Lancaster preparing for many visitors at Saturday unveiling

Lancaster's day of tribute to the memory of area dead in World War II is expected to draw many hundreds to the village, Saturday, and the work of organization has involved many residents of the village and area. Officials expect to be providing lunch for from 300 to 400 bandsmen, visiting Legionnaires and other groups, as well as the dignitaries taking part.

The pipe bands of the Black Watch, Montreal, the Glengarry Highlanders and the SD&G Highlanders will be taking part in the opening parade that leaves the medical centre at 11 a.m. to march to the unveiling site on the Separate School grounds. A combined color party will head the parade which will include a platoon from the SD&G Highlanders, the Char-Lan cadets, Legionnaires, and Auxiliary members, other cadet groups, scouts, guides, etc.

Prior to unveiling of the plaque, Captain Lucien Dumais of the Fusiliers de Montreal Regiment will present Dieppe commemorative prisoner-of-war medals to Louis Lapierre of Lancaster and Douglas Lunan of Georgeville, Que. Both were members of the FMR's and were captured at Dieppe.

Maurice Dupras, MP Labelle, Que., and chairman of the Standing Committee on Veterans' Affairs, will address the gathering and the unveiling will be handled by Legion Branch President I. R. Clark and Lt.-Col. George Edgerton, a native of Lancaster.

A brief interlude will follow the Last Post and a lament by Pipe Major MacKenzie, then the parade will wend its way through the village streets past the saluting base at the Lancaster war memorial.

John Fisher of Bainsville, will take the salute and Mrs. Florence MacDonald of Lancaster, will represent the Silver Cross Mothers.

Following lunch the three bands will present a band concert and massed bands demonstration on the Separate School grounds at 2.30 p.m.

Seek Manpower counsellor here

A Canada Manpower counsellor is needed in Alexandria, the Glengarry Inter-Agency group feels and it has formed a subcommittee to try and secure such a service here.

Ex-mayor J. P. Touchette is chairman of the sub-committee and Eugene Bergeron is vice-chairman.

The committee has already met with government agencies and will seek the assistance of the federal government's Outreach Program which reportedly has funds available for such services.

The local office would advise on job opportunities, retraining programs and other manpower openings.

Counties levy for Alexandria down $10,000

Alexandria's share of the United Counties Council levy on the municipalities will be down some $10,000 from that of a year ago, according to budget estimates fixed at a meeting of council's finance committee on Monday.

Alexandria's levy will be $81,148 and that compares with $91,024 budgetted for from this town in April 1973. It marks the second year in succession the town's levy has been reduced. The drop from '72 to '73 was $5,619, from a high of $96,643.24 levied in 1972 from Alexandria.

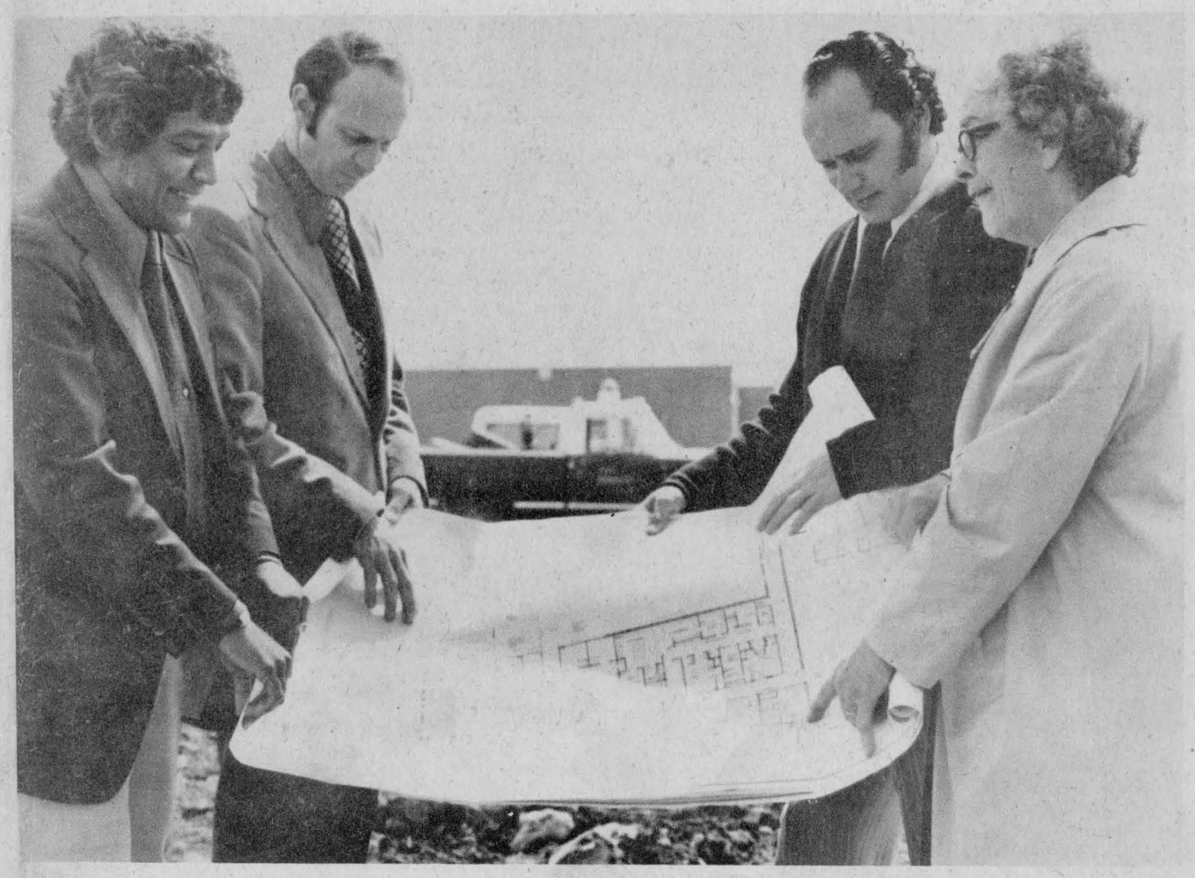
Counties Council budgetted for $1,150,000, a total $15,000 higher than last year. Counties' expenditures are estimated at $5,088,487 with the greater part met by various provincial grants.

The total levy is distributed among the various municipalities in the following amounts: Alexandria: $81,148; Township of Cornwall: $129,099; Charlottenburgh: $125,579.

Other townships pay: Finch, $41,268; Kenyon, $43,851; Lancaster, $80,290; Lochiel, $55,886; Matilda, $62,666; Mountain, $52,769; Osnabruck, $77,661; Roxborough, $43,041; Williamsburg, $69,658 and Winchester, $66,492.

Among the villages, the largest payer is Morrisburg, with a levy of $66,147 against the 2,068 ratepayers.

Others are Chesterville, $36,427; Finch, $5,196; Iroquois, $42,626; Lancaster, $9,509; Maxville, $13,285; Winchester, $46,388.



STUDY PLANS HOSPITAL ADDITION—Just 10 years after sod was turned to signal start of the building of Glengarry Memorial Hospital, excavation is again underway on the hospital addition. The contractor, M. J. Lafortune of Ottawa, actually started work two weeks ago, the footings are in and concrete pouring will start Thursday. Council to meet on filtration

Filtration plant problems continued as the major issue at Tuesday night's council meeting when Councillor Ranald MacDonald charged, "It seems we are giving up protecting the ratepayers and are concentrating on protecting the town engineer".

At the meeting on April 16th it had been pointed out that some $200,000 has been spent at the filtration plant in the past three years and numerous repairs have been done that have been costly to the PUC.

Councillor MacDonald criticized the method of construction used by Town Engineer G. E. Seguin in the plan for plant expansion.

Mr. Seguin had refuted the Councillor's charge at that time by noting "tests were done by experts and a team of consultants had been conferred with before the decision was made". He had added that he did not have his files with him to adequately defend himself.

Councillor MacDonald declared that Mr. Seguin had been informed prior to the April 16th meeting by registered letter and there was no reason for him not to have been prepared.

Mr. Seguin was not present at Tuesday's meeting.

Councillor MacDonald further questioned the authenticity of a bill dated Dec. 18th, 1973, which was submitted to the PUC by Mr. Seguin for services rendered. This bill was for $200 and Mr. MacDonald suggested it was in fact a bonus to Mr. Seguin from the PUC. He demanded an explanation from PUC Chairman Bruno Massie.

The mayor suggested Councillor MacDonald attend this week's PUC meeting to confront the entire commission on the matter. Mr. MacDonald refused.

The subject was left hanging and a special meeting with the Town Engineer is expected to be held to clear the air on this matter.

There was a letter from Rev. Lloyd Davies stating that he regretted reading in the Glengarry News the intentions of the Lions Club to hold a giant bingo, on Sunday, June 30th, stating that "Sunday is the Lord's Day and games of chance and such should not be held". He asked council to intervene. A copy of the letter is being sent to the Lions Club.

Lochiel Township council advised that action would be taken if the town continued dumping raw sewage in the ditches of Linsley St. East.

The problem stems from the northend sewer's pumping station which gets overloaded during heavy rains. Sewage and rain water then overflow into a ditch under the CNR right-of-way. The town engineer will be asked to seek a solution.

The by-law governing mobile homes was discussed and council decided double mobile homes, when placed on an adequate foundation, would be acceptable anywhere in town.

Lost large sum from truck

Ray Jette, local Sealtest dealer, reported theft of his bank deposit from his truck on Friday. The $2300 deposit was mostly made up of cheques that had been endorsed by Mr. Jette.

The deposit was in the truck while he was making deliveries, Mr. Jette reported to police, and it could have disappeared anywhere in town.

Hunt club had trail ride

The Seaway Valley Hunt Club held its first trail ride of the season, Sunday morning, April 21st at VLN Farms, Lancaster.

Twenty riders took part in a two-and-a-half hour trail ride. They rode along the 2nd Concession road and down the Green Road to Concession 1, through the property of Paul Rumke and back to VLN Farms.

Numerous ditches and water holes were encountered and these were jumped or waded through by the group that included some young horses and riders, 4-H members and pony club riders. Some of the adults had not ridden for 20 years but thoroughly enjoyed the outing and promised to be back.

The club is reported growing steadily and potential new members from Prescott County are inquiring about joining the club.

A second trail ride on Sunday, started at Harry Steenbakker's, North Lancaster, and this Sunday's starting point is Diane Johnston's, Martintown.

Piping school

The Glengarry School of Piping and Drumming has been closed for three Saturdays due to the engagements of the instructors, Pipe Major J. T. MacKenzie and Pipe Major David Danskin elsewhere. Lessons will resume on May 11th, and continue until June 15th, which will be the closing date for this term.

Lan-Char medical centre at Lancaster to be taken over by area municipalities

Lan-Char Enterprises held its first and only annual meeting last Thursday night.

Chartered to provide a medical clinic at Lancaster, the company will not be forced to declare bankruptcy.

Instead it will offer its assets and liabilities to the three area municipalities, the townships of Lancaster and Charlottenburgh and the village of Lancaster. Representatives of those councils present at the meeting felt their councils would approve such a take-over.

Working out of the agreement will signal the end of the corporation. A resolution was passed at the meeting to approve dissolution of the company once this is effected.

Deputy Reeve Paul Legros of Lancaster Township, Reeve Adrian Gadbois of Charlottenburgh and Reeve William Cumming of Lancaster Village, were representing the three municipalities and gave tentative approval. At their suggestion, the provision was added that those shareholders who were willing to consider their shares, or part of them as a contribution to a worthy project, could refrain from claiming the payment for them. Some shareholders had already indicated their willingness to make such a contribution.

The corporation will approach shareholders to see if they wish to contribute in this way. When this is done, the three municipal bodies are expected to take over, pay outstanding debts and reimburse shareholders for their holdings, without interest.

Robert Simmons of Bainsville was added to the board of directors to serve until the board is dissolved in place of the former secretary, Mrs. Kenneth Allen.

Ron Adams, counsel for the corporation, said it may take some weeks or even months to make the transfer, wind up corporate affairs and make payments, but he hoped the process would be comparatively short.

Rev. Sylvester Theoret, vice-chairman of the corporation, outlined the history of Lan-Char Enterprises and its problems.

In 1969 or earlier it was generally agreed in the village and district that better medical services were needed. The Ontario government agreed, and the area was designated as one requiring medical services. After a considerable amount of volunteer work, the doctor was obtained. The desirability of providing a clinic was clearly evident, however, Father Theoret continued.

At the time there was substantial hope that a local incentives grant of about $34,000 would be received, and the committee was so confident that it would be available that it went ahead and sold shares to raise the local part of the cost of the project, also estimated at about $30,000. In the event there was $29,300 raised by sale of shares at $100 each and donations from a walkathon, a horse show and a snowmobile rally as well as personal contributions amounted to about $6,000.

The shares were to earn interest at eight per cent and be repaid eventually out of revenues.

The project went forward rapidly, and without any significant problems until it was learned the LIP grant would not be made. The reason given was that Lan-Char Enterprises is not a non-profit company. The grant was refused and after exploring all angles, the corporation found it could not change its constitution to become a non-profit company, nor could it expect any other grants.

By this time the corporation had a substantial bank mortgage of $16,900 to the Bank of Montreal and another major liability for $15,597 to Noel Couture Construction of Cornwall, with revenue just able to balance regular expanditures.

Archibald MacDonell, reviewing the financial position of the centre, said there is no way the centre could become a viable institution financially without the grant.

On the advice of the Ontario authorities, the corporation sought to arrange for the municipal take-over that is promised.

AWARDED 50 YEAR CERTIFICATES—Four veteran members of Glengarry Council No. 1919 Knights of Columbus received special certificates at Monday's meeting recognizing 50 years or more of active membership in the Council. Maxville High plant will house senior elementary school

Reversing a decision made eight days earlier, the SD&G county board of education decided last Wednesday to go ahead with a senior elementary school at Maxville this fall.

But the motion also provides that neither Roxborough Public School nor Monkland Public School be closed but rather that they house pupils from Grade 1 to 6. Students at the Grade 7 and 8 levels will be going to Maxville.

The reversal of decision results from meetings with parents who stated they did not object to the plans for Grade 7 and 8 children but that they did not want the schools closed nor the Grade 6 pupils included in the senior school.

A notice of motion put forth by three trustees—two of whom were not at the last meeting—caused the reversal.

Sam McLeod stated many educators say there is great value to a senior elementary school and as such there should be one established at Maxville.

Trustee Joe Gunn commented it was equality of education that caused him to desire the senior elementary school while the third trustee, Milton Matheson, stated one of his main considerations for proposing the motion was that it is less costly to keep a school open than to close it for a year and then reopen it.

After a short discussion the recommendation was passed.

Pickerel netted and tagged on spawning run up the Raisin

Pickerel spawning in the Raisin River, which has increased in recent years as dam projects rendered former areas unsuitable, is under study by the Ontario ministry of natural resources.

Ever since the Hydro generating station at Cornwall eliminated the Long Sault rapids and other prime spawning locations, the pickerel have been found in growing numbers in the Raisin River, particularly when it is swollen by the spring thaw.

This year, ministry conservation officials stretched nets across the Raisin so the pickerel could be caught and measured for length, girth, and age. Bright yellow numbered streamers were fastened to dorsal fins in an effort to record their travels further.

This year's run lasted only a week, but hundreds of pickerel ranging from eight to 30 inches in length were tagged.

The ministry hopes anglers will report catching any tagged fish, thereby assisting in the effort to keep track of their movements.

The pickerel enter the Raisin from the St. Lawrence River at Lancaster, then swim some 15 miles upstream to any of three fast water spawning areas—the rapids at Williamstown, McIntyre's rapids a little further upstream and in the quick water below the dam at Martintown.

Increased activity during spawning season also has attracted poachers, ministry officials said.

Area conservation officer Bob Ramsbottom said about 25 charges have been leveled by the ministry for fishermen taking pike and pickerel before the season opens May 11.

Bread blitz tops objective

Sunday's bread blitz was so generously supported the net profit will top the $1,500 objective for the first time, reports Rene Gauthier, chairman of the annual Richelieu Club event.

Some 40 canvassers out that day included several volunteers from outside the club's membership.

Charged with serving minors

Claude Contant, manager of the Ottawa Hotel, here, was charged in court Monday, on two counts of serving liquor to persons under the age of 18. The case was remanded to May 13th.

A 25-year-old Alexandrian was fined $25 after pleading guilty to possession of marijuana.

Pedestrian hit not seriously

Struck down when he reportedly walked into the path of a car at 6.10 Saturday night, Donat Lapensee, 32 of Alexandria, escaped with minor back and leg injuries. He was able to leave Glengarry Memorial Hospital after treatment.

The car was driven by Denis Menard of Casselman.

It was the second such accident to occur at the corner of Main and Catherine within two weeks.

Bedspread draw earns big sum

A bedspread, made and donated by Mrs. Dorine Lajoie, Alexandria, enriched Fraternity '73 by the sum of $1,020 when it was drawn Saturday, April 20th, in Alexander Hall.

Mrs. Lajoie not only donated the bedspread but she sold most of the tickets, Fraternity officers report. J. Gagne of 1 William St., Cornwall, was the lucky winner. A $5 door prize was won by Mrs. Albert Secours, also of Cornwall.

The concert that preceded dancing featured violinists of the Riverdale String Quartette, Cornwall; dancing by students of Mrs. Rae MacCulloch, songs by Francine Lajoie and recitations by Vivian Menard. Dancing was to the music of Omer and Eldege Beriault, Rene and Jean Lajoie.

Firemen out four times for grass fires

Alexandria firemen have been called to grass fires only four times this spring, a much cleaner record than was the case a year ago.

A more serious call at 6.30 last Wednesday night brought them to the home of Maxime Lalonde Jr., where a kitchen fire caused damage estimated at $10,000. The Lalonde home is on the Glen Robertson road, opposite Sacred Heart cemetery.

The fire reportedly originated when grease boiled over while chips were being cooked. The kitchen was hard hit by flames before firemen could control the blaze while the rest of the house suffered from smoke and heat.

On Friday, a grass fire called the brigade to the home of Gavin Scott, west of Dalkeith and on Saturday the call was to the home of Hubert Sabourin, 1 1st Kenyon, where children had started a fire in the bush.

There were two calls on Saturday, April 20th, to the 3rd Lochiel, in the Glen Robertson area, and to the 8th Lancaster. Both were grass fires.

Showed well in solo piping

Students representing the Glengarry Pipe Band and School of Piping competed at the Ottawa Piping Club's annual solo piping competition in the Armouries at Ottawa, April 20th.

Prizes were awarded them in the following categories:

18 and under: March, strathspey and reel, 1st, Fred Way, Glengarry School of Piping; 2nd, Sandy Campbell, Glengarry Pipe Band.

18 and under; Jig, 1st, Fred Way.

15 years and under: March, 2nd, Ricky Houseman; 3rd, Donald MacMillan, both of Glengarry Pipe Band.

Last Saturday, the Glengarry Pipe Band attended the Montreal Indoor Highland Games, at the Black Watch Armoury, for the second time. In these indoor games bands do not compete as such, but enter small groups, quartets, small bands from within the bands, etc. Also, they do not play by grade, as in the summer Games, but enter the Intermediate or Senior Class, as they see fit. Ours saw fit to take on all comers, including the Grade One and Two bands present, and were able to win two 4th place prizes.

David Danskin, jr., the Band's Drum Sgt. covered himself with glory by winning the solo drum contest against strong competition. He gave a very fine per-

SPORTS in the GLENS

by ANGUS H. McDONELL

It has been this writer's good fortune down through the years to have attended many of the top bracket sport functions from Grey Cup bashes, east and west, to those of a local tinge in Ottawa and here in the Glens. On a pro rata basis last Saturday night's jubilee of Glengarry's 50 years in organized soccer rates with the best of them all, right at the top with first class honors. From the moment young Peter Ewing piped in the head table guests till the crack of dawn around Christie's Pitt and Baltic's Corners there wasn't a dull moment.

Guest speaker Syl Apps fitted in nicely with an interesting talk on especially the Canada-Russia hockey series as reported in another column. Soccer was the obvious theme, however App's remarks gave the dinner program the necessary entertaining balance.

Joining Kingston's M.L.A. at the head table were Jackie Smith, representing Glengarry soccer of today, and Mrs. Alex Grant, wife of the prime mover of the organization idea in April 1924, the late Alex (Dunvegan-Ottawa) Grant. Osie Villeneuve and Denis Ethier put aside their political work and were guests with their wives. Morlin and Mrs. Campbell represented the committee responsible for this memorable occasion.

Glen Campbell checked in from Toronto along with his brother Alex from Cornwall. Keith McDonald, with a Greenfield lien, was in from Westport, while out of Ottawa, Montreal and many other points were enough to make up a list as long as an arm.

Glen and Alex Campbell, along with Ben and Osie Villeneuve, were the Maxville jubilee players present while McCrimmon's delegate was W. R. (Billie Bonnie Brier) MacLeod. Laggan was short due to illness of W. D. and J. R. MacNeil but Alex MacCuaig was present. This writer joined the MacLean brothers, John D. and Duncan, taking a bow for Greenfield while Alastair MacKenzie was asked to represent Alexandria, especially as he is a son-in-law of one of the Alexandria original soccer players and great all-round sports fan, the late Bob Graham. It was fitting that Dunvegan, where the first meeting was held, mustered almost an entire soccer team as follows: James Campbell, D. J. and Roger Hartrick, Ian and Sander Stewart, Cameron, "little Willie" and Ian MacLeod, Donald Rory Campbell and John Carpenter.

Syl Apps and many more keenly admired the tall silver trophy centering the head table, emblematic of the east group championship since 1925 -- the base had almost as many year shields as the Stanley Cup.

Among our many reminiscent chats was a bit of head table chatter with our M.P., Denis Ethier. Denis was trying to pinpoint the Dunvegan farm home of the late Alex Grant, as he told us of his youth days driving a bread wagon for his father. Well we got Denis and his wagon driving south from Dunvegan and by the Grant farm gate just north of the "jog" in the road at the Little Bridges. "Hold it there," chuckled Denis, "I'm o.k. now as near the Little Bridges I would put the feed bags on the horses and have a bite of lunch myself."

There was no end to the "And do you remember the time etc. etc," which prompted the telling of one from the book of that master story teller, the late Dr. Willie MacDiarmid. The setting was Maxville fair grounds and the home forces were ahead of Dunvegan. Glen Campbell, an employee of Smillie's store and a Maxville forward, always wore running shoes, no cleats, and was very fleet-footed, as this writer knows. Give Glen a stride start and he was gone. John Smillie was standing with Dr. "Will" and asked the Doctor, "Who is that young fellow flitting around so fast?" "Why," the lovable Doctor grinned, "That's your clerk, Glen Campbell." "Well, well," drawled Mr. Smillie, "If Campbell moved that fast around the store wouldn't we have one helleva business."

Osie's references to costs 50 years ago led us to review in part Laggan's expenses of 1924. For instance; 12 sweaters, $1.50 each; 2 1/2 yds. of cotton for letters $1.05; ball bladder patches at Cowan's, 15 cents; cement for patches, 15 cents; coal oil for league meeting, 10 cents, News match adv., 70 cents; phone call to Blue Room Joe, 10 cents; lemonade for lunches, $1.80; Alex MacCuaig for new ball bladder, 75 cents; to Blue Room Joe for Laggan team lunch, $1.75; to Angus Urquhart for cheque stamps, 10 cents and among other costs $10. to Dr. Markson and $2.25 for one bag of feed flour to mark field. Gate receipts $131.45 and with costs at $87.35 Laggan finished the 1924 year with a $44.10 surplus. The word inflation was unknown 50 years ago.

And now as soccer starts its second half century old and young are very, very grateful for the tremendous effort put forth by the committee who sponsored such an enjoyable and memorable night. Besides his secretary work Kent MacSweyn and his assistants came up with a splendid job of hall decorating. Hubert Hay had the ticket situation always in hand and Gerry Simpson, Carman MacMillan and other helpers were always close at hand. Finally the experience of many, many years devoted to the welfare of Soccer by Keith MacMillan and Morlin Campbell was in evidence throughout the evening as the entire program unfolded without a hitch. Take a deep bow from the waist fellows for a sport achievement that will linger on for another 50 years.

Craft show displayed work of Maxville Manor residents

Maxville Manor was a busy place on a recent Friday when scores of visitors mingled with the residents at the special crafts show and sale culminating a winter's work in various crafts courses.

This was a pilot project for senior citizens sponsored by St. Lawrence College, Cornwall, and was made available at the Manor from October until the end of March. Classes ran from Monday till Friday each week, at varying hours depending on facilities and convenience, but each person obtained about 200 hours instruction, which was quite sufficient for satisfying accomplishment.

The fee was only five dollars, and all materials and instruction and supplies were provided by the College. About 45 Manor residents took the courses, and there was accommodation fc 15 senior citizens from the village, who had to be over 60 years of age.

Administrator Allan Vallance welcomed the gathering, and introduced the special guests from St. Lawrence College. Guy Leger co-ordinator of continuing education , expressed his great pleasure at the results of the project, the quantity and quality of the work on display, which far exceeded expectations. Department chairman Eugene Cardinal, who is a native of the Maxville district, gave a brief outline of the recent development of projects for senior citizens, and the responsibility of the College to provide these as well as those for younger students. Courses can be made available to all age groups and all interests.

A second series of crafts courses is being offered at the Manor now, for residents only, extending from May 1st until June 30th, and the main series will be offered again next fall. Tom Butkovich, who was also present

NEWS OF INTEREST FROM MAXVILLE AND SURROUNDING DISTRICT

Mr. and Mrs. Elmer Weedmark of Ottawa, and Mr. and Mrs. Bruce Wert, Kemptville, were guests of Howard McEwen.

Things are busy at Maxville High School as the Student Reunion set for June 22nd, draws near. Events include a banquet and dance. Why not make it a date to attend and visit with old friends? Banquet tickets are available at $4. from the Student's Council, Box 190, Maxville.

Contributions to the Racine family of Maxville, who recently suffered the loss of their home by fire can be left at the bank in Maxville or Moose Creek.

The Maxville Horticultural Society is having its Potluck Supper and Plant Sale in the Community Hall on Wednesday, May 8th, at 7 p.m. Geraniums will be distributed and Mrs. Norma Benton will be showing slides. 50¢ per person; adults and junior members all welcome.

Mr. and Mrs. George Matsell, representing Glengarry Crafts, attended the craft showing at General Vanier High School in Cornwall last Wednesday. Mr. Matsell took his doll furniture and examples of intricate tincraft, and Mrs. Matsell's apple-head dolls proved a real novelty to most of the students.

Ernest Mac Phail has returned to his home in the village after spending three weeks visiting his sister, Mrs. Ida Perkins and her daughter , Norma in California, and his niece s and cousins in Vancouver and Regina.

The service at St. Michael's Anglican Church for this Sunday, Easter 3, will be Evensong at 7:30 P.M.

Hold it! Don't throw it out! The Maxville Guides are having their regular Spring Rummage Sale -- at the Community Hall, Friday, May 10 from 7 - 9:00 P.M. and on Saturday May 11, 9:00 - 12:00 A.M. You can donate anything --clothes, books, dishes, drapes, furniture, jewelry -- etc. etc. Donations can be left at the Hall anytime it is open for various activities through the week, or on Friday afternoon, May 10.

The St. James C. W. L. Council met at the home of Mrs. Martine McDonald on April 18. The meeting opened with the League prayer led by Mrs. Grace Doth. There were 17 members present. It was followed by the Mass by Father Scott. The minutes of the last meeting and correspondence were read by the secretary, Mrs. Carol Aube. Mrs. Edna Rolland thanked Father Scott for the wonderful Lent and Penance ceremonies held before Easter.

The C. W. L. held a rummage sale on April 26 and 27 in the Parish Hall which was very successful. Card party winners last week were: Door Prize -- Miss Annie McDonald of Greenfield; Ladies' first, Mrs. Flaro; second Mrs. Proulx; Consolation, Mrs. May McLean. Men's first, Gerry Guindon; second, Herbie O'-Byrne; Consolation, Mr. Quenneville. Next card party on April 30th. C. W. L. members will be selling Mother's Day roses before Masses on May 11th and 12th.

Attention Minor Hockey People – The annual banquet for mothers, fathers and sons, will be at the Maxville Community Hall, Friday, May 17 at 7:30 P.M. $3:00 a ticket for the adults. Guest speaker will be John Denhammer, Publicity Director for the Rochester Americans of the AHL.

THANKOFFERING MEETING

More than 80 ladies of the several congregations of Maxville and Moose Creek, joined with Maxville United Church Women on Wednesday, April 10th, at 8:00, in the church for their annual Easter Thankoffering Meeting. Mrs. W. E. Henderson chaired the meeting, welcoming such a good turnout, and continued with an Easter opening invocation and hymn. Miss Hattie Hughes read from John 20 as Mrs. Henderson read an Easter message. Mrs. Harold Willis led in prayer and offering was received and dedicated. A solo "My Task" was sung by Mrs. Robert MacIntosh, accompanied by Mrs. Catherine McEwen.

A short business portion of the meeting was chaired by Mrs. Grace McDermid as she reminded ladies of the following: – May Day Tea and Bazaar on May 4th in St. James Church, Avonmore.

Thirteen boxes of good used clothing were packed last month for Montreal City Mission.

The highlight of the evening came as Mrs. Archie Campbell introduced our guest speaker, Miss Ada McEwen, National Director of the Victorian Order of Nurses. Miss McEwen gave an extremely interesting resume of the history of the VON, starting back at its origin in 1897 to the present day. She explained how the VON was named after Queen Victoria as she clebrated her 60th anniversary as Queen. There are 83 branches of VON in nine Provinces today and over 800 nurses. Miss McEwen continued with slides on the services offered by VON locally and referred the general public to the local branch in Cornwall and Miss Ann Cummings, the director, who was also present. The address was thoroughly enjoyed by all and Mrs. Gwen Swift thanked her and presented a small token. Mrs. Robert MacIntosh sang "Guard While I Sleep." Mrs. Henderson and her group served an enjoyable lunch and fellowship hour followed.

8,089 BOOKS OUT LAST YEAR

The Maxville branch of Seaway Valley Libraries has a stock of 4,000 books. If your branch does not have the book you desire, the supervisor will ask for it on interlibrary loan. She will telephone your request to Headquarters and the book will be sent as soon as it is available. The Maxville branch of Seaway Valley Library System has 555 registered borrowers; its circulation in 1973 was 8,089.

HISTORIC SOCCER CUP—Chief conversation piece at the Golden Jubilee Soccer banquet held in Maxville last Friday night was the famous Glengarry Soccer Cup, which has been in use for half a century. The names of the cup donors are listed right here, points out W. R. MacLeod: The four teams playing at that time, Alexandria, Kirk Hill, Laggan and McCrimmon, Dr. Moses Markson, Col. A. G. F. Macdonald and Ernest and Clarence Ostrom. Looking on are Syl Apps, guest speaker at the Glengarry Soccer Jubilee dinner, Morlin Campbell and Angus H. McDonell.

Apple Hill recreation news

The Apple Hill recreation committee met recently and there are some changes in the executive. Bill Ingram is the new vice-president, and Mrs. Madeline MacMillan is secretary.

A circular should be received this week by Apple Hill and area residents containing a questionnaire as to your opinion of a community centre. We'd appreciate your co-operation in filling these out to give your executive an idea whether in your opinion a community centre is necessary or needed. As you know we've had the community centre open every night on a trial basis so we'd like your views on this also.

Our thanks and appreciation go to Chas. McIntyre and Vince Marleau and any others who helped paint the ceiling of the community centre. Nice going folks, it sure looks great. Hope we get some more volunteers to paint the walls when we get the paint.

Tickets for our $50 draw are now being circulated. If you could help sell tickets, we'd appreciate your efforts. Just contact any committee member.

A meeting of the MRC was to be held at Greenfield, April 30th, at 8 pm. Gordon Wells of Ottawa consultant for the sports and recreation branch was present. Council has appointed representatives from the different areas of Kenyon and these people should have received notice by now of their appointment.

A public meeting was to be held in the Apple Hill Community Centre May 1st, at 8 pm., to discuss our summer program. We need your support to be successful in our endeavours for a community recreation program.

The Apple Hill Teenagers had a very successful sock-hop last week and are very pleased with their first dance. Their new president Mervin Sloan was all smiles as he spoke of the success of their venture, and confided they had all kinds of coming events and fund raising schemes up their sleeve. A bottle drive is scheduled in the very near future we understand. Good luck with your efforts, hope all the folks will support you in this venture.

Our regular monthly bingo (the second Tuesday of every month) was cancelled due to the storm last Tuesday and we apologize for any inconvenience this may have caused anyone who did not hear the cancellation on the radio and showed up for the bingo. We hope to have our next bingo May 14th without fail, surely no more snow storms. See you then.

Glengarry soccer looks back on half century of play

"There are several points for a youngster to remember if he would practise good sportmanship," informed Syl Apps, guest speaker at the Jubilee Soccer Banquet held Saturday night in Maxville.

"A good sportsman always tries his level best to win, plays fair, plays according to the rules and respects the referees and coaches. It is no honor to win if every underhanded dirty trick in the book is used to beat the other fellow. Sometimes parents forget this fundamental -- they would be better to stay home and let their kids enjoy the sport."

"Coaches have a great responsibility here -- they must not only play the game but teach their youngsters to be good citizens."

"Athletics is one of the greatest ways to unite people -- we saw this during the Canadian-Russian hockey series when every Canadian who accompanied the team overseas had only one thought in mind - to cheer as a unit for their team."

"We also learned something else when we were away from Canada - an awareness of the wonderful country we have and a great thankfulness to be Canadians."

The Kingston MLA related several instances of the trip to Russia during that famous series and endeared himself to the audience with his pleasant and homey manner of speaking.

Dinner chairman Angus H. McDonell was at his best as he presided, recalling anecdotes of the days of early football in the county, and calling on head table guests.

Osie Villeneuve, one of the soccer players from way back, recalled how the League united the farming communities back in the days when money was scarce, but spirit was high." Team rivalry was more than a little enthusiastic at times but it all worked out as a rule with everyone being a little better for it."

Denis Ethier, MP, complimented the committee for selecting the home town of Osie Villeneuve, the Maxville Millionaires and the Highland Games for the celebration of their soccer jubilee. He also paid tribute to sportswriter Angus H. McDonell for his great support of the league with his reports through the years.

Morlin Campbell, chairman of the jubilee committee recalled the great advantage it was to the League when lights were installed on the playing fields, first at Lochiel, then at Greenfield. Prior to this it had been a great rush in the evenings to get the milking and haying done and be on time for the soccer game. On behalf of the gathering he thanked the guest speaker and made the presentation of a gallon of locally made syrup.

The famous Soccer cup was on display with its crests from 1925 on. Emblematic of supremacy in the Eastern Division the winning teams named for the different years were as follows: McCrimmon, 1925, '66, '68, '69, '70 and '71; Kirk Hill, 1926 and '27; McCrimmon-Laggan, 1929, '60 and '62. Pine Grove, 1938, '40, '41, '45, '46, '47 and '73; Greenfield, 1948, '61, '63, and '65; Lochiel, 1928, '49, '50, '52 '53, '54, '55, '56, '57, '58, '59, and '67. Symbolic of the depression years in the '30's, there are no names on the cup, probably because the price of the shield was just too much to buy.

Interest of the young folk in the jubilee was evidenced by the many crests submitted in the designing contest. Most of those submitted were on display and the winner will be worn on the sweaters this season.

THE BIG CHAMPIONSHIP CUPS—It was awards night for the Alexandria Glens last Friday night at the Bonnie Glen and the president of the St. Lawrence Junior B League, Alex English, was on hand to present the Winchester Press and Gill trophies to the captains of the team. From left to right are Glens' Manager, Gary Shepherd, J. T. Hay, Ralph Humphries, Mr. English, Roch Lajoie and Coach Kenny (Junior) MacDonald.

Rcch Lajoie receives MVP trophy at Glens award night

by GARY SHEPHERD

An awards night and dance was held at the Bonnie Glen Pavilion, honoring the Alexandria Glens Hockey Club. A crowd of approximately 475 was on hand, at what proved to be a very enjoyable evening with Sylvester MacDonald and his Clansmen supplying the music.

Assistant Manager, Gerald Simpson, acted as Master of Ceremonies for the trophy presentations.

St. Lawrence Jr. "B" President Alec English was on hand to present the Winchester Press and Gill Trophies to team captains Roch Lajoie, J. T. Hay and Ralph Humphries.

Mrs. Mervyn MacDonald was present to take photographs of the presentations and also was called on to present the Morrisburg Legion "Best Goalie" trophy to Glens' netminder, Robert Lajoie.

Brian Reasbeck received the Glengarry Sport Shop "Rookie of the Year Trophy." Tom Ross got the I. G. A. "Most Gentlemanly Player" award, and Dennis Delaney the Atlantic Hotel "Most Valuable Player in the play-offs" Trophy.

The final award was the beautiful Alexandria Moulding Trophy. This is given each year to the Glens' most valuable player. Guy Cholette was on hand to present it to this year's winner, Roch Lajoie. Last year J. T. Hay was recipient of this trophy.

Following these awards Roch Lajoie, J. T. Hay and Ralph Humphries presented Coach Ken McDonald, Manager Gary Shepherd and Assistant Manager, Gerald Simpson with plaques in recognition of their service to the club this season.

Hockey school in Brockville

The Brockville Hockey School which has picked up a reputation as one of the best in Eastern Ontario will be operating again this summer, from July 8th to August 24th.

Sessions run from 3 p.m to 10 p.m. daily, in 3 hour lessons with the students divided into three age groups, seven to ten; ten to 13 and 13 to 16 approximately.

The school recommends that car pools be organized in the different areas where students come from a distance as no residency is guaranteed.

Organized under the direction of Tony MacDonald, instructors are from the pro leagues, semi-pros. and junior hockey teams. Some from the Glengarry area include Blair MacDonald, Nick Haramis, Kenny (Junior) MacDonald.

Tuition fee is $30. More information can be obtained by phoning Mervyn MacDonald, 525-1174. —Adv.

Flower effect emphasized at hospital auxiliary tea

The setting for the Tulip Festival Tea sponsored by the Glengarry Memorial Hospital Auxiliary, Saturday, April 27, at Alexander Hall, was like a glorious tulip flower garden which shared honors with other spring flowers as well as the glowing and happy faces of those who attended and assisted in making the seventh annual tea a great success.

A gold mum and salmon snapdragon arrangement graced the reception desk presided over by Mrs. Wilfrid Menard, stunning in a rose gown.

Large white mums and yellow baby mums with pussy willows were at the door. Another arrangement of red tulips and pussy willows was near the contribution basket in charge of Mrs. George Dumouchel and Mrs. Arcade Trottier.

Mrs. Ranald MacDonald, tea convenor, in a white pant suit, and Mrs. John Grant, auxiliary president, in a pink geometric design suit, welcomed guests as they arrived.

Mrs. Gertrude Lalonde, Verdun, formerly of Alexandria and the Auxiliary's first president, officially opened the tea after an introduction by tea convenor Mrs. MacDonald.

A large centrepiece of red and yellow tulips, blue and gold mums, red carnations, yellow snapdragons and willows was flanked by silver candleabra on the main tea table.

Pourers during the afternoon were Mrs. Denis Ethier, Mrs. Andre Cuerrier, Mrs. T. A. Jaggassar, Mrs. John Larocque, Mrs. Paul Emile Viau, Sr. Irene Primeau, Mrs. Henri Dubois, Mrs. Lynus McPherson, Mrs. Donald Yule and Mrs. Rhea Gravelle.

Mrs. Bert Laflamme, tea room convener, was assisted by Mrs. Aline Seguin, Mrs. Rene Menard, Mrs. Anne Williamson, Mrs. Lynus McPherson and candy stripers Louise Collin, Donna Reid, Lillian Jeaurond, Liz Raymond and Lucie Desjardins.

The candy stripers were delightful in their white aprons and white caps trimmed with red tulips.

Mrs. Archie MacDonald, pantry convener, was assisted by Mrs. Lloyd Davies, Mrs. Donald Yule, Mrs. James A. Wightman, Mrs. Alex McDonald, Mrs. Grace McLennan, Mrs. Lloyd Howes and Mrs. Gerard Lefebvre.

Mrs. Elizabeth Clingen was supreme teamaker. Mrs. Keith MacMillan, Mrs. Albert Lasalle and Miss Mamie MacMillan took care of the kitchen assisted by girl guides Joyce Martin and Suzanne Wissell. The girl guide group affixed tulip transfers on serviettes used, under the guidance of Leader Mrs. Yule.

The baked goods table under the convenership of Mrs. Alex McHugh was most certainly a tulip garden, for each item was speared with a red tulip (cardboard of course) bearing the price poking its head to the sky. Assistants were Mrs. Douglas Baxter, Mrs. J. F. Adams, Mrs. Albert Laporte, Mrs. Lorne Lawson, Mrs. Cormick McDonald and Miss Susan Baxter.

Mrs. Raoul Leclerc, handicraft convener, was assisted by Mrs. Louis Carriere, Mrs. Archie McRae and Mrs. Callum McGillivray. Exciting items were sold from this interesting table of handmade articles.

Novelties were sold by Mrs. Ed A. Bissonette, Mrs. Rejeanne Decoste and Mrs. Isabel Morton. Mrs. Ernie Gallant convened the nearly-new table assisted by Mrs. Neil Blair and Mrs. Rene Roy.

Candy stripers who assisted with coat checks and miscellaneous duties were Joanne Larose, Donna Kemp, Heather Hall, Helen Paradis, Lorraine Lavigne, Mary Worrell. Guides who assisted were Joanne O'Connor, Maureen Morris, Debbie O'Connor, Louise Poirier, Diane Cadieux, Debbie Barbara, Francine Giroux, Joanne Leroux and Diane Glaude.

Mrs. Alice Filion, raffle convener, was assisted by Mrs. Rene Seguin, Mrs. K. Hutchison, Mrs. Delia Roy and Mrs. Artel Poirier.

Mrs. Gordon Ferguson, Lancaster, organized and commentated for a Fashion Show With A Difference. Handsewn garments were modelled by those who participated in stitch and sew classes, sewing with knits. Several tiny tots and young children almost stole the show.

Mrs. Archie E. MacDonald, hospital board chairman, drew the winning tickets for the raffle and door prizes. Miss Marion McDonald, Glen Roy, won the handmade quilt. Miss Mary McKenzie, Glen Sandfield, was the winner of the petit point picture which had been donated by Mrs. Andre Cuerrier.

The tea table floral centrepiece was won by Mrs. Steve Desrosiers. Two other floral arrangements were won by Mrs. Bert Laflamme and Mrs. A. E. MacDonald.

Memberships were taken by Mrs. Ivan Ross, Mrs. G. Watson, Mrs. Clara Keyes and Mrs. Lucille Lalonde. Mrs. Morlin Campbell is auxiliary treasurer.

Mrs. E. Galipeau, president of District 9, O.H.A.A. attended as well as Hawkesbury auxiliary members.

J E Lapierre died at 39

The death occurred April 17th of James Elmer Lapierre of Apple Hill. He was 39.

Born at Lancaster, he was a son of Wilfrid Lapierre and Gertrude Laframboise. He had followed construction and had spent much time trapping, fishing and hunting.

Surviving are his parents, his wife, the former Rita Chretien, a son Jimmie and a daughter, Gail. Three brothers and three sisters also survive: Lionel, Willard and Eugene Lapierre, Apple Hill; Mrs. Orien Duffy, Saint John, N.B.; Mrs. Robert Chretien, R. R. 2, Williamstown; Mrs. Rene Laflamme, Alexandria.

The funeral was held April 20th to St. Raphael's Church and cemetery. Rev. Bernard Cameron offered the funeral mass.

Pallbearers were: Ewen MacDonald, Donald Russell, Orey St. Onge, Robert Chretien, Rene Laflamme and Alcide Pilon.

Showed well. . .

formance, ably accompanied by Pipers Colleen McCormick and Sandy Campbell, and received a tumultuous ovation.

All in all, the day was an enoyable one, with our bandsmen being able to meet and compete with (or against) players from as far away as Toronto.

Arthur Proulx died at 88

A respected resident of town and area through most of his long life, Arthur Proulx died April 22nd in Glengarry Memorial Hospital. He was 88.

Mr. Proulx was born at Oka, Que. in 1885, a son of James Proulx and Louisa Cataford. He was married July 7, 1914 to Elizabeth Diotte at Ste Anne de Prescott and came to this area later to farm on the McCormick Road. Since his retirement he had lived in Alexandria.

The last surviving member of his family, he leaves his wife and four daughters: Anita, Mrs. William Ouellette, Irene, Mrs. Lawrence Gauthier, both of Alexandria; Edwina, Mrs. Donat Lapointe, Cornwall, and Miss Georgette Proulx of Dorval, Que.

The funeral was held Thursday, April 25 to Sacred Heart Church where Rev. Raoul Poirier, P.P. offered the mass. Interment was in the parish cemetery.

Pallbearers were: Hector Major, John J. McCormick, Rolland Cataford, Raoul Girard, Elie Massie and Louis Chenier.

8—In Memoriam

ALLINOTTE—In loving memory of a dear husband, father and grandfather, Francis Allinotte, who passed away April 18th, 1972.
They say time heals all sorrow
And helps us to forget
But time so far only lets us know
How much we miss you yet,
Deep within our hearts
You will always be near.
—Ever remembered by wife Huetta and all his family.

CALVANK—In loving memory of our daughter
God took her home it was His will
But in our hearts she liveth still
Not just today but every day
In silence we remember.
—Mother and Dad. 18-1c

CALVANK—In memory of our sister.
The depths of sorrow we cannot tell
Of the loss of one we loved so well
And while she sleeps a peaceful sleep
Her memory we shall always keep.
—Betty and Ellwood Snow,
Campbell and Gretta MacDonald

8—In Memoriam (Continued)

CALVANK—In loving memory of a dear wife and mother Mora C. Calvank, who passed away May 2, 1972.
There's an open gate at the end of the road
Through which each must go alone,
And there in a light we cannot see
Our Father claims His own.
Beyond the gate our loved one
Finds happiness and rest,
And there is comfort in the thought
That a loving God knows best.
—Ever remembered by Leslie, Wendy, Judy, Glenn and Myrna, Dalkeith. 18-1p

CREVIER—In fond and loving memory of a beloved mother and grandmother who passed away May 7th, 1967.
—Always remembered by daughter Claire and grandchildren, Dannie, Jack, Kevin and Margaret. 18-1c

MacPHEE—In loving memory of a dear husband, father and grandfather, Alexander William MacPhee, passed away April 23, 1964.
Ten lonely years has passed since that sad day,
The one we loved was called away.
Asleep in God's beautiful garden
Free from all sorrow and pain
Some day when life's journey is over
We will all meet together again.
—Always remembered and sadly missed by his wife, family and grandchildren. 18-1p

MASSIA—In loving memory of our dear son, brother, brother-in-law and uncle Rodger, who was accidently killed May 4th, 1963.
It's not the tears that are shed at the time
That tell of the hearts that are broken
It's the lonesome tears in the after years
When a loved one's name is spoken
Though the tears in our eyes do not glisten
And our faces are not always sad,
There is never a night or a morning
But we think of the loved one we had
Not a day do we ever forget you
In our hearts you are always here
For we loved you Rodger and miss you
As it ends the eleventh long year.
Partings come and hearts are broken
Loved ones go with words unspoken
Life goes on we know that's true
But not the same since we lost you.
Wishing today as we wished before
That God could have spared you, for many years more.
—Ever remembered by Mom and Dad Mr. and Mrs. Alex John Massie and all the family, Alexandria and Monkland. 18-1c

ROBINSON—In loving memory of a dear daughter Annie (Mrs. John Robinson) of Rockland who died April 28, 1973.
Quietly and quickly came the call,
Your sudden death surprised us all,
Deep in my heart your memory is kept
We smile with world but never forget
Thinking of the things you used to say
Thinking of each happy yesterday.
—Always remembered by mother Mrs. Mary Kennedy,
Apple Hill. 18-1p

URQUHART—In memory of our brother Angus James, who passed away May 8th, 1973.
Upright and just in all his ways
Loyal and true through all his days,
Silently suffered, patiently bore,
God took him home to suffer no more.
—Always remembered by his sisters. 18-1p

YATES, Cecil H.—En Voyage.
There's a ship sailing on to a harbor,
To a haven of comfort and rest,
It's a ship of God's fashion and making,
And its voyage by Him will be blest.
It departed with silence and beauty,
With the Master, Himself, in command,
As with dignity truly majestic
It sailed out of sight of all land.
There will always be clear skies above it,
There will always be calmness below,
There will never be storms to harass it,
For the Master is on it, you know,
And His wisdom will carry it safely
To the port of His infinite peace,
Where the light of His love will protect it
With a blessing that never will cease.
You have watched it sail onward and outward,
With a tear of regret in your eye,
For a loved one was sailing upon it,
And there's grief when you're saying goodbye.
But your tears would be tears of rejoicing,
And your heart would be happy and free,
If you could look for only a moment
On that ship that is sailing to sea,
For the one you have loved is at leisure
With no worry or trouble or care,
There's contentment beyond understanding,
In the way God's passengers fare
And you'd know from your own observation
That the sailing was joyful—not grim
For it means a new life and new living,
And a sweet, closer contact with Him.
Oh, the solace there is in the knowledge,
Life is life and it always will be,
And it's simply a change of direction
When we sail on His ship out to sea.
And the tears that we shed for our loved ones
Are in truth shed for us left behind,
For it hurts to give up to the Master,
Tho we know He is gentle and kind.
So believe in His great and good wisdom
Trust in Him, as you patiently wait,
On His ship God is ever the pilot
And the one you have loved is the mate.
—Mrs. Cecil Yates and family. 18-1p

8—In Memoriam (Continued)

DEWAR—In memory of the late Duncan Dewar.
Though parted by the hand of God
In Christ united still
In God's own time we'll meet again
For Jesus said "we will".

IT'S OUR OPINION

May time is clean-up time

We're into the month of May flowers and spring clean-up and finally the weather has warmed sufficiently to encourage us to be outdoors. Whether we be owners or tenants most householders have at least a bit of lawn or garden in their keeping and infrequent April showers have been extremely lax in cleaning up the debris of winter. If we are to have an attractive town it is up to each one of us to make his holding as easy on the eye as time and labor and finances permit.

The warming sun and the rain can be counted on to revive the green grass. Where we mortals can play our part is in raking our lawns, refurbishing flower beds, redecorating our buildings where needed.

Our aim should be to leave with fellow citizens and visitors to our town the feeling that we take pride in our property and are conscious of our duty as citizens. Appearances can be deceiving, it is true, but a good front carries a lot of weight and where property is concerned a well-tended backyard confirms the fact of responsible citizenship.

It's Clean-Up, Paint-Up, Fix-Up time again and once more it's a delight to be outdoors. Let's all take time to view our property with the eye of the passer-by and take steps to make it as neat and tidy and attractive as we possibly can.

A race with a future

In only its second year, the White Water Canoe Race down the Raisin River has already established itself as a highlight of the spring season. It is apparently a challenge and a fun thing for those participating, while proving itself top family entertainment for onlookers as well.

A real challenge, the tricky passage down the Raisin must be for canoeists many of whom have had a minimum of practise at keeping their frail craft afloat. Several canoe teams took a ducking or two in the icy waters during this year's race and the Raisin's rocks have destroyed more than one shell.

The river's shallow depth, though, makes it almost ideal for the safe participation of amateur canoeists and this year's entrants numbered several teams from the area who were experiencing their first paddle. Judging from the enthusiasm so apparent in this spring's participants, the race should attract many more newcomers to the sport in years to come.

More canoeists will probably continue to enjoy the sport through the summer season and the day will come when cruising down the river on a Sunday afternoon is more actuality than dream or song.

Restoring the Raisin to something of its earlier glory has been the object of the Raisin Region Conservation Authority over the past decade. New life has been injected into the stream through the transfusion of a controlled flow of water from Lake St. Lawrence and the rejuvenation of the river promises a new potential for recreation along the length of the Raisin.

The cause of conservation is also being served as pickerel enter the river at Lancaster and swim upstream to spawn. Conservation officers have been netting the pickerel and tagging them in an effort to study their movements.

The annual canoe race is focussing public attention on the Raisin and thus making people aware of the river's new potential. It can serve a worthy purpose in that respect but this spring event will probably keep growing in popularity as its amateur status is maintained. Friends who took in the race for the first time last week found it a delightful outing. They apparently got as much kick out of watching the action as did those intrepid rapids runners themselves.

This annual race down the Raisin has great potential, as has the restored river.

The hazard exists

There have been hints over the years that the parlor television set carries a threat of fire, shock and explosion. Safety officials have warned that home fires do originate in the TV set but the industry has been as quick to water down such potential bombs.

Now evidence is surfacing that the television people find it more difficult to refute. Public hearings into the hazards of TV sets are underway in Washington with a view to the setting of mandatory federal safety standards for television sets.

Industry representatives took issue with government estimates that up to 10,000 fires each year are TV-related. They did concede, though, that their products cause hundreds of fires annually. Manufacturers said they are moving toward use of less flammable plastics for television cabinets and flame-retardant wire. More stringent safety testing is also promised.

The hazard is there, it would seem; but not to a degree that is likely to leave boob tube watchers on the verge of panic lest fire erupt.

It is most unlikely that your television set will ever burn you out of house and home. Nonetheless it is well to know the possibility exists. Like your Christmas tree, the TV set should be so positioned it will not cut off egress should fire or explosion erupt.

Recognize land needs

If and when adopted by the councils of the six municipalities involved, the official plan of the Glengarry Planning Area will control the various types of land usage. There will be rigid restrictions on the sale and use of land, as there are already at the provincial level, and these controls will earn the resentment of land owners at times.

Area residents would do well to make themselves aware of the various provisions of the plan. It will be too late to be critical after the plan has become law and it seems we must resign ourselves to some restrictions on land use either at the provincial or municipal level or at both.

An editorial in the Wingham Advance-Times deals with the matter:

The question of exactly how the land we live and work upon shall be used has, suddenly, become a matter of great importance. The routes of powerline corridors, pipelines and public highways are now clearly in the public's attention because farmers and many other groups are deeply concerned that we are permitting far too much food-producing acreage to be gobbled up for other purposes and forever lost as far as farming is concerned.

As a consequence of all this anxiety for the future of the human race planning bodies, those representatives of the public who are charged with the responsibility and have the legal power to designate just how land, both urban and rural, shall be used, are laying down hard and fast rules about just who may purchase land and how they shall use it.

Rules, of course, are necessary. Without them our civilization would find itself in utter chaos. The trouble with rules, however, is that they must of necessity be very general and individual needs must be subjugated to those of society as a whole.

For example, in Ontario it is next to impossible to buy a small parcel of land from a farm owner on which to erect a home or a summer cottage. There are exceptions to the law in some areas, but for the most part such transactions are turned down by the provincial authorities. The purpose behind the regulation is sound, in that it seeks to prevent haphazard development which is very costly to service with roads, utilities and police and fire protection.

The existing laws in this regard give evidence of official concern for the proper use of land, but entirely overlook the needs of a growing segment of our society which faces a pressing need for open space—the hundreds of thousands of city dwellers who find themselves imprisoned within the towering apartment and business blocks of the metropolitan areas. The result in many cases is that the city man with lots of money buys an entire farm and uses only a small portion of the land. He can afford to provide himself and his family with the recreation area he wanted, but he effectively substracts 90 per cent of the land he purchased from its primary purpose—the production of food.

Within recent weeks there has been talk of new legislation to forestall this particular sort of land waste—but something further is required. The entire question should be reviewed, taking into account the needs of the city dweller as well as the future of farming.

Sound planning is commendable—but all too frequently it is carried out by those who lack the necessary breadth of vision to understand the needs of our society as a whole.

The editor,
The Glengarry News,

We have recently added to our collection of sleighs and cutters, a Munro-McIntosh cutter manufactured in Alexandria.

It would be very much appreciated if any of your readers could supply us with information; date of manufacture, location of carriage shop, size of shop, any person living who was connected with the manufacture or any other pertinent information.

We are always interested in acquiring other pieces of Canadian history, so that future generations will have a knowledge and a feeling of the past.

Give fathers equal rights

(Smiths Falls Record-News)

A woman left to bring up her children alone—because she's a widow, divorced, deserted or separated from her husband, or, indeed, because she's unmarried—is entitled to Ontario family benefits. The Ontario government pays her, in effect, to stay at home to raise her children and counts the cost as an investment in the stability of the family.

Yet a man left alone to raise his children, for the same reasons of death, divorce, desertion or separation, isn't entitled to such pay unless he can convince the authorities that he's incapable of working because of some disability.

A group of such men, supported by a number of Metro's most blue-chip social agencies, now want single fathers to have the same rights as single mothers.

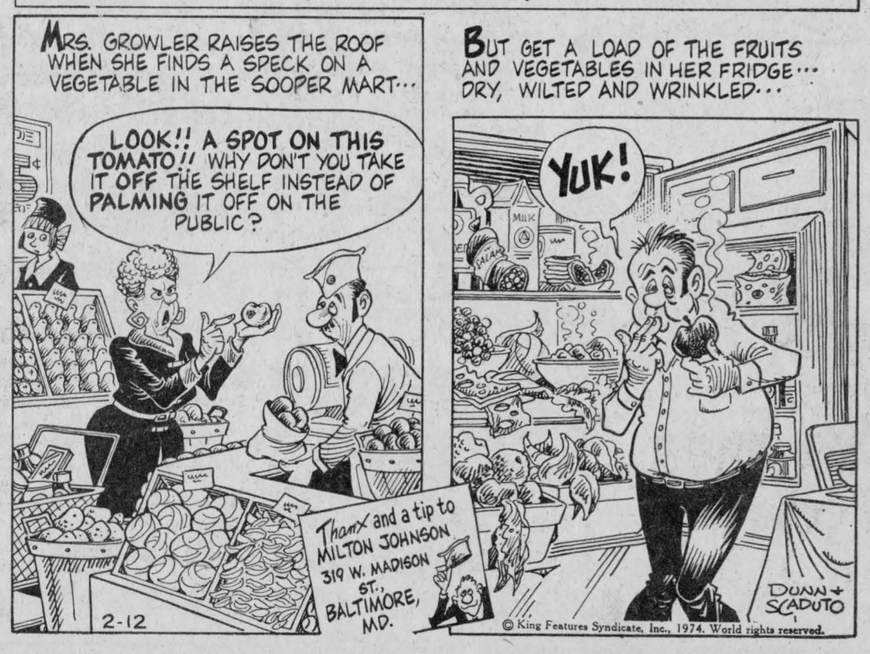
In the interest of both equality and justice, the Ontario government must seriously consider amending Family Benefits legislation.

It can certainly be argued that the stability of the family is as much affected in the instance of a man raising children alone as it is when a woman does. In these days of equal treatment of men and women, it makes little sense to give a mother the choice of working or staying at home with her children but to deny that choice to the father. Society's traditional attitude that a mother's place is in the home and a father's place is in the work force has no bearing in situations where there is only one parent in the family.

Ideally, of course, the community would offer such help—day care, homemaker services, part time work—as to enable both men and women to work and to spend time at home with their children.

Until that utopia arrives, Ontario law should extend to male parents the same benefits it now grants females.

They'll Do It Every Time ®



WITH OUR RAMBLING REPORTER

by Ed.

The growing popularity of riding is a reminder that if you want to feel better off, take a horseback ride.

LAUGH WITH WALT

This column could do with a lighter touch and a bit of levity we realize. We're no good at telling funny stories, though, and most of the jokes that come our way are too off-color for use in this family journal.

So we'll purloin two dandies from Walt Telfer's column in the Humboldt (Sask.) Journal.

Newfie jokes are so dumb they're engaging. Like the Newfie who answered the phone and the conversation went like this:

Voice: "Is this one, one, one, one?"

Newfie: "No, this is eleven, eleven."

Voice: "Sorry to bother you."

Newfie: "That's alright – I had to get up to answer the phone anyway."

If there are Newfies among this column's readers we doubt such stories get their goat. Most of the jokes have been told at one time or another using dumb Swedes or even dumber Polacks as the butt. Any self-respecting native of Sweden or Poland or Newfoundland would probably laugh them off as the Scots long ago learned to ride with the stories that depict them as tightwads.

This one isn't about Newfies but its a bit of a sleeper we think will rate a chuckle:

It concerns the minister who had just finished an excellent chicken dinner at the farm home of one of his parishioners. As he looked out the window, a rooster strutted across the yard.

"My", said the minister, "that certainly is a proud looking rooster."

"Yes, sir," said the host, "and he has reason to be proud. One of his sons just entered the ministry."

There's a difference—A joker is a card who is welcome in any pack; but who needs the joker?

GOING, GOING GONE!

We doubt this paper has ever carried so many auction sale ads and we note a similar plenitude of auctions in other weeklies that reach our desk. For the past three weeks the News has carried more than a page of sale notices and their very numbers suggest more farmers are selling out and giving up farming than in any previous spring.

April and May, with September and October, are the months when auction sales are at their peak. But in recent years other months are seeing their quota of sales as well.

One wonders from whence come all the buyers when there are as many as three or four sales being held on every Friday and Saturday. Apparently there's no shortage of bidders for it's said prices have gone crazy in line with everything else in this era of inflation. In view of the shortage of new farm machinery farmers are reported paying hundreds of dollars for used equipment, simply to obtain needed parts that can't be supplied new.

Cattle have been selling at record prices for more than a year and any household utensil that's advertised as an antique will be bid to the sky.

The auctions are bringing in record numbers of dollars but these dollars are losing purchasing power so steadily one wonders how long a retired farmer will be able to live on the proceeds of a sale that represents the capital he has accumulated over a lifetime.

Not all the sales we are advertising are in Glengarry, thank goodness, for that "Going, Going, Gone" of the auctioneer too often is a reminder that another farmer has decided to call it quits. Ill health is often given as the reason for selling out and inability to hire responsible help also drives older farmers to give up. Too few farmers' sons are content to continue in farming and the disappearance of the family farm will seriously affect rural Canada.

And where will the cities' millions look for food supplies when farms are too few?

Exit of the family farm will mean more than the loss of food production. We'll be losing the farm family.

The meeting adjourned and a social hour followed. Refreshments were served by Mrs. W. A. Chisholm and Mrs. W. D. Chisholm.

Craft show . . .

(Continued from page 2)

from the department, Mr. Leger and Mr. Cardinal spent the rest of the afternoon answering the questions of enthusiastic craft workers and outlining future programs. They had brought certificates for everyone taking the courses and these were presented during the show.

The auditorium of the Manor looked particularly bright and colorful with the walls and tables filled to overflowing with all kinds of craftwork. Four teachers were responsible for the instruction, under the supervision of Mrs. Hilda MacLean. Mrs. Hilda MacLean taught woodworking herself to five pupils and was responsible for finding and purchasing all the supplies needed for the whole project which was a formidable task.

Mrs. Kay Fjarlie of Athol taught ceramics to a class of about 20. Manor residents came in twice a week. Glazing, antiquing, and staining were very popular, and there was an amazing display of work, everything from figurines to mugs, plaques, plates and candlesticks.

There was a well-filled rack of sewing done by the pupils of Mrs. Sutherland, 5th Roxborough, who had about 14 in her classes. Again materials were provided by the college, as were the sewing machines. There were lovely dresses, some aprons, a tie, and beautifully sewn skirts.

Twenty-two residents and senior citizens took the needlework classes taught by Mrs. Grace McEwen of St. Elmo. Those included eight knitters, two doing crochet, six with rugs, seven needlepoint, two in stuffed toys, and one in bargello. They had a beautiful display of afghans, a quilt, pictures, cushions, and the appealing toys. Needlework is a quiet occupation, and Mrs. McEwen taught many of the residents in their rooms. Some were unable to attend the regular classes, and others simply found their rooms the best place to work.

Leathercraft and copper tooling were taught by Mrs. Norma Benton of Moose Creek. Like the others, she had small classes of four or five at a time, and they managed a fine variety of work. Two pupils had the use of only one hand, and still turned out excellent work. On display were belts, wallets, small handbags and gleaming copper plaques. Most of this work was embossed with fine, neat lacing.

The sale of articles went on very briskly all afternoon — the entire proceeds from this went to the persons making them. Actually a good many had been sold long before the show, but reserved to make a complete display. Visitors enjoyed a bountiful tea and circulated steadily admiring and buying, and there was little left at the end of the afternoon.

A Warm Welcome to Lancaster That Day

Martintown rumor mill

Principal Ken Emond is doing a fine job coaching the Martintown Public School children in Volleyball. This, of course, in addition to teaching grades 7 and 8, and being principal.

Our pupils in grades 7 and 8 competed for the Russell Volleyball Trophy in a tournament in Russell on April 20th. The girls' senior team was successful in capturing the shield for the second consecutive year. Although the boys did not bring home the shield as they did last year, they were only defeated once in the 7-team tournament.

Girls' team members: Barb Fourney, Kathy Thompson, Kathy Parkinson, Crystal Blackadder, Shirlee Goudie, Tammy Grant, Erika Petzah, Miriam Campbell, Elizabeth MacRae and Barbara McCuaig.

Boys' team members: Raymond Crites, Dale Jarvo, Alex Tyo, Lonny Van Loon, Russell Barton, Allan MacGregor, Jim Lalonde, Barrie Aubin, Ken Ross and John Kitchen.

Congratulations to all!

What sort of building is going on in Tyotown? One story has it that 125 of those new houses built in halves are going up there. Is it true that you put those houses up by pushing the two halves together and zippering them up the middle?

What a wonderful photo of the McCuaigs in the recent canoe run that was in last week's News. Another photo, this time in the Freeholder, caught that Glen Falloch lady, Mary Murray, presiding as chief server of the replenishing table at the annual Eastern Star Spring Tea.

Linda Howes and Bruce McCuaig are newly appointed members of the Martintown Recreation Committee. Chairman Don Ross says Charlyn MacDonald will put them right to work helping to organize our 2nd Annual Family Fun Fair, July 27th and 28th. Recreation people from all over Ontario are meeting in Brantford May 8-11. At least two MRC members will be there Originally the committee intended to send one member, but the chairman stated emphatically "If I go, my wife goes too." It was something like that, anyway.

The bush is alive with spring growth. Mayflowers are out as well as trilliums, though not yet in flower.

Glen Walter Tom will be pleased to read that the garlics are up. You just have to follow your nose to find our first spring vegetable. The story is they are good for blood pressure problems. With so many people on strike, all mediators and arbitrators should try them.

Farmers were just itching to get working on the land but last Monday's rain has postponed that for a while longer.

What do you get when you put GDS, SLC, MRC and RMac together? Why you get Scottish Dancing in the Glengarry, Dundas and Stormont school board gymnasium in Martintown on Mondays at 8:30 P.M., sponsored by St. Lawrence College, organized by your Martintown Recreation Committee and taught by that charming talented lassie, Rae MacCulloch herself. Come on out and enjoy yourself says Isabel Cain, there's still time to join.

Martintown Mac says be thankful if you live in the country, where there's fresh air, elbow room and Mother nature.

Couple feted on 45th date

Mr. and Mrs. Donald John MacLeod of Dalkeith, were feted by their family, recently, on the occasion of their 45th wedding anniversary. Mrs. MacLeod is the former Catherine Ann Hay.

A family dinner was held Saturday evening, April 20th, at the Cosy Tavern in Alexandria, followed by an evening party at the home of Mr. and Mrs. Beverly MacQueen.

A presentation of money was made, to be put toward purchase of something of their choice.

Members of their family present were: Mr. and Mrs. Lloyd MacLennan (Isabel) and their family; Mr. and Mrs. Beverly MacQueen (Evelyn) and family; Mr. and Mrs. Carmen Howes (Doreen); Mr. and Mrs. Douglas MacNaughton (Linda); Mr. and Mrs. Cliff Rae (Dorothy); Angus and Elbert MacLeod.

Other guests were present from Montreal, Toronto and Dalkeith.

Another dinner party was held at their home on April 24th, the actual wedding date.

Seaway Valley Library System has a special service for shutins. These select their reading material from booklists, that are supplied on request.
