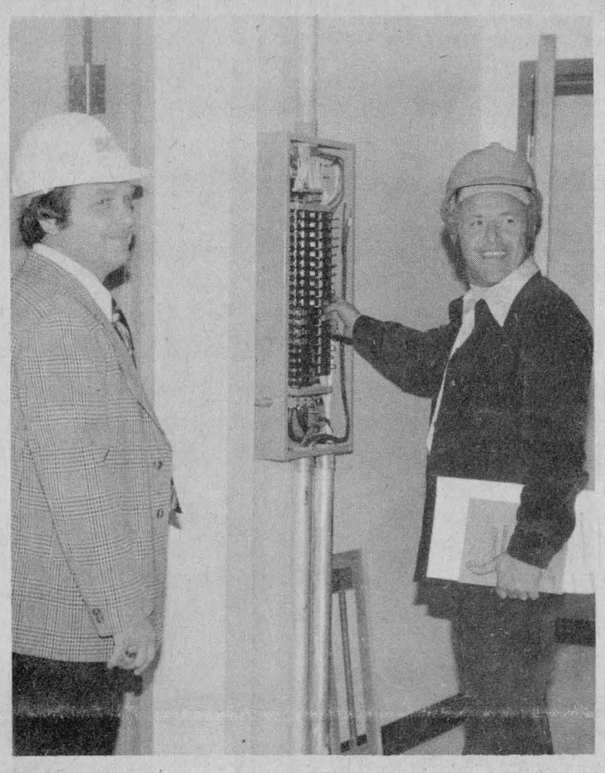
VOL. LXXV—No. 35 ALEXANDRIA, ONTARIO, THURSDAY, SEPTEMBER 2, 1976 SINGLE COPY 20c



NEW CENTRE READY FOR OCCUPANCY—Last touches were being applied both inside and outside the new Glengarry Sports Palace, Tuesday, when representatives of the media were taken on a tour. It will be seen by the public at Saturday's Fun Day, organized by Glengarry Council K of C to aid the building fund. At left Town Engineer Ghislain Seguin demonstrates some of the sophisticated lighting effects while Bob Leroux, campaign chairman looks on.

Now minister at Geraldton

REV. K. J. BROWNLEE

A granddaughter of the late Mr. and Mrs. J. A. MacLachlan of Alexandria and South Lancaster, the Rev. Kathy Jean Brownlee, B.A., M.Div., was ordained by the Presbytery of Lanark and Renfrew in Elphin Presbyterian Church, on May 18th. She is now the minister of St. Andrew's Presbyterian Church in Geraldton, Ont.

Rev. Brownlee is the daughter of Mr. and Mrs. Kenneth Brownlee of Elphin. She received her Bachelor of Arts degree from Queen's University, Kingston, in 1973 and on May 4, 1976 graduated from Knox College, Toronto School of Theology with a Master of Divinity degree.

Indians charge mercury contamination at St. Regis

Mercury pollution problems have been identified at the St. Regis reserve and the Caughnawaga reserve near Montreal, according to charges by the National Indian Brotherhood. The two St. Lawrence River reserves are among many others across the country where the NIB claims the problem of Indians eating mercury-contaminated fish is more widespread than previously indicated.

They claim that governments have only begun to scratch the surface in establishing how widespread the problem is, said Alan Roy and Richard Phaneuf, coordinators of NIB's anti-mercury program.

The NIB spokesmen said the news of mercury-contaminated fish at St. Regis and several other reserves was withheld to give the reserves a chance to cope with the situation without interference from the media.

Mr. Roy said the conflicting news stories that came out of the Grassy Narrows and Whitedog reserves only complicated matters there because the residents quickly became skeptical of any reports they heard or saw.

The result was that they began to distrust advice no matter what its source and ignored warnings to stop eating the mercury-contaminated fish in the English-Wabigoon River systems, he said.

Citizens' Band radio fans form club here

Citizens' Band two-way radio communication has been sweeping the continent and Alexandria is no exception. The number of transceiver owners here is approaching the one hundred mark and a meeting was held Sunday morning in the Legion clubrooms to form the Channel Masters CB Club of Alexandria.

Marcel Lalonde is president with Orville McRae, vice-president. John Larocque is secretary and Fern Laflamme is treasurer of the new club.

First-year directors are Jean-Guy Seguin, Jean-Marie Rochon and Michael Morris.

Paid-up members already number over twenty and club officers expect that at least 50 will join before the next meeting, to be held Sept. 12th at the Legion.

CB, standing for Citizens' Band, is a two-way radio communication medium allowing communication between vehicles or between a vehicle and a base unit. It has many practical uses and members of the new club are now able and willing to assist, through communication, in case of any emergency, disaster or such activities as walk-a-thons, etc.

Schools ready for new year

Alexandria schools are trim and tidy awaiting the influx of some two thousand students on Tuesday when the new school year opens. There have been no major changes in school plant and few changes in the staffs of local schools.

At Glengarry District High School attendance is expected to be up from 35 to 40 with registration about 1040. Principal P. T. Lloyd reports the school will be open all day Tuesday. New members of staff were reported in June.

Principal Claude Brunet of Elda-Rouleau senior school expects some 35 more students with 388 in attendance. This will mean another class and there are two new teachers on staff. They are Diane Giroux who comes here from Williamstown to teach Art, and Gerald Oetelaar who was in the West and who will teach Industrial Arts and Mathematics.

Registration will be down some 10 to 320 at Perpetuel Help reports Principal Denis Vaillancourt. There will be no librarian and one less Grade 4 class as economy moves. In Grade 6, Sister Menard is replaced by Lise Duplantie of Cornwall and Diane Lalonde of Cornwall, will be the new teacher in Grade 3.

At St. Joseph's School, Mrs. Francine Richer, principal, reports registration will be up a dozen to 220. There will be two fewer teachers and the school will do without a librarian.

Attendance at Laggan Public School will be about the same reports Principal Kent MacSweyn. Mrs. Cathy Walsh and Mrs. Gail Terry have left the staff and newcomers are Mrs. Jean McCuaig, from Maxville, in Grade 1 and Mrs. Gail Roddick of Hawkesbury, part-time.

There are no changes in the staff of Alexander School where Principal Cuthbert McDonald expects about the same registration.

Police seek dynamite boxes

Two large dynamite boxes, without the dynamite, are the object of a search by the OPP at Maxville. Painted red, the boxes measure 2x2x5 and 2x2x4 feet and the specially reinforced boxes are valued at $1,600 by the Ottawa owners.

According to Constable Marcel Champagne the firm was in Kenyon during June dynamiting beaver dams. They returned in July to pick up the boxes which had been left on the 7th concession road and the boxes had disappeared.

Anyone with information is asked to contact the OPP at Maxville.

Cigaret truck hijacked near Summerstown

Police report no new leads in the investigation into hijacking of a transport trailer loaded with cigarets near Summerstown Thursday of last week. The morning robbery occurred on Highway 401 about 7:30 a.m. while the truck was eastbound. Rejean Bissonnette, 41, of Laprairie, Que., was driver of the transport.

Police report he was stopped by two men. Waving revolvers they forced Bissonnette out of his truck. He was later handcuffed to a fence under an overpass on Highway 417 near the St. Isidore de Prescott interchange.

The driver's location was apparently later reported to police by an anonymous phone call. The truck was later found abandoned near Dorion.

Detective-Sergeant A. Edwards of Long Sault OPP heads the investigation with Constable Mike Chernecki of Lancaster.

Minister to be inducted here

Rev. James H. Thompson, late of Cobalt, will be inducted into the Glengarry East Pastoral Charge at a meeting of Seaway Valley Presbytery of the United Church at 8 p.m. Wednesday, Sept. 8th. The induction will take place in the Church on the Hill, here.

Presbytery will meet in Maxville the following night to induct Rev. Paul Grassie into the area charge.

Saved men from overturned boat

An Alexandria man, Michel Claude was instrumental in saving three men from drowning in the St. Lawrence off Lancaster early Sunday afternoon.

According to a report of the incident, Mr. Claude had been fishing but headed for shore when the wind came up. Some three miles off shore he spotted an overturned boat with three men hanging on. Only one had been able to grab a lifejacket when the boat tipped over.

Mr. Claude got the men aboard his boat and brought them to shore. Names of the rescued were not obtained.

New Sports Palace is something to see

A curtain-raiser to Saturday's first public use of the new Glengarry Sports Palace at the K of C Fun Day, members of the arena board played host to the press and other media in a tour of the complex, Tuesday afternoon.

The News was represented by Barry MacDonald and his description of the fine new sports facilities should whet the public appetite to come out and see for yourself on Saturday. He writes:

The new Glengarry Sports Palace is a very impressive building. Its colorfully painted walls and plush community hall generate an air of efficiency and effectiveness. Each detail of the new complex is well planned from the front entrance to the ice plant at the rear.

Two ticket windows are situated at the front hall to ease the fans quickly into the front lobby. There canteen facilities are provided with a view of the rink area. The bleachers are on the south side of the ice surface and will seat 800 people and leave standing room for an additional 500 spectators. Players benches and the penalty box are placed on the opposite side of the rink to prevent public harassment and flare-ups between the players.

The ice plant is equipped with two 50-horsepower compressors which will supply enough power to hold a sheet of ice for ten months of the year, excluding the months of May and June, due to thaw and humidity. The arena floor is constructed of five inches of concrete, four inches of insulation, eight inches of sand and one and half feet of crushed gravel and tile draining. The floor is also equipped with heating cables to prevent frost from going deep into the ground.

The five dressing rooms and the referees' room are located under the bleachers and are all furnished with shower and washroom facilities. Each one of these rooms is supplied with hot water from a 700-gallon tank located in

Eight involved in boat collision

An injured ear was the only casualty among eight people aboard two boats that collided off Hamilton's Island, in the St. Lawrence, Sunday afternoon, according to a report by OPP Constable Pat Daley of Lancaster.

Boats involved were those of Charles Laprade, Summerstown, and Dimitrios Tsikas of St. Laurent, Que. Tsikas was thrown out of his boat in the collision as was Mr. Laprade's son. The Laprade boat went down.

The cut to the ear was suffered by a 19-year-old girl on the Tsikas boat.

Had brush with lightning

Mrs. Wesley Chisholm of Skye, wasn't struck by lightning, Saturday morning, but she had as close a call as she ever wants to have. She felt a numbing sensation going up her arm but was not otherwise affected.

Mrs. Chisholm was in the barn when an electrical storm passed over. She was leaning over the pipe with a chain in her hand as she tied one of the cows when lightning apparently struck the barn. The cows reared back, she recalls, but there was no damage to the barn and Mr. Chisholm wasn't affected.

The same bolt apparently knocked out the telephone at the home of Weldon McIntosh in the same area.

More than 200 cases on docket

Traffic court is held here only every second week and a result Monday saw more than 200 traffic cases on the docket. Nora McRae presided and we understand the judge now hears only the serious charges.

The J.P. sat from 10 a.m. to 3 p.m. before all cases had been tried, remanded or set back to a later date. She then had to go to Cornwall to take criminal cases on the docket there.

The shortage of judges is becoming acute, according to one court observer.

Reeve Touchette to S. Lancaster

Sale of his home on Sandfield Street to Ron Masson, local insurance broker, was announced by Reeve J. P. Touchette at Tuesday night's meeting of town council.

The reeve made the announcement when informing council that he might not be seeking office in December if the Municipal Act precludes a non-resident from holding such office. The clerk is to check up on Reeve Touchette's status.

Mr. Touchette informed council that as of October 1st he will be living in South Lancaster. He is owner of the former Dallas Grant property on the lakefront and will occupy the home permanently.

Two escaped serious injury

Two men were treated at Glengarry Memorial Hospital and released, Wednesday of last week, following a two-vehicle collision at the intersection of the Apple Hill sideroad and Highway 43. Their vehicles suffered damage totalling some $6,500.

According to the report of OPP Constable Evans of Maxville, William Ingram, RR2 Apple Hill, was travelling south on the Vallance road at 3:15 p.m., when his GMC van came into collision with a car being driven east on Highway 43 by Richard Dumouchel of Cornwall.

The Ingram vehicle took out some guide posts and ended up in the ditch.

Both men were removed to hospital here by ambulance but were released after treatment.

Family reunion was feature of gathering

On Saturday, July 31st, following the Highland Games at Maxville, a happy reunion of Duncan Widow Neil MacLeod's family and septs was held at the New Parkway Inn, Cornwall. His sons are Neil John, Oliver Donald and Lorne Roderick, and his daughter is Ann Murray Scott.

The chairman for the event, Lorne Roderick MacLeod welcomed the 48 relatives and friends in attendance and stated that this was an historic occasion as it was only the second time the family has been together since their parents' deaths, and the first time in Glengarry. Duncan Widow Neil and his family moved to Western Canada 65 years ago. It was also the 160th anniversary of the arrival in Canada from Glenelg, Scotland, of Norman MacLeod, their great grandfather.

Most warmly welcomed also were several cousins, nieces and nephews of Duncan Widow Neil's wife, Elizabeth McKenzie.

The toast to the MacLeod family was presented by Cliff Went, a close family friend. It was replied to by Anne MacLeod Scott. Neil John gave an interesting account of leaving Ontario 65 years ago and establishing homesteading in the West. He also gave a short discourse of his honorary appointment as a chief of the Sioux Indian tribe, with whom he had worked while with the Department of Indian affairs. Oliver Donald also gave an interesting description of farming and living in the West, especially in the early Western pioneering days when oxen were used.

The family attended the North American MacLeod reunion, for the dinner and ball in Cornwall on July 30th. On Sunday, they visited several interesting places they remembered from childhood in Dunvegan, Skye, McCrimmon's Corner and Alexandria. They also attended the Sunday evening service at Dunvegan and were happy to meet more local relatives.

Those in attendance were: Mr. and Mrs. Neil John McLeod, Regina; their daughter Sheila, Mrs. Roy Hall, Regina, and their daughter Merna, her husband and son, Mr. and Mrs. Waddy Moffat and Jamie from Prince

Three suffered whiplash in two rear-end collisions

Three motorists suffered whiplash in two accidents here on the weekend, according to the report of Police Chief Sylvio Cleroux.

Robert Seguin, Alexandria, stopped his car on Main near Derby to let another driver park. The Seguin car was struck in the rear by a car driven by Michael Lacombe, Green Valley, and Seguin suffered whiplash. The collision occurred about 8:30 p.m. Saturday.

A similar accident occurred at 1:45 a.m. Sunday at the corner of Main and Kenyon. The car of Morris Coddington of Sharon, Conn., stopped at the intersection and was struck in the rear by the vehicle driven by Francine Gauthier of L'Orignal. Both Mr. and Mrs. Coddington suffered whiplash.

Wins appeal

Ontario Court of Appeals in Toronto has acquitted an Alexandria man who was convicted in United Counties criminal court last year of uttering counterfeit money.

Eugene Ewaschuk, 40, of Alexandria had been sentenced to one day in jail and fined $500 by Judge George Styles at the 1975 trial.

Mr. Ewaschuk's legal counsel was Michael Salhany of Cornwall.

Still protest as South Branch Road opened

The widened and improved South Branch Road was officially opened last week but not without a last note of criticism from residents along the way.

Large signs appeared calling the new road "The McDonald-Gadbois Freeway" and "Trees and Scenery, Rest in Peace" as the officials gathered for the official ribbon-cutting.

The project, which was the scene of several confrontations between residents along the roadway, County Road 19 between Cashion's Glen and Glenbrook, was carried out by the Suburban Roads Commission, with Cornwall Gravel Ltd., as contractors.

The protesting residents claimed that the proposed widening of the road to 100 feet would destroy the scenic value and transform the quiet, peaceful arterial into a raceway.

An expropriation inquiry ruled that the counties proposed project of widening the road to 100-foot right of way, was "unreasonable and not necessary for the achievement of the objectives of the expropriating authority."

However, the United Counties council elected to ignore the ruling of inquiry chairman Ken Bergeron and voted to go ahead as planned.

The protesting landowners charged that the upgrading of the 2.5-mile section just east of the city limits could be accomplished by widening to 86-foot right of way.

Mr. Bergeron's report described the road as "perhaps one of the two most beautiful scenic drives" in the area.

The counties argued that snow removal was impaired on roads that had less than a 100-foot right of way.

Both Counties Engineer Donald McDonald and Charlottenburgh Reeve Adrian Gadbois have made it clear that they consider the new South Branch Road attractive and the grading and paving project an improvement.

BUSES READY TO ROLL—A new school year starts Tuesday and motorists will have to keep a specially attentive eye out for the big yellow buses that convey most students to and from school. That flashing light means stop for traffic in both directions on most roads. Pictured above are some of the huge bus fleet ready to roll at Crevier Bus Lines, Alexandria. —Staff photo by Barry MacDonald

Many successful in swim tests at park

(by Tish Filiatrault)

Summertime at Island Park proved to be a challenging one to both staff and swimmers. Cold weather did not discourage swimmers though; registration for lessons was at a peak.

On Aug. 16th, the park staff sponsored a "Fun Day" which included games for children of all ages. Lunch was provided by the park; approximately 325 children participated in the activities.

Walter Water Safety was present and prizes for the Water Safety Poster Contest were awarded to the winners of each level. They were: Puddlers—Randy Gibbie, Katie McLeod. Pre-Beginners—Danielle Leroux, Manon Legault. Beginners—Dean Piche, Chris McBean. Juniors—Liz McCormick, Blair Fraser. Intermediates—Louise Lemieux, Nicole Lemieux. Senior—Danielle Claude, Andy Lawson.

All posters entered showed evidence of imagination and hard work.

On Aug. 18 and 20th swimming tests were run for all levels and the results were very successful. Those swimmers involved were successful in:

the mechanical room.

The community hall which overlooks the recreational area is colorfully decorated with two large murals and bright wallpaper. Washrooms, bar, kitchen and checking facilities are more than adequate and the hall is fully air conditioned. It can accommodate 500 people for dancing and social events and up to 800 for events such as Bingo when the full attendance will be seated.

The library at the front of the building, should be a vast improvement over the present facility. It is much more spacious and modern with washrooms, carpeting, air conditioning and free parking, plus added storage space.

The new community centre will cater to all ages and provision has been made for the handicapped. An elevator has been installed so as to eliminate the use of stairs, and ramps have been constructed wherever possible. Public washrooms also have provision for the handicapped without trying to separate them from the rest of the public.

The parking area at the front of the building has space for 40 cars or 12 buses, depending on the occasion. This will prevent the buses from congesting the side parking lot and also bring teams and groups close to the main entrance. The side parking lot, which is south of the building, will accommodate 400 cars.

The building is equipped with a fire alarm system, smoke detectors and an emergency lighting system which is activated automatically by battery if electric current is out in the regular system.

The total project cost was estimated at $1,080,000, and is 99% complete. A large portion of the cost was covered by government grants with Wintario backing the project with $466,875 providing the public raises $245,000. Campaign chairman Bob Leroux reports pledges at $201,000 with $44,000 left to collect. By the time the new centre is completed the arena board could be left $100,000 short of the total cost.

The Glengarry Sports Palace was built by Admiral Engineering and Construction Limited of Ottawa, and construction was supervised by Ghislain Seguin and Associates of Hawkesbury.

Swim supervision ends Labor Day

Supervised swimming at the Alexandria beach will cease as of Monday, Sept. 6th, and no lifeguards will be on duty after that date according to official word this week.

The public is advised that there will be no more supervision this year even though the weather turn warm.

Maxville and Area

by

Velma Franklin

527-5533

Mrs. F. L. Grindley has returned to her home in Calgary after spending some weeks with Mrs. Osie F. Villeneuve and other relatives in the Maxville district.

Recent visitors with Mr. and Mrs. John F. Sinclair and family were Mr. and Mrs. David Johnson of Pointe Claire. Mrs. Johnson is the former Norma Sinclair of Cold Lake, Alberta.

Mr. and Mrs. Hubert A. Quart motored with their son Brian to Calgary, and spent a few days at Jasper and Lake Louise.

Visiting Mr. and Mrs. Keith Franklin and family were Mr. and Mrs. Bill McKeage and family of Sarnia.

The service this Sunday, Sept. 5th, at St. Michael's Anglican Church will be Holy Eucharist at 9:00 a.m.

Dr. and Mrs. Peter Stobbe of Ottawa, were recent visitors with Mr. and Mrs. Osie F. Villeneuve. Miss Becky Villeneuve of Hawkesbury, spent the week with her grandmother, Mrs. Villeneuve.

The annual fall enumeration starts next week . . . on September 7th. This provides accurate, up-to-date population statistics, determines the school support for the direction of municipal property taxes, the prospective jurors list, and is used to compile the Preliminary List of Electors for the municipal and school board elections which are coming up this fall. Doing the village of Maxville this time are Mrs. Nicole Dewar and Mrs. Joan O'Hara. In the north half of Kenyon and the Indian Lands Mrs. Velma Franklin, and in the south of Kenyon Mr. Bob Kerr.

Mr. and Mrs. Bob Sutherland recently returned from a five-week tour of England and Scotland. While in England they visited with their son Commander R. A. Sutherland RCN and Mrs. Sutherland at Bath.

Brigade called to highway fire

The Alexandria fire brigade was called out Wednesday morning when a car on Highway 417, three miles west of McCrimmon, caught fire. The 1976 Chevrolet rented car was destroyed.

The call was put in by OPP Constable Evans of the Maxville detachment and Fire Chief Charlebois tells us such calls are accepted since the provincial government recently guaranteed costs involved in any call by the OPP.

Marked diamond wedding

Mr. and Mrs. Fabien Valade celebrated their sixtieth wedding anniversary on Sunday, August 22nd.

Mass was offered by Father Joyal, followed by a dinner served by the Community Nursing Home, where Mr. Valade is presently a resident. Mrs. Valade is residing at the Villa Fatima.

Their family of eight children was in attendance. They are Fabiola, Mrs. Leo Paquin, of Templeton, Zenon, from Montreal; Raymond, from Sudbury; Andre, from Summerstown; Irene of Toronto; Annette, Mrs. Maurice Chretien, of Cornwall; Rene and Rolland of Alexandria.

During the afternoon, friends and relatives visited the couple to offer them congratulations and best wishes.

Old landmarks to be shown at museum

A special attraction at the Glengarry Scottish Museum in Dunvegan this Saturday afternoon, Sept. 4th. The curator, Mrs. Jean Morrison, has arranged a "Lost Landmarks" exhibition of paintings and photographs of buildings, stores, factories, working crews, etc., which are long gone from the local scene.

Ewan Ross of Goderich, a well-known local historian, has loaned many photographs from his vast collection. A unique group of paintings of early buildings, especially churches, in this area by Christena Ferguson will be on display. Of particular interest to the residents of Vankleek Hill area is a fine collection of photographs loaned by Mrs. E. E. Preston . . . these were taken by her husband the late Rev. Preston of Vankleek Hill, and include some of the local manufacturing plants . . . R. L. Pattee Company and Durant Bros.

A professional photographer, J. L. Crosby, will be at the Museum all afternoon and will be glad to make a free copy of any old photograph anyone might care to bring in. This is an excellent opportunity for local residents to share in the exhibit and show to family and friends the fine old pictures that are stored away at home. Of particular interest are the old-time working crews, and any buildings that have through destruction or fire, become "Lost Landmarks". Look through the family albums and see what you can bring in.

Sister marks 60 years

Sixty years of service in the Religious Hospitallers of St. Joseph at Cornwall will be marked on Wednesday, Sept 8th, by Sister St. Emily.

The former Mary Catherine McDonald, Sister Emily is a daughter of the late Donald Archie and Philomene McDonald. She was born at St. Andrews West, Feb. 22, 1898.

When she entered the Religious Hospitallers of St. Joseph at Hotel Dieu, Dec. 8, 1914, she took the name of Sr St. Emily as there were 13 Sisters in the convent with the surname McDonald. Sister Emily pronounced her vows in religion in 1916 and trained as a nurse, receiving her diploma in 1920 with the first group of sisters to be certified as registered nurses.

During those 60 years of service to the people of Cornwall and the district, Sister Emily cared for thousands of orphans at the Nazareth Orphanage from 1919 until it was destroyed by fire in 1950. Some 3,000 orphans were cared for in that period. After the Orphanage was closed, Sister nursed at Hotel Dieu for some five years before transferring to St. Paul's Home for the Aged where she labored until it was closed in 1965. She had since labored at Macdonell Memorial Hospital and though now officially retired she is a daily visitor to the patients in the hospital and the residents of St. Joseph Villa.

In her "spare" time Sister Emily knits numberless socks, caps and mittens for poor children and to aid the foreign missions.

In 1966, Sister was honored by Pope Paul VI with the medal and citation Bene Merenti for her outstanding work of charity.

Mrs. Justine Wheeler of St. Andrews, is a sister.

ABS wins fastball title

by Jean Luc Menard

The fastball season is over and ABS are the 1976 champs for the second year in a row. They won the final series over Dalhousie in four straight games but all the games were decided by one run. The scores were 1—0, 3—2, 4—3 and 6—5. Dalhousie should be congratulated for their comeback efforts during the series. In the last two games they overcame three and four run deficits and thus provided exciting ball. Only once did they take the lead in a game.

On Thursday night, the first four innings were scoreless but ABS scored two runs on three hits and an error in the fifth. They added one more run in the sixth on a Mike Menard triple and an rbi single by Robert Quesnel. So the stage was set for the seventh; Serge Vaillancourt had a three-run lead and a perfect game at stake. He had retired 18 straight Dalhousie batters then the roof caved in. Huntley MacDonell broke the no-hitter with a bunt single. Hubert McDonell walked, Ian MacKay was hit by a pitch and the bases were loaded. Jacques Cusick drove in two runs on a double and Donald Rozon drove in one more on a sacrifice fly to tie up the game. In the bottom of the seventh, Mike Vaillancourt reached second on a hit and error. Bob Boisvenue flied out to centre but the relay was missed at third and Vaillancourt came home for the winning run. ABS 4—3.

On Sunday night, Serge Vaillancourt lost then won his own game. ABS scored four runs in the first and it appeared they would coast along to victory but Vaillancourt had control problems in the third. Huntley MacDonell had a base hit followed by five straight walks, two of which were hit batters. The score was now ABS 4—3. In the fifth, Jacques Cusick doubled and reached home on a routine ground ball to short by Ian MacKay on which the shortstop threw the ball away. Wendall Lafave later drove in the go ahead run on a sacrifice fly. It was now Dalhousie 5—4 but Serge Vaillancourt capped it off with a 2-run homerun in the sixth and it stayed that way for a final score ABS 6—5.

The linescores for these games:

Game 3

Dalhousie	0000	003	323
ABS	0000	211	491

Game 4

ABS	4000	020	682
Dalhousie	0030	200	533

ABS won in "B" division at Avonmore

In a very fine softball tournament which last weekend highlighted the 116th edition of the Avonmore Fair, sponsored by the Roxborough Agricultural Society, the entry from the Cornwall Shield Realty and Insurance Corp. emerged as the winner of the Division A in the tournament and as such won the $150 cash prize. In the same A Division, Ingleside picked up the $50 consolation award.

In Division B, the boys from the Alexandria Building Supplies placed first and took home the $100 first prize. Avonmore Aces placed second in the division and earned the $50 prize.

Ray Montroy pitched both games for Shield Realties. The honor of pitching all games for The Alexandria team went to Serge Vaillancourt.

In the opening game of the series Friday night, Berwick narrowly edged Avonmore by a 5 to 4 count in a game which went 15 innings. For the winners Jim Morrell went all the way in having 21 strike-outs to his credit.

He and Doug Ferguson pitched for all 15 innings.

In the second game, Friday night, Shield Realty downed the Stormont Countrymen by a 4 to 1 count.

On Saturday in the first game Winchester Juniors downed Alexandria A. B. and S. 2 to 0. Similarly the Ingleside Villa Nova team shut out Spencerville by a 12 to 0 score. Avonmore Aces went down to defeat at the hands of the Newington Club who chalked up 8 runs to Avonmore's 3.

The Avonmore Juniors returned to down the Stormont Countrymen by a 7 to 1 count. In the final game, played Saturday, Shield Realty upset Berwick by a 6 to 4 count.

Sunday Alexandria shellacked the Spencerville Juniors by an 8 to 0 shutout. Ingleside Villa Nova upset Winchester Juniors by a close 5 to 4 count.

The two Avonmore teams, Aces and Juniors, locked horns in a game in which the Aces upset the Juniors by a 6 to 4 count. Shield Realty showed its strength again by defeating Newington by a score of 3 to 1.

Sunday evening, as the tournament came down to the line, the championship in the "B" division was decided as the Alexandria squad downed Avonmore 4 to 1. In the Division A final, Shield Realty showed its strength by resisting stiff opposition from the Ingleside squad. The final score in that series was 4 to 0.

Much of the credit for the actual organization of the tournament went to Charles Rielly who was most enthusiastic with the results. He did much of the work on behalf of the sponsoring Fair Board.

SHE ACED THE SEVENTH—Rita Bergmame got that once in a lifetime hole-in-one at the Glengarry golf course on Sunday while playing in the Glengarry Open. The ace came on the 125-yard 7th hole where Rita used her three-wood so effectively the ball headed straight for the hole. One of the club's keenest golfers, she was in a foursome with Cecile Sabourin, Germaine Lalonde and Muriel Stanley.

Hole-in-one feature of Glengarry Open

Emile Hurtubise captured low gross honors in the men's competition for the Glengarry Open played Sunday under cloudy and windy conditions. He scored 78 to take the main event at the Glengarry golf course.

Gerald Derry's 64 was good for low net honors.

In the ladies' division, Susan Jardine took low gross honors with a 91. Nicole Vincent had 68 for best low net score.

Marc Bellefeuille took low gross honors in junior play with an 83 but he was hard-pressed by brother Michel who came in with an 84. Robert Brunet won low net with 67.

A highlight of the day was the hole-in-one scored by Rita Bergmame on the 7th hole. It was her first and the first ace of the year on the Glengarry course.

Club junior championships were decided on Saturday when Michel Bellefeuille scored an 80 to take Class A honors. Grant Crack won Class B with a 91 and Paul Lemieux's 90 was good for the Class C title.

A large field of senior golfers was also out on Saturday to take part in the annual Labatt's field day. There were many prize winners and the best scores were turned in by:

Men's

Low gross—David Amelotte 78; Ricky Duchesneau 79.

Low net—Bernard Lalonde, St. Isidore; Remi Hebert, St. Albert.

Ladies

Low gross—Helen Dunsmore, 44; Daisy Pelley, 50.

Low net—Cecile Sabourin; Marie Paule Durocher.

The Angus H. McDonell trophy will be played Saturday, Sept. 11th when teams will be made up of two men, one lady and one junior. The last official competition will be the Calcutta played on Sept. 12th.

Greenfield and Laggan in soccer finals

In the Glengarry girls soccer league the team standings at the end of the regular season were as follows: Greenfield 1st, Laggan 2nd, with Alexandria and Maxville tied for third. Since Alexandria and Maxville were tied, they played a tiebreaker game to decide team standing on Aug. 12th. Alexandria won 1—0.

Consequently in the semi-finals Alexandria went on to play off against Greenfield and Maxville had to contend with Laggan. Laggan took their series two straight.

The Greenfield-Alexandria series was much more evenly matched. The first game was played in Greenfield. Alexandria won 1—0, with Lynn Gallant scoring the lone goal. The next game was played on Aug. 19 in Alexandria. Greenfield girls came back in a closely matched game to take it 1—0. Mary Morris scored the lone goal. Back in home territory for the third game, Greenfield girls took it, whitewashing Alexandria 6—0. Babs McLeod and Rosie VanLoon each got one goal and Mary Morris put home the remaining four goals.

Greenfield and Laggan are presently in the finals for the girls' cup. This series got underway in Greenfield on Aug. 27th. Laggan won 1—0 in a hard-fought game with Marilyn Robinson scoring on an excellent pass from Ellen MacMaster. The second game was held in Lochiel on Aug. 30th. Greenfield girls came back to win 1—0 with Babs McLeod scoring the lone goal.

J.-Yves Jeaurond heads new sport

Jean Yves Jeaurond will head the new Ringette executive formed Tuesday, August 31st at GDHS. Louis Lauzon is Vice-President, Lorraine Lanthier is secretary and the directors are Agathe Seguin, Micheline Ouellette, Bonnie Maclaren and Jeannette Charlebois. Ringette has never been played here. It is played on skates with a doughnut shaped rubber puck and plain stick.

Only girls will be taking part in the game from 7 to 18 years as of January 1st, 1976.

Ice time is Thursday evening from 5 to 8 p.m. Registration forms will be distributed next week.

Lochiel upset Pine Grove 3-2 series continues tonight

by Carman MacMillan

On a wet, slippery soccer field Tuesday night Lochiel prolonged their series against Pine Grove by scoring a second half goal to break a two-all tie. The win, their first of this final, leaves them trailing Pine Grove two to one in a best-of-five series.

Scorers for Lochiel were Robbie MacLeod with two and Billy Shields 1; for Pine Grove Rondo MacSweyn and Stephen MacMaster kicked one each. The next game—possibly the last—will be played tonight in Lochiel.

On Thursday, August 26th, Pine Grove and Lochiel squared off in the first of a best of five series. The Lochiel club relied on a great defensive effort and foiled Pine Grove fowards time after time. The game ended in overtime as Rondo MacSweyn scored at the 11-minute mark of the sudden-death overtime period. The biggest incident of the night was the injury to J. T. Hay who was taken to the hospital for X-rays as he reinjured his knee in the first half of play.

On Saturday, August 28th, the second game of the series was played in Lochiel, only this time the game ended in regulation time. Pine Grove took an early 1 to 0 lead on a goal by Campbell MacGillivray who scored on the lax Lochiel goaltender. Campbell scored again in the first half to put his team ahead 2 to zip.

The second half was a little different as the rain came and made the field slippery. Hugh MacGillivray scored the third goal for Pine Grove on a well-placed corner kick and a head ball finishing touch.

Lochiel then found a little life as Pine Grove's defense got a little lax and allowed a dribbler off the boot of Bill Shields to elude Pine Grove's goaler John Angus Kennedy. Pierre Theoret made it 3 to 2 on a second effort corner kick. At this point the game was only minutes away from ending and the final score was 3 to 2 for Pine Grove.

Highlights saw Leroy Robinson, Roy MacMaster and Keith MacGillivray hit the Lochiel goal's crossbar. That is part of the goalie's equipment.

Lochiel didn't muster any offence as they were missing J. T. Hay who is lost to Lochiel for the season after re-injuring his knee. David MacMillan was missing from the lineup, also.

We would like to remind the people that the annual banquet and Trophy night dance sponsored by the Glengarry Soccer League will be held in the Glengarry Sports Palace on September the 10th, at 7 p.m.

We would like to thank Don Morris, Brian Filion, Allan Byers, Pierre Theoret, Luc (Moose) Seguin and Kevin Massia for aiding this writer with the painting of the benches at the park in Lochiel on Friday.

LACROSSE CHAMPS—Hope Bus Line of Glendale are the first celebrated champions of the new lacrosse league formed in Char-Lan this year. They defeated Cornwall Township in their final game. Front row, left to right: Roy Fields, John Taylor, Richard Pidgeon, Doug Spink, Brian Pilon, Robert Sheets and Robert Hope. Back row: Asst. Coach Brian Hope, Dean Sinnotte, Hector Spink, Mike Pilon, Keith Fields, Dean Bourgon, and Coach Bob Sheets.

Had successful season

Lacrosse has made an introductory debut in Char-Lan this year and if impressions mean anything, the sport will enjoy many successful seasons to come. The finals were completed at the midget level August 24th with Hope Bus Lines of Glendale becoming the first team to be deemed league champs. Cornwall Township supplied the opposition and appeared to have better ball control and organized play but Hope's Bus Line were charged with enthusiasm and determination and thwarted the steady attack with strong defence and offensive outbursts.

For its first season of operation, the quality of play was surprising, and several looked destined for junior stardom.

One lesson the young league might take into consideration is the conduct of some of these minor players. Lacrosse is being re-instated back into the minor ranks so let's install the much needed discipline before these young athletes become junior "Toughies".

Convener Mervyn McIntyre was pleased with the introductory first year and firmly believes that once the players and parents become a little more involved that the league will be most competitive and entertaining. The large turnout that was there to witness the league final is certainly some encouragement for existing years.

Williamstown edges N. Lancaster

Williamstown (Hope's Auto Parts) defeated North Lancaster (Cathy's Tavern) 13—12 and Lochiel beat Alexandria 27—24 in Glengarry Touch Football league action on the weekend. As a result of their win, Lochiel are alone in first place.

Ken MacDonald played one of his best games of the season at quarterback for Williamstown when they beat North Lancaster for the first time in four games. Huntley McDonell and Neil Cattanach scored the t.d.'s, while Ray MacDonald was good on a passing play for a convert. Ray MacDonald and Neil Cattanach also came up with one interception each for Williamstown, the second one was by Neil with one minute to go in the game.

Jim McCormick scored the two touchdowns for the N.L. Colts, while Guy Bellefeuille and Phil Dumouchel each had an interception. Lochiel jumped to a 27—0 first half lead against Alexandria, on touchdowns scored by Roch Lajoie with two, Barry MacSweyn and B. J. MacDonald one each. Hugh MacGillivray, Jerome Poirier and Brian Filion each scored a single.

In the second half Alexandria came storming back with 24 pts. on t.d.'s by Norman Laliberte with two, Paul Masson and John Charlebois scored the two other touchdowns. The Alexandria drive fell short of a victory when Barry MacSweyn came up with an interception with one play remaining in the game. Bill MacLeod also had one interception for Lochiel, while Luc Masson and Mike Kelly each had one for Alexandria.

Centennials shade Stars

On Wednesday, August 26th, the Stars played the Ottawa Centennials in Lochiel and Centennials played a heads up soccer game scoring two quick goals and holding on for a 2 to 1 win. Tom Lowe was the lone goal scorer for the Stars.

It seemed that the semi-final series took a lot out of the players as they came up with one of their poorest efforts.

Golden wedding celebrated

MR. AND MRS. GILBERT GAUTHIER

The fiftieth wedding anniversary of Mr. and Mrs. Gilbert Gauthier of Green Valley was celebrated with a large gathering of relatives and friends on July 24th.

Mass was celebrated in St. Mary's Church, Green Valley at 4 p.m. with Father Gilles Deslauriers officiating. Following the ceremony he presented the couple with a copy of the papal benediction.

The reception was held in Green Valley Pavilion where addresses were read by two granddaughters; in English by Marie O'Hanley and in French by Bernadette Gauthier. M. P. Denis Ethier presented the honorary greeting from the federal government and Bruno Massie presented the plaque from the Province of Ontario. A telegram was also received from the Governor-General.

The couple have five children who were present with their families for the occasion. They are: Levis, Lancaster; Gisele, Mrs. John Hubert O'Hanley, Summerside, PEI; Maurice, Green Valley; Martha, Mrs. Garry Purdon Capreol; and Robert of St. Clet.

Mrs. Gauthier is the former Laurette Seguin and the couple were married in Sacred Heart Church on February 8th, 1926.

Mr. Gauthier has two brothers and two sisters all of whom were present: Arthur Gauthier, Mrs. Josephine Rochfort and Emmanuel Gauthier all of Montreal and Mrs. Rose Tobin, Massena.

Mrs. Gauthier has three brothers and two sisters living, Raymond and Alpheda Seguin, Alexandria; Bruno, Comox, B.C., Mrs. Fidele Belanger of Montreal and Mrs. Fernand Durocher, Longueiul.

Guests were present from California, Texas, Syracuse, Massena, North Lawrence, N.Y., Charlottetown, Halifax, Montreal, Capreol and the surrounding area.

CWL busy

"The CWL have been an active force for good in the community since I have come here, "Father Don Scott told the members at the August meeting held in St. Raphaels" and I extend my heartfelt thanks to them for all their co-operation". It was the director's last meeting with the women prior to leaving the parish.

President Mrs. Rudolph Levert, Mrs. Archie Graham and Mrs. Brian MacKenzie were named conveners of the harvest supper on Saturday September 18th.

Sympathy was extended to Mrs. Pat Major on the recent death of her father.

The bus trip to Safari Park sponsored by the group provided an enjoyable time for 45 passengers, as members of the Friendship Club were joined by a few friends from neighboring parishes.

Conveners reported on various projects they had looked after in the past month—luncheon served to parishioners the night of Father Ostler's official installation; the bake sale at Williamstown Fair; farewell luncheon for Father Scott.

Guide and Brownies notes

It is "Back to School" this week for most of our young people in Glengarry, and in a couple of weeks it will be "Back to Guides and Brownies" too!

Unfortunately, a lot of little girls are going to be very disappointed because there are no leaders to take them.

It does not need a university degree to run a Brownie pack or Guide company, all it needs is an interested Mum—or "non-Mum" like myself—who enjoys being with youngsters.

The meetings last 1½ hours for Brownies and two hours for Guides; with perhaps a couple of hours each week preparing your meeting and the odd District meeting of leaders (more of a social get-together) is all that is required.

I do hope that some of you will come forward and at least talk to us about Guiding. You will not be paid in money, but I can assure you that you will be more than repaid for your efforts in the pleasure and satisfaction you will get in seeing the youngsters' obvious enjoyment in learning and having fun.

Please contact me, Mrs. C. T. Lambert 525-3628, if you wish to know more about the Brownies and Guides. I am sure you will be glad you made the effort! All retiring and continuing leaders will be only too happy to help you get started.

At the time of going to press I know definitely that Maxville and Alexandria need Brownie leaders and St. Raphael's-Green Valley, Williamstown, Lancaster and Alexandria need Guide leaders.

AUDITORS' REPORT
VILLAGE OF LANCASTER

The Reeve, Members of Council, Inhabitants and Ratepayers, The Village of Lancaster, Lancaster, Ontario.

We have examined the balance sheet of the Village of Lancaster as at December 31, 1975 and the statement of revenue and expenditure and capital fund operations for the year then ended. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Village of Lancaster as at December 31, 1975, and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

a) BALANCE SHEET
The balance sheet reflects the combined assets and liabilities of the revenue fund and the capital fund.

b) FIXED ASSETS
No value is attached to fixed assets for municipal reporting purposes. Expenditures on fixed assets are charged against current revenues unless the expenditures are financed out of long term debt. Debt retirement costs are charged against current revenues in the periods in which they are paid.

c) CHARGES FOR NET LONG TERM LIABILITIES
Charges for net long term liabilities include principal and interest. Interest charges are not accrued for the period from the date of the latest interest payment to the end of the fiscal year.

2. CHARGES FOR NET LONG TERM LIABILITIES

Total charges for the year for net long term liabilities were as follows:

	1975	1974
Principal	$1,184	$1,127
Interest	970	178
	$2,154	$1,305

The total charges shown above were paid from the revenue of the Municipality and are included in expenditure classified under the appropriate functional headings.

3. NET LONG TERM LIABILITIES

Total long term liabilities incurred by the Municipality and outstanding at the end of the year amount to $19,243 (1974—$2,427).

4. COMPARATIVE FIGURES

Certain of the 1974 figures have been reclassified so as to conform to the presentation adopted in 1975. In particular, deferred revenue, previously reported as a liability, has now been included in accumulated net revenue as at December 31, 1974 and 1975. The 1975 opening accumulated net revenue increased by $1,553 as a result of this change.

"You wanta know how many St. Andrew's churches there are around here?" exploded the frustrated wedding guest who arrived late for his friend's wedding last Saturday.

The wedding, this guest remembered, was in St. Andrew's Church. You know how it is with wedding invitations; they come a month before the marriage and when the special day arrives they have been carefully stored away where they can't be found.

So, our guest landed at St. Andrews Church, St. Andrew's West.

No Harkness-Pearle wedding here, he was informed; must be in St. Andrew's Church, Martintown.

On to Martintown. No such wedding here, he was informed; it must be St. Andrew's Church Williamstown

On to Williamstown. No such wedding here, he was informed. Must be in St. Andrew's Church Lancaster.

On to Lancaster. Found the couple happily married, Emerging from St. Andrew's Church.

****

Just had another birthday. After one is no longer 39 there is only one consolation, making it pay.

"My birthday is approaching," I kept reminding the family about three week prior, and at two-day intervals from then on.

Not for me, the stoic mother type who remains silent even when the family forgets. I've been through that. Often enough to know better.

"So what do you want?" Somebody finally heard me.

"One of Kalil Gilbran's books." I'd been practicing that reply for some months.

"Oh sure, leave it to you to pick something way out; where are we going to find a book like that?" they grumbled.

"Well , I'm sure they aren't too hard to find," I came back, innocently. No use picking something too simple, I figger. Gotta test how much trouble the kids are willing to withstand for me. All the magazine articles advise mothers to keep putting their families on trial from time to time to see if the kids still love the poor souls that begot them.

According to the magazine articles my kids don't love me because they substituted for Gilbran. Couldn't find him, they said.

I'll forgive the magazine writers for making a mistake. I know how hard it is to fill columns.

Besides, that was the first time round for that request. It will start repeating about the first week of December and on through the month.

I was a bit easier on Paw. He's got enough to put up with. "I don't want you to surprise me with perfume and jewels this year," I told him. "I'd like something from Tony's Violet House."

"But flowers only last a few days," Paw protested. "Besides I wouldn't know what to pick out."

"Just take me with you and I'll help". I can never resist an opportunity to browse through Tony's greenhouse. Some people like to browse through department stores. For me, its greenhouses. Besides, Tony knows the latin names for all his varieties. And I like to think I didn't study latin five years for nothing and so I try to look intelligent when he names plants, Tony, incidentally, also knows enough English terms to know how to get to the softies.

"That's gossamer wing," he said, seeing my green eyes admiring a certain specimen. Now could any plant ever have a more romantic name?" I reflected dreamily, and bit hard.

"That's it," I told Paw and arrived home fondly beaming with my precious pot of greenery. Had it prominently displayed by the time the family started straying in.

As could be expected, the boys ignored it. No food on it.

Not so the girls. They were all of one opinion—"Ugh, it looks like one of those man eating plants. Are you sure it won't reach out and grab you?"

"You people just have no appreciation", I defended haughtily and decided to give it a place of honor. Wilfred Lefebvre was working on the house and I invited him in to build a special hanger for it.

"Now isn't that a lovely plant, the leaves look just like velvet," he observed admiringly."

"See," I exploded to the girls", some people recognize beauty, unlike some other people around here."

They weren't going to take that lying down. "Don't be all flattered, people are careful what they say before they are paid and he's got another week's work." Confound kids anyway!

Grandpa's always been a pretty good friend so I invited him in for some moral support. Isn't my plant just lovely?" I steered.

"Weel, now, that sure is different," Grandpa said, surveying it with interest. "Is that cobwebs on it?"

"Grandpa! that's gossamer," I explained.

"Oh is that what it is." He made it sound real impressive, as though he had just received his lesson for the day.

The boys boomed: "We tried to tell her it was covered with spider webs!" They retreated hastily following the murderous glint in mother's eye.

"I think we should give it a name," said Valerie, soothingly. "All plants should have a name. I think we should call it Charlotte."

My ego shot up one notch. "Now I agree. And Charlotte sounds like a real queenly name, how did you happen to think of it?"

"She was thinking of the book, 'Charlotte's Web'," Elaine piped up. "It's all about spider webs". Poor little ego went back down where it came from.

"You people just don't recognize gossamer when you see it," I persisted.

Well, they decided, they would just have to get out the dictionary and see what gossanner was so they could appreciate it more fully.

Darn them anyway! Did you ever look up "gossamer" in a dictionary?

IT'S OUR OPINION

Crowded highways ahead

Canadians escape natural disasters such as the earthquakes that recently caused such devastation in China and the Philippines, only to die in traffic. Ours is one of the most fortunate countries in the world in its immunity from natural disasters. But we do know too many man-made tragedies on our highways.

A case in point was the recent two-car collision on Highway 34 that wiped out four members of a United States family and sent the other driver to hospital. Police could ascribe no reason for the collision on a straight stretch of highway, in bright afternoon weather, except the possible momentary carelessness of one of the drivers.

There have been other multiple deaths on our highways this year and it is a rather grim fact that man's forces rather than natural forces kill and cripple most Canadians.

The last big holiday weekend of the summer lies ahead and there are predictions that not only will Canadian roads be unusually crowded but that the toll of death and injury will reach new highs.

Smart drivers this weekend will be travelling a minimum of miles using a maximum of care and commonsense.

Throw-away society

It's a calm evening and the sun is just beginning its descent into the clouds. A canoe slips silently down the river into a small deserted bay.

As you look into the crystal clear water what looks back at you is not some scaly denizen of the deep but more likely a soft drink or beer can.

The Ontario government has come up with a plan to stop the litter caused by these "throwaway" containers, notes an editorial in the Renfrew Mercury.

Effective October 1 regulations will require retail vendors to accept the return of clear, intact refillable bottles up to a limit of 48 per person per day.

The big days will be March 1 and April 1 of 1977. On the first day of March soft drink cans with detachable openers will be banned in Ontario and a similar ban will be imposed on beer cans on April 1.

There are many other regulations, which are all working towards phasing out completely the "Throwaway" containers that have plagued the landscape for so long.

Convenience seems to be the big word among consumers. Most want items to use once and then throw away. No mess, no fuss. Most of these people have probably not taken a trip along Canada's highways and seen the cans and other assorted items that litter the roadside.

Perhaps the day will arrive when you can take a canoe trip along our waterways and look down to see fish and weeds instead of cans and bottles.

Tax costs, not profits

The Communist Manifesto of 1848 contained a 10-point program for subverting capitalist private property. Second on the list: A heavy progressive or graduated income tax. Don't look now, but we've got it, suggests Kenneth McDonald writing for the Canadian Federation of Independent Business. And it's working as foretold by Marx and Engels.

Like death, taxes are inevitable. But the method of taxation is subject to change. We may think that because former Finance Minister Edgar Benson's "reforms" are only five years old it's too soon to change them. On the contrary, it's almost too late!

We've become so accustomed, though not reconciled, to taxes that we're concerned less with changing the system than with finding ways to beat it. A great army of accountants and lawyers is deployed to help businessmen make the most of tax "incentives" and special allowances. There is no such thing as a tax incentive. Each and every tax is a disincentive. There are only forms of relief from tax disincentives.

In a profit-oriented economy the emphasis should be on cutting costs. But when profits are taxed at 50 per cent, the inclination is to spend more, because business costs "are only 50-cent dollars". Our whole economy is no longer profit-oriented but tax-oriented.

A positive, alternative approach is proposed in a private research study by JRF Financial Consultants Ltd. of Ottawa (John R. Ferguson is also a director of the Canadian Federation of Independent Business). Business enterprises would be taxed on the basis of Net Business Costs.

Then the incentive would be on cutting costs in order to increase profits. The tax system would reinforce sound business principles rather than distort them, as it does now.

Instead of making business decisions for tax reasons, businessmen would make them for business reasons. Taxing profits favors inefficient companies at the expense of efficient ones—the more efficient, the more tax. In a final absurdity, the state then uses tax monies from efficient companies to subsidize failing ones—the free lunch philosophy again.

Taxing costs would put everyone, including Crown corporations and foreign branch plants, on the same competitive footing. The study indicates that a tax of five per cent on net business costs would produce more revenue than taxing profits; enough to reduce personal income tax and eliminate sales taxes.

Our whole inflationary mess is tax-induced. The way out is to turn the system around so that it stimulates, instead of destroys, the economy.

We have our opening too

Montreal and Alexandria have something in common. They are both opening new sports facilities this month, though it can be argued Montreal's stadium was opened in mid-July for the summer Olympics. That was a one-shot event though, and the Drapeau-conceived colossus now reverts to the community for more mundane use.

The Alouettes move into the stadium on September 26th and our new arena complex will be first occupied Saturday of this week when Glengarry Council Knights of Columbus is sponsoring a Fun Day. This will be the K. of C. contribution to the building fund and there will be fun for all age groups among the day's activities.

Hundreds of millions of dollars will have to be found to meet the deficit incurred in realizing Drapeau's dream. Our sports palace is on a more modest scale and if revenue fails to meet the total cost of construction the deficit to be made up will more easily be met than will Montreal's.

It may demand other such fund-raising events though, and residents of town and area will no doubt be out in numbers, Saturday, to see what has been wrought and to show appreciation of the fact we again have arena facilities.

A bumper crop

(The Humboldt, Sask. Journal)

There is no doubt about it, Saskatchewan is looking at the strong likelihood it will be reaping a bumper and record wheat crop this year.

From all parts of the province there are reports that swathing of coarse grains is practically completed and swathing of wheat is generally under way.

The Saskatchewan Wheat Pool persistently has been predicting a wheat crop production this year of 467 million bushels. However, it now is admitting that, in the light of the extremely heavy stands of the wheat crop there is the potential for a yield well above that figure.

In fact, it now is being suggested that if weather conditions turn out to be ideal for the next couple of weeks, the wheat crop could yield 20 per cent above the predicted level. If that happens, previous records for both yield and production would be broken.

In any event, harvesting operations have progressed sufficiently far now that a good year is practically assured.

If the weather conditions are ideal for the next little while, it could turn out to be a great year, or like a good wine, a vintage year.

Saskatchewan farmers deserve such a year. It is to be hoped it turns out that way for them.

Weeklies say . . .

Applause can be overdone

We know that Canadians are a reserved people, that it takes a lot to get us worked up even to the state where we applaud with any degree of enthusiasm.

We are aware, too, that our patriotism leaves something to be desired. Recently, we attended a public event where "O Canada" was played at the opening. The audience was invited to sing along, but upon glancing around we noticed less than half a dozen responded. Perhaps they didn't know the words, which do require a bit of rehearsing. But it just doesn't appear to be our nature to be overly enthusiastic about anything.

On the other hand, however, demonstrations can be overdone, and you need only to recall the recent Republican convention in Kansas City for a good example. Applause is all very well if confined to a reasonable degree but we're sure many of those who attended that convention must have been as disgusted as we were at the prolonged huliabaloo which followed some announcements.

In some cases the demonstrations dragged on for almost half an hour and developed into an unholy din rather than enthusiastic acclaim.

So there you have it. On one hand a lack of applause and enthusiasm. On the other, an overdose of both.

O for a happy medium!

NHL ON WAY OUT?

A lot of people who don't consider themselves hockey fans will be following the Canada Cup series that opens at Ottawa tonight. And the dyed-in-the-wool hockey nut has had a hard time waiting for the international confrontation to get going.

Interest is at a new high as a result of the exciting brand of hockey provided in last winter's Canada-Russia series. If the games ahead are half as good as we look for them to be will Mr. Average Fan be content through the winter with the sloppy standard of play most NHL teams provide?

Fan indifference to the regular NHL fare has virtually ended the long reign of Hockey Night in Canada. It was once so popular no one would dare put on a dance or any other activity against such competition. Now it is too often a bore and to many Canadians a hockey night in Canada is meaningful only if the opposition is international—the Russians preferred.

If this Canada Cup series serves up the superior brand of hockey most fans expect it is almost inevitable that today's NHL will give way to topflight hockey played at the international level.

Then there's the chance so much hockey talent on Canada's team will outclass the opposition.

POSTAL RATE CHANGES

The editor got his knuckles wrapped in a friendly way this week. A U.S. reader had renewed his subscription while here on a holiday in mid-August and he returned home to find a renewal notice awaiting him.

That he could understand, but what irked him was the fact he was called on to pay four cents "postage due" on the dunner. We had erred in using the regular eight-cent stamp rather than the present 10-cent fare to the U.S. As a result he had to make up that two-cent shortage and another two-cent penalty.

It's not the first time this has happened, it seems, for our friend adds:

"It seems nobody in Canada is aware of this new postage rate requiring an additional two cents in first-class postage from Canada to the United States. It seems to the writer that a notice in your paper on this matter would remedy a state of delay and confusion in the delivery of Canadian mail."

We're happy to oblige and our thousands of readers are reminded to put a 10-cent stamp on letters to the U.S. from here in.

Not only has first class mail to the U.S. gone up in price. It's costing us almost three times the former fare to mail our paper to U.S. readers and so we have had to jack up their subscription rate to $15. a year to meet the extra shipping charges.

Now Canadian postal rates are on the way up and our readers are reminded that as of Wednesday, Sept 1st, letters to Canadian addresses now require a 10-cent stamp for up to one ounce. These rates apply to postcards, too. Greeting cards now take an 8-cent stamp and that will go to 10 cents next March 1st when our letters will move up to a 12-cent tariff. The U.S. rate for first class mail will also hit 12 cents at March 1st.

Your letters to all other destinations will go from 20 cents to a quarter next Jan. 1st and there are changes in many other categories of mail.

"Avoid mail delays", the Post Office people urge. "Use the proper postage and postal code," they add. If only that would wipe out delays in delivery of our mailings.

Charging more for poor service won't give the post office the public stamp of approval.

Any farmer could certainly teach Transcanada pipeline some very basic principles of fencing. I even put up signs saying 'Please do not touch fence—fragile', but our ponies refused to pay any attention. On the other hand, those of you who might be interested in rock crops, contact Transcan; we have a bumper rock crop on our former north pasture.

As I sat waiting for Brigadoons to fly into Dorval from their exciting week at the Strand in St. Johns, Newfoundland, I could not get over the number of people standing around, waiting. These people flew to the airport at supersonic speeds, or came in taxis at breakneck speed . . . to wait, and constantly check their watches. Reminded me of a poem by Auden.

I did have an opportunity to make some interesting observations (in addition to young French women and graffitti) and to overhear some airport gossip.

Two salesmen bragging: (A) Did you know that our company (SS) sells 6,000 chainsaws each year?

(B) No I didn't know that, but wait till you hear what our company has invented. It's a device for holding open a plastic bag while you fill it with dead leaves. Re-usable too. Good eh? Greatest thing since indoor privies.

(A) Yabut, too seasonal. Our company is so far ahead of the market that we celebrate St. Patrick's Day on March 9.

(B) Who is St. Patrick?

John Ferguson of South Branch dropped by to pick up another Brigadoon record. He tells me that his record is so worn from playing and replaying 1000's of times, that you can hear both sides at the same time now.

John is concerned about the late start for students at CCVS because of the construction. While at the house, John gave us a lesson in the metaphysical art of water witching.

I heard a rumor that the Fergy of the Irish Rovers, who now prefer simply "The Rovers" will quit soon, to be replaced by one of the Sons of Erin.

School is about to start again and about time too. Adults have many opportunities to take courses through St. Lawrence College (933-6080).

Several of my French friends are upset and embarrassed to think that the Federal government has to go to so much trouble and expense just to get them a job. Last year direct costs for bilingualism were $310 million.

Martintown Mac asks you to seriously consider what Reeve Gadbois meant when he said that the SB road is more scenic now.

The St. Lawrence Block and the Misses McDonell's millinery establishment were completely gutted by a disastrous fire which was discovered about three o'clock on Friday morning of last week. The greatest losers are the Messrs. McPhee, who estimate their loss on the block at $4,000, with $2,500 insurance and on the millinery shop at $2,000, with $1,000 insurance while A. D. McDonald's loss is close to $1,000, that of Misses McDonell about $100, and Mr. McLeister's very slight.—On Monday afternoon Magloire Daprato lost one finger and had two others badly mutilated while at work at the buzz planer in the Munro & McIntosh factory.—Delegates from the various municipalities of Glengarry met in the Queen's Hall on Saturday last with judges Dean of Lindsay and O'Brien of L'Orignal for the purpose of dividing the county into counties' council divisions, each one of which will send two representatives to the board instead of each municipality sending its reeves, as formerly. There will be four divisions, each township having two members.

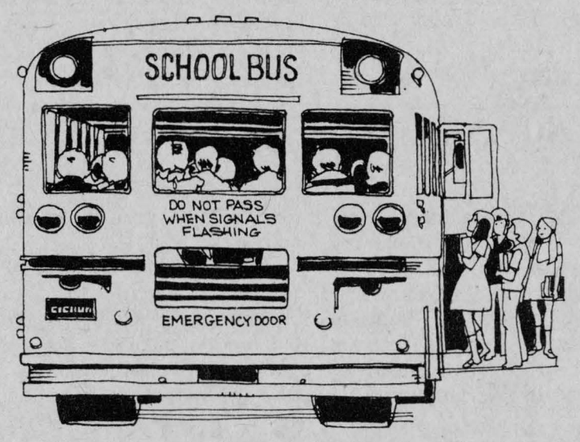
Ontario's school bus safety regulations are everyone's responsibility.

This is what you can do to make sure they're observed.



Your Ontario Government needs your help in protecting our province's school children. So we urge you as a motorist to drive with extra care whenever you see a school bus in front of you or coming towards you.

You will recognize the school bus by its chrome-yellow colour. And whenever it flashes its alternating red signal lights front and rear, you must stop. In fact, all traffic from both directions must stop.

This is true everywhere in Ontario . . . on highways, country roads, and city, town or village streets, and regardless of the speed limit. The penalty for disobeying this law is a fine of up to $100 and 4 demerit points.

The only exception is for motorists going in the opposite direction from the school bus on the other side of a multi-lane highway divided by a physical barrier.

There is something else you can do, as well. Instruct your children to follow the school bus safety rules learned at school—to help the bus driver by behaving quietly and by keeping seated until it is time to leave the bus.

For more information on school bus safety and the School Bus Stopping Law, write to:

This is one of many postal rate changes which became effective Sept. 1.

From March 1, 1977, the rate for letters to Canadian addresses will go up to 12 cents.

These rates apply to postcards as well as letters.

The rate for greeting cards is up to eight cents from Sept. 1 and to 10 cents from March 1 next year.

A post office spokesman said new postal rates also apply to letters to United States, its territories and possessions.

Letters to United States and weighing up to one ounce will go up to 12 cents from March 1. The current rate is 10 cents.

He said letters to all other destinations and weighing up to one ounce will go up to 25 cents from Jan. 1 next year. The present rate is 20 cents.

Aerogrammes, which now cost 20 cents, will also go up to 25 cents from January 1 next year.

Parcel mail and third class mail also have new rates effective Sept. 1.

There are also changes for registered mail, C.O.D. and special delivery, insurance and money orders, change of address-hold the mail notice to postmaster and many others.

Environmental Assessment Board

NOTICE OF PUBLIC HEARING SEWAGE WORKS

Township of Lancaster

Creg Quay Limited

Creg Quay Limited has applied to the Ontario Ministry of the Environment for approval for sewage treatment works to consist of sewage lagoons to serve Creg Quay Adult Residential Community to be located on the east half of Lot 23, Concession I in the Township of Lancaster.

The Environmental Assessment Board will conduct a public hearing to obtain information and to hear the views of the public so that it can make recommendations in respect of the proposed sewage works. Written and oral submissions may be made to the Board at the hearing. The Board will not consider any submissions regarding the proposal after the hearing has been closed.

The hearing will be held on September 14, 1976 at 10.00 o'clock in the morning, local time, in the Lancaster Township Hall, North Lancaster, Ontario.

Plans of the proposed sewage works site will be available for examination and inspection during normal business hours in the office of the Municipal Clerk of the Township of Lancaster, North Lancaster, Ontario, and in the office of the Environmental Assessment Board, 5th Floor, 1 St. Clair Avenue West, Toronto, Ontario, M4V 1K7.

In Memoriam

KING—In loving memory of a dear husband and father Hughie King who was accidentally killed 10 years ago on September 4th, 1976.
The blow was great, the shock severe
We little thought the end was near
And only those who have lost can tell
The pain of parting without farewell
More each day, we miss you
Friends may think the wound is healed
But they little know, the sorrow
That lies within our hearts concealed.
—Ever remembered by wife Loretta and 2 daughters Beverly and Sharon.
Alexandria 35-1p

In Memoriam

KING—In loving memory of my dear father, Hughie King who was accidentally killed on September 4th, 1966.
Beautiful memories are all we have left of one, we loved and will never forget
A loving smile, a happy face
A broken link we can never replace
Days of sadness still come over us
Even though you left us ten years ago.
—Loved forever, sadly missed by daughter Cecile and son-in-law Maurice Massia and grandchildren.
Monkland 35-1c

MacKENZIE—To the memory of John Neil MacKenzie, Brodie who passed away August 7th, 1971
How sweet it will be to find
Out of all mankind
When I reach my rainbow's end
One loyal true friend
—Allan and Muriel McCaskill, Dalkeith. 35-1p

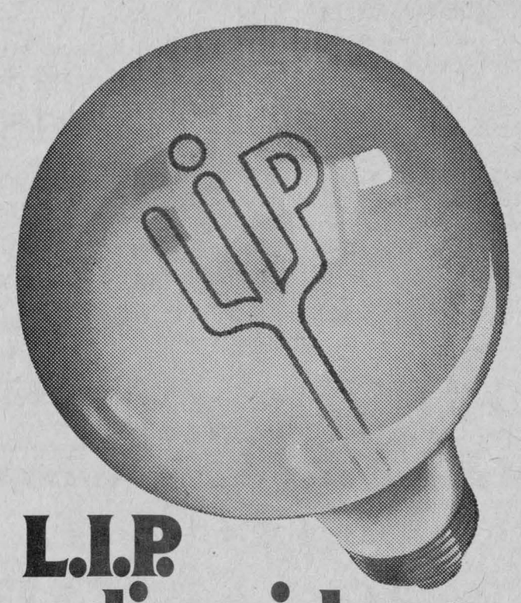
Think Quick. You've only got until September 10th.



If you've been toying with some ideas for the Local Initiatives Program, your time is just about up. All applications for L.I.P. projects must be in our hands no later than September 10th, 1976. Your idea should be original and innovative and create useful jobs where there were no jobs before. It must also employ people registered at a Canada Manpower Centre. Your project can get underway anytime between November 1st this year and January 31st, 1977. So come on, do a little quick thinking. Who knows, the ideas you have this summer may be working for you this winter.

Tough new standards for soft drink industry

A new regulation announced August 19 by Ontario Environment Minister George A Kerr will ensure provincewide availability and use of carbonated soft drinks in refillable containers and reduce undesirable environment effect of non-refillable containers.

The regulation under The Environmental Protection Act requires the display and sale of refillable bottles wherever soft drinks are sold and establishes a mandatory deposit and cash refund on all refillable soft drink containers. It also bans soft drink and beer cans with detachable pull-tab openers.

"These regulatory measures will result in a progressive reduction in the quantity of throwaway containers which add materially to our solid waste load," Mr. Kerr said. "The controls are being phased in over a reasonable time to avoid confusing the consumer in the market place, to minimize economic and employment loss in the industry and to avoid disruption to the soft drink distribution system.

"The regulation is the first phase of our new attack on waste caused by the proliferation of throwaways. I am prepared to introduce other measures as required and as recommended by the Waste Management Advisory Board,"

"Effective October 1, 1976, the regulation will require retail vendors to accept the return of clean, intact refillable bottles up to a limit of 48 per person per day and to refund in cash a minimum mandatory deposit of 10 cents on individual size bottles and 20 cents on family sizes. Retailers must also display a public notice, provided by the Ministry of the Environment outlining the deposit refund system.

Where prices are advertised or displayed, the content price and refundable deposit on refillable bottles must be shown clearly and separately.

Effective March 1, 1977, soft drink cans with detachable openers will be banned from use in Ontario, with a similar ban on this type of beer can to be effective July 1, 1977. Distributors and retailers will be allowed a reasonable time to clear existing stocks.

Effective April 1, 1977, a retailer may not offer non-refillables unless he also offers the same sizes, flavors and brands in refillable containers.

Effective April 1, 1977, non-refillable soft drink containers smaller than 480 milliliters (17 ounces) will be prohibited on licenced premises. This, in effect, requires bars and taverns to serve soft drinks in either refillable containers or carafes for mixed drinks and eliminates the throwaway split common in premises selling alcoholic beverages.

Effective April 1, 1978, only five sizes of refillable carbonated soft drink containers will be manufactured in Ontario—200 milliliters (ml) for use on licenced premises only, 300 ml, 750 ml, 1 liter and 1.5 liters—roughly equivalent to 7 ounces, 10.5 ounces, 26.5 ounces, 35.5 ounces and 53.5 ounces. However, a retailer may sell only three of these sizes in any given brand and flavor.

The regulation in effect limits the sale of soft drinks to three sizes in any given brand or flavor and eliminates the confusing proliferation of sizes now offered on retail shelves.

Lead time of approximately 18 months is required by the industry to phase out existing sizes and to prepare for production of sizes to come on stream in 1977.

Pledged vows Hawkesbury

VOGAN—KENNEDY

Hawkesbury United Church was the scene of a lovely summer wedding on July 31st, when the Rev. Wendy Bulloch united in marriage, Karolee, daughter of Mr. and Mrs. Allan Kennedy of Grenville, Que., and George Stanley, son of Mr. and Mrs. Stanley Vogan, formerly of Dalkeith, now of Carievale, Sask.

The bride entered the church on the arm of her father, by whom she was given in marriage, while Mrs. Edwin Keatley played the wedding music. Her long white gown had a V-shaped bodice, flared A-line skirt and sheer trumpet sleeves. Touches of pale blue swept through the high rise waist, hemline and train, with a short style veil of tulle. She carried a cascade of white and blue miniature carnations.

Carmen Basler, maid of honor, wore a gown of soft blue jersey with full handkerchief sleeves. Debbie Desjardins, niece of the bride, was flower girl and wore a gown of flowered pale blue organdy. They carried small baskets of Shasta daisies and baby's breath. Miss Ann Morrison from Calumet, sang "O Perfect Love" during signing of the register.

The groom was attended by his brother Richard of Dalkeith, and the usher was Mike Warrack of Lachute, Que.

Following the dinner and reception at the Holiday Motel and Restaurant, Hawkesbury, the bride donned a short beige dress and the happy couple left for a tour of Western provinces.

Area resident died at 84

Alex John MacMillan of Lochiel died in Cornwall General Hospital on Friday, August 13th.

A son of the late Dan D. MacMillan and his wife Mary Jane MacMillan, he leaves to mourn, his brother, Donald Ewen MacMillan and his sister Margaret, Mrs. A. W. MacPhee.

The funeral service, conducted by Rev. J. Forbes of St. Columba Presbyterian Church, Kirk Hill, was held Sunday, August 15th, at the Morris Funeral Home, here.

Pallbearers were: Martin Lacroix, J. J. McCormick, A. J. MacDonell, Hugh MacPherson, Ross MacMillan and his nephew Ewen MacPhee.

Couple 50 years wed

Yellow mums and white shasta decorated the improvised outdoor altar as Rev Lionel Joyal celebrated an anniversary mass in honor of Mr. and Mrs. Albert Laporte's fiftieth wedding anniversary. It was held at the home of Mr. and Mrs. Bert Sabourin, Monkland, in the presence of many friends and relatives.

Mr. and Mrs. Laporte were married July 28, 1926 in Sacred Heart Church, Alexandria, with the late Father Huot officiating.

The newly wed couple lived in Oshawa for a couple of years before moving to Alexandria where they raised eight children. Jeanne, Mrs. Fred Desormeaux, Ottawa; Lorraine, Mrs. Bert Sabourin, Monkland; Rita, Mrs. Hubert Fyfe, Brossard, Que.; Adele, Mrs. Maurice Major, Montreal; Emery of Brossard; Jacques of Monkland; Michel, Val St. Michel, Que. and Vivian, Mrs. Gilbert Seguin of Green Valley.

Following the mass an address was read in English by their grandson Paul Sabourin and in French by another grandson, Jean Claude Desormeaux. A bouquet of 23 Sweetheart roses, one for each grandchild, was presented by their granddaughter Lynne Laporte. The children of the Laporte family, all of whom were present, then presented their parents with a Mr. and Mrs. chair and ottoman.

Guests present were from Toronto, Oshawa, Iroquois Falls, Timmins, Hawkesbury, Montreal, Ottawa, Quebec City and surrounding district. In addition to the many cards, long distance calls and gifts, messages of congratulation were received from Governor General Leger, Prime Minister Trudeau, Premier William Davis, Osie Villeneuve, Denis Ethier, and the papal blessing from Pope Paul VI.

Following a hot buffet meal, guests spent an enjoyable time in sing songs and entertainment at the organ by Lennie Sabourin, Gilbert Seguin and Father Leo MacDonell.

THE ANNUAL MUNICIPAL ENUMERATION STARTS NEXT WEEK

The annual municipal enumeration will be conducted between Tuesday, September 7, 1976 and Saturday, September 18, 1976 inclusive. During those two weeks, an enumerator, *carrying a proper identification card*, will call at your residence for a few minutes to check basic information required in determining:

- your eligibility to vote in the municipal and school board elections to be held December 6, this year;
- the allocation of education property taxes between the public and separate school systems;
- the distribution of provincial grants to local governments to help reduce local tax bills;
- the preparation of jurors' lists; and
- population information needed for other municipal programs.

The enumerator must record such information as the name, age, property status (e.g. owner or tenant), school support and residency of all members of the household.

When the enumerator visits, please check that the information on the Enumeration Notice is correct. If it is not, revise it and verify the changes.

If you are not home, a Notice will be left for you. If changes are necessary, please make them and mail the Enumeration Notice, as soon as possible, in the self addressed postage prepaid envelope accompanying the Notice. For any additional information, please contact the local assessment office.

Only those registered as R (Roman Catholic) have the option to be S (Separate School Supporters), others must remain Public School Supporters.

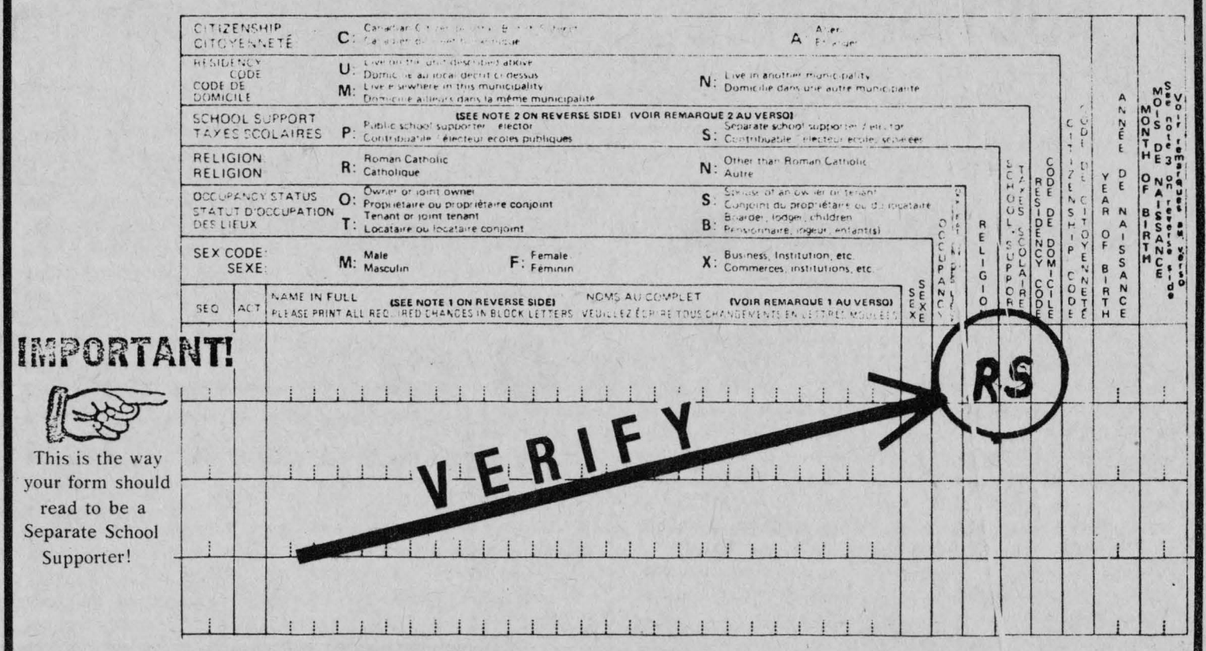
In cases where a husband or wife is a Non Catholic, arrangements may be made enabling the Catholic party to direct taxes to the Separate School System.

All Catholic homeowners and tenants may direct their taxes to the Separate Schools. A tenant has the same right as a proprietor to direct his taxes to the Separate School System.

Even if your children are attending high school or if you have no children of school age your taxes should be paid to the Separate Schools.

Make sure to change your tax support whenever you change address or purchase a property

This enumeration will determine the school tax support for 1977 CALENDAR YEAR



IMPORTANT!

This is the way your form should read to be a Separate School Supporter!

Protect alfalfa in fall

Good fall management can make the difference between a thick or thin stand of alfalfa next year. Damage to the alfalfa crop actually occurs in the fall, although it may die over the winter period, says Professor R. S. Fulkerson, Department of Crop Science, Ontario Agricultural College. Farmers should avoid grazing or cutting to near the critical fall harvest date, if they want to protect their crop.

Harvesting close to the critical date allows the alfalfa to regrow for only two or three weeks because the alfalfa leaves become severely injured by fall frosts. This does not provide it with enough time for food storage in the roots. The plants then go into the winter with low root reserves or antifreeze and are killed by low-winter temperatures.

A lack of fall growth denies the alfalfa proper winter insulation, causing it to die. A foot of top growth, however, keeps the top inch of soil five degrees or more warmer than if it were removed. It holds the snow, keeping the plant crowns at about -2 to -3° (25 to 28 ° F) regardless of sub-zero temperatures. This is extremely important since alfalfa dies at -8 to -12°C (10 to 20°F).

Ice from winter rains and sleet storms can accumulate on the soil surface smothering the alfalfa. Fall top growth can prevent this by providing channels for gas exchange. If top growth is present, it holds the snow acting like a blanket, preventing the ice from forming on the soil surface killing the alfalfa at the crown.

Farmers should check with their agricultural representative or Ontario Ministry of Agriculture and Food publication 296, Field Crop Recommendations, for the critical date in their area.

4-H Club attended Ex.

Eighteen members from the 4-H Agricultural program and eight members from the 4-H Homemaking program attended the Central Canada Exhibition Club Camp on August 25th and 26th.

The girls in the Homemaking program enjoyed guest speakers, tours, discussion groups and other interesting activities as well as a banquet and friendship party on Wednesday evening.

The members in the Agricultural Club Camp participated in a judging competition, tours, demonstration competitions and the banquet and friendship party on Wednesday evening.

Over 450 4-H members from Eastern Ontario participated in the Judging Competition and Glengarry County can be proud of the fact that Michael Krol of RR#2 Williamstown, placed 16th and Charlene Blaney from Maxville placed 17th in the Senior division. In the Junior division, Stuart McIntosh, RR#2, Martintown, placed 7th and Robbie Sova of RR#1 Apple Hill, placed 15th.

Pledge vows at Hamilton

MACDONALD-BALZER

St. Joseph's Church, Hamilton, was the scene of a lovely ceremony on July 3rd, when Helena Balzer and Allan Joseph MacDonald were united in marriage. The bride is the daughter of Mr. and Mrs. Bernhard H. Balzer, Laird, Saskatchewan. The groom is the son of Mr. and Mrs. J. Daniel MacDonald, Greenfield.

Paula and Brian Cryderman, Guelph, close friends of the bride and groom, were matron-of-honor and best man, respectively. The junior bridesmaids, Christine Classen and Tonya MacDonald; the junior ushers, Brian Klassen and Scott MacDonald; and the ringbearers, Steven Klassen and Tyson MacDonald, added their charm to the wedding party. The above, from Saskatoon and Ste. Anne de Bellevue, respectively, are the nieces and nephews of the bride and groom. Larry Filion, Alexandria, and Ewen Monroe, Apple Hill, were the ushers. John Dalke of London, brother-in-law of the bride, enhanced the event as soloist. Ian MacDonald, the groom's brother, served as reader. Father William LaFlamme officiated at the ceremony.

Following the ceremony, a smorgasbord luncheon reception was held at The Plainsman. The wedding party and their guests then gathered in the Royal Botanical Gardens, which provided a picturesque setting for photographs. An informal party and buffet supper at the new home of the bride and groom brought the eventful and enjoyable day to a close.

Following a week of holidaying in historic Prince Edward County and other parts of southeastern Ontario, the couple were honored at the home of the groom's parents. On Saturday, July 10th, a delicious family supper provided an occasion for the families of the bride and the groom to become further acquainted. On Sunday, July 11th, Mr. and Mrs. J. Daniel MacDonald were charming and generous hosts at a lavish and most enjoyable lawn reception where many relatives, neighbors and friends gathered to meet and congratulate the couple.

Family and friends of the bride and groom from Edmonton; Saskatoon and Laird, Winnipeg, Antigonish, Nova Scotia; Montreal, Ste. Anne de Bellevue and St. Eustache, Quebec; and from many parts of Ontario, were able to attend one or both of the festive events.

The newlyweds are presently making their home at 24 Algonquin Road, Dundas, Ontario.
