VOL. LXXXII — No. 40 ALEXANDRIA, ONTARIO, THURSDAY, OCTOBER 4, 1973 SINGLE COPY 15c

HAD OFFICIAL OPENING SUNDAY—Central figure of the new Summerstown-Cornwall airport is owner S. L. Toczyski, caught by the camera on Sunday over-looking some of the operations. Two of the planes and the control tower can be seen in the background and the huge hangar is featured in the lower photo. MP for Glengarry-Prescott-Russell, Denis Ethier and the Reeve of Charlottenburgh, Adrian Gadbois officiated at the official ribbon cutting ceremony. It was a big day for the Township as over a thousand people came out to see the new airport and the aerobatics throughout the afternoon.

Native Of Newfoundland Died In Fire That Gutted His North Lancaster Home

Ralph Noseworthy, 43, of North Lancaster, died early Friday morning in a fire that gutted his frame bungalow.

A boarder in the house, Guy Ethier, 37, was able to break a window and escape the flames and smoke. He suffered minor cuts and was treated at Cornwall General Hospital.

The body of Mr. Noseworthy was found just inside the front door where he apparently had collapsed as he tried to make his way to safety. Maurice Menard, deputy chief of the Lancaster Fire Brigade, discovered the body when he went into the burning home with the aid of an air pack.

The Lancaster brigade was called out at 2 a.m., Friday and the firemen were able to quench the flames after being on the scene for an hour. Walls and roof remain but the interior was gutted. The fire is of unknown origin and damage is estimated at $12,000.

OPP Constable Nelson Kinkaid investigated.

A native of Newfoundland, Mr. Noseworthy had been employed as a foreman at Modernfold of Canada, Ltd., a door manufacture at Summerstown Station. Ethier was employed with him there. The latter reported to firemen that Noseworthy had answered his warning calls and was evidently trying to reach the door when overcome. Ethier ran to a neighbor's home to turn in the alarm.

In this area some 14 years, Mr. Noseworthy was the husband of Irene Leblanc, now residing in the Bainsville area. He leaves three children, Robert, 13, Sandra 11 and Theresa 6.

Through arrangements made by his mother, Mrs. Nellie Noseworthy of Conception Bay, Newfoundland, the body has been sent to Newfoundland for burial.

Siren To Sound Fire Prevention Week

The siren will sound at noon each day of next week as part of the local fire brigade's participation in Fire Prevention Week. It will serve as a reminder to clean up and check for fire hazards in the home or place of business.

The firemen will be holding a tag day Friday and Saturday with Bruce Picher in charge.

ENGINEERING GRAD — Claude Dupont, son of Mr. and Mrs. Isaie Dupont of St. Bernardin, Ont., graduated from the St. Lawrence College of Applied Arts and Science in Cornwall, in Mechanical Engineering Technology. He is presently employed with the Canadian Institute of Pulp and Paper Research in Pointe Claire, Que.

Two Area Doctors Receive Diplomas

Two members of the medical staff of Glengarry Memorial Hospital are the only two doctors in the United Counties who have obtained the diploma, Certification in Family Medicine.

Dr. T. Jaggassar of Maxville, was awarded his diploma last year while Dr. Yvon Bourdeau received the diploma this year.

Examinations are held in the Health Science Centre at McMaster University and are divided into oral and written tests covering medical knowledge, observation and interpretation of clinical data, problem solving ability, professional attitudes and skills, etc.

All members of the College of Family Physicians of Canada are required to complete a minimum of 100 hours of approved study over two years in order to maintain their standing.

Lancaster Village Surveying Need For Rental Housing

A survey to establish the possible need to build rental housing for persons 60 and over in Lancaster Village is being conducted by the Village council in cooperation with the Ontario Housing Corporation.

Council has decided to hold a public meeting of all interested citizens for the purpose of discussion and information. Date of the meeting will be announced later.

CHAMPIONS ALL—Fine weather and keen competition were features of the annual field day of Glengarry District High School held last week. Trophy winners as high point winners in the various classes were: left to right: Hubert Steenbakkers, senior boys; Louyse Poirier, senior girls; Mary Morris, junior girls; Denis Vaillancourt, midget boys; Scott Campbell, junior boys; Tammy MacIntosh, midget girls. Erwin McLennan tied for the junior boys' title but was not present when the picture was taken.

New Recreation Director, M. Depratto Takes Over Duties Effective Oct. 9th

An Alexandria man, Michel Depratto has been appointed recreation director and manager of the arena and island park. Now on duty in a temporary capacity, Mr. Depratto will start a three-month probationary period Oct. 9th.

His was one of three applications considered by town council at Tuesday's meeting. Mr. Depratto will be paid $7,000 per year, plus a $200 car allowance.

The tender for some 12,000 gallons of No. 2 fuel oil at 26 cents per gallon of Guindon Fuels was accepted.

Consent was given for a land severance application by Lionel Glaude.

The PUC will be asked to install two street lights, one at the corner of West Boundary Road and Massie Crescent, the second on the northeast corner of Massie Crescent.

Approval was given for payment of $1,204.65 to Ghislain Seguin & Assoc. as engineering fee covering reconstruction of Dominion Street between Lochiel and Peel.

To Reside Here

Arthur Legault, RR2 Alexandria, has sold his farm to Theo Den Otter and will move to Alexandria in November to occupy a house on Jean Street purchased from Gilles Robert.

Cub Registration Set For Thursday

Raymond Rochon was elected president of the group committee which operates wolf cubs and boy scouts in Alexandria at a meeting held Thursday night at the K of C Hall. Claude Lanthier will be vice-president, Ranald MacDonald, treasurer, Lorraine Cameron secretary and Paul Dicaire will round out the executive.

Mrs. Florence Villeneuve was thanked for her help as president of the group last year.

Scouts will meet Tuesday nights at the Legion Hall and cubs on Thursday evenings, the meeting place yet to be decided.

Registration for cubs and for scouts who were cubs last year, will take place Thursday, Oct. 4th, at the K of C Hall, between 7 and 8 p.m.

Pierre Jalbert will be scoutmaster. Three new leaders, Denis Massia, Mrs. Huguette Roy and Mrs. Claire Lanthier will join Wayne MacDonald and Stuart Upton. Mr. Upton will assume the post of cubmaster.

Two Bad 50's Caught Here

Counterfeit $50 bills are being circulated in Eastern Ontario and two turned up here in recent days. The local branch of the Bank of Nova Scotia found one in a deposit and Alexandria Milling turned up another.

Police Chief Cleroux suggests area people think twice before accepting a $50 bill. The bad bills are said to be good reproductions but the paper is of a poorer quality and the ink color is a lighter shade.

Senior Citizens Make Plans

The executive of the '39ers Sunshine Club at Alexandria United Church met at the Manse recently to set out their plans for an exciting fall season, including a bus trip to the Laurentian hills to enjoy the blaze of autumn color on the maples. Tickets for the trip will be available at their first meeting on Wednesday, Oct. 3, at $2.50, with the bus leaving Alexandria United Church at 12.30 on Oct. 11th, driving to Brownsburg, having tea at the United Church there and returning home about 5 p.m. The '39ers welcome any senior citizen in the area to join them on this outing.

At the first meeting at 2.30 on Oct. 3, they will have Elie David of Alexandria and R. Berthiaume of Ottawa speak to them about the proposed activities for Senior citizens planned for Alexander Hall and sponsored by the Federal government.

In November, it is hoped that some of the local musicians from our area schools will be present to share their talents with the Sunshine Club. Later in November it is expected that another bus trip will be arranged to have a day at Fairview shopping centre in Pointe Claire, Que.

The annual Christmas party will be the highlight in December, featuring fun and games and of course, Santa with his bulging bag of gifts.

The '39ers extend a very warm and friendly welcome to anyone in Alexandria and the surrounding countryside to come out to share their program. For any additional information about meetings or reservations on the bus trip, do call Mrs. Cecil Franklin 525-1252, or Mrs. Jack Caley 525-1764.

Sports Activities At GDHS

by Tish Filiatrault

Did you say . . .
G.D.H.S.
Well I Guess!

With the help of the weatherman, the annual track and field meet at GDHS was a success.

This year participation was a total of 50%. There was a slight change this year in our track at school as it was converted to the metric measurement. This change required that all new records had to be established, and these would be too numerous to mention. Conversion of the old records to the metric system would not be accurate.

Credit should be given to seven outstanding atheletes who through their skill and determination came forward as individual trophy winners.

Midget girls—Tammy MacIntosh
Midget boys — Denis Vaillancourt
Junior girls—Mary Morris
Junior boys — Scott Campbell and Erwin McLennan
Senior girls—Louyse Poirier
Senior boys—Hubert Steenbakkers

Recognition should also be given to four athletes who broke records:

Alice Cadieux—Discuss, 95'2"
Robb Mitchell—Javelin, 119'9"
Lynn Morrison — Pole vault, 10'7"
Deanie Bourgeois—Long jump, 13'9½".

In order to promote more spirit and enthusiasm, two plaques were awarded. For class participation the Grade nine classes (J and K) had over 80% of the students participating. For the class with the highest amount of points accumulated by individual stands 10G won with 13A and 9J close behind.

This track and field day proved successul through competent organization and the co-operation of both teachers and students.

Thursday GDHS hosted their first home football game against Rockland. They proved triumphant with a landslide of 32-0. Football heroes of the day were: Brian Filion 2 touchdowns 12 pts.; Rodney Shepherd touchdown, 6 pts.; Brian Reasbeck, touchdown, 6 pts.; Cleary Morris, 2 field goals, 2 converts, 8 pts.

To wrap up this busy week, Thursday was slob day and this day was climaxed by the appearance of the band, "Smokin Road" at our first school dance.

With the terrific results of these activities it is evident that our school has begun another successful and rewarding year.

Lancaster Parish Hall Hit By Fire

Acrid smoke did heavy damage to the St. Joseph's Parish Hall at Lancaster, during Sunday night, when fire erupted hours after the parishioners had played hosts at their annual parish supper.

A hole was burned through the floor of the kitchen but members of the Lancaster Fire Brigade under Chief Raymond Rose used dry chemicals to extinguish the flames and water damage was minor.

The parish hall is the former St. Joseph's Church.

The firemen were called out at 3 a.m. Monday when Father Theoret's housekeeper smelled smoke and turned in the alarm.

The loss is estimated at some $10,000, partly covered by insurance.

APPEARING IN MOVIE—Bobby Lalonde, 15, of Fournier, will be seen in Stompin' Tom Connors' Canadian feature film opening at Hawkesbury's Regent Theatre this week and also playing at the Garry, here, from Friday to Tuesday. The son of Mr. and Mrs. Gaston Lalonde of Fournier, Bobby won $500 as champion fiddler at Ottawa's National Arts Centre recently, as well as another $100 for the best waltz. He has won several other top placings in competitions and recently waxed his first LP record "Bobby Lalonde".

Highways Minister Agrees To Partial Access To Route 417 North Of McCrimmon

Partial access to new Highway 417 north of McCrimmon is to be made available with opening of the new thruway next year, according to word received from Osie F. Villeneuve, MPP, and a letter to United Counties Council from Hon. Gordon Carton, minister of Transportation and Communication.

The partial interchange will permit traffic travelling in either direction on County Road 31 (the extension of Highway 34 north of McCrimmon) to enter Highway 417 westbound. Eastbound travellers from Ottawa on 417 will also be able to exit onto County Road 31 and proceed north or south.

The letter from the Minister to Counties Council notes receipt of a resolution from the Council and states the matter has been reviewed. It continues:

"I am pleased to tell you that a partial interchange at this location will be included in the current construction of Highway 417. This interchange will permit traffic travelling in either direction on County Road 31 to enter Highway 417 westbound and will permit eastbound highway traffic to exit onto County Road 31 and proceed in either direction.

"The reconstruction of a short length of County Road 31 in the immediate area of the interchange will be included in this construction and another short length will be reconstructed as part of the work we are doing on the intersection of County Road 31 with Highway 34 at McCrimmon where we shall be providing a left turn lane and other improvements.

"It might be as well to clarify at this time that any upgrading of the intervening three-quarters of a mile of County Road 31 would be at the discretion of the United Counties of Stormont, Dundas and Glengarry."

Large Grants For Two Area Arenas

Loans totalling almost $600,000 part of them forgiveable, are being made for construction of community centres at Williamstown and Vankleek Hill under the federal-provincial winter capital projects plan.

Denis Ethier, MP, reported yesterday approval of a loan of $280,000 toward the arena project at Williamstown, and $314,800 toward the new centre at Vankleek Hill.

All labor costs involved in construction of the two centres will be forgiven; that part of the costs will not have to be repaid.

The grants have yet to be approved by the province, we understand, but no complications are expected there.

Mrs. J. A. McBain Died At 82

Mrs. John A. McBain of Lancaster, died Tuesday, Sept. 25th, in Glengarry Memorial Hospital, here. Her death, in her 83rd year, followed a lengthy period of ill health.

The former Lena Dunfield, Mrs. McBain was born at Renfrew, the daughter of Thomas Dunfield and his wife, Julia Carmichael. She taught in the public schools at Lancaster and the East Front prior to her marriage to John A. McBain. She had been active in the community and in her church, St. Andrew's Presbyterian, at South Lancaster.

To mourn she leaves one son, John J. McBain, East Front, Lancaster and one daughter, Jessie, Mrs. Alan Conley of Deep River. Three grandchildren also survive, as does one sister, Mrs. Margaret Beck of Montreal.

The funeral was held Friday from the McArthur & MacNeil Funeral Home, Cornwall, for service at 2 p.m. in St. Andrew's Presbyterian Church, South Lancaster. Rev. Kenneth McDonald conducted the service and interment was in the adjoining cemetery.

The pallbearers were Andrew Cameron, Douglas Cameron, Ian Kerr, Ralph Westley, Thornton Westley and George Snider.

Policemen Formed Honor Guard At Funeral Of Young Constable

Sixty members of the Ontario Provincial Police formed an honor guard at the funeral of Constable Bruce McDonald held to St. Margaret's Church, Glen Nevis on Monday. Also present were members of the Royal Canadian Mounted Police, the Auxiliary Police and a large number of sympathetic friends and relatives.

Officially representing different branches of the Ontario Provincial Police were: Assistant Commissioner J. L. Erskine of Toronto; Inspector Skinner of the Perth Detachment where the late Constable was stationed and Supt. A. Campbell of the Local Long Sault Detachment.

Constable McDonald drowned on Sunday, September 23rd, in the St. Lawrence River, just east of Prescott, when the canoe in which he was riding capsized. McDonald had been out on the river with a cousin, Kenneth McDonald and a friend, George Sabourin when their canoe overturned about 9 p.m. and they were thrown out into the water. Kenneth and George managed to cling to the canoe and floated to shore but Bruce disappeared in the chilly waters and his body was not recovered until Friday.

The funeral mass was celebrated by Rev. Patrick Breton, assisted by two former pastors at Glen Nevis, Rev. Leo MacDonell and Rev. Jas. A. Wylie. Also in the sanctuary was Father Clement of Kingston. Burial was in St. Margaret's cemetery.

Constable McDonald joined the OPP this summer and had been posted to Prescott after graduating from Police College in July. He was also a graduate of Algonquin College in Ottawa and Glengarry District High School. He was born in the Fourth Concession of Lancaster, 25 years ago, the son of Ranald V. McDonald and his wife, Geraldine Kennedy, who survive.

He also leaves two brothers and two sisters: Robert J. of the Fourth of Lancaster, Stuart of Waterloo, Que.; Anne, Mrs. John Runions of Maxville and Sheila, at home attending GDHS.

Pallbearers were four cousins, Charles and Kenneth McDonald, Fourth of Lancaster; John McDonald, Hamilton; Mark Kennedy, Dorval; Bruce Starkauskas, Alexandria and Constable Bob Richer with whom he had resided at Prescott.

A large family connection was present to share the sorrow of the family and surrounding community in the loss of one of the area's highly regarded young citizens. In addition to relatives from Hamilton, Middlebury, Vermont, Albany, NY, Kimberley, BC, Montreal, Dorval and Belleville, were several members of the community of the Sisters of Providence of which two aunts of the deceased are members.

TOP PLOWMAN AMONG WARDENS—Lochiel Reeve Gerard Massie, (insert left) in his capacity as warden of United Counties Council won the wardens' class competition at the International Plowing Match last week, against 23 warden competitors. Held at Alvinston, in Lambton County, the big match drew 20,000 on opening day. The Ontario Department of Agriculture & Food supplied us with the above picture of a neighboring warden in action. He is George Methot, reeve of Caledonia Township and warden of Prescott and Russell. Reeve Massie was presented with his trophy at a banquet held later in the day.

EDITORIAL

IT'S OUR OPINION

Not As Clear As Expected

Alexandria's new sewage lagoons were in operation ten years ago and this editor was complimenting town council and the Ontario Water Resources Board on this progressive move to clear the Garry River of pollution. Alas, we were a bit premature.

The lagoons work well, most of the time. The Garry waters are clean most of the time; but all too frequently the sewer line pump breaks down and Alexandria's sewage is temporarily returned to the river. Two often, too, the Garry waters take on varying hues as the local Consolidated Textiles plant dumps its dye and the lagoons are bypassed.

The industry, town council and the Ontario Water Resources Commission have been trying to reach agreement on some mutually acceptable method of getting rid of the plant's dye without polluting the river. A program to modify the lagoons and install a heavier sewer pump was tentatively reached two years ago but it has since soured, perhaps because OWRC engineers fear the dye might ruin the lagoons.

Officialdom is not talking and the project to modify our sewage lagoons makes no progress. Meantime the Garry waters periodically carry Alexandria's sewage and our hope of ten years ago for clearer river waters has yet to be fulfilled.

The Garry, as it winds through the golf course, is dirtier than ever this summer thanks to flotsam and jetsom carried downstream from the town's LIP program of clearing the riverbed. Successive Alexandria councils have promised a permanent clean-up of the Garry waters below town but the golfers among our citizenry share with Lochiel residents downstream a doubt it will ever be done.

Over the past decade our sewage lagoons have been the means of removing almost all Alexandria's sewage from the Garry. It's to be hoped that heavier pump will have been installed in the sewer line before another ten years passes and that permanent removal of textile plant dye will leave the Garry waters as clear as we expected them to be with inauguration of the lagoons a decade ago.

Painless To The Prize

If you have to ask the price, you can't afford it. This was the classical reply of an extremely rich man when he was asked how much it might cost to own a yacht like his.

Maybe the same principle could be applied, with variations, to the purchase of lottery tickets: If you have to buy them on the instalment plan, maybe you shouldn't be buying them at all, suggests the Smiths Falls Record-News.

The point is raised by recent newspaper advertisements by the Olympic Trust of Canada, giving details of the Olympic Trust Game Plan Lottery which offers 1,000 tickets at $104 apiece. Each ticket has 52 chances to win $1,000, which is not bad—but, of course, the cost of each ticket is quite heavy.

In spite of the symbols of absolute purity, nobility and wholesomeness in the advertisement (the joined outlines of the Maple Leaf and the linked Olympic circles) one has the queasy sensation of an arm across the shoulders and a voice muttering in the ear: "Tell ya what I'm gonna do . . ."

What they're gonna do is give you the options of paying the $104 outright, in two equal instalments, in four, or in 12 spread over a year.

Is this to be the trend in Government-approved lotteries—the painless plunge, the worry-free wager, the never-never-maybe? It may work in getting $104 out of people who might otherwise conclude they couldn't afford it, but how then will they be able to buy the special issue coins and stamps on which the financing of the 1976 Games is supposed to stand or fall?

We Knew It All The Time

During the past week our provincial treasurer, John White, permitted the following immortal words to fall from his lips: "People in local governments have a far greater comprehension of the needs of their citizens. To try to impose direction from Queen's Park on Windsor, Timmins and Cobourg is not the way to do it. The needs are going to be far different in each of these communities and local councils have definite ideas on how to meet them."

Mr. White's deeply thoughtful pronouncement was made as a part of his comments on the decision of the Ontario government to start, at long last, cutting away at least a part of the drapery of red tape with which each official procedure in this province has been bedecked since time immemorial. Of course the recognition that there are at least a few in each community who are capable of mature judgment and sound decision comes a bit late on the part of the provincial government. It is a fact which has been well known to most of us small town folks for the past hundred years or so, suggests an editorial in the Wingham Advance-Times.

Rural communities are frequently accused of being too conservative. We are generally supposed to be so behind the times that it requires the more enlightened minds of a central government to hand out fatherly guidance and somehow or other keep us from straying into the wilderness. Finally the provincial legislators have faced up to the fact that they, themselves, are nothing more than a collection of community-minded politicians who have managed to persuade their followers that they can run a province instead of a town, a township or a city.

The delays and frustrations which have, since the outset of self-government in this country, hampered almost every progressive move initiated at the local level may at long last give way to a sensible acceleration of public business. Most of the elected representatives of the people in local government are quite capable of making decisions for themselves without the patronizing supervision of officials in Toronto.

Why Not More Music On TV?

Television could be much more entertaining and exciting than is its usual nightly fare. That was a thought that struck us as we thrilled to that hour-long serving of pipe band music, one night last week, based on the World Scottish Festival at Toronto's Canadian National Exhibition.

The networks could provide such musical extravaganzas at much more reasonable cost than many of the programs that prove to be duds, was a second thought.

Mind you, we have no idea how much was spent on producing "The Pipes", but we have a sneaking suspicion all those pipers made music for this television hour at considerably less than prevailing rates for Western or pop music makers, or most other program talent.

They made music that was superb if rated by a lover of pipe band music, in which category count us. The cadence of the pipes and drums was a delight to the ears while the cameras were filling the eyes of the viewers with a kaleidoscope of color that only the varied tartan uniforms of the pipe bands offer.

Sound and color are the basic attractions of show business and the massed pipe bands on that program offered both in delightful profusion, just as they do each year at Maxville. Our annual show may have been surpassed in some respects by the locale, the overall excellence of the performing bands and the music they produced en masse. That show's producer had not only tartan turf and the Toronto Ex as a background. He traded on the amenities at Montreal's Expo and Toronto's Ontario Place among others that added color to an already colorful performance.

While appreciating the added audio-visuals of that television hour, this observer came away with the impression so superb a show was only in degree an improvement on the Glengarry Highland Games. Those bands that have a mix of both sexes were not apparent in the massed marching; neither were those units made up of a melange of the old and the very young, the lame or the otherwise afflicted. The TV producer could pick and choose to the advantage of the overall performance.

That was one of Canadian television's finest hours, in our opinion and we are left wondering why the networks, here and in the U.S., provide so little in the way of music. Lawrence Welk's orchestra is perhaps the only one appearing regularly, the Irish Rovers provide a popular program of ballads. There must be a lot of other fine musical talent on this continent that could provide telecasts much more entertaining than much of the trash offered as sustaining programs.

Television could use a lot more musical programs, especially such extravaganzas as "The Pipes". That was top entertainment.

ANYONE FOR BRIDGE?

St. Raphael's
Sept. 26, 1973

The editor,
The Glengarry News,

It is surprising that a town as populous and progressive as Alexandria has never had a duplicate bridge club. Williamstown with a fraction of your population has had a flourishing club for the past fifty years. Players come from Cornwall, Martintown, Lancaster, St. Raphael's, and one also from Alexandria. In this era of shorter work hours and more leisure it becomes important that people learn to fill their lives with constructive hobbies. Bridge is a game that very pleasurably stimulates the mind in judgment and memory. I note that the

Reason To Criticize

(The Renfrew Mercury-Advance)

The appointment of former Premier John Robarts as chairman of the Algonquin Forestry Authority is meeting with opposition—as might well have been expected.

Mr. Robarts has been made a director of several large corporations as was his predecessor Leslie Frost. It's not likely that he needs another job. On the board of Power Corporation, he is linked to Consolidated-Bathurst with interests in the Park.

Mr. Robarts may be well qualified to be chairman of a board that will be controlling lumber operations in Algonquin Park but there is an uneasy feeling that another person would have been more acceptable and have caused less concern among environmentalists, Liberals and NDP critics.

Premier William Davis has given opponents another reason to criticize his government. That he did not need.

WITH OUR

RAMBLING REPORTER

by Ed.

HE'S ALIVE AND KICKING

Football fans in the Glens who sat up to see Saturday's game in Vancouver were pleasantly surprised to learn our own Ivan MacMillan is not only still alive, but kicking. Vancouver's field goal kicker, Ted Gerela, had gone sour and the Lions had beckoned Ivan from Toronto just the day before.

His was an auspicious first appearance in a Lions' sweater as Ivan was good on five field goal attempts, the last one a clutch 44-yarder that earned his team a tie. It must have been satisfying for Ivan to find that his boot had prevented the team that cast him off, Toronto, from scoring a clean win.

That tie snapped a five-game losing streak for Vancouver and Ivan must have been a popular boy in the Lions dressing room.

Suddenly we find ourself a BC Lions fan. We'll be watching as Ivan continues to split the uprights and give his new team a needed lift.

Place kicking can get you places. Ivan's been in Ottawa and Toronto, and now it's Vancouver to boot.

WHY THE LEAVES LEAVE

The leaves are well into their autumnal coloring of the landscape and the show may be with us for several weeks if stormy weather does not denude the trees of their leaves prematurely.

"A couple of years ago you had in your column an explanation of why the leaves change color", reminded a lady who dropped into the office one day last week. She asked us to publish it again and we're the obliging type. Here 'tis from our column of Oct. 29, 1970.

Frost is not essential to make the leaves change their colors, we learn from a pamphlet issued by the Management Forester at Kemptville. In fact, he avers, leaves killed by frost will turn brown without undergoing the normal color change.

Here's his why and how of the color change in the hardwoods:

"The main reason why the hardwood tree discards its leaves in the fall is to reduce the area of the transpiring surface during the winter months when the supply of moisture is drastically reduced. Damage to the tree would result if it kept giving off moisture during the winter but could not replace this loss because the ground water is frozen.

"As the lifelines between the leaves and the tree become blocked the existing chlorophyll in the leaves slowly disappears. The leaves now become yellow or orange because of the presence of the pigments xanthophyll and carotin, which are no longer obscured by the chlorophyll (green coloring pigment). The bright red color of some leaves is due to the production of a pigment called anthocyanin."

Sounds almost as grim as hardening of the arteries but the end result is much more welcomed before autumn leaves come tumbling down.

The leaves rate a bow for the colorful show they present before they leave the bough.

A PERFECT DAY

Even more perfect than the perfection of a day in June was one of the last days of September; to be exact, Friday, Sept. 28th. Then, if ever, came a perfect day. Heaven found the earth in tune and over it softly its warm ear laid.

That's the way a poet would put it when moved by the delightful weather of a June day. On Friday your Rambling Reporter knew that feeling of a rare mix of sparkling sun and bracing air. And as a special bonus there was the dress rehearsal of the trees, flaunting a mere sampling of their autumn show in living color.

The weather forecasters had threatened an influx of colder weather on a day when one had plans. Instead, the sun shone out of a cloudless blue sky, the breeze was light and the sparkling air promised a golf game under ideal conditions.

Your Rambling Reporter was heading out for some golf on the fairways of the oldest golf club in America, Royal Montreal on Ile Bizard. Eight of us divot diggers from the Glens were participating in the annual golfing day of the Chambre de Commerce of Ile Bizard and we got special treatment because of Alexandria's twinning with the town of Ile Bizard.

As proof that we were cordially received, your Rambling Reporter and three more of the guys brought home prizes, whether or not their golf games were good. We were so frequently and help-

East Hawkesbury Marked Anniversary

The 75th anniversary of East Hawkesbury United Church Women, was celebrated in East Hawkesbury United Church, on August 11th at 8.30 p.m. For the occasion the church was tastefully decorated with summer flowers.

The 75th anniversary centrepiece was a replica of our church designed by the skillful, artistic workmanship of Mrs. Ruth Fraser.

Mrs. John Hay, president, presided. The service opened with the call to worship and the singing of the Shepherd Psalm, followed by a Bible reading. Mrs. Hazel Jamieson led in prayer. Words of welcome by the president and the purpose of the UCW was repeated by members.

The history of the UCW was reviewed by Mrs. Thomas Fraser along with the Service of Remembrance in memory of four deceased past presidents, Miss Christy MacBain, Mrs. Angus MacCallum, Mrs. Peter Mathieson and Miss Bella Fraser.

Mrs. James Hay placed a white carnation in an evergreen wreath of remembrance. A moment's silence was observed, followed by the East Hawkesbury all girls choir singing the missionary hymn, The Gypsy Boy, accompanied by Mrs. Stella Fraser. Mrs. Catherine MacLeod introduced Mrs. Florence Davies, guest speaker, who gave an interesting address, stressing the connection between the work of the church and the UCW. Mrs. Scott, Kirk Hill, guest soloist, sang, In Christ there is no East or West, accompanied by Mrs. Edna MacMillan. Greetings from Rev. John MacCaskill and Rev. Woolfrey were read by Mrs. Thomas Fraser. The evening offering was received by Leona Fraser and Phyllis Noble and dedicated by Mrs. James Hay.

Mrs. Marion Fraser expressed thanks on behalf of the UCW to Mrs. Davies, Mrs. Scott and the East Hawkesbury choir.

Rev. Mr. Davies pronounced the benediction and asked the blessing. Lunch was served. The anniversary cake prepared by Mrs. John Hay and Hilda was served at the close. A social hour followed.

More Bell Taxes To Municipalities

Some 825 communities in Ontario will receive 1973 revenue increases of varying degree through the new Ontario Government Formulae which increases Bell Canada's Gross Receipt Taxes by 52% to 31.6 million dollars in 1973.

Ken Menard, Cornwall Manager has advised that 22 municipalities in Alexandria and district will receive increases totalling $242,369 under the new formulae. Municipal officials in the communities involved have been informed of their respective increases.

Some examples of the increases are:

Municipality	Increase
Alexandria	$5,420
Charlottenburgh Township	$8,914
Kenyon Township	$5,968
Lancaster Township	$5,560
Lochiel Township	$6,283

Gross receipts taxes are a unique form of municipal tax levied against Telephone and Telegraph Companies in Ontario communities. These utilities pay the tax in addition to real estate and business taxes paid by all businesses.

Under the former system, Bell paid to each community in which it operated a tax, calculated by applying the local mill rate to the gross receipts taken in by the company.

Rambling . . .

(continued from page 2)

lessly in the sand traps we got little satisfaction from our game, but the day was so superb and the course so interesting we had a ball. In fact, our prize was a dozen Royal Bank golf balls, enough to practically keep us in ammunition right through next summer; but maybe not quite.

What a perfect afternoon it was to be out on any golf course, to be out in the outdoors in shirtsleeves in late September. The air was tonic and if our game had not been normal, if by some miracle we had shot a hole-in-one, we might have been moved to write an epic poem, "What's to remember like a day in September", that might have rivalled that June couplet that Lowell put out in his exuberance.

Friday was the special kind of a day a guy had to feel thankful he was alive and breathing the special mix of ozone the weatherman had served up. Especially was it the kind of a day for which to give thanks if one was a golfer heading out to try a course new to him.

Then, if ever, a perfect day is appreciated.

Dept. of Education sponsors a night class in bridge in the local high school. There must be many good bridge players in Alexandria who would be delighted to play once a week or oftener. Senior citizens could fill in many daytime hours. The cost of starting this club would be minimal for boards and cards and score cards, etc. What is needed is an organizer. Your paper could be very helpful. Thank you.

Gaels, VCI And Plantagenet Share League's Top Spot

(by Angus H. McDonell)

The senior high school football teams of the Glen-Pres-Russell league hit the first quarter pole last week in their race for the championship and the McArthur Memorial Trophy. GDHS, VCI and Plantagenet are striding in first place tie with Gaels on top as they have scored 53 points and held their end zone scoreless. The Hill students racked up 73 points but gave up eight while Plantagenet are right next with 60 points and also yielded eight.

On the banks of the Nation the Maxville Indians were really scalped by Plantagenet's coaches, Pierre Pinard and Luc Sauve, squad 30-8. Maxville were in trouble early in the first quarter as skip Serge Taillon moved his offensive troops to the Indians' three yarder then on a keeper Taillon was over for a major that was not converted.

Near the end of the quarter Plantagenet intercepted a Maxville Blair pass on their 20 then quickly scored another TD when Taillon fired a strike to Lalonde in the end zone but again no convert point.

Maxville finally got on the score board when they grounded Plantagenet's punter in the end zone on a fumble for two points. In the last minute the Indians had the ball on the home one-yard line and third down. Blair handed off to Adrien Vanderweilen who was up and over then hurled back. Referee Tremblay was right on the line and signalled that the ball had advanced enough for a TD. Game over, Plantagenet 30, Maxville 8.

In Ourtown the Gaels didn't have too many problems with the new entry Rockland. Brian Lawson had GDHS rolling early and in deep sent Rodney Shepherd off tackle that was good for six points but no convert success.

In the second quarter Cleary Morris split the posts for three from the 25 stripe then Brian Reasbeck, after another ground gaining surge, plunged into pay dirt for another major. Cleary Morris was wide on the convert so Gaels led 15-0 at the half.

In the third quarter Cleary Morris booted his second field goal try for three and Gaels had a comfortable 18-0 lead as they changed ends for the final. Gaels' coaches, Stan Fraser and Jean-Yves Jeaurond, have the luxury this year of a backup signal caller in Norman Laliberte who took over from Brian Lawson in the last quarter. Laliberte was quite successful in his choice of ground plays as Gaels moved downfield and from the visitors' 20 he sent Brian Filion scurrying on an end sweep all the way for a major that Cleary Morris converted and the score was 25-0. Sticking to the theory that nothing succeeds like success Laliberte called more ground gaining thrusts and again called on Brian Filion for a second gallop around the end and all the way for Gaels' final TD and Morris was true with the convert to give Gaels the win 32-0.

Just about the most evenly matched football game thus far, at least for three quarters, was the battle between VCI and Char-Lan on the Hill. Char-Lan earned an early eight-point lead on a TD by Barry MacDonald that was converted by Brian Gordon.

In the second 15 VCI's quarterback, Jeff Bradley, triggered a pass to Darwin Stevens in the end zone and Danny Kirby was good with the convert to creep close to Char-Lan. Just before half time the Hill's power runner, John Cross from his fullback slot broke through for the go-ahead TD that Danny Kirby converted on a pass to Ralph Leroy and VCI led at the half 14-8.

Both defences played a strong third period that was scoreless. Char-Lan were fired up as they changed ends for the final as a converted major would give the Williamstown youngsters a one-point lead. However, the tough grind in the front line trenches began to take its toll and the heavier VCI squad using a double-barrel passing offence in Jeff Bradley and Danny Kirby scored 20 unanswered points. First it Final count VCI 34, Char-Lan 8.

In the fourth game Hawkesbury won easily over Casselman 45-0.

Lions Golfers Out

Members of Alexandria Lions Club held their annual golf competition on the local course last Wednesday when Lloyd McHugh captured the trophy for low gross he had also won a year earlier. Jerry Adams had the second low gross score.

The prize for low net went to Vince Barker, with Gilles Houde the runner-up. Ernie Gallant was the most honest golfer and prizes for hidden holes were won by Ronald Macdonald and Eugene Macdonald.

SOCIAL and PERSONAL

James H. MacDonald, Green Valley, flew home from Edmonton on Tuesday where he had spent the past month with Mr. and Mrs. Allan Blair. He had accompanied his grandson Blair MacDonald on a motor trip to the west when Blair was reporting to camp with the Edmonton Oilers at the beginning of September.

Rev. Lloyd Davies flew to Halifax this week to officiate at the wedding of a relative in that city.

Mrs. Claudette Jeaurond, Richard, Diane and Lillian and Paul Seguin of Green Valley visited in St. Catharines with relatives on the weekend.

Miss Karen MacDonald, Glen Nevis is visiting in London this week with her aunt, Mrs. Tom Maltby and in Toronto with another aunt, Mrs. Gordon Ascah.

Mr. and Mrs. Harvey Trottier of Cornwall spent the weekend with Mrs. Howard Kelly. Michael Kelly was also home from Canton College.

Mrs. Edward C. Huebner returned to Detroit after spending two weeks with Mr. and Mrs. John Routhier and Donald.

Weekend guests of Mr. and Mrs. Wilfrid Leblanc were Denise, Manon and Jacques Bellefeuille, Gisele Leblanc, Mr. and Mrs. E. M. Ford, Sean and Erin, Mr. and Mrs. Robert Cline, Cyndy and Vanessa all of Ottawa.

Relative from a distance who were here to attend the funeral of Constable Bruce McDonald were, Mother Margaret McDonald, Brantford; Sister Emily McDonald, Kingston; Angus and John McDonald, Ancaster; Duncan McDonald, Middlebury, Vermont; Dr. and Mrs. Alex McDonald, Albany, NY; Ambrose Kennedy, Kimberly, BC; Dr. and Mrs. Duncan Kennedy and Mark of Dorval; Miss Patricia Kennedy, Montreal; Mr. and Mrs. Douglas Kennedy and family, Pointe Claire; Mr. and Mrs. Gerald Mulligan, Ottawa; Mr. and Mrs. Donald McDonald of Cornwall.

Dofl To Attend Convention

Daughters of Isabella held their first monthly meeting at KC hall, with a fairly large group of members.

The regent Mrs. Georgette Trottier welcomed everyone and especially two new members, newcomers to town.

Sister Marcella Laurin led the group in prayers. Mrs. Gertrude Lalonde read the minutes of the last meeting, also correspondence received during summer.

Special interest to everyone will be the Provincial Convention to be held at the Sky Line Hotel in Ottawa from Oct. 5th to 8th. The theme will be "The Daughters of Isabella today, Friends united by charity."

Owing to the large number of members wishing to attend, it was decided to provide a bus for their transportation.

The committee for the annual "Bal de l'Amitie" reports that plans are underway and tickets will be distributed to members and their friends. This will be held on Nov. 3rd at the Bonnie Glen.

Mrs. Rejeanne Lajoie, past regent, gave an interesting report on the ill effect of abortion in our society and urged members to act before it is too late.

Next meeting will be in October when election of officers will take place.

Attendance prize went to Mrs. Laurette Lefebvre.

Approaching Marriages

MENARD—TROTTIER

Mr. and Mrs. Ronald Menard, Green Valley, announce the approaching marriage of their daughter Jo-Ann to Jacques Trottier, son of Mr. and Mrs. Jean Trottier, Alexandria. The marriage will take place on Friday, October 26th, 1973 at 8 p.m. in St. Mary's Church, Green Valley.

Mrs. A. MacPhee Died, Cornwall

A highly esteemed resident of Cornwall and formerly of the Green Valley area, Catherine Rita MacDonald died in Hotel Dieu, on Sept. 24th. She had been in ill health in recent months. She was the beloved wife of Angus MacPhee and dear mother of Brent, both of the Fairview Motel, Vincent Massey Drive.

They were married in St. Raphael's Church, Oct. 10, 1953.

Mrs. MacPhee was the daughter of Isabel (Cameron) MacDonald and the late Allan Archie MacDonald of Green Valley.

She also leaves to mourn her passing, her mother, one brother, and four sisters, John of Green Valley; Mildred, Mrs. Thomas O'Connor, St. Raphael's; Hazel, Mrs. Donald J. McDonald, Graceline, Mrs. Hugh Chisholm of St. Andrews West; Angela, Mrs. Clement O'Connor, Green Valley.

The funeral mass was celebrated by Rev. D. B. McDougald, assisted by Rev. Joseph Cameron of Montreal, cousin of the deceased, in St. Columban's Church at 10 o'clock, Thursday, Sept. 27th.

Burial took place in Greenfield cemetery. Prayers at the graveside were recited by Father McDougald and Father Henri Ouimet.

Pallbearers were nephews Scott MacDonald, Alvin O'Connor, John James O'Keefe and Dermid O'Farrell, cousins John McDonald and Cameron McDonald.

News from Here and There

LAGGAN

Visitors with Mr. and Mrs. John D. McRae during the week were Mr. and Mrs. D. D. McCuaig, Thunder Bay; Mr. and Mrs. Dave Rockwell and son Stephen and Mr. and Mrs. Donald MacRae, Montreal.

Alex Titley and son Jean Marc and Lloyd Anderson were in Ottawa at the football game on the weekend.

Mrs. Archie MacIsaac and son Ken spent a few days with her parents, Mr. and Mrs. Kenneth Nixon.

AVONMORE

MRS. FEEK DIED AT 88

In the passing of Mrs. Mary Wiltimine (Wiltie) Feek the Avonmore community lost one of its most highly respected and oldest life-long residents. In her 88th year Mrs. Feek passed away on Tuesday, Sept. 18th, in the Cornwall General Hospital where she had been a patient for a little more than two weeks.

Born near Avonmore on June 6, 1886, in the Second Concession of Roxborough, Mrs. Feek was the daughter of the late Thomas A. Duff and his wife, Altha Shaver.

Mr. and Mrs. Feek farmed the family farm south of the village. Mr. Feek died on Nov. 11th, 1936

Her passing is mourned by one son, Sinclair Feek; his wife; one grandson, Larry Feek; and two great grandchildren, Lyle Arthur and Kelly June; and one sister, Mrs. Lawson Runions (Hessie), Lunenburg.

The body rested at the Brownlee Funeral Home, Finch, where many neighbors and friends called to pay their respects. The service was conducted at the funeral home by Rev. W. E. Sayers, MA, minister of St. Andrew's Presbyterian Church.

Pallbearers were Clarence Boyd, Andrew Stephenson, Cecil Canham, R. B. Steele, Roy Simpson and Douglas McMillan.

Friends attended from Inkerman, Winchester, Ingleside and Cornwall and the surrounding communities.

Beautiful floral pieces about the casket bore silent evidence to the high esteem in which the deceased was held by those who had the pleasure of her acquaintance.

DUNVEGAN

(Intended for last issue)

Sympathy goes out to the family of the late Angus Stewart whose funeral was held at the Morris Funeral Parlor. Burial in Kenyon Presbyterian cemetery.

We are sorry to hear the following people are in hospital: Mrs. Ian MacLeod, Glengarry Memorial; James Ferguson, Cornwall General; Nelson Montgomery, Montreal. Hope each will be home soon and around again.

Mr. and Mrs. Guy Embury and Linda, Montreal, spent the weekend with her mother, Mrs. Duncan J. MacLeod.

Miss Joyce MacLeod spent the weekend in Chesterville with her aunt and uncle Mr. and Mrs. Mantly Wheeler.

Charles Collin spent two weeks holidays in Dunvegan and Maxville.

Mrs. John Loewen spent a couple of days in Pembroke visiting her mother Mrs. Fred Hampel and relatives.

Home for the weekend from Ottawa; John Loewen, Barbara Loewen, Louise Hart, Heather Tenger and Ivan Ladouceur. Joan Montgomery spent Sunday in Montreal with her father.

Sight Being Saved By Eye Machine Gift Of District Lions Clubs

This past year the Lions Clubs of District A-4 which include 44 individual clubs throughout Eastern Ontario and Western Quebec donated $28,000 to purchase an Argon Laser Photocoagulator for the Ottawa Civic Hospital. This machine first became available to use in treatment of eye diseases in 1970 and already medical researchers are lauding its usefulness in conserving sight.

The machine makes use of an old principal that light can burn. As children most of us can remember burning a hole in a piece of paper with the light from the sun properly focused through a magnifying glass. This machine contains a very bright green light within its works and through a set of mirrors, shutters and lenses the light is directed at disease in the eye under microscopic control by the Eye Surgeon. As the surgeon directs the light from the machine, burns of microscopic size take place in the retina of the patient's eye at the back. The retina is like the film in a camera. One might shudder to hear of burns being placed in an eye but these are of such miniscule size that there is no awareness by the patient of any discomfort during the treatment in which as many as five or six hundred such burns may have been placed.

The Argon Laser Photocoagulator is best adapted to use in the treatment of blood vessel diseases in the retina as so often occur in patients with diabetes, high blood pressure and atherosclerosis. These diseases can in some patients lead to blindness when the abnormal blood vessels break, causing hemorrhages, or crack, allowing an ooze of plasma outside their walls. The Argon Laser light is then employed to either completely destroy the abnormal vessels or merely cauterize the oozing segments thereby preventing or correcting these complications. The same machine has been of some value in improving vision in patients who have degenerative disease of the macula or central retina which is the minute part of the eye we use for reading vision and other fine detail.

The Surgeons (Ophthalmologists) who use this machine are quick to report that it is not a panacea. Many patients unfortunately are seen so late in their disease that little can be done and the doctors point to the continued importance of early detection of these problems by regular eye examinations. One words it this way: "It is easy to put out a fire when it is first detected but much more difficult after it has burned out of control. The same is true of many eye diseases."

Since the Lions Clubs first installed the Argon Laser in August of 1972 several hundred treatments have been performed on patients who live in the district it serves. Many of these have been saved from blindness and its accompanying miseries. One such patient in a letter of thanks to the Lions Clubs says "I am now able to read quite readily without glasses, and have hopes that my eyesight will improve still further. Therefore, I express to you, on behalf of my doctor and myself, a profound and thankful realization of what your hard work and generosity have allowed him to accomplish for me."

TOP HOCKEY STUDENT—Francois St. Pierre, 12, of Alexandria, won the honor trophy as outstanding boy at the Kingston Summer Hockey School during the week of Aug. 26-Sept. 1st. He is the son of Mr. and Mrs. J. St. Pierre, Kincardine St.

Dance Competitions A Feature Of MacLeod Clan Gathering

Clan MacLeod Society of Glengarry held its 37th annual gathering in Dunvegan Hall on Friday evening September 14th. The president, Donald Norman MacLeod, chaired the business meeting. Reports were heard from the various committees. John K. MacLeod, representative of Historical and Sales Committee, reported that book sales had been very good, and that all borrowed money had been repaid. The clan book "MacLeods of Glengarry" may be purchased from committee members. Mrs. R. D. MacLeod on the program committee, reported that the spring concert and dance was very successful, and they plan to hold another next year.

The past president, John Allen MacLeod, was chairman for the evening's entertainment. The variety program consisted of several musical selections by the MCs orchestra which included Mary, Florence and Janice MacCrimmon, Sandra MacLeod, Myrna Calvank, Lois MacMaster, Carey MacMillan and Darrel MacLeod; violin selections by Ian and Darrel MacLeod.

Scottish songs by Janet MacEwen, Nancy, Patricia and Rhonda MacLeod. A humorous reading titled "Grandmothers" by Mrs. Dan MacRae; step dancing by Debra MacCulloch and Sherill MacLeod.

Solos by Allan MacLeod and accordian and piano selections by Mrs. A. K. MacPherson and Mrs. R. D. MacLeod.

This year two dancing competitions were held. Pipe Major John MacKenzie accompanied the dancers and Mrs. Joan Villeneuve was judge. Winners of the junior group age ten and under were: 1st, Donna Ferguson of Maxville; 2nd, Gail MacMillan of McCrimmon and 3rd, Sandra MacGillivray of Kirk Hill.

In the senior competition the winner of the Farquhar MacLeod trophy for the Highland fling was Debra MacCulloch of Martintown; 2nd, Patsy Campbell (Maxville) and 3rd Janet MacEwen (Ingleside).

After more pipe selections by Pipe Major John MacKenzie, John Allen MacLeod thanked all who took part in the evening's program and all the lassies who competed in the dancing competition. Refreshments were served and a social hour enjoyed.

POULIN—GAREAU

Saturday, August 25th was the day chosen for the marriage of Jackie Gareau and Andre Poulin. They were married in St. Mary's Church, Green Valley at 4 p.m., Rev. Gilles Deslauriers officiating. April Ann MacDonell was organist and Misses Ann and Susan MacDonald were soloists.

The bride is the daughter of Mr. and Mrs. Marcel Gareau, Green Valley, and the groom is the son of Mr. and Mrs. Rene Poulin, Alexandria.

Given in marriage by her father, the bride wore a gown of white satin and voile, styled with a high neckline, empire waist, mutton sleeves and full billowing skirt. It was trimmed with pink ribbon and lace. A Juliette cap held her floor length veil and she carried a large bouquet of pink carnations and baby's breath.

She was attended by Mrs. Allan Poulin as matron of honor and her sisters, Pauline as bridesmaid and Jo-Ann as flower girl.

Allan Poulin was best man and ushers were Claude Poulin and Marc Bellefeuille.

The reception was held at Green Valley Pavilion. Guests were present from Cornwall, North Augusta, Oakville, Kingston, St. Catharines and the surrounding area.

For their wedding trip to the Gaspe, the bride wore a blue and white pant suit with corsage of pink carnations.

The couple will reside in Magog, Que.
