TO BE USED FOR STORAGE—The former Glengarry Gardens and Community Centre will play a quieter role in the life of the community with sale of the building to Glengarry Transport Ltd. Plans are to use it for storage, we understand. —Photo by Barry MacDonald

Arena sold to transport firm

Meeting in special session, Monday night, town council accepted a bid of $50,100 for the former Glengarry Gardens building. Glengarry Transport Ltd. was the purchaser and we understand the building will be used for storage purposes. Gilles Lefebvre and Lawyer Jean-Marc Lefebvre represented the purchasers.

Glengarry Gardens was purchased in 1967 by the municipality at $56,000. Of that amount $20,000 was debentured over a 20-year period. About half of that amount has been paid and the balance will have to be met out of the proceeds of the arena sale or a reserve set aside to pay off the balance owing.

Later council met with a developer who is interested in opening a new housing subdivision. He was encouraged to proceed with his plans but was reminded he would be responsible for installation of all services.

Two businesses change hands

An old established business changed hands last weekend when Elie David sold his wholesale feed business to Jacques Lalonde of Alfred. Mr. David is retiring after 50 years in the business and Moses Rosenfeld who had been associated with him since 1939 has returned to Montreal.

Mr. Lalonde is a brother of Marc Lalonde, proprietor of Alexandria IGA, and he operates a breeding farm at Alfred. At least for the present Mr. Lalonde will commute to his new business here while continuing to live at Alfred.

He expects to expand his feed business over the next year.

Another business deal saw purchase of the Mr. Mann clothing store from Jacques Touchette by Michael Barbara. Mr. Barbara will operate both stores as is for the present but expects to make some changes in the near future.

A new business, Deluxe Submarine, has opened in the former Eaton's Order Office building owned by Michael Barbara. Jean Guy Picard of Haileybury has opened the new business which will specialize in submarine sandwiches and soft drinks.

French immersion summer course for English-speaking students

"Vivons en Francais" is the theme of the immersion courses in French offered this summer, from Monday, July 5th to Friday, August 6th, by the SD&G County Board of Education. The courses are for English-speaking students under its jurisdiction, who are graduates of a Public or Separate School through to Grade 13.

Courses will be held at Glengarry District High School, here, from 9:00 a.m. to 4:00 p.m. five days a week. During this time students will be involved with teachers and monitors in classes with the emphasis being on oral communication in the language lab and in sports and activities.

The ultimate aim is to achieve fluency relative to one's level of learning experience and knowledge of the language. Students will have the opportunity to live in a French milieu as they will be lodged in French homes in the communities of Alexandria, Dalkeith, Glen Robertson, Green Valley, North Lancaster and their immediate vicinities. French-speaking families living in these communities are invited to submit requests for students on or before May 14th. Students will be responsible for their room and board or alternate arrangements such as a student exchange.

Transportation details to the course site on Monday a.m. and back to the general area of residence of the students on Friday p.m. are not yet final, but buses will transport students to and from the French families daily and for special excursions such as a trip to Quebec City.

A maximum of 60 students will be accepted and all applications must be in to the French teacher or Department Head by Friday, May 28th. Yvon Menard is co-ordinator of the course.

Council names committee to negotiate sale of land tract

Town council requires more reassurance on the Authority's plans for 550 acres of town-owned watershed property at Loch Garry. Conservation officials from Toronto and members of the Raisin Region Conservation Authority have been asked to supply details on recent negotiations and agreements of a similar nature so that council might have a better idea of how these matters worked out in other cases.

Disposition of the property was discussed at last week's meeting of town council when Harry Palfrey, chairman of the Ontario Conservation Authority, Mr. Murray of the land purchasing division, and A. W. Chalk of Martintown, director of the Raisin Region Authority, were present.

There were no conclusive results, but a committee made up of Bruno Lalonde, representing the town planning board, Norman Laperle, property committee and Fern Seguin, public works, with mayor Bruno Massie, ex-officio member, was appointed to "begin serious negotiation" on a motion by councillor Archie McDougall.

It was pointed out the tract of land was acquired by the town under a 75 per cent government subsidy to protect the town's interest in the stream that supplies our water. Mr. Murray assured councillors that no matter what price is realized, the town will have to repay 75 per cent of the proceeds to the Ontario government.

The property was acquired for $20,000 and is now thought to be worth $100,000 or more. On the other hand, if the authority gets the land, either by purchase or 99-year lease, it can obtain a 75 per cent grant for stream improvement and other work. It cannot do any work on property it does not own or lease for at least 99 years.

On the one hand, council doesn't want to support extensive and expensive activity unless the town was interested in the project, that is, the plans were considered of value to Alexandria and it does not want the water supply interfered with.

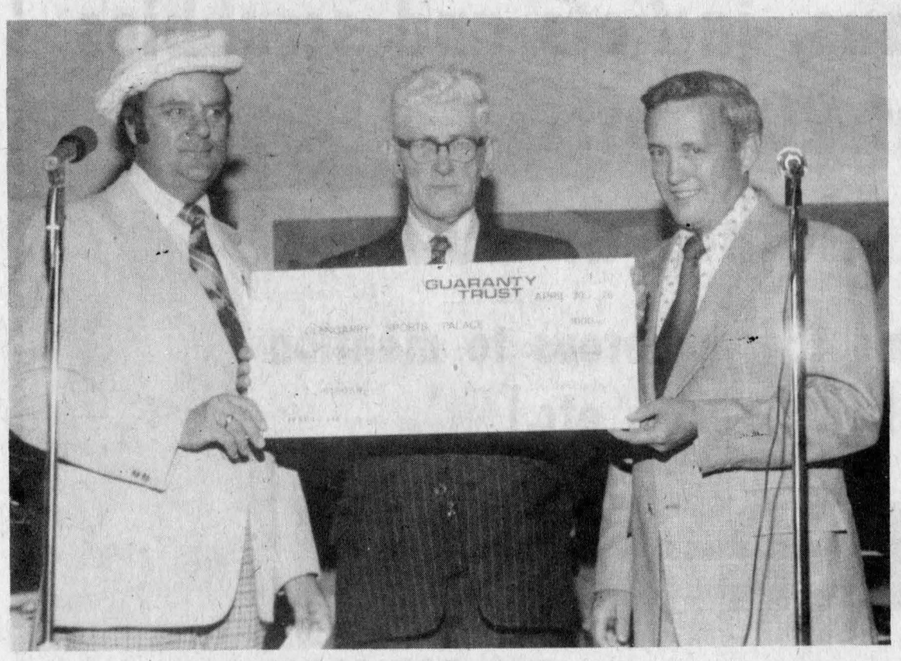
Alexandria's water supply needs a large amount of treatment before using and improvement is desirable, a fact mentioned by councillors McDougall and Laperle.

After about an hour of discussion, council did not reach a clear-cut decision on disposal of the land, and Reeve J. P. Touchette asked Mr. Murray to supply details on recent negotiations and agreements of a similar nature.

Mayor Bruno Massie remarked that this was a good suggestion as the council is anxious to avoid "doing the wrong thing which would be regretted by future councils."

Mr. Massie also mentioned that once the town parted with the land it would only be able to influence the authority through its local member. On the other hand, the town now pays an annual fee for the maintenance of the authority which does not now have projects in the vicinity of the town.

The town does not want to lose control, or part of the control of its water supply, Mr. Massie said, on the other hand the authority is in a better position to improve the stream and water quality than the town would be, and the need for repairs is in sight.



BIG CHEQUE—The Glengarry Club in Ottawa have not forgotten their friends back home in their old county. They assured the local arena board of this by donating $1,000 to the building fund at the annual spring Glengarry Club dance in Ottawa last week. Accepting the cheque is Lochiel Reeve Alex MacDonald, centre, flanked by Ottawa President Walter Stewart, left and Myles MacMillan, right.

Jury recommends gates at CNR crossing

Installation of crossing gates at the CNR crossing here within one year was one of five recommendations made by a coroner's jury looking into the death of Sylvain Wathier. The youth, 19, died of injuries when the dump truck he was driving was struck by a westbound passenger train on Oct. 8.

The five-man jury also recommended the speed limit for trains going through Alexandria be reduced to 40 miles per hour and that the switching mechanism which operates the crossing signal lights and bells be moved further from the crossing; that consideration be given to construction of an overpass; that additional and clearer rail crossing signs be provided on the north and south sides of the track and that maximum speed limit for passenger trains at that point is 80 m.p.h. The train's warning whistle had been activated and brakes were applied when they saw the truck's front wheels on the track. Mr. Miller declared it would take about one mile to stop a train at that speed.

Evidence was also heard from Aurel Massia of Alexandria, Police Chief Sylvio Cleroux and Hans Rostock of Maxville, a CN signals maintenance man.

crossing and that signs reminding motorists of the 15 m.p.h. speed limit over rail crossings be installed.

The jury deliberated 15 minutes before returning its verdict to presiding coroner, Dr. Laszlo Roman. Testimony at the inquest took almost three hours to complete.

CNR train engineers Mel Lavergne and Thomas Miller of Ottawa, testified the train was going 70 m.p.h. when it struck

Parked car caught fire

Alexandria firemen were called out at 3:37 Sunday morning when a parked car involved in a collision caught fire.

Police report a car driven by Mark Macdonell, Alexandria, was proceeding north on Bishop when it struck a parked car owned by the Ontario Department of Agriculture and Food. Upon impact the vehicle was pushed ahead and caught fire.

Damage was estimated at $5,000 to the government car, $2,500 to the Macdonell vehicle.

Ron Prophet coming for park opening

Two big days are being planned for this year's Park Opening celebration and Alexandria Lions Club has come up with some top entertainment.

Ronnie Prophet of country and Western music fame will be here from Nashville, Tennessee, on July 1st to headline the show that day. The fact that Prophet is married to an Alexandria girl, Jeanne Lalonde, may have weighed in his acceptance of the date.

A giant picnic is planned for Saturday, June 26th, on the park and five days later, on July 1st, will follow the park opening celebration complete with parade and Ronnie Prophet.

Among attractions on June 26th will be the Brigadoons, the beer garden, steak dinners and sports. The $1,000 draw will again be a feature on July 1st.

Plans for the celebration were discussed at Monday night's meeting of the Lions Club when the Sportsmen's dinner on June 14th was also a subject of discussion. The play has been put off until fall because of the full program ahead.

President Jacques Trottier chaired the meeting when some 18 Lions voiced plans to attend the convention in Quebec in late May with their wives.

St. Catherine's parish, Greenfield to be served from Maxville

The bishop of the diocese of Alexandria, Most Rev. Eugene P. LaRocque announces the following pastoral changes:

Rev. Henri Ouimet, 71, retires as Pastor of St. Catherine of Sienna, Greenfield, and Rev. Denis Lefebvre, pastor at Maxville, will now also assume the responsibility of the parish of Greenfield.

Rev. Donald Scott will be leaving the diocese to become a member of the Dominican Friars. He plans to enter St. Dominic's Priory in Port Credit in September. Rev. Gary Ostler, presently Newman Chaplain at St. Lawrence College, will plan next year's activities at Shalom House of Prayer (Iona) and replace Father Scott as Director of this Diocesan Renewal Centre and Pastor of St. Raphael's parish in mid-August.

Tartan Tea proceeds over $2,000

Tartans, kilts, heather and plaids were in evidence everywhere Saturday afternoon at Alexander Hall cleverly decorated in the Scottish theme; even a Scottish lass, a mannequin, fully attired in tartan and velvet met one at the entrance.

The Glengarry Memorial Hospital Auxiliary Tartan Tea held May 1st was a tremendous success. This ninth annual event was enjoyed by women and men from all over the county of Glengarry with visitors sharing in the event from Chesterville, Cornwall, Montreal, Verdun, Hawkesbury, Ottawa and Valleyfield.

Receiving at the door with President Madeleine MacDonald were Mrs. Wilfred Menard and Mrs. Enid MacDonald. Mrs. Morlin Campbell and Mrs. Bella MacCuaig presided at the contribution basket—or was it a china teapot—a lovely one too!

Mrs. Huguette Roy, treasurer, was a busy member throughout the afternoon and at its conclusion was overjoyed with the proceeds—$2,055.84.

President MacDonald and general tea convener Mrs. Pierrette Laflamme were traditionally piped in by Piper Kevin Abbey of Lancaster.

It was a proud task Mrs. MacDonald had when she gave words of welcome to a very large crowd and expressed her appreciation to all involved in the tea planning and to those who attended.

The main tea table laid with a white linen cloth and a tartan square was centred with a floral arrangement of yellow mums, white and yellow daisies and handmade tartan silk flowers flanked by silver candelabra.

Pouring tea were Mrs. Nicole Nadeau, Mrs. Lucille Desjardins, Mrs. Eileen Barbara, Mrs. Georges Lanthier, Mrs. Fred Cass of Chesterville, Mrs. Horace Copas of Cornwall, Sister Marcella Laurier, Mrs. Fernand Seguin and Mrs. Ed. A. Bissonnette.

Individual tea tables were centred with heather and the silk tartan flowers. Mrs. Denise Gallant, Mrs. Claudette Larocque, Mrs. Pierrette Laflamme and Mrs. Madeleine MacDonald were the 'arty' people when it came to decorations.

The tea room convener was Mrs. Arcade Trottier assisted by Mrs. George Dumouchel, Mrs.

Honor Math student

In the recent Ontario Junior Mathematics Contest, Rory McCormick, a Grade 11 student at CCVS was named to the Honor Roll of Eastern Ontario. He received hearty congratulations from his school principal, teachers and fellow students for bringing honor to his school. He resides with his grandmother, Mrs. Agnes MacDonald, 443 Fourth Street East, Cornwall.

Maxville Manor auxiliary has many activities programmed

The regular newsletter of the Maxville Manor Auxiliary presented many items of interest . . . accounts of progress and future plans. Last year's membership was 256, with about 40 being active.

The cooking class started last fall under the direction of Mrs. Kowalski and Mrs. Agnes Campbell has been very successful . . . volunteers assist with this two afternoons a week. Five members of the Auxiliary attended a workshop at Carleton Lodge in February, bringing back many new ideas for the group. The winter euchres have been very well attended, and brought in a goodly sum. Convenorship by different areas of the community makes the work much easier.

The Tuck Shop continues to be a very busy place, fulfilling a real need for the residents and visitors. Many new items have been added to the stock, and more may be requested. One of the volunteers took a group of ladies for a drive and served them tea. Seven dozen salad plates have been ordered, and material for twenty tablecloths has been bought . . . this will be made up by the volunteers. With these additions the Auxiliary now has its own dishes, cutlery, and table linen, so very few items will ever have to be borrowed.

A garden is planned for this spring, and will soon be started, so that the residents can enjoy this satisfying hobby. A bus trip is planned to Ottawa to see the tulips later this month. The Auxiliary is presently making inquiries about the purchase of a whirlpool bath, which would be very helpful in treating residents with rheumatism or arthritis. Mrs. Alma Umphrey is convening the annual Mother's Day Tea, and plans are also being made for a Father's Day event.

President Jane Laing mentions the fine work of the volunteers in supporting all these various activities . . . but there is a continuing need for more volunteers, to help these hard-working people. Particularly for someone to visit the residents and provide a little friendly companionship—what about coming by for an hour and taking somebody for a drive, or a walk about the lovely grounds? A little time, thoughtfully given, means a great deal to a lonely person.

Bainsville 4-H Club organized

The Bainsville 4-H Garden Club got underway on Friday, March 16th, at Mrs. Aggie Petrie's home. Our leaders are Mrs. Petrie and Mrs. Fred Ager. This is Mrs. Ager's first try at leading 4-H.

We only had six members at the meeting but there were three or four who just couldn't make it that morning.

Heather MacRae is president; Judy Rombough is vice-president; Dawn Petrie is treasurer and Susan Sangster is the news reporter. Our club name will be picked at the next meeting.

The project is "Preservation of Fruit and Vegetables." The first meeting's discussions were titled "Why Grow a Vegetable Garden," "Choosing a Garden Site" and "Reasons for Growing Flowers." After discussing these topics we adjourned till our next meeting on May 11th at Mrs. Ager's.

REWARDED FOR DEVOTION TO DUTY—Doris Ladouceur, left and Germain Lortie, centre, drivers for Glengarry Transport Ltd. were the recipients of gold digital watches recently presented by General Manager Gilles Lefebvre, right. The awards were in recognition of alertness and presence of mind, when the trucks they were driving caught fire and their actions saved the company substantial loss.

Winter's snow

April was about 3° warmer than usual but much drier. The high was 86° (30) on the 18th with a total precipitation of 1.32" (3 cm.) made up of 1.2" (3 cm.) of rain and 1.2" (3 cm.) of snow. This compares to a normal of 2.68" (7 cm.) of rain and 3.7" (9 cm.) of snow for a total of just over 3" (7 cm.).

The low was 13° (-11) on the 12th and frost was recorded on 14 nights, George Hambleton reports from Dalhousie Mills.

Total snowfall for the season was 117" (302 cm.). Normal is 93" (236 cm.).

One year ago the average temperature was 7° cooler than normal with a high recorded of 65° (18) and a low of 13° (-17), with frost recorded 23 times.

Total precipitation was normal at 3" (7 cm.) made up of 1" (2 cm.) of rain and 20" (52 cm) of snow.

LAST EUCHRE FOR SEASON

There was a Euchre at the Manor last Wednesday with an excellent turn-out of players. Winners for the men were Donald Kennedy, Ralph Pomeroy, and Neil MacLean. For the ladies it was Sarah Presley, Linda MacEwen, and Dorothy Cutts. The door prize went to Hazel MacCuaig.

This was the last euchre for the season and the Auxiliary would like to thank all the people who so enthusiastically attended and supported the games and made the project such a success. See you all back next fall.

MEALS ON WHEELS DELIVERED ALL WINTER

The "Meals on Wheels" association met last Thursday at the home of Mrs. Gwen Swift with a good turn-out of sixteen volunteers. A review of efforts through the winter showed that there were only three days on which the "meals" had to be cancelled due to bad weather . . . actually, very bad weather, since the volunteers knew that recipients look forward to the meals and managed to make their appointed rounds through some severe driving conditions. Please remember to let Mrs. Alison Wilson know in advance about any holiday plans for the summer months, re-arrangements are easily made. As usual, due to the holiday schedule at the Manor, no "Meals" will go out in July.

The soup continues to be a problem, no ideal container having been found as yet. Efforts were to be made to find a new source of hot lock boxes, the outlet in Montreal no longer furnishing them. A delegate is going to be sent to the Meals on Wheels conference in Toronto, May 16th—18th. A plasticized, light-weight sign is being ordered that will hang in the side window of the driver's car . . . the publicity is worthwhile. Cost of the meals remains at one dollar, every Tuesday and Thursday, and there are a couple of vacancies at present on the route . . . anyone wanting to receive the meals please call Mrs. Len Siwik for more details.

PLAN WHITE ELEPHANT SALE

The Maxville and District Community Association will sponsor a White Elephant auction starting at 1 p.m. May 22 outside the Community Hall. In event of rain the auction will be postponed to May 29. Proceeds will assist the summer recreational activities for youth.

Those wishing to contribute household and other items can bring them to the homes of Const. Marcel Champagne and Ralph Pomeroy for garage storage any time before the auction, or can call for home pick-up at 527-2049, 527-2601 and 527-2542.

Executive for 1976 was recently elected. Succeeding Ron Clare as president is Const. Paul Deveau. The slate includes Mrs. Elgin Montgomery, vice-pres.; Mrs. Ken MacGregor, secretary and Ralph Pomeroy, treasurer.

Police Week to be observed

The Alexandria Police Department and the Ontario Provincial Police, Lancaster detachment, are teaming up for Police Week which will be held from May 9—15. The two local forces have already visited and lectured at local schools on safety and the purpose and duties of the police force.

During Police Week all the elementary schools in town will be visited and bicycle rodeos and competitions will be held, bicycle licences will be issued and safety check inspections carried out. The students will be introduced to "Operation Identification" which consists of marking the bicycle with a serial number which serves as positive identification in cases of stolen property. The students will participate in skill handling competitions and prizes will be awarded to the top performers.

Rodeos and competitions will be held at different schools on the following days: May 10th at Harmony Glen; May 11th at Ecole Rouleau; May 12th at Alexander School; May 13th at Perpetual Secours; May 14th at St. Joseph's. Any adult volunteers are welcome to help judge and organize the events.

Anyone interested please contact Chief Cleroux or Constable McClements of the OPP.

Ringette planned

Ringette—an new ice activity for girls is being planned by GDHS teacher Jean Yves Jeaurond to be played in the new arena next winter. Mr. Jeaurond feels it might replace broomball activity for the girls as it is not such a rough sport.

He plans a league set-up for girls similar to what the boys now enjoy in minor hockey. It is a no-body contact sport played on skates with the handle of a hockey stick (minus the blade so there should be lots of them) which is inserted into a doughnut shaped puck.

The only equipment needed is skates, shin-pads and helmet and mouth guard.

An introductory clinic is being held at GDHS sponsored by the Ontario Sports Travalcade which will be here. Time is Tuesday, May 11th at 7 p.m. and children and parents are both invited to see what the game is all about.

Services held at Apple Hill

Easter Service at Zion United Church, Apple Hill, was well attended as Miss Lorna Munro gave us a most inspiring message "What the Resurrection Should Mean To Us." Her presentation included vivid pictures of her 14-year service as missionary, evangelist and teacher in Indonesia. Many former friends greeted her and wished her continued success in her great service to God.

The following Sunday was another memorable event. Jamie Norman, son of Mr. and Mrs. Harold Norman, was baptized. Seven young communicants were confirmed after they participated in a Sermon Dialogue: Bruce Benton, Carol Bilmer, Danny Cameron, Hugh Coleman, Kent Ferguson, Cathy McIntyre, and Dean McIntyre. The Sacrament of Holy Communion was observed.

May 9th is Christian Family Sunday and five families will take part in the service. A light refreshment will be served at the social hour following the service. The "Sharing Group" will meet on May 17th at 8:00 p.m. at the home of Mr. and Mrs. Earl Munro.

Travelcade of Sports appointments

Any groups of people who wish to visit the cavalcade for sports information of any kind may have an appointment by calling Jean Yves Jeaurond at 525-1870. However the travelling van is at the disposal of anyone who wishes to visit; appointments might assure groups of particular attention.

Mrs. Alex Lalonde—347-3483

Mrs. Ann MacLeod, Mrs. Mary C. MacLeod and her sister Mrs. Ruth Stewart of Rome, N.Y., spent a very enjoyable three weeks in Florida, guests of Mrs. Stewart's daughter, Mrs. Margaret MacGuire of De Land Florida.

Brian McNaughton, Fourth Concession, has returned home after spending a week in the Bahamas.

Recent guests of Mr. and Mrs. Phillip Ross-Ross were Mr. Stevens of London, Ont., and Willard Mace of Senneville, Que., who as a boy, worked on the Ross-Ross farm in the summer of 1919.

Paul Rumke returned home after spending a week in Chicago.

Miss Linda Alenik who has completed her year at Queen's University has returned home and George Alenik of Toronto spent the weekend at his home.

The above items were intended for last week's issue.

Sympathy is extended to the family of George Upton who passed away last week. Weekend guests of Mrs. Rena Upton were Mrs. Kay Byron of Montreal and Mr. and Mrs. Robin Upton, Kyle and Bayne of Manotick.

Mrs. Kay Byron and her brother, John O'Reilly of Montreal and Mr. and Mrs. Robin Upton attended funeral services for George Upton.

Mr. and Mrs. Bill Lutz have returned to their home in South Lancaster after spending the winter months in Florida.

Friends will be pleased to learn Miss Christena Cumming has returned home in improved health after spending some time in hospital.

Congratulations are extended to the Grades 1, 2, 3 and 4 of Lancaster Village Public School for coming first in their division at the Kinsman Music Festival last week and to the Kindergarten class for coming fourth in their division.

Mr. and Mrs. Harry Wygergangs, Janet and Miriam, spent a weekend recently in Quebec City.

Sharon Abbey of Windsor and Diane Abbey of Hamilton spent the weekend with their parents Dr. and Mrs. Harry Abbey.

Mr. and Mrs. Harold Demoulin, East Front, recently returned from a vacation in Florida.

Gerald and Ross Nolan of Carleton Place spent last Monday with their sister Mrs. Charles Osborne, Mr. Osborne and family.

Wildy Cholette and Wm. Gaucher attended the farm machinery show in Montreal on Sunday.

John Taillon, 2nd Concession, has left for Cornwallis, N.S., where he will be stationed for 11 weeks for army basic training.

Donna Smits who is attending Carleton University spent the weekend with her parents Mr. and Mrs. Gerard Smits and family.

Armstrong McCrimmon of Calgary, Alberta, and Mr. and Mrs. Jack Irvin of Oshawa, visited Misses C. A. and M. J. McLennan on Saturday.

Mrs. W. H. Tett and Martha of Brockville were weekend guests of Mr. and Mrs. J. C. Watt and Colan.

Mr. and Mrs. Nick Romanko and family were in Montreal during the Ukranian Easter weekend.

LANCASTER SCOUT NOTES

First Lancaster Boy Scouts are sponsoring a bicycle rodeo in conjunction with the OPP on Sunday, May 9th, at St. Joseph's Church Parking Lot, Lancaster, from 1 to 3 p.m. for all children in the area. Competition will be in two groups, six to eight and nine and over.

Bicycles must pass inspection to qualify for participation. In case of rain the rodeo will be cancelled.

At a meeting held on May 3rd, a decision was made to start a Beaver colony in September. This phase of scouting is for boys ages five to seven. Anyone interested in having their boys join are asked to contact Mrs. Gerald Girling at 347-3444, as there are only a limited number of openings for September.

New executive Bainsville WI

The annual meeting of the Bainsville's Women's Institute was held on April 7th at the home of Mrs. Harold Fourney with 21 members in attendance. Mrs. Robert MacRae commented on the motto, "Know your organization so that others may know it too."

The Secretary announced that an invitation had been received from Miss Michels to attend the 4-H Achievement Day on May 15th at Glengarry District High School with the afternoon program commencing at 1:15. This Club's theme—Take a Look at Yourself.

It was agreed that a financial donation would be made to the Mental Health Association.

Mrs. Upton reminded the meeting that the District Annual Meeting will be held on May 18th at the Church on the Hill, Alexandria, with registration commencing at 9:00 a.m. Delegates appointed are: Mrs. F. E. Ager, Mrs. H. J. MacCuaig, Mrs. G. E. Urquhart, Mrs. J. F. Cusimano.

The following members were duly nominated and elected to office for the years 1976-1977:

Past President, Mrs. C. T. Upton; President, Mrs. F. E. Ager; Vice-President, Mrs. J. R. Petrie; Sec. Treas., Mrs. A. A. Robertson; Public Relations, Mrs. G. E. Urquhart; District Director, Mrs. H. J. MacCuaig; Alternate Dist. Dir., Mrs. Carol Simmons; Directors: Mrs. H. Fourney, Mrs. Lloyd McRae, Mrs. Adrien Leroux; Auditors: Mrs. Carol Simmons, Mrs. A. M. Robertson. Curator, Mrs. Harold Fourney.

Convenors of Standing Committees: Agriculture and Canadian Industries, Mrs. Lloyd McRae; Citizenship and World Affairs, Mrs. J. F. Cusimano; Education and Cultural Activities, Mrs. C. T. Upton; Family and Consumer Affairs, Mrs. John Kerr; Resolutions, Mrs. Adrien Leroux; Sick, Mrs. J. M. Petrie; Lunch, Mrs. Adrien Leroux; Pianist, Mrs. John Kerr.

Words of thanks and a round of applause were given to Mrs. Upton for her leadership during the past two years. Mrs. Ager thanked the membership for the confidence expressed in their electing her to the presidency and outlined some of the plans she hoped to fulfill during her term of office.

The next meeting will be on May 5th at the home of Mr. and Mrs. A. M. Robertson. Refreshments were graciously served by Mrs. J. Kerr, Mrs. Wm. McEwen and Mrs. H. J. MacCuaig.

Bought eight at calf sale

J. W. Hinskens of Bainsville, purchased ten calves at an average price of $640 at the Eastern Ontario Holstein Calf Sale held April 17th at the Fawcett Sale Arena, Winchester. The sale is an annual event arranged to make good calves available to 4-H members at average prices and to assist breeders to obtain replacement calves with good blood-lines.

Eight head were sold to Cuba and two sold for export to Germany.

Stanley Fraser president of NFU

The National Farmers Union local 326 annual meeting was held in the Agricultural Board room on April 28th.

Gilbert Desjardins, district director, was present as guest speaker. He talked about the issues concerning the district and answered questions from the floor. He explained and discussed the resolution which came from the district which said that there is a market for specialty cheese and that the milk plants which are now in existence have the facilities to make this cheese, but if they refuse to make it, new facilities should be built.

The local expressed the desire to have the Canadian Dairy Commission control the end product being made from milk in order to prevent great surpluses like the present surplus of skim milk powder.

There was a lot of discussion concerning the present OMMB policy of monthly percentage payments on the market sharing quotas. Also there is little or no market sharing quota available, which the members attributed to the fact that there was a three-month freeze on the price of market sharing quota.

A resolution was passed to circulate a petition asking for immediate full payment on all milk shipments until the M.S.Q. is filled and that M.S.Q. be non-negotiable for a period of five years.

The members discussed the fact that most pool 2 producers have heavy shipments of milk through the summer months and are relying on their larger milk cheques for payments of their financial commitments, most of which come due in this peak milk producing period. If the OMMB does not change this policy, it would cause tremendous financial strain on these farmers.

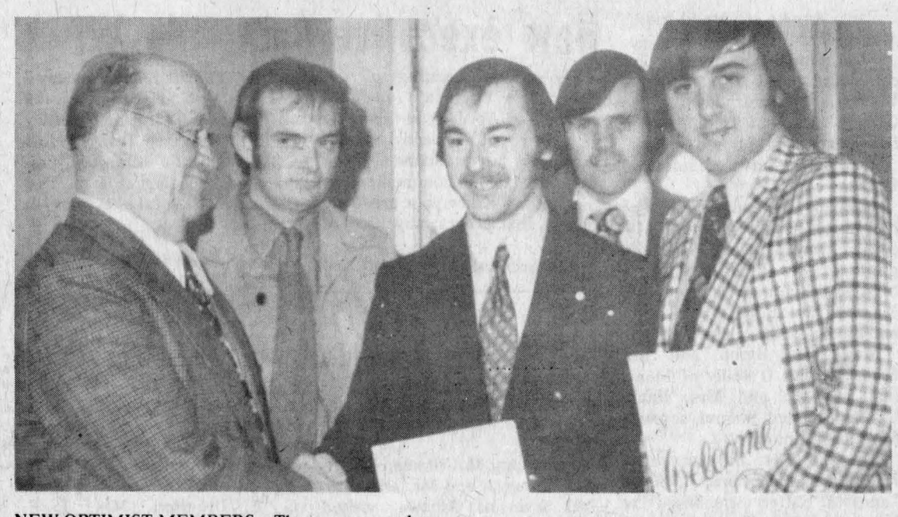
Another resolution was passed to send telegrams to William Newman, Minister of Agriculture and Food, Dr. Ken McEwen, Chairman of the Milk Commission of Ontario and George McLaughlin, Chairman of the OMMB, stating that a petition was being circulated by the local concerning these changes in policy.

The elections were chaired by Joe O'Neill, National Board member. Stanley Fraser was elected president; Henrietta O'Neill, vice-president; John Peters and John den Otter are board members.

The first regular meeting for the coming year will be held on May 13th in the Boardroom.

Peters won trophy

Due to a technicality, the winner of the Brockville Chemical Co. trophy for the champion exhibit of ear corn at the recent Ottawa Valley Farm Show was John Peters, Martintown, rather than Ron McRae.



NEW OPTIMIST MEMBERS—Three new members were recently inducted in the Char-Lan Optimist Club by Past President Don Clark of Williamstown. Welcoming the newcomers is President Laurent Benoit left, new members Alan Noon, and Dalton Amell. Vice-President Stuart Smith and the third newcomer Brent Daigle.

Died at 73 in Plattsburgh

Ewart S. McLennan, 73, of Peru, N.Y., died April 14, at CVPH Medical Centre, Plattsburgh, after a short illness.

Mr. McLennan was born on January 28, 1903, in the 2nd concession of Lancaster township. He was a son of the late James Duncan and Mary (McDenald) McLennan.

Mr. McLennan went to the U.S. in 1928 as a milk tester. He was well known to farmers in Clinton and Essex counties.

He is survived by his wife, the former Alice Atwood; two daughters, Mrs. John (Janet) Bradley of Clayton, N.Y., and Mrs. Gerald (Mary) Pellerin of Morrisonville, N.Y.; and three sons, Roderick J. McLennan of Ottawa; David H. McLennan of Plattsburgh; and John D. McLennan of Peru. Also surviving are one brother, Robinson McLennan of Ottawa, and 11 grandchildren. He was predeceased by three brothers, Clark and Murdoch A. McLennan, and Carl McLennan of Williamstown.

Funeral service was held on Saturday, April 17, at the Brown Funeral Home, Peru, N.Y., conducted by the Rev. William W. Kenney, pastor of the First Presbyterian Church in Plattsburgh. Burial was in God's Acre Cemetery, Peru, N.Y.

Pallbearers were nephews of the deceased: Roland Dashnaw, Donald MacLennan, George Keyser, Dick Mosher, Dale Lahue and Donald MacMillan.

SOCIAL and PERSONAL

Mrs. Jos. Thauvette was in Massena over the weekend attending the wedding of a grandson, Claude Thauvette to Lyn Hinds.

Recent visitors with Mrs. Alice Filion of Green Valley were her sister-in-law, Mrs. Berthe Prevost of Repentigny, Que., and Mr. and Mrs. Stuart Scharf for a few days. The latter have just returned from Florida and have bought a home down there.

Albert McIntyre, Apple Hill, has returned home after spending six months in Tampa, Florida.

Sister Beatrice Macdonald of Halifax, N.S., is visiting at Garry Fen with Mr. and Mrs. Arthur Maclaren and family, and with her brothers here.

Mr. and Mrs. Alex Kerr of Ottawa, were among friends here Saturday for the funeral of Archie MacDonald. They were guests of Mrs. D. D. McIntosh and Jean.

Mr. and Mrs. Douglas Macdonald and family of Boucherville, Que., were with his father, Hubert Macdonald over the weekend.

Mrs. Gilbert Sauve is spending this week in Montreal.

ENGAGEMENTS

LEFEBVRE—CARRIERE

Mr. and Mrs. Andre Lefebvre are happy to announce the engagement of their daughter, Suzanne, to Robert Carriere, son of Mrs. Germaine Carriere. A later wedding is planned.

Kenyon ponders cuts in road, drainage grants

Curtailed provincial grants for roads and drainage were considered at last week's meeting of Kenyon Township Council. Road maintenance will add some $40,000 to the tax bills merely to reach 1975 expenditures while grants for farm drainage are also reduced drastically.

Council learned the ministry of transport and communication has reduced the subsidy on roads by $24,000. The township spent $170,000 last year on road maintenance. With the reduction announced, the government this year will subsidize only $130,000 and any expenditure over this amount will have to be charged 100 per cent to the taxpayers.

Council has budgetted for the same expenditure for roads as last year.

Queen's Park is allowing only $45,400 in tile drainage debentures to be divided among all farmers in the township. This is hardly enough to accommodate three farmers and council had received seven applications for assistance totalling $121,000.

Instead of the expected 75 per cent, these farmers are being notified they will be eligible for only 35 per cent assistance.

Council decided that members sitting on municipal recreation committees will attend without remuneration.

The Separate School levy is being awaited before council can announce its 1976 tax rates.

Tartan Tea proceeds . . .

(continued from page 1)

Marlene Lalonde, Mrs. Alice Seguin, Mrs. Nancy MacKenzie, Mrs. Ann Bergeron, Mrs. Rejeanne Lajoie, Mrs. Anne Williamson, Mrs. Alan DaPrato and Mrs. Marion Armstrong.

And, of course, the attractive and tasty plates of sandwiches and sweets were convened by Mrs. Bernice Epp assisted by Mrs. Elizabeth Clingen, Mrs. Cecile Seguin, Mrs. Lucille Lalonde, Mrs. Lloyd Howes, Mrs. Lynus MacPherson, Mrs. Rod O'Brien, Mrs. Grace MacLennan, Mrs. Martha Upton, Mrs. Philip Lloyd and Mrs. Alice Rushton.

Tea is a most important ingredient for such an event too. Those who handled the kitchen duties and tea-making were Miss Mamie MacMillan, Mrs. Keith MacMillan, Mrs. Laurier Lefebvre and Mrs. Zoe Grant.

Even the tea serviettes bore a Scotch thistle monogram fashioned by Mrs. Lynn Yule. Girl Guides and candy stripers helped with serving.

The garden centre attracted much attention convened by Mrs. Carmen Bissonnette assisted by Mrs. Jack Reid and Mrs. Bill Gebbie. It was a joy to view the white wrought iron stand displaying plants of all descriptions and these extended over a long counter also decorated in the tartan theme.

O yes! another popular spot was the quilt raffle corner manned by Mrs. Alice Filion, Mrs. Olive Seguin, Miss Jocelyn Trudell, Mrs. Irene Quenneville, and Mrs. Florence Leroux. The handsome quilt commissioned of Mrs. Rene Jeaurond and Mrs. Bruno Legault featuring an original Scotch thistle design was won in the draw at the conclusion of the tea by Mrs. Bella MacCuaig, Laggan. Winner of the door prize was Mrs. Mabel MacLeod of Dalkeith.

Handicrafts galore provided an exciting counter for tea patrons. This was convened by Mrs. Gertrude McDonald assisted by Mrs. Elizabeth Rice, Mrs. Denise Gallant and Mrs. Carmel Roy.

The nearly-new table brought some good buys for many and was convened by Mrs. Henri Ladouceur, assisted by Mrs. Helen Hope and Mrs. Louise Carriere.

The baked goods table convened by Mrs. Alex McHugh was laden with all sorts of delicious wares quickly snapped up by eager buyers. Each item displayed a tartan price tag. Assistants were Mrs. Carol Baxter, Mrs. Arlene Adams, Mrs. Albertine Ranger, Mrs. Isabel Morton, Mrs. James Wightman and Mrs. Rose Laporte.

The membership table was presided over by Miss Georgette Paiement and Sister Louise Menard.

Miss Heather McGillis entertained with Scottish dancing accompanied by piper Kevin Abbey. Piper Abbey also played Amazing Grace.

Concert of music and song presented at G.D.H.S.

GDHS had a good turnout Monday, May third for the first of two musical evenings, in the form of choral selections, and band music, both under the direction of Pierre Vaillancourt, choir director.

The choir, made up of students and parents is unique, and was most delightful in its polished and lilting performance of both French and English selections; their rendition of "O Canada" in the two languages was very impressive.

The second semester band have been together but three weeks and the pieces they produced were amazing; clear and definite passages of short pieces, swaying waltz rythms with good harmonics.

The first semester band began their portion with a South American rhythm, their maracas and catchy beat had everyone's toes tapping. They went on in their program, to demonstrate varying moods from sweet waltz to resounding marching band. They have only begun in September, took first place in Cornwall Music Festival in the junior division and second place overall. It was a most rewarding evening, and some of the players, I know, had never played on instruments before. Mr. Vaillancourt must be very pleased, he has done a fine job, and is most talented.

Dedication at St. Columba church

On Sunday, May 2nd, at St. Columba Church, Kirk Hill an impressive butternut cabinet was dedicated in remembrance of John and Archie MacDonald. The cabinet donated by Mrs. John MacDonald in remembrance of her husband and son was constructed by Evans MacGillivray.

Neil MacLeod accepted the gift on behalf of the Session and congregation from Mrs. MacDonald. Following the dedication was a solo by Donald MacDonald of Montreal, a brother-in-law of Mrs. MacDonald.

This cabinet will be on display in the church and will contain the Memorial Book which was donated by Mrs. C. A. Beaton of Ottawa.

The names of the donors to the Session Memorial Fund are inscribed in the Memorial Book along with the names of those remembered by the donors.

'From the old rail fence'

by Anna Margaret

This poem was written in honor of a special friend of mine several years ago, and the idea applies to a great many people I know and admire. In response to several requests, I am passing it on for Mother's Day.

Mothers Appointed

She knelt before the altar, a figure lone, apart.
"Dear God, I want a family," she prayed with aching heart.

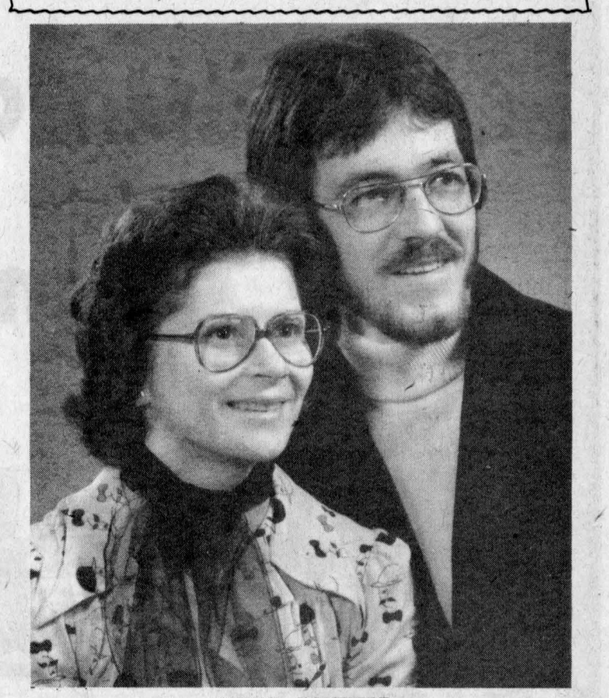
"You know that I want children, perhaps more than many do,
I want so much to have my own and teach them to love you."

Then, God, whose ways aren't ours, with tenderness replied,
"A special plan I have for these with love so magnified.

And many little children I'd have you bring to me
Who might not even know my name, forsaken so, they be.

My plan requires specialists and I best know your worth.
There's more to being a mother than merely giving birth.

A special group of mothers stand out before my throne;
They are these who take another's child and cherish as their own."



JARVO—BOISVERT

Mr. and Mrs. Virgil Jarvo, Martintown, announce the forthcoming marriage of their daughter, Judith Ann of Martintown to Mario Boisvert, son of Mr. and Mrs. Armand Boisvert of Cornwall. The marriage will take place at St. William's Church, Martintown, on Saturday, May 29th, at 4 o'clock.

Sports Travelcade here Monday

If you think you hear a car horn playing a tune that sounds like Ontario-ari-o you aren't hearing things. That musical car horn announces the arrival of the Ontario Sports Travelcade. On Monday, May 10th, Sports Travelcade will roll in to Alexandria at the Island Park for a two-day visit.

This big 45-foot red and white van is a travelling information centre all about sports. Its purpose is to give everybody in Glengarry, athletes, coaches, trainers, managers and interested citizens an opportunity to get first hand information about sports, see films, slides, video tapes, read special sports books and pick up information leaflets about a wide variety of sports.

With the Sports Travelcade are sports and fitness specialists Larry Wright, Emily Fodor and John VanRhee to give you advice and assistance.

When Culture and Recreation Minister Robert Welch launched the Sports Travelcade on its first visit, he said he hoped it would encourage greater interest and participation in sports for fun and sports for excellence and that it would bring new and exciting resources to Ontario communities to help them in their own sports programs.

This project is developed by the Sports and Fitness Division, Ministry of Culture and Recreation with the co-operation of more than 60 Province of Ontario sport governing bodies.

The 45-foot van is designed to tour the province over the next year, with particular attention to smaller communities not presently well-served with opportunities for access to information on sports and recreational games.

It is outfitted with a wide range of audio/visual hardware, and a capacity for simultaneous screenings on more than a dozen motion picture, video tape and slide cassette screens. In addition a microfiche scanner-printer is available for public use and it contains a library of more than 600 books, 120 motion pictures, and 200 video cassettes.

Staffed by young people with specialized knowledge of organization and experience in the gamut of sports and recreation activities, travelcade has a satellite facility for classroom clinics and demonstrations on a particular sport activity. Travelcade is prepared to respond to information queries on nearly 70 sport pursuits.

Try start times at golf course

Starting times are to be tried at the Glengarry golf course on Saturdays and Sundays, reports Club Captain Rod McDonald. Players will be able to plan their games in advance and phone in for a starting time to avoid long waits at the first tee.

First trial for starting times will be this Saturday.

Soccer referee clinic held here

by Elizabeth Barton

Nineteen persons from the Glengarry Soccer took the Referee Clinic held here during the past two weeks.

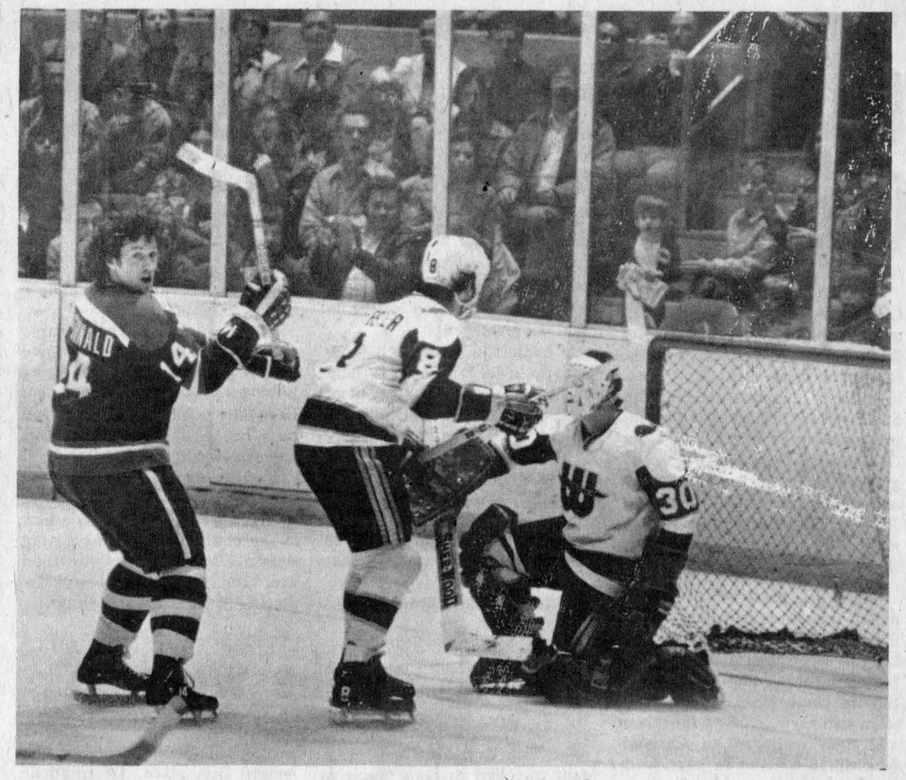
Six senior teams are entered this year: Lochiel, Glen Sandfield, Glengarry Clansmen, Pine Grove, Stars and Greenfield. Play is expected to commence on May 22nd with Lochiel, last year's runners-up, meeting the champions, Greenfield at Greenfield Park.

It is expected that there will be seven girls' teams representing the following areas: Alexandria, Glen Sandfield, Maxville, Lancaster Twp., Greenfield, Laggan and Dunvegan.

Minor registration will be open and will take place at Laggan Public School on May 14th for pupils attending school; on May 15th from 2:00 p.m. to 4:00 p.m. for anyone else wishing to register, and in Alexandria on May 15th and 29th.

Further details in next week's "Coming Events" about this.

Area representatives are: Laggan, Campbell MacGillivray; Lochiel, J. T. Hay; Glen Sandfield, Ron MacLachlan; Alexandria, Colleen McCormick; Maxville, Charlene Blaney; Greenfield, Adrian St. Denis; Dunvegan, Richard Campbell; Lancaster Twp., Susan Sangster.



SET NEW WHA RECORD—Green Valley's Blair MacDonald, a member of the Indianapolis Racer team, is seen at left pictured following a goal against the New England Whalers in season play. Blair established a new World Hockey Association record for 87 season games, the most any player has participated in to date. He is a son of Mr. and Mrs. Mervyn MacDonald.

Mixed League wraps up season

Alexandria Mixed League wrapped up the season with their trophy and banquet night recently.

The Sportsman, second place finishers in the mixed league, finished the year with the high team single, 1,530; high team triple 4,146 and high team average, 1,136.

Jeanne Claude had the high single of the regular season with a 318. Aline Menard bowled the high triple with a 789 and Rachel Buss led the high average with a 195.

Rene Menard led the men's high single with a 386; Claude Seguin topped the high triples with an 895 and Michel Menard took the high average honors with a 228.

Alexandria Moulding captured first place in the regular season with 118 points. The Sportsmen were second with 114 points, while Glengarry Transport Ltd. had 110. The Devils 106 and Alexandria Cleaners 104.

The champions of the play-offs was Glengarry Transport with a total pinfall of 11,097. The Road Runners were in second place, total pinfall 10,750. The Welders were third with 10,640; the Sportsmen placed fourth with a pinfall of 10,544, while the Bumblers were fifth with 10,460.

Joanne Menard bowled the highest ladies single in the play-offs, with a 282. Claire Roy topped the triples with 681. Michel Vaillancourt rolled the highest men's single with a 329. Robert Boisvenue led the triples with 807.

The executive for '76-'77 season was elected. President is Donat Wissell; Vice-President Guillaume Decoste; Treasurer Claire Roy; Secretary Jean Luc Menard. The publicity chairman is Jeannine Legault.

SPORTS in the GLENS

by ANGUS H. McDONELL

During the past winter months we kept abreast of sport activities in the Glens via concise, informative reporting in your favorite family journal. Thanks to the editor and postal service, each news copy winged its way to Vero Beach in weekend time.

So now, back home again, we begin still another year of strolling up and down the sport trails in the Glens.

We read with keen interest the re-organization meeting of Glengarry soccer leaders reported in last News issue. Just 52 years ago the founders launched this association at a meeting in the Orange Hall, Dunvegan. This writer, and we thank Divine Providence, is among the few who were in attendance and are still on the side lines.

During those years we have seen many, many leagues, especially in baseball, football and hockey, fall apart at the seams and disappear. But not the Glengarry soccer league. How gratifying to know that the continuity of soccer here ranks next to the N.H.L. and Canadian Football.

It is true that leagues and organizations have replaced, in many cases, those that were hit by disintegration for various reasons. However, soccer in Glengarry, like the N.H.L. and Canadian Football, survived from the Golden Twenties, through the depressed "Hungry Thirties." World War Two and the post war years without decay and disruption. In 1942-43-44, when the cream of our young manhood were fighting overseas in defense of our survival, Glengarry soccer was played at the exhibition game level. What an illustrious sport heritage for our present generation to preserve and add to in the years ahead.

Of particular interest to this writer, we noted the meeting's reference to the discussion of a trophy to be donated to the Alexandria Lions Club and presented annually at the Sportsman's dinner to someone in the soccer area of sports.

Sometime ago we relayed, in this column, the suggestion of knowledgeable soccer personnel that there was a missing link at the Lion's awards night. Glengarry's major sport, soccer, did not have a truly representative award. That was true.

It has been and still is our opinion that too many awards take away some prestige from major trophies. But there is plenty of room for a soccer award, among the Lions trophies, and right at the top. We trust this step in that direction will become a reality.

Assuming this does take place, we have a couple of suggestions or guidelines to offer our soccer associates based on our past experience—for what they are worth. First, who should qualify for an award and secondly the trophy name.

In our books such a trophy should be awarded to an outstanding player. And in Glengarry soccer, the enthusiasm and success of girl's soccer teams, should entitle a girl nominee as well as minor boys and senior male players. At last fall's soccer awards night there must have been close to a dozen outstanding player awards at various levels, including girls. The problem, obviously, is not the number or lack of nominees but the final choice. We don't like nominees to come from the ranks of organization leaders, managers and coaches. Invariably the same few men, and women, are active for a span of years. There is the chance of repetition. Player selection is different. This is a pinnacle to reach by fine play and sportsmanship. A just reward.

The Lions Club trophies, besides being specific sport awards, commemorate the names of noted Glengarry athletes, with two exceptions. The Vern DeGeer and Frank Boucher-Lady Byng awards are grateful recognition of the patronage and support those distinguished Canadian sportsmen rendered our Lions club on many occasions.

Now following this pattern, a name for this proposed soccer award. This could be controversial. Our purpose in writing is merely to provide food for thought. There is a legend that Donald Rory Campbell's father brought to Dunvegan from the lumber camps of British Col-

ODSL president addresses Glengarry Stars at finale

On Sunday, May 2nd, the Glengarry Stars indoor soccer team got together in the Acropolis Room at the Alexandria Pizzeria for their final meal and get-together of the indoor league. The Stars were honored with the presence of the President of the Ottawa and District Soccer League, Peter Wiley, his lovely wife and Public Relations Director John Armstrong and the man who makes the schedule, Myles Martin.

After the meal we were officially presented with the plaque for winning the indoor league by League President Peter Wiley. He presented the plaque to captain Hugh MacGillivray. The team had their team photo taken and then withdrew to Carman MacMillan's home to hear from the President

He gave us a talk on what the league in Ottawa is trying to do for soccer in Ottawa and the surrounding areas. The league has depleted its teams and now wants to help develop soccer in the minor leagues up.

He explained what each team could do in its local area to help develop soccer. The problem facing Ottawa is that in Glengarry the only team that is officially registered with Toronto or the Ontario Soccer Association is the Glengarry Stars. To have the benefit of the OSA all of the Glengarry league would have to register with the Ontario Association.

There are a lot of pros and cons for the joining, and at this time it is mostly against.

As we get on in the next couple of years the local league down here is going to see a benefit by joining the Ontario Association. Hopefully at that time there will be a benefit for the local teams and association.

Next week we hope to have an idea of what to expect in the Glengarry League and also a look at the coaches for the upcoming season. We will know by then who and what teams will be playing in the Glengarry League.

Gaels on the warpath

by Laurie Anne Mitchell

On Thursday our Gaels track team travelled to Long Sault to participate in the first meet of the season, the Seaway Relay Meet. With one of the biggest track teams ever, our school came in third out of sixteen schools participating, only nine points behind first place, La Citadelle High School.

Women's Lib was right in there on Thursday as our school girls' team finished in first position with a total of forty-one points. Glengarry's girls were not to be outdone and broke three track records. Both junior and senior girls' teams broke times for the 4x400 metre relays, the senior girls also setting a new record in the 4000 metre medley relay.

The SD&G Legion meet is being held this Saturday at General Vanier High School. Our school should place well as they have been practising since March and by all reports are a strong team this year.

Soccer league start May 22

by Carman MacMillan

The Glengarry Soccer League had its annual meeting of the delegates and did not come up with a chairman (or President) or Vice-President to date. The delegates of the local areas were there as were the delegates of the local teams. The league is supposed to get under way on the weekend of May 22nd with the two teams who finished the play-offs last season starting the league this season. That means that Lochiel will play Greenfield in the opener at the Greenfield soccer field.

This season the league will have six teams, they are: Greenfield, Lochiel, Pine Grove, Glen Sandfield, Glengarry Clansmen and the Glengarry Stars who are coming back after a two-year absence.

Each team is allowed by the constitution to have a representative on the board of directors, but it seems that the Clansmen and the Stars are again shafted by the league. The constitution reads that if a team has two consecutive years in the league it shall be allowed to have a representative on the board. The constitution also reads in the same paragraph that if the teams have players from the other areas they can't be represented on the board.

If the board of directors will look at the other four teams in the league they will find that Greenfield has players from Montreal, Alexandria, Ottawa and Glen Nevis. Pine Grove has players from Alexandria. Glen Sandfield has players from Lochiel and Lochiel has players from Glen Nevis and Glen Sandfield.
Glen Sandfield.

Now you can see that the other four teams in the league also have players from the other areas. So even though the team has been in the league for two consecutive years they should not be allowed to have a representative on the board as they have players from other areas.

It seems that the league again is allowing teams to play but not allowing them to have a right to be on the board.

The way that the constitution was written looks as if it contradicts itself sentence after sentence.

Hopefully the league board of directors will look into this matter as not to deprive the teams their rights as a team.

Russell Raymond the coach from Greenfield will again act as Referee-in-Chief for the Glengarry league.

Skate-a-thon at Williamstown was a great success

(Laura Everson, CLMHA Secretary)

The Char-Lan Minor Hockey Association Skate-a-Thon held on January 10th was a great success.

The Executive of the Association wishes to extend its thanks to all the skaters who took part as well as to those many people who supported the skaters with their pledges.

The Williamstown arena was a very active place on the day of the Skate-a-Thon. The ice was full of rushing figures and behind the glass were all the people busy counting the laps being completed.

The first group of skaters started off at 8:00 a.m., with another section ready to start at 9:00 a.m. and every hour after that through most of the day.

Each team in the hockey association was promised 10% of the total amount that the team collected in pledges. This 10% was to be used to benefit the team in some way and the decision of how to use it was at the discretion of the coach of each team.

This was a challenge to the boys to seek pledges but there was also the challenge of an individual prize. One boy was the highest individual winner and several others won 1st, 2nd and 3rd prizes.

It has taken the association some time to collect all the pledges and to decide on the individual and team winners. This information has now been completed and we wish to share the results of a most successful Skate-a-Thon with you.

The grand total collected was $5,301.08.

The highest individual winner was Dean Bolts whose pledges totalled $162.00. Dean's prize was a hockey stick autographed by members of the Canadiens hockey team. He received this coveted award at a special ceremony which took place on the ice after his last game.

In the House League the 1st prize winners were:

Novice: Ray Martel—$41; Coach Eric Pilon; Team, Glen Walter Fire Department.

Atom: Dean Bolts—$162; Coach Gordon Collette; Team, Gadbois Grader.

Peewee: Shawn Casey—$143.50; Coach Dalton Amell; Team, Jack's Chips.

Bantam: Richard Pigeon—$36; Coach Huntley McDonell; Team, Glendale Hotel.

Midget: Ronald Brunet—$46.15; Coach Ray Lapointe; Team, Impala Motel.

These first prize winners all received one pair of tickets to a Royal's game and one single ticket to a Junior C Rebel game.

House League 2nd prizes went to:

Novice: Archie MacDonald—$28.50; Coach Ted MacDonald; Team, Martintown Fire Department.

Atom: Daniel Jalbert—$83.50; Coach Duncan MacDonald; Team Michel's Restaurant.

Peewee: Roch Pilon—$102; Coach Don Avery; Team, Chafee Sports.

Bantam: John Taylor—$31; Coach Bob Sheets; Team, Jake's Minors.

Midget: Raymond Rose—$19; Coach Harry Lahneman; Team, Dan's Place.

These second prize winners each received a hockey stick.

House League 3rd prizes were awarded to:

Novice: Kevin Chafee—$26; Coach Harly Collette; Team, Williamstown Fire Department.

Atom: Glenn McKay—$61; Coach Duncan MacDonald; Team, Michel's Restaurant.

Peewee: Marc Drouin—$85; Coach Jamie MacCulloch; Team, CWL, St. Raphael's.

Bantam: Don Lapierre—$16; Coach B. J. MacDonald; Team, Major Equipment.

Midget: Brian McLaren—$14.55; Coach Lloyd McLaren; Team, Grant Bros.

The skaters who won third prize were awarded a free skate sharpening.

The Travelling Team prize winners each won one pair of Royals' tickets and one single ticket to a Junior C Rebel game.

These people were:

Atom: Marc Rouleau—$59; Coach Stuart Fourney.

Peewee: Hubert Hager—$86; Coach Les Wert.

Bantam: Robert Hope—$55.50; Coach Charlie Bourgon.

Midget: Maurice Andre—$41; Coach Edgar Prevost.

The supporters who skated for the various teams also won a pair of Royals tickets and a single ticket to a Junior C Rebel game.

They were:

Marlene Wert—$115—Skated for the peewee travelling team.

Linda Casey—$37—Skated for "Jack's Chips."

Laurie Condie—$36—Skated for "Dan's Place."

We wish to thank the many supporters who turned out to skate for our various teams. They added greatly to the general enjoyment of the Skate-a-Thon.

The following is a list of the pledges received by each section of the C.L.M.H.A.

Novice—$477.13: Highest team, Eric Pilon's "Glen Walter Fire Department" $206.66.

Atom—$1,106.72: Highest team, Gordon Collette's "Grader" $406.65.

Peewee—$1,295; Highest team, Dalton Amell's "Jack's Chips" $543.00.

Bantam—$594.51; Highest team, Huntley McDonell's "Glendale Hotel" $192.25.

Midget—$169.70; Highest team, Raymond Lapointe's "Impala Motel" $70.15.

Travelling Teams—$1,657.67; Highest team, Les Wert's Peewee travelling team $706.00.

We were most grateful for the support our Skate-a-Thon received this year and hope that future Skate-a-Thons will be as well pledged. Minor Hockey is important to our youngsters and so is a very worthy cause. However, we would like to see some adults on the ice next year, skating with their sons and daughters. This Skate-a-Thon is for adults too and we are sure you would enjoy yourselves.

TOP COLLECTOR—Dean Bolts of the Gadbois Grader atom team turned in the biggest amount of pledges in the Char-Lan minor hockey skate-a-thon. He is seen displaying his hockey stick autographed by members of the Canadiens hockey team. With Dean are Jake Leonard, commissioner of the CLMHA, Dwayne McRae, president, Jack Danaher, convener of the house league and Gordon Collette coach of the Graders.

Wintario changes, now has five top prizes

Overwhelming public support and increased ticket sales have led to a major change in the Wintario prize structure.

In a statement, Harvey McCulloch, Q.C., Chairman of the Board of the Ontario Lottery Corporation, announced that starting with the April 29th draw in Chatham, Wintario will now be even bigger and better. Five separate grand prize winning numbers will be drawn for five grand prizes each worth $100,000. This replaces the present system of two grand prizes of $100,000 and two of $50,000.

In explaining the new prize structure, Marshall Pollock, Q.C., Managing Director of the Lottery Corporation announced that tickets bearing various combinations of the five winning numbers selected for a draw will still be eligible for the thousands of other prizes offered in each draw. "As in our present system, tickets with the same winning ticket number as the first grand prize, but in a different series, will receive $10,000. Tickets with the same winning ticket number as the other four grand prizes, but in a different series, are eligible for a $1,000 prize. Similarly, tickets bearing the last four or last three digits of the five winning ticket numbers will receive $100 and $25 respectively."

"If, for example," said Mr. Pollock, "we issue 72 series of tickets for the Chatham draw, there will be 32,400 possible winners of prizes valued at $2,511,000. There will now be 450 prizes in every series as compared with 360 in the earlier draws. That makes your odds of winning a prize in Wintario better than ever—one chance in 200."

In the Wintario system every time another series of tickets is issued for sale 450 additional prizes valued at $28,125 are added to the prize fund to ensure that the chances of winning a prize remain the same no matter how many tickets are issued for sale.

Tickets for the new game will still cost only $1.00 and go on sale on April 16th.

EDITORIAL

IT'S OUR OPINION

Cornwall's being taken for a ride

Rail policy in relation to passenger service is to concentrate on inter-city travel such as the Quebec-Toronto corridor, we have been hearing in recent months.

If the new service out of Cornwall is a criterion, new policy is little changed from what the railways have been doing to discourage passenger traffic for more than a decade. The perpetrators of this bit of planning must have been motivated by one principal purpose—to close up eventually every station on the Montreal-Toronto line except possibly Kingston and Brockville.

They have so messed up train travel between Cornwall and Toronto any Glengarrian not keen on driving all the way to Toronto will probably decide to drive to Kingston, half-way, and take the train there.

The turbos are going to speed past Cornwall en route to Kingston while potential passengers are riding a bus to that city. A whole half hour is supposed to be saved from the regular schedule of conventional trains; but at what a cost of wear and tear on the nerves of harried travellers.

Those conventional trains are being replaced with rail liners and again it is the potential passengers who will suffer. The rail liners will run between Montreal and Brockville where Toronto-bound passengers are in for a wait until the train from Ottawa picks them up.

So this is progress? Where formerly Cornwall was served by two daily Toronto trains each way, in addition to the overnight train, now it will have to be satisfied with rail liners and a transfer point at Brockville. And as a special bonus Cornwallites now will be able to ride the turbo if they are willing to take a bus to Kingston. That, presumably, is preferable to taking a bus to Montreal for the through trip to Toronto.

Cornwallites don't seem to appreciate the fact they've been had. Unfortunately, Glengarry people in the habit of taking the train at Cornwall will also be the losers.

Home sweet home

Yes, home should be sweet. When that little ditty was penned, two or three generations ago, the writer was, no doubt, thinking with considerable longing of a spacious farmhouse, nestled on the side of a gentle hill, in which he could recall the presence of his mother and father, seven brothers and sisters, as well as Grandma Martin and Aunt Effie. Neither the grown-ups nor the kids ever worried much about money. True enough, there wasn't much of it around, but on the other hand little cash was ever needed.

The big old house was built from timber cut on the land and sawed for a few cents a hundred at the local sawmill; the bricks came from the nearby brickyard and the labor was probably supplied, nearly free, by a bunch of the neighbors. Fuel for the big furnace in the basement came from the woodlot at the back of the farm and there was a mountain of food on the table for every meal, including breakfast.

Those great big homes, whether in town or country, were the solid base from which a vigorous and self-reliant population emerged—young men and women who knew that hard work was a part of the good life and who didn't expect handouts from anybody. Their children, in turn, learned those values of strength and independence, but somewhere along the way they began to let them slip.

A home is, or should be, something more than a place to hang your hat or gobble your lunch, suggests an editorial in The Wingham Advance-Times. It should be the well-spring of love, trust and responsibility. Today, however, home is more frequently a 40-year yoke of debt which hangs around the necks of both mother and father throughout their working years. Decent living accommodation in a town like ours is now price-tagged at $40,000 and up; in the city the starting figure is closer to $70,000. If you haven't got the scratch for that kind of mortgage you can look for a cheapy—some run-down property that needs paint, wallpaper and new plumbing, on which you can spend every spare dime for 20 years and still have nothing.

The alternative for city dwellers is even worse. The parents who can't afford a separate house on its own lot can rent a $250 a month apartment and watch their kids trying to play on a patch of grass 13 floors below. These great apartment blocks are fast becoming the slums of the 70s, reminiscent of nothing more wholesome than our ancestors' cave dwellings.

A recent government proposal suggests one answer to the high price of housing would be smaller lots—crowd the homes more closely together, because land has become so expensive.

Isn't there something tragically ironic in this whole mess? Imagine! In Canada, where we have open space in uncomprehended abundance, counted in hundreds of thousands of square miles—we jam ourselves into a sliver of land along our southern border and the price of tiny lots runs up and up until our young families can scarcely afford to live. What in heaven's name is wrong with our collective heads?

With tens of thousands of sparkling lakes spread across the face of the land, where the air is clean and the water is pure, we must build our houses cheek-by-jowl with our unknown neighbors or pile our families hundreds of feet up into the polluted atmosphere of the city. What is wrong with the imaginations of government and industry that they have never found a way to open new settlements, fresh centres of commerce, where working people could live like human beings instead of like pigs in a crowded pen?

We who spend our lives in the less-crowded towns of rural Ontario rarely realize how fortunate we are. The blessings of warm homes and spacious lawns are beyond price.

A tale out of Texas

Our society isn't yet completely selfish and self-centred, we're pleased to report. There are still people who show concern for the other fellow, a spirit of neighborliness that was once taken for granted.

One doesn't have to go beyond the bounds of Glengarry to meet good neighbors, but here we are reaching thousands of miles, all the way to Texas, to bring you heart-warming reassurance that things aren't as bad as news headlines suggest.

Editor Norris Monroe of the Lampasas Dispatch-Record told recently of the visit to his office of a somewhat distraught young woman who reported the loss of a $20 bill. She was left with only $5.75 until pay day with which to purchase milk and baby food for her young child, the editor noted in a plea for return of the bill by the finder.

All sorts of unusual things began to happen as a consequence of that news item, Editor Monroe noted in his next issue. First, a local businessman, who wished to remain anonymous, came by the newspaper office, dropped a twenty on the counter and asked that it be passed on to the young mother.

A while later, in the editor's words, a lady who simply "didn't have time" to leave her name, laid down three singletons to be delivered to the young soldier's wife.

Meanwhile, the U.S. Mail also played a part when the postman delivered ten single dollar bills and a note which read: "God helped me; so I will help you in His name." The message was unsigned.

The perfect ending to the story came still later when Mrs. Caroline Olivares dropped by Mrs. Tester's home to return the original $20 bill. Mrs. Olivares had found the money shortly after it was lost while shopping at Piggly Wiggly, but had not heard Mrs. Tester's story until it was told to her by a friend.

Agreeably surprised was this young mother with the good neighborliness shown by residents of a Texas town. You probably got a "lift" from the story, too.

Is that not a reflection, though, on how far our society has slipped?

RAMBLING REPORTER

PITY THE NON-PUFFER

This is Kick the Habit Week, in case you don't know it, and your Rambling Reporter will refrain from suggesting that friends who smoke should be kicking the habit. As one who did, he realizes the person concerned must make up his or her own mind to quitting Lady Nicotine or it won't last.

So we're not pressuring you to give up the weed and breathe easier. This treatise is meant to remind smokers that second-hand smoke can be lethal, too. If you must smoke give thought to those non-smokers whose noses and lungs are being irritated by your exhalations.

You may not be aware that cigarette smoke affects the non-smoker in much the same way as it does him who puffs on the weed. By inhaling the smoke second-hand, the non-smoker speeds up his heart beat, increases his blood pressure and raises the level of carbon monoxide in his blood.

Something else for smokers to ponder. Smoke from an idling cigarette contains more dangerous chemicals than the smoke that is inhaled directly. Don't ask us how that comes about; but that's what it says here.

The moral of this story? Smoke if you must; but have some thought for non-smokers.

Second hand smoke can be lethal, too. Butt that butt!

WELL CHRISTENED

An ad in an Ottawa paper caught our eye one night last week, probably because of its local association. Glengarry Realties is the name of a new real estate firm in the capital city and the picture was a likeness of Jim Sharkey, president of the firm.

He's no stranger to Glengarry, a son of the late Rev. Norman F. Sharkey who served in charges at Kirk Hill and Lancaster and was a popular man of the cloth in this area.

Jim has been working in real estate at Ottawa since 1964, according to his ad, and now he has gone into business for himself at 311 O'Connor Street at Waverley.

We like the name he chose for his new business and we imagine among the hundreds of Glengarrians now resident in Ottawa there will be house hunters happy to seek the services of Jim's Glengarry Realties. Success!

An unfortunate reality of realty—the lot is a lot of the high cost of housing.

HOW MUCH MEEKER MUST WE GET?

What's in a name? when you get a guy with a monniker like Meeker recommending still more violence in hockey. If you were watching Saturday's game you heard Howie again between periods praising the play of the fellows who were more interested in the man than the puck. That's hockey?

This Howie Meeker school of thought leaves us more than a little nauseated. According to him the Philadelphia Flyers play hockey according to Hoyle because they take out the man rather than concentrate on the puck. Those same Flyers are doing their best to kill hockey and it's guys like Meeker who encourage their brand of mayhem.

They oughtta put Meeker out to pasture before he hurts hockey more. We had him up to here as we listened to his commentary during the Russian team's visit to Philadelphia. The more intimidating the Flyers became the more excited became Howie. He couldn't sit still as he chortled over the stiff cross checking the Flyers were handing out. They were playing the man and as a result the Russians couldn't play the puck. That adds up to good hockey according to Meeker but we hope Boston will be able to rid the Stanley Cup finals of Bobby Clarke and his goons. Give them

On Tuesday of this week the Administrator of the Diocese of Alexandria, Very Rev. George Corbett, received official notice of the appointment of the Rev. William A. MacDonell of St. Andrews, as successor of the late lamented Bishop Macdonell. The Bishop elect is a son of Glengarry having been born near Grant's Corners.—Dr. Beaudette, Alexandria's new veterinary surgeon, has his office in the building adjoining Archy McMillan's livery.—On Tuesday of this week T. Gormley, P. Daprato and J. Urquhart, gentlemen interested in the erection of a covered

PUPIL/TEACHER RATIO

Lunenburg

The editor,
The Glengarry News,

Bravo Art Buckland. It is indeed refreshing to see we have journalists with an awareness of the deteriorating educational scene, April 15th edition of "The Glengarry News." Undoubtedly you are right when you say one of the secrets of education is the number of students each teacher has in the classroom. There is a common misconception that the teacher/pupil ratio of 18.9, given out by the SD&G County Board of Education, means that the average teacher has less than twenty children in the classroom. Of course this is absolutely nonsense because double that figure is nearer reality due to the fact that librarians, P.E. teachers and other specialists are included in the ratio.

Teacher/pupil ratios reflect what society is prepared to pay for a child's education, and I wonder if the average parent truly understands the situation. Because only a fraction of the children with learning difficulties are catered for, every normal class has a loading of children needing special help. When we know approximately twenty-five per cent of any given society requires extra help in academic work we begin to realize a problem exists. To further emphasize the point let us assume there are only twenty children in a class with twenty five per cent needing help at the rate of five minutes a child per hour. This means that the average child only gets thirty five minutes of teacher attention each hour. It doesn't take too much mathematical ability to add up how little teaching time can be spared the average child in a day. But, lest we forget, most classes have far more than twenty children and so that hypothetical situation is severely compounded in the real

Too close for comfort

(The Renfrew Mercury)

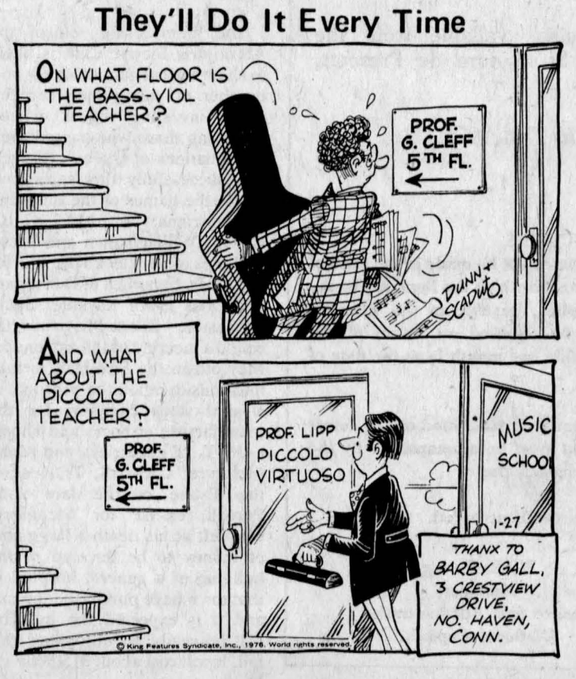
The Ontario Liberal convention decision to set up two party organizations, federal and provincial, is a wise one. No matter what reasons are given for the change there must be many Liberals concerned about too close a connection with Ottawa.

The Prime Minister has been much more popular than he is right now. His about-face on wage and price controls, the loss of John Turner a well liked cabinet minister, the judges' affair and airport contracts all have hurt Mr. Trudeau's government. Ontario Liberals know this and don't want the image to rub off on them.

Mr. Trudeau has recovered from some unpopularity before as we all well know. This time it is hard to say, he may regain public favor, he may not. We cannot think that he is still credited with holding Canadians together. Along with the English-French problem that is always with us, Mr. Trudeau has done little to win over the west. But it is his lack of action on the economic question that has affected Canadians the worst.

One can understand the Ontario Liberal position. Who wants to be identified with the power group in Ottawa right now?

They'll Do It Every Time



Martintown Rumor Mill

Art Buckland—528-4261

If you are interested in education, I suggest you get a copy of last week's Cornwall Weekly News. John Milnes has an excellent article on special education, its status and problems in the Glengarry, Stormont and Dundas education system.

Aline MacDonell of Williamstown is recuperating from a broken shoulder. St. Lawrence College misses you Aline.

Many and strange are the rumors surrounding changes in Cornwall's hospital set-up. Is it true that long range plans call for the great Cornwall General to close? One rumor calls for emergency services at one hospital only. Another plan has babies being born at one hospital but taken care of at another. Whatever those empowered to run our hospitals decide, you can bet it will be for their convenience and for our inconvenience. In addition, nurses who have spent their professional lives serving the sick, will not benefit by any changes. Have you ever heard of "centralization for efficiency" without human damage?

Who killed black squirrel? I found him dead on the Kinloch road beside Murray's cedar grove. I had stopped my car several times this spring and scolded him from behind as he scampered across the ditch and under the barbed wire fence and into the cedars. I warned him not to be so careless; alas to no avail. Poor black squirrel; he worked hard last fall to save enough nuts to last the winter. Having survived winter, his life was snuffed out by a speeding motorist. I placed him under his favorite cedar tree and covered him with leaves and boughs.

Last Friday night the Tudor Inn was packed for the Ottawa Glengarry Club's annual spring dance. The Brigadoons, first in Irish costume and later in kilts, were in top form. Fiddlers Clif Britton, Maurice Kennedy, Fred McPhee and Malcolm Dewar put on a good show. Clif Britton has what might be termed a long "so-long." He bade me goodnight at one a.m. and at two he hadn't quite left. Malcolm asked me to be sure to get his name right, just because I was not in a spelling mood on Friday. John MacCaskill also performed, as well as accordionist Steve Ormcziak. I was pleased to see Iris Lalonde there, with a beau in tow.

President Walter Stewart looking very debonair in his hand knitted Stewart Donegal, and Treasurer Myles MacMillan presented a large cheque to the Alexandria arena board—a very large cheque—the amount was $1,000 and the size was 4 feet by 2 feet. In addition, a cheque for $500 was given to Angus R. MacDonell for Adult Retarded work in Alexandria. Congratulations to the Glengarry Club for their efforts towards bettering life in the mother county.

Here is a red letter date to mark on your calendar—Friday, October 29th. What's happening, you ask? This is the night that the National Arts Centre audience has an opportunity to enjoy Glengarry's Scottish talent. The Glengarry Pipe band, MacCulloch dancers, Brigadoons and fiddlers will all be there in the majestic setting of the opera house at the Arts Centre—it's finally happening and it's enough to take your breath away and knock your eye out, tickle your fancy and please your ear. Plan now to attend.

Last Saturday, the Irish Rovers put on their second of three concerts at the Arts Centre. A fine show. They are all Canadian citizens now, of two weeks standing. Jimmy Ferguson is a little stouter and cousin Joe has shaved his goatee, otherwise they look the same as ever. That leprechaun, Will Millar, still has the same old magic of a professional performer in a class of his own. Will, incidentally claims that the Irish invented whiskey. Any challenges?

The Cornwall Centennial choir is still working hard to raise sufficient funds to get them over to Wales. Another of their fine concerts is coming up June 23rd at the Capitol Theatre. Good luck, folks.

Robin Wall, art instructor, teaching at the college and living near Williamstown, is holding a one-man paint-print-light show at Gallery '75 (Cornwallis Hotel). Robin has combined great talent and ingenuity in his exhibits. Several of his paintings are local scenes. The show is free.

Martintown Mac, in thinking of the 230th anniversary of Culloden and the present strife in Ireland, says that a man is alive for such a short time and as brothers to fellow men greater achievements result if we show love rather than hate and if we amicably settle conflicts, and cooperate.

life situation.

Who says it is expensive to have specialists to teach the learning disabled? Who says only the learning disabled gain from the system employing correct numbers of Special Education teachers? In my opinion the need for adequate specialist help has been proven for a long, long time and now we should be asking the trustees, who wish to be elected this year, to do their homework and start saving the taxpayers money by providing a correctly balanced educational service which is geared to the needs of our children rather than the trustees' political votes.

Yours truly,

an E for Effort, but not for Excellence.

We'll take Bobby Hull's assessment of the horrors of the hockey they're playing today, over Howie Meeker's hokum.

Hull will probably retire from hockey after the play-offs and he's not interested in continuing in the game, even in management. "The NHL is no better than the WHA when it comes to violence," he says.

"The idiot owners, the incompetent coaches, the inept players are dragging the game into the mud. They're destroying it with their senseless violence. The game is no pleasure anymore, it's an ordeal.

"Wherever you look it's the same. The junior leagues, the minors, the kids' hockey teams that start play at midnight are all doing the same thing, destroying hockey with brutality and savagery.

"You talk to some of these idiots at the top and they say 'It's the nature of the game. It always has been that way and always will be.' They're full of bull. It's worse than it ever has been and it's going to end up ruining hockey.

"They ought to take all these incompetents, these idiot owners, coaches and players and put them in their own league so they can kill each other."

To which we can only add—"add Meeker, Bobby."

On Wednesday, Daprato, Urquhart and Real Huot visited Renfrew for the purpose.—Workmen are now engaged excavating in rear of the Glengarry Mills preparatory to the erection in the near future of an elevator of sufficient capacity to meet all requirements.—Close upon one hundred carloads of carriages have already this year been shipped to outside points by the Alexandria Carriage Works. "The Buggy from Glengarry" is steadily growing in public favor.

EIGHTY YEARS AGO
Friday, May 1, 1896

The membership roll of the Alexandria Bicycle Club is likely to show a great gain this year as a number of young men contemplate investing in a wheel. —Among those who passed their examinations at Queen's University successfully this spring we notice the names of the following Glengarrians: for MA: J. C. Brown, Williamstown and Chas. McInnes of Vankleek Hill, and for BA, C. D. Campbell of Dunvegan, and Miss Edith Rayside, South Lancaster.—Reeve McArthur has called a meeting of the citizens for May 6th in the Fire Hall to take into consideration the prospect of a joint stock company for the manufacture of boots and shoes. —J. T. Kirkpatrick and John McIntyre, Cornwall, Trustees of the Estate of the late John Purcell, ex-MP for Glengarry, who left at his death a large sum of money to be devoted to the building of a general hospital in that town have purchased the site and it is expected the building will be ready for occupancy this fall. It will cost about $15,000.

G. K. Upton Cornwall, died

A well-known and respected citizen of Cornwall, George Kimberley Upton, passed away in Cornwall, Wednesday, April 28th. Born at Lancaster, Mr. Upton was the eldest son of the late Thomas and Helen (Wilson) Upton. He was 76.

In 1924 George married Dora Fourney who predeceased him in September 1967. For over 40 years Mr. Upton resided in Cornwall and was employed by Canada Bread Co. and later by Canadian Tire. He was faithful to his church at Lancaster and regularly attended Lancaster Masonic Lodge No. 207, of which he was a member. He was bestowed the honor of a 50 year pin in 1974 and presented a Life Membership Certificate in February of this year. Mr. Upton was also predeceased by a sister Nellie (Mrs. Edwin Wallace) and two brothers Thomas and Garnet.

Rev. Ross B. MacDonald officiated at the funeral service on Friday, April 30th, at 3 p.m., in St. Andrew's Presbyterian Church, South Lancaster. A Masonic Service was conducted at the graveside.

Pallbearers were brother Masons: Andrew Harkness, John R. Fourney, Leonard Fourney, Douglas Cameron, William Condie and James Sangster.

Mrs. John King Glen Road dies

Mrs. John King, Glen Road, Williamstown, died April 27 in Cornwall General Hospital. She was the daughter, Edith, of Alex Lalonde and Catherine Pichie.

To mourn she leaves her husband, one son, Cameron King and two grandchildren, Marsha and Wanda. Three brothers and four sisters also survive: Dan Lalonde, Cornwall; John of Dunvegan; Edmond, RR2 Cornwall; Mrs. Rose Kitts, Mrs. Ernest Quesnel, Cornwall; Mrs. Lawrence Quesnel, Apple Hill, Mrs. Viola Lauzon, Williamstown.

The funeral was held Friday in the chapel of McArthur Bros. and MacNeil Funeral Home in Cornwall, Rev. F. Rennie conducting the service. Burial was in St. Andrew's United Church cemetery, Martintown.

The pallbearers were: Hector Runions, Ernest McDonald, Norman MacLeod, Howard King, Merrill Muir and Wilfred Lauzon.

Bicycling has changed, and so have bicycle safety rules.

This is what Ontario is doing to bring bicycle safety up-to-date

There are about 2½ million bicycles in Ontario today. Last year 56 bicyclists were killed on Ontario streets and highways, and 3,720 were injured.

Even one is too many.

We urge you to make yourself and your family familiar with the simple rules and guidelines of bicycle safety. Obey all stop signs and traffic lights. Keep in mind that a bicycle is, by definition, a vehicle under the Highway Traffic Act. After all, you don't just "ride" a bicycle – you drive it. And Ontario wants every bicyclist to drive safely.

That's why the Ontario Ministry of Transportation and Communications has prepared 3 easy-to-understand folders that every bicyclist should read. They're called "The Bicyclist's Handbook," "Ontario Laws and Your Bicycle," and "How To Be an Expert Cyclist."

Picnic Grove W.I. celebrates 60th anniversary March 22nd

Picnic Grove Women's Institute celebrate its 60th Anaiversary on Monday, March 22nd 1976, in the form of a luncheon at the Torch Room in Cornwall. Flowers, candles and an anniversary cake graced the tables.

After luncheon was over our president, Mrs. Clifford Wightman, mentioned six names of Institute members who had been the back-bone of Picnic Grove for many years, and who were now to be honored for their long and faithful service. Mrs. Wightman gave a very fitting tribute to these ladies for the many things they had done over their long periods of membership.

This was followed by a rather unique touch. In each case, when the name of the lady to be honored was called out, another member who knew her well came forward and paid a personal tribute to her. This indeed made the presentations quite personal and special. Then each lady was presented with a scroll and a lovely gold pin inlaid with Mother-of-Pearl. On the back was engraved the name and number of years of service in the Institute.

The six members who were thus honored were: Mrs. Ina Cumming, 24 years of service; Mrs. James Sangster, 35 years; Mrs. Clayton McPherson, 42 years; Mrs. Stanley Wightman, 45 years; Mrs. George McCallum, 50 years; Mrs. E. L. McNaughton, 49 years.

The following ladies spoke on their behalf in order: Mrs. Carl MacLennan, Mrs. Gordon Ferguson, Mrs. Alex McNaughton, Mrs. D. MacLachlan, Mrs. John Fourney, Mrs. Bob McNaughton.

Mrs. Arthur Smith, as custodian of the Tweedsmuir History, related the history of Picnic Grove over the last 60 years and all its many activities. This was most interesting, particularly to the newer members. Many pictures were also taken of the ladies being honored that day.

Then, Mrs. Clifford Wightman, who was celebrating her birthday on the same day, received an unexpected birthday cake made for her by Mrs. Clayton McPherson She was serenaded by the other members with a rendition of Happy Birthday, as she blew out the candles.

U.C.W. had Easter meeting

The Easter meeting of Bainsville United Church Women was held April 15th at the home of Mrs. John Cusimano with our President, Mrs. H. J. MacCuaig, presiding.

After a short reading entitled "God Works in Unexpected Ways" by Mrs. MacCuaig, Mrs. H. Fourney led in the Worship service, the theme being "I Believe." Scripture verses containing the word "Trust" answered the Roll Call.

Plans were finalized for our Smorgasbord Supper at St. Andrew's Church, April 24th. Mrs. Cusimano, for the program portion, gave an interesting reading on Easter; she also conducted a Bible Quiz.

Prayer by Mrs. MacCuaig closed the meeting. Lunch and a social hour followed, the hostesses being Mrs. Wm. Condie and Mrs. J. R. Black.

McCrimmon WI met at Lochiel

The McCrimmon Women's Institute met at Lochiel Township Hall on April 15th for the annual meeting with 22 members present. Mrs. A. MacMillan acted as secretary.

The motto, "Wad some power the gift to gie us, to see ourselves as other see us," was commented on by Mrs. P. Heppleston. The roll call was paying of fees.

The spring Achievement Day for 4-H clubs, "Taking a Look at Yourself" is May 15th at Glengarry District High School. Visitors are welcome to the program at 1:15 p.m. The next club will be on gardening.

Annual reports were given. Then Mrs. W. R. MacLeod took the chair and installed the officers. Mrs. L. MacPherson is past president, while Mrs. A. MacLeod is president with Mrs. A. MacMillan as secretary. The Summary Day for the Needlepoint Course will be in Green Valley Pavilion on May 11th, at 1:15 p.m. Visitors welcome. Bring your finished articles to Mrs. V. Crowley or Mrs. D. Fraser beforehand.

The District Annual is in the Church on the Hill, on May 18th, with registration 9 to 10 a.m. This is McCrimmon's 60th anniversary.

The hostesses, Mrs. V. Crowley, Mrs. N. Blair and Mrs. D. Fraser, served tasty refreshments. The next meeting will be held in Lochiel Township Hall, May 20th.

In Memoriam

CREVIER—In loving memory of a dear mother and grandmother, Margaret Ann Crevier who died May 7, 1967.
—Always remembered by daughter Claire and grandchildren, Danny, Jack, Kevin and Margaret. 18-1c

MASSIA—In loving memory of our dear son Rodger who was accidentally killed May 4th, 1963. Thirteen years have passed, we miss him so,
Never shall his memory fade,
Thoughts of love will always go
To the place where he was laid.
Every hour we dearly miss him,
Sadly do we feel his loss;
Lonely is our home without him,
Help us, Lord, to bear the cross.
—Sadly missed by his mom and dad, Mr. and Mrs. Alex John Massia,
Lochiel. 18-1p

MASSIA—In loving memory of a dear brother, brother-in-law and uncle, Rodger, who was accidentally killed May 4th, 1963.
We are always together in memory lane,
Not just today, but tomorrow the same
Wherever we go, whatever we do
Our thoughts dear Rodger, are always of you
May the joys that you missed along life's way
Be found in God's garden of rest today.
Days of sadness still come o'er us
Tears in silence often flow
For memory keeps you ever near us
Though you died thirteen years ago.
—Always remembered by the family,
Alexandria and Monkland. 18-1p

MacLEOD—In loving memory of a dear husband and father Norman J. who passed away May 8, 1974.
—Sadly missed and always remembered,
Jessie and Marcella. 18-1p

YATES—In loving memory of a dear husband and father, Cecil Yates, who passed away May 4th, 1973.
Life goes on and years pass by
But treasured memories never die.
—Always remembered by the Yates family. 18-1p

CUMMING—In loving memory of a dear mother and grandmother Althea Cumming who passed away on May 27th, 1975.
Oh, how patient in thy suffering
When no hand could give thee ease,
God, the helper of the helpless,
Saw thy pain and gave thee peace.
—Always remembered by the family. 18-1p

Glen Sandfield

Mrs. Lorna Chapman
874-2408

The last euchre party of the season was held at Glen Sandfield Hall, last Thursday evening. There were 12 tables in play. Mrs. Real Seguin took ladies' first prize and Henri Menard took the men's. The draw for a lovely homemade cake was won by Lionel Ouimet. There was a special door prize drawn, a mystery dollars envelope, and it was won by Mrs. Roy MacMillan.

A very sumptuous lunch was served by the ladies, to round off a very successful season.

SUMMARY DAY

The summary day of the UCRO needlepoint exhibit will be held on the 11th of May, 1 to 4 p.m. at Green Valley Pavilion. This is an exhibition of needlepoint by the ladies of the surrounding area. Admission free.

GLEN SANDFIELD UCW SAW SLIDES OF HOLY LAND

The Easter meeting of the Glen Sandfield UCW was held at the home of Mrs. William MacLennan of Dalkeith the evening of April 7th, with fifteen ladies present.

The meeting opened with the call to worship taken from Psalm 37 by the president, Mrs. Wm. MacLennan.

Vice President Mrs. Dougall MacDougal had charge of the devotional part of the meeting, which began with the singing of Hymn 115, followed by a prayer led by Mrs. Munroe MacCaskill. The Bible reading was taken from the 13th Chapter of the Gospel of John, verses 1-17, and 21-30, and was read by Mrs. Ronald MacLachlan. Mrs. MacDougal read "Preparing for Easter."

A poem called "Resurrection" was given by Mrs. Angus MacLennan, followed by the singing of the hymn 87 and a prayer to close this part of the program.

The repeating of the members in unison opened the business part of the meeting, which was taken by the president. In the absence of secretary Mrs. C. Chapman, the minutes were read by Mrs. Arthur MacMillan. The treasurer, Mrs. Angus MacLennan, read the financial report. The offering was taken and dedicated with prayer. Penny sox were distributed to the ladies and various other matters discussed.

The Presbyterial to be held in Cornwall on April 21st at St. Paul's United Church, was discussed. "Thank You" notes from Mrs. Chapman, Mrs. Thomas Brown and Mrs. Lionel Brunet and the Golden family were read.

Mrs. Morlin Campbell was invited to show her beautiful slides of her trip to the Holy Land. While they were shown, Mrs. Campbell gave a most interesting and informative commentary which everyone enjoyed very much. At the close of her presentation, a token of appreciation was presented to her.

REV. DR. WALTER WELCH DIES AT TORONTO

Rev. Dr. Walter Welch, 48, Minister of St. Andrew's, Humber Heights, Presbyterian Church Weston, Ont., passed away on Sunday afternoon, April 11th. Rev. Welch was the older brother of Larry Welch, Student Minister of Knox Presbyterian Church, Moose Creek.

Born in Mull, near Blenheim, Ont., in June 1927, he attended the Ontario Agricultural College in Guelph, intending to become an Agricultural Missionary. After graduating from the College, he entered Knox Presbyterian College, Toronto, and from there he went to St. Andrew's Humber Heights Church in 1951 where he remained and spent his entire ministry.

Rev. Dr. Welch was active in community affairs, sports programs and music. He was the trumpet player and leader in a group of Presbyterian ministers who referred to themselves as the "Lost and Found Department." He was always searching to be innovative in his pastoral ministry without placing the Christian message in secondary position.

Rev. Welch is survived by his wife, the former Miss Jessie Barney, one daughter, Mrs. William Henry (Mary Jean) and three sons, Paul Welch, Mark Welch and Timothy Welch. His memory will live forever in the hearts of his two sisters, Mrs. William Butler (Marian) and Mrs. Thomas Robinson (Merle) and by his three brothers, Benjamin Welch, Samuel Welch and Larry Welch.

There was no public funeral for Dr. Welch. On his request, there took place a public worship service on Wednesday, April 14th, it was a witness to the Resurrection at a Memorial Service held in St. Andrew's Presbyterian (Humber Heights) Church. At this service over one thousand people came to pay their respect to a much beloved man. They came to give witness to the Resurrection and to glorify God.

Sports in the Glens . . .

(continued from Page 13)

umbia Glengarry's first soccer ball. The Campbell Trophy would be a suitable name. However, our choice is to enshrine in Glengarry soccer annals the name of a one time player and invaluable organization leader for many years —John Alex "Angus John" Macdonell. In our youth he was known as "Alex Angus John." Born and grew up on the family farm with the MacMillans, Hanleys and MacLennans as neighbors at Baltics Corners. To a younger generation, Baltics is mid-way between Greenfield and Dunvegan. Not far from Maxville and Laggan. All four noted soccer centres.

At Queen's University following World War One, "Alex Angus John" was a star on the college team. He mastered the art of dribbling a ball that was not easy to come by for Canadians. With his brother Angus and sister Martha, he moved from Baltics to a farm home near Walter Blaney. Alex then played soccer with Maxville in the organization year of 1924. As team mates Alex had his brother Angus, Benny and Osie Villeneuve, Glen and Alex Campbell, Dunc Christie, Floyd Scott, Hugh Coleman, Gordie Stewart and a couple of Duperrons.

Later Alex took up residence in Alexandria and taught school locally. From the playing field he became an outstanding leader. In 1939 this writer worked with Alex, representing Glengarry soccer, and George Mercer of Ottawa drafting a championship playoff between the Glengarry champions and Ottawa winners. This was a two-game, home and home, total-goal series. We donated the Angus H. McDonell Shield. Not for its monetary value, just a tangible winner's award. So, folks, all of 30 years before the recent play of Glengarry-Ottawa rivalry, "Alex Angus John" was ably assisting and maintaining soccer play in the Glens. Especially in 1942-43-44 and the post war era beginning of reorganization in 1945.

Although Alexandria was historically a lacrosse town, Alex was a soccer booster here. Some years later his sudden death while teaching in Lochiel, the present township hall, was regretted by a legion of sportsmen and friends. Alex was a quiet unassuming gentleman, teacher and athlete. A better than average lacrosse player with Alexandria in the mid-twenties.

It is true that outstanding leadership was provided by his successors. All worthy nominees to have their names given just consideration. The same may be said of star players. However, there were times when our soccer ship almost became rudderless and without a captain. But seemingly although Alex Angus John was no longer with us, his dedicated spirit of guidance prevailed. So much so that 1975 was rated one of the best years in a long time.

In conclusion, we repeat both topics mentioned could be controversial. Our sole purpose is to provide some food for thought in forthcoming discussions.

"Because people came" has been printed a second time

People who were disappointed when they were unable to get a copy of the local history "Because People Came" will be happy to know a second printing of the booklet has been completed and copies are now available.

The booklet came about as a need on the part of our history teachers who found themselves scrambling for material each year when they came to the unit on 'local history'. The task of gathering and assembling materials having to do with the county's past proved tedious and quite often omitted much that was of interest and value.

Application was made for an OFY grant in 1974 and five former students, Scott Campbell, Helen MacDonald, Connie Howes, Wendy MacSweyn and Sandra Kennedy were engaged to work on the project. The aims of the project were threefold: 1) To gather, collect and sort materials about the county's past and assemble them in a booklet that would be available to the teachers and students.

2) To develop a set of slides featuring buildings in the county that are of historical interest and importance and to prepare a taped commentary providing information on each.

3) To interview senior citizens in the county and tape their comments, anecdotes and remembrances of the county at the turn of the century.

The group proved extremely industrious as they travelled across the county gathering and assembling a tremendous amount of material. However their goals proved too extensive for the short time at their disposal and as the summer came to an end they had pretty well completed their first objective in the form of a booklet entitled "Because People Came." Aims two and three were partially completed, in that many of the historically interesting buildings were captured on slides and some 20-30 hours of conversations were taped with the county's senior citizens.

An initial printing of 200 copies was made. Of these, 50 were sent complimentary to persons assisting with the project and the remainder were sold at $1.00 per copy. Proceeds were used to defray printing expenditures and produce revenue for a second printing.

Minor revision and reorganization of the materials were made last Fall, sketches were added, a different binding used and the second printing has just recently been completed. Copies of the second printing are available for sale at $2.50 per copy.

It is hoped that the sale will produce sufficient revenue to enable the hiring of a student over the summer to complete the second and third phases of the project. There remains to complete a taped commentary to accompany the slide collection and convey information of interest as it pertains to each slide in the collection. A major task remains with the third objective, in that the 20-30 hours of tapes have to be sorted and organized according to topics in order that they will be available for use in the classroom.

Response to the second printing has been good and persons who are interested in assisting towards the completion of the project can do so by purchasing one of the books. Available by sending a cheque or money order to: The Secretary, Laggan Public School.

A. MacDonald died at Montreal

The funeral of Archie MacDonald of Montreal, was held Saturday afternoon to St. Finnan's Cathedral and cemetery and was attended by many friends from Montreal, Ottawa and the area. A native of Alexandria, Mr. MacDonald died early Thursday at his Montreal home following a brief illness. He was aged 70 on April 17th.

John Archibald MacDonald was born in Alexandria, a son of Donald A. MacDonald and his wife, Janet MacDonell. After attending the local schools he was employed in New York City until World War II when he served with the Military Police both in Canada and overseas. A member of the Corporation of Professional Social Workers of the Province of Quebec he had worked with the probation services, Montreal social welfare court, until his retirement five years ago.

Through the years Mr. MacDonald had retained ties with his native town through frequent summer visits to the family home. He had been a member of Alexandria Branch 423 of the Legion and had been among the early supporters of the golf club. An interesting conversationalist, he leaves many friends who regret his passing.

To mourn he leaves his wife, the former Margaret Houston of Montreal, one son James in Montreal, and three daughters, Janet and Ann of Toronto, Kathy, at home. Also surviving are his sister, Miss Theodora MacDonald of Alexandria and Montreal, and one brother, Harold of Edmonton.

Members of Alexandria Branch conducted a brief Legion ritual at the Morris Funeral Home on Saturday prior to the funeral held to St. Finnan's Cathedral and cemetery. Msgr. Donald A. Kerr of Cornwall, was assisted in the service by Rev. Leo MacDonell.

Legionnaires acting as pallbearers were Rod McDougall, Gavin McDonald, John Grant, Jim Baker, Harry Main and Donald MacMaster.

Relatives and friends were present from Montreal, Ottawa, Toronto, Niagara-on-the Lake and other points.
