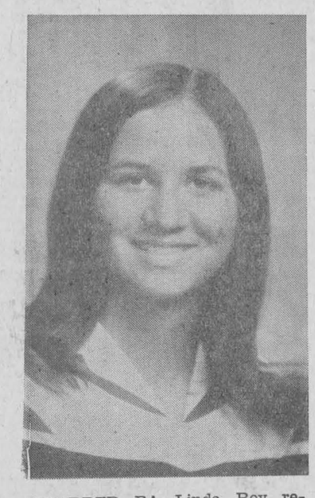
Member Of Diocesan Clergy Rev. Rheal Gagnon Died At 50



AWARDED BA—Linda Roy received her BA degree with a major in sociology at Convocation Exercises of the University of Windsor, Oct. 17th. A graduate of GDHS and the daughter of Mr. and Mrs. Rene Roy, Green Valley, she is presently attending the Faculty of Education at the University of Windsor.

A widely known and esteemed member of the diocesan clergy, Rev. Rheal Gagnon died Sunday at Ottawa, at the age of 50.

In ill health for the past ten months, Father Gagnon had been forced by illness to resign his post as parish priest at Our Lady of the Rosary Church in Crysler.

Born Oct. 5, 1920, in the Casselman area, Father Gagnon was a son of the late Claude Gagnon and Sarah Desautels who came to reside in Alexandria in his youth. He was ordained May 16, 1948, in Cornwall by then Bishop Rosario Brodeur and served for several years as secretary to the bishop here.

He had also served as curate in Sacred Heart Parish here, as well as at Nativity and St. John Bosco parishes in Cornwall. Father Gagnon was also first pastor of St. Mary's Parish, Green Valley.

Two sisters and a brother, all residents of Ottawa, survive.

The funeral will be held in Our Lady of the Rosary Church, Crysler, Thursday, at 1.30 p.m. His Excellency Bishop Adolphe Proulx will concelebrate the mass with other members of the clergy.

Burial will be at Eastview.

Turn Back The Clock Saturday

Daylight Saving Time ends at midnight Saturday and we get back that hour of sleep we skipped back in April. Readers are reminded to turn the clock back one hour on retiring that night.

Anyone travelling by train Sunday should check for changes in schedules. A new time table had not been received yet at the local CNR station last night, but there are usually minor changes at this time.

Warden's Banquet

Lancaster Reeve Alex McNaughton will play host at the annual Warden's banquet being held next Friday, Oct. 30th, in the Torch Room at Cornwall. Area members of Counties Council and other friends will be attending.

Young And Old Set For Saturday's Lion Walkathon

Pledge cards are still being signed for Saturday's Walkathon and the organizers report quite a large number of adults and school children will be out to test the 24-mile route. A bus will be on the road to pick up any whose feet play out.

The walk is sponsored by the Lions Club in aid of the majorette corps and other community projects. A number of Lions members will be walking while others are manning check points with some of the majorette mothers. Some lady walkers are promised and a large number of primary school children, though a lack of enthusiasm is reported among the high school age group.

The walkers will be leaving the high school between 7.30 a.m. and 10 a.m. to follow a route that will take them via Glen Robertson, Glen Sandfield, Quigleys and Fassifern, back to the school. Five check points will be manned along the route and there will be refreshments at Glen Sandfield in the form of donuts and milk, both white and chocolate.

No matter the weather the walkathon is set for Saturday.

NEW AIRSTRIP READY—The first runway on Alexandria Flying Club's new airstrip, one mile east of town, is now ready for use and local flyers expect to be landing on it after freeze-up. The 200 ft. by 3200 ft. strip running east and west is grassed but a bit soggy due to recent rains. The new airstrip is outlined in black, above, with Alexandria seen in the background and the Delisle River and McCormick Road upper left. The new flying field is on the former Aime Ouimet farm and long range plans of the young club call for a 1400 ft. long runway running north and south, as well as a hangar. The club is holding its first annual dance Oct. 31st at the Bonnie Glen Pavilion. —Photo by Robert

Storm Sewer Work To Start Almost At Once Main Street Will Be Extensively Torn Up

Main Street may be extensively torn up within the next few weeks as work gets underway on installation of new storm sewers.

Town officials this week received final approval from the Municipal Board for the storm sewer installations. Although Board approval for the street resurfacing is not yet forthcoming it is expected work on the sewer lines will be started as soon as the contractor can initiate the work.

The town engineer has been asked to get in touch with Vanson Construction Co. of Ottawa, which earlier was let the contract for construction of the connecting links.

It is probable work on the storm sewers will start on the area of St. George St. and work south to the Garry. Sewers will also be laid from about the town office north to the Garry.

The contract for resurfacing Main and Kenyon West calls for work block by block but this may not be possible with the sewer lines, officials feel. The lines have to be laid and a gravel base for the street will have to have time to settle before street surfacing can be done, possibly next summer.

Other municipal construction expected to start soon is the work on the water filtration plant. The Hamilton contractor is expected to move in almost at once to start the project.

Poppy Blitz On Saturday Night

Members of Alexandria Legion Branch and their volunteer helpers will be conducting a Poppy Blitz in town Saturday night when they will visit the homes. Proceeds go to the Poppy Fund to assist those in need.

Tendered Dinner On Retirement

Business associates and friends of Murray MacQueen and his wife, Thelma, tendered him a retirement dinner at Ottawa, Oct. 16th, on the occasion of his retirement from the John H. Breck Co. A native of Dunvegan, Murray was vice-president of Canadian operations and general sales manager at the time of his retirement after 20 years with the company.

Jack Jordan of the Ottawa office presided at the dinner in the Talisman Hotel when branch offices in Vancouver, Toronto, Montreal and Halifax were represented.

Gifts presented to Mr. and Mrs. MacQueen included a colored TV set, lawn chairs and an illuminated scroll.

Angus H. McDonell represented Glengarry sport fans and Alexandria Lions Club. Mr. MacQueen has been a valued supporter of the annual Sportsmen's Dinner here.

Studying For Master's Degree

Donald Ross MacLeod of McCrimmon, a geotechnical engineer with the Saskatchewan Department of Highways has been awarded three scholarships and is now attending the University of Saskatchewan in a master's program. He has been awarded the Warnock-Hersey Good Roads scholarship by the Canadian Good Roads Association, a University of Saskatchewan scholarship and a joint Highways-University research scholarship.

A son of Mr. and Mrs. John Ross MacLeod McCrimmon, Donaldson is a graduate of GDHS and of McGill where he won the civil engineering degree in 1968. He has since been employed with the Saskatchewan Department of Highways.

Richelieu Club Already Working On Carnival

The Richelieu Club is already working on plans for its fifth annual winter carnival and chairmen of the various committees were named at a special meeting Monday night.

The carnival will be held Feb. 26-27-28, 1971.

John F. MacDonald will be general chairman with Claude Ouellette, assistant. Chairmen of committees:

Coronation of Queen—Paul Poirier.

Parade Marshal—Laurent Crevier.
Supper—Richard Lefebvre.

Area Men Jailed For Cattle Theft

Two Maxville area men were sentenced to nine months definite and six months indeterminate on charges of cattle theft, when they appeared in provincial court here yesterday before Judge Michael Fitzpatrick.

Charles Angus Menard, 38, of RR1 Maxville, pleaded guilty on Sept. 21 to five charges of cattle theft. He was given concurrent sentences on the charges.

Dennis Harvey Montroy, 50, of RR1 Maxville, also pleaded guilty Sept. 21, but to four charges.

The crimes occurred in June and July. The hearing was on Sept. 21 and the two men pleaded guilty.

The two men had stolen nine Holstein cattle from four area farmers. They were valued at $1,363. They sold the cattle.

Neither man had a criminal record.

Drop Noted In School Attendance

A decrease enrolment of 146 pupils within the Tri-County Roman Catholic Separate School board system may cost the board up to $30,000 loss in grant revenue.

Statistics just released show 82 fewer students are enrolled this year in the board's 30 bilingual schools and 64 fewer pupils in English-speaking schools.

The effects of the grant loss on the Separate School board's budget is being reviewed.

OPP Continue Security Checks At All Quebec Border Points

Security checks of all cars entering the province from Quebec are continuing at area border points and Sergeant Harold Buttle of the OPP at Lancaster, has no idea how long they will be maintained.

Some 20 checkpoints were established at road and ferry exits from Quebec and every car entering Ontario is given a security check. Eleven points in Glengarry are being manned.

Officers from No. 10 detachment Perth and from the Morrisburg and Long Sault posts are here assisting the Lancaster police.

The checkpoints were set up early Friday afternoon and an estimated 15,000 were stopped over the weekend. Some line-ups on Highway 401 stretched for three-quarters of a mile and motorists coming into Ontario reported delays of from one to two hours.

No arrests have been made, reports Sgt. Buttle and no one has been denied entrance into Ontario.

The crisis in Quebec triggered the security checks and police had been warned to watch particularly for three cars bearing Quebec licence plates. They were also on the lookout for two men, Paul Rose and Marc Carbonneau, wanted by Quebec police in the kidnappings.

AMONG GOLF WINNERS—Some of the trophy winning golfers at Saturday's dinner-dance are caught by the camera. In top picture President Adrien Filion is flanked by Club Champion Cliff Rae and "C" Class Champion Paul Goupil. Mayor Touchette Has Hat In Ring

Any speculation that Mayor Jean Paul Touchette might be thinking of retiring from public life was dispelled yesterday when the mayor informed the News that he would be seeking re-election next month.

"My hat is definitely in the ring", he stated. "There are several projects started but still uncompleted and I should like to stay on to see them through," he said.

Mayor Touchette took a few weeks off in late summer when he acquired an interest in the Menard Construction Co. at Green Valley and assumed management of the firm. "That business no longer needs as much of my attention", he explained, "and I should have plenty of time to devote to the job of mayor."

Alexandria will be electing a full slate of councillors and PUC members this year, as well as public and separate school trustees.

Nomination day will be Monday, Nov. 23rd, earlier than usual because trustee nominations must be held that day. Clerk-treasurer Don Collin hopes to have all nominations that night, between 7 and 8 o'clock, but if there are too many trustee nominations they could be transferred to afternoon.

Voters lists are now being prepared and elections will be held Dec. 7th, if needed.

Continues Probe

Inspector Simmons of the Fire Marshal's Office, Toronto, returned to Alexandria yesterday, to continue examination of the ruins of the recent fire which destroyed the Welfare Office building.

He has not yet made a statement as to possible origin of the blaze.

John E. Cameron Died At Detroit

A native of Alexandria, John E. Cameron of 14401 Mettetal St., Detroit, Mich., died Oct. 8th in Providence Hospital. He was 65.

Mr. Cameron was a son of the late Mr. and Mrs. Alexander Cameron of Alexandria and he left here 46 years ago for Detroit. He worked for 25 years as a dynamometer technician in the Cadillac Division of General Motors Corp. before joining the Ford Motor Co. 18 years ago.

He was a member of Monaghan Chapter, Knights of Columbus.

Mr. Cameron is survived by his wife, Hilda, two sons Brian and Jack, three daughters, Sharon, Mary Margaret and Patricia and four grandchildren, all living in Detroit.

Also surviving are a brother, Vincent Cameron of Belleville, and two sisters, Miss Rita Cameron and Isobel, Mrs. R. Labrosse, both of Montreal.

The funeral was held to St. Mary of Redford Church on Oct. 10th with interment in Holy Sepulchre cemetery.

Pallbearers were Charles and Angus McDonald, Clarence MacMillan, Jack McPhee, Henry Hoffmann and Richard Lasalle.

Out of town relatives attended from Montreal, Ottawa, Belleville, Toronto, Windsor and Saskatoon.

Herb Roach And Malcolm Dewar Top Trophy Winners In Annual Fiddling Contest

The 11th annual Old Time Fiddlers' Contest, sponsored by the Glengarry Historical Society, was held in the Auditorium of the Glengarry District High School, Alexandria, last Saturday evening.

Major Grant MacGillivray welcomed the audience, and the Society's official piper, Archie McDonell of Greenfield, played at the beginning of the program, and during the short intermission.

The winners in the categories were as follows:

Piano: Junior Class for the White Heather Trophy, presented by Mr. and Mrs. V. F. Crowley:
First, Diane MacKinnon $15
Second, Malcolm Cumming .. $10
Third, Audrey Kyle $5

Senior Class for the Sauve trophy:
First, Lloyd MacCuaig $15
Second Mrs. A. K. MacPherson $10

Sutdent Violinist Junior Class, for the "Little Jack" MacDonald Memorial trophy:
First, Ian MacLeod $15
Second, Kimberley Clare $10
Third, Darrel MacLeod $5

Intermediate Class, for the MacPhail trophy:
First, Gregory MacCulloch .. $15

Vocal Class (Junior):
Allan MacLeod $15
(sole competitor)

Violin Class (old time music) for the Old-Time Fiddlers' Association trophy:
First, Herb Roach $25
Second, Ray Couture $15
Third, Gerry Lafleur $10

Violin Class Scottish — March, Strathspey and Reel, for the Glengarry Historical Society trophy:
First, Malcolm Dewar $50
Second, Mrs. Roma McMillan $35
Third, Allan MacPhail $20

While there were fewer competitors than in previous years, as seen by the various results, it was encouraging to note that in the Junior Piano and Violin classes entrants were increased over 1969. As music is now taught as a subject in many yschools, it is hoped this will continue.

Second Walkathon At Maxville

Saturday's walkathon here will have its counterpart at Maxville where the students' council of Maxville High School is staging one. The walk will cover a distance of 12 miles, from Maxville to Highway 43 and return.

Injured In Cornwall Accident

Two people are in hospital after an accident at an intersection on Dickinson Drive, Cornwall, late Tuesday afternoon.

Mrs. Shirley Simpson, 24, of 306 Hoople Ave., was admitted to General Hospital with scalp lacerations and injuries to her right knee.

The passenger in the other car, Mrs. Alice Squires, 68, of RR1 Apple Hill, was admitted with hip and chest inpuries. Both are in satisfactory condition.

Two passengers in Mrs. Simpson's car were treated for minor injuries, while the driver of the second car, Sidney Squires, 73, escaped injury.

New Law Against Burning Leaves

Complaints have been received that neighbors are burning their leaves and Fire Chief Gerald Charlebois reminds that such action is not only contrary to a municipal by-law but contravenes a provincial law.

The air management branch of the department of energy and resources management has issued a directive banning all burning of leaves. Any person who contravenes the act is liable for a fine of up to $2,000. The new anti-pollution act over-rules any municipal by-law now in force.

Clergy Transfer

Rev. George Maloney has been appointed administrator of Cornwall's Blessed Sacrament Parish by Bishop Adolphe Proulx. Father Maloney has been assistant pastor at St. Columban's Parish.

The appointment was necessary due to the illness of Rev. John MacPhail.

County Museum To Have Windmill

An interesting addition has been made to the museum property at Dunvegan, the Glengarry Historical Society reports. Recently purchased is a large windmill which formerly stood on the property of Archibald MacDonald of the Glen Sandfield district.

Moving day for the windmill was last Thursday (October 15th) and the move was done by Louis Chenier and volunteers John D. MacMillan, James MacCallum, Willie Jamieson, Omer Malette and Carman MacMillan. Carman was responsible for making the approximately 40-feet climb to the top of the windmill for rope-fastening. Loaded onto the wagon of Clarence MacMillan, it was transported to the Dunvegan Museum where it will await erection. Helpers at the Museum were Beverley McQueen, Allistair Campbell and others who helped to unload the windmill from the wagon,

While windmills, generally, are of a later date than the majority of items illustrating the pioneer period at the museum, it is felt that they are fast disappearing from the local scene, and in future years, it may be that the Society's windmill will be the only one that the younger generation has ever seen.

YOUNG FIDDLERS TAKING OVER—Fewer adult competitors took part in Saturday's Old Time Fiddlers contest but there was an increase in youthful bowmen and that promises well for future competitions. The camera caught, from left to right, Gregory MacCulloch of Glen Roy, who won the McPhail trophy in intermediate class; Kimberley Clare of Maxville, Ian MacLeod, Kirk Hill, and Darrel MacLeod, Laggan, who placed second, first and third, respectively, in the student class. The Glengarry Historical Society sponsored this 11th annual competition in the auditorium of GDHS. —Photo by Robert

IT'S OUR OPINION

We Welcome Our Twin

Alexandria is now officially twinned with the municipality of Ile Bizard, Que. The wooing has been in process over the past few years and the ties were bound over the Thanksgiving weekend when a representative group of our citizens returned the visit our Quebec friends paid us on July 1st.

This is something of a marriage of convenience, entailing few if any obligations by either partner. The twinning provides an excuse for people of the two communities to come together at regular intervals and is intended to broaden friendships and deepen understanding between the two groups of people.

Certainly that is a worthwhile goal, in the centennial spirit that sought to bring Canadians from every province together and give them a better picture of the whole nation. The more we see of the country, the better we get to know fellow Canadians, the less provincial will be our outlook and more understanding should we become of the problems that are often common to all of us.

Now that we are twinned with Ile Bizard there will be occasions each year for getting together in a spirit of goodwill. The more of us that get in on the act the closer will be the ties that twin us. This paper has been twinned with the Reporter de Jacques Cartier and the regular exchange of journals should provide us with a word picture of an Ile Bizard we have not visited for some thirty years.

At a time when separatism looms large in the news it is a refreshing change of pace to record the fact communities on both sides of the provincial border are being brought closer together in a spirit of friendship and understanding.

Drastic Surgery May Not Be A Cure

Imposition of the War Measures Act by Ottawa is an unprecedented move in our peacetime history and many Canadians last weekend were seeing it as possible overreaction to a purely provincial problem.

The cold-blooded assassination of at least one of the two men kidnapped by the FLQ, Pierre Laporte, Quebec's Minister of Labor, should put an end to any speculation as to the need for this federal action. The callous slaying of their prisoner leaves no room for doubt but that this challenge to law and order by the FLQ is one so grave and fraught with the threat of so many similar tragedies all weapons in the arsenal of society must be brought to bear on these secret cells.

One unit at least of the FLQ has taken the irrevocable step of cold-blooded killing. There is no future now for these felons except in successful revolution. Having taken one innocent life, there is little or no compunction against assassinating others and there will be more victims unless these underground cells are quickly uprooted.

The federal action must now have general approval across Canada and the overriding feeling must be one of relief that the federal and Quebec governments are at last committed to an all-out war against the FLQ.

These cells that have moved from bombings, murder and robbery to abduction and assassination of ranking personalities have been compared to cancer cells and the comparison seems an apt one. In its earliest stages cancer does not disaffect the host organism to any noticeable degree. If left unchecked, though, the cells multiply and grow more virulent until they not only destroy the organism but spread through other, once-healthy tissue to ultimately bring death.

If caught in its early stages cancer can be checked and completely eradicated. Once it becomes virulent the only chance of survival is major surgery. Even total removal of the sick cells is no guarantee the cancer will not return.

Successive Quebec governments did little or nothing to contain these FLQ cells in their incipient stages. Despite bombings and rioting that resulted in seven deaths the Quebec courts demonstrated unwarranted leniency that reflected wide public opinion sympathetic to the goals of those young terrorists, if not to their methods. Even after two prominent men had been abducted and threatened with merciless death, the mood in government circles seemed more in favor of bargaining with them, of appeasement, than all-out war.

The need for radical surgery was recognized only last week when the threat of assassination was added to the weaponry of the FLQ. The Quebec Government and the Montreal administration found themselves incapable of coping with the spreading cloak of fear and unrest. They sought the help of the federal government and the result is the outlawing of the FLQ and imposition of this drastic measure that puts the entire country under arbitrary legislation never before imposed in peace time.

Prime Minister Trudeau has promised the nation that only those sections of the War Measures Act needed to cope with the FLQ will be brought into force. He has also assured Parliament that a bill is being readied that will provide only the measures thought necessary to meet this problem in Quebec. When it has been passed by Parliament the Prime Minister promises the War Measures Act will be returned to mothballs.

The country is in a mood to go along with that if there is the promise law and order will be restored to a less volatile Quebec. That may not necessarily follow, though. As with cancer, the virulent cells may be cut out but that is no guarantee the disease will not remain.

There is no certain cure for cancer because science has yet to discover its cause. That is not as applicable in the case of these FLQ cells and so there is room to hope this festering sore can be completely exorcised in time. They are born of the general unrest in Quebec that has fostered such widespread support for separatism. These cells germinate most freely in the schools and universities of that province and it is widely accepted that they find fertile ground for growth in the separatist attitude of many teachers.

Until that attitude is changed in academe there is little chance but that these virulent cells will continue to plague the body of Quebec society. We need look back only to the decade of the '30's to see how Hitler's Germany brainwashed an entire generation of a nation's youth. Not all Quebec's teachers can be condemned as purveyors of hate but it must be significant that the colleges and universities of that province are the breeding ground for many of that province's young militants.

Quebec is not alone in having to cope with militancy in its halls of learning. It does have a special problem, though, a cancer that can only be cured by a new public outlook in that province.

We're All To Blame

The recent events in Montreal must surely have jolted many Canadians who have spent their lifetimes smugly supposing such things just couldn't happen here, suggests the editor of the Delhi News-Record.

We've watched with horror the goings-in in the United States from the safety and comfort of our Canadian living rooms. We watched their Dallas, their Mississippi, their Detroit, their Buffalo and other disorders, and comforted ourselves by believing Canadians just wouldn't behave that way.

Oh, sure, we've had our Montreal hockey riot of some years back, numerous mailbox bombings, and the odd Crystal Beach-type disturbance. But nothing serious, we kept telling ourselves.

Now we have a truly frightening situation in Canada. And it's going to get worse. No handful of wild-eyed lunatics, these FLQ people who have snatched a British diplomat and a minister of the Quebec government.

The FLQ is apparently well-organized and means business; its threats that the blood of innocents will be spilled to achieve its aim ought not to be taken lightly.

We've heard a lot of barbershop and bar room chit-chat about what ought to be done in Quebec—the best idea being that the imprisoned FLQ terrorists whose release is sought should be shot at the rate of one per hour until the abducted persons are returned unharmed—but those would only be temporary measures.

The harm has been done over a very long period of time by a wide variety of "civil rightists" whose various causes have encouraged politicians over the years to make changes which ought not to have been made.

In our own short lifetime we've watched the strap disappear from many schools; we've seen parole systems tampered with to such an extent that "life" imprisonment now amounts to about 10 years; imprisonment itself including such amenities as conjugal arrangements, relatively luxurious surroundings and all sorts of gimmicks to reduce sentences.

We've watched students picketing and protesting various types of discipline and blackmailing authorities into changing the rules; we've been blackmailed ourselves by labor unions (with the sanction of government) and forced to submit to four-year apprecenticeship programs to operate typesetting equipment which a 10-year-old can learn all about in half an hour.

We watched the abolition of capital punishment and have heard all the outcry against the use of the lash.

The tools of law and order have been blunted to such a degree by the various "civil rightists" that they no longer are effective deterrents to crime.

It's time we had a long hard look at our society and time some of our politicians had the courage to stand up for revisions of our penal code which would be unpopular with the vocal minority.

Honest people have nothing to fear from the hangman's noose or the jailer's lash. Honest people have nothing to fear from unairconditioned cells or hard labor in the penitentiaries.

But honest people are in fear now because the over-zealous minority has been effective in eroding the time-honored deterrents to crime. It's time Parliament had a look at who ought to be protected from whom.

And we could start by bringing back the noose and the lash—the sooner the better.

Municipal bulletin No. 4 issued by the Ontario Department of Agriculture, has interesting data on Glengarry municipalities. Populations for 1910, based on reports by the assessors on April 30th last, show Alexandria at 2,322; Maxville at 787, and Lancaster at 620. — Mrs. Duncan J. Macdonell, of this place, recently disposed of Lots 15 and 16 in the 1st of Lochiel, containing in all some 300 acres, to Joseph Seguin, who owns the adjoining property. — The "Hunters Home", South Lancaster, has quite a number of American sportsmen these days, but as yet the ducks are not numerous. — T. J. O'Shea has the new gasoline lamp system installed in his store at Apple Hill. — In attempting to stop his team, which ran away at the station last Friday, Joseph Trottier of Lochiel, was knocked down and a wheel of the wagon passed over his body. His injuries are not serious.

SEVENTY YEARS AGO—

Friday, October 19th, 1900

The local branch of the Bank of Ottawa moved to its new building, corner of Main and Kenyon Streets, on Monday. — Bert McKay has secured a position as news agent on the Quebec and Ontario Division of the CPR. — G. G. Price has sold his house and lots on Mechanic Street, Maxville, to John D. McRae of Dyer. — While working in the Alexandria Export Company's factory at the station on Monday, Isaac Theoret suffered two deep gashes in his left cheek. While he was engaged at the ripping saw a piece of plank flew back, striking him in the face.

The Weeklies Say

POWER BOOST

The future economic development of the North Shore area got a boost when an official start was made on the construction of a new high-voltage direct converter station which is to be built on Ell River. This important new power station will form a vital link in the general increase of electric power supply which is being gradually built up throughout Eastern Canada and which in time could be the means of transforming our present backward economy into one of prosperity.

LETTERS to the EDITOR

GETTING RESULTS

Dalkeith, Ont.

The editor,
The Glengarry News,

On behalf of the Clan MacLeod Society of Glengarry, we would like to express our thanks to you for the editorial you wrote on MacLeod Clansmen. We have had letters from as far away as Nanaimo, BC; Hawarden, Sask.; Pembroke, Willowdale and other points closer to home. We have also received through your editorial several orders for the book, when it is printed.

The book will go into print some time after the new year. We would like to have in by that time all the MacLeod family trees of Glengarry and former Glengarrians. We would appreciate it if all family trees would come in type-written so that no mistakes will be made in the printing of the book.

We have set up a fund to help pay for the printing of the book and it has already been favorably responded to. All donations are to be sent to D. Alexander MacLeod, RR1 Dalkeith, Ont.

Thanking you, Mr. editor, for space in your paper, I remain yours truly,

J. K. MacLeod,

Young Opinions . . .

Where Have The Young Men Gone?

(by Celine Bourbonnais, Grade 12)

A sudden wave of mysterious deaths (or are they . . .?) hit the rock scene. Within one month, two of the most renowned artists of the 'blues' died — first Jimi Hendrix then Janis Joplin. They went as suddenly as they came to their peak in the entertainment world.

Some say it was a coincidence — was it? Both were working in the same field; they were great stars in their twenty-seventh year and both had needle marks on their arms. One might say that Hendrix was in London while Joplin was in Los Angeles, but what are distances today?

These people whom we look up to and listen to have decided to leave us. They, who had the talent, are now keeping it to themselves. No more will we see a Jimi Hendrix strumming a guitar 'to the bone' as he did in Woodstock nor a Janis Joplin singing and dancing at the Monterey International Pop Festival.

These are the people we admire, we feel have everything, can do anything, yet who die of an overdose of drugs. We must wake up to the fact that no world is a dream world. No world is without its 'blues'. Yes, one may ask, "Where have all the young men gone? . . ." for the best of a generation is leaving a world which they are afraid to face.

RAMBLING REPORTER

by Ed.

WALK TALK

That walkathon set for Saturday should be right down the alley of a Rambling Reporter. We were all set to go as soon as we heard the Lions were planning one.

Our feet aren't our best feature, mind you, but through the summer they've been covering some three miles on the golf course regularly. Without that heavy golf cart to haul we figgered we'd be good for a stroll as far as Glen Robertson at least; and maybe all the way if the spirit moved us enough.

That's out, though. Your Rambling Reporter won't be walking Saturday 'cause Walkathon Organizer Doug. Baxter has called him to higher duty. Darned if we know what we'll be doing, but Doug has asked for our services and what can a loyal Lion do but growl OK.

Maybe he'll have us checking the girls to be sure their minis aren't too short.

The News will be represented in the walk, though. Sports in the Glens columnist Angus H. will be heel and toeing and we hear a whisper he may be waggling the kilt if the weather's not too raw. He's got us more than a bit worried. We bet 50 cents a mile he wouldn't make it to Glen Robertson and that just might egg him on all the way to Glen Sandfield.

It's a wonder more high school kids aren't getting into Saturday's walkathon. It's heading East.

NEVER HAD IT SO GOOD

A magazine quip suggests, "The true value of horses is shown by the fact that the horse was afraid of the auto during the period when the pedestrian laughed at it."

We gather from that that old dobbin not only had hoss sense but a bit of second sight, too. When he took to his heels each time a Model T chugged into view it wasn't that Henry Ford's dream car frightened him out of his harness. He was a might scared, mind you, of that noisy mechanical contraption coming at him but what was bothering him more than the bit was a peep into the future.

He probably saw the dawn of a day when Henry had long ago made a lady out of Lizzie and the roads were so crowded by cars there was no room for horses, much less breathing. The king of the road may have been seeing a day when he'd be dethroned and the dray was picturing today's giant box cars hauling tons of everything from milk to liquid manure.

Actually though, if he'd had real horse sense dobbin would have been looking forward to an equine heaven on earth. Seems to us the horse has never had it so good and his missus, as you'd expect, has it even better.

All she's expected to do today is lounge in green pastures and produce a colt each year. Of course she's wearing a sort of girdle under her tummy day and night and that could be wearing and maybe a bit hard on the nose. She may be in a mood for planned parenthood but that annual pregnancy keeps her in clover. It's a far cry, in this day of the tractor, from the Victorian age when she was expected to do the plowing, log hauling and even bring Farmer John to town for his bit of brew.

The male of the species is making hay in a different way, too. He's expected to keep the mares expecting, but that's about all he's expected to do except go to fairs and horse shows. Saddle clubs are all the thing today and almost any self-respecting horse can find someone who'll buy him oats. All he's got to do is a bit of jogging once in awhile, just like people do, or maybe get into a game of cowboys and Indians.

That's a cinch compared to the double harness he used to travel in.

That quip we started out to elaborate on reminds that the pedestrian laughed at those first gas buggies and well he might have as they snorted and bounced over the rough and muddy roads at 10 miles an hour or less. Now the pedestrian is one of a shrinking minority, entirely without status. The fellow who can latch onto some of those vintage cars is laughing his way to the bank and buying a riding horse for his leisure use.

It's the driver of today's high-priced car who's wearing the heavy saddle today—a saddle of debt.

The oat-burner is supposed to possess hoss sense and yet you seldom hear of a riding horse throwing off a bad habit.

NEWS OF INTEREST FROM MAXVILLE AND SURROUNDING DISTRICT

Visiting with Mr. and Mrs. Nick Haramis and family are Mrs. Hilda Haramis and Mrs. George Miller of Renfrew.

The anniversary services at Maxville United Church were conducted by Rev. J. C. Kellogg of Knox United Church, Cornwall.

Mrs. John D. McRae and daughter Muriel of Ottawa, were weekend guests with Mr. and Mrs. Vernon Campbell and family.

Mr. and Mrs. Osie F. Villeneuve spent Thanksgiving weekend in New York City, visiting his sisters, Mr. and Mrs. Henry Adams and Mrs. M. J. Moore.

This weekend Mr. and Mrs. Osie F. Villeneuve had their whole family home with them on the occasion of their fortieth wedding anniversary, Mr. and Mrs. F. B. Mr. and Mrs. Elmer Weedmark of Ottawa, spent the weekend with Mr. and Mrs. Howard McEwen.

The Maxville Lions Club has a new fund-raising project under way this fall. This is a fifty-fifty draw in which the winner gets half the money, and the other half goes to one of the many charities or community projects which the club supports. Each Lion tries to contact five supporters for each draw, for a contribution of five dollars. The total this week was $85 and the winner of the draw was Hubert Quart, $42 for Hubert, and $42 for charity. Anyone interested in supporting this good cause is asked to contact any member of the Lions' Club for the next draw.

WI TO MEET

The Maxville WI will meet on Friday, October 30th, at the Maxville Community Hall.

A demonstration of liquid painting will be given by Mrs. J. B. Robertson, assisted by Mrs. Gordon Munro. Here is the opportunity for those ladies who have thought they would like to try this fascinating hobby, and for those who already practice this art form, remember, there are always new tricks to be learned.

Mrs. Norman MacLeod, WI district president, will give a report on the WI convention to be held October 21 and 22.

Mrs. John Sinclair is the afternoon's hostess, and the roll call for this meeting is an old superstition.

All visitors most welcome, and ladies, be sure and get your numbered ticket at the door, or you will miss your chance on the door prize.

TO HOLD MASQUERADE

Members of Maxville's Young at Heart Club are reminded that October 28th is the date of the Hallowe'en Masquerade, to be held at Maxville Manor.

The party will start promptly at 7.30 p.m., prizes will be given for the two best costumes. The program committee has arranged typical hallowe'en activities for this occasion.

NEW SERVICE STATION OPENED—Charlottenburgh Township Reeve Adrian Gadbois cut the ceremonial ribbon at the official opening of Roch Desjardins' new Glenoco Service Station at the east end of Martintown last Saturday. The white brick building is a handsome addition to the village's main street. Among those present at the opening ceremonies are, left to right, Raymond Ouimet, construction supervisor; Councillor Roger Lefebvre; Deputy-Reeve Bruce Sova; Reeve Gadbois; Roch Desjardins, proprietor; R. C. Gagne, township clerk-treasurer and Jean V. Guindon, Glenoco president.

PROPCORN*
A revolutionary low-cost system for storing high moisture-content corn for animal feed
*Registered user
Propcorn is an agricultural chemical system which destroys rot-causing moulds and bacteria in high-moisture corn. It permits safe storage of crops in conventional bins or on barn floors. Here are the main advantages of this new system:
- crops can be safely stored for long periods
- treated corn can be moved without deterioration
- the need for drying equipment or sealed storage is eliminated
- transportation and waiting time costs are greatly reduced
- losses due to multi-handling are reduced
- a continuous, efficient and economical harvest operation from field to storage is possible
- livestock is encouraged to feed better, fatten faster

Four Senior Teams In Play-Offs Junior Final Here Today

High school football players, with desire, try big league plays as they take them from the TV screen and not only does this apply to the Glen-Prescott loop but also their carbon copy finish of the Eastern CFL with four teams in a huddle at the top.

Vankleek Hill posted their fifth straight as they won over Hawkesbury 15-8 last Friday in the Hill. Maxville edged Alexandria 16-10 and for the second successive year stopped Gaels from a second place finish. In Plantagenet, Don Kannon's Char-Lan troops were one TD better than the home team winning 20-13.

Alexandria juniors won over Maxville 13-0 to finish undefeated while the young Hawks were too much for VCI flying home in front 20-6.

Over in the Indian Lands, Ourtown's Gaels, that this writer not so long ago strongly suggested should be in the St. Lawrence River front senior EOSSA "A", were again sidetracked by a much smaller school in floor space and attendance as Maxville defeated Alexandria 16-10.

The Gaels started with assurance that they were to carry out their coaches game plan to the hilt as they went over from the five-yard stripe but the play was called back offside. Then Murray McDonald on a third down kicked a field goal for three points.

Maxville rallied and caught the Gaels completely off guard on an old, old Big Four (now the East CFL) play when Garry MacKillican dropped behind, on side, of the Maxville kicker then streaked down field to recover the ball and go 50 yards for a TD. The convert was no count, ending the first quarter 6-3 in favor of Maxville.

After changing ends "Moose" McCormick was sent around the flank on a 15 yard sweep to earn six points for Gaels and Murray MacDonald split the poles on the convert shot and Alexandria took over the lead 10-6. Just before the half flag Gaels defence held Maxville and Wayne Sproule was called to try a field goal from the 20 yard range and Sproule was good to bring the score up to 10-9 at the rest period.

During the third quarter dependable Richard Scott pulled in a Maxville pass over center and galloped the remaining 55 yards for the game winning TD that was converted on a pass to Ferguson. This was the final scoring play as both defences held their lines to give Maxville the win 16-10.

In the second half of the double header the young Gaels kept both their first place undefeated record intact, and no points against, as they defeated Maxville 13-0. Raymond O'Connell carried the mail over the line twice for a total 12 points and J. T. Hay was good on one convert to bring the total to 13-0.

There was no break in the Vankleek Hill winning skein as VCI handed Hawkesbury their second straight defeat 15-8. Early in the first quarter when the Hawks were trying to get out of their own end they fumbled on their five and VCI Danny Conway fell on the loose ball. Then the Hill students with this break made no mistake as quarterback Mike Hudson sent fullback Michael Laferriere over for a TD that was not converted. Near half time Hawkesbury kicked a single, half score VCI 6 Hawks 1.

In the third frame Paul Brunet hoofed a lofty punt behind the Hawks' goal line and Mike Hudson was in to grass the return runback to add a single. Then the Hawks came right back as the former Cornwall student, John Venutti, hit for a major that was converted by Bernard Laberge to give them the lead 8-7. With time running out in the final quarter VCI's Mike Hudson pulled the trigger on a bomb pass that was good to end Sid MacCallum who ran to Hawks five before being tackled. Mike Hudson, on a keeper, drove through to pay dirt for another six. The convert was no good but Paul Brunet later booted a single to make the final count 15-8 and clinch first place for the Hill school with five straight victories.

The junior game was a different story. Hawkesbury's Andre Hurtubise was a one man scoring punch as he crossed the VCI goal line for three majors, unconverted, but a safety touch was thrown in for good measure to give the young Hawks a 20-0 win and second place finish.

Williamstown closed out the schedule by handling Plantagenet at home, 20-13. Gordon MacDonald ran twice off left tackle to give Char-Lan 12 points and Dave Lauzon also added a major. Gordon MacDonald added two singles for a 20 total while Plantagenet scored one TD early and near the end of the game added a converted major for their 13 points.

The senior semi-finals start tomorrow (Friday). VCI in first place host the Gaels who finished third. In the other bracket Maxville travel to second place Hawkesbury grounds. Winning teams meet in the final for the James McArthur Memorial trophy one week from tomorrow and the choice of grounds will depend on the teams that survived the semi-final play.

Trophies And Prizes Presented At Golf Club Dinner-Dance

Members of the Glengarry Golf and Country Club closed out an enjoyable season of play Saturday night when the trophy night dinner and dance was held in Alexander Hall. Quite a few golfers were out Sunday to enjoy a last day of play before the clubrooms closed.

President Adrien Filion chaired the trophy dinner and welcomed the many club members and their friends present. Final reports covering a most successful year would be presented at the annual meeting in late November, the president declared and they would reflect a golf season in which officers and members had worked together to fine purpose.

Club Captain Cliff Rae was assisted by Gordon Gallant in presenting prizes to the men and junior winners. Lady Captain Mrs. Cecile Sabourin was assisted by Mrs. Colombe Amelotte, president of the lady golfers, in presentations to their group.

Dancing followed to the music of Simpson's orchestra.

Prize winners were:

Club championship—Men Class A, Cliff Rae; Class B, Leo Lemieux; Class C, Paul Goupil.

Handicap champions—Class A, Emile Hurtubise; Class B, Leo Lemieux; Class C, Sam Brunet.

Challenge tournament — Lloyd McHugh, Mike Amelotte, Emile Hurtubise.

Angus H. McDonell trophy—Cliff Rae, Myrt Leclair, Mrs. Isabel McGillis, David Amelotte.

Ronald Macdonald and Vince Barker presented prizes in the twilight league to Roger Roy's team including Paul Goupil, Gilles Houde, Carol St. Laurent, Peter Humenick and John Cormier.

LADIES

Club champion—Mrs. Denise Lemieux.

Handicap champion—Mrs. Alice Amelotte.

Mary McNulty trophy — Mrs. Rollande Theoret.

Ringer tournament—Mrs. Isabel McGillis, Mrs. Alice Amelotte, Mrs. Rita Bergmame.

JUNIOR

Club champions—Class A, Ken Parsons; Class B, Mike Costello; Class C, Peter Shennett.

Handicap champions—Class A, Ken Parsons; Class B, David Amelotte.

Twilight league—Mike Costello, Brian Filion, Michael McLennan, Raymond Bender.

Soccer Team Is Still Undefeated

The GDHS soccer team has so far gone undefeated in their contest with local high schools. Their victorious scores to date have been over Hawkesbury 6-0 and 7-2; Lachute 7-0; General Vanier 4-0 and Char-Lan 5-1.

Jerome Poirier is the team goalie; fullbacks are Alex MacDonald, Gerard Kennedy and Alcide Massia; playing halfback are Emile Theoret, Luc Lacombe, Ernest MacMillan and Adrien St. Denis and the forwards are: Alan and Tom Lowe; Murray MacGillis, Archie MacDonald, Brian Brodie, Lynn Morrison, Angus Macdonell, J. T. Hay, Mike Costello and Bob Fulton.

Leading scorers are Alan Lowe 4; Brian Brodie and Luc Lacombe three each.

This Saturday they take part in the EOSSA tournament in Smiths Falls, meeting Carleton Place in the first round at 10.30. On Tuesday they play in Lachute and next Thursday host Char-Lan.

CONDIE—MacDONALD

St. Andrew's Presbyterian Church, South Lancaster, was the scene of a pretty summer wedding, on Saturday, August 15th, when Barbara Mae MacDonald, daughter of Mr. and Mrs. Alex MacDonald, South Lancaster, exchanged vows with Ian Duncan Condie, son of Mr. and Mrs. D. A. Condie, Cornwall, formerly of Bainsville. Rev. Kenneth MacDonald of Martintown officiated.

The bride, who was given in marriage by her father, chose a traditional wedding gown of Chantilly lace with a scalloped neckline, appliqued with tiny pearl seeds and long sleeves coming to a point at the wrist. The back dropped to a long flowing train with scalloped edges. Her short illusion three-tier veil was also trimmed with matching lace. She carried a bouquet of deep pink sweetheart roses, trailing ivy, and baby's breath.

Mrs. Kenneth Bergeron was matron of honor and Miss Marilyn MacKay and Miss Rose Brunet were bridesmaids. They chose identical gowns of deep pink chiffon over taffeta, featuring empire waistlines, with smocked bodices.

William Condie, brother of the groom acted as best man, while Malcolm Condie, and Donald Cameron were ushers. Mrs. Mervin Robinson was organist and Constable Donald Prowse was soloist.

Following a reception and dinner dance held in the Lancaster and district Curling Club, the bride and groom left for a honeymoon at Lake George. The bride travelled in a lemon yellow coat and dress ensemble with brown accessories and matching corsage.

Mr. and Mrs. Condie will reside in South Lancaster.

Prior to her marriage, the bride was tendered numerous showers. Hostesses were teachers from both schools where she taught in the Lancaster area; Mrs. Kenneth Bergeron; Mrs. William Condie, assisted by Mrs. Donald Cameron; members of the Lancaster and district Curling Club; Mrs. William Cumming, assisted by Mrs. Mervin Robinson. A mixed party was also held for Mr. and Mrs. Condie.

CWL To Help Fire Victims

The regular monthly meeting of St. Finnan's CWL was held on Thursday, October 15th with 17 members in attendance.

Mrs. Sandra MacDonald reported on the 4-H Homemaking Club of which she is a co-leader.

Mrs. Alex McHugh reminded members of a personal pledge of one percent of all luxuries to be forwarded to the Peace and Development Fund for the Peace of the World. She also noted that any used magazines are greatly appreciated at the School for Retarded Children.

Mrs. Millie Reid announced that Patricia McDonald has won the $100 Scholarship awarded to the Grade XIII student from the parish with the highest standing.

It was decided to give a cash donation to the victims of this month's tragic fire, and to hold a Bake Sale after the Masses on the first weekend of November.

Funeral Held Of Mrs. Fred Parsons

Joan Parsons, beloved wife of Fred Parsons, Glen Robertson, died in the Hotel Dieu, Cornwall, Saturday, October 3rd, after a lengthy illness. She was the daughter of the late Angus R. W. MacDonald and the former Johanna MacGillis of Dalkeith, where she and her husband, Mr. Parsons, spent many years before coming to dwell in Glen Robertson.

Left to mourn her passing are her husband, Fred Persons, one brother, Major James R. MacDonald, Vankleek Hill, and five sisters. They are Sister Jessie MacDonald, Loretto College School, Toronto; Miss Flora MacDonald, Dalkeith; (Jean) Mrs. Finlay McGillis, Windsor; (Marian) Mrs. Joseph Artman, Detroit; (Grace) Mrs. Arlington Fraser, Lancaster.

The funeral was held to St. Martin of Tours Church, where the requiem mass was concelebrated by her nephew, Father Neil J. McGillis, Monsignor D. A. Kerr and Father Kenneth Martin.

Many friends and relatives followed her remains to the cemetery at St. Alexanders Church, Lochiel. Father Martin and Father McGillis recited the prayers beside her grave.

The pallbearers were three of her nephews, Gerald MacDonald, Robert MacDonald and James Fraser, Donald MacDonald, Joseph Lefebvre and Joseph Robinson.

Relatives from a distance included Rev. Neil J. McGillis, Adrian, Mich.; Sister Jessie MacDonald, IBVM, Toronto; James Fraser, Hudson, Ohio; Gerald and Robert MacDonald, Montreal and the following from Ottawa, Mr. and Mrs. Angus MacDonald, Mildred MacDonald, Frances Fraser and Winston Fraser.

Christopher Course Underway

Nineteen persons are attending a Christopher Course being given in the Alexander School under the sponsorship of St. Finnan's Parish Council. Angus R. MacDonell, Alexandria, and Lloyd MacDonald of Cornwall, are the competent instructors.

This leadership course seeks to encourage Christians to restore to our lives the basic fundamentals of Christian civilization through
(a) Communition—the ability to speak effectively,
(b) Human Engineering—the ability to understand, get along with, and handle other people.

"Better to light one candle than curse the darkness" sums up the Christopher approach.

Alfred St. Denis Died At 83

A former resident of the Greenfield area, Alfred St. Denis of Alexandria, died Thursday, Oct. 15th, in Glengarry Memorial Hospital. He was 83.

Mr. St. Denis was born at Lancaster, a son of Hilaire St. Denis and Emilie D'Aoust. After farming in the Greenfield area he came to Alexandria where he had been active in the affairs of Sacred Heart Parish.

Following the death of his first wife, Delima Cadieux, he married Alphonsine Poirier who survives as do five sons and five daughters. They are: Eugene and Osie St. Denis, Greenfield; Donat of Cornwall; Aldoma of Arvida, Que.; Emile of Ottawa; Ida St. Denis, Greenfield; Juliette, Mrs. Victor Lafleur, Woodbridge; Rita, Mrs. Robert McGimpsey, Moose Creek; Mae, Mrs. Steve Wood of Whitby, Ont.; Claire, Mrs. Frank Flood of Montreal.

Forty-one grandchildren and seven great grandchildren also survive.

The largely attended funeral was held Saturday to Sacred Heart Church where Rev. Patrick Breton PP was assisted by Rev. Alcime Poirier.

The pallbearers were Laurent, Donald, Bernard and Eric St. Denis, Andre Girard and Frank Flood.

Interment was in St. Catherine's Cemetery, Greenfield.

Making Home In Ottawa

MacLEOD—McEWEN

The marriage of Linda Elizabeth McEwen, daughter of Mr. and Mrs. Gordon E. McEwen, Maxvile, to Francis Wayne MacLeod, son of Mr. and Mrs. Francis MacLeod, Laggan took place August 29th in Maxville United Church. Rev. W. E. Henderson officiating. Mr. Charles Munroe Maxville played the wedding music and Mrs. Beverley McEwen, Ottawa, was the soloist.

The bride, given in marriage by her father, wore a gown of white Spanish lace over peau de soie with matching train. Her short bouffant veil of tulle illusion was held by a white flowered crown. She carried a cascade of red roses, white mums and white carnations.

She was attended by her sister, Mrs. Shirley Wilson as a matron of honor. Mrs. Donna Thomas, Mrs. Betty McEwen and Miss Wendy McEwen, also a sister of the bride, as bridesmaids. They all were identically gowned in mauve crepe empire styled gowns with matching head dress.

Mr. John Loewen was best man and the ushers were Mr. Perry Wilson, Mr. Dick McEwen and Mrs. Kevin MacLeod.

Following the reception held at the New Parkway Hotel, Cornwall, the couple left for a honeymoon in Central and Western Ontario. For travelling the bride wore a blue ensemble with black accessories and a corsage of yellow roses.

They will reside in Ottawa.

To Make Home In Ottawa

MELDRUM—MacLEOD

A lovely autumn wedding took place on September 26th in St. Giles Presbyterian Church, Ottawa, when Merilyn Alice MacLeod became the bride of Ray Meldrum. Rev. H. Kennedy officiated at the double-ring ceremony and Peter Andrews played the wedding music.

The bride is the daughter of Mr. and Mrs. William G. MacLeod of Dalkeith. The groom is the son of Mrs. Arthur Meldrum and the late Mr. Meldrum of Ottawa.

Given in marriage by her father, the bride wore a short-length gown of taffeta with a lace coat. She wore a shoulder-length veil and carried a bouquet of rust carnations interspersed with yellow mums.

Miss Ruth MacLeod was matron of honor. She wore a short-length orchid dress.

Barry Rivers was best man and the ushers were Leslie Dandy and Lorne Meldrum.

Following a reception at the Beacon Arms Hotel, the couple left on a wedding trip to Toronto and Niagara Falls.

Mr. and Mrs. Meldrum will reside in Ottawa.

Prior to her marriage the bride was guest of honor at a shower given by Mrs. Shirley Moran of Ottawa. She was also presented with a crystal bowl from the Bell Telephone Co.

Following her wedding a miscellanous shower was given by her neighbors at McCrimmon.

Bridesmaid was Kathryn Kerr and best man was Gordon Hohert.

Mrs. Lightly is a recent graduate of Simon Fraser University at Burnaby, BC, in arts. Mrs. Lightly is a graduate in science from the University of British Columbia, Vancouver.

The couple plans to reside in Victoria, BC.

Bainsville WI Had Grandmothers

The regular monthly meeting of the Bainsville Women's Institute was held Oct. 7 in the Bainsville Hall. Seventeen members and three guests were present. This was Grandmothers Day and 13 of those present were grandmothers. After the motto, commented on by Mrs. Wm. McEwen, the members all answered the roll call "name a vanished landmark in our area".

The president, Mrs. H. J. McCuaig, thanked all members for co-operation in our fair project and congratulated us for winning the McArthur trophy. During the business period it was decided our society collect for mental health.

The meeting was then turned over to Mrs. D. Simmons, the convener, who welcomed the grandmothers. A grandmothers' poem was read by Mrs. A. Robertson. Corsages were presented to the four great grandmothers present, namely Mrs. M. Edgar, Mrs. Josh Fourney, Mrs. D. Thompson and Mrs. C. Rogers. Then corsages were presented to the rest of the grandmothers.

Everyone participated in different contests and prizes were won by Mrs. A. Leroux, Mrs. Wm. McEwen, Mrs. L. McRae, Mrs. H. J. McCuaig, Mrs. J. Thompson, Mrs. R. Carr, Mrs. D. Thompson, Mrs. Rogers, Mrs. J. Fourney, Mrs. M. Edgar. After an enjoyable program period the president moved a vote of thanks to Mrs. D. Simmons.

Tea was served by the hostesses who were non-grandmothers.

ST. ELMO

Thanksgiving day guests of Mr. and Mrs. Eddie Hunter were Mr. and Mrs. John MacLean, Donald and Douglas, Mr. and Mrs. James Rankin and Shirley, Margaret and Ted Hunter, Ottawa and Mr. and Mrs. Jack Hunter, Chesterville.

Your Workmen's Compensation Board. Protection is our job.

We help in many ways

Accident prevention The Accident Prevention Associations of Ontario work with management and labour to reduce the hazards of the work environment, and to establish safe work habits through safety education.

Medical expenses However long he may require it, a worker is entitled to all the necessary medical care relating to his injury.

Compensation If a man is off work because of a job accident, we send him a tax-free compensation cheque every two weeks.

Vocational rehabilitation If a worker requires rehabilitation services, including job retraining, before he can return to work, we will provide them. There is no limit to the amount of time and money we are able to spend to help a man get back on the job.

Help us to help you

We give every claim the same fast, fair and thorough attention. But to give everyone all the help they are entitled to in time of trouble, we need the co-operation of many people.

We need a prompt report of every accident We can act on a report from the injured man, from his employer, or from his doctor. From the day we hear of the accident, we can put the first compensation cheque in the applicant's hands in five days.

The disabled worker needs your goodwill Whether you're an employer or a fellow worker, give him a chance to show what he can do. It's a man's abilities that count, not his disabilities.

Prevention is better than compensation Most important of all, we need everybody to join us in our effort to reduce on-the-job accidents. Accident hazards will always exist; the way to avoid them is to work defensively.

Our job

Our job is to see that you get all the benefits of the Workmen's Compensation Act. This Act is financed by assessments on employers, and offers protection in the case of on-the-job accidents to more than two million men and women working in Ontario.

Sharpen your self-defence -and enjoy life!

A report from your Glengarry Agricultural Office

by J. Y. Humphries

During the past few weeks, most of you have noticed the advertisement in the Glengarry News regarding the Agricultural Workers Course, which is being offered at the Kemptville College of Agricultural Technology, Kemptville, Ontario.

This course, which is sponsored by the Ontario Dept. of Agriculture and Food, the Ontario Dept. of Education and the Canada Manpower Corporation was established so that the unemployment gap in Ontario's agricultural industry could be filled by Ontario residents. In the past years agricultural employers have been forced to immigrate all of their technologically man-orientated labor from the United Kingdom. These immigrants have helped to boast the agricultural employment potential by rectifying the mythical gap between the farmer and his employees. Therefore, rather than continue immigrating the major agricultural work force from other countries, the Ontario Department of Agriculture and Food and other related agencies have proposed a technical farm course to the rural employed and unemployed people of Ontario.

The objective of this course is to teach a farm orientated rural person the latest and up-to-date farming techniques in his chosen field, plus to ensure a definite and prosperous employment opportunity in the rural confines throughout Ontario.

In the spring of 1970, two Glengarrians applied for the course. With the aid of the ARDA Branch, counselling service, the applicants were able to decide the need for completing this course which often times was followed by a relocation of the entire farm family. In his relocation from their present home to their new farm home, with utilities (usually supplied by the employer) the employee often found good accommodations plus a salary ranging from $300.00 to $450.00 per month.

One applicant decided to take the course. Having completed the course and having attained a definite employment position on a dairy farm in Central Ontario, our native Glengarrian relocated his entire family to his new job very successfully.

This course, which was the first of many to follow, is tentatively being scheduled to begin shortly after the new year. That is why, Mr. Camille L. St. Pierre, ARDA Counsellor for Glengarry, urges all of the rural people with a farm orientated background, who wish to learn new tricks for their trade, and who wish to find employment as an agricultural worker, to contact him for their personal application for the Agricultural Workers Course to be given at Kemptville. A previously scheduled September course was postponed due to the lack of sufficient applicants. The ODAF staff of Glengarry are giving all of what they have to the rural people of this county so, how about dropping in and finding out if you can be a part of it.

Frustration is: cutting a board twice and not knowing why it is always too short.

First Sportsmen's Dinner Held At Avonmore

From the boys and girls and young people of Avonmore and for the 280 persons who attended the first annual Sportsmen Dinner in the auditorium of Roxmore Public School last Friday night came only words of praise and appreciation for the members of the Avonmore Community Athletic Association, sponsors of the event, the first to be held locally.

Particularly interesting is the fact that the Avonmore Community Athletic Association is actually a group of nine mothers who have banded together to spearhead a sports program designed to involve all the young people of the community.

Guest speakers at the dinner were Gerry Brown, a former great with the Detroit Red Wings of the National Hockey League and now a scout for the Toronto Maple Leafs and Leslie Wert, head of the Boys' Physical and Health Education Department at the Cornwall Collegiate and Vocational School.

Mr. Brown gave an intimate "behind the scenes" commentary on the great sport of hockey. He described some of the activities at the Maple Leaf training camp from which he returned only recently. Mr. Brown stressed the importance of "attitude", as it applies at all levels of sports whether it be amateur or professional and gave practical suggestions to boys aspiring to follow careers in sports. Especially did he stress the necessity of their obtaining the best education that lies in their ability to obtain.

Mr. Wert explained in some detail the physical education program that can be offered in a large composite school. He deplored the fact that physical education in many schools is not set forth as an obligatory subject. Mr. Wert maintained that a good phys ed program complements the other programs and courses offered within the educational system. He said that in the physical education program the school is trying not to duplicate facilities or sports programs available elsewhere.

Fred Barkley introduced the guest speakers who in turn were thanked by Charles Rielly. Misses Beth and Brenda Henderson were chosen to present small gifts of appreciation to the speakers.

O. F. Villeneuve, local member of the Provincial Legislature, who returned from Toronto to attend the dinner, lauded Avonmore's Athletic Association as an example of community agencies that can best counteract the many serious problems that confront young people today. He stated the government is ready and willing to co-operate with local groups in every way possible.

Similar sentiments were expressed by Donald A. Cumming, reeve of the Township of Roxborough. He complimented the Association on its many activities and on the excellence of the arrangements for the dinner.

A highlight of the evening was the presentation of crests and trophies to members of the five softball teams that were sponsored at least in part by the Athletic Association during the past season.

Mr. Villeneuve presented Michael MacMillan, from the boys' 10 years and under team, with a trophy as the team's "best sport". Blair Henderson from the same team won the trophy as "best player". Other team members receiving a crest were Mike Besner, Lyall Bush, Murray Bush, Blake Henderson, John Kohne, Ian Lang, Robert MacMillan, John McElheran, Scott McIntyre and Clayton Robertson.

Doing the honors for the Avonmore Eassos, the boys' team 13 years and under, was Mr. Cumming who presented Douglas Ferguson with the trophy as the best sport on his team and Dennis Delaney a trophy as the best player. Other team members receiving crests were Jimmy Wert, Jerry McKinnon, Ricky Alguire, Byron Henderson, Bernie Henderson, Kelvin Fickes, Andrew Wattie, Randy Burtenshaw, Blair Henderson, Jeff Robertson and Terry Lafave.

The three members of the Avonmore Village Council—John E. Miller, Jack E. Bush and Clark McElheran, made the presentations to the remaining teams.

Junior girls trophies, best sport —Georgena Funge; best player—Candy McIntyre; crests—Darlene Alguire, Shirley Hume. Maureen Bush, Patsy MacMillan, Brenda Henderson, Shelly Flanagan, Valerie Wert, Diane Robillard, Sydney Smythe, Doris Velthelm, Elaine McKeon.

Senior girls, trophies, best sport —Donna Mills; best player—Kathy Flanagan; crests—Janice Hanley, Sylvia McMillan, Mavis Robillard, Beth Henderson, Dawn Wert and Linda Rainey.

Avonmore Aces senior team, trophies, best sport—Gordon Robertson; best player—Bill MacMillan; crests—Billy Connelly, Gary Stevenson, Bobby Grant, Donnie MacMillan, Murray MacMillan, Ritchie McIntyre, Alton Blair, Doug Bush, John Pollock, Brian Robillard and Doug MacMillan.

Crests were presented by Mrs. Sophie Blair and Mrs. Carolyn Tinkess.

Mrs. Eunice Henderson, chairman of the Athletic Association, gave a brief resume of the activities of the past two years and the plans for the future. She explained that the big project that has recently been launched is a lighted playing field for next season. Preliminary work has already been started. She expresed the appreciation of the Association to the citizens of the community for their support.

Other Association members who were introduced were Mrs. Grace McElheran, Mrs. Mavis Wert, Mrs. Yvette Delaney, Mrs. Iva Bush, Mrs. Audrey Bush, Mrs. Carolyn Tinkess, Mrs. Sophie Blair and Mrs. Mavis Robertson. The audience which filled the auditorium to capacity gave the committee members a standing ovation.

Also recognized were the members of the local fire department who were winners in the Moose Creek Fire Department Championship Tournament and the Avonmore Bowling League Champions.

Especially thanked as coaches during the past season were Doug Robertson, the Seniors; Charles Rielly and John Ferguson, the boys 13 years and under; Douglas Bush, the boys' team 10 years and under; and Mrs. Sophie Blair and Mrs. Carolyn Tinkess, girls' junior and senior teams Miss Georgena Funge, on behalf of the girls and boys, expressed appreciation to the Athletic Association.

The sumptuous dinner was served by the Association members assisted by the mothers and ladies of the community. Rev. Henry Funge returned thanks.

The Association, it was announced, will begin on Monday, Oct. 26th, a series of euchres to be held every second Monday night in the Roxmore Public School auditorium. On Oct. 31st it will hold a Hallowe'en Party for the boys and girls.

Ontario.
Is there any place you'd rather be?

Ontarians are the kind of people who wouldn't be here if there was any place better. We are people who came from a hundred lands and stayed to build. People with backbone and brawn and a hunger to succeed. Men and women who've created a standard of living in decades that other lands worked centuries to build. If we have a flaw it's our chronic modesty. Ontarians may be proud to be Ontarians and Canadians . . . they just seldom tell anyone. From an economic point of view that's wrong. The more people we have boosting Ontario and Canada the better it is. And we've got a lot to boost with. Our education system is a good example. In the 60's we saw a need for higher learning; by 1970 we'd built five more universities and doubled student enrolment. The Community College was born in the same period and twenty were established in just three years. These new colleges of applied arts and technology offer diploma courses in everything from biochemistry to air traffic control. We need a vigorous economy of course, to support these important programs. And, that's where you come in. Though our productivity has doubled in ten years and our incomes in twelve, Ontarians don't sit on their successes. There's a demanding decade ahead full of challenges and opportunities to make the quality of our lives better yet. To meet these challenges we've got to believe in ourselves. Which, when you think about it, isn't such a bad idea.

Everytime you boost Ontario . . . Ontario and Canada get a little stronger.

Government of Ontario John Robarts, Prime Minister.

This is where you're sure of prescriptions at reasonable cost!

Is the PARCOST symbol displayed at the pharmacy where you get your prescriptions filled?
If it is, you can be sure your pharmacist is interested in helping you obtain prescriptions at reasonable cost. Concern about both quality and cost of drugs, and interest in the patient who pays the bill, is the whole theme of the PARCOST program.
A copy of the PARCOST Comparative Drug Index that your Ontario Department of Health has sent to your doctor, is in constant use in pharmacy dispensaries. This authoritative Index of quality drugs enables your doctor and your pharmacist to see at a glance the differences in cost of various manufacturers' drugs of the same formula and strength . . . and to be aware of cost when prescribing or dispensing your prescription.
As the PARCOST program gains more and more support from physicians and pharmacists, the end result will be to lower the average cost of prescriptions in Ontario.
You can help hasten this day by always getting your prescriptions filled at a pharmacy where the PARCOST symbol is displayed.

DIED AT 91

Mrs. Dan A. Gibson, for many years a highly esteemed resident of the Avonmore district, passed away on Sept. 29th at the Verdun Manor, Verdun, Que.

Born at Lunenburg on May 27, 1879, Mrs. Gibson, the former Bernice Rupert, was a daughter of the late Mr. and Mrs. Hiram A. Rupert. She had reached her 91st birthday last May 27th. She had resided with her daughter and son-in-law, John Stevenson, since the death of her husband in 1941, and made many friends among her neighbors. She had been in failing health since 1963 when she suffered a stroke.

She leaves to mourn her passing her daughter Pearl (Mrs. John Stevenson) Verdun, Que., a son Lyle R. Gibson, Lachine, Que., four grandchildren and 16 great grandchildren.

Mrs. Gibson was predeceased by a son, Leslie A. Gibson.

The funeral service was held at the Brownlee Funeral Home, Finch, on Thursday, Oct. 1st. Rev. W. E. Sayers, MA, minister of St. Andrew's Presbyterian Church, Avonmore, officiated.

Pallbearers were Irwin Gibson, Kenneth Hartle, Leo Poirier, Dwight Rupert and Denis Poirier.

Interment was made in the family plot in Paul's Hill cemetery, Avonmore.

Among the relatives and friends attending the funeral from a distance were Mrs. Annie Vincent, Massena, NY; Mrs. Christena Nicholson, Mrs. R. Baker and Mrs. Leslie Gibson all of Ottawa; Mr. and Mrs. J. Morgan, Pointe Claire, Que.; Mr. and Mrs. J. Demoulin, Lasalle, Que.; Mr. and Mrs. Percy Sangster and Mr. and Mrs. Graham Thompson and Mrs. John Ross, Bainsville and Mahlon Clark, Cornwall.

8—In Memoriam

SPROULE—In loving memory of a dear mother who departed from Roxborough Township Stormont County, on October 22, year of 1966 at Moose Creek, Ontario, Mrs. C. Sproule.
We hope it helps a little
And brings some comfort too,
To feel that others truly care
And sympathize with you.
And may it bring new courage,
To know that day by day,
The kindest thoughts and wishes to,
Will always go your way.
Memory does not and will never die.
—Sadly missed and always remembered by son, I. M. Sproule, Vancouver 5, BC. 42-1c

BY - LAW No. 683 - 70

TOWNSHIP OF LOCHIEL

A by-law to raise $225,000.00 to aid in the construction of Tile, stone or timber drains.
The Council of the Township of Lochiel, pursuant to the Tile Drainage Act, enacts as follows:

1. The Reeve may from time to time, subject to the provisions of this by-law, borrow on the credit of the corporation of the municipality such sum not exceeding in the whole $225,000.00 as may be determined by the council, and may in manner here inafter provided, issue debentures of the corporation in such sums as the Council may deem proper for the amount so borrowed, with coupons attached as provided in section 4 of the Act.

2. Subject to section 10 of The Tile Drainage Act, when the council is of the opinion that the application of any person to borrow money for the purpose of constructing a tile, stone or timber drain should be granted in whole or in part, the Council may, by resolution, direct the Reeve to issue debentures as aforesaid and to borrow a sum not exceeding the amount applied for, and may lend the same to the applicant on the completion of the drainage works.

3. A special annual rate shall be imposed, levied and collected over and above all other rates upon the land in respect of which the money is borrowed, sufficient for the payment of the principal and interest as provided by the Act.

Read a first time the 15th day of September, 1970, Read a second time the 15th day of September, 1970. Third reading Oct. 20th, 1970. Enacted this 20th day of Oct. 1970.
