A. C. Casselman Chosen Unanimously As P. C. Candidate

A. C. Casselman, KC, sitting member in the last Parliament, and Progressive Conservative Party Whip, last night received by acclamation his eighth nomination to contest Grenville-Dundas riding under the Progressive Conservative standard.

Mr. Casselman's nomination made it a straight Casselman versus Casselman fight again this year. The Liberals for the second time have nominated Frank J. Casselman of Morewood to oppose the Prescott lawyer.

A. C. CASSELMAN

In his acceptance speech, Mr. Casselman charged that George Drew was not being given a "fair deal" by the Canadian Broadcasting Corporation.

The Progressive Conservative Leader had criticized the CBC, his criticisms those that any "fair" person would admit were justified.

In return the CBC had not allowed the Conservative Leader radio time in proportion to his position as leader of a national party.

In the same spirit, "some sections of the press" continually were "playing down" George Drew, mentioning his name last when party leaders were listed.

After 25 years of representing his riding in the Commons, Mr. Casselman's nomination was a matter of a few minutes.

He was proposed and seconded as soon as the business of electing a new slate of officers for the riding association was completed.

Mrs. Marion Storey, who was in the chair for the meeting, called for further nominations from the floor and got the blunt answer that "no one else was needed".

When nominations were closed by unanimous consent, the crowd of more than 300 that jammed Spencerville town hall rose to pledge support in the campaign.

Mr. Casselman said nothing in his career meant as much to him as representing Grenville-Dundas in the Commons.

He had got into politics while still "pretty much a boy" and it had now become a habit.

While he did not consider himself a "slave" to his constituents, he realized as much any person in public life he was a "servant of the people".

As an indication of the steadily growing strength of the Progressive Conservative party, Mr. Casselman said in the last few years he had found "each election a little easier".

Fire Hydrant Blocked Nestles Need Notification

The only fire hydrant north of the CPR tracks is completely blocked to the fire pumper. It is almost useless, to all intents and purposes, for fighting a fire in the north end of the Village.

As was poined out at the last council meeting of the Village, the hydrant was in a poor location, now the plant has a high burglar-proof wire fence around their property. While the fireplug belongs to the municipality, it is still behind the fence. It was decided at council meeting to seek cooperation of Nestlé's to allow immediate access to the hydrant in case of fire. Presumably little has been accomplished by way of cooperation. In dismantling the old plant, the hydrant is so blocked by scrap that it cannot be reached even through the gate.

Don't let too many fires start north of the tracks. It might be discouraging trying to get water over the CPR tracks.

PROLONGED WET WEATHER DELAYS FARM OPERATIONS

After raining for the better part of a week, the lowering skies show little signs of clearing. While the downfall is not heavy, it is enough to keep the farmers off the land for the windup of seeding operations.

Today is Ascension Thursday, too, and it is raining. Looks like another forty days of rain.

FIRE BRIGADE CALLED OUT NO DAMAGE DONE

The Chesterville Volunteer Fire Brigade was called out on Wednesday evening to the farm of Ethan McElheran. Upon arrival it was found that the trouble lay in a shorting electrical wire that was a temporary hook-up following the big storm of last week. The trouble-making flasher was soon remedied.

Citizenship Day On Sunday Chesterville To Be Host For Cadet Display

To the tingling strains of the Cornwall Cadet Band, the ACFM Cadet Battalion will march through the streets of Chesterville Sunday in their annual Citizenship Day Parade. The assembly will begin on the lawn in front of the Trinity United Church and march to the Chesterville High School grounds. In the parade will be the cadets of Chesterville, Avonmore, Finch and Maxville High Schools.

Addressing the gathering on the school grounds will be the commanding officer of the SD and G Highlanders, Colonel Dick and also Lieutenant Forrest of Kingston.

The cadet officers of the Chesterville Corps under Douglas Hough, Mr. Kinschular and Mr. Potvin hope the general public will take this opportunity to witness the fine results of their work.

Collision of Car and Truck Injures Moose Creek Man

Wednesday morning a car and truck were in collision on the Ridge road west of Chesterville, that sent the driver of the car to the Memorial Hospital in Winchester, suffering severe lacerations and other extensive injuries.

A Dodge Construction truck driven by Robert Wright of Ventnor, and a passenger had left the gravel pit at Bert Fulton's and were preceeding west on Highway 43 They had just passed the bush west of the Ridge when a car driven by Leopold Emmell of Moose Creek crashed head-on into them. The Emmell car is almost a total wreck, and the truck is battered about the front. The driver of the truck and his passenger were shaken up but not injured.

Constables Tate of Chesterville, and Code of Morrisburg, arrived on the scene shortly after the collision and took charge of the affair.

MISS Z. CREEDEN OF OTTAWA ADDRESSES ROTARY CLUB

The district nurse of the Ottawa area for the Ontario Society for Crippled Children was the speaker of the evening at the regular meeting of the Chesterville Rotary Club held last Monday night. In the absence of the president, vice-president Howard Fulton was in the chair. Present as guests of the club were former member Tom Barnes and Rotarian Bob Cameron of Ottawa.

Miss Creeden gave a short resume of the history of the Ontario Society For Crippled Children. The Society was formed in 1922 to promote and further the work among crippled children in the province. In 1935 the nursing service, of which the speaker is a part, was started.

The work of the nurses in the field was explained in detail by Miss Creeden. They work closely with all the local organizations and the Public Health Nurses. It is their duty to select the children who are sent to the Crippled Children Camps in the summer, after regular surveys have been made to find those eligible to go.

Miss Creeden told of the work that is being done by the Society in the operation of the camps. They are used as a means to develop the physical, mental and spiritual well-being of the children. The camps are in a position to teach the children physical skills that are within their range of abilities. The children are taught a love of the outdoors. They get all the good food they can eat and have a fine time with children similarly handicapped.

In conclusion, the speaker stressed the need for early and adequate treatment for all crippled children. Only in that way, the nurse showed, could the handicapped ones become well-adjusted, useful citizens.

A coloured film was shown at the conclusion of Miss Creeden's address of the work that is being done at one of the camps. The camp was Merrywood-On-The-Rideau, between Smiths Falls and Perth.

Miss Creeden was introduced by Dr. G. H. Barton and Bob Cameron and thanked by Don Hutton.

OLD FACTORY BEING CLEARED TO BE USED FOR STORAGE

To the accompaniment of thudding air hammers and the jar of light dynamite charges, the old Nestlé's plant is rapidly being gutted of all its equipment. The yard is strewn with piles of scrap and rusty equipment that are on their way to other places. The scrap dealers are busy sorting out the piles according to type and quality. The dynamite was used to help break up the evporator pans that are made of thick copper. It is much cheaper to use light charges of explosive than it is to cut with an acetelyne torch. The emptied plant will be used as a warehouse in the future.

The hundred foot square smoke stack that has towered over the village for so many years is also a thing of the past. Workmen started at the top last week and down she came, brick by brick.

BOWLING GREENS OPEN FOR BUSINESS MAY 24th MARKS SEASON'S BEGINNING

Chesterville Lawn Bowling Club opened the season last Tuesday evening with a good crowd on hand to start things rolling. Mixed teams were picked from the twenty odd members present for the evening games. Coming out on top at the end were Mrs. Klingvall for the ladies and Haldane "Baldy" Durant carried the flag for the men.

Rev. W. E. Wright, the president of the club, expressed his thanks to all who had contributed to the evening's success. An excellent lunch was enjoyed by all.

ENGAGEMENT

Mr. and Mrs. Arthur Johnston of Prescott, Ont., announce the engagement of their daughter Elma Lois to Mr. Lloyd James Wright, son of Rev. and Mrs. W. E. Wright of Chesterville. The marriage will take place on June 25th, at 2 o'clock in St. Paul's United Church, Prescott, Ont.

ENGAGEMENT

Mr. and Mrs. Patrick Kelly of Chesterville, wish to announce the engagement of their daughter Pauline Rose, to Lucien Leo, son of Mr. and Mrs. Henry Ouellette of Chesterville. Marriage to take place in St. Mary's Church, Chesterville, the middle of June.

Mrs. Lucy Dickey, 91, Dies At Her Home

On May 17, there passed to her eternal reward one of the oldest residents of the community in the person of Mrs. Lucy Dickey who had reached the advanced age of 91 years on March 30th last. Almost two years ago she suffered a stroke but had been able to be about in her home until the day previous to her death. She was born in the 2nd Concession of the Township of Williamsburg, a daughter of the late William McLean and his wife Sarah Reddick, being one of a family of ten children. She later came to Dunbar where she was united in marriage to the late Samuel Dickey and resided on their farm home there for over 60 years. Four years ago she moved to her home on Joseph St. in Chesterville, from where her funeral service was conducted on Thursday, May 19th, at 2 p.m. by Rev. W. H. Heustin who paid tribute to the memory of the deceased. Hymns used during the service were "What A Friend We Have in Jesus" and "Rock of Ages." Interment was made in Williamsburg cemetery. The pallbearers were: John Carlyle, Lyle Thom, Brock Barkley, Burrill Beckstead.

Left to mourn the loss of a loving mother and grandmother are two daughters (Belle) Mrs. H. Clare Jarvis of Dunbar, and Mary at home, two grandchildren, Grace and Lyle Jarvis. Two daughters predeceased her, Sadie in 1909 and Jessie in 1919. She is also survived by two brothers, Thomas McLean of Morrisburg and Donald McLean of Webster, South Dakota.

Many beautiful floral tributes were placed on the casket by relatives, neighbors and friends.

"There are thoughts that never perish
Bright, unfading through long years
So thy memory we cherish
Shrined in hope, embalmed in tears".

IT'S OUR CRISIS

By Joseph Lister Rutledge

We average people quite naturally assume that with expanding industry, good crops, full employment and general well-being our railroads should be coming into their own. We wouldn't be very wrong if gross profits were the basis of the argument. The 68th annual report of the Canadian Pacific Railway shows that gross earnings are substantially up—almost 12% above those of 1947, another satisfactory year. There is the basis of our delusion that all is now well with the railroads.

Unfortunately that is only half the picture. While gross earnings were going up, they were being overtaken steadily by costs up almost 14%. There is the irrepressible conflict between prices and costs. The railroad's statement points the case dramatically. Earnings are up. The freight rate per ton mile is up, the revenue per passenger mile is up. Every place where prosperity can help, there has been help. What management can do not only to stimulate business but to restrict outlay has been done. The determinable costs have not increased. Interest and rental charges and dividends are constant. Less has been spent for modernization and other company purposes, yet net earnings are down. The reason is clear. Working expenses are up almost $37 millions.

There is one uniform factor in all these costs, the wages from which we all benefit. How does it work out? The Financial Post gives us some interesting comparisons. An engine and ten coaches an average train, in 1939 cost $693,577. Today they cost $1,081,280. If the engine burns oil, the cost is twice what it was in 1939. If it continues to burn coal the increase is only 88%. In its last year's operations the C.P.R. laid three million new ties and 330 miles of new rails and ballasted an equal length of roadbed. It overhauled 32,066 locomotive freight and passenger cars. We who pay for odd jobs about the house know how much increased costs will be represented in these items.

Of course we don't have to sympathize. This is a business concern. We can forget their side and look at our own. From that angle, what would our lives be like if the railroads suddenly ceased to serve us? Of course, we can always argue that we can take over the private road and operate it with our own. But our own is in no different position. We can keep it operating of course by paying the deficits, just as we could add another road and pay its deficits too. Only wouldn't it be smarter to pay it in freight rates and give the railroads the incentive of success in place of the ball-and-chain of failure? In either case we pay. Why not, after all? It is we who have benefited by the wages that make the payment necessary.

THE NIGHT HAS A THOUSAND EYES

By Francis W. Bourdillon

The night has a thousand eyes,
And the day but one;
Yet the light of the bright world dies
With the dying sun.

The mind has a thousand eyes,
And the heart but one;
Yet the light of a whole life dies
When love is done.

Good Qustion

Young astronomer to mountain dweller: "Why, my friend, science is doing wonderful things out in the world. On a high mountain in California, we have a telescope that is so powerful we can look three thousand miles away and see the eyelashes on a beautiful girl."

Mountain dweller: "That's purty good, son, but who wants to see a purty girl so fur away?"

An Event

A visitor to the wind-swept Great Plains was commenting unfavorably on the country to a native. "Great Scott," he ended, "doesn't it ever rain here?"

"Oh, yes," the Plainsman replied seriously, "last week they had a nice rain over northeast of here about 15 miles. But I was busy and couldn't go."

Plan Parish Mission For Chesterville

For many months local Anglicans, under the leadership of The Rev'd Leon B. G. Adams, have been planning and preparing for a week's Parish Mission to be conducted by The Rev'd G. Moore W. Smith, B.A., L.Th., Rector of the Church of St. Matthias, Apostle and Martyr, Toronto.

The Mission, which is in the nature of a sacred serial story, is to begin on Whitsunday, the Feast of Pentecost, June 5th, and will last until Trinity Sunday, June 12th. All the services will be held at the Church of Holy Trinity, Chesterville.

Whitsunday is the 400th Anniversary of the first edition (in English) of the Book of Common Prayer, the Anglican Prayer Book, which was used for the first time on Whitsunday 1549 and is known as the First Prayer Book of King Edward VI. The Missioner will officiate that day at the Holy Communion at 8.00 a.m. At 7.30 p.m. the Rector will officiate at Evensong assisted by the Rural Dean of Stormont, Rev'd L. J. F. Macmorine, Rector of Wales, who will represent the Lord Bishop of Ottawa. On the Bishop's Mandate, the Rural Dean will give the Missioner episcopal authority to conduct the week's Mission. The sermon will be given by the Missioner.

Every day in the week there will be four services: Mattins, Holy Communion in the morning, a Children's service in the afternoon, and a special Mission service in the evening at 8.00 p.m. At the latter two services addresses and instruction will be given by the Missioner.

On Tuesday, June 7th, The Rev'd Moore Smith will conduct a Quiet Day for clergy from Cornwall, Wales, Morrisburg, Iroquois, Metcalfe, Russell, Bells Corners, Richmond and Ottawa. The Ladies' Guild of Holy Trinity Church will serve dinner in the Library at noon.

On Saturday, June 11th, it is planned to hold a Children's Eucharist, after which the Sunday School teachers will sponsor a picnic for the children.

The Mission will reach its climax on Trinity Sunday which is the Titular Festival of the local Anglican Church and also the 70th anniversary of the first Church of England Services in Chesterville. This historic event will be marked by a solemn service of Thanksgiving at 11.00 a.m. at which the Missioner will give his final address.

While in Chesterville, the Missioner has been asked to address a supper meeting of the local Rotary Club and also to speak to the children of a near-by Public School. The Missioner will also fulfil other engagements in Winchester, South Mountain and Ottawa.

The Rev'd Leon B. G. Adams has extended an invitation to all who feel the need of God in their lives and in the world to attend the Mission Services.

Trinity United Church Afternoon Auxiliary

On Thursday, May 19th, the Afternoon Auxiliary of the Woman's Missionary Society held their May meeting in the Sunday School Hall of the church. There was a fair attendance. The opening hymn and prayer was announced by the President, Mrs. Wright. The Treasurer, Mrs. Wm. Hamilton gave the financial report showing givings had amounted up to date to $150.15. Mrs. W. Edgerton as Literature Secretary said she would receive orders for the Blue Book. Mrs. Ken McDonald, Supply Secretary, read a list of articles required for the missionary supplies from our Society, namely, Christmas gifts for boys and girls 8 to 14 years of age, such as handkerciefs, autograph books, bibles, etc. These are to be handed in at our June gathering.

It was decided on motion by Mrs. W. Edgerton, seconded by Mrs. Martha Hummel and carried, that we again send a bale of clothing to Toronto for Overseas Reliefs. Parcels of clean used clothing, bedding and low-heeled shoes may be left at the store of Dixon and Rowe.

Mrs. Harold Durant, corresponding secretary had sent two letters and received the same number of replies. Mrs. Stanley Shay and Mrs. Wm. Forward gave excellent and detailed reports of the 23rd Annual W.M.S. Presbyterial Meeting at Merrickville. The stress throughout this meeting was "Advance" in all missionary work and givings. Mrs. Albert Smith and her group, had the program for this meeting but in the absence of Mrs. Smith, Mrs. Wright conducted the worship period and program.

"Go tell the whole world" were the watch-words of the worship. Mrs. Martha Hummel and Mrs. Lyle Marcellus gave suitable prayers. The program was "Advance in Forward Movements in Christian Missions at Home and Abroad". Mrs. Howard Kittle told how help could be given to newcomers in Canada. Mrs. Harold Durant showed how "Advance" in Japanese missionary work could be accomplished and Mrs. Ken McDonald how this could be done in India Our own Auxiliary could "Advance" by more members as shown by Mrs. Hugh Smith; by more Bible study and prayer, Mrs. W. Edgerton; more readers, Mrs. Wm. Hamilton; more education, Mrs. Angus Smith; more givings in money, Mrs. Chas. McMillan.

Mrs. Stanley Shay was the pianist for hymn singing. Mrs. Wright adjourned the meeting with a very earnest prayer and benediction.

Proper front wheel alignment is highly important!

You may be driving *side-ways* and never know it! A bad bump at the curb can sometimes throw your car's wheels out of line. Then you'd literally be *dragging* your tires side-ways over miles of highway.

Don't risk it. It's cheaper and safer to drive in now for our Precision Wheel-Alignment Service. We'll check your steering, inspect front-end alignment, balance front wheel assemblies and equalize your tire pressure.

Drive in today—our factory-trained mechanics know your car inside and out.

Mr. and Mrs. Glen Hollister, Beverley and Carol called on Mr. and Mrs. Willie Brownell and Robert, Thursday evening.

Mrs. Kenneth Shaver and family spent a day recently with Mr. and Mrs. Morris Sanderson.

Beverley Hollister spent Saturday visiting friends in Finch.

Friends of Mrs. Frank Brownell are sorry to learn she is in Cornwall Hospital, suffering from the effects of a fall. All hope for a speedy recovery.

Mr. B. J. Hollister called on his brother, John of Mille Roches, and Manson of Cornwall.

Church service will be held Sunday morning, May 29th.

Mr. and Mrs. Stewart Hart and Linda spent Friday evening with Mr. and Mrs. Charlie Hart and Mrs. Purchon.

The Young People are still going strong with their play "Cyclone Sally."

Mr. and Mrs. Harry Hollister of Detroit, and Mrs. Everett Warner and son Bob of Winnipeg, and B. Warner of Martintown, spent a day at B. J. and Glenn Hollister's.

Mrs. Mabel McLean has returned home after spending some time in Ottawa.

We are sorry to report that Miles Milross is a patient in Cornwall General Hospital. His many friends wish him a speedy recovery.

IN MEMORIAM

GRAY—In fond and loving memory of my dear husband and father, Eslie Allison Gray, who entered into eternal rest May 26, 1947.

Our family circle has been broken,
A link gone from our chain
But though we're separated for a while
We trust in God, to meet again.

—Wife and family.

CARD OF THANKS

We wish to extend our sincere thanks and appreciation to all our friends and kind neighbours who so kindly remembered us with cards, letters and treats, visits, phone calls and inquiries; also special thanks to Dr. Justus and all who helped and those who offered prayers on our behalf while we were ill with pneumonia.

Mr. and Mrs. Alonzo Murphy.

Seed Corn

Our supply of Seed Corn has just arrived. We have practically all kinds of Corn on hand, in Dents, Flints and Hybrid at moderate prices.

We would ask those who have corn on order to please pick it up at your earliest convenience. By so doing you will be assured of the corn you require, and help us out considerably, as we are short of room at the present time.

We are glad to see Mrs. Ross Beckstead home from the hospital where she underwent a very serious operation a few weeks ago.

The Anglican Ladies' Guild served a banquet to the Oddfellows in the Church Hall on Wednesday night last.

Mr. Thorald Lane has sold his property here in town, and will shortly be moving to his farm west of town.

Mrs. McCracken who spent the winter in Montreal, has moved to her home here.

We are glad to see Mr. Wesley Reddick home from the Cornwall General Hospital, where he was a patient for the past few months.

The annual school commencement was held in the hall last Thursday and Friday nights to a full house each night. The students did excell themselves and it will long be remembered by all who were there, but rather sad in another way as it will be the last one to be held in Aultsville, as the High School will be closed and the students will have to go elsewhere in the future.

Mrs. Mary Sampson has gone to Saskatchewan for the summer to visit her sister and other relatives.

Miss Mavis Beckstead of Cornwall, spent the week-end here with her parents, Mr. and Mrs. Irwin Beckstead.

Mr. and Mrs. Hector Murdoch spent last Saturday in Brockville, with the latter's father, Mr. W. A. Edwards, who is a patient in the hospital.

Mrs. John Kittle and daughter Doris and Miss R. Gordon of Grantley, have moved to our little town with Mr. and Mrs. Wesley Reddick.

Mr. and Mrs. Walter Pruner and family have moved to the home of the former's parents, Mr. and Mrs. John Pruner, 2nd Concession.

Colquhoun

Mrs. Beatrice Colquhoun attended the graduation exercises at Queen's University on Saturday. Her son Arthur, graduated with the degree of Bachelor of Science.

Mr. and Mrs. Sam Kyle, Mr. and Mrs. Don Kyle and Elaine spent Sunday with Mr. and Mrs. Lee Smith.

VALUABLE CALF STOLEN AND KILLED ON IROQUOIS FARM

James Styles, farmer of Iroquois, returned home Saturday night to find that his most valuable calf had been stolen and killed, and the lights in his stable had been cut off.

Mr. and Mrs. Styles had made their customary visit to Morrisburg, had returned home earlier than usual Saturday evening.

Mr. Styles went to the stable to make his nightly check, only to discover that the lighting system was out of order, the stall which housed his registered calf empty, and the door wide open.

On further investigation, he found half of the calf in one field and the other half in another. The calf had been killed, cleaned and cut in half.

Evidently on seeing the approaching car lights, the culprits fled leaving their spoils behind.

Mr. Styles had been offered $150. for the registered animal the week it was stolen.

There has been no trace of the thieves as yet.

Late C. A. Loucks, Williamsburg

The death of a highly esteemed resident of Williamsburg Township in the person of Mr. Christian Archibald Loucks occurred at the Civic Hospital, Ottawa, on Sunday evening, May 8th, where he had been a patient for a few weeks. Mr. Loucks had been in failing health for some time.

He was known throughout the district where he was employed as cheesemaker in a Williamsburg factory for some time, later he held a position as clerk in the general store at Winchester Springs.

He was a man of kindly nature, one who made a host of friends who learned with regret of his death.

In his 81st year, he was born in Williamsburg township on January 18, 1863, a son of the late Mr. and Mrs. John Loucks, pioneers of this district. For the past eight years Mr. Loucks had resided at the farm home with his son.

The funeral was held on Tuesday at 1.30 p.m. at the home where the Rev. H. Kielty of Winchester assisted by the Rev. James A. Barrie of Newington, were in charge of the service. The text was from 23rd chapter, 10th verse. During the service Mrs. Sheldon Robinson rendered "Will Never Grow Old" and "The Last Mile of the Way".

Mr. Loucks is survived by his wife, the former Susannah Jackson of Nation Valley, whom he married in 1887, one son, Herbert Loucks with whom he resided, one daughter, Mrs. Stanley Thomas of Ottawa; five grandchildren; two great grandchildren; three sisters: Miss Eva Loucks of Morrisburg, Mrs. Andrew Jackson of Iroquois; Mrs. Jas. E. Summers of Speer, Sask., and one brother, George Loucks of Mariatown. Burial was in Maple Ridge Cemetery.

The pallbearers were: Lyle Thom, Harry Carruthers, Wilfrid Carruthers, Harold Pemberton, James Herriman and Cecil Casselman.

The floral tributes were beautiful all speaking their silent message of love and sympathy.

Among friends from a distance attending the funeral were: Mr. and Mrs. H. Jackson, Archie Jackson, Mr. and Mrs. Winston Gordon all of Rochester, N.Y.; Mr. and Mrs. Stanley Thomas, Mr. and Mrs. Alfred Adams, Mr. and Mrs. John McDonald, Mr. and Mrs. Arthur Thomas, Mrs. Coleman Thomas all of Ottawa; Mr. and Mrs. Elwood Thomas of Kingston, and Mr. and Mrs. Ben Johnston of South Mountain.

Williamsburg

Mrs. Geo. W. Strader of town and daughter, Miss Betty Strader, R.N. of North Bay, visited at her home here and spent Thursday with friends in Ottawa.

Mr. and Mrs. Sam Robinson of Winchester, spent a couple of days this week with Mr. and Mrs. Howard Robinson.

Mr. and Mrs. Orval Francis of Brockville, Miss Jennie Francis of Prescott, spent the week-end with Mr. and Mrs. Alex Francis.

Mrs. Robt Conley and Mrs. Maggie Law were tea guests on Friday of Mrs. Roy McCarley.

Mr. and Mrs. Bert Halliday of Cardinal, were Sunday vsitors of Mrs. Janie Somerville and Mr. and Mrs. Cecil Somerville.

Church News

MOREWOOD UNITED CHURCH

The services on Sunday at Morewood United Church were conducted by the minister. At the morning service the theme was "The Source of Every Blessing" based on James 1, 17, "Every good gift and every perfect gift is from above and cometh down from the Father of lights who giveth to all men liberally and upbraideth not". The God and Father of mankind is the fountain head of all real good, the spring of all true happiness. There is no blessing that man enjoys that does not come from the Father of lights. The recognition of this teaching is the inspiration of true religion, which is the worship and service of the Supreme Spirit from a sense of dependence upon Him and a realization of obligation to Him. If God is the source of all good then the beneficiary will trust Him for His providential care; seek to obey His commands, for they too are gracious and full of compassion, and learn to love Him with all the heart, soul, mind and strength. "If any of you lack wisdom, let him ask of God, who giveth to all men liberally and upbraideth not, and it shall be given him; but let him ask in faith."

"Come Thou fount of every blessing
Tune our hearts to sing Try Grace!
Streams of mercy never ceasing
Call for songs of loudest praise."

May Meeting of WMS Evening Auxiliary

The May meeting of the Evening Auxiliary of the W.M.S. was held in the dining hall on the evening of the 3rd.

During the business period, Mrs. D. Docksteader was nominated Missionary Monthly Secretary to replace Mrs. Ralph Ouderkirk who leaves shortly to take up residence in Montreal. Mrs. B. Lapp, who was a recent delegate to the Annual Presbyterial held recently in Merrickville, gave a very interesting and instructive report on the various sessions.

Following a worship service, a committee of Mrs. Shaver, Mrs. Fyke and Mrs. Fulton presented the last chapter of the Story Book, "West of the Gorges." They outlined the work done by our Missionaries in China and made possible by the United Church of Canada, and stressed the need for many more to answer the cali.

Following the Mispah Benediction, lunch was served by the committee in charge.

DO YOU KNOW about TRAVEL RATION REGULATIONS?

It saves time and trouble when you familiarize yourself with the regulations regarding travel to the United States before you set out on your trip. Here are the facts:

1. The allowance for pleasure travel during the current ration period of November 16th, 1948, to November 15th, 1949, is $150 U.S. per person ($100 in the case of children under 11 years old).
2. A Form H permit, obtainable at any bank, is required to take out of Canada amounts exceeding $10 U.S. or $25 U.S. and Canadian funds.
3. Special allowances are granted for strictly business travel where your application is certified by your employer.
4. Applications for larger amounts of U.S. funds for travel for health or educational purposes may be made on special forms obtainable at your bank.

SLUGS CAN SOON SPOIL THE GARDEN

Slugs are the grey, snail-like creatures which eat the leaves of tender vegetables, leaving a slimy trail on the foliage and on the soil beneath the plants. They do not restrict their activities to vegetables, as anyone with a rockery in the garden will know.

They shun daylight and thrive only where there is plenty of moisture. They are most troublesome in rainy seasons, and in low-lying areas of heavy land or where there is a mass of foliage growing close to the ground.

Plants in infested soil may be protected by a thin film of hydrated lime dusted over the foliage and on the ground after the sun has gone down and feeding has commenced. Hydrated lime is effective only when dry, and for this reason a few dustings every three or four days is more effective than one heavy one. Bordeaux mixture is also repellent to slugs and plants kept covered with the spray will be protected in some measure from attack.

For small gardens, where cost is not as important as under field conditions, baits of metaldehyde and bran are satisfactory. They can be bought ready mixed at most seed stores, and should be used according to the manufacturers' directions.

PARDON our pointing . . . with pride.

But it's an event when the number of bank workers passes the 40,000 mark — as it did last year. That's 65% more than before the war.

It's an event, first, because it shows the increased use of Canadian bank services . . .

More deposit accounts: now over seven million. *More funds:* customers' deposits now reach nearly seven billion dollars. *More services:* to farmers; to personal and small-business borrowers; to war pensioners; to people receiving Family Allowances.

It's an event, too, because of the kind of men and women who have joined our ranks. Eager to get ahead, they are finding in banking an interesting job, a challenging career. *They* can tell you how important privacy in banking is to the Canadian way of doing things.

PROVIDE MORE AND BETTER TELEPHONE SERVICE

TO-DAY, WE HAVE twice as many employees as five years ago because more people want more service than ever before. Eager, capable, courteous — our operators, installers, the girls in our business offices — all bring to their jobs the same friendly spirit that means better telephone service for you, makes it of greater *value* than most other things you buy.

In the past five years, our payroll has gone up from 20 million to over 50 million dollars. Yet, up to now, despite higher costs on all sides, there has been no increase in the basic telephone rates established 22 years ago.

To-day's expansion program is breaking all records, but there are still orders we haven't been able to fill. We will keep right on working and building to make your telephone service a bigger bargain than ever — to continue to provide more and better service at the lowest possible cost.

SHUN POISON IVY— ENJOY THE PICNIC

It's time for a reminder about poison ivy. Many a day's outing has been spoiled by coming in contact with this plant.

The best preventative measure is to learn to recognize poison ivy and not to picnic or sit near it. Although it generally grows as a trailing vine, or as a number of separate plants forming patches of varying thickness and size, it may climb a tree or telegraph pole for a considerable height.

Its leaves are arranged alternately on the woody stem with each leaf bearing three leaflets, which may vary in size, shape, colour or outline, but will always be in threes. Clusters of greenish-yellow fruits about the size of peas develop on poison ivy in some locations and these fruits generally turn white. Poison ivy is the only common plant in Canada having trifoliate leaves and white fruit.

The rash which can prove so distressing to many people is caused by coming into contact with the non-volatile, sticky substance which is on the plant. This substance may remain active on gloves, tools, shoes and picnic baskets for months. Dogs, cats, or even smoke from burning ivy can transmit the substance.

Say It Again, Brother

As the two men left the movie, one was visibly more impressed than the other.

THE MIXING BOWL

By ANNE ALLAN
Hydro Home Economist

Hello Homemakers! Something old and something new is a long standing bridal superstition. Usually everyone brings a lovely wrapped gift, brand new to a bride's shower. At a recent party, however, Grandma brought a lovely old, old shell tea pot wrapped in a new tea cosy.

By the way, Granny wore her wedding dress and so the evening was spent comparing the modern bride's method of housekeeping versus that of the bride of 50 years ago.

For buffet the hostess served one of those new party sandwich loaves and some old fashioned crunchy pink and white short bread with ice cream and tea.

SANDWICH LOAF

1 loaf unsliced bread
Butter, slightly softened for spreading
¾ cup cottage cheese
1|3 cup deviled ham spread
½ cup egg salad
¾ cup tunafish salad
¾ cup cottage cheese (cheese mixed with chopped cress)
3 packages cream cheese
¼ to 1|3 cup milk
Red coloring

Trim all crusts from bread; cut loaf into six lengthwise slices. Spread first slice with butter, then with cottage cheese. Spread next slice with butter. Place buttered side down on top of first slice. Repeat this procedure using deviled ham in the second layer, egg salad in the third, tunafish salad in the fourth and cottage cheese in the last.

Soften cream cheese with a spoon. Add milk and colouring gradually, blending until soft and easy to spread. Frost loaf with cheese.

Chill thoroughly in electric refrigerator ... several hours if possible. Garnish the loaf with lettuce, radish roses and carrot curls. Cut in half inch slices with a very sharp knife. If desired, use alternate slices of whole wheat and white bread. Other fillings may be used. Yield: twelve to fifteen slices.

ALMOND COOKIES

6 tablespoons butter
1 1|3 cups dark brown sugar
1 teaspoon vanilla
1 egg, separated
2 cups sifted flour
⅛ teaspoon salt
⅛ teaspoon soda
⅛ teaspoon cinnamon
¼ pound blanched almonds (coarsely chopped)

Cream butter. Add sugar gradually; beat thoroughly. Add vanilla and egg yolk. Beat until well blended.

Mix and sift flour, salt, soda and cinnamon. Stir into butter mixture. Add almonds. Beat egg white until stiff but not dry. Lightly fold into mixture. Divide dough in half and shape into two rolls 1½ inches in diameter. Wrap in waxed paper. Chill at least 3 hours. Slice thin. Bake on buttered cookie sheet in moderately hot oven (375 degrees) for 10 to 15 minutes. Yield: 5 dozen cookies.

SHORTBREAD COOKIES

1 cup butter
½ cup confectioner's sugar
2½ cups sifted flour
¼ teaspoon baking powder
¼ teaspoon salt
3 tablespoons milk

Cream butter, add sugar and continue to cream until thoroughly blended. Mix and sift flour, baking powder and salt. Add to butter mixture. Add milk. Mix just enough to moisten. Divide dough and put half in another bowl. Tint with red coloring. Fold white and pink dough together. Roll out on floured board to about ¼-inch thickness. Cut into two-inch squares; place on cookie sheet. Bake in moderate electric oven (350 degrees) for 20 to 25 minutes or until browned. Yield: about 50 squares.

TAKE A TIP

1. Umbrellas are also a decorative idea for bridal showers. Use a small doilie and crease in umbrella fashion. Fasten it over the corner of an iced decorated cake.
2. Cut a large circle of paper in a wheel design, leaving the spokes as a narrow slit. Through the hub insert a long ribbon with a bow at each end. Put a handful of rose petal confetti in the centre and fasten in a parcel at a doorway... At the opportune time pull the string and shower the bride.

MOTHS BREED IN OVERLOOKED PLACES

According to entomologists of the Dominion Department of Agriculture, one of the worst breeding places of clothes moths is often overlooked. If there is a hot air furnace, there are probably whole colonies of moths in its cool air pipes. Moths feed and flourish on the accumulation of lint which collects in the pipes.

A vacuum cleaner with a long extension will remove the lint easily, or even a long-handled broom will serve. The inside of the pipes should then be sprayed as far down as possible with a household spray containing DDT, or naphthalene flakes or paradichlorobenzene crystals may be scattered in the pipes.

MRS. SARA MacLEAN-NESBITT, REGISTERED NURSE, PASSES ON

On Thursday, May 19th, marked the passing of one of this district's most respected and useful citizens in the person of the late Mrs. Sara MacLean-Nesbitt, R.N. of Goldfield, at the home of her niece, Mrs. James Anderson at Ramsayville, where she had gone a few days previous, prior to entering the Civic Hospital, Ottawa, for further treatment.

Although not in the best of health for the past few weeks, her death came as a shock to her friends in this district and friends in Western Canada and in the United States.

Her death marked the close of a useful, brilliant nursing career in Edmonton, where she was supervisor in a hospital there, and in New Westminster where she supervised a nursing home. A daughter of the late Mr. and Mrs. Peter MacLean of Goldfield, and had entered her 79th year of life. Mrs. Nesbitt was an ardent church supporter.

When she was in Edmonton, she married Mr. Kenneth MacLean, a native of Finch Township, following his death she supervised a nursing home in New Westminster. After several years spent in New Westminster, she returned to the home of her parents in Goldfield, she then married Mr. Henry Nesbitt of Finch, who died a few years ago, since giving up residence in Finch, she has resided with her nephew, Mr. Duart A. MacLean. Saturday afternoon relatives and friends gathered at Brownlee's Funeral Home, Finch, to pay a final tribute of love and respect to her memory, where Rec. H. M. Beach of Chalmer's United Church, Finch, assisted by Rev. E. G. Moore of St. Luke's Presbyterian Church, delivered a comforting message to the bereaved and paid fitting tribute to the departed.

Interment was made in the family plot in Goldfield cemetery. Pallbearers were: Messrs. Alexander Munroe, Roland Droppo, Hawley MacLean, Bruce MacLeod, Robert Armstrong and Dewey MacRae.

Floral tributes were received representative of the esteem of individuals and organizations. The sympathy of many friends is extended to the survivors who are: Mrs. C. Morbett, Vancouver, and Mrs. M. Scott, Chicago, and several nieces and nephews.
