SECOND HONOR—Miss Annabel McNaughton of Bainsville, principal of Margaret D. Bennie Public School at Leamington, Ont., has been awarded the Canada Centennial Medal. A daughter of Mrs. E. L. McNaughton, Bainsville, Miss McNaughton is president of the Federation of Women Teachers Association of Ontario which represents almost 30,000 teachers. Just three weeks earlier Miss McNaughton was one of two Leamington public school principals honored with awards of merit by the Chamber of Commerce for outstanding contributions to the community.

Face Gashed By Chain Saw

A Dalhousie Station area farmer, William McCuaig, suffered a near-fatal gash on his face, Monday, when cut by a power saw he was wielding. Mr. McCuaig was rushed to Cornwall General Hospital by his wife and daughter and reportedly was near death from loss of blood on arrival.

His condition is now reported favorable.

Mr. McCuaig was cutting a tree in a gully near his farm home, Ste Justine, Que., shortly after noon Monday when his chain saw is thought to have hit a staple. It glanced off, cutting his right cheek from near eye to mouth.

He is a brother of Walter McCuaig, on the neighboring farm, and Hugh James McCuaig, Bainsville.

Attacked By Purse Snatcher At Ottawa

Glenda McDonell of Williamstown, was attacked by a purse snatcher in Ottawa last Thursday night, suffering bruises to the face and the loss of some $60 in cash.

Supervisor of girls' PT for the Ottawa Separate School Board, Miss McDonell drove into the basement garage of her apartment building. After the automatic doors had closed she was attacked and beaten about the face before losing her purse. The incident failed to interfere with a weekend departure for a holiday in Nassau, Bahamas.

Miss McDonell is a daughter of Mr. and Mrs. Allan E. McDonell of Williamstown.

Plans For 1969 Tour To Scotland Aired At Pipe Band Concert

"Scotland In '69" is the ambitious new slogan of the Glengarry Pipe Band and the proposed tour next year was aired at the band's annual concert Saturday night in the Community Hall.

Angus H. McDonell announced to the capacity audience that the Committee had been busy checking the many problems involved in such a project, and felt they could go ahead with their plan to fly the Band to Scotland in August, 1969.

Angus and John D. MacLennan, who are the Transport Committee, have received quotations from several Travel Agencies, and are still considering flight offers.

The Scottish Tourist Board and the Edinburgh Parks and Recreation Dept. have already written to say they would help in planning engagements for the Band while there, and the Rev. H. Russell Ferguson of Dunvegan, who is going over this year, will represent the Band in making further arrangements.

Morlin Campbell and his Finance Committee have the biggest problem of all, raising funds to pay for the trip and the whole project depends on the success of this committee. Several plans are now being worked on and will be announced as soon as they are completed.

The concert itself was a rousing success. The Band was honored by the presence of part of the Canadian Forces Pipe Band of Rockcliffe, and both bands performed separately and as a combined band, in all cases under the capable direction of Pipe-Major John MacKenzie, who is the Instructor for both bands.

R. G. MacGillivray of Kirk Hill, was MC for the concert which featured songs, dances and the Old Time Fiddlers from Ottawa, in addition to the band music.

"SCOTLAND IN '69"—That's the ambitious new slogan of the Glengarry Pipe Band and it was prominently displayed at the band's annual concert which drew a capacity audience to Maxville Community Hall, Saturday night. Angus H. McDonell reported the many problems involved in flying the band to Scotland in August 1969 had been checked and the committee felt it could go ahead with plans. Grant MacGillivray was chairman of the program which included music by members of the Canadian Forces Pipe Band of Rockcliffe and the Glengarry band seen above, from left to right—Pipe-Major Arnold Munro, Barbara Mutch, Archie McDonell (a veteran of World War I) Jamie MacMaster, Dawn Campbell, Gary MacKillican, Mary Cummings, Gail Campbell, Merrill MacPhee, Allison MacMillan, Fairley Munro, Elizabeth MacLennan, Billy MacNaughton. At right, Douglas Fales, Montreal and Dornie, student of piping, Gaelic and Glengarry lore, presents a set of 74-year-old David Glen pipes to John D. MacLennan, chairman of the piping school. They are to be the "Resident Pipes" of the school and were given into the care of the Chief Instructor, Pipe-Major John MacKenzie. At left of Mr. Fales are Pipe-Sergt. Charles Bell, also of the Canadian Forces Band and veteran piper Lachlin MacKenzie, former owner of the set of pipes. Photos by MacIntosh Photography

Man Charged With Practising Medicine Illegally

A Gatineau Mills, Que. man, Claude Lavoie, 27, was arrested here by Chief Sylvio Cleroux this week and charged with practising medicine illegally. A herbalist, the man was allegedly visiting a group of patients here, diagnosing ailments and treating them.

Charged under the Medical Practices Act, Lavoie was released on bail and will appear in Magistrate's Court here next Monday.

Council Asking Education Minister To Delay Decision On Area Public School At Laggan

Town Council will ask the Minister of Education to delay any decision on the location of a new consolidated public school to serve Lochiel Township and Alexandria.

A strongly worded resolution was passed at Tuesday's meeting of Council in the wake of a decision of a majority of the area board to locate the new school at Laggan. The board, we understand, has selected a site just east of the cheese factory at Laggan and has applied to the Minister of Education for tentative approval of the site.

Opposed to this location are the three Alexandria representatives on the Area Board who are a minority on the eight-man board.

Council rescinded a motion of Aug. 6, 1966, which consented to a location for the new school in, or adjacent to, the town limits and expressed its disapproval of the proposed Laggan site. The resolution terms the site not logical in more ways than one and points out school sections in Kenyon and Lancaster townships have indicated interest in sending their pupils to a consolidated school if it were built at Alexandria.

The resolution, addressed to the Hon. William Davis, Minister of Education, reads:

Resolved: That this Council in general session rescind our motion of August 6, 1966, at which time we had consented to the construction of the new Public School, providing same was built inside or close to the town limits. With due respect to the different delegations and representations made to this council by Public School supporters and board members in our town and surrounding townships of Kenyon and Lancaster, we ask and request to have placed on record that we are strongly opposed to the proposed site in the Laggan area picked out by members from Lochiel Township who have five members compared to three from our town. So we do not have to emphasize or tell you Sir, that the board is loaded and controlled by Lochiel's five members. We maintain it is definitely not logical in more ways than one, financially, economically and certainly unfair to leave the town's built-up area, where all the services are available, to go and build approximately seven miles out in the country where there are no facilities. We are told that parts or sections of Lancaster and Kenyon townships would join in sending some of their bordering pupils here if the school were built in town. We ask your indulgence, Mr. Minister of Education, in not taking a hasty decision but first sending a few representatives from your department here to look over the situation and meet with different groups involved, and with our council, before making a decision. It is too important a decision to make, causing financial burden to the taxpayers, who are already being taxed to the limit.

Also that a copy of this resolution be forwarded to Mr. Osie Villeneuve, MPP and Mr. Viateur Ethier, MP and to Mr. H. Barber, Inspector at Cornwall, and also to the Clerk of the United Counties of Stormont, Dundas and Glengarry to be discussed at their next session of council.

Higher Penalty For Impaired Driving

Two Cornwall residents and one Toronto man were convicted on impaired driving charges in court here Monday and were levied fines of $100 and costs with three-months' suspension of driving privileges. The penalty was higher than those previously imposed in such cases, we understand.

Two local youths found guilty of the theft of winches from the Loch Garry dam were given suspended sentences and placed on probation for nine months.

To Be 92

Now a resident of Glen-Stor-Dun Lodge, Joseph Theoret will mark his 92nd birthday next Monday, March 25th. He was a farmer and drover at Glen Norman during his active years.

Mr. Theoret remains in good health and enjoys chatting with his companions at the Lodge.

Barn Is Lost Near Dunvegan

Fire raced through a barn and outbuildings near Dunvegan early Wednesday, levelling the structures owned by Simon Duval of RR1, Dunvegan.

Some 8,000 bales of hay, farm machinery and a dozen hens were lost in the blaze. Damage has been estimated at $8,000 to $12,000. Fire broke out at 3 a.m.

Maxville Fire Department answered the call.

Mrs. W. S. Pickup Died Sunday

Mother of Mrs. John D. Grant of Alexandria, Mrs. Dorothy Pickup died Sunday in Glengarry Memorial Hospital, here. In failing health for some time, Mrs. Pickup had resided with Mr. and Mrs. Grant for the past three years.

She was the widow of Rev. W. S. Pickup of Fort William.

To mourn she leaves her daughter, Zoe, Mrs. John D. Grant. Alexandria, and one son, Dr. H. Pickup of Alert Bay, BC.

Rev. Leonard S. Woolfrey conducted a service Monday evening in the chapel of Marcoux & Morris and the body was conveyed Tuesday to Fort William for interment. Mr. and Mrs. Grant and family accompanied the remains to Fort William.

Irish Concert Enjoyable Success

St. Patrick was well honored Friday evening when the Glengarry Highland Dancing Association presented its third annual St. Patrick's Concert to a capacity crowd. The Alexander Hall was attractively decorated under the direction of Sister Eileen Murphy.

The talented youth of Glengarry, students from the Alexander School and MacCulloch School of Dancing performed in songs and dances. The Alexander School pupils were under the direction of Sisters Cecile Huot and Georgette Bellefeuille.

A highlight of the evening was the singing of Sylvester MacDonald of Cornwall accompanied by the ever popular Father McPhail. Jean and Gracie Morris sang Irish songs accompanied by Mrs. J. Daniel MacDonald.

The Cuthbert MacDonald family of Glen Roy added greatly to the program with musical numbers.

A quintette of Lions added humor and laughter to the concert. They were Michael Barbara, Ernie Gallant, Ronald Macdonald, Ranald MacDonald and J. P. Touchette.

Ranald MacDonald was master of ceremonies.

Winner of the draw for a quilt was Mrs. A. Buchanan of Cornwall.

No Parking On Sidewalk

The practise of parking half the car athwart the sidewalk, popular along our narrow Main Street, may now bring a fine.

A by-law to prohibit vehicles from sidewalks, public parks and private property was enacted Tuesday by council, on recommendation of the town solicitor and Chief Cleroux.

A two-hour limit was also placed on parking in the town lot near the fire hall.

Former Resident, Norbert Bonneville Died From Gunshot Wounds

A former Cornwall alderman and for a time a resident of Alexandria, Norbert Bonneville, 52, was found dead in his Cornwall home, Saturday, the victim of pellets from a 20-gauge shotgun. The pellets struck his neck and face.

Mr. Bonneville was found dead in the recreation room of his home by a daughter, Rita who told police she had just entered the house when she heard a gun discharge. On investigation, she found her father's body with a shotgun beside it.

His son, Ronald said this was the season when his father, who was an avid hunter, usually cleaned his guns prior to storing them for the summer.

The gun which caused the tragedy was a new one purchased fairly recently and the son said he believed his father had had some trouble with the firing mechanism.

The deceased was born at Lancaster, the son of the late Mr. and Mrs. Zenon Bonneville. His wife is the former Fernande Lavallee. From 1959 to 1962 inclusive he was a member of Cornwall city council.

At the time of his death he operated the Bonneville Funeral Home on First Street East.

Some 20 years ago he had been a resident of Alexandria while associated with the late Jos. Marcoux in the present Marcoux & Morris Funeral Home.

A member of Knights of Columbus, Council 755, he was also a longtime member of the Richelieu Club.

He is survived by his wife; one son, Ronald; and three daughters, Mrs. Robert Latour (Anita), Rita and Michelle, all of Cornwall.

There is one brother, Jean Paul of Val D'or, Quebec and five sisters, Mrs. Raoul Frappier of Cornwall, Mrs. Harold Sharlow of Calgary, Mrs. James Nunn of Long Island, NY, Mrs. William Baynton of Sault Ste. Marie and Mrs. Gabrielle McHugh of Galt. There are also two grandchildren.

The funeral was held Wednesday to Nativity Church and cemetery.

Fourteen Entries Already In For Easter Weekend Golden Puck Peewee Hockey

Using Ice Shaver

Minor hockey play was postponed at the arena, yesterday, as an ice shaver went to work to trim thickness of the ice from some three inches down to one inch. The thinner ice will relieve the ice-making equipment in a time of mild weather.

Fourteen entries have already been received for the Golden Puck Peewee Hockey Tournament to be held here over Easter weekend and the organizers hope other entries are still to come in. Invitations went out to 24 teams, some of them in Northern New York State to provide an international flavor for the event.

Among entries already in from a distance are those from Petawawa, Shawville, Que.. Ottawa, Renfrew, Smiths Falls and Montreal in addition to area teams. The event is sanctioned by the ODHA and all players must be registered.

Play will get underway Friday, April 12 at the Community Centre and will be concluded Easter Sunday night. Taking part will be from 300 to 500 boys and a big part of organization will consist of arranging for accommodation of players in private homes and the entertainment of accompanying adults.

John Chornabay and Gerry Simpson are general chairmen and they are being assisted by officers of the Minor Hockey Association and other town and area residents.

Chairmen of the various committees are:

Accommodation—Ernie Gallant.
Publicity—Mrs. Mervyn MacDonald.
Program and Tickets — Gerry Simpson.
Parents and Guests—Duncan A. Macdonell.
Meals for players at Legion—Mrs. D. O. Collin.
Crests, Trophies—Marcel Quesnel, Claude Filion.
Welcoming—John G. Proulx.
Registration of teams — Mrs. Doug Westley.
Ticket Sales—Mrs. Jack Libbos. Mrs. Duncan Morris.
Time Keepers — Luc Lefebvre, Rolland Lalonde.
Referees—Carman MacMillan.

Brother, Sister Win In Oratory

A brother and sister, both of them students at Char-Lan District High School, captured the top honors in the Zone G-4 public speaking finals at John McMartin Memorial Branch 297 in Cornwall, Tuesday, night.

Janie Fortin won junior honors and Peter Fortin the senior award. Their participation was sponsored by Lancaster Branch 544, Royal Canadian Legion.

The participants in Tuesday's event were all finalists in their own schools, and came from a wide area. The two winners were presented with trophies and shields and Branch 544 presented a cheque. They will also take part in the district finals at Smiths Falls, March 30.

Those taking part in the junior competition, with Janie Fortin, were Shirley Higginson of Vankleek Hill and Francine Poirier of Glengarry District High School, Alexandria.

In the senior group, Johanne Lavergne represented Vankleek Hill, Barbara Freeland, was from Glengarry District, and Suzanne Decoste, was also from GDHS.

Miss Lavergne and Miss Decoste spoke in French.

Judges for the evening were Mrs. Therese Whelan, Reginald Morgan and Robert Tyler. Campbell Fraser spoke on the purpose and value of public speaking.

St. Isidore Man Seriously Injured

Jean Guy Bercier, 20, of St. Isidore de Prescott was seriously injured early Wednesday when his car left the road and struck a tree. The accident occurred on County Road 20 some three miles north of Maxville, about 12.50 a.m. Wednesday.

He was pulled from the wreckage and rushed to Hotel Dieu, Cornwall, with fractured ribs and possible internal injuries. A passenger in the car refused treatment and went home, police said.

Damage to the car was estimated at $1500. Constable A. K. McBain of Lancaster, investigated.

Town Would Sell Schell Property To Potential Industry For $1,000

The former Schell property, bordering the lake on Kenyon St. West, will be offered to an interested party for industrial purposes for $1,000, town council decided at Tuesday's meeting. Once site of the Schell foundry, the property is owned by the Corporation and council was acting on a recommendation of its Industrial Committee.

The committee, headed by Councillor Jean Clement, has had 13 leads from potential industries. Two of them are especially promising, we understand, but the committee is not yet in a position to make any announcements.

Council will petition the Minister of Justice to provide a Family Court service in Alexandria, at least one day a week for a start. The nearest Court now is at Cornwall.

Councillor Lyall Costello was appointed Alexandria's representative on the Raisin River Regional Authority.

A by-law was passed authorizing the issuing of debentures in the principal amount of $904,000 for the addition to Glengarry District High School. The debentures will be purchased by the Ontario Education Capital Aid Program, a branch of the Department of Municipal Affairs.

The road maintenance and construction by-law was approved in the amount of $37,200, much lower than last year's approved spending at $55,000. Council can also apply for capital construction above this amount.

Council approved a suggestion of Police Chief Cleroux governing drivers of taxis. Chief Cleroux informed members on new regulations that apply to taxi drivers. If authorities feel a driver is incapable because of age or health, a driving test may be ordered, as well as a medical certificate. Council agreed to amend the by-law governing taxis. Changes will also include more adequate public liability and property damage coverage.

Acting on a request from Council, the Ontario Police Commission will send one of its personnel, F. J. Taylor, to advise members on provisions governing the policing of small towns by the OPP.

Clerk Don Collins was instructed to prepare the by-law providing for adoption of Daylight Saving Time.

Died At Memphis

The former Isobel McGillis, Rev. Mother Anita died Monday, March 18th, in hospital at Memphis, Tenn.

She was a daughter of the late Duncan McGillis and Agnes McRae. Surviving are two sisters, Misses Mary and Jessie McGillis of Ottawa.

The funeral was in Memphis.

THE SNOW IS MELTING—Lovely spring weather this week is getting rid of the snow, but there are problems when the run-off has no place to run. Like on Park Street, down by the playground, which was closed to traffic so deep was the water cover. Not only cellars in that area were flooded. Merchandise valued at more than $500 was damaged in the basement of the new Stedman store over the weekend when the sump pump couldn't keep up with seepage.

EDITORIAL

IT'S OUR OPINION

On The Brink Of Monetary Chaos

That we are spending our way into another depression has been the recurring theme of our editorializing over recent years and now we find the Western world poised on the very brink. The international gold crisis has reached such threatening proportions that it may already be too late to save the dollar.

If the United States is forced to devalue its currency the Canadian dollar, and all other currencies of the democratic countries now measured in terms of the U.S. dollar, will be similarly affected. Then almost certainly will follow currency chaos and so great a drop in international trade as to plunge us into a serious depression.

We grew up in the last one and we shudder to think this affluent society will be called on to readjust to the bread lines of the dirty 30's.

This international gold rush is primarily the result of sustained over-spending by the Western countries. Their governments have led the way but the man in the street has been anything but loath to garner all the give-aways pouring from the public purse. Even in the face of inflation and the steadily cheapening dollar there has been the insistent demand for higher wages without a corresponding rise in productivity.

We have all been guilty of playing a part in the assault on the dollar. Even now as paper money loses its appeal the rush for gold is based largely on a selfish interest to make a profit despite the probability these widespread attacks on world currencies will result in chaos and depression.

This rush to convert paper money to gold hits hardest at the United States which has been the bastion of the capitalist system. On the solidity of the U.S. dollar has depended the currency of almost every other non-Communist country and now confidence in the American dollar is at a low ebb. Deficit financing to maintain the highest standard of living the world has ever known is further burdened by costs of the war in Vietnam and a widespread lack of trust in the leadership of the Johnson administration.

This is a presidential election year in the U.S. and the reluctance of Congress to impose higher taxes has further weakened worldwide faith in the dollar, already hit by Britain's devaluation of the pound.

The deepseated muddle in Britain stems from war spending followed by idealistic social welfare schemes that have priced her out of world markets and left her almost bankrupt.

Canada has added to the draining of confidence in the dollar by over-spending at all government levels and trading off its assets for a socialist concept of the good life for all. Even now, in the face of real trouble, the government at Ottawa goes its faltering way, putting on a bold face of fiscal firmness while insisting on a national health scheme calculated to further weaken the dollar in the eyes of international economists.

The whole Western world is in deep trouble now, almost wholly dependent on the ability of Washington to withstand the rush for gold.

We can thank providence if we manage to escape worldwide depression and we can resolve to ensure Canada plays a more responsible role in keeping the dollar strong in future. This we can do only by electing responsible men to office.

Canada has been ill-served by successive governments at Ottawa, and Ontario should not be proud of its Queen's Park occupants and their penchant for over-spending.

A Time For Dissent

Newspapers right across the province are reporting disapproval of the new plan for county boards of education as interim committees hold their first meetings. The representatives of the various secondary and public school boards are coming together with departmental officials and the discussions bring out the fact that disenchantment with the Government plan is widespread and goes deep.

It can be hoped that these reports of public disfavor are flooding back to Premier Robarts and that this accounts for his delay in bringing the measure before the Legislature. It can be further hoped that he is politically astute enough to realize he is moving too far, too fast and will decide to delay the legislation until local objections have been well considered.

Last week's meeting at Cornwall was closed to the press but from it have come reports of strong dissension with the methods used by the Department of Education in presenting its plan. "Strong armed" and "dictatorial" were phrases used by many following the meeting. Members were not satisfied with boundaries, seeing the area as too large for efficient administration. The lack of definite information concerning methods of taxation, assessment, authority and other features of the plan have left all area school boards in a state of confusion and Education department officials reportedly heard many bitter denunciations and accusations.

We imagine they are thick-skinned, though, these hirelings of the Department of Education who are plummetting themselves into positions of power under this plan. Premier Robarts claims authorship of this scheme for county boards but surely it has been hatched by departmental bureaucrats. They will presumably provide the advisory personnel for this 16-man board which is to be elected to administer education in these three United Counties and the City of Cornwall.

Those elected trustees will be replacing the boards that now operate eleven secondary schools and fifty-seven public schools. Members from Cornwall and Dundas, understandably, will know nothing of local conditions in Glengarry or Stormont; nor will Glengarry trustees be in a position to evaluate problems in Cornwall or Dundas. The 16-man board will be elected and those most qualified may be hesitant to run for office. The result almost certainly will be a board of yes-men seeking primarily the recognition and recompense that go with the post. The actual administration of school affairs will be in the hands of appointed functionaries who will be taking their orders from Toronto.

One member of the committee estimates a million-dollar increase in costs of education under the new scheme. Certainly costs of transportation, already huge, will escalate if smaller schools are to be closed.

This is a time when all governments and public spending bodies should be retrenching in a last effort to stave off depression. Premier Robarts should be made aware of the fact his plan is badly timed and ill-conceived. Those who distrust this education plan should be inundating him and his party followers with letters of dissent.

The Case For Breathalyzers

Proposed amendments to section 223 of the Criminal Code of Canada will require drivers, when policemen have reasonable and probable grounds, to submit to breathalyzer tests. If a driver refuses to take the test under the new legislation he is liable to a minimum fine of $50. A corresponding amendment to section 224 of the Criminal Code states that if blood-alcohol content exceeds .10, the person is guilty of an indictable offence.

At present in Ontario, no one has to take a breathalyzer test. If a driver consents, the results can only be used to corroborate other evidence that alcohol was present.

Why should breathalyzer tests be mandatory, asks an editorial in the Ottawa Journal? The Canadian Highway Safety Council say 3,846 traffic deaths occurred in the first three quarters of 1967 and estimates that alcohol was a factor in 50 per cent of the deaths. Since Britain introduced compulscry breathalyzer tests in 1967, road deaths there fell 33, 20 and 33 per cent in the months of October, November and December, compared with all of 1966.

Is .10 blood-alcohol content just an arbitrary figure? Many countries use lower figures to indicate impairment. In Britain it's .08. Some East European countries ban drivers from the road on finding a trace of alcohol in the blood. American studies have shown that a blood-alcohol level of .03 to .04 is not dangerous.

But at .10 virtually everyone's driving is impaired and the likelihood of an accident is at least six times that of a sober person. At .15 accident likelihood climbs to 25-50 times that of a sober person. The Canadian Highway Safety Council estimates that drinking six one-ounce shots of whisky in one hour would result in a blood-alcohol level of around .10. Anyone who has drunk that much has no business driving.

Those are the facts. The mounting carnage on our highways must be reduced. For the common good, mandatory breathalyzer tests appear essential — unless opponents present a better case than we have heard.

Look Ma, No Rubbers!

Who'd want to be in Tampa now that April's here, we were thinking as we trod the bare pavement homeward at lunchtime? March was still with us, but what a lovely day it was with sun pouring down and the mercury up in the 50's.

The lilt in our step and the song in our heart reflected the fact that for the first time in months we were without topcoat and rubbers. It's something of the same feeling of joyous freedom a youngster must exult in the first day he goes barefoot.

Just a week ago a storm was blowing in six more inches of unwanted snow. Most of it's already gone down the drain and even though we may be in for a few more slaps from Old Man Winter we are now assured that spring has actually sprung.

We walked abroad without our rubbers.

The editor,
Glengarry News,

We have found the answer! Move to Hawaii for efficient mail delivery. It seems incredible that the News can be received in Hawaii (some 6,000 miles away) on the Saturday of the same week it is printed.

While here in Stittsville (some 90 miles away) we received our Feb. 29th issue on March 11th. How's that for service? While at Bells Corners (5 miles from here) they received the same issue March 1st.

If you chartered a plane to provide service to Hawaii — why couldn't you at least charter a 'turtle' to provide service to Stittsville? Or do we not live far enough 'Beyond the Fringe?'

There's only one consolation. The service can't get any worse.

A disappointed subscriber.

The Weeklies Say

HOME'S THE PLACE

Somewhere along the line, someone has neglected to drum into a vast number of children the old caution "Look to your left, then to your right, before you cross" and "Always walk facing the traffic" and other little homilies designed to become an integral part of our natural instincts. The lack of training many young receive in the home about "minding the traffic" makes it a near-miracle that so many live long enough to enter Grade 1 . . . Wouldn't it be ridiculous if parents so abrogated their duties that children had to wait until they started school and were subjected to Toto the Toilet Turtle before learning that particular function.

BEER PARLOR SITTERS

Nothing is more pleasant than to sit down with a friend to quaff a beer or two before getting on to more exhilarating pastimes, or than finishing off an evening with that final glass. To make a life, to build a world inside the walls of a tavern, however, is somewhat ridiculous and unfortunate . . . It cannot take the place of a well-rounded community life . . . Sitting behind a beer parlor table several hours a day is useful to the proprietor but it isn't very helpful to the person or his community.

SECOND CLASS CITIZENS

It is an interesting fact that a person who lives in an apartment or rented house can become prime minister of Canada, but he cannot become a municipal councillor nor vote on money bylaws.

Let's be realistic and grant tenant electors the rights of first class citizenship. It is no more than their due.

No, Everybody Doesn't

Milford (N.H.) Cabinet

"They finally got Jimmy Hoffa," our luncheon companion remarked, looking up from his plate of spaghetti. "It just goes to prove what the fella says, that we all do these things but most of us don't get caught."

"Will you repeat that?" we replied.

"I said," he went on, "that we all do these things but only a few of us get caught."

"That's what I thought you said," we answered. "And how many juries have you tampered with?"

"Juries? Me?" He paused. "Oh, I see what you mean. Well, I shouldn't have said Hoffa. But take Adam Clayton Powell. Everyone cheats on his income tax. Only Powell got caught."

"Are you telling me that everyone collects a $20,000 a year salary due his wife, pockets the cash, and forges her name to a joint tax return?"

"Oh," he replied, "you know what I mean. Everyone gets away with something . . ."

Why this willingness, this compulsion that so many people seem to feel, to boast about things of which they ought to be ashamed? Does the person who cheats on his income tax feel a little better if he declares that everybody cheats? What does one think . . . what can one think . . . about the person who insists that everybody cheats on examinations, everybody drives after drinking, everybody breaks the speed laws?

We look forward to the day when we hear someone with the courage to break up such a conversation by saying with conviction: "I don't!"

Hatlo's They'll Do It Every Time

WITH OUR

RAMBLING REPORTER

by Ed.

WE SMOKE MATCHES

Gasoline burners and cigarette smokers got it in the neck again in last week's Ontario budget and we're also finding out our "free" hospitalization is going to cost us almost double. It's just another reminder that governments can't give us a darn thing without first taking it from us in taxes.

And what we do get back through government invariably costs more than we would have paid for it ourselves.

The way cigarette prices are going up it would seem Queen's Park is out to break people of the habit or simply break them.

Haven't heard yet what our pipe tobacco is going to cost with the added tax, but the bite won't be hard on us. We smoke matches and there's no additional levy on them.

Adolescence is when children' start bringing up their parents.

POOR TIMING

School's out this week and no doubt the kids and their teachers are enjoying the break from classes even though it's a poor time of year to be out on the town. There's always television to watch but that must pall; and of course a youngster can't go wrong while doing a bit of studying.

It won't be so messy a month from now, though, and the kids will be more in the mood for holidaying about Easter week when they're back in school. It must seem a long way to June.

So many teachers have taken off for Florida and other sunny climes one is left wondering if the teachers' union might not have pressured the Department of Education into moving back the Easter holiday. Who could blame 'em when they shiver through our cold January and read where an estimated one in four Canadians will be heading for a holiday in the south.

That sounds like a rather big percentage. If that many Canadians went for the sun it would seem only the school population, dairy farmers and Rambling Reporters were left to hold the freezing fort. Now it's going to be only us and the cow boys.

If you've half a mind to go into politics, go ahead; you've got all the qualifications.

WE'RE HOSPITAL TO THE IDEA

The move by area veterinarians to establish a hospital for large animals here apparently will provide a service that is badly needed. Surprised we were to learn that such aid posts are so few and far between that a Glengarry cow requiring hospital care now must be conveyed to such distant points as St. Hyacinthe or Oshawa.

Alexandria will welcome this second hospital, designed to take care of emergencies in the animal world. Most of our cows must be fairly healthy since we got rid of tuberculosis, brucellosis and a lot of other bovine ills. But no doubt there are other ailments like double stomach ache that your Rambling Reporter has never heard about. Our area also has a lot of mares who are in a delicate condition and probably a Caesarian is called for once in a while.

When Dr. Abbey saw the need of an animal hospital here, he may also have been aware there are lions in Alexandria and Maxville; we have our share of road hogs; there's a lot of bull-shooting being done. He's got two good eyes, has Harry, so he must appreciate the fact some of our young heifers have lost their knee cover. No doubt he figures some of our ewes (or is it spelt youths) could do with a shearing, too. And then there are all those old goats who may have trouble digesting a Stanfield.

Smart idea to be including small animals in this new hospital, too. We've got our share of cats who sound sick at times. The dog population must be suffering from frustration since Fido isn't allowed to run free, or even bark at the moon. In spring it must be specially hard on his herd instinct.

We have our share of skunks, as most communities must learn to live with; but handle them with rubber gloves, Harry, in case they are rabid. The few wolves we boast are a rarity and we've had complaints from some of the weaker sex that they are only the brush variety.

It's certain sure we can use an animal hospital here and we hasten to beat you to the punch by suggesting it may be able to do things even for a rat who can't stomach cheese. That's us.

A reformer is one who insists that his conscience be your guide.

DUNVEGAN

Teachers and students from both the High and Public schools are enjoying a week's holiday.

The Young People of Dunvegan went to Montreal on Saturday evening to attend the Montreal-Pittsburg hockey game at the Forum.

A number from this area took in the Scotch concert in Maxville on Saturday night.

It was with regret that friends here learned of the death at Scotch Plains, NY, of Mrs. John Chisholm MacLeod. Burial took place on Wednesday in Dunvegan cemetery.

Mrs. Forbes MacKinnon was in Ottawa on Saturday to visit Mrs. Coombs at the Civic Hospital. She was accompanied by Mrs. Duncan MacDonald of McCrimmon.

Donald Fleming and Gerald McGillis were in Montreal on Saturday.

Among visitors with relatives here over the weekend, Miss Shirley MacRae, Miss Gladys MacLeod, Mr. and Mrs. James D. MacLeod and Mr. and Mrs. Malcolm Dewar, all of Ottawa.

At the Euchre Party held in the Orange Hall on March 13th, the winners were Ladies' First, Mrs. Allister MacGillivray, Dalkeith; Ladies' Low, Mrs. Dan MacRae, Dunvegan West; Men's First, John B. Seguin, RR1, Dunvegan; Men's Low, Ernie Cameron, Maxville; door prize, Ernie Cameron, Maxville. The next euchre party, sponsored by the LOL and WI, will be on March 27th at 8.30 p.m.

GLEN SANDFIELD

Mrs. Albert Geneau, Rolland Geneau of Montreal and Mrs. Lalonde were in Ottawa, Saturday to visit Fred Labelle, who is a patient in Civic Hospital.

Mrs. Finley Fraser, Montreal, spent the weekend at her home here.

Mr. and Mrs. Keith MacMillan and children spent Sunday with Arthur Golden.

Mrs. Neil McLachlin, motored to Cornwall Sunday to visit her brother, Kenneth McNeil, at the Lodge.

The Men's Club (AOTS) met in the Glen Sandfield Hall Monday, March 18th. A turkey supper was served by East Hawkesbury UCW. Guest speaker was Mrs. James Wightman, Alexandria, "How the newspaper is made".

Auditor's Report -- Village Of Maxville

The Ratepayers,
Village of Maxville.

In accordance with the instructions of your Municipal Council and the requirements of the Department of Municipal Affairs, I have audited the books and records of the Village of Maxville, and prepared the Financial Statements for the year ended 31 December 1967.

The Statement of Revenue and Expenditure on Form D shows a surplus for the year of $202.99, and I present a comparison of the revenues and expenditures for the years 1967 and 1966.

REVENUE:

	1967	1966
Revenue from taxation	$ 61,164.43	$ 58,867.33
Debenture debt charges recoverable	32,522.30	31,291.04
Grants and subsidies	13,756.31	10,615.31
Licenses, interest and other revenues	2,491.21	2,313.53
Miscellaneous per Form D	429.87	882.94
	$110,364.12	$103,970.15
EXPENDITURE:		
General government	$ 4,820.56	$ 5,050.88
Propection to persons and property	6,121.69	8,547.19
Public works	6,174.90	5,209.85
Sanitation and waste removal	1,465.00	1,464.05
Conservation of health	4.31	2.94
Welfare	2,106.13	992.62
Education	22,754.24	25,769.95
Recreation and community services	4,278.85	2,566.45
Debt charges	38,660.14	37,211.90
Discount for taxes	1,568.81	1,591.95
Taxes written off	12.53	202.78
Capital expenditure out of revenue	3,055.77	1,490.06
Miscellaneous per Form D	49.36	
County rates	13,888.84	13,600.13
Provision for reserves	5,200.00	
	$110,161.13	$103,700.75
Surplus for year	$ 202.99	$ 269.40
Surplus from prior years used to reduce levy	4,269.42	
Surplus	$ 4,472.41	$ 269.40

In 1967 the reserve for working funds was increased by $1,700.00 to $15,000.00. A reserve for replacement of equipment of $3,500.00 was set up in 1967.

Ontario Municipal Board approval was obtained to borrow $25,000.00 for construction of a health centre and $25,000.00 for a grant to Maxville Manor. An advance of $2,000.00 was made from current funds for the purchase of equipment for the health centre.

I report that in my opinion:

The financial transactions which have come under my notice have been within the powers of the municipality;

The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs;

The financial statements present fairly the financial position of the Village of Maxville as at 31 December 1967, and the results of its operations for the year ended on that date.

Green Valley And Lancaster Tied After First Two Final Games

Junior "C" hockey finals for the Msgr. Contant Memorial Trophy began Saturday night, March 16th, the first and second place teams, Green Valley and Lancaster, provide the action for exciting hockey.

In the semi-final playdowns Green Valley elimated Alexandria three straight in a best of five series. Lancaster downed Lochiel three games to one in their series of the semi-finals.

Glengarry County was divided into four sections from which teams could draft their players. Alexandria had the town, Lochiel their township, while Green Valley had their selection from the northern half of Charlottenburgh and Lancaster Townships. Lancaster had the choice of the Southern half of the two townships with Kenyon Township left open for any team to draft players from.

The team line-ups for the final series are as follows: Green Valley: goal, Marc Brunet; Garry MacDonald, Norman Menard, Andre Seguin, Robert Henri, Donald Menard, Stewart MacDonald, Ewen McLeod, Melvin McLeod, Raymond MacDonald, Jim MacDonald, Jim MacRae, Bernie Edmond, Jacques Lefebvre, Claude Brunet, Lionel Leroux, coach, Cameron MacDonald, manager.

Lancaster: Glen McPherson, goal; Bill Major, George Montroy, Frank Abbey, Peter McLeod, Glen Bethune, Howard Cameron, Gerry Leroux, Hubert MacDonell, Wendell Lafave, Ken MacDonald, Dave Liddle, Bruce McLennan, Cameron D. MacDonald, Chris. McDonell, coach.

The first game ended in a 5 to 3 victory for Green Valley on Saturday evening. During the first two periods Green Valley scored four unanswered goals as they controlled the play. The third period saw Lancaster outscore Green Valley 2-1 but they could not tie the score because of strong defensive work late in the period by the Green Valley rearguards. A total of six penalties were handed out by the officials Carman MacMillan and John Chornabay.

In Sunday's game Lancaster scored five goals before Green Valley got on the score sheet. In this fast-skating, hard-hitting game both teams vied for puck control. A rash of penalties was meted out by officials Tony MacDonald and Carman MacMillan. The third period ended with a flurry of penalties to both teams. When the final buzzer sounded the score favored Lancaster 7 to 4. Incidentally this was the Valley's first loss in 14 games.

Three games are scheduled for next weekend, the first Saturday night, then again Sunday afternoon and Monday evening. The evening games begin at 8.30 and Sunday's game starts at 2.30.

Golf Annual Saturday Night

Annual meeting of the Glengarry Golf & Country Club will be held Saturday night at the Legion Hall. President Ronald Macdonald will review another successful year and there will be discussion on plans for the season ahead.

Lady Curlers Had Bonspiel

The outstanding event of the season for the ladies of the Alexandria Curling Club was their annual Invitational Bonspiel which took place on Saturday, March 16th. Rinks from Lachute, Brownsburg, Valleyfield, Lancaster, Russell, Hudson (Legion) and Hudson (Whitlock) participated, as well as one from the local club. Appropriately enough, the rooms were gaily decorated with green and gold, and a number of bright green sweaters and very Irish-looking hats were in evidence on the ice.

High two-game winners were the foursome from Valleyfield, with Russell as runner-up; while the high one-game winners were Brownsburgh, with Lachute as runner-up. Mrs. C. W. Mutchler, president, welcomed the guests, and Mrs. D. A. Macdonell announced the scores and presented the prizes.

Mrs. R. J. Graham and Mrs. Rose McDonald were in charge of the morning coffee, while Mrs. Elizabeth Clingen convened the noon dinner and Mrs. Mutchler the afternoon tea. They were assisted by Mrs. Donat Boisvenue, Mrs. Lorne Lawson, Mrs. Keith MacMillan, Mrs. Leopold Lalonde, Mrs. Paul Roy and Mrs. Roma Amelotte. Miss Jeannette Crevier, past president, poured tea.

The competition for the Menard Construction Trophy has been completed and the winner is Mrs. Mutchler's team, with Mrs. Jim Humphries playing lead, Mrs. Keith MacMillan second and Mrs. Donat Boisvenue third.

Minor Hockey Notes

(by Mrs. Mervyn MacDonald)

Our condolences this week to Gerry Dextras whose mother died last week in Cornwall and our congratulations to Gilles Joanette who is now the proud father of a young son.

There was a good crowd on hand last Saturday to cheer on our wee Atoms who met their first outside opposition in two Montreal teams. While they were both defeated: Chicago 3-0 and Detroit 4-0 we thought they put up a pretty good fight. Gilles Joanette tells us the Big City teams were the all-stars picked from a 60 team Atom league and considering our boys have only played eight games this year they did all right. In regular Saturday play these little guys have the biggest audience and for the life of me I can't figure out who has more fun—the kids or their coaches, Ron Allison and Ernie Gallant.

Our Midgets won their ODHA game in Arnprior last week but lost the total point series by one goal. The score was 4-3 for us with scores by Lee Taillefer, Michel Boisvenue, Andre Poirier and Blair MacDonald.

Our thanks in abundance to our local bus owners who so generously gave their buses to transport players to ODHA Playdowns and to tournaments—to Gary Shepherd whose bus took the Midgets to Arnprior; to Andy Menard who took the Peewees and Bantams to Brownsburg and to Real Faubert who has given the Midgets free transportation to Brownsburg, Hull and Hawkesbury. These are tremendous donations and show the great support our Association is getting from our local people. In addition to this we have received a set of sweaters from Morris and Filion for our Juveniles and hockey posters from Glengarry Motor Sales, both of which are deeply appreciated.

Our Peewees lost a heartbreaker in the Hawkesbury tournament last Saturday. They tied 2-2 with Alfred but as the latter team got the first goal they were declared winners. Rodney Shepherd and Brian Filion scored the goals.

The Juveniles won a 7-1 victory over Cornwall in that city last Saturday in an exhibition game.

Scorers were Wendell Lafave 2, Hubert Morris 2, Melvin MacLeod, David Liddle, Bruce MacCuaig.

We have no final standings in our house league to report for the Midgets. Originally they were called IGA and GTL, then the teams were re-arranged to form St. Raphael's and Alexandria. They play off on Thursday this week as the All-Star Midgets go into the Hawkesbury Tournament on Saturday.

Saturday, March 23rd, Playoffs

9 a.m.—Chicago vs. Detroit (A)
10 a.m.—Glens vs. St. Raph. (S)
11 a.m.—Lancaster vs. Can. (S)
12 noon—Lancaster vs. Rich. (P)
1 p.m.—Lions vs. Gr. Valley (P)
2—Glen Nevis vs. Lochiel (P)
3—IGA vs. St. Raphaels (B)
4—Flyers vs. Lanc. Jets (B)

Some of our boys are in the Junior finals now playing with Green Valley and Lancaster. Why don't you go lend them some vocal support fellas and see how a game is won by the players "passing the puck"—something we don't see enough of in our minor games. You could also see what a great help it is to a hockey player to be a good skater. Just go see Lancaster Juniors' Kenny MacDonald who is just about the slickest skater we have around these here parts I betcha. What say you, old timers, where would you rate him?

Now that our season is about over, we hope you young hockeyists will remember all the work your executive, instructors and coaches did for you all year. We think you could write your coaches a little letter of thanks to let him know you appreciate his efforts. Parents, maybe you could encourage this a little bit. Legion Branches Seek Liquor Lounges

A main point of discussion at a meeting of Zone G4, Royal Canadian Legion, at Hawkesbury, Saturday, was apparent discrimination against Legion branches that have applied for liquor lounge licenses without meals.

The meeting decided to request the assistance of area MPPs and forward a copy of the resolution to Provincial Command for action.

It was reported all Zone branches have fulfilled their obligation to the centennial fund of raising $4 per member. The million-dollar fund has been established as a long range trust fund for future widows and orphans of ex-servicemen.

Attending the meeting from Alexandria were President Jim Hubbard, Angus R. MacDonell, Donald MacDougall and D. O. Collin.

Names make news as they say and if that's the case, one of the newsiest items of the year is on its way to area residents. It's your new telephone directory, of course. Although the cover is new and fresh looking, it is really the new and changed listings that are most important to you. I find that it is always a good idea to double check my personal list of frequently called numbers against the new directory listings. We have a handy new Personal Directory to help you make and keep a list of those numbers you call most frequently. It has room for more than a hundred addresses and numbers; a section that lists Area Codes in Canada and the United States; a section with a four-year calendar. Plus a section that doesn't list anything at all. You can use it to keep track of birthdays, anniversaries and special events. What's more, it is free. Just call our Business Office and we'll send you one. It's a handy little book to have around.

★ ★ ★

It's that time of the year again. Yes, in the last week or so our Annual Report for 1967 has been mailed out to our shareholders. Some of you may have received one since more than a quarter-million Canadians hold stock in Bell Canada. It has been a busy, exciting year for our Company. Behind the financial figures are several stories of events which marked our progress during Centennial Year. Our sponsorship with other members of The Telephone Association of Canada of the popular Telephone Pavilion at Expo 67 wasn't the only milestone in Montreal. If you visited Expo and used any of the attractive public telephones while there—we had almost 550 located on the Expo site—your call went through Canada's first electronic telephone exchange. We opened this exchange in time to serve Expo 67 and its millions of visitors. A similar unit will be added this year to Toronto's telephone network, and work is being started on one for Ottawa. As I mentioned in my column last summer, we grew past the 5 million mark in the number of phones served—in fact, 284,000 were added to the total at the service of our customers.

Our construction program was vast—for the first time in a single year we exceeded $300 million in construction expenditures to further expand and improve our communications network. Over 95 percent of this money was spent in Canada.

Interest in space age communications was reflected in two projects. In the first, we started construction of an earth station at Bouchette, Quebec, designed to test satellite relay of TV. data and voice communications into Canada's Far North. In the second, we joined with members of the Trans-Canada Telephone System and CN-CP Telecommunications in the proposal to provide a domestic satellite communications system for Canada.

Of special interest to all of us was the Company's ability to continue to hold unchanged at the 1958 level our basic schedule of local telephone rates—a significant victory in the struggle against inflation. I think that you will agree it has been a busy and successful year for Bell Canada.

ARDA

PACING PROGRESS...

No Canadian should remain indifferent to the fact that there is, in this country, a program whose objective is to promote progress in disadvantaged rural areas.

ARDA is a joint Federal-Provincial program and its goals are to increase income and employment opportunities of rural people and increase the efficient use of rural lands.

In order to achieve these objectives, ARDA is using various means:

- In Ontario, for example, major emphasis is being directed to the farm enlargement program and to the counselling, training and mobility programs which are applicable to the entire rural population.
- The problem in Ontario resolves itself into the improved utilization of both human and natural resources. Our changing technology almost dictates that society will be increasingly urbanized. ARDA in Ontario can and is assisting in the many facets of relocating rural people in urban centers, while at the same time and wherever possible the land resources of the rural areas are being developed and brought into improved productivity to better serve the rural population.

In brief, social and economic development for rural people and optimum utilization of natural resources are the two concepts inspiring ARDA.

before the Board, decisions were made to raise interest rates to 7 per cent on open accounts within the Township records. First and second readings were given for two drains, the Bennett-Campbell Drain (North) and the Bennett-Campbell Drain (South).

Some problems on roads as to the improvement were given attention and it was decided to give a grant of $3000 per year for a period of five years to the Maxville Manor, as a portion of the cost and maintenance. This proposal will likely be passed when approval for such an expenditure is received from the Ontario Municipal Board.

Council passed accounts to be paid as follows: To Province of Ontario re Township Debenture $5,876.56; Relief $1,910.00; Health $135.87; Fire $125.80; Drainage $11.43 and General $735.01.

MR. AND MRS. D. BRAY 50 YEARS WED

A large number of relatives and friends gathered in the home of Mr. and Mrs. Arthur Bray recently to celebrate the 50th anniversary of the marriage of Mr. and Mrs. Dassise Bray of Moose Creek.

A well-worded address was read by Linton Fraser and a gift of a transistor radio was presented by Marcel Legault, on behalf of the Sandringham Social Club. Both Mr. and Mrs. Bray have been active members of the Club for many years.

Mr. Bray thanked the Club members for the lovely gift.

Mr. and Mrs. Bray were married at Fournier, on February 4th, 1918, by Rev. Father Belanger. Mrs. Bray is the former Miss Anna Campeau of Fournier. Since their marriage fifty years ago they have resided on their farm at Lot 5 Concession 9, in Roxborough Township (Sandringham). Mr. Bray is still very active and enjoys working at the several farm chores with his son, Arthur Bray.

They have three daughters and one son, Mrs. Paul Boisvenue (Mary) of Cornwall, Mrs. John Hamelin (Rollande) of Lachine, Mrs. Guy Lalonde (Lorraine) of Lachine, Que., and Arthur Bray of Moose Creek.

The evening was spent by all present playing card games, after which Mr. and Mrs. Bray were seated with members of their family at an attractive decorated table, centred with a lovely decorated wedding cake, the gift from their daughters.

Friends were present from Lachine, Cornwall, Chicago, Hull and the neighboring community.

Many years of health and happiness are wished for Mr. and Mrs. Bray.

MRS. W. MacINTOSH ENTERTAINS WI MEMBERS

The February meeting of the Moose Creek Branch of the Women's Institute was held in the home of Mrs. William MacIntosh (Dyer) with a large attendance of members and visitors. Mrs. Currie E. Blair, president presided.

It was decided to hold a Euchre Party on Tuesday evening, March 12th in the Community Hall, Moose Creek, when the conveners will be Mrs. E. L. Blair, Mrs. Elmer McDermid and Mrs. Stanley McKay.

Mrs. Stanley McKay was appointed the delegate to attend the Guelph conference to be held on April 30, May 1st and May 2nd. Mrs. David Ross was appointed as the alternate delegate.

A report was received regarding the work being done for "The Save the Children Fund". The treasurer, Mrs. Walton gave the financial report stating the amounts received from the several euchre parties held.

The program for the meeting was convened by the conveners of Home Economics and Health, Mrs. William MacIntosh and Mrs. Stewart Bradley and by the "Safety" convener, Mrs. Earl MacNeil. The roll call was responded to by the members stating "How I relieve tension". Mrs. Bradley gave an interesting reading on "Health Rules and Household hints". Mrs. K. K. MacLeod of Dunvegan, gave an instructive demonstration on the making of cushions and Mrs. Elmer McDermid of Moose Creek, presented a demonstration on the making of hats; both were much enjoyed. Mrs. David Ross sang a humorous song accompanied by Mrs. McKay at the piano. Mrs. Earl MacNeil gave a full report of the Farm Safety Council conference which she attended at Guelph earlier in March. Lunch was served by the conveners and a social hour enjoyed. A vote of thanks was tendered the hostess.

CWL HAD MEETING

The March meeting of the CWL was held in the school (Old Public School) in the Village of Moose Creek with an attendance of 11 members. Mrs. Chris. Walton, League president, presided.

Mrs. Fred Scott acted as secretary in the absence of Mrs. Noble Villeneuve. The financial report was given by the treasurer, Mrs. Gerald Emburg.

A discussion was held regarding a cooking school or fashion show to be held during the month of April. The correspondence was received which consisted of several letters of thanks from persons who were ill and shut-in.

The hostesses for the meeting were Mrs. Laurent Montcalm and Mrs. Gerard Theoret. On display for entertainment were the following: A Simpson's catalogue for the year 1919; an Eaton's catalogue for the year 1899; A Catholic record for the year 1905 and an Almanac for the year 1903-04. The books proved of great interest as to the prices, styles and information compared to those of today.

Card games were enjoyed and the winners were Mrs. Alcide Lafrance and Mrs. Adrien Brosseau. The door prize was won by Mrs. Fred Scott. A delicious lunch was served by the conveners, Mrs. Montcalm and Mrs. Theoret.

On the occasion of her birthday, Mrs. James Watson was presented with a beautiful birthday cake.

The next meeting will be held on Thursday, March 21st, at the home of Mrs. Mabel McElheran. Members are asked to bring an article for green bingo. Mrs. Stuart Markell, Ingleside, district president, will be guest speaker. Mrs. Armour will be social convener. Hostesses will be Mrs. W. M. Campbell, Mrs. J. A. Cameron, Mrs. J. M. Rielly and Mrs. Wesley MacDiarmid.

UCW MET

The March meeting of St. James' United Church Women, Avonmore, was held in the Sunday School room. Mrs. Clare Markell's group was in charge of the devotional and program part of the meeting.

Mrs. Donald Pipe explained that the Service of the Upper Room which is used by many groups of Christian women during the Lenten Season and which has proven a great source of help had been chosen by Mrs. Markell's group.

A Paschal Supper was served at 7 p.m. The meal was eaten in silence in memory of Jesus' last meal with His Disciples in the Upper Room. Sacred music was played throughotu the meal. At its close Mrs. Pipe gave a reading "One Solitary Life".

Mrs. Markell, Mrs. Rupert Pollock, Mrs. Wesley MacDiarmid, Mrs. Stanley Wert and Mrs. Clarence Boyd presented a very impressive service, using Scripture passages and a reading, all related to the Lenten Season. Two of the points emphasized were self-denial and spiritual disciplin during 1968.

Mrs. Pipe thanked the group for their inspiring program and delicious supper.

A business meeting followed during which 21 visits to the sick were reported and a Visitations Committee arranged.

Mrs. Pollock, Mrs. Markell and Mrs. Wesley Meldrum were appointed conveners for a turkey supper to be held in the church hall on Wednesday, April 24th.

The next meeting will be in charge of Mrs. Sesel Wert's group and will be held on Tuesday, April 9th.

HOMEMAKERS MET

Miss Margaret Craig, home economist for the district, was a guest at the weekly meeting of the Avonmore 4-H Homemaking Club, held at the home of Mrs. E. L. Filion.

The meeting opened with the members repeating the 4-H pledge. Miss Bonnie Henderson, secretary read the minutes.

All members of the club were present. They responded to the roll call by giving details of a supper dish they had made at home.

Miss Craig gave an interesting lesson on "Buying Cereal Product", Flour and Macaroni".

The members discussed how to store these items and how to use them in menu planning.

Karen Delaney and Bonnie Henderson made a Johnny Cake in an interesting demonstration.

Next Saturday members will hold their sixth meeting.

AVONMORE

WI HAD MEETING

The monthly meeting of the Avonmore Women's Institute was held in the local public school with 12 members in attendance. Mrs. Alex Armour, president, was in the chair, with Mrs. Maurice Martel carrying out the secretarial duties.

Mrs. Martel presented the reports of the conveners of the Standing Committees.

Mrs. Armour read the article "Spring Will Soon be Here".

Yarn from the Save the Children's Fund was distributed to the members.
