Judge Senkler Appointed Arbitrator.

His Honor Judge Senkler, of Perth, was appointed sole arbitrator by the Board of Railway Commissioners for the adjustment of claims of property owners in the town of Smith's Falls, in connection with the closing of certain streets in the town crossed by the C. P. R. The case came before the railway commissioners and the parties interested agreed to the appointment of the judge.

Merrickville Defeated.

In what proved to be one of the fastest and cleanest games of hockey ever exhibited on the local arena was pulled off on Friday evening last when the local septette got even with Merrickville for past defeats and proved victors over the visitors by the decided score of 7 to 3. The game was spectacular throughout, both teams playing stellar hockey, but the visitors could not withstand the repeated rushes of the Chesterville forwards. The first period of play was very even, neither team finding the nets until shortly before the end of the period when J. Foster opened the proceedings with a goal, which was quickly followed by a beautiful rush from Huxtable (the 16-year-old find.) The second period opened with fast hockey by the forward line when Dixon scored. This was followed shortly afterwards by Merrickville's first tally at the hands of McNicholl. The game from this to the end of second period was very close, but by some sensational work on the part of J. Foster, the clever rover man, tallied one more goal thus making the score at the end of the period 4 to 1 in favor of Chesterville. The last twenty minutes of play opened fast and furious, McNicholl of the visitors again finding the local net. M. Foster, the star centre man of the local team, came back strong and tallied the 5th goal. Some very fine playing was now witnessed by the spectators. On a nice combination play by McNicholl and Easton of the Merrickville team they got their 3rd and last goal, Easton doing the trick. With ten minutes to play Huxtable received a bad blow on the ankle which rendered him incapable of finishing the game and was replaced by McBride. M. Foster with another fine individual play scored again. From this to the end of the game the puck was up and down the ice and about 5 minutes before the call of time J. Foster batted the puck in the nets on a rebound shot from McBride's stick. Thus the score stood 7 to 3 in favor of Chesterville. With T. Kyle of Merrickville, as referee and P. Elliott of Chesterville, as judge-of-play, the game was kept well in hand and entire satisfaction was given to both teams. Following is the lineup:—

CHESTERVILLE—Goal, Barclay; point, Bogart; cover, McCloskey; rover, J. Foster; centre, M. Foster; right wing, Dixon; left wing, Huxtable.

MERRICKVILLE—Goal, Tallman; point, McLaren; cover, Easton; rover, McNicholl; centre, Watchorn; right wing, O'Neil; left wing, Fitzgerald.

The local team has challenged winners of the Upper and Lower Ottawa Valley League and the challenge has been accepted. The Hockey Club will run a monster excursion to Ottawa on the day of the game beginning at Monkland via Kemptonville to Ottawa as the game will be played in the Ottawa arena. The date will be made known later. Watch for posters.

Aged Resident Dead.

The oldest continuous member of Trinity Anglican Church, Cornwall, Mrs. Ridley, widow of Jas. Ridley, was buried Friday afternoon. Rev. T.J. Stiles, the rector conducted the service. Her maiden name was Anne Jane Wilson, and was a daughter of the late Hill Wilson. She was born in County Mayo, Ireland, 87 years ago, but most of her life was spent in Cornwall. She was the mother of eleven children, but her husband and eight children predeceased her.

Arm Cut Off.

Mr. J. A. Soucy, a C. P. R. brakeman of Smith's Falls was the victim of a very serious accident at Dalhousie Mills on Tuesday night of last week. He was engaged in making a coupling when his right arm got caught and was cut off between the wrist and elbow. He was hurried to the Royal Victoria Hospital, where he is now receiving treatment.

To those requiring Dry Goods, Boots, Shoes, Furs, etc., it is of the greatest importance that they should get out to Bogart's gigantic clearing sale.

Sudden Death at Dunbar.

Isaiah Miller, son of the late Ira Miller, died at his home in Dunbar on Friday, Feb. 9th, at the age of 51 years. His end came suddenly, he having not been ill and having been found dead in bed. He is survived by two brothers, Michael and Ezra, with whom he lived. Deceased, who was unmarried, was born on the farm where he died. The funeral took place on Saturday to the Lutheran church, Dunbar, where Rev. Mr. Hahn conducted the service, after which the remains were placed in the vault at Williamsburg. The bearers were Donald McIntosh, Melvin McIntosh, Jas. Beckstead, Frank Whitaker, Arthur McMillan, Ezra McMillan.

A Successful Entertainment.

The annual entertainment of the Jasper and Easton's Corners Dramatic Club, was given at Jasper on Tuesday night of last week. Among those who contributed to the evening's program we notice the name of Miss Ella McCloskey of this place, who contributed several piano instrumentals, and also assisted as accompanist, which were well received. In the second part of the program a play entitled "At the Junction or a Race for a Million," was given, in which we notice the names of Mr. and Mrs. W. A. Olmstead, formerly of this place, as having very prominent parts in the cast.

Patient Drank Carbolic.

Mrs. Maria Lee, a patient at one of the hospitals, while visiting in Brockville, obtained possession of a bottle of carbolic acid, which she drank, causing death within a few minutes. Deceased came from Alexandria Bay for treatment for a nervous trouble which unbalanced her mind. She was 31 years old. An inquest is to be held.

Died In Australia.

John Kinsella of Tyotown, Stormont County, received a few days ago a letter from Rockwood, Australia, telling of the death there, after a long illness, of his son, Prof. John A. Kinsella, formerly Dairy Commissioner of New Zealand, who afterwards held a similar position in South Africa and later on in Australia. He was about 45 years of age and had been ill a year.

TO FORCE MOVE OF TEMPERANCE

Ontario Dominion Alliance Would Have Party Organizer.

Toronto, Feb. 16—"Resolved that this convention recommends that the executive consider the advisability of the selecting and placing of a suitable organization of the temperance and prohibition forces whose duties it will be to devote his whole time to study the uniting and organizing of the temperance forces to give expression to the views of the temperance people at the polls."

The foregoing resolution was unanimously adopted by the Ontario branch of the Dominion Alliance at the concluding session of the convention of that body this morning. This is following up the action of the national congress yesterday afternoon. The feeling of the meeting as expressed by several of the speakers was that the cause could best be served by a thorough organization of their forces to rally to the support of a recognized temperance candidate irrespective of what the candidate's party affiliation was.

Mr. Carman was speaking in endorsement of the resolution when one of the delegates asked if he meant that in the event of his coming out for provincial prohibition they should support him. Mr. Carman begged them to keep party politics out of it.

Mrs. Wright, president of the Dominion W. C. T. U., reported to the convention that the deputation from the W. C. T. U. which waited on the Dominion government yesterday to request that a prohibitory cigarette law be enacted had come away hopeful that steps in this direction would be taken by the government at the next session.

Joseph Gibson, of Ingersoll, was re-elected president; F. S. Spence, of Toronto, honorary president and the vice-presidents, thirty in number, include N. W. Rowell, leader of the Ontario opposition. On the executive committee which numbers many score are included R. Gorman, of Ottawa and Elmer Davis of Kingston.

Man and Wife Sentenced to Jail

Cobourg, Feb. 16—Walter Gillespie, a farmer residing in Haldimand township, near Vernonville, and his wife were tried here in the County Court before his Honor Judge Roger, charged with causing actual bodily harm to Mrs. Gillespie's sister, a young girl of thirteen, who came recently from England to reside with them. Evidence showed that the girl had been most cruelly beaten and ill-used. Crown Attorney W. F. Kerr conducted the prosecution. The man was sentenced to six weeks in the County Jail and his wife to two months. The latter's cries when she found that she must face a jail term could be heard throughout the Town Hall where the trial took place.

Moved by Hymns, Confessed He Was Escaped Convict.

Kingston, Feb. 19—Jas. Hammond, aged 35, drifted into a Salvation Army meeting and as he heard songs sung and prayers offered his heart melted, and kneeling at the penitent bench he confessed to the Captain that he was an escaped convict from Auburn prison, N. Y., to which he had been sentenced to serve twenty years for burglary. He declared that with three others he got out of the prison by sawing off bars with instruments given them by people outside. He was taken on Saturday to Cape Vincent where officers from Auburn met him and took him in charge.

Calgary Chief of Police.

Calgary, Alta. Feb. 15—The commissioners have decided to recommend Inspector Alfred Cuddy, of the Toronto police force, for the position of chief of the Calgary police, rendered vacant by the resignation of Chief Mackie. There is every likelihood that the council will approve the recommendation and that Cuddy will be appointed at a special meeting to be held to-night. There were 65 applications.

Man Gets Six Months and \$500 Fine.

Montreal, Feb. 19.—Arthur Circe found guilty of personating at the recent Municipal elections, was this morning sentenced to six months' hard labor with a fine of \$500 or in default six months more. Recorder Weir, who handled the case, expressed regret that the investigators of Circe were not before him as it was obvious that the man was hired by somebody higher up.

TRIED EVERYTHING WITHOUT RELIEF

Until I took "Fruit-a-lives"

SARNIA, ONT., Feb. 5th, 1910. "I have been a sufferer for the past 25 years with Constipation, Indigestion and Catarrh of the Stomach. I tried many remedies and many doctors but derived no benefit whatever.

Finally, I read an advertisement of 'Fruit-a-lives'. I decided to give 'Fruit-a-lives' a trial and found they did exactly what was claimed for them. I have now taken 'Fruit-a-lives' for some months and find that they are the only remedy that does me good.

I have recommended 'Fruit-a-lives' to a great many of my friends and I cannot praise these fruit tablets too highly."

PAUL J. JONES

"Fruit-a-lives" is the only natural cure for Constipation and Stomach Trouble, because it is the only medicine in the world that is made of fruit juices and valuable tonics. Hundreds of people have been cured, as if by a miracle, by taking "Fruit-a-lives", the famous fruit medicine.

50c. a box, 6 for \$2.50, trial size, 25c. At dealers, or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

Durham County to Have Hospital

A \$100,000 hospital is offered to the united counties of Durham and Northumberland, by the will of the late John Helm, of Port Hope. He offers his 30 acre estate on the Kingston Road and stipulates that the Municipal Council must finance the erection and equipment of the institution, after which they will receive the \$100,000 when the work is completed. The money will be invested meantime and the interest devoted to the work of erection.

If the counties refuse the offer the money will be divided as follows:—\$50,000 to the Toronto General Hospital; \$20,000 to the Port Hope Hospital; \$20,000 to the Cobourg Hospital and \$5,000 each to the Toronto Hospital for Sick Children and the Gravenhurst Sanitarium.

The will of Mrs. Mary Kingdon, mother-in-law of the famous American financier, Geo. J. Gould, jr., was filed in the Surrogate Court. The value of the estate was about \$48,000 and the house and lot at 394 Brunswick Avenue, valued at \$8,000, was left to Emily Brumell and Margaret Carter, Toronto. The rest of the estate is divided among the famous members of the Gould family in the United States. Mrs. Kingdon died in New Jersey.

The General Missionary Society and the Woman's Missionary Society of the Methodist Church will divide about \$5,000 of the estate of the late Mrs. L. C. Livingston, of Toronto, according to the terms of her will which was filed for probate recently.

WILL SUPPORT CANAL

Sir Wilfrid Wants Georgian Bay Scheme Completed.

Liberal Leader Throws His Weight Into the Scale in Graham's Favor at South Renfrew—G.T.P. Was All Late Administration Could Attend to, He Declares—Hon. W. L. M. King Also Speaks at Meeting.

Renfrew, Feb. 20.—Sir Wilfrid Laurier yesterday threw the weight of his personal influence into the campaign for the election of Hon. George P. Graham in South Renfrew. At Eganville, in the afternoon and Arnprior in the evening Sir Wilfrid addressed a crowded meeting and was warmly received. At Eganville two meetings were held; one was in the town hall and another outside to accommodate the overflow. The ex-Premier and Messrs. W. L. M. King, E. P. Devlin, M.P., of Ottawa; T. A. Low, ex-M.P., and Dr. B. M. Connelly of Renfrew.

That fair play and the honor of the Conservatives of South Renfrew demanded George P. Graham's election was the dominant note in Sir Wilfrid's appeal to the electors. He also defended his administration of the affairs of the country, and referred to several of the transportation problems now before the House, promising his support of the construction of the Georgian Bay Canal.

The candidate then spoke of outsiders who were "butting into" the present election, notably some from the riding of North Renfrew.

"Dr. Reid started this fight and then went back to Ottawa and hasn't come back again," said Mr. Graham.

He had come to South Renfrew on the invitation of the Liberals and with the written pledge of twenty-seven Conservatives of the constituency that they would undertake to elect him.

Sir Wilfrid said: "There was an election on Sept. 21 last. You cannot have forgotten it and I have not. A storm—I will not call it a brainstorm—swept over the country and wiped my Government out of existence. I do not mind telling you I would have preferred to win, but I believe in taking my defeat like a man, so I won't repine. I won't lament but do just like the boys—spit on my hands and lay to."

The ex-Premier, after a warm tribute to Mr. Low and Hon. Mr. Graham, said of the latter:

"I have kept the seat next to me vacant for him and I believe he will fill it. But there are men who said that if George P. Graham were to enter the House he would give them the devil. This is not a political question; there is no issue between us. We are not yet in a position to take issue with the present Government. I want to give them more rope—they may hang themselves.

After alluding to instances in which political leaders, after being defeated at home, had gone to other constituencies, Sir Wilfrid said:

"The Georgian Bay Canal is a transportation matter of particular interest to you people in South Renfrew. Some people want only the Welland and others only the Georgian Bay Canal. To these I say, 'O men of little faith, we need both of them.' You will ask me 'Why didn't you build the canal yourself?' I can only say that you cannot do everything at the same time. We tried to build the trans-continental railway, though Hon. Mr. Fielding, Minister of Finance, hesitated to engage in such a large project. And, sir, I can assure you whenever Mr. White resolves to build the Georgian Bay Canal, I can assure of my own and Mr. Graham's support."

Hon. W. L. Mackenzie King urged less localism in regard to the present election. The man who had had the wide experience of Hon. Geo. P. Graham was the man whom South Renfrew should elect for the good of the country. Canada needed his services. Had not Conservative members resigned to make way for Hazen, Pelletier, Rogers and White, all members of the present council of the nation?

Must Remain Bachelor Maids.

Wilkesbarre, Pa., Feb. 20.—In order to share in the estate of their father, the Misses Ruth and Tacie Morgan, daughters of William P. Morgan, a wealthy real estate man, must stay unmarried for life. The will of the father, just made public commands that the two daughters are to be given "a suitable living while they remain single." In the event of marriage, their allowance is to be completely cut off.

The Misses Morgan are prominent in society. The will of their father came as a great surprise to them.

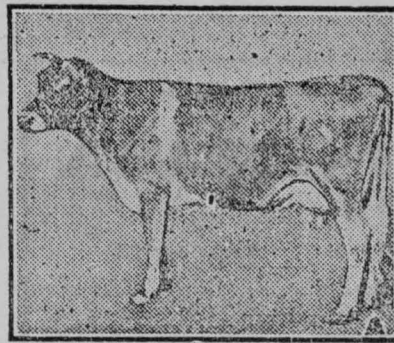

Subsidy for Traction Line.

Brantford, Feb. 20.—It was announced here yesterday that the Dominion Government had been asked for a subsidy for the construction of the Brantford and Lake Erie Electric line to Port Dover. A deputation recently waited on Hon. Frank Cochrane, Minister of Railways, pointing out that the construction of the road would be of great benefit to Brantford, Paris and intermediate points.

Black Smallpox In Quebec.

Montreal, Feb. 20.—Black smallpox and hemorrhagic smallpox—the two worst types of the disease known to medical authorities—have broken out in the Province of Quebec, according to Dr. Pelletier, the secretary of the Provincial Board of Health.

Which is his

THERE'S no mistaking the expression of a man whose farm is well "improved." He looks as prosperous as he feels.

It isn't the size of a place that counts most, nor its actual dollars-and-cents value. It's rather that "well-kept," thrifty appearance; the appearance that makes you think of fat stock, and well-filled barns, and comfortable, contented living.

Neat, permanent improvements go further in giving a farm this appearance than any other feature.

Concrete Is The Ideal Material

for such improvements. It is neat, harmonizing with its surroundings in the country. Everlasting, it cannot be injured by fire, frost, wind or lightning. Age—instead of causing it to decay—actually makes it stronger.

Concrete never needs repair—first cost is last cost. New improvements can be added year after year with less expense than would be required to keep wooden structures in repair.

Concrete walks, feeding floors, dairy-barns, ice-houses, root-cellars, well-curbings, fence posts, silos—which of these does your farm need most? Whatever you want to build, it's best to build it of concrete.

Do you want to know more about this subject of permanent farm improvements? Then write for your copy of

"What The Farmer Can Do With Concrete."

It's a book of 160 pages, telling how other farmers have used the "handy material" to good advantage. Published to sell at 50c. a copy, it is now being offered free to all farmers who write for it. Address

Synopsis of Canadian North-west Land Regulations.

ANY person who is the sole head of a family, or any male over 18 years old, may homestead a quarter-section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency, or Sub-Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties.—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres, solely owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter-section alongside his homestead. Price \$3.00 per acre. Duties.—Must reside six months in each of six years from date of homestead entry (including the time required to earn the homestead payment) and cultivate fifty acres extra.

A homesteader who has exhausted his homestead right and cannot take a pre-emption may take a purchased homestead in certain districts. Price \$3.00 per acre. Duties.—Must reside six months in each of three years, cultivate fifty acres and erect a house worth \$300.

The disc drill that can't stall

Built with more strength than it will probably ever need. Continuous steel axle from wheel to wheel, with frame and seed-box solidly attached. Seed-box down low and easy to fill. Tested indexes tell just how much you are sowing. Champion does not compel you to fit the shift-lever precisely into such-and-such a notch. Vary the seed-feed to suit yourself—do it in a second. Champion disc hubs are really dustproof, and are fitted with ball-bearings same as a good automobile. Direct down-pressure on EVERY disc-hub avoids side-strain. No neck-weight on team.

MARKET REPORTS.

Liverpool Wheat Futures Close Lower, Chicago Higher—Live Stock—Latest Quotations.

CHICAGO, Feb. 19.—It looked to-day as if the bull clique in wheat was switching from the May option to July. The sales of the early month jabbed the price down under the dollar mark, but the close was firm and above par. Latest trading left quotations varying from a shade off to 3-4c up as compared with 48 hours before. Corn finished unchanged to 1-8c lower, oats at an advance of 1-4c to 3-8c, and hog products the same as Saturday night, to 10c to 12-1-2c decline.

The Liverpool market closed to-day on wheat, 1/4d lower than Saturday, and corn 1/4d to 1/2d lower; Berlin wheat closed 1 1/2c lower and Buda Pest, 3/4c lower.

Montreal Grain and Produce.

MONTREAL, Feb. 19.—The foreign demand for Manitoba spring wheat shows no improvement and the prices bid generally were from 1 1/2c to 2c per bushel out of line. The local demand for American corn was good and sales of 15 cars of No. 3 yellow were made at 7 1/2c, ex-track. In oats the feeling remains firm under a good demand for car lots from local and outside buyers. A good business continues to be done in flour for local and country account. Bran and shorts are scarce and firm. The demand for butter is good and cheese is quiet. Eggs fairly active. Provisions steady.

Corn—American, No. 2 yellow, 7 1/2c.
Oats—Canadian western, No. 2, 5 1/2c to 5c; Canadian western, No. 3, 5 1/2c to 5c; extra, No. 1 feed, 5 1/2c to 5c; No. 2 local white, 5c to 5 1/2c; No. 3 local white, 5c to 5 1/2c; No. 4 local white, 4 1/2c to 4 3/4c.

CATTLE MARKETS.

Union Stock Yards.

TORONTO, Feb. 19.—Receipts of live stock at the Union Stock Yards were 83 carloads, consisting of 1619 cattle, 167 hogs, 155 sheep and lambs, 25 calves and 58 horses.

Butchers.

Three steers of extra finished quality 1400 lbs. each, at \$7.25; 1 load choice heavy steers, \$6.80; 2 loads steers, 1210 lbs., at \$6.75; prime picked butchers, \$6.25 to \$6.50; good, \$6 to \$6.25; medium, \$5.50 to \$5.75; common, \$5 to \$5.25; inferior, \$4.50 to \$5; cows, \$3 to \$5.25, with a few choice at a little more; bulls, \$4 to \$5.25.

Stockers and Feeders.

Steers, \$50 to \$50 lbs., are worth \$5 to \$5.25; stockers, 700 lbs., are worth \$4.50 to \$4.75.

Milkers and Springers.

There was a fair trade in milkers and springers at \$40 to \$70 each.

Veal Calves.

Veal calf prices were firm at \$5 to \$8 per cwt.

Sheep and Lambs.

Sheep, ewes, sold at \$4.50 to \$5, with a few selects reaching \$5.25; rams, \$3.25 to \$4; lambs, \$6 to \$7.00 per cwt., with a few selects at \$7.75 per cwt.

Hogs.

W. J. Johnston reported selects, fed and watered, at \$6.70, and \$6.35 to drovers for hogs, f.o.b., cars at country points. Sows, \$1.50 per cwt. less than selects.

Montreal Live Stock.

MONTREAL, Feb. 19.—At the Montreal Stock Yards, West End Market, the receipts of live stock for the week ending Feb. 17 were 125 cattle, 225 sheep and lambs, 3000 hogs and 450 calves. The supply on the market this morning for sale consisted of 875 cattle, 100 sheep and lambs, 1575 hogs and 150 calves.

The undertone to the market for good to choice cattle continues strong and prices for such have scored a further advance of 25c per cwt. since this day last week, owing to the small supplies coming forward and the keen competition between buyers. Sales of full car loads of choice northwest ranch cattle weighing 1500 pounds each, were made at \$6.00 per cwt., and choice Ontario steers, weighing from 1200 to 1300 pounds each, brought \$6.75 and in broken lots as high as \$7 to \$7.25 was paid. There were a few choice bulls on the market, which weighed from 1800 to 2000 pounds each, and they sold at \$5.50 to \$6 per cwt.

A stronger feeling prevailed in the market for hogs and prices since this day last week show a further advance of 15c per cwt., which is due to the increased demand from packers for supplies and the higher prices ruling throughout the country. An active trade was done with sales of selected lots at \$7.40 to \$7.50 per cwt. weighed off the cars.

There was no change in the condition of the market for sheep and lambs, but the feeling is very firm on account of the limited supplies coming forward, for which there is a steady demand from butchers. The supply of calves was also small and prices ruled about steady.

Butchers' cattle, choice, \$6.75 to \$7.25; medium, \$5 to \$6.50; common, \$3.50 to \$4.50; canners, \$2.75 to \$3.25; choice cows, \$5.25 to \$5.50; medium, \$4.50 to \$4.60; bulls, \$5.50 to \$6; milkers, choice, each, \$75 to \$80; common and medium, each, \$50 to \$65; springers, \$90 to \$45.

Sheep—Ewes, \$4.50 to \$4.75; bucks and culls, \$3.75 to \$4.25; lambs, \$6.50 to \$7. Hogs—F.o.b., \$7.40 to \$7.50.
Calves—\$2.50 to \$8.

MADE HIS ESCAPE FROM CANADA.

Man Who Stole \$20,000 Unsigned Bills From Express Car in Custody at New Hampshire.

Ogdensburg, N. Y., Feb. 16.—Edward Imer McIntosh, wanted in Toronto for the theft of four thousand partially signed \$5 bank notes of the Traders Bank of Canada from the Dominion Express Co. on Nov. 8th, 1910, and by the United States authorities for smuggling an automobile and three horses into this country last year, was arrested at Charlestown, New Hampshire, by Special Customs Inspector S. W. Day, of Ogdensburg. Day immediately wired the news to Customs Collector W. H. Daniels, of the Ogdensburg District. Day said that he had lodged McIntosh in jail at Concord, N. H., and had seized the automobile and other goods. McIntosh was going by the name of R. E. Machie at the time of his arrest. Inspector Day has been working on the case for several months and traced McIntosh through the States of Vermont and New Hampshire. McIntosh was indicted by the United States Grand Jury for smuggling at the January term in Utica, when a bench warrant was issued for his arrest by Judge Hand. He will be kept at Concord until a warrant of removal is obtained, when he will be turned over to the Federal Court in New York State. In June McIntosh smuggled an automobile into this country from Dickinson's Landing, near Cornwall. On August 8th following he smuggled in at the same point a buggy, harness and three horses. It is alleged that he stole two of the horses from F. P. Tait, a farmer living at Mille Roches, and the rest of the outfit from the Palace Livery Stable in Montreal.

The crime for which McIntosh is arrested was committed in March, 1910. He was a brakeman in the employ of the C. P. R., and his run was from Toronto to Ottawa. In the express car of the train on which McIntosh was brakeman, there was a bundle of unsigned Traders' Bank notes, which were being sent from the American Bank Note Company in Ottawa to the head office of the bank at Toronto. McIntosh left the employ of the company and in November of the same year Traders' Bank notes to the amount of \$6,000 were accidentally found in McIntosh's former home at 94 Galley Avenue. The police were immediately notified and a warrant was issued.

While the Canadian police were scouring Canada, McIntosh was living in seclusion at the home of his father-in-law, a farmer named Runions, on Skeik's Island on the St. Lawrence River, near Cornwall.

G. T. R. Said to be looking for Terminal.

Brockville, Feb. 15.—There are rumors to the effect that the Grand Trunk Railway is obtaining options on large parcels of land in Prescott, with the object of acquiring them for terminal purposes, in connection with a deal for control of the Rutland Railway, running east from Ogdensburg to the New England States.

In the event of being successful, it is said the terminal will be removed from Brockville to Prescott where connection could be made with the Rutland by means of a car ferry across the river. Western freight for the seaboard, which now goes via Coteau Junction and thence over the Central Vermont line, would be diverted at Prescott to the American route.

The report has occasioned more or less uneasiness.

Re Morewood Presbyterian Cemetery

Parties holding receipts of payment of lots purchased in the above cemetery can now obtain their Deed by calling for same to the undersigned.

R. STEVEN,
Sec.-Treas.

EDITOR RECORD, DEAR SIR,—Re the above cemetery and the steps taken during the years 1905-6-7 to comply with the Ontario Statutes as well as the sub regulations etc., adopted since by the trustees and approved by the Provincial Secretary on the 30th Nov. 1907, seems to be causing some uneasiness by parties that were opposed to any action being taken as above, and when lots were offered for \$5 in August, 1906 only about 30 lots were sold in that year and since that date up to the present time about nine lots have been sold. (The above includes a number of half lots). The parties purchasing the above lots were mostly outside parties to the rates of about 2 to 1, and consequently not looked upon as eligible to vote or to be elected to any office at the annual meeting of the Presbyterian Church. Now the inconsistent or ignorant part of the matter is simply this: Those who have not a lot in the cemetery or not a cent in the small fund held by the trustees comes out boldly at the annual meeting and moves and votes on resolutions directing the trustees what to do with the other fellow's money and I believe one learned gentleman questioned the honesty of the trustees in some of their actions so strongly that a resignation of one of our best men may soon be handed in. The trustees may not be perfect in all things, Mr. Editor, but in this matter I am certain that their actions have been along the lines of fairness and equity, and while they do not try to force a sale of lots on any party they consider that those who are occupying lots in the cemetery and paying no assessment should at least keep quiet when the interest of the other fellow's money is keeping the fences and gates in repair as well as the cutting of some of the grass and weeds from the cemetery. The secretary-treasurer has voluntarily allowed interest at 5% on amounts received for sale of lots, and to keep things even the trustees have placed an assessment of 25 cents a year on all lots sold after the second year, which is only fair, and the parties who have paid the extra 25 cents seem well satisfied. Yet others who have no interest in the cemetery fund whatever is making the howl. Only a few days ago I had a letter from a friend in Fort William, Mr. J. E. Hunter, thanking me for the trouble, etc. I had been to in securing him the second lot, assuring me that he was no "kicker," and was not aware that his name was used as being a dissatisfied party, and further assured me that he was willing to further donate when required. Now I think this is sufficient to put parties at least "thinking," and when they have any more of that Dirty Linen (we have heard of) to wash to keep it separate from the cemetery fund as the trustees are posted some in the path they are following, and if the office bearers of the church would come out and pay for a lot I think they would feel better when they attempted to vote on the cemetery fund. Thanking you for your patience, I remain,

Yours Respectfully
R. STEVEN,
Sec.-Treas.

Asylum for Insane to be at Whitby.

It is highly probable that the new asylum, which is to replace the institution on Queen St. West, Toronto, will be erected in the vicinity of Whitby. Since disposing of the Queen Street asylum property to the Massey-Harris Company and the Grand Trunk Railway Company, the Provincial Government has been considering several properties that would be suitable for the purpose, within easy distance of Toronto. The one that is most favorable and which is under consideration at the present time comprises 624 acres immediately adjoining the Town of Whitby to the west, part of it being within the town limits. It forms a block of land practically a mile square and includes everything between the G. T. R. and Lake Ontario for about a mile in width coming into Whitby.

One of the advantages urged by the local Council there in favor of this site, is the water supply and the fire protection close at hand. Should the Government accept this site it will immediately begin the construction of a modern up-to-date asylum, for the district now served by the Queen Street institution.

ASSETS SHOW SURPLUS

Hon. Mr. Hanna Brings in, Ontario's Public Accounts.

Statement of Assets Is Most Encouraging, Although the Fact That the Books Were Closed Too Soon Shows an Apparent Deficit of a Quarter of a Million — Revenue Away Above the Estimate.

Toronto, Feb. 20.—Public accounts for the year ending Oct. 31, 1911, were presented to the Legislature late yesterday afternoon by Hon. W. J. Hanna, Provincial Secretary. They show that the total revenue for the fiscal year amounted to \$9,370,833.90, and the total expenditure, \$9,619,934.03. This leaves an apparent deficit of \$249,100.13. The difference, according to Hon. A. J. Matheson, Provincial Treasurer, is accounted for by the fact that the Hydro-Electric did not pay interest on over \$4,000,000 invested, which would amount to \$173,000, and the T. & N. O. is credited in the statement with earnings of \$515,000, while the actual receipts were \$593,000, a difference here of \$78,000. Another fact which accounts for considerable was that books were kept open for payments out to Nov. 18, but the receipts were cut off on Nov. 1. In the first week after the receipts were cut off enough money came in to pay all the difference. This amount will be credited this year.

The revenue was \$2,430,000 larger than was estimated at the beginning of the year, which was \$2,216,000. The increase in the receipts is accounted for by larger succession duties and taxes, which include the five per cent. tax on bar receipts.

The statements of assets and debts shows a surplus of \$2,000,000. The total assets of the province are \$26,936,060.30, while the total liabilities are \$24,765,922.68.

This year the Hydro-electric will be paying interest, and probably pay its sinking fund. Already a check for \$3,000 has been received from the Hydro, for the past three months.

It is shown in the accounts that the cash in hand is reduced from \$2,032,000 to \$1,505,000. This is due to the expenditures on the new Government House, Parliament Buildings, provincial prison, provincial museum, Osgoode Hall, reformatory for females, good roads, normal schools, Ontario Veterinary College and other institutions.

The cost of the new provincial prison will be paid for this year by the sale of the present Central Prison site.

The tabulated accounts of receipts show that the balance on hand at the beginning of the last fiscal year was \$3,032,000. The amount at current account, exclusive of the special deposit, was \$145,589. From the Dominion Government, by way of subsidy on population, the province received \$1,279,343.80. While from another subsidy it received \$142,414.48 and a special grant amounted to \$240,000. The total of the three subsidies was \$2,661,757. There is an increase in the grant of \$132,986, owing to the increase in the population of the province.

Interest paid by the Dominion and interest on investments amounted to \$132,254.

The largest revenue was received from lands, forests and mines, and amounted to \$2,710,242. From licenses, \$656,363 was received, which is \$76,201 more than was received during the preceding year, on account of the five per cent. tax on bar receipts.

Law stamps brought in \$102,155. Algonquin taxes, \$5,805. Educational revenue was \$42,784. From the Provincial Secretary's Department \$323,736. Game fisheries, \$130,267. Agriculture, \$147,167. Under the supplementary revenue act \$854,659 was paid to the Government. This is an increase of \$102,221, due to the increased tax on express companies, the tax on transfer of stock and the tax on racetracks.

Succession duties amounted to \$963,195, and the funds deposited in lieu of bond payments for succession duties were \$57,437. Casual revenue was \$160,671.

From public institutions the province received a total of \$274,309, made up as follows: From Toronto Hospital for the Insane, \$54,057; Brockville, \$16,926; Hamilton, \$42,524; Kingston, \$15,149; London, \$38,435; Mimico, \$18,673; Orillia, \$12,911; Penetang, \$3,461; Woodstock, \$14,712; Cobourg, \$851; Reformatory for Females, \$10,157; Central Prison, \$778; Central Prison, \$778; Central Prison industries, \$45,555; Temiskaming and Northern Ontario Railway, \$515,000. Total, \$9,370,833.

Statements of expenditures during the fiscal year show that more money was spent on education than any other branch of the Government, the total amount being \$1,885,739; the maintenance of public institutions cost \$1,197,726. Other payments follow: Civil government \$602,523; legislation, \$275,959; administration of justice, \$653,303; colonization and immigration, \$106,906; agriculture, \$680,001; stationary engineers, \$6,096; hospitals and charities, \$357,849; repairs and maintenance, \$199,511; colonization roads, \$451,111; charges, crown lands, \$617,111; refunds, \$67,335; miscellaneous services, \$252,953; Hydro-Electric Power Commission, \$91,302.

Sir James Whitney introduced two bills in the Legislature yesterday which will be of great benefit to street railway employees and miners. One will amend the Ontario Railway and Municipal Board Act, and will cover the grievances of motormen and

conductors on street cars who, in order to put in a ten-hour day, have been compelled to string out their working time over a period of fifteen or sixteen hours. Sir James' amendment gives the Railway Board the authority to regulate the working hours regardless of any agreement at present existing between a municipality and a street railway company. All employees are considered in the amendment. When the bill is being discussed penalties will be inserted for contravention of the act on the part of any directors, superintendent, manager or officers of the company.

Brandt's Case Again.

New York, Feb. 20.—District Attorney Charles S. Whitman last night confirmed reports that he had secured four letters which detectives found in Foulke E. Brandt's room subsequent to his arrest for burglary at the home of Mortimer L. Schiff five years ago. The letters have been said to have an important bearing on the efforts to free Brandt from a thirty year prison term, but the district attorney declined last night to discuss the contents of the letters. He replied "No" when asked if the examination of the letters had changed his attitude in opposition to the appearance of Attorney Howard S. Gans and Mr. Schiff before the grand jury. The district attorney reiterated that Schiff and his attorney would not be allowed to appear.

John Rodgers, a private detective, who worked on the case against Brandt, was examined by the grand jury yesterday, and is said to have told of Brandt signing a confession that was "framed up." Another witness before the grand jury was Leonard Borne, employed as third man in the Schiff household at the time of Brandt's alleged burglary. The witness had been secured by counsel for Schiff to substantiate the contention that Brandt actually broke into the house.

Want Both to Quit.

Concord, N.H., Feb. 20.—The suggestion that both President Taft and former President Roosevelt should decline to be candidates for re-election this year, in the interests of uniting the Republican party, is made by former United States Senator William E. Chandler, in an open letter to the Republicans of New Hampshire, made public last night.

Mr. Chandler expresses the opinion that the Republican party is divided between Taft and Roosevelt, and so long as the split lasts, it is certain of defeat.

Mr. Chandler declares that, while he personally favors Senator La Follette, he would surrender his preference for someone like Charles E. Hughes, Albert B. Cummins, Chas. W. Fairbanks or Governor Hiram Johnson of California.

Controllorship Goes Begging.

Montreal, Feb. 20.—Montreal municipal circles are still face to face with the circumstance of a position worth \$7,000 a year going begging for lack of the proper man to fill it. At a meeting of the special committee of the Citizens' Association, entrusted with the task of securing a man to succeed to F. L. Wanklyn, who has resigned from the Board of Control, yesterday, it was reported that all of those whom the committee had thought capable of taking the position, had been approached, but had refused, saying the salary was quite inadequate.

Boy Killed by Train.

Brantford, Feb. 20.—An inquest will be held into the death of Connie Keenan, a sixteen-year-old boy, who jumped in front of a passenger train on Sunday evening at six o'clock on St. Paul's avenue, on the G.T.R. crossing. Keenan was riding the freight train to the outskirts of the city in order to get home quickly, and he did not notice the approach of the passenger train on the other track. He was taking a special course at the business college here.

Sir Wilfrid Thrown From Sleigh.

Ottawa, Feb. 20.—Sir Wilfrid Laurier was the victim of a carriage accident yesterday morning, which might have resulted seriously. The Liberal leader was on his way to catch the 8.35 train to Eganville, in South Renfrew. When at the corner of Rideau and Sussex streets his sleigh upset. He was thrown out, but was not hurt. He walked the remaining distance to the station, apparently none the worse for the accident.

Alberta's Coal Commission.

Edmonton, Alta., Feb. 20.—Premier Sifton has announced a commission to investigate the coal situation in the province. The members are John Stirling, chief coal inspector; W. B. Powell, ex-president of the Mine Workers' Federation, and W. J. McNeil, secretary of the Employers' Federation.

St. Kitt's Deputy Postmaster.

St. Catharines, Feb. 20.—George Gordon, one of the most popular Conservatives in the County of Lincoln, last evening received word from A. E. Lancaster, M.P., that he had been recommended for the vacant deputy postmastership caused by Stanley G. Smith's resignation.

Montreal Church Against Union.

Montreal, Feb. 20.—The vote on church union at St. Matthew's Presbyterian Church shows 193 communicants against the proposed union, and 97 in favor of it.

Mr. and Mrs. J. S. Kyle Remembered

Some time ago Mr. J. S. Kyle, of North Winchester, leased his farm for a number of years to Mr. George Kinard, who takes possession in March. He then disposed of stock and farm implements and has about completed preparations for taking a trip through the West, to be accompanied by his wife. Their friends and neighbors could not let them depart from their midst without expressing to them their regret in parting from such esteemed friends and kind and obliging neighbors, as they have proved themselves to be during their stay among us. Mr. Kyle has always been very active in regard to public matters and in fraternal societies, and his careful judgment in many instances has greatly assisted those associated with him. On Thursday evening, the 15th inst., about 100 friends gathered in their home to say good-bye and wish them God-speed on their journey. As Mr. Kyle has been born, brought up and always lived in this neighborhood there is much regret felt at the severance of the old ties that have bound us together for so many years. During the evening Mr. Kyle was presented with a beautiful suitcase and Mrs. Kyle with a handsome gold knot brooch in an elegant jewel casket. Mr. David Coulthart made the presentation while Mr. Frank Fraser read the following address:—

To Mr. and Mrs. J. S. Kyle.

DEAR FRIENDS,—We are together a company of your old neighbors and associates on the eve of your departure from our midst, to bid you God-speed on your journey and tender you our best wishes for your future prosperity and happiness. As neighbors who have always been kind and thoughtful, ever ready to give a helping hand and in your own home a genial host and hostess extended a ready welcome. As a slight token of the esteem in which you have been held we ask your acceptance of these gifts which we hope will also always bring to mind old friends and happy memories of the old home.

Signed on behalf of those present.

DAVID COULTHART
FRANK FRASER

Mr. Kyle, on behalf of himself and wife, feelingly responded in a few well chosen words expressing his thanks for the friendship and generosity of their many friends and assuring them that both he and Mrs. Kyle would always think of those early friends with feelings of love and gratitude, and extending a welcome to their future home no matter where that might be, at any time and under any circumstances. Mr. and Mrs. Kyle have always shown a spirit of true hospitality and friendship, and as they go from us the memory of that hospitality and friendship that has characterized them will be cherished by their many friends.

"5,000 Facts About Canada" for 1912

The 1912 edition of that popular and indispensable booklet, "5,000 Facts about Canada," compiled by Frank Veigh, the widely known writer and lecturer, and author of "Through the Heart of Canada," is now out and is replete with new matter, including an outline map of Canada, a calendar and the new census figures. In compact form is found a wealth of facts and figures of the Dominion that will prove a revelation of our natural resources and growth. The mass of information, gathered with infinite pains, should be in the hands of every intelligent Canadian, and the wide sale and popularity of the publication is easily understood. Copies may be had for 25 cents from The Canadian Facts Publishing Co., 667 Spadina Ave., Toronto.

Local and District News

During yesterday afternoon and today we are being visited with a regular blizzard.

The auction sale of William and George Rae has been postponed. For particulars see advt. in Record.

See Bolster's advt. in the Record if you have eye trouble.

By the state of the weather today somebody will get a severe chill by five o'clock this afternoon in the South Renfrew election.

A pleasing entertainment may be expected on St. Patrick's night in the Music Hall, given by pupils of St. Mary's School, who, under the efficient training of the Sisters, have prepared a choice programme. They will be assisted by first-class musical talent. For particulars see next week's Record.

Mr. G. H. Beattie who lives just north of the village, yesterday informed us that the previous day he had a clover huller at work, and when done he had 2,100 lbs. of excellent seed for his labor. This amount is supposed to be worth about \$500.

An auction sale of twenty horses will be held at Thos. Flynn's Hotel, Chesterville, on Saturday, Feb. 24th, commencing at one p. m., consisting of heavy mares, carriage horses, roadsters and mare colts. Intending purchasers may call and inspect them at the hotel stables at any time when in Chesterville. This is a genuine sale and the horses offered are of the very best class obtainable.

Delegates from the different good roads associations of the province will meet at a convention in Toronto on Feb. 26th and 27th. The purpose of the convention is to formulate a plan for a federal and provincial good roads system. Among the speakers will be Hon. Paul D. Sargent, assistant director of government roads for Washington; Dr. Reaume, Provincial Minister of Public Works, and Andrew Broder M. P.

There is a little stir of expectation in Perth over the news from across the sea that an estate valued at five million pounds sterling is awaiting the appearance of heirs, some of whom are thought to be in the Eastern Ontario portion of the Dominion of Canada. The owner of the millions was a Taylor of Falkirk, Scotland, and some of the Taylors of Falkirk one of whom is Mr. Henry Taylor, Police Magistrate, reside in Perth.

The thrifty farmer has learned by experience that no article he buys requires closer inspection than wire fence, and after he has gone to the trouble to carefully set his posts, it is a great mistake to stretch upon them a so-called cheap fence and then expect to get satisfactory service from it. Some folks imagine that price is all there is to the fence question but others who have been caught with the bait of low price have found, to their sorrow, that beneath the bait was the sharp hook of unsatisfactory service. Frost wire fence is not made from commercial or ordinary wire but from material specially drawn and galvanized in our own plant and to give service in Frost fence. We pay \$125 per ton for pur Zinc Spelter and instead of trying to put on as little zinc as possible we aim to give the wire as heavy a coat as is practical—about double the thickness that is found on ordinary material. Frost Wire Fence is for sale by Fulton Bros., Chesterville.

Hon. J. R. Stratton's Brother Dismissed

Ottawa, Feb. 20.—An order-in-council was passed today dismissing A. H. Stratton, of Peterborough, from the position of post-master of that town. Mr. Stratton who has occupied the position since 1908, is a brother of Hon. J. R. Stratton, former M. P. for West Peterborough. Offensive partisanship is given as the reason for dismissal. The same order-in-council contains notice of appointment of Mr. James Edgar, a well-known wholesale grocer of Peterborough, to the position vacated.

Edmonton, Alta., Feb. 20.—A letter has been received from Lord Strathcona offering to give \$25,000 to a municipal hospital in the southern portion of Greater Edmonton, which until recently was the city of Strathcona. The request for financial assistance was made in a letter written here on Jan. 19 and the reply arrived today.

A Terrible Experience.

Two young men named Peter St. Michel and Jos. Turcotte, living near Renfrew had a terrible experience a few nights ago. They were driving home from Portage Du Fort when they lost their way. Turcotte became unconscious and St. Michel buried himself and his companion in a blanket in the snow and let the horse go on by itself.

After a time Turcotte regained consciousness and saw a light half a mile away. His feet were so badly frozen that he was unable to walk so he crawled on his hands and knees to the farm house where he saw the light. The people took him in and shortly afterwards he lapsed into unconsciousness in which condition he remained for eight hours.

St. Michel was found in the snow half a mile away in a field. It is thought his hands and feet may have to be amputated. It is said that the young men went to Portage du Fort for liquor, being unable to get it in Renfrew, and were incapable of taking care of themselves.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address E. J. HENNEY and Co., Toledo, O. Sold by all druggists. Take Hall's Family Pills for constipation.

Keeps Prison Accounts.

Kingston, Feb. 20.—W. R. Travers, the former general manager of the Farmers Bank, sent to prison for five years, has now served almost a year. He is keeping the accounts of the blacksmithing works and finds the work pleasing and satisfying. He has still three years and nine months of time to put in. His health is good.
