Does Your Car RATTLE?

Possibly the doors have become loosened and need adjusting. If so, run your car out to the Supertest Service Station and let us equip it with a set of "door silencers." They are not expensive and will keep your doors from rattling.

Maybe your brake rods are noisy. This can be remedied by letting us install a set of "anti-brake-rod rattlers." They certainly hold the rods firm and tight with no chance for any noise.

For Your Brakes!

If you have Hydraulic Brakes on your car, you may now have them recharged with Brake Fluid at this station. Come in and get our prices

We also carry in stock, in addition to Firestone Tires and Tubes, Supertest Gasoline and Oils, many accessories such as Tire Repair Kits, Radiator Caps for mending leaks, the famous Tumbler's Auto Cleaner and Polishes, Spark-Plugs, Windshield Trico Wiper Blades, etc.

KITCHEN SHOWER

On Monday evening last about fifty of the young ladies assembled in honour of Miss Jessie McLean, one of this week's brides, at the home of Mrs. Thos. McLean. The event took the form of a delightful kitchen shower, under the direction of Misses Helen Elliott, Helen Timmins and Eileen Melvin, who acted as hostesses.

Miss McLean was presented with a beautifully decorated basket laden with many useful articles for the kitchen, after which all the guests registered in the handsomely designed bride's-book. A social time was then spent during which home-made candy was passed.

Miss McLean expressed her appreciation of the kindness shown by her friends, after which the evening closed with "For She's A Jolly Good Fellow."

MISS RUBY B. JOHNSTON IS GUEST AT SHOWER

Miss Ruby B. Johnston, who is to be married soon, was the guest of honour at a miscellaneous shower held at the home of her parents, Mr. and Mrs. James Johnston, Cass Bridge, on Friday evening last. More than 150 guests were present from the community, as well as relatives from Winchester, Ottawa and Kingston. The house was adorned with Summer blooms, and the lawns were lighted with Chinese lanterns of varied hues.

While the guests assembled on the lawn, the bride-elect was escorted to the verandah by Miss Helen Jamieson, and after an address read by Mrs. Jas. Patterson, Miss Wilda Patterson presented a bouquet of cut flowers. The Misses Gladys Cook and Viola Patterson gave Miss Johnston a decorated basket containing many gifts. A 98-piece dinner set was given by the neighbours, and a set of aluminum ware by Mr. and Mrs. Dalton Robinson and her parents.

The address was signed on behalf of those present by Mesdames Frank Hogaboam, James Patterson, William Cook, Josie Patterson, J. McCourtie and Miss Helen Jamieson.

The evening was spent in games, and a short program of songs was given by Alex McLean, of Toyes Hill, with orchestra selections by Mr. and Mrs. F. Hogaboam, Lorne and Arnold.

Luncheon was served by the Misses Olive and Viola Patterson, Geraldine and Jean Summers, Gladys Cook, Dorothy Coons and Dorothy Gutch, assisted by Willett Summers, Lorne Cook and Lorne Hogaboam.

MOUNTAIN TP. FAIR HELD NEXT WEEK

PLANS ARE NOW COMPLETE. DIRECTORS HOPE FOR RECORD ATTENDANCE

On Thursday and Friday of next week the Mountain Fair will be in full swing, with fine promises of a bigger and more interesting line of exhibits than ever before. The entries to date have been large and all committees are working hard to insure a most successful exhibition. The prize list has been altered somewhat, enlargements being made in many sections, while the list of special prizes is more attractive to exhibitors than for some years past.

Many owners of race horses have declared their intention of entering them in the different classes, so that a good race program is assured.

Those attending the Mountain Fair next week will be assured of plenty of attractions and a real two days' pleasure. Plan to be there and enjoy it.

GOVERNMENT CATTLE BUYERS TO VISIT MOUNTAIN AND CHESTERVILLE FAIRS

Word has just been received from Hon. Geo. H. Challies, by the Secretary of the Mountain Agricultural Society that the Government require a number of Holtein cattle at their Burwash farm and that their head herdsman will visit the above named fairs in order to secure their requirements if possible. The Secretary of Mountain Fair is very pleased to pass on this information to the cattle exhibitors of both fairs.

SCHOOLS RE-OPEN NEXT TUESDAY

Notice is given this office that the schools of Winchester and district will re-open for the Fall term on Tuesday, September 5th instead of Friday, Sept. 1st as prevously announced.

Parents are given advice to have their children present on the opening day, as classwork will commence at once.

BROKE ELBOW

Edwin Boyd, young son of Mr. and Mrs. Leroy Boyd, suffered a painful accident on Monday evening last when playing in the yard at his home. He was playing on the clothes-line platform when in some manner he slipped and fell to the ground. The boy was immediately rushed to the office of Dr. J. J. McKendry where it was ascertained that he had broken his left elbow. The fracture was reduced on Tuesday morning and Edwin is now making satisfactory progress towards recovery.

BOWLING NEWS

The Winchester Bowling Club entertained the Club from Kemptville on Monday evening last in one of the scheduled inter-club league matches. Having suffered a defeat at the hands of the local bowlers on their own greens, the Kemptville players set out to administer a defeat, but to no avail. The Winchester rinks were victorious in each case, which puts them well up in the round over their opponents. The score in aggregate was 49 to 34. The final game of the series will be played shortly when the Prescott team pay the local club a visit.

At the present time the greens are a scene of activity for a schedule of games has been arranged in the shape of jitney doubles. Keen interest is being taken in the affair as substantial prizes are being awarded the winners.

PAINFUL ACCIDENT

Master John Carr, younger son of Mr. and Mrs. Ben L. Carr, of Morrisburg, met with a very painful accident on Friday last when playing with some other boys in the barn of a neighbour.

The youngsters were apparently chasing one another through the buildings, when John had the misfortune to have his third finger on the right hand jammed in a door with such force that the entire tip of the finger to the first joint, was taken off. With exceptional grit, the boy walked half a mile to his home, holding the injured hand up in the air, where his parents imediately summoned medical aid. He is now making good progress, but will have a sore finger for some time to come.

AN EXPLANATION

The Press appears this week in four-page form as was previously announced. This week's installment of the continued story and other features have been omitted due to the pressure on space of local news.

Next week's issue will be the regular eight-page size with special features, editorials, etc. once more in place. We have enjoyed our holiday. Thank you.

CARD OF THANKS

SAD DROWNING AT MORRISBURG

YOUNG MAN JUMPS FROM BURNING MOTOR BOAT. UNABLE TO SWIM

Jumping overboard when his motor launch caught fire, William Newton, 20-year-old Morrisburg resident, was drowned in the St. Lawrence River at Morrisburg about five o'clock Saturday afternoon.

Newton was out for a ride in his launch alone and had reached a point in the river just west of the locks park opposite the foot of Union street, when the engine back-fired, setting the bow section of the boat ablaze. Newton was seen to immediately jump overboard, and being unable to swim a stroke, the swift current soon carried him under. Eye witnesses saw him disappear for the last time directly opposite the locks and about 30 feet from shore.

Dragging operations have failed to recover the body and police have forbidden the use of grappling irons because of the dangers of the swift currents and boilers to the rescuers. A reward of $25. has been offered for the recovery of the body. The motor launch was also lost.

William Newton was a native of Liverpool, England, having come to Canada in 1928 to St. George's home, in Ottawa. He secured employment almost immediately with Delbert Merkley, at Inkerman, and until about a month ago worked in that district. He then went to Morrisburg where he has been in the employ of Capt. Walter V. McGannon, since.

MOUTH HEALTH CONTESTS

It was publicly announced some time ago that the Ontario Department of Health in co-operation with the Ontario Dental Association, the Canadian Dental Hygiene Council, the Ontario Medical Association and the Canadian Public Health Association are undertaking a public health effort in the Five Eastern Counties of the Province. The various activities have been started and will be continued until the entire area has been covered.

One of the main purposes of the undertaking is to stimulate the necessary treatment to put the mouths of all girls and boys in such a healthy condition that they will not only be able to chew their food properly but will also be encouraged, because of the satisfaction of being able to eat without pain, to do their utmost to prevent dental disease. The children can be taught to take an interest in mouth health and can be led to develop habits in this respect that will be permanently beneficial. They must, however, be given recognition and encouragement.

For the purpose of increasing the interest of the boys and girls of the county of Dundas in dental health, a number of mouth health contests will will be held in connection with local school fairs. Prizes will be provided for boys and girls of various ages who, in the opinion of the examing dentist, ranks highest in regard to the arrangement of teeth for thorough chewing, freedom from cavities or inflamed conditions of the gums, mouth cleanliness and mouth health habits. Separate contests have been arranged for the following classes:—

1. Boys, 3 years and under.
2. Girls, 3 years and under.
3. Boys, 4 years to six (inclusive).
4. Girls, 4 years to six (inclusive).
5. Boys, 7 years to nine (inclusive).
6. Girls, 7 years to nine (inclusive).
7. Boys, over nine.
8. Girls, over nine.

In each class the prizes will be first and second. Children wishing to enter the contest must apply to the public health nurse at the School Fair.

ADDRESS AND PRESENTATION

The home of Mr. and Mrs. Edwin Beach was the scene of an interesting event last evening when a number of ladies with whom Mrs. Beach has been associated in work here, met to say good-bye prior to her departure to reside in Ottawa. The following address was read by Mrs. Dukelow and the presentation was made by Mrs. G. Earle.

Dear Mrs. Beach:—

It was with the deepest regret that we learned you were leaving your home town, the place where you have lived since your girlhood days, but Fate ordains that the dearest friends must part.

You will be missed, as you have a faithful worker in all departments of church work, a faithful attendant of Sunday School and an active member of the W. M. S. and Women's Association.

The people of Winchester have been favoured many times by your sweet songs and recitations—a gift which you humbly possess. The beautiful christian character which you have exhibited has been an inspiration to us all.

We will look back on many pleasant episodes and recall all the glorious days and hours spent together in Winchester, and as a token of Remembrance, we ask you to accept this gift with our good wishes for your future happiness.

"'Tis not the tale of years men tell
That counts, but how they're spent;
Not what we get, but what we give
Is our just measurement."

Mrs. Beach replied in a few words thanking these friends for this manifestation of good-will and love. The guests registered in a prettily-decorated book, and candy was passed by the committee in charge. Then all joined in singing "Auld Lang Syne."

WEDDINGS

STEELE-JOHNSTON

A quiet but interesting wedding took place at the Presbyterian manse, Winchester, on Wednesday, August 30th, when Ruby Beatrice, daughter of Mr. and Mrs. James Johnston, of Cass Bridge, was united in marriage to David Vincent Steele, son of Mr. and Mrs. William Steele, of Winchester Springs. The ceremony was performed by Rev. W. D. Turner, while the young couple were unattended. Following the ceremony Mr. and Mrs. Steele left on motor trip to Toronto and other western points. On their return they will reside at Winchester Springs.

SUMMERS—McLEAN

On Wednesday morning, August 30, 1933, at 7.00 a.m. o'clock, the Wesleyan Methodist parsonage was the scene of a very quiet wedding when Miss Jessie M. McLean, daughter of Mr. and Mrs. T. D. McLean, of Winchester, and Mr. Raymond C. Summers, son of Mr. and Mrs. G. Ward Summers, were united in marriage by Rev. D. W. Summers. They were unattended.

The bride was very charmingly dressed in a swagger suit of eggshell pebble crepe with hat and accessories to match.

The happy couple left on a motor trip to Toronto and Niagara Falls, amid showers of confetti, carrying with them the best wishes of the community.

MERKLEY—DURANT

On Saturday, at the home of the bride's parents, Chesterville, Wilda Gertrude, daughter of Mr. and Mrs. A. Durant, became the bride of Glenn E. Merkley, son of Mr. and Mrs. Philip Merkley, of Ottawa. Rev. W. A. Cockram, of Elma, officiated.

The bride was gowned in white crepe and carried a bouquet of roses and maidenhair fern. Mr. and Mrs. Claude Carr attended the bride and groom.

Following luncheon, Mr. and Mrs. Merkley left by motor for Toronto and Niagara Falls, the bride travelling in a tan ensemble with hat and shoes to match. On their return they will reside in Chesterville.

SOFTBALL GAME

The second game of the Town League Finals, between Johnston's Tigers and Root's Maple Leafs, will be played tomorrow (Friday) afternoon, at 3.30 p.m. on the School Grounds. The Tigers won the first game, but the Maple Leafs are very confident that they can take the Tigers into camp this time.

UNDERWENT OPERATION

Mrs. Victor Disheneau was taken to the Ottawa Civic Hospital on Wednesday, Aug. 24th, and there underwent an operation for gall stones. The operation was performed by Dr. Hooper, assisted by Dr. J. J. McKendry. She is now making excellent progress towards recovery.

MRS. H. WOOD CRITICALLY INJURED

The citizens of Winchester and district learned with great regret on Friday last that Mrs. Wood, wife of Rev. Herbert Wood, pastor of the local Baptist Church, had sustained severe injuries when her husband's car became involved in an accident at Toronto.

Rev. and Mrs. Wood had attended the funeral of a relative at Prospect Cemetery there, and were returning to the city when a car, allegedly driven by Allen Clark, of Toronto, struck their automobile as they turned out on the narrow road in order to avoid a crash.

Medical assistance was immediately summoned and Mrs. Wood removed to Grace Hospital, where it was ascertained that she had suffered severe head injuries and a possible fractured skull.

FAREWELL AT SHANLY

A very pleasant evening was spent in the S. S. rooms of the Shanly United Church, on Monday, Aug. 14th, the occasion being a farewell for Mrs. Levi Levere and family who have recently moved to Winchester. A delightful social hour took place during which Mrs. Levere was presented with a beautiful floor lamp by Mr. Fred Johnston, following the reading of an address by Miss Marion Adams on behalf of those present. Mrs. Levere made a very fitting reply in which she expressed the wish that all might visit them at their new home. A dainty lunch brought the evening to a close. The following is the address:—

Mrs. L. Levere and Family:

Dear Friends:—

We, the members of the Shanly United Church and community, feel at this time on the eve of your departure from among us, due to the loss of a devoted husband, a loving father and a valued member of our community, that we cannot allow this final opportunity to pass without expressing our appreciation of your services. And it is with this realization in our hearts that we are gathered here to-night to express to you our deep appreciation of the benefits, which we as a Church and Community, have derived from your association with us.

Mrs. Levere, we shall miss you in the prayer meeting, where you seldom failed to be present. We shall miss you as a Life Member of our W.M.S., as an enthusiastic worker in our Sunday School Class, and leader of the L. T. L.

We are also reminded of the willing contributions of the Young People in the many organizations of the Church, the Orchestra and all social activities of community life.

For these reasons, we are anxious that you take with you some tangible expression of our esteem. Will you accept, with our very best wishes, this gift?

May the light reflected from this lamp, in some way, reflect to you, our appreciation of the willing, helpful service you have one and all contributed in our midst.

Trusting that you may be blessed in your new associations, and that God's presence may be especially near, controlling and guiding your future lives.

Signed on behalf of the Shanly United Church and Community. Shanly, August 14th, 1933.
