Women's Institute Organized in Winchester

Mrs. (Rev.) Gollan of Morewood, went to Winchester on Friday afternoon of last week and organized a Woman's Institute there with thirty members as a beginning. The ladies who had worked so energetically for the Red Cross in the past felt that they could now direct their energies in some other good work, hence this organization.

The officers elected are:—
Pres.—Mrs. Ritchie.
1st. Vice-Pres.—Mrs. Robt. Suffel.
2nd. Vice-Pres.—Mrs. Geo. Earle.
Sec.-Treas.—Mrs. Eagleson.
Directors— Mesdames Anderson, McCormick and Carr.
Branch Director—Mrs. T. O. Keyes
Program Committee— Mesdames Cartright, Boyd and Ault.

Mrs. Calvin Merkley, Nation Valley

A gloom was cast over this community when it was made known that a beloved wife and mother, the late Mrs. Calvin Merkley had passed to the Great Beyond to give an account of the deeds done in the body and get her reward for faithful services. The deceased lady succumbed after a brief illness of six days' duration, from an attack of pleurisy and pneumonia. All that skilled medical aid and willing hands of loved ones could do was of no avail, the white horse and rider could not be driven away and at ten o'clock Wednesday night Nov. 5th, she passed peacefully over the Jordan, crossing the bar whither no man returns. She was conscious until the end and conversed with her family and friends. The deceased was born at Williamsburg June 15th, 1869, Florence the eldest daughter of Mr. and Mrs. Reuben A. Barkley. The funeral obsequies were conducted at the family residence, Nation Valley, Chesterville district, by the Rev. Mr. Hicks, B.A., Chesterville. The deceased picked her own text the twenty-seventh Psalm. Two quartettes were ably rendered by Miss N. Elliott, Mrs. P. Darling, Messrs. Forward and Cornor entitled "My Mother" and "Does Jesus care"?

A husband is left to mourn the loss of a kind and affectionate wife. Five daughters:—Mrs. Andrew Droppo of Winchester Springs, Ella, Dorothy, Flossie, Pearl and one son Delbert all at home are left broken-hearted without a loving mother to guide, protect and care for them.

Besides an aged father and mother, one sister, Mrs. Flanders of Norfolk, N.Y., and two brothers, Sylvester and Mason O. Barkley of Williamsburg, are left to mourn the departed.

The floral tributes were "Gates-a-jar" from husband and children at home, pillow from Mr. and Mrs. A. Droppo, wreath from sister and brothers.

A large concourse of relatives and friends were present to pay their sad respects to a departed neighbor. The late Mrs. Merkley was always ready and waiting to do any good she could to a friend or neighbor.

Interment was made in Maple Ridge cemetery.

Farewell, mother, you have left us,
No more with us here to dwell.
God has sent to thee a message
Bade thee haste where all is well.

The family circle now is broken
The frailest link has been removed,
At Heaven's gate we hope to meet thee
If to God we faithful prove.

Our home is sad, our hearts are lonely;
The precious voice we loved is still,
As God's own way we humbly bow to
For Heavenly bliss he had thee willed.

Then farewell, our darling mother,
Till we meet on Heaven's shore
That when life's day to us is ended
We hope to meet and part no more.

Teach the Children to Save

Habits are acquired early in life. Children, who are taught the value of money and the habit of saving, grow up into good business men and capable women.

The easiest way to teach children to save, is to start a Savings Account for each child ($1.00 each is sufficient). After a child has saved another dollar to make an additional deposit, he or she will have a better appreciation of just what a dollar stands for, and how much work and self-denial it represents.

BETTER COOLING

(FARMERS CUT THIS OUT.)

At this time of the year when the sun is hot, and the flow of the milk is high, remember that more water is required to cool milk to the desired temperature. The more milk you have the more water is required. Don't try to cool eight cans in water that will only cool four cans. Change the water often. Milk cooled and not kept cool will sour.

LILLIAN GISH

Famous Griffith Star will be Seen in "The Great Love."

Lillian Gish, portrays the role of Susie in David Wark Griffith's picture, "The Great Love," which will be shown at the Music Hall, Chesterville Saturday night Nov. 22nd. Miss Gish has been a star in motion picture work for several years and her winsome personality and talent have won for her a large and enthusiastic screen following. Her most recent appearance was in Mr. Griffith's great war picture, "Hearts of the World."

Miss Gish appears in "The Great Love" as a young Australian girl, who lives in England and loves a Canadian soldier, and who eventually finds "the great love" in the service of her country. Her characterization is said to be unusually effective and with the portrayals of Robert Harron, as her sweetheart, and Henry B. Walthall, as an unscrupulous British Baronet, who seeks to win her for her money, forms an artistic combination seldom seen in motion pictures, with special orchestra and refined vaudeville, under auspices of the G. W. V. A. Seats on sale at Bolster's Drug Store.

Head and shoulders above the crowd stands Thomas A. Edison!

"Head and shoulders" above the crowd of ordinary phonographs and "talking machines" stands Edison's grect contribution to the world's enjoyment—

THE NEW DIAMOND AMBEROLA

No product can be bigger than the brain that evolves it. No other brain in the world today has the inventive ability of Edison's. That fact alone is sufficient proof of the absolute superiority of the Amberola.

But the Amberola can quickly and easily prove its own superiority. Its *tone*—oh, what a revelation, compared to metallic "talking machines" and shrill-sounding phonographs! None but Edison could work that miracle of tone.

Then the *Amberol Records*, made for the Amberola alone! They are practically *unbreakable* and *everlasting*—what a contrast to the costly fragileness of other phonograph records.

And for range of music—the widest in the world—all the best, all the greatest, all the latest. An endless feast of fascinating melody.

Yet the biggest surprise of all is the *price!* This wonder phonograph *costs less* than inferior competitors! There is not a single draw-back to your owning an Amberola *right now!*

Don't listen to the *claims* of other manufacturers—listen to their *machines.* Then come in and *compare* the matchless tone of the Amberola. Edison's wizardry will win you every time.

We'll expect you in *today*—now *don't* forget.

FREE Trial Offer

We will place an Amberola in your home for *3 Days' Trial*, which will not put you under the slightest obligation or expense. Come here, select an Amberola and a number of records and we'll send them to your home. At the end of 3 days, if you do not want the Amberola, we'll call and take it away. If you *do* want it, we'll arrange terms of payment to suit you.

Farewell and Presentation in Mountain

The home of Mr. and Mrs. Alfred Burd was taken by surprise last Wednesday evening Nov. 5th, when a number of the neighbors gathered in to bid them farewell before leaving for their home at Kerr's Ridge. Although the family had only lived here six months, yet they had made many friends and the neighbours could not think of letting them leave without showing them in some way the esteem in which they were held in the community, but having such short and the roads so bad, word could not be given to the neighbours at a distance, so just a few of the near ones were present, but nevertheless a very pleasant evening was spent and everything carefully planned. Mrs. Reid, Miss Mulloy, Mrs. Turner, Sr., Mrs. A. Turner, Jr., served tea about 11 o'clock. After tea the crowd adjourned to the living-room where Mr. Lorne Kinkaid gave a short address saying how sorry he was to lose Mr. and Mrs. Burd but was glad they were not going far away and hoped he would be able to spend many more pleasant evenings with them and thanked them very much for the evening and for the welcome they gave that night, presenting Mr. and Mrs. Burd with a handsome purse. Mr. Burd although completely taken by surprise responded in behalf of his wife and family. He was very glad to have them spend the evening with them and thanked them all very much for their kindness and thoughtfulness in gathering in and also for the purse and assured them it would be a night long to be remembered. He was very sorry to leave the neighbourhood and only the chance of more land had enticed him to do so and he was not going so far away but that all could come and see them and again thanked them very much for the purse and also the kindness shown them when moving here from Crysler in May. Then Mr. J. Belway was called on who said he was very sorry to lose Mr. and Mrs. Burd as neighbours, but was glad they were not going far away. Mr. A. Turner expressed in a few words his regret at losing Mr. Burd and family and hoped to see them often. Mr. R. J. Empey said he had known him for longer than any of the others and he was the same old Burd. The rest of the evening was spent in games and singing, music being provided by organ and violin until about 2 o'clock when Mrs. Reid suggested going home and leaving the family a few hours rest before moving. All left wishing the family prosperity and health in their new home.

Make Your Dreams Come True

Fond parents dream of a bright future for their children.

They dream of the literary and musical education they are going to give their daughter, and of the high position she will take in her sphere of womanhood.

They dream of the education they are going to give their son and vision him some day as a clergyman, a famous lawyer an eminent physician, a prominent financier, or a captain of industry.

But to make these dreams come true —or even partly true—requires foresight, planning and money.

To provide the money what plan so wise as to buy Victory Bonds for each child?

Thousands of parents bought Victory Bonds for their children in 1917 and 1918.

Surely you will be among the thousands of loving parents who will buy Victory Bonds for their children—this year?

Victory Bonds may be bought on instalments at such easy terms that every parent who so wishes may buy

U.F.O. PREMIER GIVES A TIP

The U.F.O. Premier speaking at Barrie a few days ago handed out a strong tip to his farmer friends to get a good thing when it was going and buy Victory Bonds. He said: "The safest investment that can be made by any Canadian at the present time is of loaning that money to the nation. It is good business for the individual, it assists to maintain the credit of the nation, and it provides work for the national industries. It is in the nature of an insurance policy of spreading losses over a large number of people until it becomes negligible. It is an investment not backed by any single industry of the nation. One per cent. of the industries may fail, ten per cent. of the industries could fail and still the investment would be gilt-edged.

"The safest investment you could possibly make is in Victory Bonds, and it is the biggest thing you could possibly do for your country at the present time

"A dollar invested by you in Victory Bonds to-day will be worth two, possibly three dollars, in a few years. There is no doubt in the world that we are on the edge of a time of depression no Government will be responsible. I speak feelingly now, because you know the position I am in at the present moment, and you know the tendency to blame hard times on the Government. The time will come not very far off, when wages will have dropped and the value of a bushel of wheat will have dropped to one half the value it is now. In that day your bonds will have twice the present value. It will be worth while in those years to own $1000 worth of Victory Bonds.

"There is one feature about this issue of Victory Bonds which commends itself most highly to me, and that is they are taxable. Every bond we issued should have been taxable, because it is to be feared that former issues of non-taxable bonds are drifting into the hands of men with big incomes who wish to avoid taxation. It was not needed, this non-taxability feature, because the small consumer, the man who invested his savings, did not need a tax remittal to get him to invest.

"I give to you my sincere conviction that the best thing we can do at present, for ourselves and for our country, is to lend our money to the nation. It is urgently need. The Government must have have it."

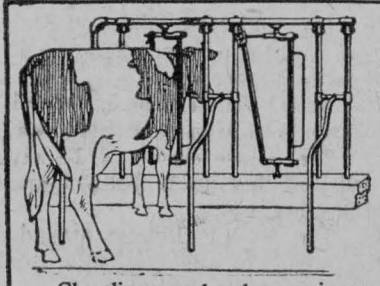

Death of Mrs. Griffin Scriver

A clipping from a paper published in Garden City, Idaho, lately received by Mr. Alex Barrie, of Huntingdon, Que., informs him of the sad death of his sister, Christiana, Mrs. Griffin Scriver. It appears that she had returned from a funeral, and she and her two sons, David and Arthur, had an early tea at their ranch home. After tea the sons left, one going down the valley and the other to the field. This latter son, soon after he left, noticed flames coming from the house and rushed back. So enveloped was the house in flames that he could not enter to locate his mother, so he rushed to a neighbor for aid. No check was possible to the flames and work of rescue was forced to wait until the house was completely destroyed. Then the charred body of Mrs. Scriver was found in the debris and removed. Two fires were burning in the home when the two men left and it is supposed that the fire originated from one of these stoves.

The deceased was about 75 years of age and had been a resident of the Valley for over 45 years, coming from Huntingdon, Que. Mrs. Scriver was a daughter of the late Robert Barrie, of Elgin, and a sister of Mr. Alex Barrie of Huntingdon. The clipping spoke very highly of Mrs. Scriver, as did also a letter from a friend, showing she was a woman of high ideals and possessed a true Christian spirit. She leaves her two sons, besides several sisters and brothers to mourn her loss.

(Mrs. Scriver referred to above was a sister of Mr. S. Barrie, and visited him here a couple of years ago).

Patriotism, profit and prosperity are linked up by an investment in Victory Bonds.
