Car passenger has whiplash

Heather Lobb, 25 of Boundary Road suffered whiplash injuries at 9 p.m. Friday in a car collision during the storm. She was treated at Glengarry Memorial Hospital.

According to the police report, Ronald Seguin was southbound on Main St. South. When meeting another car he applied his brakes and skidded into the parked car of Bruno Lobb.

Road conditions were bad at the time, police report.

Nor'Westers' museum group to assist annual canoe race

Officials of the Nor'Westers' museum at Williamstown expressed readiness to lend their assistance to the annual Raisin River canoe race at a meeting Sunday night with representatives of the Seaway Valley Tourist Council. A definite decision will follow a meeting with Maurice Menard of Lancaster when extent of the museum group's involvement will be discussed.

Mr. Menard originated the idea of the annual spring race down the Raisin River and was in charge of organization through the first two years.

The project has now grown too large for him to handle on his own, A.D.D. MacDonald of South Lancaster, told Charlottenburgh Township Council at its meeting last week. The tourist council has agreed to make money available for promotion of the event and Mr. MacDonald told councillors more help was being sought. He expected the museum officials would take over that role and Sunday's meeting followed.

About 100 canoe enthusiasts are expected to take part in this third annual event on a date yet to be decided by weather conditions. The race begins at St. Andrews West and ends at Williamstown.

The Eastern Ontario Travel Association, in conjunction with the ministry of industry and tourism, is preparing a brochure to further publicize the race.

It will consist of a 500 word essay on the history of the area from which the race is derived and a photograph. Mr. MacDonald noted the race generates a lot of free publicity for the area.

Library board secretary protests hike in library rental here

A recent Alexandria town council decision to increase the annual rent it charges to library service in the town came under attack last week when Herman Nyland, secretary of the SD&G County Library Board addressed council.

Mr. Nyland said that the extra $250 council intends slapping on the library service is unjustified since a similar operation in Morrisburg has twice the space the Alexandria library has, yet has much reduced operating costs.

"If Alexandria raises the rent for the library here, up to $1,000 yearly, then Morrisburg and a number of other municipalities will follow suit," Mr. Nyland told councillors.

In the brief submitted to council, Mr. Nyland said that "the last thing any politician in the counties would want is a decrease in the quality and quantity of library service. The snowball effect of a municipal rental increase could well precipitate such a decrease."

Mr. Nyland emphasized to council that library services in various communities throughout the United Counties operate on tight budgets which have already been set and that any major change in them now could well result in a decrease of service those libraries can provide.

"That's what we're in business for, service and books," he told council. "We certainly aren't concerned with making money, but our costs are fixed and we can't afford to tamper with them now."

He pleaded with council that it rescind the rent increase it ordered for the Alexandria book service since it might force a cutback in book purchases.

The service has been operating for the past three years and Mr. Nyland said it is one of the most successful outlets for book-borrowing that the library board has.

The brief he submitted to council outlined the costs of operation for 1974 at the Alexandria service, as compared with a similar operation in Morrisburg.

With a yearly circulation of 14,635 books, total direct expenditures (not including headquarters services, interlibrary loan, courier service, etc.) amounted to $7,910.

Morrisburg, with a book circulation of 12,591 has operating costs totalling $6,250 with the direct cost per book circulated fixed at 49.5 cents. Cost per book circulated in Alexandria is 54 cents.

Janitorial services at the Morrisburg library amount to $1,500 a year, while the cost is set at $1,315 per year in Alexandria, for not quite half the space that the Morrisburg library has.

Under questioning from Councillor Archie McDougall, Mr. Nyland admitted that during the last three years of operation in Alexandria the library service there has never had its monthly rent increased.

"But during the past year we've not seen any increases in grants allotted to us and our sources of income remain relatively low," Mr. Nyland stressed.

He added that the major source of grants could not be controlled by the library board. The board got $100,000 from the counties and $14,000 from other levels of government for its operations during the current year.

Once council had heard Mr. Nyland's arguments, the matter was referred to the finance committee for further study and a recommendation on action to be taken within two weeks.

Lions roar defiance of order to switch to a Quebec district

Members of Alexandria Lions Club were unanimous, at Monday's meeting, in opposition to plans that would see their club affiliation switched from District A-4 to A-8, the Montreal area.

Similar opposition is reported from other border clubs, Cornwall, Vankleek Hill and St. Eugene, that are included in the plans for new affiliation. Buckingham, Que. is a fifth club that would be transferred.

At Monday's meeting indignation was expressed that area clubs should be informed of a decision already taken at the provincial level. There were repeated expressions of the desire to remain in District A-4, the Eastern Ontario region, where all inter-club relations have been concentrated since the Alexandria club was organized.

A motion was unanimously approved expressing opposition to the proposed change of affiliation and there was more than one suggestion the club might leave Lions International rather than switch.

There are now 49 clubs in District A-4 extending from Renfrew east to the border and higher officialdom feels this is unwieldy.

While the local meeting was expressing opposition here, President Lorne Lawson and Past District Governor Doug Baxter were attending a special meeting of club and District officers at Ottawa. There it was decided to make known our opposition to the committee named to re-distribute the Quebec zone. District Governor Archie Sayant of Vernon, will spearhead the opposition which must act before March 21st when a meeting is set at Toronto.

In the absence of President Lorne Lawson the chair was filled by Vice-President Jacques Trottier at Monday's meeting. Peter Swank, who is seeking the post of Deputy District Governor, headed a group of Iroquois Lions present.

Guy Tranchemontagne was present with other St. Eugene Lions to extend an invitation to his club's 15th anniversary ladies' night, Saturday, in St. Isidore community centre. His club is also against a change of Districts, Mr. Tranchemontagne noted.

Jacques Joly has taken over the secretary's duties previously held by Rolland Lalonde, now in Ottawa. Larry Hickman and Jean-Marie Girard are filling vacancies as directors.

Pat Killoran reported Easter seals would be ready for envelope stuffing Thursday night and will be mailed out next week. Final plans were made for the Irish Pub Nights to be held in the Bide-a-Wee Inn Friday and Saturday nights. The club will host members of the Richelieu Club on April 28th.

Much of the meeting was taken up with plans for the July 1st park opening celebration. General Chairman Archie McDougall outlined progress to date and called on each committee chairman for a report.

There was considerable discussion on a proposed five-foot high fence to be erected around the park at a cost of $9,000. Town council, the Lions and Richelieu clubs, might share the cost of construction. The fence is thought of as a necessity to fight vandalism and improve general security.

Died in Detroit

Funeral services were held in Detroit on Saturday for Mrs. Allan McDonald who died unexpectedly following the birth of her two week old son. Aged 27, she was a native of Ireland and the daughter-in-law of Charles (Farmer) McDonald.

George McDonald, Green Valley and Ambrose and Duncan McDonald of Ottawa attended the funeral.

Cars damaged in collision

An accident on Highway 34 about one mile south of the Brown House resulted in heavy vehicle damage on Tuesday afternoon at 4:30 p.m.

Mrs. Denise J. Kirkby of Lot 28, Fourth of Lancaster, who was driving a 1969 Dodge was stopped on Highway 34 ready to make a left hand turn into the Concession Road when she was struck from behind by a 1958 Chev driven by Rheal Leduc of Hawkesbury.

Both drivers were taken to Glengarry Memorial Hospital but released following treatment.

Damage to the Kirkby car was $2,000 and to the Leduc vehicle $1,500. Const. Ruest of Lancaster OPP investigated.

Now Life Master

Maurice Lemieux of Alexandria is among the newest Life Master rank bridge players recognized by the American Contract Bridge League. Life Master is the highest rank awarded by the League

Cut in half

Members of the Lancaster detachment OPP at Lancaster are assisting Alexandria's force hit by injury and school attendance. The Lancaster police are covering one shift.

Constable Robert Latreille has been off duty for ten days since suffering a broken bone in his left arm. He fell on the steps while leaving the police station.

His injury came while Constable Raymond Legroulx is away attending the police college at Aylmer, Ont.

Green Valley residents ask township to extend street

A three-member delegation from Green Valley seeking an extension of Roy Crescent to their property may have to wait until April for an answer.

The delegation appeared before Charlottenburgh Township council last Tuesday, asking the street be extended to replace a poorly kept CPR railway road now in use.

The road serves four families living along it just north of the CPR mainline. The delegation agreed that they will donate an 800-foot swath of land to the township to offset costs of the extension.

Deputy Reeve Roger Lefebvre noted Mrs. Katherine Deschamps, a long-time resident of the area, is afraid the railway will close the road since it is under no obligation to keep it open.

Reeve Adrian Gadbois said that this is unlikely and suggested the township roads superintendent do a cost estimate and the railway be approached to help pay for opening a new road.

"They're under a moral obligation to keep that crossing open."

The four property owners may also be asked to help pay for the extension, he said, adding they should have an answer by April.

Kenyon council expects to hold line on spending

Kenyon Township Council expects to hold its mill rate for general township purposes to 22 mills, the same amount as last year. The council also expects to qualify for the full support grant by staying within 8 per cent of its previous year's spending.

At its meeting last week council reviewed the auditor's report on 1974 operations which was most encouraging. Despite major expenditures from revenue for purchase of a $20,000 truck and construction of two offices in the township hall, the surplus on the year's operations was some $23,000. The auditors' report is published in this issue.

Township council is now using the services of a United Counties building inspector, Ritchie Warren of RR1, Williamstown. Mr. Warren will also collect dog taxes in the township.

Police looking for hit-run car

Alexandria police are looking for a green colored 1972 Chrysler they believe was involved in a hit and run accident at 3:40 p.m. Monday, at the corner of Main and Gernish streets.

A southbound car with three occupants is reported to have struck a northbound car driven by Loretta Cain of St. Lawrence San. It then backed away, turned east on Gernish and hit a parked car near Dominion, owned by Marc Leblanc.

The car was pursued by witnesses through Glen Robertson before being lost.

The Cain car suffered damages estimated at $500, the Leblanc car at $150.

Seaway Valley Hunt Club has plans to open riding trails

A meeting of the Club was held in the Agriculture Hall in Alexandria on Sunday, March 2nd. After the Chairman's opening remarks, in which he sketched the history of the Club from the organizing meeting up to date, the following items were discussed.

This year's program. An OFY Grant has been applied for. The purpose is to clear riding trails through the road allowances in the county by cutting brush and possibly installing gates where farmers have incorporated road allowances into their fields. It is hoped that an initial 25 miles of allowance would be opened for use. This would permit horse riding away from the dangers of highway traffic for the Club and other members of the public, and the same trails could also be used for hiking, snowshoeing, skiing and snowmobiling. There is also the possibility of club members getting together for a trail clearing bee as it is unlikely that the grant would be available immediately.

Notes from previous meetings were reviewed and it was decided to go ahead and order a Club Crest suitable for application to a jacket sleeve or pocket. This was voted on and unanimously agreed.

We will look into the possibility of affiliation with the Ontario Trail Riding Association.

The first Meet of the season is to be held at John Peters' on Sunday, April 6th, at 2:00. While this is the only meet arranged so far, other people wishing to have a meet at their place should contact their Fieldmaster who will inform other members interested in riding.

Dues for the 1975 season were accepted and membership cards given to those members who paid up. Those wishing to pay may give their money to Paul Rumke, John Peters or the Secretary. Application forms for new members may be obtained from John Peters or the Secretary.

Have date in Halifax to tape show

Ray MacCulloch and her dancers will be flying to Halifax on March 23rd to tape their show which will appear on the Ceilidh program. The date of the presentation is still uncertain.

E. Hawkesbury reeve favors Prescott link

East Hawkesbury Reeve Arthur Lachaine and his council wish to become a part of Prescott County, in which East Hawkesbury is situated rather than be a part of the proposed new provincial riding of Stormont, Dundas and Glengarry.

In a letter to MPP Osie F. Villeneuve, of the Glengarry riding, in which East Hawkesbury is currently included, Reeve Lachaine points out that geographically, culturally, medically and financially, East Hawkesbury fits directly into the milieu of Prescott county with the County seat at L'Orignal.

Whereas in the proposed regrouping East Hawkesbury, some 60 miles from Cornwall, has very little in common with these former independent counties.

The proposed changes, under discussion at Queen's Park have already drawn protests from Osie F. Villeneuve of Glengarry County and Albert Belanger of Prescott and Russell counties.

Library at Williamstown opens in historic Johnston home

The 15th branch of the Stormont, Dundas and Glengarry County Library system opened in Williamstown on Friday.

There was no ceremony as the official opening will not be until May 24 after final details of the library located in Johnston Manor are worked out.

Hours for the new branch are: Monday, 7-9 p.m., Tuesday, 2-5 p.m. and 7-9 p.m., Wednesday, 7-9 p.m., Thursday, 7-9 p.m., Friday, 2-5 p.m. and Saturday, 10-noon.

Duties of librarian will be split between Sue Harrington, Marjory Martin and Ruth Mowat.

The building in which the library is located is a federal historic site. The library is a tri-level project with the federal and provincial governments and United Counties council taking part.

Representatives of all three branches will be on hand for the official opening in May.

The library has 4,500 books in stock on all subjects and in both English and French. As a result of the library opening the SD&G bookmobile will no longer stop at Williamstown.

Gets master's

Janette Wygergangs, the oldest daughter of Mr. and Mrs. Harry Wygergangs, Lancaster, received her M.L.S. (Master of Library Science) from the University of Western Ontario, London, Ont. She has been employed at the National Library of Canada as a librarian since September of 1974.

Back at work

CIP employees went back to work later Wednesday morning at the request of union officials. The problem is being threshed out with management, we are informed.

PLANT WALKOUT—The whole membership of Local 304 of the International Union of United Brewers, Flour, Cereal, Soft Drink and Distillery Workers of America walked out of CIP foods in Alexandria Wednesday morning in protest of the managements' lack of seignority rights. According to union spokesman, Dorice (Joe) Joanette, a worker in the maintenance department had been laid off. Three other workers in the same department had less seignority and were kept on. Their placards read: "We want justice", and "We want Joe".

Martintown Rumor Mill

by Art Buckland

"Pigs is pigs", I always thought. But not so, said Mrs. Myers, well known pig farmer from RR3 Dalkeith. Mrs. Myers is a good looking, knowledgeable and very practical pig farmer, who together with her husband Charles, is raising breeding stock and market hogs. She lectured to that group of unfarmers at Avonmore recently. An "unfarmer" is a person who does not know anything about farming and wants to know everything so that he can cash in on some of this big money that farmers are making. Sam McLeod humors this group by hiring experts to talk to us and by telling them not to laugh at some of our questions. We ask such questions as "How many bushels to the acre should you expect to get from a good hayfield?" or "Would it hurt a sow if you let her outside in the summertime?" or "If you crossed a goose and a horse, would you get a 4-legged bird or a 2-legged animal called a gorse or a hoose?"

Mrs. Myers, after her very informative lecture has immediately become a member of my B&B club.

Public speaking was the project at our own public school last week. After classroom winners had been selected the competition was to decide the best public speaker in public school. I am pleased to announce that Lorne Jamieson won first place and Andrea Buckland of Glen Falloch, was second.

Mrs. Hattie Murray, Marland's mother, is 90 years old this week. Mrs. Murray is in St. Joseph's Villa. She has a few gray hairs now, and I feel guilty about putting some of them there when she had to cope with me as an entrance problem in grade 8 on Sheek Island, just after the war (Boer, WW I, or Spanish Civil, take your pick).

Spring is coming and the winter's litter is beginning to show. Two mattresses mar our roads, and the drive-in is not even open yet.

Sylvester and his Clansmen certainly are versatile. Recently they have been lumberjacks, athletes and now they are Irishmen. Char-Lan Jr. Farmers are sponsoring a dance at Yon Bonnie Glen Sat., March 15th with the Clansmen disguised as Irishmen.

Friday, March 21st, our own lovely ladies from St. William's Parish are sponsoring a dance at Yon Bonnie with Sylvester. Should be a good night.

Brigadoons, Lions, Irishmen, green beer and the Hub are the ingredients for fun this weekend (March 14th, 15th) at the Hub, in Alexandria. Rob Taylor and his Brigadoons will be there sponsored by the fun-loving Lions in an Irish Pub night. Come along, Friday. Martintown Mac recommends that you rest up this week, get to the Hub on Friday night for a great time and then on the Yon Bonnie Glen in time to get a good seat for the Char-Lan Pub night.

Les and Irene of Martintown East had a chimney fire last Sunday. Chief Donald Flaro and the Martintown Fire Brigade were able to control things without any damage. Granny Cain says that wood stoves should have their stovepipes cleaned every three weeks.

I am happy to say that my lumberjack's toque (which I knitted in 1954) has been returned. It somehow flew off my head at our Recreation Committee's Lumberjack Ball. Marcel (Bonnie Glen) Lanthier discovered it on an Ayrshire cow last week. She was using it to keep her udder warm. Ahh, those canny Scottish coos.

Happy St. Patrick's Day. On rereading Winston Churchill's History of the English Speaking Peoples, I found St. Patrick referred to as "a remarkable and charming personality". St. Patrick, a Roman Briton son of a Christian Deacon, was captured and sold into slavery by a band of hard-drinking Irish raiders. He was a swine herder for 6 years, then escaped to France. After 14 years of monastic learning and self preparation he fulfilled a long time desire to "return good for evil and spread knowledge" among his barbaric captors in Ireland. And he did it, that is the point. What a man! The snakes and reptile banishment is minor. St. Patrick would be 1,603 years old today. I wonder what he would think of the Orange and the Green—"A big mixup" is the way our local songsters describe it. However, in the song they did marry.

Incidentally, if you're a hard nosed Orangeman who can't stand criticism, don't read Hugh McLennan's "Rivers of Canada".

Martintown Mac says to learn something from the young husband in conversation with his wife after throwing out the bath water, "Oh you mean to say that the baby was still in it?"

IT'S TIME TO TAP—We are reminded by this float which took first prize in the recent Martintown Carnival parade. Pictured in front are the Carnival Queen and Princesses who were chosen to reign over the events. From l to r, Princess Brenda daughter of Mr. and Mrs. Cliff Morris; Queen June, daughter of Mr. and Mrs. Leo Aubin and Princess Monique, daughter of Mr. and Mrs. Raymond Lapointe. Sugar bush officials inform us that to date the run has been slight.

South Branch road issue is rekindled

The flickering South Branch Road dispute flared again Tuesday of last week, as two property owners called on Charlottenburgh Township council to join them in opposition to planned reconstruction of the road.

Robin Wall and Fred Vogel urged council to pass a resolution limiting the project to an 88-foot right-of-way instead of 100 feet as Cornwall Suburban Roads Commission plans demand.

Council followed the lead of Reeve Adrian Gadbois in rejecting the request. However, Mr. Gadbois is to call a meeting of residents, council, commission members and United Counties engineer Donald MacDonald.

South Branch Road falls under the jurisdiction of the county roads system. Mr. Gadbois said the meeting will be called at the earliest convenient date.

He added there will be little point in holding the meeting if any of the parties in the dispute refuse to attend.

At issue is a decision by the commission and United Counties council to upgrade the road. This includes widening, straightening curves and levelling hills.

In the process about 26 property owners along the present 66-foot right-of-way have had their land expropriated and hundreds of stately elms, oaks and ash are to be levelled.

Opposition to the proposed project forged ahead until the commission in a recent meeting with a delegation of residents agreed to make some concessions.

But according to Mr. Wall and Mr. Vogel, the township engineer and the commission have failed to honor these commitments. The meeting with council was the result.

Mr. Vogel said Mr. MacDonald appears intent on going ahead with the original plans no matter what the opposition.

He charged that a representative of the engineer's department told different residents that their neighbors had agreed to terms in an apparent attempt to get them to sign.

Mr. Vogel was critical of council's apparent reluctance to join opponents of the project, even though it is not strictly a township matter since the road is entirely within the township.

Mr. Wall said it is not clear to him why the counties engineer is insisting on a 100-foot right of way since he is willing to leave it 86 feet in some places.

His argument gained support when Reeve Gadbois read recent letters from the ministry to indicate the province is "pulling" in its horns."

One letter to Mr. Wall from Osie Villeneuve, Glengarry MPP, said it is a "delicate matter for the provincial government to become involved in" and local government must make the final decision.

A second letter from an official of the ministry of transportation and communication said: "100 feet is recognized as a desirable standard but is not required by the ministry."

He also said the decision is left to the discretion of "local elected councils," in this instance, the United Counties council.

Reeve Gadbois said he could not back the two-man delegation since he has not seen the plans in detail yet. He said upgrading work must be done this year since grant money has already been made available.

But he added: "I take the stand that the road needs upgrading with the least inconvenience to people and the least number of trees cut down."

He said Charlottenburgh council has not been involved except as a member of United Counties council.

Meanwhile, the first expropriation hearings were to take place at Cornwall city hall Wednesday as property owners begin what promises to be a grim legal battle to keep their land.

Mr. Vogel noted that if the meeting proposed by Mr. Gadbois is not arranged the courts are the only alternative left and that there will be "one court case after another."

COME ALONG—DANCE ALONG—SING ALONG with the lively Brigadoons. Come and meet them in person, Bob Taylor, accordianist, Guy Leroux, drummer, Bob Burnie, soloist and Brian MacDonell, guitarist and singer. The seats are limited so be here early.

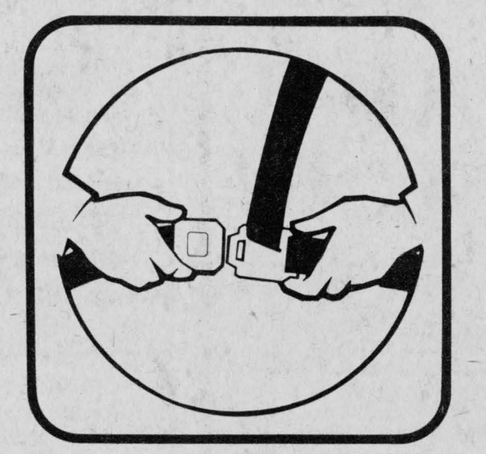
Seat belts mean greater safety.

This is what Ontario is doing to make sure people know it - and wear them!



In 1973, 2000 people were killed and nearly 100,000 injured in car accidents here in Ontario! Tragic? Sure. But even more tragic when you consider that many of these people could have been saved by one simple action. Buckling a seat belt.

Scientific evidence proves that seat belts reduce the chance of death or injury in a car accident by 50%!

So your Ontario Government is sponsoring an intensive educational program to persuade drivers and passengers—and children, too—to wear a seat belt even on short drives.

The symbol of this program is the sign shown. It's a reminder to "Buckle up for safety." You'll be seeing it often along Ontario streets and highways.

It's part of a plan to help protect you, your family, and everyone in the province—to help Ontario residents live better, longer.

And to make doubly-sure of it, the government has prepared interesting, informative booklets, a film, and a special school program on the importance of wearing a seat belt.

For more information on seat belt safety, write:

NEWS OF INTEREST FROM MAXVILLE AND SURROUNDING DISTRICT

Carnival Royalty drawn on Friday evening, King, Glen Michaud; Queen, Sandra Livesey; Prince, Frankie Massia and Princess Allison Arkinstall. Best over-all ticket salesman was Ronnie King.

Lucky Harvey Scott won the Lions' Draw again this week, a reward for helping the Lions top the hundred mark in their fund-raising efforts.

The service in St. Michael's Anglican Church next Sunday, March 16th, will be Holy Eucharist at 9:00 a.m.

The Maxville Manor Auxiliary will meet this Tuesday, March 18th at 7:30 p.m. As before, remember to come at the earlier hour for a short sing-song around the piano with the residents in the dining room.

Mrs. Eva Kippen spent the weekend in Ottawa, guest of Mr. and Mrs. Roy Smith, and attended the Friday night performance of the Ballet "Sleeping Beauty" at the NAC.

DAY OF PRAYER SERVICE HELD

A blustery and stormy night did little to discourage the ladies of Maxville and district from filling St. Michael's Anglican Church for the annual World Day of Prayer service. Members of all the congregations took turns leading the prayers and reading the lessons in a well-organized and impressive service. Mrs. Clarence Sinclair and Mrs. William MacGregor began, followed by Mrs. Erwin Shields, Mrs. R. F. McRae and Mrs. James Cumming. Mrs. Edna Rolland led in the Acts of Contrition, with Mrs. Andre Villeneuve.

Mrs. Gerald Leduc led a prayer in French, Mrs. John McEwen in English, and Mrs. George Heinsma in Dutch. There was a reading by Mrs. K. Wilkes. The hymns included "Worship the King" and "The Church's One Foundation", with Sister Mary McAlear at the organ. Unusual and different were the prayers for the unity of the church from the ancient rites of historical churches, read by Mrs. Mary Vallance, Miss Gladys Rouston, Mrs. Grace McDermid, Mrs. Margaret MacRae, Mrs. Jean Casey and Mrs. Donald Dewar. Final readers were Mrs. Gordon Munro and Mrs. W. E. Henderson. A substantial collection was taken up by Mrs. Hilda Scott and Mrs. Elsie MacCrimmon.

Mrs. Peter Durette gave the address, focussing her remarks on the fact that this is "Women's Year", well into its third month, and what are Christian women doing to extend their influence? Start right at home, do something for somebody today. "Why Not?" Be thankful for the great gift of life, and set the good example for everyone else. Without any special posters or advertising, this has been the role of women through the ages.

Following the service the ladies of St. Michael's welcomed their fellow-worshippers to the vestry where all enjoyed a lunch and a social hour.

CARNIVAL A SUCCESS DESPITE STORM

In spite of the storm last Friday the Maxville Lions' Club staged their usual very successful winter carnival, co-organized this year by Don Bond and Mel McCormick. With something over two hundred dollars in prize money offered in a variety of categories for the costumes and the races there were scores of children thronging the arena. The costumes seem to be improving in imagination and design every year; there were perky little rabbits, gypsies, a buggalo, Raggedy Ann dolls, national costumes, an accident case, one monster, and a witch left over from Hallowe'en, and even a toaster.

The excellent turn-out of parents and friends results from the first competition, to see who can sell the most tickets to get in to the carnival, and the prize here is ten dollars. The winner in the public school was Yvon Paquette, in the Senior school Laurie Cooper, and the over-all best was Ronnie King from St. Bernard's.

Judges for the competition were Ross Price and Joe and Sue Stelmach, and there were three categories to puzzle over. First prize for Originality went to the Raggedy Ann dolls, Christine Smith and Lori Trottier, second to Betty Freeland as the ever-popular devil; and third to Rick Heemskirk. David Deveau had the funniest costume, with Sonya Montgomery second and Kerry Michaud third. True-to-life went to an Indian maiden Susie Andrews, second to Elizabeth Kennedy, and third to Julia and Joanna Jasiewicz in the national costume of Poland.

Tickets were pulled for the Carnival royalty, King, Glen Michaud; Queen, Sandra Lovesey; Prince, Frankie Massia and Princess, Allison Arkinstall.

The races, always an exciting event, were run off quickly in the face of the worsening storm. Boys 8 and under, Michael Wensink, Chris Clemens second; 10 and under, Gerry Leduc and Steven Douglas; 12 and under, Darren McCuaig and Steven McGregor; 14 and under, Andy Blair and Kelly Cuerrier. Girls 8 and under, Donna Michaud and Bernadine Murray; 10 and under, Sandra Benton and Joanna Jasiewicz; 12 and under Jennifer Freeland and Barbara Wensink; 14 and under Karen McBain and Janice McDonald.

And everybody made it safely home before the roads drifted in.

UCW UNIT II MET

Twenty-six members and two visitors enjoyed the comfort of Mr. and Mrs. Gordon Munro's home when Maxville UCW Unit II met on Tuesday, March 4th, at 8:00 p.m. Group II, under the capable leadership of Mrs. Jennie McEwen, led the meeting. Mrs. Catherine McEwen played quiet music as the ladies sang the doxology in unison. Mrs. Jennie McEwen followed with prayer.

A brief period of business included the following announcements: World Day of Prayer to be held in the Anglican Church, Maxville, Friday, March 7th, at 8:00 p.m. Our UCW Thankoffering (Easter) to be held Tuesday, April 1st, at 8:00 p.m., in our church; Group III and Mrs. W. E. Henderson will be in charge. As guest speaker, Mrs. A. E. Loree, Long Sault will be present. Mrs. Harold Willis will invite neighboring UCW's to hear Mrs. Loree.

Mrs. Willis asked ladies to keep in mind the possibility of our UCW adopting a child overseas. More details will be available and further discussion will follow later. Mrs. Jennie McEwen resumed the chair and gave a resume of noteworthy articles in the March Observer. Mrs. Gerald Blair has a record 106 subscriptions to date for 1975.

Group II members took the worship portion of the meeting as Mrs. Hector Runions read scriptures, "the parable of the sower," and Mrs. Maimie Blaney gave the lesson, prepared by Mrs. Jennie McEwen entitled "Are We Sowing Heavenly Seed?" Mrs. Gerald Blair and Mrs. McEwen dedicated the offering. Mrs. Donald Dewar and Mrs. Irma Marshall rendered a beautiful duet "Nearer, Still Nearer", with Catherine McEwen at the piano.

The Mission Study 1975 "Mission Begins With You" is divided into three parts: "You and the family"; "You and the community"; "You and the world".

Mrs. McEwen expounded on the importance of our mission as a Christian in politics, part of "you and the community". She referred to the writings of Rev. David MacDonald, MP, Charlottetown. Mrs. Gordon Munro, Mrs. Florence McNaughton, and Mrs. Robert MacIntosh read answers to the various questions entailed in the study. Ladies then divided into three groups under leaders Mrs. Donald Munro, Mrs. Maimie Blaney and Mrs. John Jamieson and delved into penetrating consideration of our role in politics. Groups returned to the whole and discussion followed.

At the close of the meeting, a group of ladies drew up a paper, one copy for each of the MP's locally, protesting the content of certain CTV and CBC programs, also the quality of advertising resorted to by certain programs. Ladies who so wished signed this protest in hopes that the protest would not fall on deaf ears.

Fellowship and food brought a very worthwhile meeting to a close as ladies thanked Mrs. Gordon Munro for her hospitality.

DUNVEGAN

Norman M. MacLeod recently attended the 81st annual Good Roads convention in Toronto. Other delegates from Kenyon Township were Reeve Albert Faubert, Deputy-Reeve Hughie MacIntyre, Steve O'Connor, Malcolm N. Grant, Arthur Leroux and Road Supt. Myles Campeau.

The Dunvegan Satin Stitchers are well into the seven meetings with their leaders, Mrs. Eunice Nixon, assisted by Mrs. Donna Addison; President Brenda Cousineau; Vice-Pres. Lois Nixon; Secretary, Lorna Campbell; Treasurer Sandy Tenger; Press Reporter Joyce MacLeod. Keep up the good work girls.

Duncan Scott Kennedy was guest speaker in Kenyon Presbyterian Church on Sunday, March 2nd. Rev. Dr. Donald N. MacMillan of Montreal and Mrs. MacMillan were present in Kenyon Presbyterian Church for that service.

Winners in the card party held in the Dunvegan WI Hall on March 3rd were:

Ladies, Mrs. Wm. MacIntosh, Moose Creek; Mrs. Kenzie MacCuaig, Moose Creek; Low, Mrs. Jessie Hill, Maxville.

Men—Dan MacRae, Dunvegan; Neil MacLean, St. Elmo; M. N. Grant, Laggan, Low. Door Prize Mrs. Bertha Lalonde, Maxville. Next Card Party is on March 17th, St. Patrick's night. Come and try your luck at the Euchre Party in the Hall at 8:30 p.m.

On March 26th, Dunvegan WI is holding a card party at the Maxville Manor. Everyone welcome. Hope to see you all at the Manor at 8 p.m.

Sports piel

by Emile Hurtubise

One night last week we took in an exhibition hockey game in which a group who call themselves the Alexandria Old-Timers were matched against the Cornwall Firemen. The calibre of hockey we saw played by these so-called old-timers rates with the finest played in the community centre this season.

This group of former local players was assembled two years ago when the Richelieu Club sponsored a hockey team to play against the Montreal NHL Old-Timers. The game was set up to be an added attraction to the week-long annual Richelieu Carnival. At that time, the Montreal team requested that a team of players 30 years of age and over, with two or three players under that age, be formed. The game was to be played on a friendly basis—no body contact and no slapshots.

Most of the players rounded up had not been involved in hockey for some time and even though they may be called old-timers, at ages 30 and 35, they were still quite capable hockey players. Furthermore, the fellows interested were in business or held steady employment, were married, with responsibilities, and could not afford to play the regular style of hockey. The rules and regulations suggested by the Montreal Old-Timers sounded interesting and so the team was formed.

In preparing for the old-timers' game in '73 against Montreal, most of the players enjoyed hockey again so much, especially without body contact, they continued the sport because the game was technically more interesting. Almost all the smaller centres as well as the larger cities in the provinces of Ontario and Quebec, now have organized old-timers' teams and play under the same rules and regulations.

For example, so far this year the Alexandria squad has played 23 games against teams from Valleyfield, Stormont, St. Isidore, Cornwall, Laval, Outremont, Vankleek Hill, Hawkesbury, Williamstown, Embrun, Cornwall Firemen and even against our own Jr. B Glens, under the modified rules. Out of these 23 games, Alexandria emerged on top in 17, which indicates they are a dedicated and well-balanced group.

Noticeably evident is the friendly atmosphere that reigns among the players and this reflects on their play. The scoring of goals does not seem to be their main objective but rather the manner in which the goal is scored. The skills of stick-handling and passing plays that make the game of hockey an interesting spectacle are made possible by the elimination of body contact and slapshots.

If you're not convinced this group of over-the-hill players can play such hockey, come and see them in action against the Glens next Tuesday, March 18th, at 8 p.m., at the community centre. So far in two previous meetings they have split honors with one game each.

Bob Leroux is the manager of the Old-Timers and is also the team's goalie; back-up goalie is Marc Brunet; defencemen are, Gerry Beauclair, Roger Levert, Maurice Payment, Lionel Leroux and Jean Yves Jeaurond; forwards, Gilles Lefebvre (captain), Denis Martin, Leo Denis Payment, Stan Fraser, Andy Seguin, Guy Cholette, Roger Menard, Glen Slater and Maurice Sauve; Jean Luc Caron is a referee.

Sport Slants . . .

A Winchester friend and confrere, Al VanBridger, is recovering favorably after being involved in a serious automobile accident. An esteemed employee of the Winchester Press and willing worker in many community projects, Al played hockey with the Jr. B Winchester Hawks, a few years ago and is presently on the Hawks' executive. His convalescence was made more agreeable when a benefit was put on in his honor by friends.

Once again the Maxville Bantams were too much for Gaetan Giroux's Alexandria squad. These two teams locked horns again last Saturday in the opening game of the Maxville Bantam tournament. Maxville came out on top by a 2 to 1 count but lost out in the final for the A championship to Tri-Town 5 to 4. Alexandria won their next two to capture the B series. In eight meetings between Maxville and Alexandria this season, Alexandria holds a slight edge with four wins, three losses and one tie and all seven decisions were by one-goal margins.

Several of the McCormick and MacKinnon clans could be seen leaning over the boards at the Atom game here Saturday night as Ernie Etherington's Atoms hosted the Ottawa Alta Vista lads. Prominent on the visiting team were the sons of the Neil McCormick and Ian MacKinnon families of Ottawa. The game was exciting from start to finish and wound up with nobody bragging, (the score was 2 to 2).

Yvon Desautels was flying in the Midget tournament in Potsdam last Saturday, picking up five goals in Alexandria's 9 to 2 win over Prescott in the opener. Other goals were scored by Jim Labonte, Richard Depratto, Glen MacDonell and John Charlebois. The boys were really disappointed with their loss to Potsdam but are hoping for a strong showing in the Maxville tourney this coming Saturday.

Laggan school won trophy

The senior entry from Laggan School were trophy winners last Saturday in the elementary school hockey tournament held in Finch arena. Under the sponsorship of Berwick School, this was the fifth annual school tournament.

There were two divisions: senior for grades seven and eight and junior for grades five and six. There were eight teams in each division, Ingleside, Glen Walter, Alexandria, Laggan, Berwick, Finch, Roxmore and Moose Creek.

The junior tournament was held in the morning. Each team played two games and the school having the most points won. If tied in points the team with greatest difference in goals for and against won.

In the junior tournament Laggan won both its games defeating Roxmore 3-0 and Ingleside 2-1. Their two wins tied them with St. Bernard's Separate School, (Finch), in points but they lost out on the Trophy as St. Bernard's had superior goals for and against record.

Team members were: Marc Titley, Darrel Hay, Glenn Hay, Gordon Howes, Danny Turton, Drew Wallace, Hugh MacMaster, Wayne MacSweyn, Kenny Barton, Jamie Roach, Kelley Epp, Grant Crack, Charlie Titley, Scott Campbell.

In the senior tournament Laggan defeated the Alexander School from Alexandria 4-1 in their first game and in the final game of the tournament defeated last year's champs, St. Bernard's, 5-1.

Team members: Keith Malkin, Doug Brown, Michael Crack, John MacSweyn, Doug Howes, Robbie Nixon, Allen MacLennan, Alan MacPherson, Allen Stewart, Glen MacMillan, Stanton MacDonald and Carl Campbell.

Top scorer in the senior tournament was Doug Howes with four goals. Keith Malkin was named the best goalie in the tournament. Each member on the winning team received a medal. The school with the winning team got a trophy for their display case.

STYLISH HOCKEY—They play a classy brand of hockey, these oldtimers who play on Tuesday nights. They have vetoed body checking and their passing skill is a pleasure to watch. The forward line in white bringing up the puck are left to right, Gerald Beauclair, Jean Yves Jeaurond and Glen Slater, while Gilles Lefebvre is bringing up the rear. —Staff Photo

North Lancaster and Alexandria tied in broomball finals

March 3rd, North Lancaster Jrs. 1, Glen Robertson Jrs. 0. Tom Robinson scored the goal for North Lancaster and Yvon Goulet got the shutout. North Lancaster leads the series 1 game to 0.

Consolation, Martintown 1, Glengarry 0 (overtime). Gerald Rochon scored the goal for Martintown and Danny McDonell got the shutout. Martintown leads the series 3 games to 2.

Senior Finals, North Lancaster 2, Alexandria 1 (overtime). Doug Dumouchel and Guy Bellefeuille scored for North Lancaster while Harold McRae replied for Alexandria. North Lancaster leads the best of seven finals 1 game to 0.

March 6, Glen Robertson Jrs. 3, North Lancaster Jrs. 1. Remi Decoeur, Guy Secours and Gilles Decoeur scored one goal each for Glen Robertson and Donald Denis got the goal for North Lancaster. The best of seven junior finals is tied at one game each.

Consolation, Glengarry 4, Martintown 0. Martin Wylie, Remi Decoeur, Aurele Decoeur and Ronald MacDonald all scored for Glengarry and Alex Duperron got the shutout. The best of seven series is tied at three games each.

Senior Finals, Alexandria 5, North Lancaster 3. Bob Leroux and Andre Seguin scored two goals each, Harold McRae scored one for Alexandria while Bill Robinson, John Vincent and Roger Jeaurond replied for North Lancaster. The best of seven finals are tied at one game each.

Top Scorers

	G	A	P
Andre Seguin A	5	2	7
Harold McRae A	4	3	7
J. P. Claude NL	4	2	6

Next Games—March 10, 7:00 pm, Glen Robertson Jrs. vs North Lancaster Jrs.; 8:00 pm, Martintown vs. Glengarry; 9:00 pm, Alexandria vs North Lancaster.

March 13—8:00 pm, North Lancaster Jrs. vs Glen Robertson Jrs.; 9:00 pm, North Lancaster vs Alexandria.

March 17—8:00 pm, Glen Robertson Jrs. vs North Lancaster Jrs.; 9:00 pm, Alexandria vs North Lancaster.

Engineer does not see counties changing width of roadway

It is unlikely United Counties council will change its 100-foot right of way standards to accommodate South Branch Road residents, a counties official said Monday.

Donald MacDonald, counties engineer, said despite a ministry letter saying local elected officials set minimum width standards, it is unlikely council can narrow its standards to the 86 feet asked by property owners along the road.

The letter from the ministry of transportation and communication said the 100-foot standard being insisted upon by the counties is a "desirable standard" but is not required by the ministry.

Cornwall Suburban Roads Commission and United Counties council plan to upgrade South Branch Road including widening, straightening curves and levelling hills.

Property owners along the road have mounted considerable opposition to the project which they say will destroy the rustic beauty of what they consider to be a road of historic value.

One of their main objections is a decision by the commission and council to widen the road to 100 foot right of way which would result in levelling hundreds of ash, elms and oak along the road. They call instead for an 86 foot right of way.

Mr. MacDonald suggested the ministry in writing its letter is simply wiping its hands of the matter and restating what was already known.

He said the 100-foot width is in keeping with standards set by council at least five years ago and that he "does not propose to change them now."

He cited snow storage as the main reason for insisting on the 100-foot width, adding because of the twisting hills and curves reconstruction at the 86-foot width is difficult.

The first expropriation hearings for some of 11 property owners along the road were to be held Wednesday morning at 10 o'clock at city hall.

SUBJECT OF CONJECTURE—Glengarry Gardens, now known as the Alexandria community centre, looks sturdy enough under Friday's mantle of snow but the arena's longevity was in question this week following the decision of council to make public the confidential report of the town engineer. That report recommended last fall that the building should not be used any longer as an arena because it is "unsafe during winter time". That advice was ignored and the 1975 council plans to give the subject a new airing and possibly seek the advice of a qualified consultant.

—Staff photo

Williamstown set for peewee tournament

The Char-Lan Minor Hockey Association is staging a Peewee Tournament in Williamstown on March 15th and 16th. This is the first of what they plan will be an annual mid-March event.

Eight teams are entered with starting schedule on Saturday as follows: 8 a.m., Char-Lan vs Alexandria; 9, North Franklin vs Cornwall Township; 10:15 a.m., Osnabruck Township vs Cornwall B and 11:15, Brasher Falls vs Maxville.

There will be A and B trophies so each team is guaranteed at least two games. The championship games will be played on Sunday, March 16th at 2 p.m. for the B cup and at 3 p.m. for the A trophy.

Reg Gagne is coach of the Char-Lan Glengarry Commission Auction travelling team.

Expos on radio

CJSS Radio has announced the signing of a one-year contract with the Montreal Expos which will bring Expos Baseball to the Seaway Valley exclusively on Radio 1220. In making the announcement, Jim Kidd, Vice-President and General Manager of CJSS, explained that the station will broadcast a minimum of 153 games, out of the 162 schedule. Three exhibition games will begin the broadcast season, March 29th (Expos vs St. Louis at St. Petersburg), March 30th (Expos vs Houston at Daytona Beach) and April 5th (Expos vs Boston at Winter Haven). The regular season begins Monday, April 7th, with the Expos at St. Louis.

In addition to the baseball schedule, CJSS will carry spring training reports beginning March 3rd (5:25 p.m. and 11:10 p.m.) and concluding April 6th.

LATE CLIFFHANGER—It was midnight as this winning goal was scored last week to break an overtime tie with the Metcalfe Jets. Brian Filion netted the winner and had just skated out of the viewing lens, at lower left. The Glens visible are, left to right, Ralph Humphries, Brian Reasbeck, Mike McCormick and Rodney Shepherd. —Staff Photo

Jets won Tuesday to force odd game Wednesday night

by Gary Shepherd

Pete McCooey's Metcalfe Jets pulled off a narrow 4-3 win on home ice Tuesday, to force the series into a seventh and final game. This game was to be played in Alexandria on Wednesday night.

Marty Kelly led the Jets with a two-goal performance while Steve Morris and Mike Rochon added singles.

The Glens got a two-goal performance from Cameron McLeod and Claude Roy added the single.

Upwards of seventy Glens' fans travelled to Metcalfe for the game but came home disappointed as Poirier's charges were unable to overcome a Jets 4-1 lead. McLeod and Roy narrowed the count to 4-3 in the latter part of the final frame but the locals were unable to get the tying goal as the Jets' goalie stopped them on several good scoring opportunities.

On Wednesday, March 5th Ray Poirier's Jr. "B" club took a 2-1 lead in their quarter finals series by downing the Metcalfe Jets 6-4 in overtime as 490 fans looked on.

Brian Filion was the hero of the night scoring the winning goal at 3:17 of the first overtime period on a pass from Brian Reasbeck. Other Glens scorers were Roch Lajoie, Cameron McLeod, Mike McCormick, J. T. Hay and Brian Reasbeck, all with singles.

Jets marksmen were Marty Kelly with two goals while Jeff Smith and Mike Rochon got singles.

In Metcalfe on Friday night Pete McCooeye's Jets bounced back and tied the series at 2-2 with a 4-1 win over our locals.

Martin Kelly was Metcalfe's hero in the penalty-filled contest scoring two goals and adding an assist. Larry Shields and Brad Sullivan scored the other Jets markers.

Roch Lajoie had the Glens' lone goal of the game which saw the Jets outshoot the Glens 39-32.

Referee Jim Whelan of Ottawa, handed out 96 minutes in penalties with our locals accounting for 67 of these.

On Sunday, the series resumed in Alexandria with a crowd of 565 on hand. Poirier's charges were in exceptional form as they humiliated the visiting Jets 15-6 and took a 3-2 lead in the series.

Claude Roy led the Glens with a four-goal performance. Rookie Paul Seguin, Rod Shepherd, Tom Ross and Roch Lajoie all scored twice, while Cameron McLeod, J. T. Hay and Brian Filion added singles.

Jets' scorers were Larry Shields with three goals and singles by Doug Harvey, Doug Harton and Dave Patterson.

Mike McCormick appears to have settled down to hockey and was a standout on the Glens' blueline. Goalie Dennis Delaney played exceptionally well between the Glens' pipes and was expected to start again in Metcalfe on Tuesday night.

Hockey results at Williamstown

House league round-robin play-off results in the Char-Lan minor leagues:

Atom—GTL 5, Desjardins Bus 2; Gadbois 5, Michel's Rest. 1; Gadbois Graders 4, Michel's Rest. 3; GTL 7, Desjardins 1.

Peewee—Lalande 3, Chafee 3; Jack's 3, St. Raphael's 1; Glendale 4, Legion 2; Glendale 7, Lalande 0; Legion 2, St. Raphael's 1; Jack's 3, Chafee 1.

Bantams—Lancaster 3, Jake's 1; Rozon Ins. 7, Major Equip. 2; Rozon Ins. 4, Lancaster 2; Jake's Minors 5, Major Equip. 1.

Midget—Impala 4, Dan's 2; Dan's 7, Impala 2; Warden's 3, Grant Bros. 2.

Junior "B" play-offs

Results of best-of-seven quarter finals play in the St. Lawrence Junior B. league:

March 8—Cornwall 9, Prescott 4; March 9—Cornwall 9, Prescott 2. Cornwall leads series 3 to 1.

March 5—Cardinal 7, Morrisburg 3; March 8—Morrisburg 5, Cardinal 4 (in overtime); March 9—Cardinal 6, Morrisburg 2. Cardinal leads series 3 to 2.

March 5—Alexandria 6, Metcalfe 4 (in overtime); March 7—Metcalfe 4, Alexandria 1; March 9—Alexandria 15, Metcalfe 6. Alexandria leads series 3 to 2.

Semi-finals will start March 14 and 15th.

Council to meet

A meeting of the Inter Agency Council will be held at 11:30 a.m. Friday at the Church on the Hill. The guest speaker will be a representative of the Manpower Resource Centre in Lower Town, Ottawa.

MINISTRY OF HOUSING
TOWNSHIP OF ROXBOROUGH
SENIOR CITIZEN APARTMENTS

•IF YOU ARE SIXTY YEARS OF AGE OR OVER
•IF YOUR PRESENT ACCOMMODATION IS INADEQUATE
•IF YOUR INCOME IS MODEST

THIS IS OF INTEREST TO YOU !

The Ontario Housing Corporation, an agency of the Ontario Government, at the request of your municipal council, is considering the development of senior citizen housing in the township. To determine the local interest in this type of accommodation, survey questionnaires are now being distributed.

ONLY BY FILLING OUT A QUESTIONNAIRE CAN YOU HELP TO DETERMINE WHETHER A PROJECT SHOULD BE DEVELOPED

Pamphlets and questionnaire forms will be mailed out to all persons 60 years of age and over in the Township of Roxborough within the next two weeks. Further information may be obtained at the Office of the Clerk-Treasurer.

TOWNSHIP OF ROXBOROUGH
W. E. Wright, Clerk-Treasurer

SOCIAL and PERSONAL

Mr. and Mrs. Bruno Levert and Mr. and Mrs. George Massie have returned from an eight day holiday by flight to San Francisco to visit Mr. and Mrs. Robert Levert and son Sebastien. Robert is now finishing his course in operatic singing.

Visitors with Mrs. D. D. McKinnon recently were Donald McKinnon, Newmarket; Miss Hattie Campbell, St. Lazare; Mrs. Nellie McKinnon, Avonmore; Mr. and Mrs. John A. McLennan, Dalkeith; Mr. and Mrs. J. K. MacLeod and Mrs. Mabel MacLeod, Kirk Hill.

Visiting with Mrs. Margaret McCormick, Lochiel, were Mr. and Mrs. Ed. Ryan, Brent and Kerri of Markdale; Mr. and Mrs. Myron McCormick, Garson; Mr. and Mrs. R. J. McCormick, Ottawa; Kevin McCormick, Guelph and Morris McCormick, Hamilton.

Mr. and Mrs. Theodore Desjardins and Mr. and Mrs. Hector Major have returned from a three week holiday in Florida.

Mrs. Harry Watts, Verdun and friends have returned home after spending a month in Clearwater, Florida.

Mr. and Mrs. Alastair MacKenzie visited on the weekend with Mr. and Mrs. Arnold Carson in Perth and Mr. and Mrs. Harry Graham in Smiths Falls.

Mrs. Eugene Macdonald spent the weekend in Toronto visiting Mr. and Mrs. Garth Macdonald and Neil Macdonald.

Mr. and Mrs. Lloyd McHugh, Mr. and Mrs. Jerry Adams and Mr. and Mrs. Doug Baxter returned Monday from a trip to Hawaii.

Mr. and Mrs. H. J. Ladouceur have returned from their holiday in the Bahamas.

Mrs. Anna Brodie of Cornwall, and Mrs. Ethel Greer of Dalkeith, have returned home after a holiday in Palm Beach, Florida.

Leo Levac returned Wednesday to Glenlea, BC, after visiting his mother, Mrs. Ben Levac, who is in failing health, and other members of the family.

Mrs P Morrison died at 35

The death of Mrs. Percy Morrison of Bainsville, occurred in Montreal General Hospital on Sunday, March 9th. She was 35 years of age.

She was the former Beverley Albert, the daughter of Alfred Albert and the late Margaret Young of River Beaudette. She was a native of Maisonneuve, Que.

To mourn her loss she leaves her husband, one daughter Heather and one brother, William Redman of Bainsville.

The funeral was held on Wednesday with service conducted by Rev. F. Rennie at the McArthur Bros. and MacNeil Funeral chapel. Burial was in St. Andrews Cemetery, South Lancaster.

Pallbearers were: Charlie and Jimmie Sangster, Buddy and Mac Condie, Percy Sangster and Jimmie Robertson.

Funeral held to Apple Hill

A daughter of one of Glengarry's pioneers, Mrs. Mary Catherine MacDonell died on March 4th after a lengthy illness. She was the daughter of the late Angus John MacDonell and his wife Catherine Janet Campbell.

Mrs. MacDonell was born in the sixth Concession of Kenyon on October 22, 1892. Her husband, John J. MacDonell, Apple Hill, predeceased her by a year and a half.

She leaves to mourn her loss five daughters and five sons. They are: Dorothy, Sr. Mary Jerome, Kingston; Evelyn, Mrs. William MacDonell, Ottawa; John Francis of Cornwall; Eileen, Mrs. Jack Hughes, and Inez, Mrs. Ken MacRae, Mississauga; Charles and Doreen, Willowdale, Ont.; Angus J. of North Bay, Donald of Winnipeg and Jerome of Ottawa. In addition to her children, she is survived by two sisters, Frances, Mrs. John Lawrence MacDonald and Elmira, Mrs. Archie J. MacDonell, both of Cornwall.

The funeral was held to St. Anthony's Church, Apple Hill on Thursday, March 6th. Father Thomas Villeneuve offered the mass. Burial will be in Greenfield in the spring.

Pallbearers were her five sons and one son-in-law, Ken MacRae of Mississauga.

Card winners at Martintown

Winners of the euchre held by the Martintown Women's Institute on March 4th, were as follows: Ladies' Irene Losey of Long Sault; Mrs. Ian Kennedy; Low, Ann McLaughlin of St. Andrews West.

Men, Mark Riley; Jimmy Lafave; Low, Alex Tyo.

Door prize, Madeline Flaro.

RAISIN RIVER SEA SERPENT?—Loch Ness claims a monster and this silhouette arising from the bed of the Raisin River west of Williamstown is eerie enough to suggest perhaps something like this originated the story.

—Photo by Mrs. Mervyn MacDonald

Golden wedding anniversary marked at mass, reception

Mr. and Mrs. Romeo Andre recently celebrated their Golden Wedding Anniversary by attending mass in their honor, at St. John Bosco Church, Cornwall.

Officiating at the mass was Rev. Rejean Lebrun, assisted by Rev. Michael O'Brien.

Following the mass a dinner and reception was held at the Knights of Columbus Hall attended by family, relatives and friends.

Mr. and Mrs. Andre's children presented them with an anniversary clock and an oil painting and each of their fifteen grandchildren gave them a red rose.

Telegrams and plaques were presented by Ed. Lumley MP, Mayor Gerry Parisien and George Samis, MPP.

The couple were married on Feb. 3, 1925, at Precious Blood Church, Glen Walter by Rev. Charles Bishop.

They farmed in the Martintown area for a number of years and then moved to Maxville, where they resided until retiring to Cornwall about ten years ago.

They have five children, Mrs. Albert O'Byrne (Rita) and Leo of Cornwall; Ernest and Mrs. Clifford St. John (Leona) of Maxville and Gerald of Kingston.

Out of town guests attending the festive occasion were from Montreal, Ottawa, Kingston, Renfrew and Maxville.

No judge no court !

Lawyers, officials, police and those charged waited in the courthouse here Monday morning till 11:45 before learning no judge would be present to hear the cases.

Justice of the Peace Nora McRae was called in to remand all cases, most of them until next week.

Judge Fitzpatrick was to be replaced by an Ottawa judge but the wires got crossed somewhere and no one reported for duty on the bench.

Funeral held St Raphael's

A highly respected resident of the Glen Roy and Apple Hill area throughout his lifetime, Angus McDonald died in Hotel Dieu, Cornwall on Sunday, March 9th. He had been ill for the past two months.

He was born on November 1st, 1889, the son of the late Dan Alex McDonald and his wife, Catherine McDonald. On June 20th 1921 he married Pearl Ross and they farmed at Glen Roy until retiring to Green Valley a few years ago.

In addition to his wife, he leaves one son, Ross of Green Valley; three daughters, Katherine, Mrs. Raymond McDonell and Evelyn, Mrs. Mark McDonell both of Bridge End and Rosemary, Mrs. John Hugh Sloan of Apple Hill. One daughter, Inez, predeceased him 19 years ago. There are 18 grandchildren and four great grandchildren.

A sister, Mrs. Mary Maloney of Cornwall, also survives.

The funeral was held to St. Raphael's Church on Wednesday, March 12th, where Rev. M. J. O'Brien offered the funeral mass. Burial was in St. Raphael's Cemetery.

Pallbearers were: Charles Barker, James MacLellan, John Shago, George McDonald, Bruce Sova and Pat Murree.

Theory results in music tests

Dear Frank-

Today we went to Vogue to shop for our Bridesmaids gowns. Judy and Carol chose the prettiest gowns in white nylon with little Red Polka dots all over. They picked large white picture hats, and the nice people at Vogue are putting matching bands on them. — and Frank, they're dying shoes to match exactly.

I love you

17 fire departments represented at Mutual Aid meeting

Fourteen Fire Chiefs and 33 firemen, representing 17 fire departments of the Stormont, Dundas and Glengarry Mutual Fire Aid Association held their regular meeting at the Community Centre in Avonmore on Feb. 17th.

Chief Allan McIntyre of Avonmore welcomed the members on behalf of the Township Council.

The minutes of the last regular meeting at Alexandria were read and approved on a motion by Allan McIntyre, seconded by Chief Alton Major of Glen Walter.

A brief report of a special meeting of all Fire Chiefs which was held in Cornwall on February 13th was given by the President, Albert Evans of Newington. He explained that a regional fire training school, sponsored by the Ontario Fire Marshal's office would be conducted over a period of six weeks on Tuesday and Thursday evenings, commencing March 11th. There would be no registration fee to cover the 13 subjects involved. The Fire Marshal's representative, Maurice Roussey, of Cornwall, will be sending each department a detailed report for the registration and subjects involved.

Correspondence read by the Secretary, Gib Raistrick, was approved and a motion to file same was given by Melvin Waldroff of Newington, seconded by Jim Graham of Alexandria.

Carl Robertson of Williamsburg gave the treasurer's report which showed a bank balance of $569.22, with all membership dues having been paid for the 1975 term.

On Committee reports, Chief Merton Casey of Maxville reported that 20 teams representing 12 departments had entered the annual curling bonspiel in Maxville on February 22nd.

On membership committee, in the absence of Chief Lorne Carriere, Chief Gib Raistrick advised that with the re-installed Lancaster Fire Department, the present membership now stands at 25.

For the point system, Chief Allan McIntyre reported all departments standing in alphabetical order of merit.

In an open discussion and suggestion period, the Secretary was instructed to forward a copy of the last constitution to all Fire Departments along with a questionnaire, for an early reply, on the subject of any changes they may wish to make. The Secretary was also instructed to have 600 membership cards printed for the next regular meeting. In return, each department is to forward the names of all firemen in each department to the Secretary.

The President, Albert Evans reported that a special committee had been installed to revise the present constitution which would be presented for approval at the annual meeting in Cornwall in June.

On a motion by Garry Armstrong of Winchester, seconded by Carl Robertson of Williamsburg, Claude Cousineau of Morewood was nominated and elected to Chairman of the Annual Banquet Committee for the 1975 term.

A special draw for two door prizes, sponsored by the Avonmore Fire Department was won by Raymond Tyo of St. Andrew's and Bernard Raymond of Apple Hill.

Chief Bernard Raymond advised that the Apple Hill Fire Department would take on the next regular meeting of the Association on April 21st in their community centre.

Refreshments were served by members and ladies of the Avonmore Fire Department.

SPRING IS FLOWING IN—The first day of spring is only a week away but the break-up isn't waiting for its official entry. The camera caught this flow of the Raisin River in the Martintown area which suggests the ice is on the way out.

—Photo by Mrs. Mervyn MacDonald

WA MacKenzie died at 90

Well known in the Breadalbane area where he lived and farmed throughout his lifetime, Willie MacKenzie passed away in Smiths' Clinic, Hawkesbury, on February 18th, at the age of 90.

He was the son of the late Robert MacKenzie and his wife Johanna Campbell.

The funeral service was held on Thursday, February 20th, at the Hillcrest Funeral Home in Vankleek Hill. The service was conducted by Mr. L. Soper of the Baptist Church.

The pallbearers were Gerald Anderson, Kenneth MacDonald, Hugh MacPherson and John N. MacCrimmon, all cousins of the deceased.

Surviving are several cousins.

Burial will be in the Breadalbane Cemetery in the Spring.

Oscar Cadieux died at 91

A resident of the Greenfield and Alexandria area throughout most of his lifetime, Oscar Cadieux died on Thursday, February 27th in Casselman Nursing Home.

He was born in Pointe Fortune, on January 22nd, 1884, the son of the late Jean Baptiste Cadieux and his wife, Louise Crevier. On January 11th, 1909 he married the former Elevina Theoret in Lochiel, who survives.

Also surviving are two sons, Albert of Alexandria and Elzear of Alberta. There are eight grandchildren and 14 great grandchildren.

He also leaves three brothers and two sisters: Telesphore of Alexandria, Wilfred of Timmins, Noe of Rigaud, Mrs. Romeo Meilleur of Rigaud and Mrs. Jos. Leduc of Lachute.

The funeral was held on Monday, March 3rd with service at 11 a.m. A nephew, Rev. Gerald Poirier of Cornwall offered the funeral mass. Burial will be in Greenfield in the spring.

Pallbearers were three grandsons, Wilfrid, John and Raymond Cadieux, Arthur Duggan, Osie St. Denis and Roger Theoret.

Lochiel native died Montreal

A native of Lochiel, Mrs. Charles Stanworth died in the Chambly Nursing Home in Montreal on Wednesday, March 5th. She had been in ill health since last September.

The former Jessie Hazel Kerr, she was born on October 27th, 1908, the daughter of the late Duncan Kerr and his wife Christena McDonald. Following her marriage she moved to Montreal where she spent most of her life.

She is survived by her husband, two brothers and five sisters. They are, Donald and Alex Kerr, Dorothy, Mrs. Francis McCormick, Sister Mary Kerr, Mrs. Hannah Higson and Misses Sarah and Kathleen Kerr.

The funeral was held on Saturday, March 8th, to St. Finnan's Cathedral where Msgr. J. A. Wylie offered the funeral mass. Father Leo MacDonell was in the sanctuary. Burial will be in St. Alexander's Cemetery in Lochiel in the spring.

Pallbearers were five nephews, Bernard McCormick, Alfie McDonald, Duncan, Clifford and Larry Kerr, and Garry Moffatt.

Lean tender "Budget" Beef or Canada Grade "A" Red Ribbon Beef

ALEXANDRIA IGA

'BUDGET' BEEF

...IS LEANER because it is fed on grass or silage which produces beef with a much lower fat content. 'Budget' Beef is ideal for those who are concerned with their cholesterol levels.

...IS GUARANTEED TENDER because it is mechanically tenderized at a central processing plant by a Ross tenderizing machine containing 518 tiny needle-like knives which invisibly sever the connective tissue of the meat. This machine adds nothing to the meat, takes nothing away, causes no change in taste, texture or colour. No chemicals or other additives are used.

...COOKS QUICKER. Because it is mechanically tenderized, the natural juices flow more freely through the meat thereby reducing the cooking time. We recommend the use of a good meat thermometer to monitor the cooking.

...IS PRICED LOWER because it can be produced at considerably reduced costs to the primary beef producer. 'Budget' beef can be marketed at prices 20¢ to 40¢ per pound lower than Grade 'A' beef.

...IS GREAT FOR THE DIET CONSCIOUS SHOPPER!

EDITORIAL

IT'S OUR OPINION

The secrecy is hard to justify

Reeve Jean Paul Touchette and Councillor Archie McDougall are to be commended for bringing out into the open information town council had been keeping secret for almost a year. The engineer's report on the structural condition of the arena describes it as "unsafe and a hazard to the public" and warns that the existing building should not be used any longer as an arena unless structural deficiencies are corrected at an estimated cost of $93,000.

Last year's council, to whom that "confidential" report was made by the town engineer, apparently took it with a grain of salt. How else reconcile the fact such a dire warning of doom was kept secret and the people of town and district were permitted to risk their necks all through the winter under a roof council had been warned was in imminent danger of collapse.

The only justification for that action could have been that last year's council did not take the report seriously. That was the impression we received during those weeks last fall when the council was being pressured to waste no time in building a new arena. Surely if members of that council had put any weight in the engineer's report their first duty would have been to alert those who use the arena to the fact it was no longer safe. Instead, a full winter sports program has been permitted to run its course without incident.

If members of that council failed to take the report seriously, perhaps their reaction was shaped by the engineer's warning that two feet of heavy, wet snow is all that is required to cause extreme stress on the weak roof. Any man in the street would need no degree in engineering to realize such a vast roof would be hard put to withstand two feet of heavy, wet snow. That argument sounds weaker than even our arena's roof.

Members of the present council agreed last week that the report should be made public and that action is long overdue. A report of the meeting in another newspaper quotes one councillor as stating that "the local weekly newspaper has printed sections of the report." If that refers to this paper that member of council is misinformed. We never saw a copy of this "confidential" engineer's report so it would have been impossible for us to quote from it.

As we understand it, council plans to have the engineer discuss his report fully with that body in open council, we trust. Councillor McDougall also suggested that a firm of structural engineers should be asked to verify the findings.

Certainly another opinion on the present arena should be sought in view of council's failure to act on its engineer's warning and the apparent questioning of cost estimates supplied. The present council can make no responsible decision on the need for a new arena until it is satisfied it has proper information regarding the condition of the present structure and facilities.

Present and future councils, it is hoped, will also realize that there is no place for secrecy in such decision-making as involves the capital spending of tax dollars for any purpose.

How it adds up

minimum two-digit inflation rate of 10 per cent on the average wage each year thereafter, here is how the lucky winner's income compares at intervals: 1985, four times as large as the average $25,000; 1992, twice as large as the average $50,000; 2000, just passed by the average wage of $110,000; 2007, half as much as the average wage of $200,000. He is officially poor by income standards. But he still has his $1 million in capital which is now worth $50,000 in 1975 money. He is also 57, too old to get a job and fated to use up his capital as income in the next few years. He lives out his golden years on the maximum old age assistance in $30,000-a-year poverty.

Two-digit inflation is hard to keep in the mind for any length of time observes an editorial in the Ottawa Journal. It's long-term effect is too frightening for the average working person to consider.

A more comfortable way to consider it would be, say, from the vantage point of a 25-year-old who has just won the Olympic lottery $1 million prize and retires for life to live off his income of $100,000 a year (before tax) from a long-term investment at 10 per cent.

In early 1975, the lucky winner starts out with an annual income about 10 times as large as the Canadian industrial wage of just under $10,000. Assuming the

Young lives at stake

Drivers who are not extra cautious in a school zone must be an irresponsible breed. When they endanger the lives of youngsters arriving at or leaving their school, as instanced in a letter to the editor last week, they should expect to face a charge of careless driving at the least.

Mrs. Therese Lavigne who acts as school crossing guard for the municipality at that busy corner of Lochiel and Main Streets, finds the responsibility for safety of the school children weighing her down after a recent encounter with just such a driver. As she describes it, several students, a teacher and herself had a close call when a speeding driver attempted to pass a car that was turning into Lochiel Street. The license number of the car was reported to authorities but no action was taken, she says.

Her stipend was doubled this year to discourage her from quitting her duties as crossing guard. Mrs. Lavigne finds no encouragement to continue in the apparent indifference of officialdom in this instance.

If a school crossing guard is needed surely she should have the support of council and law enforcement officers.

Victims of blackmail

Canada, the land of promise, is on a collision course with disaster, unless we can find a solution to the cancer of work stoppage which is eating into our personal incomes and our international trade.

The present disruption of almost every aspect of life created by the strike of the public service employees is, perhaps, the most disgusting example we have ever known of the way a handful of dissidents can practise extortion on an entire nation, suggests an editorial in the Wingham Times-Journal. Mail service, which is vital to business people and individuals at every level, has been seriously disorganized—not by postal workers, but by a tiny group of equipment maintenance people. The mail service has ground to a virtual halt in important centres like Toronto because truck drivers, who belong to another union entirely, won't cross the maintenance men's picket lines. The same is true at some of the busier airports.

The people of Canada have become the hostages in a fantastic game of "pay-me-or-else". If you doubt that statement, recall the words of a spokesman for the Public Service Alliance of Canada last week when he expressed the hope that the weather would worsen so that accumulated snow would prevent the movement of aircraft, because the snow-clearing crews were striking. His hope, of course, was that the travelling public would be caught in a bind. Not the federal minister, mind you, nor the treasury board nor the prime minister—just the general public.

With thousands of farmers dependent upon the movement of grain to the West Coast for shipment to customers around the world, 30 or 40 empty ships lay waiting day after day in Vancouver harbor for their cargoes—prevented from reaching their holds by a scattering of grain inspectors in the Public Service Alliance.

Labor unions are endangering not only their privileges, but their very existence by the price they are exacting from the rest of the people in this nation. Members of parliament had better start taking a nose count; they will find the victims of union arrogance vastly outnumber the organized labor groups.

Friday, March 12, 1915

On Saturday some 60 recruits for the third overseas contingent arrived from Cornwall under Capt. J. A. Gillies to undergo training at the Armouries. New recruits here, are Jerome Poulin, Avery Reid, T. W. Steepley, Wilfrid Bordeau, Capt. Gillies, popular officer commanding "C" Company, 59th Regiment, was presented with a gold headed cane, Monday, by men of the 59th, who had enlisted for foreign service. —The Apple Hill area was shocked to hear of the death of Antoine Dancause, general merchant, after but a few days illness. —Kenneth Ritchie left on Tuesday for Montreal to join the Royal Scots for overseas service. —Dr. Morrow of Maxville, sold his fine driving horse to John Fraser of Athol. The next for the Doctor is an auto. —Peter Lothian of Vankleek Hill, has purchased the farm of his brother, John Lothian at Lochinvar. —Rural mail is now in force at Skye and they get the latest news daily at their gates.

SEVENTY YEARS AGO
Friday, March 10, 1905

Mr. and Mrs. Duncan A. Grant of Apple Hill, left Thursday for Montreal from whence they go to Silverton, BC, where they will make their home. —O. Ranger of Ste. Marthe, Que., on Monday purchased the Grand Union Hotel, here, from A. J. McDonald. —Friends and neighbors gathered at the home of Mr. and Mrs. Duncan A. McLennan, Laggan, Wednesday evening, to bid farewell to the family prior to their leaving for Manitoba. —Louis Samson of the wood-working department of the Carriage Works, lost four fingers of his left hand in an accident, Wednesday. —Farmers from Breadalbane have shown their interest in good roads by purchasing a snow plow. —Rod McDonald of St. Raphael's, has purchased Mr. Irvine's cheese factory at Glen Roy. —A. A. Cameron of the 5th Lochiel, has departed for Indian Head, NWT.

Good roads ?

(The Renfrew Mercury)

Eastern Ontario was well represented at the Good Roads Association eighty-first annual convention in Toronto. Nearly all of these delegates would argue that their time was well spent.

We were not there, and we wouldn't want to get into the details to compare the number of hangovers per 100 delegates to, say, the annual meeting of the Ontario Buggy Whip Manufacturers Association.

But if the convention is such a great place to learn about building roads, and to meet people who can make and break township and county road building programs, why, Mr. Councillor, are the roads in this part of the province so lousy?

Bright spots on a dull landscape

(The Ridgetown Dominion)

With so much news about salary demands, violence, and ruthlessness it is refreshing to read of the new mayor of Waterloo, Herb Epp who is taking a loss of $17,000 a year to serve the city.

Another bright spot is the report of the selection of Lloyd Kerr coach of the tyke team, the Yankees, as the coach of the year. What is unusual about it is that his team managed to win only one game and lost 12. He was honored for his principles. He vowed at the beginning of the season that he would play every player equally, no exceptions. He made no exceptions even when his own son was tossing a no-hitter with only two innings left. He was criticised by parents who thought their boys should have played more. Mr. Kerr blames the coaches and the parents for taking the fun out of minor sport by emphasizing winning too much.

LETTERS to the EDITOR

SEEKS LOAN OF BOOK

The editor,
The Glengarry News

You will be fully justified in putting the gist of this letter in your 'classified ad' section and if you do I will duly pay your bill. In fact if it gets results I would pay with a smile.

However I suspect everybody from coast to coast reads the letters to the editor and some few of them may not try to read all the ads. I know I don't.

I want to beg, borrow or steal a copy of Boss' History of the SD&G Highlanders. In a pinch I'll even buy one if that is the only way I can get one to make some notes from. Seriously, I'd rather buy than borrow; so if someone has a copy that is no longer in use I would appreciate hearing from them. If someone has a copy that could possibly be borrowed but not bought I would try to furnish them with suitable character references and also a cash deposit against the return of the book in good condition.

Sincerely,
Ewan Ross.

LIKES SET-UP

Morrisburg

The editor,
The Glengarry News

Recently I was invited to visit the Charlottenburgh Nursery School, opened this fall in Williamstown.

In my work I visit many Pre-School programs in the course of a year and I was very impressed with the set-up and operation. The residents of the area are very fortunate to have a program of such quality for their children.

The Parent Committee is to be congratulated for their successful endeavour. The Township Council has shown foresight in supporting this project and have set an example for other councils in the region. The members are to be congratulated.

I hope interested persons will take time to visit the centre and see the program in action.

They'll Do It Every Time

WITH OUR RAMBLING REPORTER

by Ed.

Wouldn't it be a "treat" if we knocked the "h" out of "threat"?

RIGHT ON THE NOSE

It's almost enough to make yours truly a believer, the manner in which the Dr. Chase almanac hit Friday's storm right on the nose. That forecast must have been written many months ago and it beats us how the almanac's long range prognosticator happened to pick the day one of the worst storms of the winter would hit Eastern Canada.

Actually, we have been hit harder in other years. We got only a few inches of snow but the accompanying wind made driving difficult Friday night and some roads were closed to traffic for a time. Saturday saw clearing skies and we were back to fine, if cold, weather by Sunday.

It had been one of the worst storms of the winter, though, just as the Chase almanac had predicted for March 7th. We get another chance to check Dr. Chase this week when it's to be "fairly warm" from the 10th to the 14th. The second March storm is supposed to hit between the 18th and 23rd, but not as hard as last Friday.

If the March weather continues to make Dr. Chase's almanac look good your Rambling Reporter might find himself putting weight in the Chase predictions for the rest of the year—and they're not too attractive. It's to be quiet and cold to the end of the month and generally cold the first two weeks of April, though the almanac specifically calls for rains carried by brisk winds for the Ontario-Quebec border area—that's us.

It's to be warming in late April but a surprising cold spell will see a touch of frost in Western Ontario May 7th.

If the almanac is right on the nose the year's weather conditions promise to be similar to last year's and that was anything but good for Glengarry agriculture. We can hope Dr. Chase isn't always as accurate as he was last Friday.

If they're that accurate on long range forecasts maybe the Chase people should be doctoring day-to-day weather reports.

LOOKS COLDER

Weather reports being provided the daily papers now have started giving the quotations in degrees Celsius as well as showing the equivalent in Fahrenheit. Beginning April 1st all temperature quotations will be in degrees Celsius and we'd say they're going to take some getting used to.

We're prepared to dislike the change because Celsius should make our winters seem even colder than we find them now. Take Saturday's weather report: windy, drifting snow, low 10 (-12C) to 25 (-4C). Ten above, with wind, is cold enough for our liking but if the same weather hits in April it'll seem even colder if we're looking at a weather forecast that reads low -12C to -4C.

We've been getting more than enough below zero weather all the years of our lives without making the picture look even bleaker by changing to the metric system. A reading of 25 above during winter wasn't too objectionable, but in future it'll probably shiver our timbers when the weatherman reports it was -4C.

There's little or nothing a fellow can do about the weather but take what comes. But this April 1st change-over to Celsius seems like a move in the wrong direction, and there's worse to come according to one weather man. "We will gradually give our other quotations in metric measures", he warns and it sounds as though things will be even more confusing as the process goes on.

Still to come are such names as mole, gram, kilogram, litre, milligram, millilitre, candelas, amperes, etc.

If it's any consolation, though, systems of weights and measures have been even more confusing. At one time a child in England learning to measure length had to listen to something like this:

"The digit is the width of a finger; the palm the width of the hand above the thumb; the span

(Continued on page 10)

Lack of teachers of French cause of concern for board

The SD&G county board of education agreed to support promotion of summer teacher-training programs leading to teacher certification of French as a second language at its meeting last week.

The board also feels conditions for admission to such programs at Ontario Universities should be established by the ministry of education.

"This board is becoming more concerned about the lack of certified French teachers," Superintendent of Education John Comtois said. The board is hopeful of co-operation from the University of Ottawa.

Mr. Comtois said recent interviews conducted by the Lincoln county board of education have shown "French teachers do not come as easily as we thought."

"I feel that this board should give their support to gain, if not certified teachers, then qualified teachers."

The superintendent told the board that in order to qualify for the French-language certification program with the Lincoln board, candidates must possess a bachelor of arts degree. He said candidates with the Ottawa board do not require a BA, but only a Grade 13 diploma to qualify for admittance to a faculty of education.

When asked by Trustee Joan Findlay if that would mean a difference in the quality of education, Mr. Comtois said no.

"Ottawa U now admits Grade 13 graduates for teacher training next year."

Mr. Comtois said the ministry of education usually divorces itself from any training of teachers and leaves that to the universities.

"I think the quality of education would be exactly the same," he said, but acknowledged "it's a good step to encourage teachers to have a BA."

Proposal seeks to limit size junior classes

A proposal to limit enrolment in kindergarten and primary school classes within the jurisdiction of the SD&G county board of education will receive further study at the board's priorities seminar in Montebello, Que., March 14 and 15.

The board's public school panel approved a recommendation last week that the information contained in a report on kindergarten and primary school enrolment be included in the general consideration of a reduction in the staffing ration for elementary schools and that general consideration would be a priority in budgeting and staff allocation.

The proposal seeks to limit enrolment in kindergarten classes to 20 and enrolment in primary school classes (Grades 1 to 3) to 25. The proposal would eliminate one teaching position from the Grade 3 level, bringing the total required number of additional teaching positions to 21.5 at an average annual cost of $191,350.

Superintendent of Education M. N. Hutchison said the major consideration in reduction of classes is cost. He said the proposal is based on estimates, "and when you estimate on an estimation, your margin of error increases."

Trustee Lorne Thompson said it was important to give students "a good, firm foundation early in their career."

He said that until recently, it was the philosophy of most school boards to put beginning teachers at the lower levels but this has been reconsidered because the early school years are often the most important in shaping a child's development and attempts are now made to have experienced teachers at the lower levels.

Charlottenburgh council to take no action

Charlottenburgh council decided to take no immediate action on a request from the separate school board to support their call for safety measures at Ste. Marie School in Green Valley. Reeve Adrian Gadbois noted the ministry is making a traffic survey on Highway 34. School principal Andre Lalonde objected to the board that speeds on the highway make it unsafe for children at the school.

A decision on whether or not to turn collecting of tax arrears in Charlottenburgh Township over to a collection agency was deferred for two weeks. The matter was held over so council can see how tax collection went on Feb. 28, the first date for 1975 taxes. Outstanding taxes as of Jan. 1, 1975 were $160,000.

Council voted to open tenders for installation of about 350 seats in the township arena. R. M. Kostuck, township engineer, estimated cost at $25,000 of which $10,200 could be covered by provincial labor grants.

KIRK HILL

DAY OF PRAYER OBSERVED

Rev. Frederick Tees, minister of the congregation of Trinity Church and St. David's, of St. Eugene United Churches and recently appointed convenor of Inter-denominational work by the Presbytery, was guest speaker at the World Day of Prayer, held in St. Columba Presbyterian Church, Kirk Hill.

The theme of the service was "Become Perfectly One". Rev. Mr. Tees said "This is a subject very dear to my heart". He welcomed the occasion to speak on this theme in beautiful and historic St. Columba Church.

In his address he spoke of the discord and disunion built through historical controversies from Biblical times to the present day. Rev. Mr. Tees stated how pleased he was to address this gathering of the several representatives from their respective churches of this area, all worshipping together. His address left all with much food for thought, especially the need for one-ness in this year of 1975.

Rev. Tees was introduced by Mrs. Alexander D. MacLeod and thanked by Mrs. Neil Blair, Kirk Hill United Church Women.

Mrs. John Lunan, president of St. Columba Women's Missionary Society, welcomed all the ladies gathered to worship.

She led in prayers of Thanks, Humility, Wisdom, Faith and Silence that speaks without words.

Mrs. Lunan was assisted by Mrs. Archie McRae, St. Columba WMS, who read Acts 2 1-4. The Scattering and Ephesians 1 9-10. The Gathering. Mrs. Ronald MacLachlan was leader for "We are One", Mrs. Arnold MacRae led in "We are not One", both ladies represented Glen Sandfield UCW.

The theme song, "Become Perfectly One", followed, with Mrs. R. D. MacLeod at the organ. "God calls us to be one" was led by Mrs. Margaret McCormick, Lochiel.

The theme verse to be read in various languages represented was given by Mrs. Emile Theoret, Lochiel. Prayers for the unity of the churches were read by Mrs. John Naughton MacCrimmon, Mrs. Angus E. MacMillan, Leader, Mrs. Clifford MacNaughton, Kirk Hill UCW, Miss Bessie Fletcher, Mrs. Ray MacGillivray, Mrs. W. D. MacLeod, St. Columba WMS, Mrs. Margaret McCormick, Lochiel, Mrs. Albert Tessier, St. Paul's, Dalkeith, Mrs. Henry Kronwald, Glen Sandfield UCW.

An extemporary prayer was given by Mrs. William Jamieson, Brodie Covenanter Church. Mrs. Campbell MacDonald presided for the Act of Unity and dedicated the offering received by Mrs. Bill MacGillivray, St. Columba WMS and Mrs. Kenneth MacLennan, Glen Sandfield UCW.

Soloist was Mrs. Charles Chapman, Glen Sandfield, who sang, "Oh Brother Man". God completes our One-ness, with Mrs. Hugh MacPherson, Kirk Hill WCW, as leader, closed the worship service.

"They'll know we are Christians", was sung in unison with Mrs. Clarence MacMillan, Kirk Hill UCW, as organist. Rev. William Scott, St. Columba Church, asked the blessing.

Mrs. John Hay, St. Anne de Prescott, UCW, thanked St. Columba WMS ladies for their hospitality and refreshments. Special thanks to Lochiel ladies for their part in the luncheon.

Rambling . . .

(continued from Page 9)

is the distance from the end of the thumb to the end of the little finger, with the hand outstrectched; the cubit is the distance from the elbow to the finger tip; the span is equal to three palms, the cubit two spans and the fathom four cubits . . ."

That was only in England and there were totally different standards in other lands. It must have been a real mess for international traders to sort out.

Probably this Celsius business will turn out to be an improvement, but we'll have to be convinced.

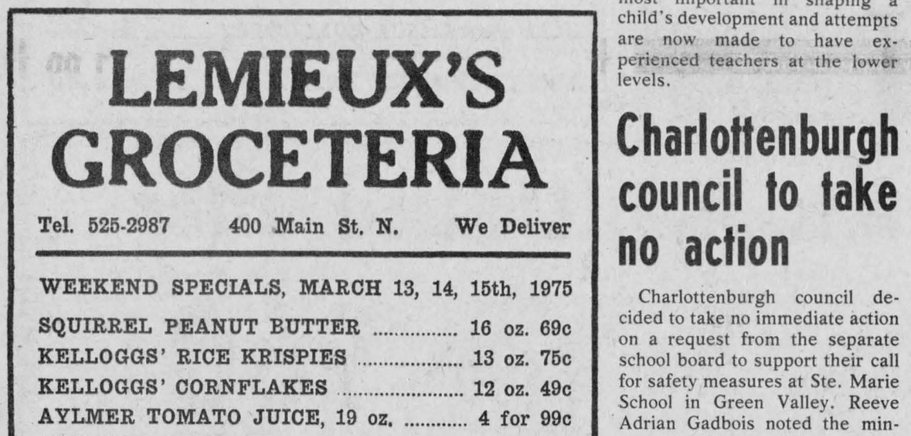
We Do Custom Cutting and Wrapping of Meat



Thanks for coming through in 1974 despite the weather, inflation and shortages.

In spite of some people in the cities who didn't always understand your problems. And in spite of companies like us who couldn't always make enough products fast enough.

In 1974 we expanded our plants. We ran them overtime. We searched for new sources of raw materials and components. We introduced new products. We did all we could to give you machinery, parts and service when you needed them. We're gearing up to do even better in 1975.

Thankfully, you've learned to adapt to the current situation. You've planned ahead more than ever. We thank you for your cooperation and patience.

It's planning time again. And your MF dealer wants to help you get ready for the new year. Give him a call.

Make 1975 your year to... Hitch up to Massey. MF Massey Ferguson

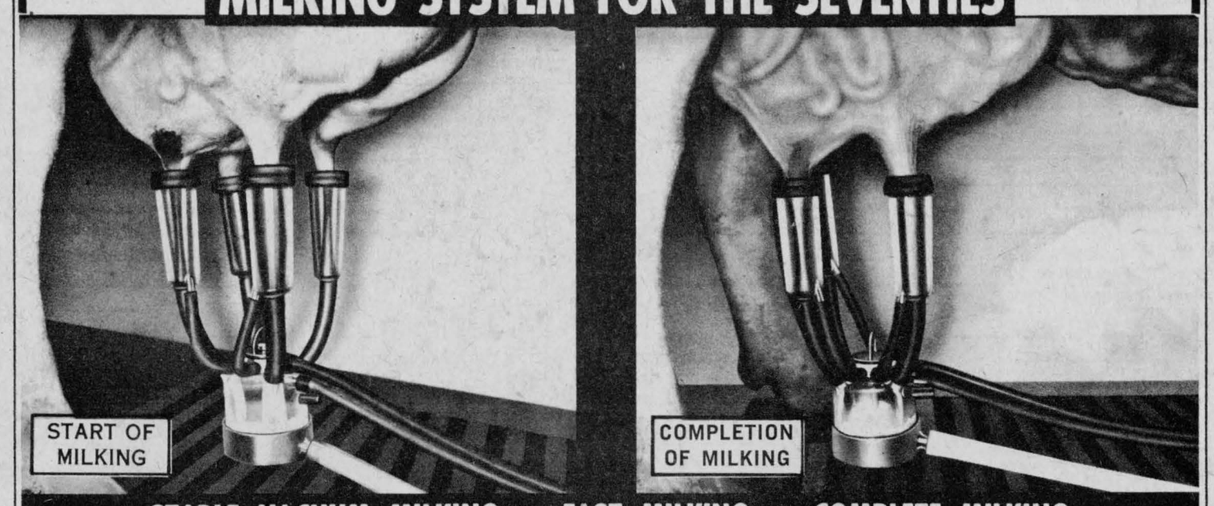
MILKING SYSTEM FOR THE SEVENTIES



STABLE VACUUM MILKING = FAST MILKING = COMPLETE MILKING

INTRODUCING.... THE NEW MODEL 70

Zero Concord *Twin-Vacuum* PIPELINE MILKING SYSTEM

. . . the Only System that GUARANTEES Stable Milking Vacuum — in Parlor or Stanchion Barn — with a Low or High, Short or Long, Pipeline — and Without Injecting Air into the Milker Units to Move the Milk!

ZERO CONCORD'S Patented, Twin-Vacuum Operation Which Eliminates Air Injection at the Milker Units—and New, Revolutionary-Designed Claw, Inflations and Shells—Make GUARANTEED Stable Vacuum Possible

Only with Stable Vacuum and No Air Injection Can You Hope to Reduce Leucocyte Counts Up to 65% — Increase Milk Production as Much as 20%—and Prevent Rancidity

Mastitis is very costly! Total annual losses to dairymen in the U. S. and Canada, attributable to mastitis, have been estimated at $23 per cow. And more and more animal health authorities have been agreeing that many teat and udder injuries — which have contributed to the spread of mastitis — have been caused by milking with unstable vacuum.

The New Model 70 ZERO CONCORD Twin-Vacuum Pipeline Milking System — which is a combination of a revolutionary pipeline milking machine and the ZERO Completely-Automated Vacuum Bulk Milk Cooler — was designed especially to milk with safe, stable vacuum to prevent teat and udder injuries which are caused by unstable milking vacuum.

The ZERO CONCORD's Safe, Stable Vacuum is Made Possible by a New, Exclusive, Scientific Principle . . . TWIN-VACUUM . . . whereby one vacuum milks the cows — and an entirely-different vacuum moves the milk through a separate pipeline into the vacuum bulk tank. Twin-Vacuum does away with the need of injecting air into the milker u its to move the milk, as is necessary with conventional milking ystems. And — in addition to providing the stable vacuum necessa y for safe, fast milking — Twin-Vacuum prevents air agitation and foaming of the milk in the pipeline — eliminating this major cause of rancidity. And it keeps contaminating air out of the milk. Twin-Vacuum also does away with the milk pump, releaser and other costly items.

A New, Still-Further-Improved Milker Unit Brings More Features of Efficiency and Economy to the Model 70 ZERO CONCORD. It's made of a combination of a new kind of light, strong, transparent material for visual milking and a sturdy stainless steel base. It has a built-in Vacuum Teat Release Valve that automatically releases the vacuum from the cow's teats immediately after completion of milking. And it has a big-capacity inflation tube and claw which prevents vacuum drop-off at the teat ends.

The New Model 70 ZERO CONCORD Also Brings You Built-in, "Push-Button", Visible Self-Cleaning and Sanitizing of the Entire System — Without Disassembling. This not only includes the milk conveying vacuum pipeline and other milk contact surfaces — but also the milking vacuum pipeline, the pulsators and even the outside of the inflations and the inside of the shells. Brushing is kept to a minimum.

See Your ZERO Dealer! Or, write today for full information and name of your nearest ZERO Dealer!

The ZERO Completely-Automated Vacuum Bulk Milk Cooler — with Built-in Spatter-Spray Automatic Washer — is an important unit of the complete ZERO CONCORD Milking System.

Roxborough adds two units to roads department fleet

Current additions to the road department equipment for the Township of Roxborough and future plans for a much larger garage and municipal building were the chief subject of the council meeting held at the municipal building, Tolmie's Corners, last week.

Two mobile units have just been added to the township fleet of road maintenance and snow fighting equipment.

A salter-sander manufactured by the King-Seagrave company has been mounted on an International truck chassis for the use of the department, at a total cost of $5,581, of which $400 was for mounting the unit.

The truck is a used vehicle already in the township fleet.

The other unit, so recently arrived that the invoice has not yet been received, but priced at $32,000 approximately is an eight ton International, carrying a gravel dump body for its summer use and a complete outfit of Frink snowplows and hydraulicly-operated wing for winter use.

The road department, under the supervision of Fraser MacMillan, has added one full-time employee, Lester Lavigne and one part-time, Gerald Sabourin, to drive and maintain the new equipment.

Besides discussing the new equipment which has just arrived, the Tuesday meeting of council also discussed the proposed addition of three bays for the township building, which now houses three bays, the superintendent's office, the clerk-treasurer's office and the council meeting room.

The addition of three bays is now in the planning stage by Alex Graham Associates and will be used primarily to house new equipment the township has just acquired to maintain and improve the road system.

WINNERS AT FINCH—A team representing Alexandria Lions Club took the honors at Finch recently in a District A-4 Lions broomball tournament hosted by the Finch and District Lions Club. On their way to the championship the Alexandria Lions took the measure of Finch 1-0, Iroquois 6-3 and, in the finals, Carleton Place by 3-1. More than a bit pooped were some of the local players who appeared in all three games. The winners, front row, left to right—Marc Lalonde, Rolland Lalonde, Mike Depratto, Jacques Trottier, Wally Hope; standing—Mike Barbara, Ernie Gallant, Pat Killoran, John Cormier, Jean-Marc Girard, Paul Roy and Eugene Bergeron.

Nursery school rates increased

Charlottenburgh Township last Tuesday endorsed new rates for the Williamstown nursery school that will see costs per student double.

The increase was proposed by the nursery school committee in a report presented by Deputy Reeve Roger Lefebvre. New fees are $10 registration and $10 per month, $20 per month for non-residents.

The committee estimated operating costs for the nursery school, if it runs a second year, should drop except for salaries. Township clerk Reg Gagne said it will still cost about $20,000 to run.

Agreed to was a proposal to operate the school next year on a four and a half day basis with a half day for planning curriculum and activities.

Council also received two more letters in support of the school which has been the centre of some controversy recently as council hinted the six-month-old operation might close.

Council has assured the school committee such action is not likely but that certain criteria for operation must be met.

Mr. Lefebvre told council it is hoped there will be a total turnover in enrolment in September. One of the fears of council was that only a few residents actually will benefit from the school while everyone has to pay for it.

The deputy reeve noted that many parents contacted said they are willing to pay double the fee to keep the operation going.

Car damaged house verandah

The verandah of the home of Stanislaus Carriere, Main St. South, was damaged early Sunday when struck by a car.

According to the report of OPP Constable N. B. Deschamps, who investigated, Michel Gareau, 19 of 36-6th Lancaster Township was driving south on Main at 1:05 a.m. Sunday when the driver lost control. His car knocked down a utility pole at the corner of Main and Peel and ran into the lawn of the Carriere home, striking the verandah.

There was no injuries and police estimated damage to pole and house at $600 and a similar loss to the car.

OPP at Lancaster report only three minor accidents during Friday night's storm which interrupted highway travel for a time. There were no injuries.

Roxborough council making survey for seniors' housing

Concern was expressed at the meeting of Roxborough township council last week that the current survey of requirements for senior citizen's housing in the township should be carried out promptly.

"I've noticed in the papers that funds for this year's program for the purpose are apparently all allocated," reeve George Crites remarked. But, he went on to explain, this has nothing to do with the needs study now under way, without which Roxborough cannot advance with the senior citizens program council has in mind.

"As I understand it, it works like this," Mr. Crites remarked. "We are in charge of conducting the survey. But the cards are returned to Toronto and we will eventually get a notice of the results. But the Ontario ministry of housing takes it from there, selects the site, builds and manages the building. The essential thing is we have to show there is a demand and need for that kind of accommodation in the municipality."

Clerk treasurer W. E. Wright reported that some 350 survey cards have been mailed out, to citizens aged over 60.

Deputy Reeve Leonard MacIntosh remarked that the rental units will be available on a rent-geared-to-income basis for senior citizens and stressed the importance of such lower cost accommodation for older residents within the community.

Councillors pointed out that without the completion of the survey the project cannot get under way and hoped that people would not assume that any delay would mean that the project is "off". Such is not the case. Mr. Crites remarked and council is interested in the needs of the township.

Provincial OIA to have meeting at Kemptville

The St. Lawrence Branch of the Ontario Institute of Agrologists will host the Provincial body at Kemptville, April 13, 14 and 15 this year. Ed Pearson, local President, announced at a recent meeting in Kemptville the Conference theme: "Food Land—Preservation or Starvation".

The Conference will take place at the Kemptville College with at least 100 visitors expected. Outstanding speakers from Canada and the United States will be on the program.

The St. Lawrence Branch won first prize for all of Ontario in percentage of gain in membership for 1974.

Timiskaming clean-up first step

A campaign to clean up junked motor vehicles in parts ot Timiskaming is the opening barrage in a province-wide program to rid Ontario of derelict cars, Environment Minister William G. Newman has announced.

The cleanup campaign includes the reclamation of valuable ferrous and other metals from an estimated 500,000 vehicles now rusting throughout Ontario. About one ton of recyclable metals will be recovered from each hulk.

Mr. Newman said the Timiskaming campaign will involve the establishment or improvements of processing facilities in New Liskeard and Englehart as central assembly sites for the processing of junked vehicles for delivery to the recycling industry.

The cost of collecting and processing derelict vehicles will be underwritten by Environment Ontario through agreements with the Timiskaming municipalities, Mr. Newman explained.

Since derelict vehicles were officially designated 'waste' by Environment Ontario, basic procedures for the collecting and reclamation of junked vehicles have been developed through a series of pilot studies conducted by the Ministry.

"This opening program in Timiskaming will add to our knowledge of the technology and cost of collecting and recycling derelict vehicles, which will in turn benefit other Ontario municipalities as the cleanup campaign expands," said Mr. Newman.

"We will benefit in two ways, restoring the natural beauty of Ontario by removing eyesores from the countryside and through the reclamation of valuable resources that essentially we have been wasting until now."

"Each rusting hulk contains about one ton of recyclable ferrous metals. In addition, these derelict vehicles can provide reusable material for the steel industry and non-ferrous mater-

Missing from picture, Scott Evans.

Gas line route may run north Iona Academy

A proposed Sarnia-Montreal pipeline will apparently not cross the property of Iona Academy as had previously been expected, SD&G Roman Catholic separate school board learned at its meeting last Tuesday.

In October the board reacted strongly to re-routing the proposed pipeline across the property, maintaining it would cause irreparable damage to the Iona school grounds.

The property at St. Raphael's is about a half mile north of an existing Trans-Canada right-of-way. A letter of protest was sent to the energy board and the federal government.

The board heard letters from Denis Ethier, Glengarry-Prescott-Russell MP, and the energy board, the latter claiming the new route does not cross board property after all.

National Energy Board secretary Robert Stead also said the board has made no final decision regarding construction of the proposed line.

He said interprovincial Pipe Line's tentative route is north of the Iona property.

Gilles Metivier noted that although the line will not cross school property it will still cross other's land which "is still not very good."

Alex Schocat of Montreal, accompanied by a friend, visited his parents, Mr. and Mrs. Simon Schocat, Eric and Tommy for a few days.

Friends and neighbors are pleased to learn Mrs. Emmanuel Dubeau will soon be home from Hotel Dieu, Cornwall, following surgery.

CHURCH SERVICES

Church Services for the St. Lawrence Pastoral Charge, United Church of Canada: Knox, Lancaster, 9:00 a.m.; St. Andrew's, Bainsville, 10:30 a.m.; Salem, Summerstown, 12 noon.

DAY OF PRAYER HELD

Become Perfectly One was the theme of the World Day of Prayer Service held in St. Andrews Presbyterian 'Old Stone Church', South Lancaster, and prepared by the Christian Women of the Arab Republic of Egypt. The Call to Prayer and The Threshold of Worship were read by Mrs. John Fourney representing the host church. 'God is One' was read by Mrs. C. T. Upton, representing St. John the Evangelist, Anglican. 'We are not One' was read by Mrs. John McBean, representing St. Lawrence RC, Curry Hill. 'God Calls us to be One' was read by Mrs. Alex Lalonde, Mrs. Norman Matheson and Mrs. Albert Seguin, representing Knox United. 'Let us grow into One' was read by Mrs. Harold Fourney representing St. Andrews United, Bainsville.

The guest speaker was Rev. Jack Skues who spoke on the theme. The offering was received by Miss Laurie Condie and Miss Patty Everson. Misses Laurie Ann Mitchell, Heather Mitchell, Dawn Petrie, Kathy Fox and Heather McRae sang two anthems, 'Morning Hath Broken' and 'Joyful, Joyful we adore Thee', with Mrs. Greta Gardner at the organ. 'God completes our One-ness' was read by Mrs. J. B. White, representing St. Joseph's RC.

The closing was read by Mrs. John Fourney with the blessing given by Rev. Skues.

Others taking part in the service were Mrs. Robert McRae and Mrs. Athol MacDonald, at the door, a choir from all churches. Lunch was served by the host church.

HAD FASHION SHOW

A Fashion Show featuring the Funway Fashion Technique 'Stretch and Sew' was held in St. Andrews Presbyterian Church Hall, South Lancaster. All fashions were made by the models which ranged from casual sportswear to long gowns and bathing suits. Models for their own creatrions were Laura MacMillan, President of Funway Fashions from Beaconsfield, P.G., Sherrie Howe and her three children, Beaconsfield, P.Q., May Wilson, Beaconsfield, P.Q., Isobel McCuaig, Lancaster, Gwelda McRae and daughters Heather and Sharon, Lancaster, Cheryl Wightman, Lancaster, and Elizabeth Ferguson of Funway Fabrics, Lancaster.

A large audience was on hand for this event sponsored by the Ladies Aid. A dessert lunch was served at the conslusion.

KNOX UCW MET

Mrs. Alex Lalonde presided at the March meeting of Knox United Church Women, Lancaster, held in the Church hall, with Mrs. Eric Urquhart, acting secretary. Mrs. Lalonde read a poem 'A thought for the Day'. The devotional period was led by Mrs. Urquhart who chose Easter as the theme. A brief resume was given by Mrs. Albert Seguin, April roll call will be a Bible verse pertaining to Spring. Plans were made to attend the World Day of Prayer with Mrs. Lalonde, Mrs. Seguin and Mrs. Norman Matheson taking part in the service.

Mrs. Cecil Shennett advised communication had been received from Toronto requesting financial assistance to aid the United Church in a student exchange program between a student representative from each Canadian Presbytery and one from the Third World. Further information on this is being sought before reaching a decision.

It was announced the Presbyterial executive meeting will be held in St. Paul's United Church, Cornwall, March 19th, starting at 10 a.m. Plans were finalized for the social evening in the Church Hall, March 13th. A donation is to be sent to the Lachine General Hospital in memory of the late Mrs. George Hibbard, a light for the organ will also be purchased in memory of Mrs. Hibbard with a commemorative plaque. Mrs. Hibbard was for many years organist and choir director and a faithful member of the UCW. The present organist, Mrs. D. A. Fraser, was requested to make the selection for the lamp.

Mrs. Seguin informed members of tentative arrangements being made by the men's group to build a Baptismal Font in memory of the late Mrs. Curtis St. John. Further information on this will be given at a later date. A special meeting will be called the last week in March to discuss plans for a supper to held in April.

A memorial tribute to Mrs. Hibbard and Mrs. St. John was given by Mrs. Seguin in the form of a poem and prayer.

Refreshments were served by Mrs. Seguin.

BAINSVILLE WI MET

The March meeting of the Bainsville WI was held at the home of the president, Mrs. C. T. Upton. Seventeen members and two guests answered the roll call, 'Some points concerning law we should know'. Laws are always changing and it is wise to learn as many of the new laws as we can. An Easter poem was read by Mrs. Upton and Mrs. John Kerr commented on the motto 'Know what to aim at, how to use the bow, pull it to the hilt and let it go'.

During the business period the president commented on the educational evening presented by the Picnic Grove WI with guest speaker, Mrs. Donald MacLachlan. It was announced the Summary Day for the Quilting Course is to be held March 13th at the Green Valley Pavilion. The 4-H Homemaking Achievement Day will be held Saturday, April 26th, in GDHS, Alexandria, for the course, 'A touch of Stitchery'. All members are invited to both these events.

The WI District Convention will be held in Dunvegan, May 21st. A meeting of the Standing Committee Conveners will be held at the home of the secretary, Mrs. Archie Robertson, the evening of March 24th to prepare the annual reports. WI fees have been raised to $1.50. A collection was taken for the Mental Health Fund. Mrs. Harold Fourney, Mrs. Lloyd McRae and Mrs. Adrien Leroux were appointed to the nominating committee to prepare a slate of officers for 1975-76. All members were invited to a 'Kitchen Workshop' in Knox Church Hall, Wednesday, April 2nd, from 10 a.m. to 4 p.m. All are requested to bring their own lunch. Tea and coffee will be provided by the St. Lawrence WI. The sum of $5 was donated to the Williamstown Fair board as a special prize for a hand-pieced, quilted, cotton cushion. Members should contact Mrs. Donald MacLachlan for information if they wish to compete in the historical, one-act play project. It was decided to apply for a Food Forum: 1st choice 'Poultry Please'. The Senior Training School 1st choice 'Accessories for the home', and a short course, 1st choice 'Home Furnishings'. Mrs. Eric Urquhart agreed to be leader for the Sr. Training School. Mrs. Rufus Carr invited members to her home for the May meeting.

Mrs. Upton introduced the guest speaker, Miss Bessie Cumming, WI District President, whose subject was 'The WI member and her work'. She referred to the handbook and by-laws and gave a member's viewpoint on the WI Branch, District and Area. Simple and interesting, it stressed pride in our organization. Mrs. Harold Fourney thanked Miss Cumming for an interesting talk and presented a token of appreciation.

Tea was served by hostesses, Mrs. Eric Urquhart and Mrs. Donald Ross, assisted by Mrs. H. Fourney.

The annual meeting will be held on April the 9th, at 2 p.m., at the home of Mrs. Mac Robertson.

GLEN SANDFIELD

The euchre party was held last Thursday at the Glen Sandfield Hall, with a good turnout of 11 tables. The ladies' first prize went to Mrs. Lloyd MacLennan and Maurice Seguin took the first prize for the gentlemen. The draw for a set of attractively decorated tumblers was won by Mrs. Hilda Hambleton. Arnold MacRae and Ronald MacLachlan were in charge of the program for the evening. A fragrant hot cup of coffee and delicious lunch was served by the ladies, and was much enjoyed by all. Next Euchre March 20th.

To those who have been requesting them, I am sorry we have run out of Penny Socks again. We will try to oblige by the weekend and have more available. Thank you all.

The first get together of the "Trimmers" was held at the home of Mrs. Arnold MacRae. There were 13 ladies present. Mrs. MacRae led proceedings and started off by giving the ladies some dietary literature she had received, on request for the group. A daily calorie score sheet and exercise sheets were distributed and we paired up by drawing matching numbers for our "Slimming Sister". Each is to monitor the scale for her sister (confidentially) and to keep tabs on each other's progress in the note book provided for the purpose. An animated discussion of dietary procedure followed. The group listened with interest to a very informative, though brief, talk by Mrs. MacRae. We were given a simple exercise plan to follow and practised the correct performance. Light refreshments were served by Mrs. MacRae, fruit juice and crisp, cold salad vegetables, charmingly arranged and garnished. This is to be an informal weekly meeting of friends trying to help each other to better health. It was a truly enjoyable afternoon and we hope to show real progress in the coming months.

FASHION SHOW HELD AT DALKEITH

On Wednesday, March 5, 120 persons attended the 2nd annual fashion show in St. Paul's Hall, Dalkeith, put on by the ladies who attended the three sewing classes since last September.

The guest speaker was Guy Leger, a co-ordinator from St. Lawrence College that was responsible for the courses.

Mrs. Denise Legault, technician of the courses, welcomed those present. Mrs. Linda MacNaughton presented Mrs. Legault with a corsage.

A humorous skit, which all enjoyed, was put on by eight of the ladies. The role of the teacher was played by Annette Goulet, the students Jean MacLennan, Linda MacNaughton, Betty Lanthier, Lucille Meloche, Lucie Seguin, Debbie Tessier, and Denise Lacasse.

Twenty-six ladies were presented with acknowledgement certificates by Guy Leger. They were: Brenda Vogan, Annette Goulet, Marion Fraser, Diane Tittley, Claire MacGillivray, Sadie MacMillan, Lucille Meloche, Betty Lanthier, Lise Seguin, Linda MacNaughton, Lorraine MacNaughton, Enid MacDougall, Lise Duval, Juliette Lanthier, Diane Lacasse, Lise Ouellette, Eleanor Bickerstaff, Doris Leroy, Jean MacLennan, Johanne Ranger, Rita Ranger, Debbie Tessier, Lucie Seguin.

The clothes that had been made and which ranged from children's to men's, were then modelled. This was a popular attraction. Commentators of the fashion show were Betty Lanthier and Diane Lanthier.

Denise Legault thanked all present for the encouragement given in attending. Mrs. Legault thanked the ladies who followed the courses for their co-operation and for working so hard in preparing the program of the evening. She then invited all to visit the well displayed exhibits which were under the leadership of Lise Seguin.

Mrs. Brenda Vogan read a poem to Mrs. Legault. Claire MacGillivray presented Mrs. Legault with lead crystal.

A delicious lunch and social hour followed.

Meet Thursday

The One Parent Family Association will hold a general meeting Thursday, March 13, at 8:00, at The Bob Turner Centre in Cornwall. Newcomers welcome. For information telephone 933-6245 or 933-0438.

Crysler Park sugar bush opens March 15

Spring is here . . . well almost. For in Crysler Park sap buckets are being washed, the evaporator cleaned and tapping equipment prepared for the start of the annual sap run. It's all part of North America's oldest industry.

Located six miles east of Morrisburg, just off Hwy. 2, Crysler Park Maple Sugar Bush will begin operations on March 15 and, weather permitting, continue daily through mid-April.

Since 1964 over 150,000 visitors to the Sugar Bush have captured the nostalgia and memories of another era, tasted maple sugar and taffy and purchased maple syrup. With co-operation from weather and snow conditions, children will again enjoy the "sugaring off" taffy ladled on fresh white snow.

Two thousand trees have been tapped. There is no charge for visiting the Sugar Bush and on weekends horse driven vehicles will be available to carry visitors to and from the Sugar Bush.

Films on the making of maple syrup and maple products will be shown on weekdays for school groups in the lower level of the Upper Canada Restaurant.

The Village Store, open weekdays 9:30-4:30 and on weekends 9:30-5:00 p.m., offers a wide range of maple products. Again this year the snack bar will serve hot and cold drinks, light refreshments, pancakes and sausage buttons with pure maple syrup and as a special "pickle sinkers".

Plans complete for Valley Farm Show for four day event

The advance publicity on the Ottawa Valley Farm Show appropriately goes like this—"Hey there! What are you doing March 25 to 28? Plan to attend the Ottawa Valley Farm Show at Lansdowne Park, Ottawa, from 12 noon on Tuesday, March 25 until 4 p.m., Friday, March 28."

One hundred and twenty-five firms, companies and organizations will be ready to display their products during the four-day event which will be held in the exhibit hall, the Coliseum and the upper and lower annex.

On Tuesday, March 25th there will be a cattle show at 7 p.m. Shortly after the show 20 steer will go on the auction block. And the organizers of the event feel this will offer people a good opportunity to fill the freezer with meat.

The Hereford Breeders Show and sale will be held on Thursday afternoon with the show to start at 12 noon and the sale should be underway by 3:30 p.m. The Hereford steer and heifer sale should make available some excellent stock for 4-H work.

For those interested in education, the Ontario Ministry of Agriculture and Food exhibits are a must. Also of interest will be the Crop Insurance Booth, the pedigreed Seed Exhibit and the farm Machinery displays.

The ladies have not been forgotten in the Farm Show Program. At 7:30 p.m. on Tuesday, a Ladies Day program will be featured in the Assembly Hall. There will be a demonstration by Home Economists Mrs. Elizabeth Murcoch, a dance number by Lyn and Serge Leblanc and a Fashion Show. Numerous prizes and draws will be held.

While at the show you can talk to the Ontario Dairy Princess, Miss Brenda Trask or stop and have a few words with the staff of the Ontario Milk Marketing Board.

The Seed, Feed and Forage Show is the championship show for all of Eastern Ontario and Western Quebec. Only the top exhibits from the local county shows are eligible for admission at this event. The presentation of prizes and awards will be made on Friday in the annex of the Seed Fair site.

Free admission to the show if you have picked up your complimentary ticket from your farm machinery agent, farm supplies or agriculture representative. There will also be free parking on the grounds up to 6 p.m., each day.

Lake St. Francis weed survey to be discussed at meeting

A special public meeting to include officials of the environment ministry, city council and members of the public will be called soon to discuss the report on a weed survey taken in the summer of 1973 in Lake St. Francis.

Announcing this, Ald. Francis Guindon, chairman of Cornwall's environmental committee, said both the federal and provincial members will be invited.

He said ministry officials will be on hand to answer any questions from the general public.

The date, time and venue for the meeting will be announced later.

"This problem concerns everyone," Ald. Guindon said. "We are hoping residents of Lancaster will also attend this important meeting."

The long awaited report was sent to the environmental committee at the end of January.

The pre-publication of the report deals with causes, consequences and control of excessive aquatic plant growth in Lake St. Francis.

The report was prepared jointly by ministry's southeastern region and water resources branches and deals with scientific and technical aspects of the problem including possible control measures.

The 42-page document particularly deals with excessive growth of aquatic vegetation along the north shore of Lake St. Francis.

The ministry has made a number of recommendations on weed control, among them removal of weed growths over relatively small portions of the lake using a single large harvester unit with necessary back-up equipment.

The recommendations and alternatives for weed control will be discussed in full at the special meeting.

NFU executive met at Finch

The first NFU District 1, Region 3, board meeting for the 1975-76 fiscal year was held in the Finch Legion Hall. The meeting was chaired by District Director Joe O'Neill with Gilbert Desjardins, Junior Director, acting as co-chairman. The board accepted the auditors' report for the 1974-75 fiscal year which showed a deficit of $52.42 and a budget for the coming year of $5,500. A motion made by local 326 president, Helena McCuaig, set the per diem for designated meetings for the district executive at $20 plus 12c per mile. Designated meetings were defined as all meetings outside the district 1 boundaries on Union business.

Gilbert Desjardins reported that he attended a meeting in Guelph to plan the youth seminar to be held later this month. This seminar is open to all farm youth between the ages of 14-25 years. It is to acquaint youth with the NFU youth exchange which will take place this summer. Any young person interested should contact the local president in his or her area.

Wayne Simpson, National Director of Organization from Winchester, said that since the Union dues were raised to $100 there have been some cancellations but the number was not as great as first anticipated. This indicates that the farmers realize the value of the NFU as opposed to provincial organizations. He reported that once the NFU policies were explained to the farmers, approximately 90% were joining the NFU.

It was decided to have national presidents Roy Atkinson and Jean Leahy at a meeting in the district March 25th, from 1-4 p.m., to talk with the members, discuss NFU policy and the farm situation in general. This meeting is open to any farmer and will be held in Berwick Township Hall, Berwick, Ontario.

The locals reported some success in canvassing with Local 323 president, Bill Mesman, reporting the most success. Also, two young people have already submitted their names to attend the youth seminar.

Miss G Brunet died suddenly

Well known in Alexandria where she resided until twelve years ago, Miss Genevieve Brunet died in Montreal on Tuesday, March 4th.

Miss Brunet had been in apparent good health and her death which occurred suddenly in the medical clinic where she worked as a medical secretary came as a severe shock to her family and friends.

The daughter of the late Solyme Brunet and his wife, the former Imelda Reeves, she was born on August 21st, 1934. She had been employed in Nyman's Shoe Store in Alexandria for 11 years before moving to Montreal and was active in the choir and organizations of Sacred Heart Parish.

She is survived by her mother, one sister, Miss Odette Brunet of Montreal and two brothers, Paul of Alexandria and Bertrand of Chateauguay.

The funeral was held on Saturday, March 8th in Sacred Heart Church where Rev. Denis Vaillancourt offered the funeral mass. Burial will be in Sacred Heart Cemetery in the spring.

Pallbearers were Jacques Trottier, Frank Sliepenbeek, Oscar Menard, Ron Masson, Michael Barbara and Jean Clement.

DUNVEGAN

Dunvegan WI met Feb. 27th in the hall.

Mrs. J. W. Fraser commented on the motto, "There is nothing wrong with change it it is in the right direction". The roll call, Bring a copy of your favorite recipe, and a sample for sale, was answered by 14 members.

Dunvegan WI will sponsor the Euchre party in the Manor on March 26th.

Several members visited Lancaster to see Mrs. D. MacLachlan's slides on her Australian trip, where she was a representative to ACWW at Perth Conference.

Mrs. J. S. Loewen spoke on Family and Consumer Affairs. She stressed correct addresses on mail, so the Dead Letter Office will not be overloaded.

Mrs. Leslie MacKinnon auctioned food articles.

A social hour closed the meeting.

THE EXPROPRIATIONS ACT

NOTICE OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

IN THE MATTER OF AN APPLICATION by The Corporation of the Township of Lancaster for approval to expropriate land being part of Lot Number 17, Concession 7 of the Township of Lancaster, in the County of Glengarry, for the purpose of the Glen Nevis Bridge scheme.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described as follows:

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Lancaster, in the County of Glengarry and being composed of Parts 5 and 6 and 16 on Plan 14R-410 and Part 1 on Plan 14R-455, and a temporary easement on Part 8 on Plan 14R-410.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing,

a) in the case of a registered owner, served personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

The approving authority is THE COUNCIL, THE CORPORATION OF THE TOWNSHIP OF LANCASTER, North Lancaster, Ontario.

THE CORPORATION OF THE TOWNSHIP OF LANCASTER

M. J. SAMSON, Clerk

1. The Expropriations Act provides that,
   (a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;
   (b) the inquiry officer,
      (i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and
      (ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed $200.00 and the opproving authority may in its discretion order the expropriating authority to pay such costs forthwith.
2. "owner" and "registered owner" are defined in the Act as follows:
   "owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;
   "registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll.
3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

This notice first published on the 13th day of March, A.D. 1975.

AUDITORS' REPORT - TOWNSHIP OF KENYON

The members of council, inhabitants and ratepayers of the Corporation of the Township of Kenyon

We have prepared the 1974 financial statements of the Corporation of the Township of Kenyon, which are listed on the attached index. In this connection, we made a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Township of Kenyon as at 31 December 1974, and the results of its operations for the year then ended, in accordance with accounting principles generally accepted in Ontario municipalities applied on a basis consistent with that of the preceding year.

Net long term liabilities	150,927	100,207
Reserves and reserve funds	81,000	81,000
Accumulated net revenue (deficit) and unapplied capital receipts	32,450	44,257
	485,549	249,615

NOTES TO FINANCIAL STATEMENTS

1. CHARGES FOR NET LONG TERM LIABILITIES
   Total charges for the year for net long term liabilities were as follows:

Principal payments	$ 8,883
Interest	6,036
	$14,919

   Of the total charges shown above $3,056 was paid from the general revenues of the township and is included in expenditure, classified under conservation of health — support of hospitals, and an amount of $11,863 was recovered from ratepayers for debentures.

2. BASIS OF CONSOLIDATION
   The consolidated balance sheet reflects the assets and liabilities of the revenue fund and the capital fund of the township as well as the assets and liabilities of the Police Village of Apple Hill. The assets and liabilities of Apple Hill Hydro and Kenyon Recreation Committee have not been consolidated.

3. CAPITAL OUTLAY TO BE RECOVERED IN FUTURE YEARS
   Some capital outlay does not represent a burden on general municipal revenue. The amount of $126,427 is to be recovered in future years from special charges on benefitting landowners.

11-1c

Local guides and brownies did well in hobby show

Several of the local Brownies and Girl Guides had entries in the Annual Hobby Show in Cornwall and placed well among the 375 entries.

Trophy winners for the second year in a row were the St. Raphael's group for the best pack entry. Leah Gilmour and Susan Baird of Cornwall won the trophy for the best Brownie entry.

Trophy for the Best Six Brownie entry went to Maxville pack and Best Toymaker entry was from Nancy Casselman of the Glen Walter pack.

Red ribbons for first place standings went to Leah Gilmour, Susan Baird, Connie Soros, Louise Loiselle and Kim MacDonald of Cornwall; and to the Maxville pack, Sandra Cope and Mary McEwen. Blue ribbons went to Christine Smith, Mary McEwen, Leslie Cope and Karen Blair of Maxville and to Lisa Roy of Cornwall. Green third place ribbons were won again by Maxville Brownies, Mary McEwen, Leslie Cope and Karen Blair and by Leah Gilmour of Cornwall. Yellow ribbon merits were earned by Carolyn Parisien, Glen Walter; Leah Gilmour, Cornwall and Joanna Jasiewicz and Cherryl Smith of Maxville.

The St. Raphael's pack also took a red ribbon for the best group entry in the Brownies.

In the Guide division, red ribbon placings were earned by Norma Cumming, Carolyn Smith and Jean Deschamps of Maxville and Sandra Chernecki of Lancaster, who got three ribbons.

Maxville girls who won blue ribbons were Kim Warwick, Julie Jasiewicz, Debbie Chernecki and Norma Cumming. Carolyn Smith won a green ribbon for third place and Julie Jasiewicz also took a yellow merit ribbon.

Foster parents met Apple Hill

The regular monthly meeting of the SD&G Foster Parents Association was held at the home of Mr. and Mrs. Stewart MacIntosh, Apple Hill, on Monday evening, 17th February. Despite very stormy weather, foster parents arrived from Apple Hill, Chesterville, Cornwall and Finch.

A very interesting and informative talk on the subject of "Communication" was given by Rod Rabey, Social Worker on staff with the Children's Aid Society, Cornwall. Mr. Rabey illustrated several forms of communication and had on display a number of books dealing with the subject, including the currently popular "I'm O.K.—You're O.K." by Dr. Thomas A. Harris. Mr. Rabey plans to compile a reading list on this subject, which will be circulated shortly by means of an extra sheet attached to our newsletter "Echoes".

The FPA will not meet in March due to the annual meeting of the Children's Aid Society. Next meeting to be held in April, time and place will be announced in next issue of "Echoes".

Delicious refreshments were served by the host and hostess. Dave Hiltz, Chairman, thanked Mr. and Mrs. MacIntosh for their warm and gracious hospitality.

Regional tourist council annual at Morrisburg

W. A. (Bill) Elliott, Eastern Ontario's number one tourist promoter will be guest speaker at the Seaway Valley Regional Tourist Council's 13th Annual Dinner at the Morrisburg Civic Centre on Wednesday evening March 19th.

Bill is the first Managing-Director of the new Eastern Ontario Travel Association with offices at Lansdowne, and as such he is charged with planning of promotional literature, TV and other advertising to lure tourists to what he insists on everyone calling "Ontario East."

He is a traveller at heart starting from his days as a fighter pilot in Europe during World War II. Born in Windsor Mr. Elliott has had a varied career in sales, advertising and management, and he has lived and worked in Brockville, Philadelphia, Chattanooga and Kingston in that order. His topic will concern tourism in Ontario East and what is being done about it. The public is welcome to attend.

Some of the new books now available at local library

These are some of the new books at Simon Fraser Library:

Crackpot by Adele Wiseman is the kind of novel that draws the reader right into the life of the central character; in this case it is a Jewish Canadian girl who, in order to support her blind father when her mother dies, turns to prostitution.

The latest collection of New Canadian Stories (74) in David Helwig and Joan Harcourt's 4-year series contains short stories by Alice Munro, Harold Horwood, Matt Cohen, and Audrey Thomas, among others.

Two murder stories which raise as many questions as they answer are Torso by Marjorie Campbell Freeman and Caril by Ninette Beaver et al. Torso retells one of Canada's most publicised murder trials: in 1946 26-year old Evelyn White Dick was charged with the murder of her husband, the remains of whose dismembered body had been found on Hamilton Mountain. It seems that her husband had stood in the way of her 'fast' life. She was found guilty of murdering her illegitimate baby son, served a prison term, and has since disappeared. Caril Fugate, however, who in 1958 was a party to her boyfriend's Nebraska murder spree in which 10 people, including her family, were killed, is still in prison. Caril is the story of the teenagers' trials and punishments, and of her life, more than half of which has been spent growing up in jail. A third story is that of Louise Thoresen, who in 1970 shot and killed her millionaire husband. It Gave Everybody Something To Do is her side of a bizarre relationship with a man who, illtreated by his wealthy parents as a child, became increasingly criminal, drug-addicted and insane.

Alan Walker's Treasury of Great Canadian Humour consists of excerpts from the writings of more than 50—Stephen Leacock, Gregory Clark, Don Harron, Max Ferguson, Paul Hiebert, and Donald Jack among them—selections which lead the reader to the books from which they were taken.

350 Ways To Save Energy (And Money) In Your Home And Car by Henry R. Spies et al suggests major and minor ways of saving: from insulating your house to switching off the television to read a book.

Charlton's 1975 Standard Catalogue Of Canadian Coins, Tokens and Paper Money includes the first and second sets of Olympic coins, the former being listed at 50% over their face value.

The prescription drug industry in the U.S. is examined by Milton Silverman and Philip R. Lee in Pills, Profits and Politics. Deaths related to drugs given in treatment, excessive advertising aimed at doctors and the public, and the outrageous difference in prices between brand-name and generic drugs are dealt with for a 'public which is told to "reach for a pill instead of a thought" '. For people who have trouble sleeping Insomniacs Of The World, Goodnight by Hilary Rubinstein is suggested. There are articles on sleep and staying awake by experts and well-known insomniacs, and 'eighty-two tried and proven ways of wooing sleep' (without most drugs), games, amusements, and 'nastier nights than yours' in this diverting book.

Jacqueline Onassis is the subject of a book, Jacqueline, and a professional fascination for Ron Gallella—a fascination that knew no bounds until the paparazzo photographer was taken to court by Mrs. Onassis and ordered to stay away from her. Gallell's photographs however are a remarkable collection of natural studies.

These books are available through Alexandria Library, as well as from Simon Fraser Library, Cornwall.

Red Cross Homemakers in Dundas met

Dundas County Red Cross Homemakers Committee met in the Conference Room of Winchester Memorial Hospital at 8 p.m. on Monday, 3rd March, with Rev. L. Ferguson, Co-Chairman, conducting the meeting.

Mrs. Catherine M. MacLean, Supervisor, reported that we've given 25½ days of service for January and February compared to 35 days for same period in 1974. We currently have seven homemakers but there is a need for several more, in order to be prepared should a sudden bout of illness occur throughout the county. By 10th March there will be a total of six current clients.

Mrs. MacLean reported that Constable Lloyd Fitzsimmons of Long Sault, head of the United Counties Public Relations for OPP, attended the Homemakers meeting on 24th February to give a most interesting and informative illustrated lecture on the subject of "Home Protection". Later the homemakers visited the chronic ward by pre-arrangement with Miss M. Coons and Mrs. M. Smith, where they were shown how to work with a chronic patient about to be discharged and cared for by the Red Cross Homemakers Service. This opportunity was very much appreciated by Mrs. MacLean and her homemakers and would greatly help to give the ladies confidence to work with patients upon discharge from hospital.

The slate of officers for 1975 is as follows:

Chairman, Mrs. Janet Clapp, Winchester; Co-Chairman, Rev. L. Ferguson, Chesterville; Secretary, Miss Vi Milligan, Iroquois; Treasurer, Mrs. Elizabeth Locke, Williamsburg; Supervisor, Mrs. Catherine M. MacLean; Consultants, H. P. Stel, Administrator, Winchester Memorial Hospital; Dr. Duane Justus, United Counties representative on the Cornwall Academy of Medicine for Ontario Medical Association.

Representatives from the following: In-Service Co-ordinator, WMH, Miss M. Coons; Victorian Order of Nurses, Mrs. D. Baker; Public Health, Mrs. D. MacFarlane; United Counties & Soc. Welfare Dept., Mark Hart; Min. of Community & Soc. Services, Douglas Barkley; Ministerial Association, Rev. Earle Moore; Red Cross, Morrisburg, Gerard Miner; Women's Hospital Auxiliary, Mrs. Olive Cass; Mountain Township, Mrs. Lorraine Hutt; Canadian Cancer Society, Miss Vi Milligan.

The next meeting will be held on 5th May at the Winchester Memorial Hospital.

Died in Thunder Bay

A native of Glengarry, Mrs. John McDonell died in hospital in Thunder Bay at the age of 92.

She was the former Catherine Anne (Lapey) MacDonald of North Lancaster.

She is survived by two sons: Archie of Thunder Bay and Patrick of Vancouver, five grandchildren and two great grandchildren.

The funeral was held in Thunder Bay with service held in St. Andrew's Roman Catholic Church. Burial was in the parish cemetery.
