Chesterville Branch BESL Elects Officers

Officers of Chesterville Legion Branch No. 434 were installed Thursday evening by Zone Commander Arthur Jarvis of Prescott in a ceremony held in the Legion hall.

Commander Jarvis, in addressing the large gathering, spoke in glowing terms of the Legion's work, and complimented the Chesterville veterans on their year's work. Commander Jarvis was accompanied by Capt. John A. Morris of Prescott, formerly of this branch.

The new officers are: President, Leonard Moriarity; first vice-president, Milton Phillips; second vice-president, William Gould; third vice-president, Russell Sirvage; secretary, Donald Campbell; treasurer, Hubert McCloskey; sergeant-at-arms, E. Johnston.

Executive Committee: J. Frank Casselman, L. H. Doering, John D. MacMillan, W. C. Purchon.

President L. T. Moriarity was appointed as delegate to the District meeting in Winchester on April 11, and J. Frank Casselman was appointed to attend the Zone Rally in Cornwall on April 25. The Branch decided to support the suggestion that the Zone Commander be the representative for this Zone at the Dominion Convention in Saskatoon.

Fish and Game Association Sponsors Conservation Movie

Chesterville Fish and Game Association sponsored a fine showing of Conservation Films last Monday night in the Community Hall. A packed house showed their enjoyment of the speaker and the pictures by their enthusiastic applause.

Major P. K. Ketcheson of Napanee presented the films on behalf of the Carling Conservation Club. Major Ketcheson pointed out at the beginning that conservation meant not only the preservation of fish and game but the preservation of all the many things that made it possible for the fish and game to live in health and good surroundings. Using the South Nation River as an example, he showed the all-too evident results of improper handling of the watershed that has resulted in the depletion of the natural food and habitat of a great deal of game that could otherwise have been saved. Even man suffers from his own carelessness in the ruthless deforestation of the slopes and the floods and erosion are the inevitable result.. After complimenting the club on the work it has done and hopes to do, the pictures were shown.

Crysler Women's Institute

The March meeting of the C.W.I. was held at the home of Mrs. Wm. Ouderkirk. Twelve members answered the roll call. Letters of thanks were read from Joan Fleming, Shirley Ouderkirk and Mrs. Wm. Servage. A programme committee was approved for the annual meeting in May. The committee to be Mrs. C. Johnston, Mrs. Myles Johnston, Mrs. John Fleming, Mrs. T. Armstrong. The meeting closed with the National Anthem. A vote of thanks was given Mrs. Ouderkirk for her home. Lunch was served by the hostess assisted by Miss Ethel Johnston and Mrs. John Fleming. Next meeting to be held at Mrs. Wilbert Paul's. Roll call to be the paying of dues.

"Why did you stop singing in the choir, Thomas?"

"Well, one Sunday I was sick and didn't sing, and a lot of people in the congregation asked if the organ had been fixed!"

CELEBRATE GOLDEN WEDDING PRESENTATION BY FRIENDS

On Monday evening a number of friends surprised Mr. and Mrs. Walter Collingridge when they called to honor them on the occasion of their Golden Wedding.

Following the reading of an address by Mrs. J. Sutherland, presentation of a tri-light lamp was made by W. H. Fairbrass and Leo Gallagher on behalf of those present.

Mr. and Mrs. Collingridge received many messages of congratulations including a cable from their sons and daughters in England.

Mrs. Collingridge intends visiting them next month and her friends wish her a safe voyage.

Refreshments were served by the hostess assisted by her daughter, Mrs. James Storr of Toronto.

Rotary Hears Telephone Official

The regular meeting of the Chesterville Rotary club was held last Monday night with J. Fred Gardiner of the Bell Telephone Company as the guest speaker. Present as guests to hear Mr. Gardiner were Rotarian Major P. K. Ketcheson of Napanee, L. Andrews and Mr. Blake of Cornwall and Mr. Jamieson of Chesterville.

The president of the club, L. H. Doering read a letter of greetings received from a Rotary club in England at Walton, a town just 17 miles from London. The secretary was instructed to make suitable reply. Dr. H. G. Barton reported on the work of the Crippled Children's committee. He asked for volunteers to take a patient to Ottawa each Wednesday for Treatment. to the clinic.

Introduced by H. G. Bigelow, the speaker explained that as manager of the local Bell office, perhaps there were some questions that he could answer regarding the work of the system at the moment. Pointing out that the demand for new service has never been greater, Mr. Gardiner explained the efforts that are being put forth to meet demand. While the suppliers could supply the actual sets at the rate of one a minute, still that was a very small part of the whole that was needed to enable a subscriber to pick up his phone and talk to anyone anywhere.

Concluding his talk. Mr. Gardiner expressed the belief that in another year or so, the system would be in a position to supply service on demand, and have better and faster service than ever.

Morewood Wo's Inst. Holds Annual Meeting

The annual meeting of the Women's Institute was held at the home of Mrs. H. Popplewell with 37 ladies present. Mrs. A. Dillabough presiding.

The Treasurer reported that enough money had been made to pay the $200 promised the Winchester hospital. A donation was also made to the cancer fund.

A very fine paper on planting and planning a garden was given by Mrs. J. Steen.

Mrs. Rome presided for election of officers which were as follows: President, Mrs. A. Steinburg; 1st Vice-Pres., Mrs. H. Stewart; 2nd Vice-Pres., Mrs. Ronald Runions; Sec., Mrs. S. Mattice; Treas., Mrs. J. V. Fetterly; Auditors, Mrs. O. K. Steven, Mrs. Wm. Campbell; District Director, Mrs. J. Steen; Flower and Sick com., Mrs. A. Steinburg, Mrs. W. Carlyle. Conveners for Standing Committee were also appointed.

A vote of thanks to the retiring officers was given by Mrs. J. V. Fetterly. Lunch was served by the hostess assisted by Mrs. W. Bilow, Mrs. Geo. Thompson, Mrs. A. Thompson, Mrs. D. Runions.

Edwin Miles Bolster Dies In Vancouver

On March 24th, there passed away in the General Hospital, Vancouver, B.C., Edwin Miles Bolster, in his 42nd year, eldest son of the late John Edwin Bolster and of Edith Bolster and grandson of Dr. Miles Brown, late of Chesterville.

Edwin had been in the employ of the wholesale and retail firm of the Vancouver Drug Co., later merged into the Cunningham Drug and Western Wholesale Drug Ltd., for fully 20 years, first as apprentice and later as fully qualified druggist, holding a responsible and honored position with that firm.

He leaves to mourn his loss his beloved wife, Catharine (Joy) and son Raymond, aged 7; his mother, Mrs. Edith Bolster and one brother, Arthur, all of Vancouver, B.C.

CORN AS A GRAIN CROP

Grain corn has been referred to as "the crop with a future" in Ontario, and this seems to be borne out by the increasing acreage sown in sections where grain corn had not been grown previously to any great extent, says K. S. Murphy, fieldman of the Crops, Seeds and Weeds Branch, Ontario Department of Agriculture. The developement of earlier, high yielding hybrids which produce high quality grain in the shorter season districts has done much to promote this interest. Another factor contributing to the growing popularity of grain corn has been the development and increased distribution of satisfactory havesting machines.

Corn will outyield oats, barley and wheat in yield per acre, Mr. Murphy points out. Results of tests made at the Ontario Agriculture College indicate that corn yields approximately twice as many pounds of grain per acre as barley. The yield of shelled corn per acre is about equal to that of mixed oats or grain. Pound for pound, corn contains more food nutrients than either oats, barley or wheat. The inclusion of a portion of corn in rations for poultry, hogs or cattle increases the feeding value and gives profitable results.

Another advantage of growing corn is that when it is ripe it need not be harvested until the farmer is ready to do so. It may be left until freeze-up or longer if necessary; the longer it is left on the stalk the lower the moisture content and the better the keeping qualities. Small acreages may be picked by hand off the standing stalk, or the stalks may be cut, shocked and the ears picked later. A crop of corn will distribute the need for labour away from the peak periods. Storing of the corn may be done in cribs with slatted sides and some ventilatian underneath.

Further information on the recommended hybrids may be had by obtaining a copy of "Guide to Crop Production in Ontario," or Bulletin No. 452 on "Harvesting and Storing Ear Corn." These are available from county and district agricultural representatives or from the Crops, Seeds and Weeds Branch, Ontario Department of Agriculture.

Ephraim, storekeeper in a small Vermont town, was greeted by a neighbour on the loss of some merchandise during a fire. "Did you lose much?" asked the friend.

"Not too much," came the laconic reply. "I'd just marked most of my stock down 25%.

"It's a strange thing, Jim," said Farmer Brown. "Yer allus late of a morning and you live right on the farm. Now Bill here, who lives two miles away is allus on time."

"There's nothin' funny about that," retorted Jim. "If Bill's late of a mornin' he can hurry a bit, but if I'm late, I'm already here."

ARE YOU GETTING THE TAX DEDUCTIONS YOU ARE ENTITLED TO?

The Farm Account Book and Income Tax Guide shows you how!

How much can you deduct for depreciation on your tractor? Your automobile? A shed? What expenses can you deduct? There are 75 articles in common farm use plus a wide variety of deductible expenses for which depreciation can be charged—all listed in the new Farm Account Book. These legal deductions from your income are a big question at Income Tax Time and the answers to them and to dozens of other questions are in this new Farm Account Book.

A Record of Your Transactions and a Guide to Your Income Tax Return

WHAT IT DOES—Keeps a clean record, helps you budget—and shows you whether you have made or lost money on your operations. Shows you, too, what your best lines are and where you may be farming at a loss. Saves you hours of time from book keeping. First ten pages are for your receipts—from sales of crops, seeds, livestock, poultry, dairy products and all other produce. Then come twelve pages of all farm expenses—you are reminded of items you might otherwise forget. Establish a basic herd, apply for the three-year-average plan, calculate your depreciation item by item. These are money-savers for every farmer. They're all in the new Farm Account Book.

DEDUCTIONS—Every farmer is entitled to deductions and he is expected by the department to take full advantage of his rights. The Farm Account Book tells you about many items in easy question-and-answer form. For instance—"What can I claim as expenses for repairs?" The answer is "any expense to keep a machine or a building in working order can be claimed." Altogether there are answers to over 60 questions. No one is required to pay more than his fair share of tax. *Comments from Letters on the New Farm Account Book and Income Tax Guide:* "A long awaited step for the benefit and progress of our Canadian farmers" . . . "Takes the kinks out of keeping farm records" . . . "Pleased to recommend this Account Book for farm people" . . . "Record keeping in its simplest form—a real help" . . . "Something we have been needing for a long time".

Mrs. Jas. Hesson Entertains Grantley Women's Assn.

Fourteen members of the Grantley W.A. met on Wednesday afternoon, April 7, at the home of Mrs. James Hesson.

Mrs. Claude Carr, the President, was in the chair with Mrs. M. O. Robinson in charge of the music and the program arranged by Mrs. Donald Gordon.

After the opening hymn "A charge to keep I have" Mrs. Arthur Beckstead read John 1:34-43 and Miss Bessie Shaver gave the lesson thought and prayer.

The life of the disciple Andrew was discussed, Mr. Beach pointing out that his cross comes down to us in our flag.

Letters of thanks were read from Mrs. S. B. Casselman and Mrs. Lockhart, who have been ill.

"Happy Birthday" was sung to Mrs. Ernest Beckstead as April 7th was her anniversary.

Mr. Beach reported a new electric stove has been installed in the parsonage kitchen which is very satisfactory.

Mrs. Glen MacMillan read "Little Things" and Mrs. George Cunningham "Take your time". A solo "Blessed Assurance" by Mrs. Wilburn Robinson was much appreciated.

An oral quiz on "Shoes" followed by a hymn and the Mizpah Benediction brought the session to a close.

Lunch was served by the hostess assisted by Mrs. Darling, Mrs. Glen MacMillan, Mrs. Wilburn Robinson and Mrs. Cunningham.

The May meeting will be at the parsonage and the disciple Philip.

Smart Papa

Dave was reading the paper in the kitchen.

"It says here," he remarked to his father, "that in France people eat horses."

"That's right son," replied father. "As a matter of fact they eat horses nearly all the time in big hotels and restaurants. Haven't you ever seen a menu written in French?"

"No," replied Dave.

"Well," explained father, "whenever they are having horse meat they write on the top of the menu, 'A la Carte'."

ELMA W.I. SPONSORED PLAY

On Thursday evening Elma W.I. sponsored a play "Plain Sister" presented in the church hall by members of Pleasant Valley Y.P.U. Mrs. Burrill Beckstead welcomed those present and introduced Mrs. Dwight Gilmer, director of the play. Mrs. Gilmer introduced the members of the cast: Mrs. Herbert Wallace, Marie Gilmer, Shirley Shaver, Bernice Tousant, John Thorpe, Dwight Gilmer, Sammy Cowan, Lawrence Wallace.

Guitar, mouth organ and vocal music was provided between acts by two young artists, Preston Gilmer and Clair Wallace.

Trinity United W. A. Holds Regular Meeting

The regular meeting of Trinity United Women's Association was held in the Sunday School rooms April 1st, in the form of a money and children's wear shower with $22 in cash and 68 articles of children's wear received.

The meeting opened with singing followed by scripture reading by Mrs. Doering and prayer by Mrs. Wright. The minutes of the previous meeting were read and approved and plans made for the bazaar. It was also decided to take up a flower collection of five cents at each meeting to purchase flowers or plants to decorate the church for any special occasion. It was decided to clean the church in the near future. The meeting closed with the Mizpah benediction. Refreshments were served by the committee in charge, Mrs. H. Brown, Mrs. G. Merkley, Mrs. D. Campbell, Mrs. Wesley Cross, Mrs. Hollands, Mrs. Justus, Miss Ethel Merkley, Mrs. W. N. Fulton and Mrs. Ken McDonald.

The programme consisted of recitations by Charles Graham and Gail Belsher, song by Caroline Durant accompanied at the piano by Patsey Durant. Musical numbers and folk dances by six pupils of the Public School: Charles Graham, Gail Belsher, Robert Gilroy, Shirley Bailey, Garry Price and Margo Boyd, with Mrs. Allison Graham at the piano. Musical number by Judy Henderson, Marlene Cross and Eileen York accompanied at the piano by Mrs. Allison Graham.

BERRYHOLM CHICKS ARE DOING WELL THIS YEAR
Mr. Percy Carkner, a good farmer of the Ormond district is rounding out his farming program again this year with a brood of chicks that will develop into excellent layers. On March 10th, he purchased 480 BERRYHOLM day old White Leghorn Pullets and to date, April 10th, still has 480 pullets that are doing "just fine.". Every indication points to a real good flock of Leghorns to go into Mr. Carkner's laying house this fall.
Quality is your best guarantee. Your chicks from BERRYHOLM POULTRY FARM are backed by 25 years experience in the production of baby chicks.

Elma Women's Institute Asks Pension Increase

Elma Women's Institute met Tuesday evening at the home of the president, Mrs. Burrill Beckstead. The singing of the Ode was followed by the Creed repeated in unison. Twenty-two members answered the roll call and three new members joined.

The secretary, Mrs. Hyndman McMillan read several business letters and circulars, also a letter of appreciation of a gift sent to Mrs. Mahlon Beckstead, who has been shut-in during the winter and spring months.

It was decided to sign a petition to be sent to the local member of Parliament asking that totally disabled war veterans be given a basic pension of $100. a month.

Mrs. M. E. McPherson was appointed leader of a group to complete the answers to the Better Farm House Competition.

Mrs. Melvin Dillabough, on behalf of the refreshment committee moved a vote of thanks to the institute members for their help in providing the lunch at the fashion show. Mrs. Jas. Jackson seconded the motion and Mrs. Oscar Beckstead, another member of the refreshment committee, also expressed her appreciation.

Mrs. Burrill Beckstead, Mrs. Hyndman McMillan and Miss Jean Armstrong were appointed to interview members of the Winchester and District Memorial Hospital Board.

A humorous poem "Neighbours", was read by Mrs. M. E. McPherson. Mrs. Hugh McMillan gave an instructive talk and demonstration on blocking and modelling hats.

The closing hymn "Blest Be the Tie That Binds" was sung. A dainty lunch was served by the hostesses and the refreshment committee. A collection of $5.25 was received.

A vote of thanks to the hostesses, Mrs. Oscar Beckstead and Mrs. Burrill Beckstead, was moved by Mrs. Hugh McMillan and was responded to by Mrs. O. Beckstead.

The annual meeting will be held May 4, at the home of Mrs. Melvin Dillabough.

Church News

MOREWOOD UNITED CHURCH

The services in the Morewood United Church were conducted by the minister, Rev. W. J. Copsey. The lesson at the morning service was the story of Christ in Gethsemene, Matt. 26:36-42. The text was verse 42, "O My Father, if this cup may not pass from me except I drink it. They will be done." It was stressed that this cry, a cry of despair, but the pledge of cooperation. When one can truly say, "Father Thy will be done in my life," that one is a cooperator with God and soundly converted. The anthem, "Sweeter Every Moment" by Kuaffman was rendered by the choir. Mrs. Murray Dillabough taking the solo part.

The evening service was built around the parable of the Good Samaritan, illustrated with fifty lantern slides. It was pointed out that the parable has a deeper meaning than appears on the surface. The Good Samaritan represents the Christ saving and healing those who, having turned away from the City of God have fallen among the bandits that beset life's way and are left helpless, wounded and ready to die. Mrs. Popplewell and Mr. Shaw rendered the duet, "Behold Me Standing at the Door." Miss Ellice Smith presided at the organ.

HOLY TRINITY CHURCH

At the church of the Holy Trinity, Chesterville, on Good Shepherd Sunday, during the course of Evensong, Rev. Leon B. G. Adams dedicated a silver bread box to the Glory of God and in loving memory of Phyllis E. Meroney, 1926-47. This memorial gift, which is used for holding the bread during a celebration of the Holy Communion, was given to the church by Mr. and Mrs. C. Marcell.

After the service, the Rector made a brief address of congratulation to Mr. and Mrs. Walter Collingridge who were celebrating their 50th wedding anniversary, and on behalf of the wardens and congregation presented the couple with a large combined prayer and hymn book suitably inscribed.

The Late Mrs Alice Strader

Many relatives and friends attended the funeral of the late Mrs. Alice Strader of Ottawa, held at the Hulse and Playfair funeral chapel, at Ottawa, on Wednesday afternoon and also the committal service at the grave side in Williamsburg cemetery where burial was made in the family plot. Mrs. Strader passed away at the Civic Hospital, Ottawa, on Monday following a lengthy illness. She was in her 76th year.

She is survived by two daughters, Mrs. Roy White, of Ottawa, and Mrs. J. E. Muzik of Lang, Sask., a sister, Miss Florence McIntosh of Williamsburg; five brothers, Angus McIntosh of Sacramento, Calif., Edgar and Isaac of Williamsburg, Dr. Aden McIntosh of Lumsden, Sask., and John W. of Ottawa, and four grandchildren.

Mrs. Strader was born on September 17, 1871, the oldest daughter of the late John A. McIntosh and his wife, the former Diana Casselman of Williamsburg, where she spent the early part of her life.

In 1893 she married Philip D. Strader who predeceased her in 1907. She had been a resident of Ottawa for the past 25 years.

The service at the chapel was conducted by Rev. F. S. Milliken, minister of Stewarton United Church of which Mrs. Strader was a member. Rev. Mr. Milliken paid warm tribute to the memory of the deceased in his discourse. The committal service was also conducted by Rev. Mr. Millken assisted by Rev. Gerald Fee of Williamsburg United Church.

HANDS AT WORK...

LEARNING AERO ENGINE AND AIRFRAME MECHANICS

ONTARIO'S products are desired and purchased by people all over the world and the capacity to produce such goods largely determines the economic welfare of every man, woman and child within her borders. Because the sale of every article produced in Ontario brings valuable dollars into this Province, we all are more assured of job security . . . and we and our children can have more of the better things in life. To produce such goods in sufficient quantities, skilled labour is vital. That is why every single one of us should be glad that war veterans are constantly being trained to provide the skilled hands so needed by industry. Veterans receive ON THE JOB training under expert instructors in our Ontario factories.

This training, provided through the co-operation of the Department of Veterans' Affairs, the Federal Department of Labour and the Ontario Department of Education, starts veterans off on the road to skilled craftsmanship. Taught to use their hands in general aero engine and airframe work, both on military and civilian aircraft, these veterans may qualify for a Department of Transport license, authorizing them to declare aircraft airworthy. In aircraft manufacturing plants and on flying fields throughout Ontario, these newly-skilled veterans will have the opportunity to apply their talents and training. Their efforts will help to make Ontario a finer place in which to live and will contribute to the welfare and happiness of all her citizens.

THE BREWING INDUSTRY (ONTARIO)

AERO ENGINE MECHANICS

H. Parry, 25, of Oshawa, Ontario, a Canadian Army veteran, is shown making an adjustment to the engine of a Cub Trainer. Students work on various types of aircraft ranging from the Cub Trainer to multiple engine military aircraft. Many veterans, trained as ground crew specialists during the war, have chosen to take post-war training in this occupation for which they are particularly suited. For them the transition to peace-time employment has been easier.

GARDEN CHATS:

By Lillian Allison

Hello Neighbour: Didn't to-day feel like spring? It was the first day I've had the urge to get outdoors and work. I burned grass all afternoon. That is a job I like to do too.

A Negro was burning grass one time, they tell me, when a white man asked him, "Why are you making that grass black like yourself?"

"Well, Suh," said the Negro, "just wait till it rains. It will be all green like you."

I mustn't use up all my space talking about dead grass, when I simply must discuss the Flower Show. Remember, I told you last week I'd tell you the flowers on the Prize List so you could plant them now.

Last night the Show Committee, Mrs. K. Graham, Mrs. A. Graham, Mrs. E. Casselman and I met at Mrs. K. Graham's home to arrange the Prize List. We were honoured in having Mr. Gammon of Cornwall, and President and Secretary of the Mille Roches Society present to give us expert advice. Mr. Gammon seems to know all the answers, and I learned a great deal which I hope to pass on to you sometime.

Now you don't care at the moment whether you need to bring six Asters or a dozen to the show, but it is necessary for you to know that there are classes for mixed double and mixed single Asters.

If you are wise you will plant lots of Gladioli too. There are classes for pinks, whites, reds and yellows. Now gladioli are easy for this district. We are quite proud of ourselves in this respect so treat your's well and have some for each class.

Are you the person who can grow beautiful dahlias? If you are try to have some for Class 3 at the Show. I'm sure there are many grown around Chesterville, but I'd like to see them on display.

Sweet Peas are to be shown too. Mr. Gammon recommended the Cuthbertson variety and said to let them climb branches instead of wire. Try it and see if you can't get first prize.

Petunias, both double and single, will be featured at the show. Almost everyone has some of them. Pansies, Nasturtiums, Snapdragon, Salpiglossis. Scabiosa and Cosmos are all included for exhibition next fall, but you'll have to plant them now.

There are two c'asses of zinnias—giants and pompoms—in mixed colours. They are so easy to grow you should have plenty of them.

Here's a tongue-twister (if I can spell it) Hydrangea Panniculata. It is the variety you see growing by front steps. You may have some already. Did you ever grow annual Phlox? We have a class for them.

You'll have an opportunity to show off your favourite Roses too. Try to keep them blooming if you can.

We're asking for a collection of Marigolds—some of all the different varieties that you grow. They all grow like weeds and look so nice in your garden. Try some of the new varieties.

There is a class which calls for a collection of house plants; a class for all cacti also a collection of cut flowers. There will be special prizes for these collections.

I almost forgot to mention that the Public and Separate School children are receiving seeds this year so they can have a part in the Flower Show too.

Mr. Gammon has given a prize of $2.00 for the best Vegetable collection. Now that's worth working for, isn't it? Better give your vegetable seeds an extra blessing, eh!

Now that you've read all this, get right out and plant your seeds. But first, repeat after me,—"I hereby resolve to spend as much time as possible caring for my flowers and vegetables this summer, and further. I resolve to show same at the Flower Show and win all the prizes I can."

ON CLUB 15

A lilting voice and a gay manner belongs to Margaret Whiting, above, who sings Tuesdays and Thursdays on Club 15 with the Pied Piper's Quartette and singing m.c. Bob Crosby. Club 15 is heard Monday to Friday at 7.30 p.m. EST on east and mid-east stations of the CBC Dominion network. Miss Whiting alternates with the Andrews Sisters, who sing on the program the rest of the week. Daughter of the late Dick Whiting, one of North America's top-notch song writers, she has been in radio since 1939. Although her singing popularity is the result of a soft and smooth interpretation of hit tunes. Margaret Whiting is also a classical music fan and has an enviable collection of symphonic records.

Handling money

***costs* money**

It costs you more to live these days.

And it costs your bank more to provide efficient banking service.

Bank staffs are more than half as large again as before the war; payrolls have nearly doubled. Taxes are up. So is the cost of everything banks buy.

Yet you pay no more for banking service than you did ten years ago. Today 7,000,000 Canadians are bank customers—striking evidence of the ever-widening usefulness of competitive banking in our national life.

THE MIXING BOWL

By ANNE ALLAN
Hydro Home Economist

Hello Homemakers! We have had many requests for the direction to make good homemade bread, after the rise in price in this item. It has been a long time since we baked bread so home to mother we went for the necessary advice.

The first remark was: "At this time of year, you should take particular care to see that all cooking materials are warm, also the ingredients. No draft should cross the sponge when it is rising, or, in fact at any time. A little care makes all the difference in the finished product."

Bread bakes better in a pan that is not more than 3½ ins. deep. The temperature given in the recipe should be satisfactory, but may have to be modified for best results. If the oven is not as well insulated as those in electric ranges, a higher temperature may be necessary.

Compressed yeast or quick granular yeast may be used interchangeably. Granular yeast is less perishable than compressed yeast and so is convient for bread makers who do not market every day. The amount of yeast may be adjusted according to the conenvience of the cook. If you wish the dough to rise in 4 hours or less, use 2 cakes for each cup of liquid. As an inexperienced cook you may wish to use 1 cake with 1 cup of liquid for a 5 to 6 hour rising period. The new quick acting yeasts are most successful, especially if you use a quick, light, kneading method.

Hard wheat or bread flour is recommended for breads, but all-purpose or family flour makes good bread too. Use enriched flour or part whole wheat for best nutritive value and flavor. As mentioned previously flour should be warm but not hot.

We use skim milk which produces good color and keeping quality compared to potato liquid or water.

Now the recipe for white bread with detailed instructions.

WHITE BREAD

3 tbsps. sugar, 2 tbsps. fat
2 tbsps. salt, 4 cups scalded milk, 2 yeast cakes, 12 cups enriched flour.

Place the sugar, salt and fat in a large bowl; add the scalded milk; cool until lukewarm. Crumble the yeast into lukewarm mixture Add about four coups of flour and stir vigorously with a wooden spoon. Add flour gradually, using just enough to form a dough which will not cling to the bowl. Turn out the dough onto a board which has been coated with a thin layer of flour (not more than a ¼ of a cup). Scrape the dough from the bowl with a spatula. Let the dough stand for ten minutes; it will be easier to knead. Knead the dough with floured hands for from five to ten minutes, adding flour in small quantities until the dough no longer sticks to the board. The dough feels smooth and resistant to the pressure of the hands when sufficiently kneaded.

To knead, first shape the dough into a rough mound on a lightly floured board. With the fingers and the palms resting lightly on the dough, draw the dough a little forward, then press gently down and backward with the palms. Give the dough a quarter turn and repeat the motions.

After twenty kneads cut the dough with a sharp knife and if the air cells are fine and even, that should be enough.

Return the kneaded dough to the bowl; cover tightly and set in a warm place to rise. When the dough has risen to double its original volume (2 hours or less), turn it onto an unfloured board. The dough may be punched twice to let part of the gas escape and allowed to rise a second time before shaping into loaves. Cut the dough into two parts for loaves, and shape each piece into a smooth roll, handling as little as possible. Place each roll in a greased pan; flatten the dough in the centre with the back of the hand, which will push it gently into the corners. Cover the pans tightly with an inverted pan or grease the top of the loaves with melted fat to prevent the formation of a crust. Let the shaped dough rise until it has doubled in volume, (about 1 hour).

Place the pans in a hot electric oven 450 degs.,until the surface begins to brown (5 to 10 mins.); reduce the temperature to moderate, 350 degs., and finish baking. The total baking time should be 45 to 60 minutes. Remove the loaves from the pans and cool on wire racks.

PLAIN ROLL DOUGH

12 to (18 rolls)

2 tbsps. sugar, 1 tsp of salt,
2 tbsps. fat, 1 cup milk, scalded
1 yeast cake, 2 to 3 cups bread flour.

Place the sugar, salt and fat in a large bowl; add the scalded milk; cool until lukewarm; crumble the yeast cake into the lukewarm mixture. Add flour to make a batter too stiff to cling to the bowl but not stiff enough to knead. Cover tightly and let rise in a warm room until it has doubled in bulk. Turn out the dough onto a lightly floured board: invert so both sides are coated with flour; roll with a rolling pin. Shape according to the following method:

PARKER HOUSE ROLLS

Roll the dough to ½ to ¾ inches thick; cut into rounds with a floured biscuit cutter. Have ready ¼ cup of melted butter. Flour the handle of a wooden spoon and make a deep depression in the centre of each round of dough. Roll the handle of the spoon towards the edge of the round, thereby flattening each half slightly. Brush each round lightly with melted butter; fold the thicker half over the thinner; place on a buttered baking sheet: brush the top with melted butter. If crusty rolls are desired the rolls should be placed 1 inch apart. Cover and let rise until very light. Bake in a hot oven (400 to 425 deg.) for 15 to 20 minutes.
