### Winter Warm-Up Recipe Contest 1st prize winner

#### Cheese Steak

4 eggs separated  
2 tbsp butter cut into small pieces  
2½ cups shredded cheddar cheese  
(about 10oz.)  
¼ cup finely ground almonds or  
sunflower seeds  
½ cup milk  
½ cup whole wheat flour  
½ tsp salt

Preheat oven to 375°F. Using a fork beat  
egg yolks in a roomy bowl until thick; beat

in butter and cheese to form a uniform  
mixture. Add ground nuts or seeds and milk  
and flour alternately, beating until smooth.  
Mixture will begin to thicken. Beat egg  
whites until stiff, adding salt at the end.  
Fold into cheese mixture. Spread to cover a  
greased, floured 9"x13" baking pan. Bake  
for 30-35 minutes until browned.
