Those Bell girls may have had our number but we had a line on some of them, too.

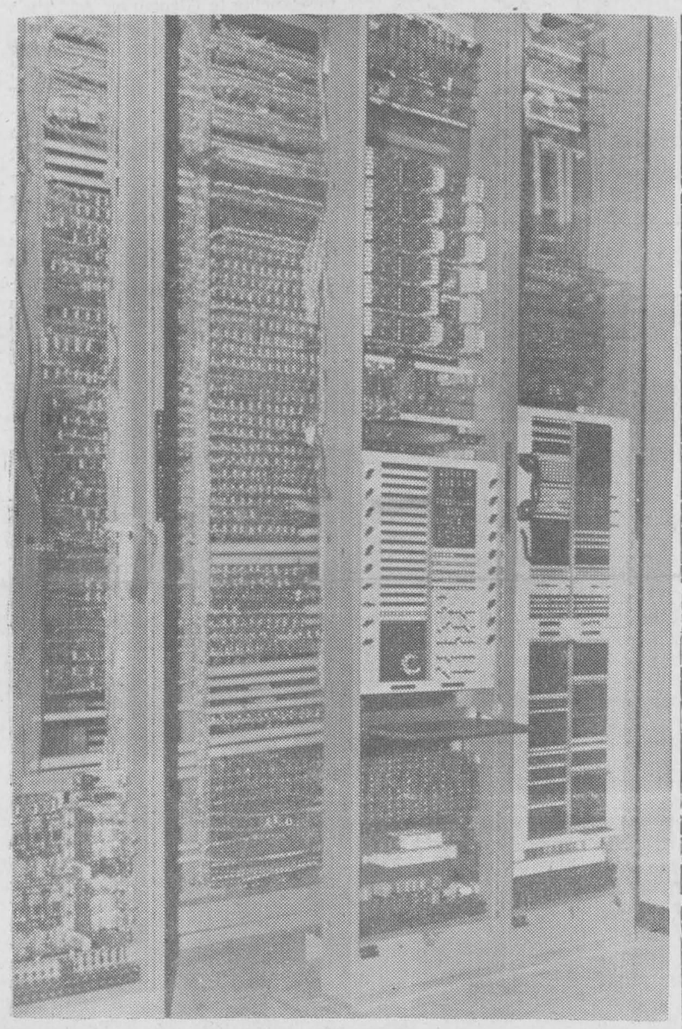
VOL. LXXV — No. 46 * * * ALEXANDRIA, ONTARIO, THURSDAY, NOVEMBER 17, 1966 * * * SINGLE COPY 10c



WE GO TO DIAL—The bank of Bell Telephone girls quits pulling the plug and gives way to automation early Sunday morning as progress comes to Alexandria and Glen Robertson in the guise of dial telephone service. The common battery system we have today is serviced by 20 Bell girls, seven of whom were on duty when the picture above was taken Monday. At left is a view of the interior of the new exchange on Bishop Street which will be entirely automated and only serviced by Bell technicians. A smaller version of this exchange at Glen Robertson will take care of Bell service for that area.

Nominations Set For Next Week

Biennial nominations are to be held next week in four Glengarry municipalities preparatory to possible elections.

In Alexandria the nomination meeting will be held Wednesday evening. Afternoon meetings in Lochiel and Lancaster townships are set for Friday, November 25th, and the meeting in Maxville will be held Friday evening.

This is an off year in Kenyon, Charlottenburgh and Lancaster Village.

Funeral Saturday

The funeral will be held Saturday from Marcoux & Morris Funeral Home of Miss Margaret H. McDonald of Greenfield who died this morning in Glengarry Memorial Hospital. The funeral mass will be chanted in St. Catherine's Church at 11 a.m.

Miss McDonald, aged 78, resided with her only surviving sister, Miss Anna H. McDonald at Greenfield. She was a daughter of Hugh Ranald McDonald and Catherine Smith.

Some 200 At Montreal Gathering

Some 200 gathered at the Army and Navy Hall, Friday night, as Montrealers of Glengarry vintage were joined by a number from this county at the club's annual fall gathering.

Little Jack McDonald and Mrs. McCuaig were assisted in providing the music by Finlay McDonald, Rod and D. J. MacPhee, Donaldson MacLeod and Jackie Smith. Piper Allan Gillis also entertained as did soloists Mrs. Mervyn MacDonald and Innis Campbell.

Club President Donald Macdonald welcomed those present.

Second Level Crossing Accident In Days Took Life Of Rolland Proulx

Rolland Proulx, 48, a resident of the 2nd Lochiel, was instantly killed at 6.30 p.m. Wednesday when his car was struck by the CNR's No. 36 eastbound fast train at a crossing five miles east of Alexandria.

It was the second area fatality of the day and the second car-train crossing accident of the week.

As with Sunday's accident at the Dornie crossing, the Wednesday fatality occurred only a short distance from the victim's home. Mr. Proulx, who lived near the accident scene, was reportedly out in his car looking for a heifer which had strayed. The area was experiencing its first snow storm of the fall and visibility was bad.

OPP Constables Tom Hargreaves and Don Prowse of Lancaster investigated. Dr. A. B. Peachy of Cornwall, was called as coroner.

The late Rolland Proulx was employed at Square C Textiles here while operating his farm.

His wife, the former Laurette Quenneville, survives with one son, Rejean of Montreal.

English Pounds For Hospital

The Glengarry Memorial Hospital drive received its most distant donation last weekend—two English pounds from Mr. and Mrs. Nelson Doree of Felixstowe, Suffolk.

Mr. Doree is a Glengarrian and the couple lived in Alexandria for a time before going to Mrs. Doree's native England.

"We feel a sense of pride in this great achievement and would like to have a small share in it," writes Mrs. Doree to the editor.

NDP Provincial Leader Here

A Newscaller, Tuesday, was Donald C. MacDonald, Ontario leader of the National Democratic Party, who was visiting Eastern Ontario ridings. He was accompanied by Tom Aitken of Martintown, president of the Glengarry association and other officials.

Mr. MacDonald spent Tuesday in Glengarry and spoke at a farmers' meeting that afternoon at the Aitken farm home before going on to Cornwall for a night meeting.

Beaming optimism as to the results of a provincial election which he expects in 1967, the NDP leader said his party would be ready and he pointed to recent poll results to show the growing public support and the swing away from the old parties.

Youth Killed In Tractor Accident Kenyon Councillor Killed By Train

A Maxville area farm youth was killed yesterday in a tractor accident, the second fatality this week in Kenyon Township.

Yvon Cardinal, 22, died instantly at 2.30 Wednesday when the tractor with which he was pulling a farm wagon tipped backward. He was the son of Mr. and Mrs. Emile Cardinal, of lot 34-5th Kenyon.

Constable D. V. Fosberg of the OPP Maxville, investigated and Dr. D. J. Dolan, Alexandria, was called in his capacity as coroner.

His death followed the Sunday afternoon fatality involving Dan Gill, a Kenyon Township councillor whose car was struck by a CNR train at the Dornie level crossing.

Mr. Gill had left his Fourth Kenyon home only seconds before he met death at the crossing which is in sight of his home. The car was carried some 110 feet west of the crossing and Mr. Gill's body was found a few feet from the car which had been struck in the rear by the Ottawa-bound train at 1.42 p.m.

Mrs. Gill had recently returned home from hospital and had not felt up to joining her husband for a Sunday drive.

Born in England, 58 years ago, the late Daniel Gill came to Canada in 1924 and to Glengarry ten years ago from Newmarket. He farmed in Kenyon Township, had served as president of Glengarry Farmers Co-op for a year and had been a member of Kenyon Township Council for the past year. Mr. Gill served overseas in World War II.

To mourn his tragic death he leaves his wife, the former Christine Henderson of Dalhousie, NB; one son, Graham Gill of Cornwall, and one daughter, Miss Janet Gill of Hawkesbury. Also surviving are one brother, Jack of Ste. Eustache, and three sisters, Mrs. Paul Charella of Montreal, Mrs. Harry Goldsby of Toronto and Mrs. Ernest Kercher of St. Jerome.

Rev. L. S. Woolfrey conducted the funeral service in the Church on the Hill at 2 o'clock Wednesday afternoon in the presence of many friends and neighbors. Members of Kenyon Township Council attended in a body.

The pallbearers were: Harold Stimson, Lorne Hall, Albert Faubert, Arthur Leroux, Amedee Seguin and Fred Decoste.

Interment was in Kenyon Church cemetery, Dunvegan.

Dr. Touzel 'Caned' By Medical Society

Dr. C. S. E. Touzel of Fort Worth, Texas, who spends part of each year at his farm in the Dalkeith area, recently was honored by fellow members of the Tarrant County Medical Society. Dr. Touzel was named winner of the annual Gold-Headed Cane Award, the presentation being made November 4th at a gathering in the Colonial Country Club.

The award is given to a physician voted by his colleagues to be the doctor most respected in society.

Dr. and Mrs. Touzel's five children, including three who flew in from Canada, were present for the event. Mrs. Touzel is the former Gwen Cole of Pointe Fortune and the children are: Misses Winkie and Matilda (Peanut) Touzel, legal secretaries at Montreal; Tom Touzel, an interior decorator at Washington; Mrs. Tom Rowe of Austin, Texas and Miss Janie Touzel, a student at Carleton University in Ottawa.

Born in the Pembroke area, the 63-year-old doctor attended McGill medical school and did graduate work at Montreal General Hospital, Children's Memorial Hospital in Montreal and Vanderbilt. A siege of rheumatic fever almost ended Dr. Touzel's career at the graduate level and prompted his going to Fort Worth.

"I came south to bake the fever out of me", the doctor explained to his colleagues. "I've been baking it out of me ever since."

Some four years ago Dr. Touzel purchased the John Denovan farm at Dalkeith and he has since spent some time each year in this area.

Alexandria And Glen Robertson Switch To Dial Telephone Service On Sunday

Alexandria and Glen Robertson telephone users, some 1400, switch to dial service on Sunday.

Some time after midnight Saturday, probably about 2 a.m., according to Bell Area Manager L. M. Holtby, the lines feeding into the present central office will be cut and the switch made to the new dial office on Bishop Street.

The change-over will mark the end of local employment for 20 Bell girls as automation takes over. Those who are married will be retiring while single personnel will be transferred to other posts at Cornwall, Valleyfield, Ottawa or Montreal.

New temporary books listing the new numbers of phone users were received in the mails this week as well as an instruction pamphlet on use of dial phones. The area code is 613 and the Alexandria local is 525 followed by four numbers. The Glen Robertson local is 874 and there will be no long distance charge for calls between the two points.

Area Manager Holtby and other Bell personnel from the Cornwall office played hosts Wednesday afternoon to local businessmen and members of councils in the Legion hall. In an informal talk Mr. Holtby briefly reviewed the 71-year history of telephone service here and spoke of the advantages accruing with the changeover to dial. Service has been improved to Green Valley, he pointed out.

Two telephones had been set up in the room and Mr. Holtby had Mayor Raymond Periard dial 525-3745 and speak briefly to the editor of the News which has one of the first phones in Alexandria.

This marked the first activating of the new dial office where Bell and Northern Electric employees are now completing preparations for Sunday's changeover to dial service.

Remembrance Day Observed Here

Ex-servicemen and members of the Ladies Auxiliary of Alexandria Legion Branch paraded to the Glengarry War Memorial last Friday morning for the annual Remembrance Day ceremony. Pipers and drummers from the Glengarry Highlanders band headed the parade with a color guard from the Legion branch.

John G. Proux was parade marshall and he was assisted at the cenotaph by Larry Sicard.

After the singing of O Canada, prayer was offered by Rev. L. S. Woolfrey and two-minutes silence was observed. A lament was piped and the laying of wreaths was followed by a closing prayer by Msgr. D. A. Kerr. Mayor Periard spoke briefly.

Unusually warm weather for the event brought out a large number.

Won $100 Draw

The Alexandria Junior Baseball team held the drawing for $100 at the Town House Restaurant Friday, November 11th. Mrs. Donat Massia, Kenyon Street W., was the lucky winner with Mrs. Julia Munro drawing the winning ticket.

It was announced that the funds raised were insufficient to purchase jackets for the boys and the amount will be used for baseball equipment next season.

Swimming And Wading Pool Among Centennial Plans For Moose Creek

The residents of Moose Creek are proud of the efforts put forth by the members of this community to raise funds for their Centennial Projects.

After many months of planning and working together, a "giant" Social was held at the Recreational Grounds where a profit of over $1,400 was realized in one night! (For those who may not be familiar with the term "Social", it is a small fair, usually held in the evening and which includes a program, various booths, lunch, etc.)

Everyone, young and old, shared in the raising of this money, just as everyone was given the opportunity to voice their opinion as to how it should be spent.

In order to make this Social a success, the men of the community worked together for many hours levelling the grounds of the Recreational Park, putting up booths for the Bingo, Wheel of Fortune, Fish Pond, Blanket Booth, etc. The ladies worked for weeks preparing salads, cakes, hot dogs and cooking 100 lbs. of baked beans for the thousands of persons who came for miles around to take part in this event. An excellent program was presented with local talent as well as entertainers from Ottawa, Winchester, Cornwall and many surrounding towns—who all gave of their time and talent free of charge as their contribution to this cause. The Master of Ceremonies for the evening was the genial Chuck Collins of CFRA fame, who earlier in the evening, joined his colleagues—the CFRA Happy Blunderers in challenging the local boys to a ball game. The fun and shenanigans which prevailed at this ball game set the stage for the entertaining evening which was to follow.

At a general meeting in the local Community Hall a few weeks following the Social, it was decided that among the many projects proposed, the following would be accepted.

1. Building a Community Swimming and Wading Pool.
2. Planting of the New Royal Red Maple Trees on as many properties in the community as possible. Approximately 100 of these were sold with the property owner paying a portion of the cost and the Centennial Committee subsidizing the balance.
3. Erection of street signs.
4. Installation of lights at the ball park.
5. Erection of playground equipment at the recreation grounds.
6. Waste disposal containers to be placed on town streets.

In order to carry out these projects, plans are already underway to hold various events in the coming year to raise funds. It is hoped to hold an "Old Home Week" during Centennial year which would include parades, dances, ball tournaments, a social, an interdenominational outdoor religious service and many other events. Our aim is to encourage every resident of the community to invite one former resident to return to Moose Creek during this period.

It is encouraging to see all residents (regardless of color, race or creed) joining together to help celebrate Canada's 100th birthday. We feel this is the true spirit of fellowship which should be displayed throughout the year of celebration. We are proud of the efforts put forth by the hard working Centennial Committee and shall look forward to an exciting and eventful time in Moose Creek in the year 1967.

Dial Comes 71 Years After Introduction First Telephone Service Here In 1895

Dial telephone service will be introduced in Alexandria and Glen Robertson on Sunday, November 20. This is one of the most important steps in telephone business is these localities since the opening of the first Bell Telephone exchange in Alexandria on November 12, 1895. For 71 years the Bell Telephone Company of Canada has provided telephone service here.

The first switchboard was installed in Isaac B. Ostrom's jewellery store, on Main Street, in Alexandria. The little switchboard then served 15 customers. Five minutes after the telephone office opened, the first long distance call came through from A. G. McBean, of Montreal, for Mooney Brothers of Alexandria.

The long distance lines which link Alexandria to the outside world have been of high quality since the beginning. Early in 1896, a metallic circuit was established between this community and Montreal, while in 1905 the line to Ottawa was made metallic. These lines were a tremendous improvement over the original single iron wire grounded return circuits.

The longest period that the exchange was ever cut off from the outside world was during the terrible sleet storm of December 1942. The last long distance call originated from the office was at 9.30 a.m., December 20th, 1942 and the next one was at 5.30 p.m., January 8th, 1943, nine days plus some hours later.

The telephone continued its normal growth and a common battery exchange was planned early in the 1940's, but the second world war put a stop to these plans.

In 1948 the Bell Telephone of Canada leased the ground floor of what is known in Alexandria as the "Donovan Building". Bell people then proceeded to install common battery switchboards which were being taken out of St. Jerome, Que. The new exchange was completed and cut into operation at 1.00 p.m., June 22, 1949. At this time, there were 659 telephone customers in Alexandria. On November 20, 1966, dial telephone service will be serving some 1400 customers, here.

Dalkeith Rink To Have New Dressing Rooms

A cement block building, 13x48, is under construction at Dalkeith to provide dressing rooms in conjunction with the community ice rink. The building will provide dressing rooms and a restaurant.

Second Fire Truck

Alexandria firemen held a practice last night to familiarize themselves with their second pumper which arrived last week. The fire truck was obtained from Cornwall.

It had its first baptism of fire here, Friday, when there were two minor calls.

D. A. McDonald Died At 68

The death occurred November 10th in MacDonell Memorial Hospital, Cornwall, of Dougal Anthony McDonald, a resident of the Second Kenyon through most of his life. In hospital for several years, Mr. McDonald was aged 68.

He was a son of Dan J. McDonald and his wife, Margaret McPherson.

One brother and one sister survive: Hugh John McDonald of Toronto, and Mary Margaret, Mrs. Rory McPherson of Leamington.

The funeral was held November 13th to St. Finnan's Cathedral and cemetery. Msgr. D. A. Kerr chanted the Libera.

The pallbearers were: J. Daniel MacDonald, John D. A. McDonald, Bernard McPherson, John David McDonald, Lloyd McDonald and Albert Faubert.

DESERVED RECOGNITION—The young Glengarry Golf & Country Club closed out its most successful season, Saturday, with special recognition to one of its veteran members. Val. J. Chisholm of Lochiel, was presented with a plaque that recalled his unstinting support and service to the club since its inception in 1961. Flanking him are his sister, Miss Hannah Chisholm and Club President Louis Shepherd, the donor.

EDITORIAL

IT'S OUR OPINION

Good-Bye Girls !

Happy and content have we been with our telephone service and it is with something of misgiving that we peer fearfully into a future of dialing. No more the dependable, soft-voiced "Number, please"? From Sunday on we're on our own, plunged into the cold mechanics of searching out and dialing the number we want.

We're going to miss the Bell girls and their many extra services above and beyond the call of duty. As they make way for automation we express warm appreciation for many years of patient plugging and accurate connections. The cheery greeting from central will be no more, giving way to mechanical signals which may save time but which will lose for us some of the more pleasant interludes of the business day.

No doubt the dial telephone will be more efficient than its manually operated predecessor but it is going to take some getting used to on the editor's desk. Where once we could poise pen over paper while making a phone connection with the left hand, now both hands will be involved in completing the call. Eyes that have trouble distinguishing a 3 and an 8 in the phone book will now require bifocals and a lot more number searching with the wiping out of all the familiar numbers that have been long stored in memory. The changeover to dial is going to involve sight, hearing and touch and we have a feeling it is going to take a lot of adjusting to.

There will be advantages with the new dialing no doubt. There will remain no Bell girls on the line and so those who would stray from the straight and narrow will know a new sense of safety in arranging a tryst. Perish the thought Mr. Bell's invention would be so used in Glengarry. There will be more leeway for crank calls, too, and probably wrong numbers will be rife in the period of adjustment.

But these are probably some of the by-products of progress and the new dial service must be classed as just that. We're all for local improvement and so we say welcome dial service to Alexandria and Glen Robertson.

We Seek For Readability

The editor's ears were more than a little warm one recent day as he took over the telephone a verbal blast from a reader unhappy over the treatment given an obituary notice. The hymns sung at the funeral had been deleted, as had the minister's eulogy, despite the family's request that the report be published "exactly as sent in".

We don't like to disappoint our readers to the point they threaten to cancel their subscriptions but we do reserve the right to edit every news report appearing in this paper. And we intend to continue blue-penciling paragraphs that carry little or no news value. If we did not seek for lucidity and brevity there would be room for far fewer reports in our limited news columns.

During the past year we have made it a practice to crop wedding reports of such trivia as what the various bridesmaids wore, what gowns were chosen by the mothers and grandmothers present. And still wedding stories take up a lot of space.

In the obituary column we see little news value in the names of the hymns sung or in use of the rather hackneyed phrase "many floral pieces and expressions of sympathy were received". We have every respect for the cloth and the eulogy of the minister may be of great comfort to the family. It is only in very exceptional circumstances, however, that that eulogy carries any news value.

Not too many decades ago it was the practice of this and other papers to list all donors of flowers or mass cards with each obituary notice. A death report might run more than a column and its news impact was dismal. We don't think today's readers would wish us to go back to such reporting and we intend to continue pruning the excess verbiage with the aim of a newsier, more readable paper.

We felt sympathetic to our complaining reader up to the point she accused us of religious prejudice. That was a haymaker that still hurts and it has prompted this explanation of editorial policy.

We are continually striving to make this paper more readable. It cannot be that if the editor's scissors clip on a bias, whether racial or religious.

Reflections On Remembrance

The Remembrance Day ceremony at the Glengarry War Memorial here was notable at least in one category, the weather. The cenotaph site is invariably swept by a chilling wind out of the west on this November day, but last Friday a warming sun was shining through the clouds. There was a chill in the air, but the wind was non-existent and one was not suffering through the ceremony, wishing for shelter.

The Armouries Hill was not as cold as it usually is on Remembrance Day and that was a blessing. How many of those present would have endured the cold through that obnoxious half-hour during which the roll was being called of all those who had donated wreaths and while someone was being found to lay each piece of artificiality at the base of the cenotaph?

Surely, another year, the format of this Remembrance Day ceremony can be changed to remove any hint of commercialization. Might we not return to a day when the laying of a wreath is a personal thing, or at least less mechanical a gesture than it has become? Is there any need for these imitation flowers and the degree of cynicism which has crept into their depositing? Must every donation to the Poppy Fund entail the naming of the donor and the interminable wait until it is clear he has not even bothered to come and lay his wreath?

We understand some of the proceeds from these wreaths go to handicapped veterans, a very worthy cause. But surely the donations would still be available if one symbolic wreath was laid as a remembrance from all donors, who would remain anonymous. If there is a measure of personal publicity involved, then the Remembrance Day service is being used for a purpose for which it was never intended.

We go there to honor the memory of our war dead, not to glorify the living. Another year there well might be a return to the short, solemn ceremony we knew in the aftermath of World War I. The artificiality might be relieved, too, if one bouquet of actual flowers was deposited in place of the many which now make a mockery of the Remembrance Day ceremony.

The attendance was better than usual, perhaps because of the unusually benign weather. Far outnumbering the adults, though, were the children of school age who might better have been in school.

Remembrance Day should not be just another day off from school or work, in our opinion, and we were disagreeably surprised to find both local banks observing a holiday Friday. One may expect government services to close on any excuse. Some industries across the country closed down Remembrance Day because of union agreements.

Canada's banks have no labor problem in the organized sense and it is incomprehensible to us why they closed their doors on a Friday that is not a public holiday.

Remembrance is a personal thing and November 11th is misnamed if we are to make of it just another excuse for a holiday or its observance a means of raising money, no matter how worthy the cause.

Better Than They Appear

Hallowe'en came and went in town and county almost without incident and in the aftermath there can be nothing but admiration for the good behavior of our youths.

Tuesday's news reports told of trouble in many Valley towns; serious acts of vandalism such as the destruction of a barn and the death therein of a stable full of horses. In some centres young people ran riot, smashing windows, damaging private property, defying the law.

On the local scene, in happy comparison, the mood was mellow; youngsters were out on the town in droves but they were out for fun rather than a fall-out with the law. There were the few usual exceptions, perhaps, but for the most part Glengarry teenagers showed a fine sense of responsibility this Hallowe'en.

This is as it should be, of course. But it was not always so. Looking back down the years to other All-Hallows-Eves we can recall the fathers of some of today's teenagers in more of a mood for mischief. Many minions of the law had a tougher time keeping it clean than had our new police chief in this year of 1966.

There's nothing basically wrong with our youngsters, we would say. If the girls would only go back to looking feminine and the boys would cut their hair to he-man size, we would even favor a bit more frolic come another Hallowe'en. That's about the only acceptable time for boys to let their hair down.

LETTERS to the EDITOR

SUGGESTS TREE-PLANTING

Dalkeith, Ont.

The editor,
The Glengarry News,

The recent improvement in our local highways is warmly welcomed, and deeply appreciated.

Unavoidably, this has necessitated the destruction of roadside trees and hedges, which added so much to our local country-side; inevitably also many miles of our wide new roads have an anonymity which distinguishes them in no way from lonely stretches in so many parts of the country.

In a recent editorial you referred to Arbor Day at school. In my schoolboy days, this preceded the annual Victoria, or later Empire Day holiday (nowadays I think it is generally referred to as the "24th"). Anyway on Arbor Day, in addition to cleaning up the school yard from its accumulation of winter odds and ends we always planted a tree or in some way acknowledg-

SIMON SENDS

Your Rambling Reporter has been taken for a sucker again as witness ness this week's Letters column—if the editor finds space to print them all.

As Shella Scrim so succinctly points out, when we took on the teenagers with a dissertation on Simon and his Disciples we were but falling into the trap, reacting just as expected and providing free publicity for the band. We'll never learn to keep our big mouth shut.

There's Ann putting us in our place, too, reminding us that actually we never had Guy Lombardo or Tommy Dorsey or such, playing for dancing in Glengarry. And she's right, even while using her woman's logic to dance right away from the point, cheek to cheek, yet!

We detect a sad lack of proper respect for old age in Ann's brush-off of Blueberry Hill, but as long as she casts no aspersions on Apple Hill we'll let it go.

Really thrilled were we to hear in person from Simon and the Disciples. The written word really does get around. Gotta admit he writes a pretty good hand (on the typewriter no less) and if he plunks that bass guitar even half as well your Rambling Reporter will just have to find time to accept his very kind invitation to drop in on his next engagement.

Not this week though. We've just been to the Golf Club do and our aging legs are still numb.

One lesson we've learned. Today's kids are true believers in the cult of Simon and his kind and us oldsters better keep hands off or suffer the consequences. They have faith, these youngsters, and they're ready to spread the gospel of go-go.

There's really only one thing wrong with the younger generation. We just don't belong to it any more.

THE GAME GOES ON

The Tories are meeting in Ottawa this week and a lot of Liberals must be watching with interest this umpteenth attempt to dump Diefenbaker. If by some miracle Mr. Camp and his supporters succeed in outmanoeuving that master politician a lot of Liberals may develop a measure of hope that Pearson can be pitched out, too.

It's more than time the House of Commons had an airing.

The childish game of follow the leader, no matter how far he strays, reached a new nadir last weekend in Parliament. Dief was building up his image for this week's party conclave and he appeared to have Pearson over a barrel. The Tories had a filibuster going on Mr. Hellyer's defence integration bill and they refused to give the government an opportunity to pass estimates needed if the civil service was to get its monthly pay-cheque.

Election threats were in the air and the Tories apparently had Mr. Pearson in a bind, but he fooled them Friday. His forces dug up some seven millions of dollars that had been voted but not spent. This was diverted to meeting the payrolls and Dief and his cohorts were left with a busted filibuster.

Mind you, those civil servants had to wait until Monday to get paid, but justice had triumphed, Dief had been left holding the bag and what happened to Hellyer's legislation nobody in Parliament cared too much about anyway.

This was but another prime example of how petty is the game of politics they have been playing in Ottawa over a decade in which the nation is the pawn while the Pearson Liberals and the Diefenbaker Conservatives strive to make the other party lose face.

The government won this last round by a bit of legerdemain which may or may not have been strictly ethical. Extraordinary effort was called for, if only because Dief had to be outsmarted in his manoeuvering to impress the Conservative delegates.

We trust the fiasco is enough to restore a bit of democracy to the Conservative party machine, but we won't count Diefenbaker a dead duck until they've got around to naming a new leader.

Then it will be more than time to tell Pearson he has to walk the plank too.

NEWS OF INTEREST FROM MAXVILLE AND SURROUNDING DISTRICT

The brief open season for hunting deer in this area provided recreation for members of the Pines' Hunting Club. Eight club members took part in the sport. William Chisholm proved himself the good marksman felling a 300-pound deer with a single shot.

Meet your friends at the United Church Bazaar and tea this Saturday afternoon.

Brian Villeneuve of Toronto, spent the holiday weekend with his parents, Mr. and Mrs. Osie F. Villeneuve.

Mrs. John Jamieson spent Monday in Montreal.

Mr. and Mrs. Gerald Lamb and Jamie returned to Lower Sturgeon after spending a short holiday with Mr. and Mrs. C. B. McDermid.

MISS HELEN HANNAH DIED

Miss Helen Hannah passed away in the Montreal General Hospital on Saturday, November 12th. She had been hospitalized there for the past two weeks.

Miss Hannah came to reside in Maxville with her brother L. G. Hannah, in 1947. Following the brother's death in 1960 she continued to make her home here. She was an active member of the Maxville United Church, a member of the United Church women's organizations, and of the Maxville Women's Institute. She was interested in all community affairs and she made for herself a host of friends not only in Maxville but in the surrounding area as well.

Her remains rested at the Joseph Wray Funeral Parlors on Mountain Street in Montreal where her funeral on Tuesday, November 15th at one o'clock, was conducted by Rev. W. Henderson, pastor of the United Church in Maxville. Burial was in Montreal.

Miss Hannah is survived by a brother, John M. Hannah, in California, and several nieces and nephews in Montreal.

ed our responsibility for the care and appreciation of trees.

It is obviously impractical or impossible to have the scholars of a consolidated school nowadays drafted to clean up a school yard which in many cases consists to some extent of concrete and is adorned by few trees.

Possibly the after school population could be brought to show their interest in trees, partly as a centennial program, but more particularly on some continuing basis. Some school groups are I know already doing something along these lines; and our Tree Farmers' Association has stimulated a great deal of practical interest in the problem.

My present suggestion however extends beyond the terms of reference of Arbor Day at school, of the tree farmer, or of the Department of Forestry. I believe that parts of our county contain some of the most beautiful scenery in Ontario. Without trees however, our countryside will lose much of the charm it had, and will look little different from the streets in any city except that the buildings are smaller and farther apart.

For my own part, like many others. I strongly endorse the efforts of the tree farmers, and I acknowledge much good advice and assistance from our local forester.

I am engaged in replacing trees about our buildings, and with the consent of the township council, will in the spring plant a row of trees on the border of the highway in front of our property.

Possibly you, sir, will have some suggestions as to how further similar action can be taken. I do not believe this is a job which should be referred to a committee, I believe that if the idea is praiseworthy, it will have to be largely on an individual basis, but possibly some stimulus, coordination and assistance from some quarter would be helpful.

Yours sincerely,
Howard Mitchell

SHE LIKES "HE"

The editor,
The Glengarry News,

Concerning your article on "What a name Bands", I feel that I must agree with you on most points. Many of the names of our bands are rather far out. However when you start comparing these local boys to such band leaders as Guy Lombardo, Benny Goodman and Tommy Dorsey, I feel that you are going a little too far. How many times were you present at one of their dances?

If you wish to compare our dance bands to bands of the thirties please compare them to bands that were around this district at that time. Or, were there any local bands then? On the other hand if you are thinking in terms of internationally known groups, I think that songs such as "All My Loving" and "Yesterday" by the Beatles and "Today" by the New Christy Minstrels will still be around when Blueberry Hill has faded away the third time.

And one more point: listen to the song "He" by the Righteous Brothers, we don't mind dancing cheek to cheek to its sound. It is, in my opinion, one of the sweetest sounds this side of heaven.

Sincerely,
Ann McDonald.

WHAT'S IN A NAME?

Cornwall, Ont.

The Rambling Reporter,
The Glengarry News,

A recent article of yours was just brought to my attention by a friend who resides in Alexandria. This item was well-written, humorous, and touched with a modern flair; but was also quite vague. I'm sure it was not to be taken seriously though, and I hope that the good Victorian-minded settlers of Glengarry County didn't take it to heart.

I wondered though, as I pondered upon the well-phrased sentences and the "hip terminology" employed by the author, just how well informed was he in the field of music?

Has he ever heard of the "Monks", the "Sinners", the "Prophets", or of "Luke and the Apostles" for example? Is he aware of the fact that there are approximately five thousand bands in the Toronto area alone? Does he realize that Canadian talent is finally breaking the international barriers, and that competition is so keen in the music scene that there is revolution and painful struggle among bands to get to the top? Wouldn't he be proud to see young Canadian groups spreading their talents to other lands, regardless of what title or name they assume? After all, what's in a name anyway?

There are so many groups now, that you no longer can call a band, "Them, It, or Us" . . . because someone has already thought of it!

The particular group pointed out by you has a unique name, with a story behind it.

As you well know, thousands of parents to say the least, have blessed their children with names like Mathew, Mark, John, Luke and Simon, (ever hear of Simon Fraser?)

The name in question, is actually a youth-born nickname of the Bass Guitarist, and Leader of the Group. Since Simon had the name and since he was also the leader, what other path could his band of musicians choose, being his followers? From our dictionary meaning of Disciple, (followers, of a teacher, in music, philosophy, or religion) our name as such was born.

This young group of musicians has enjoyed considerable success in the past few months. Although only ten months old, they have been engaged every weekend, with the exception of a few which were sacrificed (no Biblical meaning intended) to pay attention to school studies. You must realize then that this venture is a part-time, but very enjoyable hobby.

In closing, I would like to thank the editor for his welcome and free publicity. Our only regret is that he failed to mention the fact that the group hails from Cornwall.

In return however, we would like to extend a hearty welcome to him, to attend, free of charge, our next engagement played in the Alexandria area. See you there (we hope).

Yours sincerely,
Simon and the Disciples

GOO AND GLORY—The mud scraped from their eyes, Glengarry District High School's football champs look good and happy after last Thursday's play-off with Hawkesbury High which they won 13-0. The field was soggy after three days of rain but the offence found enough room for running and the defence was solid as ever. Senior Footballers Complete Another Unbeaten Year To Retain Trophy

(by Angus H. McDonell)

The James A. MacArthur Trophy, emblematic of the Glengarry-Prescott EOSSA "B" football league championship will adorn the silverware case in the local high school for another term. This was confirmed last Thursday when Glengarry District High School won over Hawkesbury District High School 13-0 in a sudden death final game on a gridiron that in most areas was a quagmire as a result of almost a 24-hour rain.

Despite the threat of more rain with a balmy breeze the largest crowd of the season encircled the playing field when the local students kicked off to the Hawks. Following a threat by Hawkesbury, quarterback Barry Bethune moved his GDHS troops through the mud to within scoring distance but a placement try by Jack Denovan was short and the visitors again took over. Play hovered around the center area for the remainder of the first quarter with no score.

Gordon McNaughton got away a fine punt early in the second canto that set the visitors deep in their own end as the ball was fumbled although recovered in time.

The greasy ball was causing fumbleitis on both sides as Paul Rochon recovered Barry Bethune's error after Campbell MacGillivray had bull-dozed for 35 yards.

Hawkesbury made a big gain in the next sequence of plays and were assisted by the first penalty of the game tacked on the locals. A fine pass effort by the Hawks was pulled down in Joe Poirier fashion by Neil Macdonald who had been shifted to left corner line backer. This solid defensive effort sparked the first real march of the game by either team.

Barry Bethune then smartly called a play that got Hurricane Paul Rochon from the muddy pools to solid footing along the east touch line and the yard sticks were moved. Bethune triggered a strike pass to Campbell MacGillivray for more yardage. Paul Rochon swiveled to add four more and then it was Glen MacSweyn to the Hawks one. Bethune came right back with MacSweyn and there was no stopping the Laggan star as he plowed into the visitors end zone to give GDHS a major. The convert was blocked.

Hawkesbury came right back and at the three-minute whistle were again on the march but lost heavily on an end run sweep around the mud when Neil Macdonald broke through to nail the Hawks' ball carrier and roll over the side line into the crowd.

There was no change in the score as the gun barked half time, GDHS 6, Hawks 0.

Early in the second half Barry Bethune was belted about the right eye and rookie Hubert Morris took over as GDHS signal caller. Hubert kept the attack moving and on a third down punt Gordon McNaughton booted a Dave Mann single that made the score 7-0.

The Hawks rebounded with another ground gaining surge plus a local penalty to herd GDHS in trouble territory. The visitors were forced to kick and then a Bethune to MacGillivray pass recouped lost ground. Bethune gambled on a third down with three yards to go and Paul Rochon's quick breakthrough moved the markers.

GDHS pilot Bethune then rolled out, kept the ball and darted around right end for a sizeable gain. Following another short line buck, Glen MacSweyn found a hole and galloped through for his second TD. The convert try was blocked and the score was now GDHS 13, Hawks 0.

In the final quarter the visitors went to the air and produced results especially when a pass to the locals 10 was ruled complete due to interference. On the very next play Norman Menard intercepted a TD pass and GDHS took over. The offence platoon kept control of the ball and displayed the stamp of champs as they slowly moved all the way down the field to the Hawks 12. Barry Bethune, on the last play, was going for another major but the Hawks final stand was effective.

There was a flurry of fists momentarily but no damages as the flag went down. Final GDHS 13, Hawkesbury 0.

Former Dairy Instructor Died

A widely known resident of the Apple Hill area, George Allan MacMillan died suddenly in the Cornwall General Hospital on Wednesday, Oct. 19th, after a short illness. He had been confined to his home for a couple of years due to a stroke.

Mr. MacMillan was born at Trout River, NY, on July 29, 1878, a son of the late Dr. Allan MacMillan of Huntingdon, Que.

He is survived by his wife the former Myrtie Reid of Huntingdon, Que., and five sons, Harvey and Alex of Martintown; James of Belleville; William, Apple Hill and Donald of Montreal. One son, John Barclay, predeceased him in December, 1956.

Two brothers, Donald and Barclay of Brockville and two sisters, Mrs. Clarence McCrady (Ruby) Ottawa and Mrs. Charlie McCartney (Ethel) of Montreal, also survive.

Mr. MacMillan was a former dairy instructor for Glengarry and part of Stormont for 30 years, retiring in 1950. He was a life member of Martintown Masonic Lodge. A Masonic service was held at the funeral home on Thursday evening by the Martintown and Maxville Lodges.

The funeral took pace to Zion United Church, Apple Hill, on Friday, Oct. 21st, conducted by the Rev. R. A. McRae. Interment was in the North Branch Cemetery.

Pallbearers were six of his grandsons: Raybourne and Ronnie MacMillan, Dean and Brian MacMillan, Ian MacMillan and Kevin MacMillan.

Winner Of Car

Arthur Crump of Montreal, was the lucky winner of the Ford custom sedan drawn for Saturday night by Glengarry Golf & Country Club. The prize for selling the winning ticket went to Abe Rosenberg, formerly of Alexandria.

A OTS Group To Meet

The regular monthly meeting of the AOTS group will be held at Glen Sandfield on Monday, Nov. 21st at 7.30 p.m.

The UCW group of East Hawkesbury will be in charge of supper arrangements.

Guest speaker will be E. A. MacKillican of Moose Creek. Mr. MacKillican is a poultry specialist and has recently returned from a world tour. Everyone welcome.

St. Andrew's Concert Set For Iona

The St. Raphael's district is presenting a St. Andrew's concert this year in the lovely Iona Academy auditorium, Sunday, November 27th at 8 p.m.

Among the family groups performing will be Alex McCulloch's, Cuthbert McDonald's, Rene Roy's and Mervyn MacDonald's.

Promising young vocalists, Bruce (Allen L.) MacDonell, Brian (Jack) MacDonell and Margaret and Murray (Milton) MacDonald will present favorite selections.

Iona Academy and St. Raphael's School are tuning their bands for the big night, in addition to other musical presentations. There will be bagpipes, violins and attractions galore, so don't miss it anybody. More details next week.—ad.

SOCIAL and PERSONAL

N. D. McLeod and his sister, Miss Mabel McLeod have returned to Vankleek Hill after spending the summer months in Plenty, Sask.

Ian Morris of Toronto left recently for Europe where he expects to spend two years completing his studies. Prior to his departure he visited his grandmother, Mrs. J. J. Morris.

Mrs. Frank Holland and Mrs. Willard Dennis, Ottawa, were guests on Saturday of Mr. and Mrs. W. R. MacLeod, Bonnie Brier.

Mr. and Mrs. Jim Goodman of Belleville, Ont., spent the weekend with Mr. and Mrs. Herbert Goodman and family at Laggan.

Dr. Barry MacDonald who was spending his vacation in Detroit with his mother, Mrs. Charles MacDonald and brother, Edson, spent the weekend with his uncle and aunt, Dr. and Mrs. Rod MacPhee. He left from Dorval Airport for his home in San Francisco.

Mr. and Mrs. Hubert S. Macdonald of Three Rivers, are spending a week with Mr. and Mrs. Ronald Macdonald.

Misses Helen and Vieve Gormley and Peter B. Mosher of Montreal were weekend visitors with Mrs. R. M. Mosher and family.

Visitors with Mr. and Mrs. Peter J. Morris were Mr. and Mrs. Pat Brady of Lachine, on Saturday, and Mr. and Mrs. James Donaldson, Brownsburg, Que. on Sunday.

D. R. MacLeod of Lancaster, NB, was in town this week for several days and attended the funeral of the late Dan Gill.

Archie McDougall of the University of Chicago, spent the weekend here with his wife and family.

Fermin Sauve is visiting in Ottawa with Mr. and Mrs. Kenneth Keith. Guy Sauve and Mrs. Hector Sauve of Montreal, visited over the weekend with Mrs. Laura Gagnon.

Calvin McPherson of Onaping, Ont., spent the weekend visiting friends in Lancaster, Cornwall and surrounding district.

To Promote '67 Fashion Show

A well attended meeting of St. Finnan's Council CWL was held at the home of the president, Mrs. Lloyd McHugh, on Thursday, Nov. 10th. The opening prayer was led by Msgr. D. A. Kerr. Reports were given by various conveners. Spiritual, Mrs. Vincent Barker, announced a Day of Recollection for Ladies at Villa Fatima, Nov. 23rd, also one for High School boys on Nov. 19th. The CWL will pay half the cost for all boys from the parish. The low mass on the first Sunday of each month will be offered for all living and deceased members of the CWL. Education, Mrs. Gerald McDonald urged all members to study the Constitution of the church, and now that the study of the Laity is completed, start will be made on "The Mystery of the Church" at the next meeting. The CWL scholarship, won by Miss Mary Villeneuve, will be presented by the education convener at the High School Commencement.

Social Welfare, Mrs. Jack Reid reported on a very successful rummage sale. She also asked all members to prepare a Christmas gift for a child and bring it to the December meeting. These will be given to the Lions Club to distribute with their Christmas baskets.

Citizenship, Mrs. Cormic McDonald reported that 12 muscular dystrophy cannisters have been placed in various business places. The CWL wreath for the cenotaph will be placed by a member from Dalkeith.

Membership, Mrs. Archie M. McDonald reported membership of 53. A new member, Mrs. Emma Billes was welcomed.

A food sale will be held at the Hub Restaurant on December 3rd.

It was decided that our parish council will join with the United Church Women, from the Church on the Hill, for a Centennial project. A centennial presentation of the modes of the first fifty years of Confederation will be presented by the ladies of both churches, in the form of a fashion show. This will take place during the month of April 1967. Proceeds will go towards a Centennial project.

Mrs. Paul Kolada led in a discussion on "The Laity" with guidance from the director.

Hon. John Bracken At Wedding

BRACKEN—MacCRIMMON

In Kenyon Presbyterian Church, Dunvegan, on Saturday, Oct. 8th, Christyne Elizabeth, daughter of Mr. and Mrs. Stanford MacCrimmon, became the bride of Douglas Gordon Bracken son of Mr. and Mrs. George Bracken, Manotick.

Rev. H. Russell Ferguson officiated at the ceremony and Miss Olive Ferguson soloist was accompanied by Mrs. W. A. MacKinnon as organist.

For her marriage, the bride chose a coat and dress ensemble of white faille and Venise lace with matching coronet headdress and veil. She carried a cascade bouquet of pink roses and stephanotis.

Ruth MacCrimmon, sister of the bride, was maid of honor and wore a long sleeved empire gown of moss green peau de soie. Bridesmaids were Miss Cynthia Bracken, sister of the groom, Mrs. John MacLeod, Miss Lorraine MacLeod, Miss Shirley MacRae. All were dressed in identical empire gowns of old rose peau de soie.

Best man was Robert Cummings, North Gower, and ushers were Sydney Dickenson, Toronto, Weldon MacIntosh, Dunvegan and Robert MacCrimmon, brother of the bride.

Piper for the occasion was Melville MacLeod who was also toastmaster at a dinner served by the ladies of the church in Dunvegan Hall. Guests extending their good wishes to the newlyweds included Hon. John Bracken, grandfather of the groom.

Following dancing at the Legion Hall, Alexandria, the young couple left on a trip to Lake Simcoe, the bride travelling in a blue heather toned suit with black accessories and bronze mums corsage.

Prior to her marriage the bride was entertained at a shower in the Manotick Tea Room where Miss Pauline Krupa, a nursing classmate at the Ottawa Civic Hospital was hostess.

On Sept. 23rd, Mrs. Roy McGillivray, Mrs. Elmer MacDonald and Mrs. John Ross MacLeod, assisted by neighboring ladies, were hostesses at a miscellaneous shower in McCrimmon Hall.

Miss Heather MacCuaig, Dalhousie, entertained former high school friends at a pantry and linen shower in her home.

Mr. and Mrs. Bracken will reside at Osgoode, Ont.

Remembrance Day At Apple Hill

Remembrance Day services at the cenotaph in Apple Hill were under auspices of Glengarry Branch 312 of the Legion and the Ladies' Auxiliary.

Guides, scouts, cubs and school children from Maxville with their teachers took part in the parade at 11 o'clock which was headed by pipes and drums. Last Post was sounded by Gilbert Quenneville of Williamstown and Piper Arnold Munro piped a lament.

Speakers included Osie F. Villeneuve, MPP, Rev. Gordon Villeneuve and Rev. Mr. McKay. Several wreaths were laid by individuals and groups.

At close of the parade lunch was served by the Ladies Auxiliary.

That evening the Ladies Auxiliary held its annual euchre party. A. Bissonnette won the door prize and the special draw for a transistor radio went to Mrs. Gwen Benton of Montreal.

BELL LINES

by L. M. Holiby
your telephone manager

Christmas shopping lists beginning to get you down? Sometimes it is difficult to know just what would be most appreciated by members of the family and special friends. Something that is exciting to receive but still practical and useful. I've a suggestion that might help you fill the blank spaces beside a couple of special names on your list. An extension telephone. Your Christmas morning surprise will be a year-long reminder of your thoughtfulness. It won't be tucked in a drawer, pretty but useless. Instead, all year long it will save time and steps and its ring will bring a thought of Christmas cheer on the hottest August day. If this idea helps solve a shopping problem, give our Service Representative a call at Cornwall. We'll Christmas-wrap and deliver the telephone of your choice, and arrange to return and connect it later when most convenient.

Just a reminder to anyone planning to make overseas calls during the busy holiday periods of December 24-26 and December 31 to January 2. Advance reservations for such calls will be taken starting Monday, November 28 from 9.00 a.m. To reserve a call, just ask your Long Distance Operator to connect you with the Overseas Operator for the country that you wish to call. The Overseas Operator can then arrange all the details of the call with you. If at all possible, it's a good idea to make the calls before or after two peak calling periods. That way no reservations are necessary and your call should go through quickly and easily.

"TELEPHONE OPERATORS ARE NOT PERMITTED TO REPORT AT THIS BUILDING AT ANY HOUR OF DAY OR NIGHT IN BICYCLE COSTUME." Believe it or not, that's a quotation from a telephone company bulletin dated 1895. And that same year, a women's fashion magazine said, "Let women's business attire be black, brown, or grey serge. Black is preferred on account of the unwritten law governing the style of dress by many self-supporting women." How the styles have changed in almost three-quarters of a century, and personally, I think our telephone girls today look pretty attractive in their bright, gay colors. But Operators' clothes aren't the only things that have changed around the telephone company during the last 71 years. There is no shouting now when talking Long Distance, it's just like speaking to someone across a desk; it's possible to dial cross-continent calls in seconds for a fraction of the cost of 71 years ago. In fact, our Operators today preside over boards keyed to a communications network unimagined 71 years ago. All those years of research and development have made your telephone the most modern, trouble-free, reasonably-priced phone in the whole world.

SPORTS in the GLENS

by ANGUS H. McDONELL

The furrowed brows of Stanley Fraser and Jim Baker smoothed out in late afternoon last Thursday as the GDHS pigskin squad carried their coaches shoulder high across the muddy playing field following a repeat championship win, 13-0 over Hawkesbury.

The Hawks were troublesome and provided stout opposition that added greatly to the season's play. Williamstown, Maxville and Vankleek Hill held their own, especially in their inter-school games. So all in all this must be rated a successful year.

GDHS this year were rebuilding around veterans like Mike Major and Maurice Faubert with promising juniors such as Hubert Morris and Neil Macdonald blending into the play of Campbell MacGillivray, Glenn MacSweyn, Paul Rochon, Jack Denovan, Gordon McNaughton and Barry Bethune, to mention a few in passing.

With GDHS juniors matching Cornwall juniors stride for stride as we saw recently, we are more convinced than ever that GDHS belongs in EOSSA "A" Class.

As we close out this fine school football term we suggest Mrs. Stanley Fraser, instructor, and her bevy of attractive cheer leaders step up and take a bow along with their heros. Mrs. Fraser's gals added a lot of color and spirit at home and away games. In addition to Captain Barbara Villeneuve the following students completed the cheer-leader troupe: Judy McDonald, Madeleine Faubert, Andrea Macdonald, Mary McDonald, Susan Roy, Susan Amelotte, Sharon Munroe, Linda MacEwen, and Isabelle MacDonald.

LANCASTER'S SUCCESSOR?

Will the successor to Ron (Regina Roughie) Lancaster be a youngster with a Lochiel background? Could be, according to the 1966 Regina Intercollegiate Football All-Star cast.

Dave Pickett is the quarterback choice by a prairie mile.

Those descendants from Glengarry keep bobbing up hither and yon in sport like apples in a tub of water at a Hallowe'en party. A couple of weeks ago it was a Brown House area memo from California. Now it is Saskatchewan and Nova Scotia.

Dave Pickett, a student at Campion College, Regina, is a son of Mr. and Mrs. Al. Pickett. Al Pickett is a travel-agent for Air Canada and is a former Montrealer. Mrs. Pickett is Heather, the daughter of the late Alex Chisholm, of Hillcrest, Lochiel, and Mrs. Chisholm, now of Montreal.

Regina Leader-Post sport scribes write that in Dave's first senior year he was the class of the league's quarterbacks. Dave is rated as a "thinking" field general, mixing his plays well and blessed with an outstanding knack for picking out defensive flaws and turning them into points for his school team. Dave Pickett has another senior year before graduating and can't help but become one of the top quarterbacks to ever perform in this college league.

Alerandria town council have turned back the hands of the sport clock some 50 years, however, so long as we have Glengarry offsprings like the Dave Picketts and Burns McPhersons the heritage of the Glens will still be carried along.

BURNS IN COLLEGE BOWL

From the football wars at GDHS to the Canadian College Bowl game in one hop-step and jump is an extraordinary sport achievement. This will be accomplished by popular all-round athlete Burns McPherson next Saturday when Don Loney's St. FX men meet Waterloo Lutheran Golden Hawks at Varsity Stadium, Toronto.

When Burns first showed promise on the school gridiron we wrote that possibly another chapter of history repeating could be in the making. Some years ago Winnipeg Blue Bombers had among their mighty roster two McPhersons. They were sons of Mr. and Mrs. Donald R. McPherson of Winnipeg. Now Burns, a son of Ranald and the late Mrs. McPherson, a first cousin of the former Bombers appears to have laced on the football cleats of his next-of-kin.

Burns graduated from the Stan Fraser-Jim Baker class with the distinction of gaining three days tuition at the Rough Rider student camp. From here we took Burns into the Cornwall Junior Chargers fold and he was timber from the first workout. Then it was on to Antigonish and Don Loney one of the master coaches in Canadian College football.

Although the St. FX backfield is a bit light they are fleet afoot being in the 10-second class. Before the first game ex-Rough Rider Loney tossed sweater No. 42 to Burns and pointed to the middle linebacker slot. In later games, depending on the "rush", Loney switches Burns to block the corner. Still showing improvement and confidence, Loney has Burns also doing the kick-offs and punting.

The defensive work of this fine Glens' student-athlete has won for him the player of the game, "Skull Award", in the recent wins over St. Dunstans, PEI and Acadia U.

BAINSVILLE

WI MET

The November meeting of the Bainsville WI was held in the WI Hall on Wednesday, November 2nd. The motto "Good Food and Good Health are two of life's Greatest Blessings" was commented on by Mrs. J. R. Petrie.

Fourteen members answered the roll call "Name something new in the Medicine World".

Plans for the dessert eucre were made by the members and it was decided to hold it on Friday, November 25th.

Mrs. Rufus Carr read a report of a maple tree growing in Fonthill, Ont., which is older than the Dominion of Canada. It is being carefully preserved with any cavities cleaned and filled. It is now 18 feet in diameter (the item reports) at chest height and has grown to a height of 95 feet. It has been named "Old Glory".

Mrs. James McKie gave a paper on the problem of over-active childern, many of them because of a nervous condition rather than enjoyment of healthy exercise. Mrs. H. J. MacCuaig read an item on the "Drug Witch Hunt", a controversy on the origin of certain drugs.

Mrs. G. Thompson gave a very interesting report on the WI area convention.

The social period was conducted by Mrs. Rufus Carr, the prize for the guessing contest being awarded to Mrs. D. J. Morrison.

Lunch was served by the hostesses, Mrs. H. J. MacCuaig, Mrs. J. R. Petrie and Mrs. A. Robertson.

IMPORTANT
NOTICE TO MOTORISTS
Effective January 1, 1967, a passenger in a motor vehicle, who is not paying a fare for passage, will have the right to claim damages from the driver and/or owner of the vehicle if he's injured in an accident caused by the driver's gross negligence. (There will be no change in the law affecting fare-paying passengers, who will continue to have the right to claim damages.)
The insurance industry advises that almost all automobile liability insurance policies now in effect include coverage against this new risk. However, all motor vehicle owners, and particularly motorcycle owners, are urged to check their policies to make sure that passenger hazard coverage is included. If there is any doubt you should check with your automobile insurance agent.

LETTERS to the EDITOR

WHERE'S THE MONEY COMING FROM?

Alexandria, Ont.

The editor,
The Glengarry News,
Dear sir,

Having been confined to the house due to illness for the past five weeks I have had much time to mull over recent developments in our town and wish to make known my thoughts on some of these matters.

The Glengarry Gardens is foremost in my mind after reading last week's News. In this one week Our Town Council has authorized the spending of $8,500 of our money, $2,500 for ice time etc., some of this in neighboring towns, plus $6,000 for an open air rink. Add to this $6,000 extra costs for snow removal, remaking ice after every thaw, plus the fact it can be used only for a very short season in which every day's use is an uncertainty, dependent entirely on the weather and you have a very costly way of providing accommodation for our winter recreation program.

I would like to know where all the money is coming from when only a year ago, we were told by these same men that it was impossible for the town to do any more than it was doing and purchase of the Glengarry Gardens at the bargain price then offered was impossible. This Arena Question as it is called has become a political football and has been used as such these past few years. It certainly was used against me in the last election as I made no bones about the fact I felt the Gardens should be owned and operated by the town as a Community Center and I still feel the same way. I was one of the original seven who invested over $8,000 each to keep the Gardens operating. This in addition to countless hours working there for free, selling tickets, working in the canteen, begging yearly grants from council and I use the word begging intentionally as this is exactly what we had to do. Just yesterday Alex DaPrato told me he is still trying to collect $1,000 from the town which is long past due (1963 I believe). This same council bought the Armouries without anyone's consent, then not knowing what to do with it sold it the same way. If they were consistent in practising economy it would be easier to understand their actions but in 1965 they budgeted $7,000 for asphalt patching of our roads and sidewalks and ended up spending over $17,000. This information was given to me by two of our councillors who were not on the Road Committee.

Our young people are our town's greatest asset yet we quibble over a few lousy dollars when it comes to providing them with recreation facilities. Our town's business affairs are also extremely important. What do we do when election time rolls around? Do we elect the best men we have to council or has council become a place where one can attend the meetings and draw enough money to pay his taxes without putting forth too much effort to better our town. I understand on good authority that some of the councillors who do the most talking on the street rarely open their mouths at the council table. This fall at the nomination meeting ask them individually to report on what each did to make our town a better place to live. You are entitled to do this as your tax dollars are paying these men from $15 up per meeting plus $10 per special meeting.

There is some talk of a new recreation center on our park which would cost in the vicinity of $150,000. Would it not be better to buy the existing Gardens at $56,000 while it is still available? It is in very good condition and would serve our needs for many years to come at a fraction of the cost of a new building. As well it is very centrally located for all our citizens with the Legion facilities close at hand for feeding our young hockeyists at tournaments, etc. If purchased by the town the neighboring townships should be asked to contribute and it could be operated as a center serving these as in the past. If council is afraid to act why not put it to a vote of the ratepayers this fall. Some who might have opposed it before will support it now as it would be much cheaper than the proposed outdoor rink.

As a member of "Le Grand Sept" as Wilfrid Menard jokingly called us I have heard us cussed, discussed, ridiculed, belittled as well as being accused of profiteering but I ask you one and all to remember one pertinent fact. We seven and we seven alone provided the youth of this area with a covered artificial ice arena for 12 years, which, we do not have now. This at a cost of never more than $500 of the taxpayers' money each year and for most of these years less. I sold my share two years ago to Raymond Ouellette for reasons of health and he certainly has done his share to continue my efforts even at a cost of imperilling his health.

I also wish to state that these words are in no way directed at the one councillor (and there was only one no matter what you may hear on the street) who voted to rent the arena at the present rental for this year with a view to purchasing it later on. As well I wish to state that I offered to buy both the Armouries and the Gardens at different times. I also guaranteed to run the arena for two years as such. This is not idle talk but facts. The Armouries offer was for Program 5 and can be checked with Crown Assets Corp. in Ottawa and the arena offer may be checked in the minutes or by contacting Wilfrid Menard as I gave him a cheque as deposit on same with my offer to purchase. The one councillor mentioned above was my close friend Lyall Costello.

In closing, in case I am accused of "politicking" I wish to state I shall not be a candidate for any municipal office this fall. However, I ask everyone to think this over as election time approaches. I have a young son Rodney (11 years old) so I know first hand what it means to this particular youngster to be deprived of the arena.

Yours truly,
Louis Shepherd.

JUST AS EXPECTED

The editor,
The Glengarry News,

Re your article on band names, particularly "Simon and the Disciples", you, sir, gave the hoped for and expected reaction to such a name, you devoted a column in your paper to discussing the band! (Simon probably had people like you, editors, principals, students in mind when he named it thus). The reason people do something radical is usually to invite controversy, discussion and publicity.

Thank you for your co-operation and (thanks to you). I am sure we'll be seeing more of Peter-oops Simon and his Disciples!

Yours sincerely,
Sheila Scrim

AUDITORS' REPORT - TOWN OF ALEXANDRIA

The Mayor ,Members of Council and Ratepayers,
Municipality of the Town of Alexandria,
ALEXANDRIA, Ontario.

Pursuant to our appointment as auditors of the Municipality of the Town of Alexandria, we have audited the books and accounts of the Municipality and its related Boards and Commissions for the year ended 31st December, 1965 and have prepared therefrom the attached statements.

We have obtained all the information and explanations we have required.

CAPITAL AND LOAN FUND BALANCE SHEET
GENERAL FIXED ASSETS

We did not verify the title to land, buildings and other capital assets which appear on the Balance Sheets at book value. As there has been no appraisal of insurable values we are not in a position to comment on the adequacy of the insurance coverage.

In the 1964 Capital Fund Balance Sheet, the sewerage disposal project carried out under the Ontario Water Resources Commission, was set up in the Fixed Assets at the total cost of the asset. However, after examining correspondence from the Department of Municipal Affairs, it now appears that title to this project remains in the Ontario Water Resources Commission until the Capital debt has been paid off, at which time we understand the Town of Alexandria will receive title. As recommended by the Department, the asset has been transferred from General Fixed Assets to Other Tangible Assets.

ACCOUNTS RECEIVABLE

Local Improvement By-Law No. 832, representing expenditures on a sewer in 1963, were never debentured and the remaining balance due from the ratepayers has been set up under Accounts Receivable.

DEBENTURE DEBT

During the year debentures were issued from sundry works at the total cost of these works without deducting the Winter Works Grants relating thereto. Grants in the amount of $8,850.00 have been applied for, and when received should be set aside and utilized only for such purposes permitted under the legislation, and as specifically approved.

REVENUE FUND BALANCE SHEET
CASH ON HAND

The cash on hand includes proceeds from sale of debentures in the amount of $21,204.20 which were deposited in the General Fund Bank Account of the municipality on 4th January, 1966.

ACCOUNTS RECEIVABLE

The sundry accounts receivable in the amount of $170.00 and amounts due from other Municipalities in the amount of $1,325.94 represents for the most part, long past due accounts. We have recommended in previous years that your Council review these accounts and determine whether or not they are collectible. If they cannot be collected we have recommended that appropriate action should be taken to write them off.

TAXES RECEIVABLE

The taxes receivable of $88,218.32 includes property and business taxes relating to one ratepayer in the total amount of $28,027.96 including interest, to 31st December, 1965. No provision has been made for any loss arising out of the failure to collect this amount.

TEMPORARY LOANS

The temporary loans from the bank in the amount of $80,000.00 exceed the borrowing limit permitted by Section 329, Sub-Section 2 of the Municipal Act, R.S.O. 1960, and so far as we are aware, no permission has been obtained for this additional borrowing. We would point out the provisions of Section 329 Sub-Section 2 with respect to penalties which could be incurred.

We would recommend that provision be made in future budgets to increase the reserve for working funds to an amount considered adequate for the financing requirements of the Town.

DEFERRED REVENUE COMMUTATIONS

During the year debentures were issued for the total cost of certain local improvements not taking into account cash payments by ratepayers. This latter amount is set out under Deferred Revenue and should be written off over the life of the debenture.

PUBLIC UTILITIES COMMISSION

In the accounting system of the Public Utilities Commission, no change fund is provided for, consequently monies are not in all cases deposited in the Commission's bank accounts as received. We understand that change funds have been provided for subsequent to the end of the year.

As previously reported, we recommend that receipts for hydro and water be segregated and these receipts be deposited in the respective bank accounts in the form in which they are received.

During the year, and at the request of your Council, we have carried out an investigation into certain of the records of the Water Work System, which would indicate that a misappropriation of funds by a former employee of the Commission had occurred during the period between 1st January, 1960 and the end of September, 1964. We understand that the Commission is presently dealing with this matter.

The statements of the Hydro Electric System have been prepared in accordance with methods adopted by the auditors of the Hydro Electric Commission.

SCHOOL BOARD

Our separate report on the School Board precedes the statement to which it relates.

GENERAL COMMENTS

We would recommend that proper receipts, serially numbered, be used for the recording of all of the miscellaneous revenues of the Town.

In the preparation of future budgets we would recommend that more care be taken to ensure that all anticipated revenues are included and that adequate provision is made for all planned or anticipated expenditures. The budget of expenditures should include necessary provisions for allowances and reserves. These should be broken down into the classifications set out in the financial reports required by the Department of Municipal Affairs.

As there has been no appraisal of insurable values, we have been unable to report on the adequacy of insurance coverage. Schedule 19 sets out the insurance coverage as reported to us.

We would recommend that a survey be prepared of all insurance presently carried and that your Council determine that the coverage is adequate.

Schedule 20 sets out the officials who are bonded and the extent of their bonds. We would again recommend that Council review the coverage of the Fidelity Bonds and determine that the amount of coverage is adequate, having regard to the funds under their control.

CERTIFICATE

Subject to the qualifications set out above, we hereby report that in our opinion:

1. The financial transactions which have come under our notice have been within the powers of the Municipality.
2. The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.
3. The financial statements present fairly the financial position of the Municipality of the Town of Alexandria as at 31st December, 1965 and the results of its operations for the year ended on that date.

MOOSE CREEK

MRS. NELSON McRAE DIED

Relatives and friends learned with sincere regret of the death of one of the Moose Creek highly esteemed residents in the person of Mrs. Nelson McRae, which occurred in the Rupert Nursing Home at Newington on Thursday, November 3rd at the age of 92 years.

Mrs. McRae had been in failing health during the past five years and for four of these years had been confined to her room. About one month ago she was removed to the Nursing Home but despite all medical aid her death occurred on Thursday.

A daughter of the late Archibald MacGregor and his wife the former Miss Janet MacCallum, she was born on Lot 10 in the Eighth Concession of the Township of Roxborough (Tayside) on April 19th, 1874. Her maiden name was Christena MacGregor.

On April 29th, 1912, she married Nelson McRae of Moose Creek, and since that time they had resided on their large farm west of the Village of Moose Creek. Mrs. McRae took a keen interest in all Society activities. She was a Charter Member and a Life Member of the Moose Creek Branch of the Women's Institute, having served as one of the organization's first presidents and later held several other offices. At her funeral the members of the local Branch stood as a guard of honor as her body was taken into and from the church.

Mrs. McRae leaves to mourn her death, her husband, Nelson McRae, one son, Menzies McRae of Moose Creek; two daughters, Mrs. Ruth Reid of St. Catharines, Ont., and Mrs. John G. O'Sullivan (Grace) of Rochester, NY. Ten grandchildren also survive.

The body rested in her late residence from where the funeral was held to Knox Presbyterian Church, Moose Creek, where the service was conducted by Mr. Edwin G. Nelson assisted by Rev. W. E. Henderson, Minister of Knox United Church, Moose Creek, who brought a comforting message to all relatives and friends. A combined choir of members from the Presbyterian Church and from the United Church led in the service of praise.

Pallbearers were Roy MacDougall, Archie MacGregor, Roy MacGregor, Kenneth MacGregor, nephews, Alderic Bray and Allen Prebble.

Interment took place in the family plot in the Sixth Concession Cemetery, Roxborough, where the service was conducted by Rev. W. E. Henderson and Mr. Edwin Nelson.

JAMES ARTHUR CUMMING

A former resident of this Moose Creek district in the person of James Arthur Cumming died on Sunday, October 30th in a New Liskeard hospital after a lengthy illness. He was 78 years of age.

Mr. Cumming was born in the Fourth Concession of Roxborough Township (Warina) on June 17th, 1888, a son of the late Peter Angus Cumming and his wife the former Margaret Miller of Monkland.

Mr. Cumming was a farmer and operated his farm in this Moose Creek area until the year 1930 when he disposed of his property and left to reside in the New Liskeard district.

In the year 1940, he joined the Armed Forces in World War 11. He was stationed at St. Therese, Que., where he resided and remained in the Armed Forces until the end of the war. He again returned to New Liskeard where he had since resided.

Mr. Cumming is survived by his widow, the former Miss Hilda Brownell of Monkland; three daughters, Mrs. Dalton Snetsinger (Elsie), Mrs. Wallace Heasley (Violet) both of Cornwall, Mrs. Robert Rugger (Lillian) of California; two sons, James Cumming of New Liskeard, and Walter Cumming of New Brunswick. Eleven grandchildren and three great grandchildren also survive. He also leaves one sister, Mrs. Ella Gough of Moose Creek.

The body rested in the Perrin Funeral Home, New Liskeard where the funeral service was held and was conducted on Wednesday, November 2nd by Rev. T. A. A. Duke.

The pallbearers were David Cumming, R. Gellinas, R. Lachapelle, D. McFarlane, H. Plaunt, R. Goddard, all of New Liskeard.
