Mayor's Message

Once again, we are pleased to present the Township of North Dundas Recreation & Culture Resource Guide. This guide continues to be a valuable resource to our residents.

The Department of Recreation & Culture continues to offer an ambitious range of programs and courses for young and old alike. These activities are intended to provide opportunities to reap the full benefits of active and healthy participation.

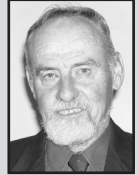

It becomes increasingly apparent that regular participation in leisure activities affects each of us positively. We experience more positive social interaction,

our stress levels go down, our personal health is improved and we become more alert and able to deal with situations within our lives. Collectively, by having healthy and vibrant residents in the community, our community becomes more energetic and positive.

I encourage you to participate in the activities in this Guide and to support our local businesses who have made this publication possible.

Please enjoy all the wonderful things the Township of North Dundas has to offer!!

THE NORTH DUNDAS

Green Food Bag

WITH BRANCHES IN WINCHESTER & CHESTERVILLE

The **Green Food Bag Program** provides a non-profit, fresh fruit and vegetable distribution system that is available for purchase by all North Dundas residents (regardless of income level). Bags can be purchased, in advance only, for the very value added price of just \$10 (cash only) and there is no limit on the number of bags that an individual, couple, or family can purchase at one time. With many registration locations in North Dundas, registration is made easy and accessible. Each month the contents of the bags will change to reflect seasonal produce as well as market prices, availability, and customer feedback.

To give an example of what a bag might contain for this low price, the January 2010 Green Food Bag's contents included: 4 pears, 4 apples, 5 kiwi, 2 lbs. of carrots, 5 lbs. of potatoes, 2 lbs. of onions, 1 head of broccoli, 1 head of iceberg lettuce, and 3 tomatoes. The **Green Food Bags** are available for purchase in advance **only**, requiring registration and monies to be submitted by the submission deadline, which is the second last Friday of each month. Bags are then available for pick-up on the last Friday of the month between designated pick-up times.

RECREATION LIBRARY

The Township of North Dundas Recreation & Culture Department is pleased to offer the first known Recreation Library in the area.

The Township currently owns various sorts of recreation equipment such as a camping tent, coolers, skates, nets, balls, life jackets, water toys, skateboards, bicycles, helmets, baseball gloves, sticks, bats, and much more, that are now available, at no charge, for community use.

This lending program functions like a library, with all new borrowers being asked to apply for a membership account at the time of their first loan request.

At this time and thereafter, equipment will be signed-out and back in, by a staff member at the Township of North Dundas Office.

This program is great for all individuals, families, community groups, schools, churches, clubs, and teams residing in North Dundas.

The Township of North Dundas Recreation & Culture Dept. is always accepting donations of gently used or new

recreation equipment as well as monetary donations to help sustain and expand the Recreation Library. A detailed list of Recreation Library items available for loan is listed below. If you would like to make a donation, please do so at the Township Office, located at 636 St. Lawrence St., in Winchester. For more information, to reserve equipment, or to schedule an appointment to borrow items, contact Meaghan Elder, Community Development Programmer, at 613-774-2105 ext. 236 or email melder@northdundas.com.

HOME'S HELPING HAND

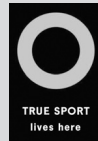

Winchester Home Hardware believes that children between the ages of 4 to 18, who are in financial need, should have the proper safe equipment to participate in organized sport and recreation. Home's Helping Hand program, sponsored by Winchester Home Hardware, is able to assist in subsidizing required sport equipment to qualified applicants. Together with the Township of North Dundas Recreation Library, the required equipment will be sourced and provided free of charge, for the duration of the sport season. The equipment will then be returned at the end of the season and become a part of the Recreation Library. Start-up consumable equipment needs will be provided at a subsidised rate, as future applicants cannot re-use this equipment. In order to apply to Home's Helping Hand, parents and guardians may visit the Township of North Dundas office, located at 636 St. Lawrence St. in Winchester to fill out an application or email your request to melder@northdundas.com. For more information on the Home's Helping Hands program, please contact Meaghan Elder at 613-774-2105 ext. 236.

JOIN IT. SHOW IT. LIVE IT. GROW IT.

Sport is a testing ground – not just for athletes and coaches, but also for communities and society as a whole. The way we play together shapes how we live together.

Sport is never neutral. It can teach values and ethics – or not. It can help people develop a positive self-image and respect for others – or not. It can strengthen community life – or not. Sport can bring people together, foster friendships, reinforce healthy lifestyles, build civic pride and community participation. Or it can be about violence, drugs, cheating, winning at any cost. It's up to us.

Positive sport values may be alive and well in our Township of North Dundas, but don't take this for granted. It's essential to actively support positive values, in simple and powerful ways. Join the growing ranks of teams, organizations, schools, communities, clubs, and associations in North Dundas and across Canada who are building a stronger, more positive sport culture through True Sport.

True Sport is... a national movement of communities and groups across Canada working to ensure a positive, meaningful and enriching experience for all who participate in sport. The True Sport Movement is based on the belief that good sport can help build lasting strengths in individuals, as well as healthy, vibrant communities, and a more socially connected Canada. At the heart of True Sport there are four core values: fairness, excellence, inclusion, and fun.

It's a movement powered by people like you... athletes, coaches, officials, organizers, parents, teachers, and community leaders. People who know that sport can transform lives and communities. People who care about the positive values that sport embodies, like teamwork and commitment.

To learn more about this incredible movement or to declare your organization, team, school, or community to the growing list of those that believe in the sport, please visit www.truesport.ca.

"True Sport is such an exciting movement, which is badly needed in our present day of 'winning is the only aim of the game'. I am pleased that our Council has declared North Dundas a 'True Sport Municipality', which is a movement that is based on the belief that good sport can help build lasting strengths in individuals, as well as healthy, vibrant communities."

JUMP START

Canadian Tire believes that all kids should have the chance to run, skate, play, and grow. That's why the Canadian Tire Jump Start program was started. Jump Start is a community-based, charitable program, developed and carried out by the Canadian Tire Foundation for Families. Jump Start helps kids between the ages of 4 to 18, who are in financial need, to participate in organized sports and recreational activities such as hockey, soccer, and swimming, by providing financial assistance with program registration fees. During the registration evaluation process, community partners use a confidential procedure to select and refer children who meet the criteria and who could benefit from the program. In order to apply for Jump Start, parents and guardians may visit the Township of North Dundas office, located at 636 St. Lawrence St. in Winchester to fill out an application or download the form from the Township of North Dundas website at www.northdundas.com and email your request to mguy@northdundas.com. For more information on the Jump Start program, please call Mark Guy at 613-774-2105 ext. 223.

JUNE IS PARKS & RECREATION MONTH

In May of 2007, the North Dundas Council declared June to be Parks and Recreation Month in the Township of North Dundas. June is Parks and Recreation Month is a Parks & Recreation Ontario initiative, which creates an opportunity to draw public attention to the important benefits and values of recreation to individuals, families, and neighbourhoods. The theme "Live it Everyday" expresses the need to embrace and participate in recreation and parks programs, services and facilities – everyday!

Join us for our fourth annual celebration by taking part in the **Winchester Skateboard Park Skate & Jam Event, scheduled for Saturday, June 26**. Join us for skateboard demos and competitions, graffiti demos, live rap, tunes, and prizes. Special guests include West 49 and Keep it Real Ministries. Other recreational opportunities this month will include free public swims at the Winchester and Chesterville pools, various seniors

programs and activities hosted by the Nor-Dun Centre, as well as numerous other fun, recreational activities for everyone to participate in and enjoy!

The Township of North Dundas is striving to make recreation and play increasingly more accessible with the Township Recreation Library (see page 5), which offers a simple lending program for a vast assortment of recreation equipment and supplies at no charge. For more information on the Recreation Library and/or the free recreational programs being offered during the month of June, please visit the redesigned Township of North Dundas Recreation & Culture web page at www.northdundas.com or contact Meaghan Elder at 613-774-2105 ext. 236, melder@northdundas.com.

Someone 15 years of age, who takes just the Hunter Education Course will only be given an H2 Outdoors Card, with parental permission, (which allows them only to hunt with archery equipment) by the Ministry of Natural Resources. If the registrant can prove that they took and passed the Canadian Firearms Course and Exam, they will be issued an H1 Hunter Apprentice Card (which allows for the use of firearms).

Someone 16, 17, or 18 years of age, who takes just the Hunter Education Course will only be given an H2 Outdoors Card (parental permission not required), (which allows them only to hunt with archery equipment) by the Ministry of Natural Resources. Someone 18 years of age or older, will only be given an H2 outdoors card (parental permission not required), (which allows them only to hunt with archery equipment) by the Ministry of Natural Resources. If the registrant can prove that they passed the Canadian Firearms Exam, they will be issued an H1 Outdoors Card (which allows for the use of firearms).

Essentially, anyone who wants to hunt with archery equipment only requires the Hunter Education Course but anyone wanting to use a firearm generally takes the firearm course.

The deadline for course registration is no later than Thursday, April 29 in order to ensure that the proper number of course materials are ordered.

**TOWNSHIP OF NORTH DUNDAS
COMMUNITY
TREE PROGRAM**

Trees are a vital component in any community. They provide cool summer shade, reduce the chill of a winter wind, clean the air, reduce noise, beautify our streets and help to give our communities a unique character. A community tree program contributes to the well-being of the community through the beauty and utility of trees.

In partnership with the Resource Stewardship SD&G Council we have developed a Community Tree Program, which will focus on greening our public spaces through partnership with community groups, businesses, and the general public.

The focus for 2010, will be on the Winchester 100 Club Park but many other community sites such as the Chesterville Community Park and the South Mountain Fire Hall will be included in future years as support and awareness of this initiative grows.

The Resource Stewardship SD&G Council is working to secure financial support from a variety of environmental funding agencies.

Community sponsorship opportunities exist for those interested in this worthwhile cause at three levels:

- The Pine Level - \$50
- The Walnut Level - \$150
- The Maple Level - \$250

All sponsorship funds will be directed toward tree purchase and maintenance supplies only, e.g. wood chips, tree guards, etc...

To obtain further information about the Township of North Dundas Community Tree program, arrange a presentation or should you wish to become a sponsor, please contact: Mark Guy, Director of Recreation and Culture for the Township of North Dundas. Phone: 613-774-2105, ext. 223. Email: mguy@northdundas.com.

NORTH DUNDAS FULL CIRCLES

Welcome to Full Circles - North Dundas FULL CIRCLES... where one person's trash is another's treasure! Serving the communities of: Winchester, Mountain and Chesterville.

Our goal is to encourage North Dundas citizens to live simpler and reduce the size of their environmental footprint by finding new homes for perfectly good, but unneeded, unwanted items rather than just "warehousing" them or throwing them away. Individually and collectively, FULL CIRCLING reduces our negative impacts on our environment and our landfills through growing local communities of like-minded folks – FULL CIRCLERS!

FULL CIRCLES – a simple concept. Connect people with surplus "stuff"... with others who will use that surplus stuff. Simplify; give away; FULL CIRCLE; your surplus stuff here... chair, fax machine, clothing, appliances, piano, computer, even old cars! It doesn't matter! Nothing's too big or too small.

Looking for something yourself. Shop FULL CIRCLES first! Before you buy, ask for it here. Contact us at Yahoo Group <http://groups.yahoo.com/group/NorthDundasFullCircles> or <http://www.northdundas.com> Under Waste Management!

HOTBED HOTEL by Michael Parker. Directed by John Orton.

April 9 and 10 at 7:30 pm; April 11 at 2:00 pm;

April 16 and 17 at 7:30 pm; April 18 at 2:00 pm

To make a failing hotel appear more prosperous to a prospective buyer, the owners have their tipsy handyman and vacant maid masquerade as paying guests. Add to that an eccentric retired British Army Major, a wealthy Arab Sheik, a nymphomaniac dubbed the Barracuda, the prospective buyer's mistress, followed unexpectedly by his jealous wife and you have a laugh a minute merry-go-round that leaves audiences screaming with delight.

THE RELUCTANT RESURRECTION OF SHERLOCK HOLMES by David Belke. Directed by Tony Glen.

November 5 and 6 at 7:30 pm; November 7 at 2:00 pm;

November 12 and 13 at 7:30 pm; November 14 at 2:00 pm

When Sir Arthur Conan Doyle is called upon to solve a mysterious murder he is convinced that it is the result of the paranormal. However, it soon becomes apparent that he is the one who is possessed, and not by any ordinary ghost, but by his own literary creation, Sherlock Holmes. The twists and turns of this clever play will leave you haunted by one of the most enduring characters of all time.

MURDER BY THE BOOK by Mat Kelly.

November 26 and 27 at 7:30 pm; November 28 at 2:00 pm.

What happens when five eccentric murder mystery writers set out to solve a real life murder which has taken place right beneath their nose? Their imaginative speculation is matched only by the clever plot of local playwright, Mat Kelly, who shows us that truth can be sometimes stranger than fiction, and a whole lot more amusing!

SERVING EASTERN ONTARIO

GEOCACHINGwww.geocaching.com

Geocaching (pronounced geo-cashing) is a high-tech treasure hunting game played by adventure seekers worldwide; including North Dundas! The basic idea is to pinpoint the outdoor location of hidden containers, called geocaches, using GPS technology and then share the geocache's existence and location online. What makes this sport so exciting for all ages, is that Geocachers are able to take an item from the hidden containers and leave a new item in its place. Enjoy this great activity as a group, family, couple, or individual! For more information, please visit the website or contact Meaghan at the Township of North Dundas at 613-774-2105 ext. 236.
