From them to you . . .

The spirt and meaning of the Christmas season can often be seen in the eyes of children — and in their words.

With this in mind, *The Glengarry News* has again this year let our county's school children tell us all about Christmas in this year's greetings section, through poems, essays, letters to Santa Claus and, of course, artwork. To keep letters, essays and poems authentic, they were not edited for spelling or grammar.

Regrettably, we couldn't fit in all of the submissions we received from Glengarry's schools. However, we assure those children who sent letters to Santa that they will be forwarded to the North Pole for proper 'processing'.

We hope you enjoy this 1989 Christmas greetings supplement, and we, along with all of the businesses which have sponsored ads in the section, wish you a joyous holiday season.

Spot, Patches — big presents

One day this little boy was writting a letter to Santa but not for him for his friend. His friend's parents were poor. So the little boy named Kevin wrote a letter for his friend this is what he wrote. Dear Santa I would like you to bring a present for my friend because his parents are poor, he told me he's not getting anything for Christmas. So you won't have to get me a present just as long as you get my friend a present. By Santa, Love Kevin. It was the night before Christmas and Kevin was just going to bed so when he got up in the morning he looked under the tree and there it was a great big present for Kevn's friend. He ran it right to him. He opened it. It was a dog. Kevin's friend loved the little puppy so he called the dog Spot because he has a spot on his ear. So Kevin went home. After that he opened his present. He got a big present too. He gest it was a dog. He opened it. He got a cat. He named the cat Patches because he had a lot of patches different colors. Kevin and his friend loved what they got for Christmas.

La catastrophe au Pôle Nord

Un Noël, au Pôle Nord, les lutins travaillaient à la sueur de leur front. Tout allait comme sur des roullettes quand soudain, ils entendirent un énorme bruit: Boum! Aussitôt, les lutins se dirigèrent vers le Père Noël. Les lutins, tous surpris, aperçoivent le Père Noël étendu sur le sol. Ils coururent chercher la Mère Noël. La Mère Noël explique aux lutins que le Père Noël ne pourrait pas délivrer les jouets cette année. Alors le Père Noël pensa très fort. Soudain il eu une idée... Le Père Noël expliqua donc aux lutins son idée. Alors les lutins se mirent au travail immédiatement. Dans peu de temps, le traîneau du Père Noël se dirigea vers le ciel grâce à un ordinateur que les lutins avaient installé. Alors la livraison des jouets était pareille comme les autres anneés.

Christmas time is coming

Christmas is coming near, closer and still closer. People are rushing round like a real fast roller coaster.

Money here, money there, money is thrown everywhere.

Santa's also coming. Don't worry he won't be running. He's got a sleigh and some reindeer. In some houses they leave him beer.

I have to go with a ho, ho, ho. So adios Amigos.

Le sapin de Noël

Un beau dimanche après-midi de décembre, mon père, ma mère, mes frères et mo décidons d'aller dans le bois chercher notre sapin de Noël. Arrivés dans le bois on marche et finalement on trouve un beau gros sapin. Mon père le coupe avec l'éguoine et mes frères et moi l'apportons à la voiture. Quand nous arrivons à la maison on le place dans une chaudière avec de l'eau et on l'installe dans le salon. Maman apporte les lumières, les boules, les guirlandes et les cannes de bonbons. Sylvain installe les lumières et Marc et moi mettons les cannes. Maman l'entoure de guirlandes et papa met l'étoile au sommet du sapin.

Tous les soirs nous allumons les lumières du sapin pour décorer et éclairer le salon. En-dessous du sapin nous installons la crèche et tous les personages. Nous mettons les cadeaux pour les grand-parents en dessous. J'ai bien hâte à Noël pour voir mes cadeaux.

Santa probably eats . . .

The Junior Kindergarten pupils at Laggan Public School have been thinking about Santa and his obviously favorite pastime of eating. Here are some of their thoughts:

''He probably eats hot dogs with mustard,'' said Paul.

''I think he likes hamburgers with mustard, ketchup and cheese,'' said Sarah.

''We leave Santa a snack of cookies with faces on them and a glass of milk,'' said Emily.

''I leave a snack of Christmas cookies and freshie, because he loves cookies,'' said Kaitlyn.

''I think he likes Pepsis and chocolate chip cookies better,'' said Kevin.

''Spagetti is his favorite food,'' said Alonna. ''That's why he's so fat.''

''I think he eats lots of buttered popcorn,'' said Beth.

''My Mom leaves the door open for him so he won't get stuck in the chimney,'' said Mark.

''We leave fresh cake with chocolate icing, and coffee,'' said Melanie. ''The coffee is not fattening.''

''I think he has the same favorite food as me,'' said Alex. ''I like fish and chips and ice cream for dessert.''

''I'll ask my Mommy to make some cookies with chocolate in them, so we can leave them for a snack with a big glass of milk,'' said Christina.

''He probably eats a lot of spagetti at home,'' says Brendan.

''I'll make some chocolate chip cookies with my Mom or Dad to leave for Santa,'' said Crystal.

''I'm leaving Santa an apple and some apple juice,'' said Mary.

David was too shy to share his ideas about Santa.

We didn't write letters to Santa but we're certainly very excited about his approaching visit to our houses. We've tried really hard to be good girls and boys.

Merry Christmas to everyone.

Junior Kindergarten Class, at Laggan and C. Shepherd.

Christmas of the future

One night before Christmas and all in the house, nothing was playing or moving not even the C.D. player. I in my P.J.s and my wife with her teddy bear we went to bed in our new winter spread. I just couldn't get to sleep. Hearing a noise I ran to the window and opened it so I could look outside. I saw a Lambourghini and eight miniature Corvettes. I watched them fly from roof to roof when I heard St. Nick land on my roof. I ran downstairs and saw St. Nick. He was jolly and plump. He placed all the presents and ate all the cookies then up the chimney he went. I rant to the window and heard as he left, ''Merry Christmas to all and to all a good night!''

'Blue toes' — the troublemaker

Once upon a time there was a little elf and he was a trouble maker.

One day he was walking down the road when he saw a little animal in trouble. He went to see it. Do you have a name, "Yes it is Peggy." What are you doing here Peggy. Well I was wandering around when I got lost so I looked for the closest village but then I got caught in this trap. I've been here since this morning. Well I'll take you my place and warm you up. It's Christmas that's why no one is on the streets. "What's Christmas?" said Peggy. It's a time of giving, peace, joy, love and forgiving, said the elf. Peggy says "What's your name?" My name is Blue toes. "Where do you come?" Well, I come from nowhere. Maybe you could live with me? "Yes, I would love to," said Peggy. At night Bluetoes said. "This is the best Christmas ever."

The night I saw Santa

It was 10:30 at night and I heard a "bang" downstairs. I didn't want to move because I thought if it was someone who would hear me. So I lay still and waited to hear something else. (I was scared.) I had to do something. Then all at once I thought it was Santa Claus, but I wasn't sure. I slowly crept out of my bed and slowly crept down stairs. It was really dark and I couldn't hardly see where I was going. I thought to my self (why, why just why did I do this?). Then I heard a jingle with bells and I was sure it was big old fat Santa. I crept around the corner and it was it realy was him. I couldn't believe it. It was Santa. He was sitting beside the Christmas tree eating cookies and drinking milk. I didn't want him to see me because I remembered my mom telling me if he sees you he will run away. So I crept upstairs and in the morning I told my family about it. They didn't believe me. I knew it was true and next Christmas I'm going to take a picture of him.

Santa was getting off his diet

It was December 24th and it was very quiet
Santa Claus was just getting off his diet.
All the children were dreaming of that wonderful day
And Santa Claus was in his sleigh.
All of a sudden there was a big thud,
And Santa was shaking to get rid of all the mud.
He laid down all the toys,
For all the girls and boys.
Then Santa turned and went to the table,
To eat some cookies and drink some milk.
Then all of a sudden he tripped over a cable,
And fell to the ground on a blanket made of silk.
He left as fast as he could,
Because he knew he should,
He found a big bottle of gin,
Then took off with a big fat grin.

Derek Abrams,

'Your Lord is laying over where the star is'

For in the fields the angels come down to tell the shepherds "Your Lord is laying over were the star is." The shepherds are there. The wisemen are kneeling. Peace will be coming. Your child will bring. For Mary is the mother and for Josheph is the father. For the cattle and sheep are worshiping the Lord.

My grandfather's Christmas

It was the night before Santa comes when my parents went out for a Christmas party. My grandfather was babysitting me. He told me to sit down. After I sat down, he started to tell me about his Christmas during the war.

He was sitting on his cot staring at his girlfriend's picture when the general came in and said, "Can you come down to the mess hall in 10 minutes?" "Okay, I will." When he got there everything was black. Then I walked in lights of all colors went on. People yelled, "Merry Christmas!" and they brought a present bigger than I was and when I touched the bow, Julie my girlfriend jumped out with a big red bow around her neck and said "Merry Christmas honey." So from now on we had good Christmases.

Le temps le plus joyeux

Noël est beau. Le sol est tout couvert d'une couche blanche du ciel. Les enfants joyeux jouent dans les rues et attendent patiemment le Père Noël. Noël est le temps le plus joyeux pour moi et ma famille. Je pense qu'il y a bien des enfants qui aimeraient avoir un beau joyeux Noël, mais ils n'ont pas d'argent pour du manger donc ils n'ont pas d'argent pour des petits cadeaux. Je pense que c'est triste.

'I'm waiting . . .'

Poem
The night was calm
As the clock struck dawn
The children were asleep
When Santa went into the chimney-sweep
He put presents under the X-mas tree
Then he saw a holly
Hung up on the door
That had a sign that said
Give a Christmas to the poor.
Jacinda Rudolph, Iona

Christmas Poem
Children are shouting ''Christmas is Here!''
Here comes Santa with his 8 reindeer.
He brings us presents, big and small
One for me and one for all.
All the houses are decorated in light
All the color makes it so bright
The carolers are singing songs of joy
Some are girls and some are boys.
It's Christmas day
Remember where the baby lay
Hip! Hip! hooray Christmas is here
Children are shouting ''Christmas is here!''
Natalie Burnham, Iona

I'm waiting
I'm waiting for Christmas
For toys to play with
For presents to open
For bells to ring
For Santa to bring toys
For candles to light
And then I'll know it's Christmas.
Andrea Carriere, Gr. 2, Lancaster Public School

I'm waiting
I'm waiting for Christmas
For Santa to come
For people Christmas caroling
For joy to come into my heart
For Christmas lights to go on
And then I'll know it's Christmas.
Stephen Rogers, Gr. 2, Lancaster Public School

I'm waiting
I'm waiting for Christmas
For Santa to fall down the chimney
For Mom to put up the tree
For stockings to open
For mittens to keep hands warm
And then I'll know it's Christmas.
Jessica Kennedy, Gr. 2, Lancaster Public School

La plus belle nuit
Il est exactement minuit
Et je dors dans mon lit.
L'enfant Jésus et né,
Il y a plusueirs années.
Nous iron à la messe, fêter cet enfant
Come à tous les ans.
Nous chanterons des cantiques de Noël,
Et nous nous souhaiterons: ''Joyeux Noël!''
Marie-Pierre Bernier, 5ième Ecole St. Joseph

La veille de Noël
Durant la longue année
Les lutins sont très occupés
A fabriquer des jouets par milliers.
La veille de Noël
Il n'y a pas de querelle
Car tous les jeunes veulent voir le Père Noël.
Au milieu de la nuit
Sans faire aucun bruit
Il descent la chiminée san lâcher de petits cris.
Arrivé au sapin
Il prend sa liste entre ses mains
Et did siliencieusement: ''Martin, tu as vraiment mérité ce train.''
Avant de partir
Il a un grand sourire
Car il sait que tous ses petits amis vont bien se réjouir.
Sharon Ferlotte, 7ième, Ecole St. Joseph

Christmas
Christmas is great,
Just like a cake.
Christmas is joy,
Just like a toy.
Christmas is big,
Just like a rig.
Christmas night,
Nobody will fight.
Christmas day,
We will play.
Christmas morn,
The savior was born.

Bientôt Noël

Je regarde dehors,
Le vent est très fort.
La neige tombe vite,
Oh! Que ça m'excite.
Noël s'en vient,
Ce n'est pas bien loin.
L'arbre de Noël est dans son coin,
Prêt pour les cadeaux.
Oh! Que c'est si beau,
Avec les lumières allumées
Encore quelques semaines à s'ennuyer,
En attendant pour les jouets nouveaux.
J'espère que le Père Noël apporte mon traîneau.

Cher Père Noël

Je te raconte un histoire —

Le bonhomme de neige

Il était une fois un bonhomme de neige qui est allé en Floride. Il avait très chaud parce qu'il fondait. Monsieur Duval est venue et il a demandé si le bonhomme de neige voulait aller se baigner. Il a dit: "oui." Le bonhome de neige a plongé et s'est noyé. Monsieur Duval a été chercher l'ambulance et il a dit que le bonhomme de neige c'etait noyer. L'ambulance a dit que le bonhomme de neige devrait être toute fondu. Monsieur Duval pleurait et il a dit qu'il étiat gentil comme un bonhomme de neige.

Chaque année à Noël
On va à la messe de minuit
Quand on revient, on se réjouit.
On mange de la dinde succulante et des bonnes tourtières

Et pour dessert, chez Joël
On déguste une délicieuse bûche de Noël.
On joue des jeux
Et nous sommes heureux
On part tous fatigués,
Mais on ne peut pas attendre pour la nouvelle année!

Dear Santa:
Hi! My name is Edwin Rudolph. My last name is the same as Rudolph the Red-nosed reindeer. I would like for Christmas bright colors of plastic blocks. I like getting presents for Christmas. I would like to get my mom and dad a pitcher for juice with you on it. I really want a kitten and a puppy. I already have a big dog. Bye Santa, I love you very much!
P.S. I'm telling the truth about Rudolph.
Your favorite!

Love, Edwina Rudolph

Dear Santa:
I hope you have a good year. This time I would like a nintendo, a gun, and a Garfield Teddy bear. The thing I want the most is a computer.
Love your buddies,

Mr. Shawn Pilon, J.K. written by Mr. Chris McIntyre, Gr. 4

Now Melanie's turn: Melaine would like some Barbie Dolls, Little miss makeup and go-go my walking pup.

And for my dad — a shirt for the barn

Dear Santa:
How's Mrs. Claus and the elves doing? Are all your reindeers ready for Christmas nigh? Is Mrs. Claus baking for Christmas dinner? Thank you for the toys I got last year. I really liked them. And this is what I'd like this year: for the whole family, a Nintendo. For my mom a spatula, a lipstick case and a hot glue gun. For my dad a shirt for the barn, some socks and a box of Laura Secord Chocolates. For me some stickers of all kinds, some earrings, some Christmas activity books and some craft stuff. I guess that's all for this year.
Love,

Calla Humphries, written by Gina Dragone

Dear Santa:
Is it cold in the North Pole? I hope you have a safe trip on Christmas Eve. How is your family doing? Now here comes the list.
Number one: Let's pretend Costumes and trunk.

Noël
Le soir du 25 décembre,
Nous plaçons nos guirlandes.
Pour le Père Noël chéri,
On lui laisse des biscuits.
Pour les petites rennnes,
Nous leur laissons des beignes.
Nous mettons des décorations,
Et nous mangeons des bonbons.
Et pour la fin,
Nous dison: ''Bonne nuit jusqu'à l'an prochain.''

Cher Père Noël
Comme on aime voir
les étoiles briller le soir.
La neige tomber sur les trottoirs
Comme c'est beau dans le noir.

A la lueur des lumières de Noël
Qui étincellent vers le ciel.
On regarde nos pelles
Qui attendent des appels.

Pendant le long moment
Qui nous rend impatients,
Il arrivera dans quelques instants
On l'attend comme un enfant.

Ho! Ho! Ho! Le Père Noël s'en vient
Avec son traîneau et ses lutins,
Pour lui donner un coup de mains
A apporter des livres et des p'tits trains.

Noël est un temps pour se réunir.
Où les familles et amis peuvent se réjouir.
Pour des cadeaux, il faut courir,
Mais tout le monde a un beau sourir.

La veille de Noël, les familles et amis
Iront à la grandiose messe de minuit.
Et après, ils entreront dans leurs
maisons sans faire de bruit,
Et ils se diront: "Bonne Nuit."

Girl wins hockey MVP

One day on the day of Dec. 1, 1960, there was a girl who was just born. Her name was Jane Larocque. At the age of four she started to learn how to skate. She really liked it, then took figure skating. After that she started playing hockey. She was the best on her team. At the end of the year she won MVP for the league. After her first yer of novice hockey, she started showing her real talents in higher and more better players. After all her minor years of hockey she started playing junior ''A'' hockey for the Sudbury Wolves. She was the best player in the league. But no one would draft her because she was a girl. Everybody who saw her and watched her, were very mad and disappointed. All she could do was wait and pray and wish for a good Christmas present. On the day of January 15, 1973 she was drafted by the Ottawa Senators. She ended up being the best girl who ever played the sport of hockey.

The Christmas Gift

Good afternoon boys and girls. I heard that on Friday, December 7, 1990, there was a dance and I know that a few of my friends are going to be there.

There was girls asking boys and boys were asking girls before the night of the dance. There is going to be a lot of boys and girls at the dance from other schools and some of them we might like.

And it all happens before Christmas. It seems to be a good present for the students and the teachers that are going and we will never forget this dance because it will remind us of our teacher and we all say, ''Thank you!''

Preparer, c'est exitant

Le sapin que nous voulons choisir
Est la source de beaucoups de plaisir.
C'est excitant de faire les préparations
Avant d'orner l'arbre avec les décorations.
Avec patience, c'est ma mère,
Qui attache toutes les lumières.
Rouges, vertes, jaunes our or, j'aime mieux
Les boules de Noël qui sont bleues.
Les oisillons dorment dans leur nid
Tout tremblants sans faire de bruit.
Chevel à bascule, cannes de Noël,
Petit ange qui vient du ciel.
Ce sont les enfants et les parents
Qui posent les guirlandes en argent.
Pour donner la touche finale
Papa a placé l'ange spéciale.
Tout décoré, notre petit sapin,
Attend le Père Noël et son lutin.

Everybody's here for Christmas

It's Christmas time here as you can see
Everyone's here
Aunt Cathy, my uncles, Kate and me!
The house is full of presents for me,
I can't wait to open them
Just look at me!
Mom's laughing
Dad's talking
My cousins are running
This is the craziest house there could be.
I am at my witts end
I can't take it no more
I don't know how my mom does it
I thought my life was a bore
Until today
My life was the same
I've got sisters and brothers
I feel so ashamed
Because of my family, I am here today
It is nuts but I love them anyway
So heck let's be thankful for what we've got
Instead of complaining of what we've not.

The joyful time of year

December twenty-fifth
The best day of the year
The children get exited
As this special day draws near.

The little kids get exited
With all of their new toys
But the mistletoe is the
Nesting place for older girls and boys.

The pretty colors red and green
Are beautiful things to see
But most of all I like the
Decorations on each tree.

A Christmas Thought

I prefer a Christmas Tree,
With the decoration of glistening snow,
Like tree candles on the bows,
Nature is far prettier than all the ar tificial stuff.
It's a time of rejoicing,
Being together with the family,
It's a symbol of peace on earth
Yet we've become materialized.

And I remember last Christmas
The people fought and killed,
They forgot all about Jesus Christ,
And his guest to save the earth
And now I fear there is only few
who remember the real meaning of Christmas.

By Roseann Kerr,
Grade 7,
Laggan Public School

I hate Christmas, just kidding
Christmas day is supposed to be fun
People are happy and call each other hon
I don't like the Christmas bells a'ringing
I hate the carolling and the singing
For all this causes is a ringing
This ringing causes pain in my ears
Which will eventually lead to tears
Put this together and what do you get
"I hate Christmas" "Just kidding."

Andrew Sugden,
Grade 7,
Laggan Public School

Only people bring happiness and caring.

Dear Santa:
How are you? I hope you're not sick for Christmas. I would like some surprises. Perhaps a Ninja Turtle hockey game and some Mega Blocks. If your sleigh is big enough I'd like a Power Wheels jeep. I will leave you some cookies. Did you lose some weight this summer. My dad would like a purple tie and my mother a ring and a dress. My dog would like a food bowl, my brother a toy cow, my sister a doll.
P.S. I can't wait till Chritmas, I hope you can come, your best pal —

Don't forget my dogs, Santa

Dear Santa:

You must be freezing and very very busy. I decided to write this letter because you don't know what I want, so here's a list: I want a Nintendo Mario Bro. 1 and 3, Duck hunt, PJ Sparkles, Bunk beds with covers, twin dolls, and blocks. My sister Justine and my brother Reese would like dolls, remote control cars and a hockey puck, and dad would like some boots and glue. Mom doesn't know what she would like but don't forget my two dogs Ted and Tilly want some bones and a rubber ball. My hamster Stephanie wants some sunflower seeds. Please don't forget. I'll leave you some cookies, milk and sugar for your reindeer. My friend Lisa would probably like some books.

P.S. I really like your long shiny beard.

Christmas

Christmas is a time for joy,
But not for every girl and boy.
Some young kids live on the street,
With only their clothes for warmth and heat.
Christmas should be for everyone,
A time for joyfulness and fun.
We all want to look at the lights,
But kids on the street just want to get through the night.
Christmas is not for sadness,
It should be a time for lots of gladness.
Christmas only comes once a year,
Let's help kids on the street
Get some joy and cheer.

Christmas

Here it is a cold December,
Waiting for Christmas seems forever.
There's a lot of shopping to be done
There's a gift to buy for everyone.
There's Christmas carols to be sung,
And Christmas lights to be hung.
Walking through the streets, it's bells you hear,
Then you spread your Christmas cheer.
Then here comes Santa on his sleigh
Going through the snow, finding his way
He takes out those toys like running a race
Then quietly he leaves without a trace.
Opening your gifts you put on a smile
Stretching your mouths as wide as a mile.
Now you've had your Christmas cheer,
Time to wait another year.

Mary,
Iona

Poem

Christmas is a night
Of a big shining light
Coming from house to house,
He heard a skueeky mouse.
The cookies and milk were gone
Before the last song
He rushed home to find
Peace at last for his old man.

Tricia McDonald,

Christmas for All?

Christmas is a special time of year. You can think of other people who are not as fortunate enough to have the things you have. A lot of kids have Nintendo, Sega or Atari. So instead of asking your mom or dad for video games, just think of kids and families that don't have a bed to sleep in, one meal a day or no warm clothes.

That doesn't mean you can't ask for things. Just remember the others that don't have anything.

Lisa Diagone,

Season's Greetings Meilleurs Voeux
