POSTPONED

On account of the deplorable condition the rains of Tuesday and Tuesday night have left the Driving Park track, the celebration billed for Thursday, May 24th has been postponed. The Concert, Dance and Euchre will take place as advertised.

The Casualty Lists.

Dundas County men have been appearing in the casualty lists almost daily during the past week. On Friday Pte. Robert Underwood was among the wounded and on Saturday Pte. Daniel Casey was reported severely wounded, both of Chesterville. Monday's list has Pte. Charles T. Robinson of Winchester, and Pte. Allan Fisher of Iroquois among these killed in action.

Demand Their Papers

During Friday and Saturday we had many complaints from Morewood subscribers that they had not received their Records and demanding the reason why. In explanation we may say that as usual the Morewood bundle of Records was delivered to Chesterville post office at fifteen minutes to five o'clock on Thursday afternoon and should have reached Morewood the same evening. This is the second time recently that a like circumstance has arisen, the Records for North Winchester having gone astray a week or two ago, and it is apparently necessary for us to apologize for the very indifferent service given at Chesterville post office.

Red Cross Appeal.

Monday, May 28th marks the beginning of the Red Cross week—the campaign generously undertaken by the Oddfellows to augment our funds. Appeal in village and vicinity from May 28-June 2 inclusive. Every Dollar for Red Cross. A subscription of \$25.00 entitles the donor to a life membership in the Canadian Red Cross Society; or to the privilege of naming a life member. We ask our townspeople and those in the surrounding neighborhood to give the Oddfellows a gracious welcome, and to be generous in their giving to this worthy cause. This canvas is the sole one for Red Cross funds during the year.

Complete lists will be published—every donor will be given full credit for the amount contributed.

Read list of our fellow citizens killed or wounded on page 1, right hand column.

Wounded Heroes Doing Well.

Pte. Frank Merkley, who is undergoing treatment for his wounded arm in Ottawa, spent the week-end at his home here. He was accompanied by Pte. Jack Shaw of Cobden, who enlisted immediately on the declaration of war and was in the trenches until the 8th of July, last year, when he miraculously escaped instant death, when a big shell took six out of seven of his companions. Pte. Shaw was very severely wounded in the hands and feet, besides losing an eye. Pte. Merkley was the means of saving his life. Hearing his moans he went to his assistance and carried him to a dugout where he gave the best first aid he could until night fall and it was possible to take the wounded man to a dressing station. Although Pte. Shaw's foot was almost blown away an amputation was not made and he has made a wonderful recovery. It was with much pleasure he met the mother and wife of the man to whom he says he owes his life. Pte. Merkley's wounded arm is doing nicely and he is likely to regain full use of it.

WARM WEATHER

Warm weather, after a long hard winter, seems almost too good to be true. Yet it is coming, so let the Dairymen beware. Warm weather means the need for greater care in the handling of milk. See that the cooling apparatus is working right. Get ready to open up the ice house. Fix the water supply if it is not running properly and don't let the first days of warm weather find you unprepared.

Give your milk a chance to satisfy somebody's hunger. Don't take a chance it will be sweet, when you know it will be sour, if not cooled and handled properly in warm weather.

Parcel from Berwick Welcomed.

France, April 20, 1917.

Mrs. John Foster Berwick

Dear Friend,

Just a few lines to let you know that I received the parcel you sent me and I tell you it came in good time. We had just got out of the line and were all wet and muddy when the mail was given to us. It was there I shared it among the boys and they were sure quite glad to get them, and told me to thank the women of Berwick for them.

The weather is awfully wet and disagreeable now. There was quite a bunch of boys from around Chesterville and Morewood here, out of the 154th Batt. There were some of them killed and some wounded in the drive.

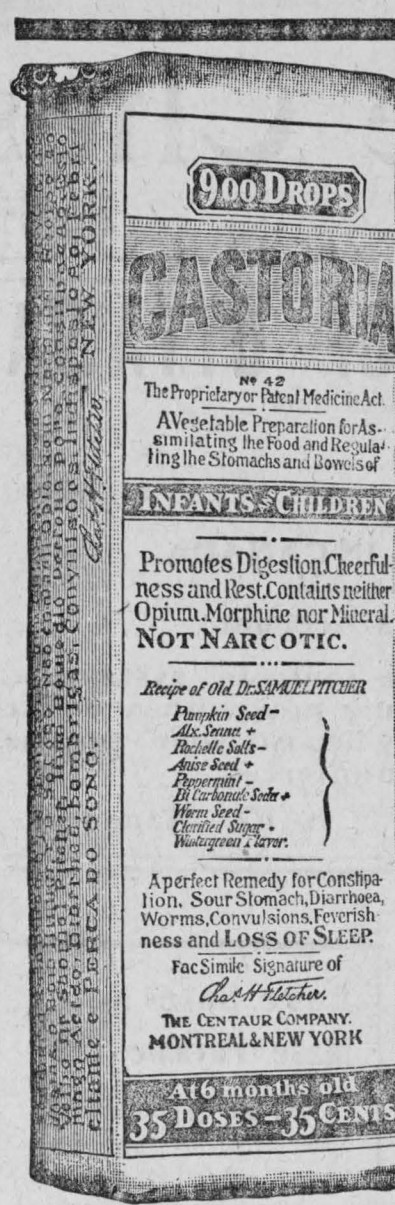

With best wishes and many thanks to the women of Berwick.—From Pte. Cecil Ouderkerk, "C" Company, B. E. F., 4 C. M. R., Canadians, France.

Shortage of Swede Turnip Seed

Swede turnip growers are urged this spring to endeavour to secure and transplant a few sound roots to produce seed for themselves and their neighbours. Owing to the abnormal conditions now prevailing there will likely be very little swede seed for planting in the spring of 1918 unless our Canadian swede turnip growers make provision for their own supplies by growing the seed themselves. Canadian supplies of swede and most other field root and garden seeds formerly came from Europe but this source is now practically cut off. The prospects for home grown seed have been reduced by the present price of swede turnips for food purposes, as it would now take nearly two hundred dollars' worth of full grown swede turnips to transplant an acre for seed purposes. This factor has had the unfortunate effect of reducing the area in the eastern provinces that would otherwise have been planted for the production of swede seeds.

Boys' Clothes And Men's Ordered Suits

If you have boys you must buy clothes for them. None you can buy will wear for ever but we want your trade in this line and have done considerable investigating to get what will fill the bill.

We have a particularly nice line of suits now, in shades most suitable for the season and of a quality that for wear you will hardly find anything better.

Pants usually wear out first, so with these suits two pairs of pants can be bought if you wish.

Bring your boy in and let us see how he would look in the best Boy's Clothes in town.

FOR MEN'S SUITS we have a very fine range of wools for your selection, and the tailoring we can guarantee to be second to none. What about a new suit?

Matilda District Meeting

At the Matilda District Meeting held on Thursday and Friday of last week in Winchester, the congregation of Trinity Methodist Church was represented by Rev. H. E. Warren and Mr. Thos. Hamilton. All the ministers of the District were in attendance and several lay delegates. The thrift of the work over the entire District during the year was most apparent. Notwithstanding the war the missionary givings were nearly \$700 ahead of all previous records, an advance of over \$1009 in two years. Mr. Howard Sullivan was elected by the District to attend the Montreal Conference in Pembroke, Ont. on June 2nd. No changes are expected in the pastorates at the coming conference except Inkerman, which expires automatically at the end of four years. Rev. Dr. Philip is the pastor, and was elected to sit upon the Stationing Committee.

The Anniversary Supper of Trinity Methodist Church.

It is now eight years since the new Methodist Church of Chesterville was dedicated. The obligation assumed in undertaking an enterprise of such local magnitude was no small thing, the edifice costing over \$30,000. An appeal was made three years ago, and the debt has been reduced to less than \$1000. The Anniversary Supper was a gratifying success on Monday night. Between 300 and 400 took supper, and assembled in the church auditorium afterward for the platform meeting. The pastor, Rev. H. E. Warren welcomed the visiting clergy and the many visitors from the adjoining towns of Winchester, Inkerman, Elma, Grantley, Finch and Morewood. Greetings were given by Rev's. John Puttenham of Finch, Thomas Meredith of Elma, D. D. Elliot of Morewood, and T. B. McCorkindale of Chesterville Presbyterian Church, and addresses were given by Rev. Dr. Taylor of Renfrew, and Rev. John H. Miller of Winchester. Miss Amy Beattie rendered selections on the violin, which were encored; Miss Arlie Durant and Mrs. W. J. Cass sang patriotic numbers, which admirably fitted the occasion; Mrs. Howard Fulton playing the accompaniment.

Dr. Taylor preached to splendid congregations morning and evening on Sunday, the weather and road conditions favoring the day. In the evening the Rev. Mr. McCorkindale assisted in the service, the services in the Presbyterian Church being withdrawn to enable the congregation to attend.

Much praise is due the committee of management, consisting of Mrs. Melvin Durant, Mrs. Chester Casselman, Mrs. James Cunningham, Mrs. Ingram Smith, Mrs. Parnham Allison, Mr. Cornelius Cross. Mr. Wm. J. Johnston and Mr. Howard

Pte. Horace Webb's Last Letter Home.

The following letter was received from Pte. Horace Webb by his mother, Mrs. Ernest Webb almost at the same time she received the news of his death which happened on April 22nd.

Somewhere in France
April 17, 1917.

Dear Mother,

Just received your letter, but as you had no date on it, I can't tell how long it has taken. Frank Merkley is lucky to have just got a "blighty," for they had a rough time of it last year. Well, I hope the war will be over before he has to come out again, for the fighting is more severe this year, especially for the infantry, although our casualties are not so big. I don't think. The weather is very bad, rain, snow and hail taking turns every day. Still if it ends this year we can make up for hardships after its all over. I don't remember Will Hayes, but I do Percy Hummel, also Harm Hummel. I'm glad Walter and Dad are able to send you books but I don't think they will have much chance to when they get over here. Thanks ever so much for sending parcel. I haven't received it yet but I shall let you know as soon as I do, and I might say it couldn't have come in a better time for we have been on short rations just lately, and of course we can't buy anything. Well, like you, we all live in hopes of the war finishing this year, and as America has come in it stands a good chance of doing so. I hope you are all well, and am glad to say I am. Remember me to the Chesterville folks, also Hubert and Percy, not forgetting Jack and Phyllis, (I'll get them all off in a minute) and, I remain

Your affectionate son,
HORACE.

Buried Beside The Gun he Served

"B" Battery,
94th Brigade R. F. A.
April 24, 1917.

Dear Mrs. Webb.

I am the Chaplain attached to the Artillery to which your son Horace belongs, I thought you might like a line from me. I expect your son has given you some idea of the conditions under which he has been living. We are far away from any dwelling place following up the Germans, and have little opportunity of seeing the paper, I understand it is very interesting reading just now, and the last day or two has been exciting. One thing was our joy and that is the thought of the brave lads who give their life for their country and this cause which I firmly believe to be a righteous one. But we have one consolation and that is that it is not in vain. It may appear so, but the safety of our loved ones and the women of our country are part of the fruits of their sacrifice.

Of course your son must have told you that his battery has been in action. I am writing now to tell you that your son is amongst those whose names are written on the Roll of Honour. It is a sad and unpleasant task for me, but I wanted to break the news gently, unless the War Office have already sent a cable to you. Mrs. Webb, it is sad indeed to think we shall not see his face again in this world but surely death is not the end of all things. Only last Sunday I spoke on John 12-24 to the men "Unless a grain of wheat falls into the ground and dies it abides alone a single grain, but if it dies, it beareth much fruit." Surely this applies to your boy and his comrades who have fallen. But it has a deeper truth still. Is not the Author of these words referring to Himself? Was not the purpose for which Christ came to this world, to die on the cross rather than

to set an example by His life? Yes surely, if He had refused the cross He would have returned to Heaven with empty hands. But by His death he has borne much fruit, and by His resurrection He has opened the gate of Heaven for us. "He that believeth in Me," He said, "though he were dead yet shall he live, and whosoever liveth and believeth in Me shall never die." What comfort can we find for those who mourn, apart from the Gospel? Your son's battery was shelled on Sunday last, and he was killed instantly without suffering any pain. I buried him yesterday evening, and his body lies in the battery position beside the gun he served. I must not give you the name of the nearest place yet, a cross will be erected to mark the spot.

No doubt one of the officers will write and give you farther particulars.

May God Himself comfort you Mrs. Webb in your sorrow and enable us all to trust Him more fully in the future. With true sympathy yours sincerely H. M. TAYLOR.

Pte. Napoleon Paul Met Death Bravely

In the Field, April 17, 1917
Mrs. N. Paul,
Chesterville, Ont.

Dear Mrs. Paul,
It is my sad duty to write you a few lines concerning the death in action of your husband, as I was his commanding officer, and was standing quite near to him when he was struck. He went over in our company, and did very good work through all the assault right up to the final objective. He was busy with the work of consolidating when a shrapnel shell burst over him, hitting him in the head and striking him dead. He fell unconscious and could not have suffered any pain. The shell burst also right over me. I felt the concussion, and was struck lightly on the shoulder but suffered nothing serious. When I picked myself up your husband was lying stricken on the ground. Such is the fortune of war. Let me assure you of my sincere sympathy with you in your loss. I hope you will be able to console yourself somewhat with the thought that he died bravely, doing his duty in an action which will be one of the most glorious events in Canada's history.

His personal effects have been sent to you. If there is anything further that I can do, please let me know.

Yours sincerely,
A. P. Menzies, Lieut.
O. C. "C" Co.

4th C. M. R.

P. S.—He was buried on the field of victory near where he fell and our chaplain read the burial service over him.

Germany Eating Crows For Food

New York, May 18.—The New York Times says; "Germany is eating crow instead of shooting golden pheasants and woodcocks, the sportsmen—all of whom are above seventy—kill English sparrows and American woodchucks for food," said an American doctor yesterday, who for the last eight years has been a resident of Berlin. He declined to have his name published, since his mother still lives in Berlin.

"Despite the wonderful German organization and conservation the fatherland is suffering severely from food shortage," he continued. "This shortage is manifested particularly in a lack of grain and vegetables and staple necessities. The choicest dish on a German table is crow. The birds cost about 40 cents apiece. Sparrows sell for about 8 cents apiece and are considered a luxury by the poorer classes."

Soft, Clear, Smooth Skin Comes With The Use Of "FRUIT-A-TIVES".

NORAH WATSON
86 Drayton Ave., Toronto.
Nov. 10th, 1915.

A beautiful complexion is a handsome woman's chief glory and the envy of her less fortunate rivals. Yet a soft, clear skin—glowing with health—is only the natural result of pure blood.

"I was troubled for a considerable time with a very unpleasant, disfiguring Rash, which covered my face and for which I used applications and remedies without relief. After using 'Fruit-a-tives' for one week, the rash is completely gone. I am deeply thankful for the relief and in the future, I will not be without 'Fruit-a-tives'."

Artificial Coloring of Sugar Prohibited by the Government

FOR many years the Canadian Public has been eating Artificially Colored Sugars. Government reports show that some refineries have used Ultramarine Blue to make their granulated sugar look better than it actually is. Others made use of Aniline and Vegetable Dyes to give a brilliant appearance to their soft or yellow sugars.

The use of dyes or coloring matter of any kind is unnecessary in refining Cane Sugar. This is emphasized in a notification sent to all refiners by the Dominion Government prohibiting the coloring of sugar, and in cases where it is found, prosecution proceedings will be entered under the Adulteration of Foods Act.

We Wish the Public to Know that we Have Never Used Coloring Matter in Lantic Pure Cane Sugar and Never Will

Lantic Pure Cane Sugar was first put on the market about two years ago. Since that time over 200,000,000 lbs. have been consumed by the Canadian Public, and we are now turning out 750,000 lbs. of Pure Cane Sugar each day.

The reason for this enormous business is not hard to explain. It means that the discriminating consumer has learned by actual use that Lantic Pure Cane Sugar is superior to all others.

Having erected the most modern sugar refinery in the world, costing over \$4,000,000, we steadfastly adhered to our original policy of making only absolutely Pure Cane Sugars of highest quality, in which

NO BEETS ARE USED
NO ULTRAMARINE BLUE IS USED
NO ANILINE DYES ARE USED
NO VEGETABLE DYES ARE USED

During the last two years we were told that we could increase our business in certain sections of Canada, if we would color our yellow soft sugars, as the public were accustomed to the more brilliant color. We refused and are glad we did so. The recent action of the Government has since vindicated our judgment.

Look for the Red Ball Trade-mark

To be absolutely certain of getting Lantic Pure Cane Sugar, see that the Red Ball Trade-mark is on every bag or carton. It is our guaranty to you of Canada's Purest Sugar.

Your grocer has Lantic Sugar in stock or will get it for you if you insist.

Captain Dancy is Given Discharge.

Capt. S. N. Dancy, late O. C., 2nd Battalion Reinforcing Draft, has been discharged from the Canadian Expeditionary Forces through orders of Brig.-General T. D. R. Hemming, O. C., M.D., No. 3. Capt. Dancy was for some weeks attached to the 207th Carleton County Battalion in the capacity of recruiting officer.

When the unit left the Capital he was given command of a reinforcing draft for the 2nd Battalion. The appointment was made by Militia authorities at Ottawa.

He enlisted a number of men for the draft and led them to Halifax.

Capt. Dancy was recalled to Kingston to explain certain matters brought to the attention of the military authorities. He has been in Kingston for several weeks.

Friday's divisional orders conveyed the announcement of his discharge from the C. E. F. He was known particularly for the vigorous recruiting methods he adopted and to which objection was often made. He served in France with the B. E. F. early in the war.

Decide to Hold Cheese a Week

Cornwall, May 18. At the opening of the Cornwall Cheese Board today President Denny said that after last week's meeting he had written J. A. Ruddick, Dairy Commissioner, at Ottawa, giving him the opinions expressed on the Board that the producer should be represented on the Commission and that every effort should be made to hurry matters to a definite end.

In reply Mr. Denny read a letter from Mr. Ruddick in which he expressed the hope that the farmers would be patient until such times as the British Government takes definite action. He represented the farmers and producers and he hoped to do it with satisfaction to all.

S. J. McDonnell, Vice-President, had been speaking to Mr. Ruddick over the long distance telephone and the Commissioner stated he had nothing new to impart. Asked if it would be wise to dispose of a portion of the cheese on hand, Prof. Ruddick said he would not advise such action but the cheese men knew local conditions better than he did.

He urged patience in the matter expressing the opinion that everything would work out all right. Mr. McDonnell said half of the farmers depend on their cheese sales during the fore part of the year for early purchases and would pre-

fer to accept 23 or 24 cents now to 25 or 26 cents a month hence.

Mr. W. McLeod, secretary, said the cheese sold at Brockville was for local and Montreal consumption and not for export. He thought it advisable to hold for another week and if the fact of ymen

did not have the storage room in their factories they could ship to cold storage houses in Montreal, where the cheese would be looked after and insured. The buyers present; Weegar Welsh, Wert, Edwards and McLeod, had no light to throw on the subject, and none were prepared to make any offers.

Protect and Beautify with

LOWE BROTHERS HIGH STANDARD PAINTS

These paints of proven performance show their quality by their looks, life and wear. Results have proved their certain economy.

HIGH STANDARD saves money now and next time. It saves money "now" because a gallon covers more surface than a gallon of cheaper paint. You will need fewer gallons of HIGH STANDARD. It spreads easier enabling your painter to do a better job in less time.

It saves money "next time" because HIGH STANDARD is a long-wearing paint. You don't need to paint so often. And when after years of service it has gradually worn away, it leaves a good surface for repainting. This means saving of time and material.

EVERYBODY Wants Profits

It isn't the amount of the premium but the amount of the dividend that fixes the cost of an insurance policy.

This is particularly true in a Mutual company where all surplus earnings are credited solely to policyholders.

The profits may be drawn in cash, used to reduce the premiums or to increase the amount of the insurance.

Less expensive policies are issued without profits, but in a prosperous company such as the Mutual of Canada the policies with profits soon become the cheaper.

One could not do a wiser thing than take out a life, limited payment life, or endowment policy in the Mutual of Canada, for it is among the most liberal dividend payers in America.

For example: twenty years ago a young man, age 25, took out a policy for \$4,000 on the 20-year endowment plan. He paid a single premium of \$2,036. Last month the Company paid him \$5374.16. This was a return of \$263.96 for each \$100 invested in addition to the protection of \$4,000 for 20 years.

It is generally understood that a bull in a china shop causes a considerable wreck, but china shop's not being always handy other objects may be wrecked. Monday morning as a blind-folded bull was being driven to the stock yards he became somewhat excited just south of the bridge and made his way to Mr. Jas. Hughes' verandah where one of the corner posts was knocked out.

The Chesterville Dramatic Club journeyed to Chrysler last Friday and presented "The Old New Hampshire Home" before a large and appreciative audience. The Chesterville Band helped also in the evening's entertainment. Thanks are due W. H. Casselman, Wesley Hamilton and Eddie Lynch for the use of their cars in taking the company over. The players also wish to thank Mr. Robert for the use of his Hall, and also Mrs. Coons for the kind way they were entertained to supper at her residence after the play. The Chesterville and Chrysler Red Cross societies will benefit considerably by the performance of the play.
