A Savings Account Helps

Opening a Savings Account in the Union Bank makes it easier to save. You get into the habit of depositing, more or less regularly, small amounts of money that would otherwise quickly slip away. At the end of the year, with the Interest added, there is a substantial balance to your credit—and you have scarcely missed the deposits.

A Savings Account in the Union Bank is a reserve which you ought to provide against possible sickness or financiai reverses. Why not start one now?

Gavel For Senator Derbyshire

Senator Derbyshire who this week at the I.O.O.F. convention in Toronto will relinquish the duties of Grand Master of Ontario, was honored at a meeting of his home lodge by the presentation of a silver gavel. The gift was made on behalf of the members by John Reid of Ottawa.

Ottawa's Population 88,737.

The population of Ottawa according to the new Wight directory for 1910, which will be issued shortly is now 38,737. This is of course exclusive of suburbs not actually within the civic boundaries and is an increase of 1,848 over the estimated population in the directory of last year.

Married Sixty-Seven Years.

Mr. and Mrs. J. F. Armstrong, Cornwall, have enjoyed nearly 67 years of happy wedded life, had the pleasure the other day of entertaining all of their living children, E. W. Armstrong, C. C. Armstrong, and Mrs. See, Cornwall, W. H. Armstrong, Moulinette. Mrs. Baxter, Brockville, and Mrs. Sherman, Rochester, N. Y. Mr. Armstrong's brother, E. W. Armstrong, late of Rochester, was also present. Mr. Armstrong is still quite smart at 92 and Mrs. Armstrong is 83.

Sold Their Cattle But Got No Money.

A large number of farmers living in and around Mountain Grove are looking for money. About five months ago a stranger came to the village and advertised that he wanted to purchase some calves. Advertisements were placed in the papers and as a result he received a call from a great many farmers and succeeded in secnring some fine cattle which were shipped away to different points. It is stated that the promise was given that the money would be handed over in the course of a few days but the days passed into months and still there was no money in sight. Now it is stated that the man who bought the cattle has also departed.

Walked In His Sleep

Robert Gordon of Gananoque had a miraculous escape from being killed early Friday morning on the premises of the Revere House. With Wm. McDonald also of Gananoque he engaged a room on the third floor at the rear of the building and about 3.45 this morning while walking in his sleep stepped out of an open window. Fifteen feet below he alighted on the roof of a small structure and from there took a farther drop of twenty feet to the ground. He managed to walk around to the front door in his night clothes and shortly afterwards was removed to St. Vincent de Paul Hospital where he was attended by Dr. Carron. One of his large toes was badly crushed and he was also injured internally but to what extent cannot yet be determined.—Brockville Recorder.

A Cowardly Act.

A most cowardly and inhuman act was perpetrated upon a cow belonging to George Smith of Smith's Falls. Upon going to the pasture he found the animal dead it having been disemboweled on the under side of the body from the udder towards the front. The work showed that a very sharp knife had been used.

Reckless Boy Loses An Eye.

Roy Silmser, the young son of Donald Silmser, of Cornwall, found a railway signal torpedo, and placing it on a street railway track, hit it with a stone. The explosion, which resulted tore out one of the lad's eyes. The same boy eighteen months ago had one of his eye-balls pierced with a toy sword with which he and a younger brother were playing soldiers.

Mrs. Brown Laid At Rest.

The funeral of Alice Pennock, relict of the late Rev. W. D. Brown took place on Saturday last, August 6th, 1910. Service was conducted at her late residence on Albert street by the Rev. W. H. Stevens. The hymns "O God our help in ages past" and "Rock of Ages," were sung, while a favorite hymn of the deceased, "The Sweet Bye and Bye" was sung by Mrs. Stevens.

Interment took place at the Fairview cemetery, Morrisburg, the service at the graveside being conducted by the Rev's W. H. Stevens H. S. Osborne and Thos. McAmmond.

The late Mrs. Alice Brown was the daughter of Chapman Brown of Elgin, an old U. E. Loyalist, and a prominent man in this section of the country. She was one of a family of 13 children, two of whom alone survive her, she having lived to a greater age than any member of her family, having entered upon her 95th year.

For some years she has been a sufferer, but with mind still unimpaired, she leaves a family of five children, the oldest Mr. Arthur Brown, I.P.S. of Morrisburg, Dr. Miles Brown of Chesterville, Mrs. Watson Ireland of Shawville, Que. Mrs. Harvie Brown of Easton's Corners, and Miss Rhoda Brown of Chesterville.

In the course of his remarks at the funeral service Mr. Stevens said "we mourn today the loss of an elect christian lady, who, both by nature and inspiration was admirable in moral temper and aims.

The story of her fidelity to God and the church as the wife of a christian minister during a long and useful career, is written in the memory of the members of numerous congregations. In her passing at the great age of 94 one is reminded of a prophecy in one of the earliest of the sacred scriptures, "Thou shalt come to thy grave in a full age like as a shock of corn cometh in his season."

In the hearts of the church in which she had membership and the community in which she lived "Alice Pennock Brown" will be remembered and revered. We will look back upon her life and we will "thank God and take courage" and we will say:

Lost to us but not to God,
Lost to labors, cares and toils of earth,
But entered into rest and unending
Joy in the Paradise of God.

Do not forget the Epworth League Ice Cream Social, Friday evening, Aug. 12th, at Mr. Robt. Ball's. Dunbar Brass Band in attendance. Admission 25c. Busses will leave the Post Office at 7.15 and 8 o'clock.

Wife Of Murderer Dies From Shock

The death occurred in the General Hospital at Brockville of Matilda Montgomery wife of Albert Homes. The shadow cast over the family circle last April when her husband murdered his cousin Nathan Bolton proved a terrible blow to Mrs. Holmes who never recovered from the shock which the tragedy produced, Holmes upon receiving the news of her death at the jail broke down completely and has since been in a very troubled state of mind. The woman was 55 years of age and leaves a family of two sons and one daughter. The body was taken to the family residence at Cardinal for interment.

Holmes will be placed on trial for his life at the Fall Assizes.

Death Of Mrs. Ralph Crysler.

A much esteemed resident of the village of Crysler, Mrs. Crysler, relict of the late Ralph Crysler, died at her home there on Friday, July 29th, in the seventy-eighth year of her age. The funeral took place on Monday, the service being conducted at St. John's Church, the Rev. M. G. Poole officiating. There was a large attendance.

Lightning Kills Live Stock.

The frequent thunderstorms of the past few days have resulted in a lot of damage in this section. During the storm early Thursday morning seven valuable cows and a bull owned by Alex. Mullin, second concession of Cornwall township, near Moulinette, were struck by lightning and killed. They had taken shelter under an elm tree. Wm. Digman, of Barnhart's Island, lost a valuable team under similar circumstances. Thursday afternoon Philip McGregor's barns, near Martintown, were struck and destroyed, along with his entire hay crop and some grain. There is small insurance. David Murray's house at Martintown was struck and considerably damaged, but was not burned. This makes the third loss through lightning at Martintown within sixty hours.

Man May Have Been Burned To Death.

About ten o'clock on Saturday night John Mattice's fine barns near Moulinette six miles west of Cornwall were burned to the ground along with the season's hay crop a manure spreader, corn binder, grain binder and other machinery. The cause of the fire is unknown but it is thought that it may have been caused by tramps sleeping in the hay and it is rumored that bones thought to be those of a human being were found in the ashes on Sunday. Mr. Mattice's loss will be heavy. The barn was partly covered by insurance but the crop and machinery are a total loss.

Only three counties in Ontario are now affected with rabies.

Eugene Cadieux a well-known labor organizer was drowned at Ottawa.

"I FEEL IT MY DUTY

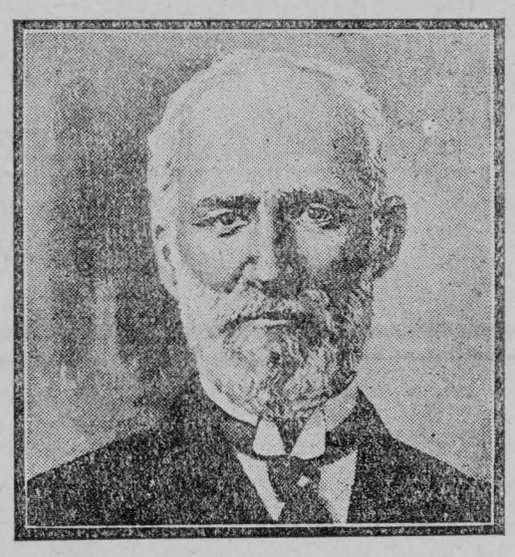

To Give You a Statement In Regard To 'Fruit-a-tives'"

HARDWICKE, MIRAMICHI, N.B., Jan. 17th. 1910.

"I feel it my duty to give to you and the world an unsolicited statement in respect to the wonderful cure I received by taking 'Fruit-a-tives.' Chronic Constipation was the complaint I suffered with for years. My general health was miserable as a result of this disease, and I became depressed and alarmed. I was treated by physicians without the slightest permanent benefit, and I tried all kinds of pills and tablets but nothing did me any good.

I saw the strong testimonial in favor of 'Fruit-a-tives' by New Brunswick's 'Grand Old Man', the Hon. John Costigan, and I knew that anything he stated was honest and true and given only to help his fellow-men. I tried 'Fruit-a-tives' and the effects were most marvellous, and now I am entirely well from all my Chronic Constipation that I suffered from for so many years. My general health is once more excellent and I cannot say too much to express my thanks for the great benefits derived from taking 'Fruit-a-tives.'"

A. G. WILLISTON.

"Fruit-a-tives" is not gotten up by druggists or expert chemists—who know nothing about disease and the needs of the human body—but is the scientific discovery of a well known physician, and is the only medicine in the world made of fruit juices.

50c. a box, 6 for $2.50, or trial size, 25c. At all dealers, or sent, postpaid, on receipt of price by Fruit-a-tives Limited, Ottawa.

The Laurier Special Wrecked Near Regina

Regina Aug. 5—While proceeding at over fifty miles an hour the special train of Sir Wilfred Laurier en route from Moose Jaw to Regina collided with a westbound freight about 6 o'clock tonight at a point three and one-half miles west of Pense a small town thirteen miles west of Regina. The engines telescoped and the freight cars derailed.

The Premier who was sitting in a chair at the time in his own car was thrown violently to the floor but immediately got up and informed the members of his party that he was uninjured. Others of his party were badly shaken up but no one was seriously hurt. The crews of both engines jumped as soon as they saw that a collision was inevitable except the engineer of the freight train who is believed to be buried and probably dead beneath his engine.

The windows, mirrors and tableware of the Premier's car and in that of the Hon George P. Graham Minister of Railways as well as in the press car were shattered and things generally badly jumbled. The Minister of Railways who was in his own car suffered a wrenched knee, which did not however prevent him hurrying back to the Premier's car. The conductors on each train at once took the necessary precautions and sent out signalmen in both directions. Dr. George H, Ramsay of Pense who was driving near the scene of the wreck was told by a pressman what had occurred and at once proceeded to the scene of the accident to render what assistance he could. William Campbell a waiter in the press car was injured internally and Ed. Cooke conductor of Sir Wilfrid's train had one rib broken. The scene presented by the two great engines caught together in what appeared an attempt on their part to overlap each other was spectacular and impressive. To one of the pressmen the engineer of the special stated that at Bellaplaine he was going at the rate of sixty miles an hour his train being some seven minutes behind time. How the accident occurred and how the freight came to be where it was he was unable to say. He only knew that he had the right of way over all other traffic.

Leaned Out Window, Skull was Crushed

Hawkesbury Que. August 8.—As the Ottawa train pulled in here this morning Miss Albertine Desjardins nineteen years of age of St. Jerome stuck her head out of the window and was struck by a railroad tie that was sticking out from a pile near the track. Her skull was fractured and it is not likely she will recover. She was removed to her home. She is a daughter of Mr. Wilfrid Desjardine secretary-treasurer of St. Jerome parish.

The late Mr. J. O. Hutton of St. Mary's left $20,000 to the local Anglican church, besides several bequests to missions and $1,000 to Rural Dean Taylor.

Stratford ratepayers carried by-laws to guarantee the bonds of Duftons, Limited to acquire the electric light plant, and to grant privileges to the electric railway.

Enumeration Of Census Values

The farm and urbau values of the census of 1911 will be enumerated under the date of 1st June. They will include the real estate and live stock and nursery stock sold in 1910 of the dairy products consumed at home sent to factories or sold and of the animals slaughtered on the farm in the same year, together with values of other products of the farm.

Land and buildings and farm implements and machinery owned by every person in the enumeration district will be recorded separately for values in 1911 and the rent of land and buildings will also be recorded if leased in that year. Values will be taken for orchard fruits small fruits and vegetables separately for 1910: but values of horses, milch cows, other horned or neat cattle sheep, swine, poultry and hives of bees still be taken separately for 1911, at the date of the Census.

The value of livestock and nursery stock sold in 1910 will include horses milch cows other horned or neat cattle sheep swine poultry and hives of bees and of nursery stock which means fruit and ornamental trees grown for transplanting into orchards gardens and parks,

Dairy products consumed on the farm and sent to factories or sold refer to products of the year 1910. They include the values of milk, cream, home-made butter and home-made cheese.

Animals slaughtered on the farm in 1910 will be recorded for the values of horned or neat cattle, sheep, swine and poultry. Horses are not included in these values, as in our country their meats are not used for food.

The values of other products of the farm include those of eggs, honey and wax for 1910, and wool, maple sugar and maple syrup for 1911.

The enumeration of hired labor on the farm refers to the year 1910 it will give the total number of weeks of labor employed which means the number for all men who work for hire on the farm, and the total amount paid for hire, including allowance for board. The payment should be reckoned for the full time of service and should include the value of board. The inquiry relating to earnings for domestic service is asked for in Schedule No. 1.

In addition to the foregoing inquiries of values a question is asked for the value of all lands and buildings not manufacturing establishments or mines owned in Canada in 1911 which are outside of the enumerator's district.

Paid For Time When Idle.

Ottawa, Aug. 4.—The employees of J. R. Booth's Lumber mills who were temporarily thrown out of work for a week through the Grand Trunk strike, have, through the generosity of Canada's millionaire lumber king, been paid in full for the time they were idle. This practically means a gift of $12,000 by Mr. Booth to his employees. The men met at noon to-day and publicly tendered to him their thanks.

Reports of crops along the route of the Grand Trunk Pacific are encouraging.

Bell The pall-bearers were Messrs. A. Eligh, D. J. McMillan, H. A. Nesbitt, H. Warner, P. Dawson and W. Campbell. The remains were interred in the Finch cemetery.

WOMEN'S WOES

Chesterville Women are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity: they must "keep up" must attend to duties in spite of constantly aching backs or headaches dizzy spells bearing-down pains: they must stoop over when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. Bella Gray of Queen St., Chesterville, Ont., says: "My back had been very tender and painful and there seemed to be a weariness across the kidneys. I would take cold very easily and suffer with dull bearing down pains in my sides I was unable to straighten myself up for many minutes and then with much suffering. I would tire very easily and was languid and without ambition I learned of Booth's Kidney Pills through a friend and procuring them at Mr. Bolster's Pharmacy I began their use. The one box of Booth's Kidney pills took the pains and weakness out of my back entirely. I have not had a return of any symptom since and have felt fine and like a new person. I could not help recommending Booth's Kidney Pills.

Sir Wilfred Laurier addressed a number of gatherings on Saturday along the line of the Canadian Northern between Regina and Battleford.
