said, Mr. Blair had succeeded in keeping the rates at a low figure.

W. H. S. NEWS NOTES

(By Winnie Deeks)

SUNDAY, MARCH 29th, 1953.

"The Cross"

A British officer had fallen mortally wounded in a bayonet charge in Flanders. His orderly found him alone and dying. The officer asked the soldier if he thought he could say a prayer. "That isn't in my line, sir!" replied the man; and then, with a sudden thought, he said: "But I have a little cross my mother gave me; will that help you, sir?" The officer took the cross and, lifting it up before him, murmured: "Hold Thou Thy cross before my dying eyes," and died. So God is holding Calvary before the eyes of a world that is mortally wounded, and upon which the last shadows are rapidly falling."

MR. AND MRS. RICHARDSON HONOURED BY BAPTIST CONGREGATION

(Continued from Page 1)

Mr. Lang. Belway, and the presentation of a wrist watch to Mr. Richardson, a purse with a sum of money to Mrs. Richardson, and a dress, sweater and stockings to Nancy, were made by Mr. Sparling Summers.

Mr. and Mrs. Percy Cummings Honoured

Prior to their leaving for Edmonton on April 1st, Mr and Mrs. Percy Cummings, local members of the Baptist Church, were also honoured at the farewell party by fellow members of the church. The address was read by Dr. J. J. McKendry, of Ottawa, and the presentation of a Scoffield Bible to Mr. Cummings, and a sterling silver pin to Mrs. Cummings, was made by Mrs. Wm. McIntyre. Both Mr. and Mrs. Cummings replied graciously, expressing their regret in leaving so many good friends in Winchester and district.

Refreshments were served by the ladies of the church under the convenership of Miss Jean Wyatt. The farewell was concluded with the singing of "God Be With You Till We Meet Again.'

The attractive and colourful booklets containing the addresses were designed by Miss Jean Wyatt.

Following is the address:

Dear Percy and Ada:—Up to a few months ago, we looked upon you as a permanent fixture in our midst. But the West has called you. As this fact has settled upon us, we began to realize what a grand family you are, and how much you have meant to us.

You shall be missed in every department of our church and social life. You, Ada, have been highly appreciated for your willing, efficient service as organist. Indeed, your whole family will leave a great vacancy in Sunday School and church service.

We hope and pray that your sojourn in the West may be prosperous and blessed. When you have completed your purpose there, we will welcome you back, with open arms, to our church and community.

We could not allow this event to pass, without some tangible recognition of our affections for you. We hope these little gifts will serve to keep burning in your hearts sweet memories of Winchester Baptist Church and South Gower Baptist Church.

Signed—Ben. Richardson, pastor; Mrs. Dudley Craig, Mrs. W. E. Graham.

TRIPLE CHECK OK Used Car & Truck Sale

GOING STRONG!

New Chevrolets, Pontiacs, Oldsmobiles, Buicks, Cadillacs, Chevrolet Trucks and GMC Trucks are being delivered to our customers daily, and naturally, a splendid variety of "TRIPLE" Check Cars and Trucks are rolling in and out of our reconditioning plant all the time. A lot of them barely make Melvin's Used Car lots before they are sold.

For instance, last week Melvin's sold a 1952 Chevrolet, a 1951 Pontiac Coach, and a 1951 Studebaker with overdrive, and were so sold on these cars themselves that they lengthened the guarantee on all three models.

Yes, that's just the way they deal down at Melvin's. Their cars are the finest, their prices are more than in line, and their Warranties have made it possible for them to boast of 70% of their business last year being repeat business.
